**Carrie Canoni Recognized as Windsor Public Schools 2022-2023
Educator of the Year**

WINDSOR, CT (May 24, 2020) – Windsor Public Schools is pleased to announce Carrie Canoni as the 2022-2023 Educator of the Year. A committee of her peers selected her through a process which was conducted through a series of interviews and meetings.

Canoni began her teaching career with Windsor Public Schools in 2003. She began as a reading teacher at Clover Street School, and after six years moved into a new role as a reading specialist. Carrie stayed on as a reading specialist for 2 years and then went to be the Literacy Coach at Poquonock School until ultimately shifting gears and becoming the schools STEM Coach in 2013.

Canoni received her Bachelor of Education from Nipissing University College. She received a Master of Science in Reading and her 6th year 097 Certification at Central Connecticut State University.

Over the years Canoni has applied and received various grants such as, Target Educational Grant which she used to fund *Book Club* nights while at Clover Street School and a Windsor Education Foundation (WEF) Grant that she used for *Lego Math* at Poquonock School. She has also successfully collaborated with Windsor High School students and staff to provide tutoring and mentoring outreach programs for the community. When asked about the impact these programs had on students at Windsor Public Schools, Carrie responded “Witnessing student engagement and excitement about learning has been key to my joy and longevity in teaching.”

As a Windsor Resident, Carrie is invested in both the educational aspect of Windsor Public Schools (her own children are proud graduates of WPS) and being actively involved in the town community. “Seeing students and families around town at Shad Derby events, Concerts on the Green, at church or shopping in stores allows me to be a part of the history of Windsor. Knowing the rich history of Windsor is also important as we write curriculum, create events that include the greater Windsor community such as book club nights, Family Fun Math Nights, STEM Nights, and Northwest Park field trips,” Carrie said.

The Windsor Public Schools’ Educator of the Year Program recognizes and honors excellence in teaching. The recipient serves as a visible and vocal representative of what is best in the profession. The program celebrates excellence by recognizing educators who have inspired a love for learning in their students and who have distinguished themselves in the profession.

Canoni will serve as Windsor Public Schools’ representative for the State of Connecticut Teacher of the Year program. The Windsor Board of Education will announce the Educator of the Year at their June meeting.

Windsor Public Schools Recognizes Beth O'Shea as 2022-23 Paraeducator of the Year

WINDSOR, CT (May 24, 2022) – Windsor Public Schools is pleased to recognize Beth O'Shea of Oliver Ellsworth School as the 2022-2023 Paraeducator of the Year recipient. O'Shea was selected from the school building nominees following an application process with a district selection committee. She was nominated by her colleagues at Oliver Ellsworth School based on her professionalism, care and dedication to supporting student achievement.

O'Shea has been working at Windsor Public Schools for a combined total of 21 years. O'Shea enjoys inspiring her students with an emphasis on imagination and discovery, that they can take with them into the world outside of the classroom. Prior to moving to Oliver Ellsworth, O'Shea worked at Roger Wolcott Early Childhood Center in the capacities of special education paraeducator, tutor, and one to one during the summer program. Since her time at Oliver Ellsworth, O'Shea worked as a Kindergarten paraeducator, later on moving to the Preschool full day program as a paraeducator for the last 7 years.

Her colleagues describe her as a warm, compassionate, attentive and a skilled paraeducator. O'Shea is a vital part of the Preschool team at Oliver Ellsworth. She has been an integral part of creating a community within the classroom that extends beyond to the student's home and family.

O'Shea states, "I believe students are engaged by the imaginative and innovative way in which I teach. At their young age I don't want them doubting themselves but rather having the confidence to know that anything is possible. It is my goal to guide their passion for learning and their ability to reach for their greatness. "

The Windsor Public Schools' Paraeducator of the Year Program recognizes and honors paraprofessional excellence. This recipient serves as a visible and vocal representative of what is best in the profession. The program celebrates excellence by recognizing paraeducators who have inspired a love for learning in their students and who have distinguished themselves in the profession.

O'Shea will now serve as Windsor Public Schools' nominee for the State of Connecticut Paraeducator of the Year. The Connecticut State Department of Education (CSDE) and the School Paraprofessional Advisory Council established the Anne Marie Murphy Paraeducator of the Year Program in 2013 to recognize one paraeducator across the state who has demonstrated exceptional skills and dedication in the performance of their job. The award is named in honor of Anne Marie Murphy, a paraeducator who was killed in the Sandy Hook shooting.

Special thanks to Jenny Hawran, Howard Marsh and Jahmil Ahmed from WIN-TV, Sam Batchelder and Kevin Moriarty's assistance and stenographer Robin Daly.

Ms. Canter stated that she disagreed with certain content that is available to middle school students.

WINDSOR BOARD OF EDUCATION

AGENDA ITEM

For Consideration by the Board of Education at the Meeting of: September 20, 2022

PREPARED BY: Danielle Batchelder
Director of Business Services
& Human Resources

PRESENTED BY: Danielle Batchelder

ATTACHMENTS: None

SUBJECT: Staffing Update for Opening of 2022-2023 School Year

BACKGROUND: For the September Board of Education meeting, information is always provided on all of the personnel actions that have taken place since the June Board of Education meeting.

A. Recruitment Fairs

Administration actively recruited new teachers starting in the winter of 2022 through the beginning of September 2022. Luckily, we were able to go back to in-person recruitment fairs and were able to hold on the spot interviews with newly graduated students from surrounding colleges and universities.

B. Advertisements

We advertised our teacher openings in the CT REAP (website with CT educational jobs), CEA (CT Educ. Assoc.), CASCIAC (CT Assoc. of Schools and CT Interscholastic Athletic Conference), CAPSS (CT Assoc. of Public School Superintendents) and the Windsor Public Schools Website. In our efforts to reach a much larger and, more diverse population we continue to contract with Education Week (edweek.org)/ Top Schools Jobs (topschooolsjobs.org).

C. Hiring Process

Candidates participate in multiple rounds of interviews, which typically include representation from teachers, supervisors, building administrators and central office administrators. All interview processes for teachers' end with an interview with the Director of Business Services & Human Resources. Interview processes for administrators below the rank of cabinet or building principal end with an interview with the Superintendent.

Another important piece of the process is the reference check. Administrators complete a district reference check form by personally contacting at least three (3) of the candidates' references. A requirement of any certified hire is for the administrator to obtain a reference check with the candidate's direct supervisor. A detailed conversation ensues focusing on areas that are important to Windsor in its new hires.

D. New Teacher/Staff Orientation

All new teachers, including those hired during the prior school year, took part in the 3-day New Teacher/Staff Orientation. As we started last school year, we included SEL Specialists, Full Time Tutors, Building Substitutes and Behavior Technicians to the orientation. New Teacher/Staff orientation was held August 17th – 19th. The orientation focused on new initiatives from the Instructional Services Department; informational sessions from Pupil Services, Office for Family and Community Partnerships, WEA Union Reps, and technology. Katrina Wicks and her team provided training around the districts' overall technology processes. Marge Renno and her Induction Support teachers presented to new faculty the requirements for TEAM (Teacher Education and Mentoring Program). They specifically focused on Teacher Responsibility and Ethics.

E. Statistics

As of September 14, 2022, there were 87 new employees in the district. This number includes teachers, administrators, supervisors, SEL specialists, behavior technician, food services, safety monitors, and paraeducators. Of the "newly hired" certified employees, 5 began contracted employment during the 2021-2022 school year. Teacher openings were due mainly to teachers taking positions in other districts, retirements, resignations, or childrearing.

For all newly hired certified employees (49 total), the breakdown between male and female is 22.45% male and 77.55% female. Of the newly hired certified staff, 21.4% of them are educators of color. The district-wide percentage of certified staff of color now stands at 21.15%.

ATTACHMENTS: Year End Budget Site & Category Balances

SUBJECT: Fiscal Year '22 Year End Balances

BACKGROUND:

Board Policy 3160 allows the board to transfer any unencumbered portion of any budget site to another budget site, but expenditures shall not exceed the appropriation made by the fiscal authority of the Town.

The Board of Education's budget for Fiscal Year 2022, which ended June 30th, was \$74,366,385. Our unexpended balance is \$2,186. (NOTE: results have not been audited.)

For the Fiscal Year End June 30, 2022, due to the Pandemic, there were significant under expenditures in pupil transportation & safety, and certified and non-certified salaries due to being understaffed throughout the year. Offsetting this under expenditure was over expenditures in Special Education OOD Tuition and Transportation, Magnet School Tuition and Special Ed Tutor Salaries.

STATUS:

The projections of expenditures for the close of Fiscal Year 2022 are **within** the total approved appropriation from the Town of Windsor for the Fiscal Year. The total expenditures for the fiscal year did **not** exceed the budget appropriation of \$74,366,385.

The attached financial report outlines the budget sites and categories that were over budget and their subsequent budget sites and categories that offset the deficits.

RECOMMENDATION:

That the Board approves the return of \$2,186 to the Town with the details of the projected budget/category surpluses and deficits as attached. (Final amount subject to completion of the audit.)
