# WINDSOR BOARD OF EDUCATION AGENDA ITEM

**For Consideration by the Board of Education at the Meeting of:** June 21, 2022

**Prepared By:** Terrell M. Hill

**Presented By:** David Furie, Terrell Hill

**Attachments:** N/A

**Subject:** WHS Juried Art Show Awards

---

## **Background:**

After the past two years, the Windsor High School Art Department was thrilled to have a full in-person show this past May in the Windsor High School library to include Art, CTE and Fashion students. As part of the awards, the Board of Education, Central Office and Windsor High School select individual student work to professionally frame and display as part of their permanent collection. Here are the 2022 Purchase Prizes:

### **Board of Education Purchase Prize: Ainsley Sasportas**

This year's Board of Education Purchase Prize goes to Ainsley Sasportas for her colored pencil drawing titled, "Counting Sheep," that she included in her AP Art & Design Sustained Investigation. Ainsley explored how mental illnesses affect women in their daily lives. From her statement she says: *"Mental illness is individual, but I chose to express the emotions and feelings women with various mental illnesses might experience to help educate those who don't have mental illnesses and to show women who may suffer from mental illness that they aren't alone."* Ainsley will be pursuing a degree in Art Therapy at Olivet Nazarene University in the fall, while continuing to compete in swimming at the National level.

### **Superintendent's Purchase Prizes: Aminah Aitazzi and Sage-Marie DesRosiers**

This year, Central Office Administration selected two Purchase Prize winners who demonstrate the breadth of our programs with Aminah Aitazzi putting voice to social justice issues and Sage-Marie DesRosiers capturing our surroundings.

Aminah Aitazzi's painting, "Woman," was created to combat how plus size women are seen in the media. She states, *"Plus size women are often viewed as less feminine or 'womanly' compared to skinnier people. I wanted to show that a woman is a woman no matter what their size. I also want my viewers to have confidence in themselves and accept themselves when they look at this painting."* Aminah plans to pursue a career as an esthetician.

Sage-Marie's ceramic relief titled, "Solitude" was part of her AP Art & Design investigation exploring, *"How does Nature Impact our Emotions?"* Inspired by a river she spent time at in Enfield where she grew up she states, *"This piece is meant to express the feeling of being alone but content. I utilized cool colors with some warm tones along with lots of textures to enhance the visual experience that one might enjoy as if they were there themselves."* Sage-Marie plans to attend the University of Hartford in the fall of 2023 to study Ceramics.

## **Windsor High School Purchase Prize: Subha Kammili**

This year's Windsor High School Purchase Prize goes to Subha Kammili for her watercolor painting titled, "*Start of Journey*," a piece from her AP Art and Design sustained investigation where she explored the question, "*What is the Journey of Death?*" From her statement: "*In the year 2021, I had many important members of my family pass away due to Covid 19. The idea of reincarnation and life cycle, called samsara, fascinated me and the belief that death could be depressing yet alleviating was interesting. My art piece titled "Start of Journey" is a presentation of how samsara starts. Fire presents the ritual of burning the body in Hinduism. Red spider lilies symbolize the guide to reincarnation and goodbyes.*" Subha will be attending UConn this fall to study Management and Engineering for Manufacturing.

Please check out the art department's website to see pictures and video footage of the Art Show and some of the amazing student artwork and fashion creations.

### **Recommendation:**

Recognize Ainsley Sasportas, Aminah Aitazzi, Sage-Marie Desrosiers and Subha Kammili and their selected art pieces.

**Carrie Canoni Recognized as Windsor Public Schools 2022-2023  
Educator of the Year**

**WINDSOR, CT (May 24, 2020)** – Windsor Public Schools is pleased to announce Carrie Canoni as the 2022-2023 Educator of the Year. A committee of her peers selected her through a process which was conducted through a series of interviews and meetings.

Canoni began her teaching career with Windsor Public Schools in 2003. She began as a reading teacher at Clover Street School, and after six years moved into a new role as a reading specialist. Carrie stayed on as a reading specialist for 2 years and then went to be the Literacy Coach at Poquonock School until ultimately shifting gears and becoming the schools STEM Coach in 2013.

Canoni received her Bachelor of Education from Nipissing University College. She received a Master of Science in Reading and her 6th year 097 Certification at Central Connecticut State University.

Over the years Canoni has applied and received various grants such as, Target Educational Grant which she used to fund *Book Club* nights while at Clover Street School and a Windsor Education Foundation (WEF) Grant that she used for *Lego Math* at Poquonock School. She has also successfully collaborated with Windsor High School students and staff to provide tutoring and mentoring outreach programs for the community. When asked about the impact these programs had on students at Windsor Public Schools, Carrie responded “Witnessing student engagement and excitement about learning has been key to my joy and longevity in teaching.”

As a Windsor Resident, Carrie is invested in both the educational aspect of Windsor Public Schools (her own children are proud graduates of WPS) and being actively involved in the town community. “Seeing students and families around town at Shad Derby events, Concerts on the Green, at church or shopping in stores allows me to be a part of the history of Windsor. Knowing the rich history of Windsor is also important as we write curriculum, create events that include the greater Windsor community such as book club nights, Family Fun Math Nights, STEM Nights, and Northwest Park field trips,” Carrie said.

The Windsor Public Schools’ Educator of the Year Program recognizes and honors excellence in teaching. The recipient serves as a visible and vocal representative of what is best in the profession. The program celebrates excellence by recognizing educators who have inspired a love for learning in their students and who have distinguished themselves in the profession.

Canoni will serve as Windsor Public Schools’ representative for the State of Connecticut Teacher of the Year program. The Windsor Board of Education will announce the Educator of the Year at their June meeting.

## **Windsor Public Schools Recognizes Beth O'Shea as 2022-23 Paraeducator of the Year**

**WINDSOR, CT (May 24, 2022)** – Windsor Public Schools is pleased to recognize Beth O'Shea of Oliver Ellsworth School as the 2022-2023 Paraeducator of the Year recipient. O'Shea was selected from the school building nominees following an application process with a district selection committee. She was nominated by her colleagues at Oliver Ellsworth School based on her professionalism, care and dedication to supporting student achievement.

O'Shea has been working at Windsor Public Schools for a combined total of 21 years. O'Shea enjoys inspiring her students with an emphasis on imagination and discovery, that they can take with them into the world outside of the classroom. Prior to moving to Oliver Ellsworth, O'Shea worked at Roger Wolcott Early Childhood Center in the capacities of special education paraeducator, tutor, and one to one during the summer program. Since her time at Oliver Ellsworth, O'Shea worked as a Kindergarten paraeducator, later on moving to the Preschool full day program as a paraeducator for the last 7 years.

Her colleagues describe her as a warm, compassionate, attentive and a skilled paraeducator. O'Shea is a vital part of the Preschool team at Oliver Ellsworth. She has been an integral part of creating a community within the classroom that extends beyond to the student's home and family.

O'Shea states, "I believe students are engaged by the imaginative and innovative way in which I teach. At their young age I don't want them doubting themselves but rather having the confidence to know that anything is possible. It is my goal to guide their passion for learning and their ability to reach for their greatness. "

The Windsor Public Schools' Paraeducator of the Year Program recognizes and honors paraprofessional excellence. This recipient serves as a visible and vocal representative of what is best in the profession. The program celebrates excellence by recognizing paraeducators who have inspired a love for learning in their students and who have distinguished themselves in the profession.

O'Shea will now serve as Windsor Public Schools' nominee for the State of Connecticut Paraeducator of the Year. The Connecticut State Department of Education (CSDE) and the School Paraprofessional Advisory Council established the Anne Marie Murphy Paraeducator of the Year Program in 2013 to recognize one paraeducator across the state who has demonstrated exceptional skills and dedication in the performance of their job. The award is named in honor of Anne Marie Murphy, a paraeducator who was killed in the Sandy Hook shooting.

Director of Business Services

**PRESENTED BY:** Danielle Batchelder

**ATTACHMENTS:** Student Enrollment Report & Recap

**SUBJECT:** Student Enrollment as of June 1, 2022

---

### BACKGROUND:

Attached are the enrollment figures as of June 1, 2022. Mrs. Batchelder will answer any questions.

### STATUS:

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

1. *Out of District Placement-Special Education students*
2. *Private Placement Special Education students*

**Out of District - Special Education:** Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

**Private Placement - Special Education:** Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).
