DEKALB COUNTY

IRONWORKERS (NORTHWEST) - That portion of the county from a point where the western county line intersects with Rt. 30, continuing eastward to Shabbona, north between Shabbona and Clare, and northeast between Clare and New Lebanon.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

BOARD OF EDUCATION MEMORANDUM

TO: DISTRICT 301 BOARD OF EDUCATION

FROM: DR. GREG RABENHORST, ASSISTANT SUPERINTENDENT

SUBJECT: APPROVAL OF ADMINISTRATIVE RECOMMENDATION ON INSURANCE MANAGEMENT

APPROVAL OF RESOLUTION FOR MEMBERSHIP IN THE PRAIRIE STATE INSURANCE COOPERATIVE

DATE: 6/5/2012

As stated in the May 2012 BOE meeting, the administration sought proposals and quotes from the district's current agent as well as a competing group for supply of Property/Casualty Risk Management Program and the district's Worker's Compensation Risk Management Program. Currently the district's management programs are supplied through the Illinois School District Agency (ISDA) and the Worker's Compensation Self-Insurance Trust (WCSIT). The competing proposal was provided by the Prairie State Insurance Cooperative (PSIC) which is managed by Arthur J. Gallagher Risk Management Services, Inc.

Based on the proposals, administration is recommending that risk management services be provided through PSIC which is managed through Gallagher for the following primary reasons:

- The quote through PSIC was approximately $95,000 less than through ISDA/WCSIT in total.
- While deductibles are higher through PSIC, the coverages tend to be equal to or higher those through ISDA/WCSIT.
- District administration and staff has been dissatisfied with the agency handling worker's compensation claims for at least the past two school years.
- District administration and staff has been highly satisfied in working with Gallagher's health insurance management services and expects services to be as excellent in the areas of risk management.

In order accept the proposal from PSIC, the Board must formally approve the resolution to become a member of the Prairie State Insurance Cooperative. The resolution is included in the board documents for your review.
