**OPPORTUNITY FOR PUBLIC COMMENT ON AGENDA/NON-AGENDA ITEMS**

NEA representative for the teacher's union, Jennifer Shreve said teachers felt their voices weren't heard regarding the FY23 school calendar. Mrs. Shreve listed the percentages of teachers votes for the calendar options they preferred; option A had the most votes. Mrs. Shreve also shared teachers comments with the school board regarding the FY23 school calendar.

NBMHS Student Representative, Guadalupe Callahan felt that student voices weren't being heard regarding the FY23 school calendar. Ms. Callahan mentioned that the school calendar had been an ongoing issue since her Sophomore year about three years ago. Ms. Callahan also said that students preferred option A for the school calendar and urged the school board to listen to them. Ms. Callahan shared a student comment regarding moose hunting season during the school year and how there is subsistence leave available to students to excuse them for subsistence activities.

Classified staff representative for the Calendar Committee, Jim Shreve said it was the most involved the community had ever been in responding to Calendar Committee surveys. Mr. Shreve listed the percentages of overall votes for the FY23 school calendar options and option A had the majority vote by 52%. Mr. Shreve also added the option for a calendar that had the school start date after Labor Day. The response when voted on was very poor so the option was removed.

## **Public Comment Statement**

The Board of Education welcomes community member input during meetings about issues on or not on the agenda. The Board is not able to respond directly to you during Public Comment; the Board may decide at the end of the meeting during Board Member Comment to discuss your topic at a work session, regular meeting, or direct the Superintendent to look into a situation further.

The Board may not speak about subjects that are protected by legal confidentiality such as specific student discipline issues or personnel issues that could disparage or slander district employees.

The general guideline is approximately three minutes per speaker; however, additional time is allowable if needed. When you speak to the Board, please state your first and last name for the record.

1. COVID Update: Cases dropped very rapidly through the month of February, mirroring the trend across the country and the state; however, at the very end of the month, we saw a very sharp spike in cases, and Nome Elementary had to close for an entire week due to severe short-staffing. Despite the CDC's recommendation to relax mask-wearing in areas with dwindling case numbers and the City's rescinding of their mask mandates, the District will continue all of its COVID mitigation efforts for the time being until Iditarod season is over, basketball season ends, and some time elapses past spring break, with the hope that cases will once again become low. At that time, we will consult with our Health Advisory Team about possibly lightening some of our COVID measures.

Vaccination rates remain stagnant, and are still fairly low for young children. We have implemented our Test to Stay protocol, and now have plenty of home tests available.

2. NSEDC Board Discretionary Award – We would like to thank The Norton Sound Economic Development Corporation for awarding our Nome-Beltz 8<sup>th</sup> Graders a \$9,000 grant towards the travel costs of their Washington DC Close-Up trip. Ms. Jill Peters has worked tirelessly to help students fundraise and completed the grant application for NSEDC. Our community continues to be extremely supportive of our youth programming, and we are excited to see this event once again be available to our students.

3. Grant Search – I am currently hoping to partner with NEC or Kawerak on an ANA or ANEP grant to find a Cultural Curriculum Specialist as a short-term (two or three year) position. This individual could work with our staff on getting curriculum written and digitized, and incorporate Alaska Cultural Standards and culturally relevant/appropriate activities and suggestions into unit plans. In addition, locating and organizing physical and digital cultural teaching resources and developing a list of local culture bearers who would be willing to come into schools and work side by side with teachers could be accomplished. Much of this work has been done in past years, but working to find ways to ensure the products are made permanent for subsequent years of staff as well as providing professional development would be a worthwhile investment.

4. Hiring Update – We are pleased to see some headway in hiring new staff, and contracts are coming in from returning staff. We are disseminating information on Culture Camp for next year and hope to have a robust turnout from both new and returning staff.

5. 2022-2023 Budget Draft #2 – Mr. Jim Shreve has worked hard to adjust the technology budget in order to be able to double our bandwidth for the coming year. This will allow us room for projects such as our DDC control system upgrade, upgraded WiFi access points and network switches, increased number of devices, and increased internet use as we become more paperless.

Juneau Outlook – There are several bills currently making their way through the legislature which could potentially impact education funding. HB272 would increase the Base Student Allocation (BSA), and its companion bill HB273 attempts to “inflation-proof” the BSA by

Nome Public Schools  
Superintendent Report  
Jamie Burgess  
March 8, 2022

increasing it when the Consumer Price Index (CPI) increases. HB259 attempts to provide a predictable funding stream through a designated POMV (percent of market value) of income of the Alaska Permanent Fund earnings reserve account. It is difficult to predict whether any of these bills will successfully become law during this legislative session. The House Finance Committee is currently hearing testimony on its version of the Operating Budget, which includes a one-time addition of \$50M to education funding outside of the BSA (would result in an increase of approximately \$150-175K for our budget), and funding for Major Maintenance Projects. However, the best outcome for schools is a permanent increase to the BSA and a significant increase to funding for Major Maintenance to address the years of deferred maintenance and construction. I will continue to provide public and invited testimony wherever I can on these issues to the Legislature, and to have conversations with Senator Olson and Representative Foster and their staff when I visit Juneau at the end of March.

City of Nome Contribution – I am in the process of scheduling a phone call to City Manager Glenn Steckman to discuss the requested increase to the City's contribution. Mr. Steckman sounds very open to the idea, and we will have an opportunity to discuss this further with the City Council at our Joint Work Session in April. This would bring the City's contribution to approximately 85% of their maximum if our enrollment stays at its current level.

Outside/Grant Funded Positions – I will have an additional sheet for the Joint Work Session showing which of our current positions are funded by non-competitive grants (Title I-A, Title I-C, Indian Education, etc.), other grants (COVID), and outside entities (NEC, SNC donations, etc.) to help the City and our partner organizations see how we rely on these types of funding separate from our general funds to provide intervention and cultural programming for our students.

Health Insurance – One item of significant concern is that we are hearing that most insurers in the market are predicting good-sized premium increases in the coming year due to the pandemic. Costs of COVID treatment, often including long-term stays in the ICU, combined with the effects of delayed treatment of other healthcare conditions in individuals due to hospitals filled with COVID patients or healthcare providers becoming ill themselves meant insurance companies saw significant losses in recent years. We are going out to bid in the hopes of finding a better deal for our employees or encouraging our current healthcare provider to reduce their predicted premium increases rather than lose us as a client. NPS pays 85% of the healthcare premiums for our employees, who pay the remaining 15%. Large premium increases are not good for the budget of either the District or our employees.

Re: 2022 Board Discretionary Award – Nome 8<sup>th</sup> Grade Washington D.C. Trip

Dear Ms. Burgess,

Norton Sound Economic Development Corporation's (NSED) Board Member representing the community of Nome, James Sherman, has awarded the Nome Public Schools (School) \$9,000. This award is for suicide, substance abuse and/or alcohol abuse prevention activities in Nome, specifically for the 8<sup>th</sup> grade trip to Washington D.C. as described in the 2022 Funding Agreement signed by Ms. Jill Peters and Mr. Sherman.

NSED does not require the School to submit back-up documentation related to the expenditure of this award and trusts the funds to be administered and spent in good faith as agreed upon. If you have any questions, please contact Leslie Ladegard, Community Benefits Specialist, at [lladegard@nsedc.com](mailto:lladegard@nsedc.com) or (800) 650-2248.

Sincerely,

Janis Ivanoff

Members of the Board of Education  
Nome Public Schools  
Nome, Alaska 99762

The Nome Public Schools (District) is pleased to present you with the budget for the fiscal year 2023. The budget document is the primary document that communicates the District's plans for spending in the ensuing fiscal year, and it also details its organizational goals and objectives in monetary terms. The District is required to prepare and approve a balanced budget and submit it to the City of Nome by May 1<sup>st</sup> and to the Department of Education & Early Development by July 15<sup>th</sup> each year. A balanced budget is defined as revenue budgeted at least the same as, or more than, the budgeted expenditures or use of fund balance.

In presenting the FY2023 Budget document, we may discuss the instructional, operational, and financial plans in an open forum. We believe community interaction and input between stakeholders leads to improvements benefiting the education of children at Nome Public Schools. The administration of Nome Public Schools has reviewed and discussed its plan for the FY2023 school year in terms of what can be accomplished within the bounds of a balanced budget.

Budget development and analysis is always a work in progress. Changes will occur in FY2023 when salaries, benefits, and foundation funding are finalized.

## Organizational Component

The City of Nome was incorporated in 1901 as a first-class city under the laws of the Territory of Alaska. The City operates under council-manager form of government and performs municipal duties allowed by Alaska Statutes and as directed by its residents.

The Nome Public Schools is a component unit of the City of Nome and is organized under Title 29.42.030 of Alaska Statutes as amended. The City has delegated the administrative responsibility for these functions to the Nome Public Schools Board of Education. The School Board is governed by a five-member school board with members elected by district and complemented by a non-voting student representative.

## Budget Process

**Alaska Statute 14.14.065. Relationship between city school district and city.** The relationships between the school board of a city school district and the city council and

executive or administrator are governed in the same manner as provided in AS 14.14.060. AS 14.14.060 (c) states “except as otherwise provided by municipal ordinance, the borough school board shall submit the school budget for the following year to the borough assembly by May 1 for approval of the total amount. Within 30 days after receipt of the budget the assembly shall determine the total amount of money to be made available from local sources for school purposes and shall furnish the school board with a statement of the sum to be made available. If the assembly does not, within 30 days, furnish the school board with a statement of the sum to be made available, the amount requested in the budget is automatically approved. Except as otherwise provided by municipal ordinance, by June 30, the assembly shall appropriate the amount to be made available from local sources from money available for the purpose.

The District’s School Board approves a budget timeline which includes opportunities for presentation to the public. Below is the FY2023 budget timeline.

## **General Fund Revenues and Expenditures**

Below are the assumptions used to develop the budget.

### ***Revenue Budget***

We have developed this budget based on assumptions about legislative funding for FY2023. This budget assumes that we will be flat funded at \$5,930 per base student allocation (BSA)

with no cuts to Basic Need or any part of the foundation formula itself. We are budgeting for a \$3.1M City of Nome appropriation.

In the State of Alaska, the number of students enrolled in a district during the 20-day count period is the basis for computing the Average Daily Membership (ADM) that is used to calculate the amount of state funding provided to each district.

Revenue projection of **\$14,846,259**:

- ❖ Enrollment projected at 665 students
- ❖ 90% of the BSA for Correspondence students – 20 projected
- ❖ Intensive students (13 x's the BSA of \$5,930) – 12 projected
- ❖ Hold Harmless 3<sup>rd</sup> Year – 25% of Base Year
- ❖ ISER Area Cost Differential of 1.45
- ❖ Career & Technical Education (CTE) Factor – 1.015
- ❖ Special Needs Factor – 1.20
- ❖ Base Student Allocation (BSA) - \$5,930
- ❖ TRS On-Behalf and PERS On-Behalf – zero net effect against on-behalf expenditures
- ❖ City appropriation is budgeted at \$3,100,000
- ❖ Impact Aid estimated at \$35,200
- ❖ **E-rate estimated with 90% discount rate on internet bills - \$1,338,461**
- ❖ Other Revenues projected at \$385,000 (includes dorm rent, local contributions, gate fees)
- ❖ **Utilize unreserved fund balance - \$878,826**

## *Expenditure Budget*

Below are the expenditure highlights and other considerations for FY2023. This budget includes:

- ❖ Annual step increases/salaries updated.
- ❖ A 5% increase to health insurance in anticipation of rising premiums.
- ❖ Other employer-paid benefits remain status quo – 22% for PERS & 12.56% for TRS.
- ❖ Staffing based on a combination of needs-based and overall monetary availability per revenue and expenditure assumptions.
- ❖ A 3% increase to all utility budgets.

## **Nome Elementary School**

- ❖ Retained same staffing levels as FY22.
- ❖ Decreased supply budget by \$10,000 & textbook budget by \$80,000.
- ❖ PERS/TRS On-Behalf decreased by \$154,668.

## **Anvil City Science Academy**

- ❖ Decreased supply budget by \$7,800.
- ❖ PERS/TRS On-Behalf decreased by \$28,531.

## **Nome-Beltz Middle High School**

- ❖ Increased staffing by 0.50 FTE – Middle School Generalist.

- ❖ PERS/TRS On-Behalf decreased by \$145,590.

## Districtwide

- ❖ Increased Indirect Cost Recovery budget.
- ❖ Transfer to Food Service status quo at \$75,000.
- ❖ Transfer to Pupil Transportation status quo at \$40,000.
- ❖ Transfer to CIP reduced to \$200,000.

We thank you for your consideration of the FY2023 budget.

Sincerely,

Jamie Burgess

# **Student Representative Board Report**

## **March 2022**

The 3rd quarter of the 2022 school year is approaching fast with the anticipation of spring break and iditarod on almost every student's mind. With the winding down of the semester also comes along the winding down of many classroom activities and sports. Our boys basketball team held their last home game two weeks ago by celebrating senior night and back to back against the opposing team, Bethel Warriors. Our ladys will be holding their senior night this upcoming weekend against the girls Unalakleet Wolfpack. Along with our lady nanooks senior night, the game will also host senior night for the cheer team as they cheer their last home court game.

Many other clubs in our school have been starting some interesting activities and or volunteer opportunities. Our local student council at Nome Beltz has picked up a project that involves making a group made commercial to possibly be aired during the Iditarod/Knom to encourage families to screen their kids young. The council has picked up the project to hopefully encourage families who are curious or concerned about their children's brain development by adding some new age spice to it. The commercial should be done sometime around spring break and will be aired around the region as soon as possible.

Along with students at Nome Beltz picking up projects to do around school and our community include the junior class of Nome Beltz picking a theme for this year's 2022 Prom; Throwback!! The exact details on how prom will be held are still in their air with talks of handling prom the same way the school held it last year. (Negative Covid Test and Masks) The final call on the regulations for the dance will all come down to the rates of covid cases we have in our region and or town.

Another group oriented project that will be happening soon is a school trip to Hawaii for an educational trip sponsored by UAF. The trip includes a total of 17 students

participating from out of school to go and learn about many historical sites and peoples on a five day trip. The trip includes many activities like visiting places like Pearl Harbor Memorial and much more. The trip is scheduled to take place April 10-15 and the group will follow along the covid regulations the state of Hawaii has in place in order to keep people safe and healthy.

With the end of february, comes the start of the NYO 2022 season. This year NYO state is scheduled to be in person this year since the covid pandemic put a halt to the NYO teams travel and season. Senior and two time NYO athlete Della Medlin says that “I'm excited to participate in games in person this year as a final closing to my senior year. I see it as making up for the past two years of the NYO state being virtual, it just is not the same as it is in person.” The first NYO practice of the season was held February 28th at the elementary school and will continue until the scheduled state dates.

And with that I give you the report for the month of february and can't wait to report at the next board meeting, Thank you!

March 3, 2022 (February Report)

Dear Board Members,

I write to you today from the lonely land of the COVID Clan! It took two years, but the COVID Monster finally bit me. I am grateful to have a mild case, allowing me to be working from the guest bedroom at home (grateful to have a guest bedroom), and still running daily. Unfortunately, as you know, the Monster was not so liberal with many of our staff members. Cases have been moderate to worse, with strong lingering symptoms. We hope that this week-long closure will allow for staff to heal and recover, and students as well. It has been very frustrating for all involved, and we want to be back with our kid!

In the month of February we celebrated with eight Nanauyaat mascots posted in NES hallways –one for Ms. Ten Eyck’s class, one for Ms. Balice’s class, two for Ms. Secor’s class, one for Mrs. Stang’s class, one for Mrs. Bourdon’s class, one for Mrs. Erikson’s class, and one for Mrs. Marvin’s class. This reflects a total of 160 reading logs being returned between these classes. Ms. Secor’s class is now up to nine mascots. This is more than any class last year, so we had to come up with a new cheer! Raise the roof! We’ve got Reading Rockstars!

February 7 – 11 was a mad rush to complete MAP winter benchmark testing, but we did a fabulous job. There were only four students enrolled in that time period who did not complete all test sections. While assessing is not important – the consistent data it provides is. I am working with our State System of Support Coach, Leanne Mahalak, to look at this data in a variety of ways. We will also be having staff analyze the information in the coming weeks. As I stated at the last meeting, teachers and students were reflecting on noted growth and found much cause for celebration – so celebrate, they did!

Teachers hosted conferences with families February 18 & 21, primarily, but also on other dates. The coordination efforts of staff and families led to 71% of students being recognized in a conference, whether in-person, via telephone, or through Google Meet or Zoom. Poor weather conditions were a challenge for all parties on February 21<sup>st</sup>, which certainly impacted conference schedules, but on-going communication between teachers and families helps to mitigate the impact of a missed conference.

The Trauma Sensitive Schools Conference, hosted by Attachment Network Incorporated was held in Houston, TX, February 20 – 22, 2022, and attended by Nancy Bahnke, Leonard Lastine, and myself from NES. We were also joined by Rachel Ventress from the ACSA/Extensions staff. This conference provided a lot of rich and thought-provoking content. At times it felt overwhelming, but we did hit a few sessions that really provided

some solid guidance on a positive path forward in this work. There were also good opportunities for networking with school staff members across the country who can support us in our efforts.

Sealaska Heritage Institute hosted a Virtual Culturally Relevant Literacy conference on Saturday, February 26<sup>th</sup>. Janet Balice, Heidi Secor, Laurie Schoeberger, Leanne Mahalak, and I all participated. Again, there were wonderful keynote speakers and valuable breakout sessions highlighting the need for Indigenous Language in schools, and practical application of student-centered, place-based instruction. There was recognition for me of things that we are doing well, and great tips about more things we can incorporate and improve. Again, there was time to debrief and network with one-another, to hear the “take-aways” from other participants [including Jessica (Litera) Willis, for those who know her], which allowed even more ideas to be shared. The conference was very well done.

We are excited to have added Nicole “Neka” Sherman-Luce to our staff in the month of February! Neka is filling the role of Special Education Paraprofessional in our kindergarten classrooms. We are grateful to have her as part of our team!

In the month of February we had the following Inupiaq weekly phrases:

- Nasiaqsiq (February – time of the unborn seal);
- Ulikluu qiqan (Cover your nose – King Island dialect)
- Uumatim Ublua (Valentine’s Day)

and focused on the Inupiaq Values of:

- Love of Children – Nagguagiktut ilagit, and
- Respect of Elders – Utuqannat kammagiralui

## **NPS Strategic Plan Goal #2: Programs, courses and instruction reflect and incorporate local and indigenous identity.**

**2.1:** Implement programs and practices that support indigenous language revitalization.

**2.1.2** Indigenous language incorporation continues in morning announcements, Cultural Studies classes, the recitation of the Pledge of Allegiance in Inupiaq, and increased efforts at short conversational pieces between staff and students.

**2.1.3** As you know, we have two Inupiaq Immersion classrooms this year – Kindergarten and First Grade – serving 41 students.

**2.2:** Explicitly incorporate local knowledge in curriculum and classroom instruction.

**2.2.1 – 2.2.4** Looking to previous reports there is also little more to report for this section. It continues to be our area where greatest improvement is needed. We do have our on-line and hard-copy resource libraries, and the Cultural Relevance Committee works to develop projects that are easy for students and teachers to

incorporate. However, staff support and guidance are needed. Again, the Virtual Cultural Relevance Literacy Conference was a good optional opportunity as well.

**Coming Events:**

- Mar. 14-18: Spring Break
- Mar. 29 – April: AK STAR Testing (State Assessment)

**Statistics:**

(Nome Elementary) School was in session for 16 days in February.

- Our attendance rate was 78.9%.
- We served 2,244 student breakfasts, and 2,165 student lunches.
- 16** volunteers spent a total of 110 hours in NES classrooms during the month of February.

*Nome Elementary School provides a positive and welcoming environment where our culturally-diverse students, staff, and community members are valued through mutual respect, collaboration, safe interactions, and enriching experiences. Clear and high expectations serve as guidelines to reach success and wellness for all students in this rapidly-changing world.*

## **ACSA Board Report, March 8, 2022**

Lisa Leeper, Principal

### Enrollment / Attendance Update

- February had no changes to enrollment.
- We had a 90% student attendance rate for February.

### Classes and Activities

- February Student of the Month: Dylan Walrath, 5th grade
- ACSA students spent the first weeks of February preparing for their Student Led Conferences. This involved collecting artifacts, writing reflections, and practicing communication. Teachers lead the process, but student mentors eventually took on the responsibility of assisting and modeling. On February 18 and 21, ACSA students lead conferences with their families. The students discussed their third quarter progress and behaviors, showed examples of their work and projects, and shared their goals for the remainder of the year. Conferences were well attended with 90% of students having met with their family. Teachers were available throughout the conferences to speak with families or to help students when needed.
- During conferences, we took a survey of parents/guardians to see what types of communication platforms they use and how often. Most still prefer email and use it almost daily. We also asked how well their child was prepared for conferences, and most responded favorably.
- APC is currently reviewing student handbook policy. Parents, students, and staff are all invited to suggest revisions or additions to policy and have submitted ideas. Two areas of careful consideration have been attendance/make-up work policy and policy around redos on math assignments. Absences have affected operations and student progress to a greater degrees than in the past, and we want to be proactive about expectations and support.

- Mr. Collins continues to pursue his Masters Degree in Library Media Sciences with an emphasis on Indigenous perspectives. Please see the note at the end of my report that highlights some of the work being done.
- Students have been working hard to prepare for this year's science fair to be held Friday, March 9th at ACSA (qualifier to go to the state fair) and March 22 for combined ACSA/Beltz middle and high school students. Projects include a wide range of personal interests and creativity. Ms. Smyke did an amazing job of leading students through the scientific process using online log books and allowing each to study a topic of choice.
- Each of our students authored original poems this month and Mrs. Ventress submitted one authored by each of her students in the 27th Statewide Poetry Contest sponsored by the Fairbanks Arts Association. Three students earned recognition: Nevelo Hoogendorn - 1st place elementary, Jack James - Honorable Mention elementary, and Treydon Thomas - Honorable Mention middle school.
- Strategic Plan Goal #2 - Programs, courses and instruction reflect and incorporate local and indigenous identity.
  - This year's theme is Alaska Studies. Students have been involved in a range of studies and projects that reflect and incorporate local and indigenous identity. Literature studies has had included a variety of Native themes or Alaska history and several are written by Native authors.

Notes from Mr. Collins:

I am working towards my grad degree in Library Media Sciences with an emphasis on Indigenous perspectives through Montana State University. I was one of 8 applicants out of 82 from the state of Alaska to be chosen for the Laura Bush Award which completely covers the cost of my grad program. This past week and weekend I attended the Alaska Library Conference. A heavy focus was placed on increasing support for Native Alaskan libraries, collections and how our libraries and schools could support the Land Back movement. With my cohort, we had the opportunity to discuss the future role of librarians in our schools, how a teacher librarian can support curriculum needs (research continually shows education improvements for schools with a teacher librarian in place) and build collaborative environments that support a collective effort. I also had the opportunity to analyze my own class collection literature circle list for inclusion, complexity and diversity in content and genre. Through the classwork and projects I have completed I have completely rewritten our reading log system, rewritten our Literature Circle process and connected it to the reading logs, increased the diversity and representation of Alaska Native content (fiction and nonfiction) written by Alaska and Alaska Native authors as well as updated the City of Nome's library policies and procedures.

NBMHS Current Enrollment: 290

- The NBMHS Teacher of the Month: Grace D'Antonio
- The NBMHS Support Staff of the Month: Marilyn Jorgensen
- The NBMHS Students of the Month are high school senior Parker Kenick and middle school student Alora Stasenکو

**The following is a list of happenings that currently impact NBMHS:**

- We are in the process of interviewing candidates for three teacher openings and an assistant principal position;
- The main entrance mural created by students in Advanced Art is nearing completion; you have an open invitation to come see this incredible work! Additionally, student art work is being submitted for the Legislative Fly In, as well as to the Iditarod Art Show;
- The Nome-Beltz Drama Club is gearing up for live performance this spring;
- KNOM will resume a series of interviews on the Kids Show, Wednesdays at 3pm, to highlight student activities and accomplishments;
- Continued gratitude to the Bering Sea Lions Club for their donations of snacks for our after school tutoring program.

**Activities Wrap-up:**

- NBMHS' newly formed Ski Team will host its first home ski meet in early April. Teams from around the region will participate;
- High School Girls and Boys Basketball and Cheer will participate in the Regional Tournament in Kotzebue, March 11-12;
- Middle School Girls Volleyball completed their season with a trip to Valdez for a tournament;
- Boys and Girls Middle School Wrestling completed its season at the Tanana Classic the last week of February with Coach Erikson;
- Esports has begun their quest for a second consecutive spring state championship - the battle rages on!

- The NBMHS/ACSA annual science fair will be on March 22 in the school gym and everyone is welcome to attend;
- Five NBHS Educators Rising students competed in a state-wide competition the week of February 21. Results will be posted after the submission of this report;
- Congratulations to Phyllis Walluk for receiving her Type M and continuing as a Native Arts teacher at NBMHS.

**Goal Area #3: Students and families will be positively connected to their school, their community and their culture.**

- Communications
  - School staff continues to maximize the use of Remind for communications with parents, guardians, and students, who have responded positively to this endeavor.
  - Quarterly high school and middle school newsletters keep families informed on events, activities, and academics;
  - The School Climate and Connectedness Survey process has begun for families and students.
- Parent/Community Gatherings
  - Students working in Teacher Assistant positions made phone contact with every household in the Beltz community for a successful round of Parent-Teacher Conferences.
- Cultural Connections
  - Successful class offerings include: Seasonal Subsistence, Traditional Carving, and Drum making with expanded offerings at the middle school level.
  - Sig Topkok is teaching Introduction to Managing Tribal Governments, a dual-credit course. Other dual-credit courses being offered this term include: Environmental Science, Writing 111, and Medical Terminology.

## **Completed Projects**

Installed Windows 10 Pro on BootCamp Partitions of MacBook Air laptops to replace the 9 old Windows based devices that the identiMetrics software for Attendance and Meal service are installed on. We also replaced one of the ProMasterKey workstations with a BootCamp MacBook Air. This measure saves us approximately \$4,500 and gave the staff faster and more stable devices.

SecondLife Mac update. All of the iMacs we identified for this program were too old to make it worth shipping them out to the vendor. Our iMac count now exceeds 125 that are now earmarked for the E-Waste program this Spring / Summer.

Tech Department personnel attended Alaska Society for Technology in Education conference in virtual format 19-22FEB22.

Tech Department reaches new heights in providing internet services to Beltz Campus! During the wet snowstorm on 21FEB our microwave antenna became encrusted with snow and terminated the connection between NES and Beltz. Our Sys Admin, Tim Davies donned protective gear (harness, safety straps, glasses, etc) and made the 60ft plus climb to clear the antenna (see photos on page 4).

## **Current projects**

Preparing for the installation of approximately 2,500 feet of network cable to provide drops to mechanical rooms in support of the Districts Environmental Controls installation project.

SPED Equipment - the long awaited protective cases for the SPED iPads have arrived. We will begin the process of enrolling these devices into our Mobile Device Management solution to issue them to the SPED Teachers for student use. We are still awaiting quotes for the SPED interactive displays.

With the approval of the SY22-23 calendar I can continue updating PowerSchool Enrollment forms for New and Returning Students for the 2022-2023 School Year.

Evaluated the Tech Department budget and rearranged funding to increasing our bandwidth District wide from a total of 75Megabits per second (Mbps) to 150Mbps. This doubling of bandwidth should ease some of the strain on our network due to the continued increase in consumption through online curriculum, lesson delivery, and basic network loads for security cameras, environmental controls, etc.

## **Future Projects**

Update: **the two core switches on order have arrived, the remaining switches are supposed to ship around 07MAR2022**: Updates for Network Equipment (E-Rate Category II) - We ordered 17 Power over Ethernet (PoE) capable switches for the placement of Access Points in all classrooms. We receive 85% reimbursement for qualifying Category II equipment installed in school buildings with students under the E-Rate program. These switches will provide power and connectivity to our security cameras and other network connected peripherals throughout the district.

## **PowerSchool Online Enrollment**

There is no change in our PowerSchool Online Enrollment data. We are still tracking a total of 30 un-submitted returning student records (8 for NES and 22 for NBMHS) in our roster workspace. The Returning Student Registration form closed on 31JAN22. Efforts will now shift to updating the data for the New and Returning Student forms for 2022-2023 School Year.

**PowerSchool Student Information System Access data**

## Technology Web HelpDesk

Part of the Technology Department's duty is to maintain the Technology Web Help Desk for staff to request repairs, training and troubleshooting. In February we resolved 50 out of 60 (83.33%) of the tech requests submitted through the system. Our average response time was 2.6 hours and average resolution time was 2.1 day. We encourage staff to make use of this resource but many immediate needs are still handled outside of it.

### **Attended ESEA Conference in New Orleans, LA 2/16-19.**

This was my first ESEA Conference and my first in person conference in 2 years. (Facebook reminded me that it was EXACTLY 2 years, to the day, since I had traveled for a conference.) At the conference, I attended sessions regarding Title program policy information, how different Title funds can be spent, DOE compliance for the funds, where to find informational resources, and updates to Title funds. In addition, I attended sessions on Restorative Justice, parent engagement, and Exploratory Data Analysis. The session on Exploratory Data Analysis and how to use it to close gaps in equity of program delivery was really interesting. The session ran longer than the close of the conference, but I found it to be one of the more interesting sessions. We looked huge amounts of data and learned how the entire state of Kentucky is using this type of analysis to find deficiencies and successes in their districts. For example, during the pandemic a district using the EDA method discovered that Hispanic students were not logging into remote learning. Further drill down into the data showed that most all the students not logging in, lived in same apartment complex/neighborhood and it just happened, they were also Hispanic. The complex/neighborhood had little or no access to the Internet. A district supplied hot spot was added that allowed students in the neighborhood to log in and participate in on-line classes. Overall, it was a joy to connect with other educators from around the country (and a few from Alaska). I believe my attendance at this conference supports the work that I do for NPS.

**Attended District Test Coordinators Training in Anchorage 2/22-25.** See Assessments section for details (and your homework assignment).

### **Grants- Consolidated ESEA: Title I-A/Title I-C/Title II-A/Title IV; EASIE; and RLIS**

#### **Consolidated ESEA-**

#### **•Title I-C, Migratory Education-**

- Winter tutoring is ongoing at NBMS (three days a week) and at NES (twice a week).
- Lego Robotics will soon be starting for second semester at the middle school and elementary school levels. This semester Jason Brown is the lead at NES and Lisa Leeper is the middle school lead. Watch for details

#### **•Title IV-Student Support and Academic Enrichment-Districtwide-**

- The Recreational Ski Program continues to fulfill its mission of providing a non-competitive opportunity for students to participate in skiing. The trails are open to the public. As a reminder please do NOT ride snow machines on the trail.
- The piano purchased for NBMHS is still on back order... still.

**•JOM-Districtwide-**Ms. Keller and Mr. Payenna continue to provide culturally based curriculum to their students.

### **Assessments, Curriculum and Data/Reports-**

**•ACCESS 2.0 (aka WIDA)-**Sandi Keller is conducting WIDA testing at NES. WIDA testing began at NBMHS on March 1. Absences continue to plague assessment sessions. The WIDA test consists of four domains: reading, writing, listening, and speaking. At the HS level each domain takes a little over an hour. The majority of the assessment is completed online for all grades. However, the written portion for grades k-3 is completed using a paper-based booklet.

## •AK STAR-

- Alaska System of Academic Readiness- This new assessment developed by DEED and NWEA (the vendor for MAP Growth interim assessments).
- On March 2<sup>nd</sup> NBMSH staff participated in the first of 2 trainings in test administration. AK STAR window opens on March 28<sup>th</sup> and closes through April 29<sup>th</sup>.
- This is the last year it will be necessary to conduct Spring MAP Growth. Linking studies between MAP Growth and the new AK STAR require students to take both assessments in the spring of 2022. In the Spring of 2023 only one assessment will be required.
- Testing dates by school and grade (subject to change)

	Grade 3 ELA & Math	Grade 4 ELA & Math	Grade 5 ELA & Math and AK Science	Grade 6 ELA & Math	Grade 7 ELA & Math	Grade 8 ELA & Math and AK Science	Grade 9 ELA & Math	Grade 10 Science only

- Watch this video (1 minute, 16 seconds) <https://www.youtube.com/watch?v=4bSKBeQlrkA>
- Read through the attached 15 slides (3-5 minutes).

•**Extra credit-** peruse the AK STAR Student Readiness page on the DEED website which is available to the public at <https://education.alaska.gov/assessments/akstar/student-readiness>

•**Extra Extra credit-** Try one of the practice tests <https://nwea-ak-assessment.caltesting.org/inbrowser/index.html>  
Click on “practice tests” > under the “Year” drop down menu choose 2022 > under the “Grade” drop down menu select a grade level (without accommodations)> choose a subject under the “subject” drop down menu> and select “no accommodations.” There are accommodations, such as text-to speech, but the only practice test level available at the time of this writing is Grade 6. Here is a link to a 15-minute video designed for students to assist them in logging onto the practice assessments at their grade level. <https://vimeo.com/672021973/4d3ec642c2> The video gives further explanation on how to use the embedded test tools, like a calculator or a magnifier. Other tools allow students to flag questions and return to skipped questions before submitting the assessment. (This is the same webpage in the “Extra Credit” link listed above.)

•**MAP Growth-** Although the students will feel like they have been taking tests all semester, it is important that all stakeholders encourage them to continue to do their best on MAP Growth Spring assessments. The completion of these assessments is important. NWEA will use MAP Growth scores in linking studies to set AK STAR scores.

# AK STAR IS AN INNOVATIVE & BALANCED SOLUTION

- ★ A more **holistic** system including interim (MAP Growth) and summative assessments (AK STAR) that produce actionable data for teaching and learning
- ★ A **growth-oriented** approach that recognizes and celebrates student growth and school achievement.
- ★ An **adaptive** design to create a more personalized testing experience for each student
- ★ A more **efficient** system that reduces overall test events, while producing valuable data - summative proficiency scores and RIT scores

# WHAT

★ In spring 2022, students will take both assessments and reports will show MAP Growth norm-referenced performance (RIT score) and summative proficiency scores to be used for accountability.

★ MAP Growth is administered according to the district testing schedule

★ AK STAR is administered during the state testing window

# WHAT

- ★ Beginning in 2023, students will take MAP Growth in fall and winter and the AK STAR summative in spring.
- ★ The AK STAR spring summative assessment's adaptive design will give each student a unique testing experience that produces both a RIT growth score and a proficiency score.

# WHO

# WHO

★ Alaska students in grades 3-9

# WHEN

# WHEN

- ★ The statewide test window for AK STAR summative assessment is March 28 – April 29, 2022.
- ★ Districts may administer the spring MAP Growth assessment in their regularly scheduled interim testing window.

# WHY

# WHY

- ★ AK STAR is an innovative, balanced assessment system that aims to change the way we think about assessment and instruction across Alaska.

# AK STAR INTENDS TO:

- ★ produce more actionable data for teaching and learning,
- ★ recognize and celebrate students' academic progress,
- ★ create a more efficient testing experience, thus maximizing classroom instruction time,
- ★ capitalize on useful tools like MAP Growth , and
- ★ streamline the student testing experience by reducing the number of tests students take to MAP Growth in fall and winter, and the AK STAR summative in spring (beginning in spring 2023).

# IMPORTANCE OF STUDENT PARTICIPATION - SPRING 2022

- ★ Linking study between MAP Growth & AK STAR summative
- ★ Inform instructional & resource decisions
- ★ Influence policy
- ★ Accountability

## **MEMORANDUM**

To: Board of Education  
Thru: Jamie Burgess, Superintendent  
From: Genevieve Hollins, Contracted CFO  
Alaska Education & Business Services, Inc.  
Date: March 2, 2022  
Subject: **Financial Narrative**

---

### **2<sup>nd</sup> Draft FY2023 Budget**

The 2<sup>nd</sup> Draft FY2023 budget is included in the board packet. The major change on this draft is that the technology department was able to maneuver their budget to accommodate increased bandwidth. The District receives a 90% discount on internet so the majority of the increase was offset by e-rate revenues. The increase in expense on the telecommunications side was offset by a reduction in technology supply budget.

### **Standard Operating Procedure (SOP) #3**

Attached you will find SOP Number 3 – Worker’s Compensation Claims.

All administrative staff are required to familiarize themselves with the SOPs and acquaint the staff they supervisor with the procedures pertaining to their job responsibilities.

### **What are SOPs and why do we need them?**

Standard Operating Procedures are a vital document used by the District and specifically the Business Office. They ensure a uniform procedure for processes within the District. This ensures that internal controls are in place for the carrying out of tasks and that the same processes are continued regardless of turnover in positions. The SOPs guide personnel in the proper procedures to go about daily tasks, especially those that relate to financial matters in some form. They work harmoniously as an extension of Board Policy but do not supersede or circumvent Board Policy. Each SOP will have a section at the end that details the appropriate BPs to review that form the basis of the applicable SOP. Following SOPs ensures that Board Policy is met by detailing more specifically how tasks should be performed, by whom, and who has the supervisory authority. SOPs should ‘stand the test of time’, should be easy to read, understand, and liftable.

### **Audit & SOPs**

Auditors receive a copy of the SOPs each year and they review them against actual practice. They start each audit with a detailed question/answer session with the Business Manager, who details from start to finish all business-related processes.

An example question from an auditor is: *Tell me the process when someone wants to purchase a supply. What occurs?*

We then must detail how our processes work from obtaining approval by a supervisor, entering the information into a requisition in the accounting software, budget supervisory approval, business manager approval, Superintendent approval, Purchasing Clerk review and generating a Purchase Order, sending a copy of the PO to the vendor and one to the requestor, waiting for items to arrive, receiving processed by the Purchasing/Receiving Clerk, invoice received, reviewed and approved by the budget supervisor, Business Manager (and Superintendent when applicable), enter for payment, submit check register to the Business Manager for review, payment issued, ACH uploaded, and so on.

Then the auditors will pull samples and will review backup which will need to show the above process being followed time and again. If there is a deviation from SOP it causes a red flag and auditors will request additional samples to see if deviation from SOP occurs frequently. If it does, then audit finding(s) may be issued if internal controls are lacking over the processes relating to financial matters.

### **When were these SOPs originally established?**

SOPs for the Nome Public Schools were initially written and effective July 1, 2018 and were reviewed by the then Superintendent, Business Manager, Payroll Clerk, and Purchasing Clerk. They were submitted to the Board, posted to the District website, and hard copies were dispersed to the principals at each site.

### **How often are SOPs reviewed for accuracy & who reviews them?**

Review of SOPs occurs at least annually or as changes are needed. Personnel who are and have been involved in the review of SOPs include:

- Business Manager - responsibility to generate the SOPs, edit the SOPs, solicit feedback when needing to edit an SOP, sending to IT to post on District website.
- Superintendent - responsibility is to ensure Board Policy is followed; SOPs are the document that detail the instructions on how to carry out business to ensure this occurs.
- Purchasing/Receiving/AP Clerk - reviews all financial-related documents applicable to their duties to ensure what is written is what is actually occurring.
- Payroll Clerk - reviews all financial-related documents applicable to their duties to ensure that what is written is actually occurring.
- Human Resources Director - reviews all documents applicable to their duties to ensure that what is written is actually occurring.
- Administrative Assistant - reviews procedures applicable to their duties and provides feedback when necessary.

### **Frequently Asked Procedural Questions that SOPs Answer**

- Can you give me a step-by-step procedure for how leave requests are processed? SOP No. 26
- Are we allowed to borrow an item from the school? SOP No. 17
- What is the procedure for disposal of assets? SOP No. 19
- Can we fundraise for a student trip? If so, what are the procedures? SOP No. 16, No. 29

- Can we perform a raffle? What do we need to do? SOP No. 29
- What do we do when we receive cash? SOP No. 14, No. 15, No. 16
- What are the procedures for student travel? SOP No. 8
- Can I ask for a payroll advance? SOP No. 4
- How do we handle our petty cash account? SOP No. 9, No. 15
- What do I do if an employee is hurt on the job (i.e. worker's comp)? SOP No. 3
- How do I order more supplies for my classroom? SOP No. 5

**SOP No. 3**

WORKERS' COMPENSATION CLAIMS

1. PURPOSE: To establish uniform procedures for handling all job-related injury or illness, to protect the District, and to insure the injured employee receives all benefits to which he/she is entitled.
2. AUTHORITY: Superintendent or designee
3. RESPONSIBILITY: The Superintendent or designee, Human Resources Director, all principals and/or supervisors
4. TRAINING PROCEDURES:
  - a. The HR Director will inform each new hire of the reporting responsibilities and procedures for work-related injuries by giving them a copy of this SOP. Employees will sign a statement attesting that they have been informed of their rights and responsibilities for work-related injuries.
  - b. Each site must post a copy of the District's Certificate of (WC) Insurance in at least one location that is easily viewable by all employees of that site.
5. REPORTING PROCEDURES: The following are procedures for reporting work-related injury or illness:
  - a. An employee work-related death must be reported to OSHA (USDOL) within 8 hours of occurrence. An employee hospital admittance must be reported to OSHA within 24 hours.  
Phone: 1-800-321-OSHA (1-800-321-6742);  
Website: [www.osha.gov](http://www.osha.gov)  
OSHA reporting requirements: <https://www.osha.gov/report.html>
  - b. Employees must report injuries to their supervisor or designee immediately. This must be relayed to all employees for whom the Principal or supervisors are accountable. The supervisor is responsible for notifying the Superintendent or designee.

- c. The employee must complete the *Employee Report of Occupational Injury or Illness* form (State of Alaska Form 07-6100). This form is located on the Forms section of the District website or at <https://labor.alaska.gov/wc/forms/wc6100.doc>. If the employee is unable to complete the form, it must be completed by a designee, which may be a co-worker, witness, or family member who either has knowledge of the injury or can record the employee's narration of the event. Submit this form to the supervisor or designee.
- d. Upon receipt of an Employee Report of Occupational Injury or Illness, the Superintendent, supervisor, or designee must complete the *Employer Report of Occupational Injury or Illness* (State of Alaska Form 07-6101), including signing as the 'authorized employer representative'. This form is located on the Forms section of the District website or at <https://labor.alaska.gov/wc/forms/wc6101.doc>. This form must be completed and sent to the Superintendent or designee within **seven (7) days** from the date of injury, except as noted in paragraph (a) above.
- e. When the injured employee goes to a physician or hospital, he/she must inform the physician that it is a job-related injury so the physician will complete and mail a "Physician's Report of Injury."
- f. The injured employee will receive one copy of the completed claim form and must read all the instructions and information provided on the back of the form.
- g. Workers' compensation claims must be submitted to the Alaska Department of Labor and the District's Workers' compensation insurer within **ten (10) days** of the injury. A completed copy of the workers' compensation form must be filed in the employee's HR health file and a copy must be sent to payroll.
- h. Retain Workers' Compensation records as required by ASLAM/DEED Records Retention Schedule (see REFERENCES below).

#### 6. GENERAL PROCEDURES:

- a. A physician's release is required for an employee to be absent from work and before an employee may return to work due to a work-related injury if medical attention was obtained. This protects the employee from potential reinjury.
- b. Workers' Compensation will reimburse the injured employee for expenses incurred in going to a physician or hospital. The employee should keep all receipts and submit them to the current Workers' Compensation insurance carrier if the physician or

hospital doesn't submit them on the employee's behalf. The first three days off work as a result of work-related injury may be charged against the employee's accrued leave or leave without pay, according to the CBA.

- c. The supervisor should continue to submit timesheets to the Payroll Technician for the injured employee, showing no hours worked, and that the employee is receiving Workers' Compensation from the insurance carrier and is not receiving pay from the District. (It is unlawful to receive pay from both the Employer and Workers' Compensation insurance carrier.)
- d. The employee will not be compensated for lost salary by Workers' Compensation if their injury resulted in work absence of 3 days or less. In that case a sick leave or personal leave form should be completed.
- e. If an employee misses more than 3 days of work, Workers' Compensation pays approximately 66% of their regular salary for the days absent due to the injury (Worker's Compensation benefits are not taxed). It is unlawful for an employee to claim both sick leave and be paid from their employer for the days absent due to an injury and claim Workers' Compensation for those days and be paid by the Workers' Compensation insurance carrier. (It is unlawful to receive pay from both the employer and the Worker's Compensation carrier.)

# Instructions for EMPLOYEE REPORT OF OCCUPATIONAL INJURY OR ILLNESS TO EMPLOYER

## TO THE EMPLOYEE

**You must complete and sign** this form. Keep a copy of the completed form for your records, and immediately give this form to your employer. You should notify your employer immediately, but no later than 30 days after your injury occurred or illness began.

The employer will notify their insurer, their claims administrator, and the Division of Workers' Compensation of your injury.

After obtaining medical treatment, tell your health care provider's office to submit the required "Physician's Report" (8 AAC 45.086) to your employer.

You will not be paid compensation for lost wages for the first three (3) days off work unless your disability lasts more than 28 days. The first installment of compensation becomes due on the 14th day after the employer has knowledge of the injury, illness or disease. After the first payment, you should get a check every two (2) weeks while you are disabled. If you have not received payment within 21 days from the date you were injured or became ill, contact the insurer or adjuster first. If you have any questions or problems, contact the Division of Workers' Compensation office nearest you (contact information listed below). If you are off work for three (3) or more days, you will need to provide additional information to your employer's claims adjuster regarding your wages, marital status, and number of dependents.

If you believe your work-related injury or illness will keep you from returning to your job at the time of injury, you may need retraining. The training benefits to which you may be entitled, and how you go about getting them, depend on your date of injury. If you are off work for 45 days, contact the division office in Anchorage to learn more about your rights for reemployment benefits. You may also refer to the Reemployment Benefits section of the "Workers' Compensation and You" brochure available at the Division's internet web page:

[www.labor.state.ak.us/wc](http://www.labor.state.ak.us/wc)

## TO THE EMPLOYER

The information on this form (07-6100) and the information on form 07-6101 must be submitted to the Division of Workers' Compensation immediately and in no case later than **ten (10) days** after you have knowledge that your employee has been injured, or claims to have been injured or become ill while working for you.

Failure to file these reports within the required time may subject you and/or your insurer to a penalty equal to 20 percent of the amount of compensation due to the injured worker.

## OSHA REQUIREMENTS

**Report industrial deaths and accidents to the Division of Labor Standards and Safety.**

Alaska Statute 18.60.058 requires employers to report to Division of Labor Standards and Safety any employment accident which is fatal to one or more employees or which results in the overnight hospitalization of one or more employees. The report, which must be made immediately, but no later than 8 hours after receipt by the employer of information that the accident has occurred, must relate the circumstances of the accident, the number of fatalities, and the extent of the injuries.

Monday-Friday Alaska OSH (800) 770-4940 · 24-hour OSHA Hotline (800) 321-6742

*"Injury"* means accidental injury or death arising out of in the course of employment and an occupational disease, illness, or infection which arises naturally out of the employment or which naturally or unavoidably results from an accidental injury.

*"Injury"* does not include mental injury caused by stress unless it is established that (A) the work stress was extraordinary and unusual in comparison to pressures and tensions experienced by individuals in a comparable work environment, and (B) the work stress was the predominant cause of the mental injury. A mental injury is not considered to arise out of and in the course of employment if it results from a disciplinary action, work evaluation, job transfer, layoff, demotion, termination, or similar action taken in good faith by the employer.

## BACKGROUND INFORMATION

The Board of Education Policy Review Committee met on February 15, 2022 to review several policies for possible revision. BP0520 underwent some very minor edits to remove references to previous regulations that have sunset. Since the state's accountability program is likely to undergo some future significant overhauling in the near future, this Board Policy and the accompanying AR will need to be revised again as well. BP 1340 states that Alaska Districts will maintain records in accordance with the State of Alaska's Model Records Retention Schedule. The threshold for Micro-purchases defined in BP3311 must be revised due to changes in Federal Law. BP 6146.3 is adjusted due to the changes in state statute which no longer require students to take a college and career readiness assessment to receive a diploma. The District will continue to offer and encourage students to take these assessments, which include the ACT, SAT, WorkKeys and ASVAB assessments.

The following policies are now presented to the Board for a first reading approval.

BP 0520 School Accountability/School Improvement  
BP 1340 Access to District Records  
BP 3311 Bids  
BP 6146.3 College and Career Readiness Assessments

## ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the first reading of board policies BP 0520 School Accountability/School Improvement, BP 1340 Access to District Records, BP 3311 Bids, and BP 6146.3 College and Career Readiness Assessments.

**Sample Motion: I move to approve the first reading of board policies BP 0520 School Accountability/School Improvement, BP 1340 Access to District Records, BP 3311 Bids, and BP 6146.3 College and Career Readiness Assessments.**

## **BP 1340 ACCESS TO DISTRICT RECORDS**

The School Board recognizes that state policy provides broad public access to district records. Public access shall not be given to records exempt from public disclosure by state or federal law or by the Board based on the need of the district to maintain confidential information.

(cf. [3580](#) – *District Records*)

(cf. [4112.6/4212.6/4312.6](#) – *Personnel Records*)

(cf. [5125](#) – *Student Records*)

(cf. [9011](#) – *Disclosure of Confidential Information*)

(cf. [9321](#) – *Executive Sessions*)

Any person shall have reasonable access, during regular business hours, to the public records of the schools and district. The Superintendent or designee shall establish regulations to authorize and facilitate public access to district records in accordance with law, to protect the security of district records, and to prevent interference with regular district operations. Records shall be maintained in accordance with the State of Alaska Model Records Retention Schedule for Alaska School Districts.

The district may charge for copies of public records or other materials requested by individuals or groups. The charge, based on actual costs of duplication, shall be determined by the Superintendent or designee.

## **BP 3311 BIDS**

The district shall purchase equipment, supplies and services on a competitive bidding basis when required by law and whenever it appears to be in the best interest of the district to do so. The Superintendent or designee shall establish procedures to implement these requirements. Prior to any purchase, the District should review the federal funding award or grant to determine if it requires compliance with OMB's procurement procedures.

### **Purchases Made Under Federal OMB Funding Awards**

All bids under federal awards must be made in accordance with the standards set forth in [2 CFR 200.320](#), set forth below. One of the following five methods of procurement shall be used for each purchase under a federal award:

1. Micro-purchases: Less than \$50,000 (\$2,000 for purchases subject to the Davis-Bacon Act)
  - a. No competitive quotes required
  - b. Purchases should be spread among qualified suppliers
2. Small Purchases: Between \$50,000 and \$150,000
  - a. Rate quotes must be obtained from an adequate number of qualified sources
  - b. Quotes can be obtained from suppliers or from public websites
3. Sealed bids: Purchases more than \$150,000
  - a. Two or more qualified bidders are required
  - b. Bids must be publicly advertised and solicited from adequate suppliers
  - c. Lowest bidder for the fixed price contract with specific requirements shall be awarded the contract
  - d. Competitive Proposals: Purchases more than \$150,000
  - e. A written policy must be adopted for conducting technical evaluations of reviewing proposals and selecting the recipient
  - f. Sole Source: Purchases of any amount that meet one of the following four requirements
  - g. Good/service is only available from a single source
  - h. Only one source can provide the good/service in the time frame required
  - i. Written pre-approval from the Federal awarding agency
  - j. Competition is deemed inadequate, after solicitation attempts through one of the other methods

To ensure that good value is received for funds expended, specifications shall be carefully designed and shall describe in detail the quality, delivery and service required.

## **Minority Bidding**

When procuring contracts under federal awards set forth in [2 CFR 200.320](#), the District must take affirmative steps to utilize minority businesses, women's business enterprises, and labor surplus area firms when possible. Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs 1 through 5 of this section.

## SCHOOL BOARD COMMUNICATION

**Title:** Approval of Addendum to Alaska Education & Business Services Contract for Payroll Services

**Date:** March 8, 2022

**Administrator:** Jamie Burgess, Superintendent

**Attachments:** Addendum #1 to AKEBS Contract

<input checked="" type="checkbox"/>	<b>Action Needed</b>	<input type="checkbox"/>	<b>For Discussion</b>	<input type="checkbox"/>	<b>Information</b>	<input type="checkbox"/>	<b>Other</b>
-------------------------------------	----------------------	--------------------------	-----------------------	--------------------------	--------------------	--------------------------	--------------

## BACKGROUND INFORMATION

Due to the current employment market in Nome, the District has been having extreme difficulty finding qualified candidates to fill the Payroll Clerk position since the last individual left the position in November of 2021. The District has been utilizing a contracted individual through Alaska Education & Business Services since November on a temporary basis who has done an excellent job, and would like to make this service permanent through the FY23 school year. This would provide some stability and continuity to the position. Hopefully at the conclusion of the FY23 school year, the job market will have improved and the District can find a local qualified individual to fill the position at that time.

## ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the addendum to the Alaska Education & Business Services contract for the purpose of providing payroll services.

**Sample Motion:** I move to approve the addendum to the Alaska Education & Business Services contract for the purpose of providing payroll services.

## **ADDENDUM 1 to CONTRACT No. 2021-1004**

It is hereby understood that **Nome Public Schools (NPS)** has agreed to contract with **Alaska Education & Business Services, Inc. (AKEBS)** for the purpose of providing Payroll Services, as described in the Scope of Services on page 2. This is an Addendum to the existing Contract 2021-1004 between NPS and AKEBS.

### **PERIOD OF ADDENDUM:**

This Addendum shall be effective from February 1, 2022 through June 30, 2023.

### **PAYMENT:**

The above-described services will be performed by AKEBS at \$68,000 per year, or approximately \$5,666.66 per month.

Postage costs will be added at actual cost when payroll checks and vendor payments are mailed.

Payment will be made by NPS upon receipt of monthly invoice.

**Nothing contained herein is intended to establish an employee/employer relationship. No employee rights or benefits accrue as a result of performance under this MOA.**
