# WINDSOR BOARD OF EDUCATION

## AGENDA ITEM

**For Consideration by the Board of Education at the Meeting of:** February 15, 2022

**PREPARED BY:** Danielle Batchelder  
Director of Business Services  
& Human Resources

**PRESENTED BY:** Danielle Batchelder

**ATTACHMENTS:** Student Enrollment Report & Recap

**SUBJECT:** Student Enrollment as of February 1, 2022

---

### BACKGROUND:

Attached are the enrollment figures as of February 1, 2022. Mrs. Batchelder will answer any questions.

### STATUS:

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

1. *Out of District Placement-Special Education students*
2. *Private Placement Special Education students*

**Out of District - Special Education:** Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

**Private Placement - Special Education:** Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).

# WINDSOR BOARD OF EDUCATION

## AGENDA ITEM

**For Consideration by the Board of Education at the Meeting of:** February 15, 2022

**Prepared By:** Terrell M. Hill, PhD

**Presented By:** Danielle Batchelder  
Director of Business Services and HR

**Attachments:** N/A

**Subject:** Appointment of Replacements Representatives to Town of Windsor Insurance Commission

---

### BACKGROUND:

The Insurance Commission reviews and recommends to the Risk Manager of the Town of Windsor various coverages that are necessary for both the Town and Board of Education. The Commission is comprised of five members. The Board of Education and Town Council each appoint two members, one Democrat and one Republican or Non-affiliated, to the commission. Those four appointments select a fifth member.

### STATUS:

Republican James P. Anderson was never sworn in as a member of the Insurance Commission as his employer, The Travelers, deemed his appointment on the Insurance Commission would be a conflict of interest. He was supposed to fill a vacancy left by David Ross, who served many years on the committee and resigned from the committee. Mr. William Davis was approached in September 2021. After attending a couple of the meetings as a member of the public, he had shown an interest in becoming active with the commission if approved. Mr. Davis has lived in Windsor for approximately fifteen years. He has a Master's Degree in Business Administration and was a small business owner until he recently retired. In the past, he also worked in corporate finance. Politically, he is non-affiliated.

Mr. Alan Relyea's term ended on November 30, 2021. He is interested in continuing on the commission and was elected Chair of the Commission on January 19, 2022. Politically, he is a Democrat.

### RECOMMENDATION:

Move to appoint William Davis as a Non-affiliated member and Mr. Alan Relyea as a Democrat member to the Windsor Insurance Commission for a four-year unexpired term to expire November 30, 2025 or until a successor is appointed.

c. Discussion on Policies

Discussion to determine if the Board should request that wording for a new policy, or addition to an existing policy, be drawn up by the Policy Committee and/or the superintendent, which policy would prohibit the use of cellphones by students in school, which suggested policy is to be brought to the Board in future meetings this school year for first and second readings and votes of adoption. Possible Board action in the form of a motion to send the request to the Policy committee.(Tabled from 12/21/21 Regular Meeting and reworded)

Mr. Panos questioned the lack of a distinct policy limiting or denying the use of cell phones by students unless under the direct supervision of teachers. He said that abuses have occurred for years and there needs to be a policy in place.

Several board members and the student representative gave their perspective regarding cell phone use, specifically at the high school and Interim Principal Breon Parker spoke regarding the penalties in place, such as "bag and tag", the process by which a student is relieved of their phone to be claimed at the end of the day by either a parent or the student. Dr. Hill stated that he had not heard from the administration, parents, or teachers that this was an issue affecting the school.

Mr. Panos stated that it cannot both be "not a problem" and yet have discipline for disruptions. He said that he has spoken to teachers regarding their concerns on this topic.

Mr. Furie said he would not recommend this go to the Policy Committee.

Move that the Board ask the Policy Committee for wording for a policy that states that a personal devices, like cell phones, during the day, by students, will be prohibited according to the discretion and under the supervision of a teacher or staff member for the students assignments. This motion, made by Mr. Paul Panos and seconded by Mr. Jeremy Halek, Failed.

Mr. Halek presented, for discussion, building a career path towards vocations that could begin as early as elementary grades.

Discussion included support of the topic with an emphasis on making elementary vocation topics engaging, age-appropriate, and play-oriented.

Mr. Furie, without objection, sends this topic to the Long-Range Planning Committee for further research and discussion.

11. Superintendent's Report

Dr. Hill said that the most recent Coffee Talk was well attended and the next one will be held on February 28 at 6:00 PM at the LP Wilson Senior Center. He expressed thanks to the United Way of Central and Northeastern Connecticut and to Annie Sommers Fazzino, their Community Engagement and Marketing Manager, for their donation of winter items and supplies to be given to families in need. There were additional vaccine clinics held with two more scheduled for ages 5-11 on January 22 and February 12. No registration is required. In light of recent drug-related events in other area districts, there will be informational sessions for families and students to learn about current drug culture. On January 22, Sage Park Middle School will host their 2nd Vex-IQ Robotics Qualifying competition.

Mr. Panos mentioned a staff protest last week regarding the lack of masks and tests provided for them.

Both Dr. Hill and Ms. Batchelder spoke regarding this situation, which was not a protest but more to draw attention to the inequities in the distribution of supplies. Ms. Batchelder informed the board and community about the state's planned distribution efforts, the supplies shared by the Town of Windsor, and what had been distributed to the schools.

a. Curriculum Development, 2nd Reading

1. Algebra I
2. Consumer Math

Ms. Fineman explained that the Lexia scores for all texts are considered for all texts used and that no books have been removed from the curriculum, but new vetted texts have been added. There also are specific standards for grammar and vocabulary being taught.

It was requested by several board members that a legend should be included for the color coding. It was explained that each colored calendar date was explained on the second page, but that a legend can be created.
