The NWEA assessment will also be given in the upcoming weeks for second grade. Kindergarten and first grade will also take the MAP Fluency assessment at the end of April.

2023-2024 Kindergarten:

We had a great turnout at Kindergarten Round Up and currently have 76 students. Historically, we have anywhere from 5-15 more students register in the upcoming months before school begins. Overall, the class of 2036 did an amazing job and will make fantastic Bluejays next year!

School District of Seward
Board Report
Shannon Hall-Schmeckpeper, Director of Special Services
April 10, 2023

It is hard to believe that we are well into the 4th quarter. Here are a few things we have been working on in Student Services:

We held our preschool open house. Letters are being sent out inviting peers to attend our program in the fall. For our 3-year-old classroom, 17 peers are being invited to enroll in preschool for the fall. All of our current peers in the 3-year-old classroom will be returning next year, so there are only 4 peers that are being invited to enroll in our 4-year-old program. This is a testament to the quality preschool that is provided at our elementary school!

I am looking forward to attending the NASES Spring Conference in Lincoln. This year the focus of the conference will be using high-quality IEPs for instructional planning. This will align with the work that we have done this year with the team of teachers who attended the Journey to Inclusion presentations. Then on Friday, Karen Hasse from KSB Law firm will be speaking about Compliance with IDEA (the law that governs special education).

As I mentioned in the last board report, special education teachers are submitting students that met Extended School Year guidelines to me by April 17th so that we can build the budget for these summer services. I will then present this proposal to Dr. Fields for approval. Again, ESY services are based on the regression of skills and not the acquisition of new skills.

ESSA Title IA Non-Public School Consultation and Special Education Non-Public School Consultation Meeting are scheduled for Monday, April 20th at 3:00. The purpose of this consultation is to meet with the leaders at our non-public schools and to determine what special education FAPE and equitable services will be provided for the 2022-2023 school year for those non-public students who attend non-public schools within Seward School boundaries. Both Dr. Dominy and I will attend the meeting.

Our Targeted Improvement Plan (TIP) is due on May 1st, 2023. The goal of the TIP is to help schools build capacity for the scaling-up of the MTSS framework by having a system to review student data and establish a Targeted Improvement Plan (TIP). Each TIP is required to have (a) a

focus for improvement, (b) a measurable goal with annual targets, (c) a student-centered, evidence-based strategy to affect the outcomes for students with disabilities, (d) a level of implementation ratings, and (e) descriptions of data used for decision-making The TIP must be aligned to the overall general education improvement activities being implemented at the district. Our TIP is aligned with our Strategic Plan. This year our focus was on improving reading and mental health support for our students. Next year, the focus of our strategic plan is on intervention and enrichment. With the adoption of the new reading curriculum, we will focus on reading again and we are looking at adding a focus on math at the elementary level.

Our PEak (Promoting Engagement and Knowledge) Project is also due on May 1st, 2023. The PEaK project is a way to secure some funding from NDE to support the implementation and evaluation of our Targeted Improvement Plans (TIPs). Funds must be used to assist with the deep implementation of evidence-based practices designed to improve the outcomes of students with disabilities.

Finally, we had 9 of our middle school students bowl at State Special Olympics Bowling this past week in Lincoln. We had 2 students place 1st; 1 student place 2nd; 1 student place 3rd; 1 student place 4th; 2 students place 5th and 2 students place 6th. This was a very successful session. A huge thank you to Lori Voss, April Ross, and the paras at the middle school for the time they devoted to helping these students. And to Tom at Seward Bowling Alley for allowing the students to practice there.

Again, thank you for all you do to support our school district!

April 2023 Board Report for Curriculum and Staff Development

Board Members,

I hope this report finds all of you well. I am writing this board report the day before the ACT test, so assessment is clearly on my mind as I write. As a reminder, we gave our 11th grade students the opportunity to take the ACT with reportable scores in October. We believe that by giving this test in October, the logistics, format, and timing of the test will not be a surprise to them when they take the state test on April 4. We will know in a few weeks how our students did on this assessment.

Curriculum

A full year and beyond has been spent on growing our knowledge of ELA as well as the best instructional resources for our district in teaching ELA to our students. At the April meeting, we will be asking for your approval to purchase ELA materials that will be used in our school district for the next seven years.

Instruction

We are starting to lay the groundwork for the final piece of our strategic plan that will serve as a district initiative. Next year we will have a focus on Multi-Tiered System of Support (MTSS), essentially we will formalize what we do when students are struggling with the standards and what we do when students are exceeding the standards. We anticipate that we will end the year with clearly stated parameters for how students qualify for interventions, what the interventions are as well as how students exit these interventions. The same will be completed for students who are exceeding the standards.

Staff Development

Our March staff development day was devoted to a variety of professional learning opportunities from MTSS leadership meetings to presentations by our LMHP regarding universal mental health supports in the classroom. The teachers also had time for action planning as well as training regarding our upcoming assessment administration.

Assessment

I shared with you above that the ACT test will be taken on April 4th. Parents and students will get the results about 3 weeks after the test, but we will not have data to share regarding the ACT test until the data is released in the Fall. We are also busy scheduling the NSCAS Growth assessment. As a reminder, the NSCAS Growth is a combination of the NSCAS assessment and the NWEA Assessment. These assessments are important, but they are one small piece in how we document student achievement in our school district.

Thank you for your support!

APRIL STAFF DEVELOPMENT NEWSLETTER

— A NEWSLETTER FOR THE SEWARD STAFF BY DR. DOMINY —

APRIL

Greetings Staff! April is here and Spring Break is near. I hope that you get a chance to enjoy time with your family and take a breather before we finish the year! There are so many activities that are special for our students, staff, and families at the end of the year and I know that you do a great deal of work to make these events happen. Please know that your time in organizing and providing these events for students is appreciated.

This month is testing month! Our students are well-prepared with quality instruction and quality learning experiences. This has always been our focus when we think about assessment in our district. We will provide high-quality learning experiences that are systematic and rigorous and we will let the results speak for themselves. I am so proud of each of you and the incredible education you give each of our students in Seward Public Schools.

FUEL FOR YOU- JON GORDON

To fuel something is to power it. And so, I titled this newsletter *FUEL for You* because I want to provide you with a simple framework to power your life with positive energy. FUEL is not just a word but also an acronym and when you implement it, you'll live with more power and energy and become a more powerful force for good.

F-Feed the Positive

If you want to build muscle, you need to eat protein. In the same way if you want to build a positive mindset you need to feed yourself with positivity. My favorite way to do this is to practice gratitude while walking. Twenty years ago, at the peak of my misery and negativity, I started taking a daily *Thank You Walk* each morning where I would say out loud what I was thankful for while walking. By doing this I was flooding my brain and body with positive emotions that fueled me instead of the stress hormones that drained me. Since you can't be stressed and thankful at the same time it's a great way to feed the positive and weed the negative and create a positive mindset. I literally rewired my brain from negative to positive by

doing this one daily morning practice and I want to encourage you to try it or pick another daily practice to feed yourself with positivity in the morning.

I will feed the positive each day by _____.

U-Uplift your Mind

When I talk about the mind I'm not talking about your brain. I'm talking about the mind that is part of your soul. Your mind and soul need to be nourished, renewed, and uplifted on a regular basis. In this wild and crazy busy world, you'll want to make time to incorporate beauty, nature, music, meditation, prayer, dance, art, encouraging movies, and soul nourishing books into your life. When you nourish and uplift your soul you'll improve your mental health and energize your life.

Today I will uplift my mind by _____.

E-Encourage Others

The power of positivity doesn't decrease when it's shared. It actually grows exponentially the more everyone shares it. One of the best ways to share positive energy is to encourage others. Everyone needs encouragement and when you encourage others you give them the confidence, belief and power they need to create their life and a better world. My hope is that as you encourage others it will create a circular ripple effect that comes back to encourage you. The word encourage means "to put courage into" so make a list of the people you want to put courage into and start encouraging several people each day.

Today I will encourage _____.

L-Love it!

Fear is draining and it will sabotage your energy and life if you let it. The antidote to fear is love. Love is more powerful than fear and it casts out fear. So anytime fear sets in choose to love it. Love the moment, love the process, love the battle, love the competition, love the challenge, love the opportunity to make a difference. Love your team members. Love your clients. Find something to love about it, whatever it is. When you love it, fear will dissipate, and you'll feel your power rise. Fuel your life with love and you'll be using the highest-octane fuel to power your life.

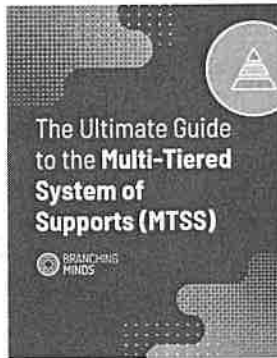

Today I will love _____.

I have included a list of activities and representatives from each group:

Baseball (Ryley Hain): Although the baseball team didn't start the season off the way we had hoped, the way we responded is nothing short of incredible. After starting the 1-2 with both losses being by double digits, we are now 5-3, with a 11-3 win against the number 4 team in Class B, Beatrice. As long as we keep playing the way we have been, we are going to be tough to beat. A district championship remains our expectation, even after our down year last year. This week we travel to Nebraska City, before two home games against Hastings and Centennial.

Boy's Golf (Luke Wegman): Our golf team had a rough start but overall has shown potential. Overall we only have 4 upperclassmen and 8 freshmen. Our team is young and we are focusing on improving everyday. We won our first triangular but then placed lower in our invite and our home triangular. These days were still beneficial because it was a good experience for our young team. Overall we hope to continue to improve and compete as the season moves forward.

Girl's Soccer (Aly Conde): The Seward Girls Soccer Team has started their season with a great start! Unfortunately we lost our first game against the Conestoga Cougars, but we came back with a bang against the Auburn Bulldogs with a 2-1 victory! This past week we played 4 games and played really well! This group of girls is bright and shows consistent improvement with each practice! I'm beyond grateful for this group of girls and so excited to see where this season takes us! Our next game is against Schuyler on the 6th @ Schuyler! We are so thankful for the support we've gotten this season, we hope to keep on seeing more and more people show support for this sport overall!

Boy's Soccer (Max Summa): The Seward Boy's Soccer Team (Seward United) has begun its season. We were excited to celebrate our first win of the season at the Seward Invitational tournament as well as a Second place finish in the tournament. Even though this was the

program's first win in a while we are still hungry for more and we know there is more to come in the future. The team has been working hard in practice to get 1 percent better every day. This team has improved a lot this season, the future is bright for Seward United!

Boy's Track (Kalen Knott): The Seward boys track team has had a strong start to the season. With many young additions, the team has found new areas and opportunities to score team points. This has set us up well to place as a team throughout the season in hopes of representing Seward track as a top team in the state. With the few meets we have left it is looking like we will be able to take a strong team to compete at the state meet.

Girl's Track (Vicki Wang): Although we are only a few meets into the season, our girls have already been setting personal records, and the girls team has placed top three at the first few meets. Our main goal is to send as many of us to the state meet at Burke in May. It seems distant, but there are only four more meets until conference and districts. We are excited for the rest of the season and to see the great things that are to come. Come out and support, go Jays!

E-Sports (Barrett Nitz): Our spring season is almost coming to a close. We have 2 Super Smash Bros. teams competing to go to state. Brian and Miles on team one and Lincoln and Adrian for team two. Our Overwatch season never really took off with only playing one game which was a loss. I have high hopes for our Smash Bros team since Brian made it to state during the fall season.

Quiz Bowl (Lydia Lombmeyer): While Quiz Bowl is a year-round activity, our spring "season" is the busiest. We just had our district meet last Wednesday, the 29th, where we had two teams (a conglomerate of upper and lower-classmen) compete. Now, we have practice all next week in preparation for the conference on the 12th, and the Brain Bowl, which is being held in Lincoln on the 29th. We are all very excited for the upcoming competitions, and for the chance to show off our knowledge!

Musical (Andres Lopez): Musical season has just wrapped up, but it was a wonderful experience and went incredibly well. We were able to perform for an audience a total of 5 times, twice for the elementary and middle school, and three times during our scheduled performances. While the performances moved quickly, the true experience was in the practices we had after school starting in January and ending in March. Everybody really got to know each other and grew so much as performers. Our performance of Legally Blonde Jr. will be a cherished memory for the cast and crew for years to come, and we all can't wait to see the potential of next year's musical!

Cheer (Brenna McAdam): As our season has ended this past third quarter, we are gearing up for tryouts! Tryouts will be April 28th and will involve an array of grades! We hope to get a big squad for next year, as well as pass the torches to the new and upcoming team captains. We will also have our annual banquet with the dance team, and will be awarded our letters, if

applicable.

Color Guard (Nicole Kenny): Currently our senior section leader prepped the guard audition routine for the 2023-24 marching season. Auditions take place April 4th-6th here at the high school. As well as auditions, veteran guard members are given the opportunity to interview with Mrs. Kenney to have a chance at being one of the section leaders/captains for the 2023-24 season.

National Honor Society (Eli Hiser): We had our annual induction ceremony on March 26th at the high school. It was a great experience to bring new members into the National Honor Society. The ceremony went smoothly, and we celebrated with a reception afterwards. We also helped out with serving and setting up at the Honor Roll Breakfast. It is always fun to celebrate the achievements of others.

Yearbook (Emilie Porter): Overall, the yearbook staff has done an excellent job this year with creating the book. The 2022-2023 school year has for sure been a memorable year, and we are so excited for students to see the final product. This month, the yearbook staff is working on spring sports pages, advertisements, and other upcoming events. Also, we will be editing the entire book and getting it ready to print in May. Students should be receiving a copy of their yearbook at the beginning of the next school year. To celebrate all of our hard work and dedication over the year, we host food Fridays and hopefully will be able to take a field trip before the end of the semester.

Skills USA (Nathan Roebke): The Seward Chapter of SkillsUSA has been eagerly preparing for our state conference in April. The chapter will spend 3 days in Grand Island competing in a variety of events from Technical drafting to HVAC. All students are ready to compete and bring home some medals for the team, which has been the highest scoring chapter for the last 20 years.

Key Club (Emma Lowther): Key Club has some awesome things coming up in April, as well as experienced in the past months. In March we did a lot of concession work and was able to raise a substantial amount of money to go to local charities and service groups in our areas. This past month we donated proceeds to Niko the service dog and the local Backpack Program for our schools. As for the future, our club is getting ready to start up on our yearly multicultural fair for the elementary school, and help with spring Blue Jay Way Community Service day in the spring. Thank you so much for your support, and we hope to represent Seward High in a Community driven way!

FFA (Crayton Koranda): FFA is coming to a close as we just had state competitions. We had a great deal of people compete at state in the events of Floriculture, JR Public speaking, Extemporaneous Speaking, Marketing Plan, Nursery/Landscape, Meats Evaluation, AG Sales, Agriscience, and Environment & Natural Resources. We had four seniors get their state degrees which is the second highest honor a FFA member can receive. Overall I am

proud of what our chapter has done this year! The next thing coming up is plant sales and our annual banquet which will end the year.

FCCLA (Tarryn Hartman): FCCLA has just completed the state competition held in Lincoln, Nebraska at PBA. This is where members and officers who completed districts who received a silver or higher got to go to the next level. We will not know all the results till everyone gets rubrics, however, hopefully we have them out soon enough, so that we can get results posted. Overall, I think everyone did really well at state and we are excited to get our results back!

FBLA (Rachel Kuss): FBLA is competing at state convention in Kearney this week to compete in events that could send students to Nationals in Atlanta, Georgia. Many preparations for state were done before and after school, allowing for students to practice according to their schedules. In April our FBLA chapter is going to the Stock Market Challenge on April 18th to compete against other chapters. Here we will be split into teams and demonstrate our abilities to buy and sell stocks in a set amount of time. This event is being held at Pinnacle Bank Arena.

District Music (Kreyton Roth): All district music contestants have been practicing like crazy to prepare. Everyone is very committed and is very excited to have the chance to participate. We are hoping to get the same reactions as last year and win DMC.

Teachers will also explore Ed, HMH's teaching and learning platform, and the professional learning pathway on Ed. An HMH Coach will provide the introductory Getting Started session to teachers in the morning and offer facilitated planning and Q&A time in the afternoon. Getting Started is the initial step toward a successful first 30 days. Ongoing training and support will be also provided on Ed. There, teachers will access a guided learning pathway based on their grade level and implementation timeline. A recommended sequence of topics, which includes live sessions, videos, interactive media, and related resources, will help teachers plan, teach, and assess student learning using their new HMH program. Issuance of a purchase order or payment pursuant to this Price Quote, or usage of the products specified herein, shall be deemed acceptance of such Terms & Conditions.

Terms & Conditions

1. Scope. Amplify Education, Inc. ("Amplify") and Customer wish to enter into the agreement created by the price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the "Quote") and these Customer Terms & Conditions, including any addendums hereto (this "Agreement") pursuant to which Amplify will deliver one or more of the products or services specified on the Quote (collectively, the "Products").
2. License. Subject to the terms and conditions of this Agreement, Amplify grants to Customer a non-exclusive, non-transferable, non-sublicenseable license to access and use, and permit Authorized Users to access and use the Products solely in the U.S. during the Term for the number of Authorized Users specified in the Quote for whom Customer has paid the applicable fees to Amplify. "Authorized User" means an individual teacher or other personnel employed by Customer, or an individual student registered for instruction at Customer's school, whom Customer permits to access and use the Products subject to the terms and conditions of this Agreement, and solely while such individual is so employed or so registered. Each Authorized User's access and use of the Products shall be subject to Amplify's Terms of Use available through the Products, in addition to the terms and conditions of this Agreement, and violations of such terms may result in suspension or termination of the applicable account.
3. Restrictions. Customer shall access and use the Products solely for non-commercial instructional and administrative purposes of Customer's school. Further, Customer shall not, except as expressly authorized or directed by Amplify: (a) copy, modify, translate, distribute, disclose or create derivative works based on the contents of, or sell, the Products, or any part thereof; (b) decompile, disassemble or otherwise reverse engineer the Products or otherwise use the Products to develop functionally similar products or services; (c) modify, alter or delete any of the copyright, trademark, or other proprietary notices in or on the Products; (d) rent, lease or lend the Products or use the Products for the benefit of any third party; (e) avoid, circumvent or disable any security or digital rights management device, procedure, protocol or mechanism in the Products; or (f) permit any Authorized User or third party to do any of the foregoing. Customer also agrees that any works created in violation of this section are derivative works, and, as such, Customer agrees to assign, and hereby assigns, all right, title and interest therein to Amplify. The Products and derivatives thereof may be subject to export laws and regulations of the U.S. and other jurisdictions. Customer may not export any Product outside of the U.S. Further, Customer will not permit Authorized Users to access or use any Product in a U.S.-embargoed country or otherwise in violation of any U.S. export law or regulation. The software and associated documentation portions of the Products are "commercial items" (as defined at 48 CFR 2.101), comprising "commercial computer software" and "commercial computer software documentation," as those terms are used in 48 CFR 12.212. Accordingly, if Customer is the U.S. Government or its contractor, Customer will receive only those rights set forth in this Agreement in accordance with 48 CFR 227.7201-227.7204 (for Department of Defense and their contractors) or 48 CFR 12.212 (for other U.S. Government licensees and their contractors).

Customer shall notify Amplify of any violation of Amplify's IP Rights in the Products, and shall reasonably assist Amplify as necessary to remedy any such violation. Amplify Products are protected by patents (see <http://www.amplify.com/virtual-patent-marking>).
5. Payments. In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer shall be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.
6. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported by Customer within 60 days of receipt.

7. Account Information. For subscription Products, the authentication of Authorized Users is based in part upon information supplied by Customer or Authorized Users, as applicable. Customer will and will cause its Authorized Users to (a) provide accurate information to Amplify or a third-party authentication service as applicable, and promptly report any changes to such information, (b) not share or allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized Users.

Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how and trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. Student Data. The parties acknowledge and agree that Customer is subject to federal and local laws relating to the protection of personally identifiable information of students ("PII"), including the Family Educational Rights and Privacy Act ("FERPA"), and that Amplify is obtaining such PII as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Subject to the terms and conditions of this Agreement, Amplify will not take any action to cause Customer to be out of compliance with FERPA or applicable state laws relating to PII. Amplify's Customer Privacy Policy at <http://www.amplify.com/customer-privacy> will govern collection, use, and disclosure of information collected or stored on behalf of Customer under this Agreement.

10. Customer Materials. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at <http://www.amplify.com/customer-requirements>.

11. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. Limitation of Liability. IN NO EVENT SHALL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12 MONTH-PERIOD. UNDER NO CIRCUMSTANCES SHALL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. Term; Termination. This Agreement will be in effect for the duration specified in the Quote and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity or otherwise, a party shall have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized User) materially breaches any term, provision, warranty or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible the cost of any continued use of Products following such termination. Upon termination, Amplify will return or destroy any PII of students provided to Amplify hereunder. Notwithstanding the foregoing, nothing shall require Amplify to return or destroy any data that does not include PII, including de-identified information or data that is derived from access to PII but which does not contain PII. Sections 3-13 shall survive the termination of this Agreement.

14. Miscellaneous. This Agreement, including all addendums, attachments and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement shall for any reason be held to be unenforceable at law, such provisions shall be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify shall have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network.

In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer shall be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

6. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported by Customer within 60 days of receipt.

7. Account Information. For subscription Products, the authentication of Authorized Users is based in part upon information supplied by Customer or Authorized Users, as applicable. Customer will and will cause its Authorized Users to (a) provide accurate information to Amplify or a third-party authentication service as applicable, and promptly report any changes to such information, (b) not share or allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized Users.

8. Confidentiality. Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how and trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer

prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. Student Data. The parties acknowledge and agree that Customer is subject to federal and local laws relating to the protection of personally identifiable information of students ("PII"), including the Family Educational Rights and Privacy Act ("FERPA"), and that Amplify is obtaining such PII as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Subject to the terms and conditions of this Agreement, Amplify will not take any action to cause Customer to be out of compliance with FERPA or applicable state laws relating to PII. Amplify's Customer Privacy Policy at <http://www.amplify.com/customer-privacy> will govern collection, use, and disclosure of information collected or stored on behalf of Customer under this Agreement.

10. Customer Materials. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at <http://www.amplify.com/customer-requirements>.

11. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. Limitation of Liability. IN NO EVENT SHALL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12 MONTH-PERIOD. UNDER NO CIRCUMSTANCES SHALL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. Term; Termination. This Agreement will be in effect for the duration specified in the Quote and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity or otherwise, a party shall have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized User) materially breaches any term, provision, warranty or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible the cost of any continued use of Products following such termination. Upon termination, Amplify will return or destroy any PII of students provided to Amplify hereunder. Notwithstanding the foregoing, nothing shall require Amplify to return or destroy any data that does not include PII, including de-identified information or data that is derived from access to PII but which does not contain PII. Sections 3-13 shall survive the termination of this Agreement.

14. Miscellaneous. This Agreement, including all addendums, attachments and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and

cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement shall for any reason be held to be unenforceable at law, such provisions shall be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify shall have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network.
