Topic: Instructional Material Adoption for Math Grades K-8

Submitted by: Dr. Angela Herron, Chief Teaching and Learning Officer and Marty Cardenas, Director of Teaching & Learning

Approved for Transmittal: 

Board Meeting Date: April 16, 2026

District stakeholders providing input and feedback regarding these instructional resources included math department staff and elementary and middle school math teachers. These groups of stakeholders identified Envision Math by Savvas as the math curriculum resource that best supports vertical alignment, teacher planning, and enhanced student achievement in the identified courses.

Budget Information:

SBOE Entitlement Funds will be the primary source, and resources will be purchased directly in EMAT (Education Materials Allotment Tracking), which is TEA's online ordering system for instructional materials.
