Brooke Greving

February 24, 2026

Mrs. Shelley Kahrs & Board of Education  
Franklin Public Schools  
1001 M St.  
Franklin, NE 68939

Dear Mrs. Kahrs and Members of the School Board,

Please accept this letter as my formal resignation from my position as 7–12 Business Education Teacher at Franklin Public Schools, effective at the end of the 2025–2026 school year.

I have truly enjoyed my time at Franklin Public Schools and have had the privilege of working with wonderful colleagues who have supported me and taught me many valuable lessons that I will carry with me. I have also greatly enjoyed working with the students of Franklin and look forward to their continued success and growth.

Thank you for the opportunities and support during my time at Franklin Public Schools.

Sincerely,

A handwritten signature in black ink that reads "Brooke Greving". The signature is written in a cursive style with a large, sweeping flourish at the end.

Brooke Greving

Dear Shelly Kahrs and Members of the Franklin School Board,

Please accept this letter as formal notice of my resignation from my position as the 6–12 Health and Physical Education Teacher at Franklin, effective on the last day of my contract.

This was not an easy decision. It has been a privilege to work with our students and to be part of a district that is committed to their growth, well-being, and success. I have also had the pleasure of working alongside many outstanding colleagues during my time here. The support, collaboration, and professionalism of the staff have meant a great deal to me, and I am truly grateful for those relationships and I will cherish them for the rest of my life.

I am proud of the work done to promote lifelong fitness, health education, teamwork, and positive character development among our students. Serving the Franklin community has been meaningful to me, and I sincerely appreciate the trust placed in me throughout my tenure.

I am committed to ensuring a smooth transition. I am happy to assist with curriculum materials, equipment organization, or any information that will help maintain continuity for students.

Thank you again for the opportunity to serve Franklin's students and families. I wish the district continued success in the future.

Sincerely,  
Jamison Urkoski

### The Extracurricular Activities Program

#### 1. General Purpose

- a. The extracurricular program includes noncurricular activities which are sponsored by the school district. These activities include sports, speech, plays, FFA, FCCLA, music performance groups and other activities which are sponsored by the school.
- b. Extracurricular activities are an important part of the total school experience, but are secondary to the academic program and must be kept in that perspective.
- c. Extracurricular activities **do not** include:
  - i. co-curricular activities such as band and choir, in which students must participate as part of the requirements for enrollment in and receiving a grade for a particular course.
  - ii. student-initiated, non-curriculum related student groups which are permitted to hold meetings and events on school premises. These groups are not school-sponsored and are not governed by this policy or other policies and rules governing extracurricular groups.

#### 2. Governance

- a. All extracurricular activities shall be under the exclusive governance and control of the school district. This control includes, but is not be limited to, the formation, naming, structure, operation, financing, and discontinuance of all extracurricular activities. Extracurricular activities shall not have any separate or individual existence, status, rights, or authority.
- b. Students and sponsors will be governed by all board's policies and administrative rules including the policy on field trips when traveling for extracurricular activities.

#### 3. Student Eligibility

- a. Students are encouraged to participate in extracurricular activities. Participation shall be open to and limited to all students

who are currently enrolled in the school district on a voluntary basis.

- b. Extracurricular activities may establish academic or course enrollment qualifications for participation if such qualifications are necessarily related to the purposes of the activity.
- c. Standards for scholastic eligibility for students wishing to participate in extracurricular activities shall be set by the administration and shall be consistent with at least the minimum standards provided by the NSAA.
- d. All students in grades 7-12 who participate in athletics must have a physical examination by a qualified health care provider at the student's expense.
- e. Students who wish to participate in extracurricular activities must abide by the student code of conduct, the extracurricular code of conduct and any additional rules set by the activity sponsor.
- f. Students are not eligible to participate in any extracurricular activity until they and their parents/guardians have signed the student handbook and extracurricular handbook receipt and acknowledgement.

#### **4. Sponsors**

- a. Each extracurricular activity must have a sponsor who is a member of the district's certificated staff or a selected community member who is qualified by virtue of education, training, experience, or special interest to serve as the sponsor.
- b. The superintendent or his/her designee will assign activity sponsors. Payment to sponsors will be negotiated with the sponsor based on the terms of any applicable collective bargaining agreement, the sponsor's training and experience and any other lawful criteria. Sponsors serve in their capacity as a sponsor at the will of the superintendent, who is specifically empowered to remove an activity sponsor in the superintendent's sole discretion.
- c. Sponsors shall be required to: develop materials, activities, and a budget; promote membership and participation; communicate

with the principal or designee, staff, students, and parents;

Page 2 of 4

schedule meeting dates and locations; plan meaningful experiences; supervise students during activities; evaluate and make recommendations; and submit a year-end report to the principal or designee.

## **5. Fundraising Activities**

All teachers shall earnestly seek to educate students in the services performed by the humanitarian agencies, and shall encourage students to participate in their financial support as a social and community project, but no fund-raising drives are to be conducted by non-school agencies or for non-school activities among the student population. Students may engage in raising funds, under the control of school officials, for certain approved student activities, provided the project has the approval of the principal of the school involved.

Students or student groups desiring to raise money through fund drives in one form or another will present their written requests to the elementary and/or secondary principal for their approval. The approval will be based on the following criteria:

- A. Where the funds will be used. Preference will be given to those activities in which usage of tax money would be doubtful or illegal, such as trips and awards of a personal nature. Any drive which seeks or tends to circumvent a Board decision will be rejected. A definite goal for the expenditure of the funds received must be established and indicated in the request submitted by the staff member.
- B. Quality of the product or suitability of the product sold. Items which are overpriced or of an embarrassing or controversial nature to the school will be rejected. Items which are in direct competition with local businesses shall be avoided where practicable.
- C. The number of fund drives per organization is limited to two (2) per year. One fundraiser shall be for the purpose of raising funds for the student group or organization's expenses. The second fundraiser may be approved by the administration for the purpose of the group or organization raising funds for the purpose of using those funds to make a charitable donation.
- D. Students will not be required to meet a quota to maintain good standing

within the activity or organization as part of any fundraising activity. Students may be encouraged to set goals in respect to fundraising

activities, but should never be required to meet specified goals as a condition of membership or status within the activity.

- E. The Board will not be responsible for any losses incurred. Principals will need to approve locations and subject matter of all posters posted in the drive.
  
- F. Activities and groups will be expected to pay for expenses from activity fund monies generated from fundraisers prior to requesting any additional, unbudgeted money for attendance at state, national, or international conventions, conferences, competitions or for the purpose of purchasing additional equipment, services, or goods. The following scale will be in effect for supporting activity's attendance at such conventions:
  - a. State Conventions: \$100 per activity participant, staff sponsor, or adult sponsor
  - b. National Conventions: \$200 per activity participant, staff sponsor, or adult sponsor
  - c. International Conventions: \$300 per activity participant, staff sponsor, or adult sponsor

***Per diem meal reimbursement and allowance rates:***

Breakfast \$ 8.00

Lunch \$15.00

Dinner \$20.00

Total Allowable Per Diem Rate \$43.00

All fundraising activities shall require authorization by a member of the school district administration and shall be subject to all other school policies. All money raised by these activities shall be governed by Policy 3005.

# ELEMENTARY PRINCIPAL REPORT

FROM MRS. SIMMONS

March 2026

## Updates

### Professional Learning:

- Mrs. Stratman, Mrs. Largent, Mrs. Greving, and Mrs. Simmons attended the For the Love of Data Conference at ESU 10 in Kearney on 2/11. This conference provided the opportunity to attend breakout sessions led by experts from the Nebraska Department of Education, NeMTSS, and ESU 10 focused on using data to improve practices and outcomes for all students.
- IPG Walkthroughs: Following the IPG training on the use of Instructional Practice Guide (IPG) Walkthrough Rubrics, Mrs. Stratman and I worked with ESU 11's Literacy Coach, Jayme Schroder to practice using the rubrics. As part of our work with the CSLD grant, we practiced the use of these rubrics during K-2 Flyer Flight Reading breakout time with the; these walkthroughs are non-evaluative and strictly for practice this year as we prepare to begin collecting instructional data next school year.

### Parent Teacher Conference Attendance:

	Middle School / High School Attendance	Elem. Attendance
Fall	50.4%	50.7%
Winter	87.3%	91.8%

### Read Across America Week

- **Family Literacy Night:** We kicked off the week with Family Literacy Night, where approximately 50 students attended with parents and grandparents. The evening focused on simple ways families can incorporate reading into everyday routines. Each student received a literacy kit provided through ESU 11 and the CSLD Literacy Grant.
- **Guest Readers:** Throughout the week, many classrooms welcomed guest readers, and students participated in fun, literacy-themed morning meeting activities in the gym to start each day.
- **Guest Author – Jefferson Knapp:** The week concluded with a visit from guest author Jefferson Knapp, who shared his journey to becoming a writer and encouraged students to use their imagination in their own storytelling. Each PK-5 student also received a copy of *I Believe in You*, written by

Jefferson Knapp and Tom Osborne. Thank you to Cornerstone Bank and Teammates of Franklin for their generous donation to make sure each student was able to take home a copy of the book.

6th - 12th Principal Report  
Mrs. Christie Stratman  
February 9, 2026

### **Bonus Days Overview (High School & Middle School)**

On February 27th, we held our first **Bonus Day** as an incentive to recognize students who are demonstrating positive academic performance and positive behavior. To qualify, students were required to maintain passing grades with no missing assignments (no 0's), have zero truancies, and consistently follow the **Flyer Way** by being respectful, responsible, and safe. Students who had been referred to the principal's office or documented in EduClimber for behavioral concerns were not eligible.

At the high school level, 59 of 75 students qualified for early release at noon, representing 79% participation. At the middle school level, 39 of 54 students qualified, representing 72% participation.

Middle school staff organized activities for qualified students, including a dodgeball tournament, which concluded with the winning student team competing against the teachers. The event ended with students enjoying popcorn and bottled water to celebrate their efforts.

Students who did not qualify for the incentive participated in structured small-group sessions focused on developing social and behavioral skills to support greater success both in and out of the classroom.

Our goal moving forward is to increase student eligibility and participation, with a target of 80% of both middle school and high school students qualifying for the March Bonus Day.

## Activities

The winter sports season for boys and girls wrestling and boys and girls basketball has concluded.

Audrey Cline represented our girls wrestling team at the state tournament and earned an impressive 5th place finish. The boys wrestling team qualified four athletes for the state tournament: Tate Holmes, Calvin Carraher, Jacob Jackson, and Carter Trambly. After several competitive matches, Calvin Carraher placed 3rd and Carter Trambly finished 6th in their respective weight classes.

Spring sports seasons are now underway, with practices in progress and competitions scheduled to begin soon.

## Attendance/AQuESTT

Franklin Public Schools will soon be updating our messaging system through Apptegy with the addition of a new component called Attendance Pro. Over the next few months, I plan to meet with the Policy Committee and building principals to discuss possible updates to our current attendance policy. Our goal will be to have clear procedures in place and be prepared to communicate attendance expectations and reporting with parents at the start of the next school year.

Currently, chronic absenteeism is an important factor in our school's AQuESTT rating from the state. A student is considered chronically absent if they miss 10% or more of their days in membership during the school year. At Franklin Public Schools, we currently utilize a large number of attendance codes, including both excused and unexcused absences. However, for the purposes of Nebraska Department of Education (NDE) reporting and the AQuESTT ranking system, all absences are counted the same—an absence is an absence.

Additionally, Nebraska state law mandates that students should have no more than 20 absences in a school year. As educators, we know that learning is most effective when students are present and engaged in the classroom, and consistent attendance is essential to maximizing instructional time.

The new Attendance Pro system will help streamline communication with families by allowing parents to:

- Respond to absence notifications directly through text
- Upload doctor's notes directly into the system
- Receive automatic updates regarding their student's attendance

Jan has created an informational document that will be sent home with students this spring as we begin rolling out the program. More information will be shared as the Policy Committee reviews potential updates to our attendance policy.

Below is a link to AQuESTT resources, which provide additional information on how school rankings are calculated.

### Teacher Evaluation Tool

I have mentioned briefly in the past about changing our teacher evaluation tool. The administrative team is looking at a tool NEE Network for Educator Effectiveness. Several Nebraska districts have moved to this tool and was suggested by NDE following our Rule 10 visit. We will be exploring this further in the next few weeks. All evaluation tools will have to be sent to NDE for approval. More to come on this.

### Maintenance Report from Steve

Rasmussen has started work on replacing the 2 furnace units along with adding the AC to the locker rooms. This project should be completed by the end of the week.

Quotes for the lighting options for the alt gym project from Voss and several others will give us several options. Steve is hoping to have those soon so a decision can be made and move forward with the lighting update.
