Mission Statement

The mission of the Windsor Public Schools is to develop the genius in every child and to create life-long learners.

Goals

To accomplish this mission, the Windsor Public Schools, in cooperation with families and the greater Windsor community, will ensure that all students acquire the following skills and behaviors:

1. All students will demonstrate exemplary academic skills throughout their careers in the Windsor Public Schools.
2. All students will demonstrate effective oral and written communications.
3. All students will demonstrate the necessary skills to work collaboratively with others.
4. All students will demonstrate the ability to think critically and to solve complex problems utilizing analytical ability, creativity, research skills, logical reasoning, innovation, integrative understanding and resilience.
5. All students will demonstrate a knowledge and understanding of the increasingly global nature of society.
6. All students will demonstrate the behaviors associated with good citizenship.
7. All students will graduate from the Windsor Public Schools with a clear, achievable post-secondary plan.
8. All students will demonstrate exemplary skills in utilizing technology to maximize their educational experience.
9. All students will demonstrate an understanding of the importance of health and wellness.

Subject: Approve Use of Impartial Due Process Hearing Officer for Student Disciplinary Hearings

Background:

The Hearing Officer, functioning as an Impartial Hearing Board under General Statute 10-233d, subsection (b), shall have as a main goal, to determine if a student has violated the Windsor disciplinary policy P 5114 Student Discipline. This entails conducting a due process hearing in a fair and impartial manner, arriving at a decision based on the evidence and testimony presented, and issuing a decision that is clear, comprehensive, logical and well justified.

Prior to the spring of 2012, all disciplinary hearings were conducted by a Hearing Officer with every fifth hearing heard by a Board subcommittee. In the spring of 2012, it was decided that all disciplinary hearings would be heard by three or more board members.

Status:

N/A

Recommendation:

The Board approve the use of an Impartial Due Process Hearing Officer for all student disciplinary hearings. The Board of Education would receive notice of any expulsion through copy of the expulsion minutes.

Subject: WHS IMPACT Youth Mentoring Program/WHS Leadership Council

Background:

The WHS IMPACT Youth Mentoring Program began in the 2013-2014 school year to provide Windsor High School youth with influential role models that will motivate, challenge, and inspire them to realize their greatness.

The purpose of the Leadership Council was to create an environment where every member of the Windsor High School community is respectful to themselves and those around them while being responsible in their daily actions and proud of who they are as individuals. It is a goal of the group to encourage students to become responsible leaders within the community and promote values that represent good character in all students.

Subject: Discussion of BOE Request for Student Data

Background:

Michaela Fissel has requested that the following information be presented to the Board of Education by November with a follow-up presentation at the end of the school year to demonstrate gains made throughout the year:

- Number of students in Kindergarten through 5th grade, by grade, who have been identified as below grade level in reading, math, and both reading and math.
- Information on the academic programming currently offered to the students above, by building, and the number of students who are currently accessing these programs. Information to be presented as cohorts.
- Information on if additional resources, either personnel or financial, are necessary to increase the availability of the program to meet the needs of students within a building.

Subject: RE: Message from KMBT_C253

All,

I am so thankful that we are all in agreement that we need to do whatever it takes to ensure that the students within our district have a system that supports their educational needs.

So, in the best interest of working towards ensuring educational excellence for all, given that it is not about only Windsor's 3rd graders, I respectfully request that the following item is added to the October agenda:

I would like to have information presented on the **number** of students in Kindergarten through 5th grade, **by grade**, who have been identified as below grade level in reading, math, and both reading and math. I would like this information presented by November so that we can have a follow up presentation at the end of the school year to demonstrate the gains made throughout the year.

In addition, and during the same discussion, I would like to have information presented on the academic programming currently offered to these students, **by building**, and the number of students who are currently accessing these programs, **not to be presented as individual students, but as cohorts**.

For example, the number of 1st grade students who are below grade level in math at Poquonock. Include information on the demographic breakdown of the cohort by gender, ELL, Special Ed, Free and Reduced Lunch, and Race/Ethnicity, as you did in the update.

This data would provide the Board with the information needed to gauge student need. As various programs have already been highlighted during presentations, I believe that it is important for the Board to know which programs are specifically being offered to meet at risk student needs.

So, following the same example from the previous paragraph, information would then be presented on current programs offered at Poquonock for those 1st graders, such as ST Math. Followed by the number of student slots available, per program by building, and the current number of students accessing each program.

It would also be helpful to know if additional resources, either personnel or financial, are necessary to increase the availability of the program to meet the needs of students within a building.

I ask that other BOE Members reply to this e-mail in support of this requested agenda item.

Thank you very much.

Sincerely,

Michaela I. Fissel

Attachments: Algebra 1-Changes, AP Statistics, Marine Biology

Subject: Algebra 1 – Changes, AP Statistics, Marine Biology (1st Reading)

Background:

Algebra 1 had minor modifications made to the curriculum to enhance clarity, purpose and comprehension of units for instructional purposes.

AP Statistics introduces students to the major concepts and tools for collecting, analyzing and drawing conclusions from data. Students are exposed to broad conceptual themes such as exploring patterns, probability and statistical inference. All students are required to present completed project to demonstrate mastery of content.

Marine Biology provides students with an understanding of the interrelationships between common marine organisms and mechanisms of adaption and survival. A variety of aspects of the physiology, biochemistry, ecology of marine line are explored.

Status: Curricula were presented at the BOE Curriculum Committee meeting on September 25, 2014.

Recommendation: The Board approves the Algebra 1 – Changes as a 1st Reading and waives the 2nd Reading. The Board approves AP Statistics and Marine Biology curricula as presented for a 1st Reading.

Attachments: Food Service Financial Report

SUBJECT: Statement on Cafeteria Operations – July-September 2014

BACKGROUND: The Windsor School Food Service participates in the National School Lunch Program at each of our school facilities and at St. Gabriel's, CREC's Metropolitan Learning Center and Museum Academy. We also participate in the National School Breakfast Program at our four elementary schools, Sage Park Middle School, Windsor High School, and the two CREC schools, Metropolitan Learning Center and Museum Academy. We operated our third year of the Seamless Summer Feeding program serving breakfast at John F. Kennedy School in July 2014. We operated a Summer Food Service Program of lunch and snack which yields a higher reimbursement from the federal government at Deerfield Apartment Complex and Goslee Pool for the end of June, all of July and August 2014 as well as breakfast and snack for CREC Metropolitan Learning Center summer school. We operate the After-School Snack Program for our Treehouse Program in Windsor as well as Museum Academy after care program. Windsor School Food Service is complying with the Healthy Food Certification again this year to send a consistent message to our students in keeping with our wellness policies.

Our annual goal is to operate with a small reserve account to offset unanticipated needs and to increase participation from students and staff in both the breakfast, lunch and snack programs.

A monthly financial report is presented to the Board of Education. This report includes sales and financial information for the current period.

STATUS: Attached is a Financial Report for July through September 2014.

WINDSOR BOARD OF EDUCATION AGENDA ITEM

For Consideration by the Board of Education at the Meeting of: October 21, 2014

Prepared By: Blanca Jaramillo

Presented By: R. Sills

Attachments: Pertinent Information Related to the Costa Rica Trip

Subject: Costa Rica Overnight Field Trip: April 18 – 25, 2015, 2nd Reading

Background:

Students at Windsor High School will be provided the opportunity to travel to Costa Rica to experience firsthand Spanish culture with myself as tour leader encouraging students to experience and be exposed to culture bursting with diversity- geographical, cultural and biological. Students will also visit a school and interact with students in the target language.

Status:

A proposed field trip in April 2015 to Costa Rica is open to students enrolled in Spanish 3, Spanish 3H or above. Students that have completed Spanish 3 or Spanish 3H will also be eligible for this trip. The educational objectives of the trip, as well as the cost, itinerary, trip and cancellation insurance are included in the packet provided to the Windsor Board of Education. As part of the cost of the tour, I have included the price with the All Inclusive Insurance that each student will be required to purchase in the event that the Board determines that it is unsafe to travel at the time of the trip. The 1st reading was accepted at the BOE meeting on March 18, 2014.

Recommendation:

Move the Board of Education accepts as a 2nd reading.

To Whom It May Concern:

I am excited to be involved in planning an educational tour with Windsor High School. In order to allow students to lock in our current price for the tour, we will need them to enroll by February 28th, 2014. I understand the school board must convene to discuss the trip and that this may delay students from enrolling on the tour. We are prepared to offer all students who sign up prior to the school board meeting a full refund if the school does not approve the trip. We must be notified in writing by March 21st, 2014 of the school's final decision. If the meeting is delayed, please contact us immediately.

Please feel free to contact either myself or Kestrel Dunn, Regional Manager at 888.310.7120 ext 352.

Thanks again for your interest in traveling abroad with Explorica!

With kind regards,

Lesley Noone

Educational Objectives

- To provide exploratory learning opportunities by immersing students in a culture which differs from their own.
- To provide an opportunity for students to develop a sense of a global citizenship.
- To provide students with an opportunity to learn about cultural similarities and differences between Spanish and American families.
- To provide students with an opportunity to extend a functional command of the language.
- To provide students with an opportunity to use the communication skill which they have learned in class.
- To provide students with a multicultural experience.
- To provide students with an opportunity to appreciate those of another cultural background and nationality.

Students Participation Criteria

This field trip will be opened to students enrolled in Spanish 3. Spanish 3H or above. Students that have completed Spanish 3 or Spanish 3H will also be eligible for this trip.

Optional Canopy Tour \$50

Horseback ride to waterfalls

Details: Horseback ride to waterfalls

Had enough hot lava? Cool off with a leisurely ride on horseback to the hacienda's waterfalls, where you can splash to your heart's content.

Day 3 Rincón de La Vieja--Arenal

Guided excursion to Rincón de La Vieja Volcano Park

Travel to Arenal

Hot Springs visit

Details: Guided excursion to Rincón de La Vieja Volcano Park

The vaporous clouds of this area were once said to hide a witch, a local princess whose angered father had thrown her husband into the volcano. The devastated princess retreated into the volcano's shadow, where she spent the rest of her life concocting spells for the town's residents. The volcano's name, "The Nook of the Old Woman," comes from this legend. View this haunting landscape of bubbling craters as you approach this 6,285-foot-high, very active volcano.

Details: Hot Springs visit

Let the volcanoes take you away. At Arenal's hot springs, bubbling lava fields heat the waters to make nature's own jacuzzi.

Kayaking tour on Lake Arenal

Travel to Monteverde

Details: Kayaking tour on Lake Arenal

Glide along the still waters reflecting the perfect cone of Arenal Volcano and the surrounding rolling hills. Lake Arenal, the country's largest, is also among its most scenic, and the area has become popular area to kayak, windsurf, sail, fish, and hike.

Details: Travel to Monteverde

Because of its humidity and latitude, the entire city of Monteverde can disappear in a second under a massive cloud cover. Founded by Quakers in 1951, the city boasts the best in Costa Rican creatures. Observe a proud display of howler monkeys, revered quetzals and native frogs in the dense cover of the cloud forest.

- Horseback ride
 - River rafting on extension

Day 5 Monteverde Landmarks

Walk in Monteverde Cloud forest Reserve

Santa Elena Biological Reserve

Local school visit

Serpentine Museum visit

Details: Santa Elena Biological Reserve

Get your spider monkey fix as you climb into the clouds. The Santa Elena Reserve reaches high into the atmosphere, bringing the cloudy mists into its lush forests and letting you see all the way to the Arenal Volcano.

Details: Local school visit

Take the opportunity to enrich a Costa Rican school with gifts of notebooks, pens, erasers -- all basic supplies that few students here can afford. Learn how rural communities are working to give their children educational opportunities in extremely difficult conditions, often with dozens of students in all different grades taught in a single classroom. We will stop to pick up supplies before visiting, but feel free to bring donations of school supplies like chalk or paper from home, too. (If schools are not in session, you'll be able to give gifts of t-shirts, socks, and other clothing to local children.)

Details: Serpentine Museum visit

Learn about the life cycles, diets and habitats of Costa Rica's native snakes and watch as they slither around in their simulated environments

Day 6 Monteverde--Guanacaste

Travel to Guanacaste

Palo Verde Boat Tour

Travel to Papagayo Gulf

Free time on Guanacaste Beach

Details: Travel to Guanacaste

Mosey on through Costa Rica's "Old West." Cows, horses, and sauderros (Costa Rican cowboys) ride across the sun-struck landscape of this arid region. Seek out the local Guanacaste tree, whose oddly shaped seedpods have given it the name "Monkey Ear Tree."

Details: Palo Verde Boat Tour

Hop on this river boat for a cruise through the murky water and into the scraggly mangroves of the Palo Verde National Park. Keep a look out for American alligators sunning themselves on the banks, white-faced monkeys swinging through the branches and colorful macaws flying overhead as you make your way through the park.

If you lose a maximum of \$500 per item, the policy will reimburse you a maximum of \$2,000 for all items. The policy also covers items in your baggage that are lost or damaged while you are traveling.

A "Travel Protection Plan" which provides complete details of the plan including conditions, exclusions, and limitations is available to you on our website by searching "Travel Protection Plan" or at any time by request.

For more information on Travel Protection, visit www.aig.com/travel or call 1-800-441-6333.

The cost for Explorer's Travel Protection Plan Plus is \$16 per day or your tour maximum \$276. This plan must be purchased at the time of booking and will be automatically refunded if you don't travel.

As an active member of the United States Tour Operators Association (USTOA), your tour investment with Explorica is protected by USTOA's \$1 Million Traveler Assistance Program, which covers trip cancellations, customers in the unlikely event of Explorica's bankruptcy, insolvency, or cessation of business.

For example, as an Active Member of USTOA, you are required to post \$1,000 to your USTOA account. This money is used to help USTOA in accordance with the current requirements of the USTOA Travel Assistance Program, to provide payment of expenses for USTOA members in the unlikely event of an emergency, illness, injury, disability or cessation of business. Furthermore, you are required to post the \$1,000 posted by USTOA. This may be sufficient to provide only a partial recovery of the advance because insured by Excess policy. Completion of the USTOA Travel Assistance Program may be obtained by writing to USTOA at 2771 Highway Avenue, Suite 201, New York, New York 10016 or e-mail to information@ustoa.com or by visiting the website at www.ustoa.org.

Expanso offers various options to enhance your overseas experience. You can register for the top-quality accommodations at the time of your enrollment, any changes to your quarters are 100% refundable. In August (to availability) and additional charges will apply. For further details, contact our Expanso Customer Care Representative at 1-888-910-1122.

Land-only tours: On many of our tours, you may arrange to visit one or more hotels and join the group at the first hotel of the first overseas destination. We will discount your first hotel. Special conditions may apply for travelers who are minors. Please keep in mind that you should not make any flight arrangements until you receive your first tour itinerary and disconfirm date from your Group Leader. For more details, go to explore.coming.com.

Accommodations: Apartments, guest, and hotel rooms are available. Group discounts available for the entire stay. One night minimum stay. Refs. provided. 22 and younger the night is added to the overall cost. 18 and 19 are \$100.

Optional excursions: On each program we offer 2 half-day optional excursions, suggested with care, as suggested on the program. These are optional and at an additional cost. We will provide information on these excursions in the program brochure.

Stay-ahead and stay-behind. "The entire group would like to arrive at their first destination a few days earlier or stay at the final destination a few days later than the scheduled tour. Expenses can change your arrival tickets. The service fee is \$500 per participant plus additional costs for other arrangements, which will be passed along to the participants. This optional tour enhancement requires a minimum of 10 paying participants."

Our programs are primarily developed for youths, but adults are welcomed to participate. As our prices are based on youth rates, we charge a 10% rate adult supplement of \$30 per night. 16 years of age and older. Adults must be accompanied by a youth. A single room is requested. The double/triple or single room supplement will apply in addition to the adult supplement and will be charged even if the adult requests a single room. We do not accept applications for travelers under the age of 18 without a parent/guardian.

Please note that once a Group Leader processes a new director's new departure date or final group supplement that designates a binding term for group participation, it is not possible to change the arrangements that agent must pay any applicable cancellation fees. Additionally, once a Group Leader or General Agent cancels a tour on behalf of the group, standard cancellation fees apply.

Private & Custom tours: Your group may elect to make its own tour, and Tour Director will provide information on more than 100 privately available tours in the Riviera. If you want a more personalized tour, a private tour for groups is available. Rates for private tours are available upon request. For more information on private tours, contact your group's tour director. The quoted fee for private tours depends on your group size and tour length. Your private tour will be less than the quoted group rate of \$15-20/day per participant. Participants will be required to pay an additional on-site fee for the fee of the tour director. A 10% gratuity will be added to the tour fee.

Changes in travel dates. For example, Eastern Air Lines' Eastern 6000, New York to London, reserves the right to change the date of departure due to heavy demand on certain dates. Travel dates from October 2 to April 30, the change of date will be made, and no refund will be given. From May 1 to September 30, the change of date may be made to three dates in either direction. From October 1 until the departure date is reached, 100% refund. From September 30 to the departure date, 50% refund.

Airlines and airports. Excludes airlines and airports serving international destinations, such as Air Canada, American, Continental Airlines, British Airways, Delta, Eastern, Lufthansa, Air Canada, United Airlines, US Airways, TWA, and Virgin Atlantic. Excludes airports serving international destinations, such as all airports of the U.S. Coast Guard and all airports serving international destinations.

Passports and visas. Each traveler is responsible to obtain a valid passport and visa, if required, and any required travel document, government endorsement, and other required consular entry documents. Please note that this process is completed well in advance of departure. Please note that customs officials may not allow you to enter a country unless your passport is valid for at least three months after the return date. All travelers are required to obtain the appropriate visa and passport for the destination country and to obtain a return ticket to the country of origin.

LOISIRS CULTURELS A L'ETRANGER (LEC)

East Freetown, MA & Paris, FRANCE

LEC is a French student travel organization and family homestay program with over 30 years of experience. Their goal is to promote international understanding and friendship. I began working with LEC in June 2006 as a coordinator. I have placed numerous exchange students in the homes of Windsor High French students and oversee their stay. Additionally, I have also hosted numerous exchange students in my own home from 3 weeks to 6 months.

My LEC responsibilities include:

- recruiting, screening and selecting American host families for French exchange students
- assisting with planning, organizing and supervising arrival, day trips and activities during visit along with the departure of students
- monitoring visits of exchange students and mediate when issues arise
- having coordinated and chaperoned large groups of exchange students on numerous occasions to New York City, Boston, Misquamicut Beach, R.I., Six Flags Amusement Park & Nomads Adventure Quest

To whom this may concern,

I have put this package together to demonstrate that your deposits are safe with Jumpstreet Tours, so that you may have confidence in booking your educational tour with our company.

- First and foremost: **Jumpstreet Tours is a well run corporation which has never carried any outside debt during its twenty-five years of operation.** Our first principle is that **any promise or commitment we make must be honored.** Every past customer and supplier will vouch for this.
- Second: local government agencies require that **we place your payments in a Bonded trust account,** and it sets conditions for any withdrawals from these accounts.
- Third: this same Act requires that **we maintain a bond to guarantee that we follow the rules and regulations of the Act,** including reimbursement of any customer who has been prejudiced by our action or inaction.
- Fourth: Using a portion of Travel Agents permit fees, **local government has established a fund to reimburse customers for deposits lost due to the insolvency of any local travel agency.** These reimbursements apply to all customers.
- Fifth: **Jumpstreet Tours' liability coverage is \$25,000,000.** This is to ensure that, regardless of any actions taken against us, the assets of the company will remain intact, allowing Jumpstreet to continue to meet all commitments.

If you have any questions, require other information, or would like further explanation of any of the attachments, please call me at our toll free number, 1-800-663-4956.

Sincerely,

Mark Clarke

Optional:

- ♥ Medical and/or Cancellation Insurance

WHY SHOULD YOU INCLUDE INSURANCE IN YOUR TOUR PACKAGE?

There are many reasons why. A travel insurance policy costing less than a \$100 is inexpensive compared to medical costs running into the thousands when traveling abroad. The trip of a lifetime can turn into a very challenging experience if you're not covered for events such as lost luggage, accidents and illness.

By law, we are required to inform you of the available insurance plans. Below, please find our two travel insurance plans and our comprehensive and exclusive refund guarantee program.

PRODUCT A – MEDICAL ONLY

Cost : \$4.00 per day, per insured person

Hospital and medical expenses	(\$2 000 000)
Emergency evacuation and repatriation	(Unlimited)
Subsistence & Out-of-pocket expenses (\$100/day)	(\$300 per day, \$1200 max)
Expenses related to your Death	(\$5000)
Bedside companion Travel Subsistence	(Airfare + \$300 Subsistence)
Emergency Dental Treatment	(\$1800)
Return of Children Under your care	(Unlimited)

PRODUCT B – COMPREHENSIVE PLAN

This product includes a cancellation and medical coverage.

Cost : Depending on value of the trip

Accidental death, in flight	(\$100 000)
Accidental death, non flight	(\$25 000)
Trip Cancellation	(Sum insured)
Trip Interruption	(Non-refundable charges)
Next Occupancy	(Unlimited)
Missed connection	(\$800)
Schedule change	(\$800)
Flight delay (\$50/12 hours)	(\$200)
Return of vehicle	(Unlimited)
Baggage & Personal effects (\$250/article)	(\$2000)
Baggage delay (\$50/24 hours)	(\$500)

EXCLUSIVE PRODUCT - RGP— Refund Guarantee Protection (available to groups of 30+ paying participants)

This is not an insurance product. The RGP is EXCLUSIVE to Jumpstreet and offers complete trip refund for any reason, at any time for trips traveling to Canada and the United States!

The rule is simple: you can drop out when you want. Any reason is a good reason. One condition: the RGP must be purchased and paid for by the first deposit due date.

The RGP includes:

- Trip drop out at any time, whatever the reason
- Medical insurance. The « medical insurance » portion is contracted through Travel Guard.

If you wish to drop out of your tour, we need to receive a short note explaining why you wish to drop out and we will send you a cheque within 10 business days. We will reimburse all sums paid to Jumpstreet, minus the extra cost of the RGP.

Drop out based on these rules:

Whatever the reason:

100 % Trip value if drop out up to 48 hours before the tour.

50% Trip value if drop out less than 48 hours before the tour.

0% Trip value if drop out after tour departure date (if Trip Interruption is a concern, please ask about the Comprehensive Plan).

For medical reasons:

100 % Trip value if you drop out for a medical reason, anytime. Doctor's note required for the refund.

Cost :

Trip cost, without airfare	RGP cost
0-\$250	\$30.00
\$251-\$500	\$50.00
\$501-\$750	\$70.00

Group Cancellation and Refund Policy for 2013-2014

Thank you for considering Jumpstreet Tours for your trip. To date more than 150,000 students have traveled with Jumpstreet to Montreal, Quebec City, Washington DC, New York City, Boston and other destinations.

Many schools and parents feel comfortable approving our trips because our deposit and group cancellation policy significantly reduces financial risk associated with approving school trips. ***We are very flexible with regard to deposit dates, and we aim to have the best cancellation policy in the business.*** As our contract explains (please refer to the back of your invoice for complete details), if your group cancels the trip the following will apply:

- ☒ ***If cancelled 61 days or more before departure date:***
 - o 100% of all money will be refunded less any non-refundable commitments made on your behalf to our suppliers (for example: theater and sports tickets are non-refundable after purchase, although they do belong to you).
- ☒ ***If cancelled between 60 and 43 days prior to departure date:***
 - o 100% of all money will be refunded less any non-refundable commitments made on your behalf to our suppliers and \$100 per student to cover Jumpstreet Tours' costs.
- ☒ ***If cancelled between 42 and 29 days prior to departure date:***
 - o 75% of all money will be refunded less any non-refundable commitments made on your behalf to our suppliers.
- ☒ ***If cancelled between 28 and 15 days prior to departure date:***
 - o 50% of all money will be refunded less any non-refundable commitments made on your behalf to our suppliers.
- ☒ ***If cancelled less than 15 days prior to departure date:***
 - o No reimbursement is possible less than 15 days before departure date.

Extenuating circumstances will be taken into consideration and all efforts will be made to reschedule your trip (if desired) and to minimize your costs in case you cancel your group's trip.

Please keep in mind that this policy covers cancellation of the trip by the entire group, but individuals may purchase cancellation insurance to cover their trip only. Jumpstreet also offers a refund guarantee program (RGP) that provides a full refund if a student cancels for any reason. As with cancellation insurance, there is a fee for this and it is sold to individual students and is only available for purchase at the time of initial deposit.

I hope that this helps your school to make a decision to plan a trip.

Sincerely,

Tom Clarke, Director of Finance

6. Superintendent's Report

6.a. School Opening Comments

Discussion:

Dr. Cooke reported bus issues have been addressed and thanked families for their patience; school buildings were in excellent appearance on the inside, outside appearance is being addressed. He reported on the expansion of district social media, summer administrative work and district work on school safety. Ms. Batchelder has undertaken new safety plans for the buildings and submitted to them to the State with an application for a school security grant. The reopening of the Jack O'Brien Stadium will be September 26 with a short celebration at 6:45 p.m. before the home game v. Bristol Central. Enrollment is down as a district but Kindergarten and grade 9 are up significantly.

6.b. Staffing Update for Opening of 2014-2015 School Year

Discussion:

Mr. Hill gave the staffing update for the opening of the 2014-2015 school year. He also reported on a change in how the district will recruit teachers, and that 15% of the teaching staff are teachers of color.

Mr. O'Reilly asked about the hiring of a person to administer the community service requirements at the high school, discussion ensued.

Ms. Rizzo-Holmes asked how many of the teachers who left the district went to other districts; Mr. Hill reported 9. Ms. Rizzo-Holmes asked for explanation of the exit interview process, discussion ensued.

6.c. Family Engagement Work

Discussion:

Ms. Butler reported on family engagement work district wide.

Mr. Couture reported on the use of technology to increase family engagement; and reported on the selection of School Messenger as a communication system, the new Windsor Public Schools app, Facebook and Twitter.

Ms. Klase requested YouTube videos be developed to help parents download and use the app.

Ms. Fissel asked about information on home visits, discussion ensued.

6.d. Concussion Safety Efforts

Discussion:

Mr. Risser reported on Concussion Baseline Testing and Education, including that to date 341 individual Windsor High School athletes have been administered the concussion baseline impact testing, when completed total will reach nearly 400. The software has been deemed appropriate for middle school age students, baseline testing will begin for Sage Park Middle School athletes later this academic year. It is anticipated the cost to test all high school and middle school athletes to be \$1,200.

Discussion ensued.

Mr. Risser invited members of the Board to attend the opening ceremony of the renovated Jack O'Brien Stadium on September 26.

6.e. Summer Food Service Program

Discussion:

Ms. Batchelder reported that the Food Service Program, in conjunction with the USDA, was able to serve 2,842 meals to children in Deerfield and Goslee Pool in 44 days, a 300% increase over the prior year. At the end of June, Foodshare donated \$10,000 to the Windsor Public Schools to hire an activity coordinator who went to those two sites and did activities with children, also within that \$10,000, the district was able to serve 452 meals to parents within that two month time frame.

Mr. Panos asked if the program was reimbursed 100% by the USDA. Ms. Batchelder reported the cost of the child meals was, the adult meals were funded by the donation from Foodshare.

Discussion ensued.

6.f. Multicultural Firm, Committee, Process and Selection

Discussion:

Dr. Cooke reported on the process used for the selection of the firm to provide multicultural professional development training for teachers and staff. He reported that the selection committee determined that both firms, DCFP Study Circles Program and National Urban Alliance for Effective Education had much to offer the district, and discussions are underway with both firms to frame out the work.

6.g. Fiscal Year 2014 Year End Financial Report

Discussion:

Ms. Batchelder reported that the Board of Education's budget for the fiscal year 2014 was \$63,365,815.99; this expense allows the Board to give the Town back \$29,084. This takes into account the \$70,000 deficit in the cafeteria fund this year, the general fund picked that up as the law requires that. Food Services will start the fiscal year on positive note. It was noted that the results are unaudited and subject to change upon audit.

Discussion ensued regarding the salary account and how it was reported.

Motion Passed: Motion to return \$29,084.01 to the town passed with a motion by Mr. Paul Panos and a second by Mr. Leonard Lockhart.

Mr. Ronald Eleveld	Yes

Unapproved Minutes—AMENDED**

Thursday, September 25, 2014 4:30 PM
L.P. Wilson Community Center, Room 17

The following are the unapproved minutes of the September 25, 2014 Curriculum Committee. Any additions or corrections will be made at a future meeting.

Attendance Taken at 4:30 PM:

Present Board Members:

Ms. Michaela Fissel
Ms. Darleen Klase
Ms. Melissa Rizzo Holmes
Ms. Cristina Santos

1. Call to Order, Pledge to the Flag and Moment of Silence

Discussion:

Darleen Klase called the meeting to order at 4:30 pm with the Pledge of Allegiance and a Moment of Silence. Also in attendance were Superintendent Craig Cooke and Assistant Superintendent for Instructional Services Mary Anne Butler.

2. Audience to Visitors

Discussion:

None

3. Algebra I Changes--Informational Purposes Only

Discussion:

Tom Baird, Mathematics Curriculum Supervisor, provided an overview of the changes for the Algebra 1 curriculum. The changes include adding in more regression and applications of quadratics and exponential functions into the curriculum. This was possible because less time was need on linear equation topics given the new curriculum in 8th grade.

4. AP Statistics

Discussion:

Robert Cullen, AP Statistics teacher, presented an overview of the AP Statistics curriculum and provided a simulation of the unit 1 performance assessment. The performance assessment involved collecting data on cell phone texting abilities and analyzing the data to compare variables.

5. Marine Biology

Discussion:

Sindhu Thomas and Michelle Desrochers presented Unit 1 of the new curriculum which emphasizes the role of microbes in ecosystems. Students will participate in study cases and group discussions throughout the course and will be responsible for feedback on podcasts reviews facilitated by peers. This curriculum aligns with the State of Connecticut Science Standards NGSS (Next Generation Science Standards).

6. Grade 6 Health

Discussion:

Teachers, Tracey DiMona and Rosemary Loeffler presented the following safety topics: bike, fire, sun and healthy balance, in reference to standards 1, 3, and 6. Ms. Loeffler shared an activity that she will use in her grade 6 classes on safe and unsafe practices, why the topic is important, consequences and first aid.

The curriculum will be revisited after feedback is gathered from CSDE on best practices in delivering middle school health curriculum.

7. Program of Studies Changes (Health at WHS)

Discussion:

Windsor High School/Program of Studies was presented by Lori Foot-Mitchell. She explained the terminology change from Health to Healthy Balance (as noted in paragraph 4), and identified the revised credit system required for students grade 9-11 in the area of PE & Health.

8. Elementary Progress Reports' Modifications--Informational Purposes Only

Discussion:

Elementary Progress Reports have been edited to align with Common Core State Standards (CCSS) more closely. The revised documents will be shared with families at Open House events.

9. Adjournment

Motion Passed: Move to adjourn the meeting at 6:13 pm passed with a motion by Ms. Melissa Rizzo Holmes and a second by Ms. Michaela Fissel.

Thursday, September 25, 2014 6:30 PM
L.P. Wilson Community Center, Board Room

The following are the unapproved minutes of the September 25, 2014 Technology Committee. Any additions or corrections will be made at a future meeting.

Attendance Taken at 6:30 PM:

Present Board Members:

Ms. Michaela Fissel
Mr. Richard O'Reilly
Ms. Cristina Santos
Mr. Kenneth Williams

1. Call to Order, Pledge to the Flag and Moment of Silence

Discussion:

The meeting was called to order at 6:30 PM by Mr. Richard O'Reilly. Also in attendance, Superintendent of Schools Dr. Craig Cooke and Chief Information and Technology Officer Doug Couture.

2. Audience to Visitors

Discussion:

None

3. State of Technology in Windsor Public Schools

Discussion:

Doug Couture gave an update on technology in the district. Soon there will be 600 new Chromebooks at Sage Park and 500 at Windsor High School bringing the total to 800 Chromebooks at Sage and 700 at Windsor High School.

Currently, Grades 3-8 are in a 1:1 setting. Windsor High is experimenting using the Chromebooks and there is much excitement from both students and staff. Forty-four teachers were trained this past summer at Techtonic Summit. These teachers are enthusiastic and have been spreading the word about technology and also helping to train other teachers in district.

K-2 level currently shares 100 iPads. District is looking at providing additional devices. More devices will provide better engagement and more excitement and learning.

There have been many requests from the schools to add more technology.

Dr. Cooke added that the first day of school he walked around the classrooms with central office administration and the technology is very popular and was being used right from the first day of school.

Doug Couture also added that projectors are installed in almost every classroom in district. New computers will be added to the music lab and art lab for second semester at Windsor High and the TV studio will receive new computers soon.

All teachers were given 14" Chromebooks to use in school and at home. WHS has 120 14" Chromebooks that they are using more than their desktops. The district bought memory to upgrade to Windows 7 on the desktops that saved the district from buying new desktop computers.

OE and Poquonock labs were replaced with Chromeboxes over the summer. They boot in 10 seconds and can be managed centrally by remotng in.

In central office, a document management system has been purchased to go paperless. The system will be used first in the Human Resources Department and then will move onto the different departments. Retrieving documents is quick will be able to scan and search for individual documents saving valuable file and room space.

Dr. Cooke commented that personnel files need to be saved for 30 years and the document management system will save money down the road by being able to save on the cloud and not in storage. For example, there are times when previous employees request records after leaving the district after ten years and this will enable the Human Resources Department to retrieve the documents quickly.

Every teacher in the district now has a device.

Cristina Santos added that she mentioned at the last board meeting that several staff mentioned to her that they are thrilled and it helped to start the year on a positive note and that the staff are very appreciative of the technology.

Michaela Fissel asked about how many teachers are trained formally and it was discussed that teachers in grades 3-5 were trained last year once a month. There is Tech Tuesday at Sage Park and Tech Wednesday at Windsor High. All schools are asking for the tech teachers to come and train the teachers. INFORM training took place at WHS. Tech teachers Katrina Palazzolo Wicks, Steve Rodonis and Rebecca Zenczak are doing a great job with the training.

Ken Williams asked about data security in regards to what the district is doing. Encrypted PowerSchool is harder to hack into and the district is educating people to protect usernames and passwords. It was also asked what can teachers/students do now than in the past and what evidence does the district have and how is it measured. Doug Couture presented one example in regards to the Discovery app. Log files that IT ran showed a low percentage of teacher using it so it was not renewed this year.

Raz Kids Reading Program can track and see centrally and results are sent to principals twice a year. INFORM can track students and in 2-3 years the district will really see what is being used and what is working/not working.

Richard O'Reilly asked if the district has enough bandwidth and Doug said the network has been tweaked at WHS. He would like to see an access point for each room. Right now every couple of rooms has the access point and it is not super-fast. He said right now it is at 1 gig and is ok but would like to increase our speed to 10 gigs.

Ken Williams thinks it will be good to collect all the examples of how technology is working. Cristina Santos asked about if the district could get data on how many home based STMath there is and feels the data is important to get in every form. She has inquired as to how many students have accessed it.

Dr. Cooke said during the summer teachers were stationed at the libraries to give help with STMath. He would like to see data as to how many visits to help troubleshoot the program.

Michaela Fissel asked since there is currently no 1:1 device to go home with the students should the committee discuss what the district would like to do? Doug Couture would love to have the discussion with the BOE and town. He explained there was a high 90% access in homes.

4. Discussion on 1:1 Devices at Windsor High School for 2015-2016

Discussion:

Russell Sills, WHS Principal, explained that data tracking at WHS has shown changes in teacher engagement and changes the way teacher teach. He is in favor of 1:1 devices at WHS. Shatanna DeRosie, WHS teacher who teaches

early childhood development and pastry and baking classes and Bill Spaulding, WHS Social Studies teachers who were both in favor of 1:1 devices at WHS addressed the committee. They each gave an overview of the positives and challenges they face with technology in their classrooms.

Russell Sills, Ms. DeRosie, Mr. Spaulding and Doug Couture agreed that it is essential for WHS students to have these devices. He said the district has enough devices to take the SBAC test.

Richard O'Reilly thanked the teachers for attending the meeting and then directed a question to Doug Couture asking if the district has a plan--what resources are needed. Doug Couture responded that the district could go the bring-your-own-device route however it does make classroom management difficult. A good tablet would cost about \$430 per student and the district could phase them into WHS by starting with the freshman class. When all the 700 Chromebooks are distributed, they won't be wasted if new tablets are purchased. The district will still need them for testing purposes and instruction.

Michaela Fissel inquired as to when students start learning typing skills. Doug Couture said the tech department spoke to Mary Anne Butler, Assistant Superintendent for Instructional Services on how to incorporate typing into instruction. The committee then discussed several options. Concerns were discussed as to the rate of speed the students types and if it would affect the outcome of test results.

Mr. Spaulding had mentioned that before he came to Windsor to teach, he taught in South Korea. Mr. O'Reilly asked him to compare Windsor with South Korea. Mr. Spaulding explained that South Korea is more advanced in technology--faster internet, students very adaptive with devices.

Mr. O'Reilly asked Mr. Couture to explain about Techtonic Summit and the Alliance Grant. Mr. Couture said the summit was offered to teachers for 2 days over the summer and will continue one time per month over the school year. He said \$1000 is available for each teacher attending the training to use over the school year. He said many of the teachers who took the summit are reaching out and helping other teachers with the skills they learned. Professional development at WHS is assisting teachers in getting comfortable with the devices and were excited to be using Google Classroom.

The committee agreed they would like to have further discussion on the 1:1 devices and figures at the November 20th committee meeting. The committee also asked about information from other districts on 1:1 devices and policies. Doug Couture suggested the possibility to go and visit some other districts.

5. District Website

Discussion:

Currently the district is working on teacher websites and Google. Doug Couture is not happy with Edline and said it is not searchable. He would like to see the district move towards a new solution that has a simplified district home page. He said it would be tremendous work to move to a new provider and the tech department is trying to lay the groundwork to work towards using Google sites for our website. Cristina Santos said she didn't like the website. Mr. Couture said that he has evaluated products that were purchased before he worked in Windsor. An example would be Mileposts. Mileposts was reevaluated and cancelled.

Michaela Fissel said she would like to see less words and more content. Doug said that the quick links are there because the website is not searchable. By moving to a different site, the website would be cleaner looking as too many things on the current site are hard to find.

6. BOE Technology Goal Metrics

Discussion:

Richard O'Reilly asked how goals are measured and would like to see some metrics--meaning how students were using technology. The committee discussed the PSA activity in which the iPads were in use and how did the students use the technology in their project and did they accomplish their goals using the technology.
