AGENDA
Special Meeting of the
BOARD OF DIRECTORS
Corvallis School District 509J

Meeting Details: Thursday, September 24, 2020, 6:30 PM in the District Office Board Room, 1555 SW 35th Street, Corvallis, OR 97333.

If you would like to watch live-streaming of the School Board meeting, please navigate to the District's YouTube channel: <https://www.youtube.com/channel/UC9Jtpte5dmilZI9kySBJbVQ?> A recording of the meeting will also be posted to that channel.

- I. CALL TO ORDER AND ROLL CALL (6:30 p.m.)*
- II. PLEDGE OF ALLEGIANCE
- III. EQUITY TRANSFORMATION PLAN

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board

Prepared by: Marcianne Rivero Koetje, Equity Coordinator

Meeting Date: September 24, 2020

Equity Transformation Plan Update

NO ACTION REQUESTED

Corvallis School District Equity Vision:

The Corvallis School District is committed to equitable access to an inclusive and rigorous learning experience and outcome that honors each student's race, culture, socioeconomic status, language, ability, gender and sexual orientation, resulting in engaged citizens of the future.

In order to realize this vision the District Equity Leadership Team created an Equity Transformation Plan during the 2015-16 school year. The Equity Transformation Plan is built on four pillars: students at the center, equity leadership development, culturally relevant learning and teaching, and family and community and engagement.

Strategic objectives for the four areas are:

- **Students at the Center:** We will align strategic priorities, resources, and staffing allocations with the commitment of students at the center to achieve equitable student outcomes.
- **Equity Leadership Development:** We will leverage and support the leadership talents of our staff and the assets of our system to achieve our mission and priorities.
- **Culturally Relevant Learning and Teaching:** We will implement culturally relevant teaching and learning practices to achieve our mission of an inclusive and rigorous learning environment for all students.
- **Family and Community Engagement and Empowerment:** We will engage families and community as partners to inform our work towards achieving our mission and core beliefs.

Since the development of the plan, we have invested resources and implemented a number of actions that are helping us move closer to our vision for equitable access and outcomes for students. Over the course of the 2020-21 school year, as part of the Oregon School

Boards Association Diane Efseaff Memorial Scholarship Program, district staff will provide updates to the Corvallis School Board for the four pillars of the transformation plan. In addition, information on strategic objectives, goals, actions and formative outcomes of each equity pillar will be reported.

Following this series of reports, district equity leadership staff will be bringing a recommendation to the board to adopt a revised equity policy, Educational Equity, ([JBB](#)).

The September 24, 2020 board meeting presentation will focus on the Family and Community Engagement and Empowerment pillar. Board members will have an opportunity to hear and engage in conversations with three members of our community; Malia Detar Cheung, Students Advocating for Equity (SAFE) student member; Emily Barton, District Equity Leadership Team Advisory (DELTA) leader; and Germaine Joseph-Hays, CSD teacher and SAFE coach. We believe community engagement is critical to inform and interrupt systems, policies and practices that have historically marginalized communities of color. We are grateful for the opportunity to present this topic and allow time for discussion with members of the Corvallis School Board. .

The Four “Pillars” of an Equity Transformation Plan

Looking through the lens of the four pillars...

Questions for the board:

1. What is the board’s role in engaging the community?
2. What modalities can/should the board use to engage the public?
3. What opportunities currently exist to engage with the board?
4. What does the board mean when it describes itself as “inaccessible”?

Questions for the community:

1. What opportunities currently exist to engage with the board?
2. How accessible are these opportunities? How accessible is the board?
3. What modalities can/should the board use to engage the community?

Corvallis
SCHOOL DISTRICT

IV. BOND UPDATE

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Kim Patten, Director of Facilities and Transportation
Meeting Date: September 24, 2020

Bond Program Update

NO ACTION REQUIRED

Background

Wenaha Group provides project management services for the Facilities Improvement Bond approved by voters in May 2018. Wenaha Group's project managers will prepare a monthly report to communicate status and progress on bond projects. The report will be included in a board packet each month, published on the district website, and shared with key communicators.

Direct questions regarding bond projects to kim.patten@corvallis.k12.or.us

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE SEPTEMBER 24, 2020

GENERAL PROGRAM UPDATE

Despite COVID-19 impacts, the summer months saw a lot of work on the project sites and in the offices of the professionals designing and managing the bond work. This month's wildfires have caused significant disruption to the projects, as the levels of smoke have exceeded OR-OSHA guidelines. In addition, many of the crews have seen evacuations or worse, impacting their lives and ability to work. At the time of this report, we are seeing a return to normalcy, with the much-needed rain.

Garfield Elementary is making progress towards being ready for teachers and students to return. The renovated classrooms in the west wing are nearing completion, and the new restrooms in the center of the building are scheduled for later this fall. The temporary office (in a classroom in the east wing) is almost done, with furnishings underway. The expanded front office has been framed and is on schedule for completion early next year. Roofing work continues, as does the completion of the parking lot. The "modular city" on the north side of the building is nearing completion, with classrooms being furnished with a reduced desk count to allow for proper social distancing when students return. A key completion element is the new power service, currently being delayed by the wildfires. PacifiCorp's crews are busy restoring power in the Santiam area, and that has been given priority.

The excitement grows at Lincoln Elementary, with structural steel now in the air. This framing process will take about two months, and the district is discussing a way to celebrate the "topping out" event (last piece of structural steel). The County's clinic was successfully relocated, and is operational. The utility work and pavement patching are complete for this phase of work. At this board meeting, you will be asked for approval on some change orders for Lincoln, capturing added costs for City plan review changes, unforeseen underground utility changes, and some transactions for permit costs. These are normal course-of-construction issues, and we have budgeted contingency funds for this type of activity.

Husky Elementary is now well underway. At the site, the soft soils have been removed and replaced with compacted rock, footings are being formed and poured and site logistics such as fencing, gates, trailers, and outdoor meeting spaces are in place. For project meetings at Husky (and Lincoln), it is intended that we meet outdoors with proper social distancing. Both sites have installed temporary covered areas to accommodate this.

Cheldelin Middle School is looking good, with a fresh new office renovation, the new restroom design, the refreshed cafeteria with stage access ramp and a variety of less visible improvements finishing up. The STEAM lab will complete later this fall. Since the last report, an electrical supply challenge was overcome, restoring power to the building. Design efforts are underway for Phase 2 work, primarily seismic and HVAC. As a reminder, the media center is already designed, and will be renovated next summer.

The designs for Jaguar, Adams and Wildcat Elementary Schools continue. The Bond Leadership team will be recommending usage of some of the remaining bond reserves, with the final amount to be determined when the projects go out for subcontractor bids and we obtain a Guaranteed Maximum Price from Fortis. This should be early in 2021.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE SEPTEMBER 24, 2020

We are targeting a November bid for CVHS CTE. The contracting market is far more favorable than when the project originally bid on April 4th, a time of great uncertainty. The seismic upgrade project is currently under design.

The CHS CTE project is almost at 100% Design Development, which indicates the architects will shift into Construction Documents mode, where additional changes are ideally avoided. The team plans to bid this work early in 2021.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE SEPTEMBER 24, 2020

FINANCIAL SUMMARY AS OF AUGUST 31, 2020

Voter Approved Issuance Authority	\$ 199,916,925	Paid to Date	\$ 36,576,373
Bond Sale Premium	28,699,499	Projected Cost to Complete	181,990,319
Bond Interest Earnings	9,607,412.54	Total Projected Cost	\$ 218,566,692
OSCIM Grant ¹	6,234,147	Program Reserves	27,872,688
Other Funding ²	1,981,396	Total Requirements	\$ 246,439,380
Total Resources	\$ 246,439,380		

¹ **Oregon School Capital Improvement Matching (OSCIM) Grant.** The district qualified to receive a matching grant through this state program. These funds are restricted to the Lincoln Elementary project.

² **Other Funding.** Additional grants and reimbursements are available from several sources including energy conservation reimbursements from the SB 1149 program and from the Energy Trust of Oregon, and seismic rehabilitation grants. These funds are restricted to specific projects.

BUDGET SUMMARY AS OF AUGUST 31, 2020

	Original Estimate	Current Budget (based on bond issuance)	Other Funding Sources ¹	Projected Total Cost	Paid to Date
Adams Elementary	\$ 12,165,241	\$ 11,594,457	\$ 632,420	\$ 12,226,877	\$ 1,783,415
Garfield Elementary	21,435,804	20,431,066	4,484,416	24,915,482	4,700,330
Husky Elementary	37,084,000	38,678,632	-	38,678,632	2,775,283

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

ADAMS ELEMENTARY SCHOOL MAJOR ADDITION AND REMODEL

Project Manager: **Wenaha Group**
Architect: **DLR Group**
CM/GC Contractor: **Fortis Construction**

PROJECT DESCRIPTION

Add five (5) permanent classrooms, create collaborative/small group learning areas, create dedicated PE space by adding multi-use cafeteria, renovate existing classroom space for student support services, improve ADA accessibility, install energy efficient lighting, replace covered play shelter, upgrade finishes in hallways and shared spaces including floors, paint, and ceilings, upgrade mechanical infrastructure including electrical, heating, and plumbing systems, replace emergency communication systems, secure front entry, and office modifications.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Nov 2018	Oct 2019	100%	
Design & Permitting	Nov 2019	Jan 2021	65%	
Construction	June 2021	June 2022	0%	

CURRENT ACTIVITIES – DESIGN

- DLR Group submitted it's 90% Design Development package to the Core Team on August 6th. The Design Development package included finalized floor plans, building elevations (interior and exterior), building sections and engineering drawings (structural, mechanical, electrical, and telecommunications).
- On August 28, DLR Group met with the Core Team (including Fortis Construction and the Brendle Group) to review the 90% DD set and plan next steps.
- The next milestone will be October 29, when DLR Group is scheduled to issue the 50% Construction Document set.

ACTIVITIES SCHEDULED FOR NEXT QUARTER

- Construction Document phase begins.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

A view of the entry and administration area from sheet A1.1C - Floor Plan, Area C, 90% DD set – Adams ES

Two partial building exterior elevations from sheet A5.2 – Exterior Elevations, 90% DD set – Adams ES

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

CHELDELIN MIDDLE SCHOOL MAJOR RENOVATION

Project Manager: Wenaha Group
Architect: Pivot Architecture
Track Contractor: Field Turf USA
CM/GC Contractor: Gerding Builders

PROJECT DESCRIPTION

Resurface existing track: Scope also includes enlarging the high jump area to accommodate two jumping areas and improving drainage around the long jump area – Now Complete.

Renovation: Renovate classroom to create a STEAM lab, renovate library/media center, improve ADA accessibility to the front office and elsewhere in the school, renovate cafeteria, renovate restrooms, replace kitchen flooring, upgrade mechanical infrastructure including electrical, heating, and plumbing systems, improve emergency lighting, improve seismic safety, replace wooden bleachers in the gym.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Jan 2019	June 2019	100%	
Design & Permitting	May 2019	March 2020	100%	Permit issued
Construction	June 2020	Aug 2021	30%	

CURRENT ACTIVITIES

- Gerding has turned over the front office and new ADA entry areas. The front office staff is using the space while waiting for a few final tweaks to occur and some finish parts and pieces arrive for the doors. The final two sit/stand desks are due for installation the week of Sept 21.
- Gerding is turning over the new restrooms at the end of this month once a few more toilet accessories arrive and final city sign offs are obtained.
- The kitchen area is turned over and operational and cafeteria tables and furniture items are moving back in this week.
- Classrooms are getting back to normal as construction cleanup proceeds and we move cafeteria related items out of them. All classrooms except STEAM Lab and the Mat Room will be ready for students when they return. The STEAM Lab and the Mat Room are schedule to complete the week of November 9th.
- Pivot is working on PH II schematic design and investigations of existing systems as they determine final PH II scopes of work.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

- Library work is ready to start in the summer of 2021 as the final step of PH I construction.

ACTIVITIES SCHEDULED FOR NEXT QUARTER

- Complete and turn over the new STEAM lab and wrestling rooms.

HIGHLIGHTS

- New front office ADA entry work is open to the public
- New restrooms will be complete at the end of the month.
- Kitchen area is operational and preparing food.
- Cafeteria area improvements are ready for students at the end of the month.

CHALLENGES AND SOLUTIONS

- Glass delays - new door frames throughout the project are due the week of Sept 21 and scheduled to be immediately installed. Temporary plywood and Plexiglas is installed at the new entry while the crew awaits the glass which is expected to be installed Sept 28.

New Cafeteria flooring and kitchen wall

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

CORVALLIS HIGH SCHOOL MAJOR RENOVATION

Project Manager: **Wenaha Group**
Architect: **Pivot Architecture**
CM/GC Contractor: **Gerding Builders**

PROJECT DESCRIPTION

Expand covered outdoor learning area for career technical education, renovate classroom spaces for career and technical education, improve softball facilities, including restroom and concessions, install ADA door openers, install covered walkway to applied technology buildings, replace artificial turf field, replace hallway carpet, replace roof on main building & greenhouse roof, resurface track, enhance video surveillance system, increase restroom connections to emergency generator, toilets & faucets, replace field lighting at Taylor Field.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Nov 2018	June 2020	100%	Initial CTE Planning
Design & Permitting	June 2020	March 2021	40%	
Major Construction	June 2021	March 2022	20%	CHS Softball, Taylor Field Lights, & Track Resurfacing, reroof completed

CURRENT ACTIVITIES

- CHS re-roof work is complete and punch listing is underway.
- PIVOT has completed 50% Design Development drawings and the team is currently reviewing.
- Pivot will continue work toward 100% Design Development plans into October.
- Gerding has budgeted the 50% DD set of plans and the team continues to refine scope/design to maintain "design within budget."
- Miscellaneous investigation activities continue including additional confirmations regarding the land use development process for the covered walkways and exploring private utility locates on site to minimize future unforeseen utility impacts.

ACTIVITIES SCHEDULED FOR NEXT QUARTER

- PIVOT will be working on the construction documents this next quarter.

HIGHLIGHTS

- The CHS re-roof project has substantially completed.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

CHALLENGES AND SOLUTIONS

- Wildfire disruptions have made it more challenging to gather the group for meetings in recent weeks. The team has been very accommodating to each other during these difficult times.

PROJECT PHOTO GALLERY

Some fresh flashings at the rooftop equipment and new skylights with break through protections in place

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

CRESCENT VALLEY HIGH SCHOOL MAJOR RENOVATION

Project Manager: **Wenaha Group**
Architect: **Pivot Architecture**
CM/GC Contractor: **Gerding Builders**

PROJECT DESCRIPTION

Expand covered outdoor learning area for career technical education, renovate and expand classroom spaces for career and technical education, install a new artificial turf field, improve ADA accessibility, install elevator in gym building and replace main ramp for ADA access, refurbish, repair, and weatherize building exterior, Replace fire suppression system in kitchen, resurface bus drop-off/pick-up lane, resurface track, upgrade mechanical infrastructure including electrical, heating, and plumbing systems, enhance video surveillance system, improve seismic safety, increase power connections to generator circuit, replace access control system, and replace emergency communication systems.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Oct 2018	Dec 2018	100%	
Design & Permitting	Jan 2019	Mar 2020	100%	City reviewing permit
Design & Permitting PH II	July 2020	Feb 2021	10%	Bldg A seismic & refresh current CTE design
Construction	June 2020	Aug 2021	12%	On Hold - Estimated

CURRENT ACTIVITIES

- Resurfacing of the existing Tennis Courts has completed, with the exception of some punch list items. This work will be funded outside of the bond.
- CVHS Entry Work - not part of the bond promise and will be funded by construction excise tax revenues.
 - The new secure entry vestibule is complete, including CSD portion of office remodel. Some minor low voltage door controller work is still in progress.
- CVHS Renovation:
 - Pivot to incorporate permit comments and addenda into rebid set of plans for CTE renovation work building F.
 - Seismic design efforts for Building A are in progress.
 - Remaining work continues to be on pause given COVID-19 impacts on budget and scheduled work activities.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

- CVHS Fiber Backbone: The Fiber backbone replacement work will bid out late fall early winter. Work is anticipated for construction during summer 2021 with other CVHS renovation work. This timing will also allow the use of E-rate funding to supplement the bond funds.

ACTIVITIES SCHEDULED FOR NEXT QUARTER

- Gerding is rebidding PH I – Building F and Building A - Elevator work this fall. The bidding climate is favorable.

HIGHLIGHTS

- PH I - Construction work will be rebid this fall as Summer 2021 work
- Phase 2 and seismic design work has resumed as of July 2020

CHALLENGES AND SOLUTIONS

- N/A

PROJECT PHOTO GALLERY

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

GARFIELD ELEMENTARY SCHOOL MAJOR ADDITION AND REMODEL

Project Manager: Wenaha Group
Architect: DLR Group
CM/GC Contractor: Fortis Construction

PROJECT DESCRIPTION

Addition of six (6) classrooms, create collaborative and small group learning areas, expand the library/media center, renovation of existing classroom spaces, add covered play shelter, improve ADA accessibility, renovate restrooms, repair concrete floor foundation, replace the kitchen flooring, upgrade finishes in shared spaces with floors, paint, and ceiling, secure front entry, office modifications, improve site circulation and parking, repair/replace sidewalk, seismic upgrades, fuel tank decommissioning and upgrades to mechanical, electrical, and plumbing.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Oct 2018	Jan 2019	100%	
Design & Permitting	Jan 2019	July 2020	99%	Permit PH II final reviews
Construction	May 2020	Aug 2021	35%	Demo, Site work & reconstruction of front office

CURRENT ACTIVITIES

- Modularity: Fortis is installing projection equipment and temporary walls. CSD is setting up rooms for students (including the thinning out of desks and furniture). Fortis will install new 20-21 year cubbies and book shelves. Final utility hookups including power, sewer and data are nearing completion.
- PH II (new addition work) permit is still pending the city's land use approval and comment period. PH II permit is expected at the end of September. Footings have been dug and await the ok to proceed.
- Fortis continues to work in all areas of the site. Classrooms wing finishes are installing, hallway MEP and finishes are going in, re-roofing efforts are moving forward, temp office construction is almost ready to set up.
- Site work items: replacement storm lines and sewer adjustments have been ongoing with the city including the new utility work that ties into existing systems.
- Site concrete is pushing forward wherever possible aimed at paving the south lot and infill pavement patches as soon as possible, pending weather, air quality issues

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

and subcontractor's ability to perform after the wildfire issues. Numerous trades and workers have been significantly impacted.

- Classroom finishes racing toward completion – new ceilings, finished paint, fixtures including hanging new projection boards, dry erase and tack boards are underway in various stages in each classroom.

ACTIVITIES SCHEDULED FOR NEXT QUARTER

- The new addition work will be in full construction process during 20-21 school year.
- The roof replacement on the existing school will continue until complete.

HIGHLIGHTS

- Phase II Building Permit expected at the end of Sept.

CHALLENGES AND SOLUTIONS

- PH II permit is pending the September 16th land use review plus 12 day waiting period. We expect this PH II permit at the end of September. The solution was to "hold" on new building construction on the north addition until land use process is resolved and the city approved the amount of windows shown on permit plans.
- Fortis and the design team have overcome numerous site related issues that have slowed progress including reworking existing failed utilities and dealing with a protracted storm water permit process. These issues have added scope and time to the project.
- As the reroofing project (approved by the board this summer) was proceeding, structural concerns were identified. There will be additional expenses to remove and replace some of the materials and provide additional structural upgrades to ensure student safety.
- The new electrical service continues to take center stage. Pacific Power is extremely busy with wildfire restorations and has not been available to provide an anticipated schedule. Fortis continues to work toward our power restoration.
- Wildfire impacts – the team is still determining impacts and what can be done to mitigate those impacts.

HARDING CENTER

MAJOR ADDITION AND REMODEL

Project Manager: **Wenaha Group**

Architect: **Pivot Architecture**

CM/GC Contractor: **Gerding Builders**

PROJECT DESCRIPTION

Adds multi-use cafeteria, renovate two (2) classrooms to support science construction, improve ADA accessibility, renovate locker rooms, replace cabinetry in classrooms, replace roof and gutter system, upgrade mechanical infrastructure including electrical, heating, and plumbing systems, improve emergency lighting, improve seismic safety in one story portion of the building, install access control system, replace emergency communication systems, replace fire monitoring system.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Nov 2018	Feb 2019	100%	
Design & Permitting	Jan 2021	Dec 2021	0%	
Construction	Jan 2022	Dec 2022	0%	

CURRENT ACTIVITIES

- No changes for this report.

ACTIVITIES SCHEDULED FOR NEXT QUARTER

- Design Core Team and Design Advisory Committee formation.

HIGHLIGHTS

- N/A – no current action

CHALLENGES AND SOLUTIONS

- The planned improvements at Harding will likely trigger significant site improvements required by the City that were not contemplated in the original bond budget. The total scope of the site improvements will not be known until we work through the land use approval process.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

HUSKY ELEMENTARY SCHOOL REPLACEMENT SCHOOL

Project Manager: **Wenaha Group**
Architect: **DLR Group**
CM/GC Contractor: **Fortis Construction**

PROJECT DESCRIPTION

Construct new two-story 67,466 square foot elementary school and demolish existing school. Create new play areas and fields once demolition is complete.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Aug 2018	Dec 2018	100%	
Design & Permitting	Jan 2019	March 2020	99%	
Construction			5%	
Phase 1	Summer 2020	Fall 2020	35%	Staging & Sitework
Modular Classrooms to be relocated onsite and building pad construction.				
Phase 2	Fall 2020	Winter 2022	3%	New Construction
Construction to be conducted during the school year with secure fencing separation from school.				
Phase 3	Spring 2022	Summer 2022	0%	Demolition & Sitework

CURRENT ACTIVITIES – CONSTRUCTION

- General Summary: Over the last month, the site has transformed from an open grass field to a full-fledged construction site. The team has mobilized the sitework (Willamette Valley Excavating) and concrete (TGC Structural) subcontractors. Erosion control and vegetation protection measures have been put in place, along with construction access driveways off of Walnut Blvd.
- Relocation of Modular Classroom Buildings: Successful relocation of three modular classroom buildings has been completed and approved by the City of Corvallis. The spaces are ready for teachers to utilize the space when students return.
- Sitework & Structural: Over-excavation of soils, replaced by compacted materials have nearly been completed for the site, and will be closely followed by excavation of structural footings. Concrete formwork of the footings has started. Coordination of the structural steel and concrete is under way. This includes shop drawings for steel, brace-frames, trusses, and reinforcing steel. Reroute of the natural gas line into the existing school has been completed.
- Building Information Management: The project team is fully involved with 3-D coordination of the building, with clash detection of major components. This includes structural materials, electrical, mechanical, plumbing, fire protection, walls, ceilings, and other scopes.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

- Safety & Security: Fencing has been placed around the site with gates placed strategically for safety of the school and access to the site. Considering the current environmental conditions, an outdoor tent / gathering space is being established to allow safe and distant gatherings. At 58 working days and 3,746 craft-hours into the project, there have been zero safety incidents to record.
- Coordination with the City: The design team and Owner have been working diligently to procure the building and off-site improvement permits. Currently working under a site excavation and erosion control permit, we expect approval of the building and off-site improvement permits within the next few weeks.
- Revised PIPC plans were submitted to the City on August 13, 2020.
- The City confirmed receipt of the plans and has indicated that they are very busy, but are targeting September 18.
- The expectation is that the PIPC permit will be approved. If there are comments, the Design Team expects them to be minor and turned around in a few days.
- Although a building permit can't be issued until the PIPC approval process is complete, preliminary site work is allowed.

JAGUAR ELEMENTARY SCHOOL MAJOR ADDITION AND REMODEL

Project Manager: **Wenaha Group**
Architect: **DLR Group**
CM/GC Contractor: **Fortis Construction**

PROJECT DESCRIPTION

Add four (4) permanent classrooms, create collaborative/small group learning areas, create dedicated PE space by adding multi-use cafeteria, renovate existing classroom space for student support services, add ADA accessible restrooms in Life Skills classrooms, improve ADA accessibility, install energy efficient lighting, replace covered play shelter, upgrade finishes in hallways and shared spaces including floors, paint, and ceilings, upgrade mechanical infrastructure including electrical, heating, and plumbing systems, improve emergency lighting, improve site circulation and parking, replace emergency communication systems, replace sidewalk, secure front entry, and office modifications.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Nov 2018	Oct 2019	100%	
Design & Permitting	Nov 2019	Jan 2021	65%	
Construction	June 2021	June 2022	0%	

CURRENT ACTIVITIES – DESIGN

- DLR Group submitted it's 90% Design Development package to the Core Team on August 6th. The Design Development package included finalized floor plans, building elevations (interior and exterior), building sections and engineering drawings (structural, mechanical, electrical, and telecommunications).
- On September 18th, DLR Group will meet with the Core Team (including Fortis Construction and the Brendle Group) to review the 90% DD set and plan next steps.
- The next milestone will be November 12th, when DLR Group is scheduled to issue the 50% Construction Document set.

ACTIVITIES SCHEDULED FOR NEXT QUARTER

- Construction Document phase begins.

LINCOLN ELEMENTARY SCHOOL REPLACEMENT SCHOOL

Project Manager: **Wenaha Group**
Architect: **DLR Group**
CM/GC Contractor: **Fortis Construction**

PROJECT DESCRIPTION

Construct new two-story 68,560 square foot elementary school and demolish existing school. Create new play areas and fields once demolition is complete.

SCHEDULE

Key Milestones	Start	Completion	% Complete	Comments
Pre-Design	Aug 2018	Dec 2018	100%	
Design & Permitting	Jan 2019	March 2020	100%	
Construction			13%	
Phase 1	Summer 2020	Summer 2020	90%	Staging/Sitework
Health Clinic to be relocated onsite. Temporary playground enhancement is being planned.				
Phase 2	Summer 2020	Summer 2021	10%	New Construction
Construction to be conducted during the school year with secure fencing separation from school.				
Phase 3	Summer 2021	Fall 2021	0%	Demolition/Sitework

CURRENT ACTIVITIES – CONSTRUCTION

- Majority of the footings are now complete and steel erection has begun. All underground utilities, including Electrical, storm, water, and waste lines have been placed and backfilled. The BIM (Building Information Modeling) team has made significant progress and completed level 2 coordination and is clash free. Over the next month steel will be main action on site. The steel erector is set to install area A starting once the smoke clears. On Viewmont, utility connections have been installed, tested and backfilled and the asphalt has been patched back.
- Systems mockups, beginning with the polished concrete, framing and waterproofing have started on site.
- Footings and underground utilities are also complete at Lincoln Health Center with the floor slab scheduled for placement next week and subsequent wood framing following.
- The majority of perimeter concrete stem walls have been formed and poured. Block outs for steel columns were left and will be poured after steel erection.
- A second slab-on-grade mockup will be poured and finished in the next couple of weeks.
- Glulam beam submittals are in progress.
- All utility services for the Health Center and the elementary school have been constructed to the property line.
- The new fire hydrant has been installed and the existing hydrant near the elementary school has been relocated on SE Viewmont Ave.

CORVALLIS SCHOOL DISTRICT BOND PROGRAM UPDATE September 24, 2020

- As construction progresses, DLR Group has continued to provide design clarifications to account for revisions to scope and budget. An example can be seen below, where DLR Group provided clarification to the Contractor on a change to the wainscot material. In this instance FRL (Fiber Reinforced Laminate) has been substituted for MDF (Medium-Density Fiberboard)

An excerpt from PR 12 – Wainscot VE, dated 8/19/2020 – Lincoln ES

V. RESOLUTION 20-0902: TAX LOT BOUNDARY ADJUSTMENT

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Ryan Noss, Superintendent
Meeting Date: September 24, 2020

Resolution 20-0902 Tax Lot Boundary Adjustment

NO ACTION REQUESTED

Background

The Superintendent of the Philomath School District has requested consideration by the Corvallis School District of a change to their common district boundary, which would effectively transfer jurisdiction over certain real property lots which are within the Philomath Urban Growth Boundary (UGB) but which are presently served by the Corvallis School District. It is understood that an impetus for this request is grounded, in part, upon the current boundary position relative to multi-family residential apartments, which are constructed upon one or more of the affected lots.

The Philomath School District has identified four areas within the Philomath UGB, which are served by the Corvallis School District. However, the current proposal brought before the Board comprises only four tax lots within one area of the UGB affected by the proposed boundary adjustment.

The boundary change and merger procedures are set forth in Oregon Revised Statutes Chapter 330. The proposed change would be a Boundary Change, as distinguished from a Merger, because the proposed change only effects a transfer of a limited number of lots within the two districts and each school district will continue in existence. See ORS 330.003(1)(b).

This is the first reading of proposed resolution 20-0902 Tax Lot Boundary Adjustment.

Scope of School District Action

Oregon law permits boundary changes to occur upon resolution by involved School Boards. Such change must be approved and adopted by the District Boundary Boards which are comprised of the Board of County Commissioners for the affected school districts. The District Boundary Boards are charged under ORS 330.080(1) to lay out the county in convenient school districts and authorized to make alterations or changes in the school districts.

County Boards Implicated by Proposed Boundary Change

Although the Corvallis School District is primarily within Benton County and the subject properties are within Benton County, the Corvallis School District includes a portion of Linn County within the school district's boundary. After the Tax Boundary Change is adopted by the School Board, the statute requires a district boundary adjustment to be submitted to the Benton County Board of Commissioners, as the District Boundary Board, for approval and thereafter to the Linn County Board of Commissioners for ratification by concurrence. Even though the property at issue is solely within Benton County, the Linn County concurrence is anticipated by the statute because the decision affects the boundary of a school district which lies in part within Linn County.

It is understood that the boundaries of the Philomath School District 17J include a minor portion of lands under the jurisdiction of Polk County. Under consistent procedures, a ratification by concurrence will be requested from the Polk County Board of Commissioners acting as an affected District Boundary Board with interest in the proposed modification of the Philomath District 17J boundary.

Before any proposed boundary change is ordered, the county boards of commissioners each sitting as the District Boundary Board shall give notice of the proposed change and the session of the board at which the Order will be considered (ORS 330.101). Unless the electorate seeks to present a remonstrance petition, which could require an election for the boundary change, the board shall issue an order that the change may become effective.

Effective Date of Adopted Boundary Change

In establishing the effective date of boundary change, ORS 330.103 provides that when a school district boundary change becomes final and the change occurs on or after July 1 and prior to March 31, the change or merger shall take effect May 31 following the declaration. Districts subject to boundary changes shall, for the purposes of administration and operation, continue to operate separately until the end of the fiscal year in which the boundary changes are effective.

Equitable Division of Assets and Liabilities

When changes in school district boundaries are made by boundary change, as distinct from a merger, the respective school district boards shall immediately after the boundary change make an equitable division of the then existing assets and liabilities between the districts and provide for the manner of equitable division. ORS 330.123. There are no known physical assets or facilities implicated by the proposed boundary change. However, it is understood from the Philomath School District legal counsel that the Philomath School District has errantly received school-related tax revenues from the subject properties even though the properties were within the boundary of and served by the Corvallis School District. The misdirected revenues are deemed to constitute a currently existing liability between the Districts which should be equitably addressed as part of the boundary change process.

The cumulative amount of misdirected tax and bond revenues is estimated at \$34,085.57 for tax years 2009 through 2019, plus any tax and bond proceeds similarly misdirected to Philomath School District through the effective date of this proposed boundary change.

**Resolution 20-0902 to Enact Boundary Change
Between the Corvallis School District and the Philomath School District
September 24, 2020**

WHEREAS the Corvallis School District may, from time to time, carry out a review of all or subsections of its geographic boundary, such a review may involve discussions and collaboration with other school districts adjoining the area under consideration.

WHEREAS the Philomath School District 17J and Corvallis School District 509J have engaged in a collaborative conversation based on resolutions previously adopted by both school districts' Boards of Directors.

WHEREAS the districts have reviewed a proposal to take the following described property from the Corvallis School District 509J and add it to the Philomath School District 17J:

Four parcels within N.E. 1/4 Sec.7 T.12S. R.5W. W.M. Benton County, more commonly known as:

Tax Lot 1600 - Situs: 3105 Main St. Philomath, Oregon (Attachment 1)

Tax Lot 1700 - Situs: 3065 Main St. Philomath, Oregon (Attachment 2)

Tax Lot 1800 - Situs: Philomath, Oregon (Attachment 3)

Tax Lot 1900 - Situs: 3157 Main St. Philomath, Oregon (Attachment 4)

As generally presented in the study area map, attached as Exhibit A.

WHEREAS the districts have determined that the proposal meets the following criteria:

- *Safety and welfare of the students*
The proposed change would positively impact the safety and welfare of all students.
- *Neighborhood, community and/or geographic continuity*
The proposed change would maintain continuity with existing and developing neighborhoods and cities.
- *Prudent stewardship of public resources*
The proposed change would create a more efficient expenditure of overall public resources.
- *School district facility capacity*
The proposed change is one that each district's existing and planned facilities can accommodate.
- *Community Interest*
Patrons and community members/leaders share and demonstrate interest in the proposed boundary adjustment.
- *Regional/local growth and development plans*
The proposed change complements broader regional and local growth and development plans, including existing and projected adjustments to the Urban Growth Boundary and city service plans for undeveloped areas.
- *Timeliness*

The districts considered this proposal when sufficient information was available to make a decision.

WHEREAS it is understood that the Philomath School District has errantly received school-related tax and bond revenues from the four subject parcels (Attachments 1,2,3,4) despite each property being within the existing Corvallis School District boundaries. The cumulative amount of misdirected tax and bond revenues is estimated at \$34,085.57 for tax years 2009 through 2019, plus any tax and bond proceeds similarly misdirected to Philomath School District through the effective date of this proposed boundary change.

NOW, THEREFORE, BE IT RESOLVED that the Corvallis School District Board of Directors requests that the Benton County Board of Commissioners, with concurrence of the Linn and Polk County Boards of Commissioners, transfer the herein-described property between Corvallis School District 509J and Philomath School District 17J as provided in ORS 330.103 and order equitable recoupment payable to Corvallis School District of the misdirected tax and bond revenues in accordance with ORS 330.123.

Sami Al-Abdrabbuh, Corvallis School
Board Chair

Ryan Noss, Corvallis School District 509J
Superintendent

Boundary Change and Merger Procedures

O.R.S. § 330.123
Formerly cited as OR ST § 330.050

330.123. Division of assets and liabilities

Currentness

- (1) When changes in school district boundaries are made by the detachment of territory or annexation of less than an entire school district to another, the district school boards of the districts affected by each change shall immediately after the change make an equitable division of the then existing assets and liabilities between the districts affected by such change and provide the manner of consummating the division.
- (2) In case of failure to agree within 20 days from the time the district boundary board issues its order, the matter shall be decided by a board of arbitrators. The board of arbitrators shall consist of one member appointed by each of the boards of the school districts affected and an additional member appointed by the other appointees.
- (3) In the event any such district school board fails to appoint an arbitrator within 30 days, the Superintendent of Public Instruction shall appoint such arbitrator. In the event the arbitrators selected fail to appoint the additional arbitrator within 30 days after the appointment of the arbitrator last appointed, the Superintendent of Public Instruction shall notify the judge of the circuit court senior in service of the county in which the administrative office of the most populous school district is located. Within 10 days after receiving such notice, the judge shall appoint the additional arbitrator.
- (4) Each member of the board of arbitrators shall be entitled to the sum of \$20 per day for each day's service, and necessary traveling expenses, while sitting in the official capacity of the member. Expenses thus incurred shall be equally apportioned among the districts concerned.
- (5) A party to an arbitration under this section may seek confirmation, vacation, modification or correction of the arbitrator's decision as provided in [ORS 36.700](#), [36.705](#) and [36.710](#). A court may vacate an award only if there is a basis to vacate the award described in [ORS 36.705 \(1\)\(a\) to \(d\)](#). The court may modify or correct an award only for the grounds given in [ORS 36.710](#).
- (6) Assets include all school property and moneys belonging to the district at the time of the division. Liabilities include all debts for which the respective districts in their corporate capacities are liable at the time of division. In determining the assets, school property shall be estimated at its real market value. The assets and liabilities shall be divided between the districts in proportion to the last assessed value of the real and personal property. The district retaining the real property shall pay the other districts concerned such sums as are determined in accordance with the provisions of this section. All funds to be apportioned during the current school year, after such division, shall be made in proportion to the resident average daily membership of the districts divided, as shown by the report of such districts for the period ending the preceding June 30 as certified by the districts to the administrative office of the county.

I, James V. Morales, County Clerk for Benton
County, Oregon, certify that the instrument
identified herein was recorded in the Clerk
records.
James V. Morales - County Clerk

PROPERTY LINE ADJUSTMENT DEED

MWIC Boulevard, LLC, an Oregon limited liability company ("**Grantor**"), is the owner of two legal units of land located in Benton County, Oregon, referred to herein collectively as the "**Parcels**" and individually as **Parcel 1** and **Parcel 2**. Grantor acquired Parcel 1 and Parcel 2 pursuant to that certain statutory warranty deed recorded in Benton County on November 30, 2017 at Recorder's No. 2017-564653.

The purpose of this Property Line Adjustment Deed (the "**Deed**") is to affect a consolidation of the Parcels into a single legal unit of land whereby Parcel 1 will be increased in size by approximately 0.49 acres and will hereafter consist of only the land described on **Exhibit A**, which is attached hereto and incorporated herein by this reference, and Parcel 2 will be eliminated. The legal description of the line to be eliminated by this Deed as authorized by the City of Philomath Planning Decision P18-12 is legally described in on **Exhibit B**, which is attached hereto and incorporated herein by this reference.

NOW THEREFORE, in order to affect the property line elimination and consolidation of legal units of land Grantor does hereby grant, transfer, and convey unto **MWIC Boulevard, LLC**, an Oregon limited liability company ("**Grantee**"), all of that certain real property situated in Benton County, Oregon, described in Exhibit A.

The true and actual consideration for this transfer, stated in terms of dollar is none (\$0); however, the consideration for this transfer is, consideration other than money.

The following is the notice as required by Oregon law: "BEFORE SIGNING OR ACCEPTING THIS INSTRUMENT, THE PERSON TRANSFERRING FEE TITLE SHOULD INQUIRE ABOUT THE PERSON'S RIGHTS, IF ANY, UNDER ORS 195.300, 195.301 AND 195.305 TO 195.336 AND SECTIONS 5 TO 11, CHAPTER 424, OREGON LAWS 2007, SECTIONS 2 TO 9 AND 17, CHAPTER 855, OREGON LAWS 2009, AND SECTIONS 2 TO 7, CHAPTER 8, OREGON LAWS 2010. THIS INSTRUMENT DOES NOT ALLOW USE OF THE PROPERTY DESCRIBED IN THIS INSTRUMENT IN VIOLATION OF APPLICABLE LAND USE LAWS AND REGULATIONS. BEFORE SIGNING OR ACCEPTING THIS INSTRUMENT, THE PERSON ACQUIRING FEE TITLE TO THE PROPERTY SHOULD CHECK WITH THE APPROPRIATE CITY OR COUNTY PLANNING DEPARTMENT TO VERIFY THAT THE UNIT OF LAND BEING TRANSFERRED IS A LAWFULLY ESTABLISHED LOT OR PARCEL, AS DEFINED IN ORS 92.010 OR 215.010, TO VERIFY THE APPROVED USES OF THE LOT OR PARCEL, TO DETERMINE ANY LIMITS ON LAWSUITS AGAINST FARMING OR FOREST PRACTICES, AS DEFINED IN ORS 30.930, AND TO INQUIRE ABOUT THE RIGHTS OF NEIGHBORING PROPERTY OWNERS, IF ANY, UNDER ORS 195.300, 195.301 AND 195.305 TO 195.336 AND SECTIONS 5 TO 11, CHAPTER 424, OREGON LAWS

Newton DLC No. 72 in the Northeast Quarter of Section 7, Township 12 South, Range 5 West of the Willamette Meridian, City of Philomath, Benton County, Oregon; thence South 89°50'18" West 824.26 feet to a 1 1/4" iron pipe; thence South 13°14'00" West 603.97 feet to a 1" iron pipe; thence North 89°53'23" East 216.47 feet to a 5/8" iron rod; thence South 00°18'00" East 255.80 feet to a 5/8" iron rod at the North Right of Way of Philomath Boulevard (OR-20); thence along said North Right of Way North 75°49'35" East 61.80 feet to a 3/4" iron rod; thence North 00°18'00" West 240.78 feet to a 3/4" iron rod; thence North 89°59'23" East 106.67 feet to a 3/4" iron rod; thence South 00°18'00" East 214.08 feet to said North Right of Way; thence along said North Right of Way North 75°49'35" East 600.56 feet to a 1/2" iron pipe; thence North 00°21'06" West 656.55 feet to the Point of Beginning and containing 14.31 acres, more or less.

EXHIBIT B

Commencing at a stone at the Northeast corner of the N.P. Newton DLC No. 72 in the Northeast Quarter of Section 7, Township 12 South, Range 5 West of the Willamette Meridian, City of Philomath, Benton County, Oregon; thence South 00°21'06" East 656.55 feet to the North Right of Way of Philomath Boulevard (OR-20); thence along said North Right of Way South 75°49'35" West 490.68 feet to a 3/4" Iron rod at the True Point of Beginning; thence North 00°18'00" West 187.38 feet; thence South 89°53'23" West 106.67 feet to the Point of Terminus being a 3/4" Iron rod.

BARGAIN AND SALE DEED

KNOW ALL MEN BY THESE PRESENTS, That JAMES S. McCLOSKEY and DONNA LEE McCLOSKEY, hereinafter called grantor, for the consideration hereinafter stated, does hereby grant, bargain, sell and convey unto DONNA LEE SIMMONS,

hereinafter called grantee, and unto grantee's heirs, successors and assigns all of that certain real property with the tenements, hereditaments and appurtenances thereunto belonging or in anywise appertaining, situated in the County of Benton, State of Oregon, described as follows, to-wit:

Beginning at a point 825 feet South 89°53' West along the claim line and 604.10 feet South 13°14' West along the West line of the tract described in Deed recorded in Book 112, page 408, Benton County Deed Records, from the Northeast corner of the Norris R. Newton Donation Land Claim No. 72 in Township 12 South, Range 5 West of the Willamette Meridian; thence South 13°14' West along said West line of said tract 332.30 feet to the Southwest corner thereof and the North line of the Corvallis-Newport State Highway; thence North 75°53' East along said North line of said Highway 190.00 feet; thence North 0°18' West parallel to the East line of said Claim 284.16 feet; thence South 89°53' West 105.10 feet to the point of beginning.

SUBJECT TO Mortgage executed by Randy S. Logan, Sr. and Carol J. Logan, to the State of Oregon, represented and acting by the Director of Veterans' Affairs, dated July 24, 1973, recorded August 6, 1973 as M-62453, Microfilm Records for Benton County, Oregon, which grantee herein agrees to assume and pay.

FURTHER SUBJECT TO Mortgage executed by Randy S. Logan, Sr. and Carol J. Logan, to the State of Oregon, represented and acting by the Director of Veterans' Affairs, dated January 15, 1975 and recorded January 16, 1975 as M-53240, Microfilm Records for Benton County, Oregon, which grantee herein agrees to assume and pay.

FURTHER SUBJECT TO Mortgage executed by James S. McCloskey and Donna Lee McCloskey, to Randy S. Logan and Carol J. Logan, dated June 30, 1975 and recorded July 1, 1975 as M-57115, Microfilm Records for Benton County, Oregon, which grantee herein agrees to assume and pay. AND the 1976-1977 taxes due but not yet payable.

IN WITNESS WHEREOF, CONTAINING DESCRIPTION OF ESTATE AND

To Have and to Hold the same unto the said grantee and grantee's heirs, successors and assigns forever. The true and actual consideration paid for this transfer, stated in terms of dollars, is \$.00.

However, the actual consideration consists of or includes other property or value given or promised which is the whole or part of the consideration (indicate which). (The sentence between the symbols @, if not applicable, should be deleted. See ORS §12.02.)

In construing this deed and where the context so requires, the singular includes the plural and all grammatical changes shall be implied to make the provisions hereof apply equally to corporations and to individuals.

In Witness Whereof, the grantor has executed this instrument this 22 day of July, 1976; if a corporate grantor, it has caused its name to be signed and sealed by its officers, duly authorized thereto by order of its board of directors.

It is intended by a corporation

VI. REVIEW 2018-2023 BOARD GOALS AND STRATEGIES

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Superintendent Ryan Noss
Meeting Date: September 24, 2020

Review 2018-2023 Board Goals and Strategies

NO ACTION REQUIRED

The School Board adopted the 2018-2023 Board goals and strategies on December 13, 2018. A copy is attached. Board goals are continually reviewed and refined and, therefore, are revisited annually.

At the September 24, 2024 meeting, Board members and District staff will discuss the existing goals to determine whether or not any revisions are necessary. Action on any resulting revisions would take place at a future Board meeting.

This agenda topic will also include time for Board members to reflect on and discuss the August 13, 2020, School Board Retreat.

2018-2023 Board Goals

(Adopted 12-13-18)

Goal 1: Student Achievement

All students will read grade level texts by 3rd grade and stay on grade level; successfully complete Algebra I by the end of 9th grade; be on track with required credits by the end of 9th grade; and graduate with a post-secondary plan. Student identity (race, culture, socioeconomic status, language, ability, gender, or sexual orientation) does not predict or predetermine success in school.

Strategies:

1. Monitor students' reading progress in grades pre-K - 3rd grade using a system of sound instruction, assessment, and intervention so that all students are reading at grade level by 3rd grade.
2. Prepare students to successfully complete Algebra I by the end of 9th grade.
3. Develop a system that ensures each 9th grade student is on track to graduate.
4. All students graduate with a post-secondary plan.

Goal 2: Equitable Systems

Student identity (race, culture, socioeconomic status, language, ability, gender, or sexual orientation) does not predict or predetermine success in school. Disaggregated data will be used to measure progress on goal.

Strategies:

1. Recruit and retain racially and culturally diverse staff.
2. Increase and support student voice, empowerment, and leadership in our schools.
3. Expand parent and community partnerships.
4. Increase racial consciousness of staff through professional development focused on race, culture and culturally relevant instruction.

Goal 3: Real-World Learning

All students participate in real-world learning, with a global perspective, that prepares them for an ever-changing future. Student identity (race, culture, socioeconomic status, language, ability, gender, or sexual orientation) does not predict or predetermine success in school.

Strategies:

1. Support cultural responsiveness and biliteracy in our students and staff.
2. Create additional learning pathways toward graduation and life beyond high school.
3. Integrate real-world, experiential learning in all grades.
4. Integrate communication, critical thinking, collaboration, creativity, and problem solving skills into learning experiences.
5. Integrate environmental, social, and economic-sustainability in learning experiences.

Goal 4: Health & Wellness

Improve the health and wellness of district students and staff. Student identity (race, culture, socioeconomic status, language, ability, gender, or sexual orientation) does not predict or predetermine success in school.

Strategies:

1. Support and enhance programs that promote student mental wellness and safety.
2. Support and enhance programs that promote student physical wellness and safety.
3. Support a robust worksite wellness program for district staff.

Goal 5: Long Range Facility Planning

Transform aging school facilities to provide safe, effective, efficient, innovative, and equitable learning opportunities for every student. Student identity (race, culture, socioeconomic status, language, ability, gender, or sexual orientation) does not predict or predetermine success in school.

Strategies:

1. Communicate the needs for improved infrastructure and facilities with the Corvallis community.
2. Engage staff, parents, students and community in execution of facility improvements consistent with the district's core values for educational design.
3. Complete construction projects through a voter-approved bond levy.

VII. RESOLUTION 20-0901 INDIGENOUS PEOPLE'S DAY

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Luhui Whitebear, Board Position #6
Meeting Date: September 24, 2020

Resolution Number: 20-0901 **Indigenous Peoples' Day**

FIRST READ:
NO ACTION REQUESTED

Background

In October of 2015, Corvallis was one of the two cities that first proclaimed Indigenous Peoples' Day as the second Monday of October in the State of Oregon. Further, the State of Oregon is one of the several states that does not recognize Columbus Day and formally began proclaiming Indigenous Peoples' Day as the second Monday of October for the entire state in 2017. Additionally Oregon Senate Bill 13 was passed in 2017 to include Native American curriculum in all Oregon public schools.

Some teachers in the District continue to teach a romanticized version of Christopher Columbus around the second Monday of October each year despite the lack of recognition of Columbus Day by the State of Oregon. Further, for the past five years, the City of Corvallis has issued a proclamation that states it "strongly encourage[s] community members, schools, businesses, public and private organizations, and other community partners to join communities across America in recognizing and promoting the wellbeing and understanding of the contributions of our Indigenous communities." As a School District within Corvallis that values equity and is committed to anti-racism, it is time to answer to the call made by the City of Corvallis.

The proposed resolution seeks to align the District's understanding and recognition of Indigenous Peoples' Day with that of both the city and the state. It also seeks to help create a platform to educate students about Indigenous peoples and their contributions to the community and beyond, both past and present.

Involvement

Director Luhui Whitebear (Sponsor), Director Tina Baker, Director Terese Jones

Cost Impact

Minimal existing staff time

Corvallis School District 509J

Resolution Number 20-0901

ACKNOWLEDGEMENT OF INDIGENOUS PEOPLES' DAY

WHEREAS, Christopher Columbus, a man who is inaccurately described as having “discovered” the Americas, came upon land that was already inhabited by Indigenous Peoples; and

WHEREAS, Columbus’ voyage to the Americas led to the introduction of transatlantic slavery, land dispossession, and genocidal acts against Indigenous Peoples; and

WHEREAS, The City of Corvallis and current day Benton County are on lands fully inhabited by the Kalapuya people before removal for settlers; and

WHEREAS, education is a necessary component for creating a more equitable and anti-racist community, nation, and world; and

WHEREAS, The Corvallis School District has made a commitment to equity and anti-racism; and

WHEREAS, The Corvallis School District has an opportunity to uniquely reach and educate children as touchstone in the community; and

WHEREAS, The Corvallis School District has a responsibility to honor and respect the diverse histories of our community; and

WHEREAS, The Corvallis School District recognizes and acknowledges the significant contributions made in our community by Indigenous People and commits to ensure greater understanding of these contributions by all students through Oregon SB-13 curriculum; and

WHEREAS, The idea of Indigenous Peoples’ Day was first proposed in 1977 by a delegation of Native Nations to the United Nations; and

WHEREAS, The State of Oregon does not formally recognize Columbus Day; and

WHEREAS, The City of Corvallis has proclaimed the second day of October as Indigenous Peoples’ Day in Corvallis since 2015; and

WHEREAS, The State of Oregon has proclaimed the second day of October as Indigenous Peoples’ Day in Oregon since 2017;

WHEREAS, This day should be recognized for the Indigenous peoples of the Americas.

Therefore, let it be resolved by the Board of Education of the Corvallis School District:

do hereby proclaim **Monday, October 12, 2020** as well as the second Monday of October annually, as **Indigenous Peoples' Day** in the District and strongly encourage families, staff, and community members to join in existing local Indigenous Peoples' Day celebrations;

and encourage all schools in the district to help highlight this day in grade appropriate ways as well as highlight the contributions of Indigenous peoples to the local community, nation, and beyond both historically and in current times.

VIII. CONSOLIDATED ACTION

VIII.A. BUDGET COMMITTEE VACANCIES

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Olivia Meyers Buch, Finance and Operations Director
Meeting Date: September 24, 2020

Budget Committee Vacancies

ACTION REQUESTED

Background

Pursuant to Board Policy DBEA, "Budget Committee," and prior to October 1 each year, the Board will identify vacant budget committee positions that must be filled by Board appointment.

The Budget Committee has 14 members: seven elected school board members and seven citizens appointed to three-year terms by the board. The citizen members are appointed by open vote of the School Board, as openings occur.

This year the terms of two members expired (LeeAnn Baker and Joshua Clark), resulting in two (2) vacancies for full terms (three years each) expiring June 30, 2023.

The openings on the Budget Committee will be advertised in the Gazette Times and messages will be shared on social media and other district communication channels.

The recruitment schedule for these two open seats is proposed as follows:

- September 24 School Board Meeting – publicly identify vacant committee positions and approve recruitment calendar
- September to mid-October –advertisements, press release, social media promotions
- October 16 – application deadline
- November 12 School Board Meeting – appoint members

Involvement

Finance and Operations Department staff.

ACTION REQUESTED:

Identify these vacancies and adopt this recruitment schedule.

MOTION REQUESTED:

"I move that the Board identify two full-term openings on the 2021 Budget Committee and approve the recruitment schedule as presented by staff."

Corvallis

VIII.B. LINCOLN ELEMENTARY SCHOOL - FORTIS CHANGE ORDER #1

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Kim Patten, Director of Facilities and Transportation
Meeting Date: September 24, 2020

Lincoln Elementary School-Fortis Change Order #1 - ACTION REQUESTED

Background

In May 2018 voters approved a Facilities Improvement Bond in the amount of \$199,916,925. The Lincoln Elementary School was approved within the bond fund.

On March 19, 2020, the Corvallis School District approved the Guaranteed Maximum Price for the Lincoln project in the amount of \$31,995,294. Subsequent to that time, it was determined that there were changes required by the City of Corvallis. This change also includes a reimbursement from Fortis for the District's payment of permits that are included in Fortis' GMP. The cost of these changes was negotiated with Fortis Construction in the amount of \$300,588.59. This cost will be funded from district project contingency, and therefore within the existing project budget.

ACTION REQUESTED

Authorize staff to execute a change order with Fortis Construction for added work in the amount of \$300,588.59 to increase the Guaranteed Maximum Price to the amount of \$32,364,435.51 for the Lincoln Elementary School.

MOTION REQUESTED

"I move to authorize staff to execute a change order with Fortis Construction for added work in the amount of \$300,588.59 to increase the Guaranteed Maximum Price to the amount of \$32,364,435.51 for the Lincoln Elementary School.
