(Section 46a-60 of the [Connecticut General Statutes](#))  
AND  
TITLE VII OF THE CIVIL RIGHTS ACT OF 1964  
(42 United States Code Section 2000e et seq.)

SEXUAL HARASSMENT MEANS ANY UNWELCOME SEXUAL ADVANCES OR REQUESTS FOR  
SEXUAL FAVORS OR ANY CONDUCT OF A SEXUAL NATURE WHEN:

1. SUBMISSION TO SUCH CONDUCT IS MADE EITHER EXPLICITLY OR IMPLICITLY A TERM  
OR CONDITION OF AN INDIVIDUAL'S EMPLOYMENT;
2. [SUBMISSION TO OR REJECTION OF](#) SUCH CONDUCT BY AN INDIVIDUAL IS USED AS THE  
BASIS FOR EMPLOYMENT DECISIONS AFFECTING SUCH INDIVIDUAL; OR
3. SUCH CONDUCT HAS THE PURPOSE OR EFFECT OF SUBSTANTIALLY INTERFERING WITH  
AN INDIVIDUAL'S WORK PERFORMANCE OR CREATING [AN INTIMIDATING, HOSTILE, OR](#)  
OFFENSIVE WORKING ENVIRONMENT.

Examples of SEXUAL HARASSMENT include:

UNWELCOME SEXUAL ADVANCES  
SUGGESTIVE OR LEWD REMARKS  
UNWANTED HUGS, TOUCHES, KISSES  
REQUESTS FOR SEXUAL FAVORS  
DEROGATORY OR PORNOGRAPHIC POSTERS, CARTOONS, OR DRAWINGS.

Remedies for sexual harassment may include:

CEASE AND DESIST ORDERS  
BACK PAY  
COMPENSATORY DAMAGES  
HIRING, PROMOTION, OR REINSTATEMENT

RETALIATION AGAINST ANY EMPLOYEE FOR COMPLAINING ABOUT SEXUAL HARASSMENT IS PROHIBITED UNDER THIS POLICY AND ILLEGAL.

VIOLATION OF THIS POLICY IS GROUNDS FOR DISCIPLINE, INCLUDING DISCHARGE.

INDIVIDUALS WHO ENGAGE IN ACTS OF SEXUAL HARASSMENT MAY ALSO BE SUBJECT TO CIVIL AND CRIMINAL PENALTIES.

AN INFRACTION OF THIS POLICY BY SUPERVISORS OR CO-WORKERS SHOULD BE REPORTED IMMEDIATELY TO [TITLE IX COORDINATOR, OR SUPERINTENDENT IF THE TITLE IX COORDINATOR IS THE SUBJECT OF THE COMPLAINT]. CONFIDENTIALITY WILL BE MAINTAINED TO THE EXTENT POSSIBLE.

~~"Immediate supervisor" shall mean the person to whom the employee is directly responsible (e.g., Department Head, Building Principal)~~

~~"Sexual harassment" is defined as unwelcome conduct of a sexual nature, whether verbal or physical, including, but not limited to, insulting or degrading sexual remarks or conduct; threats or suggestions that an employee's submission to or rejection of unwelcome conduct will in any way influence an employment decision regarding that employee, or conduct of a sexual nature which substantially interferes with an employee's work performance, or creates an intimidating, hostile or offensive work environment, such as the display in the workplace of sexually suggestive objects or pictures.~~

~~Procedures~~

~~Employees who believe they have been subjected to sexual harassment are to report the incident to their immediate supervisor. Should the immediate supervisor be the alleged harasser, the report shall be made to the next level of management. Incidents of sexual harassment may be reported informally or through the filing of a formal complaint.~~

~~All reports of sexual harassment will be held in confidence subject to all applicable laws.~~

~~Consistent with federal and state law, the following procedures shall be employed in handling any report, investigation and remedial action concerning allegations of sexual harassment.~~

ANY EMPLOYEE WHO BELIEVES THAT HE OR SHE HAS BEEN HARASSED OR DISCRIMINATED AGAINST IN THE WORKPLACE IN VIOLATION OF THIS POLICY MAY ALSO CONTACT:

#### ~~Informal Complaints~~

~~Employees who believe they have been subjected to sexual harassment may request that an informal meeting be held between themselves and the appropriate supervisor. The purpose of such a meeting will be to discuss the allegations and remedial steps available. The supervisor will then promptly discuss the complaint with the alleged harasser. Should the harasser admit the allegations, the supervisor is to obtain a written assurance that the unwelcome behavior will stop. Depending on the severity of the charges, the supervisor may recommend that further disciplinary action be taken. Thereafter, the supervisor is to prepare a written report of the incident and inform the complainant of the resolution. The complainant is to indicate on the supervisor's report whether or not he/she is satisfied with the resolution.~~

~~If the complainant is satisfied with the resolution, the incident will be deemed closed. However, the complaint may be reopened for investigation if a recurrence of sexual harassment is reported. The supervisor is to inform the complainant to report any recurrence of the harassment or any retaliatory action that might occur.~~

~~If during the supervisor's informal attempt to resolve the complaint, the alleged harasser admits the allegations but refuses to give assurance that he/she will refrain from the unwelcome behavior, the supervisor is to file a report with the next appropriate level of management. The report is to indicate the nature of the complaint, a description of what occurred when the supervisor informed the alleged harasser of the allegations against him/her, the harasser's response to the allegations, and a recommendation that stronger corrective measures be taken. This report should be accompanied by a formal complaint.~~

~~Should the alleged harasser deny the allegations, the supervisor is to inform the complainant of the denial and state that a formal written complaint will be required for further formal investigation. The supervisor will file a report with the next level of management on what has transpired to date. If the complainant submits a formal complaint, a copy of it should accompany the supervisor's report with a recommendation for further action.~~

## ~~Formal Complaints~~

~~Formal complaints may be submitted either to initially report any incidence of sexual harassment, or as a follow-up to an unsatisfactory resolution of an informal attempt to resolve a complaint. In the latter case, the formal written complaint is to be submitted to the supervisor originally consulted, who will then forward it to the next appropriate level of management, e.g., the district's Business Official, the Superintendent, for appropriate action.~~

~~The formal written complaint will consist of any appropriate forms and a copy of any applicable supervisor reports. The appropriate forms solicit the specific of the complaint, e.g. date and place of incident, description of sexual misconduct, names of any witnesses, and any previous action taken to resolve the matter.~~

## ~~Investigating a Complaint~~

~~Upon receipt of a formal or informal complaint, a prompt, thorough and impartial investigation of the allegations must follow. This investigation is to be conducted diligently. Complainants are to be notified of the outcome of the investigation.~~

## ~~Remedial Action~~

AND/ OR:

~~If the investigation reveals that sexual harassment has occurred, appropriate sanctions will be imposed in a manner consistent with any applicable law. Depending on the gravity of the misconduct, these may range from a reprimand up to and including dismissal from employment.~~

~~Anyone subjecting complainants or witnesses to any form of retaliation will also be subject to disciplinary action in the manner prescribed by law.~~

~~If the investigation reveals that no sexual harassment has occurred, or if the complainant is not satisfied with the remedial action taken after a finding of sexual harassment, the complainant may appeal to the next appropriate level of management, e.g., the School Business Official, up to the Superintendent. The appeal must include a copy of the original complaint, all relevant reports, the specific action being appealed, and an explanation of why the complainant is appealing.~~

#### ~~Post Remedial Action~~

~~Following a finding of sexual harassment, victims will be periodically interviewed by the appropriate supervisory personnel to ensure that the harassment has not resumed and that no retaliatory action has occurred. These follow-up interviews will continue for an appropriate period of time. A report will be made of any victim's response.~~

#### ~~Complaint Records~~

~~Complainants should receive a copy of any resolution reports filed by the supervisor concerning his/her complaint. Copies should also be filed with the employment records of both the complainant and the alleged harasser.~~

#### ~~Investigation in the Absence of a Complaint~~

~~The Board, in the absence of a victim's complaint, must ensure that an investigation is commenced by the appropriate individuals, upon learning of, or having reason to suspect, the occurrence of any sexual misconduct.~~

#### ~~Training~~

~~Each year, or more frequently if the Board deems it appropriate, employees will receive training regarding sexual harassment and related matters pursuant to CGS 46a-54 (15). Such training may include a review of this policy and regulation, discussion, films or other activities.~~

*[Please note: this policy and accompanying Safe School Climate Plan have been updated to reflect Public Act 11-232. While the legislation requires the State DOE to recommend a model plan, we understand that the State DOE strongly encourages districts to have safe school climate plans that are specifically tailored to meet individual school/district needs, in addition to the legislative requirements. For that reason, we encourage districts to utilize Section X of the model Safe School Climate Plan to highlight the district and school specific initiatives in your district].*

Each school shall maintain written ~~complaints~~reports of bullying, along with supporting documentation received and/or created as a result of bullying investigations, consistent with the Board's obligations under state and federal law. Any educational record containing personally identifiable student information pertaining to an individual student shall be maintained in a confidential manner, and shall not be disclosed to third parties without written prior written consent of a parent, guardian or eligible student, except as permitted under Board policy and state and federal law.
- B. The Principal of each school shall maintain a list of the number of verified acts of bullying in the school and this list shall be available for public inspection upon request. Consistent with district obligations under state and federal law regarding student privacy, the log shall not contain any personally identifiable student information, or any information that alone or in combination would allow a reasonable person in the school community to identify the students involved. Accordingly, the log should be limited to basic information such as the number of verified acts, name of school and/or grade level and relevant date. Given that any determination of bullying involves repeated acts, each investigation that results in a verified act of bullying for that school year shall be tallied as one verified act of bullying unless the specific actions that are the subject of each report involve separate and distinct acts of bullying. The list shall be limited to the number of verified acts of bullying in each school and shall not set out the particulars of each verified act, including, but not limited to any personally identifiable student information, which is confidential information by law.

- C. The Principal of each school shall report the number of verified acts of bullying in the school annually to the ~~State~~ Department of Education in such manner as prescribed by the Commissioner of Education.

## **IX. Other Prevention and Intervention Strategies**

- A. Bullying behavior can take many forms and can vary dramatically in the nature of the offense and the impact the behavior may have on the victim and other students. Accordingly, there is no one prescribed response to verified acts of bullying. While conduct that rises to the level of “bullying”, as defined above, will generally warrant traditional disciplinary action against the perpetrator of such bullying, whether and to what extent to impose disciplinary action (e.g., detention, in-school suspension, suspension or expulsion) is a matter for the professional discretion of the building principal (or responsible program administrator or his/her designee). No disciplinary action may be taken solely on the basis of an anonymous complaint. As discussed below, schools may also consider appropriate alternative to traditional disciplinary sanctions, including age-appropriate consequences and other restorative or remedial interventions.
- B. A specific written intervention plan shall be developed to address repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual. This plan may include safety provisions, as described above, for students against whom acts of bullying have been verified and may include other interventions such as counseling, discipline, and other appropriate remedial or restorative actions as determined by the responsible administrator.
- C. The following sets forth possible interventions, which may also be utilized to enforce the Board’s prohibition against bullying:

i. Non-disciplinary interventions

When verified acts of bullying are identified early and/or when such verified acts of bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of bullying, its prohibition, and their duty to avoid any conduct that could be considered bullying. Students may also be subject to other forms of restorative discipline or remedial actions, appropriate to the age of the students and nature of the behavior.

If a complaint arises out of conflict between students or groups of students, peer or other forms of mediation may be considered. Special care, however, is warranted in referring such cases to peer

mediation. A power imbalance may make the process intimidating for the victim and therefore inappropriate. In such cases, the victim should be given additional support. Alternatively, peer mediation may be deemed inappropriate to address the concern.

ii. Disciplinary interventions

When acts of bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Anonymous complaints, however, shall not be the basis for disciplinary action.

In-school suspension and suspension may be imposed only after informing the accused perpetrator of the reasons for the proposed suspension and giving him/her an opportunity to explain the situation, in accordance with the Board's Student Discipline policy.

Expulsion may be imposed only after a hearing before the Board of Education, a committee of the Board or an impartial hearing officer designated by the Board of Education in accordance with the Board's Student Discipline policy. This consequence shall normally be reserved for serious incidents of bullying and/or when past interventions have not been successful in eliminating bullying behavior.

iii. Interventions for bullied students

The building principal (or other responsible program administrator) or his/her designee shall intervene in order to address incidents of bullying against a single individual. Intervention strategies for a bullied student may include the following:

- a. Counseling;
- b. Increased supervision and monitoring of student to observe and intervene in bullying situations;
- c. Encouragement of student to seek help when victimized or witnessing victimization;
- d. Peer mediation or other forms of mediation, where appropriate;
- e. Student Safety Support plan; and
- f. Restitution and/or restorative interventions.

iv. General Prevention and Intervention Strategies

In addition to the prompt investigation of complaints of bullying and direct intervention when acts of bullying are verified, other district actions may ameliorate potential problems with bullying in school or at school-sponsored activities. While no specific action is required, and school needs for specific prevention and intervention strategies may vary from time to time, the following list of potential prevention and intervention strategies shall serve as a resource for administrators, teachers and other professional employees in each school. Such prevention and intervention strategies may include, but are not limited to:

- a. school rules prohibiting bullying, harassment and intimidation and establishing appropriate consequences for those who engage in such acts;
- b. Adequate adult supervision of outdoor areas, hallways, the lunchroom and other specific areas where bullying is likely to occur;
- c. Inclusion of grade-appropriate bullying education and prevention curricula in kindergarten through high school, which may include instruction regarding building safe and positive school communities including developing healthy relationships and preventing dating violence as deemed appropriate for older students;
- d. Individual interventions with the perpetrator, parents and school employees, and interventions with the bullied student, parents and school employees;
- e. School-wide training related to safe school climate, which training may include Title IX/Sexual harassment training, Section 504/ADA Training, cultural diversity/multicultural education or other training in federal and state civil rights legislation or other topics relevant to safe school climate;
- f. Student peer training, education and support; and
- g. Promotion of parent involvement in bullying prevention through individual or team participation in meetings, trainings and individual interventions;
- h. Implementation of a positive behavioral interventions and supports process or another evidence-based model approach for safe school climate or for the prevention of bullying, including any such program identified by the Department of Education;

- i. Respectful responses to bullying concerns raised by students, parents or staff;
  - j. Planned professional development programs addressing prevention and intervention strategies, which training may include school violence prevention, conflict resolution and prevention of bullying, with a focus in evidence based practices concerning same;
  - k. Use of peers to help ameliorate the plight of victims and include them in group activities;
  - l. Avoidance of sex-role stereotyping;
  - m. Continuing awareness and involvement on the part of school employees and parents with regards to prevention and intervention strategies;
  - n. Modeling by teachers of positive, respectful, and supportive behavior toward students;
  - o. Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior by students in support of others;
  - p. Employing classroom strategies that instruct students how to work together in a collaborative and supportive atmosphere.
- D. In addition to prevention and intervention strategies, administrators, teachers and other professional employees may find opportunities to educate students about bullying and help eliminate bullying behavior through class discussions, counseling, and reinforcement of socially-appropriate behavior. Administrators, teachers and other professional employees should intervene promptly whenever they observe mean-spirited student conduct, even if such conduct does not meet the formal definition of “bullying.”

## **X. Improving School Climate**

~~A. Each school in the district has developed a School Improvement Plan, which includes a section on school culture. Within that section schools have identified their work in implementing PBIS (positive behavioral and intervention supports), which is a district-wide initiative to address school climate. PBIS works to increase student positive behaviors and reduce disciplinary referrals. All schools also have in place student assistance teams (SATs) to help address student specific academic and behavioral concerns. Additionally, each school analyzes student behavior referrals to determine types of behaviors that are frequent and to identify and implement strategies to teach pro-active behaviors to students. This is done by~~

~~classroom lessons at the elementary level, as part of developmental guidance lessons at Sage Park, and during advisory periods at the high school level. School climate surveys will be distributed to all parents, staff and students at each school during the 2012-13 school year, and thereafter every two years. These surveys will be compiled and analyzed by school, and the data gathered will be used to inform current practices and revise those practices based on the findings of the surveys. National School Climate Standards provided by the State Department of Education will be utilized to help inform each school's plan and the strategies developed and implemented as part of the school improvement plan for each school.~~

[Individual schools should use this section to outline affirmative steps to improve the quality of school climate as defined within a particular school and/or district. These strategies should align with school improvement plans, school climate assessments, and be based on current data available on the quality of school climate within the school and/or district including, but not limited to, the type, nature, frequency etc. of behavior that may constitute or lead to bullying, harassment or similar behavior. This section is intended to be broader in scope and should be targeted towards fostering positive school climate rather than exclusively preventing, investigating and otherwise responding to specific incidences of bullying.]

#### **XI. Annual Notice and Training**

- A. Students, and parents or guardians of students shall be notified annually of the process by which students may make reports of bullying.
- B. The Board shall provide for the inclusion of language in student codes of conduct concerning bullying.
- C. At the beginning of each school year, each school shall provide all school employees with a written or electronic copy of the school district's safe school climate plan and require that all school employees annually complete training on the identification, prevention and response to bullying as required by law.

#### **XII. School Climate Assessments**

~~On July 1, 2012, and biennially thereafter~~Biennially, the Board shall require each school in the district to complete an assessment using the school climate assessment instruments, including surveys, approved and disseminated by the Connecticut State Department of Education. The Board shall collect the school climate assessments for each school in the district and submit such assessments to the Connecticut State Department of Education.

**STUDENT ATTENDANCE AND TRUANCY**

~~5113~~

~~Attendance~~

~~1. The entire process of education requires regular continuity in instruction, classroom participation, learning experiences and study to maximize educational benefit for each student.~~

~~2. Accordingly, regular attendance is expected of all students. Attendance shall be a criterion for the granting of credit for courses.~~

~~3. The Superintendent of Schools shall develop administrative regulations to implement this policy.~~ Regular and punctual student attendance in school is essential to the educational process. Connecticut state law places responsibility for assuring that students attend school with the parent or other person having control of the child. To assist parents and other persons in meeting this responsibility, the Board of Education, through its Superintendent, will adopt and maintain procedures to implement this policy.

  - A. Any absence before the student's tenth absence, is considered excused when the student's parent/guardian approves such absence and submits appropriate written documentation; and
  - B. For the student's tenth absence and all absences thereafter, a student's absences from school are considered excused only for the following reasons

~~———— Attendance & Unexcused Absence — Grades K-8 —————~~

~~4. Truant - any student **who has four (4) unexcused absences** in any one month or ten (10) unexcused absences in any school year.~~

"Written Documentation" - includes a signed note from the student's parent/guardian, a signed note from a school official that spoke in person with the parent/guardian regarding the absence, or a note confirming the absence by the school nurse or by a licensed medical professional, as appropriate, that explains the nature of and the reason for the absence as well as the length of the absence.

#### B. Truancy Exceptions:

1. A student **five (5) or six (6) years of age** shall not be considered truant if the parent or person having control over such student has appeared personally at the school district office and exercised the option of not sending the child to school at five (5) or six (6) years of age.

2. A student **seventeen (17) years of age** shall not be considered truant if the parent or person having control over such student consents to such student's withdrawal from school. Such parent or person shall personally appear at the school district office and sign a withdrawal form indicating such consent. Such withdrawal form

must include an attestation from a guidance counselor or school administrator from the school that the district provided the parent (or person having control of the child) with information on the educational options available in the school system and community.

3. If a parent or guardian of an expelled student chooses not to enroll the student in an alternative program, the student shall not be considered to be “truant.”

#### C. Readmission to School Following Voluntary Withdrawal

1. Except as noted in paragraph 2 below, if a student voluntarily withdraws from school (in accordance with Section B.2, above) and subsequently seeks readmission, the Board may deny school accommodations to the student for up to ninety (90) school days from the date of the student’s withdrawal from school.
2. If a student who has voluntarily withdrawn from school (in accordance with Section B.2, above) seeks readmission within ten (10) school days of his/her withdrawal, the Board shall provide school accommodations to the student not later than three (3) school days after the student requests readmission.

#### D. Determinations of Whether a Student is “In Attendance”:

1. A student serving an out of school suspension or expulsion shall be reported as absent unless he or she receives an alternative educational program for at least one half of the regular school day.
2. On early dismissal days and days shortened due to inclement weather, the regular school day for attendance purposes is considered to be the amount of instructional time offered to students on that day. For example, if school is open for four hours on a shortened day scheduled, a student must be present for a minimum of two hours in order to be considered “in attendance.”
3. Students placed on homebound instruction due to illness or injury in accordance with applicable regulations and requirements are counted as being “in attendance” for every day that they receive instruction from an appropriately certified teacher for an amount of time deemed adequate by the administration so as to ensure that the student is able to successfully return to the regular classroom setting.

#### E. Procedures for students in grades K-8\*

##### 1. Notification

- a. ~~1.~~ Annually at the beginning of the school year ~~or~~ and upon the enrollment of ~~a student~~ any child during the school year, the ~~building principal~~ administration shall notify the parent or other person having control of the student enrolled in grades K - 8 in writing of the obligations

## F. Procedures applicable to students ages five (5) to eighteen (18)

## 1. Intervention

### C. Truants

~~Whenever~~a. When a student is truant ~~as defined above~~, the building principal or his/her designee shall schedule a meeting with the parent (or other person having control of such ~~child~~student) and ~~with~~ appropriate school personnel to review and evaluate the reasons for the student ~~being a truant's~~truancy. This meeting shall be held ~~not~~no later than **ten (10) school days** after the ~~child~~student becomes a truant. ~~Should such~~The district shall document the meeting, and if parent or ~~such~~ other person ~~decline~~declines to attend the meeting, ~~or is otherwise is non responsive~~, that fact shall also be documented and the meeting shall ~~be held~~proceed with school personnel in attendance.

- c. If the parent or other person having control of a student who is truant fails to attend the meeting held pursuant to subsection a., above, or otherwise fails to cooperate with the school in attempting to solve the truancy problem, the Superintendent shall file, within fifteen calendar days of such failure to attend the meeting or other failure to cooperate with the school in attempting to solve the truancy problem, for such truant a written complaint with the Superior Court, ~~pursuant to CT General Statute 46b-149~~, pursuant to Conn. Gen. Stat. § 46b - 149 alleging the belief that the acts or omissions of the ~~child~~truuant are such that his-~~or~~-her family is a family with service needs.

~~2. The Superintendent or his/her designee shall coordinate the provisions of any services which the court may order the district to provide.~~

~~———— D. Tardiness ————~~

~~———— Tardiness shall be reviewed as a serious matter. Students are expected to be in their places, ready to work, at the designated time. ————~~

~~———— E. Release of Students During the School Day: ————~~

~~———— 1. Parents/Guardians are discouraged from removing pupils from school during the school day. The Board of Education believes a student belongs in school during the normal school day. ————~~

~~———— 2. If a parent/guardian must remove a student from school, they must follow the procedures listed below: ————~~

~~———— a. The parent/guardian must provide written or oral notification to the school of the date, time and duration of the student's absence. In addition, the name and relationship of the person picking up the pupil shall be included. ————~~

~~———— b. The responsibility of granting a student permission to leave the building during the school hours rests with the principal or school nurse. Students requesting early dismissal from school must present a written note from their parent or guardian to the Attendance Clerk or Principal at the start of the day. ————~~

~~———— c. Secondary school students permitted to leave early will be issued an early dismissal pass in the school office and the pass must be presented to the classroom teacher at the time of dismissal. ————~~

~~———— 4. Students will be released to divorced or separated parents unless there is a specific court order provided by the custodial parent prohibiting such action.~~

d. In addition to the procedures specified in subsections a through c above, a regular education student who is experiencing attendance problems should be referred to the building Child Study Team [or other appropriate school based team] to consider the need for additional interventions and/or assistance. The Team will also

consider whether the student should be referred to a **planning and placement team** (“PPT”) meeting to review the student's need and eligibility for special education. A special education student who is experiencing attendance problems should be referred to a PPT meeting for program review.

- e. If a FWSN petition is filed and the court orders an educational evaluation of the student, the district shall conduct an appropriate educational evaluation if no such evaluation has been performed within the preceding year.
  - i) For a regular education student, the educational evaluation will be conducted or arranged for by appropriate school personnel and coordinated through the Child Study Team **[or other appropriate school based team]**. Upon completion of the evaluation of a regular education student, the Child Study Team **[or other appropriate school based team]** shall review the evaluations and make appropriate recommendations for alternative procedures, programs or interventions. Such recommendations may include a referral of the student for further evaluation and/or consideration for special education eligibility.
  - ii) In the case of a student who requires or may require special education and related services, the district shall convene a PPT to determine what evaluations may be appropriate to assess any specific areas of concern. The PPT shall reconvene to review the evaluations and make appropriate recommendations regarding the student’s need for special education services and the need, if any, to write and/or revise the student’s individualized education program (“IEP”).

#### G. Reports to the State Regarding Truancy Data:

Annually, each local and regional board of education shall include information regarding truancy in the strategic school profile report for each school under its jurisdiction and for the school district as a whole submitted to the Commissioner of Education. Measures of truancy include the type of data that is required to be collected by the Department of Education regarding attendance and unexcused absences in order for the department to comply with federal reporting requirements and the actions taken by the board of education to reduce truancy in the school district.

**SAMPLE NOTIFICATION REGARDING STUDENT ATTENDANCE\***

Regular and punctual student attendance is essential to the educational process. Connecticut General Statutes Section 10-184 provides that "[e]ach parent or other person having control of a child five years of age and over and under eighteen years of age shall cause such child to attend a public day school regularly during the hours and terms the public school in the district wherein such child resides is in session, unless such child is a high school graduate or the parent or person having control of such child is able to show that the child is elsewhere receiving equivalent instruction in the studies taught in the public schools. The parent or person having control of a child seventeen years of age may consent, as provided in this section, to such child's withdrawal from school. Such parent or person shall personally appear at the school district office and sign a withdrawal form. The school district shall provide such parent or person with information on the educational options available in the school system and in the community, and shall include an attestation on the withdrawal form from a guidance counselor or school administrator from the school that the district provided the parent (or person having control of the child) with information on the educational options available in the school system and community. The parent or person having control of a child five years of age shall have the option of not sending the child to school until the child is six years of age and the parent or person having control of a child six years of age shall have the option of not sending the child to school until the child is seven years of age. The parent or person shall exercise such option by personally appearing at the school district office and signing an option form. The school district shall provide the parent or person with information on the educational opportunities available in the school system."

In order to assist parents and other persons in meeting this responsibility, the Board of Education monitors unexcused student absences and makes reasonable efforts to notify parents or other persons by contacting them when a student fails to report to school. State law provides that any person who, in good faith, gives or fails to give such notice shall be immune from any liability, civil or criminal, which might otherwise be incurred or imposed and shall have the same immunity with respect to any judicial proceeding which results from such notice or failure to give such notice. The Board, therefore, must obtain a telephone number or other means of contacting parents or other persons during the school day.

**UNEXCUSED ABSENCES**  
**DOCUMENTATION LOG**

~~Attendance and Unexcused Absence — Grades 9-12~~

~~1. Regular and punctual attendance at school and all classes is an integral component of the student's learning process. The experiences in the classroom are vital to the student's successful learning. Therefore, regular attendance to all classes is essential to fulfill academic and attendance requirements. The following attendance procedures are set forth to implement this philosophy:~~

~~2. Absence and Tardiness~~

Date

~~A. Policy on absence~~

~~1. The term absence is defined as not being present twenty (20) minutes or more of a scheduled class.~~

~~2. If ten (10) absences from an individual course occur in a semester, course credit will not be granted. This number will be prorated for courses meeting other than five (5) periods per week, as well as for quarter courses.~~

~~a. For purposes of this regulation, all absences will count with the exception of:~~

~~i. disciplinary suspensions;~~

~~ii. students offered alternative programs as recommended by the special education ~~planning and placement team~~;~~

~~iii. field trips (as required by course curriculum).~~

~~3. Definition of Absence:~~

~~a. Excused absence — an absence from a regularly scheduled class for reasons of a) health, including illness, incapacity or doctor's visits (the district reserves the right to require a physician's certificate or other appropriate certification for absences in excess of five consecutive days or a total of fifteen days in any school year);~~

b) religious holidays, c) court appearance, d) funeral or death in the family, e) approved school activities including required field trips, f) suspension or expulsion, and, g) limited absences from school for special activities or emergencies with parental consent, subject to the prior approval of the principal.

b. Unexcused absence—any absence from a regularly scheduled class that is not defined above as an excused absence. A building administrator will make the determination of whether an absence is excused or unexcused.

#### B. Criteria regarding tardiness

1. Tardy entry to class will be defined as arriving late without a valid pass. Arriving late to class will be defined as not having the student's full body in the classroom or other site at the tardy bell. Three (3) tardy entries to class will count as one (1) absence.

#### 3. Actions of Notification

A. Provisions of this regulation will be publicized annually in the student handbook.

B. After five (5) absences have occurred, the student will be informed in writing of his or her absences to date.

C. Once five (5) absences have occurred, the teacher of that class or those classes will send home notification with the student to be signed by the parent or guardian.

D. Once a student has ten (10) absences during a semester, a first class letter will be sent by an administrator to parents/guardian (or student, if he/she is of age), guidance counselor, and teacher indicating loss of graduation credit for the semester in that course. At this time, the student's parents/guardian or student will be advised of the recourse available to them. Request for a review by the Appeals Committee must be made within ten (10) school days of notification by the administration.

E. Students receiving loss of credit notices within the last two (2) weeks of the semester are urged to file the appeal as quickly as possible.

F. Students who have lost credit must continue in class. Students who have so lost credit but who receive a passing grade will be eligible to enroll in the next course in a sequence for which the former course is a prerequisite.

#### ~~4. Absences from Class Affecting Grades~~

~~A. Absences may adversely affect the students course grade and class rank.~~

~~B. Although a student loses credit for excessive absences, he/she will continue to participate in the subject for a term/semester grade which is applied to class rank,~~

~~C. Students who pass the course but lose credit due to absences will not be required to repeat that particular course, but will need to fulfill the credit requirements for graduation.~~

#### ~~5. Establishment of an Appeals Committee~~

##### ~~A. Composition of Appeals Committee~~

##### ~~1. Membership will be composed of:~~

~~a. One teacher~~

~~b. One administrator~~

~~c. One guidance counselor or social worker~~

##### ~~B. Responsibilities of the Appeals Committee~~

##### ~~1. Review loss of credit due to absences~~

~~a. It is the responsibility of the student or parent/guardian to apply for review.~~

~~b. A student or parent/guardian must apply within ten (10) school days after receiving official administrative notification of loss of credit due to excessive absences.~~

~~c. The Appeals Committee may consider the following in reviewing an appeal:~~

~~1. Types of absences. Class cutting will be viewed negatively in the Committee's decision to excuse the absence.~~

~~2. Extenuating circumstances~~

~~3. Make-up work completed by student~~

~~4. Absences due to vacations are not a valid reason for appeal~~

~~5. A passing grade is not a valid reason for appeal~~

~~2. At its discretion, the Appeals Committee may contract with a student and teacher to establish conditions under which credit may be reinstated.~~

#### ~~C. Due Process~~

~~Each student and his/her parent/guardian have the right of appeal following notification of loss of graduation credit.~~

#### ~~D. Procedure~~

~~1. The student and his/her parent/guardian must complete the appeal form providing information pertinent to the appeal request, within the allotted time. This includes providing reasons for all absences.~~

~~2. The Appeals Committee may decide to rescind some of the recorded absences solely on the basis of the written information without a formal hearing. (Appeal Form AR5113).~~

~~3. The student and his/her parent/guardian must appear at the Appeals Committee's formal hearing with appropriate documentation and any interested parties on their behalf.~~

~~4. It is the responsibility of the student or parent to substantiate the claims presented on the appeal form.~~

\_\_\_\_\_ 5. The student's teacher(s) in those classes where excessive class absence is under appeal, shall be notified regarding the need for information, the date of the appeal hearing, the possible need to appear and the disposition of the case. \_\_\_\_\_

\_\_\_\_\_ 6. Confidential information pertaining to a student may be presented by an interested party to the Appeals Committee. The Appeals Committee in its review of the case may consider this information. \_\_\_\_\_

\_\_\_\_\_ 7. The Appeals Committee will weigh the validity of any appeal by considering all factors. \_\_\_\_\_

\_\_\_\_\_ 8. The Appeals Committee will begin deliberations ten (10) school days prior to the close of each semester. \_\_\_\_\_

\_\_\_\_\_ 9. The student and/or parent/guardian will be notified of the Appeals Committee's decision within two (2) school days of the hearing. \_\_\_\_\_

\_\_\_\_\_ 10. The decision of the Appeals Committee is final. \_\_\_\_\_

### ~~Attendance—Call Back Service~~

~~Regular attendance is an important part of the educational process. To assist parents in monitoring attendance, and to facilitate home/school communication, the Board adopts the following procedure at the elementary school level. Parents shall be offered the opportunity to participate in a “call back” program as follows: Participating parents shall be required to notify the school when their child is to be absent from school, during a time before school designated by the building principal. If a child is absent from school at the beginning of the day and the parent has not provided prior notification of absence, school personnel will seek to call such parent between 9:00 AM and 10:00 AM to verify that the absence is excused.~~

~~In order to participate, the parents shall complete a form with day time telephone number and such other information as the Administration may reasonably require. Continued participation shall be subject to meeting of the parent’s duties under the program. If parent fails to notify the school of a known absence on three or more occasions, the Board of Education shall discontinue the parent’s participation.~~

~~The Board of Education cannot and does not assume responsibility for students prior to their entering the school bus or school building, or responsibility for assuring that parents are notified in every case of absence or tardiness. As a condition of participating in the program, parents shall execute a waiver of any claims against the District for failing to notify the parents under this program. However, this new procedure is intended to assist both parents and school personnel in monitoring student attendance at the elementary school level.~~

## ~~Truancy~~

### ~~Introduction and Definitions~~

~~The district's policy on student truancy shall stress early prevention and inquiry leading to remediation of absences rather than imposition of punitive measures for students. Referral to legal authorities normally shall be made only when local resources are exhausted.~~

~~"Truant" shall mean a child age five to eighteen, inclusive who has four unexcused absences in any one month, or ten unexcused absences in one school year.~~

~~"In attendance" shall mean a student if present at his/her assigned school, or an activity sponsored by the school (e.g., field trip), for at least half of the regular school day. A student who is serving an out-of-school suspension or expulsion should always be considered absent.~~

### ~~Remediation of Truancy~~

~~School personnel shall seek cooperation from parents or other persons having control of such child and assist them in remedying and preventing truancy. The Superintendent of Schools shall develop regulations which will detail the following school district obligations under the district's truancy policy:~~

~~1. Notify parents annually of their obligations under the attendance policy.~~

~~2. Obtain telephone numbers for emergency record cards or other means of contacting parents or other persons having control of the child during the school day.~~

\_\_\_\_\_ 3. Establish a system to monitor student attendance. \_\_\_\_\_

\_\_\_\_\_ 4. Make a reasonable effort to notify parents or other persons having control of such child when a child does not arrive at school and there has been no previous approval or other indication which indicates parents are aware of the absence. (Note: Persons who in good faith give or fail to give notice pursuant to this section ~~shall be immune from any liability, civil, or criminal, which might otherwise be incurred or imposed and shall have~~ immunity with respect to any judicial proceeding which results from such notice or failure to give notice.) \_\_\_\_\_

\_\_\_\_\_ 5. Identify a student as “truant” when the student accumulates four unexcused absences in any month or ten in a school year. \_\_\_\_\_

\_\_\_\_\_ 6. Appropriate school staff shall meet with parents of a child identified as truant, to review and evaluate the situation, within ten days of such designation. \_\_\_\_\_

\_\_\_\_\_ Students so identified may be subject to: \_\_\_\_\_

\_\_\_\_\_ a. retention in the same grade to acquire necessary skills for promotion or promotion \_\_\_\_\_

\_\_\_\_\_ b. a requirement to complete a summer school program successfully before being promoted to the next grade. \_\_\_\_\_

\_\_\_\_\_ 7. If the parent or other person having control of the child fails to attend the required meeting with appropriate school personnel to evaluate why the child is truant or fails to cooperate with the school in trying to solve the child’s truancy problem, the Superintendent shall file a written complaint ~~with the Superior Court pursuant to Conn. Gen. Stat. 46b-149 alleging that the acts or omissions of a child identified as “truant” are such that the student’s family is a family with service needs.~~

~~8. Provide coordination of services and refer “truants” to community agencies which provide family services.~~

- B. A student may not be removed from class more than six (6) times in one school year nor more than twice in one week unless the student is referred to the building principal or designee and granted an informal hearing at which the student should be informed of the reasons for the disciplinary action and given an opportunity to explain the situation.
- C. The parents or guardian of any minor student removed from class shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of such removal from class.

## VI. Procedures Governing Suspension

- A. The principal of a school, or designee on the administrative staff of the school, shall have the right to suspend any student for breach of conduct as noted in Section II of this policy for not more than ten (10) consecutive school days. In cases where suspension is contemplated, the following procedures shall be followed.
  - 1. Unless an emergency situation exists, no student shall be suspended prior to having an informal hearing before the principal or designee at which the student is informed of the charges and given an opportunity to respond. In the event of an emergency, the informal hearing shall be held as soon after the suspension as possible.
  - 2. If suspended, such suspension shall be an in-school suspension unless, during the informal hearing, the principal or designee determines that the student: (a) poses such a danger to persons or property or such a disruption of the educational process that he or she should be excluded from school during the period of suspension; or (b) the administration determines that an out-of-school suspension is appropriate based on evidence of (i) the student's previous disciplinary problems that have led to suspensions or expulsion of such student, and (ii) previous efforts by the administration to address the student's disciplinary problems through means other than out-of-school suspension or expulsion, including positive behavioral support strategies.
  - 3. Evidence of past disciplinary problems that have led to removal from a classroom, suspension, or expulsion of a student who is the

subject of an informal hearing may be received by the principal or designee, but only considered in the determination of the length of suspensions.

4. By telephone, the principal or designee shall make reasonable attempts to immediately notify the parent or guardian of a minor student following the suspension and to state the cause(s) leading to the suspension.
5. Whether or not telephone contact is made with the parent or guardian of such minor student, the principal or designee shall forward a letter promptly to such parent or guardian to the last address reported on school records (or to a newer address if known by the principal or designee), offering the parent or guardian an opportunity for a conference to discuss same.
6. In all cases, the parent or guardian of any minor student who has been suspended shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the suspension.
7. Not later than twenty-four (24) hours after the commencement of the suspension, the principal or designee shall also notify the Superintendent or his/her designee of the name of the student being suspended and the reason for the suspension.
8. The student shall be allowed to complete any classwork, including examinations, without penalty, which he or she missed while under suspension.

Such administration-specified program shall not require the student and/or the student's parents to pay for participation in the program.
10. Notice of the suspension shall be recorded in the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record if the student graduates from high school. In cases where the student's period of suspension is shortened or waived in accordance with Section VI.A(9), above, the administration may choose to expunge the suspension notice from the cumulative record at the time the student completes the

administration-specified program and meets any other conditions required by the administration.

11. If the student has not previously been suspended or expelled, and the administration chooses to expunge the suspension notice from the student's cumulative record prior to graduation, the administration may refer to the existence of the expunged disciplinary notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspensions or expulsions by the student would constitute the student's first such offense.
12. The decision of the principal or designee with regard to disciplinary actions up to and including suspensions shall be final.
13. During any period of suspension served out of school, the student shall not be permitted to be on school property and shall not be permitted to attend or participate in any school-sponsored activities, unless the principal specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.

- B. In cases where a student's suspension will result in the student being suspended more than ten (10) times or for a total of fifty (50) days in a school year, whichever results in fewer days of exclusion, the student shall, prior to the pending suspension, be granted a formal hearing before the Board of Education. The principal or designee shall report the student to the Superintendent or designee and request a formal Board hearing. If an emergency situation exists, such hearing shall be held as soon after the suspension as possible.

## VII. Procedures Governing In-School Suspension

- A. The principal or designee may impose in-school suspension in cases where a student's conduct endangers persons or property, violates school policy, seriously disrupts the educational process or in other appropriate circumstances as determined by the principal or designee.

Re: Expulsion Hearing Concerning Student Name; d.o.b.

Dear (Parent/Guardian):

In accordance with the (name of district) Board of Education Policy (policy # & title), I am writing to advise you that the (name of district) Board of Education (the "Board") will hold a formal hearing concerning your (son/daughter), (Name of Student) to consider the recommendation of (name of administrator) that (he/she) be expelled from school. [In cases where the district uses a hearing officer, add the following: Please be advised that the Board has appointed Attorney [Name], to serve as an impartial hearing officer in this matter.] This hearing is being held pursuant to Section 10-233d and Sections 4-176e to 4-180a, inclusive, and Section 4-181a of the Connecticut General Statutes and the (name of district) Board of Education Policy (policy # & title), a copy of which is enclosed. The Board (OR the hearing officer) intends to conduct the hearing in executive session, due to the confidential nature of this hearing.

The hearing will address the allegations that your (son/daughter) violated Board Policy (cite Student Discipline Policy number and any other specific policy number on date), by engaging in the following conduct:

(The law governing these hearings requires a short, plain statement of the facts to be included within this notice letter, and should be inserted here.

Example: carrying a knife on the school bus on a specified date and brandishing it at other students on the bus).

---

<sup>1</sup> If the Student is aged 18 or older, this notice should be sent directly to the student, with copies to the parent(s).

(State whether you considered such conduct to endanger persons or to be seriously disruptive of the educational process).

(If the student has admitted to this conduct, note the admission here).

\_\_\_\_\_ The hearing has been scheduled for (date, time, place). You and your (son/daughter) are asked to attend this hearing. Your (son/daughter) has the right to be represented by an attorney at your expense, has the right to cross-examine administration witnesses, and may present relevant evidence, both documentary and testimonial, concerning the allegations. The hearing will be the parties' sole opportunity to present such evidence. The Board (OR the hearing officer) may also question witnesses. An opportunity will also be given for the administration and your (son/daughter) or his/her representatives to present argument concerning the evidence presented at the hearing. If you need the services of a translator or an interpreter for this hearing, please let me know as soon as possible.

\_\_\_\_\_ The administration may recommend expulsion from school for up to one calendar year. The Board (OR the hearing officer) has discretion to adopt any period of expulsion up to one calendar year.

\_\_\_\_\_ As mentioned above, your (son/daughter) has a right to be represented, at your own expense, by legal counsel or other representative at the expulsion hearing. Obtaining an attorney or other representative is the responsibility of the family. Very low income families may be able to obtain free advice or legal representation through Statewide Legal Services, Inc. ("SLS"). To apply for such assistance, those families should contact SLS immediately at 1-800-453-3320.

\_\_\_\_\_ In the event your (son/daughter) is expelled as a result of the scheduled hearing, and your (son/daughter) is under sixteen (16) years of age, the Board shall offer your child an alternative educational opportunity, to be determined by the Administration, during any period of exclusion from school. If your (son/daughter) is between sixteen (16) and eighteen (18) and has not been expelled before, the Board shall also offer to your (son/daughter) an alternative educational opportunity if she/he wishes to continue her/his education. Please know however, that the Board is not required to offer an alternative educational opportunity to any student between sixteen (16) and eighteen (18) years of age who is expelled for possession of a firearm, deadly weapon or dangerous instrument or sale or distribution of a controlled substance on school grounds or at a school-sponsored activity, or to students who are eighteen (18) years of age or older.

\_\_\_\_\_ If you have any questions, please call my office at (number).

\_\_\_\_\_ Sincerely,
