BASIC LEGAL REQUIREMENTS

School board members must complete training that is required by the State Board of Education (SBOE), and the board president must publicly announce whether each board member has met their training requirements.

When: The announcement must be made at the last regular meeting of the board before an election of trustees

Recommended Annual Announcement: Even if a school district does not conduct an election in a given year, whether because of biennial elections in November or because the election was cancelled due to unopposed candidates, TASB recommends that districts still annually announce board member training at the time the election would otherwise be held. Annual announcements will provide consistent public transparency and accountability.

General Content of Announcement: The board president must announce the name of each board member who:

- Has completed the required continuing education;

- Has exceeded the required continuing education; and
- Is deficient in meeting the required continuing education.

Whether a board member has completed, exceeded, or is deficient is measured from the anniversary of the date of each board member’s election or appointment to the board or two-year anniversary of his or her previous training, as applicable.

Meaning of Deficient: TASB interprets deficient to mean that the board member has failed to complete the required continuing education in the time period provided for by law.

Continuing Education Training Areas:¹ Board members must receive continuing education training in eight areas, including:

1. Local District Orientation
2. Orientation to the Texas Education Code
3. Post-Legislative Update to the Texas Education Code
4. Team Building
5. Additional Continuing Education (based on the framework for governance leadership)
6. Evaluating Student Academic Performance and Setting Goals
7. Identifying and Reporting Abuse, Trafficking, and Other Maltreatment of Children
8. School Safety

Board Meeting Minutes: The board meeting minutes must reflect the announcement and whether each trustee has met or is deficient in meeting the required training as of the first anniversary of the date of the trustee’s election or appointment.

Posting Minutes: If the minutes reflect that a trustee is deficient in training, the district must post the minutes on the district’s website within 10 business days of the meeting and maintain the posting until the trustee meets the requirements.

Legal Authority: Tex. Educ. Code §11.159; 19 Tex. Admin. Code § 61.1

ANNOUNCEMENT PREPARATION

Review TASB Resources: TASB recommends that the board president and all other board members review [Texas School Board Member Continuing Education](#), a comprehensive FAQ that includes information about required continuing education, reporting continuing education credit, the board meeting announcement, and posting the minutes on the announcement.

¹ Due to changes in the training rule, the prior use of the term “tiers” for describing and announcing training areas is no longer useful and has been discontinued.

Determine Status of Compliance: Prior to the meeting when the announcement is made, the board president will need to review with each member whether the board member has completed, exceeded, or failed to satisfy the required continuing education training.

Board Members with Time Remaining: At the time of the announcement, if a board member still has time remaining to complete training, TASB recommends that the board president note those members that have scheduled training to be completed before the deadline. Next, the board president should note any members who have not scheduled training that needs to be completed before the deadline.

Review the Announcement Script: The announcement script explains the announcement to the public and provides a record to complete that complies with the requirements for the minutes of the meeting.

Complete the Announcement Record: For each of the eight training areas, and for training that exceeds the required continuing education, insert the applicable information on the announcement pages.

TASB recommends that the board president direct that the pages as announced be attached to the meeting minutes. The minutes must be posted to the district’s website within 10 business days if any trustee is deficient in required training.

BOARD PRESIDENT’S SCRIPT

Board President:

Under State Board of Education Rule, completing required continuing education each year of service is a basic obligation and expectation of any sitting board member.

As Board President (**if absent, then replace with “Presiding Officer of the Board”**), I am required to announce the name of each member who:

- Has completed the required continuing education;
- Has exceeded the required continuing education; and
- Is deficient in meeting the required continuing education.

The requirements for training are measured as of the first anniversary of the date of the trustee’s election or appointment or two-year anniversary of his or her previous training, as applicable.

There are eight training areas for board member continuing education:

1. Local District Orientation
2. Orientation to the Texas Education Code
3. Post-Legislative Update to the Texas Education Code
4. Team Building
5. Additional Continuing Education
6. Evaluating Student Academic Performance and Setting Goals
7. Identifying and Reporting Abuse, Trafficking, and Other Maltreatment of Children
8. School Safety

To the extent applicable to each board member, I will announce the completion or deficiency as to required training.

For members who still have time remaining to complete required training, I will announce those board members who have scheduled timely training and those who have not yet scheduled the training.

At the conclusion of this announcement, I will announce any board member's training in excess of the continuing education requirements.

Local District Orientation

Note: If no new members were required to complete local district orientation training for the prior year, mark as “not applicable” and announce:

II. LONE STAR INVESTMENT POOL

The Pool invests solely in obligations of the U.S. Government and its agencies and instrumentalities and in certain other high-quality investments secured by or consisting of such securities. Pool investments are confined to those of the highest quality under the Public Funds Investment Act (U.S. Government obligations), thus effectively eliminating credit risk. Interest rate risk associated with the Pool is low; all securities held by the Pool are required to have a maximum maturity of no more than three years from the date of purchase. Each Fund within the Pool has received the highest rating, that of AAA, from Standard & Poor's as required by the Public Funds Investment Act. The Government Overnight Fund's book value and market value are materially the same. Average rates for the Government Overnight Fund for the months of December, January, and February, 2026 were 3.81%, 3.70% and 3.67% respectively.

The beginning balance in the General Fund's Government Overnight Fund was \$2,126,849.15. Interest of \$19,606.33 were made during the quarter, resulting in an ending balance of \$2,146,455.48 as of February 28, 2026.

The beginning balance in the Food Service Fund's Government Overnight Fund was \$4.56. Interest of \$0.03 was deposited during the quarter, resulting in an ending balance of \$4.59 as of February 28, 2026.

The beginning balance in the Internal Service Fund's (Insurance Fund) Government Overnight Fund was \$553,646.65. Interest of \$5,103.79 was deposited during the quarter, resulting in an ending balance of \$558,750.44 as of February 28, 2026.

The beginning balance in the Debt Service Fund's Government Overnight Fund was \$1,308,482.80. Interest of \$12,062.23 was deposited during the quarter, resulting in an ending balance of \$1,320,545.03 as of February 28, 2026.

The above transactions were in compliance with the District's investment policy and relevant provisions of law.

Information Only:

**Update on Category 1 E- Rate
Funding for FY 26-27 -
Information Only**

Justin Lascsak informed the board about the E-Rate program through USAC, which provides funding for communication services (Category 1) and equipment (Category 2). MWISD has two active Category 1 contracts: a five-year WAN services contract with Segra dba Unite Private Networks (UPN) and a three-year Internet service contract with AT&T. The district pays 10% of eligible costs monthly: \$530.80 for UPN and \$46.92 for AT&T.

Mr. Tarver highlighted recent district activities, including field trips, UIL events, Hoppy Houston, and Camp Grady Spruce. He also explained that the district's spring break differs from surrounding districts because of scheduling commitments with Camp Grady Spruce during the third week of the month.

TITLE: Discuss, Consider, and Take Any Necessary Action Regarding Bank Authorization for New District Accountant

RECOMMENDED ACTION: It is recommended that the board approve bank authorization to the new district accountant as presented.

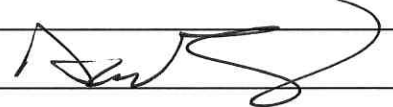

BOARD POLICY/STATE REGULATION/LAW REFERENCE (if applicable):

OVERVIEW:
The Board of Trustees will consider authorizing Mary Ramey as an authorized signer on all district bank accounts and granting the necessary access to perform her duties as the district accountant. This action will also remove bank access from the previous accountant. The Board will direct the superintendent and/or CFO to provide the bank with all required documentation to implement this change.

TITLE: Discuss, Consider, and Take Any Necessary Action Regarding the Purchase of MWISD Library Book Requests

RECOMMENDED ACTION: It is recommended that the purchase of MWISD library book request be approved as presented.

BOARD POLICY/STATE REGULATION/LAW REFERENCE (if applicable): EFB(LEGAL)(LOCAL), Education Code 33.021

OVERVIEW:

The board of a district shall adopt a policy for the acquisition of library materials, including procedures for the procurement of library materials and the receipt of donated library materials. The policy must require the board to:

Approve all library materials that have been donated to or that are to be procured by a school library in the district, with the advice and recommendations of the district's local school library advisory council (SLAC)if the district established a SLAC;

Make the list of library materials not including those library materials to which this provision does not apply that have been donated to or that are proposed to be procured by a school library accessible for review by the public for at least 30 days before final approval;

Approve or reject the list of library materials that have been donated to or that are proposed to be procured by a school library in an open meeting; and

Ensure compliance with the library standards approved under Education Code 33.021.

Survey Prewrite Form

2026–27 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code \(TEC\) §31.1011](#) local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prewrite Form:** The prewrite form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prewrite form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prewrite Form and upload the signature page.
 - The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

The 2026–27 Certification of Provision of Instructional Materials process requires:

- The completion of the Certification 2026–27 Prewrite Form,
- Ratification by the local school system's board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload the last page of the ratified Certification 2026–27 Prewrite Form.

TEA recommends that local school systems complete the prewrite form and survey by **May 1, 2026**. The prewrite form and survey can be found on the [Certification of Provision of Instructional Materials](#) web page.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification process **is required** to regain access to allotment funds when EMAT reopens.

Certification 2026–27 Survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prewrite Form:** Print the fillable Certification 2026–27 Prewrite Form on the [Certification of Provision of Instructional Materials](#) web page.
2. **Gather information:** The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prewrite Form:** Complete the prework form by hand or digitally.
4. **Schedule and obtain needed signatures:** Coordinate placement of the Certification 2026–27 Prewrite Form on the agenda of an open, publicly noticed board meeting and secure formal ratification by the local school system’s board of trustees or governing body.
5. **Submit Certification 2026–27 Survey:** Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the last page of the signed and ratified Certification 2026–27 Prewrite Form from step 4.

The survey will be open for submissions beginning Tuesday, February 17, 2026, and will be located on the [Certification of Provision of Instructional Materials](#) web page.

Additional Supports

For the Certification of Provision of Instructional Materials process, local school systems are highly encouraged to:

- View detailed Instructional Materials Review and Approval (IMRA) reports for all instructional materials reviewed through the IMRA process at im.tea.texas.gov.
- Refer to the IMRA List of [SBOE-Approved Instructional Materials](#) and [SBOE-Rejected Instructional Materials](#).
- Attend the TEA webinar about the Certification of Provision of Instructional Materials process for 2026–27 on **Tuesday, February 17th, at 11:00 a.m. CST**. [Registration](#) is required.
- Attend TEA office hours to get help and support with the Certification of Provision of Instructional Materials process; registration is required.
 - Monday, March 2nd, at 11:00 a.m. CST | [Register on Zoom](#)
 - Thursday, March 5th, at 11:00 a.m. CST. | [Register on Zoom](#)
- View the [Certification of Provision of Instructional Materials Resource List | 2026–27](#)
- Request a copy of the previous year’s submission (if needed) by submitting a [Help Desk Ticket](#).

For questions about the Certification of Provision 2026–27 Prework Form, survey, or process, please submit a [Help Desk ticket](#).

Terminology

- **Scope and Sequence:** A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.
- **Full-subject materials** (often referred to as Tier one or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
- **Supplemental materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.
- **SBOE-Approved Instructional Materials:** SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE-Approved Instructional Materials Entitlement as outlined in Section 48.307.
- **State-Adopted Instructional Materials:** state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

Qualtrics Survey and Prework Form Guidance

Please note that the format of the Certification 2026–27 Prework Form **will not** match the appearance of the official Certification 2026–27 Qualtrics Survey. While the **questions are identical**, this form uses **open-ended text boxes** for responses. In the survey, the questions will be presented with **drop-down menus** containing predefined answer choices.

To help support completion of the Certification 2026–27 Prework Form accurately—and to ensure responses align with the options that will appear in the survey—an [additional resource](#) is provided. The Certification of Provision of Instructional Materials Resource List provides all the instructional materials that will appear in the survey's questions with drop-down menus.

Please ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, you will be asked to manually enter the publisher and product name(s).

It is highly recommended to refer to [this resource](#) while completing this prework form.

Instructional Materials Procurement Reminder

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

QUESTION 17.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **advanced mathematics grades 6–8** instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

Mineral Wells ISD as a District of Innovation

House Bill 1842

This District of Innovation plan relates only to the specific exemptions outlined below. The term of the plan is for 5 years, beginning February 21, 2022, and ending February 21, 2027, unless terminated or amended earlier by the Board of Trustees in accordance with applicable law. The district will adhere strictly to the Texas Education Code in all other areas. If it becomes apparent that changes to this plan are necessary, the district will reconvene the District of Innovation Planning Committee to discuss and potentially enact those changes.

House Bill (HB) 1842 was passed in the 84th Texas Legislative Session. This law gives Texas public school districts an opportunity to modify state requirements to meet the needs of their students. As a District of Innovation, Mineral Wells ISD will have the increased flexibility necessary to customize student learning experiences. Every student is unique. If implemented properly, the unprecedented innovation enabled by HB 1842 can create a different schooling experience for every child. As a school district that puts the needs of students first, Mineral Wells ISD cherishes the ability to make important educational decisions locally.

MWISD seeks, via this process, to fully bring to life the district's vision for the future. Community and business partners have been involved throughout the process of developing our innovation plan, providing feedback regarding what they want for their children's educational experience. As we begin to transform their dreams for their children into reality, local educators and district officials must be positioned to leverage allowed flexibility and reduce or avoid barriers that could otherwise prevent us from doing our best work on their behalf.

This plan requires us to evolve and think drastically differently about critical systems in place in our school district. HB 1842 allows us to re-examine, free of unnecessary bureaucratic hurdles, how we teach, how we recruit and retain talent, how we organize ourselves, how we involve our families, how we grow as a learning organization, and what kinds of educational experiences we provide.

HB 1842 allows districts to exempt themselves from a limited subset of requirements imposed by the Texas Education Code (TEC) "that inhibit the goals of the plan and from which the district should be exempted on adoption of the plan. . ." The purpose of HB 1842 is to spur innovation in school districts, and it is the desire of Mineral Wells ISD to become a more innovative district as a result of pursuing District of Innovation status. Because MWISD seeks to make best use of local control of educational decisions for the benefit of students, we seek exemption from the following permissible provisions of the Texas Education Code as allowed in the statute:

Uniform School/End Start Date

(EB LEGAL) (Texas Education Code Sections 25.0811, 25.0812)

Currently

A school district may not begin instruction for students for a school before the 4th Monday of August. A school district may not schedule the last day of school for students for a school year after May 15.

Proposed

This flexibility of start and end dates will allow Mineral Wells ISD to annually determine, at the local level, what start and end dates best meet the needs of the students and the community. This enables us to personalize learning, increase college and career readiness, balance the amount of instructional time per semester, align curriculum with dual credit courses, allow the district calendar to be more efficient following mandatory testing, and provide more flexible professional development opportunities for our staff. In addition, starting instruction prior to the statutory start date will help enable students to enroll in college courses that start in early June, avoiding a hurdle that otherwise might hinder students' college and career readiness. Removing the uniform start date would also allow MWISD to start classes on a Wednesday or Thursday, as a short week, easing the transition to schooling for students entering pre-k/kindergarten, as well as transitioning through the elementary schools, middle school, and high school.

Students will start school no earlier than the 2nd Monday in August.

Minimum Minutes of Instruction

(EC LEGAL & EB LEGAL) (Texas Education Code Sections 25.081, 25.083)

Currently

House Bill (HB) 2610, passed by the 84th Texas Legislature, amended the Texas Education Code TEC §25.081 by striking language requiring 180 days of instruction and replacing this language with language requiring the district to provide at least 75,600 minutes of instruction (including intermissions and recess) each school year. Lastly, TEC §25.083(a) limits a district's ability and authority to make nonemergency announcements to once per day.

Proposed

Exemption from the 75,600 minutes of instruction requirement would allow MWISD the flexibility needed to alter the school day schedule whenever it was locally determined as beneficial to the district and its stakeholders. While there is an existing waiver process available to request exemption from this requirement, the waiver process can be cumbersome and time-consuming for district administration.

Exempting MWISD from the 75,600-minute annual requirement would give the district a significant amount of local control over scheduling without the fear of diminishing state funding or losing credit for instructional time that might cause the district to fall out of compliance with annual minute requirements. This would allow the district the flexibility to schedule non-instructional days into the schedule to allow for teachers to analyze student data and engage in targeted, relevant professional development.

Exempting the district from the restrictions in TEC §25.083(a) will allow each campus the flexibility to make necessary, albeit nonemergency, announcements throughout the day on an as needed basis. While the district and campuses keep school day announcements to a minimum, there are occasions where announcements are necessary to communicate variations to district policies, procedures, or regulations. For example, the district may need to make nonemergency announcements regarding pick-up/drop-off locations, health and safety protocols, and/or extracurricular/cocurricular activity changes.

MWISD is committed to providing at least 75,600 minutes of annual instruction. However, as many school districts experienced during the 2019-2020, 2020-2021, and 2021-2022 school years, such commitment may not always be possible in an uncertain world. To the greatest extent possible, "early release" days and closures will be planned ahead of time and noted in the district calendar which is approved by the Board of Trustees and published and distributed to stakeholders in advance of the school year and continuously published using school media.

Class Size Ratio

(EEB LEGAL) (Texas Education Code Sections 25.111, 25.112, 25.113)

Currently

Kindergarten to 4th Grade classes must be kept at a 22 student to 1 teacher ratio according to state law. When a class exceeds this limit, the district must complete a waiver with the Texas Education Agency. This is a step that could be avoided. Along with the waiver, it is required that written notice be sent home to parents each time a waiver is granted. Many times, soon after the waiver is submitted, situations change, and we are below the 22:1 ratio.

Proposed

As a district that is constantly changing, it has become a common need to Mineral Wells ISD to apply for a class size waiver. While we believe that a small class size may play a positive role for students, this must be balanced with the logistics of the timing of adding staff, and mindfulness must be given to the best teacher to student ratio that can be achieved given the total number of students. Many times, it is not the number of the students but the makeup and chemistry of the classroom that most influence the learning environment. Research shows that the teacher in the classroom has the greatest impact on student learning, as opposed to absolute class size. Under our district of innovation plan, in the event the class size exceeds the 22-student limit for kindergarten through 4th grade classes, a TEA waiver will not be necessary. This plan emphasizes the importance of flexible environments and student learning based upon student needs. It grants flexibility in class size at all times for regrouping for success, small groups, large groups, etc. It also works to minimize paperwork requirements in order to free up time to place additional focus on student success. An exemption from the class size ratio requirements of Texas Education Code (TEC), §25.112, will provide the ability to group students based upon academic, social, and emotional needs without adding ongoing filings of waivers when the need arises.

When exceeding a 22:1 student-teacher ratio in a K-4th grade classroom, district policy will be to constantly evaluate the possible need to add additional staff. We will follow this guide throughout this process:

23:1 – Inform the Superintendent

24:1 – Inform the Superintendent and Board of Trustees

25:1 – Inform the Superintendent, Board of Trustees, and notify parents

90 Percent Attendance Rule

(FEC LOCAL) (Texas Education Code Section 25.092)

Currently

Texas Education Code Section 25.092 requires students to attend class for at least 90 percent of the days the class is offered in order to earn class credits or be given a final grade for the class.

Proposed

The 90 Percent Rule is an arbitrary standard, which means school districts award credit based on seat time rather than based on content mastery. Abstaining from the requirement means the district will no longer be required to penalize students who miss class due to extra/co-curricular activities, academic activities, or other extenuating circumstances. This exemption will allow the district to promote student engagement, as well as social and emotional development, by encouraging more students to participate in such activities. It will also allow MWISD administrators to award credit to students because they can show they understand the concepts, rather than because they have attended a certain number of school days. The proposal would allow counselors and administrators to refocus efforts on students who are truly at risk, while simultaneously providing rigor and relevance in the curriculum. Exemption from this requirement will provide educational advantages to students of the district by promoting learning through innovation in the methods, locations, and times instruction may be delivered to students, thereby accommodating students with legitimate scheduling conflicts, reducing dropouts, and increasing the number of qualifying graduates. MWISD will also explore other innovative ways to demonstrate content mastery, given this exemption. This exemption supports the districts overarching goals and provides the flexibility needed to implement tools, resources, and training that support personalized learning for both students and teachers.

Exempting the district from the 90 Percent Rule does not, in any way, impact or alter existing compulsory attendance requirements or University Interscholastic League ("UIL") rules. Moreover, opting out of Section 25.092 in no way limits or modifies a teacher's right to determine the finality of a grade in accordance with Texas Education Code Section 28.0214, nor does it restrict or alter a teacher's right to assign grades in accordance with a district grading policy adopted pursuant to Texas Education Code Section 28.0216.

Designation of Campus Behavior Coordinator

(FO LEGAL & LOCAL) (Texas Education Code Section 37.0012)

Currently

Senate Bill 107 amended the Texas Education Code by adding Section 37.0012, which requires the designation of a campus behavior coordinator on each campus. This designee is responsible for maintaining student discipline and the implementation of Chapter 37, Subchapter A.

Proposed

The proposal is for the district to abstain from the state requirement that each school have a designated campus behavior coordinator. MWISD's approach to discipline is becoming more collaborative, with multiple people providing emotional and social support to students, rather than just one person. Exemption from this requirement will allow the option of increasing collaboration in regard to student discipline, as outlined in the MWISD Student Code of Conduct.

Teacher Contract Days

(DCB Legal, DCB Local) (Texas Education Code Section 21.401)

Currently

Texas Education Code § 21.401 currently requires a contract between the district and an educator to be for a minimum 10 months. Additionally, an educator employed under a 10-month contract must provide a minimum of 187 days of service.

Proposed

This proposal reduces teacher contract days from 187 to 182 with no effect on teacher salaries. This stems from an attempt to provide flexibility to better align teacher service days to instructional days.

- This proposal will increase the daily rate the district pays teachers.
- This proposal should enhance teacher recruitment, therefore putting the district on a more level playing field with larger districts.
- This proposal will significantly improve teacher morale.
- This proposal will provide teachers more opportunities during the year to seek out beneficial staff development that relates to their field.

Teacher Certification

(DK LEGAL, DK LOCAL, DK EXHIBIT) (Texas Education Code Sections 21.003, 21.057)

Currently

In the event a district cannot locate a certified teacher for a position, or a teacher is teaching a subject outside of their certification, the district must submit a request to the Texas Education Agency and provide notification to parents of each student assigned to a classroom taught by the non-certified teacher. There is a lot of bureaucracy and unnecessary paperwork involved in the process.

Proposed

MWISD is committed to placing a life changer in every classroom. In order to best serve MWISD students, decisions on certification will be handled locally. The current state teacher certification requirements inhibit the district's ability to hire teachers to teach hard-to-fill, high demand, dual credit, and career and technical/STEAM (applied Science, Technology, Engineering, and Arts & Mathematics) courses. These requirements also inhibit the district's ability to hire teachers moving in with out-of-state credentials. In order to enable more students to obtain the educational benefit of such course offerings, the district seeks to establish its own local qualification requirements and its own requirements for training of professionals and experts to teach such courses in lieu of the requirements set forth in law. By obtaining exemption from existing teacher certification requirements, the district will have the flexibility to hire community college instructors, university professors, or internal applicants seeking assignments outside of their traditional certification area for full and/or part time course loads. This will enrich applicant pools in specific content areas and afford more students the opportunity to take dual credit courses if certified teachers are not available to teach those courses. In addition, this exemption will afford the district the flexibility to hire professionals in certain trades or vocations to teach the crafts of those trades or vocations (such as welding, fine arts, health sciences, law, etc.) if certified teachers are not available to teach those courses, or their quality of expertise would benefit the students in that area. This exemption does not apply to special education and bilingual/ESL teachers, who will continue to be certified in accordance with the law.

Further, allowing local control and discretion as to when parental notification is required and appropriate will permit the district to operate fully in compliance with its District of Innovation Plan while also providing necessary notice as needed. Notice will be provided to parents if a teacher will teach in the same classroom for more than 30 consecutive instructional days during the same school year and the teacher is not qualified to instruct in the classroom under the District of Innovation Plan.

Probationary Contracts

(DCA Legal) (Texas Education Code Section 21.102(b))

Currently

Under current guidelines, probationary periods for newly hired teachers who have been in public education for at least five of the previous eight years cannot exceed one year.

Proposed

This limited time period is insufficient in some cases to fully determine the teacher's effectiveness in the classroom. Relief from Texas Education Code 21.102 will permit the district the option to issue a probationary contract for a period of up to two years for experienced teachers, counselors or nurses newly hired in MWISD.

Planning and Preparation Time

(DL Legal) (Texas Education Code Section 21.404)

Currently

Teachers are entitled to at least 450 minutes within each two-week period for preparing to teach, conducting parent conferences, and evaluating students' work.

Proposed

In an effort to implement PLCs and Opportunity Culture within MWISD, flexible scheduling is a requirement. Having flexibility in planning and preparation time helps in creating schedules where select teachers can reach more students and have more planning time on teacher teams. All teachers will have appropriate planning and preparation time, but flexibility is requested.

School Health Advisory Council (SHAC) Meetings

(BDF Legal) (Texas Education Code Section 28.004 (d-1))

Currently

Texas Education Code 28.004 (d-1) mandates that the SHAC meet at least four times per school year.

Proposed

Due to the size of the district and the SHAC leadership that keeps members informed on the health and safety needs of students, two meetings per year will be appropriate. The SHAC will meet once in the fall and once in the spring, with an update to the board of trustees during a regular board meeting prior to the end of the current school year.

Transfer Students

(FDA Local) (Texas Education Code Section 25.036)

Currently

A school district may choose to accept, as transfers, students who are not entitled to enroll in the district. Texas Education Code 25.036 indicates that a transfer is approved for a period of one school year. FDA (Local) states, "Transfers shall be granted for one regular school year at a time."

Proposed

The district seeks to be exempt from the requirement that transfers be granted annually for one school year at a time for students. This exemption would allow the district to consider transfer students seeking a school change in hopes of a fresh start regarding grades, attendance, and discipline. This type of student would likely not be accepted because of the one-year requirement. Mineral Wells ISD maintains a transfer policy under FDA (Local), requiring students to file a transfer application each school year. Out of district transfer requests are considered based on class size, staff availability, and the type of programs required to serve the transfer student. Additionally, campus principals review the student's discipline history, academic grades, state assessment results, and attendance records before approving or denying the transfer request. If approved, transfer students will comply with district policies and attendance requirements or be subject to immediate revocation of their transfer by the Superintendent or designee.

Removal of Unwanted Visitors

(Texas Education Code Section 37.105)

Currently

In 2017, the Texas Legislature changed the law on how school administrators can eject unruly guests from school events. This applies to parents and community members, not students. Under the law, the guest must be given, at a minimum, a verbal warning before he or she is ejected. Upon ejection, the guest must also be given notice of how he or she can appeal the ejection.

Proposed

Mineral Wells ISD will allow designated staff members the authority to remove parents or visitors whose behavior is deemed inappropriate for a school setting without prior warning or written notice.

Elementary Counselors

(FFEA Legal) (Texas Education Code Section 33.002 (b))

Currently

Texas Education Code 33.002 states that “A school district with 500 or more students enrolled in elementary school grades shall employ a school counselor certified under the rules of the State Board for Educator Certification for each elementary school in the district. A school district shall employ at least one school counselor for every 500 elementary school students in the district.”

Proposed

The flexibility created by exempting the district from the requirements of Texas Education Code Section 33.002 affords the district the ability to employ a licensed social worker rather than a SBEC-certified counselor in instances where the student populations and their families would be better served by the wraparound services provided by a licensed social worker.

DAEP - Teacher

FOCA (Legal) (Texas Education Code Section 37.008 (a)(7), (a-1)(1))

Currently

Texas Education Code Section 37.008 mandates that school districts provide a disciplinary alternative education program that: employs only teachers who meet all certification requirements established under Subchapter B, Chapter 21.

Proposed

Mineral Wells ISD will continuously monitor the attendance of DAEP to determine the need for fully certified teachers as compared to that of an instructional aide. The district will use the analyzed data to determine the best staffing for the students while maintaining an effective learning environment and fiscally sound staffing.

Teacher Mentors

DEAA (Legal) (Texas Education Code Section 21.458)

Currently

Texas Education Code Section 21.458 requires that teacher mentors have three or more years of experience in the field along with trainings approved by the commissioner.

Proposed

Mineral Wells ISD works hard to recruit and maintain appropriate staffing in an incredibly competitive market in which teacher shortages are not uncommon. Exemption from these requirements allows for any teacher in need of mentor assistance or support to be assigned a mentor. In addition, mentors being exempt from the qualifications described in Subsection (b) will increase the pool of teachers from which the district could draw for these targeted mentoring programs.

Counselor Work Time

(DP(LOCAL), TEC 33.006)

Currently

TEC § 33.006 states that a school counselor must “spend at least 80 percent of the school counselor’s total work time on duties that components of a counseling program developed under Section 33.005.” Further, “time spent in administering assessment instruments or providing other assistance in connection with assessment instruments, except time spent in interpreting data from assessment instruments, is not considered time spent on counseling.”

Proposed

Allow local control over what duties school counselors will perform based on staffing and student needs. Exempt the district from the statutory provision that requires school counselors (1) to spend at least 80 percent of the counselor’s total work time on duties that are components of a counseling program; (2) requires the district to set the percentage of work time that school counselors are required to spend on components of the counselor program; and (3) restricts the district from including provisions in school counselors’ contracts requiring such to perform duties not identified in policy. This innovation will be implemented by the district as follows:

- The district is committed to ensuring that the academic and emotional needs of all students are met. In order to accomplish this goal with limited staffing, the district must balance the roles of academic guidance, emotional support, and other administrative tasks in each counselor's workload.
- In addition to the role of providing student support through individual and crisis counseling, this exemption will allow the district to enhance the work of school personnel and parents through the counselor’s role of guiding student goal setting and planning by promoting understanding of standardized test results and other assessment data.

Additionally, through annual auditing, the counselor will support the district to inform accountability, action plans, time management, and systemic change. In doing so, the counselor will be useful in providing parent and guardian consultation to foster each student’s educational, career, personal, and social development.

Summary

This District of Innovation Plan will reduce restrictions and help MWISD to better support our students, employees, and families in more innovative ways. Nudging our district toward the locally customized environment our students deserve will enable us to better prepare them according to their individualized needs and their unique talents and traits. Through HB 1842, MWISD will be able to utilize innovative approaches to making the best decisions for our children because we will be able to make them locally.

In many cases, the implementation of exemptions from the Texas Education Code will require the revision of MWISD policies. MWISD will utilize a local policy development process that includes stakeholder input. This District of Innovation Plan will be implemented upon Board approval and will be in effect for 5 years from the date of implementation. Where necessary, the superintendent of schools or designee will promulgate regulations, policies, and procedures to govern the areas for which local flexibility has been sought.

We are grateful to the legislators who campaigned for Districts of Innovation through HB 1842 and to Commissioner Morath and his team for furthering our ability to create innovative strategies. We are committed to the children of our community and pledge to implement this plan with their best interests at heart.

TITLE: Discuss, Consider, and Take Any Necessary Action Regarding the Memorandum of Understanding With Tarleton Today.

RECOMMENDED ACTION: It is recommended that the Board approves the Memorandum of Understanding with Tarleton Today as presented.

BOARD POLICY/STATE REGULATION/LAW REFERENCE (if applicable): Texas Education Code §28.009 – Dual Credit Partnerships

OVERVIEW:

The District proposes to enter into a Memorandum of Understanding (MOU) with Tarleton State University to expand dual credit/enrollment educational opportunities for eligible high school students. This partnership will allow students to enroll in college level coursework while earning both high school and postsecondary credit, supporting college readiness, career pathways, and workforce development goals. Texas law expressly authorizes school districts and institutions of higher education to partner for the delivery of dual credit/enrollment programs. Texas Education Code §28.009 provides the statutory framework for dual credit partnerships between public school districts and public institutions of higher education, including agreements that define responsibilities related to instruction, faculty qualifications, academic standards, and facilities

The proposed MOU will outline the terms and conditions of the dual credit partnership, including governance, student eligibility, instructional delivery, compliance with Texas Higher Education Coordinating Board and Texas Education Agency rules, and financial responsibilities. Approval of this agreement will allow the District to formalize its collaboration with Tarleton State University and provide students with enhanced access to rigorous academic coursework aligned with postsecondary expectations.

**Memorandum of Understanding
Between
Tarleton State University
and
MINERAL WELLS ISD**

FOR THE 2026-2027 TARLETON TODAY PROGRAM

This Memorandum of Understanding (MOU) with an Effective Date of April 1, 2026, is entered by MINERAL WELLS ISD (MWISD) and TARLETON STATE UNIVERSITY, a member of The Texas A&M University System, an agency of the State of Texas, hereinafter referred to as "Tarleton State".

Contracting Parties:

Receiving Party (MWISD)
MINERAL WELLS ISD
906 S W 5TH AVE
MINERAL WELLS, TX 76067-4895

Performing Party Tarleton State University
1333 W. Washington St.
Stephenville, TX 76402

WHEREAS, Tarleton State and MWISD are collaborating to offer eligible high school students the opportunity to enroll in college courses while attending high school and receive simultaneous academic credits from Tarleton State and their MWISD high school(s).

WHEREAS, eligible students will be able to participate in a dual enrollment, distance education program called Tarleton Today.

NOW THEREFORE, in consideration of the mutual promises herein contained, the Parties agree as follows:

1. Nature of Tarleton Today

Tarleton State and MWISD enter into this Agreement to implement Tarleton Today by offering distance college courses through a dual-enrollment model, as well as high school teacher training and professional learning. Tarleton Today offers high school students the opportunity to earn high school credits from MWISD and college credits from Tarleton State through a distance education course.

MWISD and Tarleton State will share the responsibility to implement the Tarleton Today program. By entering into this Agreement for the delivery of distance college courses, MWISD becomes an active participant in ensuring the effectiveness and quality of the implementation of Tarleton Today at MWISD.

2. Fees and Payments

Enrollment Fees:

If joining the Tarleton Today program on or after the Effective Date, the cost of the Tarleton Today course materials, technical support and course implementation support outlined in this Agreement for MWISD will be defined on a per-student, per-course basis. Program costs will be evaluated annually.

Texas public school districts or charter schools will pay a subsidized rate of \$50 per student per semester credit hour during the 2026-2027 school year (3 credit courses = \$150; 4 credit courses = \$200). Pending Texas FAST Program funding reimbursement, MWISD students qualifying for the FAST program will receive a course fee credit equal to the course fee charge. Tarleton Today will be directly reimbursed for course fees through the FAST Program for these students after completion. Private, parochial, and out-of-state schools are not eligible for the subsidized rate and will be charged \$65 per semester credit hour.

The Tarleton Today course fee is assessed for each student registered in each Tarleton Today course on the designated enrollment date. The program fee covers access to course materials and technology tools. Refunds will not be given at the end of a course for any reason, including if a student does not earn college credit in the course or withdraws after the enrollment date.

Professional Learning Fee:

The cost of Tarleton Today professional development will be assessed on a per-teacher basis at a rate of \$500 for all teachers, both new and returning to the program. If a teacher is participating in more than one course, each subsequent course will be billed at 50% the professional learning fee. This fee covers professional learning and development requirements during the entire term of this agreement, including summer professional development courses, virtual learning modules, and coaching sessions from Tarleton State. If MWISD or the MWISD high school teacher joins after the conclusion of summer professional development, the total fee is still required based upon the status of the teacher at student enrollment date. For teachers that complete the Tarleton Today course with at least 60% of their enrolled students accepting college credit and active participation in Tarleton Today Professional Learning activities, Tarleton Today will provide them a \$500 end-of-year bonus.

Any professional development fees do not include lodging, transportation, or teacher substitute cost.

MWISD is responsible for paying within 30 days of receipt of any undisputed invoice.

All checks should be made payable to Tarleton State University. Payments should be mailed and/or delivered to:

Tarleton State University
Business Services
Box T-0120
Stephenville, TX 76402

3. Scope of Work and Responsibilities

Responsibilities to implement Tarleton Today distance college courses will be shared by MWISD and Tarleton Today. MWISD is an active participant in ensuring the effectiveness and quality of Tarleton Today implementation at its facilities. The Parties agree to provide the following, collectively referred to as the "Services."

Responsibilities of Tarleton Today

Enrollment and Records

- A. Register high school students for Tarleton Today courses (as listed in Exhibit A) through the Tarleton Today student information system.
- B. Maintain, as part of routine educational effectiveness evaluation at Tarleton State, Tarleton Today student educational records, including registration, enrollment, orientation, and course evaluation data for purposes of administering, implementing, and improving the program and providing official reporting to Tarleton State and MWISD. Tarleton Today engages in additional data sharing with Tarleton State departments as defined in the data sharing agreement between Parties, attached and incorporated herein.
- C. Record grades on Tarleton State transcripts for students who accept college credit for the distance college course.
- D. Support documentation of distance college course credit, including enrollment and non-enrollment confirmation letters and assistance in securing official transcripts.

Curriculum and Instruction

- E. Provide Tarleton State faculty and academic staff to develop and define college-level course materials and curriculum and assume primary responsibility for oversight of distance college courses.
- F. Deliver instructional materials via distance education. All college course-related materials will be available to the student through unique login in Canvas Learning Management System (Canvas LMS).
- G. Administer Tarleton Today distance college courses via a dual enrollment model. Tarleton State faculty and academic course staff ensure comparability of distance college courses to campus-based courses and are approved by Tarleton State department heads and supported by deans. College courses use the Texas Common Course Numbering System to maximize transferability within Texas institutions. All courses are applicable to one or more bachelor's degrees at Tarleton State University. All Tarleton Today students register for semester- or year-long courses. The college enrollment process differs between the two course types.
 - a. Semester-long and year-long course college enrollment information
 - i. Students must complete a series of required assignments and summative assessments as published in the college syllabus that are designed, designated, and evaluated by Tarleton State faculty and college Instructors of Record to earn college credit.
 - ii. Students who earn a passing grade (D or above) in the college course may accept their college credit or withdraw from the course.
 - iii. Students who accept college credit will have an official Tarleton State transcript showing the letter grade earned in the course.
 - b. Provide technology and support services necessary for teaching and learning in Tarleton Today courses and program implementation:
 - c. Maintain servers operated by or hosted on Tarleton Today's web-based Canvas LMS.
 - d. Provide access and training on the Canvas LMS for every Tarleton Today student to access course content and instructional experiences.
 - e. Provide online and phone-based technical support for Tarleton Today teachers, students, and Tarleton State faculty using the curriculum when that support is not provided through Canvas LMS.
 - f. Provide access to teleconference functions in Canvas LMS or other commensurate distance technology with consultants available to students for writing consultation related to distance college course writing assignments.
 - g. Provide a student orientation module in Canvas LMS for all Tarleton Today courses that detail program enrollment, student academic integrity, and FERPA rights.

- h. Provide information in the Tarleton Today college courses and through Canvas notifications related to distance college course enrollment activities, including registration, credit type selection, credit status, and official transcript requests.
- i. Provide academic resources and advising for enrolled Tarleton Today students.
- j. Provide adequate procedures for submitting and resolving complaints, grade appeals, information requests, and other inquiries related to participation in Tarleton Today.

Professional Development and Support

- H. Deliver professional learning to participating MWISD teachers who teach a Tarleton Today course.
 - a. Summer professional development for participating MWISD teachers will be delivered by Tarleton Today using distance education and virtual learning technologies, or in-person trainings at one of the Tarleton State locations. Summer professional development is required for all Tarleton Today high school teachers.
 - b. Academic year Professional Learning: One-day Professional Learning for new and returning participating MWISD teachers will be held at Tarleton State or designated regional sites, or delivered virtually during the fall and spring semesters, at Tarleton State's sole discretion. MWISD teachers are **required** to participate in and fully complete the one-day workshop during each semester in which the teacher delivers a Tarleton Today course, regardless of whether the course will be offered in the subsequent year.
 - c. Participating MWISD teachers will be provided certificates of completion for the hours of documented attendance, which may count as continuing professional education hours with their district.
- I. Deliver professional learning and development opportunities specific to administrative and counselor roles and functions to MWISD and its administration.
- J. Deliver in-person or virtual presentations and/or workshops to MWISD staff and community members regarding the Tarleton Today program overview, implementation, and strategies for success.
- K. Tarleton Today will hire and assign a qualified course coordinator for each course offered. The coordinator will serve as the content expert and point of contact and support for the high school teacher.
- L. Provide ongoing, one-on-one feedback and guidance to the high school teacher.
- M. Provide virtual coaching to each Tarleton Today high school teacher to support course implementation and enhance their professional practice.

Institutional Effectiveness

- N. Provide feedback regarding course implementation to Tarleton State faculty and academic staff, as well as MWISD high school teachers and administrators. To ensure Tarleton Today is implemented and facilitated with quality and fidelity, Tarleton Today staff will provide updates at the end of the fall and spring semesters and, as needed, throughout the year regarding the status of Tarleton Today implementation, based on communication with the Tarleton Today MWISD high school teacher(s) and classroom observations.
 - a. Tarleton Today staff will alert MWISD administration of any serious concerns regarding MWISD or campus implementation of the Tarleton Today course pertaining to quality and fidelity. If MWISD implementation of the Tarleton Today course is deemed unsatisfactory, Tarleton Today reserves the right to deny the opportunity to offer the Tarleton Today course in the future or to require a replacement high school teacher.
 - b. A MWISD high school teacher deemed by Tarleton Today to be unsatisfactorily implementing the course will be given the opportunity to bring course implementation into alignment with Tarleton Today expectations and be provided coaching and support as available through the course staff, Tarleton Today Professional Learning, virtual coaching, and ongoing communication. Should the high school teacher's

implementation of Tarleton Today continue to be unsatisfactory or without improvement in Tarleton Today's sole discretion, Tarleton Today will notify MWISD, who will use its best efforts to identify an alternate high school teacher, and MWISD will work with Tarleton Today to continue implementation of the course with the alternate high school teacher. Tarleton Today reserves the right to deny any unsatisfactorily performing teacher the opportunity to offer the course in the future.

- c. Should Tarleton Today deem a Tarleton Today MWISD high school teacher as not compatible with or not in the best interest of the program in Tarleton Today's sole discretion, Tarleton Today will notify MWISD who will work with Tarleton Today to continue the course through an alternate teacher.
- d. Any person performing Services under this Agreement on behalf of Tarleton Today must be actively employed or eligible for employment by Tarleton State and may not be on administrative or medical leave. Tarleton State must comply with applicable criminal background check requirements for their respective faculty, staff, and employees performing Services under this Agreement. If Tarleton State becomes aware that one of its faculty, staff, or employees performing Services does not meet these requirements, a representative of the Tarleton Today program must inform the MWISD district contact.

Extended Student Absences [subject to MWISD policies]

- O. In a case where a student is removed from their home campus and assigned to an alternative campus due to disciplinary reasons, the MWISD point of contact, campus principal and/or the high school teacher of the campus must notify the Tarleton Today Program Coordinator. Information needs to include the length of the placement to determine if the student will continue in the enrolled Tarleton Today course. If the alternative placement is longer than seven (7) school days, then the following will need to be done:
 - a. The administrator, Tarleton Today MWISD high school teacher, and Tarleton Today course staff will work together to determine if the student has the opportunity to continue the course at the alternative campus. If determined, the student will not have the appropriate instruction and access to the course; the student will be dropped from the Tarleton Today course.
 - i. If this occurs prior to the identified course enrollment date, then the MWISD will not be invoiced for this student.
 - ii. If the student is enrolled in a year-long Tarleton Today course, the student will be dropped from the Tarleton Today course, the Canvas LMS system, and a schedule change will be made for the student's high school schedule.
- P. In a case where a student is hospitalized or removed from instruction or the school setting for longer periods due to illness, accident, or other circumstance, the MWISD point of contact, campus principal and/or the high school instructor must notify the Tarleton Today Program Coordinator immediately to determine if enrollment may continue, which decision will be made on Tarleton Today in its sole discretion.

4. Responsibilities of MWISD [subject to MWISD policies and applicable law]

- A. Implement one or more Tarleton Today courses.
 - a. Assign a(n) MWISD contact responsible for overseeing the implementation of Tarleton Today high school course(s) and participating in meetings designated for MWISD administration with Tarleton Today staff.
 - i. This MWISD contact will provide up-to-date contact information for MWISD and its campus administration. In the event there is a change in administration at MWISD or at its campuses, the MWISD contact will update Tarleton Today.

- b. Assign 1-2 campus administrators to attend the Tarleton Today train-the-trainer session(s) held online in a webinar-based format. The training will model the parent night presentation, resources, and retention strategies.
 - c. Assign a designated contact for ensuring websites, email addresses, and support for technology related requests. This person will also be responsible for uploading course rosters following a specific format prior to the start of the school year.
 - d. Tarleton Today courses do not replace Advanced Placement (AP) curriculum or prepare students for AP exams. Neither Tarleton Today syllabi nor course content may be used for submission to satisfy the requirements for third-party evaluation.
- B. Recruit high school teacher(s) with appropriate qualifications to teach the Tarleton Today course(s), all consistent with MWISD policies.
- a. Minimum requirements for all Tarleton Today MWISD high school teachers include:
 - i. Bachelor's degree in discipline or related field.
 - ii. One (1) or more years of teaching experience in the relevant course or a higher-level course (e.g. calculus for precalculus).
 - iii. Completed annual Tarleton Today teacher application.
 - iv. Obtain a Tarleton State UID in order to access Canvas LMS and other systems required for implementation of the Tarleton Today program. Tarleton Today will provision the UID as high assurance and may suspend, terminate, or revoke access to its systems through the UID affiliation at Tarleton Today sole discretion. The UID affiliation with Tarleton Today will be revoked if this agreement is terminated or if a Tarleton Today MWISD high school teacher can no longer complete the course.
 - v. Successful completion of required tasks before the start of summer professional development, including, but not limited to, completion of FERPA training module provided by Tarleton Today. Tasks will be determined and shared by the Tarleton Today professional learning and development staff in advance of summer professional development. MWISD high school teachers approved on a conditional basis may be required to complete additional tasks. Any high school teacher who does not complete the required pre-professional development tasks may not be eligible to attend the summer professional development. The decision to admit or deny such teacher and any accompanying conditions will be determined by the Tarleton State Faculty Lead and Program Coordinator at their discretion.
 - vi. Successful completion of summer professional development. New Tarleton Today MWISD high school teachers must participate in the entire Summer professional development and complete all assigned work, both before and during the training.
 - vii. Attendance at and completion of all required virtual conferences or virtual learning modules, academic year trainings, and professional development assignments.
 - viii. Attendance at the Fall and Spring Professional Development
 - 1. MWISD teachers are required to participate in and fully complete both academic year professional developments in which the teacher delivers a Tarleton Today course, regardless of whether the course will be offered in the subsequent year. Each Fall and Spring professional development will provide up to eight hours of continuing professional education hours.
 - ix. Review communication from Tarleton Today course staff in weekly newsletters and respond accordingly to routine requests.
 - x. Adhere to guidelines regarding Tarleton Today course content intellectual property. MWISD is responsible for informing teachers that they do not have a license to use any Tarleton Today provided materials outside of the scope of this agreement.
 - xi. Deliver Tarleton Today instructional materials through the Tarleton Today instance of Canvas LMS.
 - b. Additional requirements for Tarleton Today returning MWISD teachers include:

- i. Successful implementation of Tarleton Today course during the previous academic year according to requirements under section D below.
- C. Ensure Tarleton Today MWISD high school teachers and students have the necessary resources to implement the program with fidelity, including, but not limited to:
 - a. Access to Canvas LMS. Participating MWISD campuses will work with the Tarleton Today support team to ensure their campus and students can fully access the Canvas LMS.
 - b. Access to computers, internet, and allow lists, as specified by Tarleton Today, and adhere to requirements outlined in the most recent Tarleton Today Technology Manual.
 - c. Scheduled access to technology that meets the specifications defined by Tarleton Today for each course. This includes regular in-class and out-of-class, one-to-one (1:1) access to computers and the internet to view materials and complete and submit assignments, quizzes, tests, and exams, and the following technology for specific course implementation (as applicable).
 - d. Audio/visual projection and/or whiteboard.
 - e. Copy/scanning services to duplicate some course materials and distribute to students in the Tarleton Today course and upload assignments.
 - f. Provide course specific requirements as listed in Exhibit C.
- D. Ensure Tarleton Today MWISD high school teachers implement the program with fidelity, including the following:
 - a. Tarleton Today instructors are expected to adhere to Texas Administrative and Education Code, including the Educators' Code of Ethics (19 TAC Chapter 247).
 - b. Administer and facilitate Tarleton Today-required assignments and assessments without alteration through the Tarleton Today instance of Canvas LMS.
 - c. Have students create a Tarleton State UID and register for Tarleton Today sections.
 - d. Use Canvas LMS to assign and grade high school work as specified by Tarleton Today course staff.
 - e. Participate in professional learning, including summer professional development, one-day workshops, video conferences or virtual learning modules, virtual coaching, and ongoing opportunities during each semester in which they teach the Tarleton Today course. To facilitate teacher participation in the one-day workshops, MWISD agrees to pay the cost of substitute teachers for the days the teacher will attend the workshops.
 - f. Maintain regular communication via email, phone, video web conferencing, etc. with Tarleton Today course coordinator and other staff regarding the success and challenges of implementation, responding in a timely manner to requests for information, including turning in any requested documentation to evaluate student progress or success by specified deadlines.
 - g. Notify Tarleton Today of MWISD high school teacher absences that exceed four or more consecutive class days or of teacher resignations using the provided form in the case when the teacher cannot self-report.
- E. Recruit and approve eligible students to participate in the Tarleton Today courses.
 - a. Students eligible to participate in Tarleton Today courses must:
 - i. Be enrolled in a MWISD high school
 - ii. Demonstrate commitment to completing academic requirements
- F. Ensure students enrolled in the Tarleton Today program meet the minimum academic requirements for each course as shown in Exhibit A.
- G. Ensure students complete the Tarleton Today registration process within the first two weeks of school. The student and, if the student is under 18 years of age at the time of registration, the student's parent or guardian shall acknowledge and consent the student is enrolling in a college course with the opportunity to earn college credit. **Consent forms must be submitted within one week of the MWISD school start date.**

- H. Any person performing Services under this Agreement on behalf of MWISD must be actively employed or eligible for employment by MWISD and may not be on administrative leave. MWISD must comply with applicable criminal background check requirements for their respective faculty, staff, and employees performing Services under this Agreement. If MWISD becomes aware that one of its faculty, staff, or employees performing Services does not meet these requirements, the district contact, who oversees the Tarleton Today program, must inform Tarleton Today within 24 business hours.

5. Summer Professional Development, Teacher Registration, and Attendance

1. MWISD high school teachers are required to register for Summer Professional Development **two weeks prior** to the start of Summer Professional Development.
2. New Tarleton Today MWISD high school teachers must participate in the entire Summer Professional Development and complete all assigned work, both pre- and during Professional Development. New Tarleton Today high school teachers are defined as those who are implementing a Tarleton Today course for the first time or for the first time after more than one year of absence.
 - a. The MWISD teacher assigned to the course **must** successfully complete the New Teacher Summer Professional Development experience at least once, in its entirety, before implementing a Tarleton Today course for the first time. If the teacher continues to offer the course in subsequent years, they are required to attend the Returning Instructor Summer Professional Development for each subsequent year they implement that course. If a teacher is assigned to implement a new Tarleton Today course in addition to their current Tarleton Today course, the instructor must complete the New Teacher Summer Professional Development for the new course.
3. Cancellation policy:
 - a. All high school teachers must cancel their registration in writing at least one week prior to any in-person Professional Development. MWISD will be invoiced for all registered high school teachers two weeks prior to the event starting and will pay such invoices within thirty (30) days.
 - b. If a high school teacher registers for Summer Professional Development and is unable to attend, the teacher must communicate this change to the Tarleton Today Professional Learning and Development team in writing at least one week prior to the start of Summer Professional Development. The district contact may coordinate with Tarleton Today to identify an appropriate replacement. Fees will be assessed based on teachers who complete Summer Professional Development.
 - c. In the event of an emergency about which Tarleton Today staff and the teacher's principal are notified, a teacher may arrange to make up as much as 20% of Summer Professional Development and still be eligible to teach the Tarleton Today course. Tarleton Today MWISD high school teachers who miss more than 20% of Summer Professional Development, regardless of the reason, will be on probationary status and their approval to serve as a Tarleton Today high school teacher will be evaluated by Tarleton Today on a case-by-case basis.
4. If a high school teacher attends Summer Professional Development, and the course for which the teacher is trained is not offered for the school year, MWISD will be:
 - a. Charged the full fee based on whether they are new or returning, for Summer Professional Development.
 - b. All materials provided to MWISD for the course must be returned to Tarleton Today within 30 days.

6. Educational Records and Data Sharing

- A. MWISD and Tarleton Today create, maintain, and manage their own educational records for students and teachers. Tarleton Today maintains all educational records created as a result of the Tarleton Today program consistent with FERPA, as well as applicable Texas A&M

University System (TAMUS) policy 16.01.02 and any applicable law. In order to provide the Tarleton Today program and related services to MWISD and for MWISD's accountability reporting purposes, Tarleton Today requires specific student information from MWISD. All such records are provided the same security as those outlined in TAMUS Policy 16.01.02 and the Data Sharing Agreement and will not be sold or shared with external sources except as allowed by law. See Exhibit B Data Sharing Agreement which sets terms and conditions for the exchange by the Parties of data needed to support the Tarleton Today program.

- B. Following Tarleton State's Institutional Review Board standards and policy, as applicable, Tarleton Today may obtain and maintain data and/or feedback about student and teacher experiences with the program for the purpose of understanding outcomes and program improvements.
- C. For legitimate educational interests, Tarleton Today will facilitate the exchange of information among institutions, with the Texas Higher Education Coordinating Board, the Texas Education Agency, Tarleton Today high school teachers, Tarleton Today faculty and staff, and MWISD contacts 1) pertaining to students' progress toward the opportunity to earn college credit; 2) to verify student's economic status related to state funding reimbursement, 3) to verify student accommodations under IDEA and/or Section 504; 4) to facilitate early intervention and support student success; 5) pertaining to whether college credit is earned, accepted, and/or declined; 6) to facilitate accurate recordkeeping; and 7) to address academic integrity issues. If either party obtains access to MWISD and/or Tarleton State records or record systems protected under FERPA, each party agrees to adhere to the provisions of FERPA. While in possession of FERPA records and data, only persons authorized to access the student data related to the Tarleton Today program will be granted access consistent with FERPA.

7. Insurance.

MWISD acknowledges that, because Tarleton State is an agency of the state of Texas, liability for the tortious conduct of employees of Tarleton State or for injuries caused by conditions or use of tangible state property is provided solely by the provisions of the Texas Tort Claims Act (Texas Civil Practice and Remedies Code Chapters 101 and 104); and that workers' compensation insurance coverage for employees of Tarleton State is provided by the [A&M SYSTEM] as mandated by the provisions of Chapter 502, Texas Labor Code. Tarleton State shall have the right, at its option, to (a) obtain liability insurance protecting Tarleton State and its employees and property insurance protecting Tarleton State's buildings and contents, to the extent authorized by Section 51.966, Texas Education Code, or other law, or (b) self-insure against any risk that may be incurred by Tarleton State as a result of its operations under the Agreement.

8. FERPA.

For purposes of the Family Educational Rights and Privacy Act ("FERPA"), Tarleton State hereby designates MWISD as a school official with a legitimate educational interest in any education records (as defined in FERPA) that MWISD is required to create, access, receive, or maintain in order to fulfill its obligations under this Agreement. MWISD shall comply with FERPA as to any such education records and is prohibited from redisclosure of the education records except as provided for in this Agreement or otherwise authorized by FERPA or Tarleton State in writing. MWISD is only permitted to use the education records for the purpose of fulfilling its obligations under this Agreement and shall restrict disclosure of the education records solely to those employees, subcontractors or agents who have a need to access the education records for such purpose. MWISD shall require any such subcontractors or agents to comply with the same restrictions and obligations imposed on MWISD in this Section, including without limitation, the prohibition on redisclosure. MWISD shall implement and maintain reasonable administrative, technical, and physical safeguards to secure the education records from unauthorized access, disclosure or use.

9. Indemnification

To the extent allowed by law and without waiving any immunities, MWISD shall indemnify and hold harmless The Texas A&M University System, Tarleton State, and their regents, employees and agents (collectively, the "A&M System Indemnitees") from and against any third-party claims, damages, liabilities, expense or loss asserted against A&M System Indemnitees arising out of any acts or omissions of MWISD or its employees or agents pertaining to the activities and obligations under this Agreement, except to the extent such liability, loss or damage arises from an A&M System Indemnitee's gross negligence or willful misconduct.

10. Term and Termination

A. This Agreement shall commence on April 1, 2026 (the "Effective Date") and continue through August 31, 2027 (the "Term") unless earlier terminated as provided herein.

B. This Agreement may be terminated without cause by either Party upon 30 days' written notice to the other Party.

11. Loss of Funding.

Performance by Tarleton State under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "Legislature"). If the Legislature fails to appropriate or allot the necessary funds, Tarleton State will issue written notice to MWISD and Tarleton State may terminate this Agreement without further duty or obligation hereunder. MWISD acknowledges that appropriation of funds is beyond the control of Tarleton State. In the event of a termination or cancellation under this Section, Tarleton State will not be liable to MWISD for any damages that are caused or associated with such termination or cancellation.

12. PAYMENT TERMS/PROMPT PAYMENT

Tarleton State's payment shall be made in accordance with Chapter 2251, *Texas Government Code* (the "Texas Prompt Payment Act"), which shall govern remittance of payment and remedies for late payment and non-payment.

13. Ownership of Created Works.

MWISD irrevocably assigns, transfers and conveys to Tarleton State, for no additional consideration, all of MWISD's ownership, rights, title and interest in and to all works prepared by MWISD under this Agreement ("Deliverables"), including, without limitation, all copyrights, patents, trademarks, trade secrets and other intellectual property rights and all other rights that may hereafter be vested relating to the Deliverables under law. Deliverables include but are not limited to curricula, lesson plans, assessments, software code, multimedia content, instructional materials, training modules, data compilations, reports, and other materials developed specifically under the Agreement. This assignment does not apply to any pre-existing intellectual property owned by MWISD that is merely referenced or incorporated into program materials. This assignment does not apply to materials developed by MWISD without using or relying on Tarleton State course materials. All materials provided by Tarleton State are for sole use within the courses under this Agreement. MWISD certifies that all Deliverables will be original, or that MWISD will have obtained all rights necessary for the ownership and unrestricted use of the Deliverables by Tarleton State. MWISD shall secure for Tarleton State all consents, releases, and contracts and perform other reasonable acts as Tarleton State may deem necessary to secure and evidence Tarleton State's rights in any Deliverable.

14. Independent Contractor

Notwithstanding any provision of this Agreement to the contrary, the Parties hereto are independent contractors. No employer-employee, partnership, agency, or joint venture relationship is created by this Agreement or by MWISD's service to Tarleton State. Except as specifically required under the terms of this Agreement, MWISD (and its representatives, agents, employees and subcontractors) will not represent themselves to be an agent or representative of Tarleton State or [A&M SYSTEM].

As an independent contractor, MWISD is solely responsible for all taxes, withholdings, and other statutory or contractual obligations of any sort, including but not limited to workers' compensation insurance. MWISD and its employees shall observe and abide by all applicable Tarleton State policies, regulations, rules and procedures, including those applicable to conduct on its premises.

15. Dispute Resolution.

To the extent that Chapter 2260, *Texas Government Code* is applicable to this Agreement, the dispute resolution process provided in Chapter 2260, and the related rules adopted by the Texas Attorney General pursuant to Chapter 2260, shall be used by Tarleton State and MWISD to attempt to resolve any claim for breach of contract made by MWISD that cannot be resolved.

16. Notice.

Any notice required or permitted under this Agreement must be in writing, and shall be deemed given: (a) three (3) business days after it is deposited and post-marked with the United States Postal Service, postage prepaid, certified mail, return receipt requested, (b) the next business day after it is sent by overnight carrier, (c) on the date sent by email transmission with electronic confirmation of receipt by the party being notified, or (d) on the date of delivery if delivered personally. Tarleton State and MWISD can change their respective notice address by sending to the other Party a notice of the new address. Notices should be addressed as follows:

17. Venue; Governing Law

Pursuant to Section 85.18(b), *Texas Education Code*, mandatory venue for all legal proceedings against Tarleton State is to be in the county in which the principal office of Tarleton State's governing officer is located. The validity of this Agreement and all matters pertaining to this Agreement, including but not limited to, matters of performance, non-performance, breach, remedies, procedures, rights, duties, and interpretation or construction, shall be governed and determined by the Constitution and the laws of the State of Texas.

18. Entire Agreement

This Agreement constitutes the entire and only agreement between the Parties hereto and supersedes any prior understanding, written or oral agreements between the Parties, or "side deals" which are not described in this Agreement. This Agreement may be amended only by a subsequent written agreement signed by authorized representatives of both parties.

19. Non-Assignment

MWISD shall neither assign its rights nor delegate its duties under this Agreement without the prior written consent of Tarleton State.

20. Survival

Any provision of this Agreement that may reasonably be interpreted as being intended by the Parties to survive the termination or expiration of this Agreement will survive the termination or expiration of this Agreement.

21. Cybersecurity Training Program

Pursuant to Section 2054.5192, *Texas Government Code*, MWISD's employees, officers, and subcontractors who have access to Tarleton State's computer system and/or database must complete a cybersecurity training program certified under Section 2054.519, *Texas Government Code*, and selected by Tarleton State. The cybersecurity training program must be completed by MWISD's employees, officers, and subcontractors during the Term and any renewal period of this Agreement. MWISD shall verify completion of the program in writing to Tarleton State within the first thirty (30) calendar days of the Term and any renewal period of this Agreement. MWISD acknowledges and agrees that its failure to comply with the requirements of this paragraph are grounds for Tarleton State to terminate this Agreement for cause.

22. Access by Individuals with Disabilities

MWISD represents and warrants that the electronic and information resources and all associated information, documentation, and support that it provides to Tarleton State under this Agreement (collectively, the "EIRs") comply with the applicable requirements set forth in Title 1, Chapter 213 of the *Texas Administrative Code* and Title 1, Chapter 206 of the *Texas Administrative Code* (as authorized by Chapter 2054, Subchapter M of the *Texas Government Code*) (the "EIR Accessibility Warranty"). If MWISD becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, MWISD shall, at no cost to Tarleton State, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event that MWISD fails or is unable to do so, Tarleton State may immediately terminate this Agreement, and MWISD will refund to Tarleton State all amounts paid by Tarleton State under this Agreement within thirty (30) days following the effective date of termination.

23. Payment of Debt or Delinquency to the State

Pursuant to Sections 2107.008 and 2252.903, *Texas Government Code*, MWISD agrees that any payments owing to MWISD under this Agreement may be applied directly toward certain debts or

delinquencies that MWISD owes the State of Texas or any agency of the State of Texas regardless of when they arise, until such debts or delinquencies are paid in full.

24. State Auditor's Office

MWISD understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, "Auditor"), to conduct an audit or investigation in connection with those funds pursuant to Section 51.9335(c), Texas Education Code. MWISD agrees to cooperate with the Auditor in the conduct of the audit or investigation, including without limitation, providing all records requested. MWISD will include this provision in all contracts with permitted subcontractors.

25. Severability

In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions hereof, and this Agreement shall be construed as if such invalid, illegal, and unenforceable provision had never been contained herein. The Parties agree that any alterations, additions, or deletions to the provisions of the Agreement that are required by changes in federal or state law or regulations are automatically incorporated into the Agreement without written amendment hereto and shall become effective on the date designated by such law or by regulation.

26. Public Information.

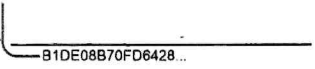

MWISD acknowledges that Tarleton State is obligated to strictly comply with the Public Information Act, Chapter 552, *Texas Government Code*, in responding to any request for public information pertaining to this Agreement, as well as any other disclosure of information required by applicable Texas law. Upon Tarleton State's written request, MWISD will promptly provide specified contracting information exchanged or created under this Agreement for or on behalf of Tarleton State to Tarleton State in a non-proprietary format acceptable to Tarleton State that is accessible by the public. MWISD acknowledges that Tarleton State may be required to post a copy of the fully executed Agreement on its Internet website in compliance with Section 2261.253(a)(1), *Texas Government Code*. The requirements of Subchapter J, Chapter 552, *Texas Government Code*, may apply to this Agreement and MWISD agrees that this Agreement can be terminated if MWISD knowingly or intentionally fails to comply with a requirement of that subchapter.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives as shown below.

Exhibit B
Data Sharing Agreement

DATA SHARING AGREEMENT BY AND BETWEEN
MINERAL WELLS ISD
AND
TARLETON TODAY AT TARLETON STATE UNIVERSITY

Pursuant to this Data Sharing Agreement, MINERAL WELLS ISD agrees to provide individual student-level data to Tarleton Today at Tarleton State University (Tarleton State) for the purpose of implementing, billing, and evaluating the Tarleton Today dual enrollment program and informing Tarleton Today students of academic opportunities at Tarleton. MWISD hereby appoints Tarleton Today as a legitimate educational official of MWISD in accordance with the Family Educational Rights and Privacy Act (FERPA). Likewise, Tarleton Today hereby appoints MWISD as a legitimate educational official of Tarleton Today in accordance with FERPA. Tarleton Today agrees to provide individual student-level data to MWISD for the purpose of evaluation, accountability, and student record-keeping. The terms of this Data Sharing Agreement are in effect until August 31, 2027 unless terminated in writing by one or both Parties.

1. Data type and exchange timeline

MWISD Designee for Student Data and Tarleton Today will coordinate data exchange for all Tarleton Today program participants for the 2026-2027 academic year, as follows:

Responsible Party	Time Period	Type of Data
Tarleton Today	June 2026 – July 2027	<p>Throughout the academic year Tarleton Today will provide information about student enrollments, including course rosters, and final grades. Access to the information will be limited to pre-identified campus and MWISD personnel who must obtain a TARLETON Electronic Identification and password in order to access the information.</p> <p>The following enrollment and performance data is provided throughout the academic year, as information becomes available.</p> <ul style="list-style-type: none"> • Course enrollments • Final letter grade • Credit decision (credit accepted or declined) • University transcript grade • Student qualifying status for FAST funding • Student qualifying status for accommodations under IDEA or Section 504
MWISD	<p>July 2026 (one month prior to student start date)</p> <p>October 2026 (for Spring only enrollments)</p>	<p>Student registration information will be provided by the district to Tarleton Today to enroll students in courses and create their Tarleton State University accounts. This data transfer will include the following information.</p> <ul style="list-style-type: none"> • Student First Name • Student Middle Name • Student Last Name • Student Date of Birth • Student School Email Address • Student Projected High School Graduation Year • Student Gender • Student Ethnicity

		<ul style="list-style-type: none"> • Student Physical Address • Student Mailing Address (if different) • Student TSDS • Student School ID • Student Free/Reduced Lunch Status • Student Citizenship (Country) • Parent/Guardian Name • Parent/Guardian Email Address • Parent/Guardian Phone Number <p>In order for Tarleton Today to identify students who qualify for the reduced course enrollment fee, Tarleton Today must obtain Student State IDs. Based on the Student State IDs, the Texas Education Agency (TEA) provides Tarleton Today with students' Economic Disadvantage Status.</p> <ul style="list-style-type: none"> • TEA-assigned TX-UNIQUE-STUDENT-ID (Student Unique ID)
MWISD	May 2026 – July 2027	<p>In order for Tarleton Today to engage in ongoing learning about student experiences, high school grades are exchanged.</p> <ul style="list-style-type: none"> • High school grade in Tarleton Today course, semester 1 • High school grade in Tarleton Today course, semester 2 • High school grade in Tarleton Today course, cumulative

2. Data protection

All data will be exchanged using secure systems and in an encrypted, password-protected electronic format by MWISD and Tarleton Today.

Tarleton Today endeavors that in all reports, electronic or otherwise, derived from information made available under this Data Sharing Agreement, all data shall be aggregated in such a way that no individual will be identified directly or by deduction. Tarleton Today further endeavors that the data elements will not be released to a third party without written parental or student (as applicable) consent.

While in possession of this data, both Parties shall permit access only to employees and contractors authorized to assist in the implementation or evaluation of Tarleton Today or other Tarleton program to have access to the data. Both Parties agree to store the data in an encrypted format, in a secure area and to prevent unauthorized access.

3. Information shared with TEA and THECB

- Share rosters of individual students, including student state ID (TSDS), for all students enrolled in a Tarleton Today course at fall or spring enrollment to determine student eligibility for reduced course fee, AND
- Share rosters of individual students, including student state ID (TSDS), for students who complete a Tarleton Today course for the purpose of calculating state accountability and other required state performance reporting and metrics.

TITLE: Discuss, Consider, and Take Any Necessary Action Regarding a Master Interlocal Agreement and Contract Services between Mineral Wells ISD and Region 11 Education Service Center

RECOMMENDED ACTION: It is recommended that the Board approve the Master Interlocal Agreement and Contract Services between Mineral Wells ISD and Region 11 Education Service Center as presented.

BOARD POLICY/STATE REGULATION/LAW REFERENCE (if applicable): GNB(LEGAL)

OVERVIEW:

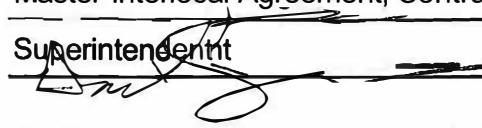

School boards must authorize the purchase of goods and services over \$50,000 in value. Schools may enter into agreements with regional service centers for the provision of a variety of education-related services.

FISCAL IMPACT: See attachment

ATTACHMENTS: Master Interlocal Agreement; Contract Summary Report

DEPARTMENT(S) SUBMITTING FORM: Superintendent

DEPARTMENT SIGNATURE/APPROVAL:

This Master Interlocal Agreement (“Agreement”) is made by and between Education Service Center Region 11 (“ESC Region 11”) and **Mineral Wells ISD** (“Local Government”), (collectively referred to as the “Parties” or individually as the “Party”) acting herein by and through their respective authorized officers or employees.

PREMISES

WHEREAS, Chapter 791 of the Texas Government Code authorizes local governments to contract with each other to provide governmental functions and services; and

WHEREAS, The Parties wish to enter into this Agreement to provide local governments with greater efficiency and economy in purchasing products and services; and

WHEREAS, the governing bodies of the Parties, individually and together, do hereby adopt and find the foregoing promises as findings of said governing bodies; and

NOW THEREFORE, premises considered, and in consideration of and conditioned upon the mutual covenants and agreements, herein, the Parties hereto mutually agree as follows:

AGREEMENT

- 1. Term:** This Agreement is effective from the date of the last signature and shall automatically renew annually unless either party gives sixty (60) days prior written notice of non-renewal.
- 2. Purpose:** This Agreement shall: (1) Allow the Local Government to purchase products or services by purchase order, contract, agreement, or other appropriate legal method from ESC Region 11; and (2) Allow the Local Government to join ESC Region 11-sponsored purchasing cooperatives in order to purchase products or services from vendors which have been properly awarded contracts through statutorily authorized methods.
- 3. Relationship:** The relationship between the Parties is that of Independent Contractor. Neither Party has the authority to bind the other in any manner. The Local Government may be required to enter into subsequent contractual arrangements with ESC Region 11 for specific products or services.
- 4. Agreement and Interpretation:** The Parties covenant and agree that any litigation relating to this agreement, the terms, and conditions of the agreement will be interpreted according to the laws of the State of Texas, and venue shall be exclusively in Tarrant County, Texas.
- 5.** Each party paying for the performance of governmental functions or services must make those payments from current revenues available to the paying party.
