RE: Board Report (May 2024)

Regular May Board Meeting Reminder

Our regular May meeting is scheduled for Monday, May 13, 2024, at 8 PM in the Conference Room.
Note the change in start time.

Please let Gary or I know if you need to be absent from the meeting.

Committee Meeting Reminders

No committee meetings are scheduled at this time.

Consent Agenda: Minutes

Approval of the consent agenda will include approval of the minutes from the following meetings:

- Regular Meeting (April 8, 2024)
- Special Meeting (April 15, 2024)
- Special Meeting (April 29, 2024)

Consent Agenda: Claims

Approval of the month's claims are included in the consent agenda. Let me know if you have any questions on any claims prior to the meeting – I can either answer your question or bring an answer to the meeting.

Consent Agenda: Out Of State Travel

Approval of this month's consent agenda will include the approval of overnight and out-of-state travel for the FBLA students participating in the national conference in Orlando, FL. The group will leave on June 27th and return on July 3rd. There are 9 students attending.

EMPOWERING EXCELLENCE - Every Student, Every Day

Election: May 14th

Election Day is May 14th – it is a statewide primary election. On the ballot is our proposed bond initiative. Unofficial results should be available either late Tuesday or early Wednesday.

I appreciate the work that the Board has put into the process of communicating with patrons and informing the public of the proposed facilities project and the related bond election. I also appreciate the engagement of our many community members in learning about and understanding the needs and the plans at the heart of the issue.

Special Meeting: Monday, May 20, 2024

We currently have a special meeting scheduled for Monday, May 20th at 8 PM to follow up on the results of the election on May 14th.

Last Day Of School: Friday, May 17th (11:30 dismissal)

The final day of school for the 23-24 school year is this coming Friday, May 17th. There will be an early dismissal that final day at 11:30 AM.

It's been a busy and productive year. Our students and our staff have worked their tails off this year, and there are a lot of positives and successes to show for it. I'm proud of our students and our staff, and I'm appreciative of the partnerships that we have with parents and community members. I want to extend both congratulations and thanks to all of the members of our Heartland community – it's been an outstanding year.

Legislative Items: Special Session

It has been indicated by the governor that he intends to call one or more special sessions of the legislature in the interim period. The subject of at least one special session would be related to legislation related to property tax relief efforts. At this time, our best indication is that this special session will occur sometime around July-August.

Right now, I do not foresee any changes being proposed in a special session that would directly impact schools, however, no assumptions should be made either way. It is being suggested that any changes affecting schools in the special session would not go into effect until next year – due to the late timing in relationship to the budget process of schools and other subdivisions. However, no assumptions should be made either way.

Legislative Items: Policy

A number of policy revisions have been made necessary due to the various bills that were passed in this year's legislative session. We will discuss various policy recommendations beginning next month in June.

Heartland High School Robotics Team

At the conclusion of my report, members of our high school robotics team will share information with the Board about their successful year and their experience at the US Open competition in March.
