Alsea School District

December Meeting Board Report

Krista Nieraeth, Superintendent and Special Education Director

1. **SIA Grant Agreement for 23 – 24 SY**

I will be presenting the SIA Grant Agreement for the 23 – 24 school year. In this agreement, the board will see not only the requirements for the grant, but also the LPGTs that were co – developed by the district and ODE for review and approval. This is the last grant agreement for the Integrated Guidance (IG) process. Once approved, the district will move forward in collecting the monies from the SIA, HSS, CSI/TSI, and EIIS grants.

2. **Early Literacy Grant**

ODE has released the Early Literacy Grant application for districts to start filling out. For the 23 – 24 school year, Alsea is allocated preliminarily \$91,682 and for the 24 – 25 school year, \$95424.13. Mrs. Shunk and I have been attending different trainings and meetings in regards to this application and will be presenting it to the board at our January 2024 meeting for review and approval.

3. **Community Health Centers of Benton and Linn Counties Meeting**

I met with Christine Mosbaugh and Lacey Mollel to discuss the need for medical facilities in Alsea for our students and families, as well as some barriers that come with having this facility. The CHC is wanting to partner with Alsea School District to survey our families about their thoughts, needs, and wants for medical services in Alsea, as well as ways the school could perhaps partner with the CHC to bring medical services to Alsea. We will be meeting more throughout the year to collaborate for ways survey our families.

4. **ESD and Payroll Services**

Don and I met with Jason Hay, Superintendent of the LBLESD, and Rocco Luiere, CFO of the LBLESD to discuss payroll services to Alsea School District and delineate roles and responsibilities of each entity. We are also starting the conversation about ensuring that the services Alsea is paying for is cost effective and efficient for the district.

5. **STEM Hub**

The district is working with the Mid – Valley STEM – CTE Hub to bring STEM activities and lessons to Alsea. The hub has already visited elementary classrooms to provide STEAM activities, as well as is working with Sara Littlefield to put on a Family Engagement Event. The VCSA superintendents are discussing how to help fund the Hub to continue to provide services to our students and schools. This includes each providing funding based on the ADMr to the STEM Hub.

6. Bond

The district is asking for an extension of the OSCIM grant to ensure that we do not lose money. The deadline of the OSCIM grant is March 30, 2024, and one of the major issues is that due to the delay of the process, the district can spend all but \$300K - \$400K of the money by that deadline. Don, Chris, and Nancy are looking at projects right now to put towards that grant to lower the ending fund amount just in case an extension is not granted. The scope and work of the project will not change, however. There is money in our budget that could be reappropriated to help cover some, if not most, of the cost. The district is asking for an extension until September 30, 2024.

December Meeting Board Report – K-6 B&M School

Krista Nieraeth, Principal

School / Classroom Updates / Accomplishments

- The 4th grade students participated in a STEAM activity with the Mid – Valley STEAM Hub to discuss motion and energy. Alsea is partnering with the STEAM Hub for our students to participate in Hands – On learning through many different activities.

- The 5th grade students have been doing a science research project on the planets. Each student created a poster and a drawing of their planet that included facts about the planet and drawings of what the planets look like. Each student also had to write and give a speech about their planet to their classmates and the 3rd graders, who were practicing their listening and questioning skills.

• On November 29, the K – 8 students attended an OSU women's basketball game versus Weber State. The students were able to tour Gill Coliseum and watch the basketball game. Thank you to Mr. Rothenberger for organizing this event, the parent volunteers and staff who helped supervise the students, and the high school students who were a big help in ensuring that our students were safe and well taken care of!

• The K – 6 Jogathon was a success! Thank you to all the community and family members who donated and thank you to Sam Pedder for putting on a successful event for our students!

- The 6th graders have been participating in a unit about the different types of cells and the organelles that help make cells work. The unit has had many different learning opportunities, including research, microscope work, and creating posters about the cells and presenting the posters to their classmates and teacher.

- The K – 12 ELA staff attended a SAAVAS training (our new ELA curriculum) for questions about the curriculum, as well as to learn all the different parts of the curriculum and the different resources available. Staff is continuing to learn and implement the curriculum in the classroom based on their data and CCSS standards as required by the state.
- The elementary school is doing student of the month from each classroom. November's student of the month theme was Optimistic, which is the O from Wolverine. The following students were chosen by their teachers:

Kindergarten:	Brantley Tolleson	1st Grade:	Easton Bauer
2nd Grade:	Jack Cleveland	3rd Grade:	Courtenay Larson
4th Grade:	Aria Vance	5th Grade:	Henry Dennis
		6th Grade:	Myla Cantrell

Congratulations to all the winners!! Each winner received a signed certificate and a \$10 gift card to Dairy Queen. In December, the student of the month theme is Leadership.

Elementary Student of the Month

This month's character trait was 'OPTIMISTIC'. These students showed what it is to be a Wolverine who is always hopeful and confident about the future. They always see the world as half full and are excited to see what's next.

ALSEA SCHOOL DISTRICT BOARD REPORT

Name: Heather Shunk **Position:** Principal

BOARD MEETING DATE: December 14, 2023

November Assembly Slide Deck -

Highlights - Students of the Month, Character Trait - Ownership; Celebrating Attendance, Math, & Reading Superstars

December Newsletter

Highlights/Kudos: We recently celebrated Attendance, Reading, and Math Superstars at our November assembly as well as our collective growth in the character trait of Ownership. Currently, 74% of our students have a 90% or better attendance rate. Utilizing the Literacy Footprints platform, our students have access to an online library of high quality books. We have several students who have read a significant amount of books so far this year and completed the accompanying comprehension questions to solidify their learning. We received very positive feedback from families that participated in the field trip to OSU. We are looking forward to creating more opportunities for our students and their families to engage with students from Alsea SD and LaHO.

Literacy & Math Diagnostic Data: November - December 2023 Usage Summary

We have work to do with increasing the amount of time that our students are utilizing the i-Ready resource. I have highlighted and provided helpful tips within our monthly newsletter targeted to inform parents on how they can support their students at home and how these lessons can be meaningful ways to expand conversations for the family. To enhance proficiency in reading and math, dedicating time to i-Ready lessons can significantly bolster skill development. By extending the duration of these sessions, students have increased opportunities to engage with tailored content, adaptive exercises, and personalized learning paths.

d. 7-12 Brick and Mortar Principal Report

Board Report for 7-12 for: December

From behind the principal's desk:

This past month has been a good one but a very busy one. I first want to say "Thank you" to all my staff. We made it to Thanksgiving break and many of us needed that break. My staff is tremendous in bonding together to do whatever it takes to put kids first.

Last week we took approximately 150 individuals (B&M and LaHO) to watch the OSU women's play Weber State. OSU women were triumphant. Overall, our students behaved very well and represented Alsea amazingly.

I have included a graph that shows our students with F's and D's and there are a few that have both an F and a D. I broke them down by grade level. Some of the percentages are not bad and some are not acceptable. So, what are we doing to fix this issue? 1- We are offering after school tutoring on Mondays and Wednesdays from 3:30 to 5:20. 2- Kayla Wilson is meeting with students individually to see what we can do to support them to have academic success. 3-Implementing Student Success meetings and working closely with Linn Benton ESD. 4- Communicating with parents.

Again, I asked my staff to give me a highlight of one positive from their department.

CTE/Ag

Students have been utilizing the woodshop project books to create projects and learning woodworking skills. Our CNC Plasma is up and running and students have been cutting parts and designs.

High school PE and Strength and Conditioning classes:

For elementary PE, we are on week 2 of our 'yoga' unit. The little ones attempting yoga poses are hilarious.

Our next scheduled elementary PE unit is Jump ropes.

Science:

The 7th grade students are beginning their study and discovery of molecular genetics. The students are working very hard to understand the information and they will most likely, be scientists when they grow up!

Art:

1. Finished sign for Merc!
2. almost done with New Years Eve drop

English:

Here is the monthly participation in our own, secret, high school trait of the month. Lots of kids are joyful for their friends, school, and sports. Im glad to know they have joy each day!

Math:

Math Class averages are trending upwards. Algebra 2 is at 96.6%, Geometry is at 82%, 7th and Finance are at 77%. Algebra 1, while at a 65.7% average, has been improving as well. Many students took the thanksgiving break as a chance to catch up.

Desk of High School Secretary:

Even though the year seems to have not hit a slowdown yet, staff and students have a wonderful attitude and general happy demeanor.

There are a lot of wonderful things being done round the school, through both field trips and wonderful learning opportunities. All the students K-12 have been productive and engaged through projects. It's amazing seeing them so excited to learn.

Athletics:

Did a grade check on Wednesday and was very excited with the results I saw. It just goes to show you when students are involved with extra-curricular activities their grades are better.

High School Boys and Girls Basketball: Off to a bumpy start but have played some very tough competition. This past weekend they went south to Days Creek to play in a tournament. I received two positive reviews from the hotel and Days Creek AD on how well behaved our student athletes were. They are packing up for a three-day trip to Eastern Oregon to play three games. Good Luck Wolverines.

Transportation:

Transportation this past month has been much better. Good news is we received a new 77 passenger bus and our current bus #3 went to WLA. All buses except one are under warranty in our local fleet. In the spring our new Type 20 bus will arrive.

Alsea School District Bond Projects Construction Manager's Report

Report Date: December 7, 2023

GENERAL OVERVIEW

Construction began mid-March on the Electrical Upgrade and Panel Room projects. The Panel Room was finally completed this month after substantial contractor delays. The Electrical Upgrade work has progressed as far as possible until the long-lead equipment arrives. We're still being told the main switchgear, which will be installed in the Panel Room, won't be delivered before April 2024 so the new systems can't be energized until that is installed. The current expected completion date for the Electrical Upgrade and switchover to the new power system is July 2024.

Work on the HVAC Upgrade project has been completed as much as possible until the gym is vacated in late June 2024. Classroom and office units have been installed with completion verified by a third-party commissioning engineer. The HVAC unit and ducting for the gym is all that remains, but this can't be installed until school is out so heat isn't disrupted in the gym. The new HVAC systems will be operational when the Electrical Upgrade is completed in July 2024.

Final design for the new CTE building will be completed for bidding and permit next week and will be sent out to bid to our three pre-qualified contractors on December 15. A pre-bid walk-through is scheduled for December 19 with the contractors and bids are due January 10. Our goal is that the selected contractor will start construction in February and, depending on metal building lead-time, complete construction by September.

The application for a seismic grant is in progress and will be submitted to the State in December with award expected in spring of 2024. If successful, design will start by summer 2024 with a goal of completing construction summer 2025. The District will also apply for a TAP grant in early 2024 to fund the seismic grant assessment and application so there will be no impact to the District's budget even if the grant isn't awarded.

PROJECT TEAM

No changes.

BUDGET

The updated Budget Summary for bond project revenue and expenses is attached. Comments on revenue and expense elements are noted below.

Revenue

The current program budget is \$4.69 million including ESSER funds and the OSCIM grant that doubles the value of the bond amount. Bond interest is being added to the income budget as it's earned.

There have been some complications with the way past project expenses have been coded for the OSCIM Grant. The District's Business Manager is hoping to resolve this issue by the first of January to verify all funds will be available.

Expenses

The "Current Budget" column in Expenses shows the projected costs matched to the Revenue budget. There is just under \$2 million available for construction of the CTE Building or other uncommitted projects including \$200k in Owner's Contingency for unforeseen costs.

The "Committed Costs" column shows the value of work that has been contracted so far. Design fees were reduced by \$28k because we removed the remaining budget from Straightline's contract since they are no longer involved with the projects.

The "Paid to-Date" column shows the value of work that has been paid for. So far, \$1.7 million has been spent on completed work.

SCHEDULE

CB Construction is finally completing the Panel Room after 6 months of issues managing their subcontractors. This delay did not affect the Power Upgrade project because switchgear for the panel room doesn't arrive until next April.

The electrician has completed as much work as possible for the Electrical Upgrade and will pull off the project until April. The new power systems are projected to be completed and operational in July 2024 according to the recently updated Master Schedule shown below.

HVAC system installation has been completed except for the gym rooftop unit and duct which can't be installed until late June 2024 when the gym is no longer being used. New HVAC equipment can't be energized until next July when the Power Upgrade is completed, so the delays have no impact on the overall project schedule or cost. The Master Schedule for completion next summer is being updated.

The CTE Building is in final design. There have been coordination meetings with the CTE teacher and the Superintendent during the last month and final details have been resolved. The design team will issue construction documents for bid and permitting on December 15. Bids are due January 10 for recommendation and approval by the Board. Our goal is to complete construction of the new CTE Building by the end of summer 2024, if long-lead building materials can be procured in time.

School District personnel have been working hard to correct mistakes and inconsistencies in funding reporting over the last three years in order to accurately submit costs to OSCIM. Due to the complexity of these corrections and the amount of time lost during the first two years of the bond projects, the District has requested an extension on the OSCIM grant March 30, 2024 deadline. We expect to have an answer in time to be able to go out to bid next week. If they do not approve the recategorization of costs we will not be able to proceed with construction of the CTE building.

PROJECT-SPECIFIC ACTIVITY

Electrical Upgrade & Panel Room

A few quality items are being addressed to complete the panel room including painting the door. This work is scheduled for next week when there is a break in the rain.

5. **New Business**

a. Bus Surplus

**Alsea School District 7J
Board Recommendation Form**

To: The Board of Directors of Alsea School District
Bart Rothenberger, Transportation Administrator and
Prepared By: Carmen Martin, Transportation Supervisor
Date: December 14, 2023

Background:

We are seeking permission to dispose of old busses from the Transportation Department (WLA) in accordance with policy DN.

I have spoken with Jason Loucks, the mechanic for Willamette Leadership Academy, and we both agreed the best course of action is to scrap both bus # 9 and Bus #16.

Bus #9 is immobile because it has been used as a parts bus for the other buses in the fleet. It has a blown motor and the transmission, tires, and rear end have all been put on other buses in the fleet. Jason Loucks says that there is a scrapper that will come out and put Bus # 9 on a trailer and take it away. The scrapper will give Alsea School District a small check for the metal and keep the rest for transport. All the scrapper will need is the title for Bus #9. I recommend this as our best option with Bus # 9 since it is immobile.

Bus #16 we thought had some blown injectors. With further diagnosis Jason discovered that this bus possibly has bad piston rings or a cracked cylinder head. Bus #16 also does not possess a retrofitted exhaust, so our time using the bus would be limited. With the money that would be needed for repairs and the short window of life for this bus, my recommendation would be to take Bus #16 to the scrap yard. The bus is drivable, so I would be able to pick up the bus from the mechanic and drive it to the scrap yard, which happens to only be less than five miles from the repair yard.

Action Requested:

To approve to surplus these 2 buses.

Motion Requested:

“I make a motion to surplus Bus #9 and Bus #16.”

STATE OF OREGON GRANT AGREEMENT

Grant No. 34621

This Grant Agreement ("Grant") is between the State of Oregon acting by and through its Department of Education ("Agency") and Alsea SD 7J ("Grantee"), each a "Party" and, together, the "Parties."

SECTION 2: PURPOSE

The purpose of this Grant is to provide funding to implement and maintain an Early Indicator and Intervention System aligning school, district, and community systems in order to help students stay on track to graduate from high school.

SECTION 3: EFFECTIVE DATE AND DURATION

When all Parties have executed this Grant, and all necessary approvals have been obtained ("Executed Date"), this Grant is effective and has a Grant funding start date as of July 1, 2023 ("Effective Date"), and, unless extended or terminated earlier in accordance with its terms, will expire on June 30, 2024.

SECTION 4: GRANT MANAGERS

4.1 Agency's Grant Manager is:

Saskia Dressler
Office of Education Innovation and Improvement
255 Capitol St NE, Salem OR 97310
saskia.dresler@ode.oregon.gov

4.2 Grantee's Grant Manager is:

Krista Nieraeth
301 S. Third
Alsea, OR 97324

4.3 A Party may designate a new Grant Manager by written notice to the other Party.

SECTION 5: PROJECT ACTIVITIES

Grantee must perform the project activities set forth in Exhibit A (the “Project”), attached here to and incorporated in this Grant by this reference, for the period beginning on the Effective Date and ending on the expiration date set forth in Section 3 (the “Performance Period”).

SECTION 6: GRANT FUNDS

In accordance with the terms and conditions of this Grant, Agency will provide Grantee up to \$1,505.04 (“Grant Funds”) for the Project. Agency will pay the Grant Funds from monies available through its Statewide Education Initiatives Account (“Funding Source”). A reduction in the monies in the Funding Source may result in a decrease in Grant Funds available to Agency.

SECTION 7: DISBURSEMENT GENERALLY

7.1 Disbursement.

7.1.1 Subject to the availability of sufficient moneys in and from the Funding Source based on Agency’s reasonable projections of moneys accruing to the Funding Source, Agency will disburse Grant Funds to Grantee for the allowable Project activities described in Exhibit A that are undertaken during the Performance Period.

7.1.2 Grantee must provide to Agency any information or detail regarding the expenditure of Grant Funds required under Exhibit A prior to disbursement or as Agency may request.

7.2 Conditions Precedent to Disbursement. Agency’s obligation to disburse Grant Funds to Grantee under this Grant is subject to satisfaction of each of the following conditions precedent:

7.2.1 Agency has received sufficient funding, appropriations, expenditure limitation, allotments or other necessary expenditure authorizations to allow Agency, in the exercise of its reasonable administrative discretion, to make the disbursement from the Funding Source;

7.2.2 No default as described in Section 15 has occurred; and

7.2.3 Grantee’s representations and warranties set forth in Section 8 are true and correct on the date of disbursement(s) with the same effect as though made on the date of disbursement.

7.3 No Duplicate Payment. Grantee may use other funds in addition to the Grant Funds to complete the Project; provided, however, the Grantee may not credit or pay any Grant Funds for Project costs that are paid for with other funds and would result in duplicate funding.

- 7.4 Suspension of Funding and Project.** Agency may by written notice to Grantee, temporarily cease funding and require Grantee to stop all, or any part, of the Project dependent upon Grant Funds for a period of up to 180 days after the date of the notice, if Agency has or reasonably projects that it will have insufficient funds from the Funding Source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Grantee must immediately cease all Project activities dependent on Grant Funds, or if that is impossible, must take all necessary steps to minimize the Project activities allocable to Grant Funds.

If Agency subsequently projects that it will have sufficient funds, Agency will notify Grantee that it may resume activities. If sufficient funds do not become available, Grantee and Agency will work together to amend this Grant to revise the amount of Grant Funds and Project activities to reflect the available funds. If sufficient funding does not become available or an amendment is not agreed to within a period of 180 days after issuance of the notice, Agency will either (i) cancel or modify its cessation order by a supplemental written notice or (ii) terminate this Grant as permitted by either the termination at Agency's discretion or for cause provisions of this Grant.

SECTION 8: REPRESENTATIONS AND WARRANTIES

- 8.1 Organization/Authority.** Grantee represents and warrants to Agency that:

- 8.1.1** Grantee is a(n) District duly organized and validly existing in the State of Oregon;
 - 8.1.2** Grantee has all necessary rights, powers and authority under any organizational documents and under Oregon Law to (i) execute this Grant, (ii) incur and perform its obligations under this Grant, and (iii) receive financing, including the Grant Funds, for the Project;
 - 8.1.3** This Grant has been duly executed by Grantee and when executed by Agency, constitutes a legal, valid and binding obligation of Grantee enforceable in accordance with its terms; and
 - 8.1.4** If applicable and necessary, the execution and delivery of this Grant by Grantee has been authorized by an ordinance, order or resolution of its governing body, or voter approval, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings; and
 - 8.1.5** There is no proceeding pending or threatened against Grantee before any court or governmental authority that if adversely determined would materially adversely affect the Project or the ability of Grantee to carry out the Project.
- 8.2 False Claims Act.** Grantee acknowledges the Oregon False Claims Act, ORS 180.750 to 180.785, applies to any "claim" (as defined by ORS 180.750) made by (or caused by) Grantee that pertains to this Grant or to the Project. Grantee certifies that no claim described in the previous sentence is or will be a "false claim" (as defined by ORS 180.750) or an act prohibited by ORS 180.755. Grantee further acknowledges in addition to the remedies under Section 16, if it makes (or causes to be made) a false claim or performs (or causes to be performed) an act prohibited under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against the Grantee.

- 8.3 No limitation.** The representations and warranties set forth in this Section are in addition to, and not in lieu of, any other representations or warranties provided by Grantee.

SECTION 9: OWNERSHIP

- 9.1 Intellectual Property Definitions.** As used in this Section and elsewhere in this Grant, the following terms have the meanings set forth below:

“Third Party Intellectual Property” means any intellectual property owned by parties other than Grantee or Agency.

“Work Product” means every invention, discovery, work of authorship, trade secret or other tangible or intangible item Grantee is required to create or deliver as part of the Project, and all intellectual property rights therein.

- 9.2 Grantee Ownership.** Grantee must deliver copies of all Work Product as directed in Exhibit A. Grantee retains ownership of all Work Product, and grants Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, to reproduce, to prepare derivative works based upon, to distribute, to perform and to display the Work Product, to authorize others to do the same on Agency’s behalf, and to sublicense the Work Product to other entities without restriction.
- 9.3 Third Party Ownership.** If the Work Product created by Grantee under this Grant is a derivative work based on Third Party Intellectual Property, or is a compilation that includes Third Party Intellectual Property, Grantee must secure an irrevocable, non-exclusive, perpetual, royalty-free license allowing Agency and other entities the same rights listed above for the pre-existing element of the Third party Intellectual Property employed in the Work Product. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires Agency or the United States to own the intellectual property in the Work Product, then Grantee must execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.

SECTION 10: CONFIDENTIAL INFORMATION

- 10.1 Confidential Information Definition.** Grantee acknowledges it and its employees or agents may, in the course of performing its responsibilities, be exposed to or acquire information that is: (i) confidential to Agency or Project participants or (ii) the disclosure of which is restricted under federal or state law, including without limitation: (a) personal information, as that term is used in ORS 646A.602(12), (b) social security numbers, and (c) information protected by the federal Family Educational Rights and Privacy Act under 20 USC § 1232g (items (i) and (ii) separately and collectively “Confidential Information”).

- 10.2 Nondisclosure.** Grantee agrees to hold Confidential Information as required by any applicable law and in all cases in strict confidence, using at least the same degree of care Grantee uses in maintaining the confidentiality of its own confidential information. Grantee may not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties, or use Confidential Information except as is allowed by law and for the Project activities and Grantee must advise each of its employees and agents of these restrictions. Grantee must assist Agency in identifying and preventing any unauthorized use or disclosure of Confidential Information. Grantee must advise Agency immediately if Grantee learns or has reason to believe any Confidential Information has been, or may be, used or disclosed in violation of the restrictions in this Section. Grantee must, at its expense, cooperate with Agency in seeking injunctive or other equitable relief, in the name of Agency or Grantee, to stop or prevent any use or disclosure of Confidential Information. At Agency's request, Grantee must return or destroy any Confidential Information. If Agency requests Grantee to destroy any Confidential Information, Grantee must provide Agency with written assurance indicating how, when and what information was destroyed.
- 10.3 Identity Protection Law.** Grantee must have and maintain a formal written information security program that provides safeguards to protect Confidential Information from loss, theft, and disclosure to unauthorized persons, as required by the Oregon Consumer Information Protection Act, ORS 646A.600-646A.628. If Grantee or its agents discover or are notified of a potential or actual "Breach of Security", as defined by ORS 646A.602(1)(a), or a failure to comply with the requirements of ORS 646A.600-628, (collectively, "Breach") with respect to Confidential Information, Grantee must promptly but in any event within one calendar day (i) notify the Agency Grant Manager of such Breach and (ii) if the applicable Confidential Information was in the possession of Grantee or its agents at the time of such Breach, Grantee must (a) investigate and remedy the technical causes and technical effects of the Breach and (b) provide Agency with a written root cause analysis of the Breach and the specific steps Grantee will take to prevent the recurrence of the Breach or to ensure the potential Breach will not recur. For the avoidance of doubt, if Agency determines notice is required of any such Breach to any individual(s) or entity(ies), Agency will have sole control over the timing, content, and method of such notice, subject to Grantee's obligations under applicable law.
- 10.4 Subgrants/Contracts.** Grantee must require any subgrantees, contractors or subcontractors under this Grant who are exposed to or acquire Confidential Information to treat and maintain such information in the same manner as is required of Grantee under subsections 10.1 and 10.2 of this Section.
- 10.5 Background Check.** If requested by Agency and permitted by law, Grantee's employees, agents, contractors, subcontractors, and volunteers that perform Project activities must agree to submit to a criminal background check prior to performance of any Project activities or receipt of Confidential Information. Background checks will be performed at Grantee's expense. Based on the results of the background check, Grantee or Agency may refuse or limit (i) the participation of any Grantee employee, agent, contractor, subgrantee, or volunteer, in Project activities or (ii) access to Agency Personal Information or Grantee premises.

SECTION 11: INDEMNITY/LIABILITY

- 11.1 Indemnity.** Grantee must defend, save, hold harmless, and indemnify the State of Oregon and Agency and their officers, employees and agents from and against all claims, suits, actions, losses, damages, liabilities, costs, and expenses of any nature whatsoever, including attorneys' fees, resulting from,

arising out of, or relating to the activities of Grantee or its officers, employees, subgrantees, contractors, subcontractors, or agents under this Grant (each of the foregoing individually or collectively a “Claim” for purposes of this Section).

- 11.2 Defense.** Grantee may have control of the defense and settlement of any Claim subject to this Section. But neither Grantee nor any attorney engaged by Grantee may defend the Claim in the name of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without first receiving from the Attorney General, in a form and manner determined appropriate by the Attorney General, authority to act as legal counsel for the State of Oregon. Nor may Grantee settle any Claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event the State of Oregon determines Grantee is prohibited from defending the State of Oregon, or is not adequately defending the State of Oregon’s interests, or an important governmental principle is at issue and the State of Oregon desires to assume its own defense. Grantee may not use any Grant Funds to reimburse itself for the defense of or settlement of any Claim.
- 11.3 Limitation.** Except as provided in this Section, neither Party will be liable for incidental, consequential, or other indirect damages arising out of or related to this Grant, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither Party will be liable for any damages of any sort arising solely from the termination of this Grant in accordance with its terms.

SECTION 12: INSURANCE

- 12.1 Private Insurance.** If Grantee is a private entity, or if any contractors, subcontractors, or subgrantees used to carry out the Project are private entities, Grantee and any private contractors, subcontractors or subgrantees must obtain and maintain insurance covering Agency in the types and amounts indicated in Exhibit B.
- 12.2 Public Body Insurance.** If Grantee is a “public body” as defined in ORS 30.260, Grantee agrees to insure any obligations that may arise for Grantee under this Grant, including any indemnity obligations, through (i) the purchase of insurance as indicated in Exhibit B or (ii) the use of self-insurance or assessments paid under ORS 30.282 that is substantially similar to the types and amounts of insurance coverage indicated on Exhibit B, or (iii) a combination of any or all of the foregoing.

SECTION 13: GOVERNING LAW, JURISDICTION

This Grant is governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively “Claim”) between Agency or any other agency or department of the State of Oregon, or both, and Grantee that arises from or relates to this Grant must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event may this Section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, to or from any Claim or from the jurisdiction of any court. GRANTEE, BY

EXECUTION OF THIS GRANT, HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF SUCH COURTS.

SECTION 14: ALTERNATIVE DISPUTE RESOLUTION

The Parties should attempt in good faith to resolve any dispute arising out of this Grant. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Grant. In addition, the Parties may agree to utilize a jointly selected mediator to resolve the dispute short of litigation. Each Party will bear its own costs incurred for any mediation.

SECTION 15: DEFAULT

15.1 Grantee. Grantee will be in default under this Grant upon the occurrence of any of the following events:

- 15.1.1** Grantee fails to use the Grant Funds for the intended purpose described in Exhibit A or otherwise fails to perform, observe or discharge any of its covenants, agreements or obligations under this Grant;
- 15.1.2** Any representation, warranty or statement made by Grantee in this Grant or in any documents or reports relied upon by Agency to measure the Project, the expenditure of Grant Funds or the performance by Grantee is untrue in any material respect when made; or

15.2 Agency. Agency will be in default under this Grant if, after 15 days written notice specifying the nature of the default, Agency fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant; provided, however, Agency will not be in default if Agency fails to disburse Grant Funds because there is insufficient expenditure authority for, or moneys available from, the Funding Source.

SECTION 16: REMEDIES

16.1 Agency Remedies. In the event Grantee is in default under Section 15.1, Agency may, at its option, pursue any or all of the remedies available to it under this Grant and at law or in equity, including, but not limited to: (i) termination of this Grant under Section 18.2, (ii) reducing or withholding payment for Project activities or materials that are deficient or Grantee has failed to complete by any scheduled deadlines, (iii) requiring Grantee to complete, at Grantee's expense, additional activities necessary to satisfy its obligations or meet performance standards under this Grant, (iv) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, (v) exercise of its right of recovery of overpayments under Section 17 of this Grant or setoff, or both, or (vi) declaring

Grantee ineligible for the receipt of future awards from Agency. These remedies are cumulative to the extent the remedies are not inconsistent, and Agency may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever.

- 16.2 Grantee Remedies.** In the event Agency is in default under Section 15.2 and whether or not Grantee elects to terminate this Grant, Grantee's sole monetary remedy will be, within any limits set forth in this Grant, reimbursement of Project activities completed and accepted by Agency and authorized expenses incurred, less any claims Agency has against Grantee. In no event will Agency be liable to Grantee for any expenses related to termination of this Grant or for anticipated profits.

SECTION 17: WITHHOLDING FUNDS, RECOVERY

Agency may withhold from disbursements of Grant Funds due to Grantee, or Grantee must return to Agency within 30 days of Agency's written demand:

- 18.3 By Grantee.** Grantee may terminate this Grant as follows:

- 18.3.1** If Grantee is a governmental entity, immediately upon written notice to Agency, if Grantee fails to receive funding, or appropriations, limitations or other expenditure authority at levels

sufficient to perform its obligations under this Grant.

- 18.3.2** If Grantee is a governmental entity, immediately upon written notice to Agency, if applicable laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project activities contemplated under this Grant are prohibited by law or Grantee is prohibited from paying for the Project from the Grant Funds or other planned Project funding; or
- 18.3.3** Immediately upon written notice to Agency, if Agency is in default under this Grant and such default remains uncured 15 days after written notice thereof to Agency.
- 18.4 Cease Activities.** Upon receiving a notice of termination of this Grant, Grantee must immediately cease all activities under this Grant, unless Agency expressly directs otherwise in such notice. Upon termination, Grantee must deliver to Agency all materials or other property that are or would be required to be provided to Agency under this Grant or that are needed to complete the Project activities that would have been performed by Grantee.

Nothing in this Grant may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of Agency.
- 19.3 Amendments.** The terms of this Grant may not be altered, modified, supplemented or otherwise amended, except by written agreement of the Parties.

- 19.10 Assignment and Successors.** Grantee may not assign or transfer its interest in this Grant without the prior written consent of Agency and any attempt by Grantee to assign or transfer its interest in this Grant without such consent will be void and of no force or effect. Agency's consent to Grantee's assignment or transfer of its interest in this Grant will not relieve Grantee of any of its duties or obligations under this Grant. SECTION 7: DISBURSEMENT GENERALLY

7.1 Disbursement.

- 7.1.1** Subject to the availability of sufficient moneys in and from the Funding Source, Agency will disburse Grant Funds to Grantee for the allowable Project activities described in Exhibit A that are undertaken during the Performance Period.

8.3 No limitation. The representations and warranties set forth in this Section are in addition to, and not in lieu of, any other representations or warranties provided by Grantee.

9.1 Intellectual Property Definitions. As used in this Section and elsewhere in this Grant, the following terms have the meanings set forth below:

“Third Party Intellectual Property” means any intellectual property owned by parties other than Grantee or Agency.

“Work Product” means every invention, discovery, work of authorship, trade secret or other tangible or intangible item Grantee is required to create or deliver as part of the Project, and all intellectual property rights therein.

- 9.2 Grantee Ownership.** Grantee must deliver copies of all Work Product as directed in Exhibit A. Grantee retains ownership of all Work Product, and grants Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, to reproduce, to prepare derivative works based upon, to distribute, to perform and to display the Work Product, to authorize others to do the same on Agency’s behalf, and to sublicense the Work Product to other entities without restriction.
- 9.3 Third Party Ownership.** If the Work Product created by Grantee under this Grant is a derivative work based on Third Party Intellectual Property, or is a compilation that includes Third Party Intellectual Property, Grantee must secure an irrevocable, non-exclusive, perpetual, royalty-free license allowing Agency and other entities the same rights listed above for the pre-existing element of the Third party Intellectual Property employed in the Work Product. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires Agency or the United States to own the intellectual property in the Work Product, then Grantee must execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.
- 9.4 Real Property.** If the Project includes the acquisition, construction, remodel or repair of real property or improvements to real property, Grantee may not sell, transfer, encumber, lease or otherwise dispose of any real property or improvements to real property paid for with Grant Funds for a period of six (6) years after the Effective Date of this Grant without the prior written consent of the Agency.

SECTION 10: CONFIDENTIAL INFORMATION

- 10.1 Confidential Information Definition.** Grantee acknowledges it and its employees or agents may, in the course of performing its responsibilities, be exposed to or acquire information that is: (i) confidential to Agency or Project participants or (ii) the disclosure of which is restricted under federal or state law, including without limitation: (a) personal identifiable information, as that term is used in ORS 646A.602(11), (b) social security numbers, and (c) information protected by the federal Family Educational Rights and Privacy Act under 20 USC § 1232g (items (i) and (ii) separately and collectively “Confidential Information”).
- 10.2 Nondisclosure.** Grantee agrees to hold Confidential Information as required by any applicable law and in all cases in strict confidence, using at least the same degree of care Grantee uses in maintaining the confidentiality of its own confidential information.

Grantee may not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties, or use Confidential Information except as is allowed by law and for the Project activities and Grantee must advise each of its employees and agents of these restrictions. Grantee must assist Agency in identifying and preventing any unauthorized use or disclosure of Confidential Information. Grantee must advise Agency immediately if Grantee learns or has reason to believe any Confidential Information has been, or may be, used or disclosed in violation of the restrictions in this Section. Grantee must, at its expense, cooperate with Agency in seeking injunctive or other equitable relief, in the name of Agency or Grantee, to stop or prevent any use or disclosure of Confidential Information. At Agency's request, Grantee must return or destroy any Confidential Information. If Agency requests Grantee to destroy any confidential information, Grantee must provide Agency with written assurance indicating how, when and what information was destroyed.

- 10.3 Identity Protection Law.** Grantee must have and maintain a formal written information security program that provides safeguards to protect Confidential Information from loss, theft, and disclosure to unauthorized persons, as required by the Oregon Consumer Identity Theft Protection Act, ORS 646A.600-646A.628. If Grantee or its agents discover or are notified of a potential or actual "Breach of Security", as defined by ORS 646A.602(1)(a), or a failure to comply with the requirements of ORS 646A.600 - 628, (collectively, "Breach") with respect to Confidential Information, Grantee must promptly but in any event within one calendar day (i) notify the Agency Grant Manager of such Breach and (ii) if the applicable Confidential Information was in the possession of Grantee or its agents at the time of such Breach, Grantee must (a) investigate and remedy the technical causes and technical effects of the Breach and (b) provide Agency with a written root cause analysis of the Breach and the specific steps Grantee will take to prevent the recurrence of the Breach or to ensure the potential Breach will not recur. For the avoidance of doubt, if Agency determines notice required of any such Breach to any individual(s) or entity(ies), Agency will have sole control over the timing, content, and method of such notice, subject to Grantee's obligations under applicable law.
- 10.4 Subgrants/Contracts.** Grantee must require any subgrantees, contractors or subcontractors under this Grant who are exposed to or acquire Confidential Information to treat and maintain such information in the same manner as is required of Grantee under subsections 10.1 and 10.2 of this Section.
- 10.5 Background Check.** If requested by Agency and permitted by law, Grantee's employees, agents, contractors, subcontractors, and volunteers that perform Project activities must agree to submit to a criminal background check prior to performance of any Project activities or receipt of Confidential Information. Background checks will be performed at Grantee's expense. Based on the results of the a background check, Grantee or Agency may refuse or limit (i) the participation of any Grantee employee, agent, contractor, subgrantee, or volunteers, in Project activities or (ii) access to Agency Personal Information or Grantee premises.

SECTION 11: INDEMNITY/LIABILITY

- 11.2 Defense.** Grantee may have control of the defense and settlement of any Claim subject to this Section. But neither Grantee nor any attorney engaged by Grantee may defend the Claim in the name of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without first receiving from the Attorney General, in a form and manner determined appropriate by the Attorney General, authority to act as legal counsel for the State of Oregon. Nor may Grantee settle any Claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event the State of Oregon determines Grantee is prohibited from defending the State of Oregon, or is not adequately defending the State of Oregon’s interests, or an important governmental principle is at issue and the State of Oregon desires to assume its own defense. Grantee may not use any Grant Funds to reimburse itself for the defense of or settlement of any Claim.
- 11.3 Limitation.** Except as provided in this Section, neither Party will be liable for incidental, consequential, or other direct damages arising out of or related to this Grant, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither party will be liable for any damages of any sort arising solely from the termination of this Grant in accordance with its terms.

SECTION 12: INSURANCE

- 12.1 Private Insurance.** If Grantee is a private entity, or if any contractors, subcontractors, or subgrantees used to carry out the Project are private entities, Grantee and any private contractors, subcontractors or subgrantees must obtain and maintain insurance covering Agency in the types and amounts indicated in Exhibit B.

- 12.3 Real Property.** If the Project includes the construction, remodel or repair of real property or improvements to real property, Grantee must insure the real property and improvements against liability and risk of direct physical loss, damage or destruction at least to the extent that similar insurance is customarily carried by entities constructing, operating and maintaining similar property or facilities.

SECTION 13: GOVERNING LAW, JURISDICTION

This Grant is governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively “Claim”) between Agency or any other agency or department of the State of Oregon, or both, and Grantee that arises from or relates to this Grant must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event may this Section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, to or from any Claim or from the jurisdiction of any court. GRANTEE, BY EXECUTION OF THIS GRANT, HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF SUCH COURTS.

This may be done at any management level, including at a level higher than persons directly responsible for administration of the Grant. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each Party will bear its own costs incurred for any mediation or non-binding arbitration.

15.2 Agency. Agency will be in default under this Grant if, after 15 days written notice specifying the nature of the default, Agency fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant; provided, however, Agency will not be in default if Agency fails to disburse Grant funds because there is insufficient expenditure authority for, or moneys available from, the Funding Source.

SECTION 16: REMEDIES

16.1 Agency Remedies. In the event Grantee is in default under Section 15.1, Agency may, at its option, pursue any or all of the remedies available to it under this Grant and at law or in equity, including, but not limited to: (a) termination of this Grant under Section 18.2, (b) reducing or withholding payment for Project activities or materials that are deficient or Grantee has failed to complete by any scheduled deadlines, (c) requiring Grantee to complete, at Grantee’s expense, additional activities necessary to satisfy its obligations or meet performance standards under this Grant, (d) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, (e) exercise of its right of recovery of overpayments under Section 17 of this Grant or setoff, or both, or (f) declaring Grantee ineligible for the receipt of future awards from Agency. These remedies are cumulative to the extent the remedies are not inconsistent, and Agency may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever.

- 16.2 Grantee Remedies.** In the event Agency is in default under Section 15.2 and whether or not Grantee elects to terminate this Grant, Grantee’s sole monetary remedy will be, within any limits set forth in this Grant, reimbursement of Project activities completed and accepted by Agency and authorized expenses incurred, less any claims Agency has against Grantee. In no event will Agency be liable to Grantee for any expenses related to termination of this Grant or for anticipated profits.

EXHIBIT A THE PROJECT

SECTION I – BACKGROUND AND GOALS

Oregon Ballot Measure 98 was approved by voters in 2016 to address Oregon’s low high school graduation rate and expand career-technical course offerings.

To carry out the intent of Measure 98, the High School Success program in the Oregon Department of Education (ODE) serves 230 school districts and charter schools, funding new or expanded career-technical education programs, college-level opportunities, and dropout prevention strategies.

For the 2016-17 school year, which Measure 98 passed, 76% of students graduated within four years. By the end of 2017-18 school year, Oregon’s rate had improved to 78.7% for all students, but disparities in education achievement persist for some populations.

The High School Success team applies ODE’s equity lens to recipients’ self-assessments, plan development, and application processes.

SECTION II – PROJECT DEFINITIONS

The following capitalized terms have the meanings assigned below.

“Act” means the “High School Graduation and College and Career Readiness Act,” 2017 Oregon Laws, Chapter 1, as amended from time to time, inclusive.

“Costs of the Project” means Grantee’s actual costs that are reasonable, necessary and directly related to the implementation of the Plan and are eligible or permitted uses of the Grant Funds under the Act.

“Integrated Guidance” means the integration of the following six programs: High School Success (HSS), Student Investment Account (SIA), Continuous Improvement Planning (CIP), Career and Technical Education-Perkins V (CTE), Every Day Matters (EDM), and Early Indicators Intervention Systems (EIS). Together operationally, the guidance creates opportunities to improve outcomes and learning conditions for students and educators. Working within existing state statutes and administrative rules, ODE developed a framework for success that meets the core purpose of each program while trying to create a stronger framework from which progress, long-term impact, and learning approach to monitoring and evaluation is a hallmark of high-performing educational systems.

“Integrated Plan” means the plan developed following the Integrated Guidance, which includes the High School Success program, and which has a focus on increasing academic achievement by all students, reducing academic disparities for identified student groups, and meeting students’ mental and behavioral health needs in addition to other needs deemed important at each school, stated outcomes, strategies, and activities. The plan may only be adjusted with approval from ODE staff in order to align with the anticipated outcomes and approved by Agency.

SECTION III – PROJECT ACTIVITIES

Agency will reimburse Grant Funds only for the Costs of the Project that implement its Integrated Plan during the Performance Period in accordance with the Act and Agency's approval.

Grantee shall complete and submit to Agency an Integrated Plan for Agency's review and approval.

Grantee shall make satisfactory progress on Grantee's approved Integrated Plan.

SECTION IV – REPORTING REQUIREMENTS

Grantee must submit its financial and performance progress reports by the following dates:

Quarter 1 - October 31

Quarter 2 - January 31

Quarter 3 - April 30

Quarter 4/Annual Report - November 30

If the Performance Period begins prior to the Executed Date, any reports for Project activities shown in this Exhibit A as due prior to the Executed Date must be provided to Agency within 30 days of the Executed Date, if not already provided to Agency despite the lack of an executed Grant. Grantee will not be in default for failure to perform any reporting requirements prior to the Executed Date.

The Grantee shall supply any related or additional reports and information as Agency may reasonably require.

SECTION V – DISBURSEMENT PROVISIONS

Agency will reimburse the Grant Funds using its Electronic Grants Management System ("EGMS"), on a cost incurred basis upon receipt of Grantee's request for reimbursement. Agency suggests reimbursement requests occur on a quarterly basis but Grantee may submit requests for reimbursements any time after Grantee has incurred a reimbursable expense, and as frequently as it wishes. Upon request, Grantee shall provide Agency with proof of payment of the expense incurred and any other supporting documentation Agency requires.

The Grantee shall use the Grant Funds only in accordance with the provision of the Integrated Plan, the Act, and any Oregon Administrative Rules adopted under the authority of the Act.

Grantee must obtain, and require its first tier contractors and subgrantees to obtain, any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Agency has received a waiver of subrogation endorsement from the Grantee or the Grantee's insurer(s).

CONTINUOUS CLAIMS MADE COVERAGE

d. SIA Grant Agreement and LPGTs

**Alsea School District 7J
Board Recommendation Form**

To: The Board of Directors of Alsea School District
Prepared By: Krista Nieraeth, Superintendent
Date: December 14, 2023

Background:

The Oregon Department of Education requires that the Student Investment Act (SIA) grant agreement be presented at a School Board meeting for action. There must be an opportunity for public comment on the agreement.

The SIA grant was a part of the Integrated Guidance (IG) application that was presented to the board by me at the September 2023 board meeting. In this presentation, the board saw the objectives of the grants, as well as the budget and the activities. Currently, Alsea SD receives \$894,970.05 from the SIA grant for this school year.

On December 1, 2023, Mrs. Shunk, Mr. Rothenberger, and myself met with ODE representatives to co – develop Longitudinal Performance Growth Targets (LPGTs) in 6 areas: 4-year Graduation Rate, 5-year Graduation Rate, 9th grade On – Track, Regular Attenders, and 3rd Grade Reading Proficiency. The district opted to add a local metric for LPGT using the K – 12 I – ready diagnostic data to help monitor student growth. There are three areas for each metric in which the district set targets – Baseline Target: All Students, Stretch Target: All Students, Gap – Closing Target: All Focal Group Students.

Action Requested:

To approve the SIA grant agreement and the LPGTs.

Motion Requested:

“I make a motion to accept the SIA Grant Agreement and the LPGTs as presented.”

SECTION 5: PROJECT ACTIVITIES

Grantee must perform the project activities set forth in Exhibit A (the "Project"), attached hereto and incorporated in this Grant by this reference, for the period beginning on the Effective Date and ending on the expiration date set forth in Section 3 (the "Performance Period").

SECTION 6: GRANT FUNDS

In accordance with the terms and conditions of this Grant, Agency will provide Grantee up to \$894,970.05 ("Grant Funds") for the Project. Agency will pay the Grant Funds from monies available in the Student Investment Account ("Funding Source"). A reduction in the monies in the Funding Source may result in a decrease in Grant Funds available to Agency.

SECTION 7: DISBURSEMENT GENERALLY

7.1 Disbursement.

- 7.1.1** Subject to the availability of sufficient moneys in and from the Funding Source based on Agency's reasonable projections of moneys accruing to the Funding Source, Agency will disburse Grant Funds to Grantee for the allowable Project activities described in Exhibit A that are undertaken during the Performance Period.
- 7.1.2** Grantee must provide to Agency any information or detail regarding the expenditure of Grant Funds required under Exhibit A prior to disbursement or as Agency may request.
- 7.1.3** Agency will only disburse Grant Funds to Grantee for activities completed or materials produced, that, if required by Exhibit A, are approved by Agency. If Agency determines any completed Project activities or materials produced are not acceptable and any deficiencies are the responsibility of Grantee, Agency will prepare a detailed written description of the deficiencies within 15 days of receipt of the materials or performance of the activity, and will deliver such notice to Grantee. Grantee must correct any deficiencies at no additional cost to Agency within 15 days. Grantee may resubmit a request for disbursement that includes evidence satisfactory to Agency demonstrating

deficiencies were corrected.

7.2 Conditions Precedent to Disbursement. Agency's obligation to disburse Grant Funds to Grantee under this Grant is subject to satisfaction of each of the following conditions precedent:

7.2.1 Agency has received sufficient funding, appropriations, expenditure limitation, allotments or other necessary expenditure authorizations to allow Agency, in the exercise of its reasonable administrative discretion, to make the disbursement from the Funding Source;

7.2.2 No default as described in Section 15 has occurred; and

7.2.3 Grantee's representations and warranties set forth in Section 8 are true and correct on the date of disbursement(s) with the same effect as though made on the date of disbursement.

7.3 No Duplicate Payment. Grantee may use other funds in addition to the Grant Funds to complete the Project; provided, however, the Grantee may not credit or pay any Grant Funds for Project costs that are paid for with other funds and would result in duplicate funding.

7.4 Suspension of Funding and Project. Agency may by written notice to Grantee, temporarily cease funding and require Grantee to stop all, or any part, of the Project dependent upon Grant Funds for a period of up to 180 days after the date of the notice, if Agency has or reasonably projects that it will have insufficient funds from the Funding Source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Grantee must immediately cease all Project activities dependent on Grant Funds, or if that is impossible, must take all necessary steps to minimize the Project activities allocable to Grant Funds.

If Agency subsequently projects that it will have sufficient funds, Agency will notify Grantee that it may resume activities. If sufficient funds do not become available, Grantee and Agency will work together to amend this Grant to revise the amount of Grant Funds and Project activities to reflect the available funds. If sufficient funding does not become available or an amendment is not agreed to within a period of 180 days after issuance of the notice, Agency will either (i) cancel or modify its cessation order by a supplemental written notice or (ii) terminate this Grant as permitted by either the termination at Agency's discretion or for cause provisions of this Grant.

SECTION 8: REPRESENTATIONS AND WARRANTIES

8.1 **Organization/Authority.** Grantee represents and warrants to Agency that:

- 8.1.1 Grantee is a District duly organized and validly existing;
- 8.1.2 Grantee has all necessary rights, powers and authority under any organizational documents and under Oregon Law to (i) execute this Grant, (ii) incur and perform its obligations under this Grant, and (iii) receive financing, including the Grant Funds, for the Project;
- 8.1.3 This Grant has been duly executed by Grantee and when executed by Agency, constitutes a legal, valid and binding obligation of Grantee enforceable in accordance with its terms;
- 8.1.4 If applicable and necessary, the execution and delivery of this Grant by Grantee has been authorized by an ordinance, order or resolution of its governing body, or voter approval, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings; and
- 8.1.5 There is no proceeding pending or threatened against Grantee before any court or governmental authority that if adversely determined would materially adversely affect the Project or the ability of Grantee to carry out the Project.

8.2 **False Claims Act.** Grantee acknowledges the Oregon False Claims Act, ORS 180.750 to 180.785, applies to any “claim” (as defined by ORS 180.750) made by (or caused by) Grantee that pertains to this Grant or to the Project. Grantee certifies that no claim described in the previous sentence is or will be a “false claim” (as defined by ORS 180.750) or an act prohibited by ORS 180.755. Grantee further acknowledges in addition to the remedies under Section 16, if it makes (or causes to be made) a false claim or performs (or causes to be performed) an act prohibited under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against the Grantee.

8.3 **No limitation.** The representations and warranties set forth in this Section are in addition to, and not in lieu of, any other representations or warranties provided by Grantee.

SECTION 9: OWNERSHIP

9.1 **Intellectual Property Definitions.** As used in this Section and elsewhere in this Grant, the following terms have the meanings set forth below:

“Third Party Intellectual Property” means any intellectual property owned by parties other than Grantee or Agency.

“Work Product” means every invention, discovery, work of authorship, trade secret or other tangible or intangible item Grantee is required to create or deliver as part of the Project, and all intellectual property rights therein.

- 9.2 Grantee Ownership.** Grantee must deliver copies of all Work Product as directed in Exhibit A. Grantee retains ownership of all Work Product, and grants Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, to reproduce, to prepare derivative works based upon, to distribute, to perform and to display the Work Product, to authorize others to do the same on Agency’s behalf, and to sublicense the Work Product to other entities without restriction.
- 9.3 Third Party Ownership.** If the Work Product created by Grantee under this Grant is a derivative work based on Third Party Intellectual Property, or is a compilation that includes Third Party Intellectual Property, Grantee must secure an irrevocable, non-exclusive, perpetual, royalty-free license allowing Agency and other entities the same rights listed above for the pre-existing element of the Third party Intellectual Property employed in the Work Product. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires Agency or the United States to own the intellectual property in the Work Product, then Grantee must execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.
- 9.4 Real Property.** If the Project includes the acquisition, construction, remodel or repair of real property or improvements to real property, Grantee may not sell, transfer, encumber, lease or otherwise dispose of any real property or improvements to real property paid for with Grant Funds for a period of six (6) years after the Effective Date of this Grant without the prior written consent of the Agency.

SECTION 10: CONFIDENTIAL INFORMATION

- 10.1 Confidential Information Definition.** Grantee acknowledges it and its employees or agents may, in the course of performing its responsibilities, be exposed to or acquire information that is: (i) confidential to Agency or Project participants or (ii) the disclosure of which is restricted under federal or state law, including without limitation: (a) personal information, as that term is used in ORS 646A.602(12), (b) social security numbers, and (c) information protected by the federal Family Educational Rights and Privacy Act under 20 USC § 1232g (items (i) and (ii) separately and collectively “Confidential Information”).
- 10.2 Nondisclosure.** Grantee agrees to hold Confidential Information as required by any applicable law and in all cases in strict confidence, using at least the same degree of care Grantee uses in maintaining the confidentiality of its own confidential information. Grantee may not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties, or use Confidential Information except as is allowed by law and for the Project activities and Grantee must advise each of its employees and agents of these restrictions. Grantee must assist Agency in identifying and

preventing any unauthorized use or disclosure of Confidential Information. Grantee must advise Agency immediately if Grantee learns or has reason to believe any Confidential Information has been, or may be, used or disclosed in violation of the restrictions in this Section. Grantee must, at its expense, cooperate with Agency in seeking injunctive or other equitable relief, in the name of Agency or Grantee, to stop or prevent any use or disclosure of Confidential Information. At Agency's request, Grantee must return or destroy any Confidential Information. If Agency requests Grantee to destroy any Confidential Information, Grantee must provide Agency with written assurance indicating how, when and what information was destroyed.

- 10.3 Identity Protection Law.** Grantee must have and maintain a formal written information security program that provides safeguards to protect Confidential Information from loss, theft, and disclosure to unauthorized persons, as required by the Oregon Consumer Information Protection Act, ORS 646A.600-628. If Grantee or its agents discover or are notified of a potential or actual "Breach of Security", as defined by ORS 646A.602(1)(a), or a failure to comply with the requirements of ORS 646A.600-628, (collectively, "Breach") with respect to Confidential Information, Grantee must promptly but in any event within one calendar day (i) notify the Agency Grant Manager of such Breach and (ii) if the applicable Confidential Information was in the possession of Grantee or its agents at the time of such Breach, Grantee must (a) investigate and remedy the technical causes and technical effects of the Breach and (b) provide Agency with a written root cause analysis of the Breach and the specific steps Grantee will take to prevent the recurrence of the Breach or to ensure the potential Breach will not recur. For the avoidance of doubt, if Agency determines notice is required of any such Breach to any individual(s) or entity(ies), Agency will have sole control over the timing, content, and method of such notice, subject to Grantee's obligations under applicable law.
- 10.4 Subgrants/Contracts.** Grantee must require any subgrantees, contractors or subcontractors under this Grant who are exposed to or acquire Confidential Information to treat and maintain such information in the same manner as is required of Grantee under subsections 10.1 and 10.2 of this Section.
- 10.5 Background Check.** If requested by Agency and permitted by law, Grantee's employees, agents, contractors, subcontractors, and volunteers that perform Project activities must agree to submit to a criminal background check prior to performance of any Project activities or receipt of Confidential Information. Background checks will be performed at Grantee's expense. Based on the results of the background check, Grantee or Agency may refuse or limit (i) the participation of any Grantee employee, agent, contractor, subgrantee, or volunteer, in Project activities or (ii) access to Agency Personal Information or Grantee premises.

SECTION 11: INDEMNITY/LIABILITY

- 11.1 Indemnity.** Grantee must defend, save, hold harmless, and indemnify the State of Oregon and Agency and their officers, employees and agents from and against all claims, suits, actions, losses, damages, liabilities, costs, and expenses of any nature whatsoever, including attorneys' fees, resulting from, arising out of, or relating to the activities of Grantee or its officers, employees, subgrantees, contractors, subcontractors, or agents under this Grant (each of the foregoing individually or collectively a "Claim" for purposes of this Section)..
- 11.2 Defense.** Grantee may have control of the defense and settlement of any Claim subject to this Section. But neither Grantee nor any attorney engaged by Grantee may defend the Claim in the name of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without first receiving from the Attorney General, in a form and manner determined appropriate by the Attorney General, authority to act as legal counsel for the State of Oregon. Nor may Grantee settle any Claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event the State of Oregon determines Grantee is prohibited from defending the State of Oregon, or is not adequately defending the State of Oregon's interests, or an important governmental principle is at issue and the State of Oregon desires to assume its own defense. Grantee may not use any Grant Funds to reimburse itself for the defense of or settlement of any Claim.
- 11.3 Limitation.** Except as provided in this Section, neither Party will be liable for incidental, consequential, or other direct damages arising out of or related to this Grant, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither Party will be liable for any damages of any sort arising solely from the termination of this Grant in accordance with its terms.

SECTION 12: INSURANCE

- 12.1 Private Insurance.** If Grantee is a private entity, or if any contractors, subcontractors, or subgrantees used to carry out the Project are private entities, Grantee and any private contractors, subcontractors or subgrantees must obtain and maintain insurance covering Agency in the types and amounts indicated in Exhibit C.
- 12.2 Public Body Insurance.** If Grantee is a "public body" as defined in ORS 30.260, Grantee agrees to insure any obligations that may arise for Grantee under this Grant, including any indemnity obligations, through (i) the purchase of insurance as indicated in Exhibit C or (ii) the use of self-insurance or assessments paid under ORS 30.282 that is substantially similar to the types and amounts of insurance coverage indicated on Exhibit C, or (iii) a combination of any or all of the foregoing.
- 12.3 Real Property.** If the Project includes the construction, remodel or repair of real property or improvements to real property, Grantee must insure the real property and improvements against liability and risk of direct physical loss, damage or destruction at

least to the extent that similar insurance is customarily carried by entities constructing, operating and maintaining similar property or facilities.

SECTION 13: GOVERNING LAW, JURISDICTION

This Grant is governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively "Claim") between Agency or any other agency or department of the State of Oregon, or both, and Grantee that arises from or relates to this Grant must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event may this Section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, to or from any Claim or from the jurisdiction of any court. GRANTEE, BY EXECUTION OF THIS GRANT, HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF SUCH COURTS.

SECTION 14: ALTERNATIVE DISPUTE RESOLUTION

The Parties should attempt in good faith to resolve any dispute arising out of this Grant. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Grant. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each Party will bear its own costs incurred for any mediation or non-binding arbitration.

SECTION 15: DEFAULT

15.1 Grantee. Grantee will be in default under this Grant upon the occurrence of any of the following events:

- 15.1.1** Grantee fails to use the Grant Funds for the intended purpose described in Exhibit A or otherwise fails to perform, observe or discharge any of its covenants, agreements or obligations under this Grant;
- 15.1.2** Any representation, warranty or statement made by Grantee in this Grant or in any documents or reports relied upon by Agency to measure the Project, the expenditure of Grant Funds or the performance by Grantee is untrue in any material respect when made; or
- 15.1.3** A petition, proceeding or case is filed by or against Grantee under any federal or state bankruptcy, insolvency, receivership or other law relating to reorganization, liquidation, dissolution, winding-up or adjustment of debts; in the case of a petition filed

against Grantee, Grantee acquiesces to such petition or such petition is not dismissed within 20 calendar days after such filing, or such dismissal is not final or is subject to appeal; or Grantee becomes insolvent or admits its inability to pay its debts as they become due, or Grantee makes an assignment for the benefit of its creditors.

- 15.2 Agency.** Agency will be in default under this Grant if, after 15 days written notice specifying the nature of the default, Agency fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant; provided, however, Agency will not be in default if Agency fails to disburse Grant Funds because there is insufficient expenditure authority for, or moneys available from, the Funding Source.

SECTION 16: REMEDIES

- 16.1 Agency Remedies.** In the event Grantee is in default under Section 15.1, Agency may, at its option, pursue any or all of the remedies available to it under this Grant and at law or in equity, including, but not limited to: (i) termination of this Grant under Section 18.2, (ii) reducing or withholding payment for Project activities or materials that are deficient or Grantee has failed to complete by any scheduled deadlines, (iii) requiring Grantee to complete, at Grantee's expense, additional activities necessary to satisfy its obligations or meet performance standards under this Grant, (iv) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, (v) exercise of its right of recovery of overpayments under Section 17 of this Grant or setoff, or both, or (vi) declaring Grantee ineligible for the receipt of future awards from Agency. These remedies are cumulative to the extent the remedies are not inconsistent, and Agency may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever.
- 16.2 Grantee Remedies.** In the event Agency is in default under Section 15.2 and whether or not Grantee elects to terminate this Grant, Grantee's sole monetary remedy will be, within any limits set forth in this Grant, reimbursement of Project activities completed and accepted by Agency and authorized expenses incurred, less any claims Agency has against Grantee. In no event will Agency be liable to Grantee for any expenses related to termination of this Grant or for anticipated profits.

SECTION 17: WITHHOLDING FUNDS, RECOVERY

Agency may withhold from disbursements of Grant Funds due to Grantee, or Grantee must return to Agency within 30 days of Agency's written demand:

- 17.1** Any Grant Funds paid to Grantee under this Grant, or payments made under any other agreement between Agency and Grantee, that exceed the amount to which Grantee is entitled;
- 17.2** Any Grant Funds received by Grantee that remain unexpended or contractually committed for payment of the Project at the end of the Performance Period;

- 17.3 Any Grant Funds determined by Agency to be spent for purposes other than allowable Project activities; or
- 17.4 Any Grant Funds requested by Grantee as payment for deficient activities or materials.

SECTION 18: TERMINATION

- 18.1 **Mutual.** This Grant may be terminated at any time by mutual written consent of the Parties.
- 18.2 **By Agency.** Agency may terminate this Grant as follows:
 - 18.2.1 At Agency's discretion, upon 30 days advance written notice to Grantee;
 - 18.2.2 Immediately upon written notice to Grantee, if Agency fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient in Agency's reasonable administrative discretion, to perform its obligations under this Grant;
 - 18.2.3 Immediately upon written notice to Grantee, if federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that Agency's performance under this Grant is prohibited or Agency is prohibited from funding the Grant from the Funding Source; or
 - 18.2.4 Immediately upon written notice to Grantee, if Grantee is in default under this Grant and such default remains uncured 15 days after written notice thereof to Grantee.
- 18.3 **By Grantee.** Grantee may terminate this Grant as follows:
 - 18.3.1 If Grantee is a governmental entity, immediately upon written notice to Agency, if Grantee fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to perform its obligations under this Grant.
 - 18.3.2 If Grantee is a governmental entity, immediately upon written notice to Agency, if applicable laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project activities contemplated under this Grant are prohibited by law or Grantee is prohibited from paying for the Project from the Grant Funds or other planned Project funding; or
 - 18.3.3 Immediately upon written notice to Agency, if Agency is in default under this Grant and such default remains uncured 15 days after written notice thereof to Agency.
- 18.4 **Cease Activities.** Upon receiving a notice of termination of this Grant, Grantee must immediately cease all activities under this Grant, unless Agency expressly directs otherwise in such notice. Upon termination, Grantee must deliver to Agency all materials or other property that are or would be required to be provided to Agency under this Grant or that are needed to complete the Project activities that would have been performed by Grantee.

SECTION 19: MISCELLANEOUS

- 19.1 Conflict of Interest.** Grantee by signature to this Grant declares and certifies the award of this Grant and the Project activities to be funded by this Grant, create no potential or actual conflict of interest, as defined by ORS Chapter 244, for a director, officer or employee of Grantee.
- 19.2 Nonappropriation.** Agency's obligation to pay any amounts and otherwise perform its duties under this Grant is conditioned upon Agency receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to meet its obligations under this Grant. Nothing in this Grant may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of Agency.
- 19.3 Amendments.** The terms of this Grant may not be altered, modified, supplemented or otherwise amended, except by written agreement of the Parties.
- 19.4 Notice.** Except as otherwise expressly provided in this Grant, any notices to be given under this Grant must be given in writing by email, personal delivery, or postage prepaid mail, to a Party's Grant Manager at the physical address or email address set forth in this Grant, or to such other addresses as either Party may indicate pursuant to this Section. Any notice so addressed and mailed becomes effective five (5) days after mailing. Any notice given by personal delivery becomes effective when actually delivered. Any notice given by email becomes effective upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system.
- 19.5 Survival.** All rights and obligations of the Parties under this Grant will cease upon termination of this Grant, other than the rights and obligations arising under Sections 11, 13, 14, 16, 17 and subsection 19.5 hereof and those rights and obligations that by their express terms survive termination of this Grant; provided, however, termination of this Grant will not prejudice any rights or obligations accrued to the Parties under this Grant prior to termination.
- 19.6 Severability.** The Parties agree if any term or provision of this Grant is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Grant did not contain the particular term or provision held to be invalid.
- 19.7 Counterparts.** This Grant may be executed in several counterparts, all of which when taken together constitute one agreement, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of the Grant so executed constitutes an original.
- 19.8 Compliance with Law.** In connection with their activities under this Grant, the Parties must comply with all applicable federal, state and local laws.

- 19.9 Intended Beneficiaries.** Agency and Grantee are the only parties to this Grant and are the only parties entitled to enforce its terms. Nothing in this Grant provides, is intended to provide, or may be construed to provide any direct or indirect benefit or right to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of this Grant.
- 19.10 Assignment and Successors.** Grantee may not assign or transfer its interest in this Grant without the prior written consent of Agency and any attempt by Grantee to assign or transfer its interest in this Grant without such consent will be void and of no force or effect. Agency's consent to Grantee's assignment or transfer of its interest in this Grant will not relieve Grantee of any of its duties or obligations under this Grant. The provisions of this Grant will be binding upon and inure to the benefit of the Parties hereto, and their respective successors and permitted assigns.
- 19.11 Contracts and Subgrants.** Grantee may not, without Agency's prior written consent, enter into any contracts or subgrants for any of the Project activities required of Grantee under this Grant. - 19.12 Time of the Essence.** Time is of the essence in Grantee's performance of the Project activities under this Grant.
- 19.13 Records Maintenance and Access.** Grantee must maintain all financial records relating to this Grant in accordance with generally accepted accounting principles. In addition, Grantee must maintain any other records, whether in paper, electronic or other form, pertinent to this Grant in such a manner as to clearly document Grantee's performance. All financial records and other records, whether in paper, electronic or other form, that are pertinent to this Grant, are collectively referred to as "Records." Grantee acknowledges and agrees Agency and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives will have access to all Records to perform examinations and audits and make excerpts and transcripts. Grantee must retain and keep accessible all Records for a minimum of six (6) years, or such longer period as may be required by applicable law, following termination of this Grant, or until the conclusion of any audit, controversy or litigation arising out of or related to this Grant, whichever date is later.
- 19.14 Headings.** The headings and captions to sections of this Grant have been inserted for identification and reference purposes only and may not be used to construe the meaning or to interpret this Grant.

EXHIBIT A THE PROJECT

SECTION I – BACKGROUND AND GOALS

Signed into law in May of 2019, the Student Success Act (SSA) is a historic opportunity for Oregon schools. The law is rooted in equity, authentic community engagement and shared accountability for student success.

SSA establishes the Student Investment Account (SIA) to provide Oregon school districts and eligible charter schools with access to non-competitive grant funds. Each SIA applicant is required to work alongside educators, students, families, and their community to develop a plan and outline priorities and activities that align to the allowable uses in the law.

The SIA grants are for two purposes:

- 1) Meeting students' mental or behavioral health needs, and
- 2) Increasing academic achievement and reducing academic disparities for students from racial or ethnic groups that have historically experienced academic disparities, students with disabilities, English language learners, economically disadvantaged students, students who are homeless, and students who are foster children.

SECTION II – PROJECT DEFINITIONS

The following capitalized terms have the meanings assigned below for purposes of Exhibits A and B.

“Act” means the “Student Success Act” codified in 2019 Oregon Laws Chapter 122, as amended from time to time, inclusive.

“Allowable Costs of the Project” means Grantee’s actual costs that are reasonable, necessary and directly related to the implementation of the Integrated Plan and are allowable uses of the Grant Funds under the Act.

“Baseline Targets” means the minimum expectations for improvement set forth in the Integrated Plan by the district in either: (i) raising academic achievement or (ii) reducing academic disparities and closing gaps, as further defined in the December 2019 “Guidance for Eligible Applicants”.

“Common Metrics” means the Five-Year Completion Rate, Third-Grade Reading Proficiency Rate, Ninth-Grade On-Track Rate, Regular Attendance Rate, and Four-Year On-Time Graduation rate used by the Agency to measure the success of activities funded by the SIA.

“Disaggregated” has the meaning given in section 12(a) of the Act.

“Five-Year Completion Rate” has the meaning given in section 12(b) of the Act.

“Focal Student Groups” means students from racial or ethnic groups that have historically experienced academic disparities, students with disabilities, English language learners, economically disadvantaged, students who are homeless and students who are foster children.

“Four-Year on-Time Graduation Rate” means the percentage of students who received a high school diploma or a modified diploma within four years of the student beginning the ninth grade.

“Gap Closing Targets” or “Closing Gap Targets” means the reduction of academic disparities between groups of students especially for Focal Student Groups set forth in the Integrated Plan based on the February 2022 “Aligning for Student Success: Integrated Guidance for Six ODE Initiatives”.

“Integrated Guidance” means the integration of the following six programs: High School Success (HSS), Student Investment Account (SIA), Continuous Improvement Planning (CIP), Career and Technical Education-Perkins V (CTE), Every Day Matters (EDM), and Early Indicators Intervention Systems (EIS). Together operationally, the guidance creates opportunities to improve outcomes and learning conditions for students and educators. Working within existing state statutes and administrative rules, ODE developed a framework for success that meets the core purpose of each program while trying to create a stronger framework from which progress, long-term impact, and learning approach to monitoring and evaluation is a hallmark of high-performing educational systems.

“Integrated Plan” means the plan developed following the Integrated Guidance, which includes the SIA, which has a focus on increasing academic achievement by all students, reducing academic disparities for identified student groups, and meeting students’ mental and behavioral health needs in addition to other needs deemed important at each school, stated outcomes, strategies, and activities. The plan may only be adjusted with approval from ODE staff in order to align with the anticipated outcomes and approved by Agency.

“Local Optional Metrics” means additional Progress Markers toward the Common Metrics included in the Integrated Plan.

“Longitudinal Performance Growth Targets (LPGTs)” means the required common metrics and optional locally defined metrics, including targets related to student mental and behavioral health needs, included in Grantee’s Integrated Plan.

“Ninth-grade On-Track Rate” has the meaning given in section 12(d) of the Act.

“Progress Markers” means sets of indicators set forth in the Integrated Plan that identify the kinds of changes Agency expects to see in policies, practices and approaches over the next three years that lead to Grantee reaching its LPGTs.

“Regular Attendance Rate” has the meaning given in section 12(f) of the Act.

“SIA Account” means the Student Investment Account established, pursuant to ORS 327.175, within the Fund for Student Success for the purpose of distributing grants under ORS 327.195.

“Stretch Targets” means significant improvement set forth in the Integrated Plan by the district in either: (i) raising academic achievement or (ii) reducing academic disparities and closing gaps, as further described in the December 2019 “Guidance for Eligible Applicants”.

“Third-Grade Reading Proficiency Rate” has the meaning given in section 12(g) of the Act.

Reports are due 30 days after the end of each fiscal year quarter. The yearly report will be due no later than 60 days after the end of the performance period.

If Grantee does not use the Grant Funds for Allowable Project Costs Agency may exercise the remedies provided in Section 17 of this Grant, including without limitation deducting amounts from future disbursements of Grant Funds.

Any Grant Funds that are not used by Grantee by September 30 of each grant year, must be returned to Agency for deposit in the Student Investment Account.

Integrated Plan Performance Reporting

The Agency will closely monitor and evaluate Grantee's progress towards its Progress Markers.

Beginning in October of 2023 and continuing each quarter thereafter, Grantee must submit a narrative Performance Progress Report detailing its Integrated Plan activities to the Agency using the form provided by the Agency. The yearly report will be due no later than 60 days after the end of the performance period.

SIA Grant Monitoring

The Agency will monitor Grantee's performance under this Grant in person, video conferencing or by phone. Agency will provide written notice to Grantee, as provided in Section 19.4 of the Grant, at least 15 days in advance of Agency's monitoring activities and will schedule in person visits, video conferencing and phone calls.

A Grant monitoring visit or call may cover a variety of topics at Agency's discretion including but not limited to: Grantee's compliance with the SIA Account purposes; challenges faced by the Grantee in implementing its Plan; Integrated Plan outcomes; its budget and expenditure of moneys received from the SIA Account, Grantee's progress toward achieving its Progress Markers; financial reporting, any expenditure changes, and reconciliation of Grant Funds; or Grantee's training and technical assistance needs.

Before an on-site visit, the Agency will advise Grantee on how to prepare for the monitoring visit and financial reconciliation, the format for the visit, and which Grantee organizational leaders, staff or others should be involved in the visit. Once a date and time are confirmed, the Grantee should send a

notification to its organizational leaders, staff, students and community partners who are expected to participate; identify a meeting location and prepare all necessary monitoring documents and data.

The department may establish a procedure for conducting performance audits on a random basis or based on just cause as allowed under rules adopted by the board.

Each grant recipient must conduct a performance review every four years as required by standards adopted in board rule.

EXHIBIT B

COMMON AND CUSTOMIZED PERFORMANCE FRAMEWORK

ALSEA SD 7J

SECTION I – PROGRESS MARKERS FOR 2023-2025 BIENNIUM

The Progress Markers are a mechanism to support a developmental approach to evaluation with a focus on learning about the kinds of changes that happen from distinct investments. Grantees will provide updates toward these Progress Markers through the quarterly/annual reports. The following fifteen Progress Markers are arranged into three categories that represent the advancement in degree of change from minimum to profound as described and listed below:

- A. “Start to See: Early Signs of Progress”** Based on your investments and activities, what changes or contributions are you noticing? What practices are improving?
- B. “Gaining Traction: Intermediate Changes”** Based on your investments and activities, are you seeing any of these impacts?
- C. “Profound Progress: Substantial and Significant Changes”** Based on your investments and activities, are any of these more transformational changes noticeable?

A. Start to See: Early Signs of Progress

1	Community engagement is authentic, consistent, and ongoing. The strengths that educators, students, families, focal groups, and tribal communities bring to the educational experience informs school and district practices and planning.
2	Equity tools are utilized in continuous improvement cycles, including the ongoing use of an equity lens or decision-tool that impacts policies, procedures, people/students, resource allocation, and practices that may impact grading, discipline, and attendance.
3	Data teams are formed and provided time to meet regularly to review disaggregated student data in multiple categories (grade bands, content areas, attendance, discipline, mental health, participation in advanced coursework, formative assessment data, etc.). These teams have open access to timely student data and as a result decisions are made that positively impact district/school-wide systems and focal populations.
4	Schools and districts have an accurate inventory of literacy assessments, tools, and curriculum being used, including digital resources, to support literacy (reading, writing, listening, and speaking). The inventory includes a review of what resources and professional development are research-aligned, formative, diagnostic, and culturally responsive.

B. Gaining Traction: Intermediate Changes

5	Two-way communication practices are in place, with attention to mobile students and primary family languages. Families understand approaches to engagement and attendance, literacy strategy, math vision, what “9th grade on-track” means, graduation requirements, access to advanced/college-level courses and CTE experiences, and approaches to supporting student well-being and well-rounded education.
6	Student agency and voice is elevated. Educators use student-centered approaches and instructional practices that shift processes and policies that actualize student and family ideas and priorities.
7	Action research, professional learning, data teams, and strengths-based intervention systems are supported by school leaders and are working in concert to identify policies, practices, or procedures informed by staff feedback to meet student needs, including addressing systemic barriers, the root-causes of chronic absenteeism, academic disparity, and student well-being. These changes and supports are monitored and adjusted as needed.
8	Comprehensive, evidence-informed, culturally responsive literacy plans, including professional development for educators, are documented and communicated to staff, students (developmentally appropriate), and families. Literacy plans and instruction are evaluated and adjusted to deepen students' learning. Digital resources are being used with fidelity to advance learners' engagement with instruction.
9	A review of 9th grade course scheduling, as it relates to on-track status for focal student groups, accounts for core and support core class placement. School staff ensure emerging bilingual students are enrolled in appropriate credit-bearing courses that meet graduation requirements.
10	Foundational learning practices that create a culturally sustaining and welcoming climate are visible. This includes practices that ensure safe, brave, and welcoming classrooms, schools and co/extracurricular environments. Strengths-based, equity-centered, trauma and SEL-informed practices are present and noticeable. Policies and practices prioritize health, well-being, care, connection, engagement, and relationship building. Multiple ways of being are supported through culturally affirming and sustaining practices for students, staff, and administrators.

C. Profound Progress: Substantial and Significant Changes

11	Schools strengthen partnerships with active community organizations and partners, including local public health, mental health, colleges, workforce development boards, employers, labor partners, faith communities, Tribal nations, and other education partners in order to collaboratively support students' growth and well-being. Characteristics of strong partnerships include mutual trust and respect, strengths-based and collaborative approaches, clear communication around roles, and shared responsibilities and decision-making power.
12	Financial stewardship reflects high-quality spending with accurate and transparent use of state and federal funds in relationship to a comprehensive needs assessment, disaggregated data, and the priorities expressed by students, families, communities, business, and Tribal partners in resource allocation and review.
13	Students and educators experience a well-rounded and balanced use of assessment systems that help them identify student learning in the areas of the Oregon State Standards. Educators understand how to assess emerging multilingual students' assets to inform gauging progress.
14	Policies, practices, and learning communities address systemic barriers. Schools and districts have a process to identify, analyze, and address barriers that disconnect students from their educational goals, impact student engagement or attendance, and/or impede students from graduating on-time or transitioning to

	their next steps after high school. Staff members are consistently engaging in action research, guided by student's strengths and interests, to improve their practice and advance professional learning.
15	Schools create places and learning conditions where every student, family, educator and staff member is welcomed, where their culture and assets are valued and supported, and where their voices are integral to decision making. e. AEA/District MOA Salary Placement - Olsen

MEMORANDUM OF AGREEMENT

The Alsea School District (District), the Alsea Education Association (Association) and Holly Olsen (Olsen) enter into the following Memorandum of Agreement (Agreement) for the purpose of addressing salary placement issues for Olsen. The District, the Association, and Olsen agree to the following:

1. The District, the Association, and Olsen recognize that there was a previous agreement in 2021 to adjust the salary placement of Olsen. This agreement was based on the length of Olsen's service to the District which currently stands at twenty-eight years. This agreement placed Olsen in the MA+30 column of the Certified Salary Schedule. This adjusted salary placement was adopted by the District's Board of Directors and Olsen was paid from this column placement for the 2021-22 and 2022-23 work years.
2. During negotiations for a successor contract in the spring of 2023, the District and the Association agreed to add "commitment" bonuses to the 2023-24 Certified Salary Schedule. However, there was never any discussion of replacing or altering Olsen's previously adjusted salary placement as part of that bonus agreement. The District and the Association recognize that these issues are separate and distinctive.
3. This Agreement serves to codify the previous agreement to adjust the salary placement of Olsen. Effective for the 2023-24 work year only, Olsen shall continue her previous placement at Step 16 of the MA+30 column of the Certified Salary Schedule.
4. The District and the Association recognize this Agreement to be a uniquely negotiated resolution to a specific outstanding issue. Therefore, this Agreement establishes no precedent.
5. This Agreement is for the 2023-24 work year only. The District and Association may discuss extending this Agreement for the next school year in the Spring of 2024.
6. Olsen recognizes that she has received the fair and proper assistance of the Association in resolving this issue.
7. Olsen acknowledges that this Agreement resolves any outstanding issues related to her salary placement in the District and she agrees to not pursue any further action in contesting her salary placement in the District.
8. Olsen recognizes that this Agreement shall be placed in her personnel file to memorialize her salary and step placement.
