#### **SCHOOL BOARD COMMUNICATION**

**Title:** Approval of FY23 Calendar

Date: February 24, 2022

Administrator: Jamie Burgess, Superintendent

**Attachments:** FY23 Calendar Options

#### BACKGROUND INFORMATION

The District Calendar Committee held several meetings beginning in early Fall to learn about the various factors that must be considered when developing a school calendar, review prior year calendars and other district calendars, and to begin drafting potential calendars. The committee conducted a total of three community surveys, utilizing every potential avenue to reach as many community members as possible.

After careful consideration, the Committee would like to submit three possible calendars for the Board to select from.

Option A takes into account the fact that over 50% of the respondents to the first survey (which had the best response rate) indicated an interest in an EARLIER start to the school year. The year also ends a week earlier. Option A is the most popular option for students, but would make subsistence participation problematic for teachers.

Option B is similar to our current calendar, but moves winter break into a mid-week begin/end to allow for lower airline rates

Option C offers a post Labor Day start, but ends well into June. There is an additional cost to the District of approximately \$30-\$40,000 for this calendar, as there is an additional paid holiday (Memorial Day) plus some additional days for classified/admin staff.

Option A and B were equally selected on the second survey sent to the community (Option C from that survey was eliminated). Option A and the post Labor Day option were fairly equal on the final community survey.
