6. Superintendent's comments

Jr. High Building Project

- Elements addressed in the design include building new classrooms and office spaces for grades 6-8, including all industrial arts classes and new or remodeled visual and performing arts classes. This will impact significant portions of the high school since Jr. High and Sr. High students share those classroom spaces. A new auditorium, and a new lunch room and commons area connecting the current high school and the new Jr. high building, which is necessary, since the current lunch room will be lost when the current Jr. High building is torn down. These changes will greatly enhance the academic environment and will also provide heightened security for students and staff at both the Jr. and Sr High buildings.
- The only existing portions of the current Jr. High that will be incorporated into the new building are the gymnasium and the section of the building housing the office space. The rest of the building will be demolished to make way for new construction or additional parking space.

7.

Career Fairs

- Building and district level administrators will be partaking in teacher recruitment fairs during the first semester. While this practice is not completely new to us, the number of fairs we will be attending has greatly increased as more and more colleges offer fall career fairs. Traditionally, the college career fairs were held in the spring, but this has dramatically changed over the past several years as competition for certified teachers has become more and more competitive.

8.

Safety Drills

- The District has completed their safety drills for the start of the school year. There are a number of drills that we have the students go through at different times of the year, and the start of our fall semester is the time when we have the students practice a large number of them.

9.

Instructional Materials Adoption Cycle

- The District will be purchasing instructional materials for English language arts grades 6-12 and Science grades 9-12. The process of selecting the materials takes several months, so we will likely be making the purchase sometime during the spring semester.

6. Superintendent's comments:

Staff Training

- On Thursday, McCooks teaching staff attended an in-service conducted by Ken Williams. The focus of the staff training was focusing instruction on critically important learning objectives and holding high expectations for all students to reach those learning objectives. The training made explained how to apply high quality instructional strategies to help all students achieve academic success.

Staff Return

- McCook's instructional staff have returned to the buildings. The official first day for all instructional staff was Friday. A variety of meetings and sessions are held during these teacher-in-service days: school improvement, activity sponsor, teacher evaluation, staff handbook, special education services, safety, and others.

Students Return - Start of First Semester

- Students across the district will return to school on either Tuesday (K-6, & 9) or Wednesday (7-8, & 10-12) of this week. Both Tuesday and Wednesday are 2:00 dismissal days.

Fall Activities

- All fall activities have started up at the high school. Students have been back on campus training and practicing their skills for over a week getting ready for the Fall activities season.

8. Board member comments

Mr. Bredvick reminded everyone of the upcoming NASB regional meetings in North Platte on Aug. 29th.

Mrs. Thomas reminded the facility committee we are meeting with W design on Thursday, August 17th @ 7:00 am.

Mr. Hays reminded the group of the state NASB conference Nov 15-17.

9. New Business

9.1. Approve an increase to the school district's property tax request authority by an additional six percent, or other maximum amount as permitted by law, above the base growth percentage.

**If approved, this action item increases the district's tax request authority only. This action item does not increase the tax request from property owners.*

Move to Approve an increase to the school district's property tax request authority by an

additional six percent, or other maximum amount as permitted by law, above the base growth percentage. Passed with a motion by Brad Hays and a second by Tom Bredvick.

Scott Barger: Yea, Tom Bredvick: Yea, Brad Hays: Yea, Mike Langan: Yea, Charlie

McPherson: Yea, Teresa Thomas: Yea

Yea: 6, Nay: 0

9.2. Approve policy 7070 concerning new construction and improvements to existing buildings using the construction manager at risk method.

**This step is being taken at this time to aid in the planning, designing, and cost estimates, among other services associated with a potential junior high building bond issue. Move to Approve policy 7070 concerning new construction and improvements to existing buildings using the construction manager at risk method. Passed with a motion by Mike Langan and a second by Scott Barger.*

Scott Barger: Yea, Tom Bredvick: Yea, Brad Hays: Yea, Mike Langan: Yea, Charlie

McPherson: Yea, Teresa Thomas: Yea

Yea: 6, Nay: 0

This policy specifically addresses the construction manager at risk method, and the process and direction to prepare the request for proposals is to be conducted.

This policy is limited to the selection of a construction manager that will work with the District and the engineers and architects.

This policy does not give approval to move forward with a bond election. Further action by the board would be necessary to put a bond issue before the public.

9.3. Approve Student Discipline Policy Move to Approve Student Discipline Policy. Passed with a motion by Teresa Thomas and a second by Mike Langan.

Scott Barger: Yea, Tom Bredvick: Yea, Brad Hays: Yea, Mike Langan: Yea, Charlie

McPherson: Yea, Teresa Thomas: Yea

Yea: 6, Nay: 0

This policy has been reviewed and will replace existing policy File 504.03.

9.4. Approve option enrollment resolution. Move to Approve option enrollment resolution.

Passed with a motion by Brad Hays and a second by Charlie McPherson.

Scott Barger: Yea, Tom Bredvick: Yea, Brad Hays: Yea, Mike Langan: Yea, Charlie

McPherson: Yea, Teresa Thomas: Yea

Yea: 6, Nay: 0

10. Positive Comments

Teresa Thomas wished everyone a great school year. Encouraged everyone to take advantage of open houses and walk to school nights.

Charlie McPherson wished everyone good luck and thanked everyone for all their work in getting everything ready for the new school year.

Mike Langan appreciated the new student discipline policy. And the walk to school nights.

Scott Barger appreciates the freshman orientation night, and was very impressed by Mr. Bednar work with Ken Williams.

Tom Bredvick is excited that everyone is excited about the school year. And for all the work, overcoming the challenges presented to staff for all the changes from the state legislature.

Brad Hays commented on meeting and getting to know our new teachers from foreign

countries. He is very impressed with them and wishes them the best.

Mr. Gross commented on the great experience at NDE/NCSA administrator days this year.

Mr. Norgaard thanked Mrs. Gohl and Mrs. Sharpe for attending NDE/NSCA administrator days.

11. Adjournment

The meeting adjourned at 8:19 pm.

McCook School Board Report
September 11, 2023
Special Education Dept., John Hanson, Director

- 1) At the beginning of the new school year, Special Education Teachers are busy sharing information with regular classroom teachers regarding what accommodations students with disabilities/IEPs need to be successful in their regular classroom per their IEPs. It is a Rule 51 requirement that the classroom teachers sign a document (we call it a “staff assurance form”) saying that they’ve at least been provided a copy of the student that’s in their classroom with an IEP accommodation page.
- 2) I will be attending the annual NASES (state Special Education Director’s professional organization) Fall Conference in Lincoln Sept. 14-15, focusing on behavior strategies.
- 3) I will be conducting training on confidentiality and other important special education issues to all of the district’s 44 paraeducators...ME/Central paras will be Wednesday, Sept. 27th at 2:15 at the McCook Elementary library and the JH/HS paras will be Wednesday, Oct. 4th at 2:15 at the HS library. Annual paraeducator training is a Rule 10 requirement. Rule 10 does not specify who needs to provide the training, how long it needs to be, or what the topic should cover.
- 4) NDE Indicator 11 data has been submitted before the August 31st deadline...related to how many initial special education evaluations were conducted during the 2022-23 school year. FYI-52 initial evaluations were completed between early childhood ages 3-5, school age resource and school age speech only. Of those 52, 40 qualified and 12 did not.
- 5) Mr. Borland and I attended the MCC Job Fair held on campus just north of the Von Riesen Library outside on Wednesday, August 30th from 10-12. We talked to a lot of students and a couple community members. One person did fill out an application, and we handed out a couple more. We went there with the intention/hope of attracting paraprofessional candidates. We still have two openings, one at ME and one at the JH.
- 6) MPS has an active Autism Team that serves two purposes: 1) helping teachers come up with appropriate student schedules/programming based on their own unique, individualized needs, and 2) evaluation of current students to either change their verification to Autism or provide an initial verification into Special Education services of Autism. The team meets monthly at McCook Elementary and it has about 7 professionals representing regular education, special education and administration. MPS currently has 18 students verified educationally with ASD.
- 7) Thank you to the following businesses for allowing some of Mrs. Lynne Kinne’s students to come there and get unpaid (for school credit only) job experience as part of their transition to adulthood IEP program:

- a) McCook Elementary library
- b) Bee Little Daycare
- c) Gary's Superfoods

Central Elementary

- Our year is off to a great start! 4th graders have done a nice job adjusting to new expectations and now starting 4th grade content.
- Mr. Umscheid is doing a great job in his 20th year teaching and 1st in PE. Our kids have been working hard with various circuits and learning how to play various games. Currently, they are doing Frisbee golf. Kids have really gravitated to "UmscheidVille"... aka the gym.
- We have around 9 new kids from outside the district. They are adjusting well!
- We are beginning to look ahead to our Fall Festival on October 13. Lots of planning involved but is always worth it in the end.
- I'm attending UNK Career Fair to see if we can get more student teachers and see if we can fill any anticipated openings.
- Hillcrest donated a Vending Machine to Central so we can create a book vending machine. I'm contacting ACME to help make it look awesome and begin to use it in the 2nd semester. It was way heavier than expected.

Curriculum

- We will be sending about 10 teachers to Cheyenne, WY for a PLC Institute along with Mr. Lyons.
- I'm setting up Curriculum Days for core teachers for 1st Semester. They will get a sub and be able to work collaboratively for the day, typically, on a Wednesday.
- Vertical PLC's are:
 - September 20
 - October 18
 - February 7
- 6-12 ELA Textbook Adoption 23-24
 - 9-12 SCIENCE

Junior High Board Report

We have had an increase in the number of vape related suspensions to start the school year. We are looking into some vape and drug related assemblies for our students.

Our international teachers are here and settled, we will continue the process to support them. Taylor Rhoades and Julie Cuelar have been very helpful in supporting our new teachers.

Homecoming is this week. It will be busy, but hopefully we can provide a fun and memorable week for all of our students.
