Oregon School Boards Association Diane Efseaff Memorial Scholarship Program

ACTION REQUESTED

Background

The Dianne Efseaff Memorial Scholarship Application has been completed and will be sent to OSBA for consideration upon approval by the Board.

ACTION REQUESTED:

Approve participation in the half Diane Efseaff Memorial Scholarship Program.

MOTION REQUESTED:

"I move to approve participation in the half Oregon School Boards Association's Diane Efseaff Memorial Scholarship Program."

APPLICATION 2022

OSBA believes that school boards have an integral role to play in the continual improvement of student learning. We believe that role is a collaborative governance one with the superintendent/college president and a District Leadership Team (DLT), a cross section of staff including administrators,

teachers and classified staff from each level/building within the entity that helps provide guidance and support for improving student achievement. Participation in the Diane Efseaff Memorial Scholarship Program (DEMSP) includes meetings with the school board, superintendent/president and the DLT. If your system does not yet have a DLT, OSBA will help you in establishing one, and if your system has a DLT, we will help you learn how to integrate its work with the role of the school board.

This application also functions as your board's intent to participate. It is due to OSBA by **JUNE 1, 2022**. OSBA will announce selected applicants by July 1, 2022.

Boards selected through the Diane Efseaff Memorial Scholarship Program application process make a significant commitment of time to training and/or project work, which could result in a significant change in how the school board has done its work in the past. Selected boards that complete all aspects of the program (as described below) will receive either \$2,500 or \$5,000 of scholarship money to distribute to one or more students, depending on the program they select.

Boards may choose to participate in the full DEMSP or the half program. Each program is described on page 2 and 3.

**Program is dependent on approved funding by the OSBA board.*

FULL DEMSP:

This program is ideal for boards that have not completed OSBA's Roles and Responsibilities trainings in the last 12 months, or that have had significant turnover on the board since last completing the training. It may also be ideal for boards that wish to develop/revise a board operating agreement, a board self-evaluation, or the superintendent/president evaluation process, and/or that desire to invest deeply in their own professional development.

Boards applying for this program must be willing to commit to a minimum of 18 hours of professional development/project work. DEMSP sessions must be scheduled as stand-alone special meetings and are not to be combined with other board business. Full board participation is expected at the DEMSP sessions (a quorum must be present).

Boards that complete the program will earn a \$5,000 scholarship to distribute to one or more students.

All participants must also complete a superintendent/president evaluation and the OSBA online board self-evaluation during the eligibility period.

A sample program outline is below:

SESSION	TOPIC	TIME COMMITMENT
Session 1	Facilitated planning session. Assessment of board training needs, setting expectations, designing project goals and outcomes, scheduling future sessions	Approx. 3 hours
Session 2	Customized board training	Approx. 3 hours
Session 3	Customized board training	Approx. 3 hours
Session 4	Project session 1 (with District Leadership Team)	Approx. 3 hours
Session 5	Project session 2 (with District Leadership Team)	Approx. 3 hours
Session 6	Final project session (with District Leadership Team)	Approx. 3 hours

HALF DEMSP:

This program may be ideal for boards that have recently completed OSBA's Basic Roles and Responsibilities trainings and have had no significant turnover on the board since last completing the training. It may also be ideal for boards that wish to expand on a previous scholarship project or complete a different project, or that have less time to commit to the board's professional development.

Boards applying for this program must be willing to commit to a minimum of 12 hours of professional development/project work. DEMSP sessions must be scheduled as stand-alone special meetings and are not to be combined with other board business. Full board participation is expected at the DEMSP sessions (a quorum must be present).

Boards that complete the program will earn a \$2,500 scholarship to distribute to one or more students.

All participants must also complete a superintendent/president evaluation and the OSBA online board self-evaluation during the eligibility period.

A sample program outline is below:

SESSION	TOPIC	TIME COMMITMENT
Session 1	Facilitated planning session. Assessment of board needs for project, setting expectations, designing project outcomes, scheduling future sessions	Approx. 3 hours
Session 2	Project session 1 (with District Leadership Team)	Approx. 3 hours
Session 3	Project session 2 (with District Leadership Team)	Approx. 3 hours
Session 4	Final project session (with District Leadership Team)	Approx. 3 hours

BOARD PROJECT

Each participating board must complete a board project (to be approved by OSBA's Director of Board Development). The board project must be:

- Designed to impact student achievement for all students
- Relate to a potential, proposed or newly adopted district initiative

(Examples of this might include a districtwide implementation of AVID or Restorative Justice, creating/operationalizing a board equity lens, setting and implementing board professional development and district goals, and building a long-term monitoring plan for a newly adopted strategic plan.)

The first session of the DEMSP will be planning the project and learning how the principles of collaborative governance apply. The superintendent/president may be asked to build a District Leadership Team (DLT), a cross section of staff that can help provide guidance and support for improving student achievement, to meet with the board for project sessions.

The project sessions will be co-created with the OSBA facilitator and will address applicable research about how boards impact student achievement through policy and accountability by setting clear expectations (vision and goals), aligning and sustaining resources to meet goals, holding the system accountable by using and monitoring data, learning as a team, engaging with stakeholders and building public will.

OTHER REQUIREMENTS

The board must submit evidence that the board has formally agreed to apply for and, if selected, participate in the Diane Efseaff Memorial Scholarship Program as described in this application.

During the eligibility period (7/1/22 – 6/30/23), you must submit documentation of the following:

1. **Completed superintendent/president evaluation.** *Please note that the OSBA Targeted Feedback Survey is not included in the cost of the DEMSP. If the participating board elects to conduct a Targeted Feedback Survey through OSBA as part of their superintendent/president evaluation, the costs for that service will be executed and invoiced under a separate service agreement.*
2. **Completed board self-evaluation using the OSBA online balanced governance self-evaluation tool^{*}.** The full Board Self-Assessment Survey report and facilitation are included in the DEMSP.

APPLICATION AND ACKNOWLEDGEMENTS

Please use the space below to respond to the following questions:

1. Identify whether the board is applying for the full DEMSP or the half DEMSP.

Select one:

☐ Full program

☒ Half program

2. Describe why the board wants to participate in the DEMSP and what the board hopes to learn by participating in this program. (For example, what are your greatest hopes for the system and board if selected to participate?)

The Corvallis School Board has identified community engagement as an area of focus for the upcoming school year. The board self evaluation identified this as an area for growth. The board will engage the community in the revision of the school board goals.

3. Is there a specific aspect of student achievement you plan to impact through participation in this program?

The School Board Goals drive the focus of the district. Aligned goals, supported by the Corvallis Community, support improvements in student achievement. In addition, a board that follows a governance structure has a positive impact on student achievement.

4. List the board's professional development activities/trainings/conferences attended through OSBA, etc. within the last 24 months.

The Corvallis School Board has participated in the Diane Efseaff Memorial Scholarship Program for the past four years. In addition, CSD board members are members of the OSBA legislative policy committee and color caucus. One of our board members attended the NSBA conference this school year.

5. Please explain your current board governance practices and what you're hoping to change (if any) by implementing a collaborative governance model.

In the most recent board self assessment our board had the highest rating on the standard of Board Member Conduct, Ethics and Relationship with the Superintendent. The Corvallis School Board and Superintendent understand their roles and function successfully because we maintain these roles.

The self assessment also highlighted the need for greater community engagement. While board members are elected by community members the goal of ongoing community engagement has not been achieved. As community engagement increases board members will be able to bring forward additional community perspective in their decision making.

Please read and initial each item below:

- _____ I acknowledge that I have read and understand all parts of the application.
- _____ The board has formally agreed to apply for and participate in the DEMSP. A copy of the resolution, motion and/or board minutes is included as documentation.

- _____ The board has agreed to full board participation and to have at minimum a quorum present in each session with OSBA.
- _____ The board has agreed to complete all project requirements by June 30, 2023.
- _____ The board understands that all requirements of the DEMSP must be met before the district is awarded the \$5,000 or \$2,500 scholarship funds.
