6th - 12th Principal Report
Mrs. Christie Stratman
December 8, 2025

Veteran's Program

Mr. Bode and Mrs. Nortje coordinated an outstanding Veterans Day program that honored those who have served our country. The event featured several meaningful elements, including a Missing Man table prepared by the Student Council, a reading of *In Flanders Fields* by Isaac Haack, and musical performances by both the elementary choir and the high school band. Throughout the building, classes contributed artwork and displays to show their appreciation for our veterans. This was truly a schoolwide effort, and the entire staff and student body are to be commended for a job well done.

One Act Play

Our one-act team had an incredible season filled with hard work, talent, and well-earned success! They captured **1st place** at the Wilcox/Hildreth contest with their powerful performance of *Stopping at Ellis Island*. Their momentum continued as they wrapped up the year as **District Runner-Ups**—a tremendous accomplishment!

A special congratulations goes to **Isaac Haack**, who earned the **Overall Best Actor Award!** Additional shout-outs to **Gabe Ayres, Kinsey Clark, Steel Marks, Jayden Lind, and Isaac Haack**, all of whom received **Honorable Mention** awards for their outstanding performances.

What an amazing year for this talented group! Their dedication and teamwork truly shined.

Antibullying Speaker

State Trooper Tim Flick from Scottsbluff delivered a deeply impactful presentation on antibullying to our students. He shared real stories of young people who had been targeted with devastating phrases such as "kill yourself" and "the world would be better without you." He spoke about the profound emotional harm caused by these words and the long-lasting effects they had on the students who received them. Tragically, some of these young people later died by suicide, underscoring the urgent need for compassion, awareness, and accountability in how we treat one another.

State Principal Conference

Mrs. Simmons and Mrs. Stratman attended the State Principals Conference in Lincoln, where they engaged in valuable professional learning and collaboration. Throughout the conference, they heard from legal experts on Title IX and other emerging issues impacting public education, gaining important updates to help ensure that our district remains informed and compliant.

In addition to the sessions, they had the opportunity to network with administrators from across the state, discussing common challenges and sharing effective practices. They returned with fresh ideas and strategies that can be adapted and introduced into our own school system to support students, staff, and the overall learning environment.

FRANKLIN PUBLIC SCHOOLS

SUPERINTENDENT'S REPORT

Mrs. Shelley Kahrs

AQUESTT

Please check out the video on our website regarding our AQUESTT rankings. The district's overall rating was **GREAT**. Both the elementary school and high school moved up a level, with the elementary school now rated **EXCELLENT** and the high school rated **GREAT**. The middle school maintained its **GOOD** rating.

The Administration, teachers, and staff will continue to focus on improving our ratings by implementing systems that support the AQUESTT framework and, most importantly, by strengthening instructional practices in the classroom to increase student achievement.

This resource is available to the public for a deeper look into the rankings for each school system in Nebraska:

Nebraska Education Profile: <https://nep.education.ne.gov/#/>

Building Maintenance Update

Steve reported that winter preventative maintenance on all HVAC systems has been completed with no significant issues. Alicap conducted their annual walk-through of the building, and *the word "immaculate" was used to describe the outstanding work of our custodial staff.*

I will be contacting the building committee to schedule another meeting with Steve to finalize project plans so we can seek approval in February.

Board Retreat

After attending the new board member meeting and the state education conference, I would like the board to begin some strategic planning with NASB through a board retreat. I am tentatively looking at January 7th or January 14th.

We should also consider including the restorative circle in this meeting. After visiting with several board members, some possible locations include JB's in Holdrege or the ESU in Holdrege.
