6. CALL TO THE PUBLIC

Parent Tonya Ogle, Grandparent Anna Ogle, and two Veterinary students spoke to the Board regarding the decision that CAVIT would not participate in HOSA national competition in June, 2026. The four participants advocated for improved timely communication if such a decision is made going forward.

7. SUPERINTENDENT'S REPORT

7.A. School Programming Update

Mr. Glover reported that 343 students participated in ADE's CTE end-of-program assessment testing that saw a 92% overall pass rate for all testers. A report on the welding program revealed 17 second year students had secured employment. The welding program secured approval as a nc3 leadership school allowing teachers access to quality curriculum and students access to industry certification testing in multiple areas led by Lincoln Electric's collaboration with the nc3 organization. CAVIT sought out a partnership with Stinger Welding in Coolidge that has reaped benefits for students seeking employment. A draft of the strategic plan survey was reviewed by the Board. The strategic plan survey will be sent out to students, staff, parents, and community members for input. The data will be reviewed and a proposed FY27-31 strategic plan will be placed on the June 2026 agenda for consideration.

The Esports program will not be offered next year due to low student interest. These students will be given the opportunity to enroll into another program if interested.
