ADDITIONS

►ART

The History of Art

0.5 credit, Honors

Open to Grades 10 -12. No Prerequisite.

This piloted academic course is designed to teach students how to analyze and evaluate art, and see how they reflect the time and place in which they were made. About 40 important and fascinating works of art, from Nok Sculpture in Africa to Frank Lloyd Wright's Fallingwater house from the 1930's to the contemporary street art of Banksy and Shepard Fairey will be studied. It is hoped that students will be able to go on a field trip or two to museums in the area. Students will write critical essays comparing and contrasting the art studied, with a culminating multimedia project. Interested students do not have to be good at art or to even know much about art to take this course—it's about learning about some beautiful and thoughtful works through time. This course is eligible for either art or history credit.

►HEALTH

Medical Law and Ethics for Health Professionals Open to Grades 10 -12. No Prerequisite. 0.5 credit, Honors

Explanation of the additional paraeducators:

The need to add 5 additional Paraeducators is because we had 15 students move into Windsor after the 2019/2020 Budget was adopted. 12 of the 15 students moved into town within the months of September and October 2019.

ATTACHMENTS: Student Enrollment Report & Recap

SUBJECT: Student Enrollment as of November 1, 2019

BACKGROUND:

Attached are the enrollment figures as of November 1, 2019. Mrs. Batchelder will answer any questions.

STATUS:

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

- 1. Out of District Placement-Special Education students
- 2. Private Placement Special Education students

Out of District - Special Education: Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

Private Placement - Special Education: Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).
