March 11, 2025

To: Mrs. Risteen Follett, Chairperson, and the Alsea School District 7J Board of Directors

From: Krista Nieraeth, M.Ed., Superintendent of Schools

Re: Staffing for the 2025 – 2026 School Year

Each year, the building principal and the district superintendent complete the observation and evaluation process in accordance with SB 290 for licensed staff and administrators. During the March board meeting, the board of directors is presented with the recommendations of renewals and extensions, based on the evaluation of the job performance in accordance with ORS 342.513 and ORS 342.845. Once the recommendations are presented and approved, the District must provide notification in writing to staff. This does not promise employment for the upcoming year but does indicate that the employee has met the requirements for the employment.

My recommendations are as follows:

## March 2025 Board Meeting Board Report

Krista Nieraeth, Superintendent and Special Education Director

### 1. Transportation

We received the results back from our ODE Transportation Audit that was done in October. Our audit overall went well, but it did show that there is a need for us to be more diligent in our employee and vehicle files between Alsea and WLA, as well as to ensure that our policies are updated (which we did in December). Mr. Elbers and I will be meeting with WLA in the coming week to streamline our employee onboarding and filing systems, as well as how to streamline all paperwork processes to ensure compliance with ODE and federal regulations.

### 2. Food Service

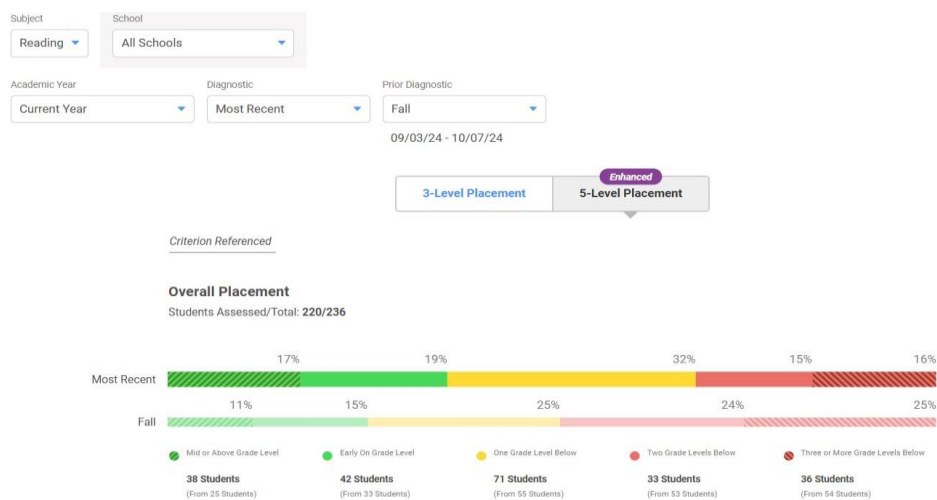

Mr. Taylor, Mrs. Smallwood, and I are working to plan on how to fully spend the Fresh Fruits and Vegetable Grant by the end of the school year. 10% of the total amount of the grant can go towards equipment for the grant, as well as wages to administer the grant, and then the purchasing of the fresh fruits and vegetables. We have already served rainbow carrots, watermelon radishes, jicama, pomegranates, squash, and purple cauliflower. We will continue this program every week for the rest of the year. Our hope is to also start putting these vegetables on our salad bar for our students at lunchtime.

### 3. Grant Budgets

ODE has released preliminary amounts for the following grants: SIA, HSS, Early Literacy, CSI/TSI, and EIS. In all grants, because of declining enrollment, we will be decreasing in the amount we are receiving. We are estimating that we are losing approximately 30% of our SIA grant, and 20% of our HSS grant from the preliminary allocations. Our ADM for Early Literacy puts at the floor amount of the grant, which we are already at, and for CSI/TSI, there is a decrease due to ADM. I used the survey results from the fall of our students, the results from our strategic planning survey of our staff, students, families, and community members, and our data to help refine the SIA and HSS budgets to fit priorities and needs to the new budgets.

## 5. Integrated Guidance Application

The Integrated Guidance application for the 25 – 27 biennium will be open for submission starting March 15<sup>th</sup>. I've been working with Alex Nalivaiko from LBLEDSD, who is our IG liaison, to work on the components of this application for submission in April. Alex is currently taking the data from our surveys, empathy interviews, and other data sources and compiling the data to help formulate the answers for our application. Included in this application are the budgets for the HSS, SIA, Early Literacy, CSI/TSI, and EIIS grants, the questions/answers, inventories for our ELA curriculum for grades K – 3, and LGPT goals set in conjunction with ODE.

### 3. Kindergarten/1<sup>st</sup> Grade Garden

Mrs. Shondell's Kindergarten/1<sup>st</sup> Grade class is working on creating a class garden!! An educational leader from Davis Family Farms is helping create this opportunity for the class, helping create a composting bin in the classroom, as well as providing seeds for the garden bed. Students were able to go outside to the garden bed and transplant worms to the garden bed for fertilization, as well as plant seeds.

### 4. CPI Washington D.C. Tour Winner

Congratulations to Paisley Jacobsen for being chosen to participate as CPI's student representative for the Electrical Co-op Youth Tour this summer in Washington D.C. Paisley was chosen as the representative after an application and interview process. Congratulations to Paisley!

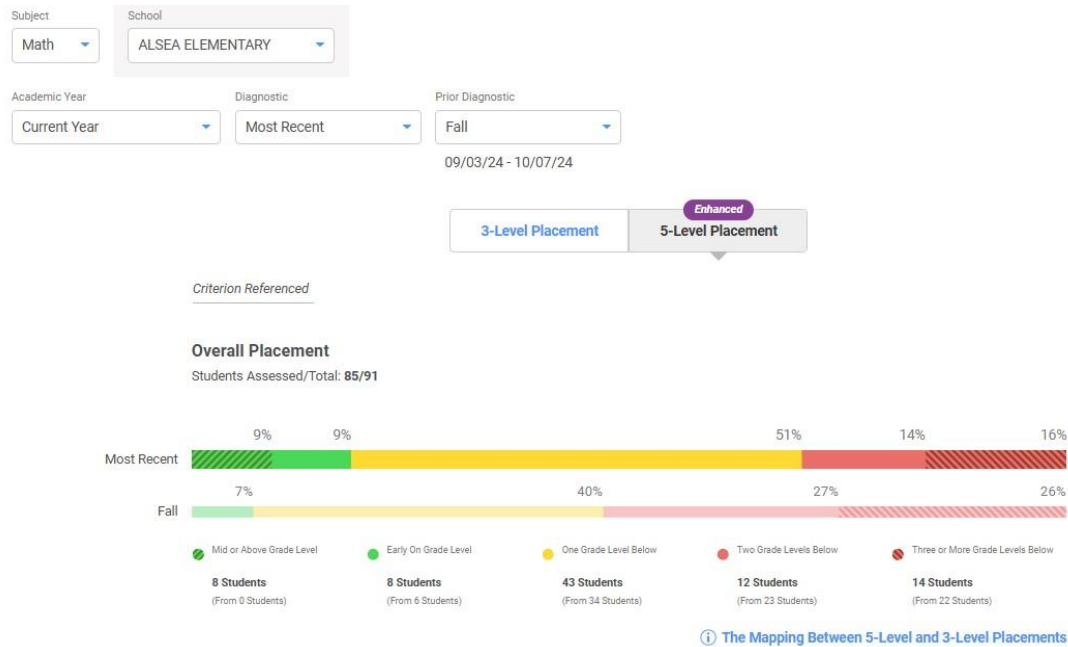

### 5. Career Fair

Six of our Juniors and Seniors attended the Career Fair at OSU that was put on by the Corvallis School District on Tuesday, March 4<sup>th</sup>. Over 700 students attended this event, where there were over 50 different careers and college represented. Students were able to also participate in mock interviews with local professionals throughout the region. We are looking at integrating this event into our Careers and English classes next year to ensure that ALL of our juniors and seniors attend this important event. We are also looking at bringing some of the presenters out to Alsea present in our classes and help our students make those important connections about the possibilities that are there after high school.

## Board Report – 3/11/25

### Summary:

The Alsea Project Update: On March 6<sup>th</sup> our committee met and worked on our school wide expectations and the descriptors for the different areas of our school. We are already planning for next year and the implementation of the school wide support. Part of the PBIS philosophy is rewarding students, so we are wanting to put together a small school store where students can redeem their PRIDE tickets each week. If anyone wants to make donations to our efforts, please contact the school. Any fun prizes would be welcomed.

Our next meeting will be Friday, 3/21/25. This is a grading day, and we will use some of the day to put all our expectations together and work to formalize our process/procedures for PBIS.

We have completed another season of basketball. Our students should be proud of their accomplishments. The boys' first round playoff game didn't go the way we hoped but was a good experience for them to play a top-rated team in the state. We are looking forward to fielding both girls' and boys' basketball at Alsea next year.

Track practice started last week. We have a couple of HS students representing and we have approximately 20 MS students representing this year. We look forward to their success this year.

After school enrichment classes have started. Students can choose from culinary, clay art, Choir, and dance. Students have been producing some great products in these after school classes.

If you have any questions or concerns, please contact me directly.

## Financial Summary – February 28, 2025

### General Fund Resources

- State School Support – The ODE updated both the 23-24 and 24-25 Average Daily Membership weighted (“ADMw”). The new projections (Page 4) provided an additional 60 ADMw compared to the prior estimate. This increase is due to additional IEPs over the 11% (23 ADMw) and Remote Elementary (39 ADMw), with minor reductions in other areas. The Remote Elementary ADMw is formula driven and provided to schools that are less than 252 elementary students. Alsea SD met this requirement in 23-24 but due to the 22-23 ADMw still greater than the 23-24 ADMw, it had no impact on the SSF allocation. However, the additional ADMw does have an impact on the 24-25 SSF allocation, which included an increase of approximately 60 ADMw. The increase represents an additional \$539,529 compared to last month’s financial statements. Please keep in mind, these are estimates and note final figures for 23-24 or 24-25. The final figures for 23-24 will not be available until May, with the 24-25 still an estimate.
- Property taxes – the statements reflect tax turnover through January 31. Property taxes, except for November, are posted the subsequent month when received by the county treasurer. 95.5% of the current levy has been received.
- 1312 – Tuition from Other Districts – payment for students attending the Learn at Home Online that are residents of another district and reported by that district to the ODE for funding purposes.
- 1510 - Earnings on investments – The earnings rate with the Local Government Investment Pool (LGIP) is 4.70%, down from 4.75% for the prior month. The district is earning approximately \$30,000 per month. The interest earned is allocated to various funds based on that fund’s cash balance as of the end of the month and the investment pool interest rate.
- 5300 – Insurance Reimbursement – the district received \$18,788 for the repair of the football field. The district will still be receiving funds from the insurance company on the field repair. The deductible is \$1,000.
- No changes in the other revenues.

### General Fund Expenditures

- All salaries and benefits have been encumbered, as well as projections for substitutes and additional salaries are included in the financial statements. The substitute and additional salaries are based on the average for September through January and annualized through June.
- In other requirements, a transfer to the Special Revenue Fund for Special Education Stipends has been projected. The grant covers only the stipend amount, not associated payroll costs. The district is required to pay all payroll costs associated with the grant.

## Special Revenue

### Changes

- No new grants or changes to existing grants and programs compared to last month.

### Food Service Program

- Included are the student participation, financial statements and per meal breakdown through 2/28/25. The attached statement reflects the participation by month, with the annual participation at 66.9% for the breakfast program; 65.2%, lunch program.
- The projected transfer from the General Fund will be approximately \$58,281.82. The average cost per meal is \$5.83 while reimbursement is \$4.13, or a transfer from the General Fund of \$1.70 per meal.
- The district received the first quarter payment from the ODE for the 10% reimbursement increase. The estimated increase is \$5,700, which has been included in the statements and the reason for the decrease in the transfer from the General Fund.

### Debt Service

- As with the General Fund, 95.5% of the levy has been received.
- The ending projected fund balance is estimated at \$30,000.

### Capital Projects

- 400 – Capital Projects - reflects interest received on monies at the LGIP. Expenditures are the replacement of the windows, architectural services for the kitchen, and the upgrade to the fire alarm system. The fund has \$85,393 available for additional projects.
- 410 - Bond 2021 and OSCIM Grant –The fund has \$54,840, which includes the upgrade to the HVAC for the data server closet.
- 430 – Seismic Rehabilitation – represents approved service contracts. The district has received the first two payments from the Oregon Business Development Department. Per the grant, claims will be made after each month's end.

## Internal Service Funds

### Unemployment Reserve

- Currently the district is charging all salaries approximately 4% on each payroll and transferring the funds into the Unemployment Reserve Fund to cover quarterly unemployment claims. The \$6,800 represents claims for the first two quarters of 24-25. However, it is still unknown what the costs will be for Spring and Summer breaks.
- The current balance to cover future claims is \$141,302.

### PERS Reserve

- A new fund has been created dedicated to cover increases in PERS costs. A payroll liability account for prior PERS expenses has been on the books. These funds have been transferred to the new fund to properly reflect the dollars. Interest earned on these funds is also being recorded, as with other funds that have available funds in the investment pool.

# Alsea School District Construction Manager's Report

Report Date: March 5, 2025

## GENERAL OVERVIEW

Design for the Seismic Retrofit has been completed and plans have been turned in to the County for review and permitting. Construction is scheduled to begin mid-May with the locker rooms. A pre-bid walk-through with asbestos abatement companies was held in late February. Abatement bids are due March 11. Todd Construction is bidding the rest of the work now and we expect to review the final construction cost with them in early April. Construction is scheduled to begin May 12 in the locker rooms and then in the rest of the work area on June 16.

A second Seismic Grant application for the High School Classroom Wing was submitted to the State in January. Award notice is expected by May 2025.

The Fire Alarm Replacement project has been contracted and design is being completed. The electrical work associated with this work is substantial and the cost is currently in review. Construction is scheduled for this summer and will be coordinated with the Gym Seismic project.

The small HVAC addition in the server room is complete. There are \$56k remaining in the contingency.

**SCHEDULE**

Gym Seismic

The final construction documents for the Gym Seismic project were submitted for permitting on February 18. Todd is also using these documents for bidding. They issued bid invitations on March 4 and pre-bid tours of the school are being offered on Friday, March 14. Bids are due on April 2. We expect to review the bid results with them during the week of April 7.

The District is making the locker rooms available for construction starting May 12. They will be isolated from the rest of the school at that time. This will be a tremendous benefit to ensuring construction is completed by the start of school in September since so much of the work is in the locker rooms. The rest of the construction areas will be turned over to the contractor on June 16.

Fire Alarm Replacement

Salem Fire Alarm is expected to complete final design documents for permitting and procurement in March. Construction will begin June 16 when school is out.

## **PROJECT-SPECIFIC ACTIVITY**

### Gym Seismic

Eight abatement companies attended the pre-bid meeting on February 27. Bid documents and bid forms were distributed to these companies and bid questions are being resolved this week. Bids are due week of March 11. We'll prepare contracts and coordinate the abatement schedule with the rest of the seismic work.

### Fire Alarm Replacement

An electrical scoping meeting was held with the fire alarm contractor and the school's preferred electrical contractor last month. After a detailed investigation, they determined that more than 3,000 feet of conduit will be needed to protect exposed fire alarm cable throughout the school buildings. This is much more than was originally expected by the fire alarm contractor. A price proposal for the electrical work is in review for this conduit installation along with the power needed for the control panel and specific devices.

# SCHOOL BOARD MEETING PROPOSAL REPORT

**Title:** Enhancing Communication and Engagement Among Parents, Teachers, and Students

**Date:** 03/05/2024

**Submitted by:** Adam Sederlin, 2nd grade, LaHO

**Submitted to:** Alsea School Board

## 1. Summary

Effective communication among parents, teachers, and students is essential for fostering engagement and strengthening the school community. During our recent strategic planning workshop, this was identified as a key area of opportunity. A tool currently used in LaHO has demonstrated success in addressing this challenge. This proposal aims to explore and spotlight tools and strategies that can help bridge communication gaps and actively involve families in a more intentional and meaningful way. The superintendent has requested through Lora that the presentation take no more than 7 minutes, so this would be a rapid demonstration with the hopes that active attempts at bridging the school with families could be done in very modern and friendly ways, if attempted.

## 2. Background/Introduction

The saying "*It takes a village*" is especially relevant in education. When families are engaged and informed, student success improves. However, communication barriers can hinder this engagement. Heather mentioned a tool used in LaHO that has effectively addressed these concerns, making it a valuable resource to consider.

## 3. Proposal Details

### Description of the Proposal

This proposal seeks to evaluate and implement communication tools that:

- Provide clear, accessible, and timely communication between teachers, parents, and students.
- Encourage family engagement beyond just receiving updates, fostering true partnership.
- Utilize proven strategies to keep parents informed and involved in school activities and student progress.

## **Goals and Objectives**

- Strengthen relationships between families and educators.
- Increase transparency in academic progress, school events, and student needs.
- Offer structured ways for parents to contribute meaningfully to their child's education.

## **4. Educational and Community Impact**

- Improved parent-teacher-student communication leading to better academic and social outcomes.
- Enhanced family involvement in school decision-making and student learning.
- Creation of a more connected and supportive school environment.

## **5. Recommendations**

- The board could approve a formal review and demonstration of LaHO's communication tool.
- If deemed suitable, a pilot program could be implemented in select classrooms.

## **6. Conclusion**

Enhancing communication is key to building a strong school community. By leveraging tools and strategies that have already shown success elsewhere, we can create more intentional and effective engagement between families and the school. I urge the board to approve an initial review and discussion of this approach as the first step toward stronger parent-teacher-student partnerships.

**Proposal for Expanding Learn at Home Oregon (LaHO) to K-6 for SY 25-26**

Learn at Home Oregon has successfully provided a high-quality online education experience for students in grades K-5. As we look ahead to the 2025-2026 school year, we have an opportunity to expand our program to include 6th grade. This expansion aligns with our growth projections, strengthens student retention, and enhances financial sustainability. With careful planning, LaHO can accommodate this change while maintaining current staffing levels and operational costs. All LaHO staff support a shift to K-6.

**Key Benefits of Expanding to K-6**

**1. Increased Enrollment and Financial Stability**

- Current projections estimate an enrollment increase from **69 to 88 students** next year.
- Expanding to **K-6 would generate approximately \$952,336 in ADM revenue**, compared to **\$757,400 for K-5**.
- The **break-even enrollment is 67.38 students**, ensuring the expansion remains financially viable.
- Additional revenue can support long-term growth, program enhancements, and student services.

**Opportunity for Growth Without Increasing Overhead**

- The proposed expansion allows us to **grow student enrollment while maintaining the same number of teachers**.
- **Multi-grade classrooms** are already a successful model at LaHO and will continue to be implemented effectively.
- A **structured K-6 program strengthens retention**, keeping students engaged before they transition to middle school.

**Improved Student Retention and Continuity**

- Many families prefer schools that provide **long-term stability** for their children.
- Offering a **K-6 option reduces student attrition**, allowing families to remain with LaHO longer.

- Parents seeking consistency for their children will be more likely to enroll if they know their child can stay through 6th grade.
- Parents of current 5th graders have expressed interest in staying with our program if there is a 6th grade, **while others have asked if their student could be held back to 5th grade** just so they do not have to leave.

#### **Meeting the Demand for Virtual Learning**

- Interest in **online education** continues to grow, especially among younger students.
- A full **K-6 program makes LaHO more competitive** with other virtual programs and homeschool alternatives.
- Families with multiple children will benefit from the convenience of a **single school enrollment** for all elementary grades.

#### **Support for Special Education (SPED) Needs**

- A K-6 structure provides **continuity of IEP services**, reducing transitions and disruptions in learning.
- SPED students benefit from a **consistent virtual learning environment** tailored to their needs.
- Projected **SPED enrollment underscores the importance of maintaining consistent support** across multiple grades, ensuring students receive the resources they need to succeed while allowing for effective planning to balance workloads and maintain program quality.

#### **Strengthening School Identity and Community**

- A **K-6 model fosters a strong school culture** where students, parents, and teachers feel a deeper connection.
- **Longer student tenure** improves engagement and participation in school activities.
- A **stronger sense of belonging** encourages positive word-of-mouth recommendations, helping LaHO attract new families and grow enrollment.

Expanding Learn at Home Oregon to **K-6 is a strategic and financially sound decision** that will enhance student retention, ensure fiscal sustainability, and strengthen our school's reputation. With minimal additional costs, we can **increase enrollment, provide a stable learning environment, and meet the growing demand for online education.**

## INTRODUCTION

If you are receiving this guide from your public body, OGEC has been informed that you are a public official who is required by ORS 244.050 to electronically file a Statement of Economic Interest (SEI). The governing body you serve has provided us with your name, position, and email address. You will receive a system-generated email from OGEC’s Electronic Filing System (EFS) to create a username, password, and confirm your pre-filled personal profile information is correct and electronically submit to OGEC. You will need to create your profile before March 15<sup>th</sup> to ensure you receive all communications from OGEC.

During the filing period, failure to complete and electronically file by the final filing date may subject you to an automatic civil penalty of \$10.00 for each of the first 14 days the SEI is late and \$50.00 for each day thereafter, up to a maximum of \$5,000.00 [ORS 244.350(4)(c)].

## WHO IS REQUIRED TO FILE

There are approximately 6,000 Oregon public officials who must file an Annual Verified Statement of Economic Interest (SEI) with OGEC by **April 15<sup>th</sup>** of each calendar year.

**Public officials who are required to file reports are specified in ORS 244.050.** Please refer to that section of the law to see if your specific position requires you to file

these forms. In general, public officials who hold the following positions are required to file:

- **State:** Public officials who hold elected or appointed executive, legislative or judicial positions. This includes those who have been appointed to positions on certain boards or commissions.
- **Counties:** Elected officials, such as commissioners, assessors, surveyors, treasurers and sheriffs must file, as do planning commission members and the county's principal administrator.
- **Cities:** All elected officials, the city manager or principal administrator, municipal judges and planning commission members.
- **Districts:** Administrative and financial officers in school districts, education service districts and community college districts. Some members of the board of directors for certain special districts. All school board members of each common and union high school district.
- **Candidates:** Individuals running for some elected public offices are also required to file.

For a full list of public officials required to file SEI reports, please see ORS 244.050.

## JURISDICTIONAL CONTACT

OGEC staff has identified the positions held by public officials who must file the SEI form and has them listed in the Electronic Filing System (EFS) by jurisdiction. Each jurisdiction [city, county, executive department, board or commission, etc.] has designated a person who acts as the Commission's point of contact for that jurisdiction. (OAR 199-020-0005(1))

This contact person is known as the **Jurisdictional Contact (JC)**. It is through the JC that OGEC obtains the name and email address of each public official who is required to file. When there is a change, through resignation, appointment or election, in who holds a position, the **JC** makes the necessary changes in the EFS.

**Please Note:** If there is a change in the SEI filer's email address or other contact information, it is the **SEI filer's responsibility** to make the change in their personal account - not the responsibility of the JC.

As with other provisions in Oregon Government Ethics law, it is each public official's personal responsibility to ensure they comply with the requirement to complete and submit the SEI form by April 15<sup>th</sup>.

## GETTING STARTED USING EMAIL LINK

Each jurisdiction has a designated person, a JC, whose responsibility is to keep the OGEC database (Electronic Filing System, EFS) up to date with the names of the public officials serving in specific roles. Once the JC has added you to EFS, you will receive an email invitation to create your account.

**NOTE:** The link in the email is only active for 90 days. If your link is not active, please contact your JC to get a new email invitation and link.

You will only need one account, even if you have multiple roles or seat assignments in EFS. If you serve in multiple roles that require filing an SEI, your positions will be listed in your personal account profile you have set-up. If you already have an account and are being assigned to a new seat, it is important that the JC for your new role has the email associated with your existing account. Having multiple accounts may result in EFS charging you penalties. You will only need to file one SEI each year, even if you have multiple positions that require you to file.

**NOTE:** If you are both a JC and an SEI filer, you will have two separate accounts.

## CREATING YOUR ACCOUNT

1. Locate the system-generated email from OGEC: [ogec.notification@egov.com](mailto:ogec.notification@egov.com)
2. Locate the email link within the email.

Dear Stephanie Trainer:

You are being invited to create a personal account in the Oregon Government Ethics Commission's (Commission) Electronic Filing System (EFS) to prepare for the required filing of the Statement of Economic Interest. ORS 244.050 specifically identifies certain public officials who are required to complete and file the Annual Verified Statement of Economic Interest (SEI) form. AMITY SD 4J has indicated that you currently hold a public position that is required to file.

All filings are submitted electronically through the EFS and require that you have an active account. Notifications for the filing are sent from [ogec.notifications@egov.com](mailto:ogec.notifications@egov.com), and are sent to the email address that you provide in your account. You can provide your personal email account as it is not public record. Using an email that you check regularly is imperative. On March 15th you will be contacted via email to file your report and you have until April 15th to complete the filing.

Please click on the following link to create your account now. <https://gcc02.safelinks.protection.outlook.com/?url=http%3A%2F%2Fuat-oregon.egov.com%2F%2Fogec%2Fefs%2Fseilaccount%2Fseilinvite%3FconfirmationCode%3DABBJU9&data=05%7C01%7C0GEC.Training%40ogec.oregon.gov%7C8fdb1910f72a4b6554fd08dac68cf394%7Caa3f6932fa7c47b4a0cea598cad161cf%7C0%7C0%7C638040605928751531%7CUnknown%7CTWFpbGZsb3d8eyJWljiMC4wLjAwMDAAILCjQjoiV2UuMzIiLCJBTiI6I1haWwILCjXVCi6Mn0%3D%7C3000%7C%7C%7C&data=AA5lyxmYaevxT3Rj7RcaK5jP%2F%2BByHg17CbYI%2FTRGzkc0%3D&reserved=0>

If you have a pre-existing account created in EFS, please contact Commission staff for assistance.

- 8. Save and Return.** Click on this green button when you have finished updating your account information.

## DATE OF APPOINTMENT

The JC enters the date of appointment/election information when inviting you to create an account profile. If you believe that it is incorrect, contact the JC for your jurisdiction and ask them to make the correction.

Because EFS started in 2016, no one will have an appointment date prior to 2016.

All school board members will have an appointment date of 1/1/2023 or later. This is because 2023 was the first year that school board members were required to file.

## RESIGNING FROM POSITION

Contact the JC assigned to the jurisdiction(s) in which you are elected or appointed by and advise them of your resignation.

You will not have the option of resigning and removing yourself in EFS.

If you hold the position and are seated on April 15<sup>th</sup> of the required filing period, you will be responsible for filing the required SEI report for that year.

Examples:

- If you held a position anytime starting April 16<sup>th</sup>, 2024 and were still in the position on April 15<sup>th</sup>, 2025, you are required to file an SEI.
- If you held a position anytime starting April 16<sup>th</sup>, 2024 BUT resigned and vacated your position on or before April 14<sup>th</sup> of 2025, you are not required to file.

Once the JC has removed you from the assigned position, you will receive a system-generated email advising you of this action.

## FILING AN SEI

SEIs are filed annually. The due date is April 15<sup>th</sup> of every year.

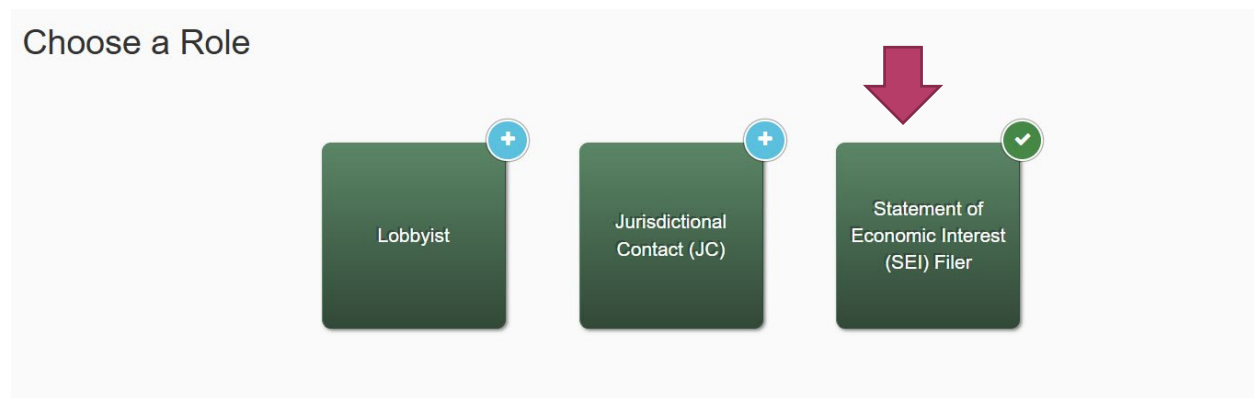

The reporting period opens March 15<sup>th</sup>. If you have an SEI reporting requirement, you will not be able to file until the reporting period opens.

You will receive an email notice from EFS sent to the email address you have on file in your account to let you know the filing period has opened.

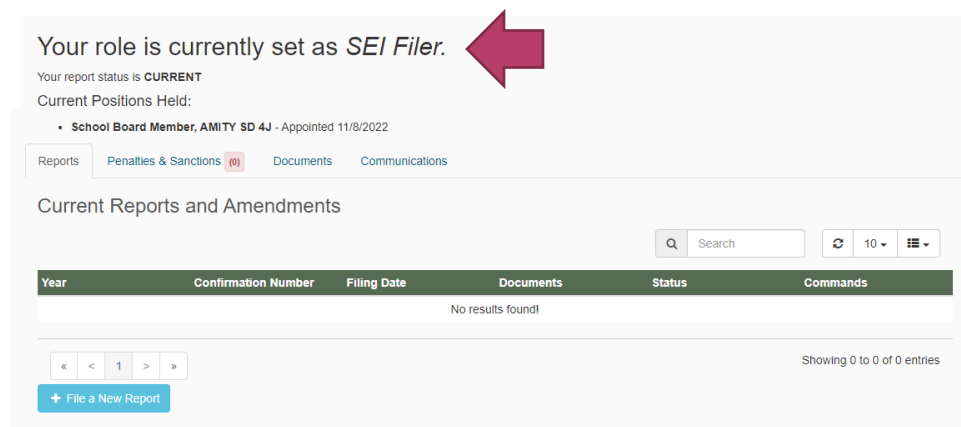

If you do not hold the office on April 15<sup>th</sup> of the current year, you will not be required to file an SEI report. Please make sure that the JC has removed you from the seat assignment prior to April 15<sup>th</sup>, otherwise you could receive late filing penalties.

**NOTE:** Filing requirements are based on the appointment date entered by the JC. The system will determine if there is a filing requirement and make the option available. If there is no filing requirement, the option to file will not be available.

1. **Login.** Login to EFS at: <https://apps.oregon.gov/OGEC/EFS>
2. **Choose a Role.** Select the “Statement of Economic Interest (SEI) Filer” role.

3. Verify your role is set as **SEI Filer**.

SEI filers are required to list any businesses in which they or a member of their household maintained a position as an officer or director and/or list the names under which the filer or members of their household did business, at any time during the preceding calendar year.

- These would be personal business ventures, **not the public position you hold**.
- A business is not a government entity/public body, or a 501(c)(3) nonprofit corporation if you are in a non-compensated capacity.
- This is a two-part question, both sections A and B must be completed, or marked none.

1. You are required to contact your client and request permission to share their information.
  2. **AND** Affirm in the SEI report that you have made the client request (by providing an electronic signature) for each required request.
  3. **IF** the client gives you permission, you will need to provide their information in the client information section.

[ORS 244.060(4)]

You will list:

2. **Address**

- Examples of real property descriptions: Rental property, farmland, vacant land, vacation home, etc.

If you have nothing to report, click the box **Check here for none**.

#### **QUESTION 4: OFFICE RELATED EVENTS**

SEI filers are required to list the amount of any expenses with an aggregate value exceeding \$50 that were paid by a source other than the jurisdiction they serve during the preceding calendar year for participating in a fact-finding mission or trip under the gift exceptions in ORS 244.020(7)(b)(F) and ORS 244.020(7)(b)(H).

**A.** List the amount of any expenses with an aggregate value exceeding \$50 provided to you during **2024**, where the expenses were paid by a government entity, Native American tribe, membership organization or nonprofit organization for you to participate in a convention, mission, trip, or other meeting as permitted under ORS 244.020(7)(b)(F). [ORS 244.060(5)]

- Do not list expenses that were paid by the public body you represented.
- This is one of the two instances in which the SEI filer is required to upload a receipt to their annual SEI. The paying entity should provide the public official a receipt of the costs within 10 days of the date that the expense occurred. [ORS 244.100]. You will have the opportunity to upload the document at the end of the SEI.

- These events are those that were officially sanctioned or designated by your public body.
- Do not list expenses that were paid by the public body you represented.

You will list:

1. **Date(s) of Event**
2. **Organization Name** (who paid for the expenses)

The person shall provide the notice to the public official or candidate within 10 days after the date of the event for which the honorarium or other item was received.

- This is the second of the two instances in which the SEI filer is required to upload a receipt to their annual SEI. You will have the opportunity to upload the document at the end of the SEI.

If you have nothing to report, click the box **Check here for none**.

[ORS 244.090(1)]

- Owning stock in a publicly traded company in which the lobbyist also owns stock is not a relationship that requires disclosure.
- *Example: The public official or household member is an employee or owner of a private company that also employs a lobbyist.*

You will list:

1. **Name of the Lobbyist**
2. **Name of the Business**

## **MOST COMMON FILING ERRORS**

- Failing to list all sources of household income on question 2. Sources of Income. All sources of income exceeding 10% of the total annual **household** income must be listed.

- a. The term “total annual household income” as used in ORS 244.060(3) means the collective income of all members of the public official’s household for the prior calendar year, but excluding the income of any household member under the age of 18. (OAR 199-020-0023(3))
  - b. This includes any income from the public position you hold.

## FAQS

***Once logged in to the account, do the sessions time out?***

Yes. The session will time out after a 15-minute period of inactivity.

***Can filers file a paper Statement of Economic Interest (SEI)?***

No. Since 2016, all required filers must file electronically.

**Can anyone get a password to file electronically?**

No. Only those statutorily identified as required filers who have been assigned to a seat in the system can access the Electronic Filing System (EFS) for filing purposes.

**How long is the link in the email invitation valid?**

90 days. If the account is not created within 90 days, the link expires.

**What if an SEI filer attempts to create their account after the 90 days?**

The SEI filer would need to contact their JC to request a new email invitation. The JC will need to reassign the filer to generate a new email invitation and active link.

**When is the deadline for filing an annual SEI report?**

April 15<sup>th</sup> of each year. The Electronic Filing System (EFS) is available 24/7.

**When does the “window” for filing the SEI report open?**

Annually on March 15<sup>th</sup>. This gives SEI filers 30 days to complete their SEI filing on time.

**NOTE:** SEI filers, who have an account profile, will receive an email notification on March 15<sup>th</sup> letting them know the filing window is open and reminding them that they are required to file. Please make sure the email on your SEI filer account is valid so that you receive these important notifications.

**Are Jurisdictional Contacts (JCs) responsible for assisting filers?**

Yes. JCs are responsible for assisting SEI filers in creating their profiles and setting up their accounts within EFS. JCs should reach out to the SEI filers in their jurisdiction to remind them of the filing deadline.

**NOTE:** SEI filers are responsible for filing their own SEI reports.

**Are the disclosure questions different from year to year?**

Typically, no as the questions are statutorily mandated. However, in 2023 the legislature passed [House Bill 2038](#), which changed the filing requirement to include information about clients of businesses.

**The system is not accepting my email address the way I entered it?**

Try entering your email address in all lowercase letters.

“Student” means any person who is in any grade from prekindergarten through grade 12 or 21 years of age or younger and receiving educational or related services from the district that is not a post-secondary institution of education, or who was previously known as a student by the person engaging in sexual conduct and who left school or graduated from high school within ~~90 days~~ one calendar year prior to the sexual conduct.

# OSBA Model Sample Policy

Code: JHFF/GBNAA

Adopted:

## **Suspected Sexual Conduct with Students and Reporting Requirements \***

{Required policy. ORS 339.372 establishes the requirement for boards to adopt policy on suspected sexual conduct.}

Sexual conduct by district employees, contractors<sup>1</sup>, agents<sup>2</sup>, and volunteers<sup>3</sup> is prohibited and will not be tolerated. All district employees, contractors, agents, ~~and~~ volunteers, and students<sup>4</sup> are subject to this policy. ~~Students are also subject to this policy if they are acting as an employee, contractor, agent or volunteer.~~

<sup>5</sup>“Sexual conduct,” means verbal or physical conduct or verbal, written or electronic communications by a school employee, a contractor, an agent or a volunteer that involve a student and that are sexual advances or requests for sexual favors directed toward the student, or of a sexual nature that are directed toward the student or that have the effect of unreasonably interfering with a student’s educational performance, or of creating an intimidating or hostile educational environment. “Sexual conduct” does not include touching or other physical contact that is necessitated by the nature of the school employee’s job duties or by the services required to be provided by the contractor, agent or volunteer, and for which there is no sexual intent; verbal, written or electronic communications that are provided as part of an education program that meets state educational standards or a policy approved by the Board; or conduct or communications described in the definition of sexual conduct herein if the school employee, contractor, agent or volunteer is also a student and the conduct or communications arise out of a consensual relationship between students, do not create an intimidating or hostile educational environment and are not prohibited by law, any policies of the district or any applicable employment agreements.

“Student” means any person who is in any grade from prekindergarten through grade 12 or 21 years of age or younger and receiving educational or related services from the district that is not a post-secondary institution of education, or who was previously known as a student by the person engaging in sexual conduct and who left school or graduated from high school within ~~90 days~~ one calendar year prior to the sexual conduct.

---

<sup>1</sup> “Contractor” means a person providing services to the district under a contract in a manner that requires the person to have direct, unsupervised contact with students.

<sup>2</sup> “Agent” means a person acting as an agent for the district in a manner that requires the person to have direct, unsupervised contact with students.

<sup>3</sup> “Volunteer” means a person acting as a volunteer for the district in a manner that requires the person to have direct, unsupervised contact with students.

<sup>4</sup> Student conduct may only be sexual conduct if the student is also an employee, contractor, agent, or volunteer.

<sup>5</sup> This definition of “sexual conduct” affects all conduct that occurs before, on or after June 23, 2021, for purposes of reports that are made, investigations that are initiated, or a collective bargaining agreement, an employment contract, an agreement for resignation or termination, a severance agreement or any similar contract or agreement entered into, on or after June 23, 2021.

The district will post in each school building the names and contact information of the employees designated for the respective school buildings to receive reports of suspected sexual conduct and the procedures the designee will follow upon receipt of the report.

Any district employee ~~[[<sup>6</sup>], contractor, agent or volunteer]~~ who has reasonable cause to believe that a student has been subjected to sexual conduct by another district employee, contractor, agent or volunteer, or that another district employee, contractor, agent or volunteer has engaged in sexual conduct with a student shall immediately report such suspected sexual conduct to the [school principal] or the [school vice principal], in the event the designated administrator is the suspected perpetrator, for their school building. If the conduct also constitutes child abuse, the employee must make mandatory reports in accordance with Board policy JHFE/GBNAB – Suspected Abuse of a Child Reporting Requirements.

If the superintendent is the alleged perpetrator the report shall be submitted to the [Linn Benton Lincoln ESD Superintendent] who shall report the suspected sexual conduct to the Board chair.

[If an employee fails to report suspected sexual conduct or fails to maintain confidentiality of records, the employee will be disciplined up to and including dismissal.]

When a designated licensed administrator receives a report of suspected sexual conduct by a district employee, contractor, agent or volunteer, the administrator will follow procedures established by the district and set forth in the district’s administrative regulation JHFF/GBNAA-AR - Suspected Sexual Conduct Report Procedures and Form. All such reports will be reported to the Oregon Department of Education (ODE) or Teacher Standards and Practices Commission (TSPC) in accordance with such administrative regulation. The agency receiving a report will complete an investigation regardless of any changes in the relationship or duties of the person who is the alleged perpetrator.

When there is reasonable cause to support the report, a district employee suspected of sexual conduct shall be placed on paid administrative leave pending an investigation and the district will take necessary actions to ensure the student’s safety.

When there is reasonable cause to support the report, a district contractor, agent or volunteer suspected of sexual conduct shall be removed from providing services to the district and the district will take necessary actions to ensure the student’s safety.

The district will notify, as allowed by state and federal law, the person who was subjected to the suspected sexual conduct about any actions taken by the district as a result of the report.

A district employee, contractor or agent will not assist another district employee, contractor or agent in obtaining a new job if the individual knows, or has reasonable cause to believe the district employee, contractor or agent engaged in sexual conduct. Nothing in this policy prevents the district from disclosing information required by law or providing the routine transmission of administrative and personnel files pursuant to law.

---

<sup>6</sup> {The following language in brackets, i.e., [, contractor, agent or volunteer], is optional language for the district to consider including. If the language is kept, the district must make these groups aware of the policy and its administrative regulation and their responsibilities under both. This may also be included in contracts with agents and contractors and include reference to this policy.}

The initiation of a report in good faith about suspected sexual conduct may not adversely affect any terms or conditions of employment or the work environment of the person who initiated the report or who may have been subject to sexual conduct. If a student initiates a report of suspected sexual conduct by a district employee, contractor, agent or volunteer in good faith, the student will not be disciplined by the district or any district employee, contractor, agent or volunteer.

The district will provide to employees at the time of hire, or to a contractor, agent or volunteer at the time of beginning service for the district, the following:

1. A description of conduct that may constitute sexual conduct;
2. A description of the investigatory process and possible consequences if a report of suspected sexual conduct is substantiated; and
3. A description of the prohibitions imposed on district employees, contractors and agents when they attempt to obtain a new job, pursuant to ORS 339.378(2).

All district employees are subject to Board policy GCAB - Personal Electronic Devices and Social Media - Staff regarding appropriate electronic communications with students.

Any electronic communications with students by a contractor, agent or volunteer for the district will be appropriate and only when directed by district administration. When communicating with students electronically regarding school-related matters, contractors, agents or volunteers shall use district e-mail using mailing lists and/or other internet messaging approved by the district to a group of students rather than individual students or as directed by district administration. Texting or electronically communicating with a student through contact information gained as a contractor, agent or volunteer for the district is ~~[[strongly] [discouraged] [prohibited]]~~.

The superintendent shall develop administrative regulations to implement this policy and to comply with state law.
