Proclamation Commemorating
Windsor Teacher Appreciation Week
May 2 through May 6, 2022

Let it be known by all citizens of Windsor, that

Whereas, Windsor's teachers are responsible for shaping the minds of nearly 3,300 students in order to ensure they all have an equal chance at success through education; and

Whereas, our teachers prepare students to meet high standards of performance, be lifelong learners and contribute as world citizens; and

Whereas, Windsor's teachers go above and beyond the call of duty to fill many roles, such as mentors, role models, coaches and motivators; and

Whereas, our country's future depends on providing quality education to all students; and

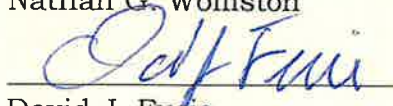

Whereas, the Windsor Board of Education respectfully acknowledges each and every one of the district's teachers for their dedication to the families of the Windsor community; and

Now, therefore, be it proclaimed on this the 19th day of April 2022...

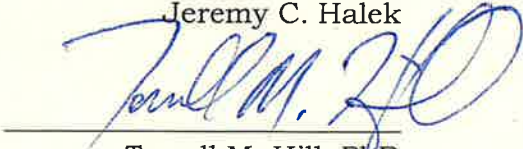

That, the Windsor Board of Education hereby declares our appreciation to our teaching staff and proclaims the week of May 2nd through May 6th as Windsor Teacher Appreciation Week.

WINDSOR BOARD OF EDUCATION

AGENDA ITEM

For Consideration by the Board of Education at the Meeting of: April 19, 2022

PREPARED BY: Danielle Batchelder
Director of Business Services
& Human Resources

PRESENTED BY: Danielle Batchelder

ATTACHMENTS: Student Enrollment Report & Recap

SUBJECT: Student Enrollment as of April 1, 2022

BACKGROUND:

Attached are the enrollment figures as of April 1, 2022. Mrs. Batchelder will answer any questions.

STATUS:

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

1. *Out of District Placement-Special Education students*
2. *Private Placement Special Education students*

Out of District - Special Education: Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

Private Placement - Special Education: Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).

WINDSOR BOARD OF EDUCATION AGENDA ITEM

For Consideration by the Board of Education at the Meeting of: Tuesday, April 19, 2022

Prepared By: Patricia Patton

Presented By: Danielle Batchelder

Attachments: Cafeteria Operations – March, 2022

Subject: Food Service Financial Report

Background: The Windsor School Food Service participates in the National School Lunch Program at each of our school facilities Saint Gabriel's and CREC's Academy of Aerospace and Engineering. We also participate in the National School Breakfast Program at our four elementary schools, Sage Park Middle School, Windsor High School and CREC AAE. We operated our Summer Food Service Program of lunch and breakfast at the following locations; Windsor High School, Oliver Ellsworth School, Clover Street School and Wilson Library during summer break. We are complying with the Healthy Food Certification again this year to send a consistent message to our students in keeping with our wellness policies.

Our annual goal is to operate with a small reserve account to offset unanticipated needs and to increase participation from students and staff in all our programs.

A monthly financial report is presented to the Board of Education. This report includes sales and financial information for the current period.

8. Student Representative Report

Mr. Bournes reported that the school environment is sustainable, but not exceptional. He voiced his appreciation to the board for their work to support the music department. He participated in the first Recording Technology Showcase recently and stated how successful it was. Mr. Wolliston attended the showcase as well. He stated that the school counselors have been working hard and the administration is working as it should.

9. Board of Education

- a. President's Report

Mr. Furie stated that the school mask mandate was lifted, as well as for buses. Masks are optional in all areas. The WHS choir presented "The Stevie Wonder Experience" on February 24. The FIRSTTech State Championship was held at Sage Park Middle School. He gave special thanks to the middle school robotics team Blazing Spirits, Ms. Jorgensen and the custodial staff. There is an upcoming Western New England University robotics competition where the WHS Team Paragon will participate. He attended the Sage Park Middle School Black History Month celebration where Mr. Wolliston was the keynote speaker. He said that the Town Council has accepted the district budget.

Mr. Lockhart said that there had been a \$1,500 Windsor Journal line item that had been struck from the original budget, but due to a misunderstanding of what the funds covered, in this case the graduate advertisements, another area was found to cut the cost as no harm was meant towards the Windsor Journal or staff.

- b. School Liaison Reports
 - 1. Windsor High School

Ms. Taylor attended the Black History Month event at the high school. The next School Governance Council meeting will be March 21. She addressed confusion regarding the upcoming SAT test day on March 23. She stated that if high school students were not taking the SAT test, it would be a day off from school although there would be learning opportunities held that day for interested students. She congratulated the Girls Indoor Track team, Boys Swim and the Boys Basketball team. She said that bussing for the basketball games is available, so they have a larger cheering section.

Mr. Wolliston said he visited the school twice and discussed the updates to the hall pass system. He attended the Recording Technology Showcase and expressed his enjoyment seeing the support of arts programs.

2. Sage Park Middle School

Mr. Halek spoke highly of both the Boys and Girls basketball teams. March 16 is Family Chess Night. April 6 is Grade 7 Content Night. Lastly, April 11-15 is Spring Break.

3. Clover Street School

None

4. John F. Kennedy School

Ms. Canter congratulated Mr. Pierce on his strings event. The JFK PTO is in need of volunteers. The Scholastic Book Fair runs March 16-18. Family Literacy Night will be March 31 and requires registration. Email ssantana@windsorct.org to confirm. She congratulated Minna Abdelgadir who designed the winning tee-shirt for the 5th grade picnic celebration. She also congratulated Grant Cauley and Claudia Racht who were state-level winners in the CT Association of Schools Outstanding Art Student Competition.

5. Oliver Ellsworth School

Ms. Golinski announced that Brownie Troupe 10017 would be creating "Cozy Corners" in each classroom as a way to help students reset themselves. The students are celebrating Women's History Month by learning about historical figures and local women.

6. Poquonock School

None

c. Curriculum Development, 1st Reading

1. Automotive Systems I
2. Automotive Systems II
3. Personal Finance I
4. Social Studies, Grades 6-8
5. General Music, Grades 3-5

Discussion involved praise for the new classes and updates. The need for Personal Finance I was discussed.

An original motion stating "Move the Board of Education approve as a 1st Reading: Automotive Systems I, Automotive Systems II, Personal Finance I, Social studies 6-8, and General Music 3-5" was made by Ms. Taylor and seconded by Ms. Canter. Due to the change of wording to waive the 2nd reading, this motion was a "no vote."

Move the Board of Education approve as a 1st Reading and waiving the 2nd Reading: Automotive Systems I, Automotive Systems II, Personal Finance I, Social studies 6-8, and General Music 3-5. This motion, made by Mr. Leonard Lockhart and seconded by Ms. Jill Canter, Passed.

Yes: 8, No: 0

d. Discussion on Allowing Paraprofessionals and Security Monitors to Write Disciplinary Referrals

Mr. Halek opened the discussion by stating that it had been brought to his attention that paraprofessionals and security monitors are unable to write disciplinary referrals. By being allowed to create referrals, they will be able to support teachers when behavior issues occur when the teacher is not present. He wishes to eliminate the step of requiring the teacher or administration to write the report. He would like to send this issue to the Policy Committee for review.

Ms. Batchelder responded that any staff member is able to create a report, then, with the teacher, they call the family of the student. This allows all parties to be aware of what was witnessed and how it is being addressed. Informal concerns may also be brought to the attention of the teacher or administration. In the past, paraprofessionals made phone calls to parents after writing a referral, but the paras at the time decided to remove that from their responsibilities.

Mr. Panos voiced his concerns that the amount of paperwork and phone calls may prohibit staff from accurately reporting issues, or it may cause discord in the classroom among the staff.

It was decided that more time would be given to hear more concerns on the matter from district staff and to review what the staff contract allows.

10. Superintendent's Report

Ms. Batchelder announced that March is Board of Education Members' Appreciation Month. The board is being thanked for their work with an art piece titled, *River Street Farm, 2021*, created by Sophia Wilson, Windsor High School Class of 2024.

As of February 28, masks were no longer required in school buildings and as of February 25, the CDC no longer required masks on school buses or other types of early childhood transportation. Masks are optional on both buses and in school buildings.

A special Coffee Talk was held tonight at 5:30 PM inviting community members to be part of a focus group giving input about the attributes of the new WHS principal. The night prior, a focus group was held for WHS staff to give their input.

The district continues to send out weekly COVID numbers. The numbers have remained very low.

On Tuesday, March 29 at 6:00 PM at Sage Park Middle School, the Office of Family and Community Partnership is sponsoring a forum, Legacy Over Likes. The topic addresses how social media affect the character development of today's youth. Go to www.windsorct.org to register.

11. Committee Reports

Mr. Wolliston said that the Long Range Planning Committee is working on finding a meeting date for all parties.

a. Curriculum Committee

Curriculum was addressed earlier in the meeting.

12. Other Matters/Announcements/Regular BOE Meetings

a. BOE Special Meeting, Tuesday, April 5, 2022, 6:30 PM, LPW, Board Room (Hybrid)

b. Next BOE Regular Meeting is Tuesday, April 19, 2022, 7:00 PM, LPW, Board Room (Hybrid)

Mr. Halek wished the community a happy spring.

Mr. Wolliston said his birthday is several days after the April meeting and he would love presents from the board.

Ms. Golinski thanked the board for their dedication and devotion to the district.

Ms. Taylor congratulated Mr. Wolliston on his Bridge Builder award from the Town of Windsor Human Relations Commission. She also congratulated Mr. Lockhart on his appointment as Vice President of the board.

Ms. Canter thanked the board for their dedication.

Mr. Lockhart thanked the board for allowing him to be their Vice President. He thanked everyone for their support, but most specifically Mr. Panos.

Mr. Panos thanked WHS Sophomore Sophia Wilson for the artwork she created and was given to the board.

Mr. Furie announced a personal finance presentation that will be available to students later in the month. He also said that hybrid meetings are only required by the state until the end of April. Before then, he suggested the Executive Committee discuss the procedure for the future.

13. Audience to Visitors

Becky Jacobsen, 50 Lighthouse Hill Road - She stated that her hope for the new WHS principal would be that they love the children in the community and have a love of the district itself. She wants them to be firm and focused on the future. She would love to see Mr. Parker continue his work at WHS as the principal. Regarding disciplinary referrals, she said that verbal referrals happen much of the time and that there needs to be follow-through on discipline. She was thankful for the district providing Chromebooks for student use, but sees them as a handicap now. She would like to see more paper and fewer computers.

14. Adjournment

Move to adjourn at 9:08 PM. This motion, made by Mr. Leonard Lockhart and seconded by Mr. Paul Panos, Passed.

All board members were present in the board room except Ms. Canter who was participating virtually. Mr. Wolliston arrived at 6:43 PM.

1. Call to Order, Pledge to the Flag, Moment of Silence

The meeting was called to order by Mr. Furie at 6:32 PM with the Pledge to the Flag and a Moment of Silence.

Also in attendance were Superintendent of Schools Dr. Terrell Hill, Director of Business Services and Human Resources Danielle Batchelder and Director of Pupil and Special Education Services Kristina Wieckowski.

2. Audience to Visitors

Malik Champlain, 202 Old Village Circle - He spoke about how difficult the pandemic has been for students and families. He stated that the SEL program at Poquonock Elementary School is very insightful for parents and opens up conversations at home. He is in support of the SEL program in the district.

James Madison, 8 Fitzmaurice Circle - He made several statements in support of SEL as soft skills needed by district students. He did ask that the board examine the monetary cost of the SEL program, weighing its value against the value of required school skills.

3. Presentation on Social and Emotional Learning (SEL)

Dr. Hill introduced District Coordinator of Social Emotional Learning Dr. Michael Mallery.

Dr. Mallery gave a presentation on the Social Emotional Learning department's goals, commitments and priorities.

During the presentation, Dr. Mallory introduced SEL Specialists Sam Batchelder from Poquonock School and Damion Morgan and Nicole Foster from Clover Street School. They spoke about their experience with SEL in their schools and how they implement their training.

Dr. Mallery also introduced student Kruti Dharsandiya, teacher Dr. Monica Brase and Student Support Center Coordinator Melani Gutierrez. Each of them spoke in turn about their personal experiences with the SEL program and how the staff work as a team to best assist the student body.

At the end of the presentation, Dr. Mallery invited the board to ask questions.

Board members asked about teaching self-awareness, measurable objectives, teacher burnout and coordinator skill-sets.

Several board members provided anecdotal examples of their experiences with SEL.

4. Announcements

Mr. Wolliston reminded the board that his birthday is later in the month. He thanked the SEL department for their presentation.

Ms. Canter said the presentation was good and that kids need to learn SEL skills. She said she looks forward to working together.

Ms. Taylor said she hopes everyone has a great April vacation.

Mr. Halek said the presentation was great and he hopes that everyone has a great April break.

Mr. Lockhart said happy break and for everyone to please be aware of what's going on around you and be mindful while enjoying yourselves.

SUBJECT: Last Day of School for 2021-2022

BACKGROUND:

Each year the Board of Education communicates the last day of school. Per the Board approved calendar, Tuesday, June 14, 2022 would be 181st student day and the 187th teacher day of Windsor's school year. The State Department of Education requires all Connecticut public schools to hold 180 student days. Thus, there is one day for which the board has discretion and can implement local control.

It is proposed that the last day of school for Kindergarten through Grade 11 be scheduled for Monday, June 13, 2022 (180th student day) with an early release for students. On the afternoon of June 13th, teachers would have a staff meeting with their principal to conclude the year (on the normal last day of the year, teachers would be released after checking out their classroom).

Tuesday, June 14, 2022 would be a professional development day for staff, which would be an early release after checking out their classrooms with the principal.

Graduation has been scheduled for Monday, June 6, 2022.

STATUS:

N/A

RECOMMENDATION:

Move the Board of Education approve a change to their approved 2021-2022 calendar setting Monday, June 13, 2022 as the last day of school for students in grades kindergarten to grade 11 and the last day for teachers would be Tuesday, June 14, 2022.

**WINDSOR BOARD OF EDUCATION
AGENDA ITEM**

For Consideration by the Board of Education at the Meeting of: April 19, 2022

Prepared By: Danielle Batchelder

Presented by: Danielle Batchelder, Director of
Business Services & Human Resources

Attachments: CSDE Operational Memorandum No. 05-22

Subject: Healthy Food Certification (Section 10-215f of the CT General Statutes)

BACKGROUND:

Public Act 06-63* *An Act Concerning Healthy Food and Beverages in Schools* became effective July 1, 2006. Compliance with Section 1, "Requirement for Beverages," is required. Section 3, "Optional Healthy Food Certification," is optional. The Windsor Public Schools chose to comply with Section. 3. Compliance with the Optional Healthy Food Certification enabled the District to receive an additional ten cents per student meal from the state. The BOE had to have adopted a Wellness Policy, which it has.

STATUS:

The Windsor Public Schools has successfully completed fourteen years of the Healthy Food Certification. In order to receive the supplemental meal (10 cents) reimbursement for the 2022-23 school year, the Board of Education is required to certify compliance with the Act.

RECOMMENDATION:

That the Board of Education accepts the Healthy Food Certification program (Section 10-215f of the Connecticut General Statutes). The following motions are needed:

Motion 1:

The Windsor Board of Education, pursuant to C.G.S. Section 10-215F, certifies that all food items offered for sale to students in the schools under its jurisdiction, and not exempted from the Connecticut Nutrition Standards published by the Connecticut State Department of Education, will comply with the Connecticut Nutrition Standards during the period of July 1, 2022 through June 30, 2023. This certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to, school stores, vending machines, school cafeterias, and any fundraising activities on school premises sponsored by the school or by non-school organization and groups.

Motion 2:

Food and beverage exemptions required: The Windsor Public School's board of education will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards and beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met:

1. The sale is in connection with an event occurring after the end of the regular school day or on the weekend
2. The sale is at the location of the event
3. The food and beverage items are not sold from a vending machine or school store.

An "event" is an occurrence that involves more than just a regularly schedule practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not. The "regular school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held.

STATE OF CONNECTICUT
DEPARTMENT OF EDUCATION

TO: Sponsors of the National School Lunch Program

FROM: John D. Frassinelli, Division Director
School Health, Nutrition, Family Services and Adult Education

DATE: February 15, 2022

SUBJECT: Operational Memorandum No. 05-22
Requirements for Submitting the Healthy Food Certification (HFC) Statement for School Year 2022-23

The Healthy Food Certification (HFC) statute (C.G.S. Section 10-215f) requires that **each** local board of education or governing authority (BOE) for public schools¹ participating in the National School Lunch Program (NSLP) **each year must certify** whether all food items sold to students (separately from reimbursable meals) **will or will not** meet the **Connecticut Nutrition Standards** (CNS). This memo provides the **required BOE motion language** and instructions for the HFC application process for school year (SY) 2022-23.

HFC Eligibility Requirements for BOEs opting to implement HFC

The BOE must complete a vote on the required motion language in this memo by **July 1, 2022**, or the BOE will not be eligible for HFC during SY 2022-23 (July 1, 2022, through June 30, 2023). Each BOE must choose one of the two options below to satisfy this requirement and be eligible for HFC.

- **Option 1:** Using the **exact language** included in this memo, the BOE conducts three votes: 1) whether the district will **participate** in the healthy food option; 2) whether the district will allow **food exemptions**; and 3) whether the district will allow **beverage exemptions**.
- **Option 2:** Using the **exact language** included in this memo, the BOE conducts two votes: 1) whether the district will **participate** in the healthy food option; and 2) whether the district will allow **food and beverage exemptions**.

Required healthy food option vote for all BOEs

The BOE must vote “yes” or “no” for implementing the healthy food option of C.G.S. Section 10-215f. The motion and board-approved meeting minutes **must include the exact language below**.

Motion language for healthy food option: Pursuant to C.G.S. Section 10-215f, the board of education or governing authority certifies that all food items offered for sale to students in the schools under its jurisdiction, and not exempted from the Connecticut Nutrition Standards published by the Connecticut State Department of Education, will comply with the Connecticut Nutrition Standards during the period of July 1, 2022, through June 30, 2023. This certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to school stores, vending machines, school

¹ Public schools include all public schools, regional educational service centers, the Connecticut Technical Education and Career System (CTECS), charter schools, interdistrict magnet schools, and endowed academies.

cafeterias, culinary programs, and any fundraising activities on school premises sponsored by the school or non-school organizations and groups.

Required vote for food exemptions for BOEs opting to implement HFC

If the BOE votes “yes” for implementing the healthy food option, the board-approved meeting minutes and motion must reflect a “yes” or “no” vote on the *exact language below*.

Motion language for food exemptions: The board of education or governing authority will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the food items are not sold from a vending machine or school store. An “event” is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not. The “regular school day” is the period from midnight before to 30 minutes after the end of the official school day. “Location” means where the event is being held and must be the same place as the food sales.

Note: If the BOE votes “no” for the healthy food option, a vote on whether to allow food exemptions is **not** required.

Optional vote for beverage exemptions for all BOEs

The state beverage requirements ([C.G.S. Section 10-221q](#)) apply to all public schools, regardless of whether the district participates in the NSLP or certifies for the healthy food option of HFC. If the BOE does not have a beverage exemption in place, the BOE’s schools can **never** sell noncompliant beverages to students. If the BOE chooses to allow beverage exemptions, the motion and board-approved meeting minutes **must include the exact language below**:

Motion language for beverage exemptions: The board of education or governing authority will allow the sale to students of beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the beverages are not sold from a vending machine or school store. An “event” is an occurrence that involves more than just a regularly scheduled practice, meeting or extracurricular activity. The “school day” is the period from midnight before to 30 minutes after the end of the official school day. “Location” means where the event is being held and must be the same place as the beverage sales.

Option to combine food and beverage exemptions

Instead of two separate food and beverage motions, the district may choose to combine food and beverage exemptions into one motion by using the exact language below:

Motion language for combined food and beverage exemptions: The board of education or governing authority will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards and beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met: 1) the sale is in connection with

an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the food and beverage items are not sold from a vending machine or school store. An “event” is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not. The “regular school day” is the period from midnight before to 30 minutes after the end of the official school day. “Location” means where the event is being held and must be the same place as the food and beverage sales.

HFC Application Process for SY 2022-23

All public school sponsors of the NSLP applying for HFC for SY 2022-23 must complete the three steps below to meet the HFC application deadline of **July 1, 2022**.

1. Schedule the two required votes (healthy food option and food exemptions) at a BOE meeting **before June 30, 2022**. If the district chooses to allow beverage exemptions, the CSDE recommends that the BOE conduct the vote on beverage exemptions at the **same time** as the HFC votes.
2. Maintain a copy of the board-approved meeting minutes indicating the results of the HFC votes. Do not submit these minutes until requested (see step 3).
3. **May 2022:** Complete the online HFC application module in the CSDE’s Connecticut Online Application and Claiming System for Child Nutrition Programs (CNP System). Upload the board-approved meeting minutes indicating the results of the HFC votes for the healthy food option and food exemptions (and the vote for beverage exemptions, if applicable). **Note:** The CSDE will notify sponsors when the HFC application module and instructions are available. Do **not** access the CNP System prior to receiving this notification.

For additional guidance on the HFC application process, review the CSDE’s presentation, [Application Procedures for HFC](#), and visit the “[Apply](#)” section of the CSDE’s HFC webpage.

ENGLISH 1007 COURSE DESCRIPTION

In ENGL-1007, "Seminar in Academic Writing and Multimodal Composition," students are introduced to different modes and approaches to composition and become aware of, and respond to, a variety of rhetorical situations. Our students compose through multiple forms of literacy, including rhetorical, digital, and information literacies necessary for twenty-first-century contexts. Students develop creatively intellectual inquiries through sustained engagement with texts, ideas, and problems.

The habits of mind and of composition students learn here transfer to writing in a variety of contexts and disciplines. ENGL-1007 encourages transfer through our course moves, which are specific composition moves writers make in many rhetorical situations or in many disciplines: **collecting & curating, engaging, contextualizing, theorizing, and circulating**. Our learning objectives describe the long-term habits our students will develop in ENGL-1007 and put to use in later coursework.

ENGL-1007 may be used to fulfill any course prerequisites satisfied by ENGL 1010 or 1011 or 2011. ENGL-1007 is a four-credit course.

"Seminar in Academic Writing and Multimodal Composition" has an attached and accompanying composition Studio through which students register for the course. More information is available on the Studio below. Students will receive one grade for the Seminar and Studio together.

Students enroll in the ENGL-1007 Studio (1 credit), which has 32 students, and auto-enroll in an ENGL-1007 Seminar (3 credits) with 16 students. The Studio and Seminar together total 4 credits. 1007 Studios meet every other week for one hour and fifty minutes (1 hour 50 minutes). The dates Studios meet are published in the

"Notes" in StudentAdmin/PeopleSoft.

ROLE OF ENGL-1007

- Introduce students to the intellectual labor of the University.
- Support and guide students' contributions to communicating knowledge in thoughtful, meaningful, substantiated ways.
- Develop students' ethical practices.
- Introduce students to multiple modes and genres of meaning-making.
- Expand and enhance students' skills and literacies.

ENGL-1007 STUDIO

The ENGL-1007 Studio is a collaborative composing studio in which students develop a Digital Learning Portfolio. Students register for the Studio and are auto-enrolled in the Seminar. The Studio allows students and instructors to experiment with and apply the cognitive, creative, and technical skills needed for effective communication in a range of modes and through a number of traditional and emergent technologies. Students will also design a Digital Learning Portfolio to archive their work and showcase their skills from both their Seminar and Studio sections.

1007 Studios meet every other week for one hour and fifteen minutes (1 hour, 15 minutes). The dates Studios meet are published in the "Notes" in StudentAdmin/PeopleSoft.

Throughout the Studio course, students will engage in a hybrid learning model by completing online modules that will support the development of their Digital Learning Portfolios, as well as their digital and information literacy skills.

NOTICE.

STUDIO LEARNING GOALS

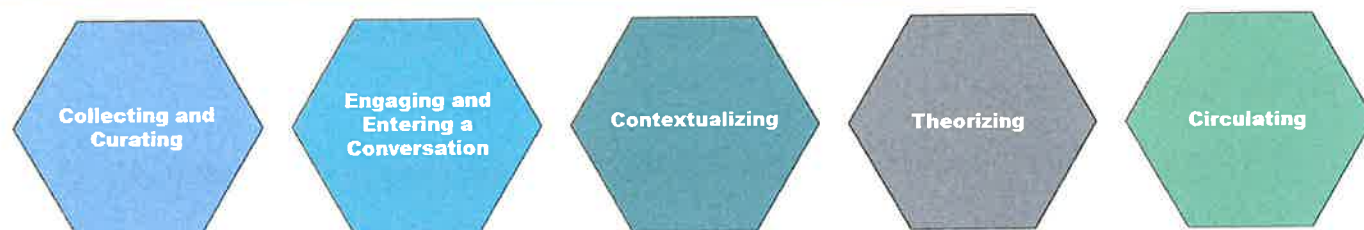

- Employ habits and practices for creative use of space and tools available in the Studio.

OK

- Demonstrate creative thinking by generating multiple concepts, designs, and drafts and communicating your design decisions.
- Collaborate to identify concepts, practices, and tools best suited to individual project challenges.
- Facilitate access for wide, varied audiences.
- Negotiate feedback productively through the processes of revision and collaboration.
- Use the affordances and limitations of composing tools or technologies to shape the project, mode, and genre.
- Shape a digital identity through your work.
- Practice ethical engagement with a variety of digital and analog assets.

ENGL-1007 COURSE MOVES

Collecting & Curating (includes collecting data; primary or experiential research; text-based research [e.g., curating an annotated bibliography]; creating a meaningful assemblage)

Engaging (includes active reading; unpacking assumptions & values; reading beyond 'information'; arguing beyond reductive pro/con; terms of engagement [e.g., civility]; participating and contributing to public discussions & debates; appealing to audience)

Contextualizing (researching the field, discipline, or question; adapting to disciplinary conventions; finding and using historical and/or critical sources; recognizing how arguments take shape and participate in culture; using data ethically and effectively; tracing provenance; this move builds on "engaging" to add "juggling more than a single point of view," as well as synthesizing and using texts for different ends in moving an argument forward; problematizing and problem-solving with myriad factors/influences/impingements).

Theorizing (building new approaches, processes, methods; developing a new critical vocabulary; articulating new connections; contributing new knowledge; in Studio, reframe arguments in other modes; employ new ways of thinking to move work into new modes of meaning making).

Circulating (presenting, publishing, managing an identity as a thinker and scholar; creating interactivity with audience; examining the consequences of broad circulation of words and ideas; maintaining digital data and creations)

WRITING ACROSS TECHNOLOGY LEARNING GOALS

The Writing Across Technology curriculum includes five major learning objectives that students will develop throughout the course. In essence, these objectives are the things students should be able to do by the end of the course, and will affect the way students engage with composition broadly and long-term. There are many ways to achieve these outcomes, and individual FYW courses are structured differently and reach these goals in various ways. They are distinct from the course moves because these are long-term habits of thinking, whereas course moves are discrete actions students can do in particular rhetorical situations.

There are five major learning objectives:

Approach Composition as a Complex Process

- Practice composing and writing as creative acts of inquiry and discovery through written, aural, visual, video, gestural, and spatial texts
- Consider projects and problems from multiple ways of knowing
- Develop new methods for all forms (including digital) of textual analysis, synthesis, and representation
- Formulate strategies for the conceptual, investigative, practical, and reflective work of writing

Identify Yourself as a Writer

- Contribute to others' knowledge and understanding through your research and compositions
- Practice ethical scholarship and develop a strong identity as a responsible maker of meaning

Engage with a Conversation

- Discover, analyze, and engage with others' ideas in productive ways through complex texts
- Approach and use texts as ways to analyze, interpret, and reconsider ideas
- Extend your ideas to new ground in the context of others' work

Critically Examine Different Ways of Knowing

- Identify and analyze conventions of disciplines
- Interrogate genre expectations, including how knowledge is created and how evidence is used to forward work in academic disciplines
- Evaluate the functional components of format, organization, document design, and citation

Use Technology Rhetorically

- Recognize that technologies are not neutral tools for making meaning
- Assess the context and mode of technology you are using to compose
- Respond to situations with productive choices to deliver meaningful texts

- Employ the principles of universal design to make your work accessible and legible to the widest possible audience
