Hello,

Thank you again for agreeing to serve on the Alsea School District Superintendent Search Screening Committee. There have been some important updates to the search calendar and screening process since my last email to you sent on December 27<sup>th</sup>. The original closing date for applications was extended from December 29, 2022, to **January 16, 2023**. This will change some of the activities and dates for the search and screening process. Please see the updated dates highlighted in yellow below.

As the Executive Search Consultant for your district, I will be working with you to review applications and make an advisory recommendation to the school board regarding candidates to interview. An electronic flyer for the position was revised and is attached for your reference.

As a screening committee member, your responsibility is to commit the time to attend an orientation meeting, read each file, ***and*** maintain strict confidentiality. Plan on spending one to two hours at the orientation meeting plus approximately 30-60 minutes to read each candidate file (10-15 applications on average).

The committee orientation meeting originally scheduled for January 5<sup>th</sup> will now be held on **Tuesday, January 17, 2023, starting at 7:00 pm and will be conducted virtually**. The board will review and approve the revised search calendar to reflect the new application deadline and the screening committee will *no longer be required to attend the board meeting on January 5<sup>th</sup>*. In the meeting on January 17<sup>th</sup>, I will explain the screening process and provide guidance on how to rate each candidate's files. Please set aside time to read files between **January 18-23** until you have completed a thorough review of each candidate's file. Your completed rankings will be due no later than **midnight on Monday, January 23<sup>rd</sup>**. The results of the rankings will now be delivered to the screening committee on **Tuesday, January 24, at 7:00 pm, the location and meeting format is to be determined**. I will explain the process for submitting your rankings at the screening orientation meeting on January 17.

I cannot stress enough the extremely confidential nature of the screening process. If you have not done so already, attached is a copy of a confidentiality agreement that you are required to sign and email back to Jenn Nelson at [jnelson@osba.org](mailto:jnelson@osba.org), prior to the orientation meeting to participate in the screening. It is imperative that we receive a signed copy, from each board and screening committee member, prior to the screening committee meeting on January 17, where we will go into Executive Session to discuss the candidates and their applications. Please print a copy, sign it and either scan it or take a picture of it and email it directly to Jenn at [jnelson@osba.org](mailto:jnelson@osba.org).

If you are not comfortable with this confidentiality requirement, or if you have conflicts with the new dates requiring your attendance, please consider withdrawing from the process and let School Board Chair Risteen Follett, [risteen.follett@alsea.k12.or.us](mailto:risteen.follett@alsea.k12.or.us), know you are unable to serve.

Again, thank you for agreeing to assist the board with this most important task!

I look forward to working with you all soon.

Take care,

## The Community

Alsea is a rural community located in the forested hills of the Coast Range of Oregon about 25 miles west of Corvallis. The Alsea River, with its interlacing network of feeder streams, is renowned for its fish runs and scenic beauty. The river flows beside the town itself, which is nestled among hills and agricultural fields. Only 20 air miles from the coast, the area is known for its fresh marine air, which ensures a mild climate year-round. A scenic road follows the river 40 miles to the coast.

The local economy was largely dependent upon the timber industry. The drive to the mid-Willamette Valley is reasonable, however, many residents now commute to jobs in Philomath, Corvallis and Albany. Residents still share a strong sense of family and community. Local
