V. FAREWELL TO DEPARTING BOARD MEMBERS – Words of thanks and farewell were offered.

VI. COMMITTEE/BOARD MEMBER ITEMS – Board members shared highlights of their recent activities. Chair Rochester noted that the Board’s self-evaluation will be conducted at the Board’s August 17, 2015 meeting.

A. Report on 6/8/15 Meeting with City Leadership

Chair Rochester provided highlights of the recent meeting, which was attended by Chair Rochester, Vice Chair Sauret, Superintendent Prince, Assistant Superintendent Bogatin, Finance and Operations Director Nielsen, and the following members from the City of Corvallis: Mayor Trabor, Council President York, Council Vice President Brauner, and City Manager Shepard. Chair Rochester noted that both agencies wish to have more structured contact in order to communicate about issues of common interest.

VII. SUPERINTENDENT'S REPORT – Dr. Prince provided the latest information regarding activities of the Oregon Legislature relating to fifth year programs. She also gave her reflections on the 2014-15 school year.

VIII. PUBLIC AND STAFF TESTIMONY

Chair Rochester read aloud the directions regarding public testimony.

Katalin Pusztavari, 2913 NW Lincoln, Corvallis, spoke about the number of autism specialists the District will fund next year, saying she heard there might possibly be just one FTE. She provided examples of how cutting one of the autism specialist positions would be bad for kids. She spoke about her son’s experience, adding that she fears that not many parents can advocate for their kids. She opined that problems in classrooms are fairly easy to fix with the support of an autism specialist.

Denise Cardinali, 6017 SW Grand Oaks, Corvallis, read from a prepared statement (which was provided to the Board and will be filed with these minutes) regarding autism specialist staffing, saying she has grave concerns regarding the District’s decision to reduce autism specialist staffing from two to one FTE. She shared examples and observations, saying that general education teachers and assistants, administrators, and many special education staff lack adequate knowledge and training to support the students with autism. She urged the District to review the allocation of resources to fully fund a second autism specialist. Also, Ms. Cardinali had a prepared statement with her regarding the high school schedule; however, she was unable to share it orally due to time constraints for public testimony. She provided the Board a copy of that statement as well, and it will be filed with these minutes.

IX. BUDGET ACTIONS – 2014-15 BUDGET

Finance and Operations Director Nielsen provided a brief update on legislative action and revenue forecasts since the May 11, 2015 meeting of the Budget Committee. He touched on the discussion that took place by the Budget Committee at that meeting regarding the funding level for the Rainy Day Reserve.

Following a question from Vice Chair Sauret regarding the public testimony about autism specialist staffing, Assistant Superintendent Bogatin and Dr. Prince provided clarifying information regarding the model the District will be moving toward for providing services to students with autism.

Director Ball referenced action taken by the Board at its June 23, 2014 meeting regarding funding of the Rainy Day Reserve. She suggested that the resolution be updated, noting that it would be valuable to the work of the 2015-16 Budget Committee if it were in writing. Board discussion ensued, with clarifying information provided by Mr. Nielsen.

MOTION:

It was moved by Director Adams and seconded by Director Ball that after the 2014-15 fiscal year is closed, any additional Beginning Fund Balance in excess of 2015-16 requirements be added to the Rainy Day Reserve, with the Contingency and UEFB maintained at the board policy levels. In addition, at least 50 percent of unanticipated 2015-16 General Fund revenues, exclusive of current year State School Fund and grant or other non-General Fund revenue, will be dedicated to the Rainy Day Reserve, subject to Board discussion. Further, the board recommends that the Rainy Day Reserve be rebuilt to the board policy level of 5 percent of General Fund current resources over a period of three years, beginning with the 2015-16 fiscal year. The motion was voted on and unanimously approved.

- A. **Resolution No. 15-0601 – Transfer of Appropriations in General Fund (100), Food Service Fund (203), District Donation Fund (204), and Student Body Fund (297)**

MOTION:

It was moved by Director Heaney and seconded by Director Kemper that Resolution No. 15-0601 be approved to transfer appropriations within the General Fund, Food Service Fund, District Donation Fund, and Student Body Fund as recommended. The motion was voted on and unanimously approved.

(The resolution will be filed with the minutes of this meeting.)

The motion was voted on and unanimously approved.

(The resolution will be filed with the minutes of this meeting.)

XII. LONG RANGE FACILITIES UPDATE

Finance and Operations Director Steve Nielsen and Maintenance Manager Kim Patten provided a draft timeline and briefly discussed it. Ms. Patten committed to giving the Board regular updates every step of the way. She said this year the planning is starting with our Student Services Department rather than engineers and architects.

Comments from Chair Rochester and Vice Chair Sauret included:

- It's very important for the Board to feel participatory in this from the beginning, rather than just being presented with a huge package.
- We talked with the city about their involvement and they are looking forward to helping.
- This is one of the things we will need to communicate regularly with the city.
- We're starting with a "how should education get delivered?" focus, followed by a focus on "what facilities changes are needed to give it the best possible chance of succeeding?"
- This is a long range education plan; we have to take great care that we don't default to a much more conventional process of "where are we going to place the building?"
- We need to be fairly courageous in putting everything on the table and not assume that all of the buildings we have will just continue to function as they have in the past; thinking about education 10 years out, it will require some pretty dramatic changes in the physical facilities.
- We'll have to go to the voters to renew the Local Option Levy; even though it passed last time, we can't take it for granted that it will again.
- We have to be as candid and clear with the voters as possible about what the money would be used for.
- If we want to dramatically reduce class sizes, we need to explain to the voters that we're talking about millions of dollars of unavoidable expenses.

Chair Rochester referred to implementation of the last steps of a District-wide equity plan. He said that fundamental principles would include equal access and opportunities for all students in all of our schools; ensuring that there are no islands of exceptional privilege or islands of exceptional disenfranchisement or disengagement. He said it is important to remember that we are one district of 13 schools, not an archipelago of 13 schools going their own separate ways. He stressed that we have to do whatever we can to make the District more equitable.

XIII. ELECTION OF OFFICERS FOR 2015-16

- A. Chair** – Vice Chair Sauret nominated Chris Rochester as Board Chair for 2015-16. **The Board voted unanimously in support of the nomination.**
- B. Vice Chair** – Director Adams nominated Tom Sauret as Board Vice Chair for 2015-16. **The Board voted unanimously in support of the nomination.**

XIV. SWEAR IN ELECTED BOARD MEMBERS – Vice Chair Sauret administered the Oath of Office to Chris Rochester and Judy Ball, who were re-elected in May. Alexis McQuillan was unable to attend tonight's meeting; she will be sworn in by Superintendent Prince at a later date.

XV. CONSOLIDATED ACTION

X.D. Agreement with The Hello Foundation for SLP Services

BOARD MEETING DATE: August 17, 2015

SUBJECT: Agreement with The Hello Foundation for Speech Language Pathologists for 2015-16

Last year the district entered into an agreement with The Hello Foundation, Based in Portland, Oregon to provide 2.0 FTE Speech Language Pathologists. After a successful year with Hello Foundation we needed to make a decision to renew the contract or hire internally by April 15, 2015.

The district has been actively searching for qualified Speech Language Pathologist (SLP) candidates since last fall and to this date there have been a limited number of qualified applicants. This follows a shortage trend of SLPs regionally, statewide, and nationally.

Given the limited applicant pool we decided during the budget process to plan for one more year of service with The Hello Foundation and their assigned SLPs.

The Hello Foundation contracts with districts utilizing what is referred to as the "Hello There" model, in which an SLP comes to the district for a week and then provides online and phone therapy and conferencing for the remaining three weeks.

District costs for 2014-15 were \$239,164, including travel expenses.

The estimated cost for nine months of service is \$110,080 (\$80/hour for 1376 hours of service) plus \$9,500 in travel expenses for each SLP. Total costs for contracted SLP services for 2015-16 would be approximately \$240,000.

Motion Requested: I move that staff be authorized to enter into an agreement with The Hello Foundation for services to be provided 2015-16 at a cost not to exceed \$245,000.

Presenters: Kevin Bogatin, Assistant Superintendent
