STUDENT FEES

The board realizes some activities may require additional expenditures which are properly to be borne by students as a separate charge. Such charges may be waived as specified below depending upon the student's eligibility for the free and reduced-price lunch program. In other special cases where the parent/guardian requests that the student be exempted from charges, the superintendent shall determine granting of waivers. No fees, specialized or nonspecialized attire or equipment shall be required of students outside this policy. This policy does not apply to tuition payments by nonresident students.

For the purposes of this policy, the following definitions shall apply:

1. Extracurricular activities means student activities or organizations which are supervised or administered by the school district, which do not count toward graduation or advancement between grades, and in which participation is not otherwise required by the school district;
2. Postsecondary education costs means tuition and other fees associated with obtaining credit from a postsecondary educational institution.

The district may charge student fees or require students to provide specialized equipment or attire in the following areas:

1. Participation in extracurricular activities, including extracurricular music courses;
2. Admission fees and transportation charges for spectators attending extracurricular activities;
3. Postsecondary education costs, limited to tuition and fees associated with obtaining credits from the postsecondary institution;
4. Transportation fees for option students not qualifying for free lunches and nonresident students as allowed by state statute;
5. Copies of student files or records as allowed by state statute;
6. Reimbursement to the district for property lost or damaged by the student;
7. Before-and-after-school or prekindergarten services in accordance with state statute;
8. Summer school or night school; and
9. Breakfast and lunch programs.

The district may also require students to furnish musical instruments for participation in optional music courses that are not extracurricular activities. Students qualifying for free or reduced-price lunches shall be provided with a musical instrument of the school's choice.

Waivers shall be provided to students who qualify for free or reduced-price lunches for fees, specialized equipment and specialized attire required for participation in extracurricular activities.
