Subject: WHS Overnight Field Trip Request to Spain, June 22-July 7, 2018, 1st Reading

Background:

Students at Windsor High School have been provided opportunities in the past to travel to a country wherein the native language is that which the students are studying. In this trip, students will be immersed in a summer program of 40 hours in addition to different excursions and cultural experiences. There is the desire to offer students to participate in such an opportunity in the summer of 2018.

Status:

A field trip in June 2018 to Salamanca, Spain is proposed for students enrolled in Spanish 2 or above. The educational objectives of the trip as well as the itinerary are included in the backup materials. Students will be required to take cancellation insurance in case the Board determines that it is unsafe to travel at the time of the trip.

Recommendation:

That the Board of Education approve the proposed trip to Spain reserving the right to cancel if it feels that the safety of the students is at risk.

We may take all or part of a damaged Baggage as a condition for payment of loss. Subject: Curriculum Development 1st Reading Grade PreK, Grade K-2 ELA, Grade K-5 Health

Background:

PreK: The Connect 4 Learning (C4L) is an interdisciplinary and research-based Pre-K curriculum that was developed to support students' social and emotional development and cognitive growth. It encourages positive peer-to-peer interactions and an understanding of the concepts of family and community. It addresses physical development through learning how to take care of one's self. Importantly, C4L helps students develop language and literacy skills through various modes of communication (verbal, written, body language) and it supports mathematical development in the areas of numbers, shapes, measurements, and patterns and how to use them. C4L provides multiple opportunities for creative skills development through music, dance and arts. Most unique to this curriculum is the coverage of scientific skills development. Students will actively discover the world around them, including living things, the earth, space and energy.

Grade K-2 ELA: In Kindergarten, students build good reading and writing habits and explore a variety of texts. Grade 1 students will understand the purpose of retelling to demonstrate understanding of fiction story structure and write their own narratives. In Grade 2 students write their own versions of a fairy tale or folk tale with a message or moral. Close examination of text allows students to draw their own conclusions and communicate well-developed opinions about what they have read.

Grade K-5 Health: In grades K-5, the health curriculum equip students with knowledge, values, life skills and critical thinking skills so they can do the following: understand concepts related to health promotion and disease prevention, analyze internal and external influences that affect the health of self and others, demonstrate the ability to access valid health information, products, and services, use interpersonal skills to enhance health and reduce health risks, use decision making skills to enhance health, demonstrate the ability to use health behaviors to avoid or reduce risk, and advocate for personal, family and community health.

Status:

Grade PreK, Grade K-2 ELA, and Grade K-5 Health was presented at the BOE Curriculum Meeting on April 6, 2017.

Recommendation:

The Board approves Grade PreK, Grade K-2 ELA and Grade K-5 Health curricula as a 1st reading as presented and waive 2nd reading.

Prepared By: Dana Plant

Presented By: Danielle Batchelder

Subject: Cafeteria Operations – April 2017

Background: The Windsor School Food Service participates in the National School Lunch Program at each of our school facilities and at St. Gabriel's, CREC's Metropolitan Learning Center, CREC's Academy of Aerospace and Engineering and CREC's Museum Academy. We also participate in the National School Breakfast Program at our four elementary schools, Sage Park Middle School, Windsor High School and the three CREC schools. We operate the After School Snack Program for our Treehouse Program in Windsor as well as Museum Academy after care program. We operated our fifth year of the summer feeding program serving breakfast and lunch at CREC Metropolitan Learning Center. We operated a Summer Food Service Program of lunch and snack at Deerfield Apartment Complex, Goslee Pool, adding Wilson Library and the Performing Arts Academy in Windsor during summer break. We are complying with the Healthy Food Certification again this year to send a consistent message to our students in keeping with our wellness policies.

Our annual goal is to operate with a small reserve account to offset unanticipated needs and to increase participation from students and staff in all our programs.

A monthly financial report is presented to the Board of Education. This report includes sales and financial information for the current period.
