Hello Mandy,

I hope you are doing well. I am writing to you to inform you that I will not be re-signing a contract with ISD317 for this upcoming year. I have been offered an opportunity to return to hospital nursing. This position will offer me opportunities to grow, and potentially further my nursing career. I thank you and the Deer River School District for giving me this opportunity, and showing me another side to nursing.

I would have liked to have done this in person, but I am out of state and did not want to delay in notifying you. If you could please help me navigate any, and all steps I need to take in leaving this position, I would greatly appreciate it.

Thank You,

Sofia O'Toole

Dear Jennifer Stefan and Pat Rendle,

I am writing this to notify you of my resignation from my position as a paraprofessional at King Elementary School. I will not be starting the coming 2022/2023 school year.

It's with a heavy heart that I write this letter, I have enjoyed my time at King immensely. The staff and students are nothing but extraordinary. My time spent in the D.C.D room will always be something I treasure, it's a team unlike any other. Kaija Helmbrecht was an amazing mentor and leader along with Tonya Nistler being an outstanding coworker who goes above and beyond to train new staff exactly how to best care for each student in the room. Each individual on that team has a gift that was meant for the job!

I will truly miss King and what it had to offer, but a new opportunity that better suits me and my family has come up and it is something that I must pursue. Thank you for the opportunity to have been a part of King Elementary School!

Sincerely,

Eleanor Pierzina

PARENT/COACH RELATIONSHIP

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to children. As parents, when your child becomes involved in our programs, you have earned the right to understand what expectations are placed on him/her. This begins with clear communication from the coach of your child's program.

COMMUNICATIONS YOU SHOULD EXPECT FROM YOUR CHILD'S COACH

1. Philosophy of the coach.
2. Expectations the coach has for your child as well as all the players on the squad.
3. Locations and times of all practices and contests.
4. Team requirements, i.e. fees, special equipment, off-season conditioning.
5. Procedure should your child be injured during participation.
6. Discipline that results in the denial of your child's participation.

COMMUNICATION COACHES EXPECT FROM PARENTS

1. Concerns expressed directly to the coach.
2. Notification of any schedule conflicts well in advance.
3. Specific concern in regard to a coach's philosophy and/or expectations.

As your child becomes involved in the programs at Deer River High School, he/she will experience some of the most rewarding moments of his/her life. It is important to understand that there also may be times when things do not go the way you or your child wishes. At these times, discussion with the coach is encouraged.

APPROPRIATE CONCERNS TO DISCUSS WITH COACHES

1. The mental and physical treatment of your child.
2. Ways to help your child improve.
3. Concerns about your child's behavior.

All parents want their child to play as much as possible and it can be very difficult to accept when your child does not play as much as you had hoped. Coaches are professionals. They make judgment decisions based on what they believe to be best for all students involved. It is important to remember that your child's coach sees your child's participation and effort everyday, so the coach will often have a different perspective than you. Sometimes this leads to a difference of opinion and handling these differences in a positive and proactive way is important. As you have seen from the list above, certain things can and should be discussed with your child's coach. Other things, such as those in the following column, must be left to the discretion of the coach.

ISSUES NOT APPROPRIATE TO DISCUSS WITH COACHES

1. Playing time.
2. Team Strategy.
3. Play calling.
4. Other student athletes.

There are situations that may require a conference between the coach and the parent. These are to be encouraged. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern.

IF YOU HAVE A CONCERN TO DISCUSS WITH A COACH, THIS IS THE PROCEDURE YOU SHOULD FOLLOW

1. Encourage athlete to talk to coach.
2. Parent call coach to discuss athlete/coach meeting.
3. If the coach cannot be reached, call the Activities Director, Mr. Brent Schimek at 218.246.3410. He will set up the meeting for you.
4. Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent and the coach. Meetings of this nature do not promote resolution.

NEXT STEP

WHAT CAN A PARENT DO IF THE MEETING WITH THE COACH DID NOT PROVIDE A SATISFACTORY RESOLUTION?

1. Call and set up an appointment with the Activities Director, Mr. Brent Schimek, at 218.246.3410.
2. At this meeting, the appropriate next step can be determined.

Since research indicates a student involved in extra-curricular activities has a great chance for success during adulthood, extra-curricular programs have been established. Many of the character traits required to be successful in life after high school are developed in extra-curricular activities. We hope the information provided within this pamphlet makes both your child's and your experience with the Deer River High School program less stressful and more enjoyable.

610 FIELD TRIPS

I. PURPOSE

The purpose of this policy is to provide guidelines for student trips and to identify the general process to be followed for review and approval of trip requests.

II. GENERAL STATEMENT OF POLICY

The general expectation of the school board is that all student trips will be well planned, conducted in an orderly manner and safe environment, and will relate directly to the objectives of the class or activity for which the trip is requested. Additional criteria to be considered include total cost to the participant and/or district, effect of absence upon scholastic performance of participating students and impact upon the overall operation of the school. The school board reserves the right to approve extended trips on an individual basis.

Student trips will be categorized within three general areas:

A. Required Instructional Trips

Trips that take place during the school day, relate directly to a course of study, and require student participation shall fall in this category. This may include walking field trips. These trips shall be subject to review and approval of the building principal and shall be financed by school district funds within the constraints of the school building budget. Students without parent permission will participate in an alternate activity with same learning objectives and credit. Fees may not be assessed against students to defray direct costs of instructional trips. (Minnesota Statutes section 123B.37, Prohibited Fees)

B. Optional Supplementary Trips

This category pertains to those trips in which students voluntarily participate and which supplement the instructional or activity program goals. Examples of trips in this category include cultural events, student activities, clubs, and other special interest groups or social activities. These trips are subject to review and approval of the principal and/or the activities director. For academic events, students without parent permission will participate in an alternate activity with the same learning objectives and credit. Financial contributions by students may be requested. (Minnesota Statutes section 123B.36)

C. Extended Trips

1. Trips that involve one or more overnight stops fall into this category. Extended trips may be instructional or supplementary and must be requested well in advance of the planned activity. An extended trip request form must be

completed and approved at each level: student, principal, superintendent, and school board. Exceptions to the approval policy may be granted or expedited to accommodate emergencies or contingencies (e.g., tournament competition).

2. The school board acknowledges and supports the efforts of booster clubs and similar organizations in providing extended trip opportunities for students.
3. Participating in overnight trips for curricular, co-curricular, or extra-curricular activities is a privilege. To insure the safety of the traveling party, participants may be subject to a search of their person or possessions by school administrators prior to boarding the transportation for an overnight trip.

III. REGULATIONS

- A. Rules of conduct and discipline for students and employees shall apply to all student trip activity.
- B. The school administration shall be responsible for providing more detailed procedures, including parental involvement, supervision, and such other factors deemed important and in the best interest of students.
- C. Transportation shall be furnished through a commercial carrier or school-owned vehicle.
- D. An employee may use a personal vehicle to transport staff or personal property for purposes of a field trip upon prior, written approval from administration.
- E. An employee must not use a personal vehicle to transport one or more students for purposes of a field trip.
 1. If immediate transportation of a student is required due to an emergency or unforeseen circumstance, such as the illness or injury of a child, and the transportation does not constitute regular or scheduled transportation, a personal vehicle may be used. To the extent a personal vehicle is used, the vehicle must be properly registered and insured.
 2. An employee must obtain pre-approval by administration of student transportation by a personal vehicle, pursuant to Section III.E.1, if practicable. If pre-approval by administration of use of a personal vehicle cannot be obtained in a reasonable time given the circumstances, an employee shall report the relevant facts and circumstances justifying the need for use of a personal vehicle to administration as soon as practicable. The relevant facts and circumstances for use of a personal vehicle shall be documented by administration.

IV. SCHOOL BOARD REVIEW

The superintendent shall at least annually report to the school board upon the utilization of trips under this policy.

710 EXTRACURRICULAR TRANSPORTATION

I. PURPOSE

The purpose of this policy is to make clear to students, parents, and staff the school district's policy regarding extracurricular transportation.

II. GENERAL STATEMENT OF POLICY

The determination as to whether to provide transportation for students, spectators, or participants to and from extracurricular activities shall be made solely by the school district administration. This determination shall include, but is not limited to, the decision to provide transportation, the persons to be transported, the type or method to be utilized, all transportation scheduling and coordination, and any other transportation arrangements or decisions. Employees who are involved in extracurricular activities shall be advised by the administration as to the transportation arrangements made, if any.

III. ARRANGEMENT OF EXTRACURRICULAR TRANSPORTATION

School district employees shall not undertake independent arrangement, scheduling, or coordination of transportation for extracurricular activities unless specifically directed or approved by the school district administration. All transportation arrangements made by a school district employee must be approved by a building administrator. If the school district makes no arrangements for extracurricular transportation, students who wish to participate are responsible for arranging for or providing their own transportation.

IV. NO EMPLOYEE TRANSPORTATION OF STUDENTS WITH PERSONAL VEHICLES

An employee must not use a personal vehicle to transport one or more students except as provided herein. However, employees may make appropriate transportation arrangements for students as necessary in an emergency or other unforeseeable circumstance.

In a nonemergency situation, an employee must get prior, written approval from the administration before transporting a student in a personal vehicle. If a school vehicle is available, the employee will use the school vehicle. The administration has the sole discretion to make a final determination as to the appropriate use of a personal vehicle to transport one or more students.

If any emergency transportation arrangements are made by employees pursuant to this section, the relevant facts and circumstances shall be reported to the administration as soon thereafter as practicable.

All vehicles used to transport students shall be properly registered and insured.

V. FEES

In its discretion, the school district may charge fees for transportation of students to and from extracurricular activities conducted at locations other than school, where attendance is optional.

903 VISITORS TO SCHOOL DISTRICT BUILDINGS AND SITES

I. PURPOSE

The purpose of this policy is to inform the school community and the general public of the position of the school board on visitors to school buildings and other school property.

II. GENERAL STATEMENT OF POLICY

- A. The school board encourages interest on the part of parents and community members in school programs and student activities. The school board welcomes visits to school buildings and school property by parents and community members provided the visits are consistent with the health, education and safety of students and employees and are conducted within the procedures and requirements established by the school district.
- B. The school board reaffirms its position on the importance of maintaining a school environment that is safe for students and employees and free of activity that may be disruptive to the student learning process or employee working environment.

III. POST-SECONDARY ENROLLMENT OPTIONS STUDENTS

- A. A student enrolled in a post-secondary enrollment options course may remain at the school site during regular school hours in accordance with established procedures.
- B. A student enrolled in a post-secondary enrollment options course may be provided with reasonable access, during regular school hours, to a computer and other technology resources that the student needs to complete coursework for a post-secondary enrollment course in accordance with established procedures.

IV. RESPONSIBILITY

- A. The school district administration shall present recommended visitor and post-secondary enrollment options student procedures and requirements to the school board for review and approval. The procedures should reflect input from employees, students and advisory groups, and shall be communicated to the school community and the general public. Upon approval by the school board, such procedures and requirements shall be an addendum to this policy.
- B. The superintendent shall be responsible for providing coordination that may be

needed throughout the process and providing for periodic school board review and approval of the procedures.

V. VISITOR LIMITATIONS

- A. An individual, post-secondary enrollment options student, or group may be denied permission to visit a school or school property or such permission may be revoked if the visitor(s) does not comply with the school district procedures and regulations or if the visit is not in the best interest of students, employees or the school district.
- B. Visitors, including post-secondary enrollment options students, are authorized to park vehicles on school property at times and in locations specified in the approved visitor procedures and requirements which are an addendum to this policy or as otherwise specifically authorized by school officials. When unauthorized vehicles of visitors are parked on school property, school officials may:
 - 1. move the vehicle or require the driver or other person in charge of the vehicle to move it off school district property; or
 - 2. if unattended, provide for the removal of the vehicle, at the expense of the owner or operator, to the nearest convenient garage or other place of safety off of school property.
- C. An individual, post-secondary enrollment options student, or group who enters school property without complying with the procedures and requirements may be guilty of criminal trespass and thus subject to criminal penalty. Such persons may be detained by the school principal or a person designated by the school principal in a reasonable manner for a reasonable period of time pending the arrival of a police officer.

802 DISPOSITION OF OBSOLETE EQUIPMENT AND MATERIAL

I. PURPOSE

The purpose of this policy is to provide guidelines for the superintendent to assist in timely disposition of obsolete equipment and material.

II. GENERAL STATEMENT OF POLICY

Effective use of school building space, and consideration for safety of personnel, will at times require disposal of obsolete equipment and material.

III. DEFINITIONS

- A. “Contract” means an agreement entered into by the school district for the sale of supplies, materials, or equipment.
- B. “Official newspaper” is a regular issue of a qualified legal newspaper.

IV. MANNER OF DISPOSITION

A. Authorization

The superintendent shall be authorized to dispose of obsolete equipment and materials by selling it at a fair price consistent with the procedures outlined in this policy. Any sale exceeding the minimum amount for which bids are required must first be specifically authorized by the school board. The superintendent shall be authorized to properly dispose of used books, materials, and equipment deemed to have little or no value.

B. Contracts Over \$175,000

- 1. If the value of the equipment or materials is estimated to exceed \$175,000, sealed bids shall be solicited by two weeks’ published notice in the official newspaper. This notice shall state the time and place of receiving bids and contain a brief description of the subject matter. Additional publication in the official newspaper or elsewhere may be made as the school board shall deem necessary.

2. The sale shall be awarded to the highest responsible bidder, be duly executed in writing, and be otherwise conditioned as required by law.
3. A record shall be kept of all bids, with names of bidders and amounts of bids, and an indication of the successful bid. A bid containing an alteration or erasure of any price contained in the bid which is used in determining the highest responsible bid shall be rejected unless the alteration or erasure is corrected by being crossed out and the correction printed in ink or typewritten adjacent thereto and initialed in ink by the person signing the bid.
4. In the case of identical high bids from two or more bidders, the school board may, at its discretion, utilize negotiated procurement methods with the tied high bidders so long as the price paid does not go below the high tied bid price. In the case where only a single bid is received, the school board may, at its discretion, negotiate a mutually agreeable contract with the bidder so long as the price paid does not fall below the original bid. If no satisfactory bid is received, the board may readvertise.
5. All bids obtained shall be kept on file for a period of at least one year after their receipt. Every contract made without compliance with the foregoing provisions shall be void.
6. Data submitted by a business to a school in response to a request for bids are private until opened. Once opened, the name of the bidder and the dollar amount specified become public; all other data are private until completion of the selection process, meaning the school has completed its evaluation and ranked the responses. After completion of the selection process, all data submitted by all bidders are public except trade secret data. If all responses are rejected prior to completion of the selection process, all data remain private, except the name of the bidder and the dollar amount specified which were made public at the bid opening for one year from the proposed opening date or until resolicitation results in completion of the selection process or until a determination is made to abandon the purchase, whichever occurs sooner, at which point the remaining data becomes public. Data created or maintained by the school district as part of the selection or evaluation process are protected as nonpublic data until completion of the selection or evaluation process. At that time, the data are public with the exception of trade secret data.

C. Contracts From \$25,000 to \$175,000

If the amount of the sale is estimated to exceed \$25,000 but not to exceed \$175,000, the contract may be made either upon sealed bids in the manner directed above or by direct negotiation, by obtaining two or more quotations for the purchase or sale when possible, and without advertising for bids or otherwise complying with the requirements of competitive bidding notice. All quotations obtained shall be kept on file for a period of at least one year after receipt.

D. Contracts \$25,000 or Less

If the amount of the sale is estimated to be \$25,000 or less, the contract may be made either upon quotation or in the open market, in the discretion of the school board. The sale in the open market may be by auction. If the contract is made on quotation, it shall be based, so far as practicable, on at least two quotations which shall be kept on file for a period of at least one year after receipt.

E. Electronic Sale of Surplus Supplies, Materials, and Equipment

Notwithstanding the other procedural requirements of this policy, the school district may contract to sell supplies, materials, and equipment which is surplus, obsolete, or unused through an electronic selling process in which purchasers compete to purchase the supplies, materials, or equipment at the highest purchase price in an open and interactive environment.

F. Notice of Quotation

Notice of procedures to receive quotations shall be given by publication or other means as appropriate to provide reasonable notice to the public.

G. Sales to Employees

No officer or employee of the school district shall sell or procure for sale or possess or control for sale to any other officer or employee of the school district any property or materials owned by the school district unless the property and materials are not needed for public purposes and are sold to a school district employee after reasonable public notice, at a public auction or by sealed response, if the employee is not directly involved in the auction or sale process. Reasonable notice shall include at least one week's published or posted notice. A school district employee may purchase no more than one motor vehicle from the school district at any one auction. This section shall not apply to the sale of property or materials acquired or produced by the school district for sale to the general public in the ordinary course of business. Nothing in this section shall prohibit an employee of the school district from selling or possessing for sale public property if the sale or possession for sale is in the ordinary course of business or the normal course of the employee's duties.

H. Exceptions for Surplus School Computers

1. A school district may bypass the requirements for competitive bidding and is not subject to any other laws relating to school district contracts if it is disposing of surplus school computer and related equipment, including a tablet device, by conveying the property and title to:

a. another school district;

- b. the state department of corrections;
 - c. the board of trustees of Minnesota State Colleges and Universities;
 - d. the family of a student residing in the district whose total family income meets the federal definition of poverty; or
 - e. a charitable organization under section 501(c)(3) of the Internal Revenue Code that is registered with the attorney general's office for educational use.
2. If surplus school computers are not disposed of as described in Paragraph 1., upon adoption of a written resolution of the school board, when updating or replacing school computers, including tablet devices, used primarily by students, the school district may sell or give used computers or tablets to qualifying students at the price specified in the written resolution. A student is eligible to apply to the school board for a computer or tablet under this subdivision if the student is currently enrolled in the school and intends to enroll in the school in the year following the receipt of the computer or tablet. If more students apply for computers or tablets than are available, the school must first qualify students whose families are eligible for free or reduced-price meals and then dispose of the remaining computers or tablets by lottery.

The Bonds shall be issuable only in fully registered form. Interest shall be computed on the basis of a 360-day year composed of twelve 30-day months. The interest thereon and, upon surrender of each Bond, the principal amount thereof, shall be payable by check or draft issued by the Registrar described herein; provided that, so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with Section 2.08 hereof, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.

2.03. Dates and Interest Payment Dates. Upon initial delivery of the Bonds pursuant to Section 2.07 and upon any subsequent transfer or exchange pursuant to Section 2.06, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. The interest on the Bonds shall be payable on February 1 and August 1, commencing August 1, 2023, to the owners of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.04. Redemption. The Bonds maturing on and after February 1, 2031 shall be subject to redemption and prepayment at the option of the District, in whole or in part, in such order as the District shall determine and within a maturity by lot as selected by the Registrar in multiples of \$5,000, on February 1, 2030, and on any date thereafter, at a price equal to the principal amount thereof and accrued interest to the date of redemption. The Clerk shall cause notice of the call for redemption thereof to be published as required by law and, at least thirty (30) days prior to the designated redemption date, shall cause notice of the call for redemption to be mailed, by first class mail, to the registered owners of any Bonds to be redeemed at their addresses as they appear on the bond register described in Section 2.06 hereof but no defect in or failure to give such mailed notice of redemption shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon partial redemption of any Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount outstanding.

2.05. Appointment of Initial Registrar. The District hereby appoints Bond Trust Services Corporation, in Roseville, Minnesota, as the initial bond registrar, transfer agent and paying agent (the Registrar). The Chairperson and the Clerk are authorized to execute and deliver, on behalf of the District, a contract with the Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company

organized under the laws of the United States or one of the states of the United States and authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The District agrees to pay the reasonable and customary charges of the Registrar for the services performed. The District reserves the right to remove the Registrar upon thirty (30) days' notice and upon the appointment and acceptance of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the bond register to the successor Registrar.

2.06. Registration. The effect of registration and the rights and duties of the District and the Registrar with respect thereto shall be as follows:

(a) Register. The Registrar shall keep at its principal corporate trust office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the District.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The District and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the

absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds, the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the District and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the District. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, subdivision 1, as amended.

(j) Valid Obligations. All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the District, evidencing the same debt, and entitled to the same benefits under this resolution as the Bonds surrendered upon such transfer or exchange.

2.07. Execution, Authentication and Delivery. The Bonds shall be prepared under the direction of the Clerk and shall be executed on behalf of the District by the signatures of the Chairperson and the Clerk, provided that all signatures may be printed, engraved, or lithographed facsimiles of the originals. In case any officer whose signature, or a facsimile of whose signature, shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless and until a certificate of authentication on such Bond has been duly executed

by the manual signature of the Registrar. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution. When the Bonds have been so delivered and authenticated, they shall be delivered by the Clerk to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.08. Securities Depository. (a) For purposes of this section the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the District agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the District shall be affected by any notice to the contrary. Neither the Registrar nor the District shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as

nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC's Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the District to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the District determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the District may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the District and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC by the Chairperson or Clerk, if not previously filed or if required to be re-filed with DTC, is hereby authorized and directed.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates.

SECTION 3. FORM OF BONDS. The Bonds shall be prepared in substantially the form found at EXHIBIT A hereto.

SECTION 4. USE OF PROCEEDS.

4.01. General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2022A Project Fund. There is hereby established on the official books and records of the District a General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2022A Project Fund (the Project Fund), and the District shall continue to maintain the Project Fund until payment of all costs and expenses incurred in connection with the Project financed by the Bonds have been paid. Within the Project Fund are established the following accounts:

(a) Facilities Maintenance Bonds Account. To the Facilities Maintenance Bonds Account there shall be credited from the proceeds of the Facilities Maintenance Bonds Portion an amount equal to the estimated construction costs and expenses of the Facilities Maintenance Projects, and from the Facilities Maintenance Bonds Account there shall be paid all such construction costs and expenses. The Clerk shall maintain the Facilities Maintenance Bonds Account until payment of all costs and expenses incurred in connection with the construction of the Facilities Maintenance Projects have been paid.

(b) Tax Abatement Bonds Account. To the Tax Abatement Bonds Account there shall be credited from the proceeds of the Tax Abatement Bonds Portion an amount equal to the estimated construction costs and expenses of the Tax Abatement Projects, and from the Tax Abatement Bonds Account there shall be paid all such construction costs and expenses. The Clerk shall maintain the Tax Abatement Bonds Account until payment of all costs and expenses incurred in connection with the construction of the Tax Abatement Projects have been paid.

After payment of all such construction costs and expenses described in (a) and (b) above, the Project Fund shall be discontinued and any Bond proceeds remaining therein shall be credited to the Debt Service Fund established by Section 4.02 hereof.

4.02. General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2022A Debt Service Fund. So long as any of the Bonds are outstanding and any principal of or interest thereon unpaid, the District shall maintain a separate debt service fund on the official books and records of the District to be known as the General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2022A Debt Service Fund (the Debt Service Fund), which the District agrees to maintain until the Bonds have been paid in full, and the principal of and interest on the Bonds shall be payable from the Debt Service Fund. Pursuant to Minnesota Statutes, Section 123B.595, subdivision 5(c), the portion of long-term facilities maintenance revenue for bonded debt must be recognized in the Debt Service Fund. The moneys on hand in the Debt Service Fund from time to time shall be used only to pay the principal of and interest on the Bonds. The District irrevocably appropriates to the Debt Service Fund: (a) any funds received from the Purchaser upon delivery of the Bonds in excess of (i) the amount required by Section 4.01 above to be credited to the Project Fund and (ii) the amount required by Section 7.04 hereof to be set aside for payment of the costs of issuance of the Bonds; (b) the amounts specified in Section 4.01 above, after payment of all costs and expenses of the Project; (c) all taxes levied and collected in accordance with this resolution or any additional resolutions of the Board; (d) all Tax Abatement Revenue received by the District; (e) amounts, if any, transferred from the general fund account for long-term facilities maintenance to the Debt Service Fund, pursuant to Minnesota Statutes, Section 123B.595, subdivision 10(a)(4); (f) any long-term facilities maintenance equalized aid receivable under Minnesota Statutes, Section 123B.595, subdivision 9; and (g) all other moneys as shall be appropriated by the Board to the Debt Service Fund from time to time. If any payment of principal of and interest on the Bonds shall become due when there is not sufficient money in the Debt Service Fund to make such payment, the

Clerk shall pay the same from any other available fund of the District, and such other fund shall be reimbursed for such advances out of the proceeds of the taxes levied for the payment of the Bonds when available. Pursuant to Minnesota Statutes, Section 123B.595, subdivision 12, the portion, if any, of long-term facilities maintenance revenue not recognized in the Debt Service Fund shall be maintained with the general fund of the District in a reserve account pledged to the payment of Facility Plan costs not financed by the Facilities Maintenance Bonds Portion.

4.03. Tax Levies. For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith, credit and taxing power of the District shall be and are hereby irrevocably pledged. In order to produce aggregate amounts which, together with the Tax Abatement Revenue, will produce amounts not less than five percent in excess of the amounts needed to meet when due the principal of and interest on the Bonds as required by Minnesota Statutes, Section 475.61, subdivision 1, there is hereby levied on all taxable property in the District a direct, annual ad valorem tax which shall be spread upon the tax rolls for collection in the years and amounts as follows, as part of other general taxes of the District, as follows:

<u>Levy Years</u>	<u>Collection Years</u>	<u>Amount</u>
-------------------	-------------------------	---------------

(See attached levy computation)

The taxes shall be irrepealable as long as any of the Bonds are outstanding and unpaid; provided, that the District reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61. If, as of the date tax levies are certified in any year, the sum of the balance in the Debt Service Fund plus any Tax Abatement Revenue to be received through the end of the following calendar year plus any valorem taxes theretofore levied for the payment of Bonds payable therefrom and collectible through the end of the following calendar year is not sufficient to pay when due all principal and interest to become due on all Bonds payable therefrom in said following calendar year, or the Debt Service Fund has incurred a deficiency in the manner provided in Section 4.02, an additional direct, irrepealable, ad valorem tax shall be levied on all taxable property within the corporate limits of the District for the purpose of restoring such accumulated or anticipated deficiency in accordance with the provisions of this resolution. Pursuant to Minnesota Statutes, Section 123B.595, subdivision 6, if the debt service revenue required to pay the principal and interest on the Facilities Maintenance Bonds Portion exceeds the District's long-term facilities maintenance revenue for the same fiscal year, the District's general fund levy must be reduced by the amount of the excess.

4.04. Debt Service Fund Balance Restriction. In order to ensure compliance with the Internal Revenue Code of 1986 (the Code), and applicable Treasury Regulations (the Regulations), upon allocation of any funds to the Debt Service Fund, the balance then on hand in the Fund shall be ascertained. If it exceeds the amount of principal and interest on the Bonds to become due and payable through February 1 next following, plus a reasonable carryover equal to 1/12th of the debt service due in the following bond year, the excess shall (unless an opinion is otherwise received from bond counsel) be used to prepay or purchase Bonds, or invested at a

yield which does not exceed the yield on the Bonds calculated in accordance with Section 148 of the Code.

SECTION 5. DEFEASANCE. When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the registered owners of the Bonds shall cease. The District may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The District may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Registrar on or before that date an amount equal to the principal, interest and redemption premium, if any, which are then due, provided that notice of such redemption has been duly given as provided herein. The District may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or trust company qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal and interest to become due thereon to maturity or earlier designated redemption date. Provided, however, that if such deposit is made more than ninety days before the maturity date or specified redemption date of the Bonds to be discharged, the District shall have received a written opinion of Bond Counsel to the effect that such deposit does not adversely affect the exemption of interest on any Bonds from federal income taxation and a written report of an accountant or investment banking firm verifying that the deposit is sufficient to pay when due all of the principal and interest on the Bonds to be discharged on and before their maturity dates or earlier designated redemption date.

SECTION 6. TAX COVENANTS, ARBITRAGE MATTERS, REIMBURSEMENT AND CONTINUING DISCLOSURE.

6.01. **Restrictive Action.** The Project will be owned and maintained by the District and used to carry out its program of public education. The District shall not enter into any lease, management agreement, use agreement or other contract with any nongovernmental entity relating to the Project or a portion thereof which would cause the Bonds to be considered "private activity bonds" or "private loan bonds" pursuant to the provisions of Section 141 of the Code. The District covenants and agrees with the registered owners of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any actions that would cause interest on the Bonds to become includable in gross income of the recipient under the Code and applicable Regulations and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations.

6.02. Arbitrage Certification. The Chairperson and Clerk being the officers of the District charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code and applicable Regulations stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of the Code and the Regulations.

6.03. Arbitrage Rebate Exemption. (a) It is hereby found that the District has general taxing powers, that no Bond is a “private activity bond” within the meaning of Section 141 of the Code, that 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the District, and that the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued by the District and all subordinate entities thereof during calendar year 2022 is not reasonably expected to exceed \$5,000,000 plus the lesser of \$10,000,000 or so much of the aggregate face amount of the tax-exempt obligations as are attributable to financing or refinancing the construction of public school facilities. Therefore, pursuant to Section 148(f)(4)(D) of the Code, the District shall be treated as meeting the arbitrage rebate requirements of paragraphs (2) and (3) of Section 148(f) of the Code.

(b) If, notwithstanding the provisions of paragraph (a) of this Section 6.03, the arbitrage rebate provisions of Section 148(f) of the Code apply to the Bonds, the District hereby covenants and agrees to make the determinations, retain records and rebate to the United States the amounts at the times and in the manner required by said Section 148(f).

6.04. Qualified Tax-Exempt Obligations. The Board hereby designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code relating to the disallowance of interest expense for financial institutions, and hereby finds that the reasonably anticipated amount of tax-exempt obligations, which are not private activity bonds (not treating qualified 501(c)(3) bonds under Section 145 of the Code as private activity bonds for the purpose of this representation) which will be issued by the District and all subordinate entities during calendar year 2022 does not exceed \$10,000,000.

6.05. Reimbursement. The District certifies that the proceeds of the Bonds will not be used by the District to reimburse itself for any expenditure with respect to the Project which the District paid or will have paid more than 60 days prior to the issuance of the Bonds unless, with respect to such prior expenditures, the District shall have made a declaration of official intent which complies with the provisions of Section 1.150-2 of the Regulations; provided that this certification shall not apply (i) with respect to certain de minimis expenditures, if any, with respect to the Project meeting the requirements of Section 1.150-2(f)(1) of the Regulations, or (ii) with respect to “preliminary expenditures” for the Project as defined in Section 1.150-2(f)(2) of the Regulations, including engineering or architectural expenses and similar preparatory expenses, which in the aggregate do not exceed 20% of the “issue price” of the Bonds.

6.06. Continuing Disclosure. (a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the Purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the Rule), which will enhance the marketability of the Bonds, the District hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the outstanding Bonds. The District is the only obligated person in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. If the District fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, Owner or Bondowner means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, Beneficial Owner means, in respect of a Bond, any person or entity which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The District will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the District, the following information at the following times:

- (1) on or before twelve (12) months after the end of each fiscal year of the District, commencing with the fiscal year ending June 30, 2022, the following financial information and operating data in respect of the District (the Disclosure Information):
 - (A) the audited financial statements of the District for such fiscal year, prepared in accordance with generally accepted accounting principles in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Minnesota law, as in effect from time to time, or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable

control of the District, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the fiscal officer of the District; and

- (B) to the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently available of the type contained in the Official Statement under the headings: Current Property Valuations; Direct Debt; Tax Levies and Collections; Student Body; and Employment/ Unemployment Data, which information may be unaudited.

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the District shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the District shall provide the audited financial statements. Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to the Municipal Securities Rulemaking Board (the MSRB) through its Electronic Municipal Market Access System (EMMA) or the SEC. The District shall clearly identify in the Disclosure Information each document so incorporated by reference. If any part of the Disclosure Information can no longer be generated because the operations of the District have materially changed or been discontinued, such Disclosure Information need no longer be provided if the District includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other District operations in respect of which data is not included in the Disclosure Information and the District determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (2) hereof), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations. If the Disclosure Information is changed or this section is amended as permitted by this paragraph (b)(1) or subsection (d), then the District shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

- (2) In a timely manner, not in excess of 10 business days, to the MSRB through EMMA, notice of the occurrence of any of the following events (each a “Material Fact,” as hereinafter defined):
 - (A) principal and interest payment delinquencies;
 - (B) non-payment related defaults, if material;
 - (C) unscheduled draws on debt service reserves reflecting financial difficulties;
 - (D) unscheduled draws on credit enhancements reflecting financial difficulties;
 - (E) substitution of credit or liquidity providers, or their failure to perform;

- (F) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds or other material events affecting the tax status of the Bonds;
- (G) modifications to rights of Bond holders, if material;
- (H) Bond calls, if material and tender offers;
- (I) defeasances;
- (J) release, substitution, or sale of property securing repayment of the Bonds if material;
- (K) rating changes;
- (L) bankruptcy, insolvency, receivership, or similar event of the obligated person;
- (M) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (N) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (O) incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; “financial obligation” means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule; and
- (P) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

As used herein, for those events that must be reported if material, a “Material Fact” is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a Material Fact is also a fact that would be deemed material for purposes of

the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

For the purposes of the event identified in (L) hereinabove, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

For purposes of the events identified in paragraphs (O) and (P) above, the term “financial obligation” means (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

- (3) In a timely manner, to the MSRB through EMMA, notice of the occurrence of any of the following events or conditions:
 - (A) the failure of the District to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
 - (B) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the District under subsection (d)(2);
 - (C) the termination of the obligations of the District under this section pursuant to subsection (d);
 - (D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information are prepared; and
 - (E) any change in the fiscal year of the District.

(c) Manner of Disclosure.

- (1) The District agrees to make available to the MSRB through EMMA, in an electronic format as prescribed by the MSRB, the information described in subsection (b).

- (2) All documents provided to the MSRB pursuant to this subsection (c) shall be accompanied by identifying information as prescribed by the MSRB from time to time.

(d) Term; Amendments; Interpretation.

- (1) The covenants of the District in this section shall remain in effect so long as any Bonds are outstanding. Notwithstanding the preceding sentence, however, the obligations of the District under this section shall terminate and be without further effect as of any date on which the District delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the District to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.
- (2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the District from time to time, without notice to (except as provided in paragraph (c)(2) hereof) or the consent of the Owners of any Bonds, by a resolution of this Board filed in the office of the recording officer of the District accompanied by an opinion of Bond Counsel, who may rely on certificates of the District and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the District or the type of operations conducted by the District, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the District agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

- (3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

INDEPENDENT SCHOOL DISTRICT NO. 317 (DEER RIVER), ITASCA AND CASS COUNTIES, STATE OF MINNESOTA (the District), acknowledges itself to be indebted and for value received hereby promises to pay to the registered owner specified above, or registered assigns, the principal sum specified above on the maturity date specified above, and to pay interest thereon from the date of original issue specified above, or from the most recent interest payment date to which interest has been paid or duly provided for, at the annual rate specified above, payable on February 1 and August 1 in each year, commencing August 1, 2023, to the person in whose name this Bond is registered at the close of business on the fifteenth day (whether or not a business day) of the immediately preceding month, all subject to the provisions referred to herein with respect to the redemption of the principal of this Bond prior to its stated maturity. The interest hereon and, upon presentation and surrender hereof at the principal office of the Registrar described below, the principal hereof, are payable in lawful money of the United States of America by check or draft drawn on Bond Trust Services Corporation, in Roseville, Minnesota, as bond registrar, transfer agent and paying agent, or its successor designated under the bond resolution described herein (the Registrar). For the prompt and full payment of such principal and interest as the same respectively become due, the full faith and credit and taxing powers of the District have been and are hereby irrevocably pledged.

This Bond is one of an issue in the aggregate principal amount of \$7,440,000 (the Bonds), issued by the District to finance deferred capital maintenance projects and indoor air quality projects at King Elementary School and, if and to the extent funds remain, various other District facilities (the Facilities Maintenance Projects) and parking lot improvement projects at King Elementary School (the Tax Abatement Projects) and is issued pursuant to and in full conformity with a resolution adopted by the School Board adopted on August 8, 2022 (the Bond Resolution), and pursuant to and in full conformity with the Constitution and laws of the State of Minnesota thereunto enabling, including Minnesota Statutes, Section 123B.595, Sections 469.1812 to 469.1815, as amended, and Chapter 475. The Bonds are issuable only in fully registered form, in denominations of \$5,000 or any integral multiple thereof, of single maturities.

The Bonds maturing on and after February 1, 2031 are each subject to redemption and prepayment at the option of the District, in whole or in part, in such order as the District shall determine and, within a maturity, by lot as selected by the Registrar in multiples of \$5,000, on February 1, 2030, and on any date thereafter, at a price equal to the principal amount thereof plus interest accrued to the date of redemption. The District will cause notice of the call for redemption to be published as required by law and, at least thirty (30) days prior to the designated redemption date, will cause notice of the call thereof to be mailed by first class mail to the registered owner of any Bond to be redeemed at the owner's address as it appears on the bond register maintained by the Registrar, but no defect in or failure to give such mailed notice of redemption shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon partial redemption of any Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount outstanding.

The Bonds have been designated by the District as "qualified tax-exempt obligations" pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986.

As provided in the Bond Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the District at the principal office of the Registrar, by the registered owner hereof in person or by the owner's attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or the owner's attorney, and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange, the District will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The District and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the District nor the Registrar shall be affected by any notice to the contrary.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the District.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that all acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to happen, to exist and to be performed precedent to and in the issuance of this Bond in order to make it a valid and binding general obligation of the District according to its terms have been done, have happened, do exist and have been performed in regular and due form, time and manner as so required; that, prior to the issuance hereof the District has pledged and appropriated to the debt service fund established for the payment of the portion of the Bonds that finance the Tax Abatement Projects, tax abatement revenue to be derived by the District from certain specified properties in the District; that, prior to the issuance hereof, a direct, annual, ad valorem tax has been duly levied upon all taxable property in the District for the years and in amounts not less than five percent in excess of sums, together with pledged tax abatement revenue, sufficient to pay the interest hereon and the principal hereof as the same respectively become due; that additional taxes, if needed to meet the principal and interest requirements of the Bonds, shall be levied

upon all such property without limitation as to rate or amount; and that the issuance of the Bonds does not cause the indebtedness of the District to exceed any constitutional or statutory limitation of indebtedness.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication hereon shall have been executed by the Registrar by manual signature of one of its authorized representatives.

SIGNATURE, NO-LITIGATION AND ARBITRAGE
CERTIFICATE AND PURCHASE PRICE RECEIPT

The undersigned hereby certify that we are the Chairperson and Clerk, respectively, of Independent School District No. 317 (Deer River), Minnesota (the District), and that:

1. In our capacities as such officers, we have caused facsimiles of our true and correct signatures to be affixed to each bond of an issue of \$7,440,000 General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2022A, dated as of September 1, 2022 (the Bonds), of the District. We are duly qualified and acting as such officers and duly authorized to execute the Bonds and we hereby ratify, confirm and adopt the facsimile signatures on each and all of the Bonds as the true and proper signatures for the execution thereof. The Bonds are in fully registered form. The Bonds have been in all respects duly executed for delivery pursuant to authority conferred upon us as such officers and no obligations other than the Bonds have been issued pursuant to such authority.

2. The Bonds mature on the dates, bear interest at the rates and are substantially in the form prescribed by a resolution duly adopted by the governing body of the District on August 8, 2022 (the Bond Resolution). The Bond Resolution has not been amended or repealed.

3. We have delivered the Bonds to Bond Trust Services Corporation, in Roseville, Minnesota, as bond registrar (the Registrar), for authentication and delivery to The Depository Trust Company on behalf of Piper Sandler & Co., in Minneapolis, Minnesota, and associates, in its capacity as the purchaser of the Bonds (the Purchaser).

4. None of the proceedings or records which have been certified to the Purchaser or to Dorsey & Whitney LLP, the attorneys rendering an opinion as to the validity of the Bonds, has been in any manner repealed, amended or changed. There has been no material change in the financial condition of the District or the facts affecting the Bonds. No litigation of any nature is now pending or, to the best of our knowledge, threatened, seeking to restrain or enjoin the issuance or delivery of the Bonds or the levy or collection of any Tax Abatement Revenue, as defined herein, and any ad valorem taxes to pay principal of or interest on the Bonds, or in any manner questioning the authority or proceedings for the issuance of the Bonds or the application of the proceeds thereof, or for the levy or collection of any Tax Abatement Revenue and any ad valorem taxes or affecting the validity of the Bonds or questioning the corporate existence or boundaries of the District or the title of any of the present officers thereof to their respective offices.

5. The Preliminary Official Statement dated July 28, 2022 and the Final Official Statement dated August 9, 2022, prepared on behalf of the District for the issuance of the Bonds by Ehlers & Associates, Inc., the District's independent municipal advisor (the Municipal Advisor), did not as of the dates thereof, and do not as of the date hereof, contain any misstatement of a material fact or omit to state any material fact necessary to make the

statements contained therein, in light of the circumstances in which they are made, not misleading.

6. This certificate is given, in part, to establish the reasonable expectations of the District regarding the amount and use of the gross proceeds of the Bonds. The facts and expectations set forth herein are reasonable and the District does not reasonably expect that the Bonds will be “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986 (the Code) and applicable Treasury Regulations (the Regulations).

7. (a) A portion of the proceeds of the Bonds, \$7,300,000 (the Facilities Maintenance Bonds Portion), will be used to finance deferred capital maintenance projects and indoor air quality projects at King Elementary School and, if and to the extent funds remain, various other District facilities (collectively the Facilities Maintenance Projects), as described in the District’s ten-year facility plan (the Facility Plan) approved by both this Board and the Commissioner of the Department of Education of the State of Minnesota. The District has published a notice in its official newspaper describing the Facilities Maintenance Projects, the amount of such Bonds, and the total amount of District indebtedness. A portion of the proceeds of the Bonds, \$140,000 (the Tax Abatement Bonds Portion), will be used to finance parking lot improvement projects at King Elementary School (collectively, the Tax Abatement Projects). To pay all or a portion of the costs of the Tax Abatement Projects or to pay a portion of the principal of and interest on general obligation bonds to be issued by the District to pay for the Tax Abatement Projects, this Board by resolution adopted July 11, 2022 (the Abatement Resolution) has granted an abatement of property taxes to be imposed by the District on certain parcels in the District identified in the Abatement Resolution (the Abated Parcels) for a period of ten (10) years commencing with property taxes payable in 2023 and concluding with property taxes payable in 2031 (the Tax Abatement), all pursuant to Minnesota Statutes, Sections 469.1812 to 469.1815, as amended. The revenues derived by the District from such Tax Abatement are referred to collectively herein as the Tax Abatement Revenue. The Facilities Maintenance Bonds Portion will finance the Facilities Maintenance Projects and the Tax Abatement Bonds Portion will finance the Tax Abatement Projects including every item of cost of the kinds authorized in Minnesota Statutes, Section 469.1814, subdivision 5, benefiting the Abated Parcels. The Facilities Maintenance Projects and the Tax Abatement Projects are referred to collectively herein as the Project.

(b) For allocation purposes, the Bonds of each maturity are allocated to the Facilities Maintenance Bonds Portion and the Tax Abatement Bonds Portion as shown on Attachment A hereto.

8. The Bonds are generally considered a single “issue” for all purposes of Section 103 and Sections 141 through 150 of the Code because they were sold at substantially the same time (*i.e.*, less than 15 days apart) pursuant to the same plan of financing and are reasonably expected to be paid from substantially the same source of funds. The District has not entered into and will not enter into a binding written contract at substantially the same time as the sale date of the Bonds for the sale or exchange of any tax-exempt obligation pursuant to the same

plan of financing as the Bonds that is reasonably expected to be payable from substantially the same source of funds as the Bonds.

9. On the date hereof (the Closing Date), the District received from the Purchaser the purchase price of the Bonds, \$7,661,138.96 (\$7,440,000 for the principal of the Bonds, plus original issue premium of \$303,391.45, and less an underwriter's discount of \$82,252.49), no interest having accrued to the date hereof, and the Registrar was thereupon directed to deliver the Bonds to The Depository Trust Company on behalf of the Purchaser.

10. Of the amount set forth in paragraph 9:

(a) \$7,430,583.35 of the proceeds of the Facilities Maintenance Bonds Portion, and a District cash contribution of \$185,546 will be deposited in the Facilities Maintenance Bonds Account in the General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2022A Project Fund created by the Bond Resolution (the Project Fund) and will be used to pay the construction costs and expenses of the Facilities Maintenance Projects;

(b) \$152,545.61 of the proceeds of the Tax Abatement Bonds Portion will be deposited in the Tax Abatement Account in the Project Fund and will be used to pay the construction costs and expenses of the Tax Abatement Projects;

(c) \$78,010 will be used on or about the Closing Date to pay costs of issuance of the Bonds (representing costs of legal services, financial consulting services, advertising and printing and similar items); and

(d) \$0 of the proceeds of the Bonds will be deposited in the General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2022A Debt Service Fund created by the Bond Resolution (the Debt Service Fund) and applied to the payment of interest on the Bonds on August 1, 2023.

11. The Bonds have been sold at competitive sale after solicitation of proposals without the requirement of published notice by the District's Municipal Advisor. To the best of our knowledge, the price paid for the Bonds by the Purchaser is reasonable under customary standards applied in the market. As shown in the Certificate of Municipal Advisor, the "issue price" of the Bonds is \$7,743,391.45, which is the aggregate of the issue prices determined separately for each maturity of the Bonds (treating Bonds with the same maturity date but different credit or payment terms as separate maturities) based on the reasonably expected initial offering price of each maturity of the Bonds to the public as of the sale date, pursuant to the special rule for competitive sales provided by Section 1.148-1(f)(2)(iii) of the Regulations and as evidenced by the Issue Price Certificate of Purchaser and the Certificate of Municipal Advisor.

12. As shown in the Certificate of Municipal Advisor, the yield on the Bonds (the Bond Yield), computed on the basis of the information set forth herein, and otherwise in accordance with the Code and the Regulations, is 2.8925% per annum. The Bond Yield has been

calculated, as provided in Section 1.148-4(b) of the Regulations, as that discount rate which when used in computing the present value as of the issue date of all unconditionally payable payments of principal, interest and fees paid or reasonably expected to be paid for qualified guarantees on the Bonds, produces an amount which is equal to the present value, using the same discount rate, of the aggregate issue price thereof.

13. The net sale proceeds of the Bonds, plus investment earnings thereon, deposited into the Project Fund do not exceed the amount to be spent by the District to construct the Project and to pay costs of issuance of the Bonds, and it is reasonably expected that all of the amounts in the Project Fund will be allocated to expenditures for the Project or to costs of issuance of the Bonds. The District will, within six months of the date hereof, incur substantial binding obligations to third parties to expend at least 5% of the net sale proceeds of the Bonds on the Project. Work on the Project and allocation of the net sale proceeds of the Bonds to expenditures will proceed with due diligence to completion and it is reasonably expected that the Project will be completed and that at least 85% of the net sale proceeds of the Bonds will be allocated to expenditures for the Project within three years of the Closing Date. Any balance remaining in the Project Fund upon completion of the Project, or upon an earlier determination that all such funds will not be used for the Project, will be applied in a manner determined, in consultation with bond counsel, to comply with the federal income tax rules governing the application of excess proceeds.

14. The District expects to spend on the Project, within three years from the date hereof, all of the net sale and investment proceeds to be derived by the District from the issuance of the Bonds. Any amount not so expended by said date will, pending expenditure, be invested at a yield which does not exceed the Bond Yield unless the District determines to take advantage of the provisions of Section 1.148-5(c) relating to yield reduction payments.

15. The Bonds have been made payable primarily from the Debt Service Fund. The collections of ad valorem taxes and other amounts, including Tax Abatement Revenue, appropriated to the Debt Service Fund are estimated to be sufficient, but not in excess of the amounts required, to pay the principal of and interest on all Bonds payable therefrom when due, and it is not expected that any of such Bonds or the interest thereon will be paid from any other account or fund of the District and no other fund or account is pledged as security for the payment of the Bonds. The Debt Service Fund is expected to be depleted annually on February 1, except for a "reasonable carryover" as permitted by the definition of a "bona fide debt service fund" in Section 1.148-1(b) of the Regulations. The Debt Service Fund will constitute a "bona fide debt service fund" as defined in Section 1.148-1(b) of the Regulations.

16. No proceeds of the Bonds will be used to pay principal, interest, or redemption price on another issue, and no proceeds of the Bonds will be allocated to reimburse an original expenditure paid by another obligation.

17. None of the proceeds of the Bonds will be used to reimburse the District for costs of the Project (other than “preliminary expenditures” as permitted by Section 1.150-2(f)(2) of the Regulations) paid prior to the date of issuance of the Bonds.

18. All net proceeds of the Bonds have been or will be used, directly or indirectly, to finance capital expenditures or, to the extent permitted by Section 1.148-6(d)(3)(ii) of the Regulations, *de minimis* expenditures for certain specified purposes (including costs of issuing the Bonds and interest on the Bonds until three years from the Closing Date). The District acknowledges that if proceeds of the Bonds are allocated to expenditures other than as permitted by this paragraph, a like amount of then-available funds of the District will be treated as unspent proceeds of the Bonds.

19. The District has not and will not enter into any lease, operating agreement, management agreement or other contractual arrangement that would cause the Bonds to be considered “private activity bonds” as defined in Section 141 of the Code and applicable Regulations. Property financed with the proceeds of the Bonds is not expected to be sold or disposed of, in whole or in part, prior to the last maturity date of the Bonds.

20. No portion of the proceeds of the Bonds will be used, directly or indirectly, to make or finance loans to any other person. No proceeds of the Bonds will be used to make a prepayment for goods or services more than 90 days prior to the reasonably expected date of delivery to the District of all of the goods or services for which the prepayment was made.

21. No portion of the Bonds is issued for the purpose of investing the proceeds thereof at a yield higher than the Bond Yield. The sale proceeds of the Bonds, including income from the investment thereof, do not exceed the amount necessary for the governmental purposes of the Bonds. Other than amounts deposited into the Debt Service Fund, it is not expected that any other replacement proceeds of the Bonds will arise subsequent to the issuance of the Bonds.

22. The District reasonably expects that the term of the Bonds is no longer than is reasonably necessary for the governmental purposes of the Bonds. The weighted average maturity of the Bonds (10.465 years) does not exceed 120% of the average reasonably expected economic life of the financed Project.

23. Except as provided in this paragraph, prior to allocation to expenditures, all gross proceeds of the Bonds shall be invested at a yield not in excess of the Bond Yield until they cease to be gross proceeds:

(a) The following may be invested without yield restriction during the indicated temporary period:

(i) amounts on deposit in the Project Fund prior to the earlier of three years after the Closing Date or the completion (or abandonment) of the Project;

(ii) amounts on deposit in the Debt Service Fund (to the extent it qualifies as a “bona fide debt service fund”) for a period of 13 months from the date received;

(iii) any other investment proceeds for a period of one year from the date received;

(iv) any other replacement proceeds for a period of 30 days from the date that the amounts are first treated as replacement proceeds; and

(v) any other gross proceeds for a period of 30 days from the date received.

(b) Gross proceeds of the Bonds may be invested without yield restriction to the extent the District makes permissible yield-reduction payments with respect to such investment in the manner provided in Section 1.148-5(c) of the Regulations.

(c) At any time gross proceeds of the Bonds do not qualify for investment at a yield in excess of the Bond Yield pursuant to an applicable temporary period, such gross proceeds may be invested without yield restriction as part of the “minor portion” as set forth in Section 148(e) of the Code. The Bonds are treated as a single issue for purposes of determining the minor portion, and, therefore, the “minor portion” amount is \$100,000.

24. No amounts held in the Project Fund or Debt Service Fund will be used to acquire an investment (including a bank deposit) for an amount in excess of the fair market value of such investment, and no such investment will be sold or otherwise disposed of for an amount less than the fair market value of the investment. The District acknowledges that, except as is otherwise provided in Section 1.148-5(d)(6) of the Regulations, an investment that is not of a type traded on an established securities market, within the meaning of Section 1273 of the Code, is rebuttably presumed to be acquired or disposed of for a price that is not equal to its fair market value.

25. The District expects to qualify for the “small issuer exception” of Section 148(f)(4)(D) of the Code with respect to the Bonds, which provides that the District shall be treated as meeting the arbitrage rebate requirements of paragraphs (2) and (3) of Section 148(f) of the Code because the District has general taxing powers, no Bond is a “private activity bond” within the meaning of Section 141 of the Code, 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the District, and the aggregate face amount, within the meaning of Section 1.148-8(c)(1) of the Regulations, of all tax-exempt obligations (other than private activity bonds) issued by the District and all subordinate entities thereof during calendar year 2022 is not reasonably expected to exceed \$5,000,000 plus the lesser of \$10,000,000 or so much of the aggregate face amount of the tax-exempt obligations as are attributable to financing or refinancing the construction of public school facilities.

26. The Bonds are not “hedge bonds” within the meaning of Section 149(g) of the Code. The District reasonably expects to spend at least 85% of the spendable proceeds of the

Bonds within three years after the date hereof and not more than 50% of the proceeds of the Bonds are or will be invested in nonpurpose investments having a substantially guaranteed yield for four years or more.

27. The Bonds will not be “federally guaranteed” within the meaning of Section 149(b) of the Code.

28. The District will retain detailed records and documents relating to the expenditure of proceeds of the Bonds, the use of the facilities financed thereby, and the investment of sale and investment proceeds until at least three years following the retirement of all the Bonds or any tax-exempt or tax-advantaged obligations that refund the Bonds. The District acknowledges that such records may be necessary to support the exclusion of interest on the Bonds from gross income.

29. To the best of the knowledge and belief of the undersigned, the expectations of the District, as set forth above, are reasonable, and there are no present facts, estimates or circumstances which would change the foregoing expectations.

NOTES:	The True Interest Cost of 3.03% is significantly lower than the 4.26% estimate used for the Pre-Sale Report provided to the Board on July 11th. As a result, total payments (principal and interest) are approximately \$540,000 less than estimated in the Pre-Sale Report. In addition, due to significantly lower interest rates and larger net premium the deposit to the construction is approximately \$370,000 higher as compared with Pre-Sale estimates.

1 Tax capacity value for taxes payable in 2021 and 2022 are final. Estimates for future years are based on the percentage changes as shown above.

2 Initial debt service levies (prior to subtracting debt equalization aid) are set at 105 percent of the principal and interest payments during the next fiscal year.

3 Debt excess adjustment for taxes payable in 2022 is the actual amount. Debt excess for Pay 2023 is an estimate using June 30, 2021 fund balance. Future years are estimated at 4% of the prior year's initial debt service levy.

* Estimated tax impact includes principal and interest payments on the new bonds. The amounts in the table are based on school district taxes for bonded debt levies only, and do not include tax levies for other purposes. Tax increases shown above are gross increases, not including the impact of the homeowner's Homestead Credit Refund ("Circuit Breaker") program. Some owners of homestead property will qualify for a refund, based on their income and total property taxes. This will change the net effect of the proposed bond issue for those property owners.

*** For all agricultural property, estimated tax impact for taxes payable in 2022 includes a 60% reduction due to the School Building Bond Agricultural Credit. The credit percentage will gradually increase to 70% by taxes payable in 2023; this will cause a reduction in taxes in future years. Average value per acre is the total estimated market value of all land & buildings divided by total acres. If the property includes a home, then the tax impact on the house, garage, and one acre of land will be calculated in addition to the taxes per acre, on the same basis as a residential homestead or non-homestead property. If the same property owner owns more than approximately \$1.9 million of agricultural homestead land and buildings, a portion of the property will be taxed at the higher non-homestead rate.

Rating Action Overview

- S&P Global Ratings assigned its 'AAA' long-term rating and 'A' underlying rating for credit program to Deer River Independent School District No. 317, Minn.'s roughly \$7.35 million series 2022A general obligation (GO) facilities maintenance and tax-abatement bonds.
- S&P Global Ratings also affirmed its 'AAA' long-term rating and 'A' underlying rating on the district's existing credit-enhanced GO debt outstanding.
- The outlook is stable.

Security

The district's full-faith-and-credit-and-power pledge to levy unlimited ad valorem taxes secures the series 2022A bonds and existing debt. Participation in the Minnesota State Standing Appropriation program, a state standing-appropriation program to prevent a default on the district's bond issues, provides additional security.

Officials intend to use series 2022A bond proceeds to finance the district's deferred capital and parking lot improvements at King Elementary School.

Credit overview

The district is in northern Minnesota with a rural economy that remains stable. The district has a recent history of surplus results, but it plans to end fiscal years 2022 and 2023 with general fund deficits because it is spending down accumulated compensatory state revenue for students that qualify for free and reduced lunch. Reserves are, in our view, good but lower compared with district peers. While debt is elevated compared to district peers, it does not have any new debt plans within the next two years.

The underlying rating reflects our view of the district's:

- Adequate, but below-average, per capita effective buying income with expectations that the property tax base will experience, at least, modest growth during the next few years;
- History of enrollment that has fluctuated but should remain steady in conjunction with some residential and

commercial development; and

- Above-average debt--However, carrying charges should remain, what we consider, moderate.

Environmental, social, and governance

The rating incorporates our view of environmental, social, and governance (ESG) risks relative to the district's economy, management, financial measures, and debt-and-liability profile; we view them as neutral in our credit analysis.

Outlook

The stable outlook reflects S&P Global Ratings' expectation the district will likely maintain mostly balanced general fund operations and, at least, good available reserves. Although the local economy is limited, it is stable and should, in our view, support stable enrollment during the next two years.

Downside scenario

We could lower the rating if, due to increasing expenditures and capital pressure, the district cannot maintain structural balance, causing reserves to weaken substantially, or if the district were to increase debt considerably.

Upside scenario

With all other credit factors remaining equal, we could raise the rating if the district were to increase available reserves and sustain them at levels we consider comparable with higher-rated peers.

Credit Opinion

A stable rural economy with modest tax base growth expected during the next few years

The roughly 545-square-mile rural district provides kindergarten through 12th-grade education to a large area in northern Minnesota. About half the district is on Leech Lake Band of Ojibwe tribal lands. We understand several high-value lakefront properties and vacation homes account for the extremely strong per capita market value. Local employment is limited to small-scale employers. Residents are within close commuting distance to Grand Rapids.

The tax base has grown modestly recently, reflecting appreciation in existing properties. Officials report Deer River recently completed a new wastewater project that will expand residential development opportunities. Huber Wood Products will build a new facility in nearby Cohasset that will add approximately 150 new jobs in the area. We expect the tax base will likely remain, at least, stable. We think a growing population could benefit the district by increasing enrollment and, thereby, state funding. However, we note open enrollment and geographic proximity to nearby districts means enrollment growth is not guaranteed.

An overall stable financial profile with lower reserves, no additional drawdowns planned

The district has had mostly stable operations. It has reported surplus results during the past two fiscal years. Fiscal 2021 finished with a \$590,000 surplus because the district realized operational savings through the turnover of staff, the cancellation of certain events, and the receipt of federal stimulus for COVID-19-related costs. The district received approximately \$750,000 in Elementary & Secondary School Emergency Relief (ESSER) I and ESSER II funds.

Fund balance was lower than the 9% fund-balance policy due to the designation of approximately \$809,000 of fund balance as restricted. Officials report restricted fund balance includes unspent revenue planned for fiscal 2021 expenses, and the district plans to spend down restricted fund balance during the next three fiscal years.

Officials expect deficit results for fiscal years 2022 and 2023, reflecting a planned use of restricted state revenue. The district has received \$1.9 million in ESSER III funding, which it will spend on lost learning, substitute teaching staff support, safety, and indoor air-quality improvements. Despite the planned deficit to spend down restricted funds, officials expect unassigned fund balance will be 10%, bringing the district to compliance with its fund-balance policy. The district does not currently intend to draw down fund balance during the next few fiscal years, and the district believes it will comply with the formal fund-balance policy.

The state's basic general education revenue funding, determined by pupil count, is the primary source of operating revenue for Minnesota school districts. Therefore, enrollment increases or decreases can have an effect on revenue. Enrollment has been fluctuating since 2017 with significant decreases in fiscal years 2020 and 2021 that officials attribute to COVID-19. Enrollment has since stabilized with officials projecting an increase during the next few years, which we consider reasonable due to ongoing residential development. State aid accounts for 70% of general fund revenue and local revenue accounts for 13%.

With the addition of federal stimulus and no projected drawdowns, we expect the district will likely maintain stable finances within the next two fiscal years, albeit with lower reserves than what we observe with similar-rated peers.

Standard financial-management practices, policies under our Financial Management Assessment, supporting mostly stable operations

Highlights include management's:

- Use of three years of historical data, line-item estimates, and outside sources to create projections;
- Monthly budget-to-actual reports to the school board with the ability to amend the budget as necessary throughout the year;
- 10-year, long-term facilities-maintenance plan for capital planning it updates annually--However, it does not specify project-funding sources;
- Investment-management policy with monthly reports on investment holdings to the board; and
- Formal general fund reserve policy that calls for maintaining, at least, 9% of expenditures in unassigned fund balance--It, however, fell below the policy in fiscal 2021.

The district does not currently have a debt-management policy or a long-term financial plan. Its cybersecurity policies and practices align with what we typically observe with district peers.

Debt remains moderate with new debt issuance but high on a per capita basis

With the series 2022A bond issuance, the district has \$20.5 million of direct debt outstanding. While debt-service costs are moderate, we note the district has higher overall net debt per capita compared with similar-rated peers statewide and nationwide. While the district does not currently plan for new debt within the next two years, it is considering a high-school improvement that could require additional debt within the next few years. Officials are developing details

on high-school improvements, and we do not yet know the amount or exact timing.

Modest pension costs with the potential for cost acceleration

We do not consider pension and other postemployment benefit (OPEB) liabilities a medium-term credit pressure for the district because contributions are only a modest share of the budget; however, pension plan actuarial assumptions and methods and plan-funding practices introduce long-term cost-acceleration risk.

As of June 30, 2021, the district participates in:

- Minnesota Teachers' Retirement Assn. (MTRA), which is 86.6% funded, with the district's estimated share of the net pension liability at \$4.3 million;
- Minnesota General Employees' Retirement Fund (MGERF), which is 87% funded, with the district's estimated share of the net pension liability at \$1.5 million; and
- Deer River Independent School District No. 317's net OPEB liability of \$225,000.

MTRA and MGERF plan contributions exceeded our static-funding metric during the most recent year, but both fell short of minimum-funding progress. Annual contributions reflect a statutory formula that has typically produced contributions less than the actuarially determined contribution; we think this increases underfunding risk over time if the district does not meet funding shortfalls with offsetting adjustments by the Minnesota Legislature. MTRA's 7% and MGERF's 6.5% rate-of-return assumptions introduce substantial market risk and exceed our 6% guidance. The plans' use of a lengthy 28-year amortization period, based on a level percent of payroll, significantly defers contributions, creating long-term cost-acceleration risk.

The Minnesota school district credit-enhancement program

The long-term rating reflects the additional security provided by the district's eligibility for, and participation in, the Minnesota State Standing Appropriation program, a state standing-appropriation program to prevent a default on the district's bond issues as authorized by Minnesota State Statutes, Section 126C.55. Under the program, the state will pay debt service on behalf of the district from the state's general fund if the district fails to meet its debt-service obligations for the qualified debt. Payments from the state represent a standing appropriation from its general fund. We view this standing-appropriation pledge as equivalent to a general-fund pledge because the standing appropriation does not require budget adoption or any action of the state legislature to make payment. Furthermore, the standing appropriation is not subject to executive unallotment authority. In addition, the credit-enhancement program supports projects central to Minnesota's operations and purpose. In our opinion, there is no unusual political, timing, or administrative risk related to the debt payment. The rating on obligations that have received program enhancement is on par, and moves in tandem, with the rating on the state.

Rating Action Overview

- S&P Global Ratings assigned its 'AAA' long-term rating and 'A' underlying rating for credit program to Deer River Independent School District No. 317, Minn.'s roughly \$7.35 million series 2022A general obligation (GO) facilities maintenance and tax-abatement bonds.
- S&P Global Ratings also affirmed its 'AAA' long-term rating and 'A' underlying rating on the district's existing credit-enhanced GO debt outstanding.
- The outlook is stable.

Security

The district's full-faith-and-credit-and-power pledge to levy unlimited ad valorem taxes secures the series 2022A bonds and existing debt. Participation in the Minnesota State Standing Appropriation program, a state standing-appropriation program to prevent a default on the district's bond issues, provides additional security.

Officials intend to use series 2022A bond proceeds to finance the district's deferred capital and parking lot improvements at King Elementary School.

Credit overview

The district is in northern Minnesota with a rural economy that remains stable. The district has a recent history of surplus results, but it plans to end fiscal years 2022 and 2023 with general fund deficits because it is spending down accumulated compensatory state revenue for students that qualify for free and reduced lunch. Reserves are, in our view, good but lower compared with district peers. While debt is elevated compared to district peers, it does not have any new debt plans within the next two years.

The underlying rating reflects our view of the district's:

- Adequate, but below-average, per capita effective buying income with expectations that the property tax base will experience, at least, modest growth during the next few years;
- History of enrollment that has fluctuated but should remain steady in conjunction with some residential and

commercial development; and

- Above-average debt--However, carrying charges should remain, what we consider, moderate.

Environmental, social, and governance

The rating incorporates our view of environmental, social, and governance (ESG) risks relative to the district's economy, management, financial measures, and debt-and-liability profile; we view them as neutral in our credit analysis.

Outlook

The stable outlook reflects S&P Global Ratings' expectation the district will likely maintain mostly balanced general fund operations and, at least, good available reserves. Although the local economy is limited, it is stable and should, in our view, support stable enrollment during the next two years.

Downside scenario

We could lower the rating if, due to increasing expenditures and capital pressure, the district cannot maintain structural balance, causing reserves to weaken substantially, or if the district were to increase debt considerably.

Upside scenario

With all other credit factors remaining equal, we could raise the rating if the district were to increase available reserves and sustain them at levels we consider comparable with higher-rated peers.

Credit Opinion

A stable rural economy with modest tax base growth expected during the next few years

The roughly 545-square-mile rural district provides kindergarten through 12th-grade education to a large area in northern Minnesota. About half the district is on Leech Lake Band of Ojibwe tribal lands. We understand several high-value lakefront properties and vacation homes account for the extremely strong per capita market value. Local employment is limited to small-scale employers. Residents are within close commuting distance to Grand Rapids.

The tax base has grown modestly recently, reflecting appreciation in existing properties. Officials report Deer River recently completed a new wastewater project that will expand residential development opportunities. Huber Wood Products will build a new facility in nearby Cohasset that will add approximately 150 new jobs in the area. We expect the tax base will likely remain, at least, stable. We think a growing population could benefit the district by increasing enrollment and, thereby, state funding. However, we note open enrollment and geographic proximity to nearby districts means enrollment growth is not guaranteed.

An overall stable financial profile with lower reserves, no additional drawdowns planned

The district has had mostly stable operations. It has reported surplus results during the past two fiscal years. Fiscal 2021 finished with a \$590,000 surplus because the district realized operational savings through the turnover of staff, the cancellation of certain events, and the receipt of federal stimulus for COVID-19-related costs. The district received approximately \$750,000 in Elementary & Secondary School Emergency Relief (ESSER) I and ESSER II funds.

Fund balance was lower than the 9% fund-balance policy due to the designation of approximately \$809,000 of fund balance as restricted. Officials report restricted fund balance includes unspent revenue planned for fiscal 2021 expenses, and the district plans to spend down restricted fund balance during the next three fiscal years.

Officials expect deficit results for fiscal years 2022 and 2023, reflecting a planned use of restricted state revenue. The district has received \$1.9 million in ESSER III funding, which it will spend on lost learning, substitute teaching staff support, safety, and indoor air-quality improvements. Despite the planned deficit to spend down restricted funds, officials expect unassigned fund balance will be 10%, bringing the district to compliance with its fund-balance policy. The district does not currently intend to draw down fund balance during the next few fiscal years, and the district believes it will comply with the formal fund-balance policy.

The state's basic general education revenue funding, determined by pupil count, is the primary source of operating revenue for Minnesota school districts. Therefore, enrollment increases or decreases can have an effect on revenue. Enrollment has been fluctuating since 2017 with significant decreases in fiscal years 2020 and 2021 that officials attribute to COVID-19. Enrollment has since stabilized with officials projecting an increase during the next few years, which we consider reasonable due to ongoing residential development. State aid accounts for 70% of general fund revenue and local revenue accounts for 13%.

With the addition of federal stimulus and no projected drawdowns, we expect the district will likely maintain stable finances within the next two fiscal years, albeit with lower reserves than what we observe with similar-rated peers.

Standard financial-management practices, policies under our Financial Management Assessment, supporting mostly stable operations

Highlights include management's:

- Use of three years of historical data, line-item estimates, and outside sources to create projections;
- Monthly budget-to-actual reports to the school board with the ability to amend the budget as necessary throughout the year;
- 10-year, long-term facilities-maintenance plan for capital planning it updates annually--However, it does not specify project-funding sources;
- Investment-management policy with monthly reports on investment holdings to the board; and
- Formal general fund reserve policy that calls for maintaining, at least, 9% of expenditures in unassigned fund balance--It, however, fell below the policy in fiscal 2021.

The district does not currently have a debt-management policy or a long-term financial plan. Its cybersecurity policies and practices align with what we typically observe with district peers.

Debt remains moderate with new debt issuance but high on a per capita basis

With the series 2022A bond issuance, the district has \$20.5 million of direct debt outstanding. While debt-service costs are moderate, we note the district has higher overall net debt per capita compared with similar-rated peers statewide and nationwide. While the district does not currently plan for new debt within the next two years, it is considering a high-school improvement that could require additional debt within the next few years. Officials are developing details

on high-school improvements, and we do not yet know the amount or exact timing.

Modest pension costs with the potential for cost acceleration

We do not consider pension and other postemployment benefit (OPEB) liabilities a medium-term credit pressure for the district because contributions are only a modest share of the budget; however, pension plan actuarial assumptions and methods and plan-funding practices introduce long-term cost-acceleration risk.

As of June 30, 2021, the district participates in:

- Minnesota Teachers' Retirement Assn. (MTRA), which is 86.6% funded, with the district's estimated share of the net pension liability at \$4.3 million;
- Minnesota General Employees' Retirement Fund (MGERF), which is 87% funded, with the district's estimated share of the net pension liability at \$1.5 million; and
- Deer River Independent School District No. 317's net OPEB liability of \$225,000.

MTRA and MGERF plan contributions exceeded our static-funding metric during the most recent year, but both fell short of minimum-funding progress. Annual contributions reflect a statutory formula that has typically produced contributions less than the actuarially determined contribution; we think this increases underfunding risk over time if the district does not meet funding shortfalls with offsetting adjustments by the Minnesota Legislature. MTRA's 7% and MGERF's 6.5% rate-of-return assumptions introduce substantial market risk and exceed our 6% guidance. The plans' use of a lengthy 28-year amortization period, based on a level percent of payroll, significantly defers contributions, creating long-term cost-acceleration risk.

The Minnesota school district credit-enhancement program

The long-term rating reflects the additional security provided by the district's eligibility for, and participation in, the Minnesota State Standing Appropriation program, a state standing-appropriation program to prevent a default on the district's bond issues as authorized by Minnesota State Statutes, Section 126C.55. Under the program, the state will pay debt service on behalf of the district from the state's general fund if the district fails to meet its debt-service obligations for the qualified debt. Payments from the state represent a standing appropriation from its general fund. We view this standing-appropriation pledge as equivalent to a general-fund pledge because the standing appropriation does not require budget adoption or any action of the state legislature to make payment. Furthermore, the standing appropriation is not subject to executive unallotment authority. In addition, the credit-enhancement program supports projects central to Minnesota's operations and purpose. In our opinion, there is no unusual political, timing, or administrative risk related to the debt payment. The rating on obligations that have received program enhancement is on par, and moves in tandem, with the rating on the state.

INTRODUCTORY STATEMENT

This Preliminary Official Statement contains certain information regarding Independent School District No. 317 (Deer River), Minnesota (the "District") and the issuance of its \$7,350,000* General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2022A (the "Bonds"). Any descriptions or summaries of the Bonds, statutes, or documents included herein are not intended to be complete and are qualified in their entirety by reference to such statutes and documents and the form of the Bonds to be included in the resolution authorizing the issuance and sale of the Bonds ("Award Resolution") to be adopted by the School Board on August 8, 2022.

Inquiries may be directed to Ehlers and Associates, Inc. ("Ehlers" or the "Municipal Advisor"), Roseville, Minnesota, (651) 697-8500, the District's municipal advisor. A copy of this Preliminary Official Statement may be downloaded from Ehlers' web site at www.ehlers-inc.com by connecting to the Bond Sales link and following the directions at the top of the site.

THE BONDS

GENERAL

The Bonds will be issued in fully registered form as to both principal and interest in denominations of \$5,000 each or any integral multiple thereof, and will be dated, as originally issued, as of September 1, 2022. The Bonds will mature on February 1 in the years and amounts set forth on the cover of this Preliminary Official Statement. Interest will be payable on February 1 and August 1 of each year, commencing August 1, 2023, to the registered owners of the Bonds appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board ("MSRB"). **The rate for any maturity may not be more than 2.00% less than the rate for any preceding maturity. (For example, if a rate of 4.50% is proposed for the 2024 maturity, then the lowest rate that may be proposed for any later maturity is 2.50%.)** All Bonds of the same maturity must bear interest from the date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

Unless otherwise specified by the purchaser, the Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). (See "Book-Entry-Only System" herein.) As long as the Bonds are held under the book-entry system, beneficial ownership interests in the Bonds may be acquired in book-entry form only, and all payments of principal of, premium, if any, and interest on the Bonds shall be made through the facilities of DTC and its participants. If the book-entry system is terminated, principal of, premium, if any, and interest on the Bonds shall be payable as provided in the Award Resolution.

The District has selected Bond Trust Services Corporation, Roseville, Minnesota, to act as paying agent (the "Paying Agent"). Bond Trust Services Corporation and Ehlers are affiliate companies. The District will pay the charges for Paying Agent services. The District reserves the right to remove the Paying Agent and to appoint a successor.

*Preliminary, subject to change.

OPTIONAL REDEMPTION

At the option of the District, the Bonds maturing on or after February 1, 2031 shall be subject to optional redemption prior to maturity on February 1, 2030 or any date thereafter, at a price of par plus accrued interest to the date of optional redemption.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the District. If only part of the Bonds having a common maturity date are called for redemption, then the District or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of redemption shall be sent by mail not more than 60 days and not less than 30 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

AUTHORITY; PURPOSE

The Bonds are being issued pursuant to Minnesota Statutes, Chapters 469 and 475 and Sections 123B.595 (long-term facilities maintenance revenue) and 469.1814, by the District, to finance: i) deferred capital maintenance projects (the "Deferred Maintenance Portion"); and ii) indoor air quality projects at King Elementary School (the "Health & Safety Portion") as described in the District's ten-year facility plan approved by the Commissioner of Education (collectively, the "Facilities Maintenance Portion"); and iii) parking lot improvement projects (the "Tax Abatement Portion").

Per Minnesota Statutes, Chapter 469, for the Tax Abatement Portion of the Bonds, in any year, the total amount of property taxes abated by a political subdivision under this section may not exceed (i) ten percent of the net tax capacity of the political subdivision for the taxes payable year to which the abatement applies, or (ii) \$200,000, whichever is greater.

SECURITY

The Bonds are general obligations of the District for which its full faith, credit and taxing powers are pledged without limitation as to rate or amount.

In accordance with Minnesota Statutes, the District will levy each year an amount not less than 105% of the debt service requirements on the Facilities Maintenance Portion of the Bonds, less estimated collections of other revenues pledged for payments on the Facilities Maintenance Portion of the Bonds. In the event funds on hand for payment of principal and interest are at any time insufficient, the District is required to levy additional taxes upon all taxable properties within its boundaries without limit as to rate or amount to make up any deficiency.

The District anticipates that the debt service for the Tax Abatement Portion of the Bonds will be paid from abating the District's portion of taxes from specific parcels. Receipt of tax abatement revenues will be sufficient to provide not less than 105% of principal and interest on the Tax Abatement Portion of the Bonds as required by Minnesota law. Receipt of tax abatement revenues and ad valorem property taxes will be sufficient to provide not less than 105% of principal and interest on the Bonds as required by Minnesota law.

Should the revenues pledged for payment of the Bonds be insufficient to pay the principal and interest as the same shall become due, the District is required to pay maturing principal and interest from moneys on hand in any other fund of the District not pledged for another purpose and/or to levy additional taxes for this purpose upon all the taxable property in the District, without limitation as to rate or amount.

RATING

The District will be participating in the State of Minnesota Credit Enhancement Program ("MNCEP") for this issue and is requesting a rating from S&P Global Ratings ("S&P"). S&P has a policy which assigns a rating of "AAA" to issuers participating in the MNCEP. The "AAA" rating is based on the State of Minnesota's current "AAA" rating from S&P. See "STATE OF MINNESOTA CREDIT ENHANCEMENT PROGRAM FOR SCHOOL DISTRICTS" for further details.

The District currently has an "A" underlying rating from S&P and will be requesting an underlying rating on this issue. Such rating, if any, reflects only the views of such organization and explanations of the significance of such rating may be obtained from the rating agency furnishing the same. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency, if in the judgment of such rating agency circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

Such rating is not to be construed as a recommendation of the rating agency to buy, sell or hold the Bonds, and the rating assigned by the rating agency should be evaluated independently. Except as may be required by the Disclosure Undertaking described under the heading "CONTINUING DISCLOSURE" neither the District nor the underwriter undertake responsibility to bring to the attention of the owner of the Bonds any proposed changes in or withdrawal of such rating or to oppose any such revision or withdrawal.

STATE OF MINNESOTA CREDIT ENHANCEMENT PROGRAM FOR SCHOOL DISTRICTS

By resolutions adopted for this issue on June 13, 2022 for the Facilities Maintenance Portion of the Bonds and on July 11, 2022 for the Tax Abatement Portion of the Bonds (the "Resolution"), the District has covenanted and obligated itself to be bound by the provisions of Minnesota Statutes, Section 126C.55, which provides for payment by the State of Minnesota in the event of a potential default of a school district obligation (herein referred to as the "State Payment Law" or the "Law"). The provisions of the State Payment Law shall be binding on the District as long as any obligations of the issue remain outstanding.

Under the State Payment Law, if the District believes it may be unable to make a principal or interest payment for this issue on the due date, it must notify the Commissioner of Education as soon as possible, but not less than 15 working days prior to the due date (which notice is to specify certain information) that it intends to exercise the provisions of the Law to guarantee payment of the principal and interest when due. The District also covenants in the Resolution to deposit with the Paying Agent for the issue three business days prior to the date on which a payment is due an amount sufficient to make that payment or to notify the Commissioner of Education that it will be unable to make all or a portion of the payment.

The Law also requires the Paying Agent for this issue to notify the Commissioner of Education if it becomes aware of a potential default in the payment of principal and interest on these obligations, or if, on the day two business days prior to the payment date, there are insufficient funds to make the payment or deposit with the Paying Agent.

The Law also requires, after receipt of a notice which requests a payment pursuant to the Law, after consultation with the Paying Agent and District, and after verifying the accuracy of the information provided, the Commissioner of Education shall notify the Commissioner of Management and Budget of the potential default. The State Payment Law provides that "upon receipt of this notice . . . the commissioner of management and budget shall issue a payment and authorize the commissioner of education to pay to the paying agent for the debt obligation the specified amount on or before the date due. The amounts needed for the purposes of this subdivision are annually appropriated to the [Department of Education] from the state general fund."

The Law requires that all amounts paid by the State on behalf of any School District are required to be repaid by the District to the State with interest, either via a reduction in State aid payable to the District, or through the levy of an ad valorem tax which may be made with the approval of the Commissioner of Education.

In its Official Statement dated September 9, 2021, for General Obligation State Bonds, Series 2021A and 2021B, the State of Minnesota disclosed the following information about the State Credit Enhancement Program for School Districts.

"As of June 30, 2021, the total amount of principal on certificates of indebtedness and capital notes issued for equipment, certificates of participation and bonds, plus the interest on these obligations, through the year 2050, is approximately \$16,995,000,000. Based upon these currently outstanding balances now enrolled in the program, during the Current Biennium the total amount of principal and interest outstanding as of June 30, 2021 is currently estimated at \$2,500,000,000, with the maximum amount of principal and interest payable in any one month being \$975,700,000. However, more certificates of indebtedness, capital notes, certificates of participation and bonds are expected to be enrolled in the program and these amounts are expected to increase.

The State has not had to make any debt service payments on behalf of school districts or intermediate school districts under the program and does not expect to make any payments in the future. If such payments are made the State expects to recover all or substantially all of the amounts so paid pursuant to contractual agreements with the school districts and intermediate school districts."

CONTINUING DISCLOSURE

In order to assist brokers, dealers, and municipal securities dealers, in connection with their participation in the offering of the Bonds, to comply with Rule 15c2-12 promulgated by the Securities and Exchange Commission, pursuant to the Securities and Exchange Act of 1934, as amended (the "Rule"), the District shall agree to provide certain information to the Municipal Securities Rulemaking Board (MSRB) through its Electronic Municipal Market Access (EMMA) system, or any system that may be prescribed in the future. The Rule was last amended, effective February 27, 2019, to include an expanded list of material events.

On the date of issue and delivery, the District shall execute and deliver a Continuing Disclosure Certificate, under which the District will covenant for the benefit of holders including beneficial holders, to provide electronically, or in a manner otherwise prescribed, certain financial information annually and to provide notices of the occurrence of certain events enumerated in the Rule (the "Disclosure Undertaking"). The details and terms of the Disclosure Undertaking for the District are set forth in Appendix D. Such Disclosure Undertaking will be in substantially the form attached hereto.

A failure by the District to comply with any Disclosure Undertaking will not constitute an event of default on the Bonds. However, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

Prior continuing disclosure undertakings entered into by the District included language stating that an Annual Report including the District's audited financial statements and operating data would be filed "as soon as available." Although the District did not always comply with this requirement, the Annual Reports were timely filed within the required twelve (12) month timeframe as provided for in each undertaking. The District did not timely file a notice regarding a financial obligation in February of 2020. Except to the extent that the preceding is deemed to be material, the District believes it has not failed to comply in the previous five years in all material respects with its prior undertakings under the Rule. The District has reviewed its continuing disclosure responsibilities along with any changes to the Rule, to ensure compliance. Ehlers is currently engaged as dissemination agent for the District.

LEGAL OPINION

An opinion in substantially the form attached hereto as Appendix B will be furnished by Dorsey & Whitney LLP ("Bond Counsel"), Minneapolis, Minnesota, bond counsel to the District.

TAX CONSIDERATIONS

The following is a summary of certain U.S. federal and Minnesota income tax considerations relating to the purchase, ownership, and disposition of the Bonds. This summary is based on the U.S. Internal Revenue Code of 1986 (the "Code") and the Treasury Regulations promulgated thereunder, judicial decisions, and published rulings and administrative pronouncements of the Internal Revenue Service (the "IRS"), all as of the date hereof and all of which are subject to change, possibly with retroactive effect. Any such change could adversely affect the matters discussed below, including the tax exemption of interest on the Bonds. The District has not sought and will not seek any rulings from the IRS regarding the matters discussed below, and there can be no assurance the IRS or a court will not take a contrary position regarding these matters.

Prospective purchasers of Bonds should consult their own tax advisors with respect to applicable federal, state, and local tax rules, and any pending or proposed legislation or regulatory or administrative actions, relating to the Bonds based on their own particular circumstances.

This summary is for general information only and is not intended to constitute a complete analysis of all tax considerations relating to the purchase, ownership, and disposition of Bonds. It does not address the application of the alternative minimum tax or the additional tax on net investment income, nor does it address the U.S. federal estate and gift tax or any state, local, or non-U.S. tax consequences except with respect to Minnesota income tax to the extent specified herein. This summary is limited to consequences to U.S. holders that purchase the Bonds for cash at original issue and hold the Bonds as "capital assets" (generally, property held for investment).

This discussion does not address all aspects of U.S. federal income or state taxation that may be relevant to particular holders of Bonds in light of their specific circumstances or the tax considerations applicable to holders that may be subject to special income tax rules, such as holders subject to special tax accounting rules under Section 451(b) of the Code; insurance companies, brokers, dealers, or traders in stocks, securities, or currencies or notional principal contracts; foreign corporations subject to the branch profits tax; holders receiving payments in respect to the Bonds through foreign entities; and S corporations, partnerships, or other pass-through entities or investors therein.

For purposes of this discussion, the "issue price" of a maturity of Bonds is the first price at which a substantial amount of Bonds of that maturity is sold for cash to persons other than bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents, or wholesalers.

Tax Exempt Interest

In the opinion of Bond Counsel, based on existing law and assuming the accuracy of certain representations and compliance with certain covenants, interest on the Bonds (i) is excluded from gross income for federal income tax purposes under Section 103 of the Code (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed by Section 55 of the Code; (iii) is excluded from taxable net income of individuals, estates, and trusts for Minnesota income tax purposes, and (iv) is not an item of tax preference for federal or Minnesota alternative minimum tax purposes. Interest on the Bonds is included, however, in net income for purposes of the Minnesota franchise tax imposed on corporations and financial institutions.

The Code establishes certain requirements that must be met after the issuance of the Bonds in order that interest on the Bonds be excluded from federal gross income and from Minnesota taxable net income of individuals, estates, and trusts. These requirements include, but are not limited to, provisions regarding the use of the Bond proceeds and the facilities financed or refinanced with such proceeds and restrictions on the investment of the Bond proceeds and other amounts. The District has made certain representations and has covenanted to comply with certain restrictions, conditions, and requirements designed to ensure interest on the Bonds will not be included in federal gross income. Inaccuracy of these representations or noncompliance with these covenants may cause interest on the Bonds to be included in federal gross income or in Minnesota taxable net income retroactively to their date of issue. Bond Counsel has not independently verified the accuracy of these representations and will not verify the continuing compliance with these covenants. No provision has been made for redemption of or for an increase in the interest rate on the Bonds in the event that interest on the Bonds is included in federal gross income or in Minnesota taxable net income.

Original Issue Discount

Bonds may be issued with original issue discount ("OID"). A Bond will be treated as issued with OID (a "Discount Bond") if its "stated redemption price at maturity" (i.e., the sum of all amounts payable on the Bond other than payments of qualified stated interest) exceeds its issue price. OID that accrues to a holder of a Discount Bond is excluded from federal gross income and from Minnesota taxable net income of individuals, estates, and trusts to the same extent that stated interest on such Discount Bond would be so excluded. The amount of OID that accrues on a Discount Bond is added to the holder's federal and Minnesota tax bases. OID is taxable under the Minnesota franchise tax on corporations and financial institutions.

OID on a Discount Bond generally accrues pursuant to a constant-yield method that reflects semiannual compounding on dates that are determined by reference to the maturity date of the Discount Bond. The amount of OID that accrues for any particular semiannual accrual period generally is equal to the excess of (1) the product of (a) one-half of the yield on such Discount Bonds (adjusted as necessary for an initial short period) and (b) the adjusted issue price of such Discount Bonds, over (2) the amount of stated interest actually payable. For this purpose, the adjusted issue price is determined by adding to the issue price for such Discount Bonds the OID that is treated as having accrued during all prior accrual periods. If a Discount Bond is sold or otherwise disposed of between semiannual compounding dates, then the original issue discount that would have accrued for that accrual period for federal income tax purposes is allocated ratably to the days in such accrual period.

If a Discount Bond is purchased for a cost that exceeds the sum of the issue price plus accrued interest and accrued OID, the amount of OID that is deemed to accrue thereafter to the purchaser is reduced by an amount that reflects amortization of such excess over the remaining term of such Discount Bond. If the excess is greater than the amount of remaining OID, the basis reduction rules for amortizable bond premium may result in taxable gain upon sale or other disposition of the Bonds, even if the Bonds are sold, redeemed or retired for an amount equal to or less than their cost.

It is possible under certain state and local income tax laws that original issue discount on a Discount Bond may be taxable in the year of accrual and may be deemed to accrue differently than under federal law.

Market Discount

If a Bond is purchased for a cost that is less than the Bond's issue price (plus accrued original issue discount, if any), the purchaser will be treated as having purchased the Bond with market discount (unless a statutory *de minimis* rule applies). Market discount is treated as ordinary income and generally is recognized on the maturity or earlier disposition of the Bond (to the extent that the gain realized does not exceed the accrued market discount on the Bond).

Bond Premium

A holder that acquires a Bond for an amount in excess of its principal amount generally must, from time to time, reduce the holder's federal and Minnesota tax basis for the Bond. Premium generally is amortized for federal income tax purposes and Minnesota income and franchise tax purposes on the basis of a bondholder's constant yield to maturity or to certain call dates with semiannual compounding. Accordingly, holders who acquire Bonds at a premium might recognize taxable gain upon sale of the Bonds, even if such Bonds are sold for an amount equal to or less than their original cost. Amortized premium is not deductible for federal income tax purposes or for purposes of the Minnesota income tax applicable to individuals, estates, or trusts.

Related Tax Considerations

Section 86 of the Code and corresponding provisions of Minnesota law require recipients of certain social security and railroad retirement benefits to take interest on the Bonds into account in determining the taxability of such benefits.

Section 265(a) of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Bonds, and Minnesota law similarly denies a deduction for such interest in the case of individuals, estates, and trusts. In the case of a financial institution, generally, no deduction is allowed under Section 265(b) of the Code for that portion of the holder's interest expense that is allocable to interest on tax-exempt obligations, such as the Bonds, unless the obligations are "qualified tax-exempt obligations". Indebtedness may be allocated to the Bonds for this purpose even though not directly traceable to the purchaser of the Bonds.

The Bonds are "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code. Accordingly, although interest expense allocable to the Bonds is not subject to the disallowance under Section 265(b) of the Code, the deduction for interest on indebtedness incurred or continued to purchase or carry the Bonds may be subject to reduction under Section 291 of the Code.

The ownership or disposition of, or the accrual or receipt of amounts treated as interest on, the Bonds, may affect a holder's federal, state, or local tax liability in some additional circumstances. The nature and extent of these other tax consequences depends upon the particular tax status of the holder and the holder's other items of income or deduction.

Sale or Other Disposition

A holder will generally recognize gain or loss on the sale, exchange, redemption, retirement, or other disposition of a Bond equal to the difference between (i) the amount realized less amounts attributable to any accrued but unpaid stated interest and (ii) the holder's adjusted tax basis in the Bond. The amount realized includes the cash and the fair market value of any property received by the holder in exchange for the Bond. A holder's adjusted tax basis in a Bond generally will be equal to the amount that the holder paid for the Bond, increased by any accrued original issue discount with respect to the Bond and reduced by the amount of any amortized bond premium on the Bond. Except to the extent attributable to market discount (which will be taxable as ordinary income to the extent not previously included in income), any gain or loss will be capital gain or loss and will be long-term capital gain or loss if the holder held the Bond for more than one year. Long-term capital gains recognized by certain non-corporate persons, including individuals, generally are taxable at a reduced rate. The deductibility of capital losses is subject to significant limitations.

Information Reporting and Backup Withholding

Payments of interest on the Bonds (including any allocable bond premium or accrued original issue discount) and proceeds from the sale or other disposition of the Bonds are expected to be reported to the IRS as required under applicable Treasury Regulations. Backup withholding will apply to these payments if the holder fails to provide an accurate taxpayer identification number and certification that it is not subject to backup withholding (generally on an IRS Form W-9) or otherwise fails to comply with the applicable backup withholding requirements. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against the holder's U.S. federal income tax liability, provided that the required information is timely furnished to the IRS. Certain holders are exempt from information reporting. Potential holders should consult their own tax advisors regarding qualification for an exemption and the procedures for obtaining such an exemption.

INDEPENDENT AUDITORS

The basic financial statements of the District for the fiscal year ended June 30, 2021 have been audited by BerganKDV, Ltd., St. Cloud, Minnesota, independent auditors (the "Auditor"). The report of the Auditor, together with the basic financial statements, component units financial statements, and notes to the financial statements are attached hereto as "APPENDIX A – FINANCIAL STATEMENTS". The Auditor has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. The Auditor also has not performed any procedures relating to this Preliminary Official Statement.

RISK FACTORS

Following is a description of possible risks to holders of the Bonds without weighting as to probability. This description of risks is not intended to be all-inclusive, and there may be other risks not now perceived or listed here.

Taxes: The Bonds are general obligations of the District, the ultimate payment of which rests in the District's ability to levy and collect sufficient taxes to pay debt service should other revenue (tax abatement revenues and state aids) be insufficient. In the event of delayed billing, collection or distribution of property taxes, sufficient funds may not be available to the District in time to pay debt service when due.

State Actions: Many elements of local government finance, including the issuance of debt and the levy of property taxes, are controlled by state government. Future actions of the state may affect the overall financial condition of the District, the taxable value of property within the District, and the ability of the District to levy and collect property taxes.

Future Changes in Law: Various State and federal laws, regulations and constitutional provisions apply to the District and to the Bonds. The District can give no assurance that there will not be a change in or interpretation of any such applicable laws, regulations and provisions which would have a material effect on the District or the taxing authority of the District.

Taconite Tax Loss: The District, in common with other Iron Range Communities, receives grants and aids which are derived from special taconite taxes and which may be reduced in the event of production curtailment. Also, homeowners now receive substantial homestead credits from taxes derived from taconite sources which may be reduced with a cut in production. Reduction of grants, state aids and credits could increase the District's need for other local taxes.

Iron Mining Economy: The District is located on Minnesota's Iron Range, with an economy directly related to the mining industry, including processing and shipping of iron ore (pellets) for the nation's steel industry and for foreign shipments. Beginning in 1981, economic downturns reduced demand for steel and for taconite pellets, and some taconite plants curtailed operations and employment.

Ratings; Interest Rates: In the future, the District's credit rating may be reduced or withdrawn, or interest rates for this type of obligation may rise generally, either possibility resulting in a reduction in the value of the Bonds for resale prior to maturity.

Tax Exemption: If the federal government or the State of Minnesota taxes all or a portion of the interest on municipal obligations, directly or indirectly, or if there is a change in federal or state tax policy, the value of the Bonds may fall for purposes of resale. Noncompliance following the issuance of the Bonds with certain requirements of the Code and covenants of the bond resolution may result in the inclusion of interest on the Bonds in gross income of the recipient for United States income tax purposes or in taxable net income of individuals, estates or trusts for State of Minnesota income tax purposes. No provision has been made for redemption of the Bonds, or for an increase in the interest rate on the Bonds, in the event that interest on the Bonds becomes subject to United States or State of Minnesota income taxation, retroactive to the date of issuance.

Continuing Disclosure: A failure by the District to comply with the Disclosure Undertaking for continuing disclosure (see "CONTINUING DISCLOSURE") will not constitute an event of default on the Bonds. Any such failure must be reported in accordance with the Rule and must be considered by any broker, dealer, or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

State Economy; State Aids: State of Minnesota cash flow problems could affect local governments and possibly increase property taxes.

Book-Entry-Only System: The timely credit of payments for principal and interest on the Bonds to the accounts of the Beneficial Owners of the Bonds may be delayed due to the customary practices, standing instructions or for other unknown reasons by DTC participants or indirect participants. Since the notice of redemption or other notices to holders of these obligations will be delivered by the District to DTC only, there may be a delay or failure by DTC, DTC participants or indirect participants to notify the Beneficial Owners of the Bonds.

Economy: A combination of economic, climatic, political or civil disruptions or terrorist actions outside of the control of the District, including loss of major taxpayers or major employers, could affect the local economy and result in reduced tax collections and/or increased demands upon local government. Real or perceived threats to the financial stability of the District may have an adverse effect on the value of the Bonds in the secondary market.

Secondary Market for the Bonds: No assurance can be given that a secondary market will develop for the purchase and sale of the Bonds or, if a secondary market exists, that such Bonds can be sold for any particular price. The underwriters are not obligated to engage in secondary market trading or to repurchase any of the Bonds at the request of the owners thereof. Prices of the Bonds as traded in the secondary market are subject to adjustment upward and downward in response to changes in the credit markets and other prevailing circumstances. No guarantee exists as to the future market value of the Bonds. Such market value could be substantially different from the original purchase price.

Bankruptcy: The rights and remedies of the holders may be limited by and are subject to the provisions of federal bankruptcy laws, to other laws, or equitable principles that may affect the enforcement of creditors' rights, to the exercise of judicial discretion in appropriate cases and to limitations on legal remedies against local governments. The opinion of Bond Counsel to be delivered with respect to the Bonds will be similarly qualified.

Cybersecurity: The District is dependent on electronic information technology systems to deliver services. These systems may contain sensitive information or support critical operational functions which may have value for unauthorized purposes. As a result, the electronic systems and networks may be targets of cyberattack. There can be no assurance that the District will not experience an information technology breach or attack with financial consequences that could have a material adverse impact.

Impact of the Spread of COVID-19: In late 2019, a novel strain of coronavirus (COVID-19) emerged in Wuhan, Hubei Province, China. COVID-19 has spread throughout the world, including to the United States, resulting in the World Health Organization proclaiming COVID-19 to be a pandemic and the declaration of a national emergency. In response to the spread of COVID-19, the United States government, state governments, local governments and private industries have taken measures to limit social interactions in an effort to limit the spread of COVID-19. The effects of the spread of COVID-19 and the government and private responses to the spread continue to rapidly evolve. COVID-19 has caused significant disruptions to the global, national and State economy. The extent to which the coronavirus impacts the District and its financial condition will depend on future developments, which are highly uncertain and cannot be predicted by the District, including the duration of the outbreak and measures taken to address the outbreak.

On March 13, 2020, Minnesota Governor Tim Walz signed Emergency Executive Order 20-01 and declared a peacetime emergency. In subsequent executive orders, the Governor extended the peacetime emergency by 30 days. On May 14, 2021, the Governor signed Executive Order 21-23 to end the statewide mask requirement and align with new Centers for Disease Control and Prevention (CDC) guidance on face coverings. The Minnesota Legislature ended the peacetime emergency declaration on July 1, 2021.

The Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") provides for federal payments from the Coronavirus Relief Fund to the State for the discrete purpose of covering expenses directly incurred as a result of COVID-19 between March 1 and December 30, 2020. On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021, which provides local governments an additional \$130.2 billion through the Coronavirus Local Fiscal Recovery Fund. These funds can be used to mitigate increased expenditures, lost revenue and economic hardship related to the COVID-19 pandemic.

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Preliminary Official Statement and the Appendices hereto.

VALUATIONS

OVERVIEW

All non-exempt property is subject to taxation by local taxing districts. Exempt real property includes Indian lands, public property, and educational, religious and charitable institutions. Most personal property is exempt from taxation (except investor-owned utility mains, generating plants, etc.).

The valuation of property in Minnesota consists of three elements. (1) The estimated market value is set by city or county assessors. Not less than 20% of all real properties are to be appraised by local assessors each year. (2) The taxable market value is the estimated market value adjusted by all legislative exclusions. (3) The tax capacity (taxable) value of property is determined by class rates set by the State Legislature. The tax capacity rate varies according to the classification of the property. Tax capacity represents a percent of taxable market value.

The property tax rate for a local taxing jurisdiction is determined by dividing the total tax capacity or market value of property within the jurisdiction into the dollars to be raised from the levy. State law determines whether a levy is spread on tax capacity or market value. Major classifications and the percentages by which tax capacity is determined are:

¹ According to the Minnesota Department of Revenue, the Assessor's Estimated Market Value (the "AEMV") for the District is about 86.40% of the actual selling prices of property most recently sold in the District. The sales ratio was calculated by comparing the selling prices with the AEMV. Dividing the AEMV of real estate by the sales ratio and adding the AEMV of personal property and utility, railroads and minerals, if any, results in an Economic Market Value ("EMV") for the District of \$937,981,305.

STATE AID FOR DEBT SERVICE

The Minnesota Debt Service Equalization program provides state aid to finance a portion of the principal and interest payments on voter approved school building bonds. Bonds and Certificates that are not eligible for the program include all alternative facilities bonds, facilities maintenance bonds, capital facilities bonds, OPEB bonds, building bonds with relatively short maturities, and Certificates of Participation (COPs).

Under the Debt Service Equalization Formula (the Formula) adopted by the 2001 Minnesota State Legislature, each school district is responsible for the amount of its qualifying annual debt service which is equal to 15.74% of its Adjusted Net Tax Capacity (ANTC). The District does not currently qualify for debt service equalization aid.

In addition to debt service equalization aid, some school districts will qualify for state Long Term Facilities Maintenance Aid to finance a portion of the payments on Alternative Facilities Bonds and Facilities Maintenance Bonds, pursuant to the Long Term Facilities Maintenance Revenue (LTFMR) program approved by the State in 2015. If any aid is received, it is deposited into the District's debt service fund and must be used for payments on the bonds; any payment of state aid into the debt service fund causes a reduction in the tax levy for Alternative Facilities Bonds and Facilities Maintenance Bonds. The amount of aid received in the debt service fund will vary each year, depending on a number of factors. Although the District expects to receive some Long Term Facilities Maintenance Aid in its debt service fund, Ehlers has not attempted to estimate the portion of debt service payments that would be financed by state aid.

Some school districts will also receive aid for debt service payments through the state School Building Bond Agricultural Credit, which is paid to school districts to offset a portion of certain bond levies (Minn. Stat. Section 273.1387). The reimbursement percentages are 60% for taxes payable in 2022, and 70% for 2023 and thereafter. The school building bond agricultural credit applies to farmland, excluding the house, garage and one acre, and to rural vacant land and managed forest land. The amount of agricultural credit received in the debt service fund for taxes payable 2022 is approximately 5.40% of total annual debt service levies, based on the District's 2020/21 qualifying agricultural land valuation.

¹ Outstanding debt is as of the dated date of the Bonds.

² Based upon the debt service equalization formula, LTFMR formula, the agricultural land valuation and current statistics, the District anticipates a portion of this debt will be paid by the State of Minnesota.

BONDED DEBT LIMIT

Minnesota Statutes, Section 475.53, subdivision 4, presently limits the "net debt" of a school district to 15% of the estimated market value of all taxable property situated within its corporate limits. The estimated market value of property within a district, on which its debt limit is based, is (a) the value certified by the county auditors, or (b) this value divided by the ratio certified by the commissioner of revenue, whichever results in a higher value. The current debt limit of the District is computed as follows:

2021/22 Economic Market Value	\$937,981,305
Multiply by 15%	<u>0.15</u>
Statutory Debt Limit	\$140,697,196
Less: Long-Term Debt Outstanding Being Paid Solely from Taxes (includes the Facilities Maintenance of the Bonds)*	<u>(20,120,000)</u>
Unused Debt Limit*	<u><u>\$120,577,196</u></u>

*Preliminary, subject to change.

DEBT PAYMENT HISTORY

The District has no record of default in the payment of principal and interest on its debt.

¹ Overlapping debt is as of the dated date of the Bonds. Only those taxing jurisdictions with general obligation debt outstanding are included in this section. It does **not** include non-general obligation debt, self-supporting general obligation revenue debt, short-term general obligation debt, or general obligation tax/aid anticipation certificates of indebtedness.

² Outstanding debt is based on information in Official Statements obtained on EMMA and the Municipal Advisor's records.

FUTURE FINANCING

The District has no current plans for additional financing in the next 12 months.

LEVY LIMITS

Minnesota school district tax levies for most purposes are subject to statutory limitations. No limit, however, is placed on the debt service levy, and districts are required to levy 105% of actual principal and interest requirements to allow for delinquencies.

School districts receive a basic revenue amount per pupil unit from aid and levy proceeds in a variety of categorical state aids. They are also allowed to certify additional levies within limits for certain specified purposes. The State Department of Education and the applicable County Auditors review the levies of each school district to determine compliance with state levy limits.

¹ 2020 U.S. Census population.

² Based on current State law and statistics, the State of Minnesota is estimated to pay approximately 5.40% of the principal and interest of the District's general obligation bonds. Assuming this percentage continues for the life of the issue, the State's proportionate share of principal is \$1,109,970.

Property taxes are collected in two installments in Minnesota--the first by May 15 and the second by October 15.³ Mobile home taxes are collectible in full by August 31. Minnesota Statutes require that levies (taxes and special assessments) for debt service be at least 105% of the actual debt service requirements to allow for delinquencies.

The spread of COVID-19 and responses taken by the United States government, state governments, local governments and private industries have caused significant disruptions to the national and State economy. See "RISK FACTORS - Impact of the Spread of COVID-19" herein. Certain states have announced extended deadlines for payment of property taxes, although as of this date Minnesota has not taken such measures. The District cannot predict whether and how much payment of property taxes will be impacted. Any delays or reduction in the receipt of property taxes may materially adversely impact the District's finances and payment of debt obligations, including the Bonds.

¹ This reflects the Final Levy Certification of the District after all adjustments have been made.

² Collections are through May 31, 2022 for Itasca County and through May 19, 2022 for Cass County.

³ Second half tax payments on agricultural property are due on November 15th of each year.

LITIGATION

There is no litigation threatened or pending questioning the organization or boundaries of the District or the right of any of its officers to their respective offices or in any manner questioning their rights and power to execute and deliver the Bonds or otherwise questioning the validity of the Bonds.

MUNICIPAL BANKRUPTCY

Municipalities are prohibited from filing for bankruptcy under Chapter 11 (reorganization) or Chapter 7 (liquidation) of the U.S. Bankruptcy Code (11 U.S.C. §§ 101-1532) (the "Bankruptcy Code"). Instead, the Bankruptcy Code permits municipalities to file a petition under Chapter 9 of the Bankruptcy Code, but only if certain requirements are met. These requirements include that the municipality must be "specifically authorized" under State law to file for relief under Chapter 9. For these purposes, "State law" may include, without limitation, statutes of general applicability enacted by the State legislature, special legislation applicable to a particular municipality, and/or executive orders issued by an appropriate officer of the State's executive branch.

Currently there is no statutory authority for Minnesota school districts to file for bankruptcy relief under Chapter 9 of the Bankruptcy Code.

Nevertheless, there can be no assurance (a) that State law will not change in the future while the Bonds are outstanding; or (b) even absent such a change in State law, that an executive order or other executive action could not effectively authorize the District to file for relief under Chapter 9; or (c) whether it would still be eligible for voluntary or involuntary relief under Chapters of the Bankruptcy Code other than Chapter 9 or under similar federal or state law or equitable proceeding regarding insolvency or providing for protection from creditors. Such action could impact the rights of holders of the Bonds. Such modifications could be adverse to holders of the Bonds and there could ultimately be no assurance that holders of the Bonds would be paid in full or in part on the Bonds.

Report on the Basic Financial Statements

We have audited the accompanying basic financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 317, Deer River, Minnesota, as of and for the year ended June 30, 2021, and the related notes to basic financial statements, which collectively comprise the District's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Basic Financial Statements

The management of Independent School District No. 317 is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these basic financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the basic financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the basic financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the basic financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the basic financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the basic financial statements referred to in the first paragraph present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 317, Deer River, as of June 30, 2021, and the respective changes in financial position and where applicable, cash flows thereof, and the budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, which follows this report letter, and the Required Supplementary Information as listed in the Table of Contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Government Accounting Standards Board (GASB), who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the Required Supplementary Information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the basic financial statements that collectively comprise the District's basic financial statements. The accompanying supplementary information identified in the Table of Contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 O.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The accompanying supplementary information identified in the Table of Contents and the Schedule of Expenditures of Federal Awards are the responsibility of management and were derived from and relate directly to, the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information and the Schedule of Expenditures of Federal Awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 22, 2021, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

Financial Highlights

District-Wide Assets and District-Wide Activities

- Beginning with the 2003-2004 audit, the Independent School District No. 317 (the "District") implemented the requirements of GASB Statement No. 34. These requirements resulted in additional statements and information to accompany the District's audit. The additional information includes a district-wide Statement of Net Position, a district-wide Statement of Activities (revenues and expenses), and a report from management which will focus on the activities and developments that took place over the past year.
- Total district-wide net position, as indicated on the Statement of Net Position was (\$3,041,085).
- The change in district-wide net position from the prior year, as indicated on the Statement of Activities, amounted to \$681,944 as a result of fiscal year 2021 activity.

Governmental Funds

- Overall enrollment for the District decreased. Students served for fiscal year 2020-2021 amounted to 942, which is a decrease of forty-one students when compared to the fiscal year 2019-2020.
- General Fund revenues including other financing sources were \$17 million and expenditures were \$16.4 million, resulting in an increase of \$590,635 or 3.5% of the actual revenues.
- The budget to actual comparison for the General Fund expenditures resulted in a variance under budget of \$278,219 or 1.7%, from the final budget to actual expenditures.
- The budget to actual comparison for the General Fund revenue resulted in a variance under budget of \$60,242 or 0.4%, from the final budget to actual revenues.
- For the nonmajor funds, which includes the Food Service and Community Service, the total nonmajor fund balance increased \$14,980 based on \$1,008,662 in revenues and \$993,682 in expenditures.

Overview of the Financial Statements

This annual report consists of the basic financial statements and the Required Supplementary Information, which includes the management's Discussion and Analysis and information on the funding progress for other post employment benefits (OPEB) and information related to the pensions. The basic financial statements include two kinds of statements that present different views of the District.

- The first two statements are district-wide financial statements that provide both short-term and long-term information about the District's overall financial status.

Overview of the Financial Statements

- The remaining statements are fund financial statements that focus on individual parts of the District, reporting the District's operations in more detail than the district-wide statements.
- The governmental funds statements tell how basic services such as regular and special education were financed in the short-term as well as what remains for future spending.
- Proprietary funds statements offer short-term and long-term financial information about the District's OPEB trust activities.

The financial statements also include notes that explain some of the information in the statements and provide more detailed data. Figure A-1 shows how the various parts of this annual report are arranged and related to one another.

Major Features of the District-Wide and Fund Financial Statements

Figure A-2 summarizes the major features of the District's financial statements, including the portion of the District's activities they cover and of information they contain. The remainder of this overview section of MD&A highlights the structure and contents of each of the statements.

District-Wide Statements

The district-wide statements report information about the District as a whole using accounting methods similar to those used by private-sector companies. The Statement of Net Position includes all of the District's assets and deferred outflows of resources and liabilities and deferred inflows of resources. All of the current year's revenues and expenses are accounted for in the Statement of Activities regardless of when cash is received or paid.

	District-Wide Statements	Fund Financial Statements	Proprietary Funds

Type of Asset/Liability Information	All assets and liabilities, both financial and capital, short-term and long-term	Generally assets expected to be used up and liabilities that come due during the year or soon thereafter; no capital assets or long-term liabilities included	All assets and liabilities both financial and capital, and short-term and long-term
Type of Inflow/Outflow Information	All revenues and expenses during year, regardless of when cash is received or paid	Revenues for which cash is received during or soon after the end of the year; expenditures when good or services have been received and the related liability is due and payable	All revenues and expenses during the year, regardless of when cash is received or paid

The two district-wide statements report the District's net position and how they have changed. Net position, the difference between the District's assets and deferred outflows of resources and liabilities and deferred inflows of resources, is one way to measure the District's financial health or position.

Over time, increases or decreases in the District's net position is an indicator of whether its financial position is improving or deteriorating, respectively.

To assess the District's overall health, you need to consider additional nonfinancial factors such as changes in the District's property tax base and the condition of school buildings and other facilities.

Overview of the Financial Statements (Continued)

In the district-wide financial statements, the District's activities are presented as follows:

- Governmental Activities: Most of the District's basic services are included here, such as regular and special education, transportation and administration. Property taxes and state formula aid finance most of these activities.

Fund Financial Statements

The fund financial statements provide more detailed information about the District's funds, focusing on its most significant or "major" funds, not the District as a whole. Funds are accounting devices the District uses to keep track of specific sources of funding and spending on particular programs:

- Some funds are required by state law and by bond covenants.
- The District establishes other funds to control and manage money for particular purposes (such as repaying its long-term debts) or to show that it is properly using certain revenues (such as food service).

The District has two kinds of funds:

- Governmental Funds: Most of the District's basic services are included in governmental funds, which generally focus on (1) how cash and other financial assets that can readily be converted to cash flow in and out and (2) the balances left at year-end that are available for spending. Consequently, the governmental funds statements provide a detailed short-term view that helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the District's programs. Because this information does not encompass the additional long-term focus of the district-wide statements, additional information at the bottom of the governmental funds statements explains the relationship (or differences) between them.
- Proprietary Fund: The District's Revocable Trust Fund is an internal service fund used to account for the OPEB bond issuance. The District will use these funds to fund future OPEB liabilities.

The majority of the District's expenses (shown on the next page) are related to instructing or supporting the instruction of students. Figure A-6 indicates the breakdown of the total expenses on a percentage basis. The direct instruction categories of expense, which include elementary and secondary, vocational, and special education, represent approximately 54% of the total expenses. The indirect categories of instructional and pupil support, which includes student transportation, amount to about 18% and administration and district support services combined represented 8% of the total expenses for the year. Other major categories of expense included food service, community service and interest payments on the District's outstanding debt.

Financial Analysis of the District as A Whole (Continued)

Governmental Activities

Maintenance of a healthy District financial position will be dependent on several factors:

- **Conservative Budgeting and Spending:** The School Board has made decisions over the last twelve years that have enabled it to continue to provide quality services while keeping spending in line with revenues. Reductions have been put in place when necessary, that have included the reduction of staff, elimination of some programs and services, and the closure of an elementary school. Continual examination of enrollment trends, actual and budgeted spending, revenue projections, and program effectiveness will be necessary to maintain budgets that are sustainable. Budget control measures will continue so adopted budgets can continue to be responsible and fiscally sound and work in concert with the conservative budgeting philosophy of the District's Business Manager and Superintendent.
- **Accurate Enrollment Projections and Adjustment to Variations:** With a revenue system based significantly on enrollment, having accurate enrollment projections is crucial to accurate budgeting. The District utilizes a combination of professional demographic studies and multi-year District observed trends to create multiple data points to project enrollment. As important as these projections is the willingness and ability to adjust spending based on actual student numbers.
- **Development of Strategic Partnerships:** The District currently collaborates with other Itasca area school districts on services that help create greater efficiencies while maintaining the independence of each school district and their communities. Some of the collaborative efforts have included staff development, technology, curriculum and instruction, business services, community education, and online learning. In the future, these services could include, but are not limited to: administration, transportation, food service, gifted and talented programming, human resource management, and certain back office services. The collaboration between neighboring school districts will be crucial for the District's long-term sustainability.
- **Status of State Funding:** State funding has failed to keep pace with inflation over time, and current budget shifts have created cash flow challenges for many districts, including Deer River. As the state of Minnesota's budget improves, it will be crucial that funding shifts continue to be paid back and investments in education continue.
- **Local Operating Revenue:** Due to legislation enacted in the last three years, school boards have the option to levy for operating revenue. The school board will need to carefully weigh the revenue needs of the district with the tax tolerance of the community.
- **Stability of Federal funding:** Due to the unique demographics of the district, a significant amount of revenue comes through Federal programs like Impact Aid, Title, Special Education, and food programs. Changes in these programs at the Federal level would have a significant and disproportionate effect on the District due to its dependence on these programs.

Governmental Activities (Continued)

The table also shows each function and program's net cost, which represents the total cost less fees and intergovernmental aid provided for specific programs. The net cost shows the financial burden placed on the state and local taxpayers by each of these functions and programs.

The cost of all governmental activities this year was \$19,144,692.

- The users of the District's programs through fees and other charges financed \$791,979 of the cost.
- The federal and state governments subsidized specific programs with grants and contributions totaling \$8,589,231 of the cost.
- State and local taxpayers, however, financed the majority of the costs. State aid and local property taxes as determined by the State Legislature through the state-wide funding formulas, amounted to \$6,224,098 and \$3,108,120 respectively, for a total of \$9,332,218 of the District's total costs.

Financial Analysis of the District as A Whole (Continued)

Governmental Funds

As the District completed the year, the governmental funds reported combined fund balances of \$3,242,095 which is higher than last year's ending fund balances of \$2,549,365 by \$692,730. The Community Service Fund experienced an increase in fund balance of \$27,220. The Debt Service Fund experienced an increase in fund balance of \$87,115. The General Fund experienced an increase in fund balance of \$590,635. The Food Service Fund experienced a decrease in fund balance of \$12,240.

General Fund Budgetary Highlights

Over the course of the year, the District monitored and reviewed the annual operating budget and revised revenues and expenditures in June. These budget amendments fall into two general categories:

- Revisions were made to reflect up-to-date projection of revenues. Revenue formulas were updated to reflect current student enrollments, which are the basis for most state and federal programs. Other revenue adjustments included adjusting interest income, fees/tuition charged for certain programs and grant dollars awarded after original budget was approved.
- Increases (decreases) were made to reflect more up-to-date projection of expenditures as a result of utility costs that can change based on weather conditions or use, supply cost variations, contracted services variations and changes in other miscellaneous budget categories.

The District's final budget for the General Fund anticipated revenues and other financing sources would be in excess of expenditures and other financing uses by \$372,658, the actual results for the year show a \$590,635 increase in fund balance.

Capital Asset and Debt Administration

Capital Assets

By the end of 2021, the District had invested over \$20.5 million in a broad range of capital assets, including school buildings, instructional furniture and equipment (see Figure A-8). Depreciation expense for the year was \$1,180,912 with total accumulated depreciation amounting to \$13,120,103 (more detailed information on capital assets can be found in the notes to financial statements.)

Long-Term Debt

At year-end, the District had \$15,644,368 in general obligation (G.O.) bonds and other long-term liabilities outstanding, a decrease of 9.7% from last year as shown in Figure A-9 (more detailed information about the District's long-term liabilities is presented in the notes to financial statements).

The District retired \$1,682,030 in long-term liabilities in fiscal year 2020-2021.

Factors Bearing on the District's Future

At the time these financial statements were prepared and audited, the District was aware of a number of existing circumstances that could significantly affect its financial health in the future:

1. Federal and state accountability. Due to the accountability standards imposed by NCLB, additional support staff are needed to serve the needs of special populations of students, as all students are required to reach 100% proficiency in reading and math. The type of performance demanded of school districts will require additional resources at a time when resources are becoming more and more scarce. There are also significant data collection, analysis, and accountability expectations that have fiscal implications on the District as it continues to organize and prepare for unpredictable enrollment challenges. Recent reform conversations at the Federal level indicate a growing movement towards potential changes in the law, but the specific reform measures are unknown at this point.
2. Federal funding of Title VIII of the Elementary and Secondary Education Act, or Impact Aid, continues to be uncertain. A large portion of the District is located on the Leech Lake Indian Reservation and as a result, the District receives Impact Aid payments to offset the impact of this federal presence. Because the Impact Aid Program is a discretionary program and reauthorization has not been a high priority at the federal level, funding is vulnerable. The loss of Impact Aid would result in a severe budget imbalance and would require large and potentially extreme budget reductions.
3. Sequestration of federal dollars puts funding at risk, and in districts that receive a significant amount of federal dollars, like Deer River, the impact of sequestration is magnified. Special Education, Title I, and Impact Aid are all significant sources of revenue and programming for the District, and the sequestering of funds in these programs, which serve the neediest students in the District, would be extremely detrimental to the ability of the District to meet students' needs.
4. The District has had periods of declining enrollment over time, as seen in 2016, due to a variety of demographic and economic factors. Since the decline in students is spread over all grades, reducing teaching staff is very difficult and operational costs are not proportionally reducible. Like many districts in the State of Minnesota faced with financial challenges, the District has approached its local taxpayers for addition funds but has been unsuccessful.
5. Student needs continue to grow. Increasingly, the District is serving students with significant mental health and special education needs. These students require additional staffing support to be successful, but mental health services are not funded and special education continues to be inadequately funded at the state and federal level, despite the federal government's initial promise to fund 40% of special education.

Management's Discussion and Analysis**

Factors Bearing on the District's Future (Continued)

6. State funding continues to be inadequate, a fact supported by a study produced for the Minnesota Center for Public Finance Research and originally commissioned by the Governor of Minnesota. Since 1992, the funding formula has not kept pace with inflation, indicating that in "real" dollars, the District has less money to spend per pupil now than in 1992, before the heightened requirements of the now repealed Profile of Learning, Minnesota State Standards, and the Federal NCLB Act. Until the state addresses the inadequacy of the current funding formula, school districts like Deer River will continue to struggle meeting budgetary needs. In addition, recent conversations about the future of compensatory funding in Minnesota could have huge implications on the District's budget.
7. The District's ability to attract and retain highly qualified staff. With the increased accountability standards coupled with the increased needs of the students served, having highly qualified and trained staff is essential. Current and pending teacher shortages mean competition for these staff will become more fierce, and the District's ability to pay well enough to attract and retain staff will lead to higher staffing costs.

Statement of Activities - Governmental Funds
Year Ended June 30, 2021

Net change in fund balances - total governmental funds

Amounts reported for governmental activities in the Statement of Activities are different because:

Capital outlays are reported in governmental funds as expenditures. However, in the Statement of Activities, the cost of those assets is allocated over the estimated useful lives as depreciation expense.

Capital outlays
Depreciation expense

Compensated absences are recognized as paid in the governmental funds but recognized as the expense is incurred in the Statement of Activities.

Principal payments on long-term debt are recognized as expenditures in the governmental funds but as an increase in the net assets in the Statement of Activities.

Governmental funds recognized pension contributions as expenditures at the time of payment whereas the Statement of Activities whereas the Statement of Activities factors in items related to pensions on a full accrual perspective.

Long-term loans receivable will be collected in subsequent years, but are not available soon enough to pay for the current period's expenditures and, therefore, are deferred in the funds.

Governmental funds recognize OPEB contributions as expenditures at the time of payment whereas the Statement of Activities factors in items related to OPEB on a full accrual perspective.

Interest on long-term debt in the Statement of Activities differs from the amount reported in the governmental funds because interest is recognized as an expenditure in the funds when it is due and thus requires use of current financial resources. In the Statement of Activities, however, interest expense is recognized as the interest accrues, regardless of when it is due.

Governmental funds report the effect of bond premiums when the debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities.

Amortization of premiums
Delinquent property taxes receivable will be collected in subsequent years, but are not available soon enough to pay for the current period's expenditures and, therefore, are deferred in the funds.

The internal service fund is used by management to charge the costs of the OPEB to other funds. The operating income is reported within the governmental activities in the Statement of Activities.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The District operates under a school board form of government for the purpose of providing educational services to individuals within the District areas. The governing body consists of a six member board elected by the voters of the District to serve four-year terms.

The accounting policies of the District conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The following is a summary of the more significant policies.

A. Reporting Entity

The basic financial statements present the District and its component units. The District includes all funds, organizations, institutions, agencies, departments, and offices that are not legally separate from such. Component units are legally separate organizations for which the elected officials of the District are financially accountable and are included within the basic financial statements of the District because of the significance of their operational or financial relationships with the District.

The District is considered financially accountable for a component unit if it appoints a voting majority of the organization's governing body and it is able to impose its will on the organization by significantly influencing the programs, projects, activities, or level of services performed or provided by the organization, or there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the District.

As a result of applying the component unit definition criteria above, it has been determined the District has no component units.

The student activity accounts of the District are under board control and are not reported separately.

B. Basic Financial Statement Information

The government-wide financial statements (i.e. the Statement of Net Position and the Statement of Activities) display information about the reporting government as a whole. These statements include all the financial activities of the District.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segments are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function, or segment and grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Depreciation expense that can be specifically identified by function is included in the direct expenses of that function. Depreciation expense relating to assets that serve multiple functions is presented as unallocated depreciation in the Statement of Activities. Interest on general long-term debt is considered an indirect expense and is reported separately in the Statement of Activities. The effect of interfund activity has been removed from these statements.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Basic Financial Statement Information (Continued)

Separate fund financial statements are provided for governmental funds and the proprietary fund. Major individual governmental funds are reported as separate columns in the fund financial statements.

C. Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment applied is determined by its measurement focus and basis of accounting. The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this basis of accounting, transactions are recorded in the following manner.

1. Revenue Recognition

Revenue is recognized when it becomes measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property tax revenue is generally considered as available if collected within 60 days after year-end. State revenue is recognized in the year to which it applies according to *Minnesota Statutes* and accounting principles generally accepted in the United States of America. *Minnesota Statutes* include state aid funding formulas for specific years. Federal revenue is recorded in the year in which the related expenditure is made. Other revenue is considered available if collected within 60 days.

2. Recording of Expenditures

Expenditures are generally recorded when a liability is incurred. The exceptions to this general rule are that interest and principal expenditures in the Debt Service Fund, compensated absences and claims and judgments are recognized when payment is due.

The District applies unrestricted resources first when an expenditure is incurred for a purpose for which both restricted and unrestricted fund balances are available. Further, the District applies unrestricted funds in this order if various levels of restricted fund balances exist: unassigned assigned, and committed.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the District's internal service funds are charges to customers for administrative expenses. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Description of Funds:

Major Funds:

General Fund – This fund is the basic operating fund of the District and is used to account for all financial resources except those required to be accounted for in another fund.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Measurement Focus and Basis of Accounting (Continued)

Description of Funds: (Continued)

Major Funds: (Continued)

Debt Service Fund— This fund is used to account for the accumulation of resources for, and payment of, general obligation (G.O.), bond principal, interest, and related costs.

Nonmajor Funds:

Food Service Special Revenue Fund – This fund is used to account for food service revenues and expenditures.

Community Service Special Revenue Fund— This fund is used to account for services provided to residents in the areas of community education, school readiness, early childhood and family education, or other similar services.

Internal Service Fund:

Post Employment Benefits Revocable Trust Fund— This fund is used to account for the accumulation of resources to fund post employment benefits.

D. Deposits and Investments

Cash and investments include balances from all funds that are combined and invested to the extent available in various securities as authorized by state law. Earnings from the pooled investments are allocated to the individual funds based on the average of month-end cash and investment balances.

The District categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The Hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. Investments held by investment pools are measured at amortized cost.

Cash and investments at June 30, 2021, were comprised of deposits, shares in the Minnesota School District Liquid Asset Fund (MSDLAF) including MSDLAF MAX, and shares in the Minnesota Trust (MNTrust) Investment Shares Portfolio.

Minnesota Statutes requires all deposits be protected by federal deposit insurance, corporate surety bonds, or collateral. The market value of collateral pledged must equal 110% of the deposits not covered by Federal Deposit Insurance Corporation (FDIC) insurance or corporate surety bonds.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Deposits and Investments (Continued)

Minnesota Statutes authorizes the District to invest in obligations of the U.S. Treasury, agencies and instrumentalities, shares of investment companies whose only investments are in the aforementioned securities, obligations of the State of Minnesota or its municipalities, bankers' acceptances, future contracts, repurchase, and reverse repurchase agreements, and commercial paper of the highest quality with a maturity of no longer than 270 days.

In accordance with GASB Statement No. 79, the various MSDLAF and MNTrust securities are valued at amortized cost, which approximates fair value. There are no restrictions or limitations on withdrawals from the MSDLAF or MNTrust Investment Shares Portfolio. Investments in the MSDLAF MAX must be deposited for a minimum of 14 calendar days with the exception of direct investments of funds distributed by the State of Minnesota. Withdrawals prior to the 14-day restriction period may be subject to a penalty and there is a 24 hour hold on all requests for redemptions.

E. Property Tax Receivable

Current property taxes receivable is recorded for taxes certified the previous December and collectible in the current calendar year, which have not been received by the District. Delinquent property taxes receivable represents uncollected taxes for the past six years, and are deferred and included in the deferred inflows of resources section of the fund financial statements as unavailable revenue because they are not available to finance the operations of the District in the current year.

F. Property Taxes Levied for Subsequent Year's Expenditures

Property taxes levied for subsequent year's expenditures consist principally of property taxes levied in the current year which will be collected and recognized as revenue in the District's following year to properly match those revenues with the budgeted expenditures for which they were levied. This amount is equal to the amount levied by the School Board in December 2020, less various components and their related adjustments as mandated by the state. These portions of that levy were recognized as revenue in fiscal year 2021. The remaining portion of the levy will be recognized when measurable and available.

G. Inventories

Inventories of commodities donated directly by the U.S. Department of Agriculture are recorded at market value. Other inventories are stated at cost as determined on a first-in, first-out (FIFO) basis. Inventories are recorded as expenditures when consumed rather than when purchased.

H. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. Prepaid items are recorded as an expenditure at the time of consumption. As of June 30, 2021, the district had no prepaid items.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I. Property Taxes

The District levies its property tax during the month of December. December 28 is the last day the District can certify a tax levy to the County Auditor. Such taxes become a lien on January 1. The property tax is recorded as revenue when it becomes measurable and available. Itasca and Cass County are the collecting agencies for the levy and remit the collections to the District three times a year. The Tax levy notice is mailed in March with the first half of the payment due on May 15 and the second half due on October 15. Delinquent collections for November and December are received the following January.

A portion of property taxes levied is paid by the State of Minnesota through various tax credits, which are included in revenue from state sources in the basic financial statements. Also, a portion of property taxes levied is replaced by taconite levy replacement revenue in accordance with *Minnesota Statutes* 298.28.

J. Capital Assets

Capital assets are recorded in the government-wide financial statements but are not reported in the fund financial statements.

Capital assets are defined by the District as assets with an initial individual cost of more than \$4,000 and an estimated useful life in excess of five years. Such assets are capitalized at historical cost or estimated historical cost for assets where actual historical cost is not available. Donated assets are recorded as capital assets at its acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the assets or materially extend the assets lives are not capitalized.

Capital assets are depreciated using the straight-line method over their estimated useful lives. Since surplus assets are sold for an immaterial amount when declared as no longer needed for public school purpose by the District, no salvage value is taken into consideration for depreciation purpose. Useful lives vary from 20 to 50 years for improvements other than buildings and buildings and 5 to 15 years for furniture and equipment.

Capital assets not being depreciated include land. The District does not possess any material amounts of infrastructure capital assets, such as sidewalks and parking lots. Such items are considered to be part of the cost of buildings or other improvable property.

K. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Financial Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense) until that time. The District has two items that qualify for reporting in this category. Deferred outflows of resources related to pensions and deferred outflows of resources related to OPEB are reported in the government-wide Statement of Net Position. Deferred outflows of resources related to pensions is recorded for various estimate differences that will be amortized and recognized over future years. Deferred outflows of resources related to OPEB is recorded for various estimate differences that will be amortized and recognized over future years.

37

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

K. Deferred Outflows/Inflows of Resources (Continued)

In addition to liabilities, the Statement of Financial Position and fund financial statements will sometimes report a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. Unavailable revenues from delinquent property taxes and long-term receivables, arise under a modified accrual basis of accounting and is reported only in the Governmental Funds Balance Sheet. Delinquent property taxes and long-term receivables not collected within 60 days of year-end are deferred and recognized as an inflow of resources in the governmental funds in the period the amounts become available. Property taxes levied for subsequent years represent property taxes received or reported as a receivable before the period for which the taxes are levied, and is reported as a deferred inflow of resources in both the government-wide Statement of Net Position and the Governmental Funds Balance Sheet. Property taxes levied for subsequent years are deferred and recognized as an inflow of resources in the government-wide financial statements in the year for which they are levied and in the governmental fund financial statements during the year for which they are levied, if available. Deferred inflows of resources related to pensions is recorded on the government-wide statements for various estimate differences that will be amortized and recognized over future years. Deferred inflows of resources related to OPEB is recorded on the government-wide statements for various estimate differences that will be amortized and recognized over future years.

L. Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities Statement of Net Position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

M. Compensated Absences

Employees, other than teachers, earn vacation according to their contract varying from 5 to 25 days. All unused vacation is recorded as a liability in the Statement of Net Position.

Sick leave pay is shown as an expenditure in the year paid. Sick leave is not paid out at termination, except as paid in conjunction with the severance benefits (see Note 1.N.).

N. Severance Benefits

Principals with five years of professional education experience are eligible to participate in the Minnesota Deferred Compensation Plan. The minimum contribution by the employee is \$3,000-\$4,000 per year based on years of service. The employer matches the contribution for up to a maximum of \$30,000.

38

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

N. Severance Benefits (Continued)

With five years of professional education experience are eligible to participate in the Minnesota Deferred Compensation Plan. The minimum contribution by the employee is \$3,000-\$4,000 per year based on years of service. The employer matches the contribution for up to a maximum of \$30,000.

Teachers hired prior to July 1, 1995, who have ten or more years of continuous service with the District, will receive severance equal to their accumulated sick leave days up to a maximum of 100 days times their current daily rate of pay, less the amount contributed to the teacher's 403(b) plan.

Various other contracts exist that provide severance benefits that are specific for that position.

District Office employees who have reached a retirement age acceptable to Public Employees' Retirement Association (PERA) or the retirement age limit set by the School Board and who retire as of September 1, 1965, and thereafter, are insured under the then existing hospitalization and medical insurance program.

Noncertified employees hired prior to September 1, 2002, shall receive as severance pay, 50% of their accrued unused sick leave calculated at the current daily rate, not to exceed 70 days, provided they have served ten years with the District.

Compensated absences paid as part of a severance benefit are included as a liability in the Statement of Net Position.

O. Pensions

For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Public Employees Retirement Association (PERA) and Teachers Retirement Association (TRA), and additions to/deductions from PERA's and TRA's fiduciary net position have been determined on the same basis as they are reported by PERA and TRA. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

TRA has a special funding situation created by direct aid contributions made by the State of Minnesota, City of Minneapolis, and Minneapolis School District. The direct aid is a result of the merger of the Minneapolis Teachers Retirement Fund Association merger into TRA in 2006. A second direct aid source is from the State of Minnesota for the merger of the Duluth Teacher's Retirement Fund Association (DTRFA) in 2015.

P. Risk Management

The District is exposed to various risks of loss related to torts: theft of, damage to and destruction of assets; errors and omissions; natural disasters; and injuries to employees for which the District carries commercial insurance. Settled claims have not exceeded this commercial coverage in any of the past three years. There were no significant reductions in the District's insurance coverage during the year ending June 30, 2021.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Q. Fund Equity

In the fund financial statements, governmental funds report various levels of spending constraints.

- **Nonspendable Fund Balances** – These are amounts that cannot be spent because they are not in spendable form as they are legally or contractually required to be maintained intact and include prepaid and inventories.
- **Restricted Fund Balances** – These are subject to externally enforceable legal restrictions.
- **Committed Fund Balances** – These amounts are for a specific purpose. The government's highest level of decision making authority is the School Board. The formal action to establish or modify a commitment requires a majority vote by the School Board.
- **Assigned Fund Balances** – The District intends to use these funds for a specific purpose. The School Board may assign balances by majority vote or the School Board has also delegated authority to the Superintendent and Business Manager to assign balances with reports back to the School Board.
- **Unassigned Fund Balances** – Residual amounts in the General Fund not reported in another classification.
- **Minimum Fund Balance Policy** – The District will strive to maintain a minimum unassigned General Fund balance of 9% of the annual budget.

R. Net Position

Net position represents the difference between assets and deferred outflows of resources; and liabilities and deferred inflows of resources in the government-wide financial statements. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balance of any long-term debt used to build or acquire the capital assets. Net position is reported as restricted in the government-wide financial statement when there are limitations on their use through external restrictions imposed by creditors, grantors, laws, or regulations of other governments.

S. Use of Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the basic financial statements. Estimates also affect the reported amounts of revenue and expenditures/expense during the reporting period. Actual results could differ from those estimates.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

T. Budgetary Information

The District follows these procedures in establishing the budgetary data reflected in the basic financial statements:

1. Prior to July 1, the School Superintendent submits to the School Board a proposed operating budget for the year commencing the following July 1. The operating budget includes proposed expenditures and the means of financing them.
2. The Superintendent is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the School Board.
3. Formal budgetary integration is employed as a management control device during the year for all funds. Formal budgetary integration is not required for Debt Service Funds because effective budgetary control is alternatively achieved through G.O. bond indenture provisions. However, the District did formally approve budgets for the Debt Service Fund.
4. Budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America.
5. Budgets are as originally adopted or as amended by the School Board. Budgeted expenditure appropriations lapse at year-end.

NOTE 2 – DEPOSITS AND INVESTMENTS

A. Deposits

In accordance with applicable *Minnesota Statutes*, the District maintains deposits at depository banks authorized by the School Board.

Custodial Credit Risk – Deposits: This is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District's policy states deposit type securities shall be collateralized as required by *Minnesota Statutes* 118A.06 for any amount exceeding Federal Deposit Insurance Corporation (FDIC), SIAF, BIF, or FCUA, or other federal deposit coverage. The District's deposits were fully insured and collateralized at June 30, 2021, and the District was not exposed to custodial credit risk.

The District's policy indicates the investments shall be managed in a manner to attain a market rate of return through various economic and budgetary cycles, while preserving and protecting the capital in the investment portfolio and taking into account constraints on risk and cash flow requirements.

Credit Risk: This is the risk that an issuer or counterparty to an investment will not fulfill its obligations. The District's investment policy refers to *Minnesota Statutes* 118A.04 and 118A.05. As of June 30, 2021, the District's investment in MSDLAF, MSDLAF MAX, and MNTrust Investment Shares Portfolio were rated AAAAm by Standard & Poor's (S&P).

Concentration of Credit Risk Pooled Investments: This is the risk of loss attributed to the magnitude of the District's investment in a single issuer. The District's policy indicates the District shall diversify its investments to avoid incurring unreasonable risks inherent to over investing in specific instruments, individual institutions, or maturities. The District's investment policy states a table for diversification of investments shall be prepared and then approved by the School Board. At this time, that table has not yet been developed or approved.

Custodial Credit Risk – Investments: For an investment, this is the risk that in the event of the failure of the counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The District's policy indicates all investment securities shall be held in third party safekeeping by an institution designated as custodial agent.

NOTE 7 – DEFINED BENEFIT PENSION PLANS – STATE-WIDE

The District participates in various pension plans, total pension expense for the year ended June 30, 2021, was \$1,346,617. The components of pension expense are noted in the following plan summaries.

The General Fund typically liquidates the Liability related to the pensions.

Teachers' Retirement Association

A. Plan Description

The Teachers Retirement Association (TRA) is an administrator of a multiple employer, cost-sharing, defined benefit retirement fund. TRA administers a Basic Plan (without Social Security coverage) and a Coordinated Plan (with Social Security coverage) in accordance with *Minnesota Statutes*, Chapters 354 and 356. TRA is a separate statutory entity and administered by a Board of Trustees. The Board consists of four active members, one retired member, and three statutory officials.

Educators employed in Minnesota's public elementary and secondary schools, charter schools and certain other TRA-covered educational institutions maintained by the state are required to be TRA members (except those teachers employed by St. Paul Schools or Minnesota State Colleges and Universities). Educators first hired by Minnesota State may elect either TRA coverage or coverage through the Define Contribution Plan (DCR) administered by Minnesota State.

NOTE 7 – DEFINED BENEFIT PENSION PLANS – STATE-WIDE

Teachers' Retirement Association

B. Benefits Provided

TRA provides retirement benefits as well as disability benefits to members, and benefits to survivors upon death of eligible members. Benefits are established by *Minnesota Statute* and vest after three years of service credit. The defined retirement benefits are based on a member's highest average salary for any five consecutive years of allowable service, age and a formula multiplier based on years of credit at termination of service.

Two methods are used to compute benefits for TRA's Coordinated and Basic Plan members. Members first employed before July 1, 1989, receive the greater of the Tier I or Tier II benefits as described.

Tier I Benefits

	Tier I	Step Rate Formula	Percentage
Basic	First ten years of service All years after		2.2% per year 2.7% per year
Coordinated	First ten years if service years are up to July 1, 2006 First ten years if service years are July 1, 2006, or after All other years of service if service years are up to July 1, 2006 All other years of service if service years are July 1, 2006, or after		1.2% per year 1.4% per year 1.7% per year 1.9% per year
		Normal retirement age is 65 with less than 30 years of allowable service and age 62 with 30 or more years of allowable service.	

- 3% per year early retirement reduction factor for all years under normal retirement age.

- Unreduced benefits for early retirement under a Rule of 90 (age plus allowable service equals 90 or more).

Tier II Benefits

For years of service prior to July 1, 2006, a level formula of 1.7% per year for coordinated members and 2.7% per year for basic members is applied. For years of service July 1, 2006, and after, a level formula of 1.9% per year for Coordinated members and 2.7% for Basic members applies. Beginning July 1, 2015, the early retirement reduction factors are based on rates established under *Minnesota Statute*. Smaller reductions, more favorable to the member, will be applied to individuals who reach age 62 and have 30 years or more of service credit.

Members first employed after June 30, 1989, receive only the Tier II calculation with a normal retirement age that is their retirement age for full Social Security retirement benefits, but not to exceed age 66.

B. Benefits Provided (Continued)

Tier II Benefits (Continued)

Six different types of annuities are available to members upon retirement. The No Refund Life Plan is a lifetime annuity that ceases upon the death of the retiree – no survivor annuity is payable. A retiring member may also choose to provide survivor benefits to a designated beneficiary(ies) by selecting one of the five plans that have survivorship features. Vested members may also leave their contributions in the TRA Fund upon termination of service in order to qualify for a deferred annuity at retirement age. Any member terminating service is eligible for a refund of their employee contributions plus interest.

The benefit provisions stated apply to active plan participants. Vested, terminated employees who are entitled to benefits but not yet receiving them are bound by the plan provisions in effect at the time they last terminated their public service.

C. Contribution Rate

Per *Minnesota Statutes*, Chapter 354 sets the contribution rates for employees and employers. Rates for years ended June 30, 2019, June 30, 2020, and June 30, 2021, were:

	June 30, 2019		June 30, 2020		June 30, 2021	
	Employee	Employer	Employee	Employer	Employee	Employer
Basic	11.0%	11.71%	11.0%	11.92%	11.0%	12.13%

D. Contribution Rate

The following is a reconciliation of employer contributions in TRA's CAFR "Statement of Changes in Fiduciary Net Position" to the employer contributions used in Schedule of Employer and Non-Employer Pension Allocations. Amounts are reported in thousands.

Employer contributions reported in TRA's CAFR Statement of Changes in Fiduciary Net Position	\$	425,223

Deduct TRA's contributions not included in allocation		(508)
Total employer contributions		424,659
Total non-employer contributions		35,587
Total contributions reported in Schedule of Employer and Non-Employer Allocations	\$	460,246

Amounts reported in the allocation schedules may not precisely agree with basic financial statement amounts or actuarial valuations due to the number of decimal places used in the allocations. TRA has rounded percentage amounts to the nearest ten thousandths.

D. Actuarial Assumptions

The total pension liability in the June 30, 2020, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement.

Key Methods and Assumptions Used in Valuation of Total Pension Liability	
Actuarial Information	
Valuation date	July 1, 2020
Experience study	June 5, 2015
	November 6, 2017, (economic assumptions)
Actuarial cost method	Entry Age Normal
Actuarial assumptions	
Investment rate of return	7.50%
Price inflation	2.50%
Wage growth rate	2.85% before July 1, 2028, and 3.25% thereafter
Projected salary increase	2.85% to 8.85% before July 1, 2028, and
	3.25% to 9.25% thereafter
Cost of living adjustment	1.0% for January 2020 through January 2023, then
	increasing by 0.1% each year up to 1.5% annually.

Mortality Assumptions

Pre-retirement	RP 2014 white collar employee table, male rates set back six years and female rates set back five years. Generational projection uses the MP 2015 scale.
Post-retirement	RP 2014 white collar annuitant table, male rates set back three years and female rates set back three years, with further adjustments of the rates. Generational projections uses the MP 2015 scale.
Post-disability	RP 2014 disabled retiree mortality table, without adjustment.

NOTE 7 – DEFINED BENEFIT PENSION PLANS – STATE-WIDE (CONTINUED)

Teachers' Retirement Association (Continued)

E. Actuarial Assumptions (Continued)

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Domestic equity	35.5 %	5.10 %
International equity	17.5	5.30
Private markets	25.0	5.90
Fixed income	20.0	0.75
Unallocated cash	2.0	0.00
Total	100 %	

The TRA actuary has determined the average of the expected remaining services lives of all members for fiscal year 2016 is six years. The "Difference Between Expected and Actual Experience," "Changes of Assumptions," and "Changes in Proportion" use the amortization period of six years in the schedule presented. The amortization period for "Net Difference between Projected and Actual Investment Earnings on Pension Plan Investments" is over a period of five years as required by GASB 68.

Changes in actuarial assumptions and methods for the July 1, 2020, valuation:

- Assumed termination rates were changed to more closely reflect actual experience.
- The pre-retirement mortality assumption was changed to the RP 2014 white collar employee table, male rates set back five years, and female rates set back seven years. Generational projection uses the MP 2015 scale.
- Assumed form of annuity election proportions were changed to more closely reflect actual experience for female retirees.

NOTE 7 – DEFINED BENEFIT PENSION PLANS – STATE-WIDE (CONTINUED)

Teachers' Retirement Association (Continued)

E. Discount Rate

The discount rate used to measure the total pension liability was 7.5%. There was no change since the prior measurement date. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the fiscal 2020 contribution rate, contributions from school districts will be made at contractually required rates (actuarially determined), and contributions from the state will be made at current statutorily required rates. Based on those assumptions, the pension plan's fiduciary net position was not projected to be depleted and, as a result, the Municipal Bond Index Rate was not used in the determination of the Single Equivalent Interest Rate (SEIR).

F. Net Pension Liability

On June 30, 2021, the District reported a liability of \$7,321,641 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The District's proportion of the net pension liability was based on the District's contributions to TRA in relation to total system contributions including direct aid from the State of Minnesota, City of Minneapolis, and Minneapolis School District. The District's proportionate share was 0.0991% at the end of the measurement period and 0.1011% for the beginning of the year.

The pension liability amount reflected a reduction due to direct aid provided to TRA. The amount recognized by the District as its proportionate share of the net pension liability, the direct aid and total portion of the net pension liability that was associated with the District were as follows:

District's proportionate share of net pension liability	\$ 7,321,641
State's proportionate share of the net pension liability associated with the District	613,547
Total	<u>\$ 7,935,188</u>

For the year ended June 30, 2021, the District recognized pension expense of \$1,223,509. Included in this amount, the District recognized \$56,205 as pension expense for the support provided by direct aid.

NOTE 7 – DEFINED BENEFIT PENSION PLANS – STATE-WIDE (CONTINUED)

Teachers' Retirement Association (Continued)

F. Net Pension Liability (Continued)

On June 30, 2021, the District had deferred resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 146,829	\$ 112,779
Net difference between projected and actual earnings on plan investment	101,745	-
Changes in assumptions	2,547,649	6,364,836
Changes in proportion	657,306	194,167
District's contributions to TRA subsequent to measurement date	496,092	-
Total	<u>\$ 3,949,621</u>	<u>\$ 6,671,782</u>

The \$496,092 reported as deferred outflows of resources related to pensions resulting from District contributions to TRA subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2022.

Other amounts reported as deferred outflows of resources and (deferred inflows of resources) will be recognized in pension expense as follows:

Year End June 30,	Pension Expense Amount
2022	\$ 232,485
2023	(2,069,097)
2024	(1,512,136)
2025	121,271
2026	9,224
Total	<u>\$ (3,218,253)</u>

G. Pension Liability Sensitivity

The following presents the District's proportionate share of the net pension liability calculated using the discount rate of 7.5% as well as what the net pension liability would be if it were calculated using a discount rate that is 1 percent lower (6.5%) and 1 percent higher (8.5%) than the current rate.

District's proportionate share of NPL		
1% Decrease in Discount Rate (6.5%)	Current Discount Rate (7.5%)	1% Increase in Discount Rate (8.5%)
\$ 11,209,355	\$ 7,321,641	\$ 4,118,361

The District's proportion of the net pension liability was based on the employer contributions to TRA in relation to TRA's total employer contributions including direct aid contributions from the State of Minnesota, City of Minneapolis, and Minneapolis School District.

H. Pension Plan Fiduciary Net Position

Detailed information about the plan's fiduciary net position is available in a separately-issued TRA financial report. That can be obtained at www.MinnesotaTRA.org, or by writing to TRA at 60 Empire Drive, Suite 400, St. Paul, MN, 55103-4000, or by calling (651) 296-2409 or (800) 657-3669.

Public Employees' Retirement Association

A. Plan Description

The District participates in the following cost-sharing multiple-employer defined benefit pension plan administered by PERA. PERA's defined benefit pension plan is established and administered in accordance with *Minnesota Statutes*, Chapters 353 and 356. PERA's defined benefit pension plan is a tax qualified plan under Section 401(a) of the Internal Revenue Code.

General Employees Retirement Plan

The General Employees Retirement Plan covers certain full time and part time employees of the District. General Employees Plan members belong to the Coordinated Plan. Coordinated Plan members are covered by Social Security.

B. Benefits Provided

PERA provides retirement, disability, and death benefits. Benefit provisions are established by state statute and can only be modified by the state Legislature. Vested, terminated employees who are entitled to benefits but are not receiving them yet are bound by the provisions in effect at the time they last terminated their public service.

NOTE 7 – DEFINED BENEFIT PENSION PLANS – STATE-WIDE (CONTINUED)

Public Employees' Retirement Association

B. Benefits Provided (Continued)

General Employees Plan benefits are based on a member's highest average salary for any five successive years of allowable service, age, and years of credit at termination of service. Two methods are used to compute benefits for PERA's Coordinated Plan members. Members hired prior to July 1, 1989, receive the higher of Method 1 or Method 2 formulas. Only Method 2 is used for members hired after June 30, 1989. Under Method 1 the annuity accrual rate for a Coordinated Plan member is 1.2% for each of the first ten years of service and 1.7% for each additional year. Under Method 2, the accrual rate for Coordinated members is 1.7% for all years of service. For members hired prior to July 1, 1989, a full annuity is available when age plus years of service equal 90 and normal retirement age is 65. For members hired on or after July 1, 1989, normal retirement age is the age for unreduced Social Security benefits capped at 66.

Benefit increases are provided to benefit recipients each January. The postretirement increase is equal to 50% of the cost-of-living adjustment (COLA) announced by the SSA, with a minimum increase of at least 1.0% and a maximum of 1.5%. Recipients that have been receiving the annuity or benefit for at least a full year as of the June 30 before the effective date of the increase will receive the full increase. Recipients receiving the annuity or benefit for at least one month but less than a full year as of the June 30 before the effective date of the increase will receive a reduced prorated increase. For members retiring on January 1, 2024, or later, the increase will be delayed until normal retirement age (age 65 if hired prior to July 1, 1989, or age 66 for individuals hired on or after July 1, 1989). Members retiring under Rule of 90 are exempt from the delay to normal retirement.

C. Contributions

Minnesota Statutes Chapter 353 set the rates for employer and employee contributions. Contribution rates can only be modified by the state Legislature.

General Employees Fund Contributions

Coordinated Plan members were required to contribute 6.5% of their annual covered salary in fiscal year 2021 and the District was required to contribute 7.5% for Coordinated Plan members. The District's contributions to the General Employees Fund for the year ended June 30, 2021, were \$197,346. The District's contributions were equal to the required contributions as set by state statute.

D. Pension Costs

General Employees Fund Pension Costs

At June 30, 2021, the District reported a liability of \$2,116,396 for its proportionate share of the General Employees Fund's net pension liability. The District's net pension liability reflected a reduction due to the State of Minnesota's contribution of \$16 million. The State of Minnesota is considered a non-employer contributing entity and the State's contribution meets the definition of a special funding situation. The State of Minnesota's proportionate share of the net pension liability associated with the District totaled \$65,283. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The District's proportionate share of the net pension liability was based on the District's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2019, through June 30, 2020, relative to the total employer contributions received from all of PERA's participating employers. The District's proportionate share was 0.0353% at the end of the measurement period and 0.0363% for the beginning of the measurement period.

E. Actuarial Assumptions

The total pension liability in the June 30, 2020, actuarial valuation was determined using an individual entry-age normal actuarial cost method and the following actuarial assumptions:

Inflation	2.50 % Per year
Active member payroll growth	3.00 % Per year
Investment rate of return	7.50 %

Salary increases were based on a service-related table. Mortality rates for active members, retirees, survivors, and disabled annuitants were based on the Pub-2010 General Employee Mortality table. Cost of living benefit increases after retirement for retirees are assumed to be 1.25% per year.

Actuarial assumptions used in the June 30, 2020, valuation was based on the results of actuarial experience studies. The most recent four-year experience study in the General Employees Plan was completed in 2019. The assumption changes were adopted by the Board and became effective with the July 1, 2020 actuarial valuation.

The following changes in actuarial assumptions and plan provisions occurred in 2020:

Changes in Actuarial Assumptions

- The price inflation assumption was decreased from 2.5% to 2.25%.
- The payroll growth assumption was decreased from 3.25% to 3.0%.
- Assumed salary increase rates were changed as recommended in the June 30, 2019, experience study. The net effect is assumed rates that average 0.25% less than previous rates.
- Assumed rates of retirement were changed as recommended in the June 30, 2019, experience study. The changes result in more unreduced (normal) retirements and slightly fewer Rule of 90 and early retirements.
- Assumed rates of termination were changes as recommended in the June 30, 2019, experience study. The new rates are based on service and are generally lower than the previous rates for years 2-5 and slightly higher thereafter.
- Assumed rates of disability were changed as recommended in the June 30, 2019, experience study. The change results in fewer predicted disability retirements for males and females.
- The base mortality table for healthy annuitants and employees was changed from the RP-2014 table to the Pub-2010 General Mortality table, with adjustments. The base mortality table for disabled annuitants was changed from RP-2014 disabled annuitant mortality table to the Pub-2010 General/Teacher disabled annuitant mortality table, with adjustments.
- The mortality improvement scale was changed from Scale MP-2018 to Scale MP-2019.
- The assumed spouse age difference was change from two years older for females to one year older.

NOTE 7 – DEFINED BENEFIT PENSION PLANS – STATE-WIDE (CONTINUED)

Public Employees' Retirement Association (Continued)

E. Actuarial Assumptions (Continued)

Changes in Actuarial Assumptions (Continued)

- The assumed number of married male new retirees electing the 100% Joint and Survivor option changed from 35% to 45%. The assumed number of married female new retirees electing the 100% Joint and Survivor option changed from 15% to 30%. The corresponding number of married new retirees electing the Life annuity option was adjusted accordingly.

Changes in Plan Provisions

- Augmentation or current privatized members was reduced to 2.0% for the period July 1, 2020, through December 31, 2023, and 0.0% thereafter. Augmentation was eliminated for privatizations occurring after June 30, 2020.

The State Board of Investment, which manages the investments of PERA, prepares an analysis of the reasonableness on a regular basis of the long-term expected rate of return using a building-block method in which best-estimate ranges of expected future rates of return are developed for each major asset class. These ranges are combined to produce an expected long-term rate of return by weighting the expected future rates of return by the target asset allocation percentages.

The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Final Target Allocation	Long-Term Expected Real Rate of Return
Domestic stocks	35.5 %	5.10 %
International stocks	17.5	5.30
Bonds (fixed income)	20.0	0.75
Alternative assets (private markets)	25.0	5.90
Cash	2.0	0.00
Total	100 %	

F. Discount Rates

The discount rate used to measure the total pension liability in 2020 was 7.5%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and employers will be made at rates set in *Minnesota Statutes*. Based on these assumptions, the fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

G. Pension Liability Sensitivity

The following table presents the District's proportionate share of the net pension liability for all plans it participates in, calculated using the discount rate disclosed in the preceding paragraph, as well as what the District's proportionate share of the net pension liability would be if it were calculated using a discount rate 1 percentage point lower or 1 percentage point higher than the current discount rate:

Detailed information about the General Employees Fund's fiduciary net position is available in a separately-issued PERA financial report that includes the basic financial statements and required supplementary information. That report may be obtained on the Internet at www.mnpera.org.

NOTE 8 – POST EMPLOYMENT HEALTH CARE PLAN

A. Plan Description

The District's defined benefit OPEB plan provides a single-employer defined benefit health care plan to eligible retirees and their spouses. The plan offers medical coverage. It is the District's policy to periodically review its medical coverage and to obtain requests for proposals in order to provide the most favorable benefits and premiums for District employees and retirees. No assets are accumulated in a trust to offset this liability as the District utilizes a revocable trust.

B. Benefits Paid

Employees of the District receiving a retirement or disability benefit, or eligible to receive a benefit, from a Minnesota Public Pension Plan may continue to participate in the District group insurance plan. Full vesting of such amounts occurs upon attaining 55 years of age. The General Fund, Food Service Fund and Community Service Fund typically liquidate the liability related to OPEB.

C. Members

As of the June 30, 2019, valuation date, the following were covered by the benefit terms:

Retirees electing coverage	13
Active employees waiving coverage	91
Active employees electing coverage	88
Total	192

NOTE 8 – POST EMPLOYMENT HEALTH CARE PLAN

D. Contributions

Retirees contribute to the health care plan at the same rate as District employees. This results in the retirees receiving an implicit rate subsidy. Contribution requirements are established by the District. The required contributions are based on projected pay-as-you-go financing requirements. For the year 2021, the District contributed \$13,865 to the plan.

E. Actuarial Assumptions

The total OPEB liability was determined by an actuarial valuation as of June 30, 2019, using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Key Methods and Assumptions Used in Valuation of Total OPEB Liability	
Discount Rate	2.45%
Inflation	2.50%
Healthcare cost trend increases	6.4% initially, decreasing over several decades to an ultimate rate of 4.0% in FY2076 and later years
Mortality Assumption	RP-2014 mortality tables with projected mortality improvements based on scale MP-2015, and other adjustments for teachers and projected mortality improvements based on scale MP-2018, and other adjustments for non-teachers

Changes in actuarial assumptions include the following:

- The discount rate was decreased from 3.13% to 2.45% based on the index rate for 20-year, tax exempt municipal bonds.

F. Total OPEB Liability

The District's total OPEB liability was measured as of June 30, 2020, and was determined by an actuarial valuation as of June 30, 2019.

NOTE 10 – GASB STANDARDS ISSUED BUT NOT YET IMPLEMENTED

GASB Statement No. 87, Leases establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. This statement will be effective for the year ending June 30, 2022.

NOTE 11 – SUBSEQUENT EVENT

On October 18, 2021, the School Board awarded the sale of the G.O. School Building Refunding Bonds, Series 2021A in the amount of \$1,445,000. The refunding was issued to provide for an estimated cash flow savings of \$27,819 and an estimated net present value benefit of \$27,619.

2020 Changes

Changes in Actuarial Assumptions

- Assumed termination rates were changed to more closely reflect actual experience.
- The pre-retirement mortality assumption was changed to the RP 2014 white collar employee table, male rates set back five years and female rates set back seven years. Generational projection uses the MP 2015 scale.
- Assumed form of annuity election proportions were changed to more closely reflect actual experience for female retirees.

2019 Changes

Changes in Actuarial Assumptions

2018 Changes

Changes in Actuarial Assumptions

- The discount rate was increased to 7.5% from 5.12%.
- The cost of living adjustment (COLA) was reduced from 2.0% each January 1 to 1.0%, effective January 1, 2019. Beginning January 1, 2024, the COLA will increase 0.1% each year until reaching the ultimate rate of 1.5% on January 1, 2028.
- Beginning July 1, 2024, eligibility for the first COLA changes to normal retirement age (age 65 to 66, depending on date of birth). However, members who retire under Rule of 90 and members who are at least age 62 with 30 years of service credit are exempt.
- The COLA trigger provision, which would have increased the COLA to 2.5% if the funded ratio was at least 90% for two consecutive years, was eliminated.
- Augmentation in the early retirement reduction factors is phased out over a five-year period beginning July 1, 2019, and ending July 1, 2024 (this reduces early retirement benefits). Members who retire and are at least age 62 with 30 years of service are exempt.
- Augmentation on deferred benefits will be reduced to 0.0% beginning July 1, 2019. Interest payable on refunds to members was reduced from 4.0% to 3.0%, effective July 1, 2018. Interest due on payments and purchases from members, employers was reduced from 8.5% to 7.5%, effective July 1, 2018.

In addition, the employee contribution rate will increase from 7.50% to 7.75% on July 1, 2023. The state provides funding for the higher employer contribution rate through an adjustment in the school aid formula.

**Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an
Audit of Basic Financial Statements Performed in
Accordance with *Government Auditing Standards***

Independent Auditor's Report

To the School Board
Independent School District No. 317
Deer River, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the basic financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 317, Deer River, Minnesota, as of and for the year ending June 30, 2021, and the related notes to basic financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated November 22, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the basic financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District's basic financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. And therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings and Questioned Costs in Accordance with Uniform Guidance that we consider to be material weaknesses, Audit Findings 2021-001 and 2021-002.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's basic financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the basic financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

District's Responses to the Findings

The District's responses to the findings identified in our audit that we consider to be material weaknesses, are described in the accompanying Schedule of Findings and Questioned Costs in Accordance with Uniform Guidance. The District's responses were not subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance in Accordance with the Uniform Guidance

Independent Auditor's Report

To the School Board
Independent School District No. 317
Deer River, Minnesota

Report on Compliance for Each Major Federal Program

We have audited the compliance of Independent School District No. 317, Deer River, Minnesota, with the types of compliance requirements described in the U.S. *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the District's major federal programs for the year ended June 30, 2021. The District's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs in Accordance with the Uniform Guidance.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the District's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the District's compliance.

Opinion on Each Major Federal Program

In our opinion, Independent School District No. 317 complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

From our examination of such proceedings, affidavits and certificates and on the basis of existing law, it is our opinion that:

1. The Bonds are valid and binding general obligations of the District, enforceable in accordance with their terms.

The principal of and interest on the portion of the Bonds constituting Facilities Maintenance Bonds (\$_____) are payable from ad valorem taxes heretofore duly levied on all taxable property in the District and the principal of and interest on the portion of the Bonds constituting Tax Abatement Bonds (\$_____) are payable from tax abatement revenue to be generated from certain parcels of property in the District pursuant to Minnesota Statutes, Section 469.1813, but if necessary for payment thereof, additional ad valorem taxes are required by law to be levied on all such property, which taxes are not subject to any limitation as to rate or amount.

3. The resolution authorizing the issuance of the Bonds obligates the District to be bound by the provisions of Minnesota Statutes, Section 126C.55. We express no opinion as to the

enforceability of the provisions of such law against the State of Minnesota in the absence of legally appropriated and available funds to pay the obligations of the State thereunder.

4. Interest on the Bonds (a) is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the Code) and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed by Section 55 of the Code.

5. Interest on the Bonds (a) is excluded from taxable net income of individuals, estates, and trusts for Minnesota income tax purposes and (b) is not an item of tax preference for purposes of the Minnesota alternative minimum tax imposed on individuals, estates, and trusts.

6. The Bonds are “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code.

The opinions expressed in paragraphs 1, 2, and 3 above are subject, as to enforceability, to the effect of any state or federal laws relating to bankruptcy, insolvency, reorganization, moratorium or creditors’ rights and the application of equitable principles, whether considered at law or in equity.

The opinions expressed in paragraphs 4, 5 and 6 above are subject to the compliance by the District with certain requirements of the Code that must be satisfied subsequent to the issuance of the Bonds. Noncompliance with these requirements could result in the inclusion of interest on the Bonds in gross income for federal income tax purposes and taxable net income of individuals, estates, and trusts for Minnesota income tax purposes, or the Bonds failing to be qualified tax-exempt obligations, retroactive to the date of issuance of the Bonds.

Except as stated herein, we express no opinion regarding federal, state, or other tax consequences to the owner of the Bonds. We note, however, that notwithstanding the opinion expressed in paragraph 5 above, interest on the Bonds is included in net income of corporations and financial institutions for purposes of the Minnesota franchise tax.

We have not been asked, and have not undertaken, to review the accuracy, completeness or sufficiency of any offering materials relating to the Bonds, and, accordingly, we express no opinion with respect thereto.

Dated this 1st day of September, 2022.

Very truly yours,

BOOK-ENTRY-ONLY SYSTEM

1. The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]
2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.
3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.
4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]
6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.
10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the District or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.
11. The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.
12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

**FORM OF CONTINUING DISCLOSURE COVENANTS
(EXCERPTS FROM SALE RESOLUTION)**

(See following pages)

DRAFT

FORM OF CONTINUING DISCLOSURE

Continuing Disclosure. (a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the Purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the Rule), which will enhance the marketability of the Bonds, the District hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the outstanding Bonds. The District is the only obligated person in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. If the District fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, Owner or Bondowner means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, Beneficial Owner means, in respect of a Bond, any person or entity which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The District will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the District, the following information at the following times:

- (1) on or before twelve (12) months after the end of each fiscal year of the District, commencing with the fiscal year ending June 30, 2022, the following financial information and operating data in respect of the District (the Disclosure Information):
 - (A) the audited financial statements of the District for such fiscal year, prepared in accordance with generally accepted accounting principles in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Minnesota law, as in effect from time to time, or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the District, noting the discrepancies therefrom and the effect thereof, and

certified as to accuracy and completeness in all material respects by the fiscal officer of the District; and

- (B) to the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently available of the type contained in the Official Statement under the headings: Current Property Valuations; Direct Debt; Tax Levies and Collections; Student Body; and Employment/ Unemployment Data, which information may be unaudited.

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the District shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the District shall provide the audited financial statements. Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to the Municipal Securities Rulemaking Board (the MSRB) through its Electronic Municipal Market Access System (EMMA) or the SEC. The District shall clearly identify in the Disclosure Information each document so incorporated by reference. If any part of the Disclosure Information can no longer be generated because the operations of the District have materially changed or been discontinued, such Disclosure Information need no longer be provided if the District includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other District operations in respect of which data is not included in the Disclosure Information and the District determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (2) hereof), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations. If the Disclosure Information is changed or this section is amended as permitted by this paragraph (b)(1) or subsection (d), then the District shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

- (2) In a timely manner, not in excess of 10 business days, to the MSRB through EMMA, notice of the occurrence of any of the following events (each a “Material Fact,” as hereinafter defined):
 - (A) principal and interest payment delinquencies;
 - (B) non-payment related defaults, if material;
 - (C) unscheduled draws on debt service reserves reflecting financial difficulties;
 - (D) unscheduled draws on credit enhancements reflecting financial difficulties;
 - (E) substitution of credit or liquidity providers, or their failure to perform;
 - (F) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds or other material events affecting the tax status of the Bonds;

- (G) modifications to rights of Bond holders, if material;
- (H) Bond calls, if material and tender offers;
- (I) defeasances;
- (J) release, substitution, or sale of property securing repayment of the Bonds if material;
- (K) rating changes;
- (L) bankruptcy, insolvency, receivership, or similar event of the obligated person;
- (M) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (N) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (O) incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; “financial obligation” means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule; and
- (P) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

As used herein, for those events that must be reported if material, a “Material Fact” is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a Material Fact is also a fact that would be deemed material for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

For the purposes of the event identified in (L) hereinabove, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order

confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

For purposes of the events identified in paragraphs (O) and (P) above, the term “financial obligation” means (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

- (3) In a timely manner, to the MSRB through EMMA, notice of the occurrence of any of the following events or conditions:
 - (A) the failure of the District to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
 - (B) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the District under subsection (d)(2);
 - (C) the termination of the obligations of the District under this section pursuant to subsection (d);
 - (D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information are prepared; and
 - (E) any change in the fiscal year of the District.

(c) Manner of Disclosure.

- (1) The District agrees to make available to the MSRB through EMMA, in an electronic format as prescribed by the MSRB, the information described in subsection (b).
- (2) All documents provided to the MSRB pursuant to this subsection (c) shall be accompanied by identifying information as prescribed by the MSRB from time to time.

(d) Term; Amendments; Interpretation.

- (1) The covenants of the District in this section shall remain in effect so long as any Bonds are outstanding. Notwithstanding the preceding sentence, however, the obligations of the District under this section shall terminate and be without further effect as of any date on which the District delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the District to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements

of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

- (2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the District from time to time, without notice to (except as provided in paragraph (c)(2) hereof) or the consent of the Owners of any Bonds, by a resolution of this Board filed in the office of the recording officer of the District accompanied by an opinion of Bond Counsel, who may rely on certificates of the District and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the District or the type of operations conducted by the District, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the District agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

- (3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

(For example, if a rate of 4.50% is proposed for the 2024 maturity, then the lowest rate that may be proposed for any later maturity is 2.50%.)** All Bonds of the same maturity must bear interest from date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

BOOK-ENTRY-ONLY FORMAT

Unless otherwise specified by the purchaser, the Bonds will be designated in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Bonds, and will be responsible for maintaining a book-entry system for recording the interests of its participants and the transfers of interests between its participants. The participants will be responsible for maintaining records regarding the beneficial interests of the individual purchasers of the Bonds. So long as Cede & Co. is the registered owner of the Bonds, all payments of principal and interest will be made to the depository which, in turn, will be obligated to remit such payments to its participants for subsequent disbursement to the beneficial owners of the Bonds.

PAYING AGENT

The District has selected Bond Trust Services Corporation, Roseville, Minnesota, to act as paying agent (the "Paying Agent"). Bond Trust Services Corporation and Ehlers are affiliate companies. The District will pay the charges for Paying Agent services. The District reserves the right to remove the Paying Agent and to appoint a successor.

OPTIONAL REDEMPTION

At the option of the District, the Bonds maturing on or after February 1, 2031 shall be subject to optional redemption prior to maturity on February 1, 2030 or any date thereafter, at a price of par plus accrued interest to the date of optional redemption.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the District. If only part of the Bonds having a common maturity date are called for redemption, then the District or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of redemption shall be sent by mail not more than 60 days and not less than 30 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

DELIVERY

On or about September 1, 2022, the Bonds will be delivered without cost to the winning bidder at DTC. On the day of closing, the District will furnish to the winning bidder the opinion of bond counsel hereinafter described, an arbitrage certification, and certificates verifying that no litigation in any manner questioning the validity of the Bonds is then pending or, to the best knowledge of officers of the District, threatened. Payment for the Bonds must be received by the District at its designated depository on the date of closing in immediately available funds.

LEGAL OPINION

An opinion in substantially the form attached hereto as Appendix B will be furnished by Dorsey & Whitney LLP ("Bond Counsel"), Minneapolis, Minnesota, bond counsel to the District.

SUBMISSION OF PROPOSALS

Proposals must not be for less than \$7,350,000 plus accrued interest on the principal sum of \$7,350,000 from date of original issue of the Bonds to date of delivery. Prior to the time established above for the opening of proposals, interested parties may submit a proposal as follows:

- 1) Electronically to bondsale@ehlers-inc.com; or
- 2) Electronically via **PARITY** in accordance with this Terms of Proposal until 10:30 A.M. Central Time, but no proposal will be received after the time for receiving proposals specified above. To the extent any instructions or directions set forth in **PARITY** conflict with this Terms of Proposal, the terms of this Terms of Proposal shall control. For further information about **PARITY**, potential bidders may contact Ehlers or i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Telephone (212) 849-5021.

Proposals must be submitted to Ehlers via one of the methods described above and must be received prior to the time established above for the opening of proposals. Each proposal must be unconditional except as to legality. Neither the District nor Ehlers shall be responsible for any failure to receive a facsimile submission.

A good faith deposit ("Deposit") in the amount of \$147,000 shall be made by the winning bidder by wire transfer of funds. Such Deposit shall be received by Ehlers no later than two hours after the proposal opening time. Wire transfer instructions will be provided to the winning bidder by Ehlers after the tabulation of proposals. The District reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the District may award the Bonds to the bidder submitting the next best proposal provided such bidder agrees to such award. The Deposit will be retained by the District as liquidated damages if the proposal is accepted and the Purchaser fails to comply therewith.

The District and the winning bidder who chooses to so wire the Deposit hereby agree irrevocably that Ehlers shall be the escrow holder of the Deposit wired to such account subject only to these conditions and duties: 1) All income earned thereon shall be retained by the escrow holder as payment for its expenses; 2) If the proposal is not accepted, Ehlers shall, at its expense, promptly return the Deposit amount to the winning bidder; 3) If the proposal is accepted, the Deposit shall be returned to the winning bidder at the closing; 4) Ehlers shall bear all costs of maintaining the escrow account and returning the funds to the winning bidder; 5) Ehlers shall not be an insurer of the Deposit amount and shall have no liability hereunder except if it willfully fails to perform or recklessly disregards, its duties specified herein; and 6) FDIC insurance on deposits within the escrow account shall be limited to \$250,000 per bidder.

No proposal can be withdrawn after the time set for receiving proposals unless the meeting of the District scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made.

AWARD

The Bonds will be awarded to the bidder offering the lowest interest rate to be determined on a True Interest Cost (TIC) basis. The District's computation of the interest rate of each proposal, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Bonds will be awarded by lot. The District reserves the right to reject any and all proposals and to waive any informality in any proposal.

BOND INSURANCE

If the Bonds are qualified for any bond insurance policy, the purchase of such policy shall be at the sole option and expense of the winning bidder. Any cost for such insurance policy is to be paid by the winning bidder, except that, if the District requested and received a rating on the Bonds from a rating agency, the District will pay that rating fee. Any rating agency fees not requested by the District are the responsibility of the winning bidder.

Failure of the municipal bond insurer to issue the policy after the Bonds are awarded to the winning bidder shall not constitute cause for failure or refusal by the winning bidder to accept delivery of the Bonds.

CUSIP NUMBERS

The District will assume no obligation for the assignment or printing of CUSIP numbers on the Bonds or for the correctness of any numbers printed thereon, but will permit such numbers to be printed at the expense of the winning bidder, if the winning bidder waives any delay in delivery occasioned thereby.

QUALIFIED TAX-EXEMPT OBLIGATIONS

The District will designate the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

CONTINUING DISCLOSURE

In order to assist the Underwriters in complying with the provisions of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 the District will enter into an undertaking for the benefit of the holders of the Bonds. A description of the details and terms of the undertaking is set forth in Appendix D of the Preliminary Official Statement.

ESTABLISHMENT OF ISSUE PRICE AT TIME OF AWARD

In order to establish the issue price of the Bonds for federal income tax purposes, the District requires bidders to agree to the following, and by submitting a proposal, each bidder agrees to the following.

If a proposal is submitted by a potential underwriter, the bidder confirms that (i) the underwriters have offered or reasonably expect to offer the Bonds to the public on or before the date of the award at the offering price (the "initial offering price") for each maturity as set forth in the proposal and (ii) the bidder, if it is the winning bidder, shall require any agreement among underwriters, selling group agreement, retail distribution agreement or other agreement relating to the initial sale of the Bonds to the public to which it is a party to include provisions requiring compliance by all parties to such agreements with the provisions contained herein. For purposes hereof, Bonds with a separate CUSIP number constitute a separate "maturity", and the public does not include underwriters (including members of a selling group or retail distribution group) or persons related to underwriters.

If, however, a proposal is submitted for the bidder's own account in a capacity other than as an underwriter of the Bonds, and the bidder has no current intention to sell, reoffer, or otherwise dispose of the Bonds, the bidder shall notify the District to that effect at the time it submits its proposal and shall provide a certificate to that effect in place of the certificate otherwise required below.

If the winning bidder intends to act as an underwriter, the District shall advise the winning bidder at or prior to the time of award whether (i) the competitive sale rule or (ii) the "hold-the-offering price" rule applies.

If the District advises the Purchaser that the requirements for a competitive sale have been satisfied and that the competitive sale rule applies, the Purchaser will be required to deliver to the District at or prior to closing a certification, in a form reasonably acceptable to bond counsel, as to the reasonably expected initial offering price as of the award date.

If the District advises the Purchaser that the requirements for a competitive sale have not been satisfied and that the hold-the-offering price rule applies, the Purchaser shall (1) upon the request of the District confirm that the underwriters did not offer or sell any maturity of the Bonds to any person at a price higher than the initial offering price of that maturity during the period starting on the award date and ending on the earlier of (a) the close of the fifth business day after the sale date or (b) the date on which the underwriters have sold at least 10% of that maturity to the public at or below the initial offering price; and (2) at or prior to closing, deliver to the District a certification as to such matters, in a form reasonably acceptable to bond counsel, together with a copy of the pricing wire.

Any action taken or documentation to be received by the District pursuant hereto may be taken or received on behalf of the District by Ehlers & Associates, Inc.

Bidders should prepare their proposals on the assumption that the Bonds will be subject to the "hold-the-offering-price" rule. Any proposal submitted pursuant to the Terms of Proposal shall be considered a firm offer for the purchase of the Bonds, and Bonds submitted will not be subject to cancellation or withdrawal.

PRELIMINARY OFFICIAL STATEMENT

Bidders may obtain a copy of the Preliminary Official Statement relating to the Bonds prior to the proposal opening by request from Ehlers at www.ehlers-inc.com by connecting to the Bond Sales link. The Deposit will be retained by the District as liquidated damages if the proposal is accepted and the Purchaser fails to comply therewith. We agree to the conditions and duties of Ehlers and Associates, Inc., as escrow holder of the Deposit, pursuant to the Terms of Proposal. This proposal is for prompt acceptance and is conditional upon delivery of said Bonds to The Depository Trust Company, New York, New York, in accordance with the Terms of Proposal. 534 SCHOOL MEALS POLICY

I. PURPOSE

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the school district's nutrition program and that school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy of the school district is to provide meals to students in a respectful manner and to maintain the dignity of students by prohibiting lunch shaming or otherwise ostracizing the student. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for school meals as well as to maintain the financial integrity of the school nutrition program.

II. PAYMENT OF MEALS

- A. Students and employees have use of a meal account. All families are encouraged to complete the application for educational benefits available as a paper application or easy online application on the district website:
<https://www.isd317.org/food-and-nutrition>
Many categorical aid formulas for the school district are based on our participation in federal education benefits. The federal pandemic free meal waivers which were available in the 2020-2021 and 2021-2022 school years have expired effective June 30, 2022.

In the 2022-2023 school year the district will make a concentrated effort to collect the maximum amount of categorical aid for the district and assist as many families as possible to continue receiving free breakfasts and lunches. Any family completing the educational benefits application during the 2022-2023 school year will have all outstanding food service accounts and activities program account balances permanently cleared *.

* This does not include delinquent food service account balances or activities fees which may have previously been submitted to a collections agency.

~~When the account balance reaches zero, a student or employee may not charge not more than \$[insert amount] or [insert number of] meals to this account. When an account reaches this limit, a student shall not be allowed to charge further meals~~

~~or a la carte items until the negative account balance is paid. [Insert description for how families may add money to students' accounts. It is the family's or employee's responsibility to monitor their meal account balances and make deposits to their accounts through the payment portal on the district website:~~

- B. If the school district receives school lunch aid under Minnesota Statutes section 124D.111, it must make lunch available without charge to all participating students who qualify for free or reduced-price meals regardless of account balance.
- C. A student with an outstanding meal charge debt will be allowed to purchase a meal if the student pays for the meal when it is received.
- D. A student who has been determined to be eligible for free and reduced-price lunch always must be served a reimbursable meal even if the student has an outstanding debt.
- E. Once a meal has been placed on a student's tray or otherwise served to a student, the meal may not be subsequently withdrawn from the student by the cashier or other school official, whether or not the student has an outstanding meals balance.
- F. The school district may provide an alternate meal that meets federal and state requirements to a student who does not have sufficient funds in the student's account or cannot pay cash for a meal. The school district will accommodate special dietary needs with respect to alternate meals. The cost of the alternative meal will be charged to an account reserved for student support.
- G. When a student has a ~~negative~~ zero account balance, the student will not be allowed to charge a snack item.
- H. If a parent or guardian chooses to send in one payment that is to be divided between sibling accounts, the parent or guardian must specify how the funds are to be distributed to the students' accounts. Funds may not be transferred between sibling accounts unless written permission is received from the parent or guardian.

III. LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION

- B. Families will be notified when the account balance is at \$50 or less. of an outstanding negative balance once the negative balance reaches.

- C. Reminders for payment of outstanding or low student meal balances will not demean or stigmatize any student participating in the school lunch program, including, but not limited to, dumping meals, withdrawing a meal that has been served, announcing or listing students' names publicly, or affixing stickers, stamps, or pins.
- D. The following individuals may personally contact students' parents/guardians via telephone, text, e-mail, send letters via U.S. Mail, or send notices home in students' backpacks/folders as necessary:

- B. The school district will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.
- C. Families who have not submitted a 2022-2023 educational benefits application with negative balances on October 1, 2022 will have those debts turned over to the superintendent or superintendent's designee for collection. In some instances, the school district does use a collection agency to collect unpaid school meal debts after reasonable efforts first have been made by the school district to collect the debt. Collection options may include, but are not limited to, use of collection agencies, claims in the conciliation court, or any other legal method permitted by law.

506 STUDENT DISCIPLINE

I. PURPOSE

The purpose of this policy is to ensure that students are aware of and comply with the school district's expectations for student conduct. Such compliance will enhance the school district's ability to maintain discipline and ensure that there is no interference with the educational process. The school district will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.

II. GENERAL STATEMENT OF POLICY

The school board recognizes that individual responsibility and mutual respect are essential components of the educational process. The school board further recognizes that nurturing the maturity of each student is of primary importance and is closely linked with the balance that must be maintained between authority and self-discipline as the individual progresses from a child's dependence on authority to the more mature behavior of self-control.

All students are entitled to learn and develop in a setting which promotes respect of self, others, and property. Proper positive discipline can only result from an environment which provides options and stresses student self-direction, decision-making, and responsibility. Schools can function effectively only with internal discipline based on mutual understanding of rights and responsibilities.

Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Overall decorum affects student attitudes and influences student behavior. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

Although this policy emphasizes the development of self-discipline, it is recognized that there are instances when it will be necessary to administer disciplinary measures. The position of the school district is that a fair and equitable district-wide student discipline policy will contribute to the quality of the student's educational experience. This discipline policy is adopted in accordance with and subject to the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.

In view of the foregoing and in accordance with Minn. Stat. § 121A.55, the school board, with the participation of school district administrators, teachers, employees, students, parents, community members, and such other individuals and organizations as

appropriate, has developed this policy which governs student conduct and applies to all students of the school district.

III. AREAS OF RESPONSIBILITY

- A. The School Board. The school board holds all school personnel responsible for the maintenance of order within the school district and supports all personnel acting within the framework of this discipline policy.
- B. Superintendent. The superintendent shall establish guidelines and directives to carry out this policy, hold all school personnel, students, and parents responsible for conforming to this policy, and support all school personnel performing their duties within the framework of this policy. The superintendent shall also establish guidelines and directives for using the services of appropriate agencies for assisting students and parents. Any guidelines or directives established to implement this policy shall be submitted to the school board for approval and shall be attached as an addendum to this policy.
- C. Principal. The school principal is given the responsibility and authority to formulate building rules and regulations necessary to enforce this policy, subject to final school board approval. The principal shall give direction and support to all school personnel performing their duties within the framework of this policy. The principal shall consult with parents of students conducting themselves in a manner contrary to the policy. The principal shall also involve other professional employees in the disposition of behavior referrals and shall make use of those agencies appropriate for assisting students and parents. A principal, in exercising his or her lawful authority, may use reasonable force when it is necessary under the circumstances to correct or restrain a student or prevent bodily harm or death to another.
- D. Teachers. All teachers shall be responsible for providing a well-planned teaching/learning environment and shall have primary responsibility for student conduct, with appropriate assistance from the administration. All teachers shall enforce the Code of Student Conduct. In exercising the teacher's lawful authority, a teacher may use reasonable force when it is necessary under the circumstances to correct or restrain a student or prevent bodily harm or death to another.
- E. Other School District Personnel. All school district personnel shall be responsible for contributing to the atmosphere of mutual respect within the school. Their responsibilities relating to student behavior shall be as authorized and directed by the superintendent. A school employee, school bus driver, or other agent of a school district, in exercising his or her lawful authority, may use reasonable force when it is necessary under the circumstances to restrain a student or prevent bodily harm or death to another.
- F. Parents or Legal Guardians. Parents and guardians shall be held responsible for the behavior of their children as determined by law and community practice.

They are expected to cooperate with school authorities and to participate regarding the behavior of their children.

- G. Students. All students shall be held individually responsible for their behavior and for knowing and obeying the Code of Student Conduct and this policy.
- H. Community Members. Members of the community are expected to contribute to the establishment of an atmosphere in which rights and duties are effectively acknowledged and fulfilled.

IV. STUDENT RIGHTS

All students have the right to an education and the right to learn.

V. STUDENT RESPONSIBILITIES

All students have the responsibility:

- A. For their behavior and for knowing and obeying all school rules, regulations, policies, and procedures;
- B. To attend school daily, except when excused, and to be on time to all classes and other school functions;
- C. To pursue and attempt to complete the courses of study prescribed by the state and local school authorities;

- L. To avoid inaccuracies in student newspapers or publications and refrain from indecent or obscene language;
- M. To conduct themselves in an appropriate physical or verbal manner; and
- N. To recognize and respect the rights of others.

VI. CODE OF STUDENT CONDUCT

- A. The following are examples of unacceptable behavior subject to disciplinary action by the school district. These examples are not intended to be an exclusive list. Any student who engages in any of these activities shall be disciplined in accordance with this policy. This policy applies to all school buildings, school grounds, and school property or property immediately adjacent to school grounds; school-sponsored activities or trips; school bus stops; school buses, school vehicles, school contracted vehicles, or any other vehicles approved for school district purposes; the area of entrance or departure from school premises or events; and all school-related functions, school-sponsored activities, events, or trips. School district property also may mean a student's walking route to or from school for purposes of attending school or school-related functions, activities, or events. While prohibiting unacceptable behavior subject to disciplinary action at these locations and events, the school district does not represent that it will provide supervision or assume liability at these locations and events. This policy also applies to any student whose conduct at any time or in any place interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student, other students, or employees.
 - 1. Violations against property including, but not limited to, damage to or destruction of school property or the property of others, failure to compensate for damage or destruction of such property, arson, breaking and entering, theft, robbery, possession of stolen property, extortion, trespassing, unauthorized usage, or vandalism;
 - 2. The use of profanity or obscene language, or the possession of obscene materials;

VII. DISCIPLINARY ACTION OPTIONS

The general policy of the school district is to utilize progressive discipline to the extent reasonable and appropriate based upon the specific facts and circumstances of student misconduct. The specific form of discipline chosen in a particular case is solely within the discretion of the school district. At a minimum, violation of school district rules, regulations, policies, or procedures will result in discussion of the violation and a verbal warning. The school district shall, however, impose more severe disciplinary sanctions for any violation, including exclusion or expulsion, if warranted by the student's misconduct, as determined by the school district. Disciplinary action may include, but is not limited to, one or more of the following:

- A. Student conference with teacher, principal, counselor, or other school district personnel, and verbal warning;
- B. Confiscation by school district personnel and/or by law enforcement of any item, article, object, or thing, prohibited by, or used in the violation of, any school district policy, rule, regulation, procedure, or state or federal law. If confiscated by the school district, the confiscated item, article, object, or thing will be released only to the parent/guardian following the completion of any investigation or disciplinary action instituted or taken related to the violation.

- S. Exclusion under the Pupil Fair Dismissal Act; and/or
- T. Other disciplinary action as deemed appropriate by the school district.

VIII. REMOVAL OF STUDENTS FROM CLASS

- A. The teacher of record shall have the general control and government of the classroom. Teachers have the responsibility of attempting to modify disruptive student behavior by such means as conferring with the student, using positive reinforcement, assigning detention or other consequences, or contacting the student's parents. When such measures fail, or when the teacher determines it is otherwise appropriate based upon the student's conduct, the teacher shall have the authority to remove the student from class pursuant to the procedures established by this discipline policy. "Removal from class" and "removal" mean any actions taken by a teacher, principal, or other school district employee to prohibit a student from attending a class or activity period for a period of time not to exceed five (5) days, pursuant to this discipline policy.

Grounds for removal from class shall include any of the following:

- 1. Willful conduct that significantly disrupts the rights of others to an education, including conduct that interferes with a teacher's ability to teach or communicate effectively with students in a class or with the ability of other students to learn;
- 2. Willful conduct that endangers surrounding persons, including school district employees, the student or other students, or the property of the school;
- 3. Willful violation of any school rules, regulations, policies or procedures, including the Code of Student Conduct in this policy; or
- 4. Other conduct, which in the discretion of the teacher or administration, requires removal of the student from class.

Such removal shall be for at least one (1) activity period or class period of

instruction for a given course of study and shall not exceed five (5) such periods.

A student must be removed from class immediately if the student engages in assault or violent behavior. "Assault" is an act done with intent to cause fear in another of immediate bodily harm or death; or the intentional infliction of, or attempt to inflict, bodily harm upon another. The removal from class shall be for a period of time deemed appropriate by the principal, in consultation with the teacher.

- B. If a student is removed from class more than ten (10) times in a school year, the school district shall notify the parent or guardian of the student's tenth removal from class and make reasonable attempts to convene a meeting with the student's parent or guardian to discuss the problem that is causing the student to be removed from class.

C. *Procedures for Removal of a Student From a Class.*

1. The teacher will call the office to request an administrator or designee to escort the student to the office.

D. *Responsibility for and Custody of a Student Removed From Class.*

1. The student should be accompanied, if possible, by an adult. When this is not possible, the office should be contacted immediately.
2. Students removed from class will be the responsibility of office personnel, and apply themselves to instructional work as provided by their teachers.
3. The classroom teacher shall provide all necessary assignments and learning materials for the students during the removal period.

E. *Procedures for Return of a Student to a Class From Which the Student Was Removed.*

1. The removing teacher will provide a written incident report and review the incident with an administrator to determine the removal length, schedule parent conference if necessary, and develop a readmission plan.

F. *Procedures for Notification.*

1. The teacher, administrator, or designee will contact parents/guardians to discuss the behavior, readmission plan, and classroom expectations.

G. *Disabled Students; Special Provisions.*

1. Case managers will be consulted with whenever a student removed from class has an active IEP. Appropriate limitations will be implemented as determined by the student's case manager or the IEP team.

H. *Procedures for Detecting and Addressing Chemical Abuse Problems of Students While on School Premises.*

1. *Establishment of a chemical abuse preassessment team pursuant to Minn. Stat. § 121A.26;*
2. *Establishment of teacher reporting procedures to the chemical abuse preassessment team pursuant to Minn. Stat. § 121A.29.*

IX. DISMISSAL

- A. "Dismissal" means the denial of the current educational program to any student, including exclusion, expulsion and suspension. Dismissal does not include removal from class.

The school district shall not deny due process or equal protection of the law to any student involved in a dismissal proceeding which may result in suspension, exclusion or expulsion.

The school district shall not dismiss any student without attempting to provide alternative educational services before dismissal proceedings, except where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property.

- B. Violations leading to suspension, based upon severity, may also be grounds for actions leading to expulsion, and/or exclusion. A student may be dismissed on any of the following grounds:

1. Willful violation of any reasonable school board regulation, including those found in this policy;
2. Willful conduct that significantly disrupts the rights of others to an education, or the ability of school personnel to perform their duties, or school sponsored extracurricular activities; or
3. Willful conduct that endangers the student or other students, or surrounding persons, including school district employees, or property of the school.

C. Suspension Procedures

1. "Suspension" means an action by the school administration, under rules promulgated by the School Board, prohibiting a student from attending school for a period of no more than ten (10) school days; provided,

however, if a suspension is longer than five (5) school days, the suspending administrator shall provide the superintendent with a reason for the longer term of suspension. This definition does not apply to dismissal for one (1) school day or less where a student with a disability does not receive regular or special education instruction during that dismissal period.

2. If a student's total days of removal from school exceed ten (10) cumulative days in a school year, the school district shall make reasonable attempts to convene a meeting with the student and the student's parent or guardian before subsequently removing the student from school and, with the permission of the parent or guardian, arrange for a mental health screening for the student at the parent or guardian's expense. The purpose of this meeting is to attempt to determine the student's need for assessment or other services or whether the parent or guardian should have the student assessed or diagnosed to determine whether the student needs treatment for a mental health disorder.
3. Each suspension action may include a readmission plan. The plan shall include, where appropriate, a provision for implementing alternative educational services upon readmission which must not be used to extend the current suspension. A readmission plan must not obligate a parent or guardian to provide psychotropic drugs to their student as a condition of readmission. School administration must not use the refusal of a parent or guardian to consent to the administration of psychotropic drugs to their student or to consent to a psychiatric evaluation, screening, or examination of the student as a ground, by itself, to prohibit the student from attending class or participating in a school-related activity, or as a basis of a charge of child abuse, child neglect, or medical or educational neglect. The school administration may not impose consecutive suspensions against the same student for the same course of conduct, or incident of misconduct, except where the student will create an immediate and substantial danger to self or to surrounding persons or property or where the school district is in the process of initiating an expulsion, in which case the school administration may extend the suspension to a total of fifteen (15) days.
4. A child with a disability may be suspended. When a child with a disability has been suspended for more than five (5) consecutive days or ten (10) cumulative school days in the same year, and that suspension does not involve a recommendation for expulsion or exclusion or other change in placement under federal law, relevant members of the child's IEP team, including at least one of the child's teachers, shall meet and determine the extent to which the child needs services in order to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the child's IEP. That meeting must occur as soon as possible, but no more than ten (10) days after the sixth (6th) consecutive day of suspension or the tenth (10th) cumulative day of

suspension has elapsed.

5. The school administration shall implement alternative educational services when the suspension exceeds five (5) days. Alternative educational services may include, but are not limited to, special tutoring, modified curriculum, modified instruction, other modifications or adaptations, instruction through electronic media, special education services as indicated by appropriate assessments, homebased or community site instruction, supervised homework, or enrollment in another district or in an alternative learning center under Minn. Stat. § 123A.05 selected to allow the student to progress toward meeting graduation standards under Minn. Stat. § 120B.02, although in a different setting.
6. The school administration shall not suspend a student from school without an informal administrative conference with the student. The informal administrative conference shall take place before the suspension, except where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property, in which case the conference shall take place as soon as practicable following the suspension. At the informal administrative conference, a school administrator shall notify the student of the grounds for the suspension, provide an explanation of the evidence the authorities have, and the student may present the student's version of the facts. A separate administrative conference is required for each period of suspension.
7. After school administration notifies a student of the grounds for suspension, school administration may, instead of imposing the suspension, do one or more of the following:
 - a. assign the student to attend school on Saturday as supervised by the principal or the principal's designee; and
 - b. petition the juvenile court that the student is in need of services under Minn. Stat. Ch. 260C.
8. A written notice containing the grounds for suspension, a brief statement of the facts, a description of the testimony, a readmission plan, and a copy of the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56, shall be personally served upon the student at or before the time the suspension is to take effect, and upon the student's parent or guardian by mail within forty-eight (48) hours of the conference. (See attached sample Notice of Suspension.)
9. The school administration shall make reasonable efforts to notify the student's parent or guardian of the suspension by telephone as soon as possible following suspension.
10. In the event a student is suspended without an informal administrative

conference on the grounds that the student will create an immediate and substantial danger to surrounding persons or property, the written notice shall be served upon the student and the student's parent or guardian within forty-eight (48) hours of the suspension. Service by mail shall be complete upon mailing.

11. Notwithstanding the foregoing provisions, the student may be suspended pending the school board's decision in an expulsion or exclusion proceeding, provided that alternative educational services are implemented to the extent that suspension exceeds five (5) days.

D. Expulsion and Exclusion Procedures

1. "Expulsion" means a school board action to prohibit an enrolled student from further attendance for up to twelve (12) months from the date the student is expelled. The authority to expel rests with the school board.
2. "Exclusion" means an action taken by the school board to prevent enrollment or re-enrollment of a student for a period that shall not extend beyond the school year. The authority to exclude rests with the school board.
3. All expulsion and exclusion proceedings will be held pursuant to and in accordance with the provisions of the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§121A.40-121A.56.
4. No expulsion or exclusion shall be imposed without a hearing, unless the right to a hearing is waived in writing by the student and parent or guardian.
5. The student and parent or guardian shall be provided written notice of the school district's intent to initiate expulsion or exclusion proceedings. This notice shall be served upon the student and his or her parent or guardian personally or by mail, and shall contain a complete statement of the facts; a list of the witnesses and a description of their testimony; state the date, time and place of hearing; be accompanied by a copy of the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56; describe alternative educational services accorded the student in an attempt to avoid the expulsion proceedings; and inform the student and parent or guardian of their right to: (1) have a representative of the student's own choosing, including legal counsel at the hearing; (2) examine the student's records before the hearing; (3) present evidence; and (4) confront and cross-examine witnesses. The school district shall advise the student's parent or guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from the Minnesota Department of Education (MDE).
6. The hearing shall be scheduled within ten (10) days of the service of the

written notice unless an extension, not to exceed five (5) days, is requested for good cause by the school district, student, parent, or guardian.

7. All hearings shall be held at a time and place reasonably convenient to the student, parent, or guardian and shall be closed, unless the student, parent, or guardian requests an open hearing.
8. The school district shall record the hearing proceedings at district expense, and a party may obtain a transcript at its own expense.
9. The student shall have a right to a representative of the student's own choosing, including legal counsel, at the student's sole expense. The school district shall advise the student's parent or guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from MDE. The school board may appoint an attorney to represent the school district in any proceeding.
10. If the student designates a representative other than the parent or guardian, the representative must have a written authorization from the student and the parent or guardian providing them with access to and/or copies of the student's records.
11. All expulsion or exclusion hearings shall take place before and be conducted by an independent hearing officer designated by the school district. The hearing shall be conducted in a fair and impartial manner. Testimony shall be given under oath and the hearing officer shall have the power to issue subpoenas and administer oaths.
12. At a reasonable time prior to the hearing, the student, parent or guardian, or authorized representative shall be given access to all school district records pertaining to the student, including any tests or reports upon which the proposed dismissal action may be based.
13. The student, parent or guardian, or authorized representative, shall have the right to compel the presence of any school district employee or agent or any other person who may have evidence upon which the proposed dismissal action may be based, and to confront and cross-examine any witnesses testifying for the school district.
14. The student, parent or guardian, or authorized representative, shall have the right to present evidence and testimony, including expert psychological or educational testimony.
15. The student cannot be compelled to testify in the dismissal proceedings.
16. The hearing officer shall prepare findings and a recommendation based solely upon substantial evidence presented at the hearing, which must be made to the school board and served upon the parties within two (2) days

after the close of the hearing.

17. The school board shall base its decision upon the findings and recommendation of the hearing officer and shall render its decision at a meeting held within five (5) days after receiving the findings and recommendation. The school board may provide the parties with the opportunity to present exceptions and comments to the hearing officer's findings and recommendation provided that neither party presents any evidence not admitted at the hearing. The decision by the school board must be based on the record, must be in writing, and must state the controlling facts on which the decision is made in sufficient detail to apprise the parties and the Commissioner of Education (Commissioner) of the basis and reason for the decision.
18. A party to an expulsion or exclusion decision made by the school board may appeal the decision to the Commissioner within twenty-one (21) calendar days of school board action pursuant to Minn. Stat. § 121A.49. The decision of the school board shall be implemented during the appeal to the Commissioner.
19. The school district shall report any suspension, expulsion or exclusion action taken to the appropriate public service agency, when the student is under the supervision of such agency.
20. The school district must report, through the MDE electronic reporting system, each expulsion or exclusion within thirty (30) days of the effective date of the action to the Commissioner. This report must include a statement of alternative educational services given the student and the reason for, the effective date, and the duration of the exclusion or expulsion. The report must also include the student's age, grade, gender, race, and special education status. The dismissal report must include state student identification numbers of affected students.
21. Whenever a student fails to return to school within ten (10) school days of the termination of dismissal, a school administrator shall inform the student and his/her parent or guardian by mail of the student's right to attend and to be reinstated in the school district.

X. ADMISSION OR READMISSION PLAN

A school administrator shall prepare and enforce an admission or readmission plan for any student who is excluded or expelled from school. The plan may include measures to improve the student's behavior, including completing a character education program consistent with Minn. Stat. § 120B.232, Subd. 1, and require parental involvement in the admission or readmission process, and may indicate the consequences to the student of not improving the student's behavior. The readmission plan must not obligate parents to provide a sympathomimetic medication for their child as a condition of readmission.

XI. NOTIFICATION OF POLICY VIOLATIONS

Notification of any violation of this policy and resulting disciplinary action shall be as provided herein, or as otherwise provided by the Pupil Fair Dismissal Act or other applicable law. The teacher, principal or other school district official may provide additional notification as deemed appropriate.

In addition, the school district must report, through the MDE electronic reporting system, each physical assault of a school district employee by a student within thirty (30) days of the assault. This report must include a statement of the alternative educational services or other sanction, intervention, or resolution given to the student in response to the assault and the reason for, the effective date, and the duration of the exclusion or expulsion or other sanction, intervention, or resolution. The report must also include the student's age, grade, gender, race, and special education status.

XII. STUDENT DISCIPLINE RECORDS

The policy of the school district is that complete and accurate student discipline records be maintained. The collection, dissemination, and maintenance of student discipline records shall be consistent with applicable school district policies and federal and state law, including the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13.

XIII. DISABLED STUDENTS

Students who are currently identified as eligible under the IDEA or Section 504 will be subject to the provisions of this policy, unless the student's IEP or 504 plan specifies a necessary modification.

Before initiating an expulsion or exclusion of a student with a disability, relevant members of the child's IEP team and the child's parent shall, consistent with federal law, conduct a manifestation determination and determine whether the child's behavior was (i) caused by or had a direct and substantial relationship to the child's disability and (ii) whether the child's conduct was a direct result of a failure to implement the child's IEP. If the student's educational program is appropriate and the behavior is not a manifestation of the student's disability, the school district will proceed with discipline – up to and including expulsion – as if the student did not have a disability, unless the student's educational program provides otherwise. If the team determines that the behavior subject to discipline is a manifestation of the student's disability, the team shall conduct a functional behavioral assessment and implement a behavioral intervention plan for such student provided that the school district had not conducted such assessment prior to the manifestation determination before the behavior that resulted in a change of placement. Where a behavioral intervention plan previously has been developed, the team will review the behavioral intervention plan and modify it as necessary to address the behavior.

When a student who has an IEP is excluded or expelled for misbehavior that is not a manifestation of the student's disability, the school district shall continue to provide special education and related services during the period of expulsion or exclusion.

XIV. OPEN ENROLLED STUDENTS

The school district may terminate the enrollment of a nonresident student enrolled under an Enrollment Option Program (Minn. Stat. § 124D.03) or Enrollment in Nonresident District (Minn. Stat. § 124D.08) at the end of a school year if the student meets the definition of a habitual truant, the student has been provided appropriate services for truancy (Minn. Stat. Ch. 260A), and the student's case has been referred to juvenile court. The school district may also terminate the enrollment of a nonresident student over the age of seventeen (17) enrolled under an Enrollment Options Program if the student is absent without lawful excuse for one or more periods on fifteen (15) school days and has not lawfully withdrawn from school.

XV. DISTRIBUTION OF POLICY

The school district will notify students and parents of the existence and contents of this policy in such manner as it deems appropriate. Copies of this discipline policy shall be made available to all students and parents at the commencement of each school year and to all new students and parents upon enrollment. This policy shall also be available upon request in each principal's office.

XVI. REVIEW OF POLICY

The principal and representatives of parents, students and staff in each school building shall confer at least annually to review this discipline policy, determine if the policy is working as intended, and to assess whether the discipline policy has been enforced. Any recommended changes shall be submitted to the superintendent for consideration by the school board, which shall conduct an annual review of this policy.

722 PUBLIC DATA REQUESTS

I. PURPOSE

The school district recognizes its responsibility relative to the collection, maintenance, and dissemination of public data as provided in state statutes.

II. GENERAL STATEMENT OF POLICY

The school district will comply with the requirements of the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13 (MGDPA), and Minn. Rules Parts 1205.0100-1205.2000 in responding to requests for public data.

III. DEFINITIONS

A. Government Data

“Government data” means all recorded information that the school district has, including paper, email, flash drives, CDs, DVDs, photographs, etc.

B. Inspection

“Inspection” means the visual inspection of paper and similar types of government data. Inspection does not include printing copies by the school district, unless printing a copy is the only method to provide for inspection of the data. For data stored in electronic form and made available in electronic form on a remote access basis to the public by the school district, inspection includes remote access to the data by the public and the ability to print copies of or download the data on the public’s own computer equipment.

C. Public Data

“Public data” means all government data collected, created, received, maintained, or disseminated by the school district, unless classified by statute, temporary classification pursuant to statute, or federal law, as nonpublic or protected nonpublic; or, with respect to data on individuals, as private or confidential.

D. Responsible Authority

“Responsible authority” means the individual designated by the school board as the individual responsible for the collection, use, and dissemination of any set of data on individuals, government data, or summary data, unless otherwise provided by state law. Until an individual is designated by the school board, the responsible authority is the superintendent.

E. Summary Data

“Summary data” means statistical records and reports derived from data on individuals but in which individuals are not identified and from which neither their identities nor any other characteristic that could uniquely identify an individual is ascertainable.

IV. REQUESTS FOR PUBLIC DATA

- A. All requests for public data must be made in writing directed to the responsible authority.
1. A request for public data must include the following information:
 - a. Date the request is made;
 - b. A clear description of the data requested;
 - c. Identification of the form in which the data is to be provided (e.g., inspection, copying, both inspection and copying, etc.); and
 - d. Method to contact the requestor (such as phone number, address, or email address).
 2. A requestor is not required to explain the reason for the data request.
 3. The identity of the requestor is public, if provided, but cannot be required by the government entity.
 4. The responsible authority may seek clarification from the requestor if the request is not clear before providing a response to the data request.
- B. The responsible authority will respond to a data request at reasonable times and places as follows:
1. The responsible authority will notify the requestor in writing as follows:
 - a. The requested data does not exist; or
 - b. The requested data does exist but either all or a portion of the data is not accessible to the requestor; or

- (1) If the responsible authority determines that the requested data is classified so that access to the requestor is denied, the responsible authority will inform the requestor of the determination in writing, as soon thereafter as possible, and shall cite the specific statutory section, temporary classification, or specific provision of federal law on which the determination is based.
 - (2) Upon the request of a requestor who is denied access to data, the responsible authority shall certify in writing that the request has been denied and cite the specific statutory section, temporary classification, or specific provision of federal law upon which the denial was based.
- c. The requested data does exist and provide arrangements for inspection of the data, identify when the data will be available for pick-up, or indicate that the data will be sent by mail. If the requestor does not appear at the time and place established for inspection of the data or the data is not picked up within ten (10) business days after the requestor is notified, the school district will conclude that the data is no longer wanted and will consider the request closed.
2. The school district's response time may be affected by the size and complexity of the particular request, including necessary redactions of the data, and also by the number of requests made within a particular period of time.
 3. The school district will provide an explanation of technical terminology, abbreviations, or acronyms contained in the responsive data on request.
 4. The school district is not required by the MGDPA to create or collect new data in response to a data request, or to provide responsive data in a specific form or arrangement if the school district does not keep the data in that form or arrangement.
 5. The school district is not required to respond to questions that are not about a particular data request or requests for data in general.

V. REQUEST FOR SUMMARY DATA

- A. A request for the preparation of summary data shall be made in writing directed to the responsible authority.
 1. A request for the preparation of summary data must include the following information:

- a. Date the request is made;
 - b. A clear description of the data requested;
 - c. Identify the form in which the data is to be provided (e.g., inspection, copying, both inspection and copying, etc.); and
 - d. Method to contact requestor (phone number, address, or email address).
- B. The responsible authority will respond within ten (10) business days of the receipt of a request to prepare summary data and inform the requestor of the following:
 1. The estimated costs of preparing the summary data, if any; and
 2. The summary data requested; or
 3. A written statement describing a time schedule for preparing the requested summary data, including reasons for any time delays; or
 4. A written statement describing the reasons why the responsible authority has determined that the requestor's access would compromise the private or confidential data.
- C. The school district may require the requestor to pre-pay all or a portion of the cost of creating the summary data before the school district begins to prepare the summary data.

VI. COSTS

A. Public Data

1. The school district will charge for copies provided as follows:
 - a. 100 or fewer pages of black and white, letter or legal sized paper copies will be charged at 25 cents for a one-sided copy or 50 cents for a two-sided copy.
 - b. More than 100 pages or copies on other materials are charged based upon the actual cost of searching for and retrieving the data and making the copies or electronically sending the data, unless the cost is specifically set by statute or rule.
 - (1) The actual cost of making copies includes employee time, the cost of the materials onto which the data is copied (paper, CD, DVD, etc.), and mailing costs (if any).

- (2) Also, if the school district does not have the capacity to make the copies, e.g., photographs, the actual cost paid by the school district to an outside vendor will be charged.

2. All charges must be paid for in cash in advance of receiving the copies.

B. Summary Data

1. Any costs incurred in the preparation of summary data shall be paid by the requestor prior to preparing or supplying the summary data.
2. The school district may assess costs associated with the preparation of summary data as follows:
 - a. The cost of materials, including paper, the cost of the labor required to prepare the copies, any schedule of standard copying charges established by the school district, any special costs necessary to produce such copies from a machine-based record-keeping system, including computers and microfilm systems;
 - b. The school district may consider the reasonable value of the summary data prepared and, where appropriate, reduce the costs assessed to the requestor.

VII: Annual Review and Posting

- A. The responsible authority shall prepare a written data access policy and a written policy for the rights of data subjects (including specific procedures the school district uses for access by the data subject to public or private data on individuals). The responsible authority shall update the policies no later than August 1 of each year, and at any other time as necessary to reflect changes in personnel, procedures, or other circumstances that impact the public's ability to access data.
- B. Copies of the policies shall be easily available to the public by distributing free copies to the public or by posting the policies in a conspicuous place within the school district that is easily accessible to the public or by posting them on the school district's website.

2) Academics

3) Attendance

3) Rules and Discipline; and

4) Health, Safety, and Privacy Policies.

GENERAL INFORMATION

Accidents

Every accident in the school building, on the school grounds, at practice sessions, or at an activity sponsored by the school must be reported immediately to the person in charge, the school nurse, and to the principal. Staff is required to fill out accident report forms but can only do so when informed by the student of the accident. Parents/guardians of an injured student will be notified as soon as possible. If the student requires immediate medical attention, the principal or other district leader will call 911 or seek emergency medical treatment and then contact the parent(s).

Announcements - Bulletin

All notices of meetings, athletic events and general information for the day will be printed in the daily bulletin each morning. Pupils presenting notices must have prior approval from administration. D.R.H.S. daily bulletins will be posted on the school website: www.isd317.org and/or sent through electronic communications only.

Arrival and Dismissal

The building is open, and supervision is provided to students from 8:00 AM until 3:35 PM. Students will not be permitted in the building after 3:35 PM on school days or at any time on weekends, unless supervised in person by school staff or coach. Organized groups or clubs must have a supervisory instructor present when activity or work is being done. No student shall be left unsupervised.

Arriving after an Absence:

Any student who was absent must, upon return to school, report to the High School office to pick up an absentee slip to admit him/her to class. No student is to be admitted to class without an admit slip following an absence.

Leaving the Building:

No student will be permitted to leave the building to go elsewhere unless it is a supervised activity with a teacher for which arrangements have been made with the office or the student has a written permit slip from the office to allow him/her to leave. Students are required to sign out on a sign-out log in the office. Senior high students (grades 9-12) are the only students permitted during lunch to leave school property without permission. Failure to sign out using proper procedures may result in truancy consequences. See "truancy" for more information.

Care of School Property *

Students are responsible for the proper care of their books, computers and tablets, library books, supplies, locks, lockers, and furniture supplied by the school. Parents of students who fail to pay fines, fees, or replacement cost for damaged or lost/stolen school property will be notified. Students who disfigure property, break windows, or do other damage to school property or equipment will be required to pay for the damage done or replace the item. Willful damage will also result in suspension and possible criminal charges. Students are responsible for cleaning their locker periodically and at the end of the school year. For more information, see "vandalism".

Materials that are part of the basic educational program are provided with state, federal, and local funds at no charge to a student. Students are expected to provide their own pencils, paper, erasers, and notebooks; however, individual students may contact the office for support, if needed. Students may be required to pay certain other fees or deposits, including, but not limited to:

1. Cost for materials for a class project that exceeds minimum requirements and is kept by the student.
2. Security deposits for the return of materials, supplies, or equipment.
3. Field trips considered supplementary to the district's educational program.
4. Admission fees or costs to attend or participate in optional extracurricular activities and programs.
5. Use of musical instruments owned or rented by the school district.
6. Transportation of students to and from optional extracurricular activities or post-secondary instruction conducted at locations other than school.

Students will be charged for electronic devices, textbooks, workbooks, and library books that are lost or destroyed. The school district may waive a required fee or deposit if the student and parent/guardian are unable to pay. For more information, contact the high school office.

- Electronic Devices – Lost – 75% of the initial cost
- New books:
1. Lost - 75% of the initial cost
 2. Pages Torn - 25% of the initial cost
 3. Broken Binding - 50% of the initial cost

- Used books:
1. Lost - 50% of the initial cost
 2. Damaged - 25% of the initial cost

Class Schedule

Changes can be made to a student’s schedule, provided the changes adhere to appropriate timelines, do not overload a class, do not conflict with the current schedule, and result in a reasonable program of studies in terms of the established curriculum. To avoid schedule changes, students should consider their course options carefully during registration. A final failing (F) grade will be recorded when a student drops a course after the fourth (4th) week of the course without an administration-initiated class change. See “Dropped Course” for more information.

Closing of School – Direction from new Superintendent

School may be cancelled when the superintendent believes the safety of students and employees is threatened by severe weather or other circumstances. The superintendent will decide about closing school or school buildings as early in the day as possible. School-closing announcements will be school website (www.isd317.org).

Clubs and Activities

The student council is the governing body on the student level at D.R.H.S. The council meets as is necessary during the school term. The council considers questions coming from students, faculty, and other interested individuals.

The school district provides opportunities for students to pursue special interests that contribute to their physical, mental, and emotional health; however, instruction is the school district’s priority. Students who participate in school-sponsored activities are expected to responsibly represent the school and community. All rules pertaining to student conduct and student discipline apply to school activities. See “Fundraising” for more information.

Deer River High School is a participating member of the Minnesota State High School League (MSHSL). Students participating in activities governed by the MSHSL (which includes music, fine arts, and sports) who violate MSHSL rules are subject to the discipline policies of the MSHSL and Deer River High School. Violations that result in district and MSHSL penalties include hazing; sexual, racial, and religious harassment; violence, and use of drugs, alcohol, or other controlled substances. Penalties for code violations as stated in the High School League/Deer River Extra-Curricular Handbook will be enforced. Employees who conduct MSHSL activities will cover applicable rules, penalties, and opportunities with students and parents/guardians prior to the start of an activity. For more information about the MSHSL rules and student eligibility requirements, contact the high school office.

Eighteen-Year-Old Students

The age of majority for most purposes in Minnesota is 18 years of age. All students, regardless of age, are governed by the rules for students provided in school district policy. Students that turn 18 will follow all regular rules for students, including required parent signatures unless they opt for age of majority rights. Please discuss this with the building principal for the best option for you and your family.

Employment Background Checks *

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees.

Field Trips/Sports Early Out Eligibility Policy for Grades 6-12:

There are two times throughout the quarter that students' grades will be checked. These two monitoring periods are at mid-quarter and end of the quarter. Each grade check has its own eligibility consequence.

A. If a student earns one or more failing grades (F) at the mid-quarter check, the student will be ineligible to participate in field trips/sports early out as soon as the teacher/coach are notified. To become eligible for the field trip/sports early out, the student must present the Principal/AD with a teacher signed grade report proving they are currently passing all their classes three (3) days prior to the event. **Only the Principal or his/her designee may deem a student eligible to attend.**

B. If a student earns one or more failing grades (F) at the end of a quarter 1, 2, 3, or at midterm 4th quarter grading periods, the student will be ineligible to attend field trips/sports early out. To become eligible for the field trips/sports early out, the student must present the Principal/AD with a teacher signed grade report proving they are currently passing all their classes three (3) days prior to the event. **Only the Principal or his/her designee may deem a student eligible to attend.**

C. Other items to be considered by the principal for eligibility:

1. Attendance Record
2. Discipline Record

Fundraising

All fundraising activities conducted by student groups and organizations and/or parent groups must be approved in advance by the high school Athletics/Activities Director. Participation in non-approved fundraising activities is a violation of school district policy. Solicitations of students or employees by students for nonschool-related activities will not be allowed during the school day.

Graduation Ceremony

Student participation in the graduation ceremony is a privilege, not a right. Only students who have completed the requirements for graduation are allowed to participate in graduation exercises, unless participation is denied for appropriate reasons, which may include discipline. Graduation exercises are under the control and direction of the building principal(s).

Students that attend Grand Rapids ALC and Cass Lake ALC (full or part-time) may graduate from Deer River High School because the Deer River School District does not have an Area Learning Center, if referred by school administration. Students that choose on-line schools, students that are home schooled, or students that attend another high school are not eligible to participate in Deer River High School Graduation ceremonies. Students taking courses through MN Infinity online will be allowed to graduate and participate in all school functions.

Hall Pass

Students shall always be issued a Teacher Pass when leaving a classroom. Students must have a pre-signed pass to go anywhere. Student academic aides are required to have a Teacher Pass whenever they are not directly under the supervision of the teacher.

Homework Requests

Parents may request homework to be collected by the high school office when their child has missed three (3) or more days of school by calling the attendance secretary at 218-246-8241 ext. 60201. If students are absent fewer than three days, homework requests should be made directly to teachers via phone or e-mail (check school website). Homework should be picked up in the high school office at the end of the day.

Interviews of Students by Outside Agencies

Students may not be interviewed during the school day by persons other than a student's parents/guardians or school district officials, employees, and/or agents, except as provided by law and/or school policy.

Library and Media Center

The library/media center is open during regular school hours and may stay open for additional hours based upon student and community needs. Students may use the library/media center during the school day and before and after school only when a supervisor is present.

Lockers

Each student is assigned a hall locker and gym locker for storage of books and equipment. All gym lockers are required to have a lock. All hall lockers assigned to students with iPads, or a laptop are required to have a lock. Students may buy a lock from the office for \$5.00.

It is the student's responsibility to see that lockers are kept locked and in good order and that lock combinations are kept confidential to prevent theft. Students shall not place illegal, harmful, or nuisance objects, material, or substance in lockers. Since lockers are the property of Deer River High School, the student has no expectation of privacy; therefore, lockers may be searched in accordance with statutes and case law. The school is not responsible for any lost or stolen items. Please contact the principal if you have valuables that need to be stored in a secure location. Please note that the sharing of lockers is not permissible. Students may be responsible for all contents of the locker assigned to him or her. See "Searches" for more information.

Lunch

Lunch is to be eaten in designated areas only. Students will be notified of their assigned lunchtime on the first day of school. Students may purchase lunch at school or bring a prepared lunch from home. Only 9-12 grade students will be permitted to leave school grounds during lunch. Students must be passing all classes and have no discipline referrals to be eligible for Open Lunch. Open food containers are allowed in the commons only. Food purchased at school, in the community, or brought from home must be consumed in the commons only.

Students at Deer River High School (grades 9-12) may be released during their lunch period for the purpose of dining at local establishments and/or conducting personal business in the downtown area. **Students wishing to go downtown during lunch must do so by WALKING – Exiting door #1 and returning by entering door #1. No personal vehicle use is allowed.** This privilege will continue if students conduct themselves in a responsible manner. Failure to comply may result in loss of Open Noon Hour privileges. **Purpose for not allowing students to use personnel vehicles is to help ensure student safety.**

Students may be eligible for free and reduced-price lunches and/or breakfasts. Free and reduced-price eligibility forms are available in the high school office. For more information regarding eligibility for free and reduced-price meals, contact the district office.

Make-Up Work

Students or parents are encouraged to request and receive class assignments when a student absence exceeds three school days by calling the High School Attendance Line at 246-3402. All work missed due to an excused absence is to be completed and full credit recorded. Students should be allowed 2 days to complete make-up work for every excused day missed. Please refer to the "Pre-Absence Form" for make-up work expectations due to extended absences.

Medication

Medication schedules for students should be adjusted around school hours so that students will not need to take medications while at school. When it is absolutely necessary for medications to be administered during school hours, the medication must be in its original container, accompanied by a written description from the doctor stating the type, dose, time, and effects of the medication. Prescription medications are not to be carried by the student but will be left with the appropriate school personnel. Exceptions that may be allowed include prescription asthma medications administered with an inhaler pursuant to school district policy and procedures, medications administered as noted in a written agreement between the school district and parent or as specified in an Individualized Education Program (IEP), a plan developed under Section 504 of the Rehabilitation Act (§504 Plan), or an individual health plan (IHP). The school district is to be notified of any change in a student's prescription medication administration.

On the rare occasion that over-the-counter medication (such as Tylenol) must be administered to a student, the permission of a parent or guardian must be obtained. All prescription medications, unless otherwise arranged, must be kept with the school Nurse. Students may possess 1 to 2 doses of an over-the-counter medication(s) in their lockers for

personal use. At no time is a student to give any type of medication to another student.

Pledge of Allegiance *

Students will recite the Pledge of Allegiance to the flag of the United States of America daily. Any person who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice. Students will also receive instruction in the proper etiquette toward, correct display of, and respect for the flag.

Report Cards

Report cards will be prepared at the completion of each nine-week instruction period. The report cards will be available online through our Student Information System. Hard copies will be mailed, if requested by parent/guardian at the end of the nine-week grading period.

School Dances

Students currently enrolled at DRHS will be permitted to attend grade appropriate dances if they are in good standing and making progress toward graduation. Severe behavior referrals or patterns of behavior may result in suspension from school dances. Students 21 years of age or older are not permitted to attend school dances. Students may request to take a guest from outside of the school as approved by the school principal. ~~Students in grades 9-10 may attend prom if escorted by an 11th or 12th grade student in good standing.~~ **Prom attendees to the Deer River Junior/Senior Prom MUST be in grades 11 or 12. A student in 10th grade may attend if asked by someone in grades 11 or 12. No student in 9th grade or younger will be allowed to be escorted to prom.**

We'll make our Alma Mater

And with a loud and lusty HIP HOORAY

Student Publications

The policy of the school district is to protect students' free speech rights while, at the same time, preserving the district's obligation to provide a learning environment that is free of disruption. All school publications are under the supervision of the building principal and/or sponsor.

Non-school-sponsored publications may not be distributed without prior approval.

The school district may exercise editorial control over the style and content of student expression in school-sponsored publications and activities. Faculty advisors shall supervise student writers to ensure compliance with the law and school district policies. Students producing official school publications and participating in school activities will be under the supervision of a faculty advisor and the school principal. "Official school publications" means school newspapers, yearbooks, or material produced in communications, journalism, or other writing classes as part of the curriculum, and the senior video. Expression in an official school publication or school-sponsored activity is prohibited when the material:

1. Is obscene to minors.
2. Is libelous or slanderous.
3. Advertises or promotes any product or service not permitted for minors by law.
4. Encourages students to commit illegal acts or violate school regulations or substantially disrupts the orderly operation of school or school activities.
5. Expresses or advocates sexual, racial, or religious harassment or violence or prejudice.
6. Is distributed or displayed in violation of time, place, and manner regulations.

Technology

DEER RIVER SCHOOL DISTRICT TECHNOLOGY AND INTERNET ACCEPTABLE USE POLICY

The electronic technologies available in the Deer River School District are valued resources to our students, staff, and community. Access to technology in the school district has been established for educational purposes. Students' will be using School District resources/accounts to access the Internet. This access may be revoked at any time for abusive or inappropriate conduct related to the use of electronic technologies. Parents/guardians have the option to request alternative educational activities not requiring Internet access and the material to exercise this option.

Failure to comply with the School District's Bullying Prohibition Policy (#514), the Internet Acceptable Use and Safety Policy (#524) and the Student Use of Cellular Phone, Digital Imaging Devices and Other Personal Electronic Devices Policy (#524.5) will result in consequences as detailed in School District policy.

1. District technology and Internet system use is subject to compliance with school district policies.
2. District issued technology and accounts are provided to students for educational purposes only. They are not to be used for personal purposes that are not related to school.
3. Use of District issued technology and accounts is a privilege, not a right. The School District reserves the right to restrict or eliminate a student's ability to use district-issued technology or accounts if the student fails to use them properly.
4. Use of the school district system is at the user's own risk. The School District will not be responsible for any damage users may suffer, including, but not limited to, loss, damage or unavailability of data stored on school district diskettes, tapes, hard drives or servers, or for delays or changes in interruptions of service or mis-deliveries or non-deliveries of information or materials, regardless of the cause. The school district is not responsible for the accuracy or quality of any advice or information obtained through or stored on the school district system. The school district will not be responsible for financial obligations arising through unauthorized use of the school district system or the Internet.
5. All users should have no expectation of privacy with respect to their use of district-issued technology and accounts. The school district and its representatives have the right to search the contents of district-issued devices and accounts at any time and for any reason.
6. Parents have the right at any time to investigate or review the contents of their child's files and email files, and the right to request termination of their child's individual account at any time.
7. Students should be aware that data and other materials in files maintained on the school district system may be subject to review, disclosure, or discovery under Minn. Stat. Ch. 13 (The Minnesota Government Data Practices Act).
8. The school district will cooperate fully with local, state, and federal authorities in any investigation concerning or related to any illegal activities or activities not in compliance with school district policies conducted through the school district system.
9. The school district utilizes technical means to limit Internet access, but these limits do not provide a foolproof means for enforcing provisions of the district's acceptable use policy.
10. Goods and services purchased over the Internet by a user resulting in unwanted financial obligations are the sole responsibility of the user or the user's guardians.
11. The collection, creation, reception, maintenance, and dissemination of data via the Internet, including electronic communications, is governed by Policy 406, Public and Private Personnel Data, and Policy 515, Protection and Privacy of Pupil Records.
12. Should the user violate the school district's acceptable use policy, the user's access privileges maybe revoked, disciplinary action up to and including suspension or expulsion may be taken and/or appropriate legal action may be taken.
13. All provisions of this notice and the district's acceptable use policy are subordinate to local, state, and federal laws.
14. Students will be issued an electronic device (examples include but are not limited to iPads and laptop computers). Devices issued to students during the 2019-20 school year may be an iPad Air 2, iPad 6, or MacBook Air laptop. Students will be re-issued the same device every school year until said device is due for replacement. Device replacement/refresh typically occurs every 3-4 years. CIS and students taking online classes will have the option to choose a MacBook Air laptop or an iPad. The district remains the owner of the device, but the student is responsible for caring for it, much like other district issued equipment like textbooks and athletic equipment.
15. Students will be issued a charger the first time they are provided a device. The school district will no longer be charging a replacement fee for lost or broken chargers or cords, but **this will be the only charger and cord provided by the school district for the life of the student's device.** When a student's device is

replaced/refreshed with a new device they will be provided a new charger and cord. This means students will be provided a charger every 3-4 years. If students lose their charger or cord, they may check their device into the Deer River High School Media Center for charging or they may purchase a replacement. iPad chargers can be purchased from the DRHS Media Center or from other retailers (Amazon, Target, Walmart, etc.). MacBook Air chargers must be purchased through the DRHS Media Center. Students are responsible for and expected to have their device charged and available each school day.

16. Students and/or their parents/guardians are responsible for maintaining the device in operating condition. If the device is damaged students and/or their parent/guardians may be responsible for repair and/or replacement charges. Repairs can be made at the discretion of the students and their parent/guardian or may be required by DRHS Staff dependent on the severity of the damage to the device. Devices can be brought to the DRHS Media Center for repair. Some repairs can be done by staff or Tech Crew workers in the DRHS Media Center. Other repairs are completed by a professional vendor. Repairs must be paid in full before a device will be repaired. Devices can also be repaired by third-party device repair establishments with full cost of these repairs being the responsibility of the student and/or their parent/guardian. Student may continue to utilize their device if it is broken but operational (for example, if a screen is cracked). If a device is brought to the DRHS Media Center, the student will be issued a loaner device that must be checked out and checked in to the DRHS Media Center each school day. Students will not be allowed to take a loaner device out of the building without prior approval from the building principal or his/her designee.
17. There will be no device insurance option offered through the school district. Parents/guardians may purchase their own device insurance through a third-party vendor.
18. At the end of each school year, the device will be returned to the district and inventoried by district staff. In the fall of the next school year, the same device will be returned to the same student in the condition in which it was turned in. At the end of the device's life, families have the choice to purchase the device or return the device to the district so the device can be resold. If no device is returned at the end of the device's life, or the device has lost value due to damage, the family will be required to pay an amount equal to the cost of purchasing the used device, typically \$75 to \$150.
19. Outside of school, parents/guardians bear responsibility for the same guidance of Internet use as they exercise with other information sources such as television, telephones, radio, movies, and other possibly offensive media. Parents/guardians are responsible for monitoring their student's use of the School District systems and of the Internet if the student is accessing School District systems from home or other remote locations.
20. The following uses of the school district system and Internet resources or accounts are considered unacceptable:
 1. Users will not use the school district system to access, review, upload, download, store, print, post, receive, transmit or distribute:
 - a. pornographic, obscene, or sexually explicit material or other visual depictions that are harmful to minors.

 - e. materials that use language or images that advocate violence or discrimination toward other people (hate literature) or that may constitute harassment or discrimination.
 2. Users will not use the school district system to knowingly or recklessly post, transmit or distribute false or defamatory information about a person or organization, or to harass another person, or to engage in personal attacks, including prejudicial or discriminatory attacks.
 3. Users will not use the school district system to engage in any illegal act or violate any local, state or federal statute or law.
 4. Users will not use the school district system to vandalize, damage or disable the property of another person or organization, will not make deliberate attempts to degrade or disrupt equipment, software, or system performance by spreading computer viruses or by any other means, will not tamper with, modify, or change the school district system software, hardware or wiring or take any action to violate the school district's security system, and will not use the school district system in such a way as to disrupt the use of the system by other users.
 5. Users will not use the school district system to gain unauthorized access to information resources or to access another person's materials, information, or files without the implied or direct permission of that person.
 6. Users will not use the school district system to post private information about another person, personal contact information about themselves or other persons, or other personally identifiable information,

including, but not limited to, addresses, telephone numbers, school addresses, work addresses, identification numbers, account numbers, access codes or passwords, labeled photographs or other information that would make the individual's identity easily traceable, and will not repost a message that was sent to the user privately without permission of the person who sent the message. These prohibitions specifically prohibit a user from utilizing the school district system to post personal information about a user or another individual on social networks, including, but not limited to, social networks such as "MySpace" and "Facebook".

7. Users will not use the school district system to violate copyright laws or usage licensing agreements, or otherwise, to use another person's property without the person's prior approval or proper citation, including the downloading or exchanging of pirated software or copying software to or from any school computer and will not plagiarize works they find on the Internet.
8. Users will not use the school district system for conducting business, for unauthorized commercial purposes or for financial gain unrelated to the mission of the school district. Users will not use the school district system to offer or provide goods or services or for product advertisement.
21. A student or employee engaging in the foregoing unacceptable uses of the Internet when off school district premises also may be in violation of this policy as well as other school district policies. If the school district receives a report of an unacceptable use originating from a non-school computer or resource, the school district may investigate such reports to the best of its ability. Students may be subject to disciplinary action for such conduct including, but not limited to, suspension or cancellation of the use or access to the school district computer system and the Internet and discipline under other appropriate school district policies, including suspension and/or expulsion.
22. If a user inadvertently accesses unacceptable materials or an unacceptable Internet site, the user shall immediately disclose the inadvertent access to an appropriate school district official. This disclosure may serve as a defense against an allegation that the user has intentionally violated this policy. In certain rare instances, a user also may access otherwise unacceptable materials, if necessary, to complete an assignment and if done with the prior approval of and with appropriate guidance from the appropriate teacher.
23. Cyberbullying, as defined by the Safe and Supportive Schools Act (Minn. Stat. 121A.031), is bullying using technology or other electronic communication, including but not limited to a transfer of a sign, signal, writing, image, sound, or data, including a post on a social network Internet website or forum, transmitted through a computer, cell phone, or other electronic device. The Safe and Supportive Schools Act states that it applies to bullying activity by use of electronic technology and communications off the school premises to the extent such use substantially and materially disrupts student learning or the school environment.
24. **Deer River High School students are expected to always follow student handbook guidelines regarding bullying and social media, even when an event occurs off school property or after school hours.** Social networking sites, other digital platforms (including cell phones) and distribution mechanisms that facilitate students communicating with other students are considered "social networking" platforms. Participation in such networks has both positive appeal and potentially negative consequences. It is important Deer River students be aware of the consequences and exercise appropriate caution. Access to social media is limited on School District systems but students are not restricted from using any on-line social network and/or digital platforms. However, student users must understand that any content they make public via on-line social networks and/or digital platforms is expected to follow acceptable social behaviors and to comply with federal, state, and local laws, as well as the Deer River High School student handbook.

The following guidelines are intended to provide a framework for students to conduct themselves safely and responsibly in an on-line environment.

1. Be careful with how much and what kind of identifying information you post on social networking sites. Virtually anyone with an email address can access your personal page. It is unwise to make available information such as a full date of birth, social security number, address, phone number, cell phone numbers, class schedules, bank account information, or details about your daily routine. All of these can facilitate identity theft or stalking. Social Media sites provide numerous privacy settings for information contained in its pages. Use these settings to protect private information. However, once posted, remember the information becomes property of the website and public record.

2. Be aware that community members, family, potential current and future employers, and college admissions offices often access information you place in on-line social networking sites. You should think about any information you post on sites or similar directories that potentially portrays an image of you to a prospective employer or school. The information is considered public information. Protect yourself by maintaining a self-image that you can be proud of years from now.

3. Be careful in responding to unsolicited e-mails asking for account numbers, passwords, or PIN numbers. Reputable businesses do not ask for this information in e-mails.

4. Don't have a false sense of security about your rights to freedom of speech when using social media. Understand that freedom of speech is not unlimited. The on-line social network sites are NOT a place where you can say and do whatever you want without repercussions or personal accountability.

5. Remember photos once put on the social network site's server become their property and public record. You may delete the photo from your profile, but it still stays on their server. Internet search engines like "Google" or "Yahoo" may still find that image long after you have deleted it from your profile. Think long and hard about what type of photo you want to represent you.

6. Whoever is the "adult" (over 18) responsible for the contracts, computers, phone lines, etc... is liable (civil and criminal) for your actions as a minor as well.

Things students should avoid:

1. Derogatory language or remarks about our students, teammates, school personnel, and our community at-large; as well as, teachers or coaches, student-athletes, administrators, or representatives of other schools.

2. Demeaning statements about or threats to any third party, including support of demeaning statements and threats. Do not respond to these.

3. Distribution and possession of unauthorized videos and photos or statements depicting violence; hazing; sexual harassment and content; vandalism; stalking; underage drinking; selling, possessing, or using controlled substances; or any other inappropriate behaviors.

4. Creating a serious danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person.

5. Indicating knowledge of any unreported felonies, crimes, thefts or damage to property or unethical behavior.

6. Indicating knowledge of an unreported school or team violation-regardless if the violation was unintentional or intentional.

Video and Audio Recording

The school district buildings and grounds may be equipped with video cameras. Video surveillance may occur in any school district building or on any school district property.

Visitors

Adult visitors, especially parents, are always welcome. To maintain a safe school environment, during school hours all visitors must enter the building by door #3 and register in the High School Office and secure a visitor pass. Student visitors are not permitted to attend school with enrolled Deer River students. Because our teachers are providing valuable instruction to our students, please be advised that teachers may not be available to meet with visitors during instructional time.

Withdrawal from School

Students between the ages of 17 and 18 who wish to withdraw from school must attend a meeting with their parents and school officials to sign a statement verifying their withdrawal from school.

ACADEMICS

Awards and Honors

Student academic performance/grades earned at Area Learning Centers or Home Schools will not be calculated for student's class rank, honor roll, or Valedictorian/Salutatorian status.

Academic Letter

The purpose of an academic letter is to recognize and reward those students who have demonstrated and maintained academic excellence in the classroom. The academic letter will be based upon consecutive quarter grades and not cumulative grade point average earned at Deer River High School. This will allow students an opportunity to turn things around in the classroom. Grades transferred from other schools will not count towards an academic letter. Academic letters will be announced at the academic awards day held in the spring of each school year.

To earn an academic letter, a student must be on the "A" honor roll for four consecutive quarters. Students must carry a minimum of 4 credits at Deer River High School in each semester to letter.

The academic letter should not discourage a student from enrolling in a challenging class.

Class Rank/Academic Standing

The Valedictorian and Salutatorian shall:

1. Have the highest marked point average in the graduating class after the completion of the first semester of their senior year. The highest marked point average will be awarded the honor of Valedictorian while the second highest point average will be awarded Salutatorian.
2. The Valedictorian/Salutatorian of the graduating class shall be enrolled as a full-time student of ISD #317 for a minimum of two uninterrupted school years (4 consecutive semesters) during grades 10, 11, and 12.

Note: On-line courses through Infinity and CIS (College in the Schools) are considered DRHS classes.

All College in the Schools (CIS) courses offered in a traditional classroom or via Tele Presence at Deer River High School will be weighted. No other courses, including online or PSEO courses will be weighted.

Honors Graduates

Special recognition shall be provided to graduates who have demonstrated academic excellence (3.200 GPA - Grades 9 - 12) during their senior high career at commencement exercises.

Grading Policy: Grades 6-12

Grades are indicators of a student's academic achievement and readiness for the next level of learning within an individual curricular area.

Achievement Minimum

Students shall earn a minimum of sixty percent (60%) to receive a passing grade. Individual instructors may increase the 60% minimum at their discretion.

Dropped Course Grade

A final failing (F) grade will be recorded when a student drops a course after the fourth (4th) week of the course without administrative recommendation.

*Final Course Grades**

Final course grades will be determined by individual instructors based upon quarter/semester grades and final exams. All required course work shall be completed prior to the conclusion of the course or a failing (F) grade may be issued. Students will earn incomplete grades based upon "Incomplete Grading" guidelines.

Incomplete Grading

An incomplete (I) grade shall only be recorded as a final course grade if the student has been absent during the most recent marking period due to:

- A. An extended illness with doctor care
- B. A death in the immediate family
- C. An extended absence that received pre-approval from the principal

Teachers may use an incomplete grade during the length of the course at their discretion. Final course incompletes (I)

must be made up within fifteen (15) calendar days of the student's ability to return to school. Fourth quarter grades must be made up within 15 calendar days starting the first day after the last day of school.

Unpaid Fees

If a student does not pay a fee associated with a course or fails to return a course textbook, the student will be given a grade of F\$ and the classroom teacher will make a comment on the report card regarding the reason for the grade. Upon payment of the fee or return of the book, the grade will be reinstated.

Credit Deficient Students: Students who become 2 or more credits deficient in their required core classes (Math, Science, English, Social, and Computer Apps) after their sophomore year will be placed in a Learning Community until all credits are obtained AND

Age Waiver for General Educational Development (GED) Testing

Residents of Minnesota between the ages of 16 and 18 may take the GED tests if they qualify for an Age Waiver. You must apply for an age waiver using the form provided by the Minnesota GED Office. An approved Age Waiver must be presented at an Official Testing Center before you will be allowed to test. Age waiver applicants must not be enrolled in high school.

There are six possible ways for an applicant to qualify for an age waiver. An applicant needs to meet ONE of the following six conditions:

1. Applicant has been dropped from the school's attendance rolls for at least one full calendar year. Please note that if you are under the age of 17, this will result in a truancy petition.
2. Applicant's high school class has graduated.
3. A prospective employer indicates on signed/dated letterhead that applicant must successfully complete the GED Battery to qualify for employment.
4. A prospective postsecondary institution or financial aid office indicates on signed/dated letterhead that applicant must successfully complete the GED Battery to qualify for acceptance or to begin the financial aid process.
5. The military indicates on signed/dated letterhead that applicant must successfully complete the GED Battery to qualify for acceptance.
6. An Adult Basic Education (ABE) program or other recognized educational, social service, or correctional agency indicates that successful completion of the GED Test Battery is a part of the applicant's written individual learning plan AND provides signed/dated documentation showing the applicant has taken at least three of the five Official GED Practice Tests with a standard score of at least 500 on each. Official Practice Tests are available from all Minnesota ABE programs.

Parent Right to Know *

If a parent requests it, the school district will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived.
3. the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. whether the student is provided services by paraprofessionals and, if so, their qualifications.

In addition, the school district will provide parents with information as to the level of achievement of their child in each of the state academic assessments. The school district also will provide notice to parents if, for four or more consecutive weeks, their child has been assigned to or taught by a teacher who is not highly qualified.

Post Secondary/Concurrent Enrollment Options

Deer River High School strives to provide a rigorous and relevant curriculum that meets the needs of all our students. It is our sincere hope to provide coursework that challenges each student at his/her individual potential and in doing so, provides the best possible pathway to lifelong success. Those students ready to challenge themselves at a higher level are encouraged to concurrently enroll in college level curriculum that allows students to earn dual high school and college credit. Concurrent enrollment is defined as enrollment in one course that provides dual credit attainment at both the high school and college levels. Please keep in mind that regardless of the credits earned at post-secondary institutions, students must meet the minimum outlined graduation requirements at Deer River High School.

Tenth, eleventh, and twelfth grade students may apply to enroll in Post-Secondary Enrollment Options (PSEO) and other advanced enrichment programs. General information about the PSEO program will be provided to all eighth, ninth, tenth, and eleventh grade students by March 1. Qualifying credits granted to a student through a PSEO course or program that meets or exceeds a graduation standard or requirement will be counted toward the graduation and credit requirements of the state academic standards. Interested students must fill out an application form and submit it to the school counselor by May 30 for enrollment the following school year. The application form must be signed by the student and his/her parent or guardian.

As allowed per the Minnesota Department of Education, PSEO and CIS courses will earn credits at the high school level in the following manner: This will begin with students in the graduating class of 2016.

Credits Earned at College	Credits Earned at High School
(4) Credits at College	(2) Credits at High School
(3) Credits at College	(1) Credit at High School
(2) Credits at College	(1) Credit at High School
(1) Credit at College	(.5) Credit at High School
CIS Natural Resources - 1 credit	

Note: Credit attainment changed under the November 2011 outline by MDE. However, students already enrolled in post-secondary options prior to 2012 will be grandfathered in under the previous model calculation of 2:1.

Promotion and Retention

All students are expected to achieve an acceptable level of proficiency. Students who achieve at an acceptable level will be promoted to the next grade level at the completion of the school year. Retention of a student may be considered when professional staff and parents/guardians feel that it is in the best interest of the student. The superintendent's decision will be final.

Students are assigned a grade level based upon their cohort during their 9th grade year. In order for students to attempt state required graduation exams, students will progress through the grade levels regardless of credit attainment. If students are behind on credits for graduation, they may remain listed as active 12th grade (seniors) for multiple years. It is recommended that students successfully complete the minimum of 12 credits per academic year to be on track for graduation.

Junior high students not demonstrating grade level competencies will be assigned to skill building class(es) to prepare them for improved academic performance.

Review of Instructional Material

The Board of Education of Independent School District #317, Deer River, Minnesota, is legally responsible for all matters relating to the operation of the schools of District #317.

Though the selection of instructional materials involves recommendations and advice of many people: administrators, teachers, supervisors, students and parents, the responsibility for coordinating the selection of instructional materials is delegated to the professionally trained personnel employed by the school system.

The Board of Education of School District #317 endorses the *School Library Bill of Rights*, American Association of School Librarians, 1969, and *The Students' Right to Read*, National Council of Teachers of English, 1972. It further bases its philosophy on *Standards for School Media Programs*, American Library Association, and National Education Association, 1969.

Materials should be acquired based on favorable reviews in standard selection aids and bibliographic tools of state and nation-wide professional reputation. The present list includes *Booklist*, *A Basic Book Collection for Junior High School Libraries*, *A Basic Book Collection for Senior High School Libraries*, all American Library Association publications; *Junior High School Library Catalog*, *Senior High School Library Catalog*, H. Wilson Co.; *School Library Journal*, R. R. Bowker Co.; *Books for High School Libraries*, National Association of Independent Schools; the State Department of Education's *School Library Materials*, and any of its many bibliographies, along with recognized lists in special subject areas such as *Science Book List*, American Association for the Advancement of Science.

Requests of professional personnel such as teacher, supervisors, and administrators will be given important consideration since professional judgment and experience in work with students must be recognized as valuable. Because it is a relatively new field and a broad scope of review sources are lacking, careful preview and examination of non-print material is particularly desirable to make certain that it is of high quality and meets the needs of the school clientele with whom it is to be used.

Materials already in collection will be constantly evaluated to determine their usefulness in the relevance to an ever-changing collection. Excessively worn or mutilated items will be withdrawn, along with out-of-date or no longer useful materials. Multiple items of outstanding and much in demand media will be acquired as needed.

The present-day social climate may indicate selection standards and will be accepted or rejected by these standards.

Challenged Materials

Since the following subjects are sometimes the cause for criticism, the following policies will apply concerning them:

Religion: Factual, unbiased material, which represents all major religions, will be included in the collection.

Ideologies: Factual, unbiased material on the maturity level of the school clientele will be made available on any ideology or philosophy which is or becomes a topic of current interest.

Sex and Profanity: Materials presenting sexual incidents or profanity shall be subjected to a rigorous test of literary merit, educational worth, and social value.

Suspension and Grading

Students that are suspended are expected to have equal access to classwork, homework, and assessments.

Student Academic Assistant Requirements

Students who assist teachers as a classroom aide or an office aide may receive one-half (.5) credit per semester for their assistance. Student aides must meet the following criteria:

1. Maintain a current GPA of 2.5 or higher
2. Maintain a credit load making satisfactory progress towards graduation
3. Exhibit leadership behavior
4. Active enrollment as a junior or senior at DRHS

Attendance Policy

The Deer River School Board believes that regular school attendance is directly related to success in academic work and establishes regular habits of dependability and responsibility important to the future of all students. Classroom experiences are both meaningful and essential components of the learning process and allow each student to realize their full potential. Regular class attendance instills self-discipline, exposes students to group interactions with teachers and fellow students, enables students to hear and participate in class discussions, and involves students in educational experiences not available in other circumstances. Make-up assignments can never fully replace the learning experience students' miss when they are absent from class. This policy recognizes that class attendance is a joint responsibility to be shared by the student, parent, or guardian, HRO, teacher, counselor, and administrators. The responsibilities assigned to each of these groups are outlined below.

Student Responsibilities

1. Attend each class and arrive in class on time.
2. If an absence occurs that is not school-related, follow these procedures:
 - A. Have your parent/guardian call the attendance office, 218-246-3402, each day you are absent or bring a note signed by the parent or guardian to the attendance office upon return to school. All students must obtain an admit slip from the office prior to returning to classes. The note or phone call should state the date, reason for the absence, and include the phone number where the parent/guardian may be reached.
 - B. If a parent/guardian does not call or a signed note is not presented to the attendance office, the absence will remain permanently unexcused unless documentation to exempt the absence is provided.
 - C. Make up required activities, classroom assignments, tests, and quizzes within two (2) school days for each day absent unless other arrangements are made with the classroom teacher.
 - D. To arrange a pre-approved absence the student must follow these procedures:
 1. Obtain a Pre-Absence form from the attendance office prior to an absence that will be three or more days in length.
 2. Have the Pre-Absence form signed by each teacher.
 3. After the Pre-Absence form has been signed by each teacher, return it to the attendance office prior to the absences. Please note the teacher signature only indicates the teacher has been notified of the absence. The Attendance Policy guidelines are applicable.
 4. It is always the responsibility of the student to contact the teacher when the student knows he/she will be absent for any reason.
 5. Make-up required activities, classroom assignments, tests, and quizzes within two (2) school days for each day absent unless other arrangements are made with individual classroom teachers. It is the student's responsibility (not the teacher's) to see that all work is made up in the agreed upon time.

Pre-Absence Form

1. The student must have all teachers sign this form.
2. The parent must read and sign.
3. The student must sign and return to the office 1 day prior to the absence.

The staff and administration of Deer River High School encourage the attendance of all students except in cases of illness or family emergency. If a student is absent from school, the educational process is interrupted, and class work cannot always be made up. *When a student misses a class, regardless of the reason, the classroom experience and work can never be made up completely. As a result, the student's performance and grades may be affected, particularly if the absence is for several days. This is particularly true if the absence occurs at the end of the quarter. It is the student's responsibility, not the teacher's responsibility, to ensure that all work is made up within the agreed upon timeline. Please refer to the Attendance Policy in the Deer River High School Student Handbook for details regarding consequences of non-attendance. It is important to note that after a student accumulates eleven (11) excused or unexcused absences in a semester the student and family may be required to attend a meeting with administration, develop an attendance contract and/or be required to submit medical documentation for future absences to be excused.*

ISD 317: ATTENDANCE AWARENESS

ISD 317 is committed to maximizing instructional time. Students present in class are proven to have higher student achievement and dedication to personal growth. We are continuously striving to improve the academic success and social/emotional learning of our students; school attendance and punctuality are foundational pieces of the process. We ask students, parents, and guardians to partner with us in proactively making attendance a priority every day.

If a student is over the 11 allowable absences for a class, they may lose credit for that class thus becoming ineligible for athletics. Students will not be eligible to participate in practices or games until they have earned hours back through After School Credit Recovery or other resources. **A student must follow appeal and class time recovery before they are eligible to continue to participate.**

Do tardies count as an absence?

Yes. Three tardies in one class period are equal to one unexcused absence. All tardies are considered unexcused unless they meet the definition of an exempt absence.

When does a tardy become an absence?

Late arrivals after the first ten minutes of each class at the high school or 9:00 am at the elementary school will be considered an absence.

How many absences am I allowed per semester?

Students are allotted (11) non-exempt absences per semester to receive course credit. Truancy parameters as set forth by the county or tribal council may have further consequences.

Is there an appeals process to excuse or exempt absences?

Due to the broadening definition of excusable absences, an appeals process is no longer necessary if documentation and notification procedures have been followed.

Why do I need to notify the office prior to 10:00 am?

The safety of our students is a top priority. It is important to know which students are present in our building in case of an emergency.

Do I need to notify the office if my child will have a change in transportation for one day?

Students cannot ride a different bus without permission from an administrator. Except in rare circumstances, students will not be allowed to ride a different bus. If your child will be picked up by a parent/guardian after school, we encourage you to tell them prior to school. In this instance, you do not need to notify the office if the student is in grades 6-12, but you are asked to call the office if the student is in grades K-5.

RULES AND DISCIPLINE

It is the position of the School Board of Independent School District #317 that learning can best take place in an orderly environment and that students can best learn individual and collective responsibility and gain maturity if they are provided opportunities in which to exercise responsibility within the school setting. The school board believes in protecting the rights of all students. A consistent, continuous program dealing with the rights of people and a respect for individual differences must permeate the entire educational system. Students need to be taught the seriousness of actions that are degrading or hostile to other individuals and groups. The staff has the responsibility to define and the authority to respond to intolerant behavior, such as racial, sexist, or ethnic slurs, verbal assaults, physical threats or assaults, or any actions considered demeaning to others.

It is the responsibility of the school board, administrators, and teachers to safeguard the health and safety of each student. The school board and district administrators will support district personnel who, in dealing with students on disciplinary matters, act in accordance with state law, State Board of Education regulations, and this policy. With due consideration to these obligations, it is the responsibility of the school, administrators, and classroom teachers to make reasonable rules and regulations for governing student behavior and conduct and the board recognizes the uniqueness of each building and intends that there will be individual building and classroom procedures to implement and supplement these district policies.

The school board recognizes its responsibility to meet the educational needs of students who do not respond well to normal school procedures. If a student does not respond to these efforts and consistently exerts a disruptive influence on the educational environment of a school, the needs of the other students and staff must become a major factor in planning alternatives.

Each student will receive a copy of the student handbook upon entering school yearly. Parents will be mailed a copy of the student handbook prior to the beginning of each school year upon request. The student handbook can be found on the school website (www.isd317.org).

Each student's discipline file is non-cumulative per year; however, student discipline data is maintained through graduation.

The discipline policy applies during normal school hours, as well as at extra-curricular activities, practices, field trips, and all other school sponsored or sanctioned programs.

Administrative Corrective Measures

Corrective measures used will depend upon the nature of the behavior, the frequency, and the degree to which the student is willing to try to correct unacceptable behavior. Corrective measures will normally begin at a minimal level and then proceed to more serious levels depending upon the behavior demonstrated by the student. Regardless of any provision in this policy to the contrary, a student may be subject to a suspension of up to 10 days or expulsion for violation of any provision in the policy. The following types of consequences may be administered, but are not limited to:

1. Conference with teacher, counselor, or principal.
2. ~~Detention~~ **ATS** or loss of school privileges.
3. Parent-student conference with school staff.

4. Student is placed on out-of-school suspension. They are not allowed to attend, practice, or participate in extra-curricular activities when suspended/expelled from school, nor trespass on any rented, owned, or leased school property.
5. Rehabilitation Treatment
6. Law Enforcement or Court Referral
7. Alternative Program or Learning Center
8. Exclusion/Expulsion under the Fair Pupil Dismissal Act
Expulsion shall be defined as an action taken by the school board to prohibit an enrolled pupil from further attendance for a period that shall not extend beyond an amount of time equal to one school year from the date a pupil is expelled. Only the school board can expel a student and shall do so in accordance with the provisions of the Pupil Fair Dismissal Act of 1974. Upon notification of a hearing for expulsion, a student will be provided with a copy of the law. Copies of the law are available in each school office and may be examined by interested students.
9. Home Base Instruction
10. Administrative Discretion
When a student has demonstrated unacceptable behavior in more than one category, the administrator may combine or escalate measures to better address the total needs of the student and the school. When approved disciplinary actions by an administrator are not followed according to this policy, the administrator shall include a written statement that specifies the circumstances and rationale for the decision to alter the plan and what the revised plan is. The statement will be included in the student discipline file and a notice provided to the Superintendent.

Appeal Process

A student, parent, or teacher who feels that this policy has not been applied in a fair and consistent manner may appeal their concerns to the Principal, Superintendent or School Board.

Deer River High School Discipline Policy

Academic Integrity

Integrity is essential to excellence both in education and life. Assessments and other schoolwork are measures of a student's academic performance. Honesty is required to ensure an accurate measurement of a student's academic knowledge. Each assessment must be evaluated on what the student knows or can do in order for the student and his/her family to have a clear and accurate accounting of the student's mastery of academic material. When a student chooses to violate the academic integrity policy, it is a behavior infraction. As a result, the teacher will need to find an alternative way to assess the student's knowledge. It is at this point that all parties—parents, teachers, administrators, and the student— work to identify the root cause of the behavior and to help the student learn from the experience in a caring, consistent, and instructive way. Academic Integrity violations are cumulative throughout a student's academic career.

Cheating: Using dishonest methods to gain an advantage

Collusion: A secret agreement or cooperation especially for an illegal or deceitful purpose

Plagiarism: To steal or purloin and pass off as one's own words, ideas, artistic production, or another; to use, without credit, the ideas, expressions, or productions of another

Classifications of Academic Dishonesty

As a guiding principle, academic dishonesty includes, but is not limited to, cheating on school's assessments (formative or summative), plagiarism or collusion. Additional classifications may be added at any point.

1. Copying homework or allowing someone to copy your homework.
2. Letting your project partner do all the work and just putting your name on the final project.
3. Sharing test questions and/or answers concerning what is on a test with other students either verbally or electronically (i.e., text messages, earphones, calculators with memory systems, applications and websites, PDAs, Bluetooth technology, etc.)
4. Looking on another's test/quiz or allowing another to copy a test/quiz.
5. Submitting other's work as your own with or without the other person's knowledge. (i.e., plagiarism.)
6. Working with others on an assignment that is designed to be completed individually.

NOTE: Standardized testing protocols are comprehensive in nature and may differ from standard school protocols. (i.e., escorts to restrooms, lunch within the testing room, etc.)

Physical assault by students against staff members or students is considered to be foreign to a sound educational atmosphere and the principal or staff member must take immediate action to halt such behavior. All assaults will be reported to the Deer River Police Dept. for investigation and the possible filing of assault and/or disorderly conduct charges.

Bullying: Students and Personnel

- I. **PURPOSE**
A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with students’ ability to learn and teachers’ ability to educate students in a safe environment. The school district cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of the school district and the rights and welfare of its students and is within the control of the school district in its normal operations, it is the school district’s intent to prevent bullying and to take action to investigate, respond, remediate, and

discipline those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior.

II. GENERAL STATEMENT OF POLICY

- A. An act of bullying, by either an individual student or a group of students, is expressly prohibited on school premises, on school district property, at school functions or activities, or on school transportation. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student or other students, or materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off school district property and/or with or without the use of school district resources.
- B. No teacher, administrator, volunteer, contractor, or other employee of the school district shall permit, condone, or tolerate bullying.
- C. Apparent permission or consent by a student being bullied does not lessen or negate the prohibitions contained in this policy.
- D. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited.
- E. False accusations or reports of bullying against another student are prohibited.
- F. A person who engages in an act of bullying, reprisal, retaliation, or false reporting of bullying or permits, condones, or tolerates bullying shall be subject to discipline or other remedial responses for that act in accordance with the school district's policies and procedures, including the school district's discipline policy (See MSBA/MASA Model Policy 506). The school district may consider the following factors:
 - 1. The developmental ages and maturity levels of the parties involved.
 - 2. The levels of harm, surrounding circumstances, and nature of the behavior.
 - 3. Past incidences or past or continuing patterns of behavior.
 - 4. The relationship between the parties involved.
 - 5. The context in which the alleged incidents occurred.

Consequences for students who commit prohibited acts of bullying may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion. The school district shall employ research-based developmentally appropriate best practices that include preventative and remedial measures and effective discipline for deterring violations of this policy, apply throughout the school district, and foster student, parent, and community participation.

Consequences for employees who permit, condone, or tolerate bullying or engage in an act of reprisal or intentional false reporting of bullying may result in disciplinary action up to and including termination or discharge.

Consequences for other individuals engaging in prohibited acts of bullying may include, but not be limited to, exclusion from school district property and events.

- G. The school district will act to investigate all complaints of bullying reported to the school district and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who is found to have violated this policy.

III. DEFINITIONS

For purposes of this policy, the definitions included in this section apply.

- A. "Bullying" means intimidating, threatening, abusive, or harming conduct that is objectively offensive and:
 - 1. an actual or perceived imbalance of power exists between the student engaging in the prohibited conduct and the target of the prohibited conduct, and the conduct is repeated or forms a pattern; or
 - 2. materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges.

The term, "bullying," specifically includes cyberbullying as defined in this policy.

- B. "Cyberbullying" means bullying using technology or other electronic communication, including, but not limited to, a transfer of a sign, signal, writing, image, sound, or data, including a post on a social network Internet website or forum, transmitted through a computer, cell phone, or other electronic device. The term applies to prohibited conduct which occurs on school premises, on school district property, at school functions or activities, on school transportation, or on school computers, networks, forums, and mailing lists, or off school premises to the extent that it substantially and materially disrupts student learning or the school environment.
- C. "Immediately" means as soon as possible but in no event longer than 24 hours.
- D. "Intimidating, threatening, abusive, or harming conduct" means, but is not limited to, conduct that does the following:
 - 1. Causes physical harm to a student or a student's property or causes a student to be in reasonable fear of harm to person or property.
 - 2. Under Minnesota common law, violates a student's reasonable expectation of privacy, defames a student, or constitutes intentional infliction of emotional distress against a student; or
 - 3. Is directed at any student or students, including those based on a person's actual or perceived race, ethnicity, color, creed, religion, national origin, immigration status, sex, marital status, familial status, socioeconomic status, physical appearance,

sexual orientation including gender identity and expression, academic status related to student performance, disability, or status with regard to public assistance, age, or any additional characteristic defined in the Minnesota Human Rights Act (MHRA). However, prohibited conduct need not be based on any particular characteristic defined in this paragraph or the MHRA.

- E. “On school premises, on school district property, at school functions or activities, or on school transportation” means all school district buildings, school grounds, and school property or property immediately adjacent to school grounds, school bus stops, school buses, school vehicles, school contracted vehicles, or any other vehicles approved for school district purposes, the area of entrance or departure from school grounds, premises, or events, and all school-related functions, school-sponsored activities, events, or trips. School district property also may mean a student’s walking route to or from school for purposes of attending school or school-related functions, activities, or events. While prohibiting bullying at these locations and events, the school district does not represent that it will provide supervision or assume liability at these locations and events.
- F. “Prohibited conduct” means bullying or cyberbullying as defined in this policy or retaliation or reprisal for asserting, alleging, reporting, or providing information about such conduct or knowingly making a false report about bullying.
- G. “Remedial response” means a measure to stop and correct prohibited conduct, prevent prohibited conduct from recurring, and protect, support, and intervene on behalf of a student who is the target or victim of prohibited conduct.
- H. “Student” means a student enrolled in a public school or a charter school.

IV. REPORTING PROCEDURE

- A. Any person who believes he or she has been the target or victim of bullying or any person with knowledge or belief of conduct that may constitute bullying or prohibited conduct under this policy shall report the alleged acts immediately to an appropriate school district official designated by this policy. A person may report bullying anonymously. However, the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.
- B. The school district encourages the reporting party or complainant to use the report form available from the principal or building supervisor of each building or available in the school district office, but oral reports shall be considered complaints as well.
- C. The building principal, the principal’s designee, or the building supervisor (hereinafter the “building report taker”) is the person responsible for receiving reports of bullying or other prohibited conduct at the building level. Any person may report bullying or other prohibited conduct directly to a school district human rights officer or the superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant.

The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as the primary contact on policy and procedural matters. The building report taker or a third party designated by the school district shall be responsible for the investigation. The building report taker shall provide information about available community resources to the target or victim of the bullying or other prohibited conduct, the perpetrator, and other affected individuals as appropriate.

- D. A teacher, school administrator, volunteer, contractor, or other school employee shall be particularly alert to possible situations, circumstances, or events that might include bullying. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct that may constitute bullying or other prohibited conduct shall make reasonable efforts to address and resolve the bullying or prohibited conduct and shall inform the building report taker immediately. School district personnel who fail to inform the building report taker of conduct that may constitute bullying or other prohibited conduct or who fail to make reasonable efforts to address and resolve the bullying or prohibited conduct in a timely manner may be subject to disciplinary action.
- E. Reports of bullying or other prohibited conduct are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law. The building report taker, in conjunction with the responsible authority, shall be responsible for keeping and regulating access to any report of bullying and the record of any resulting investigation.
- F. Submission of a good faith complaint or report of bullying or other prohibited conduct will not affect the complainant’s or reporter’s future employment, grades, work assignments, or educational or work environment.
- G. The school district will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district’s obligation to investigate, take appropriate action, and comply with any legal disclosure obligations.

Bus Expectations

Riding the school bus is a privilege, not a right. The school district's general student behavior rules are in effect for all students on school buses, including nonpublic and charter school students. The school district will not provide transportation for students whose transportation privileges have been revoked. The school district is committed to transporting students in a safe and orderly manner. To accomplish this, student riders are expected to follow school district rules for waiting at a school bus stop and rules for riding on a school bus.

Rules

1. Students may have one designated bus stop per year (home, daycare, etc). This stop will remain the same for the entire school year. Students will not be allowed to switch locations for bus drop off. In extreme circumstances, arrangements may be made with the building principal.
2. Get to the bus stop five minutes before your scheduled pick-up time. The school bus driver will not wait for late students.
3. Always sit in the correct seats and remain in seat when bus is in motion.
4. Keep feet on floor, aisle clear, and do not throw objects.
5. Keep inside the windows and do not stick arms or head outside.
6. Talk quietly and do not use profanity or offensive language.
7. Help keep harmful objects off the bus (weapons, controlled substances, pets, etc).
8. Care about bus property and pay for vandalism, and unusual damage to the bus.
9. Listen to and obey directions given by the bus driver.
10. Stay away from the street, road, or highway when waiting for the bus and wait for it to come to a complete stop before approaching.
11. If you must cross the street, always cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.
12. Other rules the bus driver feels are necessary based on local policies and procedures.

For violation of one or more of these rules, a pupil will be reported to the principal, who, for the good of other passengers, can bar him or her temporarily or permanently from riding the bus. The principal should receive feedback from the parent or guardian and the bus driver to decide on a consequence, but it is the responsibility of the principal to assign the consequence.

Consequences for bus violations will be consistent with the nature of the violation as outlined in this handbook.

Procedure:

A school district employee who knows or has reason to believe that a student is using, possessing, or transferring alcohol or a controlled substance or paraphernalia while on the school district premises or involved in school district-related activities shall immediately notify the school office. The following guidelines refer to cases involving the use and/or possession of mood-altering chemicals on the school district premises or involved in school district-related activities, which therefore require disciplinary action.

When a student is in possession of a mood-altering chemical, the following steps are to be followed:

1. Search student's locker and person.
2. Contact parent/guardian and request they come to the school to meet with law enforcement. If parent/guardian is unavailable, the school will attempt to contact the person identified as the emergency contact person, unless the parent has informed the school not to before law enforcement makes a determination about appropriate response.

1. Search student's locker.
2. Contact parent/guardian and inform them of law enforcement response.
3. Contact law enforcement for possible legal action and removal.
4. Involve health service staff to check medical records for prescription or other medical situations.
5. A medical emergency involving chemical use should be handled as any crisis case. (See "Crisis Intervention")
6. In cases of disputed use, a urinalysis or drug wipe will be required. Failure to comply will indicate violation.

Disciplinary Action for Controlled Substances:

Violation of the mood-altering chemicals policy is cumulative for K-12

First Violation: The student will be suspended from classes for five (5) school days according to the Minnesota Pupil Fair Dismissal Act of 1974. The student's readmission plan shall include certification of completion of the e-Checkup TO GO (an interactive assessment that provides personalized feedback related to controlled substance use) with the Deer River High School Counseling Dept.

Please note that you may be required to provide documentation of the recommendations and progress toward the assessment recommendations.

The student will be suspended pending further disciplinary action for repeated disregard of school rules, state laws, being a danger to self or others, and/or for being disruptive to the school environment. Possible action includes indicated treatment, homebound instruction, or expulsion for the balance of the school year under the Minnesota Pupil Fair Dismissal Act of 1974.

*Students involved in Minnesota State High School League Activities are subject to its rules. Refer to the DRHS Activity Handbook for more information.

Dress Code

We are concerned with student dress and grooming as it influences the health, safety, learning process and ability of the student to do his/her work. We expect DRHS students to be recognized not only for the quality of their education, but also for the neatness of their appearance. We believe that how students look and dress can make a difference in how they feel and how others feel. This means clean, neat clothing which fits their style, is appropriate for learning and does not interfere with the learning of others. If the administration believes a student's appearance, grooming, or mode of dress interferes with or disrupts the educational process or school activities or poses a threat to the health or safety of the student or others, the student will be directed to make modifications or will be sent home for the day. A parent or guardian will be notified.

DRHS students are expected to adhere to the following guidelines.

1. Students cannot wear garments that are likely to cause a material or substantial disruption to the school environment or that could be considered offensive. Items include, but not limited to, references to drugs, alcohol, tobacco, sex, weapons, violence, vulgar, obscene, or profane language or images, and/or insults to race, religion, gender, or ethnicity.
2. Dresses and shorts will be longer than arm's length.
3. Students are not allowed to wear backless, low cut, or tops with spaghetti straps, tube tops, midriff shirts, or see-through clothing. Tank tops and/or tops with a minimum of one- and one-half inch straps will be allowed.

7. Students may wear scarves, hats, caps, and sweat bands. Hoodies are not allowed to be worn at any time during school hours, for student safety purposes. Bandanas are not allowed to be worn except for religious or medical purposes. Wearing the above-mentioned items is a privilege and may be revoked due to behavior and/or attendance issues. Individual teachers have the right and support of administration if they choose to not allow hats to be worn in their classrooms.
8. Students are allowed to use backpacks throughout the school day to carry school and personal items. Backpacks are subject to search at any time when school administration has reasonable suspicion to do so. At any time, administration conducts a search of the building, including but not limited to K9 searches, all backpacks will be placed in the hallway. During this time any/all backpacks will be subject to search.
9. Students are allowed to wear overcoats when school is in session. Jackets are subject to search at any time when school administration has reasonable suspicion to do so. At any time, administration conducts a search of the building, including but not limited to K9 searches, all overcoats will be placed in the hallway. During this time any/all overcoats will be subject to search.
10. Also, sunglasses, bare feet, and/or slippers without soles should not be worn in school.
11. Students participating in school-sponsored activities, such as extra-curricular or other special functions, may have different dress required by the sponsor, coach, or administration.

Two-day suspension, parent conference. In instances with head coverings or other distracting or prohibited items, the item may be confiscated and returned to the parent at the end of the week.

Electronic Devices

Social Media

One of the biggest lessons social network users can learn is that anything you post online enters the public record. You never know who may be looking and when. Students, Parents, and Guardians - let it be known that any student in violation of said conduct is subject to consequences to be determined by the Administration. The Minnesota State High School League Student Code of Responsibilities, Bylaw 206.00, is applicable and relevant in all student related issues and concerns in such matters.

The use of computers and accessing information through the Internet is fundamental in today's educational process. This use is a privilege, not a right. All students will be required to use computers and the Internet for educational purposes unless parents, in writing, have denied their child's access and requested alternative activities. Students will follow all rules regarding technology use as dictated by school board policy and the Acceptable Use Policy administered by Deer River High School. *Students sign a form stating that they have read and understand the policy.*

Students are prohibited from using a cell phone or other electronic communication device to engage in conduct prohibited by school district policies including, but not limited to, cheating, bullying, harassment, gang activity, etc. If the school district has a reasonable suspicion that a student has violated a school rule or law by use of a cell phone or other electronic device, the school district may search the device. The search of the device will be reasonably related in scope to the circumstances justifying the search. Students who use an electronic device during the school day and/or in violation of school district policies may be subject to disciplinary action pursuant to the school district's discipline policy. In addition, a student's cell phone or electronic device may be confiscated by the school district and, if applicable, provided to law enforcement. Cell phones or other electronic devices that are confiscated and retained by the school district will be returned in accordance with school building procedures.

Personal music devices and headphones may be used on the bus, during lunch, between classes and before and after school, excluding study areas, but the DRHS staff and administration are not responsible for lost or stolen items. Please consider leaving these devices at home. Students in grades 6-12 may have cell phones and are expected to use them responsibly. Teachers will manage cell phone use in their own classrooms. Staff at Deer River High School believes that cell phones and other electronic devices can be useful learning tools and students should be taught to use them correctly. **Cell phones and cameras are not allowed in the gym locker rooms and/or bathrooms.** Students are responsible for information and/or images on their personal cell phones and the student handbook governs that information. Cell phones can be searched for information when there is reasonable cause of a handbook violation. Students are not allowed to take pictures of their peers without the permission of their peers.

The school district's "Internet Acceptable Use" policy is available on the school website, or a copy may be obtained at the high school office.

All school district students have conditional access to the school district's computer system, including Internet access, for limited educational purposes, including use of the system for classroom activities, educational research, and professional and career development. Use of the school district's system is a privilege, not a right. Unacceptable use of the school district's computer system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school district policies, including, but not limited to, suspension, expulsion, or exclusion; or civil or criminal liability under other applicable laws.

- 4th Violation - Confiscation of device: can be picked up by parent at close of week.
Suspension of use of the personal technology device for a period of ten days per violation.

Disciplinary Actions for School Technology Device Violations:

All violations occurring with school owned technology devices will result in consequences aligned with the violation.

Examples:

If a student is bullying another student with social media during school hours, the consequence will be aligned to bullying.

If a student deletes profiles, adds inappropriate images, or alters the device in another manner, the consequence may be aligned to vandalism. Please note that if a student accidentally alters a device, it is their responsibility to notify the media center immediately to avoid consequences.

Note: Because all classroom assignments will be required during periods of suspended use, parents are responsible to provide computer/internet access for their child(ren) during that time.

School owned electronic devices may result in suspension of Internet privileges if used inappropriately at school. The school will not disable the Internet solely due to parent request.

At no time may students use staff members district provided electronic devices.

Food or Beverage in Class

Students will not bring food and beverage to class as this is considered a classroom disruption. Depending upon the severity of the disruption, this may be considered a nuisance article.

Gang Behavior

Students are not permitted to wear clothing that indicates gang membership, affiliation, or presence as determined by the school principal. Gang symbols, writing, vocabulary, signing tattoos, flagging, etc. are not permitted on school or personal (notebooks, etc.) property or at school activities. Violators are subject to disciplinary actions. Additional restrictions for safety and climate reasons may be imposed on Profiled Gang Members as determined by the School Administration. - 1st Violation: 5-day suspension and parent conference

Insubordination

Failure to identify oneself or refusal to follow directions of a school employee is unacceptable behavior. Discipline Action for Insubordination

- 1st Violation: Suspension and parent conference.
2nd Violation: Suspension and parent conference.
3rd Violation: Referral to an alternative or treatment program.

Notice of Violent Behavior by Students [*]

The school district will give notice to teachers and other appropriate school district staff before students with a history of violent behavior are placed in their classrooms. Prior to giving this notice, district officials will inform the student's parent or guardian that the notice will be given. The student's parents/guardians have the right to review and challenge their child's records, including the data documenting the history of violent behavior.

Nuisance Articles

Bringing articles to school that interfere in some manner with school procedure is unacceptable and disruptive. Such items are water pistols, balloons, firecrackers, lasers, games, and beepers. Perfumed body sprays are only permitted in gym locker rooms and are not allowed in school lockers since body sprays can cause asthma attacks.

Disciplinary Actions for Nuisance Articles:

1 st Violation -	Confiscation of article
2 nd -3 rd Violations -	Confiscation of article, ISS
4 th + Violations-	Confiscation of article, OSS

In all instances, the article will be returned to a parent, but not students, when requested. No articles of a dangerous manner will be returned to parent or student. Deer River School staff, Deer River administration and the Deer River School Board are not responsible for lost or damaged electronic devices confiscated due to nuisance article violations.

Positive Behaviors Interventions and Supports (PBIS)

PBIS is a K-12 behavior plan that is proactive in nature. PBIS allows high school staff the opportunity to teach positive behaviors through the use of a behavior matrix. Students and staff are rewarded for getting caught being good through recognition and prizes. PBIS also allows the PBIS team to monitor positive and negative behavior data to adjust supervision, etc., to create and maintain a safe, positive, and productive environment conducive to student achievement.

Safety Rules

All school safety rules in vocational, special, and general education classes are strictly enforced for the benefit of all individuals. Failure to observe safety rules will cause an individual to be denied participation in a given course or school activity until there is resolution with the instructor. If a student requires removal from a course, “dropped course” guidelines will be applicable.

Searches

In the interest of student safety and to ensure that schools are drug free, district authorities may conduct searches. Students violate school policy when they carry contraband on their person or in their personal possessions or store contraband in their desks, lockers, or vehicles parked on school property. “Contraband” means any unauthorized item, the possession of which is prohibited by school district policy and/or law. If a search yields contraband, school officials will seize the item(s) and, where appropriate, give the item(s) to legal officials for ultimate disposition. Students found to be in violation of this policy are subject to discipline in accordance with the school district’s “Student Discipline” policy, which may include suspension, exclusion, expulsion, and, when appropriate, the student may be referred to legal officials.

Vehicles on Campus

School officials may conduct routine patrols of student parking lots and other school district locations and routine inspections of the exteriors of the motor vehicles of students. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

Skateboards are not allowed to be used on school campus. Students may carry one to his/her locker.

Search of the Interior of a Student’s Motor Vehicle

The interior of a student’s motor vehicle in a school district location, including the glove and trunk compartments, may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law and/or school policy or rule. The search will be reasonable in its scope and intrusiveness. Such searches may be conducted without notice, without consent, and without a search warrant. A student will be subject to withdrawal of parking privileges and to discipline if the student refuses to open a locked motor vehicle or its compartments under the student’s control upon the request of a school official.

*Lockers and Personal Possessions Within a Locker **

According to state law, school lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant.

Students’ personal possessions within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student’s personal possessions, the school officials will provide notice of the search to students whose lockers were searched, unless disclosure would impede an ongoing investigation by police or school officials.

Desks

School desks are the property of the school district. At no time does the school relinquish its exclusive control of desks provided for the convenience of students. Inspection of the interior of desks may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant.

Personal Possessions and Student’s Person

The personal possessions of a student and/or a student’s person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness.

Student Vehicles

The school district allows limited use and parking of motor vehicles by students. Remember that parking a motor vehicle on school property during the school day is a privilege and unauthorized vehicles parked on school district property may be towed at the expense of the owner or operator.

Truancy and Unauthorized Absences: Truancy, Tardiness, and Loitering

As required by current statutes, regulations of the State Department of Education, and the School Board of District #317, students shall be in attendance each day that school is in session. The authority to classify an absence as parent approved, or an additional allowable, rests with the building principal.

Definitions:

- Truancy:* The absenting of oneself from school or class without knowledge or approval of the school and parent.
- Tardiness:* Arriving at class after the bell has rung.
- Loitering:* The presence of a student on school property or adjacent community property when the parent and school have excused the student.
- Pass Violation:* The misuse of a student pass from one location to another, excessive truancy/tardy

Disciplinary Actions for Truancy:

Note: 3 tardies equals one absence.

Tardies may also result in pass suspension for a period of (2) weeks minimum. Students will only be removed from the no pass list when he/she has successfully completed a period of two weeks with no tardies, unexcused absences, or behavior concerns.

Disciplinary Actions for Loitering:

Weapons

No person will possess, use, or distribute a weapon when in a school location except as provided in school district policy. A “weapon” means any object, device, or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury including, but not limited to, any firearm, whether loaded or unloaded; air guns; pellet guns; BB guns; all knives; blades; clubs; metal knuckles; numchucks; throwing stars; explosives; fireworks; mace and other propellants; stun guns; ammunition; poisons; chains; arrows; and objects that have been modified to serve as a weapon. A weapon also includes look-alike weapons. Appropriate discipline and action will be taken against any person who violates this policy. The school district takes a “zero tolerance” position regarding the possession, use, or distribution of weapons by students. Discipline of students will include, at a minimum: immediate out-of-school suspension; confiscation of the weapon; immediate notification of police; parent or guardian notification; and recommendation to the superintendent of dismissal for a period of time not to exceed one year. A student who brings a firearm to school will be expelled for at least one year, subject to school district discretion on a case-by-case basis.

No student shall possess, claim to possess, use, maintain, transmit or distribute any object, device or instrument having the appearance of a weapon, as defined above in the places set forth above, and such objects, devices or instruments shall be treated as weapons. Objects, devices, or instruments that have the appearance of a weapon, including, but not limited to, any weapon listed above which is broken or non-functional and any object that is a facsimile of or could be taken for any weapon listed above.

No student shall use articles designed for other purposes (i.e., belts, combs, pencils, files, scissors, etc.), to inflict or threaten bodily harm and/or intimidate and such use will be treated as the possession and use of a weapon.

The appropriate possession uses or distribution of equipment and tools necessary for school activities or instruction will not be considered a violation of this policy when such equipment and tools are properly used and stored. Written permission will be required from the principal for possession, use or distribution of any weapon or object that has the appearance of a weapon, as defined above, unless the object is being used appropriately as part of a class or extra-curricular activity.

However, when authorized instructional and work equipment and tools are used in a potentially dangerous or threatening manner, such possession and use will be treated as the possession and use of a weapon.

A student who finds a weapon on the way to school or in the school building should give the weapon to the first School District staff member (teacher, aide, custodian, etc.) that can be located. Such conduct shall not be considered a violation of this policy.

Minnesota Statute 609.66 provides that it is unlawful to possess, store, keep or use a dangerous weapon, replica firearm or BB gun on school property. A person who possesses, stores, or keeps a dangerous weapon or uses or brandishes a replica firearm or BB gun on school property is guilty of a felony and may be sentenced to imprisonment for up to two years and/or to payment of a fine of up to \$5,000. A person who possesses, stores, or keeps a replica firearm or BB gun on school property is guilty of a gross misdemeanor.

The School District and the school takes a position of "Zero Tolerance" regarding the possession, claim of possession, use, maintenance, transmission, or distribution of weapons by students. Consequently, the minimum consequence for a violation of this policy shall include (1) confiscation of the weapons; (2) parent notification; (3) notification of police; (4) an initial out-of school suspension for ten (10) days; and (5) immediate initiation of the expulsion process.

First Offense: Expulsion according to the Fair Pupil Dismissal Act of 1974.

HEALTH, SAFETY, AND PRIVACY POLICIES

Asbestos Management Updates *

The school district has developed an asbestos management plan. A copy of this plan can be found in the high school office.

Crisis Management

The school district has developed a “Crisis Management” policy. Each school building has its own building-specific crisis management plan. Students and parents will be provided with information as to district- and school-specific plans. Effective 2019-20 Deer River Public Schools are certified ALICE Schools.

The “Crisis Management” policy addresses a range of potential crisis situations in the school district and includes general crisis procedures for securing buildings, classroom evacuation, campus evacuation, sheltering, and communication procedures. The school district will conduct lock-down drills, fire drills, and a tornado drill. Building plans include classroom and building evacuation procedures.

Family Educational Rights and Privacy Act (FERPA): Directory Information Notice

The *Family Educational Rights and Privacy Act* (FERPA), a federal law, requires that ISD #317, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, ISD #317 may disclose appropriately designated “directory information” without written consent, unless you have advised the district to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Deer River School District to include this type of information from your child’s education records in certain school publications. Examples include a playbill showing your student’s role in a drama production, the annual yearbook, honor roll or other recognition lists, graduation programs, and sports’ activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

Additionally, ISD #317 has been selected to participate in the U.S. Department of Education’s FAFSA Completion Project. This project is designed to assist LEAs and secondary school administrators in determining which of their senior students have completed a Free Application for Federal Student Aid (FAFSA) form for the upcoming school year. In order to participate in the FAFSA Completion Project ISD #317 is required to disclose the names, addresses, and dates of birth on entering seniors to the U.S. Department of Education (that is, properly designated directory information under FERPA) on those students whose parents have not opted out of directory information. (If the student is considered an “eligible student” under FERPA, i.e., has reached 18 years of age, then the student has the right to opt out of directory information.)

If you do not want ISD #317 to disclose directory information from your child’s education records without your prior written consent, you must notify the district in writing by September 19, 2016. ISD #317 has designated the following information as directory information:

- Student’s name
- Address
- Date of birth
- Telephone listing
- E-mail address
- Photograph
- Grade level
- Major field of study
- Dates of attendance
- The most recent educational agency or institution attended
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received

Medical Care

School personnel will provide necessary emergency medical care or contact the Deer River Emergency Technicians (Ambulance Service) according to need to the best of their ability when attempts to contact parents, guardians or emergency contacts for direction are not possible.

First Aid

The nurse's office in each building is equipped to handle minor injuries requiring first aid. If the nurse's office is not open, assistance can be sought from the building's administrative office. If a student experiences a more serious medical emergency at school, 911 will be called and/or a parent/guardian will be contacted depending on the situation.

The district has installed automated external defibrillators (AEDs). Tampering with any AED is prohibited and may result in discipline.

Pesticide Application Notice *

The school district may plan to apply pesticide(s) on school property. To the extent the school district applies certain pesticides, the school district will provide a notice by September 15 as to the school district's plan to use these pesticides. A parent may request to be notified prior to the application of certain pesticides on days different from those specified in the notice. Additional information regarding what pesticides are used, the schedule of pesticide applications, and the long-term health effects of the class of pesticide on children can be requested by contacting the facilities manager.

Acknowledgement Form

Yearly enrollment/update papers include an acknowledgement section. By signing the yearly form, you acknowledge that you have read and understood the policies and procedures outlined in the DRHS student handbook. Paper copies of this handbook are available upon request.

* Denotes sections recommended for inclusion by MSBA.

Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing

This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our students with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student's achievement, but your student's participation is important to understand how effectively the education at your student's school is aligned to the academic standards.

- In Minnesota's implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and for the purpose of school and district accountability calculation, including opportunities for support and recognition, will not be considered "proficient".
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted in students do not participate in assessments.
- English learners not taking ACCESS or Alternate ACCESS for ELLS will not receive a score to meet English learner program exiting criteria.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K–12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

Minnesota Comprehensive Assessment (MCA) and Minnesota Test of Academic Skills (MTAS)

- Based on the Minnesota Academic Standards; given annually in grades 3-8 and high school in reading and mathematics; given annually in grades 5, 8 and high school for science.
- Majority of students take the MCA.
- MTAS is an option for students with the most significant cognitive disabilities.

ACCESS and Alternate ACCESS for English Learners

- Based on the WIDA English Language Development Standards.
- Given annually to English learners in grades K–12 in reading, writing, listening, and speaking.
- Majority of English learners take ACCESS for ELLs.
- Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCA are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1-6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7-12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state- required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed, and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.mn.gov/Students-and-Families/Programs-and-Initiatives/Statewide-Testing) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

*To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.*

I understand that by signing this form, my school and I may lose valuable information about how well my student is progressing academically. As a result, my students will not receive an individual score. Refusing to participate in statewide assessments may impact the school, district, and state's efforts to equitably distribute resources and support student learning; for the purpose of school and district accountability calculations, my student will not be considered "proficient".

1. TEACHER - GENERAL

Sect. 1.01 Working Hours

Teachers are required to be on duty by 8:00 a.m. and to remain on duty until 3:30 p.m. Instructors are not to leave the building during the above hours without authorization from the principal. It is required that teachers sign out in the High School Office when they leave and return to the building. Early Out – Wednesday – 8:00 – 4:00 p.m.

Sect. 1.02 Teacher Absence

In case of an absence, a teacher must notify the Substitute System by 7:30 a.m. Teachers becoming ill during the school day must report to the High School Principal or designee before leaving the building and should report the absence in Aesop, if possible. When absent from the classroom for any other reason, teachers must report the absence in Aesop at least three days prior to the absence.

Teachers need to verify that a substitute teacher has been assigned the day prior to the approved absence. Should a sub not be assigned, the teacher is expected to cancel their personal or professional activity and report to school.

Administrative approval is required prior to any teacher or coach accepting appointment to an advisory panel or committee that would absent the teacher/coach for any instructional assignment time.

Sect. 1.03 Lesson Plans for Substitutes

Teachers are responsible for completing lesson plans, preparing all relevant materials, and making them readily available to a substitute teacher and/or the High School Office when teachers are absent from the teacher's classroom. The lesson plans should be detailed enough to allow the substitute the ability to effectively deliver a lesson maintaining a high level of instruction.

Plans should include the most recent class rosters, seating charts, and emergency plans.

Sect. 1.04 Professional Dress

To aid in preserving a professional atmosphere in the building, teachers are expected to dress in a manner, which represents their position appropriately. Casual Friday will be respected by the administration. Avoid wearing jeans or shorts unless it is appropriate for a field trip. Please avoid wearing heavy fragrances.

Sect. 1.05 Mail

Teachers will be assigned a mailbox in the High School Office. Mail should be picked up daily. Do not send students to retrieve mail.

Sect. 1.06 Daily Bulletins

A daily bulletin will be prepared and sent to all teachers through e-mail and on Schoology. The purpose of the daily bulletin is to list special announcements and daily events. Any teacher who has an announcement to be included in the daily bulletin should submit the announcement to the High School Office by 8:00 a.m. daily.

School activities, games and meets, dismissal times, student meetings, etc. will be promoted in the daily bulletin. Coaches and advisors are encouraged to provide summary information regarding the previous day's events to be included in the bulletin.

Sect. 1.07 Daily Announcements

General school announcements will be made daily after the first hour bell. General school announcements should be limited during the school day to avoid classroom disruptions.

Sect. 1.08 Email

Teachers have been assigned an email address and should check their email at least twice daily, once in the morning and once in the afternoon. Teachers are responsible for the information distributed via email.

Sect. 1.09 Building Responsibility

It is the responsibility of all the staff to help keep our school a clean, welcoming environment. The teacher in charge of the classroom or study hall is responsible for the equipment in the respective room. The room should be kept clear of any unnecessary marking and damage. Students are held responsible for their assigned seats, and should any unnecessary damage occur to them, the student should be reported to the office so that appropriate action may be taken. Teachers should periodically check the room and desks for this purpose. Desks should be kept away from walls at all times to eliminate marking and damage.

Help the janitors by keeping the floors as free of paper as possible - a minute used at the end of the period to pick up is a good way to keep our school looking good! When the room is not to be used for the remainder of the day, windows are to be closed and locked. All lights shall be turned off when not needed.

All classroom doors will be locked ~~when the teacher is not present~~ **during class time** or when the room is not in use. **No students shall be present in your room unless they are supervised.**

Because of fire codes and to aid in neat appearance of our school, teachers are responsible for keeping materials stored in a proper fashion. Under no circumstances are there to be stacks of materials stored on the floor. Fire code requires that no materials be stored within 18 inches of the ceiling. Additionally, student work or other displays on walls of the hallway must be limited and not more than 20% of wall space per the fire code.

Any personal furniture and small electronics are expected to adhere to fire safety code. If there are questions, please see the facilities manager.

All faculty and staff are expected to maintain an orderly environment that adheres to federal and state guidelines. It is expected that faculty and staff follow general guidelines for classroom care and maintenance such as adhering items to the wall with appropriate materials (putty/tape) that do not damage the walls. Painting of walls should be kept to a minimum and only when approved by the facilities manager.

Sect. 1.10 School Telephones

The school telephone should be used primarily for school business. Student access should be limited and monitored.

Sect. 1.11 School Stationery

Professional development gatherings will be held as per the contract agreement. All meetings and gatherings will be held in the Media Center or Commons area, depending on space needs. Staff should bring their individual technology devices to aid in training and other forms of communication.

Sect. 2.02 Preparation Periods

Each Secondary Teacher will be allotted one preparation period in their schedule. A prep period is designed for improvement of instruction, curriculum revision, and general daily tasks. Students are encouraged to solicit additional help from their teachers during the prep period. When scheduling is

possible, every teacher's classroom will be vacant during a prep period for teachers to perform above listed tasks.

Sect. 2.03 Duty Hour

Students wishing to go downtown during lunch must do so by WALKING. **No personal vehicle use is allowed.** This privilege will continue as long as students conduct themselves in a responsible manner. Failure to comply may result in loss of Open Noon Hour privileges.

Sect. 2.07 Passing Classes - Hall Duty

In order to maintain a safe and welcoming school, teachers are to be outside of their classroom door for the passing of classes and before and after school. Teachers should make a concerted effort to welcome and release students from their doorways. Visibility in the hallways during passing time deters inappropriate student behavior and creates a friendly learning environment. Teachers are to start classes promptly and dismiss classes promptly. All teachers should feel responsible for the maintaining of good order in halls, classrooms, and in and around the building and grounds. If all teachers assist in this matter, it will help improve the conduct of students in the school. Assignments may be made if conditions warrant.

Every minute of instructional time is valued. Teachers will be responsible for appropriate action to curtail tardiness. Teachers shall confer with the Principal regarding repeated violators and a corrective plan will be arranged.

4. Teachers should insist that students do not linger or loiter between passing of classes, request students to move into their rooms or on to their destinations.
5. An over-display of affection (PDAs) in public is considered not to be in good taste, makes other students feel uncomfortable, and therefore should be discouraged. Holding hands is acceptable.

When outside, consideration of other classes in the building must be considered. Only with prior approval from the building Principal shall classes or study halls conduct recreational activities, and the High School Office must be contacted. PE Instructors must take and monitor their cell phones when outside of the building.

The office must be notified that class will be held in an alternate location. All teachers are expected to provide a cell phone number or grab a radio from the office for use in communication as needed.

Coaches/advisors are required to inform the high school office:

1. List of students leaving
2. Time of dismissal
3. Time of departure
4. Name of substitute supervising classes and/or where classes will be
5. Approximate return time

Sect. 3.09 Grading

Each teacher is required to maintain student progress (grades) in the Infinite Campus WebBook program to promote consistency and communication with parents through the Parent Portal. Grades should be updated prior to the start of school each Wednesday to determine field trip and athletic early out eligibility. Parent Portal allows parents the ability to access recorded daily grades as well as nine week (quarter), semester and yearly average, for semester and full year

courses. Since WebBook is backed up electronically, no printed copy needs to be turned in to the Principal's Office at the end of the school year.

Supervision plans must be communicated with the office. It is encouraged to utilize study halls for supervision with the expectation that a written assignment is provided.

Field Trip/Early Out Athletic Guidelines for Eligibility

There are two times throughout the quarter that students' grades will be checked. These two monitoring periods are at mid-quarter and end of the quarter, each of which is used to determine trip eligibility.

A. If a student earns one or more failing grades at the mid-quarter grade check, the student will be ineligible to participate in field trips/sports early outs as soon as the student and teacher/coach are notified. To become eligible for field trips/sports early outs, the student must present the principal/AD with a teacher signed grade report proving they are currently passing all of their classes three (3) days prior to the event. **Only the Principal or his/her designee may deem a student eligible to attend.**

B. If a student earns one or more failing grades at the end of quarter 1, 2, or 3, or at midterm of 4th quarter, the student will be ineligible to attend field trips/sports events. To become eligible for field trips/sports events, the student must present the principal/AD with a teacher signed grade report proving they are currently passing all of their classes three (3) days prior to the event. **Only the Principal or his/her designee may deem a student eligible to attend.**

C. Other items to be considered by the principal for eligibility:

1. Attendance Record
2. Discipline Record

Sect. 3.12 Nurse's Office

The Nurse's office is available for students who become ill during the school day. Students should be sent to the nurse's office with a hall pass along with a phone call made to the nurse's office indicating that the student is ill. (Note departure time.) Students will either return to classes or be sent home when appropriate. Send only students that need the attention of the nurse. Band-aids and other minor issues should be handled within the classroom.

No medication, including aspirin, will be issued to students by anyone except the school nurse or their designee.

Sect. 3.13 Assemblies & Pep Fests

All teachers are required to attend assembly programs and pep fests and **disperse** among the students to assist with supervision. A teacher or teachers may be asked to supervise a designated area for students that have been suspended from assemblies or misbehave during an assembly.

Sect. 3.14 Daily Attendance

Attendance will be taken in classes at the **beginning** of each period on SIS. Student admission to class after absence should be permitted only upon the presentation of an admit slip for the time missed. It is required that all teachers keep their own attendance records for all classes.

Sect. 3.15 Absences

All work missed due to absence is to be completed and full credit recorded. Students should be allowed 2 days to complete make-up work for every excused day missed. Please refer to application of incomplete grading in Sec. 5.2. Keeping the record and completion of make-up work requirements is the teacher's responsibility. Teachers must provide homework to students that are placed on homebound based on the Homebound District Policy. Students in ISS/OSS may be deducted points for participation in classroom activities for the period(s) missed only if all students received a grade in participation.

Sect. 3.16 After School Credit Recovery: Grades 7-12

Certified teachers within the disciplines of math, science, social and language arts will staff ASCR. ASCR will be offered two nights per week, Tuesday's and Thursday's from 3:15 p.m. to 5:30 p.m. Students will meet in the Media Center at 3:15 and be escorted to classrooms by an ASCR teacher(s).

Purpose: After School Credit Recovery is designed to help students who have lost credit due to attendance issues or failed a quarter or semester of one or more classes. **Students may be assigned to attend ASCR by the Principal or his/her designee.**

Credit Deficient Students:

Students who become 2 or more credits deficient in their Required Core Classes (Math, Science, English, Social, and Computer Apps) after their sophomore year become ineligible to participate all activities until all credits are made up. Deviation from this rule can be cleared through the principal or activity office.

In addition, students may be assigned to attend ASCR to complete course work or complete test/quizzes prior to excused absences. For example, students attending a field trip, family vacation or sports event may use the ASCR time to complete assignments or test/quizzes that will be assigned during their absence.

Each student's course work will be provided to the ASCR teacher by the student's classroom teacher not later than 3:30 p.m. the day prior to each ASCR session.

ASCR teachers will be provided student rosters weekly by the ASCR coordinator.

ASCR teachers will take attendance each session and submit attendance to the ASCR coordinator the following day.

Note: All Deer River students seeking academic support are welcome to attend ASCR. Non-assigned students are not required to attend for the full two hours and may be released at the ASCR teacher's discretion.

4. DISCIPLINE

Sect. 4.01 General Discipline

All policies and procedures outlined in the student handbook shall be consistently followed by faculty and staff. Proper discipline is a prerequisite of effective instruction in any school. While the administration stands ready to help the teachers, especially with unusual cases, discipline will always remain the responsibility of the teacher. Some factors in securing effective discipline are: careful teacher preparation, good organization of classroom routine, effective presentation of subject matter, proper teaching attitudes, and consistency.

The purpose of sending a student to the High School Office/principal or designee should be three fold:

1. Utilize the student support room to allow the student to calm down, make better choices, and return to their regular schedule at the end of the period.
2. Student should be sent to the ISS room for further consequence.
3. Suspension.

If the teacher thinks that a student is detrimental to the class, and the teacher finds it impossible to deal with the student, the student should be sent to the office with a pass, notify the office that the student is on the way to the office and write a discipline referral on Campus. You may be called to the office to testify to the trouble, so come prepared with any material or witnesses to substantiate your charges. The Administration will provide full support for any school employee regarding the enforcement of school policies. The employee's word will be considered sufficient, but documentation in writing may be required. Teachers not enforcing school policy may be subject to disciplinary action.

Sect. 4.02 Proper Title

Any discipline, to be effective, must be promptly administered with no exceptions. The first step in gaining the respect of the students is in the proper use of titles, be it Mr., Mrs., Miss, or Coach. Make this understood whenever the student addresses you by any other title, or when a student refers to another teacher or a support staff member by a title other than the proper one.

Sect. 4.03 Conferences (Parent - Student - School)

You may be called from time to time to participate in parent conferences. For this reason, it is essential that your information, such as grade books on all students, be kept up to date. Any other notations on students that you can contribute to these conferences may be helpful in

correcting or substantiating any issues involving a particular student. Dates will be established that will serve as mandatory student information updates.

Sect. 4.04 Assertive Discipline

Assertive Discipline is practiced in Deer River High School. Each teacher will develop and follow a discipline plan that is communicated to the students and parents.

Assertive Discipline plans should include:

- A. A system of warnings to allow the student time to make a good decision.
- B. A consequence that encourages accountability.
- C. A post incident conference to allow for learning, commitment to and understanding of good behavior and resolution to mend and foster the relationship.

Deer River High School Discipline/Referral Levels

Level 1 – Incidental Violations (Non-referred/Non-recorded)	Level 2 – Minor Violations (Non-referred/Recorded)	Level 3 – Major Violations (Referred/Recorded)	Level 4 – Illegal Violations (Referred/Recorded)

BULLYING PROHIBITION POLICY SUMMARY

A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, including cyberbullying, is prohibited on school premises, on school district property, at school functions or activities, or on school transportation.

WHAT IS BULLYING?

“Bullying” means intimidating, threatening, abusive, or harming conduct that is:

a. objectively offensive;	OR	materially and substantially interferes with a student’s educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges.
b. an actual or perceived imbalance of power exists between the student engaging in the prohibited conduct and the target of the prohibited conduct;		
b. the conduct is repeated or forms a pattern;		

WHO DOES THE BULLYING POLICY APPLY TO?

- Students who directly engage in an act of bullying and students who condone or support another student’s act of bullying.
- Teachers, administrators, volunteers, contractors, or other employees of the school district.
- Apparent permission or consent by a student being bullied does not lessen or negate the prohibitions contained in this policy.

REPORTING BULLYING

- Alleged acts should immediately be reported to the school Principal, Dean of Students, or Counselor, preferably on the report form available in the school office.
- Bullying can be reported anonymously but the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.
- Reports of bullying are classified as private data and are confidential.

SCHOOL OR DISTRICT RESPONSE

- Within three days of the receipt of a report of bullying, the school district will begin an investigation.
- Immediate steps may be taken to protect the target of the bullying, the complainant, the reporter, or others.
- The alleged perpetrator of the bullying will be allowed the opportunity to present a defense.
- Upon completion of an investigation the school district will take appropriate action, which may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge.
- Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited conduct.
- School officials will notify the parent(s) or guardian(s) of students who are targets of bullying and the parent(s) or guardian(s) of alleged perpetrators of bullying who have been involved in a reported and confirmed bullying incident.
- The school district will discipline or take appropriate action against any student or adult who commits an act of reprisal or retaliation.

OTHER IMPORTANT ITEMS

- Training will be provided by the district to school personnel and volunteers.
- Students, parents, and staff will be notified of the Bullying policy in student handbooks, school offices, and it will be available on the district website.

Grade changes due to continuous progress will not be changed on progress reports but may be used to calculate a semester grade.
5. Semester Grades in High School and Yearlong Grades in Middle School are the only grades that appear on a students' permanent transcript.

Grading Marks

1. Courses in grades 6-12 will utilize a letter grade A-F, with the following exceptions:
2. Credit Recovery courses will be scored as a Pass/Fail with 80% as the passing percentage. *

Sect. 6.06 Collection and Dispersal of Monies

The collection and dispersal of money requires specific procedures outlined by the Minnesota State Auditor and Independent School District #317 Board Policy. Please review the following guidelines.

Collection:

Provide a sequentially pre-numbered receipt to the person (student or staff) turning in a payment, regardless of the amount. If a teacher/coach collects the payments, the teacher/coach should use a pre-numbered receipt book and detail whether the payment was cash/check. If the payment was a check, be sure to include the check number. Receipt books are available in the office, if necessary.

At a minimum, the teacher/coach must keep an accurate record of individual payments including the check number or cash designation, name, dollar amount, and date paid. It is DRHS

recommendation that a receipt book is utilized. All money received shall be turned over to the treasurer for deposit in the general or related fund **on a daily basis**. Money should not be kept in classrooms or outside the school building.

Dispersal:

The money will then be dispersed for expenses and salaries connected with the activity. In essence, this means that money will be deposited, and a check or purchase order will be provided for the amount owed. Cash should not be utilized as a form of payment.

7. SCHOOL PURCHASES AND PAYMENTS

Sect. 7.01 School Purchase

Teachers shall not contract any bill or make any arrangements that involve the school without an approved requisition form. This includes extracurricular and co-curricular activities. Deer River Extra-Curricular Philosophy

Extra-Curricular Philosophy of Deer River High School

The Grades 6/7/8 and C-squad Philosophy is to allow students to participate in as many activities as possible. No cuts are made at these levels. Coaches are expected to play all student athletes a balanced amount of time. We would hope that students who participate in our extra-curricular programs enjoy their experience regardless of their skill level. At these levels participation is our main objective, not winning or losing. We would hope that the student athlete learns social and athletic skills through the winning and losing process. Grades 6/7/8 and C-squad levels will strive for balanced playing time except for those who violate team rules.

The Varsity and JV Philosophy is to participate at a higher level that therefore requires a greater amount of dedication on the part of the students. At this level, it may be necessary to cut some students because of MSHSL restrictions put on official tournament squad sizes. Participating in extra-curricular activities is a privilege not a right. Although we believe that all students should have an opportunity to participate at the varsity level, winning will not be sacrificed so that everyone has a chance to play.

Building Blocks of the Deer River Philosophy

Participation - To promote activities at all levels and encourage students to participate in multiple activities.

Fundamentals - To develop the skills and habits needed to have successful programs and individual experiences.

Health & Safety - To maintain healthy and safe student athletes by developing year round life-long habits in the areas of nutrition, conditioning, and weight training.

Youth Programs - To work in partnership with community and league programs to develop student athletes K-12.

Communication - To maintain positive lines of communication between coaches, athletes, parents, and the community to build strong and successful programs.

Sportsmanship - The Deer River coaches, students, and fans will exhibit pride and respect towards opponents, officials, coaches, teammates, and facilities at all times.

J. Social Media

As a student at Deer River High School, you are expected to follow student handbook guidelines, even though an event may happen off school property or after school hours.

Social network sites, other digital platforms (including cell phones) and distribution mechanisms that facilitate student communicating with other students are considered "Social Networking" platforms. Participation in such networks has both positive appeal and potentially negative consequences. It is important the Deer River students be aware of these consequences and exercise appropriate caution if they choose to participate.

Students are not restricted from using any on-line social network sites and/or digital platforms. However, users must understand that any content they make public via on-line social networks or Digital platforms is expected to follow acceptable social behaviors and also to comply with federal, state, and local laws, as well as, your Student Handbook. As a Deer River student, you must be aware of your Student Handbook regulations and expectations of our said extra-curricular programs. Ignorance of these regulations does not excuse students from adhering to them.

Guidelines for Students:

These guidelines are intended to provide a framework for students to conduct themselves safely and responsibly in an on-line environment. As a student at Deer River you should:

1. Be careful with how much and what kind of identifying information you post on social networking sites. Virtually anyone with an email address can access your personal page. It is unwise to make available information such as a full date of birth, social security number, address, phone number, cell phone numbers, class schedules, bank account information, or details about your daily routine. All of these can facilitate identity theft or stalking. Social Media sites provide numerous privacy settings for information contained in its pages. Use these settings to protect private information. However, once posted, remember the information becomes property of the website and public record.
2. Be aware that community members, family and potential current and future employers, and college admissions, offices often access information you place on-line social networking sites. You should think about any information you post on sites or similar directories that potentially portrays an image of you to a prospective employer or school. The information is considered public information. Protect yourself by maintaining a self-image that you can be proud of you years from now.
3. Be careful in responding to unsolicited e-mails asking for passwords or PIN numbers. Reputable businesses do not ask for this information in e-mails.
4. Don't have a false sense of security about your rights to freedom of speech when using Social Media. Understand that freedom of speech is not unlimited. The on-line social network sites are NOT a place where you can say and do whatever you want without repercussions or personal accountability.
5. Remember photos once put on the social network site's server become their property and public record.
6. You may delete the photo from your profile but it still stays on their server. Internet search engines like "Google" or "Yahoo" may still find that image long after you have deleted it from your profile. Think long and hard about what type of photo you want to represent you.
7. Whoever is the "adult" (over 18) responsible for the contracts, computers, phone lines, ect... is liable (civil and criminal) for your actions as a minor as well.

Things students should avoid:

1. Derogatory language or remarks about our students, teammates, school personnel, and our community at-large: as well as, teachers, or coaches; student-athletes, administrators or representatives of other schools.
 2. Demeaning statements about or threats to any third party- (Including support of demeaning statements and threats.) Don't respond to these.
 3. Distribution and possession of unauthorized videos and photos or statements depicting violence; hazing; sexual harassment and content; vandalism, stalking; underage drinking, selling, possessing, or using controlled substances; or any other inappropriate behaviors.
 4. Creating a serious danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person.
 5. Indicating knowledge of any unreported felonies, crimes, thefts or damage to property or unethical behavior.
 6. Indicating knowledge of an unreported school or team violation-regardless if the violation was unintentional or intentional.
- One of the biggest lessons social network users can learn is that anything you post online enters the

public record. You never know who may be looking and when. Students, Parents, and Guardians, let it be known that any students in violation of said conduct is subject to consequences to be determined by the Administration.

The Minnesota State High School League Student Code of Responsibilities, Bylaw 206.00, is applicable and relevant in all student related issues and concerns in such matters.

K. Emergency Procedures

At away events or sites the coach, advisor, or supervisor shall have the authority to establish emergency temporary rules for the well being of the individuals and the school. These emergency procedures are to be adhered to immediately by all participants. Failure to comply will constitute insubordination, and the violator shall be removed from the activity for the balance of the year.

L. School Discipline Policies

All established discipline policies and procedures will be applicable to extra-curricular activities before, during, or after practice, games, or events whenever necessary.

Hazing: Any act, on or off school property, against a student or coercing a student into committing an act in order for the student to be initiated into or affiliated with a student/school organization is strictly forbidden.

2nd Offense: Expulsion from school, according to the Fair Pupil Dismissal Act plus MSHSL Penalty.

No participants are to remain in the building following practices or events or when practice is not scheduled or an event cancelled. The coach, advisor or supervisor shall remain in the building until the last participant has departed for home.

N. Locker Room Supervision

Coaches will be responsible for supervision of locker rooms while students are using them. Coaches will inspect all locker rooms at away events and will involve an employee of the host school if the locker room does not appear to be clean and in good repair. Participants are **required** to provide a padlock on their locker to further secure personal and school equipment and clothing from theft.

O. Tournament Travel

Team members not participating in tournaments may travel with the team under the following conditions:

1. It is agreeable with the coach.
2. Adequate adult supervision is available.
3. Adequate space is available.
4. No additional costs are incurred by the district.
5. Cell phones are not allowed in locker rooms at MSHSL play-off events.

P. Assaults and/or Threats toward Staff, Coaches, Volunteers

Students who threaten or assault a staff member are subject to expulsion, according to the Fair Dismissal Act of 1974, as revised in 2001.

Q. School Closings:

When inclement weather, road conditions, or emergencies arise, school closing announcements will be made over radio stations and tv stations and on the school web site (www.isd317.org). When school is cancelled because of these conditions, cancellation of games and practices will be determined by the school administration.

When all of the above listed have communicated on this potential promotion and all have signed the form verifying the required criteria, it should be forwarded to the Athletic Director for filing. Junior high school athletes should not be allowed to practice or compete in any contest until the petition process is completed.

A. C-squad or B-squad student-athlete promotion to a higher level may occur when there has been open communication between the head coach and the parent about the following areas:

IV. INDIVIDUAL ACTIVITY RULES AND REGULATIONS

Each activity coach, advisor, or supervisor will prepare, distribute and explain a handbook with the individual policies for their activity. Each specific activity handbook will list and describe specific rules, regulations, penalties and practices that apply to that activity. The specific activity handbook will be approved by the Athletic Director and Principal, and a copy will be maintained in each respective office and provided to school board members.

A. Suggested items in Activity Handbook

1. Lettering criteria
2. Team selection criteria
3. Selection of captain/captains procedures requirements
4. Dress and appearance codes
5. Excused/unexcused absences from practice, events, performances, and appropriate penalties/restriction
6. Attitude
7. Use of profanity
8. Locker room rules
9. Practice requirements

V. VERIFICATION AND ACCEPTANCE

Participation in extra-curricular activities is not required of any student who attends Deer River High School. The school strongly supports and encourages individuals to participate in the programs for personal growth and development. Because participation is considered a privilege, the expectation of the students is higher than those in the normal school program, and these penalties would be more severe.

Both parents and participants are required to sign the attached forms and return them to the Activities Director's office prior to participating. Signing the form constitutes acceptance by the parent and student of the rules, regulations, and penalties.

VI. OPEN GYM AND CAPTAINS' PRACTICE

Open Gym is scheduled periodically to provide recreational opportunities for all interested students. When Open Gym is scheduled, an announcement is made to inform all students, a staff member is present to provide adequate supervision, and all usual and customary school rules and regulations will apply. Open Gym participation is not mandatory for extra-curricular participants and individual/team coaching is not conducted.

Captains' Practices are not organized or sanctioned by the Deer River School District. As the school does not recognize Captains' Practices, the school does not provide any supervision of the event or require potential extra-curricular participants to participate.

VII. POTENTIAL OF PERMANENT INJURY OR TRANSMISSION OF INFECTIOUS DISEASES

Warning: Participation in extra-curricular activities may result in the participant being injured and the result of the injury, regardless of adequate supervision, training, equipment, and facilities, may be permanent and disabling.

Informed Consent: By its nature, participation in interscholastic athletics includes risk of injury and the transmission of infectious diseases such as Hepatitis B and HIV. Although serious injuries are not common and the risk of HIV transmission is almost nonexistent in supervised school athletic programs, it is impossible to eliminate all risk. Participants have the responsibility to help reduce that risk. Participants must obey all safety rules, report all physical and hygiene problems to their

coaches, follow a proper conditioning program, and inspect their own equipment daily.

VIII. SENIOR ATHLETIC AWARD

1. Twelve or more varsity letters during grades 9-12.
2. Continued Minnesota State High School League eligibility.
3. A 2.0 academic grade point average.

IX. ACTIVITY FEES

1. Students in grades 7-8 are required to pay \$60.00 for each activity.
2. Students in grades 9-12 are required to pay \$100.00 for each activity.
3. Fine Arts Activity Fees are \$40.00 for each activity (grades 7-12).
4. Maximum charge to any one family is **\$375.00** per school year.

A. Fee Refund Policy

If a student should decide in the **first two weeks** of the season that he/she would like to discontinue participation in that activity, and he/she leaves the team in **good standing** as verified by the head coach, then he/she would receive a full refund. If a student is cut from a team due to large numbers as verified by the head coach, then the student would receive a full refund. If a student discontinues participation after two weeks or is removed from the team at anytime during the season, then there is no refund.

Minnesota State High School League

Mission Statement

The Minnesota State High School League provides educational opportunities for students through interscholastic athletic and fine arts programs and provides leadership and support for member schools.

Belief Statement

We believe that ...

- Participation in school activity programs is a privilege and not a right.
- Sportsmanship needs to have a constant presence in all school-based activity programs.
- Students should have an equal opportunity to participate in all activities offered by their school.
- Ethical behavior, dignity and respect are non-negotiable.
- Student participants who choose to be chemically free must be supported.
- Collaborative relationships with parents enhance a school's opportunity to positively impact student success.
- Academic priorities must come before participation in athletic or fine arts activities.
- Positive role models and an active involvement in a student's life by parents and others are critical to student success.
- High school activity programs are designed for student participants, and adults must serve in a supportive role.
- The success of the team is more important than individual honors.
- Compliance with school, community and League rules is essential for all activity participants.
- Participation in school-sponsored activities must be inclusive, not exclusive.
- Ethical behavior, fairness and embracing diversity best serve students and school communities

We expect all of our programs to accomplish the following each season.

a. **Players have a good experience.** At the end of the day, this is about creating an experience for our students that is positive, for the purposes of teaching them, growing them, connecting them to school, and hopefully, building relationships with positive adults.

b. **The program represents the school and district well.** As coaches, advisors and participants, we should set the standard for how we act on the court, field, or performance venue when it comes to respect, sportsmanship, and graciousness.

c. **The players learn the game.** Our participants should get better at the skills required to be successful in the activity, regardless of how skilled they are to start out.

d. **We are as successful as we should be.** There are years where our team may have more talent or less talent. The expectation isn't that we win the conference every year or go to state every year; some years we just won't have the talent for that. But in years we have good talent, we should be very competitive. A good coach will figure out a way to get the most out of their players, their team, and every team should be better at the end of the year than the beginning.

Athletic Philosophy

Extra-Curricular Philosophy of Deer River High School

The Grades 6/7/8 and C-squad Philosophy is to allow students to participate in as many activities as possible. No cuts are made at these levels. Coaches are expected to play all student athletes a balanced amount of time. We would hope that students who participate in our extra-curricular programs enjoy their experience regardless of their skill level. At these levels participation is our main objective, not winning or losing. We would hope that the student athlete learns social and athletic skills through the winning and losing process. Grades 6/7/8 and C-squad levels will strive for balanced playing time except for those who violate team rules.

The Varsity and JV Philosophy is to participate at a higher level that therefore requires a greater amount of dedication on the part of the students. At this level, it may be necessary to cut some students because of MSHSL restrictions put on official tournament squad sizes. Participating in extra-curricular activities is a privilege not a right. Although we believe that all students should have an opportunity to participate at the varsity level, winning will not be sacrificed so that everyone has a chance to play.

Building Blocks of the Deer River Athletic Philosophy

Participation - To promote activities at all levels and encourage students to participate in multiple activities.

Fundamentals - To develop the skills and habits needed to have successful programs and individual experiences.

Health & Safety - To maintain healthy and safe student athletes by developing year round life-long habits in the areas of nutrition, conditioning and weight training.

Youth Programs - To work in partnership with community and league programs to develop student athletes K-12.

Communication - To maintain positive lines of communication between coaches, athletes, parents and the community to build strong and successful programs.

Sportsmanship - The Deer River coaches, students and fans will exhibit pride and respect towards opponents, officials, coaches, teammates and facilities at all times.

Professional Behavior

Coaches/advisors have earned a unique position of esteem in the community that allows them to influence many of the young people with whom they work. This prestigious position carries with it a special responsibility. Because young people respect and emulate coaches/advisors, it is important that the coach/advisor respond by accepting this responsibility and exhibiting conduct that is above reproach. Coaches/advisors have a positive influence on young people. Always be sure that the young men and women who have participated under the leadership of the Deer River coaching staff are better persons for having done so. Never place the value of win above that of instilling the highest desirable ideals and character traits in participants. Setting an example for students by following the Minnesota State High School League's rules on alcohol, tobacco, and drugs when in contact with students and parent groups will help foster positive coaching relationships. Adherence to the Code of Ethics of the Minnesota State High School Coaches' Association and the guidelines included in this manual will be expected from all coaches/advisors.

Following is the Code of Ethics of the Coaches' Association:

1. Strive to develop in each athlete the qualities of leadership, initiative and good judgment.

District #317 Activity Procedures**Acceleration Procedure:**

GUIDELINES: Participation by students on athletic teams representing the secondary school of District #317 will normally be limited to those students representing the school level which they attend for regular classes. Such teams constitute an integral part of the total educational program and are primarily designed to serve the needs of only the students of that level. This represents a basic guideline for athletic participation in our school district. However, on rare occasions, a junior high school athlete may be so physically and emotionally mature, as well as athletically gifted, that consideration should be given to allowing that student to leave his/her junior high school team and compete at the senior high level. Such a decision requires a thoughtful and critical look at the needs of the student and concern for his/her physical, mental and emotional well-being and what will be in the best interest of the student's total development. Also, the effect on the junior high school and senior high school programs must be considered. However, the total welfare of the student must be the focus of all recommendations and decisions. At the junior school level, emphasis shall be placed on participation and skill development as compared to the philosophy of stronger competitiveness and playing to win at the senior high level. (See philosophies on page 4.)

DEFINITIONS:

1. Grades 9-12 shall be considered as the senior high programs.
2. Grades 6,7,8 shall be considered as the junior high school programs.
3. Acceleration in cross country, golf, nordic skiing, and track, shall be allowed without following the procedure in this policy for acceleration except that parent permission must be granted.

PROCEDURE FOR ACCELERATION**Junior High Students:**

In the rare instances where acceleration will be considered from junior high school to senior high the following procedure must be followed:

- a. The student/athletes and parents will not be contacted verbally or in writing until all steps of the process have been completed.
- b. The head varsity coach will initiate in writing the proposed acceleration to the activities director.
- c. All coaches affected (grade level coach current year, proposed grade level coach and the head

coach) will meet with the activities director to discuss the proposed acceleration and agree that acceleration should be considered.

- d. The activities director will then set up a meeting with the Principal and teachers to review this request from the standpoint of the student's total development.
- e. After a reading of the guidelines and discussion, a secret ballot vote will be taken. The voting will be by the Principal, Activities Director, and teachers. The decision to accelerate must be unanimous. If the vote is not unanimous, the process ends. In cases where time does not allow the Principal and Act. Dir. can allow the promotion on a probationary basis. The student athlete will be informed it is probationary until the process can be completed.
- f. If the recommendation is to further consider acceleration, the parents and the student will then be notified by the head varsity coach and asked to review the recommendation as well as plans for participation, practice, and team rules. If they concur the recommendation to accelerate will occur.
- g. Once the student has been accelerated the student can be returned to the junior high level if academic performance or discipline becomes unsatisfactory.

PROCEDURE FOR ACCELERATION

C-squad to B-squad or B-squad to Varsity:

In the instances where acceleration will be considered from C- or B-squad levels to the next higher level, the following procedure will be used:

- a. The head varsity coach will initiate in writing the proposed acceleration to the Activities Director.
- b. All coaches affected (level coach current year, proposed level coach and the head coach) will meet with the activities director to discuss the proposed acceleration and agree that acceleration should be considered.
- c. The head coach will contact the student and the parent and discuss the recommendation as well as plans for participation, practice and team rules. If they concur, the recommendation to accelerate will occur.

Booster Clubs

DIRECTIONS: All school organizations and booster clubs are required annually to receive school board approval as a sanctioned school organization and/or booster club.

REQUIRED GUIDELINES:

TITLE IX STUDENT SEX NONDISCRIMINATION

I. PURPOSE

Students are protected from discrimination on the basis of sex pursuant to Title IX of the Education Amendments of 1972 and the Minnesota Human Rights Act. The purpose of this policy is to provide equal educational opportunity for all students and to prohibit discrimination on the basis of sex.

II. GENERAL STATEMENT OF POLICY

- A. The school district provides equal educational opportunity for all students, and does not unlawfully discriminate on the basis of sex. No student will be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any educational program or activity operated by the school district on the basis of sex.
- B. It is the responsibility of every school district employee to comply with this policy.
- C. The school board hereby designates Gerald White, Deer River High School, PO Box 307, Deer River, MN 56636, 218-246-8241, ext. 225, as its Title IX coordinator. This employee coordinates the school district's efforts to comply with and carry out its responsibilities under Title IX.
- D. Any student, parent or guardian having questions regarding the application of Title IX and its regulations and/or this policy should discuss them with the Title IX coordinator. Questions relating solely to Title IX and its regulations may be referred to the Assistant Secretary for Civil Rights of the United States Department of Education. In the absence of a specific designee, an inquiry or complaint should be referred to the superintendent or the school district human rights officer.

III. REPORTING GRIEVANCE PROCEDURES

- A. Any student who believes he or she has been the victim of unlawful discrimination by a teacher, administrator or other school district personnel, or any person with knowledge or belief of conduct which may constitute unlawful sex discrimination toward a student should report the alleged acts immediately to an appropriate school district official designated by this policy or may file a grievance. The school district encourages the reporting party or complainant to use the report form available from the principal of each building or available from the school district office, but oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting unlawful sex discrimination toward a student directly to a school district human rights officer or to the superintendent.
- B. In Each School Building. The building principal is the person responsible for receiving oral or written reports or grievances of unlawful sex discrimination toward a student at the building level. Any adult school district personnel who receives a report of unlawful sex discrimination toward a student shall inform the building principal immediately.
- C. Upon receipt of a report or grievance, the principal must notify the school district human rights officer immediately, without screening or investigating the report. The principal may request, but may not insist upon a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the principal to the human rights officer. If the report was given verbally, the principal shall personally reduce it to written form within 24 hours and forward it to the human rights officer. Failure to forward any report or complaint of unlawful sex discrimination toward a student as provided herein may result in disciplinary action against the principal. If the complaint involves the building principal, the complaint shall be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant.

- D. The school board hereby designates Renee Cole, Deer River Schools, P.O. Box 307, Deer River, MN 56636, 218-246-8860, ext. 412, as the school district human rights officer to receive reports, complaints or grievances of unlawful sex discrimination toward a student. - E. The school district shall conspicuously post the name of the Title IX coordinator and human rights officer(s), including office mailing addresses and telephone numbers.
- F. Submission of a good faith complaint, grievance or report of unlawful sex discrimination toward a student will not affect the complainant or reporter's future employment, grades or work assignments.
- G. Use of formal reporting forms is not mandatory.
- H. The school district will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

IV. INVESTIGATION

- A. By authority of the school district, the human rights officer, upon receipt of a report, complaint or grievance alleging unlawful sex discrimination toward a student shall promptly undertake or authorize an investigation. The investigation may be conducted by school district officials or by a third party designated by the school district.
- B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.
- C. In determining whether alleged conduct constitutes a violation of this policy, the school district should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.
- D. In addition, the school district may take immediate steps, at its discretion, to protect the complainant, pupils, teachers, administrators or other school personnel pending completion of an investigation of alleged unlawful sex discrimination toward a student.
- E. The investigation will be completed as soon as practicable. The school district human rights officer shall make a written report to the superintendent upon completion of the investigation. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment.

VII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES

Student Code of Responsibilities

As a student participating in Deer River interscholastic activities, these responsibilities are expected as stated in MSHSL Bylaw.

- * I will respect the rights and beliefs of others and will treat others with courtesy and consideration.
- * I will be fully responsible for my own actions and the consequences of my actions.
- * I will respect the property of others.

The Activities Director will conduct a preliminary inquiry to determine whether there is adequate evidence to warrant an official or full investigation. The Activities Director may also initiate an inquiry on her/his own incentive if she/he has reasonable cause to believe that a student has been in violation. The Activities Director and High School Principal will set for the penalty for the Code of Conduct violation.

Social Media

As a student at Deer River High School, you are expected to follow student handbook guidelines, even though an event may happen off school property or after school hours.

Social network sites, other digital platforms (including cell phones) and distribution mechanisms that facilitate student communicating with other students are considered "Social Networking" platforms. Participation in such networks has both positive appeal and potentially negative consequences. It is important the Deer River students be aware of these consequences and exercise appropriate caution if they choose to participate.

Students are not restricted from using any on-line social network sites and/or digital platforms. However, users must understand that any content they make public via on-line social networks or Digital platforms is expected to follow acceptable social behaviors and also to comply with federal, state, and local laws, as well as, your Student Handbook. As a Deer River student, you must be aware of your Student Handbook regulations and expectations of our said extra-curricular programs. Ignorance of these regulations does not excuse students from adhering to them.

Guidelines for Students:

These guidelines are intended to provide a framework for students to conduct themselves safely and responsibly in an on-line environment. As a student at Deer River you should:

1. Be careful with how much and what kind of identifying information you post on social networking sites. Virtually anyone with an email address can access your personal page. It is unwise to make available information such as a full date of birth, social security number, address, phone number, cell phone numbers, class schedules, bank account information, or details about your daily routine. All of these can facilitate identity theft or stalking. Social Media sites provide numerous privacy settings for information contained in its pages. Use these settings to protect private information. However, once posted, remember the information becomes property of the website and public record.

2. Be aware that community members, family and potential current and future employers, and college admissions, offices often access information you place on-line social networking sites. You should think about any information you post on sites or similar directories that potentially portrays an image of you to a prospective employer or school. The information is considered public information. Protect yourself by maintaining a self-image that you can be proud of you years from now.
3. Be careful in responding to unsolicited e-mails asking for passwords or PIN numbers. Reputable businesses do not ask for this information in e-mails.
4. Don't have a false sense of security about your rights to freedom of speech when using Social Media. Understand that freedom of speech is not unlimited. The on-line social network sites are NOT a place where you can say and do whatever you want without repercussions or personal accountability.
5. Remember photos once put on the social network site's server become their property and public record. You may delete the photo from your profile but it still stays on their server. Internet search engines like "Google" or "Yahoo" may still find that image long after you have deleted it from your profile. Think long and hard about what type of photo you want to represent you.
6. Whoever is the "adult" (over 18) responsible for the contracts, computers, phone lines, etc... is liable (civil and criminal) for your actions as a minor as well.

Things students should avoid:

1. Derogatory language or remarks about our students, teammates, school personnel, and our community at-large: as well as, teachers, or coaches; student-athletes, administrators or representatives of other schools.
2. Demeaning statements about or threats to any third party- (Including support of demeaning statements and threats.) Don't respond to these.
3. Distribution and possession of unauthorized videos and photos or statements depicting violence; hazing; sexual harassment and content; vandalism, stalking; underage drinking, selling, possessing, or using controlled substances; or any other inappropriate behaviors.
4. Creating a serious danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person.
5. Indicating knowledge of any unreported felonies, crimes, thefts or damage to property or unethical behavior.
6. Indicating knowledge of an unreported school or team violation-regardless if the violation was unintentional or intentional.

One of the biggest lessons social network users can learn is that anything you post online enters the public record. You never know who may be looking and when. Students, Parents, and Guardians, let it be known that any students in violation of said conduct is subject to consequences to be determined by the Administration.

The Minnesota State High School League Student Code of Responsibilities, Bylaw 206.00, is applicable and relevant in all student related issues and concerns in such matters.

Deviation from this rule will be cleared through the principal or activity office.

There is no set policy for senior high (6-12) co-curricular activities on days of inclement weather. Knowing that the weather can change rapidly and knowing the complexities of postponements, a concrete policy is not in place. If there is any question of safety because of the weather, games and practices and other activities will be canceled or postponed. On days of inclement weather, if you have students who are about to drive home by themselves or with another student, have them call home before departing to advise their parents that they are now on their way. In the event any of you are stranded in another community, have your students call their homes and advise their parents of their situation and where they are staying. Also, when you are out of town and are ready to return to Deer River on a night of inclement weather, call the Activity Director or Principal at home or school so that they may contact the media if needed to advise them of your approximate return time, but more importantly, call the Activities Director or Principal so that a decision can be made on whether or not to start out. **School Cancellations:** When school is dismissed or canceled due to inclement weather the decision to cancel practice or games will be made by the school administration

Certification requires a minimum ACT or SAT score, completion of several *core courses*, as specified by NCAA, and a minimum GPA in those core courses. It is the *student's responsibility* to see that he/she meets all certification requirements. To begin the certification process, students must submit the following to NCAA Clearinghouse: 1) a Student Release Form (be sure to enter *and remember* your PIN# for future access to your file), 2) a fee, 3) an official transcript from each high school he/she has attended, 4) official ACT or SAT scores. The release form, fee, and transcript request should be submitted **directly to the Guidance Office**, who will forward them to NCAA Clearinghouse in a timely manner. Students must send an ACT or SAT Release Form directly to ACT or SAT to request that official test scores be forwarded to NCAA Clearinghouse.

Off-Site Practice/Games

Coaches shall instruct their participants about proper etiquette and hazards of running on the streets when going to practice or game sites. Whenever possible, stay on the school premises

Recommendations:

1. That the coaches annually review with the Activities Director the routes that will be used in the community, including all roadways and trails as to their safety and conditions.
2. That as a part of the pre-season training, coaches explain to parent/guardians that their program will include community roadways and trails with identified expectations of students.
3. That student athletes who do not follow the expectations of use of roadways and trails will be appropriately disciplined.

Pre-Excused Absences

Coaches and Advisors are asked to submit a list of students that will be absent for the school day or for any early dismissals to the Attendance Secretary at least two days in advance of the date the student/s will be absent. This list also needs to be sent out to all teachers.

Recruitment of Students

Open enrollment, Graduate Incentives, and other state programs facilitate student movement from school district to school district. The intent of these programs is to insure that student movement is based on academic, not athletic reasons.

Coaches are expected to observe the following guidelines:

1. No Deer River coach is to initiate contact, directly or indirectly, with any prospective student athlete and his/her parent from outside the Deer River attendance area at any level, under any circumstances.
2. If the student athlete or his/her parent from outside the Deer River attendance area contacts a coach, directly or indirectly, the coach will refer them to the Activities Director.
3. Transfer students whose families are moving into the school district will not be affected. These students will be processed through the high school office as they have been in the past.

Activity Account Procedures

Definition of Activity Funds

Student activity funds are those funds that are directed toward the skill development and enjoyment of students. They are **of, by, and for students**. These funds do not offset the regular school budget, nor do responsible adults unilaterally control those funds.

Activity Funds Guidelines

1. All expenditures or planned activities **MUST** be pre-approved by the Office Administrative Assistant (Currently Theresa Grossell) with the proper form completed **PRIOR** to ordering or

- completing the event including a purchase order when needed. Failure to do this may result in non-approval and responsibility for payment goes to Coach/Advisor
2. All check requests must be accompanied by an invoice/receipt and a copy of the activity group's minutes from a meeting where the students approved (by vote) the disbursements of the funds.
 3. The District Office must approve all contractual agreements with independent vendors (music, DJ's, etc.).
 4. Each Activity must submit a "Statement of Purpose" at the beginning of each school year. This statement should include the name of the activity, advisor, and student treasurer along with the group's constitution. This must be signed by the Advisor and Principal and placed on file in the High School Office.
 5. Yearly – A list of the Activities officers must be submitted to the High School Office.
 6. Food cannot be sold during school hours and/or in competition with the food service program.
 7. The building principal or activities director must approve all fundraising projects for **ALL** activities before the activity begins. All fundraising activities must have prior approval of the principal/activities director and superintendent if the fundraiser involves community participation.
 8. Games of chance are strictly prohibited. Raffles will not be permitted unless a valid permit from the Department of Revenue is obtained. Donated items cannot receive any form of reimbursement. Tickets must be in numerical order and commercially printed.
 9. All students, parents, and staff involved in fundraising activities shall agree that all Funds raised by the participants shall revert to the club or activity account should the specific purpose of the fundraising activity such as trips or a banquet fail to materialize for any reason.
 10. Commercially printed numerically numbered tickets must be issued at all dances. \
 11. If the participants of an activity agree to pay a portion of the cost (down payment) of the activity with the balance to be funded through fundraising, the participant is eligible to withdraw his/her portion (down payment) upon withdrawal.
 12. Excess dollars raised by individual students/parents towards an activity shall remain with the club or activity account at large and cannot be donated to a specific student in the activity.
 13. Criteria for Out-Of-District Student Travel:
 - a. Travel must be related to educational or approved activity programs.
 - b. Travel must provide opportunities that are not available within the district. Trips should not interfere with the school calendar. Absences from trips initiated for academic enrichment will be recorded as a prearranged absence.
 - c. The Principal/Superintendent must approve the number of adults participating in the travel to supervise students. In general, a ratio of 1 to 10 is required.
 - d. It is highly recommended that at least one chaperone have a current first aid certificate.
 - e. Written parent or guardian permission must be secured.
 - f. The School Board must approve trips outside the State of Minnesota one (1) semester prior to the trip departure. The School Board must approve trips within the State of Minnesota thirty (30) days prior to departure.
 14. Student approvals in minutes of expenditures. Attach minutes to purchase request/payment.
 15. At no time are checks to be cashed for individuals, nor any form of labor paid in cash.

16. Personal checks cannot be cashed from a student activity fund. Personal checks may be accepted when payment is for the student activity and is in the exact amount due as in the case of the purchase of a ticket to a play. Checks cannot be made out for CASH.
17. At no time and under no circumstances are labor payments made by cash or check from a student activity account.
18. All letters requesting donations must be accompanied by a Fundraising Application and submitted to the Principal/Activities Director for approval prior to being mailed. The activity group will be charged for the postage.
19. Activity group advisors may not charge merchandise without pre-approval. Students are not allowed to charge merchandise at any business for the activity group. The office has a credit card for the Northern Star Foods/Cenex that advisors need to use if charging there.
20. At no time will coaches/advisors be reimbursed for their own personal meals, souvenirs, Tax of any kind, or out of pocket personal expenses.
21. Surplus items cannot be purchased to maintain an inventory for future sales.
22. If any coach/advisor does not adhere to any of the above criteria expenses accrued will be the responsibility of the coach/advisor to pay personally.
23. Participants involved in fundraising activities shall have no claim on the funds raised other Than the down payment amount

Scrimmages

Coaches are requested to use judgment in the number of scrimmages, the distance traveled to scrimmages and the sequence of scrimmages relating to practices and/or games for the sake of the participants and also in consideration of the budget. The scrimmage schedule must be cleared with the Activities Director and follow MSHSL Guidelines.

Senior-Led Practices or Captains' Practice

The term "senior-led practice" or "Captains' Practice" and the definition of those practices is rather nebulous. There is no real "legal" definition. The following should be used as a guideline:

1. Senior-led/Captains' practices must be initiated, organized, and administered by the seniors or captains.
 - a. During the regular season, a coach may instruct the seniors/captains what would constitute a "good" senior-led/captains practice and how to initiate, organize and administer a program. The coaches should do all of their coaching, instructing or evaluating of a squad during the regular season.
 - b. Coaches who arrange, or encourage their seniors/captains to arrange for parental or "outside of school" coaches to administer senior-led practice would be in violation of good coaching ethics.
2. Attendance should be voluntary and should not be limited.
3. It is difficult for an athlete to prepare for more than one sport at a time. A coach, who encourages team members to participate in senior-led/captains practice while he/she is still participating in a current sport, is not being fair to the individual or to the sport in which the student is participating.
4. Coaches should encourage students to participate in a sport that is in season. Coaches who educate seniors/captains to start senior-led practices extremely early in a season, would be discouraging students from participating in a current sport. This should not be the philosophy of District #317 athletic coaches.

Supervision (Groups and Facilities)

1. One of the prime responsibilities of a coach is the supervision of his/her team. In addition, the coach must be aware of his/her responsibilities for building and facility security.
2. No athlete is allowed to use school facilities without a coach present to supervise.
3. If you open a door, you are responsible for securing the door when your practice/event is completed.
4. Before leaving the premises, make the following final check:
 - a. All showers are shut off.
 - b. All lights in gymnasium, locker room, and coaches' office are shut off.
 - c. All doors in the gym and locker room are locked and secured.
 - d. Be sure exterior door is locked and secured.
5. Do not, under any circumstances, leave while there are students still in the building.

Suspension Procedure

Suspensions for violations of rules shall be administered by the Activities Director or Principal. A student who is on suspension, whether in school or out of school, will not be eligible for participation (practice or games) on those days of suspension. A student who has violated a rule and is subject to a penalty and then decides to go out for a sport/program which he/she has never been out for before may do so and may pay the penalty for his/her violation in that new sport/program. However, if he/she quits that program after paying the penalty before the season is over, the penalty for the violation shall be incurred again during the next program in which he/she becomes involved. A student must start in this other program no later than the first week unless approved by the coach/advisor.

Team Selection Procedure

With our desire to see as many students as possible participate in the activities program, we encourage coaches to keep as many students as they can without unbalancing the integrity of their activity. Obviously, time, space, facilities, equipment, personal preference and other factors will place limitations on the most effective squad size for any particular sport/activity. Strive to maximize the opportunities for our students.

1. Review all team selections that you are planning with the Activities Director before making any announcements.
2. Prior to trying out, the coach shall provide the following information to all candidates for the team:
 - a. Extent of try-out period
 - b. Criteria used to select the team
 - c. Number to be selected
 - d. Practice commitment if they make the team
 - e. Game commitments
3. If a student does not make the team, the coach shall personally inform each candidate in a sensitive and respectful manner, the reason for the action.
4. Team selection lists are NOT to be posted.
5. Coaches should discuss with any student who does not make the team, alternative possibilities in the sport, or other areas in the activities program.
6. Coaches must complete the refund request form verifying that all equipment has been refunded for the student to receive a refund.

Transportation

- A. Nortran buses, vans or automobiles shall be the official mode of transportation whenever possible. Any other mode of transportation shall be obtained and utilized only through the proper chain of command and only when it is absolutely necessary.
- B. Transportation requests shall be made through the Activities Director. All vehicle expenses will be charged back to the respective budgets of coaches/advisors using such vehicles. Before the season begins, you will be asked to review the temporary schedule and make any changes you think necessary. You will receive a final copy of the transportation scheduled for your program. If it is incorrect, call the Activities Director as soon as possible. Whenever possible, the teams will be grouped together to travel on the same bus.
- C. Advisors/coaches shall accompany their team and/or players on all bus trips. They shall be responsible for the conduct of their students at all times during practice, rehearsals, games, travel to and from scheduled events and until such time that they have vacated the locker room after completion of their activity. When district transportation is provided, staff will not be reimbursed for driving personal vehicles without prior approval of the Activities Director.
- D. Bus Rules
 - a. All passengers must adhere to District #317 Transportation Policies and Procedures.
 - b. The coach or the advisor should administer proper control over the passengers that are being supervised.
 - c. Passengers are to remain seated at all times while the bus is moving.
 - d. Food and beverages may be allowed on the bus, but discretion must be used so cleanliness and order is maintained.
 - e. When you depart at a restaurant, give the passengers a time limit in which to depart, eat and return to the bus.
 - f. No radios, tune boxes or TV sets are allowed on the bus or van. This is a state law.
 - g. All paper and rubbish are to be deposited in the wastebaskets or boxes.
 - h. No profanity is allowed.
 - i. Passengers are not allowed to throw anything from the bus, nor are they allowed to have their extremities out windows. Windows are to remain closed.
 - j. A seating chart is recommended.
 - k. A pre-trip and post-trip inspection by the coach or advisor will be required for cleanliness and damage. Bus will be clean of excess garbage before bus is cleared by driver. A cleaning charge will be assessed to the organization for excessive cleaning or damage.
- E. All students are expected to ride to and from contests on transportation provided by District #317. If special situations arise, students may ride to an event **only with their own parents/guardians if written permission is given in advance. If riding home with another adult written permission must be given by the activity office in advance.**
- F. Care of School Vehicles - The transportation department constantly requests that better care be given to school vehicles. Coaches/advisors shall check the oil on cars and vans before departure and clean out the interior of vehicles upon completion of their trip. Leave the keys and credit cards in the cars or vehicles when you return them to the bus garage and lock the doors. A new law requires school vans to stop for all railroad crossings.

Video Taping

Coaches/advisors are requested to use their judgment in the amount of filming each year and must realize that the expense shall be a part of their overall budget. The Activities Office has a video camera available for your use.

Coaching Clinics

Coaches of 9-12 students can attend one clinic per year per sport coached funded by the school district. Staff development procedures need to be followed. No transportation provided.

State Tournaments

AGENDA ANALYSIS FORM

August 8, 2022

SUBJECT: 2022-23 School meal prices

Board Action X Status or Scheduled Report _____ Information only _____

BACKGROUND/RATIONALE:

Minnesota Legislation effective for the 2022-2023 school year will be returning to normal School Nutrition Program (SNP) Operations:

1. Students must be claimed according to category of approval: free, reduced-price or paid for the School Breakfast Program (SBP) and National School Lunch Program (NSLP).
2. In Minnesota, state funds cover the cost of reduced-price meals, so all reduced-price eligible students receive breakfast and lunch at no charge. Meals for these students must continue to be claimed as reduced-price and students should not be charged for a meal.
3. Similarly, state funds cover the cost of breakfast for paid-eligible Kindergarten students, so all Kindergarten students receive breakfast at no charge.
4. For FY23 - All breakfasts will be provided at no charge for students who fill out a FY23 free/reduced lunch application regardless if they qualify or not. If an application is not filled out; all students in Grades 1-12 that are not direct certified will be charged for breakfast.

**FY23 BREAKFAST & LUNCH
PRICES**

	FY22	Proposed FY23	Increase
Elementary Breakfast	\$1.35	\$1.45	\$0.10
Elementary Lunch	\$2.00	\$2.10	\$0.10
High School Breakfast	\$1.45	\$1.55	\$0.10
High School Lunch	\$2.25	\$2.35	\$0.10

Adult Breakfast	\$2.75	\$2.75	\$0.00
Adult Lunch **	\$4.00	\$5.00	\$1.00
Adult Milk	\$0.50	\$0.50	\$0.00

*** The calculation is based on the current year's State and Federal reimbursement rates plus the national average per meal value of U.S. Department of Agriculture Foods.*

AGENDA ANALYSIS FORM

Board Meeting of August 8, 2022

AGENDA ITEM: 6. E.

SUBJECT: Approval of Substitute Employee Compensation Rate for 2022-2023

Board Action X Status or Scheduled Report Information only

BACKGROUND/RATIONALE:

The evolution of Learning Management Systems at the secondary level should begin to decrease the number of substitute teachers needed. Therefore, a modest increase of the daily teacher sub rate should help fill those substitute positions needed to operate safely and effectively. There is currently strong regional competition for available substitutes. The AFSCME position substitute pay rates follow the corresponding step at the first lane of the master agreement.

My recommendation is to increase the rate of pay for substitute teachers procured by Frontline Absence Management System:

Daily substitute teacher rate = \$125

Bonus for retired teachers = \$20 (\$145 total per day)

Long-term subs are offered contracts in alignment with the DREA master agreement.

Non-certified sub rate (para, secretary, food service, custodian) = \$15 per hour

PRESENTER(S):

Pat Rendle

SUPERINTENDENT'S RECOMMENDATION:

Motion to approve a \$10 per day increase in daily substitute teacher pay and a \$3 per hour increase for non-certified substitutes for 2022-2023.

SPEECH THERAPY SERVICE CONTRACT

This Speech Therapy Service Contract (“**Agreement**”) is made and entered into as of the 8th day of August, 2022 (“**Execution Date**”) by and between Deer River Schools (“**School**”) and Speech Partners, LLC a Minnesota limited liability company (“**Provider**”).

AGREEMENT

In consideration of the mutual covenants and obligations of this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **TERM.** The term of this Agreement shall commence on or around the first day of the 2022/2023 school year and shall terminate on or around the last day of the 2022/2023 school year (“**Term**”). The term of this Agreement shall also include any Extended School Year services provided at the request of the School.

2. **AGREEMENT TERMS.** All services rendered by the Provider shall be rendered in a competent, efficient, and satisfactory manner and in strict accordance with currently approved methods and practices of the Provider’s profession. The parties agree that the Provider shall be an independent contractor and not the School’s employee however all Speech-Language Pathologists (“**SLPs**”) being provided shall be deemed to be School personnel for licensing purposes.

3. **PROVIDER’S QUALIFICATIONS.** All services provided by the Provider shall be performed by a Minnesota Board of Teaching licensed Speech-Language Pathologist (“**SLP**”) holding a Certificate of Clinical Competence (“**CCC**”) with ASHA Certification and a Master’s degree. All SLPs shall provide the School with any required qualification documentation upon request of the School.

4. **SERVICES OF PROVIDER.** Services shall include Speech-Language Pathology furnished in accordance with the plan of treatment/IEP. SLPs shall utilize best efforts to:

- a. Provide appropriate speech therapy services on a regular basis according to IEP specifications using the telepractice service model.

qualify for MA funding. It is the School's responsibility to determine what speech therapy services provided by the Provider are eligible to bill for MA funding.

5. **INSURANCE.** Provider shall maintain professional liability insurance coverage of at least \$1,000,000 per occurrence. A copy of the certificate of insurance evidencing such coverage is available upon request.

6. **CIVIL RIGHTS.** Provider agrees to comply with TITLE VI of the Civil Rights Act of 1964 and all requirements imposed by the Department of Health, Education and Welfare in the end that no person in the United States shall, on the ground of race, color, religion, or sex be excluded from the participation in services.

7. **CONFIDENTIALITY.** Provider shall keep all student information confidential, only discussing information with parents, teachers, or other involved professionals on a need-to-know basis. Any information and methods of service provided by the Provider to the School shall be kept confidential by the School and may not, without prior written consent of the Provider, be disclosed in any manner for any other purpose than performing its requirements under this Agreement. The terms of this Article shall survive for (2) years following the termination of the Term.

8. **TECHNOLOGY.** SLPs shall provide and maintain their own technology to use the online speech therapy meeting room for the scheduled sessions. In the event that the SLP's technology is temporarily not functional, the SLP will contact the School and the School will not be charged for the scheduled sessions. All attempts will be made to re-schedule those missed sessions.

The School shall be responsible to provide and maintain its own technology in order to adequately use the online speech therapy meeting room. This includes a Microsoft Windows or Mac based PC with an adequately sized monitor, webcam, a headset, a back-up phone (speaker phone or headset), printer, and reliable high-speed internet with adequate bandwidth for telepractice. Any missed sessions (without 24-hour notice) due to the school's non-functional technology will be billed at the regular rate. Reasonable efforts will be made to re-schedule those missed sessions and will be billed at the regular rate.

The School shall give the Provider full-administrative access to its telepractice computer via a remote management software package that is provided by the Provider free of charge. The School shall allow internet access to online speech therapy resources through the telepractice computer's internet connection. The Provider agrees to restrict its use of the telepractice computer and its internet connection for the sole purpose of providing speech therapy services to the school.

9. **OTHER ACCOMMODATIONS.** The School shall provide at its own expense, a "telepractice assistant" (usually a paraprofessional) to maintain the continuity of the telepractice services under the SLP's supervision and direction. The School shall also provide a quiet room that is adequate for telepractice speech therapy services.

10. **COMPENSATION.** Provider shall be compensated by the School for speech therapy services rendered at the request of the School at the rate of \$79.80 per hour. Speech therapy services include but are not limited to evaluation, direct time, indirect time, make-up sessions, preparation time, documentation time, meeting time, therapy-related communication, travel time and mileage if requested by the school.

All scheduled appointments require a minimum of 24-hour notice for cancellation in order to avoid being charged at the regular rate.

Provider shall provide bi-weekly billing statements of services rendered, which shall be paid no later than 14 days after billing statements are submitted to School District.

d. **Notices.** All notices and other communications required or permitted under this Agreement shall be in writing, and provided to the other party either in person, by fax, or by certified mail.

e. **Survival.** Notwithstanding the termination of this Agreement, the terms of this Agreement which relate to periods, activities, obligations, rights or remedies of the parties upon or subsequent to such termination shall survive such termination and shall govern all rights, disputes, claims or causes of action arising out of or in any way related to this Agreement.

f. **Attorney's Fees.** If any action or proceeding is commenced by any party to enforce its rights under this Agreement or to collect damages as a result of the breach of any of the provisions of this Agreement, the prevailing party shall be entitled to recover all reasonable costs and expenses, including, without limitation, reasonable attorneys' fees and court costs, in addition to any other relief awarded by the court.

h. **Severability/Enforcement.** Should any provision of this Agreement be held illegal or unenforceable, the Agreement shall be construed as if not containing the invalid provision(s), and the Agreement shall be construed to give effect to the intent of the parties and shall be governed by the remaining portions or provisions governing the rights and obligations of the parties. A party's decision to refrain from enforcing a breach of any part of this Agreement (or a party's settlement of any claims for breach) will not prevent the party from enforcing the

Agreement as to any other breach of this Agreement that the non-breaching party discovers and shall not operate as a waiver against any future enforcement of any part of this Agreement.

i. Rule of Construction. The parties acknowledge and agree that the normal rule of construction whereby ambiguities are resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments or exhibits hereto.

j. Entire Agreement. This Agreement contains the entire agreement of the parties relating to the subject matter hereof and, except as otherwise stated, supersedes any and all oral or written prior agreements and understandings with respect to such subject matter; the parties have made no agreements, representations, or warranties relating to the subject matter of this Agreement which are not set forth herein.

National FFA Convention Proposal:

What is National FFA Convention?

National FFA Convention is a yearly convention and is the largest youth gathering in the world. Students gather in Indianapolis, Indiana to develop leadership skills, learn about FFA and Agriculture, and meet people across the country. At the convention, students will attend sessions and workshops, explore the career fair, and attend special events. While not at the convention site, we will be attending tours and learning about the agricultural industry.

When and where is National FFA Convention?

October 26-29

Indianapolis, Indiana

Who would be going?

7 FFA Officers

How will we get there?

We will ride the Region 2 bus with other chapters from Northern Minnesota. This will also mean that I won't be the only adult there as there will be other teachers traveling in our group

Cost: The short answer: We don't know yet. Most of the registration can't be completed until September. When asking other advisors, I was told around \$300-\$400/student. Because of COVID, both the Deer River FFA and the FFA Alumni have unspent money from the past two years that we will be able to use for this. If students pay anything, it'll likely be \$100 or less.
