BOE Meeting

1. Roll Call
2. Pledge of Allegiance
3. Public Open Forum
 - 3.1 Recognition of Visitors - President Kellenberger and Dr. Stirn welcomed guests.
 - 3.2 Public Comment – Mr. and Mrs. Patrick O'Connor addressed the board regarding a bus incident and transportation safety.
 - 3.3 Correspondence and Recognition – Members from the District 301 Education Foundation addressed the board and shared the past, present, and future vision of the foundation. Mr. Andy Minehart and Mrs. Karen Warner presented the school district with a check for \$20,000 to assist with the funding of two technology training centers on the east and west side of the district. The training centers will provide opportunities for staff to receive training on implementing technology in the classroom.
Dr. Stirn introduced Mr. Ryan Robinson as the lead instructor of the agriculture program and stated that he has done a great job increasing the high school's FFA program. Mr. Robinson was recently named one of five finalists in the Illinois Association of Vocational Agriculture Teachers' Excellence in Teaching Award.
Dr. Stirn also shared some of the quotes from a newspaper article about Cross Country Coach Vince Neil. The quotes were from a former coach who praised Mr. Neil's coaching ability, passion and ethics.
- 4.0 Action Items
 - 4.1 Consent Agenda – The consent agenda was presented by Dr. Stirn. Revenues are at 5.65% and expenditures are at 10.7%. It is still very early in the budget year and the budget is tracking as expected. Impact fees were received for 17 new home starts for a total of \$91,595.70 and \$26,609.76 in transition fees. Impact fees may be used for growth (brick and mortar) only, transition fees have more flexibility and can be used in the Education Fund or for capital projects.
A representative of Eder, Casella & Company will attend the October board meeting to review the results from the audit with the board and Dr. Stirn is anticipating a favorable report.
 - 4.2 Resolution FY 16 Budget – Following the budget presentation, no further discussion took place on the budget.
 - 4.3 Board Policy 6:235 E1 – Use of Technology Device Agreement – The exhibit is an agreement that is required to be signed by the parent or guardian of every student who receives a Chromebook or tablet in the 1:1 program. The agreement covers device use, care, ownership, internet usage and responsibility.
 - 4.4 Application for Recognition of Schools – Each school in the district is required to annually apply for state recognition. Each principal is required to complete the application, and submit it to the superintendent and board before October 15th. Once board approval is given the reports are submitted to the Illinois State Board of Education.
 - 4.5 FFA Overnight Trip – The FFA club requested approval to attend the National FFA Convention in Kentucky. The group is scheduled to leave on Wednesday, October 28th on a charter bus with other area FFA clubs. The horse judging team will now leave on Tuesday, October 27th on the district activity bus in order to compete in the horse judging competition which is held the day prior to the convention. The FFA club will return home Saturday, October 31, 2015. The trip was approved.

5.0 Information Reports

- 5.1 Committee Reports – Curriculum Coordinating Council (CCC) – The committee meeting agenda covered many topics including the history of the CCC, the by-laws, purpose and membership. Three new members were added to CCC; a K-5 voting member, 6-8 non-voting member, and the director of technology as a voting member. Members of the CCC received the book *Blended* to read and discuss later in the year. Discussions also included assessment updates, scoring within assessments, how scoring results will be explained to parents, and that students are now being compared to peers in their building, at the district level and at the state level. It is believed that new state science assessments will be administered in grades 5, 8 & 10. Science and social studies assessments must contain literary pieces and will marry with the English Language Arts (ELA). The CCC identified other topics for committee review including: professional development (PD), curriculum development, standards based grading/grading practices, common assessments, textbook adoption, technology and education, blended/online learning.
- District Leadership Team (DLT) – Dr. Stirn shared the enrollment trend presentation and highlighted the fact that solutions to growth in our community must be addressed within the next couple of years. The District's current enrollment will definitely create space issues at Central High School between school years 2018-2020. Dr. Stirn and Assistant Superintendent Mongan, will visit buildings to present the enrollment trend information. Later in October, two focus groups will be scheduled at Central High School to look for the best solution for growth. After the groups meet, feedback will be collected and presented to the board of education and the community.
- Emergency Preparedness Committee (EPC) – Principal Rebecca Jurs is the chairperson of the committee and prepares the meeting agenda and topics. The committee discussed the potential use of magnetic strips over door locks to keep the doors unlocked and in the case of an emergency the strips would be removed to allow the door to lock. After discussion it was resolved that the district will maintain the original protocol of keeping all doors closed and locked. Bluepoint Alert Solutions installation has been completed in all buildings and staff is working closely with Elgin and Kane County law enforcement on protocols for its use. Updates to Bluepoint now allow administrators to receive a text message, email and phone call when the system is activated and if available cameras can show where the activation occurred. The committee also reviewed the closure at Central High School that was necessary due to the failure of the well pump motor.
- Central Education Foundation – Members of the Central Education Foundation attended all the Back to School Nights at each district facility. The foundation is partnering with the middle school and high school to help find vendors for the job fair and they are busy planning Trivia with a Twist which is scheduled for November 7th at the Q Center in St. Charles. The trivia theme is throughout the decades.
- 5.2 1:1 Rollout and Technology Infrastructure Update – The Teachers on Special Assignment (TOSA) have done a great job with the help of the Google teams, technology staff and volunteers rolling out the 1:1 devices. The rollouts were a magical experience for many students and it was rewarding to watch the reaction of the kids as they received their devices. Director of Technology Smith and his team did a great job preparing the devices and getting the wireless infrastructure ready to assist in the initiative. Approximately 3,800 devices were distributed to students. Technology has already tracked over 2 million internet searches, 300,000 YouTube searches, and almost 30,000 google docs created. The wireless network has worked well, with minimal problems. Phase 1 of the fiber project at CHS and CMS will begin after October 1st, connecting to ECC for additional bandwidth. Phase 2 is still to be determined. The field tile surveying is in progress by Huddleston McBride. Permitting has been submitted to the railroads and State by Rocky Mountain Communications and the company is reaching out to property owners seeking easement access.
- 5.3 Homecoming Activities – Homecoming is the week of September 28th and the agenda of events was included in the board packet.

- 5.4 Public Act 97-256 Requirements – Teacher and Administrator Salaries – the district is required to post the annual salary of teachers and administrators every year on their website.
- 5.5 Public Act 97-0609 Requirements – Posting of IMRF Compensation Packages the district is required to post any IMRF salary over \$75,000 within six days of approving the budget.
- 5.6 Enrollment Report – Student population is up 147 students compared to the sixth day in 2014.
- 6.0 Freedom of Information Act (FOIA)
 - 6.1 The district received three requests from the Illinois Education Association, Kim Paulus for the CEA and one from the NAACP. All three requests were answered by providing the requested documentation.

Janet Marlovits, Secretary

Subject: Presentation & Approval of FY15 District Audit

Date: October 15, 2015

One of the partners of Eder, Casella & Company will provide an overview of the recently completed district audit at the beginning of the Board meeting. Following the presentation, members will have an opportunity to ask any questions if they desire. The audit report will be brought to the meeting for distribution to Board members as I have only received the draft copy at this point in time.

This year's audit was completed without the issues that occurred last year. All funds ended the year with a positive fund balance. Line item actual expenditures were generally below those budgeted. We did exceed our technology budget after we knew our overall expenditures in the Education Fund were below budget and thus avoided these expenditures in our new FY16 budget. We did a similar course of action in our capital improvement line in the Operations & Maintenance Fund in order to lessen the impact of the large capital projects in the new FY16 budget year.

Daina Pflug, District Treasurer, will be in attendance during the audit presentation. She did an outstanding job throughout the year and deserves much credit for this year's successful audit report.

Following the presentation of the audit, the Board should formally approve the audit. Daina and I will then deliver the reports to the Regional office of Education and Kane County Tax Extension Officer.

BOARD OF EDUCATION MEMORANDUM

TO: DISTRICT 301 BOARD OF EDUCATION
DR. TODD STIRN, SUPERINTENDENT

FROM: ESTHER MONGAN, ASSISTANT SUPERINTENDENT

SUBJECT: IMRF & IRS SECTION 125 PLAN

DATE: 10/19/2015

Findings from our recent IMRF Audit discovered that our district has not been exempting IRS Code Section 125 plans from IMRF wages even though IRS Code Section 125 plans are exempt from all taxes. Our records indicate that we developed a Section 125 plan effective January 1993. At that time, it appears that we did not complete the paperwork for the Board of Education to adopt a resolution to include compensation paid under an Internal Revenue Code Section 125 Plan as IMRF earnings (IMRF Form 6.72).

Suggested resolution to include compensation paid under an Internal Revenue Code Section 125 Plan as IMRF earnings

School Board Meeting Procedure

Agenda

The School Board President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda. Items not specifically on the agenda may still be discussed during the meeting. **The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.**

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of “abstain” or “present,” or a vote other than “yea” or “nay,” or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of “abstain” or “present,” or a vote other than “yea” or “nay,” or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board’s minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting’s date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted “yea” and “nay”;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;

6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. **Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.**

At least semi-annually in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board's meeting minutes must be submitted to the Board Treasurer **at such times** ~~on the first Monday of April and October, and at other times~~ as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within **10 7** days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member. Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection. The minutes shall not be removed from the Superintendent's office except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within **10 7** days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or

Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order, Newly Revised (10th Edition), as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Public Participation at School Board Meetings and Petitions to the Board

At each regular and special open meeting, the members of the public and District employees may comment to or ask questions of the School Board, subject to reasonable constraints.

The individuals appearing before the Board are expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President.
2. Identify oneself and be brief. Ordinarily, comments shall be limited to 3 minutes. In unusual circumstances, and when an individual has made a request in advance to speak for a longer period of time, the individual may be allowed to speak for more than 3 minutes.
3. ~~The Board President may shorten or lengthen an individual's opportunity to speak. The President may also deny an individual the opportunity if the individual has previously addressed the Board on the same subject within the past 2 months.~~ Observe the Board President's decision to shorten public comment to conserve time and give the maximum number of individuals an opportunity to speak.
4. ~~The Board President shall have the authority to determine procedural matters regarding public participation not otherwise defined in Board policy.~~ Observe the Board President's decision to determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy, 8:30, *Visitors to and Conduct on School Property*.

Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. **The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.**

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated. **The Superintendent or designee(s) shall report any FOIA requests and the status of the District's response to the Board at each regular Board meeting.**

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary materials pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. All requests for inspection and copying shall immediately be forwarded to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within 5 business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to 5 business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension,

and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

~~Notwithstanding the above, the Freedom of Information Officer shall respond to requests for commercial purposes and to recurrent requesters (as those terms are defined in Section 2 of FOIA) according to Sections 3.1 and 3.2 of FOIA. The time periods are extended for responding to requests for records made for a commercial purpose, requests by a recurrent requester, or voluminous requests, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.~~

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Copying Fees

~~Persons making a request for copies of public records must pay 15¢ per copy. The Freedom of Information Officer shall, as needed, recommend a copying fee schedule for the Board's approval. Copying fees, except when fixed by statute, are reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. No copying fee shall be charged for the first 50 pages of black and white, letter or legal sized copies. No copying fee shall be charged for electronic copies other than the actual cost of the recording medium.~~

Fees for Responding to a Request for a Commercial Purpose

~~In addition to copying fees, persons making a request for a commercial purpose, as defined in FOIA, must pay a fee of \$10 for each hour spent by personnel in searching for and retrieving the record. However, no fees shall be charged for the first 8 hours spent by personnel in searching for or retrieving a requested record. The District also charges the actual cost of retrieving and transporting public records from an off-site storage facility when the public records are maintained by a third-party storage facility under contract with the District. Whenever the District charges any fees to a requester making a commercial request, the Freedom of Information Officer shall provide the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records.~~

Fees

~~Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a commercial purpose and fees, costs, and personnel hours in connection with responding to a voluminous request.~~

~~Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a voluminous request, as defined in FOIA.~~

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Access

The inspection and copying of a public record that is the subject of an approved access request is permitted at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, a description of the District and the methods for requesting a public record.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g. a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will attempt to resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of a complaint filed hereunder shall not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, "school business days" means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. If the Complainant is a student, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time. If a complaint of sexual harassment contains allegations involving the Superintendent, the written report shall be filed with the Board, which will make a decision in accordance with the following section of this policy. The Superintendent will keep the Board informed of all complaints.

Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant by U.S. mail, first class, as well as the Complaint Manager.

Within 10 school business days after receiving the Superintendent's decision, the Complainant may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board. Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within 5 school business days of the Board's decision, the Superintendent shall inform the Complainant of the Board's action.

This grievance procedure shall not be construed to create an independent right to a Board hearing. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Superintendent will appoint 2 Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

Dear FOIA officer,

This is Patrick McCraney at the Better Government Association with a request for documents under the Illinois Freedom of Information Act.

Specifically, under FOIA, I am requesting copies of:

- 1.) Collective Bargaining Agreements:** Any and all current collective bargaining agreements, including but not limited to union contracts with teachers. If a union is currently operating under an expired contract, please include it.
- 2.) Administrator Contracts:** Any and all employment/personnel agreements and contracts with current administrators, including but not limited to superintendents and principals.
- 3.) Budget:** The approved operating and capital budgets for the 2015-16 school year.
- 4.) Legal Settlements:** Any and all legal settlements entered into, signed, or otherwise adopted from January 1, 2014 to present.
- 5.) Payroll:** Documents sufficient to show the **names and corresponding job titles and salaries of any and all district employees and board members** as of today (In other words, the current payroll records that include names, positions and pay for all employees, **not just teachers and administrators**).

Please provide all documents in PDF format.

I am making this request on behalf of the Better Government Association (BGA). The BGA is a registered-non profit organization in the State of Illinois.

The principal purpose of this request is to access and disseminate information concerning news and current or passing events for articles of opinion or features of interest to the public regarding the health, safety and welfare or the legal rights of the general public. The information sought will not be used for sale, resale, or solicitation or advertisement for sales or services.

This request is not made for commercial or personal purposes. More information about the BGA is available on the BGA website, www.bettergov.org, and on file with the Illinois Secretary of State. I ask that you waive fees as the law allows.

For any written correspondence, please use this address: Patrick McCraney, 7756 Green Valley Ct, Darien, IL 60561. **However, in the interest of saving money and paper, I ask that you send all responses to my email address: pmccraney@bettergov.org.**

Please call or email with any questions. I look forward to your response within five business days as required by law.

Section 3.1 states: " It is a violation of this Act for a person to knowingly obtain a public record for a commercial purpose without disclosing that it is for a commercial purpose, if requested to do so by the public body."

☒ Please check if a fee waiver or reduction is being requested.
