L. Adjournment

Our Mission

We inspire and empower students to be culturally grounded responsible citizens who are deeply connected to our community and world.

Our Vision

Together, strong in identity, purpose, potential

Board and Superintendent Guiding Principles

- Works to ensure academic success for all students
- Works to promote positive community partnerships
- Provides leadership and support to ensure reading proficiency by 3rd Grade
- Supports the recruitment and retention of effective staff

Board and Superintendent Goals

- Provide the resources for the development and adoption of curriculum as per Board Policy (BP 6141).
- Support the integration of a student's culture in the curriculum within the context of the community through implementation of the Alaska standards for culturally responsive schools.
- Work to ensure all students feel connected to their peers and the adults in their schools by improving school climate.

Personnel-School Board Report January 11, 2022 Cynthia Gray, NPS HR Manager

PERSONNEL ACTIONS: Staff changes/updates:

Certified Employees: New Hires/Change of Assignment/End of employment:

- 1. Danielle Deering- MS Science/NBMHS-transfer from Classified Employment
- 2. Joseph Melody-SPED/NES-transfer from Classified Employment
- 3. Sarah Swann-Language Arts 6-12/NBMHS-transfer from Classified Employment

Classified Employees: New Hires/Change of Assignment/End of employment:

1. Kaitlin Topkok-Classroom Paraprofessional/Resignation/NES

Current Certified vacancies for the 2021-2022 school year:

- 1. Cultural Studies Teacher-NBMHS
- 2. Music/Art K-5-NES

Current Classified vacancies for the 2021-2022 school year:

- 1. Classroom Aide/Kindergarten-NES
- 2. Payroll Clerk-District Office
- 3. Behavior Specialist-NES/NBMHS
- 4. Special Education Paraprofessional-multiple positions/NES/NBMHS
- 5. Substitute Teacher-all schools
- 6. After School Program Coordinator-NES
- 7. Youth Basketball Coordinator-NES

PERSONNEL/HR PROJECTS

NPS HR completed the Administrator Contracts for 2022-2023. Teacher Contracts for the 2022-2023 school year are being worked on as well. Staffing determination based on the budget numbers are underway. January marks the start of our recruitment season, which will be in-person job fairs starting in March 2022. Currently we have Job Fairs scheduled for Anchorage, Minneapolis, MN, and Portland, OR.

EMPLOYEE BENEFITS

To aide with recruitment during the pandemic, NPS is offering a bonus of \$500 to any classified staff member accepting a new position with the district, including substitute teachers. Employees must successfully exit a 90-day probationary period to qualify. Substitute teachers are offered this bonus after 20 days of subbing. The district will offer a referral bonus to current NPS staff who refer an individual for an open position who is subsequently successfully hired.

Respectfully submitted by Cynthia Gray-NPS Human Resources Manager

Public Comment Statement

The Board of Education welcomes community member input during meetings about issues on or not on the agenda. The Board is not able to respond directly to you during Public Comment; the Board may decide at the end of the meeting during Board Member Comment to discuss your topic at a work session, regular meeting, or direct the Superintendent to look into a situation further.

The Board may not speak about subjects that are protected by legal confidentiality such as specific student discipline issues or personnel issues that could disparage or slander district employees.

The general guideline is approximately three minutes per speaker; however, additional time is allowable if needed. When you speak to the Board, please state your first and last name for the record.

1. COVID Update: We saw a significant decrease in cases at the end of December; however, the omicron variant of COVID is now making its way through the population and as of this writing has shown up in Nome. Our staff have been impacted by COVID due to travel over the holiday break, and we will be monitoring our staffing situation closely, as our continued struggle to find an adequate number of available substitutes may mean a temporary closure of one or more schools. However, the CDC has also reduced the minimum isolation and quarantine time, so that may allow some staff to return to work sooner than previously expected. In addition, the District is now offering up to 10 days/75 hours of COVID leave for staff to help relieve the pressure on individual sick leave. The cost for this will be covered through our COVID grant funding.

2. The District is offering a number of recruitment and retention incentives funded through our COVID grants to help with our staffing situation, and to recognize our staff who have worked under such strain over the past year. A copy of the program is attached to this report.

3. District Committees – The Calendar Committee met again last week and have developed several draft calendars for community input. Those will be released this week to the community; we anticipate bringing 2 or 3 calendars to the Board for consideration at the February Board meeting.

4. Weather Challenges in December – the Nome-Beltz campus was severely impacted by the windstorm the week after Christmas, as the power outage on campus lasted for approximately 17 hours. I'd like to personally thank our new maintenance director and his crew, who spent the night in the facilities building monitoring our emergency generator, and worked tirelessly to address the heating issues in the buildings that arose after power restoration. In addition, they were able to address a boiler problem at the Elementary School and head off the need to close school for the day (although the building was quite cold). The storms thus far this year have occupied a significant portion of the maintenance division's time, and we anticipate several contractors coming through this month to address boiler issues, electrical issues and fire system inspections.

5. FY23 Draft Budget Presentation – A copy of the first draft of the budget for FY23 is attached and will be discussed in detail with the Board. Salient points are flat funding for the sixth year in a row means budget cuts are necessary; we anticipate a reduction in intensive students, need to address the population growth at Nome-Beltz, have requested an additional \$100,000 from the City, and have currently eliminated the music position at Nome Elementary. We have also been dealing with significant outlays from our Capital Improvement Fund, with more anticipated in the coming year. Direction from the Board or the City declining the additional funding request will mean review of the current staffing situation and/or determining additional budget cuts. In addition, we have a significant number of positions currently which are outside funded or grant funded. These include the College and Career Guide, second Cultural Studies position at Beltz, two Kindergarten aides (including the immersion classroom), Elementary Counselor, additional

Nome Public Schools Superintendent Report Jamie Burgess January 11, 2022

classroom aides at Nome Elementary school, and both Behavior Specialist positions for NES and Nome-Beltz.

COVID Relief Funded Staff Recruitment and Retention Incentives FY22-FY23

Recruitment Sign-On Bonuses

A bonus of \$500 will be offered to any classified staff member accepting a new position with Nome Public Schools, including substitute teachers. Classified employees must successfully exit a 90 day probationary period to qualify for the bonus, which will be paid in the subsequent payroll cycle. Substitute teachers must teach for 20 days to qualify for the bonus. This bonus will be retroactive to the start of the 2021-2022 school year.

Certified teachers hired for the 2022-2023 school year will qualify for a \$1000 sign-on bonus paid on the next regularly scheduled payroll two weeks after the certified staff member reports to work for the 2022-2023 school year. Certified hires must have an Alaska certificate in place to qualify.

Recruitment Referral Bonuses

The District will offer a referral bonus to current NPS/NMS employees who refer an individual for an open position who is subsequently successfully hired.

For classified hires, the referral bonus will be \$250 and will be paid after the new classified staff member successfully exits their 90 day probationary period.

For certified/administrative hires, the referral bonus will be \$500 and will be paid on the next regularly scheduled payroll two weeks after the certified staff member reports to work for the 2022-2023 school year. Certified hires must have an Alaska certificate in place to qualify.

Staff Retention Bonus

The District will offer all current staff members who either return a signed contract within the 30 days allowed by law (certified/administrative staff) or return a signed notification of intent to return (classified staff) a retention bonus of \$1,000.00. The bonus will be paid in the first paycheck of the 2022-2023 school year when the employee reports to work.

None of the aforementioned Bonuses are subject to PERS or TRS retirement.

Additional Duty Stipend

The District will pay all current administrative, certified and classified employees an additional duty stipend to compensate them for additional duties outside of their normal job description/scope of work due to the COVID-19 pandemic during the 2021-2022 school year.

- Employees who are full-time and employed for the full year will receive \$1,000.00.
- Employees who are part-time and employed for the full year will receive \$500.00.
- Employees who are employed for less than a full year will receive a pro-rated amount.

This stipend is subject to retirement. Stipend will be paid in the May 31st, 2022 paycheck.

COVID Leave

The District will offer COVID leave to employees up to a maximum of 75 hours for classified staff and 10 days for certified staff for any combination of the following:

- Employees testing positive for COVID-19 (must submit a letter from Public Health/NSHC certifying the positive test and the date for exit from isolation)
- Employees required to quarantine as a close contact for COVID-19 (must submit a letter from Public Health/NSHC confirming the requirement to quarantine and the dates)
- Employees required to take leave to care for a child positive with COVID-19 (must submit a letter from Public Health/NSHC certifying the child's positive test and date for exit from isolation)

This benefit will be offered retroactively to the beginning of the 2021-2022 school year. Employees may have sick/personal/annual leave taken credited back to their account upon submittal of the referenced letters to the Business Manager. Employees who are/were still in their probationary period are not eligible for COVID leave.

MISSION

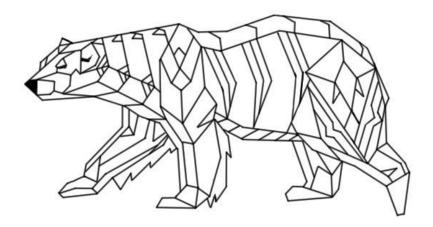

We inspire and empower students to be culturally grounded responsible citizens who are deeply connected to our community and world.

NOME PUBLIC SCHOOLS FY 2023 PROPOSED BUDGET

For Presentation to the Board January 11, 2022

Mrs. Sandra Martinson, President Mrs. Jamie Burgess, Superintendent Dr. Barb Amarok, Vice-President Mrs. Darlene Trigg, Treasurer Mrs. Nancy Mendenhall, Board Member Mr. Bob Metcalf, Board Member Cover Page Artwork by: Mya Cross, Grade 11 Nome-Beltz Middle High School

Nome Public Schools

January 4, 2022

Members of the Board of Education Nome Public Schools Nome, Alaska 99762

The Nome Public Schools (District) is pleased to present you with the budget for the fiscal year 2023. The budget document is the primary document that communicates the District's plans for spending in the ensuing fiscal year, and it also details its organizational goals and objectives in monetary terms. The District is required to prepare and approve a balanced budget and submit it to the City of Nome by May 1st and to the Department of Education & Early Development by July 15th each year. A balanced budget is defined as revenue budgeted at least the same as, or more than, the budgeted expenditures or use of fund balance.

In presenting the FY2023 Budget document, we may discuss the instructional, operational, and financial plans in an open forum. We believe community interaction and input between stakeholders leads to improvements benefiting the education of children at Nome Public Schools. The administration of Nome Public Schools has reviewed and discussed its plan for the FY2023 school year in terms of what can be accomplished within the bounds of a balanced budget.

Budget development and analysis is always a work in progress. Changes will occur in FY2023 when salaries, benefits, and foundation funding are finalized.

Organizational Component

The City of Nome was incorporated in 1901 as a first-class city under the laws of the Territory of Alaska. The City operates under council-manager form of government and performs municipal duties allowed by Alaska Statutes and as directed by its residents.

The Nome Public Schools is a component unit of the City of Nome and is organized under Title 29.42.030 of Alaska Statutes as amended. The City has delegated the administrative responsibility for these functions to the Nome Public Schools Board of Education. The School Board is governed by a five-member school board with members elected by district and complemented by a non-voting student representative.

Budget Process

Alaska Statute 14.14.065. Relationship between city school district and city. The relationships between the school board of a city school district and the city council and

executive or administrator are governed in the same manner as provided in AS 14.14.060. AS 14.14.060 (c) states "except as otherwise provided by municipal ordinance, the borough school board shall submit the school budget for the following year to the borough assembly by May 1 for approval of the total amount. Within 30 days after receipt of the budget the assembly shall determine the total amount of money to be made available from local sources for school purposes and shall furnish the school board with a statement of the sum to be made available. If the assembly does not, within 30 days, furnish the school board with a statement of the sum to be made available, the amount requested in the budget is automatically approved. Except as otherwise provided by municipal ordinance, by June 30, the assembly shall appropriate the amount to be made available from local sources for the purpose.

The District's School Board approves a budget timeline which includes opportunities for presentation to the public. Below is the FY2023 budget timeline.

FY 2023 BUDGET PROCESS AND TIMELINE

Budget Process, Timeline, Revenue Presentation, Board Sets Education & Fiscal Priorities For the District in Accordance with their Strategic Plan

BP 3100 - BUDGET – The district budget shall be prepared annually from the best possible estimates of revenues and expenditures. The Superintendent or designee shall determine the manner in which the budget shall be prepared and shall schedule the budget adoption process in accordance with legal time requirements. A public hearing shall be held prior to the adoption of the budget or a revised budget.

<u>FY 2023</u> 1st Draft Budget presented to the Board at regular meeting January 11, 2022

<u>FY 2023</u> 2nd Draft presented to the Board at regular meeting March 8, 2022

<u>FY 2023</u> 3rd Draft/Final Budget presented to the Board at regular meeting April 12, 2022

FY 2023 Budget Adoption at special session April 26, 2022

General Fund Revenues and Expenditures

Below are the assumptions used to develop the budget.

Revenue Budget

We have developed this budget based on assumptions about legislative funding for FY2023. This budget assumes that we will be flat funded at \$5,930 per base student allocation (BSA)

with no cuts to Basic Need or any part of the foundation formula itself. We are budgeting for a \$3.1M City of Nome appropriation.

In the State of Alaska, the number of students enrolled in a district during the 20-day count period is the basis for computing the Average Daily Membership (ADM) that is used to calculate the amount of state funding provided to each district.

Revenue projection of \$14,227,100:

- ✤ Enrollment projected at 665 students
- ♦ 90% of the BSA for Correspondence students 20 projected
- ◆ Intensive students (13 x's the BSA of \$5,930) 12 projected
- ✤ Hold Harmless 3rd Year 25% of Base Year
- ✤ ISER Area Cost Differential of 1.45
- ◆ Career & Technical Education (CTE) Factor 1.015
- ✤ Special Needs Factor 1.20
- ✤ Base Student Allocation (BSA) \$5,930
- * TRS On-Behalf and PERS On-Behalf zero net effect against on-behalf expenditures
- City appropriation is budgeted at \$3,100,000
- ✤ Impact Aid estimated at \$35,200
- \clubsuit E-rate estimated with 90% discount rate on internet bills \$725,822
- ✤ Other Revenues projected at \$385,000 (includes dorm rent, local contributions, gate fees)
- ✤ Utilize unreserved fund balance \$873,952

Expenditure Budget

Below are the expenditure highlights and other considerations for FY2023. This budget includes:

- ✤ Annual step increases.
- ◆ A 5% increase to health insurance in anticipation of rising premiums.
- ♦ Other employer-paid benefits remain status quo 22% for PERS & 12.56% for TRS.
- Staffing based on a combination of needs-based and overall monetary availability per revenue and expenditure assumptions.
- ✤ A 3% increase to all utility budgets.

Nome Elementary School

- ✤ Retained same staffing levels as FY22.
- ✤ Decreased supply budget by \$90,000.
- ✤ PERS/TRS On-Behalf decreased by \$154,933

Anvil City Science Academy

- ✤ Decreased supply budget by \$7,800.
- ✤ PERS/TRS On-Behalf decreased by \$28,531

Nome-Beltz Middle High School

◆ Increased staffing by 0.50 FTE – Middle School Generalist.

- ✤ Increased Sped Teacher staffing by 1 FTE over FY22 in anticipation of filling vacancy.
- ✤ PERS/TRS On-Behalf decreased by \$145,590

Districtwide

- ✤ Increased Indirect Cost Recovery budget.
- ✤ Transfer to Food Service status quo at \$75,000.
- ✤ Transfer to Pupil Transportation status quo at \$40,000.
- ✤ Transfer to CIP reduced to \$200,000.

We thank you for your consideration of the FY2023 budget.

Sincerely,

Jamie Burg

Jamie Burgess Superintendent

Please Note: FY22 & FY23 data depends on timing of when bills are paid. Ultimately, the District's General Fund holds around \$2M between nonspendable and fund balance. In addition, the monies flowing through the special revenue funds are recorded in the financials in the General Fund cash account with offsetting transaction in Due to other funds liability account.

Student Representative Board Report January 2021

The end of the second quarter or first semester came quickly with a series of unfortunate snow days. That weekend was scheduled to be finals week in hopes of getting some grades for our basketball and wrestling athletes who were hoping to leave early on that week. They ended up leaving a tad bit earlier in hopes to escape the upcoming snow storms that were coming into town. Our wrestling team was heading to state, and they left with a state champion Natalie Tobuk. This is the first time since 2018 Nome has had a state champion wrestler since the late Lady Nanook wrestler Star Erickson. With the quick end to the wrestling season, our school thought it best to push back our quarter and semester finals to the first week in January in hopes to have kids get more time at studying for their finals.

The first week of January brought finals and the first home game for our lady and boys nanook basketball team. This past weekend was the notorious subway showdown that the basketball teams were not able to hold last year due to covid. Not only will it be their first home game, but it will also be the first home game four our Nome Nanooks cheer team. Captain of the cheer and senior, Raina Mcrea, states that "This year is exciting because our first game of the season is the big tournament. Its nerve racking but I think all the cheerleaders are up for the challenge and i'm looking forward to it" The gym will be held at a 50% capacity max and will ensure that all crowd members will be wearing a mask at all times during the tournament to help ensure the safety of our community members and our schools athletes.

Past alumni and graduates of Nome Beltz came to the high school on Thursday in order to talk to the senior class about just how the real world works and some things they wish they knew before they graduated. The past seniors and present seniors talked about college and adult life over lunch and the seniors made sure to ask some tough questions that they may have been having about college. Also starting this week we start up the 2022 winterim with all different types of classes being taught from barista boot camps to sled making. These classes are offered to put some lax into the hectic school year but also allow students to keep learning in new and improved ways. Other than that, our second semester just started and our school and clubs are ready to battle any obstacles in our way and I can't wait to share with you at the next school board meeting.

Elizabeth Dillman Assistant Principal

January 5, 2022 (December Report)

Dear Board Members,

Happy New Year! We are back in 2022 and ready to rock it! After a much-needed change of pace over the break, it is great to have staff and students back in the building this week. So much continues to happen!

In the month of December we celebrated with three Nanauyaat mascots posted in NES hallways –one for Ms. Ten Eyck's class, one for Ms. Secor's class, and one for Mrs. Erikson's class.. This reflects a total of 60 reading logs being returned between these classes. We have so much fun celebrating all this reading by students and families! Sometimes we have a parent or grandparent here volunteering and they get to join us. What a blast!

We want to thank NSHC and their Pharmacy staff for providing our **second** COVID-19 vaccination "clinic" on Wednesday, December 8th. In partnership with NSHC, families, and our school nurse we were able to provide the first vaccine dose to several students with consent, and the second dose to many students as well! We are excited to be on the path to full vaccination for the students we serve whose families are making that choice. Our registrar continues to monitor the vaccination rate of our school population.

Committee production in December brought some cheer, and more! The Sunshine Committee planned a holiday gathering for all staff, and a Secret Santa exchange for the week before break. The Celebration Committee (student focused) announced a spirit week, with the "Days" chosen by our fifth grade students. Mother Nature put some obstacles in place for Crazy Hair Day and Sports Day, but we still saw some fun pics posted on Facebook of how staff and students would have participated. That's true spirit! The ELA Review Committee researched several different program options some, and dug more deeply into costs to help narrow things some. The sample materials have started to arrive so they can really dig into what these programs have to offer.

In the month of November we had the following Inupiaq weekly phrases:

- Naguatun! (Be good!);
- Kusamailuataumausi! (Merry Christmas!)

and focused on the Inupiaq Values of:

- Sharing Pikkaagupsi aitturalui, and
- Pride in Culture Puyaunau Inupiaqtun Iłłusiq

NPS Strategic Plan Goal #5: Provide a variety of learning experiences that engage students and meet their individual needs. *The following was copied from the December 2020 report, with minor edits. These practices are continual.*

5.1.1

The offering of coursework at an elementary school looks somewhat different than that of a middle or high school setting. In classrooms the focus is on general content, and mainly centered around English/Language Arts, and Mathematics. Within these content, stationary and rotating centers provide a mechanism for differentiating both the level and interest within the knowledge or skill focus. Teachers use student interests as they develop lessons and activities, understanding that this improves engagement for our students. These same practices are applied when building projects around science or social studies concepts, where teachers are encouraged to incorporate place-based content, adding to the relevance for students, and aiding in their expansion of that understanding to the greater concept. **The addition of STEM to our program during the 2021-2022 school year has been of great benefit to students. They are getting to explore scientific ideas in a dedicated time, which is much needed and the students are really enjoying the classes and learning a lot. We appreciate this partnership with NACTEC.**

5.2.1

After-school programming has been somewhat of a challenge at Nome Elementary School since the loss of the Community Schools Director position, **and even more so during COVID**. We have continued to offer **limited** afterschool programming dependent on staff volunteers. This **currently includes** English Spelling Bee. These activities are only offered at the discretion of willing staff, but always available to all students, at least within a specific grade range. After school tutoring is offered to identified students in first and second grades by primary and Title I teachers as part of their contract day. After school tutoring for grades 3-5 is provided by staff paid through grant funding, who then make up that contract time elsewhere in their weeks. **Readers and Leaders has been successful this school year – NBHS teacher Rachel Finney pairs high school students with NES students for an hour each week to focus on reading skills. Also, the STEM program has an afterschool** "Club" component. Each grade level is offered a two-week afterschool session. These have been very popular. There is discussion of trying to bring back the Lip Sync this year, but we are not yet certain the status of that event.

5.3.1

Staff PD on technology use and integration is on-going. Teachers are surveyed periodically for PD needs related to technology, and district-wide staff develop the training tailored to these specific needs. The IT staff is very responsive in this area, and other knowledgeable staff also provide training to colleagues where possible. The philosophy that the technology is not the center of the learning, but a vehicle to deliver some instruction, many resources, and to display the learning, is kept at the forefront. We are careful not to over use technology just because it's the next "cool" thing, but that it actually supports what we are already trying to do. **Our up-coming inservice day will include PD on our Lexia literacy support program, and the digital component to our new math program, Equip.**

5.3.2

Students use technology regularly at all levels to produce novel work. This includes touchscreen apps at earlier grades to practice letter formation or create art representations of journal entries, all the ways to word processing, video creation, and shared presentations.

5.3.3

Digital Citizenship is addressed in classrooms as part of the Alaska Digital Literacy Standards, which teachers integrate when utilizing technology in the classrooms. However, we would likely benefit from some standardized resources such as the Ophelia Projects CASS (Creating a Safe School) materials, for example. We will review these and similar materials for implementation.-**This area needs additional attention**.

Coming Events:

-Jan. 10 – 21+: MAP Testing -Jan. 17: Site-specific Inservice Day

Statistics:

School was in session for 13 days in November. -There is currently a "glitch" in PowerSchool for NES attendance, so I do not have confidence in the accuracy of the attendance report at this time.

-We served 1,567 student breakfasts, and 1,480 student lunches.

-16 volunteers spent a total of 65.25 hours in NES classrooms during the month of December.

Nome Elementary School provides a positive and welcoming environment where our culturally-diverse students, staff, and community members are valued through mutual respect, collaboration, safe interactions, and enriching experiences. Clear and high expectations serve as guidelines to reach success and wellness for all students in this rapidly-changing world.

ACSA Board Report, January 11, 2022 Lisa Leeper, Principal

Enrollment / Attendance Update

- We had a 91% student attendance rate for December.
- December had no changes to student enrollment.

Classes and Activities

- December Student of the Month: TBA
- To further understand leadership at school, I attended a "Women in Education Leadership Summit" sponsored by the Alaska Council of School Administrators. Each participant was given a diagnostic survey to determine where and how their energy was being spent. We learned about effective uses of energy, allowing us to make way for more positive, productive, sustainable action in leadership. We also heard from many women leaders in Alaska regarding how they attempt to manage a balance in life and work. There are likely to be future summits, due to its popularity and positive feedback.
- Students got their pictures taken by LifeTouch and parents were able to order by check or online. The photographer took the time to get an agreeable photo of each student, and we're happy that PowerSchool is updated with new student images.
- Due to continuing interest in how restorative justice can be managed in a school setting, I attended the "6th Annual Restorative Justice Summit" sponsored by the Alaska State Legislature and Representative Geran Tarr. Through the day we had discussion about the foundational practices for restorative justice and were allowed to share stories about practice and impact. Further discussion also focused on achieving restorative practice policies in Alaska. There is much about restorative justice that can be applied to working with students, and many educators attended the summit. I look forward to attending future training and summits.

- Our House Council held a spirit week before winter break, capped by a bake off for cookies and cupcakes. The Council also filled stockings each day with a little treat or school supply. The felt stockings were sewn by five parent volunteers, and another parent donated the goodies.
- December had a few particularly stormy days, and we have now had three Blizzard Bag distance learning days. Students know to turn in work the next school day, and their assignments can be found on either on Google Classroom or in their paper packets.
- <u>Strategic Plan Goal #5</u> Provide a variety of learning experiences that engage students and meet their individual needs.

The following points have been included in past reports and *the italicized parts indicate what has been updated for this report.*

- Objective 5.1 Offer a variety of courses and instructional experiences which incorporate student choice and meet student needs
 - All core content is taught through separate courses in Reading, Writing, Social Studies, and Science, but themes integrate the learning
 - For the first three quarters of the year, students rotate through three courses during elective period; outdoor skills, *digital fitness*, life skills
 - For the 4th quarter, students are offered a variety of courses to choose from; courses focus on students' interests; some courses are taught by community members
 - Students are introduced to the visual and performing arts through class projects and Artist in Residence experiences
 - Students can test into math classes that give them the opportunity to advance and enter programs like ANSEP
 - 8th graders do a 3-day Careers Exploration with NACTEC each year
- Objective 5.2 Provide a variety of extra-curricular opportunities
 - 8th graders can fundraise for and join a class trip to Washington, DC each year
 - Mr. Collins runs an after school ski club open to ACSA and Beltz students

- Mrs. Leper runs an after school Lego Robotics club open to ACSA and Beltz students
- Objective 5.3 Integrate technology as a learning and instructional tool
 - Google Classroom is widely used for organizing content that can be accessed by students asynchronously
 - Google Slides, Docs, and Drive are routinely used by teachers and students for academic collaboration
 - Teachers use a variety of online applications to reach students at their individual proficiencies for developing skills or presenting content; *Mosaic adaptive learning* for Math and NoRedInk for Language Arts are integrated regularly; students complete science lab simulations using apps

Nome-Beltz Middle High School

PO Box 131, Nome Alaska 99762 Phone: 907-443-5201 Fax: 907-443-3626

Date: January 9, 2022 To: NPS Board From: Jay Thomas and Teriscovkya Smith Subject: January Board Report

NBMHS Current Enrollment: 299

- The NBMHS Teacher of the Month: Brandon Smith
- The NBMHS Support Staff of the Month: Lisa Merchant
- The NBMHS Students of the Month are high school student Tori Gray and middle school student Harris Komonaseak.
- Welcome Danielle Deering as our new MS science teacher and Sarah Swann as a new MS language Arts teacher.

The following is a list of happenings that currently impact NBMHS:

- Semester 1 was extended by one week due inclement weather during finals;
- Credit Recovery/Winterim will be January 10-14, 2022; please see supplemental information at the end of this report;
- Wearing masks appropriately throughout the day is an ongoing challenge;
- Navigating the politics of Covid guidelines can be a problematic, without a doubt we have some parents that are upset about NPS Covid protocol;
- An active sports and activity schedule has a positive impact on student and staff attitudes.

Activities Wrap-up:

- State Wrestling had great successes within several weight classes:
 - Girls 119lb: Katie Smith, 5th place
 - Girls 125lb: Natallie Tobuk State Champion!
 - Boys 125lb: Son Erikson, 3rd place
 - Boys 135lb: Thomas Hannon, 3rd place
 - Boys 140lb: Duke McGuffey, 3rd place
 - Boys 1451b: Karlin Ahwinona-Smith, 4th place
 - Boys 145lb: Andy Peterson, 5th place
- Girls and Boys HS basketball is underway and both teams played in Anchorage December 17-18.

- NBMHS Christmas concert was December 14, 2021 at the NBMHS gym; the event was well-attended with an array of extremely talented performers.
- Middle School wrestling and volleyball are underway.

Strategic Plan Goal 1: Students are prepared for the post-secondary pathway of their choice

- Career, vocational, and job readiness pathways are in development through the College and Career Guide in cooperation with the academic counselor.
- The College and Career Guide has met with every junior and senior to discuss post-secondary options and plans.
- Our Discovery class explores post-secondary opportunities on a daily basis.
- NBMHS has a robust partnership with NACTAC that includes the following career exploration:
 - Aviation
 - Welding
 - Carpentry
 - Design Technology
 - Heavy Equipment
 - Small Engines
 - Driver's Education

Competency Intensive Week (Credit Recovery)

Model: During Spring semester, at the start of the 3rd quarter, a Winterim- style afternoon delivery of credit recovery opportunities will be offered for students who failed a course during fall semester or who need to strengthen their competencies in a given content area. In addition:

- □ All students will have a rotating schedule of their semester course in the morning with intensive courses offered in the afternoon.
- Designed exclusively for getting students from Fail to Pass and manually overridden in PS after successful completion of Competency Intensive Week.
- Instructors will design a 1-week cycle that is composed of standard-driven essential information; the cycle will be goal oriented, competency based, and personalized for students using an established Competency Intensive Lesson Plan Template.
- No homework or spillover: content delivery and resulting proficiency demonstration will be delivered and completed during allocated class time.
- **G** Cycle breakdown:
 - 12.5 hours total (2.5 hours x 5 days)
 - Delivered in a 5 day sequence:
 - Day 1 Competence: Students know how to measure success/as does the instructor.
 - Day 2 Competence
 - Day 3 Competence
 - Day 4 Competence
 - Day 5 Competence: Culminating effort of essay/project/demonstration that documents proficiency.
- Some teachers may have 5 different competencies they want to cover, while others may choose to focus on learning tasks that culminate in a finished project such as an essay, project, or presentation.
- □ This is a pandemic response with a positive and supportive tone to encourage success.

Other considerations:

- Students who *did not* fail a class may take advantage of various Winterim Style Courses that include:
 - Board Game Strategies
 - Foundations of Swimming
 - Cooking Around the World
 - The Art of.... (Explorations into Artistry)
 - Qamutiik (Komotik)-Style Sled Building
 - All About Animals
 - Heavy Equipment
 - Small Engines, ATV & Snowmachine Repair
 - Culinary Arts and Alaska Food Worker Cards
 - Stained Glass Basics

Grants- Consolidated ESEA: Title I-A/Title I-C/Title II-A/Title IV; EASIE; and RLIS

•Alaska Literacy Grant (NES)- Updated budget and submitted to DEED, Received approval of budget on 1/3/22.

Consolidated ESEA- updated in state GMS system

•Title I-A- Improving the Academic Achievement of the Disadvantaged- funds for NES Only- Training and administration of Functional Behavior Assessment and training in development of Behavior Intervention Plans to be conducted in December and January. The training of NPS staff will allow future FBAs and BIPs to be administered by site staff, negating the need to contract these services. Postponed until January due to weather and other circumstances

•School Improvement Grant- NES-no update

•Title I-C, Migratory Education-

- Fall tutoring continues at NBMS (three days a week) and at NES (twice a week). Tutoring will continue with same staff members for second semester.
- Ongoing book order through Barnes & Noble (Migratory Literacy grant). Each migratory eligible student will receive \$35.00 towards books of their choice from a curated list.
- Lego Robotics will continue for second semester at the middle school and elementary school levels
- A re-allocation of I-C funds in the amount of \$181,609 was awarded on November 30th, bringing the total FY22 I-C allocation to \$615,505.

•Title II-A-Supporting Effective Instruction-Districtwide-Stipends for those who attended "Undoing Racism" on a non-contract day. Updated grant award to reflect corrections to carry forward funds from FY 21. NPS will not be requesting a waiver to carry forward funds from FY21 as we do not have items to fund with the additional money in this school year. A district can only request a waiver once every three years and we will be saving that option for future carryover.

•Title IV-Student Support and Academic Enrichment-Districtwide-Updated grant award in state GMS system. Purchase of new concert quality digital piano for NBMHS.

•Title VI-EASIE-(aka Indian Education)- Districtwide- no update.

•JOM-Districtwide- submitted JOM corrected grant request and received approval.

Assessments, Curriculum and Data/Reports-

•ACCESS 2.0 (aka WIDA)-Uploaded assessment roster for current EL students.

•AK STAR- Attended monthly District Test Coordinator Training

•Dynamic Learning Maps- Uploaded users and students for spring 2022 testing. Prepared training materials for the teacher who will be administering the test.

Assessment	Assessment Window	Grades Assessed
WIDA ACCESS for ELLs	February 1 – March 31, 2022	ELs in grades Kindergarten through 12th grade
Dynamic Learning Maps (DLM) Alternate Assessments	March 21 – May 6, 2022	Grades 3 through 10
Alaska Science Assessment	March 28 – April 29, 2022	Grades 5, 8, and 10
AK STAR- New Summative Assessment for ELA and Math	March 28 – April 29, 2022	Grades 3 through 9

•Second Semester Assessment Windows:

•Civil Rights Data Collection- working with administrators and councilor to update courses and student data for upcoming CRDC report due February 28.

Nome Public Schools Board Facilities Service Report - 1/6/22

Mark Casey - Facilities Director

Summary of December 2021

This Month to Date Maintenance Summary :

- * Scheduled Work In Progress : 35
- * Total Open Work Orders : 450
- * Total Preventive Maintenance Work Orders: 25
- * Preventive Maintenance : 5

Injuries and Accidents - 0

Staffing :

Employee New Hires

- * NMS Facilities Director Mark Casey
- * NMS Facilities Mechanic Derek Anderson
- Employee Departure
 - * NMS Technician Caleb Behm

Maintenance Department Tasks

- * Yukon Fire Alarm annual inspections Jan. 24-28
- * Boilers and Controls Service by AIS Jan. 14-15
- * Food Service Freezer Repair by Arctic Refrigeration Jan. 17
- * Pool Repairs and Safety Renovations Planning with City
- * NBHS Roof RFP review for Summer 2022

Safety Concerns

- * State of Alaska NES Fuel Spill report submitted to DEC for approval. NBHS Dump/Burn Pit evaluation is planned for core drill mapping.
- * NES playground access and ice removal ongoing.
- * Electrical Code Requirements Survey by Samson Electric and RSA Engineers

Completed Projects

Updated licensing for all 29 network switches while we await receipt of new replacement Power over Ethernet switches.

Provided training to NBMHS Teachers on the new Blocks web filter and classroom device management tool.

Completed installs of new WiFi Access Points in the DO office area as well as in the Maintenance Shop.

Current projects

SecondLife Mac update. We have identified the additional 10 iMacs that are in current use by various classified and contract staff members as Chrome devices. These 10 devices will be replaced by ChromeBoxes at approximately 1/3 of the price of a new iMac. Once the new ChromeBoxes arrive we will swap them for the iMacs and finish preparing all devices for the sell back to SecondLife Mac.

SPED Equipment update - we are still awaiting the protective cases for the SPED iPads to issue them to the SPED Teachers for student use. We are also still awaiting quotes for the interactive displays, I gained contact with our new ViewSonic representative on 05January2022.

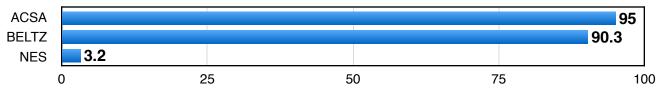

Future Projects

No Change: Updates for Network Equipment (E-Rate Category II) - We ordered 17 Power over Ethernet (PoE) capable switches to enable the placement of the new Access Points in all classrooms. We receive 85% reimbursement for qualifying Category II equipment installed in school buildings with students under the E-Rate program. These switches will provide power and connectivity to our security cameras and other network connected peripherals throughout the district. These switches are now due to arrive March - May timeframe 2022.

PowerSchool Online Enrollment

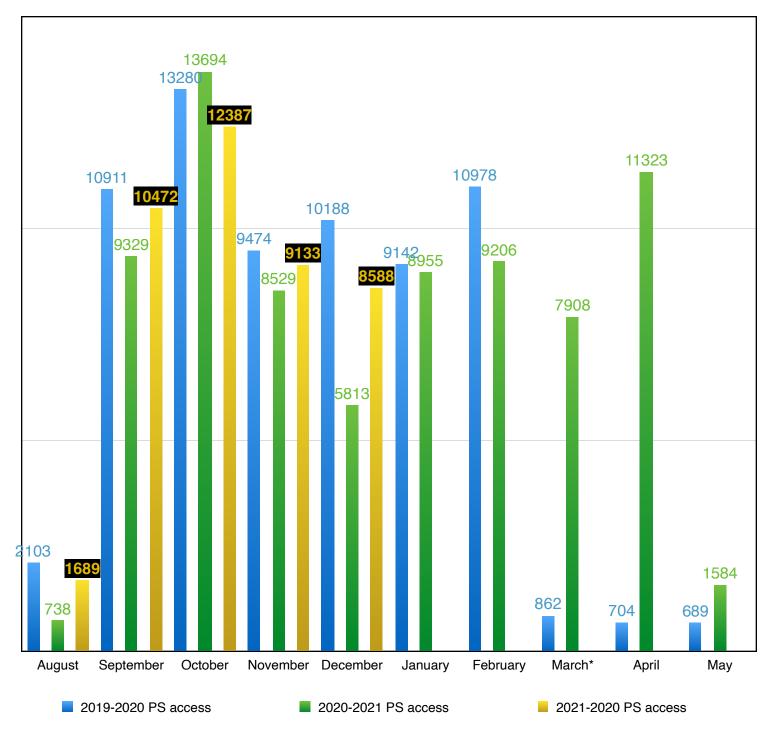

PowerSchool Online Enrollment update. As of 05JAN22 there are 174 New Student Enrollments and 527 Returning Student Enrollments for a total of 701 records processed. This number includes Students who have since transferred out of the district. To date we have 95.7% of our current students who have complete online enrollments. We are still tracking a total of 30 un-submitted returning student records (8 for NES and 22 for NBMHS) in our roster workspace that registrars are focusing efforts on.

PowerSchool Student Information System Access data PowerSchool use, by students and parents.

Percentage of PS Student records accessed in December 2021 (Mobile and Web)

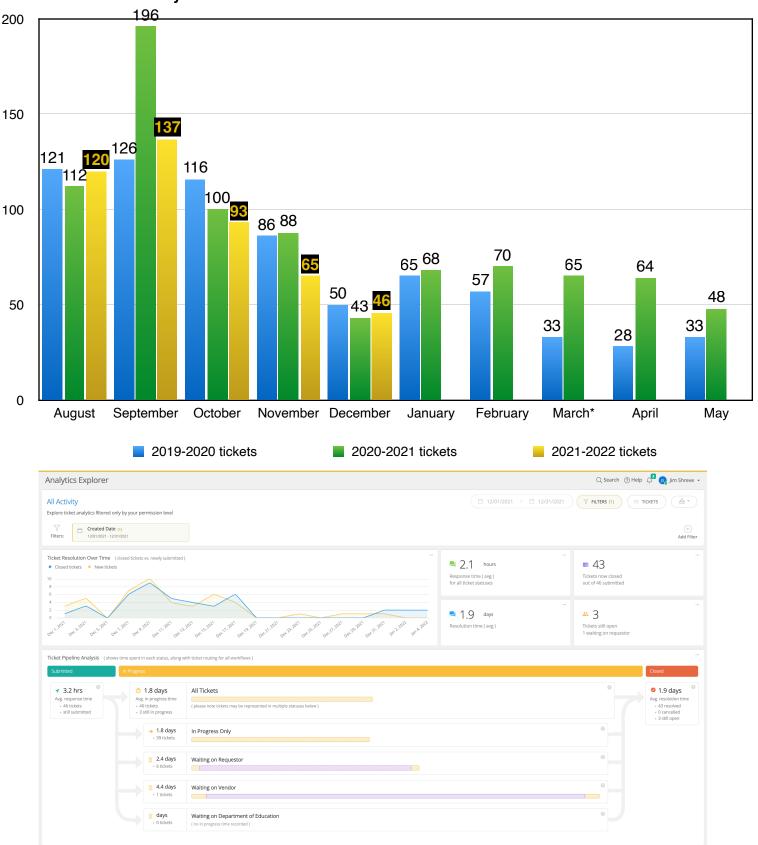

Total Parent and Student PS Web and Mobile Access Sessions:

Page 2 of 3

Technology Web HelpDesk

Part of the Technology Department's duty is to maintain the Technology Web Help Desk for staff to request repairs, training and troubleshooting. In December we resolved 43 out of 46 (93.5%) of the tech requests submitted through the system. Our average response time was 2.1 hours and average resolution time was 1.9 days. This includes the timeframe that the Tech Staff was out of office for the Winter break. We encourage staff to make use of this resource but many immediate needs are still handled outside of it.

Public Comment Statement

The Board of Education welcomes community member input during meetings about issues on or not on the agenda. The Board is not able to respond directly to you during Public Comment; the Board may decide at the end of the meeting during Board Member Comment to discuss your topic at a work session, regular meeting, or direct the Superintendent to look into a situation further.

The Board may not speak about subjects that are protected by legal confidentiality such as specific student discipline issues or personnel issues that could disparage or slander district employees.

The general guideline is approximately three minutes per speaker; however, additional time is allowable if needed. When you speak to the Board, please state your first and last name for the record.

Nome Public Schools PO Box 131 Nome, AK 99762 907-443-2231 – <u>www.nomeschools.org</u>

SCHOOL BOARD COMMUNICATION

Title: Approval of FY23 Administrator Contracts

Date: January 11, 2022

Administrator: Jamie Burgess, Superintendent

Attachments: N/A

The following administrators have performed satisfactorily per the district's administrative evaluation framework and are recommended to receive a contract for the 2022-2023 school year.

Elizabeth Korenek-Johnson, Nome Elementary School Principal Teriscovkya Smith, Nome-Beltz Middle/High School Assistant Principal Lisa Leeper, Anvil City Science Academy Principal Megan Hayes, Director of Federal Programs, Instruction and Accountability Aaron Huseman, Special Education Coordinator

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of administrator contracts for the 2022-2023 school year for Elizabeth Korenek-Johnson, Teriscovkya Smith, Lisa Leeper, Megan Hayes and Aaron Husemann.

Sample Motion: I move to approve administrator contracts for the 2022-2023 school year for Elizabeth Korenek-Johnson, Teriscovkya Smith, Lisa Leeper, Megan Hayes and Aaron Husemann.

Nome Public Schools PO Box 131 Nome, AK 99762 907-443-2231 – <u>www.nomeschools.org</u>

SCHOOL BOARD COMMUNICATION

Title: Approval of COVID-19 Test to Stay Protocol

Date: January 11, 2022

Administrator: Jamie Burgess, Superintendent

Attachments: Test to Stay Protocol

BACKGROUND INFORMATION

In order to minimize disruption to in-person instructional time, and with the approval of the District's Health Advisory Team, the administration would like to offer the choice of a "Test to Stay" protocol for parents of unvaccinated students who are designated as close contacts. The CDC recently reduced the quarantine period for these individuals, and this option will provide home antigen tests for use. This will allow children to continue attending school during their quarantine period as long as they have no symptoms and test negative each morning on the antigen tests.

This protocol is becoming more common throughout the state with several districts already actively using this with no reported issues. Public Health is also making home antigen tests available to the general public, with the assumption that they will become more commonly used. In addition, if we reach the target threshold of 80% vaccinated students and staff/low active case numbers and make mask wearing optional, this Protocol may see more use from close contacts identified within the school system.

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the COVID-19 Test to Stay Protocol for students.

Sample Motion: I move to approve the COVID-19 Test to Stay Protocol for students.

COVID-19 TEST TO STAY PROGRAM PROTOCOL

The Nome Public School District has implemented a "test to stay" protocol. Using rapid antigen tests ("home" or "over the counter tests"), students who are not fully vaccinated and are deemed a close contact due to an exposure as verified by a NSHC or Public Health representative will be given the option to continue attending school during the quarantine period. Availability of this option is dependent upon availability of the rapid tests. Below are details:

- 1. Unvaccinated close contacts, once identified, now have a designated 5 day quarantine with testing on day 5, followed by an additional 5 days of mask wearing. This 5 day quarantine period begins the day after the last known exposure to the positive case and is defined by NSHC/Public Health.
- Parents now have three options: opt in to the test to stay protocol, follow the NSHC/Public Health test/quarantine schedule, or not test and quarantine for a full 10 days. Children do not attend school during quarantine periods if those options are selected.
- 3. Antigen tests, provided through the state free of charge to the district, are provided by the school district free of charge to families families must provide the letter with the diagnosis to the school to pick up tests.
- 4. Parents use the rapid antigen tests for every school day in the quarantine window before school.
- 5. If a test result is positive, the parent needs to contact Norton Sound Health Corporation and the school immediately the child may not come to school.
- 6. If a test result is negative, the child or parent must bring the negative test card to the school and submit to the attendance office. The child may not attend school until the card is turned in.
- 7. Close contacts who are using the antigen tests still need get a PCR test on day 5 through NSHC to return to school.
- 8. If the close contact develops symptoms at any time, they stop the "test to stay" protocol and visit the NSHC testing center or Cough/Cold Clinic testing center.

- 9. The antigen test only allows for school attendance. Students should quarantine from interaction with the community (socializing with students outside of school, attending family or community events, visiting grocery store, etc.)
- 10. Other uses of the antigen test as a screener will be considered as supply allows.

For now, the test to stay protocol is primarily established for <u>unvaccinated close contact</u> <u>quarantine situations</u>. As we get more guidance from CDC and the state medical team, it may become a tool to use for symptomatic students who we think are not covid related.

As CDC or NSHC/Public Health guidance changes, this protocol will be updated.

Updated as of 12/30/21
