1. Consider, discuss, and take action to approve second reading of the second installment of new and amended board policies.

Attached are the new and amended policy recommendations for 2019-20. Also attached are "redline" policies that outline current policy changes.

Policy Update Subscribers,

I have cleaned up and simplified Policy 104.00, using more of the direct instructions from Rule 10.009 regarding the School Improvement Plan required of districts every 5 years. This should not be confused with the district annual report issued annually as covered in policy 1002.00. Many districts have optionally attached their mission and vision statements, and sometimes even their educational goals, to this policy directly or as an administrative regulation for it.

LB 148 recently changed statute 84-1411 regarding the provision of public notice for board meetings. All meeting notices after late July must be published in the local paper of record. Policies 204.07 and 204.11 have been revised

accordingly. Policy 204.02 regarding emergency meetings has been slightly revised for clarity.

The recent Supreme Court ruling regarding the firing of long-term employees for being homosexual or transgender in *Altitude Express Inc. v. Zarda*, *Bostock v. Clayton County*, and *R.G. & G.R. Harris Funeral Homes v. EEOC* has resulted in changes to our major policies dealing with anti-discrimination and protected categories in employment and education. Policies 103.00, 402.01, 404.06, 501.00 and 504.18 all reflect these changes. However, nothing is as constant as change and if the Feds do not postpone the implementation of new Title IX regs, policies 404.06 and 504.18 will both see enormous changes and expansions next month.

The discussion of educational equity in all aspects of our schools has become much more frequent the last couple of years. I have enclosed a new Policy 501.01 Educational Equity as an optional policy for districts wishing for such a policy. A couple of districts had already requested this and have it in place, but in the future there will be more demand for having many of these board expectations as a part of your policy manual.

Have an enjoyable but busy remainder of the summer. Busier times will be here soon!

V.B. Board Policy, Handbooks, and Support Programs Information Item

Virginia Semerad, Rich Brabec, Nina Lanuza

This committee is responsible for annual review of board policies, handbooks, and crisis/safety plans. This committee is also responsible for the support and development of support programs(nursing, food service) in the district.

V.B.1. Consider, discuss, and take action to approve second reading of first installment of new and amended board policies.

Action Item

This update includes three new policies and four revisions of existing policy. Actions described on NDE's Launch Nebraska webpage are recommendations or suggestions, not mandates. Thus, Policy 105.00 Return to School Committee is optional, and if adopted, the word "required" in paragraph one should be replaced with the word "recommended."

New Policies:

Policy 105.00 Return to School Committee meets a requirement described on NDE's new Launch Nebraska webpage at <https://www.launchne.com/>. This committee has been mandated to help districts cope with the very broad range of decisions and actions that will need to be taken in the near future to deal with Covid-19 and any other related emergencies. However, actions described on NDE's Launch Nebraska webpage are now listed as recommendations or suggestions, not mandates. Thus, Policy 105.00 Return to School Committee is optional, and if adopted, the word "required" in paragraph one will be replaced with the word "recommended."

Policy 205.08 Board Policy and Temporary Waivers is added to formalize the fact that for the immediate future there may be several temporary waivers of existing NDE Rules and Regulations to deal with the Covid-19 disruptions.

Policy 607.10 Classroom Environment is added to handle a fairly new concern created by the manufacture and marketing of essential oils which some students and staff may be highly allergic to and which would disrupt the educational environment. It wouldn't be surprising to see more products or items of classroom disruption, as yet unimagined, added to this language in the future.

Revised Policies:

Three policies have been revised to deal with disruptions caused by the presence of personal security products in the schools such as mace and tasers. Not surprisingly, these can be misused or purposely taken from the possession of students or staff and used to disrupt school or injure others.

Policy 504.11 Weapons,

Policy 504.16 Searches and Seizures, and

Policy 801.04 Bus Safety Program are being revised to include the prohibition of these devices without specific permission of the building principal and storage during school hours in a secure location.

Policy 508.15 Concussion Awareness is being revised due to occasional hesitation on the part of students, parents or guardians to be forthcoming about a student's concussion. It places a higher expectation on parents and guardians to notify the school of such injuries and flatly requires the student to make such notification, which implies appropriate punishment to students for lack of doing so. I have also included for your use or reminder three useful tools created by NDE for concussion monitoring and treatment:

1. Post-Concussion Symptom Checklist,
2. Return to Academics Progression, and
3. Return-to-Learn Protocol.

I'm also attaching a copy of

Policy 502.02 Nonresident Students with the sixth paragraph underlined simply for your review. This is NOT a revised policy, but NDE is taking a closer look at the criteria districts have put in place for making decisions to accept or reject option enrollments. If you have such criteria in place, please review them, and re-adopt them if they will be kept.

More things are coming later this summer with new Title IX regulations for sexual harassment having been greatly revised, more changes probably coming from NDE due to Covid-19 for the upcoming year, and a special session of the Legislature still to be held.

Motion to approve final reading of the first installment of new and amended policies.

V.B.3. Consider, discuss, and take action to approve all actions, votes, motions, decisions, notices, minutes, and all other matters addressed, approved, or otherwise acted upon by the board of education during the the months of March, April, May, and June 2020.

Action Item

Ratification and Affirmation of Previous E-Meetings. On March 17, 2020, Governor Ricketts issued Executive Order 20-03, which allowed public boards (including school boards) to meet virtually. On May 19, 2020, Governor Ricketts issued Executive Order 20-24, which extended Executive Order 20-03 through June 30th. Governor Ricketts has indicated that he will not issue another extension. As a result, effective July 1, school boards will need to meet in- person. Since Executive Order 20-03 was issued, some have questioned whether the Governor had the authority to unilaterally waive certain parts of the Open Meetings Act. To resolve this question proactively, and avoid any potential legal argument in the future, we recommend that any board that met virtually or remotely at any point between March 17th and June 30th pass the following motion:

"Move to ratify, affirm and approve all actions, votes, motions, decisions, notices, minutes and all other matters addressed, approved or otherwise acted upon by this Board of Education at all meetings that occurred during the months of March, April, May and June as if set forth fully and incorporated herein entirely by this reference."

Motion to ratify, affirm and approve all actions, votes, motions, decisions, notices, minutes, and all other matters addressed, approved, or otherwise acted upon by the board of education during the the months of March, April, May, and June 2020. V.C.1. Consider, discuss, and take action to set the price for the morning and afternoon bus service to Lonnie's Trailer Court.

Action Item

Due to the COVID-19 school closure, the second semester rate was reduced accordingly. This service has worked well for our morning and afternoon routes. Below is an outline of the arrangements we used last year.

Lonnie's Trailer Court Bus Service

1. This is an unsupervised load/unload bus service.
2. The morning bus route pickup: 18th and Fort Street at 7:15 AM.
3. The afternoon bus route drop off: 18th and Fort Street at 4:15 PM.
4. Regular bus route rules apply.
5. Fee (per bus): \$450 per semester (\$5 per day/ \$1.66 per mile).
6. First Semester bus payment due: September 11, 2020.
7. Second Semester bus payment due: January 8, 2021.
8. We will use the same buses that go to Richland Elementary.

Motion to approve the fee of \$450 per semester for bus service to Lonnie's Trailer Court for the 2020-21 school year. Passed with a motion by Mynor Hernandez and a second by Nina Lanuza.

VI.A. Superintendent's Report

Information Item

Dan Hoelsing

1. **Summer School Update: (Dr. Gibbons)** We were able to start summer school July 6. We screen all students and staff that enter the building by taking temperatures and having them apply hand sanitizer. Staff wear masks. We are not requiring children to wear masks.

At the high school level, we have averaged 35 students each day.

As of Thursday, July 9, we have 101 students in the morning session K-8 and, we have 79 in the afternoon session.

In the afternoon, students are working in their grade levels doing science projects and reading books. Kindergarten students wrote a book about Orbeez, 1st grade has been practicing site words and exercising, 2nd grade has been doing the science of motion, 3rd grade is making dioramas, 4th grade is reading Wonder, 5th grade is reading "Frindle"

(Ms. Bebout) April Becker working with the United Way and Community and Family Partnership put together activity backpacks for elementary students in Schuyler. There were 100 backpacks per grade level 1st - 5th grade, so 500 total! There were books and other writing activities in each backpack. What a wonderful opportunity for our students :)

ASP summer camp has been so successful! My goal this year was 100 students. This is of course much lower than previous years. We hit this goal on July 8th! Very exciting. We also had a great opportunity to have professional soccer players from Australia come and work for our program teaching students different soccer drills throughout the day. Graeme Eaglesham runs a non-profit out of Omaha and came to Schuyler to work with our students. Jared Severson is working with middle school students making masks that will be donated to the community. We have partnered with Michelle Evert who is the Colfax County Deputy Emergency Manager. She had a donation of material that will help with this service. We also have many other fun and exciting clubs: Dual Language, Art, Sports, Writing, and many others. Staff and students are both excited to be back in school doing activities.

2. **Graduation Update:**

a. **Senior Banquet: Friday, July 17th at 6:00 PM at the West Gym.** Board members are welcome to attend and help serve, eat, and participate in the program. Please let Sally know if you are planning to attend.

b. **Graduation: Saturday, July 18th at 7:00 PM at the Football Stadium.** We need to know who wants to help with this ceremony. Parents and families will be seated on the football field according to social distance guidelines (8 per group).

3. **Re-opening plans for Nebraska's schools:** We have been working on re-opening plans for the beginning of the school year (COVID-19) We will be organizing our return to school committee to begin meeting the week of July 20th. Attached is an overall plan developed by NRCSA superintendents and health professionals to use as a guide. See attached information.

Board Members

Brian Vavricek will share information from the July Foundation Meeting.

VII. Correspondence Items

Information Item

Would you mind sharing this with the Board of Education on my behalf?

I would like to thank the Warrior community for the unending support that has been demonstrated over and over again to myself and my family, but most importantly, the students of our district. I love Schuyler. What was once a town that I passed through occasionally became one of the most important chapters of my life.

The best part of Schuyler is the people that live here. From the minute that we unpacked our moving truck, I was shown kindness and hospitality. My respect and adoration for the community has only grown as we have walked through life together.

I am taking so many lessons that I have learned over the past six years with me. One of the most important being the concept of blooming where you are planted. I am going home to support my parents, work with others to grow my hometown, and give back to the district that invested in me by having my kids walk the same halls that I once did. I have such a high level of respect for those that graduated Warriors and continue to bleed Schuyler Green! It will be an honor to do the same for my alma mater.

There are no words to describe the true gift that Schuyler is. I will forever be a fan of this genuine, hardworking district. I will always be grateful that you chose me as a principal of this district, and I wish you only the very best as you lead and impact future generations.

Respectfully,
Michelle Burton

MEMORANDUM ON LB 399

During this legislative session, Governor Ricketts signed LB 399 into law. LB 399 has been referred to as the “Americanism” bill because of its requirements regarding American history and civics instruction in the classroom. This memorandum outlines the bill’s requirements and the timelines for school districts to incorporate these requirements.

THE “OLD” LAW

Under the “old”¹ law, every school board was required to appoint three members to a “committee on Americanism.” This committee was required to undertake several steps, including reviewing the curriculum to ensure that students were taught about the American form of government. The “old” law included a very harsh consequence for districts that failed to meet all of the statute’s requirements: both the board and the superintendent “shall be held directly responsible” for implementing the law, and the failure of a school district to abide by the law “shall be considered cause for removal.”

THE “NEW” LAW

LB 399 becomes operative three months after the Legislature adjourns. The current belief is that the final day of the session will be May 31. Assuming that date holds, LB 399 will become operative in September. This means that the majority of LB 399’s requirements will become effective during the 2019-2020 school year. As a result, school districts need to begin taking steps this summer to ensure that they will be in compliance with the law when the bill becomes law.

LB 399 imposes the following requirements that must be met:

1. Each calendar year, the Board must appoint three board members to the “Committee on American Civics.”²
 - a. The Committee on American Civics must meet at least twice per year. One meeting must include public testimony. The Committee is to keep minutes of each meeting showing the time and place of

¹ The reference to the “old” law is to the current Neb. Rev. Stat. § 79-724. The current version of Neb. Rev. Stat. § 79-724 will remain in effect until LB 399 becomes operative in September 2019.

² The school board of each school district shall, at the beginning of each calendar year, appoint from its members a committee of three, to be known as the committee on American civics . . . ” LB 399, Sec. 1(1) (emphasis supplied). Note that the law specifically requires that “three” board members be appointed to the committee (and not “at least” three board members).

the meeting, which members were present or absent, and the substance and details of all matters discussed.

- b. During the meetings, the Committee is to review the social studies curriculum to ensure that it aligns with NDE standards and LB 399's requirements. (A copy of the law with the curriculum requirements is attached to this memo.)
2. Students between eighth grade and twelfth grade must complete one of the following:
 - i. Administration of a written test that is identical to the entire civics portion of the naturalization test used by United States Citizenship and Immigration Services prior to the completion of eighth grade and again prior to the completion of twelfth grade with the individual score from each test for each student made available to a parent or guardian of such student; or
 - ii. Attendance or participation between the commencement of eighth grade and completion of twelfth grade in a meeting of a public body . . . followed by the completion of a project or paper in which each student demonstrates or discusses the personal learning experience of such student related to such attendance or participation; or
 - iii. Completion of a project or paper and a class presentation between the commencement of eighth grade and the completion of twelfth grade on a person or persons or an event commemorated by a holiday listed below.
 3. For grade levels below sixth grade, at least one hour per week is to be devoted to exercises or teaching American history topics (including those listed in LB 399).
 4. For grade levels between fifth grade and eighth grade, there must be time "set aside" for the teaching of American history (including those topics listed in LB 399).
 5. In at least two courses in every high school, time shall be devoted to the teaching of civics and American history (as outlined in LB 399).
 6. "Appropriate patriotic exercises" are to be held on George Washington's birthday, Abraham Lincoln's birthday, Dr. Martin Luther King, Jr.'s birthday, Native American Heritage Day, Constitution Day, Memorial Day, Veterans Day, and Thanksgiving Day, or on the day or week preceding or following such holiday, if the school is in session.

If the district does not comply with these requirements, the harsh consequence under the “old” law is not included in LB 399. Indeed, under the “new” law, there is no “penalty” for a superintendent or board who fails to implement the law’s requirements. Instead, an employee who neglects to carry out the law’s requirements *may* be cause for dismissal.

OVERALL

This bill includes a number of legal requirements—some new and others that were in place under the “old” bill. In any event, now is a good time for districts to plan and ensure that they are in compliance with the “new” law prior to the beginning of the 2019-2020 school year. Districts that currently have an Americanism committee (pursuant to the “old” law) should rename the committee to be the “Committee on American Civics.” In order to help schools with the “new” requirements, we have attached a “checklist” for the Committee on American Civics to complete each year.

COMMITTEE ON AMERICAN CIVICS CHECKLIST

For the calendar year _____, the Board appointed the following three members to serve on the Committee on American Civics: _____, _____, and _____.

§ 79-724. American citizenship; committee on Americanism; created; duties; required instruction; patriotic exercises; duties of officers. [Effective September 7, 2019]

It is the responsibility of society to ensure that youth are given the opportunity to become competent, responsible, patriotic, and civil citizens to ensure a strong, stable, just, and prosperous America. Such a citizenry necessitates that every member thereof be knowledgeable of our nation's history, government, geography, and economic system. The youth in our state should be committed to the ideals and values of our country's democracy and the constitutional republic established by the people. Schools should help prepare our youth to make informed and reasoned decisions for the public good. Civic competence is necessary to sustain and improve our democratic way of life and must be taught in all public, private, denominational, and parochial schools. A central role of schools is to impart civic knowledge and skills that help our youth to see the relevance of a civic dimension for their lives. Students should be made fully aware of the liberties, opportunities, and advantages we possess and the sacrifices and struggles of those through whose efforts these benefits were gained. Since young people are most susceptible to the acceptance of principles and doctrines that will influence them throughout their lives, it is one of the first duties of our educational system to conduct its activities, choose its textbooks, and arrange its curriculum in such a way that the youth of our state have the opportunity to become competent, responsible, patriotic, and civil American citizens.

(1) The school board of each school district shall, at the beginning of each calendar year, appoint from its members a committee of three, to be known as the committee on American civics, which shall:

(a) Hold no fewer than two public meetings annually, at least one when public testimony is accepted;

(b) Keep minutes of each meeting showing the time and place of the meeting, which members were present or absent, and the substance and details of all matters discussed;

- (c)** Examine and ensure that the social studies curriculum used in the district is aligned with the social studies standards adopted pursuant to section 79-760.01 and teaches foundational knowledge in civics, history, economics, financial literacy, and geography;
- (d)** Review and approve the social studies curriculum to ensure that it stresses the services of the men and women who played a crucial role in the achievement of national independence, establishment of our constitutional government, and preservation of the union and includes the incorporation of multicultural education as set forth in sections 79-719 to 79-723 in order to instill a pride and respect for the nation's institutions and not be merely a recital of events and dates;
- (e)** Ensure that any curriculum recommended or approved by the committee on American civics is made readily accessible to the public and contains a reference to this section;
- (f)** Ensure that the district develops and utilizes formative, interim, and summative assessments to measure student mastery of the social studies standards adopted pursuant to section 79-760.01;
- (g)** Ensure that the social studies curriculum in the district incorporates one or more of the following for each student:

 - (i)** Administration of a written test that is identical to the entire civics portion of the naturalization test used by United States Citizenship and Immigration Services prior to the completion of eighth grade and again prior to the completion of twelfth grade with the individual score from each test for each student made available to a parent or guardian of such student; or
 - (ii)** Attendance or participation between the commencement of eighth grade and completion of twelfth grade in a meeting of a public body as defined by section 84-1409 followed by the completion of a project or paper in which each student demonstrates or discusses the personal learning experience of such student related to such attendance or participation; or
 - (iii)** Completion of a project or paper and a class presentation between the commencement of eighth grade and the completion of twelfth grade on a person or persons or an event commemorated by a holiday listed in subdivision (6) of this section or on a topic related to such person or persons or event; and
- (h)** Take all such other steps as will assure the carrying out of the provisions of this section and provide a report to the school board regarding the committee's findings and recommendations.
- (2)** All social studies courses approved for grade levels as provided by this section shall include and adequately stress contributions of all ethnic groups to (a) the development and growth of America into a great nation, (b) art, music, education, medicine, literature, science, politics, and government, and (c) the military in all of this nation's wars.
- (3)** All grades of all public, private, denominational, and parochial schools, below the sixth grade, shall devote at least one hour per week to exercises or teaching periods for the following purpose:

 - (a)** The discussion of noteworthy events pertaining to American history or the exceptional acts of individuals and groups of Americans;
 - (b)** The historical background, memorization, and singing of patriotic songs such as the Star-Spangled Banner and America the Beautiful;
 - (c)** The development of respect for the American flag as a symbol of freedom and the sacrifices of those who secured that freedom; and
 - (d)** Instruction as to proper conduct in the presentation of the American flag.
- (4)** In at least two of the three grades from the fifth grade to the eighth grade in all public, private, denominational, and parochial schools, time shall be set aside for the teaching of American history from the social studies curriculum, which shall be taught in such a manner that all students are given the opportunity to (a) become competent, responsible, patriotic, and civil citizens who possess a deep

understanding of and respect for both the Constitution of the United States and the Constitution of Nebraska and (b) prepare to preserve, protect, and defend freedom and democracy in our nation and our world.

(5) In at least two courses in every high school, time shall be devoted to the teaching of civics and American history as outlined in the social studies standards adopted pursuant to section 79-760.01, during which specific attention shall be given to the following matters:

(a) The Declaration of Independence, the United States Constitution, the Constitution of Nebraska, and the structure and function of local government in this state;

(b) The benefits and advantages of representative government, the rights and responsibilities of citizenship in our government, and the dangers and fallacies of forms of government that restrict individual freedoms or possess antidemocratic ideals such as, but not limited to, Nazism and communism;

(c) The duties of citizenship, which include active participation in the improvement of a citizen's community, state, country, and world and the value and practice of civil discourse between opposing interests; and

(d) The application of knowledge in civics, history, economics, financial literacy, and geography to address societal issues.

(6) Appropriate patriotic exercises suitable to the occasion shall be held under the direction of the superintendent in every public, private, denominational, and parochial school on George Washington's birthday, Abraham Lincoln's birthday, Dr. Martin Luther King, Jr.'s birthday, Native American Heritage Day, Constitution Day, Memorial Day, Veterans Day, and Thanksgiving Day, or on the day or week preceding or following such holiday, if the school is in session.

(7) Every school board, the State Board of Education, and the superintendent of each school district in the state shall be held directly responsible in the order named for carrying out this section. Neglect thereof by any employee may be considered a cause for dismissal.

superintendent shall also be responsible for organizing training programs for students and employees. The training shall include how to recognize harassment and what to do in case an individual is harassed. The employee training will be documented in personnel files to ensure a record of training for each employee.

This policy is in effect while students are on school grounds, school district property, or on property within the jurisdiction of the school district; while on school-owned and/or school-operated transportation; while attending or engaged in school activities; and while away from school grounds if the misconduct directly affects the good order, efficient management and welfare of the school district.

The district will promptly and reasonably investigate allegations of harassment. The building principal will be responsible for handling all complaints by students alleging harassment.

Upon receiving a complaint, the investigator shall confer with the complainant to obtain an understanding and a statement of the facts. It shall be the responsibility of the investigator to promptly and reasonably investigate claims of harassment and to pass the findings on to the superintendent who shall complete such further investigation as deemed necessary and take such final action as appropriate. It is the intention of the district to complete its investigation within ten (10) working days after receiving a complaint unless extenuating circumstances such as unavailability of a witness or needing additional time because of the complexity of the investigation or the need to involve outside experts. The extended timeframe for investigation due to extenuating circumstances shall not exceed ten (10) days without the consent of the complainant, unless the alleged victim agrees to a longer time limit. Information regarding an investigation of harassment shall be confidential to the extent possible, and those individuals who are involved in the investigation shall not discuss information regarding the complaint outside the investigation process.

Retaliation against an individual because the individual has filed a harassment complaint or assisted or participated in a harassment investigation or proceeding is also prohibited. A student who is found to have retaliated against an individual in violation of this policy will be subject to discipline, up to and including, suspension and expulsion.

It shall also be the responsibility of the superintendent, in conjunction with the investigator and principals, to develop administrative rules regarding this policy. These rules will be printed and distributed to students and parents in the student handbook. The

Comments Regarding The Title IX Update

Primarily covered in new Policies 404.12, 404.12R1, 404.12E1, 504.24, 504.24R1, and 504.24E1

Redlines to come in a separate email

Many of you have already received some training on the new requirements, and districts will be required to do significant annual training. The basic Title IX components are covered by a policy, an administrative regulation, and a form (E1). We have duplicated this for your manuals so one of each will be in the 400 Personnel Section and the other will be in the 500 Students Section. Many other policies have had minor revisions if they deal with any type of nondiscrimination or behavioral issues that may conceivably qualify as Title IX sexual harassment. The forms 404.12E1 and 504.24E1 will cover the basic information gathering requirements but I will be creating some additional documentation aids for this in the next two weeks. As part of the administrative regulations, they don't specifically require board approval, but they will be important. I have worked hard to make this huge piece clear and focused, but it is still quite detailed and lengthy.

Some Title IX Background

On May 6, 2020, the U.S. Department of Education issued the long-awaited final Title IX regulations, which go into effect August 14, 2020. The Title IX regulations specifically define sexual harassment and establish detailed procedures for how school districts must respond to allegations of sexual harassment. Districts should ensure that all sexual harassment complaints are handled in accordance with the Title IX regulations that are outlined in this policy and the accompanying regulation. When reviewing and updating this policy and the accompanying administrative regulation, districts should work with legal counsel for Title IX compliance and further adjust sample language as necessary based on legal counsel recommendations.

Prior to adoption, you must enter your District information on Page 1 of 404.12 and 504.24. Districts may choose to identify more than one Title IX Coordinator (i.e., one for employee-related claims and one for student-related claims. If more than one Title IX Coordinator is designated by the District, this should be reflected within this policy. Other Title IX roles such as investigator and decision-maker do not need to be identified and the individual filling each of those roles may change from case to case.

When the actions of a party are considered discrimination on the basis of sex but do not meet the definition of sexual harassment districts still have an obligation to manage the complaint in accordance with the harassment and discrimination procedures in place in the

slightly revised policies 404.06 and 504.18 but are not subject to the more detailed Title IX sexual harassment procedures outlined in these new Title IX policies and procedures for those situations.

The board must appoint at least one Title IX Coordinator for the district and make this person known to the entire school community through following the notice requirements outlined in this policy.

Identification of the District's sex discrimination and sexual harassment policies and Title IX Coordinator should occur in, but not be limited to, staff directories, staff handbooks, student handbooks and in a prominent location on the District's website.

One important change to note is the requirement to follow the Title IX process prior to imposing discipline. Districts must be aware of this when managing both employee and student discipline that will be administered because of conduct that falls under the sexual harassment definition and process.

Title IX Administrative Procedures

Federal law requires the investigation of all complaints of sexual harassment. Boards must have a procedure by which complaints may be reported and investigated. This procedure is provided to assist boards in meeting the requirements of law. Federal law allows districts to choose between applying the "preponderance of the evidence" standard or the "clear and convincing evidence" standard to reach determinations regarding responsibility. The "preponderance of the evidence" standard means the party must be persuaded by the evidence that the claim is more probably true than not true. The "clear and convincing evidence" standard is a higher standard of proof and means the party must be left with a firm belief or conviction that it is highly probable that the factual contentions of the claim or defense are true. However, the Decision-maker must use the same standard of determination for all cases brought to the district.

Revised Policy 1004.03 Live Broadcast or Videotaping

Paragraph three has been added to cover the frequent uses of cellphones and social media. A redline for this revision will be included in the separate email.

I hope your summer was refreshing, if somewhat brief. Thank you for your interest in board policy.

ABUSE OF STUDENTS BY SCHOOL DISTRICT EMPLOYEES

Physical or sexual abuse of students, including inappropriate and intentional sexual behavior, by employees will not be tolerated. The definition of employees for the purpose of this policy includes not only those who work for pay but also those who are volunteers of the school district under the direction and control of the school district. Employees found in violation of this policy will be subject to disciplinary action up to and including discharge.

The school district will respond promptly to allegations of abuse of students by school district employees by investigating or arranging for the investigation of an allegation. The processing of a complaint or allegation will be handled confidentially to the maximum extent possible. Employees are required to assist in the investigation when requested to provide information and to maintain the confidentiality of the reporting and investigation process.

The superintendent will appoint an investigator and alternate investigator of opposite sexes. The investigator will pass the findings on to the superintendent who will complete any further investigations as deemed necessary and take appropriate final action.

Every report of alleged violations of this policy that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing abuse of students investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged violations of this policy.

The superintendent is responsible for implementing this policy and for organizing

employee training when needed relating to this policy. Procedures shall be reviewed periodically for adequacy and accuracy.

EMPLOYEE CONDUCT AND APPEARANCE

Employees are role models for the students who come in contact with them during and after school hours. The board recognizes the positive effect employees can have on students in this capacity. To this end, the board strongly suggests and encourages employees to dress themselves, groom themselves and conduct themselves in a manner appropriate to the educational environment.

Employees shall conduct themselves in a professional manner. Employees shall dress in attire appropriate for their position. Clothing should be neat, clean, and in good taste. Discretion and common sense call for an avoidance of extremes which would interfere with or have an effect on the educational process.

Certificated employees of the school district shall follow the code of ethics for their profession as established by the Nebraska Professional Practices Commission.

Every report of alleged violations of employee conduct policies that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing employee conduct investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged violations of employee conduct policies.

Policy Update Subscribers,

There was a lot in those two emails, so I'll add a bit more overview to explain what it covers.

The older harassment policies have been revised somewhat rather than being thrown out, since there are still many cases of discriminating behavior that rise to the level of violating federal discrimination laws, even though they may not quite reach the very specific category of being Title IX discrimination.

The two new Title IX discrimination policies, 404.12 and 504.24 (they are actually identical, but we gave you one for the Personnel Section and one for the Student Section) list those 3 items on page 2 that describe Title IX Sexual Harassment. There will be many types of discriminating behaviors that don't fit these 3 criteria to be considered Title IX Sexual Harassment, but because they discriminate against the numerous protected categories of persons, they will violate IDEA or ADA or come under the oversight of the Office of Civil Rights in the U.S. Department of Education. Therefore, the older harassment policies 404.06 and 504.18 still apply in their newer, revised scopes, along with their original individual investigation procedures.

They were revised enough to carve out the areas covered by Title IX Sexual Harassment and to ensure that all investigations that appear to deal with Title IX violations or that at some point turn into Title IX violations will take precedence over the scope of the original harassment policies and procedures.

Likewise, all the other policies dealing with prohibited behavior that may involve federal discrimination such as bullying, hazing, dating violence, discriminatory hiring practices, etc., needed a similar paragraph inserted in them. That is to indicate that every Title IX investigation, whether it is initially apparent it involves Title IX or only later becomes apparent, must take precedence over those other types of student or personnel procedures.

I hope this makes it a bit clearer. I know, it's a lot to absorb. Title IX only runs a bit over 2200 pages long. So the first email was the six new Title IX pieces (a policy, an administrative reg, and a form for the Personnel Section and for the Student Section) plus 14 revised policies to give Title IX investigations precedence over all others, and then the revision to 1004.03 for broadcasting or videotaping. The second email is simply the redlines for those 14 related policies that yield to Title IX plus the 1004.03 redline. Whew.

I know most of you have board meetings next week. **My cell number is 402-990-6981.** If you have any questions, don't hesitate to call any time. I love this work and admire our dedicated boards and administrators, so I truly don't mind. It may be noisy, Friday and

Saturday I'll be at Arnold to watch the Sandhills Open Road Challenge. If you haven't heard of it, check Google. It looks awesome!

EQUAL EDUCATIONAL OPPORTUNITY

The board requires all persons, agencies, vendors, contractors and other persons and organizations doing business with or performing services for the school district to subscribe to all applicable federal and state laws, executive orders, rules and regulations pertaining to contract compliance and equal opportunity.

The district does not discriminate on the basis of race, color, religion, national origin, age, sex, disability, or marital status, sexual orientation or gender identity in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated as Compliance Coordinator to handle inquiries regarding the non-discrimination policies:

Name and/or Title: _____

Address: _____

Telephone No.: _____

The board affirms the right of all students and staff to be treated with respect and to be protected from intimidation, discrimination, physical harm and harassment. Harassment or discriminatory behavior that denies civil rights or access to equal educational opportunities includes comments, name-calling, physical conduct or other expressive behavior directed at an individual or group that intentionally demeans the race, color, national origin, sex, disability, age or marital status of the individual or individuals or creates an intimidating, hostile or demeaning environment for education.

Every report of alleged violations of this policy that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing investigation of this policy, potential issues of sexual harassment or discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged sexual harassment or discrimination as well as the incidents of alleged violations of this policy.

STAFF CONDUCT WITH STUDENTS

The Board expects all staff members, including teachers, coaches, counselors, administrators, and others to maintain the highest professional, moral, and ethical standards in their conduct with students. For the purposes of this policy, staff members also include school volunteers. The term “students” excludes a staff member’s immediate family members.

The interactions and relationships between staff members and students should be based upon mutual respect and trust; an understanding of the appropriate boundaries between adults and students in and outside of the educational setting; and consistency with the educational mission of the schools.

Staff members are expected to be sensitive to the appearance of impropriety in their conduct with students. Staff members are encouraged to discuss issues with their building administrator or supervisor whenever they are unsure whether particular conduct may constitute a violation of this policy.

Unacceptable Conduct

Examples of unacceptable conduct by staff members include but are not limited to the following:

- Any type of sexual or inappropriate physical contact with students or any other conduct that might be considered harassment under the Board's policy on Harassment By Employees;
- Singling out a particular student or students for personal attention and friendship beyond the normal teacher-student relationship;
- Associating with students in any situation or activity that includes the presence of alcohol, drugs, or tobacco or that could be considered sexually suggestive;
- For non-guidance/counseling staff, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, staff members are expected to be supportive but to refer the student to appropriate guidance/counseling staff. In either case, staff involvement should be limited to a direct connection to the student's school performance;
- Sending students on personal errands;
- Sexual banter, allusions, jokes, or innuendos with students;
- Asking a student to keep a secret;

Students and/or their parents/guardians are strongly encouraged to notify the principal if they believe a teacher or other staff member may be engaging in conduct that violates this policy.

Staff members are required to notify promptly the principal or superintendent if they become aware of a situation that may constitute a violation of this policy.

Staff violations of this policy may result in disciplinary action up to and including dismissal. Violations involving sexual or other abuse will also result in referral to the Department of Health and Human Services and/or law enforcement in accordance with the Board's policy on Child Abuse Reporting.

Every report of alleged violations of this policy that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing investigation of this policy, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged violations of this policy.

TITLE IX SEXUAL HARASSMENT

It is the the policy of this district to comply with federal law and regulations under Title IX prohibiting sexual harassment, which is a form of unlawful discrimination on the basis of sex. The District does not discriminate on the basis of sex in any education program or activity that it operates, including admission and employment. Inquiries about the application of Title IX to the District may be referred to the District's Title IX Coordinator, to the Regional Office of Civil Rights of the Department of Education, or both.

The Board encourages students, employees and third parties who believe they or others have been subject to Title IX sexual harassment, other discrimination or retaliation to promptly report such incidents to the Title IX Coordinator or building principal, even if some elements of the related incident took place or originated away from school grounds, school activities or school conveyances. A person who is not an intended victim or target of discrimination but is adversely affected by the offensive conduct may file a report of discrimination with the Title IX Coordinator.

The Board designates the following individual to serve as the District's Title IX Coordinator and may or may not have the same person serve as Compliance Coordinator:

Title: _____

Office address: _____

Email: _____

Phone number: _____

Other district employees filling key roles for implementing Title IX sexual harassment procedures include investigator(s), decision-maker(s), individuals to handle appeals, and individuals to facilitate an informal resolution process. Specific individuals filling these roles may vary from complaint to complaint as appropriate.

The Director of the Regional Office of Civil Rights can be contacted at the Kansas Office of Civil Rights, U.S. Department of Education, One Petticoat Lane, 1010 Walnut Street, Suite 320, Kansas City, MO 64106, (816) 268-0550, by email to OCR.KansasCity@ed.gov.

The district is committed to providing a nondiscriminatory workplace for employees. It is committed to the maintenance of a safe, positive learning environment for all students by providing student course offerings, counseling, assistance, services, employment, athletics, and extracurricular activities without any form of discrimination, including Title IX sexual harassment. Discrimination is inconsistent with the rights of employees and students and the educational and programmatic goals of the district and is prohibited at or, in the course of, district-sponsored programs or activities, including transportation to or from school or school-sponsored activities.

Approved _____ Reviewed _____ Revised _____

The student's parents/guardian or any other person with knowledge of conduct that may violate this policy is encouraged to immediately report the matter to the building principal. A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the building principal, as well as properly making any mandatory police or child protective services reports required by law.

Violations of this policy, including acts of retaliation as described in this policy, or knowingly providing false information, may result in disciplinary consequences under applicable Board policy and procedures.

Any person may report sex discrimination, including sexual harassment, at any time, including during non-business hours. Such a report may be made in person, by mail, by telephone or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report.

For purposes of this policy and the grievance process, "Title IX sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:

1. A District employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
3. "Sexual assault" as defined in 20 USC 1092(f)(6)(A)(v), "dating violence" as defined in 34 USC 12291(a)(10), "domestic violence" as defined in 34 USC 12291(a)(8) or "stalking" as defined in 34 USC 12291(a)(30). These definitions are included in the procedures to this policy.

Such conduct must have taken place during a district education program or activity and against a person in the United States to qualify as sexual harassment under Title IX. An education program or activity includes the locations, events, or circumstances over which the district exercises substantial control over both the respondent and the context in which the harassment occurs. Title IX applies to all of a district's education programs or activities, whether such programs or activities occur on-campus or off-campus.

When the alleged harassment or discrimination does not meet the Title IX definition of sexual harassment, the Title IX Coordinator directs the individual to the applicable process for investigation.

Retaliation Prohibited

The District prohibits intimidation, threats, coercion or discrimination against any individual for the purpose of interfering with any right or privilege secured by Title IX or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation proceeding or hearing, or acted in opposition to practices the person reasonably believes to be discriminatory, if applicable. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX or this part, constitutes retaliation.

Confidentiality

The District must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any individual who has been alleged to be the victim or perpetrator of conduct that could constitute sexual harassment, and any witness, except as may be permitted by Family Educational Rights and Privacy Act (FERPA) or as required by law, or to carry out the purposes of the Title IX regulations, including the conduct of any investigation, hearing or judicial proceeding arising under the regulations.

Notice Requirements

The District also posts the Title IX Coordinator's contact information and Title IX policies and procedures in a prominent location on the District website and in all handbooks made available by the District.

Training Requirements

The District ensures that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receives training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and grievance process including examination of evidence, handling hearings, appeals and informal resolution processes, when applicable, how to address complaints that do not qualify as Title IX sexual harassment, and how to serve impartially including by avoiding prejudgment of the facts at issue, conflicts of interest

The District also ensures that decision-makers and investigators receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant as set forth in the formal procedures that follow, and training on any technology to be used at a live hearing, if applicable. Investigators also receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. All materials used to train individuals who receive training under this section must not rely on sex stereotypes and must promote impartial investigations and judgments of formal complaints of sexual harassment and are made publicly available on the District's website.

The District ensures that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process do not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Determination of Responsibility

The individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment is presumed not responsible for alleged conduct. A determination regarding responsibility will be made by the decision-maker at the conclusion of the investigation in accordance with the process outlined in the accompanying regulation. No disciplinary sanctions will be imposed unless and until a final determination of responsibility is reached.

To meet the definition of Title IX sexual harassment, the conduct must have taken place during a district education program or activity involving a person in the United States. An **education program or activity** includes the locations, events or circumstances over which the district exercises substantial control over both the respondent and the context in which the sexual harassment occurs. Title IX applies to all of a district's education programs or activities, whether such programs or activities occur on-campus or off-campus.

Did the incident occur during a during a school program or activity involving a person in the United States?

Yes

No

To meet the definition of Title IX sexual harassment, the conduct needs to satisfy one or more of the following (please check all that apply):

- A district employee conditioning the provision of an aid, benefit, or district service on an individual's participation in unwelcome sexual conduct, commonly referred to as quid pro quo sexual harassment.
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to a district education program or activity.
- Sexual assault, dating violence, domestic violence or stalking.

Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined by the following factors:

- Length of relationship.
- Type of relationship.
- Frequency of interaction between the persons involved in the relationship.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving federal funding, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Sexual assault means a sexual offense under a state or federal law that is classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

Stalking means stalking on the basis of sex, for example when the stalker desires to date a victim. Stalking means to engage in a course of conduct directed at a specific person that would cause a reasonable person to either:

X. Title IX Information to Complainant

What supportive measures were discussed with the complainant, and what were the complainant's wishes with respect to supportive measures?

Upon designating a course of action under Title IX sexual harassment, the Title IX Coordinator will promptly:

1. Explain to the complainant the process for filing a formal complaint.
2. Inform the complainant of the continued availability of supportive measures with or without the filing of a formal complaint.
3. The Title IX Coordinator shall contact a student complainant's parents/guardians and provide them with information regarding the report and Title IX sexual harassment procedures and grievance process for formal complaints.

If the complainant/reporter, school staff or others with professional knowledge relating to the complainant's health and well-being indicate that notifying the parents/guardians could cause serious harm to the health or well-being of the complainant or other person(s), the Title IX Coordinator will determine, in consultation with such individuals and upon advice of legal counsel, whether to withhold or delay notification of the report from the complainant's parents/guardians.

4. Determine what supportive measures may be offered to the respondent.
5. Determine whether the complainant wishes this report to be treated as a formal complaint.

XI. Title IX Coordinator Signature

I recommend the above course of action based on my consultation with the complainant and the information available at this time.

XII. Title IX Formal Complaint Action

The Title IX Coordinator shall have the complainant check the appropriate box and sign and date below to indicate whether or not the complainant wishes to have this form serve as a formal complaint pursuant to Title IX.

I would like my report to be treated as a formal complaint pursuant to Title IX.

Yes

No

Complainant's Signature: _____

If the complainant does not wish this report to be treated as a formal complaint pursuant to Title IX, the Title IX Coordinator must assess whether actions limited to supportive measures are a sufficient response to alleged behavior, or whether a formal complaint process is necessary to investigate and address the situation adequately. For example, if disciplinary action would be warranted if allegations are true, if the respondent is an employee, or if further investigation is needed to assess the extent of the behavior and impact on others, it may be clearly unreasonable not to initiate the formal complaint process. The Title IX Coordinator may consult with the school solicitor and other district officials in making this decision.

As Title IX Coordinator, I have determined that, notwithstanding the complainant's preference, it is necessary to proceed with the Title IX Sexual Harassment Formal Complaint for the following reasons:

Therefore, I am signing this form for the purpose of serving as the formal complaint initiating that process:

TITLE IX SEXUAL HARASSMENT PROCEDURES

The Board requires the following procedures to be followed for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited as sexual harassment by Title IX. The Board directs the process to be published in accordance with all statutory and regulatory requirements.

Definitions

The following definitions apply for Title IX policies and procedures:

“Actual knowledge:” notice of sexual harassment or allegations of sexual harassment to the District’s Title IX Coordinator or any official of the District who has authority to institute corrective measures on behalf of the District, or to any employee of an elementary or secondary school.

“Education program or activity:” includes locations, events or circumstances over which the District exercised substantial control over both the individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment, and the context in which the sexual harassment occurs.

“Complainant:” an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Respondent:” an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

“Formal complaint:” a document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation of sexual harassment.

“Supportive measures:” non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available and without fee or charge to the Complainant or Respondent before or after the filing of a formal complaint or where no formal complaint has been filed.

For purposes of this policy and the grievance process, “Title IX sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. A District employee conditioning the provision of an aid, benefit, or service of the District on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education program or activity; or

Reviewed _____ Revised _____

3. “Sexual assault” as defined in 20 USC 1092(f)(6)(A)(v), “dating violence” as defined in 34 USC 12291(a)(10), “domestic violence” as defined in 34 USC 12291(a)(8) or “stalking” as defined in 34 USC 12291(a)(30). These definitions are included in the procedures to this policy.
- A. “Dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined by the following factors:
- i. Length of relationship.
 - ii. Type of relationship.
 - iii. Frequency of interaction between the persons involved in the relationship.
- B. “Domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving federal funding, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
- C. “Sexual assault” means a sexual offense under state or federal law that is classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
- D. “Stalking,” under Title IX means stalking on the basis of sex, for example when the stalker desires to date a victim. Stalking means to engage in a course of conduct directed at a specific person that would cause a reasonable person to either:
- i. Fear for their safety or the safety of others.
 - ii. Suffer substantial emotional distress.

District Requirements

When the District has actual knowledge of sexual harassment in an education program or activity of the District, the District will respond promptly in a manner that is not deliberately indifferent. When the harassment or discrimination on the basis of sex does not meet the definition of sexual harassment, the Title IX Coordinator will direct the individual to the applicable sex discrimination process for investigation.

The District treats individuals who are alleged to be the victim (Complainant) and perpetrator (Respondent) of conduct that could constitute sexual harassment equitably by offering supportive

measures. Supportive measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling or employee assistance program, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, leaves of absence, increased security and monitoring of certain areas of the District's property, campus escort services, assistance from domestic violence or rape crisis programs, assistance from community health resources, changes in work locations and other similar measures.

For students, supportive measures may also include assessments or evaluations to determine eligibility for special education or related services, or the need to review an Individualized Education Program (IEP) or Section 504 Service Agreement based on a student's behavior. This could include, but is not limited to, a manifestation determination or functional behavioral assessment (FBA), in accordance with applicable law, regulations or Board policy.

The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Upon the receipt of a complaint, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the Complainant the process for filing a formal complaint. If the District does not provide the Complainant with supportive measures, then the District must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

Timelines

The District has established reasonably prompt time frames for the conclusion of the grievance process, including time frames for filing and resolving appeals and informal resolution processes. The grievance process may be temporarily delayed or extended for good cause. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. In the event the grievance process is temporarily delayed for good cause, the District will provide written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action.

Response to a Formal Complaint

At the time of filing a formal complaint, a Complainant must be participating in or attempting to participate in the education program or activity of the District with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, by electronic mail, or other means designated by the District. The District must follow the formal complaint process before the imposition of any disciplinary sanctions or other actions that are not supportive measures.

Upon receipt of a formal complaint, the District must provide written notice to the known parties including:

1. Notice of the allegations of sexual harassment, including information about the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, the date and location of the alleged incident, and any sufficient details known at the time. Such notice must be provided with sufficient time to prepare a response before any initial interview;
2. An explanation of the District's investigation procedures, including any informal resolution process;
3. A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made by the decision-maker at the conclusion of the investigation;
4. Notice to the parties that they may have an advisor of their choice who may be, but is not required to be, an attorney, and may inspect and review any evidence and
5. Notice to the parties of any provision in the District's code of conduct or policy that prohibits knowingly making false statements or knowingly submitting false information.

If, in the course of an investigation, the District decides to investigate allegations about the Complainant or Respondent that are not included in the notice initially provided, notice of the additional allegations must be provided to known parties.

The District may consolidate formal complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Emergency Response Measures

Nothing in this policy precludes the District from removing a Respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the Respondent with notice and an opportunity to challenge the decision immediately following the removal. Nor does it preclude the District from placing a non-student employee Respondent on administrative leave while awaiting the determination of the complaint procedures. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

Investigation of a Formal Complaint

When investigating a formal complaint and throughout the grievance process, the District must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the District and not the parties;
2. Provide an equal opportunity for the parties to present witnesses and evidence;
3. Not restrict either party's ability to discuss the allegations under investigation or to gather and present relevant evidence;
4. Allow the parties to be accompanied with an advisor of the party's choice who may be, but is not required to be, an attorney. The District may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
5. Provide written notice of the date, time, location, participants, and purpose of any interview or meeting at which a party is expected to participate, with sufficient time for the party to prepare to participate;
6. Provide the parties equal access to review all the evidence collected which is directly related to the allegations raised in a formal complaint and comply with the review periods outlined in this process;
7. Objectively evaluate all relevant evidence without relying on sex stereotypes;
8. Ensure that Title IX Coordinators, investigators, decision-makers and individuals who facilitate an informal resolution process, do not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent;
9. Not make credibility determinations based on the individual's status as Complainant, Respondent or witness;
10. Not use questions or evidence that constitute or seek disclosure of privileged information unless waived.

Dismissal of Formal Complaints

If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the District's education program or activity, or did not occur against a person in the United States, then the District must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under this policy.

The Title IX Coordinator also may dismiss the formal complaint or any allegations therein at any time during the investigation or hearing, if applicable, when any of the following apply:

1. A Complainant provides written notification to the Title IX Coordinator that the Complainant would like to withdraw the formal complaint or any allegations therein;
2. The Respondent is no longer enrolled or employed by the District; or
3. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon dismissal, the Title IX Coordinator promptly sends written notice of the dismissal and the reasons for dismissal simultaneously to both parties.

Evidence Review

The District provides both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. The evidence provided by the District must include evidence that is directly related to the allegations in the formal complaint, evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and any inculpatory or exculpatory evidence whether obtained from a party or other source. Prior to completion of the investigative report, the Title IX Coordinator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. The parties have 10 calendar days to submit a written response to the Title IX Coordinator, which the investigator will consider prior to completion of the investigative report.

Investigative Report

The investigator must prepare an investigative report that fairly summarizes relevant evidence and send the report to the Title IX Coordinator. The Title IX Coordinator must send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response. The parties have 10 calendar days to submit a written response to the Title IX Coordinator.

Decision-Maker's Determination

The investigative report is submitted to the decision-maker. The decision-maker cannot be the same person(s) as the Title IX Coordinator or the investigator. The decision-maker cannot hold a hearing or make a determination regarding responsibility until 10 calendar days from the date the Complainant and Respondent receive the investigator's report.

Prior to reaching a determination regarding responsibility, the decision-maker must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up

questions from each party. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. Questions must be submitted to the Title IX Coordinator within three calendar days from the date the Complainant and Respondent receive the investigator's report.

The decision-maker must issue a written determination regarding responsibility based on a preponderance of the evidence standard. The decision-maker's written determination must:

1. Identify the allegations potentially constituting sexual harassment;
2. Describe the procedural steps taken, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather evidence, and hearings held;
3. Include the findings of fact supporting the determination;
4. Draw conclusions regarding the application of any District policies and/or code of conduct rules to the facts;
5. Address each allegation and a resolution of the complaint including a determination regarding responsibility, the rationale therefor, any recommended disciplinary sanction(s) imposed on the Respondent, and whether remedies designed to restore or preserve access to the educational program or activity will be provided by the District to the Complainant and
6. The procedures and permissible bases for the Complainant and/or Respondent to appeal the determination.

A copy of the written determination must be provided to both parties simultaneously, and generally will be provided within 60 calendar days from the District's receipt of a formal complaint.

The determination regarding responsibility becomes final either on the date that the District provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

Where a determination of responsibility for sexual harassment has been made against the Respondent, the District will provide remedies to the Complainant that are designed to restore or preserve equal access to the District's education program or activity. Such remedies may include supportive measures; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the Respondent. The Title IX Coordinator is responsible for effective implementation of any remedies. Following any determination of responsibility, the District may

implement disciplinary sanctions in accordance with State or Federal law and or/the negotiated agreement.

A student who is determined to be responsible for violation of this policy shall be subject to appropriate disciplinary action consistent with school policies and regulations, which may include but is not limited to loss of school privileges, permanent transfer to another school building, classroom or school bus, exclusion from school-sponsored activities, detention, suspension, expulsion, or referral to law enforcement officials.

An employee who violates this policy shall be subject to appropriate disciplinary action consistent with the applicable Board policy, collective bargaining agreement and individual contract, up to and including dismissal and/or referral to law enforcement officials.

Appeals

Either the Complainant or Respondent may appeal the decision-maker's determination regarding responsibility or a dismissal of a formal complaint, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time that could affect the outcome;
and
3. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent that affected the outcome.

The request to appeal must be made in writing to the Title IX Coordinator within seven calendar days after the date of the written determination. The appeal decision-maker must not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent and cannot be the Title IX Coordinator, the investigator, or the decision-maker from the original determination.

The appeal decision-maker must notify the other party in writing when an appeal is filed and give both parties a reasonable equal opportunity to submit a written statement in support of, or challenging, the outcome. After reviewing the evidence, the appeal decision-maker must issue a written decision describing the result of the appeal and the rationale for the result. The decision must be provided to both parties simultaneously, and generally will be provided within 10 calendar days from the date the appeal is filed.

Informal resolution process

Except when concerning allegations that an employee sexually harassed a student, at any time during the formal complaint process and prior to reaching a determination regarding responsibility, the District may facilitate an informal resolution process, such as mediation, that

does not involve a full investigation and determination of responsibility, provided that the District:

1. Provides to the parties a written notice disclosing:
 - A. The allegations;
 - B. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint and
 - C. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.
2. Obtains the parties' voluntary, written consent to the informal resolution process.

The informal resolution process generally will be completed within 30 calendar days unless the parties and the Title IX Coordinator mutually agree to temporarily delay or extend the process. The formal grievance process timelines are stayed during the parties' participation in the informal resolution process. If the parties do not reach resolution through the informal resolution process, the parties will resume the formal complaint grievance process, including timelines for resolution, at the point they left off.

Recordkeeping

The District must maintain for a period of seven years records of:

1. Each sexual harassment investigation, including any determination regarding responsibility, any disciplinary sanctions imposed on the Respondent, and any remedies provided to the Complainant designed to restore or preserve equal access to the District's education program or activity;
2. Any appeal and its result;
3. Any informal resolution and its result; and
4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The District must make these training materials publicly available on its website.

The District must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the District must document the basis for its conclusion that its

response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity.

EMPLOYEE CONDUCT AND APPEARANCE

Employees are role models for the students who come in contact with them during and after school hours. The board recognizes the positive effect employees can have on students in this capacity. To this end, the board strongly suggests and encourages employees to dress themselves, groom themselves and conduct themselves in a manner appropriate to the educational environment.

Employees shall conduct themselves in a professional manner. Employees shall dress in attire appropriate for their position. Clothing should be neat, clean, and in good taste. Discretion and common sense call for an avoidance of extremes which would interfere with or have an effect on the educational process.

Certificated employees of the school district shall follow the code of ethics for their profession as established by the Nebraska Professional Practices Commission.

Every report of alleged violations of employee conduct policies that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing employee conduct investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged violations of employee conduct policies.

OBJECTIVES FOR EQUAL EDUCATIONAL OPPORTUNITIES FOR STUDENTS

This section of the board policy manual is devoted to the board's goals and objectives for assisting the students of the school district in obtaining an education. Each student shall have an opportunity to obtain an education in compliance with the policies in this series. It is the goal of the board to develop a healthy social, intellectual, emotional, and physical self-concept in the students enrolled in the school district. Each student attending school will have the opportunity to use it and its education program and services as a means for self-improvement and individual growth. In so doing, the students are expected to conduct themselves in a manner that assures each student the same opportunity.

The board supports the delivery of the education program and services to students free of discrimination on the basis of race, color, national origin, sex, disability, religion or marital status, sexual orientation or gender identity and provides equal access to the Boy Scouts and other designated youth groups. This concept of equal educational opportunity serves as a guide for the board and employees in making decisions relating to school district facilities, employment, selection of educational materials, equipment, curriculum, and regulations affecting students.

Board policies, rules and regulations affect students while they are on school district property or on property within the jurisdiction of the school district; while on school owned, operated, or chartered transportation; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and educational processes of the school district.

This section of the board policy refers to the term "parents" in many of the policies. The term parents for purposes of this policy manual shall mean the legal parents. It shall also mean the legal guardian or custodian of a student and students who have reached the age of majority or are otherwise considered an adult by law.

Inquiries by students regarding compliance with equal educational opportunity laws and policies, including but not limited to complaints of discrimination, shall be directed to the Compliance Coordinators or the building principal.

Inquiries may also be directed in writing to the Director of the Kansas Office of Civil Rights, U.S. Department of Education, One Petticoat Lane, 1010 Walnut Street, Suite 320, Kansas City, MO 64106, (816) 268-0550, the Nebraska Equal Opportunity Commission, State Office Building, 301 Centennial Mall South, 5th floor, P.O. STUDENT CONDUCT

The board believes inappropriate student conduct causes serious disruption to the learning environment, interferes with the rights of others, and threatens the health and safety of students, employees and the public. The Superintendent and staff will develop and implement age-appropriate student codes of conduct to facilitate the educational process.

Students shall conduct themselves in a manner fitting to their age level and maturity and with respect and consideration for the rights of others while on school district property or on property within the jurisdiction of the school district. Students who violate this policy and the administrative regulations supporting it will be subject to disciplinary measures including, but not limited to, removal from the classroom, detention, suspension, probation and expulsion. The codes of conduct will include measures to prevent or discourage behavior which interferes with the educational program, behavior which disrupts the orderly and efficient operation of the school or the functioning of school activities, behavior which interferes with the maintenance of a learning environment, behavior that is violent or destructive, or behavior which interferes with the rights of other students to pursue their education. Procedures will be available to allow rights of due process for all students.

Every report of alleged violations of student conduct policies that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing student conduct investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged violations of student conduct policies.

This disciplinary process is designed to create the expectation that the degree of discipline imposed by the school will be proportionate to the severity of the behavior of the particular student, the previous discipline history of the student and other relevant factors. It will also include parental involvement processes designed to enable parents, guardians, teachers and school administrators to work together to improve and enhance appropriate student behavior and academic performance. All student codes of conduct shall be submitted to the board for approval or review.

BULLYING PREVENTION

The board recognizes the negative impact that bullying has on student health, welfare, safety, and the school's learning environment and prohibits such behavior. BULLYING PREVENTION

The board recognizes the negative impact that bullying has on student health, welfare, safety, and the school's learning environment and prohibits such behavior. Bullying is defined as any ongoing pattern of physical, verbal, or electronic abuse on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or his or her designee, at a designated school bus stop, or at school-sponsored activities or school-sponsored athletic events.

Bullying may constitute grounds for detention, suspension, expulsion or mandatory reassignment, subject to state and federal statutes and the district's student discipline and due process procedures.

Every report of alleged bullying that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing bullying investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged bullying.

It shall be the responsibility of the superintendent to implement appropriate programs or procedures for the purpose of educating students regarding bullying prevention.

This policy shall be reviewed annually.

DATING VIOLENCE PREVENTION

The board prohibits behavior that has a negative impact on student health, welfare, safety, and the school's learning environment. Incidents of dating violence will not be tolerated on school grounds, in district vehicles, or at school sponsored activities or school-sponsored athletic events.

Dating violence is defined as a pattern of behavior where one person uses threats of, or actually uses, physical, sexual, verbal, or emotional abuse to control his or her dating partner. Dating partner means any person, regardless of gender, involved in an intimate relationship with another person primarily characterized by the expectation of affectionate involvement whether casual, serious or long-term.

The district will provide appropriate training to staff and incorporate within its educational program age-appropriate dating violence education that shall include, but not be limited to, defining dating violence, recognizing dating violence warning signs, and identifying characteristics of healthy dating relationships.

Every report of alleged dating violence that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing dating violence investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged dating violence.

This policy shall be published in the student handbook.

Inquiries about the application of Title IX to the District may be referred to the District's Title IX Coordinator, to the Regional Office of Civil Rights of the Department of Education, or both.

The Board encourages students, employees and third parties who believe they or others have been subject to Title IX sexual harassment, other discrimination or retaliation to promptly report such incidents to the Title IX Coordinator or building principal, even if some elements of the related incident took place or originated away from school grounds, school activities or school conveyances. A person who is not an intended victim or target of discrimination but is adversely affected by the offensive conduct may file a report of discrimination with the Title IX Coordinator.

The Board designates the following individual to serve as the District's Title IX Coordinator and may or may not have the same person serve as Compliance Coordinator:

Title: _____
Office address: _____
Email: _____
Phone number: _____

Other district employees filling key roles for implementing Title IX sexual harassment procedures include investigator(s), decision-maker(s), individuals to handle appeals, and individuals to facilitate an informal resolution process. Specific individuals filling these roles may vary from complaint to complaint as appropriate.

The Director of the Regional Office of Civil Rights can be contacted at the Kansas Office of Civil Rights, U.S. Department of Education, One Petticoat Lane, 1010 Walnut Street, Suite 320, Kansas City, MO 64106, (816) 268-0550, by email to OCR.KansasCity@ed.gov.

The student's parents/guardian or any other person with knowledge of conduct that may violate this policy is encouraged to immediately report the matter to the building principal. A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the building principal, as well as properly making any mandatory police or child protective services reports required by law.

Violations of this policy, including acts of retaliation as described in this policy, or knowingly providing false information, may result in disciplinary consequences under applicable Board policy and procedures.

Any person may report sex discrimination, including sexual harassment, at any time, including during non-business hours. Such a report may be made in person, by mail, by telephone or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report.

For purposes of this policy and the grievance process, "Title IX sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:

1. A District employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
3. "Sexual assault" as defined in 20 USC 1092(f)(6)(A)(v), "dating violence" as defined in 34 USC 12291(a)(10), "domestic violence" as defined in 34 USC 12291(a)(8) or "stalking" as defined in 34 USC 12291(a)(30). These definitions are included in the procedures to this policy.

Such conduct must have taken place during a district education program or activity and against a person in the United States to qualify as sexual harassment under Title IX. An education program or activity includes the locations, events, or circumstances over which the district exercises substantial control over both the respondent and the context in which the harassment occurs. Title IX applies to all of a district's education programs or activities, whether such programs or activities occur on-campus or off-campus.

When the alleged harassment or discrimination does not meet the Title IX definition of sexual harassment, the Title IX Coordinator directs the individual to the applicable process for investigation.

Retaliation Prohibited

The District prohibits intimidation, threats, coercion or discrimination against any individual for the purpose of interfering with any right or privilege secured by Title IX or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation proceeding or hearing, or acted in opposition to practices the person reasonably believes to be discriminatory, if applicable. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX or this part, constitutes retaliation.

Confidentiality

The District must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any individual who has been alleged to be the victim or perpetrator of conduct that could constitute sexual harassment, and any witness, except as may be permitted by Family Educational Rights and Privacy Act (FERPA) or as required by law, or to carry out the purposes of the Title IX regulations, including the conduct of any investigation, hearing or judicial proceeding arising under the regulations.

Notice Requirements

The District provides notice to applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, employees and the union(s) holding collective bargaining agreements with the district with the name or title, office address, email address and telephone number of the Title IX Coordinator and notice of the District grievance procedures and process, including how to report or file a complaint of sex discrimination, how to file a formal complaint of sexual harassment and how the District will respond. The District also posts the Title IX Coordinator's contact information and Title IX policies and procedures in a prominent location on the District website and in all handbooks made available by the District.

Training Requirements

The District ensures that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receives training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and grievance process including examination of evidence, handling hearings, appeals and informal resolution processes, when applicable, how to address complaints that do not qualify as Title IX sexual harassment, and how to serve impartially including by avoiding prejudgment of the facts at issue, conflicts of interest

and bias. The District also ensures that decision-makers and investigators receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant as set forth in the formal procedures that follow, and training on any technology to be used at a live hearing, if applicable. Investigators also receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. All materials used to train individuals who receive training under this section must not rely on sex stereotypes and must promote impartial investigations and judgments of formal complaints of sexual harassment and are made publicly available on the District's website.

Conflict of Interest and Bias

The District ensures that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process do not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Determination of Responsibility

The individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment is presumed not responsible for alleged conduct. A determination regarding responsibility will be made by the decision-maker at the conclusion of the investigation in accordance with the process outlined in the accompanying regulation. No disciplinary sanctions will be imposed unless and until a final determination of responsibility is reached.

Other Title IX Coordinator Duties

The Title IX Coordinator, along with the Compliance Coordinator, shall fulfill designated responsibilities to ensure adequate nondiscrimination procedures are in place, to recommend new procedures or modifications to procedures and to monitor the implementation of the district's nondiscrimination procedures in the following areas, as appropriate:

TITLE IX SEXUAL HARASSMENT PROCEDURES

The Board requires the following procedures to be followed for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited as sexual harassment by Title IX. The Board directs the process to be published in accordance with all statutory and regulatory requirements.

Definitions

The following definitions apply for Title IX policies and procedures:

“Actual knowledge:” notice of sexual harassment or allegations of sexual harassment to the District’s Title IX Coordinator or any official of the District who has authority to institute corrective measures on behalf of the District, or to any employee of an elementary or secondary school.

“Education program or activity:” includes locations, events or circumstances over which the District exercised substantial control over both the individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment, and the context in which the sexual harassment occurs.

“Respondent:” an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

For purposes of this policy and the grievance process, “Title IX sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. A District employee conditioning the provision of an aid, benefit, or service of the District on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education program or activity; or

Reviewed _____ Revised _____

3. “Sexual assault” as defined in 20 USC 1092(f)(6)(A)(v), “dating violence” as defined in 34 USC 12291(a)(10), “domestic violence” as defined in 34 USC 12291(a)(8) or “stalking” as defined in 34 USC 12291(a)(30). These definitions are included in the procedures to this policy.
- A. “Dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined by the following factors:
 - i. Length of relationship.
 - ii. Type of relationship.
 - iii. Frequency of interaction between the persons involved in the relationship.
 - B. “Domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving federal funding, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
 - C. “Sexual assault” means a sexual offense under state or federal law that is classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
 - D. “Stalking,” under Title IX means stalking on the basis of sex, for example when the stalker desires to date a victim. Stalking means to engage in a course of conduct directed at a specific person that would cause a reasonable person to either:
 - i. Fear for their safety or the safety of others.
 - ii. Suffer substantial emotional distress.

District Requirements

When the District has actual knowledge of sexual harassment in an education program or activity of the District, the District will respond promptly in a manner that is not deliberately indifferent. When the harassment or discrimination on the basis of sex does not meet the definition of sexual harassment, the Title IX Coordinator will direct the individual to the applicable sex discrimination process for investigation.

The District treats individuals who are alleged to be the victim (Complainant) and perpetrator (Respondent) of conduct that could constitute sexual harassment equitably by offering supportive

measures. Supportive measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling or employee assistance program, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, leaves of absence, increased security and monitoring of certain areas of the District's property, campus escort services, assistance from domestic violence or rape crisis programs, assistance from community health resources, changes in work locations and other similar measures.

For students, supportive measures may also include assessments or evaluations to determine eligibility for special education or related services, or the need to review an Individualized Education Program (IEP) or Section 504 Service Agreement based on a student's behavior. This could include, but is not limited to, a manifestation determination or functional behavioral assessment (FBA), in accordance with applicable law, regulations or Board policy.

The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Upon the receipt of a complaint, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the Complainant the process for filing a formal complaint. If the District does not provide the Complainant with supportive measures, then the District must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

Timelines

The District has established reasonably prompt time frames for the conclusion of the grievance process, including time frames for filing and resolving appeals and informal resolution processes. The grievance process may be temporarily delayed or extended for good cause. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. In the event the grievance process is temporarily delayed for good cause, the District will provide written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action.

Response to a Formal Complaint

At the time of filing a formal complaint, a Complainant must be participating in or attempting to participate in the education program or activity of the District with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, by electronic mail, or other means designated by the District. The District must follow the formal complaint process before the imposition of any disciplinary sanctions or other actions that are not supportive measures.

Upon receipt of a formal complaint, the District must provide written notice to the known parties including:

1. Notice of the allegations of sexual harassment, including information about the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, the date and location of the alleged incident, and any sufficient details known at the time. Such notice must be provided with sufficient time to prepare a response before any initial interview;
2. An explanation of the District's investigation procedures, including any informal resolution process;
3. A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made by the decision-maker at the conclusion of the investigation;
4. Notice to the parties that they may have an advisor of their choice who may be, but is not required to be, an attorney, and may inspect and review any evidence and
5. Notice to the parties of any provision in the District's code of conduct or policy that prohibits knowingly making false statements or knowingly submitting false information.

If, in the course of an investigation, the District decides to investigate allegations about the Complainant or Respondent that are not included in the notice initially provided, notice of the additional allegations must be provided to known parties.

The District may consolidate formal complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Emergency Response Measures

Nothing in this policy precludes the District from removing a Respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the Respondent with notice and an opportunity to challenge the decision immediately following the removal. Nor does it preclude the District from placing a non-student employee Respondent on administrative leave while awaiting the determination of the complaint procedures. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

Investigation of a Formal Complaint

When investigating a formal complaint and throughout the grievance process, the District must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the District and not the parties;
2. Provide an equal opportunity for the parties to present witnesses and evidence;
3. Not restrict either party's ability to discuss the allegations under investigation or to gather and present relevant evidence;
4. Allow the parties to be accompanied with an advisor of the party's choice who may be, but is not required to be, an attorney. The District may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
5. Provide written notice of the date, time, location, participants, and purpose of any interview or meeting at which a party is expected to participate, with sufficient time for the party to prepare to participate;
6. Provide the parties equal access to review all the evidence collected which is directly related to the allegations raised in a formal complaint and comply with the review periods outlined in this process;
7. Objectively evaluate all relevant evidence without relying on sex stereotypes;
8. Ensure that Title IX Coordinators, investigators, decision-makers, and individuals who facilitate an informal resolution process, do not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent;
9. Not make credibility determinations based on the individual's status as Complainant, Respondent or witness;
10. Not use questions or evidence that constitute or seek disclosure of privileged information unless waived.

Dismissal of Formal Complaints

If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the District's education program or activity, or did not occur against a person in the United States, then the District must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under this policy.

The Title IX Coordinator also may dismiss the formal complaint or any allegations therein at any time during the investigation or hearing, if applicable, when any of the following apply:

1. A Complainant provides written notification to the Title IX Coordinator that the Complainant would like to withdraw the formal complaint or any allegations therein;
2. The Respondent is no longer enrolled or employed by the District; or
3. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon dismissal, the Title IX Coordinator promptly sends written notice of the dismissal and the reasons for dismissal simultaneously to both parties.

Evidence Review

The District provides both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. The evidence provided by the District must include evidence that is directly related to the allegations in the formal complaint, evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and any inculpatory or exculpatory evidence whether obtained from a party or other source. Prior to completion of the investigative report, the Title IX Coordinator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. The parties have 10 calendar days to submit a written response to the Title IX Coordinator, which the investigator will consider prior to completion of the investigative report.

Investigative Report

The investigator must prepare an investigative report that fairly summarizes relevant evidence and send the report to the Title IX Coordinator. The Title IX Coordinator must send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response. The parties have 10 calendar days to submit a written response to the Title IX Coordinator.

Decision-Maker's Determination

The investigative report is submitted to the decision-maker. The decision-maker cannot be the same person(s) as the Title IX Coordinator or the investigator. The decision-maker cannot hold a hearing or make a determination regarding responsibility until 10 calendar days from the date the Complainant and Respondent receive the investigator's report.

Prior to reaching a determination regarding responsibility, the decision-maker must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up

questions from each party. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. Questions must be submitted to the Title IX Coordinator within three calendar days from the date the Complainant and Respondent receive the investigator's report.

The decision-maker must issue a written determination regarding responsibility based on a preponderance of the evidence standard. The decision-maker's written determination must:

1. Identify the allegations potentially constituting sexual harassment;
2. Describe the procedural steps taken, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather evidence, and hearings held;
3. Include the findings of fact supporting the determination;
4. Draw conclusions regarding the application of any District policies and/or code of conduct rules to the facts;
5. Address each allegation and a resolution of the complaint including a determination regarding responsibility, the rationale therefor, any recommended disciplinary sanction(s) imposed on the Respondent, and whether remedies designed to restore or preserve access to the educational program or activity will be provided by the District to the Complainant and
6. The procedures and permissible bases for the Complainant and/or Respondent to appeal the determination.

A copy of the written determination must be provided to both parties simultaneously, and generally will be provided within 60 calendar days from the District's receipt of a formal complaint.

The determination regarding responsibility becomes final either on the date that the District provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

Where a determination of responsibility for sexual harassment has been made against the Respondent, the District will provide remedies to the Complainant that are designed to restore or preserve equal access to the District's education program or activity. Such remedies may include supportive measures; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the Respondent. The Title IX Coordinator is responsible for effective implementation of any remedies. Following any determination of responsibility, the District may

implement disciplinary sanctions in accordance with State or Federal law and or/the negotiated agreement.

A student who is determined to be responsible for violation of this policy shall be subject to appropriate disciplinary action consistent with school policies and regulations, which may include but is not limited to loss of school privileges, permanent transfer to another school building, classroom or school bus, exclusion from school-sponsored activities, detention, suspension, expulsion, or referral to law enforcement officials.

An employee who violates this policy shall be subject to appropriate disciplinary action consistent with the applicable Board policy, collective bargaining agreement and individual contract, up to and including dismissal and/or referral to law enforcement officials.

Appeals

Either the Complainant or Respondent may appeal the decision-maker's determination regarding responsibility or a dismissal of a formal complaint, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time that could affect the outcome;
and
3. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent that affected the outcome.

The request to appeal must be made in writing to the Title IX Coordinator within seven calendar days after the date of the written determination. The appeal decision-maker must not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent and cannot be the Title IX Coordinator, the investigator, or the decision-maker from the original determination.

The appeal decision-maker must notify the other party in writing when an appeal is filed and give both parties a reasonable equal opportunity to submit a written statement in support of, or challenging, the outcome. After reviewing the evidence, the appeal decision-maker must issue a written decision describing the result of the appeal and the rationale for the result. The decision must be provided to both parties simultaneously, and generally will be provided within 10 calendar days from the date the appeal is filed.

Informal resolution process

Except when concerning allegations that an employee sexually harassed a student, at any time during the formal complaint process and prior to reaching a determination regarding responsibility, the District may facilitate an informal resolution process, such as mediation, that

does not involve a full investigation and determination of responsibility, provided that the District:

1. Provides to the parties a written notice disclosing:
 - A. The allegations;
 - B. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint and
 - C. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.
2. Obtains the parties' voluntary, written consent to the informal resolution process.

The informal resolution process generally will be completed within 30 calendar days unless the parties and the Title IX Coordinator mutually agree to temporarily delay or extend the process. The formal grievance process timelines are stayed during the parties' participation in the informal resolution process. If the parties do not reach resolution through the informal resolution process, the parties will resume the formal complaint grievance process, including timelines for resolution, at the point they left off.

Recordkeeping

The District must maintain for a period of seven years records of:

1. Each sexual harassment investigation, including any determination regarding responsibility, any disciplinary sanctions imposed on the Respondent, and any remedies provided to the Complainant designed to restore or preserve equal access to the District's education program or activity;
2. Any appeal and its result;
3. Any informal resolution and its result; and
4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The District must make these training materials publicly available on its website.

The District must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the District must document the basis for its conclusion that its

response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity.

SUSPENSION AND EXPULSION OF STUDENTS

The authority to suspend for a "short term" and to propose an "extended term" suspension and/or expulsion is delegated to the principal or his or her designee. A short-term suspension shall mean the exclusion of a student from school attendance for a period not to exceed five school days. A long-term suspension means the exclusion of a student from school attendance for a period exceeding five school days but less than twenty school days.

The provisions of this section apply to all pupils enrolled in the school district. When considering possible courses of action for special education students in regard to alleged violations of school rules, policies, and regulations, procedural due process rights guaranteed under applicable Federal and State statutes are applicable. The school district is obligated to see that every special education student is provided an appropriate educational program without cost to the parent. Conversely, schools are not required to maintain pupils who are a danger to themselves or others in regular attendance centers.

Suspension from classes or school will not be carried out unless the student while subject to school authority:

1. uses violence, force, threat or intimidation in a manner causing substantial interference with school purposes; or
2. causes or attempts to cause substantial damage to school or private property or steals or attempts to steal school or private property of substantial value; or
3. causes or attempts to cause physical injury to another person except in self-defense; or threatens or intimidates any student for the purpose or intent of obtaining something of value from the student; or
4. possesses or transmits any firearm, knife, explosive or other dangerous object that is ordinarily considered a weapon; or
5. engages in the unlawful possession, selling, dispensing, or use of a controlled substance or an imitation controlled substance, as defined in section 28-401, a substance represented to be a controlled substance, or alcoholic liquor as defined in section 53-103 or being under the influence of a controlled substance or alcoholic liquor; or
6. commits public indecency as defined in Nebraska statute 28-806 if that student is at least twelve years of age but less than nineteen years of age; or
7. commits or attempts to commit sexual assault against any person if a complaint has been filed by a prosecutor alleging the incident as required in Nebraska statute 79-267.8; or
8. engages in bullying as defined in section 79-2,137; or
9. engages in any other illegal activity which constitutes a danger to other students or interferes with school purposes; or
10. repeatedly violates the policies, rules and standards of student conduct established by the district.

A given suspension will be for a period of time not to exceed 5 school days. A student will be informed of the charges against him or her and, if the student denies them, an explanation of the evidence will be given and the student will be given an opportunity to refute the charges. No time delay is necessary between the time a pupil is notified of the charges and the time of the hearing before the principal.

Guidelines to ensure that students are afforded due process during a suspension or proposed suspension from school will be developed. The procedural rules, regulations and guidelines will be approved by the Board of Education and made known to students, parents and school staff.

Every report of alleged violations of student conduct policies that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing student conduct investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged violations of student conduct policies.

Administrative procedures complying with the Student Discipline Act shall also be in place to ensure due process to the student should the principal decide to administer a long-term suspension, expulsion, or mandatory reassignment.

Emergency Exclusion: Any student may be excluded from school in the following circumstances:

- 1) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
- 2) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Such an emergency exclusion shall be based upon a clear factual situation warranting it and shall last not longer than is necessary to avoid the dangers described above.

If the emergency exclusion will be for five days or less, the procedures for a short-term suspension shall be followed. If the superintendent or his or her designee determines that such emergency exclusion shall extend beyond five days, a hearing will be held and a final determination made within ten school days after the initial date of exclusion. Such procedure shall substantially comply with the procedures set forth in state statutes 79-266 to 287 for a long-term suspension or expulsion and be modified only to the extent necessary to accomplish the hearing and determination within this shorter time period.

The principal should make a reasonable effort to contact the parent(s) or guardian(s) of a suspended student by telephone or to communicate to them directly regarding the specific

act(s) for which the suspension is ordered and the length of the suspension. If personal contact cannot be made then a notice will be mailed to parents within 24 hours stating the specific act(s) for which the suspension is ordered and the length of the suspension.

All records and documentation regarding suspension will be destroyed within three years of the student's continuous absence from school. No information regarding a suspension will be communicated to any person not directly involved in the disciplinary proceedings.

The right of appeal to the Board of Education in cases involving student suspension described in this policy does not extend to a suspension from a student extracurricular activities program or other disciplinary action affecting participation in an extracurricular activities program.

For the purposes of this policy and as defined in the Student Discipline Act, expulsion shall mean exclusion from attendance in all schools within the district for a period of time as defined in Nebraska statute 79-283.

Students may be expelled for violations of board policy, school rules or the law. It shall be within the discretion of the administrator to discipline a student by using an expulsion for a single offense or for a series of offenses depending on the nature of the offense and the circumstances surrounding the offense.

The superintendent will develop procedural rules, regulations and guidelines governing expulsions. These shall be approved by the Board of Education and made known to students, parents and school staff. The principal shall keep records of all expulsions.

All cases of expulsion shall be preceded by short-term suspension and its related procedures or by the condition of emergency exclusion which applies only when a student (a) has a dangerous communicable disease transmissible through normal school contacts and poses an immediate threat to the health and safety of the school community; or (b) exhibits conduct which presents a clear threat to the physical safety of himself/herself or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

When a student is expelled, the student shall be provided with:

1. Notice of the standard of conduct allegedly violated, acts the student is alleged to have committed and a summary of the evidence to be presented against the student;
2. The penalty, if any, which the principal has recommended in the charge and any other penalty to which the student may be subject;
3. A statement that the student has a right to a hearing, upon request, on the specified charges;

4. A description of the hearing procedures, along with procedures for appealing any decision rendered at the hearing;
5. A statement the principal, legal counsel for the school, the student, the student's parent or representative or guardian has the right;
 - A. to examine the student's academic and disciplinary records and any affidavits to be used at the hearing concerning the alleged misconduct and;
 - B. to know the identity of the witnesses to appear at the hearing and the substance of their testimony;
6. A form on which the student or the student's parent/guardian may request a hearing.

Violations of Law Relating to Suspensions or Expulsions

1. Student violations or suspected violations of Nebraska law will be reported to law enforcement as soon as possible. Conduct to be reported for law enforcement referral includes conduct that may constitute a felony, conduct which may constitute a threat to the safety or well-being of students or others in school programs and activities, and conduct that the legal system is better equipped to address than school officials. Student violations of school policy that are not apparent violations of law will be addressed by school administrators without reporting them to law enforcement. Administrators should consider the student's maturity, and known behavioral, emotional or mental disorders, if applicable. It will be the responsibility of the referring administrator to contact the student's parent that a referral to legal authorities has been or will be made, if applicable.

On or before August 1 the school board will annually review the reporting guidelines above with the County Attorney. These shall be distributed to all parents and guardians and their students at the beginning of each school year, or at the time of enrollment if during the school year. The guidelines shall also be posted conspicuously in each school during the school year.

2. Except in instances of suspected child abuse, when a principal or designee releases a minor student to a law enforcement officer for the purpose of removing the minor from the school premises, immediate steps shall be taken to notify the parent, guardian, or other relative having control of the minor about the minor's release to the officer and about the place to which the minor is reportedly being taken. In cases of suspected child abuse, the principal or designee will provide the law enforcement officer with the address and telephone number of the minor's parents or guardian.

Supplemental to these procedures, a special education student must be provided with additional procedures. A determination should be made of whether the student is actually guilty of the misconduct. A staffing team should determine whether the student's behavior is caused by the student's disability and whether the conduct is the result of inappropriate placement. Discussions and conclusions of this meeting should be recorded.

The authority to suspend for a "short term" and to propose an "extended term" suspension and/or expulsion is delegated to the principal or his or her designee. 4. A description of the hearing procedures, along with procedures for appealing any decision rendered at the hearing;

 - A. to examine the student's academic and disciplinary records and any affidavits to be used at the hearing concerning the alleged misconduct and;

Multiple Plans Being Prepared

The information in this document includes the details of our 100% Return to School Plan. It is important for parents to know that we are also developing a plan for other options. We have a plan if we have to limit the number of students in school or if we have to close school and do remote learning for the whole school or a portion of the school. We know the year ahead has many unknowns. We will be prepared to continue to provide an excellent education for all students no matter what the situation may be.

Plan for Students Not Attending School

Note: Information in this document pertains to students that are planning to attend school in person. If your child has a medically diagnosed condition or extenuating family circumstances and won't be attending school in person, the information in this document DOES NOT pertain to you. Families whose students are not attending due to a medically diagnosed condition will receive separate communication prior to August 10th. Families without a medically diagnosed condition will need to follow the information in this plan.

Special Thanks to Action Teams and Focus Groups

We want to extend a special thank you to the board of education, directors, principals, nurses, and tech staff that helped develop this plan or provided us with input once the plan was developed. Many of these individuals have worked numerous hours to help make this return to school safe and successful for all students and staff. We also want to thank the East Central Health Department for their help and support with the development of the plan.

Protect the Physical & Mental Health of Students and Staff

What is SCS doing to keep students and staff healthy and safe?

- Distribute masks before school/bus and collect masks after school to be washed and disinfected.
- Implement social distancing, where feasible, limit class size, limit unnecessary student movement.
- Provide and implement personal protective equipment (PPE) for staff where necessary.
- Clean and disinfect desks between student use.
- Clean and disinfect high touch areas frequently throughout day.
- Conduct extensive cleaning and disinfecting every night.
- All supplies & equipment cleaned between uses - limit sharing of supplies.
- Require masks of all visitors to school buildings.
- Limit visitors to schools during school day and use of school facilities by outside groups.

What will families do to keep everyone healthy and safe?

- Wear Masks! Encourage the use of masks in public and in accordance with CDC Guidelines.
- Complete daily health pre-screening at home prior to coming to school.
- Stay home if sick or showing any symptoms - Don't take a chance!
- Practice good hygiene (hand washing, cough etiquette, etc.) at all times.

Keep Students In School

Masks required for all students & staff

Mask Guidelines

SCS is requiring masks for anyone over the age of 2 entering a school or school property. Each school is planning designated mask breaks for students throughout the day. Mask breaks will be built into the day at all levels. Masks will not be required by students when exercising during PE, at recess or during lunch. Accommodations will be made for students with a medical condition that prohibit them from wearing a mask.

- Students and staff can wear their own masks or a mask will be provided to each student.
- Masks must follow the district guidelines for appropriate attire.

Why Masks?

As we focus on keeping students and staff safe and in school as long as possible, masks are a critical factor. In the event that a student at school tests positive for COVID-19, wearing masks is a key factor in determining what other students and staff need to be quarantined or removed from school and activities. Masks will help keep students and staff safe and keep students in school!

I wear my mask in public for three reasons.

- 1. Humility:** I don't know if I have COVID as it is clear that people can spread the disease before they have the symptoms.
- 2. Kindness:** I don't know if the person I am near has a child battling cancer, or cares for their elderly mom. While I might be fine, they might not.
- 3. Community:** I want my community to thrive, business to stay open, employees to stay healthy and students to stay in school. Keeping a lid on COVID helps us all.

How to Safely Wear and Take Off a Cloth Face Covering

Accessible: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>

WEAR YOUR FACE COVERING CORRECTLY

- Wash your hands before putting on your face covering
- Put it over your nose and mouth and secure it under your chin
- Try to fit it snugly against the sides of your face
- Make sure you can breathe easily
- Do not place a mask on a child younger than 2

USE THE FACE COVERING TO HELP PROTECT OTHERS

- Wear a face covering to help protect others in case you're infected but don't have symptoms
- Keep the covering on your face the entire time you're in public
- Don't put the covering around your neck or up on your forehead
- Don't touch the face covering, and, if you do, clean your hands

FOLLOW EVERYDAY HEALTH HABITS

- Stay at least 6 feet away from others
- Avoid contact with people who are sick
- Wash your hands often, with soap and water, for at least 20 seconds each time
- Use hand sanitizer if soap and water are not available

TAKE OFF YOUR CLOTH FACE COVERING CAREFULLY, WHEN YOU'RE HOME

- Untie the strings behind your head or stretch the ear loops
- Handle only by the ear loops or ties
- Fold outside corners together
- Place covering in the washing machine
- Wash your hands with soap and water

Cloth face coverings are not surgical masks or N-95 respirators, both of which should be saved for health care workers and other medical first responders.

How to Help Your Child *Adapt* to Wearing a Mask

Explain Why

Use easy-to-understand language and positive phrasing.

For example, "Many people are sick right now. Wearing a mask will protect you from germs."

Practice Makes Perfect

Shape the behavior by breaking it down into smaller steps. Then practice & reinforce each step.

1. Holding the mask.
2. Putting it against his/her face.
3. Securing the elastic.
4. Keeping the mask on for a period of time.

Explain the Upside

Talk with your child about the importance of masks and if we all wear masks then schools can have activities and sporting events.

Let's Pretend

Integrate masks into your favorite pretend play schemes.

Encourage your child to dress up as a doctor, nurse or veterinarian.

Take a Picture

Ask family members or friends to take pictures of themselves wearing masks.

You can even arrange a virtual get together so everyone can show off their masks.

Start with Familiar Clothing

Choose clothing and fabric that your child already wears and turn it into a mask.

Some ideas include a scarf or a bandanna.

Give Positive Reinforcement

Recognize your child when they are wearing their mask with positive reinforcement.

Model mask wearing for your child.

Talk About the Science

Talk with your child about how masks work to help prevent the spread of germs.

Stuffed Animals & Dolls Need Masks Too

Put a mask on your child's favorite stuffed animal or doll as a reminder that we are all in this together!

Get Creative

Allow your child to decorate their mask using crayons or markers.

If you are planning to make a DIY cloth mask, allow him/her to pick the fabric color or pattern.

PARENT/STUDENT REMOTE OR ALTERNATE LEARNING ELECTION FORM

I represent that I am a legal, responsible adult. I represent and warrant that I am signing this document for myself and my child(ren).

The novel coronavirus (also known as “COVID-19”) is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend the wearing of masks and social distancing. In many locations, those same agencies have prohibited the congregation of groups of people.

The Schuyler Public School District (“the District”) has endeavored to implement preventative measures to reduce the potential spread of COVID-19 during the 2020-2021 school year; however, the District cannot guarantee that you or your child(ren) will not become infected with COVID-19.

Given the potential risks of the COVID-19 pandemic, the District will provide a remote learning option for those parents and students who affirmatively elect not to send their child(ren) to in-person instruction. Those parents who affirmatively elect the remote option do so knowing that the District is willing to educate their students in-person. By affirmatively electing the remote learning option, I understand that my child(ren) may not receive the same level of education and may miss other important components of in-person school, such as social and emotional development. I also understand and acknowledge that my child(ren) may not be eligible for certain activities as a remote learning student. Nonetheless, I elect to enroll my child(ren) in a remote learning environment for the 2020-2021 school year. I further understand that, by electing to enroll my child(ren) in the remote learning environment, I will not be able to change my decision to in-person instruction until the second semester of the 2020-2021 school year.

I understand that this decision is entirely voluntary and that the District will educate my child(ren) in person if I decline to sign and submit this form.

I understand and agree that my signature below represents a signature on behalf of myself and my child(ren).

FORMULARIO DE ELECCIÓN DE APRENDIZAJE REMOTO O ALTERNO PARA PADRES / ESTUDIANTES

Declaro que soy un adulto legal y responsable. Declaro y garantizo que estoy firmando este documento para mí y para mi (s) hijo (s).

El nuevo coronavirus (también conocido como “COVID-19”) es extremadamente contagioso y se cree que se transmite principalmente por contacto de persona a persona. Como resultado, los gobiernos federales, estatales y locales y las agencias de salud federales y estatales recomiendan el uso de máscaras y el distanciamiento social. En muchos lugares, esas mismas agencias han prohibido la congregación de grupos de personas.

El Distrito de Escuelas Públicas de Schuyler ("el Distrito") se ha esforzado por implementar medidas preventivas para reducir la posible propagación de COVID-19 durante el año escolar 2020-2021; sin embargo, el Distrito no puede garantizar que usted o su (s) hijo (s) no se infectarán con COVID-19.

Dados los riesgos potenciales de la pandemia de COVID-19, el Distrito proporcionará una opción de aprendizaje remoto para aquellos padres y estudiantes que opten afirmativamente por no enviar a sus hijos a la instrucción en persona. Los padres que eligen afirmativamente la opción remota lo hacen sabiendo que el Distrito está dispuesto a educar a sus estudiantes en persona. Al elegir afirmativamente la opción de aprendizaje remoto, entiendo que mi (s) hijo (s) pueden no recibir el mismo nivel de educación y pueden perder otros componentes importantes de la escuela en persona, como el desarrollo social y emocional. También entiendo y reconozco que mi (s) hijo (s) pueden no ser elegibles para ciertas actividades como estudiante de aprendizaje remoto. No obstante, elijo inscribir a mi (s) hijo (s) en un entorno de aprendizaje remoto para el año escolar 2020-2021. Además, entiendo que, al optar por inscribir a mis hijos en el entorno de aprendizaje remoto, no podré cambiar mi decisión a la instrucción en persona hasta el segundo semestre del año escolar 2020-2021.

Entiendo que esta decisión es totalmente voluntaria y que el Distrito educará a mis hijos en persona si me niego a firmar y enviar este formulario.

Entiendo y acepto que mi firma a continuación representa una firma en mi nombre y en mi (s) hijo (s).
