**TO:** Parents and Guardians of Elementary School Children  
**FROM:** The Elementary Principals  
**SUBJECT:** ~~2021-2022~~ 2022-2023 Elementary Handbook

Dear Parents:

It is a pleasure to provide the children of our school district with an excellent education. Since the elementary grades form the foundation of our system, we are particularly proud of the teachers, curricula, and programs we are able to offer the youngest members of our school community. All of our elementary schools continue to expand the horizons of opportunity with dedicated teachers and support personnel investing considerable time and talent developing exciting programs and activities for the children of our District. The numerous ways we continue to respond to the ever-changing, dynamic needs within the public school setting are visible throughout each grade school building.

While this handbook is not a contract with students, it is one key resource for you to use in learning about our schools' policies, practices, procedures, guidelines and expectations. The Board reserves the right for school administrators to exercise professional discretion when enforcing these policies, allowing for situational differences that may arise. The handbook has been organized to help answer your inquiries. This format was designed with the help of many parents, teachers, and school office personnel. We do hope you will invest some time in reading and using this book.

Our goal is to meet the needs of our students. As parents, you are our foremost partners in achieving that goal. Together, we can forge learning opportunities for each and every child attending our classes and programs. Communication is essential for our success. We ask that you work with your school's personnel to ensure that information is exchanged in a positive and purposeful manner. We pledge to do the same. We look forward to working with each of you during the coming year.

Sincerely,

Graydon Engle	Kim Lewis	Rebecca Jurs	Christine Barr

## **GENERAL INFORMATION**

### **Cafeteria**

Elementary schools offer a USDA Reimbursable Value Meal each day. Each morning, classroom teachers take a count of the students who wish to have the "Value Meal of the Day", and a count of the students who wish to have a "Grilled Cheese Sandwich" in place of the protein item. Also, a count will be taken of how many students brought their cold lunch from home and will be purchasing a milk. These counts are shared with the Head Cook each morning so enough food is prepared and available each day.

- Students who choose the "Value Meal of the Day" will receive all meal components: protein items, whole grain bread/pasta items, vegetables, fruit and milk. Students are served the "Value Meal of the Day" without eliminations. The monthly menu can be found on the [Food Service website](#).
- The cost of all menu items in the value meal is set at one meal price. The lunch prices for the 2022-2023 school year are:

<b>Paid Lunch Price</b>	<b>\$3.00</b>
<b>Reduced Lunch Price</b>	<b>\$0.40</b>
<b>Milk Price</b>	<b>\$0.40</b>
<b>Adult/Teacher Lunch Price</b>	<b>\$3.75</b>

- If a student would like to have a non-meat item, they will be served a "Grilled Cheese Sandwich" in place of the planned protein item, at no additional charge.
- Milk is sold to students who would like to have a milk with the cold lunch they brought from home or if the student would like extra milk to drink with his/her hot lunch.
- If a student is eligible for free or reduced price lunch and wishes to have milk with his/her cold lunch from home, he/she must purchase the milk for \$0.40 a carton.

- **Milk Substitute:** A USDA Physician's Statement is required if students need to substitute bottled water for milk related to an allergy or lactose intolerance. The Physician's Statement form can be obtained from the nurse's office.

**Updated Payment Procedures:** In order to provide the safest, contactless transition for payments, Central 301 Food Service Departments district-wide are cashless. All lunch payments must be updated through our online payment system, MySchoolBucks (Heartland Payment Systems).

- ☐ Cashiers will not accept cash or checks at the Point of Sale Cashier stations
- ☐ Setting up a free MySchoolBucks account is easy. Links can be found under the **For Parents tab>Lunch Information** on the district website. To set up an account you will need your students name and ID number. Funds can be added using your credit/debit card or electronic check.
  - Some features with MySchoolBucks are:
    - ☐ Easy way to add funds with auto replenish options available
    - ☐ View cafeteria purchases
    - ☐ Check your student's account balance
    - ☐ Receive low balance alerts depending on your preferences setup

MySchool Bucks now offers **OnePay**, an annual savings pass offering more convenience and savings with reduced program fees. OnePay is a discounted fee payment program for students' lunch accounts. OnePay allows parents/guardians to pay transaction fees upfront from their checking accounts (electronic check, not available for credit cards) with unlimited lunch account payments for 12 months. Parents/Guardians can make as many lunch account payments as they want, in any amount - there are no spending limits.

**How will OnePay benefit families?** When funds are put on students accounts monthly, you will pay 9 times per year = \$22.41 in program fees. OnePay offers the choice of 2 transaction fee payment packages:

- ☐ A single student - you will pay \$12.95/year or
- ☐ A daily plan for \$26.95/year

Both packages provide great value for large families and those who fund their accounts frequently.

**How does OnePay work?**

- ☐ To take advantage of OnePay, parents/guardians must use their checking account for payment of their transaction fees.
- ☐ Parents/Guardians select the OnePay option suitable for their family (Student or Family Plan) and pay the set amount.
- ☐ Once this is paid, parents/guardians will not have to pay another transaction fee on their lunch account for 12 months.

**Free / Reduced Meal Applications**

A student's eligibility for free or reduced priced meals shall be determined by Family Size / Income Guidelines set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education. The Free / Reduced Lunch Application can be found in MySchoolApps.com. Parents may access the Free / Reduced Application link **after July 1<sup>st</sup>** of each new school year. The application link can be found in the Food Service website in the Lunch Information section under MySchoolApps. Paper applications are not available. When you click the MySchoolApps link, read each page carefully. Answer all questions. You will not be able to complete the application if areas are skipped. The online application is a family application so all students must be added to the application. You will need the Student ID number for each student on the application and people living in the household must be added to the application. Your application must be complete before you click "submit". A notification letter will be sent to you listing the status of your application. Approved applications are not carried over to the next school year. You must complete a new application each school year.

So the system can work efficiently for all students each day, we ask that the following rules be observed: ~~chosen~~ **assigned** table.

- Students should pick up all lunch debris from the table and floor, empty lunch trays into trash bins and return the empty lunch trays to the kitchen.
- Students should put lunchroom materials appropriate for recycling in the specified recycling containers.

#### **Contacting Your Child's Teacher**

We encourage you to contact your child's teacher if you have any questions about your child or our program. If you would like to speak to a teacher, please call the office. If you leave your name, number, and a brief message, we will have the teacher call you back as soon as possible. You may also contact the teacher by school email. All emails follow this format: first name.last name@central301.net (i.e. john.smith@central301.net). Keep in mind that our District spam filter may interrupt the delivery of some messages.

#### **Dress Code**

We believe that any dress "code" begins at home. The decision as to the style of clothes a child wears to school is primarily the parents' choice. Students are expected to wear proper clothing to school.

Please be sure your child is dressed for the weather of the day (including layers inside as the building is equipped for heat and air-conditioning in each classroom). We will assume that students have worn what you consider appropriate for outside recess. If there is a drastic weather change during the day, we will take that into consideration as we plan for outside recess. Please make sure that your child's clothing is labeled clearly. The following guidelines are in place to ensure a safe, focused learning environment:

- Clothing which is considered revealing will not be allowed on any student. Short shorts/skirts, bare midriffs, halter tops, exposed undergarments, spaghetti straps and other clothing items determined by school personnel to pose a significant distraction of the learning environment are not considered appropriate attire.
- For safe movement within and out of the building please provide appropriate footwear for your child.
- Articles of clothing that have weapons, alcohol, or tobacco messages are prohibited. Messages/logos on clothing must be appropriate to the elementary school environment.

### **Electronic Devices (Board Policy 6:235)**

The District's electronic networks, including the Internet, are a part of the District's instructional program and serve to promote educational excellence by facilitating resource sharing, innovation, and communication. Use of all electronic devices allowed as part of the District's Bring Your Own Device ("BYOD") program and the CCUSD301 issued Chromebook must be consistent with District policies and procedures. Such electronic devices may be used during instructional time only for educational purposes as approved by the administration or teacher. Personal devices may be used by students during non-instructional time, such as during passing periods, lunch, and before or after school. Students may not place or receive phone calls and/or texting during school day hours (9:10am-3:35pm).

Use is a privilege, not a right. Students and staff members have no expectation of privacy in any material that is stored, transmitted, or accessed via the District's electronic networks. The District's rules for behavior and communications apply when using the electronic networks. Refer to the Student Device Handbook at the end of this Handbook.

### **Emergency Day: School Dismissal Due to Weather**

At times during the winter, severe **snow weather** conditions may make bus transportation impossible or unsafe and all schools in the District will be forced to close or have a delayed starting time. In such cases, local radio stations will be notified prior to 7:00 am. If weather conditions are questionable, tune your radio to WRMN in Elgin (1410 AM or 94.3 FM), WLBK in DeKalb (1360 AM or 92.5 FM), or to WFXW in Geneva (1480 AM). The school utilizes multiple platforms to notify families of school closures, including but not limited to **Parentsquare** **Skylert**.

Also, on occasion during the school day, weather conditions may become severe and it may be advisable to close school early. Notification will be sent if an early dismissal is warranted. Parents should arrange with their child in advance where he/she should go if any early dismissal is deemed necessary.

Many bus routes have areas where buses are required to turn around in a driveway. At these points, during times with considerable snow and drifting, it may be advisable for the bus to stay on the main route and to eliminate all points where backing is necessary. Parents are requested to give their bus driver full cooperation and to provide transportation to and from the bus in all cases where snow conditions are bad.

### **Excuses from Physical Education and Recess**

#### **Medical Reasons**

Students healthy enough to attend school are considered healthy enough to attend PE and recess. A parent note excusing the student from physical activity, PE and recess, can be accepted for up to two days for an injury or illness. A maximum of two parent notes per semester will be accepted. Any duration of time beyond two days will require a signed statement from the student's healthcare provider. The statement from the healthcare provider shall include a medical note signed by the healthcare provider licensed under the Medical Practice Act that verifies the medical reason for the restriction. If the length of time is undetermined or "until further notice," a new note from the healthcare provider will be needed every 30 days until the student is released from the restriction.

### Religious Reasons

In addition, students may be excused from PE based on a religious prohibition. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Notes to excuse students from PE classes for religious reasons are to be presented to the Building Administrator. Office staff will notify the PE teacher of the excuse.

### **Items Brought to School**

- BIRTHDAY TREATS: Treats should be in the form of a non-food item such as birthday pencils or bringing your favorite story to have the teacher read for the class. Food items are not allowed as they can distract from the educational environment and are counterproductive to the health curriculum standards.
- BICYCLES, SKATEBOARDS, IN-LINE SKATES and HOVERBOARDS: If you ride a bike to school it must be walked on school property and parked in the bike racks provided. All bicycles should be kept locked when you are in the school building. The school is not responsible for damage or theft of parts while bicycles are parked in the racks. Bicycles may be ridden to and from school provided good safety rules are followed. Bicycles cannot be housed in the school. Bicycle racks will be off limits during school hours. Skateboards, in-line skates, hoverboards and wheelies (including shoes with wheels built into them) are not allowed on school grounds. Any students found with such items will:
  - receive a verbal warning;
  - have such item confiscated to be picked up by a parent/guardian;
  - have such items confiscated for the remainder of the school year.
- CELL PHONES: If a parent deems it necessary for a student to have a cell phone, the phone must be silenced and kept zippered in the child's backpack from start to finish of the school day, (9:10am-3:35pm). Any misuse of a cell phone will result in disciplinary action as outlined in the Student/Parent Handbook. Examples of misuse include but are not limited to:
  - student dismissal;
  - using phone as a camera (unless used with teacher discretion) ;
  - displaying inappropriate images/websites;
  - use of inappropriate language during calls or texts;
  - use of the phone for bullying, harassment, and intimidation.
- FOOD/SNACKS: With regard to food, commercially pre-packaged items that are clearly labeled with all ingredients are required. This applies to all school sponsored events.
- PETS: Due to student allergies and school safety issues, pets are not allowed in the school building or outside of a vehicle while on school grounds with the exception of a service animal which is permitted to accompany a student with a disability at all school functions, whether in or outside the classroom.
- MOTORIZED VEHICLES: The use of unlicensed motorized vehicles on School District 301 property is prohibited. This includes, but is not limited to, all-terrain vehicles, dirt

bikes, snowmobiles, go-karts, and any off-road vehicles. Consequences for this behavior may include suspension out of school as well as charges filed with local authorities.

### **Lost and Found**

The lost and found is kept in a clearly marked designated area within each building. Please label all items of clothing that a child removes during the course of a day (i.e. sweaters, mittens, hats, boots, gym shoes, etc.); proper labeling will help keep your child's things out of the lost and found. The schools donate all unclaimed lost and found items to charity after fall conferences and after the last day of school.

### **Notification Regarding Sex Offender Information**

Public Act 94-994, requires a principal or teacher to notify parents during school registration or parent teacher conferences that information about sex offenders is available to the public. The Illinois Sex Offender Information website is <http://www.isp.state.il.us/sor/>. If you have any questions, please contact your building principal.

### **Outside Play**

Please dress your child appropriately so that she/he may be outside when the weather permits. Snow and moderately cold weather do not keep the children inside. All children will participate in outdoor activities if the outside temperature with wind chill is 0 degrees or above. Snow pants and boots are required for children to play in the snow. Each school has playground rules to follow.

### **Parent-Teacher Organization / Committee (PTO/PTC)**

Each of the elementary schools has a Parent-Teacher Organization / Committee. These organizations involve staff and parents in a partnership which better the education of the children. The PTOs/PTCs donate time and money which are used to enhance the students' academic environment. All parents are welcome; we encourage you to join and participate.

### **Safety Drills**

Periodically during the school year, safety drills will be held as required by Illinois law. When the alarm is sounded, students and teachers should proceed immediately according to appropriate procedures. Procedures for safety drills and school emergency and crisis response plans are posted in all classrooms.

### **School Safety**

The safety of our students and staff is our first priority at each district building. All exterior doors are kept locked and access to the building will be limited. **Students are not to open any door to permit entry from outside the building, even if the person is familiar to the student.** Additionally, the propping or opening of doors to anyone from the outside is prohibited. All visitors should be directed to the Main Office. Failure to abide by this policy may result in disciplinary consequences.

### **Student Insurance**

If a student insurance program is offered, it will be the responsibility of the student's parents, not that of the school, to file claims with the designated insurance representative in the event of

injury. When an optional student insurance program is offered, claim forms will be available in the school office.

#### **Student Records and Directory Information (Board Policy 7:340)**

Under the Illinois School Student Records Act (ISSRA) and the Family Educational Rights and Privacy Act (FERPA), parents/guardians and students over 18 years of age ("eligible students") have certain rights with respect to the student's education / school student records.

In compliance with Illinois and federal law, the District shall maintain two sets of student records. The **permanent record** shall include basic identifying information concerning the student, his or her parents' names and addresses, the student's gender, date/place of birth, academic transcripts, attendance record, health records required for enrollment, unique student identifier, a certified copy of the student's birth certificate, and a record of any release of this information. The permanent record may also include honors/awards received and information concerning participation in activities/athletics. No other information shall be placed in the permanent record.

The **temporary record** consists of all other records maintained by the District concerning the student and by which the student may be individually identified. The temporary record must include a record of release of the information contained in the temporary records, scores received on state assessment tests administered in grades K-8, a completed home language survey form, information regarding serious disciplinary infractions (i.e., those involving drugs, weapons, or bodily harm to another) that resulted in punishment or sanction of any kind, information regarding any indicated report pursuant to the *Abused and Neglected Child Reporting Act*, health-related information, and accident reports. It also may include family background information, intelligence/aptitude scores, achievement test results, psychological reports, honors/awards, athletics/activities, other disciplinary information, teacher anecdotal records, special education records, records associated with Section 504 of the *Rehabilitation Act of 1973*, participation in extracurricular activities, and/or other information relevant to the education of the student which is not required to be in the permanent record. Information in this record shall reference authorship, position, and date. No person may condition the granting or withholding of any right, privilege, or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.

CCUSD 301 may release directory information to the general public, including local media and military recruiters, and publish such information in a school directory, school yearbook, or similar District publications. The District has designated the following information as **directory information**: the student's name, address, telephone number, date and place of birth, major field of study, participation in school-sponsored organizations and activities, membership on athletic teams, dates of attendance, and academic awards, degrees, and honors received. Directory information also includes photographs, videos, or digital images of students used for informational or news-related purposes of a student participating in a school or school-sponsored activity, organization, and athletics that have appeared in school publications. However, photographs highlighting individual faces and used for commercial purposes require prior, specific, dated, and written consent of the parent. An image on a school security videotape recording is not directory information. Further, student social security numbers or student identification or unique student identifiers are not directory information.

Parent(s)/guardian(s) or eligible students will be given the opportunity to object to the release of directory information prior to its release. A parent/guardian or eligible student may prohibit the release of any or all of the above-designed directory information by providing a written request to the Building Principal. Parent(s)/guardian(s) or eligible students have the right to inspect, copy, and challenge the student's record. In addition, a student less than 18 years old may inspect or copy information in his/her permanent school record. A request to inspect or copy a student's school record shall be made in writing and directed to the Building Principal. Access to the records shall be granted within 15 school days after the receipt of such a request.

Parent(s)/guardian(s) may request a qualified professional to be present to interpret the student's records. Access shall not be granted to the parent(s)/guardian(s) or the student to the following: confidential letters, recommendations concerning the admission to a post-secondary educational institution; application for employment. For further information, please contact your Building Principal.

Unless the District has actual notice of a court order or a notice of a *parenting plan* under the *Illinois Marriage and Dissolution of Marriage Act*, indicating otherwise, divorced or separated parents/guardians with and without *parental responsibilities* (formerly custody) are both permitted to inspect and copy the student's school student records. The District will deny access to a student's school records only to a parent against whom an order of protection was issued if the order of protection prohibits the parent from inspecting or obtaining such records. CCUSD 301 shall maintain and destroy student records in accordance with Illinois and federal law. A student's permanent record is maintained for at least 60 years after the student has graduated, withdrawn, or transferred from the District. A student's temporary record is maintained for at least 5 years after the student has graduated, withdrawn, or transferred from the District. Upon transfer, or permanent withdrawal of a student from the District, the school shall provide written notification of the destruction of temporary records. Parent(s)/guardian(s), or the student if at least 18 years of age at the time of the request, may request a copy of the student's records prior to the destruction date for a copying fee.

Parent(s)/guardian(s) and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington DC 20202-4605.

### **Suspected Child Abuse**

State law requires all school personnel to inform the Department of Children and Family Services (DCFS) of suspected cases of child abuse. We recognize parents' rights to administer physical punishment, but punishment which is thought by the school to be excessive must be reported to this state agency.

Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and boundary violations with evidence-informed educational information that also includes:

- a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, *Employee Ethics; Conduct; and Conflict of Interest*, and how to prevent child sexual abuse from happening;

- b. Methods for how to report child sexual abuse, grooming behaviors, and/or boundary violations to authorities 4:165; and
- c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, *Student Support Services*.

Provide parents/guardians of students in any of grades K through 8 with not less than five days written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.

### **Transferring Schools**

If you anticipate moving, please notify the school of your intentions. You need to sign a release form from the new school so that we may process their request for records without delay.

### **Visiting the School**

Our partnership with parents is highly valued. Our shared commitment to teaching and learning is the foundation of that partnership. *To that end, you are welcome to visit the school and we ask that you do so in partnership with the classroom teacher to ensure that a mutual purpose aids in the learning experience for all students. Please contact your child's teacher ahead of time to set up a schedule and purpose for the visit.*

The District is committed to providing a safe environment for all students and staff. When you do visit, please stop by the office to *sign in and secure a visitor's pass*. This identifies you to school personnel and all students as a visitor in the building. This also gives us the chance to check your child's schedule. Because of the need to maintain the security of our building after hours and the safety of our community members, please understand that we will not be able to guarantee access to classrooms after 3:45pm. If you would like to have a conference with your child's teacher, please call ahead so that a time can be arranged that will be convenient to you and the teacher.

## **ACADEMIC POLICIES**

If students and/or parents/guardians have questions related to the policies or procedures of the instructional process at the elementary level, the student and/or parent/guardian should first contact the assigned classroom teacher. Many times this communication clarifies the situation. The second step is to arrange a conference with the Principal or Assistant Principal.

### **Field Trips**

Field trips correlate with the educational program. Our faculty prepares and defines trip objectives before a field trip is taken. Field trips are considered to be an extension and enrichment of the normal classroom. If prior notice is given by a parent denying attendance for a field trip and remains in school for the duration of the experience, a comparable assignment will be given to the student during that time.

Under normal circumstances parent volunteers should ride the bus to and from the field trip. In addition, students who attend the field trip will not be allowed to have a parent drive them separately from the location of the event, unless special circumstances prevent this. Notification of the request must be provided to the teacher at least 48 hours prior to the field trip and outline the special circumstances involved.

Detailed descriptions of the trip and permission slips will be sent home prior to each field trip. The permission slips must be signed and returned for your child to participate. Unfortunately, field trip money is nonrefundable. If a child does not go on a field trip but attends school, a related educational experience is provided.

### **Grading**

Grades are available electronically to parents and students after the end of each quarter for grades (1-5). Kindergarten grades are available second through fourth quarters; and early childhood grades are available for second and fourth quarters. Beginning in 3rd grade, parents and students are encouraged to monitor student progress throughout the semester via the Skyward "gradebook". Live grades are available at all times for grades 3-5 by clicking on the Gradebook tab in Skyward. For EC - 5th grade, end of quarter grades are available on the report card, which can be accessed by clicking on the Portfolio tab in Skyward.

### **Homework**

Homework is a vital part of education. Homework is an extension of learning that occurs within the classroom; it helps students learn and develop skills. Encouraging your child to complete assigned work to the best of his or her ability will help your child assume responsibility for learning. Generally, students on average can expect 10 minutes of homework per night, per grade level, outside of reading time. For example, a typical third grader could expect 30 minutes of homework plus independent reading time per night.

### **Parent Reports**

Teachers and parents need to exchange information for the benefit of each student. Communication between home and school needs to be accurate and supportive. A child's attitude toward school is in part determined by how effective communication between home and school. Elementary schools issue report cards quarterly (or at the end of quarters 2, 3, and 4 for kindergarten.)

### **Retention Policy**

The District reserves the right to retain a student at any grade level. This decision is based upon professional evaluation and consideration of a student's individual circumstances.

## **ATTENDANCE AND TRUANCY**

Our attendance policy is based upon the firm belief that students are most successful when they are present in class and in school:

- In accordance with Illinois compulsory attendance requirements, it is the policy of CCUSD 301 that students shall attend school on a regular basis. We believe that daily attendance, timeliness to class, and preparedness and participation in class will increase the student's probability for successful performance and fosters the development of self-discipline and responsibility. It is the intention of the instructor of each course to not only teach the subject matter, but also to encourage the positive attribute of regular attendance, punctuality, and participation.

### **Attendance Procedures**

Parents/Guardians and students should be aware of and follow these procedures:

- When a student is absent from school the student's parent/guardian is requested to contact the school between 7:45am-9:00am to inform the attendance secretary of the student's absence.

#### **Leaving School Early**

- Students who need to leave school early for medical purposes (healthcare provider or dental appointments) must bring a note to the Attendance Office before leaving school. The note should include: (1) the requested dismissal time, (2) the reason the student needs to leave early, and (3) a parent signature. Parents are encouraged to communicate any dismissal changes **no later than 2:30pm**.
- If a student is ill during the day, the student must check out in the Nurse's Office before leaving the building. Students should not arrange for parents/guardians to pick them up, without first having been seen by the Nurse. When the Nurse is not in the building, a student who is ill should report to the Main Office.

#### **Absences (Board Policy 7:70)**

Central School District recognizes three (3) categories of absences:

1. Excused absences
2. Unexcused absences
3. Truant absences (after the 9<sup>th</sup> unexcused absence)

**Excused Absence:** An excused absence is recognized as:

- A student's personal illness,
- A death in the immediate family,
- A family emergency,
- Observance of a religious holiday,
- Medical visits,
- Vacations up to 5 school days,
- Other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health,
- Other situations beyond the control of the student (such as court appearances),
- Other reasons approved by the Superintendent or designee.

A healthcare provider's note may be required to excuse a student and/or for returning to school after **the third consecutive day of being reported ill**. If medical documentation is not provided, the absence may be marked "unexcused." Students who have 9 or more days of absences due to being sick may be required to provide a healthcare provider's note to excuse the absences.

**Unexcused Absence:** An unexcused absence is defined as an absence from school for a reason other than those listed above as an Excused Absence and/or an absence not authorized by the student's parent/guardian or the Superintendent or designee. When a student's absence is unexcused, the parent/guardian may recognize the absence as being valid or legitimate; however, the school does not. The following are unexcused absences (even with parental/guardian consent):

- Missing the bus
- Vacations that are 6+ school days.
- Needed at home
- Other avoidable absences

**Tuant Absences:** Truancy is defined as absence without valid cause for one or more periods of the student's school day. Parents/guardians may be notified following 3, 5, and 9 days of absence or tardiness within a school year, and a school intervention may be initiated. After the 9th school day (5% of regular attendance days) on which a student is absent without valid cause, he/she is deemed to be truant under Illinois law. Interventions to address truancy may include attendance letters, parent-teacher/administrator conferences, student counseling, and/or involvement of the Kane County Truancy officers and/or local law enforcement. No punitive action, including out-of-school suspensions, expulsions, or court action will be taken against a chronically truant student unless available support services and other school resources have been provided to the student, or offered to the student and refused. Any person who has custody or control of a child subject to compulsory attendance who knowingly or willfully permits the child to persist in truancy, if convicted, is guilty of a Class C Misdemeanor and may be subject to up to 30 days imprisonment and/or fine up to \$1,500.

**Vacation Absences:** Family travel during the school year does interrupt a student's regular progress; however, we recognize the educational value of these trips. Therefore, five (5) vacation days per school year will be allowed as an excuse. Any days after five (5) school days will be unexcused. Early notice of travel will help school personnel to accommodate parents and students during that period. It will be the student's responsibility to obtain all missing work from their teachers during their absence. Some assignments may not be available until the student returns to school. A folder containing all missed assignments will be prepared for the student upon his/her return. ~~Work should be completed and returned to the teacher within three (3) days for the child to receive credit.~~

**Tardiness:** Students are expected to be in class on time so they may maximize their learning opportunities. Teachers and the Administration will monitor student's tardiness. Students may be considered tardy if they arrive after the bell has rung. Students may receive consequences for excessive tardies.

#### **Makeup Work**

Students who have ~~excused~~-absence(s) from school (~~in-person or remote~~) will be allowed to make up work for equivalent academic credit. The time allowed for makeup work will generally be one school day for every class period missed, starting with the first day the student returns to school (~~in-person or remote~~). In extenuating circumstances, a student may ask his/her teacher, school counselor, or the Principal for additional time to make up work. It is the responsibility of the student (and his/her parent/guardian), not the teachers, to get the assignments, complete them, and turn them in, and to arrange a time with the teacher to make up any missed quizzes or tests. Incomplete work or failure to do the work may result in a lowering of grades.

The makeup rule applicable for students who are receiving Home or Hospital Instruction is set forth in the Student Services of this Handbook under the heading Home and Hospital Instruction.

#### **Attendance at Extracurricular Activities**

Students who are absent, or who left school for an illness during the day, will not be allowed to attend or participate in extracurricular activities until they have attended school.

### **MEDICAL INFORMATION/POLICY**

### **Communicable and Chronic Infectious Diseases (Board Policy 7:280)**

A student with or carrying a communicable and/or chronic infectious disease has all rights, privileges, and services provided by law and the School Board's policies.

Please notify the school health office immediately for all contagious conditions so we can take proper measures within the school environment. All children suffering from contagious conditions must be excluded from school until they are no longer contagious. Guidelines that need to be followed are found at [Communicable Diseases Chart](#).

In the case of head lice, please contact the nurse or principal immediately so that we can take proper measures in the classrooms and elsewhere within the school. Please instruct your child NOT to share combs, brushes, hats, scarves, and other "communicable" items.

If your child exhibits any of the following, do not send the child to school or if your child exhibits any of the following during the school day, he/she must go home:

- Fever (temperature of 100 degrees or above),
- Vomiting,
- Diarrhea (2 episodes, unable to manage, blood in stool)
- Excessive cough and/or unable to manage secretions,
- Suspicious Rash,
- Loss of consciousness.

Criteria for re-admittance is generally based upon evidence that the child is no longer contagious; this may include a release from the healthcare provider, absence of symptoms for over 24 hours without medication, or documentation of treatment. These determinations will be guided by the nurse.

Students who come to school with mobility devices (such as crutches, walking boot/shoe, wheelchairs, splints or casts) for an acute episode need to submit a note from the healthcare provider that states the activity restriction that warrants the use of the device at the school, including the time frame for the restriction.

### **COVID-19**

~~Any individual who tests positive for COVID-19 or who shows any signs or symptoms of illness should stay home. Families should report possible cases to the school nurse where the individual attends or works to initiate contact tracing. CDC and IDPH guidelines will be followed for students who are suspected of having COVID-19, whether they were tested or not. It is recommended that medically fragile and immunocompromised students consult their medical provider prior to attending school. Any individual within the school environment who shows symptoms will be immediately separated from the school population. Individuals who are sick will be sent home.~~

~~Individuals who did not have close contact with the person who is sick can return to school immediately after disinfection.~~

Examples of communicable diseases and the procedures for re-admittance are as follows.

Communicable disease:	Return to school:
-----------------------	-------------------

Chickenpox	A minimum of 5 days after eruption of last vesicles; once all vesicles have dried & crusted over; as directed by the health department.
COVID-19	For those that can mask upon return, isolate for at least five calendar days from onset of symptoms; return after the five calendar days AND if 24 hours with no fever (without fever-reducing medication), diarrhea and vomiting ceased for 24 hours AND improvement of symptoms AND consistent masking upon return through day 10. If unable to mask, isolate for 10 days.
Hepatitis	With healthcare provider's written permission
Hand, Foot and Mouth	When fever is gone, and there are no open, draining lesions in the mouth or on hands.
Impetigo	24 hours after initial dose of medication with lesion covered and/or no drooling/saliva
Measles	A minimum of 4-5 days after the appearance of rash, with healthcare provider's written permission, as directed by the health department.

### **Injuries/Illness**

A student who becomes ill or is injured at school may ask their teacher to be seen in the health office. Students who are exhibiting concerning symptoms will be sent to the health office by their teacher. If the possibility exists that the student may go home, the parent/guardian will be contacted by the nurse or office staff, not by the student on his/her device, to collaborate on that decision. Students must report to the nurse or office staff before going home ill or the absence may be considered 'unexcused.' When the nurse is not in the health office, a student who is ill should report to the main office.

It is expected that injuries/illnesses that occur outside of the typical school day will be cared for by parents/guardians prior to arrival at school.

For the protection of the whole student body, students are not permitted to ride the bus home if they are exhibiting signs/symptoms of a contagious condition; the parent/guardian is expected to arrange transportation.

In the event of serious symptoms or injury, paramedics will be called and a parent/guardian contacted. In emergency situations, school officials will be guided by the information provided by parents/guardians on the registration documents filled out annually. It is the responsibility of the parent/guardian to provide accurate contact information to the school in case of illness, injury, or emergency. Parents should select emergency contacts that are available to pick up their child in a timely manner, if they are unable to do so.

#### **Medication Administration (Board Policy 7:270)**

Whenever possible, the parent/guardian should make arrangements for medication to be administered at home before or after school hours and not at school or school-related activities, unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for a student to take medication during school hours or school-related activities, the student's parent/guardian must request that the school dispense the medication to the student and District guidelines must be followed for dispensing or administering the medication. The District may reject requests for administration of medication.

**No school district employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed school Medication Authorization form (SMA Form) is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in Board policy and its implementing procedures.**

- Medication is defined as either prescription or over-the-counter drugs.
- Medication will not be given by a school employee without the completion and submission of a Med-A (SMA) form or Individual Health Plan (IHP) signed by both the parent and the medical healthcare provider when required. Specific forms are required for students with *asthma, diabetes, allergies, and seizures*. Forms & packets can be obtained in the school office or on the District website. ALL medications, even short-term treatments, ointments, or cough drops, require this documentation. Parent(s)/guardian(s) of a student with asthma are requested to submit an Asthma Action Plan for the student. If provided, the Asthma Action Plan will be kept on file by the Nurse. The District's Asthma Emergency Response Protocol is available from the Main Office or Nurse's Office.
- The Med-A & IHP forms must be completed annually or each time a prescription changes.
- For safety, students may not transport medication to and/or from school. It is the parent's responsibility to personally deliver the medication to school and to pick up any "left-over" medication at the close of the school year. Any medication left at the school at the end of the school year will be disposed of in a safe manner.
- Medications must be in their original containers and the containers must include the student's name, the medication's name, dosing information (the amount to be dispensed and the time at which or circumstances under which the medication is to be

administered), and expiration date. No medication will be given by school personnel if the medication arrives at the school in an envelope or improperly labeled bottle/inhaler.

- Medications at school will be stored in a locked cabinet in the school Nurse's Office or in the school Nurse's refrigerator if required.
- When necessary, the school Nurse will provide appropriate staff members with information concerning the medications being taken by students (i.e., side effects, other medical implications).
- Medication dispensing guidelines include:
  - Medications will be dispensed to one student at a time.
  - The designated school employee will transfer the indicated dosage from the container to the student ~~and document the administration.~~
  - The designated school employee will ~~initial the Individual Student Med Log form at the time it is administered.~~ document the administration.
- Administration of Medical Cannabis
  - The Compassionate Use of Medical Cannabis Program Act allows a medical cannabis infused product to be administered as designated within the Board policy.
- Field Trip Medications: Only routine "daily" medications and "emergency" medications are sent on field trips. A Meds-A form and /or IHP must be on file in the health office to ensure those medications are taken on the field trip. Medications such as Tylenol/Advil/Pepto-Bismol are considered 'as needed' and are not taken unless pre-arranged by a parent or guardian and the school Nurse.

#### **Privacy Practices (Board Policy 7:15)**

Pursuant to Illinois and Federal law, school personnel cannot contact a student's healthcare provider, advanced practice nurse, healthcare provider assistant, nurse, or pharmacist about a student or a student's records, including health records or health-related information, unless the student's parent/guardian gives written consent. If desired, a consent form permitting communication between a student's health care professionals and the school can be obtained in the main office.

#### **Self-Carry & Self-Administration of Medication**

A student may possess ("self-carry") an asthma inhaler or epinephrine auto injector (EpiPen®) prescribed for immediate use at the student's discretion, provided the completed Med-A form and other required forms (available in the Nurse's Office and on the District's website) are signed and returned to the Nurse's Office.

The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

The District may authorize the provision of an EpiPen to a student authorized under a student's Individual Health Care Action Plan, Illinois Food Allergy Emergency Action Plan and Treatment

Authorization Form, or Health plan pursuant to Section 504 of the federal Rehabilitation Act of 1973 to administer an EpiPen to the student that meets the prescription on file.

Nothing in these guidelines or the District's student medication administration policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

A student's possession, distribution, or use of any medication (including non-prescription drugs) without proper authorization is in violation of school policy relating to drug use, and the student may be subject to discipline (see Discipline).

#### **Significant or Chronic Health Conditions**

## **STUDENT SUPPORT SERVICES / SPECIAL EDUCATION SERVICES**

In accordance with state and federal legislation regarding the education for students with disabilities, Central District 301 offers a wide range of programs and services to eligible students aged three to twenty-two.

#### **Education of Children with Disabilities (Board Policy 6:120)**

The School District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the Individuals With Disabilities Education Act (IDEA) and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. The term "children with disabilities", as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined, through definitions and procedures described in the Illinois State Board of Education's *Special Education* rules, that special education services are needed.

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with

appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the Illinois State Board of Education's *Special Education* rules. For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the *Rehabilitation Act of 1973*, need or are believed to need special instruction or related services, the District shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), representation by counsel, and a review procedure.

The District may maintain membership in one or more cooperative associations of school districts that shall assist the District in fulfilling its obligations to the District's disabled students. If necessary, students may also be placed in nonpublic special education programs or education facilities.

#### **Home and Hospital Bound Instruction (Board Policy 6:150)**

A student who is absent from school, or whose healthcare provider anticipates that the student will be absent from school, because of a medical condition may be eligible for instruction in the student's home or hospital. Eligibility shall be determined by state law and the Illinois State Board of Education rule governing (1) the continuum of placement options for students who have been identified for special education services or (2) the home and hospital instruction provisions for students who have not been identified for special education services. A student qualifies for home and hospital instruction when a healthcare provider anticipates a student's absence due to a medical condition for an extended period of time (i.e., for 2 or more consecutive weeks) or on an ongoing intermittent basis (i.e., the child's medical condition is such a nature or severity that it is anticipated that the student will be absent from school due to the medical condition for periods of at least 2 days at a time multiple times during the school year totaling at least 10 days or more of absence).

Appropriate educational services from qualified staff will begin no later than 5 school days after receiving a healthcare provider's written statement. Instructional or related services for a student receiving special education services will be determined by the student's individualized educational program.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction (1) before the birth of the child when the student's healthcare provider indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child's birth or a miscarriage.

Periodic conferences will be held between appropriate school personnel, parent(s)/guardian(s), and hospital staff to coordinate course work and facilitate a student's return to school.

#### **Homeless Information (Board Policy 6:140)**

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, as provided to other children and youths, including a public pre-school education. A “homeless child” is defined as provided in the McKinney-Vento Homeless Assistance Act and Illinois Law.

**Medicaid Data Release – Special Education Students Only**

If your child receives special education services and is also Medicaid eligible, Central CUSD #301 can seek partial reimbursement from Medicaid for health services documented in your child’s Individualized Education Program (IEP). Medicaid reimbursement is a source of federal funds approved by Congress to help school districts maintain and improve diagnostic and therapeutic services for students.

The reimbursement process requires the school district to provide Medicaid with your child’s name, birth date, and Medicaid number. Federal law requires annual notification of our intent to pursue this reimbursement opportunity.

If you approve of the release of information to Medicaid, do nothing. If you object to the release of information to Medicaid, now or any time in the future, please state your objection in writing and forwarded to the Director of Student Support Services, at 275 South Street, PO Box 396, Burlington, IL 60109.

Regardless of your decision, CCUSD #301 must continue to provide, at no cost to you, the services listed in your child’s IEP. This program has no impact on your child’s current or future Medicaid benefits. Under federal law, participation in this program CANNOT:

- Decrease lifetime coverage or any other public insurance benefit,
- Result in the family paying for services that would otherwise be covered by Medicaid,
- Increase your premiums or lead to discontinuation of benefits or insurance, or
- Result in the loss of eligibility for home and community-based services.

Your continued consent allows the District to recover a portion of the costs associated with providing health services to your child.

**Multi-Tiered System of Support (MTSS)**

A Multi-Tiered System of Support (MTSS) is a comprehensive framework for continuous improvement that is systemic, prevention-focused, and data-informed providing a cohesive continuum of supports responsive to meet the needs of ALL learners. The framework focuses on delivering high quality instruction in the areas of academics and social-emotional learning. It is a team-based approach that includes all stakeholders in developing and/or refining various District operations and system structures to enable efficiency and effectiveness in order to maximize

student success. An MTSS framework supports a data based problem-solving approach using a system for defining and analyzing a problem, developing and implementing a plan, and evaluating the plan's effectiveness. If academic and/or social-emotional concerns are identified by a school team member or parents, a Problem Solving Team (PST) meeting may be held to develop an intervention plan to address the concerns and a plan for monitoring progress. If the student does not respond to the intervention(s) in place, the student may be referred for an evaluation for special education services.

## **SCHOOL DISCIPLINE POLICIES**

### **Philosophy of Discipline**

It is the sincere desire of CCUSD 301 that each student practices self-discipline, so that discipline actions by teachers, administrators, and the Board of Education may be avoided. It is the desire of Central School District 301 to promote positive citizenship and a constructive school environment. General rules of conduct have been formulated to ensure that all students have the opportunity to realize their potential through education, and to promote mutual respect and responsibility among students and staff members. Adults are expected to show care and respect towards young people. Students are expected to exhibit that same care and respect towards staff members and other students. In the event that a student violates the guidelines set forth in this Handbook, teachers, staff members, and administrators may take disciplinary measures as a means to address the student's behavior.

Disciplinary consequences and interventions will be made to ensure that all students receive a high quality education in a positive, non-threatening environment and assist with the development of productive members of society. Students, parents, administrators, faculty, and staff will cooperate in the creation of the discipline policy, its periodic review, and its fair and consistent enforcement.

Considerations include:

- Student's age
- Ability-functioning level
- Seriousness of the offense
- Frequency of inappropriate behavior
- Circumstances and intent – including family circumstances and/or home environment situations
- Potential effect of the misconduct on the school environment
- Relationship of the behavior to any handicapping condition
- Relationship of the behavior to alcohol or drug influence

### **Student Behavior Policy (Board Policy 7:190)**

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

### **When and Where Conduct Rules Apply**

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

**Commented [1]:** What needs to be added by the new discipline procedures and documents?

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

- Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.

  - Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
  - Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.

- Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone.
  - CCUSD301 issues each student a Chromebook for educational purposes. All electronic devices (cell phones, radios, iPods, MP3 players, iPads, portable DVD players, gaming devices, and/or similar devices) may be used during passing periods, lunch, before or after school, or in a classroom setting with either administration or supervising teacher’s discretion, if specified within the student’s individual education program (IEP) or 504, or is needed in an emergency that threatens the safety of students, staff or other individuals.
- Using or possessing a laser pointer or cell phone flashlight unless under a staff member’s direct supervision and in the context of instruction.
- Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member’s request to stop, present school identification, or submit to a search.
- Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.

Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying (as described in Board policy 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment), bullying using a school computer or a school computer network, or other comparable conduct.
- Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
- Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person’s personal property.
- Entering school property or a school facility without proper authorization.

- Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
- Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.

- Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

#### **Additional Examples of Prohibited Misconduct and Gross Disobedience**

Additional examples of prohibited misconduct and gross disobedience include, but are not limited to: inappropriate drawings; insubordination; parking violations; profanity or obscenity; transportation violation; the inappropriate use of the District's network or District's devices.

For purposes of this policy, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student's locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

#### **Weapons**

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than 2 calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24 1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including “look alike” of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent’s determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theater, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy’s prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

#### **Disciplinary Measures**

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

- Verbal Warning;
- Detentions;
- Notifying parent(s)/guardian(s);
- Disciplinary conference;
- Withholding of privileges/removal of privileges;
- Temporary removal from the classroom;
- Return of property or restitution for lost, stolen, or damaged property;
- Alternative Learning Environment, the Building Principal or designee shall ensure that the student is properly supervised;
- Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules;
- Suspension of bus riding privileges in accordance with Board policy 7:220, Bus Conduct;
- Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, Suspension Procedures. A student who has been suspended may also be restricted from being on school grounds and at school activities;
- Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, Expulsion Procedures. A student who has been expelled also shall be restricted from being on school grounds and at school activities;

- Transfer to an alternative program upon written agreement with the student's parent(s) or following a Board of Education hearing;
- Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alikes", alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

#### **Re-Engagement of Returning Students**

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

#### **Required Notices**

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision; (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident; or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

#### **Delegation of Authority**

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated (licensed) educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers. In addition, provided the

appropriate procedures are followed, the Superintendent, Building Principal, Assistant Principal, or Dean of Students may issue in-school suspensions, may issue out-of-school suspensions to students guilty of gross disobedience or misconduct (including all school functions) for up to 10 consecutive school days, and may suspend students from riding the school bus for up to 10 consecutive school days. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

#### **Student Handbook**

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment. Students and their parents/guardians must acknowledge receipt of the student handbook in some form upon receipt of the handbook.

### **MISCONDUCT BY STUDENTS WITH DISABILITIES (Board Policy 7:230)**

#### **Behavioral Interventions**

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for students with disabilities.

#### **Discipline of Special Education Students**

The District shall comply with the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, and the Illinois State Board of Education's Regulations when disciplining students with disabilities. No student with a disability shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability.

### **DEFINITION OF DISCIPLINE MEASURES**

#### **Detentions**

A detention is a period of time to be made up before school, after school, or during lunch. A detention may be assigned by school staff or an administrator.

#### **Alternative Learning Environment**

Administrators may temporarily assign a student to an alternative learning environment on school grounds as a consequence for gross disobedience or misconduct. During this time, students are restricted from participating in their scheduled classroom activities and, instead, report to the alternative learning environment for an amount of time determined by the administration. Students who are assigned to the alternative learning environment will be provided an opportunity to complete their academic work.

**Out of School Suspension (Board Policy 7:200)**

An out-of-school suspension is a temporary exclusion from school due to a student's gross disobedience or misconduct. School officials may impose out-of-school suspensions of one (1) to ten (10) school days. Longer suspensions may be imposed by the Board of Education. The District's suspension procedures are set forth in Board Policy 7:200.

When a student is suspended from school, he/she may not participate in or attend any District activity or event and is prohibited from being on District property.

A suspended student will have an opportunity to make up any missed work for equivalent academic credit. The work missed during the student's absence due to a suspension from school must be made up within a period of school days equal to the number of days missed due to being suspended.

Students who are suspended from school for five (5) or more school days will be informed of what, if any, appropriate and available support services will be provided to the student during his/her suspension from school. These services may include, but are not limited to, a mentor program, social work, tutoring, etc.

A re-engagement meeting between the student, family, and school staff and administrators may be held upon a student's return to school from any period of suspension. The purpose of the meeting is to assist the student in the transition back to school.

**Expulsion by the Board of Education (Board Policy 7:210)**

Upon the recommendation of the Superintendent or designee, the Board of Education may expel students guilty of gross disobedience or misconduct. Expulsion shall take place only after the parent(s)/guardian(s) of the student have been provided a written request to appear at a hearing before the Board or with a hearing officer appointed by it. The District's expulsion procedures are set forth in Board Policy 7:210.

A student who has been expelled from school may not participate in or attend any District activity or event and is prohibited from being on District property during the period of the expulsion.

If a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion before being admitted into the District.

**Student Search and Seizure (Board Policy 7:140)**

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

**School Property and Equipment as well as Personal Effects Left There by Students**

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

### **Students**

School authorities may search a student and/or the student's personal effects in the student's possession (such as purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

### **Seizure of Property**

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

### **Notification Regarding Student Accounts or Profiles on Social Networking Websites**

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the *Right to Privacy in the School Setting Act*, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

## **BULLYING POLICY (BOARD POLICY 7:180)**

Students Preventing Bullying, Intimidation, and Harassment Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals. Bullying on the basis of actual or perceived race, color, national, origin, military status, unfavorable discharge status from military service, sex, sexual orientation, gender identity, gender-related identity or

expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school sponsored or school sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any non-school-related activity, function or program.

Definitions from Section 27-23.7 of the School Code (105 ILCS 5/27-23.7) Bullying includes cyberbullying and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property.
2. Causing a substantially detrimental effect on the student's or students' physical or mental health.
3. Substantially interfering with the student's or students' academic performance.
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school. Cyber-bullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications.

Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that:

- (i) are adapted to the particular needs of the school and community,
- (ii) contribute to maintaining school

- safety, (iii) protect the integrity of a positive and productive learning climate,  
(iv) teach students the personal and interpersonal skills they will need to be successful in school and society,  
(v) serve to build and restore relationships among students, families, schools, and communities, and  
(vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards. Bullying Prevention and Response Plan The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement 1-2, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12. program that: 1. The District uses the definition of bullying as provided in this policy. 2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution. 3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying.

Anonymous reports are also accepted through the District 301 CARES Lines.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

#### Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

#### Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

#### Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

#### Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent, the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

#### Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant and the accused by registered mail, return receipt requested, and/or personal delivery as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days of the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail its written decision to the Complainant and the accused by registered mail, return receipt requested, and/or personal delivery as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

#### Appointing a Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the

harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District’s Title IX Coordinator.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, one of each gender. The District’s Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

**Title IX Sexual Harassment Grievance Procedure**

Sexual harassment affects a student’s ability to learn and an employee’s ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the District’s education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual’s sex that satisfies one or more of the following:

- 1. A District employee conditions the provision of an aid, benefit, or service on an individual’s participation in unwelcome sexual conduct; or

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(10), *domestic violence* as defined in 34 U.S.C. §12291(a)(8), or *stalking* as defined in 34 U.S.C. §12291(a)(30).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

#### Definitions from 34 C.F.R. §106.30

*Complainant* means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

*Education program or activity* includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

*Formal Title IX Sexual Harassment Complaint* means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

*Respondent* means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

*Supportive measures* mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

#### Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

#### Making a Report

**Processing and Reviewing a Report or Complaint**

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

**Formal Title IX Sexual Harassment Complaint Grievance Process**

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45. The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45

before the imposition of any disciplinary sanctions or other actions against a *Respondent*.

2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person’s status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
  - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
  - b. Receive training on the definition of sexual harassment, the scope of the District’s *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant’s* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

#### Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

#### Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

##### **A. Overview of 34 C.F.R. §106.45 Grievance Process**

The District treats Complainants and Respondents engaging in the Formal Title IX Sexual Harassment Complaint Grievance Process (Grievance Process) equitably and adheres to the following guidelines:

1. Presumption of Non-Responsibility. The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Grievance Process. 34 C.F.R. §106.45(b)(1)(iv).
2. Grievance Process Required Before Imposing Sanctions. The District complies with this Grievance Process before imposing any disciplinary sanctions or other actions against a Respondent. 34 C.F.R. §106.45(b)(1)(i).
3. Supportive Measures. The District may provide counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations,

leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures to Complainants and/or Respondents. 34 C.F.R. §106.45(b)(1)(ix). See 2:265-E, *Title IX Sexual Harassment Glossary of Terms*, for the definition of *supportive measures*.

4. Evidence Considered. All relevant evidence – including both inculpatory and exculpatory evidence – is objectively evaluated. Credibility determinations are not based on a person’s status as a Complainant, Respondent, or witness. The District does not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, e.g., attorney-client privilege, doctor-patient privilege, or spousal privilege, unless the person holding such privilege has waived the privilege. 34 C.F.R. §106.45(b)(1)(ii) and (x).
5. Standard of Proof. All determinations are based upon the *preponderance of evidence* standard. 34 C.F.R. §106.45(b)(1)(vii).
6. Right to Appeal. Each party may appeal any determination as described in **Section H. Appeals**, below. 34 C.F.R. §106.45(b)(1)(viii); 34 C.F.R. §106.45(b)(8)(i).
7. Timeline. This Grievance Process is concluded within 90 school business days after receipt of a Formal Title IX Sexual Harassment Complaint. As used in this Grievance Process, *school business days* means days on which the District’s main office is open. For good cause, this Grievance Process may be temporarily delayed or extended for a limited time only if the Complainant and the Respondent are provided written notice of the delay/extension and the reasons for it. Good cause may include: the absence of a party, a party’s advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. 34 C.F.R. §106.45(b)(1)(v).
8. Disciplinary Sanctions and Remedies. Following a determination of responsibility, the District may implement recommended disciplinary sanctions, up to and including: discharge, for a Respondent-employee; expulsion, for a Respondent-student; and termination of any existing contracts and/or prohibition from District property and activities, for a third-party Respondent. 34 C.F.R. §106.45(b)(1)(vi).

Where a determination of responsibility for sexual harassment is made against a Respondent, remedies designed to restore or preserve equal access to the District’s education program or activities are provided to a Complainant. Remedies may include the same individualized services described in Supportive Measures, above. Unlike Supportive Measures, however, remedies may be disciplinary or punitive, and they may burden the Respondent. 34 C.F.R. §106.45(b)(1)(i). The District may implement remedies up to and including the recommended disciplinary sanctions described above. 34 C.F.R. §106.45(b)(1)(vi).

9. Training Requirements. The District ensures certain training requirements are met. At a minimum, any individual designated by the District as a Title IX Coordinator, investigator, decision-maker (including the Initial Decision-Maker and Appellate Decision-Maker), or any person designated by the District to facilitate an informal resolution process will:
  - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual Complainant or Respondent; and
  - b. Receive training on the definition of sexual harassment, the scope of the District’s education program or activity, how to conduct an investigation and Grievance Process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially (including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias).

Any individual designated by the District as an investigator receives training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

Any individual designated by the District as a decision-maker receives training on issues of relevance of questions and evidence, including training about when questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant to the allegations. 34 C.F.R. §106.45(b)(1)(iii).

## **B. Notice of Allegations**

Upon signing a Formal Title IX Sexual Harassment Complaint or receiving a Formal Title IX Sexual Harassment Complaint filed by a Complainant, the Title IX Coordinator:

1. Provides written notice to all known parties of the following information:
  - a. This procedure 2:265-AP2, *Formal Title IX Sexual Harassment Complaint Grievance Process*, including any available informal resolution process.
  - b. The allegations of sexual harassment potentially constituting Title IX sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting Title IX sexual harassment, and the date and location of the alleged incident, if known.
  - c. That the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Grievance Process.
  - d. That all parties may have an advisor of their choice, who may be, but is not required to be, an attorney.
  - e. That all parties may inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Title IX Sexual Harassment Complaint (including evidence the District does not intend to rely on in determining responsibility, and inculpatory or exculpatory evidence) so that each party can meaningfully respond to the evidence before the investigation concludes.
  - f. That the District's behavior policies prohibit knowingly making false statements or knowingly submitting false information during the Grievance Process.
2. Provides a second written notice to all known parties if, during the investigation, the District decides to investigate allegations not included in the first written notice.
3. Decides whether to personally conduct the investigation or appoint a qualified investigator. If the Title IX Coordinator appoints a qualified investigator, provides written notice of the appointment to the Investigator.

### When the Complainant's Identity Is Unknown

If the Complainant's identity is unknown, e.g., where a third party reports that a Complainant was victimized by sexual harassment but does not reveal the Complainant's identity, or a Complainant reports anonymously, the Grievance Process may proceed if the Title IX Coordinator determines it is necessary to sign a Formal Title IX Sexual Harassment Complaint, even though the written notice provided in **Section B.1**, above, will not include the Complainant's identity. 85 Fed. Reg. 30133. If the Complainant's identity is later discovered, the Title IX Coordinator provides another written notice to the parties. *Id.* at f/n 594.

### When the Respondent's Identity is Unknown

If the Respondent's identity is unknown, e.g. where a Complainant does not know the Respondent's identity, the Grievance Process shall proceed because an investigation might reveal the Respondent's identity, even though the written notice provided in **Section B.1**, above, will not include the Respondent's identity. If the Respondent's identity is later discovered, the Title IX Coordinator provides another written notice to the parties. 85 Fed. Reg. 30138.

#### **C. Consolidation of Formal Title IX Sexual Harassment Complaints**

When the allegations of sexual harassment arise out of the same facts or circumstances, the Title IX Coordinator may consolidate Formal Title IX Sexual Harassment Complaints alleging sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party. 34 C.F.R. §106.45(b)(4).

#### **D. Dismissal of Formal Title IX Sexual Harassment Complaint**

After an investigation, if the Title IX Coordinator determines that the conduct alleged would not constitute Title IX sexual harassment even if proved, did not occur in the District's education program or activity, or did not occur against a person in the United States, then the Title IX Coordinator dismisses the Formal Title IX Sexual Harassment Complaint with regard to that conduct for purposes of Title IX sexual harassment only. Such a dismissal does not preclude action under another applicable District policy or procedure.

At any time during the investigation, the Title IX Coordinator may dismiss the Formal Title IX Sexual Harassment Complaint, or any allegations contained in it, if any of the following occur:

1. The Complainant notifies the Title IX Coordinator in writing that he or she wants to withdraw the Formal Title IX Sexual Harassment Complaint or any allegations contained in it;
2. The Respondent is no longer enrolled or employed by the District; or
3. Specific circumstances prevent the District from gathering enough evidence to reach a determination as to the Formal Title IX Sexual Harassment Complaint or allegations in it.

Upon dismissal, the Title IX Coordinator promptly sends simultaneous written notice to the parties of the dismissal, reason(s) for the dismissal, and the right to appeal the dismissal. 34 C.F.R. §106.45(b)(3).

#### **E. Informal Resolution of Formal Title IX Sexual Harassment Complaint**

At any time prior to reaching a determination regarding responsibility, the District may facilitate informal resolution of a Formal Title IX Sexual Harassment Complaint, such as mediation, that does not involve a full investigation and adjudication, provided that the District (34 C.F.R. §106.45(b)(9)):

1. Provides the parties written notice disclosing:
  - a. The allegations;
  - b. Informal resolution process requirements, including the circumstances where parties are precluded from resuming a Formal Title IX Sexual Harassment Complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Grievance Process for the Formal Title IX Sexual Harassment Complaint; and

- c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

#### **F. Investigation of Formal Title IX Sexual Harassment Complaint**

The Investigator or Title IX Coordinator follows these steps when investigating the allegations in a Formal Title IX Sexual Harassment Complaint.

#### G. Determination Regarding Responsibility; Remedies

Initial Decision-Maker	<p>The Superintendent or designee acts as the Initial Decision-Maker for all Formal Title IX Sexual Harassment Complaints, unless it involves allegations against the Superintendent or designee or against a Board Member. In such cases, an outside consultant, e.g., an attorney or retired school administrator, acts as the Initial Decision-Maker.</p> <p><b>Reviews Investigative Report and Corresponding Materials; Opportunity for Parties to Submit Questions</b></p> <p>Reviews all materials received from the Investigator.</p> <p>Provides the parties with written notice of the opportunity to submit, through the Initial Decision-Maker, written, relevant questions that a party wants asked of any party or witness. 34 C.F.R. §106.45(b)(6)(ii). In the written notice, informs the parties that:</p> <ol style="list-style-type: none"> <li>1. Questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior are not relevant, unless they: are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant; or concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent. <u>Id.</u></li> <li>2. Identifies the allegations potentially constituting Title IX sexual harassment;</li> <li>2. Contains findings of fact supporting the determination;</li> <li>4. Contains conclusions regarding the application of the District's policies and procedures to the facts;</li> <li>5. Contains a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any recommended disciplinary sanctions for the District to impose on the Respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the Complainant; and</li> <li>6. Outlines the District's procedures and permissible bases for the Complainant and Respondent to appeal.</li> </ol>
Title IX Coordinator	Implements any remedies for the Complainant as ordered by the Initial Decision-Maker. 34 C.F.R. §106.45(b)(7)(iv).

## H. Appeals

The determination regarding responsibility becomes final either on the date that the Appellate Decision-Maker provides the parties with the written decision of the result of the appeal, if an

appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely. 34 C.F.R. §106.45(b)(7)(iii).

Actor	Action
Complainant or Respondent	<p>Within 10 school business days after receiving the either the Initial Decision-Maker’s written determination regarding responsibility or the notice of dismissal of Formal Title IX Sexual Harassment Complaint, makes a written request to the Title IX Coordinator appealing the determination/dismissal based on:</p> <ol style="list-style-type: none"> <li>1. Procedural irregularity that affected the outcome.</li> <li>2. New evidence now available that could affect the outcome but that was not reasonably available at the time of the determination.</li> <li>3. The Title IX Coordinator, Investigator, or Initial Decision-Maker had a conflict of interest or bias for or against complainants or respondents generally or the individual Complainant or Respondent that affected the outcome. 34 C.F.R. §106.45(b)(8)(i).</li> </ol> <p><b>Note:</b> The District may offer appeals on additional bases, so long as they are offered equally to both parties. 34 C.F.R. §106.45(b)(8)(ii). Consult the board attorney before offering additional appeal bases, as they may overlap with or impact related proceedings that occur separately from this Grievance Process, e.g., a student expulsion hearing or teacher dismissal hearing to impose recommended disciplinary sanctions as a result of this Grievance Process.</p>
Title IX Coordinator	<p>Upon receiving an appeal from one party:</p> <ol style="list-style-type: none"> <li>1. Notifies the other party in writing that an appeal has been filed.</li> <li>2. Provides both parties five (5) school business days to submit a written statement in support of, or challenging, the outcome.</li> <li>3. Promptly forwards all materials relative to the appeal to the Appellate Decision-Maker.</li> </ol> <p><b>Note:</b> The District must ensure that the Appellate Decision-Maker is not the same person as the Initial Decision-Maker, the Investigator, or the Title IX Coordinator. 34 C.F.R. §106.45(b)(8)(iii)(B). The Board may, but is not required to, hear and decide the appeal; it is a suggestion that aligns with the appeal provisions in policy 2:260, <i>Uniform Grievance Procedure</i>, and with Ill. State Board of Education sex equity regulations requiring districts to “provide for final appeal of grievance decisions made at the system level to the system’s governing board.” 23 Ill.Admin.Code §200.40(c)(1). <b>If the Board acts as the Appellate Decision-Maker, the Board must receive the training in Section A.9, above.</b></p>

Actor	Action
	<b>Note:</b> Some school attorneys recommend that the appeal not go to the Board, so that the Board's objectivity is not called into question if it needs to conduct a hearing related to recommended disciplinary sanctions resulting from the Grievance Process. <b>Districts should discuss their options with their board attorney.</b>
Appellate Decision-Maker	Within 30 school business days, affirms, reverses, or amends the written determination regarding responsibility or the notice of dismissal.  Within five (5) school business days after its decision, simultaneously issues a written decision to both parties that describes the result of the appeal and the rationale for the result. 34 C.F.R. §106.45(b)(8)(iii)(E), (F).

#### I. Recordkeeping

Title IX Coordinator	Creates and maintains, for a period of at least seven (7) years, records of (34 C.F.R. §106.45(b)(10)(i)): <ol style="list-style-type: none"> <li>1. The sexual harassment investigation, including any determination regarding responsibility, any disciplinary sanctions imposed on the Respondent, and any remedies provided to the Complainant designed to restore/preserve equal access to the District's education program or activity;</li> <li>2. #### Exhibit – Title IX Sexual Harassment Glossary of Terms

Use this exhibit to educate employees and students about Title IX terms, and with the required Title IX response and grievance process in Board policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, implemented by administrative procedures 2:265-AP1, *Title IX Sexual Harassment Response*, and 2:265-AP2, *Formal Title IX Sexual Harassment Complaint Grievance Process*.

### Glossary of Terms

**Actual Knowledge** – Notice of sexual harassment or allegations of sexual harassment to any District employee or to the District’s Title IX Coordinator. Assumption of knowledge based solely on the District’s status as an employer or other presumption under law does not constitute actual knowledge. This standard is not met when the only official of the District with actual knowledge is the Respondent. *Notice* as used here includes, but is not limited to, a report or complaint of sexual harassment to the Title IX Coordinator in person, by mail, by telephone, or by email using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. 34 C.F.R. §§ 106.30, 106.8(a).

**Appellate Decision-Maker** – An individual or group, e.g., a Board-appointed appeal examiner or the Board, which reviews an appeal of the Initial Decision-Maker’s determination regarding responsibility or a dismissal of a Formal Title IX Sexual Harassment Complaint (defined below). The Appellate Decision-Maker cannot be the same person as the Initial Decision-Maker, the Investigator, or the Title IX Coordinator. 34 C.F.R. §106.45(b)(8)(iii)(B). The Appellate Decision-Maker must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

**Complainant** – An individual who is alleged to be the victim of conduct that could constitute sexual harassment. 34 C.F.R. §106.30.

**Consent** – Knowing, voluntary, and clear permission by word or action, to engage in mutually agreed upon sexual activity. Consent may not be inferred from silence, passivity, or a lack of verbal or physical resistance. A person’s manner of dress does not constitute consent. Past consent to sexual activities, or a current or previous dating relationship, does not imply ongoing or future consent. Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). Consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another person. Consent may be withdrawn at any time. A person cannot consent to sexual activity if that person is unable to understand the nature of the activity or give knowing consent due to circumstances, including without limitation the following: (1) the person is incapacitated due to the use or influence of alcohol or drugs; (2) the person is asleep or unconscious; (3) the person is under age; or (4) the person is incapacitated due to a mental disability. The existence of consent is based on the totality of the circumstances, including the context in which the alleged incident occurred. Coercion, force, or the threat of either invalidates consent.

**Note:** 34 C.F.R. §106.30, added at 85 Fed. Reg. 30574, states that Title IX recipients are not required to adopt a particular definition of consent with respect to sexual assault; however, in its 2020 Title IX rulemaking, the U.S. Dept. of Education (DOE) stated that “recipients must clearly define consent and must apply that definition consistently.” 85 Fed. Reg. 30125.

**Consult the Board Attorney if the District would like to customize this definition.**

**Education Program or Activity** – Includes locations, events, or circumstances in the United States over which the District exercised substantial control over both the Respondent and the context in which the sexual harassment occurred. 34 C.F.R. §106.44(a).

**Note:** Title IX jurisdiction is geographically limited to discrimination against a person in the United States. 34 C.F.R. §106.8(d). The District’s Title IX obligations extend to off-campus sexual harassment incidents “if the off-campus incident occurs as part of the [district]’s ‘operations’ pursuant to 20 U.S.C. 1687 and 34 CFR 106.2(h)” or if the District “exercised substantial control over the respondent and the context of alleged sexual harassment that occurred off campus pursuant to § 106.44(a).” 85 Fed. Reg. 30196. No single factor is

determinative of whether the District exercised *substantial control* or whether an incident occurred as part of the District's *operations*. *Id.* at 30197. *Operations* may include computer and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in, the District's operations. *Id.* at 30202. **Consult the Board Attorney for further guidance.**

**Formal Title IX Sexual Harassment Complaint** – A document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation. At the time of filing a Formal Title IX Sexual Harassment Complaint, a Complainant must be participating in or attempting to participate in the District's education program or activity with which the Formal Title IX Sexual Harassment Complaint is filed.

**Note:** Whether a Complainant is *attempting to participate* is a fact-specific inquiry. For example, a Complainant who has graduated may still be attempting to participate in an education program where he or she intends to remain involved in alumni programs or activities. 85 Fed. Reg. 30138. **Consult the Board Attorney for further guidance.**

**Initial Decision-Maker** – An individual designated by the Title IX Coordinator to reach an initial determination regarding responsibility in a Formal Title IX Sexual Harassment Complaint (defined above) by applying the standard of proof set forth in 2:265-AP2, *Formal Title IX Sexual Harassment Complaint Grievance Process*. See 85 Fed. Reg. 30054. The Title IX Coordinator cannot be the Initial Decision-Maker. 34 C.F.R. §106.45(b)(7)(i). The Initial Decision-Maker must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

**Investigator** – The Title IX Coordinator or an individual designated by the Title IX Coordinator to investigate a *Formal Title IX Sexual Harassment Complaint* (defined above) according to 2:265-AP2, *Formal Title IX Sexual Harassment Complaint Grievance Process*. The Investigator must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

**Respondent** – An individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment. 34 C.F.R. §106.30.

**Supportive Measures** – Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to a Complainant or Respondent before or after the filing of a Formal Title IX Sexual Harassment Complaint or where no Formal Title IX Sexual Harassment Complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The District will maintain as confidential any supportive measures provided to a Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. 34 C.F.R. §106.30.

**Sexual Harassment Governed by Laws Other Than Title IX** – The District must also address sexual harassment that does not meet the definition of Title IX sexual harassment, including but

not limited to sexual harassment in violation of the State Officials and Employees Ethics Act (5 ILCS 430/), Illinois Human Rights Act (775 ILCS 5/), and Title VII of the Civil Rights Act of 1964 (42 U.S.C. §2000e et seq.).

For each report or complaint received, the Title IX Coordinator reviews the following Board policies to determine if they require additional action by the District in addition to or at the exclusion of policy 2:265, *Title IX Sexual Harassment Grievance Procedure*:

- 2:260, *Uniform Grievance Procedure*. This policy provides a method for any student, parent/guardian, employee, or community member to file a complaint if he or she believes that the School Board, its employees, or its agents have violated his or her rights under the State or federal Constitution, State or federal statute, Board policy, or various enumerated bases.
- 5:20, *Workplace Harassment Prohibited*. This policy prohibits employees from engaging in sexual harassment.
- 5:90, *Abused and Neglected Child Reporting*. This policy requires employees who suspect or receive knowledge that a student may be an abused or neglected child to immediately report their suspicion to the Ill. Dept. of Children and Family Services (DCFS). If an employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, it further requires the District to coordinate with the local Children's Advocacy Center.
- 5:120, *Employee Ethics; Conduct; and Conflict of Interest*. This policy sets forth high standards for employee ethics and conduct, and incorporates by reference the Code of Ethics for Illinois Educators.
- 7:20, *Harassment of Students Prohibited*. This policy prohibits all sexual harassment of students.
- 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. This policy prohibits students from engaging in bullying, intimidation, and harassment at school, school-related events and electronically. Prohibited conduct includes stalking, sexual harassment, sexual violence, or retaliation for asserting or alleging an act of bullying.
- 7:185, *Teen Dating Violence Prohibited*. This policy prohibits students 13-19 years of age from using or threatening to use physical, mental, or emotional abuse to control an individual in the dating relationship, and from using or threatening to use sexual violence in the dating relationship.
- 7:190, *Student Behavior*. This policy sets forth student conduct rules, prohibited student conduct, and behavioral interventions and disciplinary measures designed to address the causes of misbehavior and teach students positive behavioral skills.

**Title IX Sexual Harassment** – Conduct on the basis of sex that satisfies one or more of the following (34 C.F.R. §106.30):

- A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(10), *domestic violence* as defined in 34 U.S.C. §12291(a)(8), or *stalking* as defined in 34 U.S.C. §12291(a)(30).
  - *Sexual assault* means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system (UCR Program) of the Federal Bureau of Investigation (FBI), and includes rape, fondling, incest, and statutory rape. 20

U.S.C. §1092(f)(6)(A)(v); 34 C.F.R. Part 668, Appendix A to Subpart D. For more information regarding the FBI UCR Program, see [www.fbi.gov/services/cjis/ucr/](http://www.fbi.gov/services/cjis/ucr/).

- *Dating violence* means violence committed by a person: (1) who is or has been in a social relationship of a romantic or intimate nature with the victim, and (2) where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. 34 U.S.C. §12291(a)(10).
- *Domestic violence* includes any felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. 34 U.S.C. §12291(a)(8).
- *Stalking* means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (1) fear for his or her safety or the safety of others, or (2) suffer substantial emotional distress. 34 U.S.C. §12291(a)(30).

## **BUS TRANSPORTATION (Board Policy 7:220)**

### **Bus Conduct**

All students must follow the District's *School Bus Safety Rules*. School Bus Suspensions

The Superintendent, or any designee as permitted in the School Code, is authorized to suspend a student from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Prohibited student conduct as defined in School Board policy, 7:190, *Student Behavior*.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the Superintendent or designee deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The District shall provide the student with notice of the gross disobedience or misconduct and an opportunity to respond.

### **Academic Credit for Missed Classes During School Bus Suspension**

It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

### **Electronic Recordings on School Buses**

Electronic visual and audio recordings may be used on school buses to monitor conduct and to promote and maintain a safe environment for students and employees when transportation is provided for any school related activity. Notice of electronic recordings shall be displayed on the exterior of the vehicle's entrance door and front interior bulkhead in compliance with State law and the rules of the Illinois Department of Transportation, Division of Traffic Safety.

Students are prohibited from tampering with electronic recording devices. Students who violate this policy shall be disciplined in accordance with the Board's discipline policy and shall reimburse the School District for any necessary repairs or replacement.

### **Instructions to Parents**

Busing information for the current school year is available on the District's website through the [Bus Information Link](#). This is a web-based program that will provide the most current busing information, such as bus time, bus stop location, and the bus number.

All students who reside outside the walking boundaries (greater than 1.5 miles from school) are assigned District 301 transportation to/from school using their home location to designate the bus assignment. Please complete the online [Student Transportation Information](#) found on your Student's Skyward account (Under Custom Forms), only if you require busing to/from an alternate location within your attending school's boundaries. If your child needs to start District 301 transportation, does not require District 301 transportation or you need to make arrangements for busing to/from an alternate location within your child's attending school boundaries please complete the Student Transportation Information found in Skyward under the Custom Forms tab. Students are only allowed to. Students are allowed only one inbound bus and only one outbound bus to the same location (accommodations cannot be made for different buses on different days.) Please allow two school days to process any changes to your student's transportation. Transportation will send you an email confirming the changes are approved or denied.

### **Instructions to School Bus Riders**

***The school bus is an extension of the classroom; therefore, all school rules apply on the school bus.*** The CCUSD 301 Transportation Handbook, which is included in this handbook, governs school bus conduct.

School bus riders, while in transit, are under the jurisdiction of the school bus driver and any adult designated by the Board of Education to supervise bus riders. Any student who violates the following regulations and/or school rules while riding the bus may be reported by the bus driver to the Principal or Assistant Principal via a bus conduct report and a disciplinary consequence may be issued to the student. Transportation guidelines are in addition to CCUSD 301 policies and procedures, including those outlined in this Student Handbook.

1. Students may only ride their assigned school bus.
2. Arrive at your designated bus stop five (5) minutes prior to your scheduled pickup time. Be careful in approaching the place where the bus stops. Do not move toward the bus until the bus has been brought to a complete stop.
3. Remain in your assigned seat while the bus is in motion.
4. Always be alert and listen for any instructions given by the driver.

5. Windows are to remain at or above the white safety line at all times. Do not throw anything out of the windows. When you are on the bus, keep hands and feet inside the bus at all times.
6. Refrain from abrupt, loud noises and/or an unnecessary confusion that could divert the driver's attention from safely driving the bus. Be absolutely quiet when approaching and crossing railroad tracks.
7. Refrain from littering, defacing or destroying bus property. Never tamper with the bus or any of its equipment.
8. Assist in keeping the bus safe and sanitary at all times. Eating, drinking or gum chewing is not allowed on the bus.
9. Do not bring any animals on the bus, unless it is a service animal.
10. Take all belongings with you.
11. Respect the driver, fellow students and yourself. Help look after the safety and comfort of smaller children.
12. Do not ask the driver to stop at places other than the regular assigned bus stop. The driver is not permitted to alter their route without proper authorization from an administrator.
13. Walk at least 10 feet in front of the bus if you must cross the street after being dropped off and wait for the driver to signal to cross the road. Never run in front of a car or bus.
14. Students must sit three (3) in a seat on the school bus when necessary due to the load.
15. It is imperative that all students actively observe and support these transportation regulations and actions. The same rules and regulations apply to all bus trips, including for school sponsored trips as well as between home and school. Students who are unable to abide by the rules and expectations in order to maintain a safe environment when riding a school bus may face disciplinary consequences depending on the severity of the action.

Students who are suspended from the bus and who do not have alternative transportation to school will be provided the opportunity to make up any missed work for full academic credit pursuant to the "Makeup Work" rules set forth in the Attendance and Truancy Policy of this Student Handbook. It is the responsibility of the student's parent to notify the school Principal or other administrator that the student does not have alternative transportation to school to ensure the student receives appropriate make-up work.

#### **Restricted Items**

1. Because of the potential for disrupting the school bus driver, certain items are not to be brought on the bus. Some examples of such items could be, but are not limited to:
  - skateboards    -cameras                -sleds                -snowboards/hoverboards
  - toys                -in-line skates                -playing cards                -laser lights

\*\* In some cases the student may seek approval from the Transportation Director or building administration for special situations (i.e., field trips, athletic trips, etc.).

2. Cell phones and other electronic devices may be used responsibly on the school bus. Any misuse of these items will result in disciplinary action as outlined in the Student/Parent

Handbook. Bus drivers are not responsible for devices lost, damaged or stolen. Examples of misuse include, but are not limited to:

- Using device as a camera
- Displaying inappropriate images/website
- Use of inappropriate language
- Use of device for harassment or intimidation

Music devices are allowed on the school bus as long as they are kept at a volume that cannot be heard by others and the listener can still hear emergency directions. Music devices must be in the student's backpack before exiting the bus.

#### **Kindergarten Transportation**

The parent/guardian or older sibling must be present when a kindergarten student is dropped off. It is District policy that if no one is available at the drop off location, the bus driver will notify the school of the situation and the school will notify the parent/guardian that the student will be brought back to the school for parent pick up.

### **STUDENT DEVICE HANDBOOK**

As part of its commitment to integrating technology into the curriculum, the Board of Education of Central Community Unit School District No. 301 has purchased Devices and their related accessories for students' individual use. Each student will be loaned a Device while attending Central 301. In order for a student to be loaned a Device, you and your child must read, sign, and return the attached Acknowledgement to your school's main office. This Handbook is valid for the years the student is loaned the Device. A new Handbook will be provided during registration and a new Acknowledgement must be signed and returned for each school year.

Students in Kindergarten and Grade 1 will be loaned a Device only for use in school; these students will not take their Devices home. Students in Grades 2-12 will be loaned a Device for use at school and at home and must bring it to school every day, just like a textbook. Access to the technology resources of the District is a privilege and not an entitlement or right, and you and your child are responsible for the appropriate care, handling, and use of the Device as outlined in this Handbook.

If the District changes this Handbook at any time during the year, the District will notify you of the change(s).

#### **A. USING THE DEVICE**

1. **Acceptable Use of Device.** Your child's use of the Device, whether at home or at school, is to be for educational purposes consistent with the curricular goals of the District and with Board of Education policies. Your child may not use (or allow others to use) the Device loaned to him/her in a way that violates the Board's policy on acceptable use of its electronic network (Board Policy 6:235, *Access to the District's Electronic Network*). By using the Device, you and your child agree to abide by Board Policies 6:235, *Access to the District's Electronic Network*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:190, *Student Behavior*; as well as all other applicable policies and their corresponding administrative procedures and the guidelines in this Handbook. Violation of any of these policies, administrative procedures, or guidelines could result in your child's loss of the privilege of using the

Device; discipline, up to and including suspension or expulsion; and referral to law enforcement.

2. **Using the Device.** All students are provided a District account, including a username and password. Students must use that account when logging on to the Device.
  - a. **Using the Device at School.** Unless otherwise instructed, the Device is intended for use at school every day. If your child is permitted to use the Device at home, he/she is responsible for bringing it to school every day, fully charged. The District is not responsible for providing your child a loaner Device in the event he/she forgets the Device.
  - b. **Using the Device Outside the District.** In the event your child uses the Device at home or elsewhere outside the District, he/she is bound by the same policies, procedures, and guidelines as at school.
    - i. **Parent Responsibility for Supervision Outside the District.** The District's filters will run on your child's Device outside of school. However, the District is not responsible for supervising students' use of the Device and Internet activity outside of school. While your child is using the Device assigned to him/her outside of school, you agree to be solely responsible for supervising the use of the device, including Internet access. You may choose to limit such use.
    - ii. **Technical Support Outside the District.** The District cannot guarantee the Device will function outside the District at the same level as inside the District. Configuration of any home network connection is your responsibility and not the responsibility of the District. Any configuration applied to the Device that impairs its performance in school may be removed by District staff.
3. **Email Accounts.** All students are issued a District email address through Google's Gmail service. These accounts will have restricted access as determined by the District. Students in Kindergarten through Grade 8 will only be able to send emails to and receive emails from District staff, students, and approved educational systems. Students in Grades 9-12 will be able to send emails to and receive emails from District staff, students, and approved domains.
4. Every email sent and received from a District email account, whether at home or school, goes through filtering software. The District makes every effort to block content that may be obscene, pornographic, or otherwise harmful or inappropriate in the school setting. However, the District cannot guarantee that every objectionable material will be filtered. If your child receives an inappropriate email, your child should report it immediately to an adult and forward it to their building administration team.
5. **Accessories.** The District will provide either a mandatory carrying case or always on case necessary for the protection of the Device. The decision whether to purchase additional accessories (such as a wireless mouse, extra charger, keyboard, stylus, etc.) for the device rests with you and your child. As with any personal property brought to school, the District reserves the right to disallow the use of any accessory and is not responsible for any loss or damage to personal property. In addition, the District cannot and does not guarantee that

an accessory purchased at one point in time will be compatible with devices provided in the future.

6. **Caring for the Device.** The Device assigned to your child remains the property of the District and must be maintained appropriately. In addition to the manufacturer's instructions included with the Device, if any, your child must care for the Device as follows:

- a. Only use a clean, soft cloth to clean the device's screen; don't use cleansers of any type.
- b. Insert and remove cords and cables carefully to prevent damage to connectors.
- c. Do not write or draw on, apply stickers or labels to, or otherwise mark up or deface the Device in a manner that would detract from the educational environment in the classroom. You may personalize the Device by setting the wallpaper or background, but only with appropriate images.
- d. Handle the device carefully. Screens can crack not only when dropped, but also when twisted or subjected to pressure from stepping or leaning on them. Don't stack other objects (books, binders, etc.) on top of the Device.
- e. Don't leave the Device in places of extreme temperature, humidity, or limited ventilation (e.g., in a car) for an extended period of time.
- f. Keep food and beverages away from the Device.
- g. Make sure the Device is secure when it is out of your child's sight. Don't leave it in an unlocked locker, desk, or other location where someone might take it.
- h. Your child was provided a protective carrying case with the Device; use it.
- i. Your child's Device will have a District-provided asset tag to identify it. This number also might be marked in the case your child was provided. Write this number down so you can identify the Device.

**B. RESPONSIBILITIES OF STUDENTS AND PARENTS**

- 1. **Technology Fee.** In order for your student to be loaned a Device consistent with the Handbook, you must pay a technology fee of \$50 each school year.
- 2. **Parents' Responsibility for Child's Compliance.** You agree to monitor and supervise your child's use of the Device outside of school and to make every effort to ensure your child's compliance with the obligations and responsibilities described in this Handbook and in all applicable Board Policies related to their use of the Device.
- 3. **Returning of the Device.** The Device is the property of the District while the Device is loaned to the student.
  - a. Kindergarten devices, unless instructed otherwise, will remain in the school and the District will make sure they are in their 1st grade classroom for the start of the next school year.

- b. For students in Grades 1-11, unless instructed otherwise, Devices and any related accessories may be taken home over the summer. However, the rules outlined in this Handbook remain in effect during the summer.
    - c. If, at the end of the Device loan period, your child's technology fee has been paid in full, you will own your child's Device. The District's technical support staff will reset the Device to factory settings, and all District filters and software will be removed.
  - 4. **Student Leaves the District.** If a student leaves the District, the family will need to inform the school office of their intentions for the Device. If we do not hear from the family and the Device is not in the school's possession, the Device will be automatically locked out.
    - a. The technology fee (\$50 per year) covers a little less than half the annual cost of the Device. The District picks up the remainder of the cost at a little over \$50 per year. As a result of this fee, the family will own the Device after two or three years of use in the District based on their rotation. If a student leaves the District early and wants to keep the Device they will need to pay the remainder of the technology and District costs at \$100 per year of expected use.
    - b. If you leave during the last semester your Device is expected to be used and all of your family fees are paid, the Device is yours to keep.
    - c. If your child fails to return the Device and any related accessories or you do not purchase it, the District may, in addition to seeking reimbursement from you, file a report with local law enforcement.
- C. **DEVICE DATA AND SOFTWARE**
1. **Managing Your Files and Saving Your Work.** Work done on a Device is typically saved to Internet-based storage space (i.e., the "cloud"). It is your child's responsibility to make sure his/her work is not lost due to a failure or loss of the Device.
  2. **Personal Content on the Device.** Your child should be aware that any content (including, but not limited to, documents, music or audio files, and photographs) stored on the Device potentially could be subject to access by third parties pursuant to law or subject to discovery in a legal proceeding. In addition, personal content may be deleted in the course of routine maintenance and/or troubleshooting. It is your child's responsibility to back up all personal content stored on the Device, if any.
  3. **Device Data as District Records.** Data saved to the Device or to the cloud via the Device are not maintained by the District as public records or as student records. In the event data stored on a Device or stored in the cloud via a Device needs to be maintained by the District for any reason, the District will take affirmative steps to preserve it.
  4. **District-Required Software.** The District will provide any software/apps required to use the Device for school purposes. This software may not be removed. The District may update, add, or remove software at any time for any reason, without prior notice.
  5. **Prohibited "Jailbreaking."** "Jailbreaking" is the act of replacing the manufacturer's operating system with custom software, allowing the user to circumvent the manufacturer's

security and licensing restrictions. The act of jailbreaking or otherwise disrupting the configuration of the Device voids the manufacturer's warranty and is a violation of this Handbook. Removal of any District-installed configuration is prohibited and will be considered a violation of this Handbook.

6. **Personal Software.** Your child is not permitted to install additional software or apps on the Device.
7. **Compliance with Copyrights.** In using the Device, your child must follow the Board Policy 5:170, *Copyright*, governing use of copyrighted material and applicable copyright law.
8. **No Expectation of Privacy.** There is no expectation of privacy for any communication made using the Device or for any content created, accessed, or stored on the Device. The District reserves the right to inspect the Device and its contents at any time and for any reason.

**D. REPAIR OF, LOSS OF, OR DAMAGE TO DEVICE**

**1. Technical Support & Device Loaners.**

- a. During the school year, if your child's Device is not functioning properly, students in Kindergarten through Grade 5 should alert his/her teacher, and students in Grades 6-12 should bring the Device to the LMC. If necessary, a technical support employee of the District will assess the Device and attempt to correct any problems with it. In all grades, students will be issued a loaner Device, if available, while this student's Device is being repaired. The loaner Device should be treated the same as the student's Device as set forth in this Handbook.
- b. During the summer, if your child's Device is not functioning properly, the District will provide technical support at specified times and District buildings. This information will be available on the District's website or may be obtained by contacting the District office.

2. **Loss of or Damage to Device.** If your child's Device is lost or damaged, you or your child must report it immediately to your school's main office. If you believe your child's Device requires repair, you must notify the designated technical support person in your child's school. You and your child are responsible for cooperating with the District in the recovery, repair, or replacement of your child's Device.

3. **Responsibility for Lost or Damaged Device.** In the event your child's Device is lost or damaged, you will be responsible for replacement or repairs as follows:

- a. If the District determines that the damage is the result of an equipment failure covered by a warranty, the warranty will apply with no further action required.
- b. If the damage is the result of a student's negligence or intentional destruction, or if the Device is lost, you will be required to pay in full for the repair or replacement of the equipment.

4. **Accidental Damage.** The District purchases an accidental damage policy with each

Device. This covers one (1) accidental damage per Device per school year while the Device is used in the District.

**E. WAIVER AND INDEMNIFICATION**

- 1. Waiver of Device-Related Claims.** By signing the “Device Acknowledgement” below, you acknowledge that you and your child have read, understand, and agree to follow all guidelines and policies outlined or referenced in this Handbook and agree to be bound by this Handbook. You also agree and represent that the Device (including any related accessories) was delivered in good working order and that it must be returned to the District in good working order consistent with this Handbook. **By signing this Handbook, you waive any and all claims you or your child (and each of your respective heirs, successors, and assigns) may have against Central Community Unit School District No. 301, its Board of Education, and its individual Board members, officers, employees, and agents relating to, connected with, or arising from the use of the Device or this Handbook.**
- 2. Indemnification for Device-Related Claims.** To the fullest extent allowed by law, you agree to indemnify, defend, and hold harmless Central Community Unit School District No. 301, its Board of Education, and its individual Board members, officers, employees, and agents from any and all claims, damages, losses, causes of action, and the like relating to, connected with, or arising from the use of any District Device issued to your child.

## **INTRODUCTION**

Welcome to Central High School. We know your educational experience here will be worthwhile. To assist you, we have prepared this Handbook that outlines the opportunities available to students and the policies and procedures of CHS and as established by the Board of Education.

This Handbook is not intended to create a contractual responsibility with the student. Rather, this Handbook is intended to summarize CHS and Board of Education policies and procedures. Items published in this Handbook are subject to change, without notice, by the Administration or Board of Education. The Board policies that govern the operation of Central High School and the District are available to the public on its website at [www.central301.net](http://www.central301.net) or at the District Office.

## **STUDENT SERVICES**

### **STUDENT SERVICES OFFICE**

The student services office includes an Assistant Principal of College and Career Readiness, the Assistant Principal for Student Behavior and Environment, a nurse, a registrar, an attendance clerk, school counselors, school social workers, speech pathologist, and a school psychologist who work directly with students, parents, and staff. The objective of Student Services is to help students make the most of high school and to ensure students have the appropriate support to succeed in high school and beyond. Individual and group counseling is arranged with students in the areas of education/career planning and personal and social development.

The District provides a comprehensive school counseling program that provides developmentally appropriate services to all students. Students are assigned counselors alphabetically by last name. The school counseling program focuses on what all students should know, understand, and be able to do within the three main aspects of school counseling as identified by the American School Counselor Association (ASCA); academic development, personal/social development, and career development. The goal is to raise student achievement as well as focus on student outcomes, goal setting, college and career readiness, and to utilize data to inform decision-making.

The ASCA framework for a comprehensive data-driven school counseling program has four tenets:

1. Foundation: A focus on student outcomes and student competencies.
2. Delivery: Services to the students, parents, school staff, and community.
3. Management: Organizational and assessment tools reflective of the school's needs.
4. Accountability: Measurements of how the students are different as a result of the school counseling program.

Student Services is available for consultation on:

1. Orientation to school.
2. Utilizing the Naviance program.
3. Testing information (PSAT, ACT, SAT).
4. Selection of high school courses best suited to the student's abilities and future plans.
5. Assistance through both individual and group counseling with personal and social problems that are impeding the student's abilities and future plans.
6. College and career research.
7. The development of four-year, post-secondary, and career plans, including information about college admission requirements, financial aid, and career information.
8. Referral to agencies outside of school.
9. Attending on campus college visits with college admission representatives.

Students are encouraged to make an appointment in the Student Services office to meet with their assigned counselor.

School social workers help assess and address the needs of students, provide individual and group counseling, and provide referrals for community resources. School social workers are the link between the home, school, and community to promote and support students' academic and social success.

**Note:** School Psychologists are uniquely qualified members of school teams who support students' ability to learn and teachers' ability to teach. They apply expertise in mental health, learning, and behavior, to help children and youth succeed academically, socially, behaviorally, and emotionally. School psychologists can help staff, families, school administrators, and other professionals with, but not limited to: Data collection and analysis, assessment, progress monitoring, school-wide practices to promote learning, academic/learning interventions, behavioral interventions, instructional support, and special education services. School psychologists work to create safe, healthy, and supportive learning environments that strengthen connections between home, school, and the community.

#### **TRIANGLE TEAM**

The Triangle Team is a team consisting of the high school counselors, MTSS coordinator, and school psychologist. Other team members participate on an as needed basis. Those members include the social worker(s), Assistant Principal for Student Services, school nurse, and one or more teachers. The triangle team exists to identify and assist students at risk due to severe social, emotional, family, mental health, attendance, and/or academic issues. The goal of the triangle team is to be proactive, rather than reactive, providing assistance to students before problems become overwhelming or chronic. The team may refer the student to outside professional agencies when appropriate. Referrals to the triangle team can be made by any member of the team, a staff member, the student him/herself, a fellow student, and/or a parent.

A Multi-Tiered System of Support (MTSS) is a comprehensive framework for continuous improvement that is systemic, prevention-focused, and data-informed providing a cohesive continuum of supports responsive to meet the needs of ALL learners. The framework focuses on delivering high quality instruction in the areas of academics and social-emotional learning. It is a team-based approach that includes all stakeholders in developing and/or refining various District operations and system structures to enable efficiency and effectiveness in order to maximize student success. An MTSS framework supports a data based problem-solving approach using a system for defining and analyzing a problem, developing and implementing a plan, and evaluating the plan's effectiveness. If academic and/or social-emotional concerns are identified by a school team member or parents, a Problem Solving Team (PST) meeting may be held to develop an intervention plan to address the concerns and a plan for monitoring progress. If the student does not respond to the intervention(s) in place, the student may be referred for an evaluation for special education services.

## **HOME AND HOSPITAL INSTRUCTION (BOARD POLICY 6:150)**

A student who is absent from school, or whose physician anticipates that the student will be absent from school, because of a medical condition may be eligible for instruction in the student's home or hospital. Eligibility shall be determined by State law and the Illinois State Board of Education rule governing (1) the continuum of placement options for students who have been identified for special education services or (2) the home and hospital instruction provisions for students who have not been identified for special education services. A student qualifies for home and hospital instruction when a physician anticipates that the student may be absent due to a medical condition for a total of 10 or more days over the course of the school year. Appropriate educational services from qualified staff will begin no later than 5 school days after receiving a written statement from: 1. A physician licensed to practice medicine in all of its branches, 2. A licensed physician assistant or 3. A licensed advanced practice registered nurse. Instructional or related services for a student receiving special education services will be determined by the student's individualized educational program.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction (1) before the birth of the child when the student's physician, physician assistant or advanced practice registered nurse indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child's birth or a miscarriage.

Periodic conferences will be held between appropriate school personnel, parent(s)/guardian(s), and hospital staff to coordinate course work and facilitate a student's return to school.

## **STUDENT RECORDS AND DIRECTORY INFORMATION (BOARD POLICY 7:340)**

### **Student Records**

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records that are kept in staff members sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitations, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 18 years who has been arrested or taken into custody.

State and federal law grant students and parents/guardians certain rights, including the right to inspect, copy, and challenge school student records. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information maintained concerning

a student receiving special education services shall be directly related to the provision of services to that child. The District may release directory information as permitted by law, but a parent/guardian shall have the right to opt-out of the release of directory information regarding his or her child. The District will comply with state or federal law with regard to the release of a student's school records, including, where applicable, without notice to, or the consent of, the student's parent/guardian or eligible student. Upon request, the District discloses school student records without parent consent to the official records custodian of another school in which a student has enrolled or intends to enroll, as well as to any other person as specifically required or permitted by State or federal law.

The Superintendent shall fully implement this policy and designate an official records custodian for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.

### **Required Notices and Directory Information**

Under the Illinois School Student Records Act (ISSRA) and the Family Educational Rights and Privacy Act (FERPA), parents/guardians and students over 18 years of age ("eligible students") have certain rights with respect to the student's education / school student records.

In compliance with Illinois and federal law, the District shall maintain two sets of student records. The **permanent record** shall include basic identifying information concerning the student, his or her parents' names and addresses, the student's gender, date/place of birth, academic transcripts, attendance record, health records required for enrollment, unique student identifier, a certified copy of the student's birth certificate, and a record of any release of this information. The permanent record may also include honors/awards received and information concerning participation in activities/athletics. No other information shall be placed in the permanent record.

The **temporary record** consists of all other records maintained by the District concerning the student and by which the student may be individually identified. The temporary record must include a record of release of the information contained in the temporary records, scores received on state assessment tests administered in grades K-8, a completed home language survey form, information regarding serious disciplinary infractions (i.e., those involving drugs, weapons, or bodily harm to another) that resulted in punishment or sanction of any kind, information regarding any indicated report pursuant to the *Abused and Neglected Child Reporting Act*, health-related information, and accident reports. It also may include family background information, intelligence/aptitude scores, achievement test results, psychological reports, honors/awards, athletics/activities, other disciplinary information, teacher anecdotal records, special education records, records associated with Section 504 of the *Rehabilitation Act of 1973*, participation in extracurricular activities, and/or other information relevant to the education of the student which is not required to be in the permanent record. Information in this record shall reference authorship, position, and date. No person may condition the granting or withholding of any right, privilege, or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.

The District may release directory information to the general public including local media, military recruiters, district vendors and publish such information in a school directory, school yearbook, or

similar District publications. The District has designated the following information as **directory information**: the student's name, address, telephone number, date and place of birth, major field of study, participation in school-sponsored organizations and activities membership on athletic teams, dates of attendance, and academic awards, degrees, and honors received. Directory information also includes photographs, videos, or digital images of students used for informational or news-related purposes of a student participating in a school or school-sponsored activity, organization, and athletics that have appeared in school publications. However, photographs highlighting individual faces and used for commercial purposes require prior, specific, dated, and written consent of the parent. An image on a school security videotape recording is not directory information. Further, student social security numbers or student identification or unique student identifiers are not directory information.

Parent(s)/guardian(s) or eligible students will be given the opportunity to object to the release of directory information prior to its release. A parent/guardian or eligible student may prohibit the release of any or all of the above-designed directory information by providing a written request to the Building Principal.

Parent(s)/guardian(s) or eligible students have the right to inspect, copy, and challenge the student's record. In addition, a student less than 18 years old may inspect or copy information in his/her permanent school record. A request to inspect or copy a student's school record shall be made in writing and directed to the Building Principal. Access to the records shall be granted within 15 school days after the receipt of such a request. Parent(s)/guardian(s) may request a qualified professional to be present to interpret the student's records. Access shall not be granted to the parent(s)/guardian(s) or the student to the following: confidential letters, recommendations concerning the admission to a post-secondary educational institution; application for employment. For further information, please contact your Building Principal.

Unless the District has actual notice of a court order or a notice of a *parenting plan* under the *Illinois Marriage and Dissolution of Marriage Act*, indicating otherwise: Divorced or separated parents/guardians with and without *parental responsibilities* (formerly custody) are both permitted to inspect and copy the student's school student records. The District will deny access to a student's school records only to a parent against whom an order of protection was issued if the order of protection prohibits the parent from inspecting or obtaining such records. The District shall maintain and destroy student records in accordance with Illinois and federal law. A student's permanent record is maintained for at least 60 years after the student has graduated, withdrawn, or transferred from the District. A student's temporary record is maintained for at least 5 years after the student has graduated, withdrawn, or transferred from the District. Upon graduation, transfer, or permanent withdrawal of a student from the District, the school shall notify the parents/guardians and student, at their last known address, of the destruction schedule for the student's permanent and temporary records. Parent(s)/guardian(s), or the student if at least 18 years of age at the time of the request, may request a copy of the student's records prior to the destruction date for a copying fee.

Students in grades 10-12 or their parent(s)/guardian(s) may deny access to the student's name, address, and phone number to official military and higher education recruiting representatives by submitting a written request to the Building Principal before the end of the student's 10th grade year, or within 30 days of transfer for students who transfer into the high school after that point.

Parent(s)/guardian(s) and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family

### **MEDICAID FEE FOR SERVICES**

Medicaid reimbursement is a source of federal funds approved by Congress to help school districts maintain and improve special education services. If Medicaid eligible, therapy and diagnostic services provided to children are partially reimbursable. With the parent/guardian's written consent, the District will claim Medicaid reimbursement for services provided. These claims will have no impact on the parent/guardian's or student's ability to receive Medicaid funding either now or in the future.

### **EDUCATION OF CHILDREN WITH DISABILITIES (BOARD POLICY 6:120)**

The School District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the *Individuals with Disabilities Education Act* ("IDEA") and implementing provisions of the School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act. [The term children with disabilities, as used in this policy, means children between ages 3 and 21 for whom it is determined, through definitions and procedures described in the Ill. State Board of Education \(ISBE\) Special Education rules, that special education services are needed. Children with disabilities who turn 22 years old during the school year are eligible for such services through the end of the school year.](#)

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the *Rehabilitation Act of 1973* ("Section 504") are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the [ISBE Special Education rules](#). For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504, need or are believed to need special instruction or related services, the District shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), representation by counsel, and a review procedure.

The District may maintain membership in one or more cooperative associations of school districts that shall assist the District in fulfilling its obligations to the District's disabled students.

If necessary, students may also be placed in nonpublic special education programs or education facilities.

See [Appendix C](#) for a list of differences in Special Services offered between High School and College.

## HEALTH SERVICES

### HEALTH SERVICES

A nurse is available to students throughout the school day. A student who needs to see the nurse during the day should first obtain a pass from his/her teacher unless an emergency situation exists. **If a student is not feeling well, he/she must check out in the Nurse's Office and authorization must be given before leaving the building or the absence will be considered unexcused.** When the nurse is not in the building, a student who is ill should report to the Main Office. No student will be excused from school unless a parent/guardian or designated person has been notified and appropriate transportation arranged, including if the student has his/her own car at school. Students shall not use their personal cell phones unless given permission by the nurse.

Privacy Practices (Board Policy 7:15)

Pursuant to Illinois and federal law, school personnel cannot contact a student's physician, advanced practice nurse, physician assistant, nurse, or pharmacist about a student or a student's records, including health records or health-related information, unless the student's parent/guardian gives written consent. ## **COMMUNICABLE AND CHRONIC INFECTIOUS DISEASE (BOARD POLICY 7:280)**

A student with or carrying a communicable and/or chronic infectious disease has all rights, privileges, and services provided by law and the School Board's policies. The Superintendent will develop procedures to safeguard these rights while managing health and safety concerns.

## **ILLNESS / INJURY**

It is expected that injuries that occur outside of the typical school day will be cared for by parents/guardians prior to arrival at school. Notify the nurse of any injuries that need attention at school.

For the protection of the whole student body, students are not permitted to ride the bus home if they are exhibiting signs/symptoms of a contagious illness or communicable and/or chronic infectious disease. The student's parent/guardian will be contacted by the school and expected to arrange transportation.

In the event of serious symptoms or injury, paramedics will be called and a parent/guardian contacted. In an emergency situation, school officials will be guided by the information provided by parents/guardians on the registration documents filled out annually. It is the responsibility of the parent/guardian to provide accurate contact information to the school in case of illness, injury, or emergency, and notify the school of any updates to the information. For safety and well-being, parents/guardians must select emergency contacts who are likely to be available to pick up their child in a timely manner, within the hour, if they are unable to do so. Students will not be permitted to ride home with fellow students, other than a sibling, in case of an illness or emergency.

If a student exhibits any of the following during the school day, the student's parent/guardian will be contacted and the student must be picked up from school to go home:

A student should not return to school after he/she has been out of school due to an illness until there is evidence that the student is no longer contagious. This may include a release from the student's physician, absence of symptoms for over 24 hours, or documentation of treatment. These determinations will be guided by the nurse.

Students who come to school with mobility devices (such as crutches, walking boot/shoe, wheelchair, splints or casts) for an acute episode need to submit a note from the doctor that states the activity restriction that warrants the use of the device at the school, including the time frame for the restriction.

### **EXEMPTION FROM PHYSICAL EDUCATION (BOARD POLICY 7:260)**

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

State law prohibits the Board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 3-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

A student in grades 9-12, unless otherwise stated, may submit a written request to the Building Principal to be excused from physical education courses for the reasons stated in 6:310, High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students.

Interscholastic or extracurricular athletic programs are organized school-sponsored or school sanctioned activities for students that are not part of the curriculum, not graded, not for credit, generally take place outside of school instructional hours, and under the direction of a coach, athletic director, or band leader.

The Superintendent or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student's participation ceases;
2. The student's class schedule; and
3. The student's future or planned additional participation in activities qualifying for substitutions for physical education as outlined in policy 6:310, High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students.

No school district employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed school Medication Authorization form (SMA Form) is submitted by the student's parent/guardian. by the Nurse. The District's Asthma Emergency Response Protocol is available from the Main Office or Nurse's Office.

4. The Med-A form must be completed annually for each medication and updated upon any changes.
5. Students may not transport medication to and/or from school. It is the parent/guardian's responsibility to personally deliver the medication to school and to pick up any "leftover" medication at the close of the school year. Any medications left at the school at the end of the school year will be disposed of in a safe and appropriate manner.
6. Medications must be in their original containers and the containers must include the student's name, the medication's name, dosing information (the amount to be dispensed and the time at which or circumstances under which the medication is to be administered), and expiration date. A student may possess and self-administer an epinephrine injector, e.g. EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a School Medication Authorization Form. The Superintendent or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a qualifying plan, provided the student's parent/guardian has completed and signed a School Medication Form. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an Illinois Food allergy Emergency Action Plan and Treatment Authorization Form, (4) a plan pursuant to Section 504 of the Federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or including asthma medication or

epinephrine injector or [medication required under a qualifying plan](#). A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, [asthma medication](#), and/or [a medication required under a qualifying plan](#). ### **EMERGENCY DAY - SCHOOL DISMISSAL DUE TO WEATHER**

At times during the winter, severe snow conditions may make bus transportation impossible or unsafe and all schools in the District will be forced to close or have a delayed starting time. In such cases, local radio stations will be notified prior to 7:00am. If weather conditions are questionable, tune your radio to WRMN in Elgin (1410 AM or 94.3 FM), WGN (720 AM), WLBK in DeKalb (1360 AM or 92.5 FM), or to WFXW in Geneva (1480 AM). The school may also utilize School Reach via phone and/or email to notify parents.

Also, on occasion during the school day, weather conditions may become severe and it may be advisable to close school early. Since it is impossible to notify parents when this is done, it is suggested that parents arrange with their child in advance where he/she should go if any early dismissal is deemed necessary.

Many bus routes have areas where buses are required to turn around in a driveway. At these points, during times with considerable snow and drifting, it may be advisable for the bus to stay on the main route and to eliminate all points where backing is necessary. The parent/guardian of the student will need to contact the Administration and receive approval before the student drives to school.

Student parking at Central High School is considered a privilege and with parking privileges come certain responsibilities that must be assumed by the student. A student is expected to practice safe driving at all times. Students are expected to be on time to class. Therefore, if a student fails to drive safely, shows patterns of tardiness and/or is otherwise unable to demonstrate mature and responsible behavior at school, on school grounds, or at school activities or events, the student

may face disciplinary consequences in addition to the loss of parking privileges. Parking permits can be revoked at any time by the Administration. A parking permit is a privilege and may be suspended or revoked without refund of fee as a result of student misconduct or disobedience. Students must follow the terms and conditions stated in the parking permit application.

### **STUDENT DRESS (BOARD POLICY 7:160)**

1. Students are expected to be appropriately dressed for school and wear clothing that will not disrupt the educational process, constitute a health or safety hazard or violate civil law.
  - a. Coats, gloves, hats, caps, bandannas, handkerchiefs, and other head coverings, as well as dark glasses, should not be worn during school hours and should be left in the student's locker or backpack.
  - b. Clothing imprinted with profanity, obscenity, and/or the display of words, pictures, or symbols associated with alcohol, drugs, tobacco, sex, weapons, or violence are prohibited.
  - c. Shoes must be worn at all times.
  - d. The entire middle of the body must be covered; sides as well as front and back, and underwear must not be visible at any time. Any combination of tank tops with any width of strap may be worn but must still cover the sides, front, and back of the body as well as undergarments in accordance with the principles of good taste. Shorts, skorts, or skirts that do not extend past the student's middle knuckle of the middle finger, when their arms are extended down at their sides, should not be worn.
  - e. Chains are not to be brought to school. This includes chains on wallets, choker chains, etc.
  - f. Pants/jeans/dresses/skirts cannot have holes, rips, or see through material above the fingertips when standing.
2. Students may carry a [small](#) bag or purse as long as it does not disrupt the learning environment or pose a safety threat. [Purses or a small bag must be able to fit into an 8"x12"x5" box.](#)
3. PE uniforms may NOT be altered in any way (for example, cut-off sleeves or shortening of shorts).
4. Students are allowed to wear costumes on days approved by administration. Students that need to wear a costume for an activity in class, are expected to remove the costume when the class is over.

Any student not in accordance with the above-mentioned dress expectations during school hours (7:00am to 2:46pm) may be subject to disciplinary consequences, including changing into appropriate clothes or making immediate arrangements for appropriate clothing before returning to class. If appropriate clothing is not available, the high school will lend the student a uniform from the physical education department.

### **TELEPHONES**

In case of emergency, students will be allowed to use the office telephones. If needed, a message can be delivered to students at the end of the school day.

### **VISITORS**

CHS has a responsibility to maintain a learning environment that is safe. All visitors must initially report to the Main Office upon entering the school. Any person wishing to confer with a staff member should contact the staff member ahead of time to schedule an appointment.

All visitors must:

- Sign in and out.
- Wear a visitor name tag.
- Provide a reason for their visit.

NOTE: During school hours (7:00am – 3:05pm) access to the building will be limited. Students are not permitted to allow anyone from the outside to enter the building. Former CHS students will not be permitted to visit teachers during school hours, unless prior permission has been granted.

## **ATTENDANCE AND TRUANCY POLICY**

Our attendance policy is based upon the firm belief that students are most successful when they are present in class and in school:

1. In accordance with Illinois compulsory attendance requirements, it is the District's policy that students shall attend school on a regular basis. We believe that daily attendance, timeliness to class, and preparedness and participation in class will increase the student's probability for successful performance and fosters the development of self-discipline and responsibility. It is the intention of the instructor of each course to not only teach the subject matter, but also to encourage the positive attribute of regular attendance, punctuality, and participation.
2. Students are expected to attend every class

The school has an obligation to inform both students and parents/guardians of the student's progress and attendance in all classes. Parents/guardians are to follow proper procedures to inform the school when their child is absent and to provide a reason for the absences.

### **ATTENDANCE PROCEDURES**

#### **STEPS TO FOLLOW WHEN ABSENT FROM SCHOOL**

It is the parent/guardian's responsibility to call the attendance clerk and give the reason for the absence. The parent/guardian is requested to call **prior to 7:25am** the day of the absence. The attendance clerk's phone number is 224-990-7101.

Parents/guardians who cannot call must write a note explaining the reason for the absence. The note should be written by the parent in its entirety and signed. The note can be scanned and emailed to the attendance secretary or turned in at the main office.

Refer to the Categories of Absences to determine if the absence is excused or unexcused. If there is a question about the type of absence contact the Assistant Principal for Student Behavior and Environment.

#### **LEAVING SCHOOL EARLY**

Students who need to leave school early must bring a note to the Attendance Office before leaving school. The note must be written by the parent in its entirety. The note should include: (1) the requested dismissal time, (2) the reason the student needs to leave early, and (3) a parent/guardian signature.

Parents/guardians will pick up the student at door 8. Parents/guardians will need to present photo identification to pick up a student without prior notification.

If a student is ill during the day, the student must check out in the Nurse's Office before leaving the building. Students should not arrange for parents/guardians to pick them up, or to leave school using their own car, without first having been seen by the Nurse. When the Nurse is not in the building, a student who is ill should report to the Main Office.

Students will sign out with the dean assistant at door 8.

**TECH PREP OR MIDDLE COLLEGE:** Students who leave school early to participate in the work program should leave the building after their last academic class, unless given prior permission from Administration. All students participating in the Tech Prep or Middle College programs are required to check out with the dean assistant at door 8 prior to leaving the school. Attendance issues related to this program will be addressed on an individual basis.

**REGIONAL PATHWAY STUDENTS:** Students enrolled in classes through [Regional Pathways](#) are responsible for attending those classes and are expected to attend class daily. All students participating in the [Regional Pathway](#) program shall sign in upon arrival to Central High School with the dean assistant at door 8. Attendance issues related to this program will be addressed on an individual basis.

## **ABSENCES (BOARD POLICY 7:70)**

### **THREE CATEGORIES OF ABSENCES**

1. Excused absences
2. Unexcused absences
3. Truant absences (after the 9th unexcused absence)

### **EXCUSED ABSENCE**

Central High School will recognize an excused absence as:

1. A student's personal illness;
2. A death in the immediate family;
3. A family emergency;
4. Observance of a religious holiday;
5. Medical appointment;
6. Vacations up to 5 school days (continued on next page...)
7. Other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health;
8. Other situations beyond the control of the student (e.g., court appearances);
9. Other reasons approved by the Superintendent or designee.

A physician's note may be required to excuse a student and/or for returning to school after the third consecutive day of being reported ill. If medical documentation is not provided, the absence may be marked "unexcused."

Students who have 9 or more days of absences due to being sick may be required to provide a doctor's note to excuse the absences.

School work missed because of excused absences must be made up in accordance with the Make Up Work section below.

## **COLLEGE AND VOCATIONAL VISITS, AND MILITARY EXAMS**

Central High School recognizes the importance of college visitations, job interviews, and military exams. Upperclassmen may be excused two school days per college visitation, job interviews, or military exams for up to three college visits during a school year. Whenever possible, these visits should be scheduled during non-school time; however, in the event they cannot be, students must complete the following:

- Students and parents are responsible for completing the "College and Vocational Visit, or Military Exams" Form prior to the absence. The form must be signed and completed by all of the student's teachers.
- Students are required to submit, on college/university /business/military letterhead, documentation of their visit for the absence to be considered excused.
- School work missed because of a college visit, job interview, or military exam must be made up in accordance with the Make Up Work section below.

## **UNEXCUSED ABSENCE**

An unexcused absence is defined as an absence from school for a reason other than those listed above as an Excused Absence and/or an absence not authorized by the student's parent/guardian or the Superintendent or designee. When a student's absence is unexcused, the parent/guardian may recognize the absence as being valid or legitimate; however, the school does not. The following are unexcused absences (even with parental/guardian consent):

1. Working
2. Missing the bus
3. Car not starting
4. Cutting class
5. Vacations 6+ school days
6. Needed at home
7. Other avoidable absences

\*School work missed because of unexcused absences must be made up in accordance with the MAKE-UP WORK DURING ABSENCES section.

## **TRUANT ABSENCES**

Truancy is defined as absence without valid cause for one or more periods of the student's school day. A truant absence is an unexcused absence. After the 9th school day (5% of regular

attendance days) on which a student is absent without valid cause, he/she is deemed to be truant under Illinois law. Interventions to address truancy may include attendance letters, parent-teacher/administrator conferences, student counseling, and/or involvement of the Kane County Truancy officers and/ or local law enforcement. No punitive action, including out-of-school suspensions, expulsions, or court action will be taken against a chronically truant student unless available support services and other school resources have been provided to the student, or offered to the student and refused. Any person who has custody or control of a child subject to compulsory attendance who knowingly or willfully permits the child to persist in truancy, if convicted, is guilty of a Class C Misdemeanor and may be subject to up to 30 days imprisonment and/or fine up to \$1,500.

## **VACATION ABSENCES**

The District strongly encourages families to plan vacations to coincide with the school calendar so as to avoid taking valuable educational time away from their students. Students may ask their teachers to provide advance assignments. However, it is up to the individual teacher to determine whether he/she can honor the request. School work missed because of unexcused absences must be made up in accordance with the Make Up Work section below.

## **CLASS CUT**

A class cut is defined as an absence from part (15 minutes or more) or an entire class period, without permission from the student's parent/guardian or approval of school officials. A class cut is an unexcused absence and may result in disciplinary consequences.

Students who arrive after [8:13am](#) and do not have an excused absence will be marked unexcused for the periods missed. This is considered a class cut for which the student may receive disciplinary consequences.

## **TARDINESS**

Students are expected to be in class on time, so they may maximize their learning opportunities. Teachers and the Administration will monitor student's tardies. Students may be considered tardy if they arrive after the bell has rung. Students who arrive between [7:58am and 8:13am](#) will be marked tardy to 1st period. On the 4th tardy per semester, students may receive disciplinary consequences for excessive tardies.

## **MAKE UP WORK**

Students who are absent from school (in-person or remote) will be allowed to make up work for equivalent academic credit. The time allowed to makeup work will generally be one school day for every school day missed, starting with the first day the student returns to school (in-person or remote). In extenuating circumstances a student may ask his/her teacher, school counselor, or the principal for additional time to make up work. It is the responsibility of the student (and his/her parent/guardian), not the teachers, to get the assignments, complete them, and turn them in, and to arrange a time with the teacher to make up any missed quizzes or tests. Incomplete work or failure to do the work may result in a lowering of grades.

The makeup rule applicable for students who are receiving home or hospital instruction is set forth in the Student Services of this Handbook under the heading Home and Hospital Instruction.

## ACADEMICS

If students and/or parents/guardians have questions related to the policies or procedures of the instructional process at CHS, the student and/or parent/guardian should first contact the assigned classroom teacher. Many times this communication clarifies the situation. The second step is to arrange a conference with the student's counselor. A list of counselor assignments is included in the Student Services section of this Handbook. If, after such a conference, there is a need to talk to the Administration, please contact the Main Office.

### GRADING

Parents and students are encouraged to monitor student progress throughout the semester by logging on to Skyward. All grades are available and viewable in the Skyward. However, final semester grades are the only grades that will appear on a student's permanent record and transcript.

**CHS GRADING POLICY:** Grading practices at CHS will be consistent within each department by course. For example, all students enrolled in U.S. History will be assessed using the same grade categories and weights regardless of instructor.

1. Continuous Semester Method: Teachers will determine semester grades on the basis of grades earned on course work for the entire semester. Quarter grades are not final grades that will be used for averaging; but, rather, they are mid-semester grade reports to students and parents. Quarter 2 and Quarter 4 grades reflect final grades for the semester, in conjunction with the final semester exam. Final grades can be found via your student's Skyward Portfolio.
2. At the beginning of each course, each teacher will review the grading policy to inform the students in his/her class of the grading policy and its implementation within the course. With Administrative approval, teachers may incorporate an attendance requirement into their grading policy.

Student work will be evaluated using the following letter grades:

A – Superior	P – Pass
B – Excellent	W – Withdrawn (no credit and no grade)
C – Average	
D – Below average	
F – Fails to meet required standards	

\*A teacher may issue an incomplete grade to a student who has experienced prolonged periods of absence during the grading period. All incompletes must generally be cleared within two weeks of the end of the semester. At the conclusion of the two week extension, teachers will calculate the student's grade with a score of zero entered for any assignments/assessments not completed. The resulting grade will be recorded in place of the incomplete. (If extenuating circumstances exist, the Principal or designee may exercise discretion in extending the two week deadline.)

## WEIGHTED GRADES

1. **ADVANCED PLACEMENT (AP):** AP courses approved by the College Board will be given weighted credit. Additionally, honors courses designated in the course catalog will be given weighted credit based on at least five of the seven characteristics listed below:
  - a. The course includes college level content or syllabus.
  - b. The quality of learning activities, projects, and assignments in the course is significantly more than in other courses.
  - c. The ideas and concepts studied in the course are significantly more complex than in other courses.
  - d. The pace is accelerated in comparison to standard courses.
  - e. The course includes assessments in the areas of analysis, synthesis, and evaluation.
  - f. The time required outside of regular class period is significantly more than in other classes.
  - g. The course completes the sequence of classes/programs.

Grade	Unweighted Courses	Weighted Courses
A	4	5
B	3	4
C	2	3
D	1	1
F	0	0

2. **TRANSFER CREDITS:** Transfer students will receive weighted credit only for the courses that are given additional weight at Central High School. The weight given to each transfer grade will be the same as the weight given to courses at Central High School.

## GPA / CLASS RANK

CHS will track both weighted and unweighted grade point averages and class ranks.

A student's grade point average (GPA) is calculated by dividing the total quality points earned by the number of credits attempted. Letter grades with "+" and "-" are recorded on quarter grade reports to provide additional information to students and parents/guardians; however, the letter grade with a "+" or "-" will not appear on transcripts. Quality points are not affected by a "+" or "-" to letter grades.

Class rank shall be based upon GPA computed to three decimal places. All course grades, except Pass/Fail courses, will be used to calculate each student's GPA. Only end of course semester grades will be used to compute GPA and class rank. Freshmen class rank will be computed at the end of freshmen year, not at the end of first semester.

**REQUESTING TRANSCRIPTS:** For college applications, transcripts must be requested through Naviance and will be sent by the Registrar.

## REPEATING COURSES

1. The course must be labeled as a "repeatable course" in the course catalog.
2. The course must be repeated prior to the student taking any course for which it is a prerequisite.

## Summative Assessment

1. All students must take [Summative Assessments](#) on the designated date and time established by the school unless an Alternate Exam Form has been completed and approved by Administration.
2. Students are expected to be in attendance for the entire length of their [assessment](#) time.

## PARTICIPATION IN THE GRADUATION CEREMONY POLICY

Participation in the graduation ceremony and other senior-related activities is a privilege. Seniors who demonstrate inappropriate behavior and conduct, or exhibit poor attendance may be denied the privilege of participating in graduation ceremonies and other senior related activities.

All requirements for graduation must be completed prior to graduation. If a student does not (1) complete all requirements prior to graduation, (2) attend the graduation practice, and (3) follow the dress code guidelines for the graduation ceremony, the student may not be able to participate in the graduation ceremony.

### EARLY GRADUATION (BOARD POLICY 6:300)

3. Students requesting early graduation must have the Early Graduation form completed and turned in to their assigned counselor by October 1 of their Senior Year.

5. All school fines, fees, and materials must be paid and returned by the student's last day of school.
6. The student must have met all graduation requirements of Central High School and District requirements for early graduation.
7. As an early graduate of Central High School, the student relinquishes student privileges and assumes adult privileges. Early graduates may be invited to attend Prom, senior breakfast, and other such senior activities that might be scheduled.
8. Seniors graduating early will be permitted to participate in graduation events, provided they are in accordance with the District's graduation policy.

### **CORRESPONDENCE / ONLINE CLASSES**

A student seeking graduation from Central High School may submit to the school a certificate of successful completion of an appropriate correspondence or online course as two Carnegie Units of credit toward graduation according the following conditions:

1. Courses must have prior approval of the school counselor and Assistant Principal of College and Career Readiness.
2. A student enrolled in any correspondence or online course may receive high school credit for work completed provided:
  - a. The course is offered by an institution accredited by the North Central Association of Colleges and Secondary Schools, NCATE, or the equivalent approved by the Superintendent or designee.
  - b. The student assumes responsibility for all fees, including tuition, textbooks, and other fees.
3. Grades earned in approved courses will count toward a student's grade point average, class rank, and eligibility for athletic and co-curricular activities.
4. All students are required to take the final exam for the correspondence or online course.

### **COURSE SELECTION AND SCHEDULE CHANGES**

1. Students will be permitted to make changes to their schedule for the following school year until 30 days after registration for the following year has begun. (I.e. If registration opens on April 1st, students would have until May 1st to request changes to their schedule.) Students should contact their counselor by phone or e-mail to request such changes.
2. Unless a schedule change is necessary because a student either failed a course, or a student needs a course in a particular area to graduate, all other requests to change a student's schedule after 30 days after registration has begun will not be permitted.
3. Students may access a copy of their schedule during the summer by using Skyward.

### **SCHOLASTIC AWARDS**

1. A valedictorian award is given each year to the graduate who has maintained the highest cumulative weighted grade point average upon his/her completion of high

school. To qualify for this valedictorian award, a student must have been in attendance at Central High School for two years or more.

2. A salutatorian award is given each year to the graduate with the second highest cumulative weighted grade point average. To qualify for this salutatorian award, a student must have been in attendance at Central High School for two years or more. In the event there is more than one valedictorian, no salutatorian will be named.
3. Students will graduate honors Cum Laude if they have earned at least a 3.40 G.P.A for their high school work. Students will graduate with high honors Magna Cum Laude if they have earned at least a 3.8 G.P.A. for their high school work. Students will graduate Summa Cum Laude if they have earned a 4.0 G.P.A. or higher for their high school work.

## **DRIVER'S EDUCATION**

Classroom and behind-the-wheel driver training is offered to students at the high school level. To enroll in Driver Education, the student must have earned a cumulative GPA of at least a 2.0 or a 2.0 GPA or higher in the previous semester. Students may enroll in Driver's Education during their senior year, regardless of their GPA provided they have passed at least 8 courses during the two semesters immediately preceding enrollment. The student also must pay the applicable Driver Education fee. This course is offered in cooperation with the State of Illinois Driver's Education Program. Policies for the two areas of driver education instruction are as follows:

### **1. CLASSROOM INSTRUCTION**

- a. Classroom instruction shall be open to all students who reach their 15th birthday on or before the first day of classroom instruction.
- b. Students will be enrolled in Driver Education according to their age in relation to others eligible to be enrolled. Students who are 16 years old during or shortly before 1st semester will be enrolled during the first semester.
- c. 30 hours of classroom instruction is required by law to pass.

### **2. BEHIND-THE-WHEEL**

- a. No student may begin behind-the-wheel driving until he/she has been enrolled and started in the classroom portion of the program.
- b. Six (6) hours of behind-the-wheel experience is required by law. Due to the classroom and behind-the-wheel hour requirements for passing Driver Education, student attendance is important and students are expected to be present and be on time. An unexcused absence may result in disciplinary consequences, up to and including receiving an automatic fail.

In the event a student fails the Driver Education classroom or behind-the-wheel portion(s), the student will need to re-enroll and pay the Driver Education fee again.

## **DISCIPLINE**

### **PHILOSOPHY OF DISCIPLINE**

It is the sincere desire of the District that each student practices self-discipline, so that discipline actions by teachers, administrators, and the Board of Education may be avoided. It is the desire of CHS to promote positive citizenship and a constructive school environment. General rules of conduct have been formulated to ensure that all students have the opportunity to realize their potential through education, and to promote mutual respect and responsibility among students

and staff members. Adults at Central High School are expected to show care and respect towards young people. Students are expected to exhibit that same care and respect towards staff members and other students. In the event that a student violates the guidelines set forth in this Handbook, teachers, staff members, and administrators may take disciplinary measures as a means to address the student's behavior.

Disciplinary consequences and interventions will be made to ensure that all students receive a high quality education in a positive, non-threatening environment and assist with the development of productive members of society. Students, parents, administrators, faculty, and staff will cooperate in the creation of the discipline policy, its periodic review, and its fair and consistent enforcement.

### **STUDENT BEHAVIOR POLICY (BOARD POLICY 7:190)**

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

### **WHEN AND WHERE CONDUCT RULES APPLY**

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

### **PROHIBITED STUDENT CONDUCT**

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or

school functions and are treated as though they had alcohol in their possession.

3. Using, possessing, distributing, purchasing, selling, or offering for sale:
  - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis-infused product under Ashley's Law).

  - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician or licensed practitioner's prescription.
  - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis-infused product under Ashley's Law.
  - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
  - f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
  - g. "Look-alike" or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
  - h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a "weapon" as that term is defined in the Weapons section of this policy, or violating the Weapons section of this policy.

5. Using or possessing an electronic paging device. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered-off or silenced and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP); (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
6. Using or possessing a laser pointer or cell phone flashlight unless under a staff member's direct supervision and in the context of instruction.
7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.

Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying (as described in Board policy 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment), bullying using a school computer or a school computer network, or other comparable conduct.
10. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive:

school grounds, school bus, or at any school activity.

15. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
16. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
17. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
18. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
19. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
20. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
21. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

#### **ADDITIONAL EXAMPLES OF PROHIBITED MISCONDUCT AND GROSS DISOBEDIENCE**

Additional examples of prohibited misconduct and gross disobedience include but are not limited to: inappropriate drawings; insubordination; parking violations; profanity or obscenity; transportation violation; the inappropriate use of the district's network or district's devices.

For purposes of this policy, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

## **DISCIPLINARY MEASURES**

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, Bus Conduct.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, Suspension Procedures. A student who has been suspended may also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, Expulsion Procedures. A student who has been expelled also shall be restricted from being on school grounds and at school activities.

13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.

14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), “look-alikes,” alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

## **WEAPONS**

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than 2 calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the *Firearm Owners Identification Card Act* (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24 1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including “look alikes” of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent’s determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theater, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy’s prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

## **RE-ENGAGEMENT OF RETURNING STUDENTS**

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

## **REQUIRED NOTICES**

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

## **DELEGATION OF AUTHORITY**

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal or Assistant Building Principal is authorized to impose the same disciplinary measures as teachers. In addition, provided the appropriate procedures are followed, the Superintendent, Building Principal or Assistant Principal may issue in-school suspensions; may issue out-of-school suspensions to students guilty of gross disobedience or misconduct (including all school functions) for up to 10 consecutive school days; and may suspend students from riding the school bus for up to 10 consecutive school days. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

## **STUDENT HANDBOOK**

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

## **MISCONDUCT BY STUDENTS WITH DISABILITIES (BOARD POLICY 7:230)**

### **BEHAVIORAL INTERVENTIONS**

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for students with disabilities.

### **DISCIPLINE OF SPECIAL EDUCATION STUDENTS**

The District shall comply with the Individuals With Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, and the Illinois State Board of Education's Regulations when disciplining students with disabilities. No student with a disability shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability.

## **ADDITIONAL DEFINITIONS**

### **DETENTIONS**

A detention is a period of time to be made up before school, after school, or during lunch. A detention may be assigned by school staff or an administrator.

### **ALTERNATIVE LEARNING ENVIRONMENT**

Administrators may temporarily assign a student to an alternative learning environment on school grounds as a consequence for gross disobedience or misconduct. During this time, students are restricted from participating in their scheduled classroom activities and, instead, report to the alternative learning environment for an amount of time determined by the Administration. Students will be provided an opportunity to complete their academic work or given an alternative assignment for equivalent academic credit.

### **SATURDAY SCHOOL**

Saturday School will be held periodically throughout the school year to serve as a disciplinary consequence for a student's gross disobedience or misconduct. Saturday school half sessions run from 8:00 am to 10:00 am, and full sessions run from 8:00 am to 12:00 pm. Students who fail to attend, arrive late, or are removed from Saturday School due to gross disobedience or misconduct will be considered to have missed the session and may be subject to further disciplinary consequences.

### **SCHOOL/COMMUNITY SERVICE PROGRAM**

The school/community service program is an alternative disciplinary agreement between a student, his/her parent/guardian, and the Administration. Administrators retain the discretion to determine whether the school/community service program will be offered as an alternative disciplinary consequence and, if so, the nature of the school/community service program. Students who participate in the school/community service program may be assigned a service for the school or community.

### **OUT OF SCHOOL SUSPENSION (BOARD POLICY 7:200)**

An out-of-school suspension is a temporary exclusion from school due to a student's gross disobedience or misconduct. School officials may impose out-of-school suspensions of one (1) to ten (10) school days. Longer suspensions may be imposed by the Board of Education. The District's suspension procedures are set forth in Board Policy 7:200.

When a student is suspended from school, he/she may not participate in or attend any District activity or event and is prohibited from being on District property.

A suspended student will have an opportunity to make up any missed work for equivalent academic credit. The work missed during the student's absence due to a suspension from school must generally be made up within a period of school days equal to the number of days missed due to being suspended.

Students who are suspended from school for five (5) or more school days will be informed of what, if any, appropriate and available support services will be provided to the student during his/her suspension from school. These services may include, but are not limited to: a mentor program, social work, tutoring, etc.

A re-engagement meeting between the student, family, and school staff and administrators may be held upon a student's return to school from any period of suspension. The purpose of the meeting is to assist the student in the transition back to school.

### **EXPULSION BY THE BOARD OF EDUCATION (BOARD POLICY 7:210)**

Upon the recommendation of the Superintendent or designee, the Board of Education may expel students guilty of gross disobedience or misconduct. Expulsion shall take place only after the parent(s)/guardian(s) of the student have been provided a written request to appear at a hearing before the Board or with a hearing officer appointed by it. The District's expulsion procedures are set forth in Board Policy 7:210.

A student who has been expelled from school may not participate in or attend any District activity or event and is prohibited from being on District property during the period of the expulsion.

If a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion before being admitted into District.

### **STUDENT SEARCH & SEIZURE (BOARD POLICY 7:140)**

[In order to](#) maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

### **SCHOOL PROPERTY AND EQUIPMENT AS WELL AS PERSONAL EFFECTS LEFT THERE BY STUDENTS**

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

### **STUDENTS**

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

### **SEIZURE OF PROPERTY**

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

### **NOTIFICATION REGARDING STUDENT ACCOUNTS OR PROFILES ON SOCIAL NETWORKING WEBSITES**

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the *Right to Privacy in the School Setting Act*, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

### **PREVENTION OF AND RESPONSE TO BULLYING, INTIMIDATION, AND HARASSMENT (BOARD POLICY 7:180)**

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a

report that bullying through this means has occurred; it does not require staff members to monitor any non-school related activity, function, or program.

#### **DEFINITIONS FROM SECTION 27-23.7 OF THE SCHOOL CODE (105 ILCS 5/27-23.7)**

**Bullying** includes *cyber-bullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

*Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidations, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.*

**Restorative measures** means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

**School personnel** means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and [deans assistants](#).

## **BULLYING PREVENTION AND RESPONSE PLAN**

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12.

1. The District uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the [Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager](#) or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District [named officials or any staff member](#). [The District named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.](#)

## **UNIFORM GRIEVANCE PROCEDURE (Board Policy 2:260)**

A student, parent/guardian, employee, or community member should notify any District Complaint Manager if he or she believes that the School Board, its employees, or its agents have violated his or her rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy, or have a complaint regarding any one of the following:

1. Title II of the Americans with Disabilities Act, 42U.S.C. §12101 et seq.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

#### Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

#### Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, school business days means days on which the District's main office is open.

#### Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, Workplace Harassment Prohibited, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

### **Exhibit – Title IX Sexual Harassment Glossary of Terms**

Use this exhibit to educate employees and students about Title IX terms, and with the required Title IX response and grievance process in Board policy 2:265, Title IX Sexual Harassment Grievance Procedure, implemented by administrative procedures 2:265-AP1, Title IX Sexual Harassment Response, and 2:265-AP2, Formal Title IX Sexual Harassment Complaint Grievance Process.

## **Glossary of Terms**

**Actual Knowledge** – Notice of sexual harassment or allegations of sexual harassment to any District employee or to the District’s Title IX Coordinator. Assumption of knowledge based solely on the District’s status as an employer or other presumption under law does not constitute actual knowledge. This standard is not met when the only official of the District with actual knowledge is the Respondent. Notice as used here includes, but is not limited to, a report or complaint of sexual harassment to the Title IX Coordinator in person, by mail, by telephone, or by email using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. 34 C.F.R. §§ 106.30, 106.8(a).

**Appellate Decision-Maker** – An individual or group, e.g., a Board-appointed appeal examiner or the Board, which reviews an appeal of the Initial Decision-Maker’s determination regarding responsibility or a dismissal of a Formal Title IX Sexual Harassment Complaint (defined below). The Appellate Decision-Maker cannot be the same person as the Initial Decision-Maker, the Investigator, or the Title IX Coordinator. 34 C.F.R. §106.45(b)(8)(iii)(B). The Appellate Decision-Maker must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

**Complainant** – An individual who is alleged to be the victim of conduct that could constitute sexual harassment. 34 C.F.R. §106.30.

**Consent** – Knowing, voluntary, and clear permission by word or action, to engage in mutually agreed upon sexual activity. Consent may not be inferred from silence, passivity, or a lack of verbal or physical resistance. A person’s manner of dress does not constitute consent. Past consent to sexual activities, or a current or previous dating relationship, does not imply ongoing or future consent. Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). Consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another person. Consent may be withdrawn at any time. A person cannot consent to sexual activity if that person is unable to understand the nature of the activity or give knowing consent due to circumstances, including without limitation the following: (1) the person is incapacitated due to the use or influence of alcohol or drugs; (2) the person is asleep or unconscious; (3) the person is under age; or (4) the person is incapacitated due to a mental disability. The existence of consent is based on the totality of the circumstances, including the context in which the alleged incident occurred. Coercion, force, or the threat of either invalidates consent.

Note: 34 C.F.R. §106.30, added at 85 Fed. Reg. 30574, states that Title IX recipients are not required to adopt a particular definition of consent with respect to sexual assault; however, in its 2020 Title IX rulemaking, the U.S. Dept. of Education (DOE) stated that “recipients must clearly define consent and must apply that definition consistently.” 85 Fed. Reg. 30125. Consult the Board Attorney if the District would like to customize this definition.

**Education Program or Activity** – Includes locations, events, or circumstances in the United States over which the District exercised substantial control over both the Respondent and the context in which the sexual harassment occurred. 34 C.F.R. §106.44(a).

Note: Title IX jurisdiction is geographically limited to discrimination against a person in the United States. 34 C.F.R. §106.8(d). The District’s Title IX obligations extend to off-campus sexual harassment incidents “if the off-campus incident occurs as part of the [district]’s ‘operations’ pursuant to 20 U.S.C. 1687 and 34 CFR 106.2(h)” or if the District “exercised substantial control over the respondent and the context of alleged sexual harassment that occurred off campus pursuant to § 106.44(a).” 85 Fed. Reg. 30196. No single factor is determinative of whether the District exercised substantial control or whether an incident occurred as part of the District’s operations. *Id.* at 30197. Operations may include computer

and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in, the District's operations. Id. at 30202. Consult the Board Attorney for further guidance.

**Formal Title IX Sexual Harassment Complaint** – A document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation. At the time of filing a Formal Title IX Sexual Harassment Complaint, a Complainant must be participating in or attempting to participate in the District's education program or activity with which the Formal Title IX Sexual Harassment Complaint is filed.

Note: Whether a Complainant is attempting to participate is a fact-specific inquiry. For example, a Complainant who has graduated may still be attempting to participate in an education program where he or she intends to remain involved in alumni programs or activities. 85 Fed. Reg. 30138. Consult the Board Attorney for further guidance.

**Initial Decision-Maker** – An individual designated by the Title IX Coordinator to reach an initial determination regarding responsibility in a Formal Title IX Sexual Harassment Complaint (defined above) by applying the standard of proof set forth in 2:265-AP2, Formal Title IX Sexual Harassment Complaint Grievance Process. See 85 Fed. Reg. 30054. The Title IX Coordinator cannot be the Initial Decision-Maker. 34 C.F.R. §106.45(b)(7)(i). The Initial Decision-Maker must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

**Investigator** – The Title IX Coordinator or an individual designated by the Title IX Coordinator to investigate a Formal Title IX Sexual Harassment Complaint (defined above) according to 2:265-AP2, Formal Title IX Sexual Harassment Complaint Grievance Process. The Investigator must be free from conflicts of interest or bias against complainants and respondents generally or against an individual Complainant or Respondent, and must be trained to serve impartially. 34 C.F.R. §106.45(b)(1)(iii).

**Respondent** – An individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment. 34 C.F.R. §106.30.

**Supportive Measures** – Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to a Complainant or Respondent before or after the filing of a Formal Title IX Sexual Harassment Complaint or where no Formal Title IX Sexual Harassment Complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The District will maintain as confidential any supportive measures provided to a Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. 34 C.F.R. §106.30.

**Sexual Harassment Governed by Laws Other Than Title IX** – The District must also address sexual harassment that does not meet the definition of Title IX sexual harassment, including but not limited to sexual harassment in violation of the State Officials and Employees Ethics Act (5 ILCS 430/), Illinois Human Rights Act (775 ILCS 5/), and Title VII of the Civil Rights Act of 1964 (42 U.S.C. §2000e et seq.).

For each report or complaint received, the Title IX Coordinator reviews the following Board policies to determine if they require additional action by the District in addition to or at the exclusion of policy 2:265, Title IX Sexual Harassment Grievance Procedure:

- 2:260, Uniform Grievance Procedure. This policy provides a method for any student, parent/guardian, employee, or community member to file a complaint if he or she believes that the School Board, its employees, or its agents have violated his or her rights under the State or federal Constitution, State or federal statute, Board policy, or various enumerated bases.
- 5:20, Workplace Harassment Prohibited. This policy prohibits employees from engaging in sexual harassment.
- 5:90, Abused and Neglected Child Reporting. This policy requires employees who suspect or receive knowledge that a student may be an abused or neglected child to immediately report their suspicion to the Ill. Dept. of Children and Family Services (DCFS). If an employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, it further requires the District to coordinate with the local Children's Advocacy Center.
- 5:120, Employee Ethics; Conduct; and Conflict of Interest. This policy sets forth high standards for employee ethics and conduct, and incorporates by reference the Code of Ethics for Illinois Educators.
- 7:20, Harassment of Students Prohibited. This policy prohibits all sexual harassment of students.
- 7:180, Prevention of and Response to Bullying, Intimidation, and Harassment. This policy prohibits students from engaging in bullying, intimidation, and harassment at school, school-related events and electronically. Prohibited conduct includes stalking, sexual harassment, sexual violence, or retaliation for asserting or alleging an act of bullying.
- 7:185, Teen Dating Violence Prohibited. This policy prohibits students 13-19 years of age from using or threatening to use physical, mental, or emotional abuse to control an individual in the dating relationship, and from using or threatening to use sexual violence in the dating relationship.
- 7:190, Student Behavior. This policy sets forth student conduct rules, prohibited student conduct, and behavioral interventions and disciplinary measures designed to address the causes of misbehavior and teach students positive behavioral skills.

**Title IX Sexual Harassment** – Conduct on the basis of sex that satisfies one or more of the following (34 C.F.R. §106.30):

A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or

Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or

Sexual assault as defined in 20 U.S.C. §1092(f)(6)(A)(v), dating violence as defined in 34 U.S.C. §12291(a)(10), domestic violence as defined in 34 U.S.C. §12291(a)(8), or stalking as defined in 34 U.S.C. §12291(a)(30).

Sexual assault means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system (UCR Program) of the Federal Bureau of Investigation (FBI), and includes rape, fondling, incest, and statutory rape. 20 U.S.C. §1092(f)(6)(A)(v); 34 C.F.R. Part 668, Appendix A to Subpart D. For more information regarding the FBI UCR Program, see [www.fbi.gov/services/cjis/ucr/](http://www.fbi.gov/services/cjis/ucr/).

Dating violence means violence committed by a person: (1) who is or has been in a social relationship of a romantic or intimate nature with the victim, and (2) where the existence of such

a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. 34 U.S.C. §12291(a)(10).

Domestic violence includes any felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. 34 U.S.C. §12291(a)(8).

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (1) fear for his or her safety or the safety of others, or (2) suffer substantial emotional distress. 34 U.S.C. §12291(a)(30).

### Administrative Procedure – Formal Title IX Sexual Harassment Complaint Grievance Process

This procedure implements the District's investigation and response process to a Formal Title IX Sexual Harassment Complaint after a decision to pursue one has been made using 2:265-AP1, *Title IX Sexual Harassment Response*. ##### **A. Overview of 34 C.F.R. §106.45 Grievance Process**

The District treats Complainants and Respondents engaging in the Formal Title IX Sexual Harassment Complaint Grievance Process (Grievance Process) equitably and adheres to the following guidelines:

1. Presumption of Non-Responsibility. The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Grievance Process. 34 C.F.R. §106.45(b)(1)(iv).
2. Grievance Process Required Before Imposing Sanctions. The District complies with this Grievance Process before imposing any disciplinary sanctions or other actions against a Respondent. 34 C.F.R. §106.45(b)(1)(i).
3. Supportive Measures. The District may provide counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the

campus, and other similar measures to Complainants and/or Respondents. 34 C.F.R. §106.45(b)(1)(ix). See 2:265-E, *Title IX Sexual Harassment Glossary of Terms*, for the definition of *supportive measures*.

4. Evidence Considered. All relevant evidence – including both inculpatory and exculpatory evidence – is objectively evaluated. Credibility determinations are not based on a person's status as a Complainant, Respondent, or witness. The District does not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, e.g., attorney-client privilege, doctor-patient privilege, or spousal privilege, unless the person holding such privilege has waived the privilege. 34 C.F.R. §106.45(b)(1)(ii) and (x).
5. Standard of Proof. All determinations are based upon the *preponderance of evidence* standard. 34 C.F.R. §106.45(b)(1)(vii).
6. Right to Appeal. Each party may appeal any determination as described in **Section H. Appeals**, below. 34 C.F.R. §106.45(b)(1)(viii); 34 C.F.R. §106.45(b)(8)(i).
7. Timeline. This Grievance Process is concluded within 90 school business days after receipt of a Formal Title IX Sexual Harassment Complaint. As used in this Grievance Process, *school business days* means days on which the District's main office is open. For good cause, this Grievance Process may be temporarily delayed or extended for a limited time only if the Complainant and the Respondent are provided written notice of the delay/extension and the reasons for it. Good cause may include: the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. 34 C.F.R. §106.45(b)(1)(v).
8. Disciplinary Sanctions and Remedies. Following a determination of responsibility, the District may implement recommended disciplinary sanctions, up to and including: discharge, for a Respondent-employee; expulsion, for a Respondent-student; and termination of any existing contracts and/or prohibition from District property and activities, for a third-party Respondent. 34 C.F.R. §106.45(b)(1)(vi).

Where a determination of responsibility for sexual harassment is made against a Respondent, remedies designed to restore or preserve equal access to the District's education program or activities are provided to a Complainant. Remedies may include the same individualized services described in Supportive Measures, above. Unlike Supportive Measures, however, remedies may be disciplinary or punitive, and they may burden the Respondent. 34 C.F.R. §106.45(b)(1)(i). The District may implement remedies up to and including the recommended disciplinary sanctions described above. 34 C.F.R. §106.45(b)(1)(vi).

9. Training Requirements. The District ensures certain training requirements are met. At a minimum, any individual designated by the District as a Title IX Coordinator, investigator, decision-maker (including the Initial Decision-Maker and Appellate Decision-Maker), or any person designated by the District to facilitate an informal resolution process will:
  - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual Complainant or Respondent; and
  - b. Receive training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and Grievance Process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially (including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias).

Any individual designated by the District as an investigator receives training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

Any individual designated by the District as a decision-maker receives training on issues of relevance of questions and evidence, including training about when questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant to the allegations. 34 C.F.R. §106.45(b)(1)(iii).

## **B. Notice of Allegations**

Upon signing a Formal Title IX Sexual Harassment Complaint or receiving a Formal Title IX Sexual Harassment Complaint filed by a Complainant, the Title IX Coordinator:

1. Provides written notice to all known parties of the following information:
  - a. This procedure 2:265-AP2, *Formal Title IX Sexual Harassment Complaint Grievance Process*, including any available informal resolution process.
  - b. The allegations of sexual harassment potentially constituting Title IX sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting Title IX sexual harassment, and the date and location of the alleged incident, if known.
  - c. That the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Grievance Process.
  - d. That all parties may have an advisor of their choice, who may be, but is not required to be, an attorney.
  - e. That all parties may inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Title IX Sexual Harassment Complaint (including evidence the District does not intend to rely on in determining responsibility, and inculpatory or exculpatory evidence) so that each party can meaningfully respond to the evidence before the investigation concludes.
  - f. That the District's behavior policies prohibit knowingly making false statements or knowingly submitting false information during the Grievance Process.
2. Provides a second written notice to all known parties if, during the investigation, the District decides to investigate allegations not included in the first written notice.
3. Decides whether to personally conduct the investigation or appoint a qualified investigator. If the Title IX Coordinator appoints a qualified investigator, provides written notice of the appointment to the Investigator.

### When the Complainant's Identity Is Unknown

If the Complainant's identity is unknown, e.g., where a third party reports that a Complainant was victimized by sexual harassment but does not reveal the Complainant's identity, or a Complainant reports anonymously, the Grievance Process may proceed if the Title IX Coordinator determines it is necessary to sign a Formal Title IX Sexual Harassment Complaint, even though the written notice provided in **Section B.1**, above, will not include the Complainant's identity. 85 Fed. Reg. 30133. If the Complainant's identity is later discovered, the Title IX Coordinator provides another written notice to the parties. *Id.* at f/n 594.

### When the Respondent's Identity is Unknown

If the Respondent's identity is unknown, e.g. where a Complainant does not know the Respondent's identity, the Grievance Process shall proceed because an investigation might reveal the Respondent's identity, even though the written notice provided in **Section B.1**,

above, will not include the Respondent's identity. If the Respondent's identity is later discovered, the Title IX Coordinator provides another written notice to the parties. 85 Fed. Reg. 30138.

**C. Consolidation of Formal Title IX Sexual Harassment Complaints**

When the allegations of sexual harassment arise out of the same facts or circumstances, the Title IX Coordinator may consolidate Formal Title IX Sexual Harassment Complaints alleging sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party. 34 C.F.R. §106.45(b)(4).

**D. Dismissal of Formal Title IX Sexual Harassment Complaint**

After an investigation, if the Title IX Coordinator determines that the conduct alleged would not constitute Title IX sexual harassment even if proved, did not occur in the District's education program or activity, or did not occur against a person in the United States, then the Title IX Coordinator dismisses the Formal Title IX Sexual Harassment Complaint with regard to that conduct for purposes of Title IX sexual harassment only. Such a dismissal does not preclude action under another applicable District policy or procedure.

At any time during the investigation, the Title IX Coordinator may dismiss the Formal Title IX Sexual Harassment Complaint, or any allegations contained in it, if any of the following occur:

1. The Complainant notifies the Title IX Coordinator in writing that he or she wants to withdraw the Formal Title IX Sexual Harassment Complaint or any allegations contained in it;
2. The Respondent is no longer enrolled or employed by the District; or
3. Specific circumstances prevent the District from gathering enough evidence to reach a determination as to the Formal Title IX Sexual Harassment Complaint or allegations in it.

Upon dismissal, the Title IX Coordinator promptly sends simultaneous written notice to the parties of the dismissal, reason(s) for the dismissal, and the right to appeal the dismissal. 34 C.F.R. §106.45(b)(3).

**E. Informal Resolution of Formal Title IX Sexual Harassment Complaint**

At any time prior to reaching a determination regarding responsibility, the District may facilitate informal resolution of a Formal Title IX Sexual Harassment Complaint, such as mediation, that does not involve a full investigation and adjudication, provided that the District (34 C.F.R. §106.45(b)(9)):

1. Provides the parties written notice disclosing:
  - a. The allegations;
  - b. Informal resolution process requirements, including the circumstances where parties are precluded from resuming a Formal Title IX Sexual Harassment Complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Grievance Process for the Formal Title IX Sexual Harassment Complaint; and
  - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

## F. Investigation of Formal Title IX Sexual Harassment Complaint

The Investigator or Title IX Coordinator follows these steps when investigating the allegations in a Formal Title IX Sexual Harassment Complaint.

#### G. Determination Regarding Responsibility; Remedies

Initial Decision-Maker	<p>The Superintendent or designee acts as the Initial Decision-Maker for all Formal Title IX Sexual Harassment Complaints, unless it involves allegations against the Superintendent or designee or against a Board Member. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless they: are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant; or concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. <u>Id.</u></li> <li>2. Any questions must be submitted to the Initial Decision-Maker within five (5) school business days.</li> </ol> <p>Reviews any questions received from each party for submission to any party or witness.</p> <p>Determines which questions to forward to any party or witness for answers. Identifies the allegations potentially constituting Title IX sexual harassment;</li> <li>2. Contains findings of fact supporting the determination;</li> <li>4. Contains conclusions regarding the application of the District's policies and procedures to the facts;</li> <li>5. Contains a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any recommended disciplinary sanctions for the District to impose on the Respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the Complainant; and</li> <li>6. Outlines the District's procedures and permissible bases for the Complainant and Respondent to appeal.</li> </ol>
Title IX Coordinator	Implements any remedies for the Complainant as ordered by the Initial Decision-Maker. 34 C.F.R. §106.45(b)(7)(iv).

## H. Appeals

The determination regarding responsibility becomes final either on the date that the Appellate Decision-Maker provides the parties with the written decision of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely. 34 C.F.R. §106.45(b)(7)(iii).

The Title IX Coordinator, Investigator, or Initial Decision-Maker had a conflict of interest or bias for or against complainants or respondents generally or the individual Complainant or Respondent that affected the outcome. 34 C.F.R. §106.45(b)(8)(i).</li> </ol> <p><b>Note:</b> The District may offer appeals on additional bases, so long as they are offered equally to both parties. 34 C.F.R. §106.45(b)(8)(ii). Consult the board attorney before offering additional appeal bases, as they may overlap with or impact related proceedings that occur separately from this Grievance Process, e.g., a student expulsion hearing or teacher dismissal hearing to impose recommended disciplinary sanctions as a result of this Grievance Process.</p>
Title IX Coordinator	<p>Upon receiving an appeal from one party:</p> <ol style="list-style-type: none"> <li>1. Notifies the other party in writing that an appeal has been filed.</li> <li>2. Provides both parties five (5) school business days to submit a written statement in support of, or challenging, the outcome.</li> <li>3. Promptly forwards all materials relative to the appeal to the Appellate Decision-Maker.</li> </ol> <p><b>Note:</b> The District must ensure that the Appellate Decision-Maker is not the same person as the Initial Decision-Maker, the Investigator, or the Title IX Coordinator. 34 C.F.R. §106.45(b)(8)(iii)(B). The Board may, but is not required to, hear and decide the appeal; it is a suggestion that aligns with the appeal provisions in policy 2:260, <i>Uniform Grievance Procedure</i>, and with Ill. State Board of Education sex equity regulations requiring districts to “provide for final appeal of grievance decisions made at the system level to the system’s governing board.” 23 Ill.Admin.Code §200.40(c)(1). <b>If the Board acts as the Appellate Decision-Maker, the Board must receive the training in Section A.9, above.</b></p> <p><b>Note:</b> Some school attorneys recommend that the appeal not go to the Board, so that the Board’s objectivity is not called into question if it needs to conduct a hearing related to recommended disciplinary sanctions resulting from the Grievance Process. <b>Districts should discuss their options with their board attorney.</b></p>

**TITLE IX SEXUAL HARASSMENT POLICY** – It is the policy of the District to maintain an environment for learning and working that is free from Title IX sexual harassment, as defined herein, and such conduct is prohibited. It is also the policy of the District to comply with federal law and regulations under Title IX prohibiting sexual harassment, which is a form of unlawful discrimination on the basis of sex. Such discrimination shall be referred to throughout this policy as Title IX sexual harassment. Additionally, the District does not discriminate in any manner, including Title IX sexual harassment, in any District education program or activity. Inquiries regarding the application of Title IX to the District may be referred to the Title IX Coordinator, to the Assistant Secretary for Civil Rights of the U.S. Department of Education, or both.

5. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:
  - a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
  - b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.
  - c. Notifying the Building Principal or school administrator or designee of the reported incident of bullying as soon as possible after the report is received.
  - d. Consistent with federal and State laws and rules governing student privacy rights, providing parents/guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the Building Principal or school administrator or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Superintendent or designee shall investigate whether a reported incident of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

6. The Superintendent or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. Any person's act of reprisal or retaliation will be subject to disciplinary action, up to and including discharge with regard to employees, or suspension and/or expulsion with regard to students.
8. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, a person who is found to have falsely accused another of bullying, as a means of retaliation, as a means of bullying, or provided false information will be treated as either: (a) bullying, (b) student discipline up to and including suspension and/or expulsion, and/or (c) both (a) and (b) for purposes determining any consequences or other appropriate remedial actions.
9. The District's bullying prevention and response plan must be based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Superintendent or designee shall post this policy on the District's Internet website, if any, and include it in the student handbook, and, where applicable, post it where other

policies, rules, and standards of conduct are currently posted. The policy must also be distributed annually to parents/guardians, students, and school personnel, (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.

11. Pursuant to State law and policy 2:240, Board Policy Development, the Board monitors this policy every two years by conducting a review and re-evaluation of this policy to make any necessary and appropriate revisions. The Superintendent or designee shall assist the Board with its re-evaluation and assessment of this policy's outcomes and effectiveness. Updates to this policy will reflect any necessary and appropriate revisions. This process shall include, without limitation:

- a. The frequency of victimization;
- b. Student, staff, and family observations of safety at a school;
- c. Identification of areas of a school where bullying occurs;
- d. The types of bullying utilized; and
- e. Bystander intervention or participation

The evaluation process may use relevant data and information that the District already collects for other purposes. Acceptable documentation to satisfy the re-evaluated policy submission include one of the following:

- 1) An updated version of the policy with the amendment/modification date included in the reference portion of the policy;
- 2) If no revisions are deemed necessary, a copy of board minutes indicating that the policy was re-evaluated and no changes were deemed to be necessary, or a signed statement from the board; or
- 3) A signed statement from the Board President indicating that the Board re-evaluated the policy and no changes to it were necessary.

The Superintendent or designee must post the information developed as a result of the policy evaluation on the District's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students. Reviews and re-evaluations in years they are due must be submitted to ISBE by September 30.

12. The Superintendent or designee shall fully implement 2:260, including without limitation, the following:

- a. 2:265, Title IX Sexual Harassment Grievance Procedure. Any person may use this policy to complain about sexual harassment in violation of Title IX of the Education Amendments of 1972.

## APPENDIX A – STUDENT DEVICE HANDBOOK

As part of its commitment to integrating technology into the curriculum, the Board of Education of Central Community Unit School District No. 301 has purchased Devices and their related accessories for students' individual use. Each student will be loaned a Device while attending Central 301. In order for a student to be loaned a Device, you and your child must read, sign, and return the attached Acknowledgement to your school's main office. This Handbook is valid for the years the student is loaned the Device. A new Handbook will be provided during registration and a new Acknowledgement must be signed and returned for each school year.

Students in Kindergarten and Grade 1 will be loaned a Device only for use in school; these students will not take their Devices home. Students in Grades 2-12 will be loaned a Device for use at school and at home and must bring it to school every day, just like a textbook. Access to the technology resources of the District is a privilege and not an entitlement or right, and you and your child are responsible for the appropriate care, handling, and use of the Device as outlined in this Handbook.

If the District changes this Handbook at any time during the year, the District will notify you of the change(s).

### A. USING THE DEVICE

1. **Acceptable Use of Device.** Your child's use of the Device, whether at home or at school, is to be for educational purposes consistent with the curricular goals of the District and with Board of Education policies. Your child may not use (or allow others to use) the Device loaned to him/her in a way that violates the Board's policy on acceptable use of its electronic network (Board Policy 6:235, *Access to the District's Electronic Network*). By using the Device, you and your child agree to abide by Board Policies 6:235, *Access to the District's Electronic Network*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:190, *Student Behavior*; as well as all other applicable policies and their corresponding administrative procedures and the guidelines in this Handbook. Violation of any of these policies, administrative procedures, or guidelines could result in your child's loss of the privilege of using the Device; discipline, up to and including suspension or expulsion; and referral to law enforcement.
2. **Using the Device.** All students are provided a District account, including a username and password. Students must use that account when logging on to the Device.
  - a. **Using the Device at School.** Unless otherwise instructed, the Device is intended for use at school every day. If your child is permitted to use the Device at home, he/she is responsible for bringing it to school every day, fully charged. The District is not responsible for providing your child a loaner Device in the event he/she forgets the Device.

- b. Using the Device Outside the District.** In the event your child uses the Device at home or elsewhere outside the District, he/she is bound by the same policies, procedures, and guidelines as at school.
    - i. Parent Responsibility for Supervision Outside the District.** The District's filters will run on your child's Device outside of school. However, the District is not responsible for supervising students' use of the Device and Internet activity outside of school. While your child is using the Device assigned to him/her outside of school, you agree to be solely responsible for supervising the use of the device, including Internet access. You may choose to limit such use.
    - ii. Technical Support Outside the District.** The District cannot guarantee the Device will function outside the District at the same level as inside the District. Configuration of any home network connection is your responsibility and not the responsibility of the District. Any configuration applied to the Device that impairs its performance in school may be removed by District staff.
- 3. Email Accounts.** All students are issued a District email address through Google's Gmail service. These accounts will have restricted access as determined by the District. Students in Kindergarten through Grade 8 will only be able to send emails to and receive emails from District staff, students, and approved educational systems. Students in Grades 9-12 will be able to send emails to and receive emails from District staff, students, and approved domains.
- 4.** Every email sent and received from a District email account, whether at home or school, goes through filtering software. The District makes every effort to block content that may be obscene, pornographic, or otherwise harmful or inappropriate in the school setting. However, the District cannot guarantee that every objectionable material will be filtered. If your child receives an inappropriate email, your child should report it immediately to an adult and forward it to their building administration team.
- 5. Accessories.** The District will provide either a mandatory carrying case or always on case necessary for the protection of the Device. The decision whether to purchase additional accessories (such as a wireless mouse, extra charger, keyboard, stylus, etc.) for the device rests with you and your child. As with any personal property brought to school, the District reserves the right to disallow the use of any accessory and is not responsible for any loss or damage to personal property. In addition, the District cannot and does not guarantee that an accessory purchased at one point in time will be compatible with devices provided in the future.

- 6. Caring for the Device.** The Device assigned to your child remains the property of the District and must be maintained appropriately. In addition to the manufacturer's instructions included with the Device, if any, your child must care for the Device as follows:
- a. Only use a clean, soft cloth to clean the device's screen; don't use cleansers of any type.
  - b. Insert and remove cords and cables carefully to prevent damage to connectors.
  - c. Do not write or draw on, apply stickers or labels to, or otherwise mark up or deface the Device in a manner that would detract from the educational environment in the classroom. You may personalize the Device by setting the wallpaper or background, but only with appropriate images.
  - d. Handle the device carefully. Screens can crack not only when dropped, but also when twisted or subjected to pressure from stepping or leaning on them. Don't stack other objects (books, binders, etc.) on top of the Device.
  - e. Don't leave the Device in places of extreme temperature, humidity, or limited ventilation (e.g., in a car) for an extended period of time.
  - f. Keep food and beverages away from the Device.
  - g. Make sure the Device is secure when it is out of your child's sight. Don't leave it in an unlocked locker, desk, or other location where someone might take it.
  - h. Your child was provided a protective carrying case with the Device; use it.
  - i. Your child's Device will have a District-provided asset tag to identify it. This number also might be marked [in](#) the case your child was provided. Write this number down so you can identify the Device.

## **B. RESPONSIBILITIES OF STUDENTS AND PARENTS**

- 1. Technology Fee.** In order for your student to be loaned a Device consistent with the Handbook, you must pay a technology fee of \$50 each school year.
- 2. Parents' Responsibility for Child's Compliance.** You agree to monitor and supervise your child's use of the Device outside of school and to make every effort to ensure your child's compliance with the obligations and responsibilities described in this Handbook and in all applicable Board Policies related to their use of the Device.

- 3. Returning of the Device.** The Device is the property of the District while the Device is loaned to the student.
- a. Kindergarten devices, unless instructed otherwise, will remain in the school and the District will make sure they are in their 1st grade classroom for the start of the next school year.
  - b. For students in Grades 1-11, unless instructed otherwise, Devices and any related accessories may be taken home over the summer. However, the rules outlined in this Handbook remain in effect during the summer.
  - c. If, at the end of the Device loan period, your child's technology fee has been paid in full, you will own your child's Device. The District's technical support staff will reset the Device to factory settings, and all District filters and software will be removed.
- 4. Student Leaves the District.** If a student leaves the District, the family will need to inform the school office of their intentions for the Device. If we do not hear from the family and the Device is not in the school's possession, the Device will be automatically locked out.
- a. The technology fee (\$50 per year) covers a little less than half the annual cost of the Device. The District picks up the remainder of the cost at a little over \$50 per year. As a result of this fee, the family will own the Device after two or three years of use in the District based on their rotation. If a student leaves the District early and wants to keep the Device they will need to pay the remainder of the technology and District costs at \$100 per year of expected use.
  - b. If you leave during the last semester your Device is expected to be used and all of your family fees are paid, the Device is yours to keep.
  - c. If your child fails to return the Device and any related accessories or you do not purchase it, the District may, in addition to seeking reimbursement from you, file a report with local law enforcement.

### **C. DEVICE DATA AND SOFTWARE**

- 1. Managing Your Files and Saving Your Work.** Work done on a Device is typically saved to Internet-based storage space (i.e., the “cloud”). It is your child’s responsibility to make sure his/her work is not lost due to a failure or loss of the Device.
- 2. Personal Content on the Device.** Your child should be aware that any content (including, but not limited to, documents, music or audio files, and photographs) stored on the Device potentially could be subject to access by third parties pursuant to law or subject to discovery in a legal proceeding. In addition, personal content may be deleted in the course of routine maintenance and/or troubleshooting. It is your child’s responsibility to back up all personal content stored on the Device, if any.
- 3. Device Data as District Records.** Data saved to the Device or to the cloud via the Device are not maintained by the District as public records or as student records. In the event data stored on a Device or stored in the cloud via a Device needs to be maintained by the District for any reason, the District will take affirmative steps to preserve it.
- 4. District-Required Software.** The District will provide any software/apps required to use the Device for school purposes. This software may not be removed. The District may update, add, or remove software at any time for any reason, without prior notice.
- 5. Prohibited “Jailbreaking.”** “Jailbreaking” is the act of replacing the manufacturer’s operating system with custom software, allowing the user to circumvent the manufacturer’s security and licensing restrictions. The act of jailbreaking or otherwise disrupting the configuration of the Device voids the manufacturer’s warranty and is a violation of this Handbook. Removal of any District-installed configuration is prohibited and will be considered a violation of this Handbook.
- 6. Personal Software.** Your child is not permitted to install additional software or apps on the Device.
- 7. Compliance with Copyrights.** In using the Device, your child must follow the Board Policy 5:170, *Copyright*, governing use of copyrighted material and applicable copyright law.
- 8. No Expectation of Privacy.** There is no expectation of privacy for any communication made using the Device or for any content created, accessed, or stored on the Device. The District reserves the right to inspect the Device and its contents at any time and for any reason.

## **D. REPAIR OF, LOSS OF, OR DAMAGE TO DEVICE**

### **1. Technical Support & Device Loaners.**

- a.** During the school year, if your child's Device is not functioning properly, students in Kindergarten through Grade 5 should alert his/her teacher, and students in Grades 6-12 should bring the Device to the LMC. If necessary, a technical support employee of the District will assess the Device and attempt to correct any problems with it. In all grades, students will be issued a loaner Device, if available, while this student's Device is being repaired. The loaner Device should be treated the same as the student's Device as set forth in this Handbook.
- b.** During the summer, if your child's Device is not functioning properly, the District will provide technical support at specified times and District buildings. This information will be available on the District's website or may be obtained by contacting the District office.

### **2. Loss of or Damage to Device.** If your child's Device is lost or damaged, you or your child must report it immediately to your school's main office. If you believe your child's Device requires repair, you must notify the designated technical support person in your child's school. You and your child are responsible for cooperating with the District in the recovery, repair, or replacement of your child's Device.

### **3. Responsibility for Lost or Damaged Device.** In the event your child's Device is lost or damaged, you will be responsible for replacement or repairs as follows:

- a.** If the District determines that the damage is the result of an equipment failure covered by a warranty, the warranty will apply with no further action required.
- b.** If the damage is the result of a student's negligence or intentional destruction, or if the Device is lost, you will be required to pay in full for the repair or replacement of the equipment.

### **4. Accidental Damage.** The District purchases an accidental damage policy with each Device. This covers one (1) accidental damage per Device per school year while the Device is used in the District.

## **E. WAIVER AND INDEMNIFICATION**

- 1. Waiver of Device-Related Claims.** By signing the “Device Acknowledgement” below, you acknowledge that you and your child have read, understand, and agree to follow all guidelines and policies outlined or referenced in this Handbook and agree to be bound by this Handbook. You also agree and represent that the Device (including any related accessories) was delivered in good working order and that it must be returned to the District in good working order consistent with this Handbook. **By signing this Handbook, you waive any and all claims you or your child (and each of your respective heirs, successors, and assigns) may have against Central Community Unit School District No. 301, its Board of Education, and its individual Board members, officers, employees, and agents relating to, connected with, or arising from the use of the Device or this Handbook.**
- 2. Indemnification for Device-Related Claims.** To the fullest extent allowed by law, you agree to indemnify, defend, and hold harmless Central Community Unit School District No. 301, its Board of Education, and its individual Board members, officers, employees, and agents from any and all claims, damages, losses, causes of action, and the like relating to, connected with, or arising from the use of any District Device issued to your child.

## Appendix C – College Disability Services

## DIFFERENCES BETWEEN HIGH SCHOOL AND COLLEGE DISABILITY SERVICES

There is no Special Education at the college level. Educational rights covered by IDEA (Individuals with Disabilities Act) do not apply to postsecondary education. Colleges must comply with ADA (Americans with Disabilities Act), Section 504 of the Rehabilitation Act and the civil Rights Restoration Act. College students have civil rights, but no “education” rights.

Postsecondary institutions are **required** to:

- *Make all programs and services physically accessible to all students*
- *Provide auxiliary aids, notetakers, and appropriate equipment to ensure the participation of students with disabilities in college classes and activities*
- *Accommodate the academic participation of qualified students with disabilities in college classes and activities*

**ECC Disability Services office**

847-214-7417

Pietrina Probst, Director of ADA and Student Disabilities Services

Postsecondary institutions are **not required** to:

- *Provide specific auxiliary aids as long as the college provides a method of assistance that allows equal opportunity*
- *Provide academic modifications if these modifications would fundamentally alter the nature of the course or program or place undue burden on the institution*
- *Lower admission criteria for applicants with disabilities*
- *Diagnose a disability or conduct testing and assessment of learning difficulties, physical, or mental impairments*
- *Provide personal attendants*
- *Provide personal or private tutors*
- *Prepare “Individualized Education Programs” (IEP’s)*

Good Morning Ms. Israelson-

I have attached a written FOIA request for the current 2021-2022 school year earnings record for Steven R. Diversey – Athletics and Activities Director. How long do these requests take to process? Should you need anything additional from me, please let me know.

Sincerely,

Michelle Diversey
