Let it be known by all citizens of Windsor, that...

Presented By: Blanca Jaramillo

Attachments: Information related to trip

Subject: WHS Overnight Field Trip to Costa Rica April 2019, 1st Reading

Background:

Students at Windsor High School have been provided opportunities in the past to travel to a country wherein the native language is that which the students are studying. In this trip, students have the opportunity of an educational field trip to Costa Rica where students will be immersed in the Spanish language as well as cultural and ecological activities. There is the desire to offer students to participate in such an opportunity during the April vacation of 2019.

Status:

A field trip in April 2019 to Costa Rica is proposed for students enrolled in Spanish 3 or above. The educational objectives of the trip as well as the itinerary are included in the backup materials. Students will be required to take cancellation insurance in case the Board determines that it is unsafe to travel at the time of the trip.

Recommendation:

That the Board of Education approve the proposed trip to Costa Rica as a 1st reading reserving the right to cancel if it feels that the safety of the students is at risk.

To Whom It May Concern:

I am excited to be involved in planning an educational tour with Windsor High School. I understand the school board must convene to discuss the 2019 Costa Rica trip, and that this may delay travelers from enrolling on the tour and taking advantage of current pricing. We are prepared to offer all participants who sign up prior to April 18th, 2018 a full refund if the school does not approve the trip. We must be notified in writing by April 18th, 2018 of the school's final decision.

Cancellation for any other reason will fall under standard Explorica policy. If the meeting is delayed, please contact us immediately.

Please feel free to contact me with any questions or concerns.

Thanks again for your interest in traveling abroad with Explorica!

What is the payment schedule and process?

Monthly automated plan

Pay your \$50 deposit and optional travel protection plan costs with credit/debit card or checking account upon enrollment, and the balance of your Tour Fee will be automatically charged to your card

or debited from your account in equal monthly installments until 65 days prior to your departure date (checking account) or 65 days prior to your departure date (credit/debit card). Please note that you must make all payments by credit card, debit card, or checking account. If two consecutive payments are returned NSF or declined by your bank or credit card company, we will change your account to the designated Manual Plan.

Full payment

Pay in full at time of enrollment.

4-step manual plan

Pay your \$99 deposit and travel protection plan costs upon enrollment, \$500 toward your Tour Fee 30 days later, and 75% of your remaining balance at 105 days prior to departure (110 days prior to departure for tours departing in 2019 or later). The final remaining balance is due 65 days prior to departure and can be paid by check, credit or debit card, or checking account. If you enroll 150 days prior to departure or later, you will make only three payments - \$99 deposit and travel protection plan costs at enrollment, 75% of your remaining balance at 105 days prior to departure (110 days prior to departure for tours departing in 2019 or later), and the final balance at 65 days prior to departure. Please note that we do not automatically deduct payments on this plan; you must make each payment manually. All full-paying participants, including participants who have previously traveled with Explorica, are required to pay the \$99 deposit upon enrollment. Any participant who has already paid the deposit for a previous tour will receive a \$100 credit on his or her Explorica account.

General payment information

We accept electronic checking account payments, MasterCard, Visa, ACH checking account payments (and require a credit card or ACH payment for our monthly payment plan), money orders, online banking, and personal checks. Please note personal checks are only accepted until 105 days prior to departure (110 days prior to departure for tours departing in 2019 or later), and ACH payments until 65 days prior to departure. Any payments made past the final payment deadline must be paid by certified check, money order, or credit card.

Each month we will automatically charge the credit cards or debit the checking accounts of participants who choose our monthly payment plan; we will send email reminder of payments due to all other participants approximately two weeks in advance of the payment due date. You will receive payment reminders only through email and not through the mail. Payments that are late are subject to a \$50 late fee. The date of payments is determined by the date of receipt at Explorica. If you do not meet the conditions of your payment plan, your tour reservation will be cancelled (subject to standard cancellation policy).

Payments rejected due to insufficient funds, disputed by your credit company, returned to us by the drawer's bank, or returned due to a stop-payment order are subject to a \$35 non-refundable fee. We reserve the right to cancel reservations for any participant who does not meet his or her contractually obligated payment schedule.

What is the cancellation policy?

Before the tour begins, Explorica reserves space for each enrolled traveler and thus incurs costs. For this reason, we must charge cancellation fees. In order to protect your travel investment in the event you need to cancel your tour, Explorica strongly recommends purchasing a travel protection plan. The following cancellation policies apply for tours departing in 2018:

If you withdraw this many days prior to departure	The following cancellation fees apply
More than 140 days	\$300 + \$99 non-refundable fee
140-106 days	\$500 + \$99 non-refundable fee
105-66 days	50% of all fees + \$99 non-refundable fee
65-31 days	75% of all fees + \$99 non-refundable fee
30 days or less	No refund*

The following cancellation policies apply for tours departing in 2019 or later:

If you withdraw this many days prior to departure	The following cancellation fees apply
More than 150 days	\$300 + \$99 non-refundable fee
150-111 days	\$500 + \$99 non-refundable fee
110-76 days	60% of all fees + \$99 non-refundable fee
75-31 days	75% of all fees + \$99 non-refundable fee
30 days or less	No refund*

*If you notify us of your cancellation in writing at least 24 hours prior to your departure, you will receive a \$100 refund.

All cancellation requests must be submitted in writing by mail, fax, or email to cancellations@explorica.com. If you cancel and name a replacement participant in writing at least 108 days prior to departure (111 days prior to departure for tours departing in 2019 or later), we will refund \$200 of your cancellation fees. Regrettably, we cannot refund late fees, bank fees, transfer fees, travel protection plan costs, or visa fees and we cannot transfer any payments between participants. Most participants will receive their refund within six weeks.

Reinstating enrollment

Participants who have cancelled and then want to rejoin the tour must pay a \$50 reinstatement fee, plus any difference between the old and new Tour Fees and any applicable late fees, and their enrollment is subject to availability and to all conditions governing late enrollments (if applicable). Travelers must also re-purchase insurance (if applicable).

What about a travel protection plan?

Through Trip Mate, our third-party travel protection plan provider, four out of five Explorica travelers protect their tours with our travel protection plans. Explorica offers two great plans that help protect your educational travel investment.

Explorica's Travel Protection Plan

Trip Mate's standard travel protection plan covers you for the following events:

- > A traveler's injury, sickness, or death of a family member
- > Theft of passport or visas
- > Flight cancellations due to strike or bad weather
- > Loss of luggage and personal effects
- > Trip cancellation or trip interruption due to covered reasons such as a covered sickness, illness, injury or death
- > Trip cancellation or trip interruption due to terrorist acts, as defined

Explorica's Travel Protection Plan Plus

Along with providing you the same benefits as our standard Travel Protection Plan, the Explorica Travel Protection Plan Plus also includes a Cancel For Any Reason Waiver Benefit.

With our Cancel For Any Reason Waiver Benefit, if you cancel your trip for any reason not otherwise covered by this policy, we will reimburse you for 75% of the non-refundable cancellation fees which apply to your trip, provided:

- 1) Payment for this plan is received by Explorica within 14 days of your initial deposit/payment for your trip; and
- 2) you cancel your trip thirty (30) days or more before your scheduled trip departure date.

This Cancel For Any Reason Waiver Benefit does not cover: 1) penalties associated with any air or other travel arrangements not provided by Explorica; or 2) the failure of Explorica to provide the bargained-for travel arrangements due to cessation of operations.

The Cancel For Any Reason Waiver Benefit is provided by Explorica itself and is not an insurance product. It must be purchased within 14 days of your initial payment for your trip.

Travel protection plan benefits

The following benefits apply to both of Explorica's high-quality travel protection plans:

Trip Cancellation or Interruption. If you have to cancel or interrupt your Explorica trip after departure due to a covered injury, sickness, or death (your own or that of a travelling companion or a family member) or for other covered reasons such as: Cancellation or interruption of your Trip due to: Inclement Weather, unannounced Strike, or mechanical breakdown that causes complete cessation of services of Your Common Carrier for at least 12 consecutive hours; a documented traffic accident while en route to departure; being hijacked or quarantined; jury duty; destruction of your home or destination by fire, flood, burglary or natural disaster; being called to the emergency service of government to provide aid or relief in the event of a natural disaster; a documented theft of passports or visas; a transfer of employment of 250 miles or more; a Terrorist Incident which occurs in a city listed in the itinerary of your Trip provided the Terrorist Incident occurs within 30 days prior to the Scheduled Departure Date for your Trip; or revocation of military leave due to war.

Travel delay. Reimburses up to \$100 per day (maximum of \$500) for reasonable accommodation and traveling expenses until travel becomes possible if you are delayed for 12 hours or more due to a covered reason such as a common carrier delay; injury, sickness, or death of you or your traveling companion; quarantine; loss of passport, travel documents, or money; or natural disaster.

Medical expense/emergency assistance. Provides reimbursement up to \$25,000 for reasonable and customary medical expenses incurred while on your trip; emergency dental treatment received during your trip, up to \$750; the costs for emergency transport to home or an appropriate hospital, including escort expense (both, if deemed necessary by the attending physician), for a covered injury or sickness which occurs while on your trip; or the cost of homeward carriage if deceased, up to \$50,000.

Baggage & personal effects. Coverage up to \$2,000 for direct physical loss or damage to your baggage, passports, or visas while on your trip. A \$600 maximum limit applies to jewelry, gems, watches, cameras and camera equipment, and furs; a \$300 per article limit applies to all other items. If, while on your trip, your baggage is delayed for more than 24 hours, the policy will reimburse you up to \$100 for the purchase of necessary additional clothing and personal articles.

Pre-existing conditions waiver. The plan exclusion for pre-existing conditions is waived if you purchase the plan within 14 days of your initial deposit/payment for your trip.

United States Tour Operators Association \$1 million Travelers Assistance Program

Explorica Inc., as an Active Member of USTOA, is required to post \$1 Million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Explorica Inc. Customers in the unlikely event of Explorica Inc.'s bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 Million posted by Explorica Inc. may be sufficient to provide only a partial recovery of the advance payments received by Explorica Inc. Are there optional extras for individual participants?

Explorica offers various options to enhance your overseas experience. You must register for the following optional extras at the time of your enrollment. Any changes to your itinerary after time of enrollment will be subject to availability and additional charges will apply. For further details, please consult an Explorica Customer Care Representative at 1.888.310.7121.

Alternate departure airport. Depart from an airport different from your fellow group members. You pay the Tour Fee from the alternate airport, plus a service fee of \$145 if requested up to 130 days before departure. If requested between 129-90 days before departure, the fee is \$195. This option is not available less than 90 days before departure. Additional fees may apply, and your alternate airport must be one of Explorica's gateways.

Land-only tours. On many of our tours, you may arrange for your own airline tickets and join the group at the first hotel at the first overseas destination. We will discount your Tour Fee. Special conditions may apply for travelers who are minors. Please keep in mind that you should not make any flight arrangements until you receive your final tour itinerary and departure date from your Group Leader. For more details, go to explorica.com/faq.aspx.

Stay-ahead and stay-behind options. You may wish to spend time at your destinations before or after the scheduled tour. The fee for this service is \$145 if requested upon enrollment. If requested after enrollment and up to 130 days before departure, the fee is \$195. Additional fees may apply if requested or changed between 129-90 days before departure. This option is not available less than 90 days before departure. We will change your airline ticket, and you are responsible for all accommodations, meals, and transfers before and after the scheduled tour. Because we will arrange your airline tickets separately from your group's, we cannot guarantee that you will share any of the same flights, and additional fees may apply.

Accommodations. All participants aged 22 and younger room together in same gender triples or quads from the entire bus group (unless otherwise noted). Hotel rooms are furnished with either single or double beds; single beds sleep just one person and double beds may be shared. Participants aged 22 and younger may choose to upgrade to stay in a double/twin room for an additional \$45 per

night (\$75 per night on cruises and ferries). Participants aged 23 or older are required to stay in a double/twin room and are therefore automatically charged the additional \$45 per night (\$75 per night on cruises and ferries). Participants aged 23 or older may choose to upgrade to stay in a single room for an additional \$85 per night. Single rooms are not available on night trains, cruises and ferries. The deadline for requests for double/twin or single room upgrades is 60 days before departure. For more information on accommodations, visit explorica.com/get-ready.aspx.

Optional excursions. On each program we offer a number of optional activities pre-negotiated with our overseas suppliers. Enrolling prior to departure helps us plan; we offer you a discount on each of these activities if you enroll 45 days or more before departure. For most optional activities you can enroll online up to 105 days prior to your departure date (110 days prior to departure for tours departing in 2019 or later), and you can enroll over the phone for most excursions up to 45 days prior to departure. After that date, you can register on a space-available basis only during the tour itself. Some activities require pre-booking; please refer to the individual tour itineraries for booking specifics. All optional excursions are based on 20 paying participants. If there are fewer than 20 paying participants enrolled on an optional excursion, Explorica reserves the right to add a surcharge or cancel the optional excursion at its discretion.

Are there optional tour enhancements for the group?

The following additions and alternatives must be reserved for the entire group when the Group Leader creates a Tour Center:

Stay-ahead and stay-behind. If the entire group would like to arrive at the first destination a few days earlier or stay at the final destination a few days later than the scheduled tour, Explorica can change your airline tickets. The service fee is \$50 per participant, plus additional costs for land arrangements, which will be passed along to the participants. This optional tour enhancement requires a minimum of 10 paying participants.

Tour extensions. Many of our programs offer extensions to the normal tour. These extensions must be booked at the time of enrollment, must apply to the entire group, and any changes will incur additional charges. All tour extensions are based on 25 paying participants. If there are fewer than 25 paying participants enrolled on a tour extension, Explorica reserves the right to add a surcharge or cancel the tour extension at its discretion.

Accommodations. All participants aged 22 and younger room in same-gender rooms with travelers from the entire bus group. Alternatively, your Group Leader may choose to include our "Exclusive Rooming" option, which ensures that students from your group will not be mixed with students from other groups.

Adults and children under 6

Our programs are primarily developed for youths, but adults are welcome to participate. As our prices are based on youth rates, we charge a flat rate adult supplement of \$125 per adult (23 years of age or older). Adults are automatically placed in twin rooms unless a single room is requested. The double/twin or single room supplement will apply in addition to the adult supplement, and will be charged even if the adult requests a triple room. We do not accept applications for travelers under the age of 6 at time of departure.

Adult tours. Our programs are primarily developed for youths, however, some groups are predominantly college-age students or adults. We offer the option of designating the group as an Adult Group. For this type of group, all participants will pay a reduced adult fee and all participants will room in double or single occupancy rooms. Depending on the selected tour type, adult groups may be combined with student groups.

General information

Any requested changes to itinerary, travel date, package type, group size, or other aspects of your tour made after your tour has been chosen may be subject to additional fees.

Please note that once a Group Leader chooses a new itinerary, new departure date, or small group supplement, that decision is binding for the group. Participants wishing to cancel their enrollments at that point must pay any applicable cancellation fees. Additionally, once a Group Leader or school board cancels a tour on behalf of the group, standard cancellation fees apply.

Guaranteed travel date tours. If your group enrolls on a Guaranteed Travel Date tour, your itinerary and departure date is guaranteed not to change. Please note that tour extensions and stay-ahead/stay-behinds are not guaranteed on Guaranteed Travel Date tours, and require a minimum number of travelers in order to run.

Private & Custom tours. Your group may elect to have its own bus and Tour Director rather than traveling with one or more other groups. A minimum group size is required for this option, and the group leader is responsible for ensuring that the minimum is met. A private tour will follow the published itinerary (including any tour upgrades or options your group has selected). Your initial price quote includes a private group fee based on your estimated group size, and that fee is variable based on the final group size and tour length. If your final group size is less than the initial quoted group size at 105-30 days prior to departure (110-90 days prior to departure for tours departing in 2019 or later), participants will be required to pay an increased private group fee. If individuals or the group chooses to cancel, or the minimum group size is not met, all applicable cancellation fees would apply.

Consolidated tours. In order for us to offer the lowest possible Tour Fees, tour prices are based on a minimum of 35 paying participants. We therefore sometimes combine smaller groups into one larger group of approximately 50 participants, giving you the benefit of meeting students and teachers from other schools. If an insufficient number of participants sign up for a tour, Explorica will collaborate with the Group Leader to find a similar or comparable tour, and participants will then pay the fees for the new tour. If no similar tour is available, the group may pay a small group supplement to run the original tour.

Changes in travel dates. For Private, Custom, and Consolidated Tours, Explorica reserves the right to change the date of departure due to heavy demand on certain peak travel dates. From October 1 to April 30, the change of date will be no more than one day in either direction. From May 1 to September 30, the change of date may be up to three days in either direction. If we suggest a change of departure from a weekday to a weekend, Explorica will waive the weekend supplement.

Changes in itineraries. Explorica reserves the right to make changes in the itinerary when deemed necessary. These changes might include shifting the order of cities visited, reversal of the tour, separate flight itineraries, or changes in airlines, cruise ships, or modes of transportation. On certain days some attractions might be closed, so we will offer a similar activity or refund the cost of the cancelled event. If your group's flight arrives late on the scheduled arrival day, we will attempt to reschedule any activities you miss on that day or provide an adequate substitute activity on another day of your tour. We cannot offer refunds for missed activities.

Airlines and airports. For departures from New York, Explorica uses JFK, Newark, and La Guardia airports interchangeably. For departures from the Washington, D.C. area, Explorica uses Baltimore, Ronald Reagan, and Dulles airports interchangeably. For departures from Florida, Explorica uses Miami and Fort Lauderdale interchangeably. For departures from Houston, we use Hobby and George Bush. For international flights to and from Scotland, Explorica uses Glasgow and Edinburgh airports interchangeably. For international flights to and from Ireland, Explorica uses Shannon, Dublin, and Cork interchangeably. For international flights to and from Italy, Explorica uses Venice and Milan interchangeably. For international flights to and from the UAE, we use Dubai and Abu Dhabi airports interchangeably. The passenger contract in use by the airline, when issued, shall constitute the sole contract between the airline and the passenger. The airlines mentioned above shall have no responsibility to any traveler aside from their liability as common carriers. Some countries require insecticide spraying of aircraft prior to a flight or while passengers are on the aircraft. Federal law requires that we refer you to the DOT's disinsection website at <http://airconsumer.dot.gov/spray.htm> for more information.

Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 6124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radio-pharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information contact your airline representative or visit http://www.faa.gov/about/initiatives/hazmat_safety/.

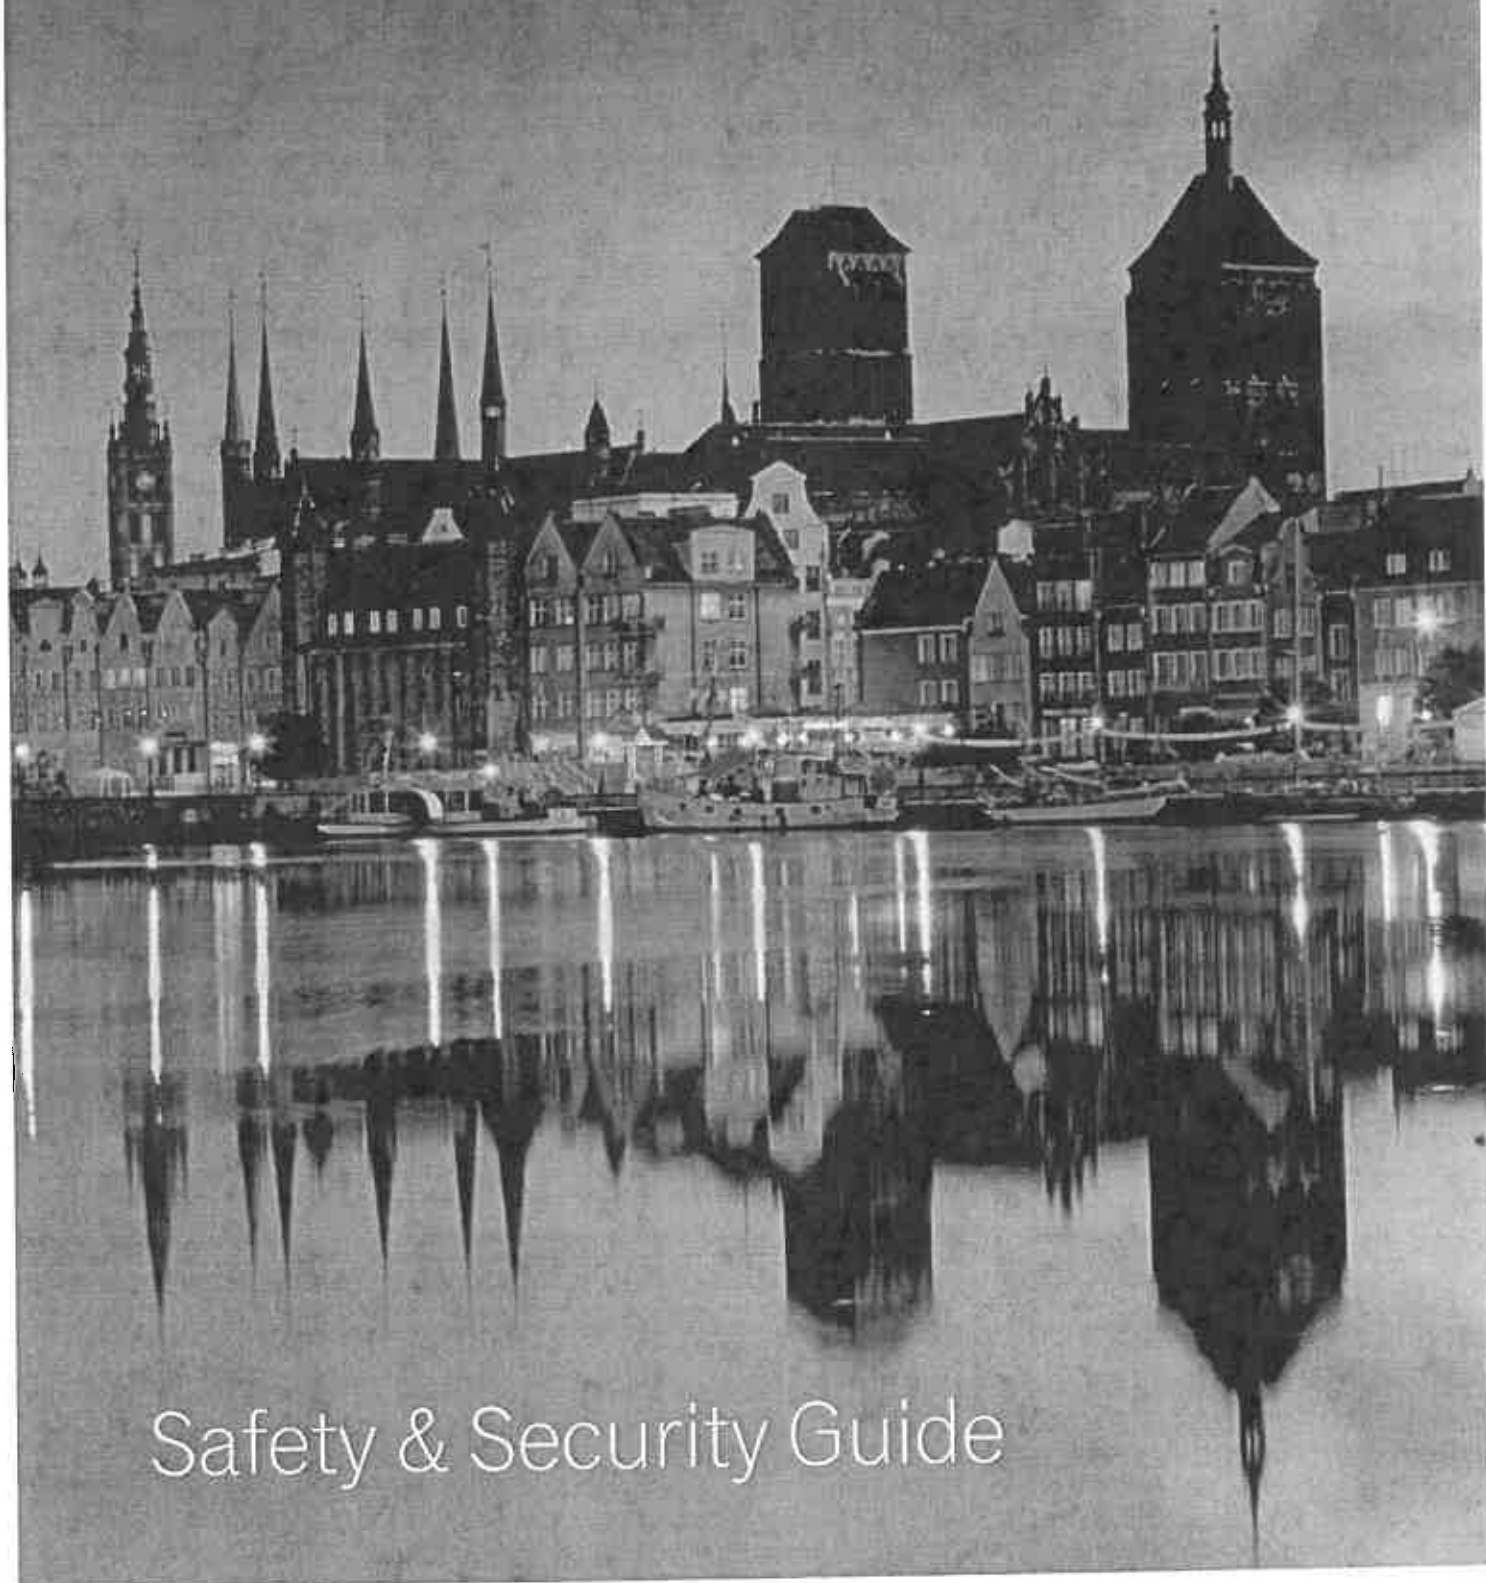

Airline tickets and final itinerary. We will post all travel details, including flight schedule, hotel names, and your Tour Director's name, on our website (at your personal Tour Center) prior to departure. Airline tickets or e-ticket confirmation numbers will be sent to your Group Leader before departure. Flight times, airlines, itineraries, Tour Directors, and hotel information are subject to change. Please note any request to correct a participant's first, middle, last name, or gender under 85 days prior to your departure will incur a fee. Participants are responsible for making sure that their travel documents match their airline ticket. Those who have not done so risk being unable to board their flights. All airline tickets are non-transferable.

Passports and visas. It is each traveler's responsibility to obtain a valid passport, visas, transit visas and any required travel insurance coverage (if applicable), and notarized parental consent form. We suggest that this process be completed well in advance of departure. Please note that customs officials may not allow you to enter a country unless your passport is valid for at least six months after your return date and/or have a full blank page. All travelers must contact the appropriate embassies and consulates to inquire about and obtain any necessary visas for all countries to be visited.

Passengers with Disabilities. Any disability or allergy requiring special attention should be reported to Explorica at the time you make your reservation. We will make reasonable attempts to accommodate special needs, but we are not responsible for any denial of services by carriers, hotels, restaurants, and other independent suppliers. Travelers requiring extraordinary assistance must be accompanied by a companion who is capable of and totally responsible for providing the necessary assistance. Please refer to the Special Needs and Disabilities section of our FAQ at www.explorica.com/faq for more information.

Tour directors

With Explorica, you never work alone. Our professional tour directors provide 24/7 Explorica support for your group on tour, accompanying you every step of the way from arrival to departure. We perform detailed background checks on all our tour directors, who are fully trained in safety procedures and fluent in your destinations' languages.

Explorica's emergency and land departments are available 24/7 and routinely deal with transportation issues. Itineraries can be rescheduled accordingly to make up for any missed activities where possible.

Public transportation

When traveling via public transit, students are organized into sub-groups with chaperones. Our 6:1 student-to-chaperone ratio supports safety when traveling in this fashion. Every group travels with a tour director familiar with cities visited and corresponding public transit systems.

Rail transportation

We only work with the best trains in Europe with the highest safety ratings, including Eurostar, AVE, TGV, and a number of other international rail transit lines.

Coach safety features and equipment

- › All our motor coaches are equipped with standard safety features to protect passengers.
- › Seat belts (when present in the coach) are present for the comfort and safety of passengers. Wearing them is compulsory in most European countries.
- › Fire extinguishers are usually located at the front of the vehicle.
- › Emergency exits include instructions for use in an emergency. Most coaches also have roof hatches that can be used as emergency exits.
- › First aid kits are often located in the overhead compartment above the first row of seats. They should be in a container clearly marked with the Red Cross symbol.
- › Adhere strictly to current driving hours legislation

Flights

Airline partners

We only work with the most reliable airlines to ensure that all of our tours arrive on time and safe in their destination. Our airline partners include most major airlines, such as Alitalia, KLM, Air France, American Airlines, British Airways, JetBlue, Lufthansa, Iberia, Virgin Atlantic and Delta Airlines.

Flight delays and cancellations

Explorica's emergency department is available 24/7. The Explorica Travel Protection Plan also provides generous coverage for any additional costs incurred due to delays and cancellations. Itineraries are often rescheduled accordingly to make up for any missed activities.

Activities

Water safety (swimming, kayaking, boating, canoeing, etc.)

Life jackets are provided for all water-based activities by the activity provider. Groups do not visit beaches without lifeguards.

Adventure activities

For adventure activities such as zip-lining, snorkeling, hiking, circus school or others, proper safety equipment (helmets, belays, snorkels, etc.) is required for all participants. The activity provider may require participants, or chaperones in the case of minors, to sign a waiver or release agreement. Participants are not required by Explorica to participate in this or in any activity, and may choose not to do so. Tour directors should advise their group leaders that if they have any students who are afraid of heights, water or uncomfortable doing an activity, then non-participation may be the best option.

Meals and accommodations

Food safety

All restaurants are inspected by Explorica staff and must pass safety inspection. All food allergies and requests are noted by the tour director and group leader, and all restaurants are notified of allergies in advance.

Hotel safety

All hotels are inspected by Explorica staff and must pass safety inspection. All hotels provided have security staff, and additional security or specific floor supervision can be provided upon request. Nighttime security is included in all our domestic tour packages. Teachers, chaperones and students will be placed on the same floors to ensure additional supervision when possible.

Communication on tour

We promise to keep our student travelers as safe as possible, but we understand that most parents want to check in for themselves. To ensure that student travelers can contact their families as much as possible, we make sure that there are a number of communication options available. This way students can share their adventures with those at home, and parents can personally verify that their children are safe and secure while on tour.

Emergency assistance

We believe it's important to be prepared for any emergencies that might arise while traveling. With Explorica's worldwide network, internationally located offices, and 24/7 emergency support, we can help you with any problem, at any time, in any country. If a problem or emergency occurs on your tour, we will respond swiftly and appropriately to minimize any disruption to your trip.

Explorica Customer Care

Our dedicated 24-hour emergency contact line is always staffed and ready to provide rapid response. If you have an emergency any time during your tour, please call 1.617.210.6194.

Worldwide network

While on tour, our international network of offices enables us to react immediately to any situation requiring immediate on-site assistance

Tour Diaries

Our exclusive online Tour Diaries enable parents to check in on their students' daily activities while on tour, without interrupting any of their adventures. Our tour directors publish photos and journal entries at the end of each day on tour, so that families at home can keep tabs of their travelers from across the country or across the world.

Calling home

While travelers should be careful about flaunting expensive smartphones, it can be a great safety asset to have a working phone while traveling. On international tours, consider using a prepaid international calling card or international cell phone to keep in touch with your group and your family at home. We recommend purchasing international calling cards in destination countries, as locally bought cards are the most effective.

Travel protection

Protect yourself, your belongings and your tour investment with the best insurance in educational travel. We suggest all travelers purchase one of our two travel protection plans, so they are covered for lost bags, misplaced tickets or passports, or illness during the tour.

Through Trip Mate, our third-party travel protection plan provider, four out of five Explorica travelers protect their tours with our travel protection plans. Explorica offers two great plans that help protect your educational travel investment.

Explorica Travel Protection Plan

Our standard protection plan covers you for the following events:

- › A traveler's injury, sickness, or death of an immediate family member
- › Theft of passport or visas
- › Loss of luggage and personal effects
- › Trip cancellation or trip interruption due to covered reasons such as a covered sickness, injury or death
- › Trip cancellation or trip interruption due to terrorist acts, as defined.

Explorica Travel Protection Plan PLUS

For everything else, there's our Travel Protection Plan PLUS, which includes our exclusive Cancel For Any Reason waiver benefit in addition to our standard insurance. This means that no matter *what* your reason, if you cancel your trip at least 30 days prior to departure, you will be reimbursed for 75% of cancellation fees in *cash*, an option not available anywhere else.

The Explorica safety plan

Explorica's approach to safety and security is to be prepared. We always plan not to have a crisis, but we prepare for everything just in case. Explorica has a very comprehensive internal response plan (including a major incident response plan) regarding the many emergency situations that may occur while on tour. The following major incidents are considered in Explorica's plan:

- › Flight, bus, train, cruise or ferry accident
- › Fire
- › Terrorism
- › Natural disasters
- › Injury or death of a tour participant
- › Overnight hospitalization
- › Criminal charges
- › Lost student or adult
- › Allegations by participants
- › Pandemics

All levels of the company are involved in order to resolve any situation. This includes the direct involvement of the tour director, their communications to the tour director supervisors, the Emergency Department, the Operations Department and our Customer Care Department. There is a corresponding priority and escalation process, with senior executive involvement only a mobile phone call away, 24 hours per day.

Emergency management

Tour directors are trained on how to address emergency situations at the onset of every travel season. Explorica provides an emergency phone number to all participants, parents, chaperones, tour directors and anyone else associated with the trip. Explorica's emergency and operations staff conduct drills and trainings on an annual basis, to test all processes and procedures.

Minor Incidents

Tour directors report any minor accident to our operations team at the onset of the incident. Depending on the situation, appropriate personnel are informed via an internal communication system, which alerts multiple departments of minor accidents, allowing them to work quickly and efficiently to resolve the issue. Incidents are not resolved until labeled as closed in the system.

Major incidents

Similar to a minor accident, all information regarding a major accident is reported via our internal communication system. In a major accident situation, our safety & security officer is contacted immediately to ensure the situation is communicated accordingly to all parties. Tour directors and ground representatives work with the group leader to ensure all parties are safe and taken care of for the remainder of the tour. We will contact the insurance provider when necessary.

Extreme weather or natural disasters

In the case of extreme weather or natural disasters, the tour director will report the situation via our internal communication system and notify our safety & security officer. Arrangements will be made to ensure the safety and satisfaction of the students on tour.

Allergies

Explorica advises the tour director and all relevant suppliers of allergies provided by the traveler online or by the group leader by completed allergy forms. The tour director will work with chaperones to ensure students' safety.

Prevention and action plan for missing students

Head counts are performed at each meeting point on tour, and each time the group boards a bus or other form of transportation. All students receive the hotel's name, address and phone numbers. In the event of a missing student, our emergency procedures would be activated and all parties on location would support efforts in finding the student. Teachers are also accountable for assisting in these efforts.

Lost or stolen passports

In the event of a lost or stolen passport, your group's tour director and the Explorica operations team will assist you in the proper procedures for obtaining a new one. Explorica is not liable for lost or stolen passports. For coverage in such an event, please purchase one of our travel protection plans.

Proactive security steps

Explorica's Safety & Security Guide is available to all group leaders before their tour, and we have emergency contingency plans in place on all travel programs. To ensure the highest level of safety for our travelers in every scenario:

- › We have a global presence with over 45 offices around the world to monitor situations and assist in the event that safety issues arise.
- › Our VP of Risk Management, supported by our 24/7 team of dedicated risk management professionals, continually assesses all travel destinations and situations.
- › We partner with iJet, a leading worldwide security and risk management organization, for additional assistance in evaluating global conditions, and we actively monitor any security issues with them.
- › Our tour directors live and work in the cities our students visit and are available at all times to support their groups. We are in regular contact with all of our staff on the ground to provide up-to-date information on local conditions.

If a terror event or natural disaster occurs in your city during travel (if group is together without the tour director):

- › The tour director and group leader should determine whether to shelter in place, to return to the hotel, or to move to a safer location.

If a terror event or natural disaster occurs in your city during travel (if group is together with the tour director):

- › If you are at a location/activity determine whether it is best to shelter in place, return to the hotel, or move to a safer location.
- › If you are at a restaurant/other public location, you can consult with locals for their recommendations.
- › Contact Explorica as soon as practical (as well as your school). Use the 24/7 number listed below.

If a terror event or natural disaster event occurs in your city during travel (if during free time):

- › During free time, it is likely your group will be fragmented and in multiple locations. Your top priority as group leader is to determine the safety of your students.
- › All group participants (students, chaperones) must understand that if there is an incident in the city at time of travel, they must either immediately return to the hotel for headcount, or contact you indicating they are safe but unable to safely return to the hotel at the time.
- › You may choose to share a secondary meeting location if your hotel is unsafe for return.
- › If participants assess that it is not safe for them to return to the hotel, they can shelter in place. They should then reach out to you via phone/text, email, or through social media posts. Students without phones may need to borrow one from local residents.
- › Contact Explorica as soon as practical (as well as your school). Use the 24/7 number listed below.

How to reach Explorica in an emergency:

- › Phone **+1.617.210.6194** (24/7 Emergency Contact Line)
- › Please program the above number and your school's number into your phone prior to travel.

Explorica disclaimer: The purpose of this document is to serve as a preparatory guide for group leaders and Explorica team in-country in the event of a terror incident/natural disaster in the city in which a group is traveling. This document is not intended for distribution to students. It is based on the best knowledge and recommendations of the Explorica Risk Management team. Note that situations on the ground may dictate a different course of action, and participants should use their judgment about the safest course of action in an emergency.

Liability

We understand that many school officials are concerned about allowing their students to travel, but we assure you that safety is Explorica's number one priority. We have taken all precautions to protect students and other tour participants, and we have policies in place to protect the school, school board, teachers and participants involved with our tours.

Explorica has an exceptional safety record, but in the unlikely event of injuries or damages resulting from our negligence, we have a \$50 million liability policy with Zurich Insurance Group that protects third parties such as the school and school board. For additional information on our liability insurance, or to receive proof of coverage, please contact your Explorica program consultant or call 1.888.310.7120.

Explorica's Code of Conduct

Educate yourself about the culture you're visiting. Before you jet off across the world, do a little research. How do they dress? What do they eat? How do they say "hello"? This will help you adjust to the new environment and keep you from looking like a tourist.

X marks the spot. Be where you need to be when you need to be there. Always come prepared with local maps, essential phone numbers, and a watch, so it's easy for you to get to designated meeting spots on time. Scheduled activities are mandatory. If you need to be excused from an activity for any reason, please ask your group leader for permission in advance.

Pay attention to your surroundings. In a new environment, there's a lot to take in, but you need to stay alert. Be mindful of your safety and belongings at all times, so that you can avoid any mishaps while traveling.

Listen to your group leader and tour director. Your group leader is responsible for your safety, and your Explorica tour director is an expert in every aspect of your destination. It is important that you listen to them and do what they say at all times. This means getting places on time, respecting curfew, and following all rules in place, so everyone can have a fun and safe experience.

Organize your free time responsibly. Throughout your trip you'll have periods of free time. During this time, you should always be with a small group, and never stray too far from your meeting place. Be sure to wear a watch, carry a map, and allot plenty of time to get to your meeting place early, so the rest of your group doesn't have to wait.

Respect the people and the culture. When you travel, think of yourself as a guest in someone else's home. Even if foods, clothes, or behaviors seem strange to you, be understanding and accepting of the culture.

Illegal activities will not be tolerated. The laws abroad may be very different from the laws back home, but no matter how strange they may seem to you, follow them! If not, you are subject to the legal consequences and immediate dismissal from the tour.

Consumption of hard alcohol will not be tolerated. We do not permit excessive drinking on our tours. The allowance of a glass of wine or beer at meals is up to the discretion of your group leader if you are over 18 and of legal drinking age in the country you are visiting.

Offer help and support to your peers, group leader and tour director. You're all in this together! Whether a friend needs a hand lifting a suitcase, your group leader needs to get everyone quiet to call roll, or your tour director needs help learning someone's name, lend a helping hand to whoever needs it.

Damages are your own personal responsibility. If you break it, you buy it. If you damage anything in your hotel or bus or incur any additional fees (e.g. phone calls, room service, etc.), you will be held responsible and required to pay for it. If you notice any damage upon arrival, notify your tour director immediately.

Experience the world and have fun! These rules are in place to keep your entire group safe, healthy, and happy on tour. Now it's your job to get out there and enjoy the experience of a lifetime. *Bon voyage!*

Attachments: Pertinent Information Related for the 2019 German Exchange Trip

Subject: German Cultural Exchange Field Trip – Stuttgart, Germany;
Vienna, Austria, and Prague, Czech Republic April 2019, 1st Reading

Background:

Students at Windsor High School were provided the opportunity to host and perform with students from the Musikschule Filderstadt, Germany, (a suburb of Stuttgart) a community arts school similar to the University of Hartford: Hartt School Community Division in November 2017. This opportunity was made possible through the collaborative preparation of Kingswood Oxford School, W. Hartford and Windsor High School. The Musikschule Filderstadt Administrator, Maria Fiedler, was referred to both us and Kingswood Oxford as possible schools to collaborate with. This foreign exchange permitted us to perform in concert with them. We were motivated to a higher standard as we prepared resulting in a concert documented by WIN TV. Our German guests were well prepared and delightful to collaborate with. They have invited us to reciprocate this exchange offering us an opportunity to experience firsthand German culture and perform with them as their families provide us meals and lodging while in their company. Dr. Pierce and Ms. Hunter will serve as tour leaders.

Status:

A German Cultural Exchange Field Trip – Stuttgart, Germany; Vienna, Austria; and possibly Prague, Czech Republic is proposed for all WHS students with priority given to students enrolled in Music. April 11-21, 2019 (Thursday-Sunday-11 days) Spring Break 2019. The educational objectives of the trip, as well as the cost, itinerary, trip and cancellation insurance are included in the packet provided to the Windsor Board of Education. As part of the cost of the tour, we have included the price with the Perkins Travel Protection Plan that each student will be required to purchase in the event that the Board determines that it is unsafe to travel at the time of the trip.

Recommendation:

That the Windsor Board of Education approve the proposed trip to Germany as a 1st reading reserving the right to cancel if it feels that the safety of the students is at risk.

4. In case your cruise line, airline, or tour operator goes bankrupt.
5. What if you have a medical emergency in a foreign country? Most major health plans in the U.S. offer little or no medical expense protection abroad.
6. You could have a medical emergency while traveling, requiring emergency medical evacuation. Many U.S. health plans will not cover emergency medical evacuations.
7. You could run into major travel delays forcing you to miss a portion of your trip or cruise and be forced to pay additional lodging expenses while you wait.
8. You could be forced to evacuate your resort due to a hurricane or other weather conditions, cutting your trip short – with no recourse for reimbursement for the remaining portion of your vacation.

Why Buy Travel Protection?

Here are some reasons we believe it's important to purchase travel protection when securing your vacation plans.

1. You have to cancel your trip due to sickness, accident, or death of a family member or traveling companion.
2. If bad weather conditions cause a delay or cancellation of your trip, you could lose any non-refundable deposits and/or incur charges.
3. Your luggage could be lost, delayed, or stolen forcing you to buy additional clothes, essentials, or even prescription medications.
4. In case your cruise line, airline, or tour operator goes bankrupt.
5. What if you have a medical emergency in a foreign country? Most major health plans in the U.S. offer little or no medical expense protection abroad.
6. You could have a medical emergency while traveling, requiring emergency medical evacuation. Many U.S. health plans will not cover emergency medical evacuations.
7. You could run into major travel delays forcing you to miss a portion of your trip or cruise and be forced to pay additional lodging expenses while you wait.
8. You could be forced to evacuate your resort due to a hurricane or other weather conditions, cutting your trip short – with no recourse for reimbursement for the remaining portion of your vacation.
9. You could lose your important travel documents, which can be a uneasy situation abroad without the help of travel protection.
10. If you were to lose your job but have already paid for your trip or cruise, travel protection can help to get your money back when you cancel.

REPORTS OF SUSPECTED ABUSE OR NEGLECT OF ADULTS WITH AN INTELLECTUAL DISABILITY OR AUTISM SPECTRUM DISORDER

Section 46a-11b of the Connecticut General Statutes requires that certain school personnel report any suspected abuse or neglect of persons between eighteen (18) and sixty (60) years of age who: 1) have an intellectual disability or 2) receive funding or services from the Department of Social Services' ("DSS") Division of Autism Spectrum Disorder Services. In furtherance of this statute and its purpose, it is the policy of the Board of Education to require ALL EMPLOYEES of the Board of Education to comply with the following procedures in the event that, in the ordinary course of their employment or profession, they have reasonable cause to suspect that a person with an intellectual disability or an individual receiving funding or services from DSS' Division of Autism Spectrum Disorder Services between eighteen (18) and sixty (60) years of age has been abused or neglected.

1. Scope of Policy

This policy applies not only to employees who are required by law to report suspected abuse and/or neglect of adults with intellectual disabilities, but also to ALL EMPLOYEES of the Board of Education.

2. Definitions

For the purposes of this policy:

"Abuse" means the willful infliction of physical pain or injury or the willful deprivation by a caretaker of services which are necessary to the person's health or safety.

"Neglect" means a situation where a person with an intellectual disability either is living alone and is not able to provide for himself or herself the services which are necessary to maintain his or her physical and mental health, or is not receiving such necessary services from the caretaker.

"Statutory Mandated Reporter" means an individual required by Conn. Gen. Stat. Section 46a-11b to report suspected abuse and/or neglect of adults with intellectual disabilities. In the public school context, the term "statutory mandated reporter" includes teachers, school administrators, school guidance counselors, paraprofessionals, registered or licensed practical nurses, psychologists, social workers, licensed or certified substance abuse counselors, mental health professionals, physical therapists, occupational therapists, dental hygienists, speech pathologists, and licensed professional counselors.

3. Reporting Procedures for Statutory Mandated Reporters

If a statutory mandated reporter has reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the mandated reporter shall, as soon as practicable, but not later than seventy-two (72) hours after having reasonable cause to suspect abuse or neglect, make an oral report to ~~the Director of the Office of Protection and Advocacy for Persons with Disabilities.~~

Abuse Investigation Division
Department of Developmental Services ("DDS")
460 Capitol Avenue
Hartford, Connecticut 06106
Telephone: 1-844-878-8923

The statutory mandated reporter shall also immediately notify the Superintendent.

Such initial oral report shall be followed by a written report to the ~~Director of the Office of Protection and Advocacy for Persons with Disabilities~~ Abuse Investigation Division of DDS not later than five calendar days after the initial oral report was made, and a copy of any written report shall be given to the Superintendent.

4. Reporting Procedures for Non-Statutory Mandated Reporters

The following procedures apply only to employees who are not statutory mandated reporters, as set forth above.

- a) If an employee who is not a statutory mandated reporter has reasonable cause to suspect that any person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the following steps shall be taken.
 - (1) The employee shall as soon as practicable, but not later than seventy-two (72) hours after having reasonable cause to suspect abuse or neglect, make an oral report by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.
 - (2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that any person with an

intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years has been abused or neglected, the Superintendent or designee shall cause reports to be made in accordance with the procedures set forth for statutory mandated reporters, set forth above.

- b) Nothing in this policy shall be construed to preclude an employee from reporting suspected abuse and/or neglect of adults with intellectual disabilities, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, directly to the ~~Office of Protection and Advocacy for Persons with Disabilities~~ Abuse Investigation Division of DDS.

5. Contents of Report

- c) information concerning the nature and extent of the abuse or neglect; and,
- d) any additional information that the reporter believes would be helpful in investigating the report or in protecting the person with an intellectual disability or who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services.

6. Investigation of the Report

If the suspected abuser is a school employee, the Superintendent shall thoroughly investigate the report, and shall, to the extent feasible, endeavor to coordinate any such investigation with the investigation conducted by the ~~Office of Protection and Advocacy for Persons with Disabilities~~ Abuse Investigation Division of DDS.

The Superintendent's investigation shall include an opportunity for the suspected abuser to be heard with respect to the allegations contained within the report. During the course of an investigation of suspected abuse by a school employee, the Superintendent may suspend the employee with pay or may place the

employee on administrative leave with pay, pending the outcome of the investigation.

If the investigation by the Superintendent and/or the ~~Office of Protection and Advocacy~~ Abuse Investigation Division of DDS produces evidence that a person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, has been abused by a school employee, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment.

7. Delegation of Authority by Superintendent

II. Scope of the Student Discipline Policy

- B. A student may not be removed from class more than six (6) times in one school year nor more than twice in one week unless the student is referred to the building principal or designee and granted an informal hearing at which the student should be informed of the reasons for the disciplinary action and given an opportunity to explain the situation.
- C. The parents or guardian of any minor student removed from class shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of such removal from class.

VI. Procedures Governing Suspension

- A. In cases where suspension is contemplated, the following procedures shall be followed.
1. Unless an emergency situation exists, no student shall be suspended prior to having an informal hearing before the principal or designee at

which the student is informed of the charges and given an opportunity to respond. In the event of an emergency, the informal hearing shall be held as soon after the suspension as possible.

2. If suspended, such suspension shall be an in-school suspension except the principal or designee may impose an out-of-school suspension on any pupil:
 - a. ~~(1)~~ in grades three to twelve, inclusive, if, during the informal hearing, ~~(a)~~ i. the principal or designee determines that the student poses such a danger to persons or property or such a disruption of the educational process that he or she should be excluded from school during the period of suspension; or ~~(b)~~ (ii) the principal or designee determines that an out-of-school suspension is appropriate based on evidence of ~~(A)~~ i the student's previous disciplinary problems that have led to suspensions or expulsion of such student, and ~~(B)~~ ii previous efforts by the ~~administration~~ Administration to address the student's disciplinary problems through means other than out-of-school suspension or expulsion, including positive behavioral support strategies, or
 - b. ~~(2)~~ in grades preschool to two, inclusive, if the principal or designee determines that an out-of-school suspension is appropriate for such pupil based on evidence that such pupil's conduct on school grounds is of a violent or sexual nature that endangers persons.
3. Evidence of past disciplinary problems that have led to removal from a classroom, suspension, or expulsion of a student who is the subject of an informal hearing may be received by the principal or designee, but only considered in the determination of the length of suspensions.
4. By telephone, the principal or designee shall make reasonable attempts to immediately notify the parent or guardian of a minor student following the suspension and to state the cause(s) leading to the suspension.
5. Whether or not telephone contact is made with the parent or guardian of such minor student, the principal or designee shall forward a letter promptly to such parent or guardian to the last address reported on school records (or to a newer address if known by the principal or designee), offering the parent or guardian an opportunity for a conference to discuss same.

6. In all cases, the parent or guardian of any minor student who has been suspended shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the suspension.

8. The student shall be allowed to complete any classwork, including examinations, without penalty, which he or she missed while under suspension.
9. The school ~~administration~~ Administration may, in its discretion, shorten or waive the suspension period for a student who has not previously been suspended or expelled, if the student completes an ~~administration~~ Administration-specified program and meets any other conditions required by the ~~administration~~ Administration. Such ~~administration~~ Administration-specified program shall not require the student and/or the student's parents to pay for participation in the program.
10. Notice of the suspension shall be recorded in the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record if the student graduates from high school. In cases where the student's period of suspension is shortened or waived in accordance with Section VI.A(9), above, the ~~administration~~ Administration may choose to expunge the suspension notice from the cumulative record at the time the student completes the ~~administration~~ Administration-specified program and meets any other conditions required by the ~~administration~~ Administration.
11. If the student has not previously been suspended or expelled, and the ~~administration~~ Administration chooses to expunge the suspension notice from the student's cumulative record prior to graduation, the ~~administration~~ Administration may refer to the existence of the expunged disciplinary notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspensions or expulsions by the student would constitute the student's first such offense.
12. The decision of the principal or designee with regard to disciplinary actions up to and including suspensions shall be final.

13. During any period of suspension served out of school, the student shall not be permitted to be on school property and shall not be permitted to attend or participate in any school-sponsored activities, unless the principal specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.
- B. In cases where a student's suspension will result in the student being suspended more than ten (10) times or for a total of fifty (50) days in a school year, whichever results in fewer days of exclusion, the student shall, prior to the pending suspension, be granted a formal hearing before the Board of Education. The principal or designee shall report the student to the Superintendent or designee and request a formal Board hearing. If an emergency situation exists, such hearing shall be held as soon after the suspension as possible.

VII. Procedures Governing In-School Suspension

- A. The principal or designee may impose in-school suspension in cases where a student's conduct endangers persons or property, violates school policy, seriously disrupts the educational process or in other appropriate circumstances as determined by the principal or designee.

1. Expulsion hearings conducted by the Board will be heard by any three or more Board members. A decision to expel a student must be supported by a majority of the Board members present, provided that no less than three (3) affirmative votes to expel are cast.
2. Alternatively, the Board may appoint an impartial hearing board composed of one (1) or more persons to hear and decide the expulsion matter, provided that no member of the Board may serve on such panel.

C. Hearing Notice and Rights of the Student and Parent(s)/Guardian(s):

1. Written notice of the expulsion hearing must be given to the student, and, if the student is a minor, to his/her parent(s) or guardian(s) ~~within a reasonable time prior to the time of the~~ at least five (5) business days before such hearing.
2. A copy of this Board policy on student discipline shall also be given to the student, and if the student is a minor, to his/her parent(s) or guardian(s), at the time the notice is sent that an expulsion hearing will be convened.
3. The written notice of the expulsion hearing shall inform the student of the following:

- e. The student may cross-examine witnesses called by the Administration.
- f. The student may be represented by ~~any third-party~~ an attorney or other advocate of his/her choice, ~~including an attorney~~, at his/her expense or at the expense of his/her ~~parents-parent(s) or guardian(s).~~
- g. A student is entitled to the services of a translator or interpreter, to be provided by the Board of Education, whenever the student or his/her parent(s) or guardian(s) requires the services of an interpreter because he/she/they do(es) not speak the English language or is(are) disabled.
- h. The conditions under which the Board is not legally required to give the student an alternative educational opportunity (if applicable).
- i. Information concerning the parent's(s') or guardian's(s') and the student's legal rights and concerning about free or reduced-rate legal services and how to access such services.
- j. The parent(s) or guardian(s) of the student have the right to have the expulsion hearing postponed for up to one week to allow time to obtain representation, except that if an emergency exists, such hearing shall be held as soon after the expulsion as possible.

D. *Hearing Procedures:*

- 1. ~~1.~~—The hearing will be conducted by the Presiding Officer, who will call the meeting to order, introduce the parties, Board members and counsel, briefly explain the hearing procedures, and swear in any witnesses called by the Administration or the student.
- 2. ~~2.~~—The hearing will be conducted in executive session. A verbatim record of the hearing will be made, either by tape recording or by a stenographer. A record of the hearing will be maintained, including the verbatim record, all written notices and documents relating to the case and all evidence received or considered at hearing.
- 3. The Administration shall bear the burden of production to come forward with evidence to support its case and shall bear the burden of persuasion. The standard of proof shall be a preponderance of the evidence.

4. ~~3.~~ Formal rules of evidence will not be followed. The Board has the right to accept hearsay and other evidence if it deems that evidence relevant or material to its determination. The Presiding Officer will rule on testimony or evidence as to it being immaterial or irrelevant.
5. ~~4.~~ The hearing will be conducted in two (2) parts. In the first part of the hearing, the Board will receive and consider evidence regarding the conduct alleged by the Administration.
6. ~~5.~~ In the first part of the hearing, the charges will be introduced into the record by the Superintendent or his/her designee.
7. ~~6.~~ Each witness for the Administration will be called and sworn. After a witness has finished testifying, he/she will be subject to cross-examination by the opposite party or his/her legal counsel, by the Presiding Officer and by Board members.
8. The student shall not be compelled to testify at the hearing.
9. ~~7.~~ After the Administration has presented its case, the student will be asked if he/she has any witnesses or evidence to present concerning the charges. If so, the witnesses will be sworn, will testify, and will be subject to cross examination and to questioning by the Presiding Officer and/or by the Board. The student may also choose to make a statement at this time. If the student chooses to make a statement, he or she will be sworn and subject to cross examination and questioning by the Presiding Officer and/or by the Board. Concluding statements will be made by the Administration and then by the student and/or his or her representative.
10. ~~8.~~ In cases where the student has denied the allegation, the Board must determine whether the student committed the offense(s) as charged by the Superintendent.
11. ~~9.~~ If the Board determines that the student has committed the conduct as alleged, then the Board shall proceed with the second portion of the hearing, during which the Board will receive and consider relevant evidence regarding the length and conditions of expulsion.
12. ~~10.~~ When considering the length and conditions of expulsion, the Board may review the student's attendance, academic and past disciplinary records. The Board may not review notices of prior expulsions or suspensions which have been expunged from the student's cumulative record, except as so provided in Section VI.A (9), (10), (11), above, and Section X, below. The Board may ask the

Superintendent for a recommendation as to the discipline to be imposed.

13. ~~11.~~ Evidence of past disciplinary problems which have led to removal from a classroom, suspension or expulsion of a student being considered for expulsion may be considered only during the second portion of the hearing, during which the Board is considering length of expulsion and nature of alternative educational opportunity to be offered.
14. ~~12.~~ Where administrators presented the case in support of the charges against the student, such administrative staff shall not be present during the deliberations of the Board either on questions of evidence or on the final discipline to be imposed. The Superintendent may, after reviewing the incident with administrators, and reviewing the student's records, make a recommendation to the Board as to the appropriate discipline to be applied.
15. ~~13.~~ The Board shall make findings as to the truth of the charges, if the student has denied them; and, in all cases, the disciplinary action, if any, to be imposed. While the hearing itself is conducted in executive session, the vote regarding expulsion must be made in open session and in a manner that preserves the confidentiality of the student's name and other personally identifiable information.
16. ~~14.~~ Except for a student who has been expelled based on possession of a firearm or deadly weapon as described in subsection IV.B(1) and (2) above, the Board may, in its discretion, shorten or waive the expulsion period for a student who has not previously been suspended or expelled, if the student completes a Board-specified program and meets any other conditions required by the Board. The Board-specified program shall not require the student and/or the student's parents to pay for participation in the program.
17. ~~15.~~ The Board shall report its final decision in writing to the student, or if such student is a minor, also to the parent(s) or guardian(s), stating the reasons on which the decision is based, and the disciplinary action to be imposed. Said decision shall be based solely on evidence presented at the hearing. The parents or guardian or any minor student who has been expelled shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of the period of the expulsion.

E. Presence on School Grounds and Participation in School-Sponsored Activities During Expulsion:

During the period of expulsion, the student shall not be permitted to be on school property and shall not be permitted to attend or participate in any school-sponsored activities, except for the student's participation in any alternative educational ~~program~~ opportunity provided by the district in accordance with this policy, unless the Superintendent specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.

F. Stipulated Agreements:

In lieu of the procedures used in this ~~section~~ Section, the Administration and the parent(s) or legal guardian(s) of a student facing expulsion may choose to enter into a Joint Stipulation of the Facts and a Joint Recommendation to the Board concerning the length and conditions of expulsion. Such Joint Stipulation and Recommendation shall include language indicating that the parent(s) or legal guardian(s) understand their right to have an expulsion hearing held pursuant to these procedures, and language indicating that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts and Recommendation. If the Board rejects either the Joint Stipulation of Facts or the Recommendation, an expulsion hearing shall be held pursuant to the procedures outlined herein. If the Student is eighteen years of age or older, the student shall have the authority to enter into a Joint Stipulation and Recommendation on his or her own behalf.

If the parties agree on the facts, but not on the disciplinary recommendation, the Administration and the parents (or legal guardians) of a student facing expulsion may also choose to enter into a Joint Stipulation of the Facts and submit only the Stipulation of the Facts to the Board in lieu of holding the first part of the hearing, as described above. Such Joint Stipulation shall include language indicating that the parents understand their right to have a hearing to determine whether the student engaged in the alleged misconduct and that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts. If the Board rejects the Joint Stipulation of Facts, a full expulsion hearing shall be held pursuant to the procedures outlined herein.

IX. Alternative Educational Opportunities for Expelled Students

- A. For the purposes of this Section, and subject to Subsection IX.E, below, any alternative educational opportunity to which an expelled student is statutorily entitled shall be (1) alternative education, as defined by Conn. Gen. Stat. § 10-74j, with an individualized learning plan, if the Board provides such alternative education, or (2) in accordance with the standards adopted by the State Board of Education.

B. Students under sixteen (16) years of age:

Whenever the Board of Education expels a student under sixteen (16) years of age, it shall offer any such student an alternative educational opportunity.

BC. Students sixteen (16) to eighteen (18) years of age:

1. The Board of Education shall provide an alternative educational opportunity to a sixteen (16) to eighteen (18) year-old student expelled for the first time if he/she requests it and if he/she agrees to the conditions set by the Board of Education. Such alternative educational opportunity may include, but shall not be limited to, the placement of a pupil who is at least sixteen years of age in an adult education program. Any pupil participating in an adult education program during a period of expulsion shall not be required to withdraw from school as a condition to his/her participation in the adult education program.
2. The Board of Education is not required to offer an alternative educational opportunity to any student between the ages of sixteen (16) and eighteen (18) who is expelled for ~~the a second time, or if it is determined at the hearing that (1) the student possessed a dangerous instrument, deadly weapon, firearm or martial arts weapon on school property or at a school sponsored activity, or (2) the student offered a controlled substance for sale or distribution on school property or at a school sponsored activity, or subsequent, time.~~
3. The Board of Education shall count the expulsion of a pupil when he/she was under sixteen (16) years of age for purposes of determining whether an alternative educational opportunity is required for such pupil when he/she is between the ages of sixteen and eighteen.

ED. Students eighteen (18) years of age or older:

The Board of Education is not required to offer an alternative educational opportunity to expelled students eighteen (18) years of age or older.

DE. Students identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"):

Notwithstanding Sections IX.AB. through ED. above, if the Board of Education expels a student who has been identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"), it shall offer

an alternative educational opportunity to such student in accordance with the requirements of IDEA, as it may be amended from time to time.

EE. *Students for whom an alternative educational opportunity is not required:*

The Board of Education may offer an alternative educational opportunity to a pupil for whom such alternative educational opportunity is not required by law or as described in this policy. In such cases, the Board, or if delegated by the Board, the Administration, shall determine the components, including nature, frequency and duration of such services, of any such alternative educational opportunity.

X. Notice of Student Expulsion on Cumulative Record

Notice of expulsion and the conduct for which the student was expelled shall be included on the student's cumulative educational record. Such notice, except for notice of an expulsion of a student in grades nine through twelve, inclusive, based upon possession of a firearm or deadly weapon, shall be expunged from the cumulative educational record by the Board if the student graduates from high school.

In cases where the student's period of expulsion is shortened or waived in accordance with Section VIII.D.14., (14), above, the Board may choose to expunge the expulsion notice from the cumulative record at the time the student completes the Board-specified program and meets any other conditions required by the Board.

If a student's period of expulsion was not shortened or waived, the Board may choose to expunge the expulsion notice from the student's cumulative record prior to graduation if such student has demonstrated to the Board that the student's conduct and behavior in the years following such expulsion warrants an expungement. In deciding whether to expunge the expulsion notice, the Board may receive and consider evidence of any subsequent disciplinary problems that have led to removal from a classroom, suspension or expulsion of the student.

If the student has not previously been suspended or expelled, and the ~~administration~~ Administration chooses to expunge the expulsion notice from the student's cumulative record prior to graduation, the ~~administration~~ Administration may refer to the existence of the expunged notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspension or expulsion by the student would constitute the student's first such offense.

XI. Change of Residence During Expulsion Proceedings

A. *Student moving into the school district:*

1. If a student enrolls in the district while an expulsion hearing is pending in another district, such student shall not be excluded from school pending completion of the expulsion hearing unless an emergency exists, as defined above. The Board shall retain the authority to suspend the student or to conduct its own expulsion hearing.
2. Where a student enrolls in the district during the period of expulsion from another public school district, the Board may adopt the decision of the student expulsion hearing conducted by such other school district. The student shall be excluded from school pending such hearing. The excluded student shall be offered an alternative educational opportunity in accordance with statutory requirements. The Board shall make its determination based upon a hearing held by the Board, which hearing shall be limited to a determination of whether the conduct which was the basis of the previous public school district's expulsion would also warrant expulsion by the Board.

B. *Student moving out of the school district:*

Where a student withdraws from school after having been notified that an expulsion hearing is pending, but before a decision has been rendered by the Board, the notice of the pending expulsion hearing shall be included on the student's cumulative record and the Board shall complete the expulsion hearing and render a decision. If the Board subsequently renders a decision to expel the student, a notice of the expulsion shall be included on the student's cumulative record.

XII. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act ("IDEA")

A. *Suspension of IDEA students:*

Notwithstanding the foregoing, if the Administration suspends a student identified as eligible for services under the IDEA (an "IDEA student") who has violated any rule or code of conduct of the school district that applies to all students, the following procedures shall apply:

1. The ~~administration~~ Administration shall make reasonable attempts to immediately notify the parents of the student of the decision to suspend on the date on which the decision to suspend was made, and

a copy of the special education procedural safeguards must either be hand-delivered or sent by mail to the parents on the date that the decision to suspend was made.

2. During the period of suspension, the school district is not required to provide any educational services to the IDEA student beyond that which is provided to all students suspended by the school district.

B. *Expulsion and Suspensions that Constitute Changes in Placement for IDEA students:*

2. The school district shall immediately convene the student's planning and placement team ("PPT"), but in no case later than ten (10) school days after the recommendation for expulsion or the suspension that constitutes a change in placement was made. The student's PPT shall consider the relationship between the student's disability and the behavior that led to the recommendation for expulsion or the suspension which constitutes a change in placement, in order to determine whether the student's behavior was a manifestation of his/her disability.
3. If the student's PPT finds that the behavior was a manifestation of the student's disability, the Administration shall not proceed with the

recommendation for expulsion or the suspension that constitutes a change in placement.

4. If the student's PPT finds that the behavior was not a manifestation of the student's disability, the Administration may proceed with the recommended expulsion or suspension that constitutes a change in placement.
5. During any period of expulsion, or suspension of greater than ten (10) days per school year, the Administration shall provide the student with an alternative education program in accordance with the provisions of the IDEA.
6. When determining whether to recommend an expulsion or a suspension that constitutes a change in placement, the building administrator (or his or her designee) should consider the nature of the misconduct and any relevant educational records of the student.

C. ~~Transfer of IDEA students~~ Removal of Special Education Students for Certain Offenses:

1. School personnel may ~~transfer an IDEA~~ remove a student eligible for special education under the IDEA to an appropriate interim alternative educational setting for not more than forty-five (45) school days if the student:

ATTACHMENTS: Student Enrollment Report & Recap

SUBJECT: Student Enrollment as of April 2, 2018

BACKGROUND:

Attached are the official enrollment figures as of April 2, 2018. Mrs. Batchelder will answer any questions.

STATUS:

In prior BOE enrollment reports, the enrollment report group all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning at the September 2016 BOE meeting, the Out Placement/Private Placement (SPED) line will be separated into two categories:

- One category will be labeled - *Out of District Placement-Special Education students*
- The second category will be labeled - *Private Placement Special Education students*

Out of District - Special Education: Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

Private Placement - Special Education: Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).

WINDSOR BOARD OF EDUCATION AGENDA ITEM

For Consideration by the Board of Education at the Meeting of: April 17, 2018

Prepared By: Dana Plant

Presented By: Danielle Batchelder

Attachments: Food Service Financial Report

Subject: Cafeteria Operations – March 2018

Background: The Windsor School Food Service participates in the National School Lunch Program at each of our school facilities, at St. Gabriel's and CREC's Academy of Aerospace and Engineering. We also participate in the National School Breakfast Program at our four elementary schools, Sage Park Middle School, Windsor High School and CREC AAE. We operate the After School Snack Program for our Treehouse Program in Windsor. We operated our Summer Food Service Program of lunch and snack at Deerfield Apartment Complex, Goslee Pool, Wilson Library, the Performing Arts Academy in Windsor and added Poquonock Elementary School location during summer break. We are complying with the Healthy Food Certification again this year to send a consistent message to our students in keeping with our wellness policies.

Our annual goal is to operate with a small reserve account to offset unanticipated needs and to increase participation from students and staff in all our programs.

A monthly financial report is presented to the Board of Education. This report includes sales and financial information for the current period.

Status: Financial Report for March 2018

Subject: Healthy Food Certification (Section 10-215f of the CT General Statutes)
(Pending Approval of Governor's Budget)

BACKGROUND:

Public Act 06-63* *An Act Concerning Healthy Food and Beverages in Schools* became effective July 1, 2006. Compliance with Section 1, "Requirement for Beverages," is required. Section 3, "Optional Healthy Food Certification," is optional. The Windsor Public Schools chose to comply with Section. 3. Compliance with the Optional Healthy Food Certification enabled the District to receive an additional ten cents per student meal from the state. The BOE had to have adopted a Wellness Policy, which it has.

STATUS:

The Windsor Public Schools has successfully completed twelve years of the Healthy Food Certification. In order to receive the supplemental meal (10 cents) reimbursement for the 2018-2019 school year, the Board of Education is required to certify compliance with the Act.

RECOMMENDATION: That the Board of Education accepts the Healthy Food Certification program (Section 10-215f of the Connecticut General Statutes), as well as the following resolutions:

The Windsor Board of Education, pursuant to Connecticut General Statute 10-215f, certifies that all food items offered for sale to students in the school(s) under our jurisdiction, and not exempted from the nutrition standards published by the Connecticut State Department of Education on August 1, 2006, will meet said standards again for the 2018-2019 school year. Such certification shall include food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to, school stores, vending machines, school cafeterias, and any fundraising activities on school premises sponsored by the school or by non-school organizations and groups.

Pursuant to Connecticut General Statute 10-215f, that the Windsor Board of Education may exclude from certification food items that do not meet the Connecticut Nutrition Standards provided (1) such sale is in connection with an event occurring after the end of the regular school day or on the weekend; (2) the sale is at the location of the event; and (3) the food items are not sold from a vending machine or school store. An "event" is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not. The "regular school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held.

The Windsor Board of Education will allow the sale to students of beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the beverages are not sold from a vending machine or school store. An "event" is an occurrence that involves more than just a regularly scheduled practice, meeting or extracurricular activity. The "school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held, and must be the same place as the food sales.

STATE OF CONNECTICUT
DEPARTMENT OF EDUCATION

TO: Sponsors of the National School Lunch Program

FROM: John D. Frassinelli, Chief 
Bureau of Health/Nutrition, Family Services and Adult Education

DATE: February 14, 2018

SUBJECT: Operational Memorandum No. 04-18
Process for Submitting the Healthy Food Certification (HFC) Statement for
School Year 2018-19

This memo summarizes the requirements for submitting the 2018-19 HFC Statement to the Connecticut State Department of Education (CSDE). It also provides information on the Connecticut Nutrition Standards (CNS), HFC resources, and state beverage requirements.

Annual HFC Statement

Section 10-215f of the Connecticut General Statutes (C.G.S.) requires that each local board of education or governing authority for all Connecticut public school districts participating in the National School Lunch Program (NSLP) must take action annually to certify whether all food items sold to students will or will not meet the CNS. This includes all public schools, regional educational service centers, the Connecticut Technical High School System, charter schools, interdistrict magnet schools, and endowed academies.

For school year 2018-19, the HFC period is July 1, 2018, through June 30, 2019. **All public school districts participating in the NSLP must submit the online *Healthy Food Certification Statement – Addendum to Agreement for Child Nutrition Programs (ED-099)* by July 1, 2018.** The vote by the board of education or governing authority on whether to participate in HFC must occur by July 1, 2018, or the district/school is **ineligible** for HFC participation during school year 2018-19.

HFC Application Process for 2018-19

The annual HFC Statement is completed **online** in the CSDE's Online Application and Claiming System for Child Nutrition Programs (CNP System), as part of the district's 2018-19 application module for Child Nutrition Programs. Please do not submit hard copies of the annual HFC Statement to the CSDE.

The 2018-19 application module for Child Nutrition Programs is expected to be available in the CNP System in May 2018. The CSDE will notify sponsors when the module is open and the HFC application module becomes available. In the meantime, districts **must follow the procedures below** to ensure timely submission of the 2018-19 HFC Statement by the deadline of July 1, 2018.

1. Schedule the HFC vote at a meeting of your board of education or governing authority that occurs **before June 30, 2018**. The board of education or governing authority for

each public school that participates in the NSLP must vote “yes” or “no” on whether to implement the healthy food option, as indicated below.

- **Healthy Food Option:** Pursuant to C.G.S. Section 10-215f, the board of education or governing authority certifies that all food items offered for sale to students in the schools under its jurisdiction, and not exempted from the Connecticut Nutrition Standards published by the Connecticut State Department of Education, will comply with the Connecticut Nutrition Standards during the period of July 1, 2018, through June 30, 2019. This certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to, school stores, vending machines, school cafeterias, and any fundraising activities on school premises sponsored by the school or by non-school organizations and groups.

If the board of education or governing authority votes “yes” for the healthy food option above, the board of education or governing authority **must also vote** on whether to allow food exemptions, as indicated below. *Note: If the board of education or governing authority votes “no” for the healthy food option above, a vote on whether to allow food exemptions is not required.*

- **Exemption for Food Items:** The board of education or governing authority will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the food items are not sold from a vending machine or school store. An “event” is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not. The “regular school day” is the period from midnight before to 30 minutes after the end of the official school day. “Location” means where the event is being held.
2. **Conduct the HFC vote** at the scheduled meeting of the board of education or governing authority. **Maintain a copy of the meeting minutes** indicating the results of the HFC vote outlined in step 1 above.
 - The minutes must indicate whether the board of education or governing authority voted “yes” or “no” to implement the healthy food option.
 - If the board of education or governing authority voted “yes,” for the healthy food option, the minutes must also indicate whether the board of education or governing authority voted “yes” or “no” to allow food exemptions.
 3. When the CSDE notifies districts that the HFC application module is available, **complete the online HFC application module and upload the meeting minutes** indicating the results of the HFC vote. *Note: The CSDE will e-mail school nutrition programs when the 2018-19 HFC application module of the CNP System is available. Instructions on how to access the HFC application module will be provided at that time.*

Interschool Agreements for HFC Schools

A public school or district (recipient site) that receives meals under contract from a HFC district (providing sponsor) can choose to certify for the healthy food option and follow the CNS. This must be indicated on the interschool agreement between the recipient site and the providing sponsor district. In order for the providing sponsor to receive HFC payments for any recipient sites, the interschool agreement must be submitted to the CSDE by July 1, 2018.

Schools must still submit hard copies of the interschool agreements to the CSDE. Interschool agreements are not submitted through the CNP Online System. The interschool agreements for school year 2018-19 are available on the CSDE's Forms for School Nutrition Programs webpage.

Connecticut Nutrition Standards (CNS)

A summary of the CNS is available in the CSDE's handout, *Summary of Connecticut Nutrition Standards for Foods in Schools*. Additional information on the CNS is available on the CSDE's CNS webpage. The CSDE's HFC webpage provides numerous resources to assist districts with implementing HFC including:

- Food and Beverage Requirements for Fundraisers;
- Guide to Competitive Foods in Schools;

State Beverage Requirements

As a reminder, the beverage requirements of C.G.S. Section 10-221q apply to all public schools, regardless of whether the district certifies for the healthy food option under C.G.S. Section 10-215f. This includes all public school districts, interdistrict magnet schools, charter schools, endowed academies, and the Connecticut Technical High School System. Additional information on the beverage requirements is available on the CSDE's Beverage Requirements webpage.

2. Audience to Visitors

None.

3. Set Graduation Date for Class of 2018 and Last Day of School for 2017-2018 (Action Anticipated)

Discussion:

Dr. Cooke reported that The Bushnell is only available on June 13. He also reported that, based on 7 snow days June 20 would normally be the last day of school. He is asking that June 19 be set as the last day of school for students as an early release day. He has worked with the administration and teacher unions to set June 19 as an early release day with building staff meetings in the afternoon to conclude the school year and discuss School Improvement Plans for the next school year. June 20 would be a professional development day, with professional development in the morning followed by work time/early release for teachers after completing their end of year work and classroom check outs. This request would decrease the student school year by one day.

Motion Passed: Motion that the Board of Education approve Wednesday, June 13, 2018 as the graduation date for the Class of 2018 passed with a motion by Mr. David Furie and a second by Ms. Nuchette Black-Burke.

Re: Personnel: Non-Renewal Procedures

In accordance with section 10-151 of the Connecticut General Statutes the Board of Education is to receive my recommendation for the non-renewal of identified teachers. The Board is expected to take action at the April 17, 2018 regular meeting.

There are two categories for non-renewals this year:

1. Non-Renewal of Non-Tenured Teachers on Limited Employment
For open positions created by teachers on a one-year leave and for certified positions filled after August 25, the teachers who are hired to fill these positions are placed on a "Limited Employment" contract. Temporary and part-time assignments, (e.g., if we hire a .4 teacher at Sage Park in September), also fall under "limited employment." Limited employment means that the contract is time-bound; specifically, it ends at the end of the school year. Open positions are then re-posted, and anyone on a limited contract can apply for them. The conditions of the Limited Employment contract were clearly explained to those who are working under it, and teachers confirmed their understanding in writing at the time of employment. It should be noted that these non-renewals **are not a reflection of teaching competency**, but rather reflect that they were hired for a specific length of time, i.e., until June 30, 2018. There are teachers in this category to be non-renewed.
2. Non-Renewal of Non-Tenured Teachers - Quality of Service
The basis for non-renewal in this category is that the teacher's service is not of the quality expected in Windsor. Teachers in this category have not received tenure. Under the law, we can non-renew a teacher who is non-tenured without having to build a case for termination. The principal informs the Superintendent that the teacher has not shown the level of performance we expect, and recommends that the teacher not be renewed. There may be teachers in this category.

Legal Procedures for Board and Superintendent

1. The teacher is advised by the Superintendent and/or Assistant Superintendent for Human Resources that a recommendation will be made at the April 17, 2018 Board meeting that his/her contract be non-renewed.
2. The Superintendent makes a recommendation not to renew the contract.
3. The Board of Education accepts the recommendation and votes affirmatively.
4. Notice is forwarded by certified mail and/or hand delivered to the teacher no later than May 1, 2018.
