2.4.4. if Licensor in its sole discretion, believes that it may be exposed to civil or criminal liability through Licensee's or End User's use of the Software Service; or

2.4.5. if Licensee becomes subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

In the event that the Software Service is suspended due to any condition stated above, Licensor will maintain the suspension until such time that all delinquent amounts are paid in full, Licensee's or End User's breach is cured, or the Software Service is otherwise terminated. Licensee will remain liable for payment of the Software Service Fees throughout the duration of the suspension of services. Licensee's or End User's Data will not be deleted as a result of the suspension of services. However, in the event Licensor exercises its right to terminate this Agreement, Licensee's or End User's Data may be deleted 60 days following written notice of said termination.

2.5. Taxes and Other Charges. Licensee will be responsible for the amount of any and all sales, use, ad valorem, personal property, excise, other taxes or governmental charges associated with this Agreement (excluding taxes in respect of Licensor's income) and/or any other taxes due for Licensee's use or receipt of the Software Service or support, consulting and training services provided by Licensor. Such amounts, and any other charges which Licensee has agreed to pay and are not otherwise specifically provided for herein shall be due to the appropriate governmental authority upon payment or receipt of

Licensor's invoice. Licensee agrees that should any tax liability on the Software Service or other items included under this Agreement be established by any taxing unit, the Licensee agrees to pay such taxes arising out of this Agreement.

2.6. Late Payments. All amounts to be paid by Licensee hereunder shall be due and payable within the times prescribed. All payments not made by Licensee when due shall be subject to late charges of the lesser of (i) one and a half percent (1.5%) per month of the overdue amount or (ii) the maximum amount permitted under applicable law. In addition, Licensee shall pay all of Licensor's reasonable costs and attorneys' fees in any legal action to collect overdue amounts and/or enforce Licensor's rights under this Agreement.

3. TERM AND TERMINATION.

3.1. Term. The Term of this Agreement will be determined based upon the Start Date and will remain in effect throughout the Subscription Term (or the Trial Term, if applicable), unless earlier terminated as provided herein. Upon completion of the initial Subscription Term, this Agreement will automatically renew for successive 1 year terms (each a "**Renewal Term**") at the monthly Software Service Fee then in effect unless Licensee provides written notice of termination at least sixty (60) days in advance of the end of the then existing Subscription Term or Renewal Term.

3.2. Termination.

3.2.1. Termination with Cause. Either party may terminate this Agreement for cause: (i) Upon 30 days written notice of a material breach to the other party if such breach remains uncured at the expiration of such period; or (ii) if the other party becomes subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation, or assignment for the benefit of creditors. A "material breach" by Licensee includes, without limitation, a violation by Licensee of any term of this Agreement.

3.2.2. Early Termination. In the event Licensee terminates this agreement without cause prior to the completion of the Subscription Term or any Renewal Term, Licensee must immediately pay Pro-Vision all unpaid invoices and interest and an amount up to 100% the Software Services Fees in effect multiplied times the number of months remaining in the Subscription Term immediately prior to such termination.

3.3. Effect of Termination. Termination of this Agreement or any Software Service license will not limit either party from pursuing other remedies available to it, including injunctive relief, nor will such termination relieve Licensee of its obligation to pay all fees and charges that have accrued or are otherwise owed by Licensee under this Agreement. Termination of this Agreement will terminate any Support Services and will immediately terminate Licensee's right to access Licensee's Data other than for purposes of download per Section 3.5 below.

3.4. Outstanding Fees. Termination shall not relieve Licensee of the obligation to pay any fees accrued or payable to Licensors prior to the effective date of termination.

3.5. Return of Licensee Data. Except as otherwise provided in this Agreement, after termination of the Agreement by either party, and provided Licensee has paid all amounts due under this Agreement, then upon request by Licensee and payment of the then-applicable Transfer Fee (which may be found at www.provisionusa.com), Licensors will make available to Licensee a function that allows the Licensee to download Licensee's Data for a period of ninety (90) days following termination. Otherwise, after sixty (60) days following termination, Licensors shall have no obligation to maintain or provide access to any Licensee's Data and may thereafter, unless prohibited by law, delete all of Licensee's Data in Licensors's possession or under its control.

4. TRAINING SERVICES. Licensors will provide reasonable training in the use of the Software Service for the Training Fees in effect at the time of Licensee's request for such training services. Each party will be solely responsible for any expenses incurred by its personnel in connection with such training, except that Licensee will reimburse Licensors for any travel and other reasonable expenses incurred by Licensors's personnel in providing training at Licensee's site. All training will be scheduled at a mutually agreeable time, subject to the availability of Licensors's personnel and resources.

5. CONFIDENTIAL INFORMATION AND OPERATIONAL DATA

5.1. Definitions. A Party disclosing Confidential Information to another Party is the "**Disclosing Party**;" a Party receiving such information is the "**Receiving Party**." "**Confidential Information**" means: (a) the Software Service, Work Product, and other related technical information disclosed by Licensors to Licensee; (b) Licensee's Data; (c) any non-public business or technical information of Licensors or Licensee, including but not limited to any information relating to Licensors's or Licensee's product plans, designs, costs, product prices and names, finances, marketing plans, business opportunities, personnel, research, methods, development plans, or know-how, that is designated by the Disclosing Party as "confidential" or "proprietary" at the time of disclosure to the Receiving Party, and, if orally disclosed, is reduced to writing by the Disclosing Party within thirty (30) days of such disclosure; or that ought reasonably be understood to be confidential by virtue of its nature or the circumstances of its disclosure and (c) terms of this Agreement (including, without limitation, the amount of fees or other charges specified under this Agreement).

5.2. Obligations. Disclosing Party will not use the Receiving Party's Confidential Information and will not disclose such Confidential Information to any third party except to employees, consultants, and professional advisors who need to access the Confidential Information in connection with a Party's exercise of its rights and performance of its obligations under this Agreement, provided that such disclosure to employees, consultants, or professional advisors is subject to binding use and disclosure restrictions at least as protective as those set forth in this Agreement. Party party will take all reasonable measures to maintain the confidentiality of all such Confidential Information in its possession or control, which will

in no event, be less than the measures it uses to maintain the confidentiality of its own information of equal importance. Each Party shall promptly notify the other party of any suspected or actual unauthorized disclosure of the other party's Confidential Information.

5.3. Compelled Disclosure. In the event that the Receiving Party receives a request or is required (by deposition, interrogatory, request for documents, subpoena, civil investigative demand, or similar process) to disclose all or any part of the Confidential Information, the Receiving Party agrees, if legally permissible, to (a) promptly notify the Disclosing Party of the existence, terms, and circumstances surrounding such request or requirement; (b) consult with the Disclosing Party on the advisability of taking legally available steps to resist or narrow such request or requirement; and (c) assist the Disclosing Party in seeking a protective order or other appropriate remedy; provided, however, that the Receiving Party shall not be required to take any action in violation of any applicable law, rule, or regulation. In the event disclosure of Confidential Information is necessary, Receiving Party shall only disclose the minimal amount of Confidential Information necessary to satisfy the applicable request and shall exercise reasonable efforts to obtain reliable assurance that confidential treatment will be accorded any Confidential Information it discloses. Any Confidential Information disclosed pursuant to this Section 7.3 shall remain otherwise subject to the confidentiality and non-use provisions set forth in this Agreement.

5.4. Exclusions. Confidential Information will not include information that (a) is in or enters the public domain through no fault or breach of this Agreement by the Receiving Party; (b) is known to the Receiving Party at the time of disclosure without an obligation of confidentiality; or (c) the Receiving Party rightfully receives from a third party without restriction on use or disclosure. It will be presumed that any Confidential Information in a Party's possession is not within exceptions (b) or (c) above, and the burden will be upon the Party asserting the exception to prove otherwise by records and documentation.

5.5. Ownership of Confidential Information. A Party receiving Confidential Information agrees not to assert any claim of title or ownership to the Confidential Information or any portion thereof. If Confidential Information consists of computer software disclosed in object code form, the Party receiving it shall not, and shall not permit any other party to, reverse engineer, decompile, or disassemble such object code, or take any other steps to derive a source code equivalent thereof.

5.6. Non-Exclusive Equitable Remedy. The Parties agree that it would be difficult to establish a specific value of the damages of a breach of this Agreement. Therefore, without necessity of proving damages or irreparable harm, a Disclosing Party shall be entitled to obtain, and the Receiving Party agrees not to oppose a request for, equitable relief in the form of specific performance, temporary restraining order, temporary and permanent injunction, or any other equitable remedy which may be available. Said relief shall include, but not be limited to, immediate payment to Disclosing Party by a party found to be in violation of this Section 5.6 of all revenue derived from any breach of this Section 5.6. Nothing herein shall be construed as prohibiting a Disclosing Party from pursuing any

other remedies that may be available for such breach or threatened breach, including an action for damages.

6. SUPPORT SERVICES.

6.1. Licensor will provide Support Services for Software Service, which consist of the following:

6.1.1. Enhancements and Updates. Licensor will implement any updates, corrections, and enhancements to the Software Service that Licensor provides to its current customers generally without an additional charge. If Licensor provides any update, correction or enhancement as a new Software Service for which it charges an additional fee, it will make such Software Service available to Licensee on the same terms as it offers other current customers for the Software Service.

6.1.2. Online/Telephone Support. Licensor will provide reasonable online, telephone, or email support to assist Licensee in the identification, verification and resolution of problems associated with the Software Service in exchange for payment of Licensor's Support Service Fees that are then in effect. Such support will be provided during Licensor's normal business hours, excluding Licensor's regularly scheduled holidays.

6.1.3. Program Corrections. If the Software Service does not perform substantially as described in the Documentation when used in the manner specified in the Documentation and if Licensee notifies Licensor of the issue through Licensor's online, telephone, or email support service, Licensor will use its commercially reasonable efforts to resolve the issue. If the issue is not cured within 90 days of Licensor's receipt of notice, Licensee may exercise the right to terminate the agreement without penalty.

6.1.4. Conditions to Support Services. Licensee acknowledges that Licensor may provide the Support Services specified in this Section 6 for Licensor's then prevailing Support Service Fees. If Licensee requests Support Services, Licensee will: (a) perform such procedures as may be described in the Documentation for the identification and resolution of problems; and (b) provide Licensor with sufficient information and assistance to enable Licensor to replicate problems reported by Licensee, to determine whether the problem results from an error or other issue in the Software Service, and to confirm that the problem has been corrected. Licensee shall be solely responsible for all costs and fees associated with maintaining and updating hardware and software provided by other vendors. All Support Services are contingent on Licensee's payment of applicable Software Service Fees and Licensor's then prevailing Support Service Fees.

6.1.5. Notwithstanding the foregoing, Licensor shall have no obligations for Software Service issues caused by Licensee's negligence, abuse, or misapplication, Licensee's use of Software Service other than as specified in the Documentation, Licensee's violation of any term of this Agreement or the EULA, or by other factors beyond the control of Licensor.

6.1.6. Licensee will reimburse Licensor for (i) travel and living expenses associated with on-site training and Support Services, and (ii) any special or unusual expenses incurred at Licensee's specific request. Payment for all expenses to be reimbursed by Licensee under this Agreement will become due twenty (20) days after Licensee's receipt of Licensor's itemized invoice, which Licensor will prepare monthly, at Licensor's option. Licensee should contact its sales representative for details regarding any on-site support.

6.1.7. In addition to the support and services described above, at Licensee's request and upon Licensor's written agreement, Licensor may also perform additional Support Services for Licensee to correct difficulties or defects caused by Licensee's errors, interactions with other software of Licensee, or any authorized changes or customizations made to the Software Service. Such additional Support Services may be provided in exchange for the Support Service Fees at Licensor's then applicable rates.

7. USAGE STATISTICS. To enable Licensor to provide and improve its Software Service, Licensee hereby agrees to allow Licensor to acquire and use Licensee's usage statistics including cloud storage space used, frequency of uploads, amount of data downloaded, amount of storage consumed by any of Licensee's Data, number of active users and/or Devices, and any other information needed to enforce this Agreement, conduct any troubleshooting requested by Licensee, and to analyze and diagnose any systems on which the Software Service software resides.

8. MISCELLANEOUS

8.1. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be unenforceable and/or contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this Agreement will remain in full force and effect.

8.2. Modification and Waiver. This Agreement and the EULA set forth the entire agreement and understanding of the Parties, and any and all prior agreements, representations, or promises concerning the subject matter of this Agreement are superseded by and/or merged into this Agreement. The Parties agree they have not relied on any verbal statements that are not included in this Agreement. Any modifications to this Agreement must be in writing, must reference this Agreement, and must be contained in a written instrument signed by each Party to this Agreement.

8.3. Assignment. This Agreement may be assigned by either Party only with the express written consent of the other Party. In the event that Licensee assigns the Agreement, Licensee may not retain any copy of the Software Service or Documentation following such assignment.

- 8.4. Failure or Delay in Performance.** Neither Party will be liable for or be deemed in default under this Agreement, or any other agreement between the Parties, as a result of any failure or delay in the performance of any obligation owed Licensee if such delay or failure results from any cause beyond Licensor's reasonable control.
- 8.5. Notices.** All notices required or permitted under this Agreement will be in writing and delivered by confirmed facsimile transmission, by courier, overnight delivery service, certified mail, or by email and in each instance will be deemed given upon receipt. All communications will be sent to the addresses set forth above or to such other address as may be specified by either party to the other in accordance with this Section. Either party may change its address for notices to the other party by the means specified in this Section.
- 8.6. Applicable Law; Limitation of Actions.** This Agreement will be construed, interpreted, governed and enforced by and in accordance with the laws of Michigan, and the laws of the United States of America, without regard to conflicts of laws principles. No action, regardless of form, arising out of any of the transactions under this Agreement may be brought by Licensee more than one (1) year after such action accrued. Any dispute regarding this Agreement or arising out of any of the transactions under this Agreement shall be determined in the federal courts of the United States within the jurisdiction of the United States District Court for the Western District of Michigan, or the courts of the State of Michigan sitting in Kent County, Michigan, and the parties hereby stipulate and agree to jurisdiction and venue in such courts. Each Party hereby further irrevocably waives any claim that any such court lacks jurisdiction over it, and agrees not to plead or claim such a lack of jurisdiction, or that such court is an inconvenient forum.
- 8.7.** At its own expense, Licensor may perform an audit of Licensee's usage of the Software Service to confirm use of the software in accordance with the terms of this Agreement. The audit may be conducted once every calendar year unless Licensor has reason to believe Licensee is utilizing the Software Service in an unauthorized manner.
- 8.8. Force Majeure.** Neither party will be liable for any failure or delay in performance under this Agreement which is due to any event beyond the reasonable control of such party, including without limitation, fire, explosion, unavailability of utilities or raw materials, unavailability of components, labor difficulties, war, riot, act of God, export control regulation, laws, judgments, or government instructions.
- 8.9. Relationship of the Parties.** It is expressly understood and agreed that the Parties are contractors independent of each other, that no Party has the authority to bind any other Party, or incur any obligations on behalf of any other Party, and that nothing in this Agreement or otherwise is intended to cause any Party to be deemed an agent, representative, joint venture, partner, employee, or servant of any other Party for any purpose whatsoever, absent an agreement other than this Agreement, defining such a relationship between the Parties.

CONSUMER DISCLOSURE

From time to time, PRO-VISION, Inc (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree"™ button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent"™ form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.

Memorandum of Understanding

Between Newcastle Public School District
and
Newcastle Association of Classroom Teachers

November 7, 2024

This is a Memorandum of Understanding between Newcastle Public School District and Newcastle Association of Classroom Teachers regarding a change in the negotiated agreement concerning the

ITEM #1:

Article 36: Teacher's Work Year

B. Any teacher required to attend professional development outside of the teacher's work year shall be compensated at the rate of \$60.00 per full day (6 hours) and \$40.00 per half day (3 hours).

The district would like to pay the teachers \$100.00, per day plus their teacher retirement, for six hours of professional development. The half day would remain at \$40.00 per day plus teacher retirement compensation.

ITEM #2

Article 53: Sick Leave

- A. A teacher may be absent from his/her duty due to personal accidental injury, illness or pregnancy, adoption, or accidental injury or illness in the immediate family without the loss of salary, and the right to such leave shall vest at the beginning of each school year. The teacher will receive 72.5 hours of sick leave each school year. (10days)

In order to align the number of hours of sick leave with the hours currently worked, the district would like to change the 72.5 hours to 70.8 hours to reflect the actual amount of hours earned.

ITEM #3

Article 53: Sick Leave

Currently the district does not have a sick leave statement.

The district would like to add the following maternity leave language to go into effect this year:

Full-time employees of the district who have been employed by the district for at least one year and have worked at least 1,250 hours during the preceding 12-month period shall be entitled to

six (6) weeks of paid maternity leave following the birth of the employee's child. The six (6) weeks of paid maternity leave shall be used immediately following the birth of the employee's child. The six (6) weeks of maternity leave shall be in addition to and not in place of sick leave due to pregnancy pursuant to 70 O.S. § 6-104. A district employee taking maternity leave pursuant to the new law shall not be deprived of any compensation or other benefits to which the employee is otherwise entitled. Provided maternity leave must be used prior to any shared sick leave available under the district's program.

Teachers who were on maternity leave last year will also receive this benefit with the return of six weeks of sick leave.

Please note, a memorandum of understanding is not a contract.
