BOARD MEMBER DEVELOPMENT

The complexity of Board of Education membership demands opportunities for development, study and training for Board members. The Board of Education places a high priority on the importance of a planned and continuing program of in-service education for its members.

In order to develop leadership capabilities, become informed about current issues in education, and improve their skills as members of a policy-making body, Board members will participate in opportunities for development that may include, but not be limited to, the following:

- In-service activities planned by the Board and by the administration for staff members, as appropriate;
- Participation in conferences, workshops and conventions held by State and National School Boards Associations and other educational organizations;
- Subscriptions to publications addressing Board member concerns.

Recognizing the need for continuing training and development of its members, the Board of Education encourages the participation of all members in appropriate conferences, conventions and workshops. To control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance:

- The Superintendent of Schools will inform Board members, in a timely manner, of upcoming conferences, conventions and workshops. The Board will decide which meetings appear to be most likely to produce the greatest benefit to the Board and the district;
- Funds for participation at such meetings will be budgeted. When funds are limited, the Board will designate which members would be most appropriate to participate at a given meeting;
- Membership to the Connecticut Association of Boards of Education (CABE) is covered by the Board budget;
- When a conference, convention or workshop is not attended by the full Board, those who do participate will be requested to share, by means of written or oral reports, information, recommendations and materials acquired at the meeting.

SAFE SCHOOL CLIMATE PLAN

The Board is committed to creating and maintaining a physically, emotionally, and intellectually safe educational environment free from bullying, teen dating violence, harassment and discrimination. In order to foster an atmosphere conducive to learning, the Board has developed the following Safe School Climate Plan, consistent with state law and Board Policy. This Plan represents a comprehensive approach to addressing bullying, cyberbullying and teen dating violence and sets forth the Board's expectations for creating a positive school climate and thus preventing, intervening, and responding to incidents of bullying and teen dating violence.

Bullying behavior and teen dating violence are strictly prohibited, and students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. The district's commitment to addressing bullying behavior and teen dating violence, however, involves a multi-faceted approach, which includes education and the promotion of a positive school climate in which bullying will not be tolerated by students or school staff.

I. Prohibition Against Bullying and Retaliation

- C. The Board further prohibits any form of teen dating violence outside of the school setting if such violence substantially disrupts the educational process;

- C. School employees who witness acts of bullying or receive reports of bullying shall orally notify the Safe School Climate Specialist or another school administrator if the Safe School Climate Specialist is unavailable, not later than one (1) school day after such school employee witnesses or receives a report of bullying. The school employee shall then file a written report not later than two (2) school days after making such oral report.
- D. The Safe School Climate Specialist shall be responsible for reviewing any anonymous reports of bullying and shall investigate or supervise the investigation of all reports of bullying and ensure that such investigation is completed promptly after receipt of any written reports. The Safe School Climate Specialist shall also be responsible for promptly notifying the parents or guardians of the student alleged to have committed an act or acts of bullying, and the parents or guardians of the student against whom such alleged act or acts were directed, that an investigation has commenced. In order to allow the district to adequately investigate complaints filed by a student or parent/guardian, the parent of the student suspected of being bullied should be asked to provide consent to permit the release of that student's name in connection with the investigation process, unless the student and/or parent has requested anonymity.
- E. In investigating reports of bullying, the Safe School Climate Specialist or designee will consider all available information known, including the nature of the allegations and the ages of the students involved. The Safe School Climate Specialist will interview witnesses, as necessary, reminding the alleged perpetrator and other parties that retaliation is strictly prohibited and will result in disciplinary action.

VII. Responding to Verified Acts of Bullying

- A. Following investigation, if acts of bullying are verified, the Safe School Climate Specialist or designee shall notify the parents or guardians of the students against whom such acts were directed as well as the parents or guardians of the students who commit such acts of bullying of the finding **not later than forty-eight (48) hours** after the investigation is completed. This notification shall include a description of the school's response to the acts of bullying. In providing such

notification, however, Windsor Public Schools will take care ~~must be taken~~ to respect the statutory privacy rights of other students, including the perpetrator of such bullying. The specific disciplinary consequences imposed on the perpetrator, or personally identifiable information about a student other than the parent/guardian's own child, may not be disclosed except as provided by law.

- B. In any instance in which bullying is verified, the Safe School Climate Specialist or designee shall ~~also~~ invite the parents or guardians of the student against whom such act was directed to a meeting to communicate the measures being taken by the school to ensure the safety of the student/victim and policies and procedures in place to prevent further acts of bullying. The Safe School Climate Specialist or designee shall also invite the parents or guardians of a student who commits any verified act of bullying to a meeting, separate and distinct from the previously described meeting, to discuss specific interventions undertaken by the school to prevent further acts of bullying. The invitation may be made simultaneous with the notification described above in Section VII.A.
- C. If bullying is verified, the Safe School Climate Specialist or designee shall develop a student safety support plan for any student against whom an act of bullying was directed. Such support plan will include safety measures to protect against further acts of bullying.
- D. A specific written intervention plan shall be developed to address repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual. The written intervention plan may include counseling, discipline and other appropriate remedial actions as determined by the Safe School Climate Specialist or designee, and may also incorporate a student safety support plan, as appropriate.
- E. Notice to Law Enforcement

If the Principal of a school (or his/her designee) reasonably believes that any act of bullying constitutes a criminal offense, he/she shall notify appropriate law enforcement. Notice shall be consistent with the Board's obligations under state and federal law and Board policy regarding the disclosure of personally identifiable student information. In making this determination, the Principal or his/her designee, may consult with the school resource officer, if any, and other individuals the principal or designee deems appropriate.
- F. If a bullying complaint raises a concern about discrimination or harassment on the basis of a legally protected ~~classifications~~classification (such as race, religion, color, national origin, sex, sexual orientation, age, disability or gender identity or expression), the Safe School Climate Specialist or designee shall also coordinate any bullying investigation with other appropriate personnel within the district as appropriate (e.g. Title IX Coordinator, Section 504 Coordinator, etc.), so as to ensure that any such bullying investigation complies with the requirements of such policies regarding nondiscrimination.

VIII. Teen Dating Violence

- A. The school strictly prohibits and takes very seriously any instances of teen dating violence as defined above. The school recognizes that teen dating violence may take many different forms and may also be considered bullying and/or sexual harassment.
- B. Students and parents (or guardians of students) may bring verbal or written complaints regarding teen dating violence to any building administrator. The building administrator shall review and address the complaint, which may include referral of the complaint to the Safe School Climate Specialist and/or Title IX Coordinator.
- C. Prevention and intervention strategies concerning teen dating violence shall be implemented in accordance with Section X below. Discipline, up to and including expulsion, may be imposed against the perpetrator of teen dating violence, whether such conduct occurs on or off campus, in accordance with Board policy and consistent with federal and state law.

IX. Documentation and Maintenance of Log

- A. Each school shall maintain written reports of bullying, along with supporting documentation received and/or created as a result of bullying investigations, consistent with the Board's obligations under state and federal law. Any educational record containing personally identifiable student information pertaining to an individual student shall be maintained in a confidential manner, and shall not be disclosed to third parties without ~~written~~ prior written consent of a parent, guardian or eligible student, except as permitted under Board policy and state and federal law.
- B. The Principal of each school shall maintain a list of the number of verified acts of bullying in the school and this list shall be available for public inspection upon request. Consistent with district obligations under state and federal law regarding student privacy, the log shall not contain any personally identifiable student information, or any information that alone or in combination would allow a reasonable person in the school community to identify the students involved. Accordingly, the log should be limited to basic information such as the number of verified acts, name of school and/or grade level and relevant date. Given that any determination of bullying involves repeated acts, each investigation that results in a verified act of bullying for that school year shall be tallied as one verified act of bullying unless the specific actions that are the subject of each report involve separate and distinct acts of bullying. The list shall be limited to the number of verified acts of bullying in each school and shall not set out the particulars of each verified act, including, but not limited to any personally identifiable student information, which is confidential information by law.
- C. The Principal of each school shall report the number of verified acts of bullying in the school annually to the Department of Education in such manner as prescribed by the Commissioner of Education.

X. Other Prevention and Intervention Strategies

- A. Bullying behavior and teen dating violence can take many forms and can vary dramatically in the nature of the offense and the impact the behavior may have on the victim and other students. Accordingly, there is no one prescribed response to verified acts of bullying or to teen dating violence. While conduct that rises to the level of “bullying” or “teen dating violence,” as defined above, will generally warrant traditional disciplinary action against the perpetrator of such bullying or teen dating violence, whether and to what extent to impose disciplinary action (e.g., detention, in-school suspension, suspension or expulsion) is a matter for the professional discretion of the building principal (or responsible program administrator or his/her designee). No disciplinary action may be taken solely on the basis of an anonymous complaint of bullying. As discussed below, schools may also consider appropriate ~~alternative~~alternatives to traditional disciplinary sanctions, including age-appropriate consequences and other restorative or remedial interventions.
- B. A specific written intervention plan shall be developed to address repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual. This plan may include safety provisions, as described above, for students against whom acts of bullying have been verified and may include other interventions such as counseling, discipline, and other appropriate remedial or restorative actions as determined by the responsible administrator.
- C. The following sets forth possible interventions which may also be utilized to enforce the Board’s prohibition against bullying and teen dating violence:

Non-disciplinary interventions

When verified acts of bullying are identified early and/or when such verified acts of bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of bullying, its prohibition, and their duty to avoid any conduct that could be considered bullying. Students may also be subject to other forms of restorative discipline or remedial actions, appropriate to the age of the students and nature of the behavior.

If a complaint arises out of conflict between students or groups of students, peer or other forms of mediation may be considered. Special care, however, is warranted in referring such cases to peer mediation. A power imbalance may make the process intimidating for the victim and therefore inappropriate. In such cases, the victim should be given additional support. Alternatively, peer mediation may be deemed inappropriate to address the concern.

When an act or acts of teen dating violence are identified, the students involved may be counseled as to the seriousness of the conduct, the prohibition of teen dating violence, and their duty to

avoid any such conduct. Students may also be subject to other forms of restorative discipline or remedial actions, appropriate to the age of the students and nature of the behavior.

~~ii.~~ (2) Disciplinary interventions

When acts of bullying are verified or teen dating violence occurs, and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Anonymous complaints of bullying, however, shall not be the basis for disciplinary action.

In-school suspension and suspension may be imposed only after informing the accused perpetrator of the reasons for the proposed suspension and giving him/her an opportunity to explain the situation, in accordance with the Board's Student Discipline policy.

Expulsion may be imposed only after a hearing before the Board of Education, a committee of the Board or an impartial hearing officer designated by the Board of Education in accordance with the Board's Student Discipline policy. This consequence shall normally be reserved for serious incidents of bullying and teen dating violence, and/or when past interventions have not been successful in eliminating bullying behavior.

~~iii.~~ (3) Interventions for bullied students and victims of teen dating violence

The building principal (or other responsible program administrator) or his/her designee shall intervene in order to address incidents of bullying or teen dating violence against a single individual. Intervention strategies for a bullied student or victim of teen dating violence may include the following:

- ~~ii.~~ (a) Referral to a school counselor, psychologist or other appropriate social or mental health service;
- ~~b.~~ (b) Increased supervision and monitoring of student to observe and intervene in bullying situations or instances of teen dating violence;
- ~~e.~~ (c) Encouragement of student to seek help when victimized or witnessing victimization;
- ~~d.~~ (d) Peer mediation or other forms of mediation, where appropriate;
- ~~e.~~ (e) Student Safety Support plan;
- ~~f.~~ (f) Restitution and/or restorative interventions; and

- ~~g.~~ (g) Periodic follow-up by the Safe School Climate Specialist and/or Title IX Coordinator with the bullied student or victim of teen dating violence.

~~iv.~~ (4) General Prevention and Intervention Strategies

In addition to the prompt investigation of complaints of bullying and direct intervention when acts of bullying are verified, other district actions may ameliorate potential problems with bullying in school or at school-sponsored activities. Additional district actions may also ameliorate potential problems with teen dating violence. While no specific action is required, and school needs for specific prevention and intervention strategies may vary from time to time, the following list of potential prevention and intervention strategies shall serve as a resource for administrators, teachers and other professional employees in each school. Such prevention and intervention strategies may include, but are not limited to:

- (a.) School rules prohibiting bullying, teen dating violence, harassment and intimidation and establishing appropriate consequences for those who engage in such acts;
- (b.) Adequate adult supervision of outdoor areas, hallways, the lunchroom and other specific areas where bullying or teen dating violence are likely to occur;
- (c.) Inclusion of grade-appropriate bullying and teen dating violence education and prevention curricula in kindergarten through high school, which may include instruction regarding building safe and positive school communities including developing healthy relationships and preventing dating violence as deemed appropriate for older students;
- (d.) Individual interventions with the perpetrator, parents and school employees, and interventions with the bullied student, parents and school employees;
- (e.) School-wide training related to safe school climate, which training may include Title IX ~~Sexual~~ sex discrimination/sexual harassment prevention training, Section 504/ADA ~~Training~~ training, cultural diversity/multicultural education or other training in federal and state civil rights legislation or other topics relevant to safe school climate;
- (f.) Student peer training, education and support; ~~and~~
- (g.) Promotion of parent involvement in bullying prevention through individual or team participation in meetings, trainings and individual interventions;

- (h-) Implementation of a positive behavioral interventions and supports process or another evidence-based model approach for safe school climate or for the prevention of bullying and teen dating violence, including any such program identified by the Department of Education;
- (i-) Respectful responses to bullying and teen dating violence concerns raised by students, parents or staff;
- (j-) Planned professional development programs addressing prevention and intervention strategies, which training may include school violence prevention, conflict resolution and prevention of bullying and teen dating violence, with a focus in evidence based practices concerning same;
- (k-) Use of peers to help ameliorate the plight of victims and include them in group activities;
- (l-) Avoidance of sex-role stereotyping;
- (m-) Continuing awareness and involvement on the part of school employees and parents with regards to prevention and intervention strategies;
- (n-) Modeling by teachers of positive, respectful, and supportive behavior toward students;
- (o-) Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior by students in support of others;
- (p-) Employing classroom strategies that instruct students how to work together in a collaborative and supportive atmosphere; and
- (q-) Culturally competent school-based curriculum focusing on social-emotional learning, self-awareness and self-regulation.

D. In addition to prevention and intervention strategies, administrators, teachers and other professional employees may find opportunities to educate students about bullying and help eliminate bullying behavior through class discussions, counseling, and reinforcement of socially-appropriate behavior. Administrators, teachers and other professional employees should intervene promptly whenever they observe mean-spirited student conduct, even if such conduct does not meet the formal definition of “bullying.”

XI. Improving School Climate

[Individual schools should use this section to outline affirmative steps to improve the quality of school climate as defined within a particular school and/or district. These strategies should align with school improvement plans, and school climate assessments, and be based on current data available on the quality of school climate within the school and/or district including, but not limited to, the type, nature, frequency etc. of behavior that may constitute or lead to bullying, teen dating violence, harassment or similar behavior. This section is intended to be broader in scope and should be targeted towards fostering positive school climate rather than exclusively preventing, investigating and otherwise responding to specific incidences of bullying and teen dating violence.]

XII. Annual Notice and Training

- A. Students, and parents or guardians of students shall be notified annually of the process by which students may make reports of bullying.
- B. The Board shall provide for the inclusion of language in student codes of conduct concerning bullying.
- C. At the beginning of each school year, each school shall provide all school employees with a written or electronic copy of the school district's safe school climate plan and require that all school employees annually complete training on the identification, prevention and response to bullying as required by law.
- D. The Board shall also provide on its website training materials to school administrators regarding the prevention of and intervention in discrimination against and targeted harassment of students based on such students' (1) actual or perceived differentiating characteristics, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression, socioeconomic status, academic status, physical appearance or mental, physical, developmental or sensory disability, or (2) association with individuals or groups who have or are perceived to have one or more of such characteristics.
- E. Any person appointed by the district to serve as district safe school climate coordinator shall complete mental health and first aid training offered by the Commissioner of Mental Health and Addiction Services.

XII. School Climate Assessments

Biennially, the Board shall require each school in the district to complete an assessment using the school climate assessment instruments, including surveys, approved and disseminated by the Connecticut State Department of Education. The Board shall collect the school climate assessments for each school in the district and submit such assessments to the Connecticut State Department of Education.

- B. Notwithstanding the provisions of subsection (f) of Conn. Gen. Stat. § 31-51i, if the district receives information that an applicant for a position with or an employee of the board has been disciplined for a finding of abuse or neglect or sexual misconduct, it shall notify the Department of Education of such information.
- C. The district shall not employ an applicant for a position involving direct student contact who does not comply with the provisions of paragraph I.A.1 of this policy.

Such person shall remain on such list as long as such person is continuously employed by the district as a substitute teacher as described in paragraph III.B.2 of this policy, provided the district does not have any knowledge of a reason that such person should be removed from such list.

- G. In the case of an applicant who is a contractor, the contractor shall require any employee with such contractor who would be in a position involving direct student contact to supply to such contractor all the information required of an applicant under paragraphs I.A.1.a and I.A.1.c of this policy and a written authorization under paragraph I.A.1.b of this policy. Such contractor shall contact any current or former employer (please note the definition of “former employer” ~~employer~~ above, including the applicable twenty year reporting period) of such employee that was a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, or if the employee’s employment with such current or former employer caused the employee to have contact with children, and request, either telephonically or through written communication, any information concerning whether there was a finding of abuse or neglect or sexual misconduct against such employee. Notwithstanding the provisions of subsection (f) of Conn. Gen. Stat. § 31-51i, such employer shall report to the contractor any such finding, either telephonically or through written communication. If the district receives such information, it shall determine whether such employee may work in a position involving direct student contact at any school in the district. No determination by the district that any such employee shall not work under any such contract in any such position shall constitute a breach of such contract.
- H. Any applicant who knowingly provides false information or knowingly fails to disclose information required in subdivision (1) of subsection (A) of this section shall be subject to discipline by the district that may include
1. denial of employment, or
 2. termination of the contract of a certified employee, in accordance with the provisions of Conn. Gen. Stat. § 10-151.
- I. If the district provides information in accordance with paragraph I.A.2. or I.G. of this policy, the district shall be immune from criminal and civil liability, provided the district did not knowingly supply false information.
- J. Notwithstanding the provisions of Conn. Gen. Stat. § 10-151c and subsection (f) of Conn. Gen. Stat. § 31-51i, the district shall provide, upon request by another local or regional board of education, governing council of a state or local charter school or interdistrict magnet school operator, or supervisory agent of a nonpublic school for the purposes of an inquiry pursuant to paragraphs I.A.2 or I.G. of this policy or to the Commissioner of Education pursuant to paragraph I.B. of this policy any information that the district has concerning a finding of abuse or neglect or sexual misconduct by a subject of any such inquiry.

Prior to offering employment to an applicant, the district shall make a documented good faith effort to contact each current and any former employer (please note the definition of “former employer” employer above, including the applicable twenty year reporting period) of the applicant that was a local or regional board of education, governing council of a state or local

charter school, interdistrict magnet school operator, or supervisory agent of a nonpublic school, or if the applicant's employment with such current or former employer caused the applicant to have contact with children in order to obtain information and recommendations that may be relevant to the applicant's fitness for employment. Such effort, however, shall not be construed to require more than three telephonic requests made on three separate days.

- K. The district shall not offer employment to any applicant who had any previous employment contract terminated by a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, or who resigned from such employment, if the person has been convicted of a violation of Conn. Gen. Stat. § 17a-101a, when an allegation of abuse or neglect or sexual assault has been substantiated.

II. DCF Registry Checks

Prior to hiring any person for a position with the district, and before a student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing his or her student teaching experience with the district, begins such student teaching experience, the district shall require such applicant or student to submit to a records check of information maintained on the Registry concerning the applicant.

For any applicant whose current or most recent employment occurred out of state, the district shall request that the applicant provide the district with authorization to access information maintained concerning the applicant by the equivalent state agency in the state of most recent employment, if such state maintains information about abuse and neglect and has a procedure by which such information can be obtained. Refusal to permit the district to access such information shall be considered grounds for rejecting any applicant for employment.

The district shall request information from the Registry or its out of state equivalent promptly, and in any case no later than thirty (30) calendar days from the date of employment. Registry checks will be processed according to the following procedure:

- A. No later than ten (10) calendar days after the Superintendent or his/her designee has notified a job applicant of a decision to offer employment to the applicant, or as soon thereafter as practicable, the Superintendent or designee will either obtain the information from the Registry or, if the applicant's consent is required to access the information, will supply the applicant with the release form utilized by DCF, or its out of state equivalent when available, for obtaining information from the Registry.
- B. If consent is required to access the Registry, no later than ten (10) calendar days after the Superintendent or his/her designee has provided the successful job applicant with the form, the applicant must submit the signed form to DCF or its out of state equivalent, with a copy to the Superintendent or his/her designee. Failure of the applicant to submit the signed form to DCF or its out of state equivalent within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
- C. Upon receipt of Registry or out-of-state registry information indicating previously undisclosed information concerning abuse or neglect investigations concerning the successful job applicant/employee, the Superintendent or his/her designee will notify the affected

applicant/employee in writing of the results of the Registry check and will provide an opportunity for the affected applicant/employee to respond to the results of the Registry check.

- D. If notification is received by the Superintendent or designee that the applicant is listed as a perpetrator of abuse or neglect on the Registry, the Superintendent or designee shall provide the applicant with an opportunity to be heard regarding the results of the Registry check. If warranted by the results of the Registry check and any additional information provided by the applicant, the Superintendent or designee shall revoke the offer of employment and/or terminate the applicant's employment if he or she has already commenced working for the district.

III. Criminal Records Check Procedure

- A. Each person hired by the district shall be required to submit to state and national criminal record checks within thirty (30) calendar days from the date of employment. ~~Each person otherwise placed within a school under any public assistance employment program, employed by a provider of supplemental services pursuant to federal law or in a nonpaid, noncertified position completing preparation requirements for the issuance of an educator certificate, who performs a service involving direct student contact shall also~~ student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing his or her student teaching experience with the district, shall be required to submit to state and national criminal record checks within ~~thirtysixty (3060)~~ thirty (30) calendar days from the date such ~~worker~~ student begins to perform such ~~service~~ student teaching experience. Record checks will be processed according to the following procedure:*
1. No later than five (5) calendar days after the Superintendent or his/her designee has notified a job applicant of a decision to hire the applicant, or as soon thereafter as practicable, the Superintendent or his/her designee will provide the applicant with a packet containing all documents and materials necessary for the applicant to be fingerprinted by Biometric ID Services. This packet shall also contain all documents and materials necessary for the police department to submit the completed fingerprints to the State Police Bureau of Identification for the processing of state and national criminal record checks. 2. If a substitute teacher submitted to state and national criminal history record checks upon being hired by the district, then the substitute teacher will not be required to submit to another criminal history record check so long as the substitute teacher is continuously employed by the district, that is, employed for at least one day of each school year, by the district, provided a substitute teacher is subjected to such checks at least once every five years.

IV. Sex Offender Registry Checks

School district personnel shall cross-reference the Connecticut Department of Public Safety's sexual offender registry prior to hiring any new employee and before a student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing his or her student teaching experience with the district, begins such student teaching experience. Registration as a sexual offender constitutes grounds for denial of employment opportunities and opportunities to perform student teaching experiences in the school district.

V. Credit Checks

The district may also ask a prospective employee for a credit report for employment for certain district positions, where the district's receipt of a credit report is substantially related to the employee's potential job. Substantially related is defined to mean "the information contained in the credit report is related to the position for which the employee or prospective employee who is the subject of the report is being evaluated." The notification must state that the district may use the information in the consumer credit report to make decisions related to the individual's employment.

The district will obtain consent before performing the credit or other background checks. If the district intends to take an action adverse to a potential employee based on the results of a credit report, the district must provide the prospective employee with a copy of the report on which the district relied in making the adverse decision, as well as a copy of "A Summary of Your Rights Under the Fair Credit Reporting Act," which should be provided by the company that provides the results of the credit check. The district will notify the prospective employee either orally, in writing or via electronic means that the adverse action was taken based on the information in the consumer report. That notice must include the name, address and phone number of the consumer reporting company that supplied the credit report; a statement that the company that supplied the report did not make the decision to take the unfavorable action and cannot provide specific reasons for the district's actions; and a notice of the person's right to dispute the accuracy or completeness of any information the consumer reporting company furnished, and to get an additional free report from the company if the person asks for it within sixty (60) calendar days.

In complying with this requirement, the district shall not disseminate the results of any national criminal history records check.

Agency Privacy Requirements for Noncriminal Justice Applicants

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as a job or license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notice and other information and that the results of the check are handled in a manner that protects the applicant's privacy.

- Officials must provide to the applicant written notice¹ that his/her fingerprints will be used to check the criminal history records of the FBI.
- Officials using the FBI criminal history record (if one exists) to make a determination of the applicant's suitability for the job, license, or other benefit must provide the applicant the opportunity to complete or challenge the accuracy of the information in the record.
- Officials must advise the applicant that procedures for obtaining a change, correction, or updating of an FBI criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- Officials should not deny the job, license, or other benefit based on information in the criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the criminal history record solely for the purpose requested and cannot disseminate the record outside the receiving department, related agency, or other authorized entity.²

The FBI has no objection to officials providing a copy of the applicant's FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain his/her record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant's suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant notice, what constitutes "a reasonable time" for the applicant to correct or complete the record, and any applicant appeal process that is afforded the applicant. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of criminal history records for noncriminal justice purposes.

Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification³ by Windsor Board of Education that your fingerprints will be used to check the criminal history records of the FBI.
- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the job, license, or other benefit based on information in the criminal history record.⁴
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁵
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/background-checks>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. - A. A principal may consider recommendation of expulsion of a student in **grades three to twelve, inclusive**, in a case where he/she has reason to believe the student has engaged in conduct described at Sections II.A. or II.B., above.
- B. A principal must recommend expulsion proceedings in all cases against any student in **grades kindergarten to twelve, inclusive**, whom the Administration has reason to believe:
 1. was in **possession on school grounds** or at a **school-sponsored activity** of a **deadly weapon, dangerous instrument, martial arts weapon, or firearm** as defined in 18 U.S.C. § 921 as amended from time to time; or

- C. In any preschool program provided by the Board of Education or provided by a regional educational service center or a state or local charter school pursuant to an agreement with the Board of Education, **no student enrolled in such a preschool program** shall be expelled from such preschool program, except an expulsion hearing shall be conducted by the Board of Education in accordance with Section VIII of this policy

whenever the Administration has reason to believe that that a student enrolled in such preschool program was in **possession of a firearm** as defined in 18 U.S.C. § 921, as amended from time to time, on or off school grounds or at a preschool program-sponsored event. The term **“firearm”** is defined above in Section I.

- D. Upon receipt of an expulsion recommendation, the Superintendent may conduct an inquiry concerning the expulsion recommendation.

If the Superintendent or his/her designee determines that a student should or must be expelled, he or she shall forward his/her recommendation to the Board of Education so that the Board can consider and act upon this recommendation.

- E. In keeping with Conn. Gen. Stat. § 10-233d and the Gun-Free Schools Act, it shall be the policy of the Board to expel a student in grades kindergarten to twelve, inclusive, for one (1) full calendar year for the conduct described in Section IV.B(1), (2) and (3) of this policy and to expel a student enrolled in a preschool program for one (1) calendar year for the conduct described in Section IV.C. For any mandatory expulsion offense, the Board may modify the term of expulsion on a case-by-case basis.

V. Procedures Governing Removal from Class

- A. A student may be removed from class by a teacher or administrator if he/she deliberately causes a serious disruption of the educational process. When a student is removed, the teacher must send him/her to a designated area and notify the principal or his/her designee at once.
- B. A student may not be removed from class more than six (6) times in one school year nor more than twice in one week unless the student is referred to the building principal or designee and granted an informal hearing at which the student should be informed of the reasons for the disciplinary action and given an opportunity to explain the situation.
- C. The parents or guardian of any minor student removed from class shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of such removal from class.

VI. Procedures Governing Suspension

- A. The principal of a school, or designee on the administrative staff of the school, shall have the right to suspend a student for breach of conduct as noted in Section II of this policy for not more than ten (10) consecutive school days. In cases where suspension is contemplated, the following procedures shall be followed.

1. Unless an emergency situation exists, no student shall be suspended prior to having an informal hearing before the principal or designee at which the student is informed of the charges and given an opportunity to respond. In the event of an emergency, the informal hearing shall be held as soon after the suspension as possible.
2. If suspended, such suspension shall be an in-school suspension, except the principal or designee may impose an out-of-school suspension on any pupil:
 - a. in grades three to twelve, inclusive, if, during the informal hearing, (i) the principal or designee determines that the student poses such a danger to persons or property or such a disruption of the educational process that he or she should be excluded from school during the period of suspension; or (ii) the principal or designee determines that an out-of-school suspension is appropriate based on evidence of (A) the student's previous disciplinary problems that have led to suspensions or expulsion of such student, and (B) previous efforts by the Administration to address the student's disciplinary problems through means other than out-of-school suspension or expulsion, including positive behavioral support strategies, or
 - b. in grades preschool to two, inclusive, if the principal or designee determines that an out-of-school suspension is appropriate for such pupil based on evidence that such pupil's conduct on school grounds is of a violent or sexual nature that endangers persons.
3. Evidence of past disciplinary problems that have led to removal from a classroom, suspension, or expulsion of a student who is the subject of an informal hearing may be received by the principal or designee, but only considered in the determination of the length of suspensions.
4. By telephone, the principal or designee shall make reasonable attempts to immediately notify the parent or guardian of a minor student following the suspension and to state the cause(s) leading to the suspension.
5. Whether or not telephone contact is made with the parent or guardian of such minor student, the principal or designee shall forward a letter promptly to such parent or guardian to the last address reported on school records (or to a newer address if known by the principal or designee), offering the parent or guardian an opportunity for a conference to discuss same.

6. In all cases, the parent or guardian of any minor student who has been suspended shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the suspension.
7. Not later than twenty-four (24) hours after the commencement of the suspension, the principal or designee shall also notify the Superintendent or his/her designee of the name of the student being suspended and the reason for the suspension.
8. The student shall be allowed to complete any classwork, including examinations, without penalty, which he or she missed while under suspension.
9. The school Administration may, in its discretion, shorten or waive the suspension period for a student who has not previously been suspended or expelled, if the student completes an Administration-specified program and meets any other conditions required by the Administration. Such Administration-specified program shall not require the student and/or the student's parents to pay for participation in the program.
10. Notice of the suspension shall be recorded in the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record if the student graduates from high school. In cases where the student's period of suspension is shortened or waived in accordance with Section VI.A(9), above, the Administration may choose to expunge the suspension notice from the cumulative record at the time the student completes the Administration-specified program and meets any other conditions required by the Administration.
11. If the student has not previously been suspended or expelled, and the Administration chooses to expunge the suspension notice from the student's cumulative record prior to graduation, the Administration may refer to the existence of the expunged disciplinary notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspensions or expulsions by the student would constitute the student's first such offense.
12. The decision of the principal or designee with regard to disciplinary actions up to and including suspensions shall be final.
13. During any period of suspension served out of school, the student shall not be permitted to be on school property and shall not be

permitted to attend or participate in any school-sponsored activities, unless the principal specifically authorizes the student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.

- B. In cases where a student's suspension will result in the student being suspended more than ten (10) times or for a total of fifty (50) days in a school year, whichever results in fewer days of exclusion, the student shall, prior to the pending suspension, be granted a formal hearing before the Board of Education. The principal or designee shall report the student to the Superintendent or designee and request a formal Board hearing. If an emergency situation exists, such hearing shall be held as soon after the suspension as possible.

VII. Procedures Governing In-School Suspension

- A. The principal or designee may impose in-school suspension in cases where a student's conduct endangers persons or property, violates school policy, ~~or seriously disrupts the educational process~~ ~~or in other appropriate circumstances~~ as determined by the principal or designee.
- B. In-school suspension may not be imposed on a student without an informal hearing by the building principal or designee.
- C. In-school suspension may be served in the school that the student regularly attends or in any other school building within the jurisdiction of the Board.
- D. No student shall be placed on in-school suspension more than fifteen (15) times or for a total of fifty (50) days in one school year, whichever results in fewer days of exclusion.
- E. The parents or guardian of any minor student placed on in-school suspension shall be given notice of such suspension within twenty-four (24) hours of the time of the institution of the period of the in-school suspension.

VIII. Procedures Governing Expulsion Hearing

A. *Emergency Exception:*

Except in an emergency situation, the Board of Education shall, prior to expelling any student, conduct a hearing to be governed by the procedures outlined herein and consistent with the requirements of Conn. Gen. Stat. § 10-233d or Conn. Gen. Stat. § 10-233l, if applicable, as well as the applicable provisions of the Uniform Administrative Procedures Act, Conn. Gen. Stat. §§ 4-176e to 4-180a, and § 4-181a. Whenever an

emergency exists, the hearing provided for herein shall be held as soon as possible after the expulsion.

B. *Hearing Panel:*

1. Expulsion hearings conducted by the Board will be heard by any three or more Board members. A decision to expel a student must be supported by a majority of the Board members present, provided that no less than three (3) affirmative votes to expel are cast.
2. Alternatively, the Board may appoint an impartial hearing board composed of one (1) or more persons to hear and decide the expulsion matter, provided that no member of the Board may serve on such panel.

C. *Hearing Notice and Rights of the Student and Parent(s)/Guardian(s):*

1. Written notice of the expulsion hearing must be given to the student, and, if the student is a minor, to his/her parent(s) or guardian(s) at least five (5) business days before such hearing.
2. A copy of this Board policy on student discipline shall also be given to the student, and if the student is a minor, to his/her parent(s) or guardian(s), at the time the notice is sent that an expulsion hearing will be convened.
3. The written notice of the expulsion hearing shall inform the student of the following:
 - a. The date, time, place and nature of the hearing.
 - b. The legal authority and jurisdiction under which the hearing is to be held, including a reference to the particular sections of the legal statutes involved.
 - c. A short, plain description of the conduct alleged by the Administration.
 - d. The student may present as evidence relevant testimony and documents concerning the conduct alleged and the appropriate length and conditions of expulsion; and that the expulsion hearing may be the student's sole opportunity to present such evidence.
 - e. The student may cross-examine witnesses called by the Administration.

- f. The student may be represented by an attorney or other advocate of his/her choice at his/her expense or at the expense of his/her parent(s) or guardian(s).
- g. A student is entitled to the services of a translator or interpreter, to be provided by the Board of Education, whenever the student or his/her parent(s) or guardian(s) requires the services of an interpreter because he/she/they do(es) not speak the English language or is(are) disabled.
- h. The conditions under which the Board is not legally required to give the student an alternative educational opportunity (if applicable).
- i. Information concerning the parent's(s') or guardian's(s') and the student's legal rights about free or reduced-rate legal services and how to access such services.
- j. The parent(s) or guardian(s) of the student have the right to have the expulsion hearing postponed for up to one week to allow time to obtain representation, except that if an emergency exists, such hearing shall be held as soon after the expulsion as possible.

D. *Hearing Procedures:*

- 1. The hearing will be conducted by the Presiding Officer, who will call the meeting to order, introduce the parties, Board members and counsel, briefly explain the hearing procedures, and swear in any witnesses called by the Administration or the student.
- 2. The hearing will be conducted in executive session. A verbatim record of the hearing will be made, either by tape recording or by a stenographer. A record of the hearing will be maintained, including the verbatim record, all written notices and documents relating to the case and all evidence received or considered at hearing.
- 3. The Administration shall bear the burden of production to come forward with evidence to support its case and shall bear the burden of persuasion. The standard of proof shall be a preponderance of the evidence.
- 4. Formal rules of evidence will not be followed. The Board has the right to accept hearsay and other evidence if it deems that evidence relevant or material to its determination. The Presiding Officer

will rule on testimony or evidence as to it being immaterial or irrelevant.

5. The hearing will be conducted in two (2) parts. In the first part of the hearing, the Board will receive and consider evidence regarding the conduct alleged by the Administration.
6. In the first part of the hearing, the charges will be introduced into the record by the Superintendent or his/her designee.
7. Each witness for the Administration will be called and sworn. After a witness has finished testifying, he/she will be subject to cross-examination by the opposite party or his/her legal counsel, by the Presiding Officer and by Board members.
8. The student shall not be compelled to testify at the hearing.
9. After the Administration has presented its case, the student will be asked if he/she has any witnesses or evidence to present concerning the charges. If so, the witnesses will be sworn, will testify, and will be subject to cross examination and to questioning by the Presiding Officer and/or by the Board. The student may also choose to make a statement at this time. If the student chooses to make a statement, he or she will be sworn and subject to cross examination and questioning by the Presiding Officer and/or by the Board. Concluding statements will be made by the Administration and then by the student and/or his or her representative.
10. In cases where the student has denied the allegation, the Board must determine whether the student committed the offense(s) as charged by the Superintendent.
11. If the Board determines that the student has committed the conduct as alleged, then the Board shall proceed with the second portion of the hearing, during which the Board will receive and consider relevant evidence regarding the length and conditions of expulsion.
12. When considering the length and conditions of expulsion, the Board may review the student's attendance, academic and past disciplinary records. The Board may not review notices of prior expulsions or suspensions which have been expunged from the student's cumulative record, except as so provided in Section VI.A (9), (10), (11), above, and Section X, below. The Board may ask the Superintendent for a recommendation as to the discipline to be imposed.
13. Evidence of past disciplinary problems which have led to removal from a classroom, suspension or expulsion of a student being

considered for expulsion may be considered only during the second portion of the hearing, during which the Board is considering length of expulsion and nature of alternative educational opportunity to be offered.

14. Where administrators presented the case in support of the charges against the student, such administrative staff shall not be present during the deliberations of the Board either on questions of evidence or on the final discipline to be imposed. The Superintendent may, after reviewing the incident with administrators, and reviewing the student's records, make a recommendation to the Board as to the appropriate discipline to be applied.
15. The Board shall make findings as to the truth of the charges, if the student has denied them; and, in all cases, the disciplinary action, if any, to be imposed. While the hearing itself is conducted in executive session, the vote regarding expulsion must be made in open session and in a manner that preserves the confidentiality of the student's name and other personally identifiable information.
16. Except for a student who has been expelled based on possession of a firearm or deadly weapon as described in subsection IV.B(1) and (2) above, the Board may, in its discretion, shorten or waive the expulsion period for a student who has not previously been suspended or expelled, if the student completes a Board-specified program and meets any other conditions required by the Board. The Board-specified program shall not require the student and/or the student's parents to pay for participation in the program.
17. The Board shall report its final decision in writing to the student, or if such student is a minor, also to the parent(s) or guardian(s), stating the reasons on which the decision is based, and the disciplinary action to be imposed. Said decision shall be based solely on evidence presented at the hearing. The parents or guardian or any minor student who has been expelled shall be given notice of such disciplinary action within twenty-four (24) hours of the time of the institution of the period of the expulsion.

E. *Presence on School Grounds and Participation in School-Sponsored Activities During Expulsion:*

During the period of expulsion, the student shall not be permitted to be on school property and shall not be permitted to attend or participate in any school-sponsored activities, except for the student's participation in any alternative educational opportunity provided by the district in accordance with this policy, unless the Superintendent specifically authorizes the

student to enter school property for a specified purpose or to participate in a particular school-sponsored activity.

F. *Stipulated Agreements:*

In lieu of the procedures used in this Section, the Administration and the parent(s) or legal guardian(s) of a student facing expulsion may choose to enter into a Joint Stipulation of the Facts and a Joint Recommendation to the Board concerning the length and conditions of expulsion. Such Joint Stipulation and Recommendation shall include language indicating that the parent(s) or legal guardian(s) understand their right to have an expulsion hearing held pursuant to these procedures, and language indicating that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts and Recommendation. If the Board rejects either the Joint Stipulation of Facts or the Recommendation, an expulsion hearing shall be held pursuant to the procedures outlined herein. If the Student is eighteen years of age or older, the student shall have the authority to enter into a Joint Stipulation and Recommendation on his or her own behalf.

If the parties agree on the facts, but not on the disciplinary recommendation, the Administration and the parents (or legal guardians) of a student facing expulsion may also choose to enter into a Joint Stipulation of the Facts and submit only the Stipulation of the Facts to the Board in lieu of holding the first part of the hearing, as described above. Such Joint Stipulation shall include language indicating that the parents understand their right to have a hearing to determine whether the student engaged in the alleged misconduct and that the Board, in its discretion, has the right to accept or reject the Joint Stipulation of Facts. If the Board rejects the Joint Stipulation of Facts, a full expulsion hearing shall be held pursuant to the procedures outlined herein.

IX. Alternative Educational Opportunities for Expelled Students

A. *Students under sixteen (16) years of age:*

Whenever the Board of Education expels a student under sixteen (16) years of age, it shall offer any such student an alternative educational opportunity.

B. *Students sixteen (16) to eighteen (18) years of age:*

1. The Board of Education shall provide an alternative educational opportunity to a sixteen (16) to eighteen (18) year-old student expelled for the first time if he/she requests it and if he/she agrees to the conditions set by the Board of Education. Such alternative educational opportunity may include, but shall not be limited to,

the placement of a pupil who is at least seventeen years of age in an adult education program. Any pupil participating in an adult education program during a period of expulsion shall not be required to withdraw from school as a condition to his/her participation in the adult education program.

2. The Board of Education is not required to offer an alternative educational opportunity to any student between the ages of sixteen (16) and eighteen (18) who is expelled for a second, or subsequent, time.
3. The Board of Education shall count the expulsion of a pupil when he/she was under sixteen (16) years of age for purposes of determining whether an alternative educational opportunity is required for such pupil when he/she is between the ages of sixteen and eighteen.

C. *Students eighteen (18) years of age or older:*

The Board of Education is not required to offer an alternative educational opportunity to expelled students eighteen (18) years of age or older.

D. *Content of Alternative Educational Opportunity*

1. For the purposes of Section IX, and subject to Subsection IX.E, below, any alternative educational opportunity to which an expelled student is statutorily entitled shall be (1) alternative education, as defined by Conn. Gen. Stat. § 10-74j and in accordance with the *Standards for Educational Opportunities for Students Who Have Been Expelled*, adopted by the State Board of Education, with an individualized learning plan, if the Board provides such alternative education, or (2) in accordance with the *Standards for Educational Opportunities for Students Who Have Been Expelled*, adopted by the State Board of Education.
2. The Superintendent, or his/her designee, shall develop administrative regulations concerning alternative educational opportunities, which administrative regulations shall be in compliance with the standards adopted by the State Board of Education. Such administrative regulations shall include, but not limited to, provisions to address student placement in alternative education; individualized learning plans; monitoring of students placements and performance; and a process for transition planning.

E. *Students identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"):*

Notwithstanding Subsections IX.A. through D. above, if the Board of Education expels a student who has been identified as eligible for services under the Individuals with Disabilities Education Act ("IDEA"), it shall offer an alternative educational opportunity to such student in accordance with the requirements of IDEA, as it may be amended from time to time, and in accordance with the *Standards for Educational Opportunities for Students Who Have Been Expelled*, adopted by the State Board of Education.

F. *Students for whom an alternative educational opportunity is not required:*

The Board of Education may offer an alternative educational opportunity to a pupil for whom such alternative educational opportunity is not required by law or as described in this policy. In such cases, the Board, or if delegated by the Board, the Administration, shall determine the components, including nature, frequency and duration of such services, of any such alternative educational opportunity.

X. Notice of Student Expulsion on Cumulative Record

Notice of expulsion and the conduct for which the student was expelled shall be included on the student's cumulative educational record. Such notice, except for notice of an expulsion of a student in grades nine through twelve, inclusive, based upon possession of a firearm or deadly weapon, shall be expunged from the cumulative educational record by the Board if the student graduates from high school.

In cases where the student's period of expulsion is shortened or waived in accordance with Section VIII.D(14), above, the Board may choose to expunge the expulsion notice from the cumulative record at the time the student completes the Board-specified program and meets any other conditions required by the Board.

If a student's period of expulsion was not shortened or waived, the Board may choose to expunge the expulsion notice from the student's cumulative record prior to graduation if such student has demonstrated to the Board that the student's conduct and behavior in the years following such expulsion warrants an expungement. In deciding whether to expunge the expulsion notice, the Board may receive and consider evidence of any subsequent disciplinary problems that have led to removal from a classroom, suspension or expulsion of the student.

If the student has not previously been suspended or expelled, and the Administration chooses to expunge the expulsion notice from the student's cumulative record prior to graduation, the Administration may refer to the existence of the expunged notice, notwithstanding the fact that such notice may have been expunged from the student's cumulative file, for the limited purpose of determining whether any subsequent suspension or expulsion by the student would constitute the student's first such offense.

XI. Change of Residence During Expulsion Proceedings

A. ***Student moving into the school district:***

1. If a student enrolls in the district while an expulsion hearing is pending in another district, such student shall not be excluded from school pending completion of the expulsion hearing unless an emergency exists, as defined above. The Board shall retain the authority to suspend the student or to conduct its own expulsion hearing.
2. Where a student enrolls in the district during the period of expulsion from another public school district, the Board may adopt the decision of the student expulsion hearing conducted by such other school district. The student shall be excluded from school pending such hearing. The excluded student shall be offered an alternative educational opportunity in accordance with statutory requirements. The Board shall make its determination based upon a hearing held by the Board, which hearing shall be limited to a determination of whether the conduct which was the basis of the previous public school district's expulsion would also warrant expulsion by the Board.

B. ***Student moving out of the school district:***

Where a student withdraws from school after having been notified that an expulsion hearing is pending, but before a decision has been rendered by the Board, the notice of the pending expulsion hearing shall be included on the student's cumulative record and the Board shall complete the expulsion hearing and render a decision. If the Board subsequently renders a decision to expel the student, a notice of the expulsion shall be included on the student's cumulative record.

XII. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act ("IDEA")

A. ***Suspension of IDEA students:***

Notwithstanding the foregoing, if the Administration suspends a student identified as eligible for services under the IDEA (an "IDEA student") who has violated any rule or code of conduct of the school district that applies to all students, the following procedures shall apply:

1. The Administration shall make reasonable attempts to immediately notify the parents of the student of the decision to suspend on the date on which the decision to suspend was made, and a copy of the

special education procedural safeguards must either be hand-delivered or sent by mail to the parents on the date that the decision to suspend was made.

2. During the period of suspension, the school district is not required to provide any educational services to the IDEA student beyond that which is provided to all students suspended by the school district.

B. *Expulsion and Suspensions that Constitute Changes in Placement for IDEA students:*

Notwithstanding any provision to the contrary, if the Administration recommends for expulsion an IDEA student who has violated any rule or code of conduct of the school district that applies to all students, the procedures described in this section shall apply. The procedures described in this section shall also apply for students whom the Administration has suspended in a manner that is considered under the IDEA, as it may be amended from time to time, to be a change in educational placement:

1. Upon the decision by the Administration to recommend expulsion or impose a suspension that would constitute a change in educational placement, the Administration shall promptly notify the parent(s)/guardian(s) of the student of the recommendation of expulsion or the suspension that would constitute a change in educational placement, and provide the parents(s)/guardian(s) a copy of the special education procedural safeguards either by hand-delivery or by mail (unless other means of transmission have been arranged).
2. The school district shall immediately convene the student's planning and placement team ("PPT"), but in no case later than ten (10) school days after the recommendation for expulsion or the suspension that constitutes a change in placement was made. The student's PPT shall consider the relationship between the student's disability and the behavior that led to the recommendation for expulsion or the suspension which constitutes a change in placement, in order to determine whether the student's behavior was a manifestation of his/her disability.
3. If the student's PPT finds that the behavior was a manifestation of the student's disability, the Administration shall not proceed with the recommendation for expulsion or the suspension that constitutes a change in placement.
4. If the student's PPT finds that the behavior was not a manifestation of the student's disability, the Administration may proceed with

the recommended expulsion or suspension that constitutes a change in placement.

5. During any period of expulsion, or suspension of greater than ten (10) days per school year, the Administration shall provide the student with an alternative education program in accordance with the provisions of the IDEA.
6. When determining whether to recommend an expulsion or a suspension that constitutes a change in placement, the building administrator (or his or her designee) should consider the nature of the misconduct and any relevant educational records of the student.

C. *Removal of Special Education Students for Certain Offenses:*

1. School personnel may remove a student eligible for special education under the IDEA to an appropriate interim alternative educational setting for not more than forty-five (45) school days if the student:
 - a. Was in possession of a dangerous weapon, as defined in 18 U.S.C. 930(g)(2), as amended from time to time, on school grounds or at a school-sponsored activity, or
 - b. Knowingly possessed or used illegal drugs or sold or solicited the sale of a controlled substance while at school or at a school-sponsored activity; or
 - c. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function.
2. The following definitions shall be used for this subsection XII.C.:
 - a. **Dangerous weapon** means a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocket knife with a blade of less than 2.5 inches in length.
 - b. **Controlled substance** means a drug or other substance identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act, 21 U.S.C. 812(c).

 2. The district shall immediately convene the student's Section 504 team ("504 team") for the purpose of reviewing the relationship between the student's disability and the behavior that led to the recommendation for expulsion. Windsor Public Schools

**ADMINISTRATIVE REGULATIONS REGARDING ALTERNATIVE
EDUCATIONAL OPPORTUNITIES FOR EXPELLED STUDENTS****I. Applicability of these Administrative Regulations**

These administrative regulations shall apply in cases when, pursuant to state law, a student in the Windsor Public Schools (the "District") is entitled to an alternative educational opportunity during a period of expulsion.

II. Responsible Personnel

The building principal of the school from which the student has been expelled, or his/her designee(s), shall maintain responsibility for compliance with these administrative regulations relative to the individual student who is being provided with the alternative educational opportunity.

III. Student Placement Procedures**A. After a student has been expelled, and unless extraordinary circumstances exist, the building principal, or his/her designee(s), will take the following steps:**

1. Meet with the expelled student's parent(s)/guardian(s) prior to the student's placement in an alternative educational setting to provide information concerning the potentially appropriate alternative educational opportunities for the student and to inform the parent(s)/guardian(s) and student of the right to apply for early readmission to school in accordance with Conn. Gen. Stat. Section 10-233d(j).
2. Consult with relevant school personnel from the school from which the student was expelled, who are knowledgeable about the student, to obtain information regarding the student's academic, social, and behavioral history that will help inform the decision concerning an appropriate alternative educational opportunity. Such information may be gathered by written reports.
3. After placement options have been shared with the parent(s)/guardian(s), convene a placement meeting at which all alternative educational opportunities are explored and a placement decision is made.

B. The educational programming and placement for expelled students who are eligible to receive special education and related services under the Individuals with Disabilities Education Act ("IDEA") shall be determined by the student's Planning and Placement Team ("PPT"). In such case, Subsection A above shall not apply.

IV. Individualized Learning Plan

A. Development of the Individualized Learning Plan

After the student has been accepted into an alternative educational placement, the principal, or his/her designee, will develop an Individualized Learning Plan (“ILP”) that will govern the programming for the student for the period of expulsion. To develop the ILP, the principal, or his/her designee, will collaborate with school personnel from the school from which the student was expelled, the student and the parent/guardian, and will review all relevant student records.

B. Contents of the Individualized Learning Plan

1. The ILP will reference student records with information relevant to the provision of an alternative educational opportunity. These records may include:
 - a. Student success plan (for students who have a student success plan as mandated by state law, the student success plan may inform the ILP but does not replace the ILP);
 - b. Individualized education program (“IEP”);
 - c. Section 504 Plan;
 - d. Individualized health care plan or emergency care plan; and/or
 - e. Other relevant academic and behavioral data.
2. The ILP will address the following:
 - a. The student’s academic and behavioral needs and appropriate academic and behavioral goals and interventions, including the student’s core classes at the time of expulsion and the student’s current placement or progress in the curriculum for those classes so that the student has an opportunity to continue to progress in the Board’s academic program and earn graduation credits, if applicable;
 - b. Benchmarks to measure progress towards the goals and ultimately, progress towards graduation;
 - c. Provision for the timing and method for reviewing the student’s progress in the alternative educational opportunity and for communicating that progress to the parent/guardian or student. For most students, monitoring and reviewing the student’s progress will include monitoring the student’s attendance, work completion and progress toward meeting the relevant academic standards for particular

coursework, and thus progressing toward graduation, if applicable. The student's progress and grades will be communicated to the parents/guardians or student with the same frequency as similar progress for students in the regular school environment is reported and communicated to parents/guardians or students. The student's progress and grades will also be reported to the school from which the student was expelled;

- d. Provision for the timely transfer of the student's records both from the student's school to the alternative educational opportunity provider, and also from the alternative educational opportunity provider to the student's school; and
- e. The possibility of early readmission to the school from which the student was expelled and the early readmission criteria, if any, established by the Board of Education or Superintendent, as applicable.

V. Review of Student's Placement in Alternative Educational Opportunity and Individualized Learning Plan

- A. A review of the appropriateness of the placement must occur at least once per marking period.
- B. The placement review must include:
 - 1. Review of the ILP to (1) assess progress and make adjustments as necessary and (2) determine its alignment with the goals of the student's IEP, where applicable; and
 - 2. Consideration of opportunities for early readmission as set forth in the ILP, as established by the Board of Education or Superintendent, as applicable.

VI. Transition Plan for Readmission

- A. Before a student is readmitted to the school from which the student was expelled, relevant staff should provide an opportunity to meet with the parents/guardians and student to discuss the student's readmission. As part of the readmission process and the student's ILP, the principal, or his/her designee, should consider:
 - 1. Efforts to readmit the student at a semester starting point (at the high school level);
 - 2. A plan to transfer the student's credits and records back to the school from which the student was expelled:

- a. The District will award an expelled high school student appropriate high school credit for work satisfactorily completed during the period the student participates in the alternative educational opportunity and will transfer relevant records back to the school from which the student was expelled;
 - b. The District will provide an expelled student transferring to a new school district a progress summary of all work completed during the course of the student's expulsion, and will indicate the course credit earned by the student for that work.
 3. The student's need for academic and other supports upon returning to his/her school; and
 4. Efforts to connect the returning student with opportunities to participate in extracurricular activities.
- B. In the event the principal, or his/her designee, determines that a student's alternative educational opportunity is no longer beneficial to the student, but it remains inappropriate to return the student to the school from which the student was expelled, a plan for a different alternative educational opportunity may be developed in accordance with the procedures outlines in these Administrative Regulations.

The complaint should state the:

- A. Name of the complainant,

All complaints are to be forwarded immediately to the Superintendent or his/her designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Superintendent shall designate a district or school administrator to promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the alleged harasser/discriminator and any witnesses to the conduct. Complaints will be investigated

promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible as determined by the investigator.

Upon receipt of a written complaint of discrimination, the investigator should:

1. offer to meet with the complainant (and respondent, if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants during periods of time when school is not in session) to discuss the nature of the complaint, identify individuals the complainant believes has relevant information, and obtain any relevant documents the complainant may have;
2. provide the complainant (and respondent, if applicable) with a copy of the Board's anti-discrimination policy and accompanying regulations;
3. investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
4. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;
5. maintain confidentiality to the extent practicable, through the investigative process, in accordance with state and federal law;
6. communicate the outcome of the investigation in writing to the complainant, (and respondent, if applicable) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such timeframe may be extended by fifteen (15) business days during periods of time when school is in session or reasonably extended based on the availability of necessary witnesses and/or participants during periods of time when school is not in session) from the date the complaint was received by the Superintendent's office.-The complainant (and respondent, if applicable) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;
7. if a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant (and respondent, if applicable) will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);
8. whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of

the harassment or discrimination. Corrective action should include steps to avoid continuing discrimination;

9. if the complainant (and/or respondent, if applicable) is not satisfied with the findings and conclusions of the investigation, the complainant (and/or respondent, if applicable) may present the complaint and written outcome to the Superintendent within thirty (30) calendar days of receiving the findings. Upon review of a written request from the complainant (and/or respondent, if applicable), the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and complainant (and/or respondent, if applicable), a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the complainant (and respondent, if applicable) of the proposed actions within fifteen (15) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants during periods of time when school is not in session) following the receipt of the written request for review.

**POLICY REGARDING SEX DISCRIMINATION AND SEXUAL HARASSMENT
IN THE WORKPLACE (PERSONNEL)**

It is the policy of the board of education to maintain a working environment free from harassment, insults or intimidation on the basis of an employee's sex and free from discrimination based on sex. Verbal or physical conduct by a supervisor or co-worker relating to an employee's sex which has the effect of creating an intimidating, hostile or offensive work environment, unreasonably interfering with the employee's work performance, or adversely affecting the employee's employment opportunities is prohibited.

Discrimination

Sex discrimination is defined as when an employer refuses to hire, disciplines or discharges any individual, or otherwise discriminates against an individual with respect to his or her compensation, terms, conditions, or privileges of employment on the basis of the individual's sex. Sex discrimination is also defined as when a person, because of his or her sex, is denied participation in, or the benefits of, a program that receives federal financial assistance.

Harassment

Sexual harassment is a form of sex discrimination. While it is difficult to define sexual harassment precisely, it does include any unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

Although not an exhaustive list, the following are examples of the type of conduct prohibited by the policy against sexual harassment:

1. Unwelcome sexual advances from a co-worker or supervisor, such as unwanted hugs, touches, or kisses;
2. Unwelcome attention of a sexual nature, such as degrading, suggestive or lewd remarks or noises;
3. Dirty jokes, derogatory or pornographic posters, cartoons or drawings;

4. The threat or suggestion that continued employment advancement, assignment or earnings depend on whether or not the employee will submit to or tolerate harassment;
5. Circulating, showing, or exchanging emails, text messages, digital images or websites of a sexual nature;
6. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by this policy.

Any infraction of this policy by supervisors or co-workers should be reported immediately to the Title IX Coordinator, the Superintendent, or his/her designee in accordance with the district's sex discrimination and sexual harassment grievance procedure. Retaliation against any employee for complaining about sex discrimination or sexual harassment is prohibited under this policy and illegal under state and federal law. Violations of this policy will not be permitted and may result in discipline up to and including discharge from employment. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties.

Prepared By: Patricia Patton

Presented By: Danielle Batchelder

Attachments: Food Service Financial Report

Subject: Cafeteria Operations – January 2020

Background: The Windsor School Food Service participates in the National School Lunch Program at each of our school facilities, at St. Gabriel's and CREC's Academy of Aerospace and Engineering. We also participate in the National School Breakfast Program at our four elementary schools, Sage Park Middle School, Windsor High School and CREC AAE. We operate the After School Snack Program for our Treehouse Program in Windsor. We operated our Summer Food Service Program of lunch and snack at Deerfield Apartment Complex, Goslee Pool, Wilson Library, and added Poquonock Elementary School location during summer break. We are complying with the Healthy Food Certification again this year to send a consistent message to our students in keeping with our wellness policies.

Our annual goal is to operate with a small reserve account to offset unanticipated needs and to increase participation from students and staff in all our programs.

A monthly financial report is presented to the Board of Education. This report includes sales and financial information for the current period.
