BOE Meeting

1. Roll Call
2. Pledge of Allegiance
3. Public Open Forum
 - 3.1 Recognition of Visitors –President Kellenberger and Dr. Stirn welcomed guests and thanked everyone for coming to the meeting.
 - 3.2 Public Comment – No public comment.
 - 3.3 Recognition – Dr. Stirn asked Principal Testone to present Austin Macias to the Board for his first place win at the State Tournament. Austin thanked everyone for the recognition and talked about what it means to him to be part of Central High School.
- 4.0 Action Items
 - 4.1 Consent Agenda –Revenues for the month are tracking at 49.21% compared to 42.58% last year. Expenditures are at 53.87% compared to 53.71% last year. The District has not received impact fees for February, Dr. Stirn will let the Board know when impact fees are received and share the information at the next board meeting.
 - 4.2 German II Textbook – This textbook was authored in German and was originally designed to instruct people living in Germany learning the language. The text has been on display for 30 days and approval is recommended.
 - 4.3 Phase II Bids – Director Polowy presented the bid amounts for phase II, some of the alternate items chosen helped keep costs within budgeted amounts. Director Polowy reviewed some of the alternate costs.
 - 4.4 Library Furniture Bids – The library bid was sent to 11 companies, only one vendor bid, Rieke Office Interiors other vendors could not compete with Rieke and dropped out of the bidding. Rieke manufactures their own casework and works with vendors for furniture. Assistant Principal McCastland looked up the prices for the items Rieke bid on and found that their prices were significantly lower than other companies.
 - 4.5 Cardio Room Bids - Athletic Director Diversey shared the bid with the board. Director Diversey recommended Direct Fitness Solutions be awarded the bid. Direct Fitness does not use Precore equipment but still has quality equipment with a five year warranty and maintenance. All equipment specified in the bid is new equipment.
 - 4.6 Weight Room Bids – Direct Fitness Solutions was also recommended for this bid. This equipment will consist of a large rig allowing multiple students to work out at the same time at different stations. The existing equipment may go to the middle school or may be donated.

- 4.7 Fox Valley Career Center Joint Agreement – This is the annual renewal of the joint agreement that the Kane County schools share for vocational class offerings.
- 4.8 FFA Overnight Trips – Ryan Robinson is requesting permission to take his FFA students to the Farm Bureau Youth Leadership Conference in April and the State FFA convention in June.
- 4.9 WYSE Team Overnight Trip – Andrea Keil is requesting permission to take the WYSE team to Champaign/Urbana for the State WYSE team competition in April.
- 4.10 Resolution to Dismiss Certified Part Time Teachers – This is an annual action that falls under Senate Bill 7 where all part time certified teachers are released and must re-apply for their position.
- 4.11 Resolution to Honorably Dismiss Teachers – This is another action under Senate Bill 7. These teachers were hired to fill a leave of absence for one year and are released after that year.
- 4.12 Resolution to Dismiss First, Second or Third Year Probationary Teachers – this action is also from Senate Bill 7 however, these teachers are not tenured and are being dismissed for cause.

5.0 Information Reports

- 5.1 Committee Reports – CCC – The technology committee received positive feedback from the elementary and middle school teachers on Defined Stem. The high school feedback was not as positive, but overall the feedback on the use of Defined Stem is good. Clarity survey results are back from students and staff. The focus is on the 4 C's (communication, collaboration, critical thinking and creativity) and how technology is used. Feedback was interesting, different perceptions between students and teachers. This is a valuable program and the data give us insights to how 301 is performing compared to other schools state and nationwide. The 6-12 homework and grading committee is hosting focus groups for students, a pilot was held at the middle schools and so far they have gone well. They received a lot of feedback both positive and constructive. The next focus group will be held at the high school.
EPC – Principal Jurs is in the process of updating protocol, she is creating a binder for all administrators to share with staff. Protocols have been approved for bomb threats and lockdown procedures. Next month approval will be requested for hazardous spills and evacuation procedures. The goal is to have the binder complete by May. The Alice Training in North Aurora had some Fox Valley Career Center Students assisting in the training.
Foundation – Topics included the Foundation branding itself along with how to move forward getting their name out in the community, and planning different events. They are excited about the high school addition. They are considering having the Wizards back and host an open house in the new field house in the fall of 2018. Other events could include a Spartan Run, Tough Mudder Run for the community while continuing with the Trivia event. They are focused on funding in areas that will assist students with their college and career goals and make sure that assistance is going to all the schools in the district.

- 5.2 Construction Update – Director Polowy reported that his department is working on the summer project plan that includes parking lot overcoat at Prairie View and Lily Lake, continuing the work in the CHS library; carpet replacements, plumbing projects and on going painting projects. He is creating a list of high school needs. If Phase I and II come in under budget other high school needs can be taken care of. Central District Baseball league is adding gravel and earth to the Plato Center parking area. Phase I of the high school expansion is under roof and the fireproofing is done. Masonry walls will start next week. A new 20,000 gallon fire tank was installed, and a new transformer will be installed next week. During spring break a doorway will be cut through the precast walls, some of the drain and site work will be tied to the retention area. The parking lot is on hold due to the rain. Phase II is set to start – site work and excavating will start before school is out in June. The field house work will start once they have parking. The kitchen bid and the spray on fireproofing will go out in April. He is still working with Kane County on the Plato road turn lane issues. Starks is willing to keep earth on site and use it for additional practice soccer or football fields.
- 5.3 Candidate Forum – A candidate forum will be held March 21st at Central High School, all seven candidates will be in attendance.
- 5.4 High School Handbook – Dean Vaughn reviewed changes with the board of education. Last year there was a huge overhaul with SB100 and discipline, that area was not touched. The handbook was updated to be more user friendly. Some of the changes include transportation, dress code, and attendance.
- 5.5 Middle School Handbook – The middle school handbook is aligned to the high school's handbook. The athletic portion of the book has been removed and an athletic handbook will be created. Only three changes related to Prairie Knolls specifically were made: Students should not arrive at school prior to 7:45, the fact that the lost and found is cleaned out occasionally and students may not have a "F" but could have a "D" as long as a 3.0 GPA is achieved.
- 5.6 Elementary School Handbook – No changes other than aligning the appropriate areas to the high school and middle school. Some minor wording changes.
- 5.7 ELL Textbook – The District needs to meet the new state mandates of the Transitional Bilingual Education program because we now have over twenty students in three buildings that are one speaking languages (Spanish). Resources are needed for next school year. Dr. Mongan shared the samples we received. In general education classrooms, guided reading is taught to students at their own reading level instructionally and independently, part of the TBE program requires teachers to teach the students to read in their language. ELL students will have some pull out time and time in the classroom to learn to read in Spanish and in their English classroom. Dr. Mongan would like to get the TBE teachers one day of professional development to use this program. This textbook is for our K-5 students, our staff does a good job of transitioning the students out of the program prior to entering middle school. Students continue to be monitored to make sure they are successful.

- 5.8 Negotiations – The negotiating team met Monday March 13. Ground rules were signed and the financial report was reviewed with IEA, CEA and Larry Franks. Dr. Cope presented the district’s financial position and outlook. Originally proposals 1-6 were to be exchanged but time ran short. Proposals will be exchanged April 5, 2017 at 5:30.
- 5.9 Enrollment – The report was taken on March 16th, overall the district has grown six students. Total enrollment is 4,062 up 279 students from the 6th day of last school year. We anticipated 150 students. Crown Development says housing starts are slowing down, and there is a new sub-division on Corron Road. A lot of the growth is coming from existing homes with new families. The district continues to work with the City of Elgin to plan for and forecast new construction. The growth last summer is more than anyone expected. As the tax rate drops District 301 continues to be more desirable, lower impact fees and tax rates makes 301 very desirable. Interest rates will continue to be monitored.
- 6.0 Freedom of Information Act (FOIA)
- 6.1 Sheetmetal Workers 30 requested information on the HVAC contractors working on Phase I of the high school expansion. We complied with the request.
- 6.2 Smartprocure – they request purchasing information approximately every six months. Due to the fact this company requests information on a regular basis, Treasurer Pflug has created a spreadsheet to comply with the request.
- 7.0 Executive Session
- 7.1 Adjourn Open Meeting
- 7.2 Return to Open Session
- 7.3 Action Items from Closed Session
- 8.0 ADJOURN

Anti-Nepotism

The District makes employment decisions on the basis of individual merit and without any suggestion of favoritism or discrimination. The District strives to hire the best candidate possible for each position and adheres to strict hiring practices. In the event the individual recommended for employment is a relative, the superintendent or designee will ensure that (1) the person being hired is the best qualified candidate for the position; and (2) the persons concerned will not work in a direct supervisory relationship with one another. For purposes of this policy, “relatives” are defined as spouses, children, sisters, brothers, mothers or fathers.

The following guidelines will govern supervisory relationships:

- No employee will be permitted to participate in the hiring of, or recommend the hiring of a relative
- One relative may not supervise another relative or work in a position which has an audit or control function over the other relative
- Relatives will not be involved in evaluating each other’s job performance or in making recommendations for salary adjustments, promotions, transfers or other employment decisions
- Any pre-existing family relationship that predates this policy shall be exempt under this policy. However, if the employment relationship is changed so that the conflict no longer exists (e.g., the relative is in a position that no longer directly reports to the relative’s supervisor), this policy will apply to future employment decisions regarding those two relatives
- Pre-existing family relationships are subject to restrictions if they create difficulty for supervision, evaluation, security or morale
- An employee who is involved in a personal dating relationship with another employee may not work directly for or supervise the employee with whom he/she is involved. If a personal dating relationship exists, it is the responsibility and obligation of the employees involved to disclose the existence of the relationship to the Superintendent

If a conflict or a potential for conflict arises because of a relationship affecting employment, one or both of the individuals concerned will be given the opportunity to be reassigned to another position for which they are qualified if such a position is available. If no such position is available, one of the individuals may be required to leave his/her employment with the District. The District reserves the right to take prompt action if an actual or potential conflict of interest arises concerning employees who occupy positions in the same line of authority that might affect employment decisions.

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals ~~and "teacher aides"~~ provide supervised instructional support. ~~are noncertificated personnel with instructional duties; the terms are synonymous.~~ Service as a paraprofessional ~~or teacher aide~~ requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE). ~~"statement of approval" issued by the Illinois State Board of Education (ISBE), unless the individual holds certification of at least a bachelor's degree, a professional vocational certificate, is completing an approved clinical experience, and/or is student teaching.~~

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals ~~or teacher aides~~ and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise qualifies with ISBE rules.

Noncertificated and Unlicensed Personnel Working with Students Performing Non-Instructional Duties

Noncertificated and unlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio) detention and discipline areas, and school-sponsored extracurricular activities;

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff.

Reduction in Force and Recall

~~This section is applicable whenever the Board decides~~ The Board may, as necessary or prudent decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement. ~~an educational support employee is removed, dismissed, or his or her hours are reduced.~~

~~The Board shall use a seniority list to determine the order of dismissal or removal. The seniority list, categorized by positions, shows the length of continuing service of each full-time educational support employee. The employee with the shorter length of continuing service within the respective category of position shall be dismissed first.~~

~~Except as provided below, written notice will be given the employee by certified mail, return receipt requested, at least 30 days before the employee is removed or dismissed, or his or her hours are reduced, together with a statement of honorable dismissal and the reason therefore if applicable. The prior written notice will be extended to at least 90 days if the lay-off is due to the District entering into a contract with a third party for non-instructional services. The prior written notice will be shortened to at least 5 days before an employee's hours are reduced as a result of an unforeseen reduction in the student population.~~

~~Any vacancies for the following school term or within one calendar year from the beginning of the following school term, shall be offered to the employees so removed or dismissed from that category or any other category of position provided they are qualified to hold such positions.~~

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

To: Dr. Todd Stirn
Mrs. Daina Pflug

Dr. Stirn,

Central 301 will have a wheel chair bound kindergarten student as well as a kindergarten student that requires a bus aide attending Lily Lake Grade School beginning with the 2017 – 2018 school year. I am proposing that we lease a “full size” wheelchair as a cost savings measure. This bus will be used in place of one of the regular route buses and will be used to transport both kindergarten students to Lily Lake. The bus will seat 54 students plus 2 wheelchairs and will be built to the same specs of our other 72 passenger buses. This would alleviate us from having to hire another bus driver and aide. This bus would be used for field trips for wheel chair students so we would not have to send another driver and bus just for just one or two wheelchair bound students.

Please let me know if I can answer any more questions

GOAL

TO PROVIDE INCLUSION OPPORTUNITIES THAT ALLOW ALL STUDENTS ACCESS TO TYPICAL PEER MODELS

What we've done	Where we're at/progress	Plans/Priorities for next year
Increase enrollment	● GenEd enrollment has tripled. ● We have raised awareness and exposure of the program through local preschool fairs, print and social media	● Continue advertising through social media, the newspaper, in district schools, and at the Preschool Fair. Continue to have parents positively promote through word of mouth. ● Hold an Early Childhood registration night.
Review and begin to align instructional practices	● Implementation of Handwriting without Tears ● Review and analyze benefits of various available assessments	● Curricular tools aligned to Illinois state standards that also align with kindergarten ● Implement appropriate report cards and assessment tools that help drive instruction

FULL DAY KINDERGARTEN

GOAL

**TO PROVIDE GREATER OPPORTUNITY FOR INSTRUCTION IN
KINDERGARTEN READINESS SKILLS IN PREPARATION FOR 3 x 3**

What we've done	Where we're at/progress	Plans/Priorities for next year
Create system to track preschool trends	As new kinders register this Spring, parents are completing the survey.	- This fall, we will analyze the results to look for attendance trends. - We will then analyze student progress to see if there is a correlation to preschool experience
Brainstorm ideas to triangulate math data	Grade level teams are collecting Common Assessment scores by unit.	Throughout the year next year, we will begin comparing cohort data and looking for trends, as we do with reading.

FULL DAY KINDERGARTEN

GOAL

TO PROVIDE GREATER OPPORTUNITY FOR INSTRUCTION IN KINDERGARTEN READINESS SKILLS IN PREPARATION FOR 3 x 3

What we've done	Where we're at/progress	Plans/Priorities for next year
Monitor all day kindergarten cohorts to ensure continued progress in following years	Returning students exceeded their goals for maintaining progress in reading	Develop plan with third grade teachers to ensure continued progress. Third grade will be the most challenging year as we shift from "learning to read" to "reading to learn". Concepts also shift from concrete to abstract, which can also be a challenge.

% of returning students maintaining 3x3

What we've done	Where we're at/progress	Plans/Priorities for next year
Monitor all day kindergarten cohorts to ensure continued progress in following years	Cohorts that <u>had all day kindergarten</u> have 55-60% of students on track to be 3x3 for reading as opposed to 28-48% of students who <u>did not have all day kindergarten</u>.	Continue to plan each year with 1st and 2nd grade to ensure students are continually being challenged.

3x3

***This has been our main area of focus for 2016-17.**

GOAL

To increase the percentage of students who are on track to be 3x3 or are 3x3.

What we've done	Where we're at/progress	Plans/Priorities for next year
Reviewed HBT data to determine the key issue(s) facing us compared to LL, PV, and CT.	● Key issue we found was that HBT has a larger number of new staff due to growth and retirements. ● As a result, we wanted to ensure that both new and veteran teachers were in sync with regards to best practices and instructional approaches. ● Professional development was planned and implemented to build teachers' practices.	● Implement the strategies learned in this year's professional development. ● Keep the conversation going regarding these areas. ● Monitor implementation of strategies with walk-throughs to ensure follow through. ● Analyze 2017 PARCC scores in relation to last two years. Discuss next steps based on this data and our work this year.

3x3

***This has been our main area of focus for 2016-17.**

GOAL

To increase the percentage of students who are on track to be 3x3 or are 3x3.

What we've done	Where we're at/progress	Plans/Priorities for next year
Implemented a variety of professional development opportunities for staff: • Math Common Assessment Discussions • Worked with Cheryl Beasley, Math Consultant	• Carrie meets with each grade level to analyze and discuss the grade level's results on pre and post math assessments to better plan for instruction • A math committee was formed at HBT to work with Cheryl Beasley, math consultant. We learned how to do Number Talks and have implemented them in each grade level. We are reviewing instructional practices with relation to math (such as honoring multiple strategies)	• An average of 89% of K-5 students have <u>scored 70% or higher</u> on math unit assessments. Trends show higher percentages of students are meeting/exceeding at K-2 than 3-5. ○ Next steps: compare district-wide and analyze • Implement the strategies learned ○ Increase use of Number Talks in all K-5 classrooms ○ Monitor implementation of strategies with walk-throughs ○ Poss. continued work with CB

3x3

***This has been our main area of focus for 2016-17.**

GOAL

To increase the percentage of students who are on track to be 3x3 or are 3x3.

What we've done	Where we're at/progress	Plans/Priorities for next year
(PD con't) • In house professional development on student discussions • Professional development on Inclusion	• We have researched and shared with each other best practices and ideas for how to conduct student discussions and the importance of student discussions. Teachers have <u>increased the amount of student discussions by more than double</u> based on walk thru data. • We worked with Lisa York from the MidValley CoOp to increase our knowledge of inclusion and inclusive practices so that we can close the gap and reduce safety nets.	• Continued expectation for shift to "whoever is doing the work is doing the learning". • District-wide discussions under the direction of Mike Potsic with regards to Special Education practices and Inclusion.

3x3

***This has been our main area of focus for 2016-17.**

GOAL

To increase the percentage of students who are on track to be 3x3 or are 3x3.

What we've done	Where we're at/progress	Plans/Priorities for next year
Adjust data meeting process to focus on student growth	- Shift in conversation to focus on Tier 1 students - general teaching practices, how to help the whole cohort, students not making progress; who is on track to be 3x3 - Use spring to fall growth in MAP to discuss who was in need of support; created a plan for them. Monitored plan throughout year. From last spring to this fall, 56% of 2nd-5th students made expected MAP progress; 45% for math.	- This spring, we'll review student growth from fall. Adjust student plans as appropriate. - Our Rising Star team has started a guided reading chart. Beginning this spring, we will discuss students not making expected progress and plan for them - Next year, all students will take the winter MAP, which will provide good longitudinal data and allow us to better track if students are making expected progress.

Academic Behaviors

GOAL

To ensure students are prepared to handle the rigors of their academic programming.

What we've done	Where we're at/progress	Plans/Priorities for next year
• Determined that the area of need is perseverance • In house professional development with regards to perseverance	• Staff are drawing students' attention to what perseverance is to raise their awareness • Select teachers have piloted programs and processes related to perseverance (such as Growth Mindset). • We gathered pre and post data from 3 target classes this year. Perseverance levels increased 13% on average.	• This spring, we'll have in house professional development with regards to Growth Mindset. • Next year, we'll implement a school-wide approach to increasing students' perseverance.

Culture and Climate

GOAL

To continually improve the culture and climate in each building

What we've done	Where we're at/progress	Plans/Priorities for next year
On going, professional conversations to determine the underlying cause of our scores	- Key issue is in staff interpretation of the question. - We adopted the use of a “guide” so that we are all interpreting the questions the same way (Ex: discretionary funds) - We have implemented our Staff Care Code: Focus on Positives, Embrace Solutions, Engage in Professional Transparency	- Review overall plan with staff for any needed adjustments - Otherwise, continue current plan

- Objective 1:
 - Create tracking system of preschool trends to determine how to better target interventions for students who enter without foundational skills
- Results:
 - A survey was developed to capture information from parents at registration regarding their child's pre-school experience.
- Next Steps:
 - Analyze the results for trends in attendance frequency and program type/effectiveness

Full Day Kindergarten

- Objective 2:
 - Use cohort data to determine effectiveness of full day kindergarten over time and to make adjustments to instruction based on results.
- Results:
 - Since instituting full-day K, we see students dropping in 1st grade and rising again in 2nd grade.
- Next Steps:

3 x 3

- Objective 3:
 - Use PARCC data as a data point to determine effectiveness of 3x3 over time and to make adjustments to instruction based on results
- Results:
 - Over time, we have moved students into the met expectations column, but have not increased our exceeded expectations to its maximum. A focus on more non-fiction/informational text use as part of “paired” passage reading has taken place in the building.
- Next Steps:
 - To capture data on use of bookroom texts to support increased instruction in varied paired reading.

Academic Behaviors

- Objective 1:
 - Meaningful Homework: to build a process where homework is surgical to meet the needs of students and to provide information regarding tier 1 intervention/supports
- Results:
 - PV has worked at the team level to ensure a consistent practice of providing homework that is meaningful. Teams have also determined that most homework is not factored into overall subject grading as it rarely shows evidence of understanding.
- Next Steps:
 - To work in tandem with the CCC Subcommittee on K-5 Homework/Grading to ensure district alignment.

Academic Behaviors

- Objective 2:
 - Helplessness to Perseverance: In an effort to be intentional about creating an environment where students are able to use their natural curiosity to problem-solve their world and to create a level of confidence and independence, we are looking to create the following tasks:
 - Perseverance Task 1: Weekly Classroom Scenarios
 - Perseverance Task 2: Monthly Classroom STEM/STEAM projects/experiments
- Results:
 - This year we have collected research on perseverance, discussed current level of student performance based on observations, and created a plan.
- Next Steps:
 - To implement both performance tasks as outlined above.

Culture and Climate

- Objective 1:
 - To determine what categories (if any) are areas that require goal setting from the school improvement team
- Results:
 - After considerable discussion, the team felt that the results from the 2015-2016 Essential Survey indicated that many of the questions lacked contextualization. As a result, the committee created a “Guide to Question Context” where each question was paired with a context statement that each staff member could refer to when completing the 2016-2017 test administration.
- Next Steps:
 - To review the 2016-2017 results to determine if this provided a clearer understanding of what areas require focus.

Rtl at Central High School

- **Central High School is currently in the process of restructuring Rtl services, supports and data monitoring processes.**
- **Year one** (current) has focused on restructuring processes and procedures within the Student Services Team to better identify and provide support for students in need of intervention. Data monitoring systems have also been established.
- **Year two** (2017-18) will focus on 3 areas:
 - ◆ The continued development of the Rtl processes and procedures within the Student Services Team
 - ◆ Increased Tier 2 student supports in the form of additional Math and ELA Momentum Intervention Courses
 - ◆ Tier 1 Intervention training and support for all CHS Teachers

Triangle Teams (Student Services Rtl Process)

- Weekly Triangle Teams consist of 3 members: **Counselor, School Psychologist and the Rtl Coordinator.**
- Additional staff attends TT meetings on an 'as needed' (or) 'as requested' basis. This staff includes: **Social Workers, Credit Recovery Instructor, School Dean, Administration.** When additional staff attends, the discussions begin with students relevant to the additional staff member. *Example - Dean brings up a student who is having discipline issues to determine possible social-emotional interventions.*
- Students are brought up at a Triangle Team meeting for:
 - Rtl Referral in Skyward from Teacher
 - Student being on the D/F report with 2 or more F's in a core area
 - Student not on track for graduation
 - Referral from Counselor, RTI Coord, Psych, Dean, Social Worker or Administration

Triangle Team Data Monitoring

Students are discussed and monitored using the tiered, color-coded system below:

**All data is recorded on the shared Student Concerns Spreadsheet. All interventions are documented in Skyward. Any member can add names and pre-information for future meetings.*

RED - High alert, discuss weekly. Has serious academic and/or social emotional issues

YELLOW - Mild alert, discuss bi-weekly, T2 intervention monitoring

GREEN - Low alert, quarterly checks, current interventions are successful

BLUE - New student(s) added to the Student Concerns spreadsheet. Discussed immediately after code 'Reds'. Changed to Red, Yellow or Purple after discussion.

PURPLE - Low alert, bi-weekly checks, monitor if interventions are needed
