- b. Business Manager Report
Stephanie Lewis presented her report to the board. She stated that the July report to the Board is not as accurate as usual as there are areas of spending/invoicing that have not hit the accounts yet. The documents are available for review online. The Board asked questions.

5. **New Business**

a. Annual Organizational Resolution 2026-27

Risteen Follet explained to the Board the purpose of the Annual Organizational Resolution. Jamie Olsen motioned to approve the 2026-2027 Annual Organizational Resolution 27-01 as presented. Russ Ceperich seconded the motion. The Board asked questions. Motion carried 5-0.

b. Election of Board Officers

Russ Ceperich thanked Risteen Follett and Jamie Olsen for their service. He nominated Jamie Olsen as Board Chair, Risteen Follett seconded the motion. There were no other nominations. Motion carried 5-0.

Jamie Olsen motioned to nominate Risteen Follett as Vice Chair, Soren Rounds seconded the motion. There were no other nominations. Motion carried 5-0.

Jamie Olsen took over running the Board meeting as Board Chair.

c. Set Board Meeting Calendar

Jamie Olsen let the Board know that she would like to present to the Board a more detailed calendar for the Board to include all of the additional duties and meetings for the Board during the 2026-27 school year. Russ Ceperich motioned to accept the Board meeting calendar as presented, George Laiblin seconded the motion. The Board discussed. Motion carried 5-0.

d. Seismic Rehabilitation Grant Program Award Letter

Nancy Giggy spoke to the Board about the next phase of Seismic upgrade. This phase will cover the West wing, the Boiler room and the room behind the locker rooms that were not covered in the first phase. The work is scheduled to begin next summer.

e. ZCS - Proposal and Finding of Facts

Nancy Giggy spoke to the Board. She explained the three documents presented to the Board.

- Exemption From Competitive Bidding For a Public Improvement, states the ZCS and Soderstrom are a continuation of the Seismic project.
- Construction Manager/General Contractor (CM/GC) is a contracting method in creating a final construction design, allowing for potential costs and schedule risks to be addressed early. Selection of the CM/GC will be based on a combination of qualifications, technical approach and cost. This needs to be advertised for 10-14 days in the GJC. After the post is completed it will take about two months to hire all of the contractors.
- Direct Appointment of Engineer allows the district to directly appoint ZCS Engineering for the Alsea School District 7J West Wing Seismic Rehabilitation Project.

Soren motioned to approve the Direct Appointment of ZCS as the engineer for the project. Risteen Follett seconded the motion. Motion carried 5-0.

Finding of Fact for the use of the CM/GC contracting method. Russ Ceperich motioned to approve the use of the CM/GC method for the Seismic Rehabilitation of the west wing. Risteen Follett seconded the motion. A public hearing will be scheduled two weeks after the posting. The Board discussed holding the Public Hearing on Monday August 3rd at 6:00 PM. Motion carried 5-0.

f. CCPL Alsea SD 7J: Quarterly Coaching Summary Report

Stacy Knudson spoke to the board letting them know that this is the quarterly report required by ODE. It is a formality, nothing needs to be approved.

Risteen Follett spoke to the Board that she would like to see a shift to focusing on staff engagement. Russ Ceperich agreed that he feels the community is waiting to see the changes in the district and will become more involved in time.

g. Superintendent Evaluation Schedule

Risteen Follett stated that she would like to have the Superintendent goals no later than September and have the conclusion in April rather than May so that there is time to finish the evaluation period earlier rather than later. Stacy Knudson stated that she is hoping to present her goals to the Board at the August meeting.

h. New Playground Funding

Keenan Elbers spoke to the Board about the state of the play structure. He has been working with the school's insurance company as well as applying for a grant to cover the cost of replacement. Currently the cost of replacing the structure, installing a rubberized base mat at a cost of \$131,000. The school is asking the Board to approve the use of reserve funds to pay upfront and replace those funds with grant money. After a potential insurance payment of \$40,000 the school would have to fund about \$90,000. This would allow the school to move forward with the installation before school starts or soon thereafter. The Board asked several clarifying questions. Russ Ceperich motioned to approve the playground options as presented with the note that if the insurance does not come through the use of up to \$131,000 of the reserve funds to purchase and install. Risteen Follett seconded the motion. The Board did not have any further discussion. Motion carried 5-0.

i. Kings Valley Transportation Contract

Stacy Knudson and Keenan Elbers let the Board know that the contract has been finished and is ready to sign. Russ Ceperich motioned to approve the KVCS Transportation contract. Soren Rounds seconded. The Board discussed. Motion carried 5-0.

6. **Old Business**

7. **First Reading *(Shaded words are new/strikethroughs are deleted)**

8. **Second Reading**

9. **Third Reading**

a. BBAA - Board Member's Authority and Responsibilities

Lora Nickle let the Board know that this came back to the Board for clarification on the footnote regarding Board members and attorney parameters. Risteen Follett let the Board know that contacting the attorneys through PACE or ODE are free to them. However, the District attorneys

have a fee. If a Board member feels that the District attorneys are to be contacted a Board vote to approve must be obtained. The Board discussed. Risteen Follett motioned to approve policy BBAA - Board Member's Authority and Responsibilities with the approved footnote language. Russ Ceperich seconded the motion. The Board did not have any further questions. Motion carried 5-0.

10. **Board Comments**

Russ Ceperich spoke to the Board about the upcoming spring elections. There will be Board vacancies. He would like to have "coffee communications" with the community. This would provide interested community members an opportunity to ask questions and gather information about what a Board member's role is.

Jamie Olsen spoke to the Board about scheduling a Board Retreat. She reminded the Board that our policy states that retreats must be held on district property. The Board agreed that this

would be a good idea. Jamie Olsen said that she would reach out to Vincent Adams and get available dates.

1. Schedules, Systems and K-12 Programs

- ☐ Summer Learning is in its final week. Students are actively engaged in learning Spanish, ASL, art, sharpening math and reading skills, learning about math through a collective quilting project, cooking 101, reflective journaling, theater production and adventures to Alsea Falls and Leaping Lamb farm. Final projects include the quilt, a play, a food truck BBQ project for their families and enjoying some frozen yogurt and bowling. We also have a number of secondary students working hard on their online credit recovery and elective credits through the direction of our academic counselor.
- ☐ Our staff deserve a huge thank you for their dedication and creativity in providing over 80 hours of highly engaging learning for our students!
- ☐ Inservice week and Work Day week schedules have been created and sent to all staff for a start date of August 18th. Our focus this year is on highly effective instructional practices and strategies along with trauma informed approaches, meaningful activities in all content areas. RTI intensive focus is dedicated to math and reading, with the critical step in training our staff to be equipped with instructional excellence.

Sheltered Instruction Observation Protocol

SIOP is a research-based teaching framework designed to help educators plan and deliver lessons that teach academic content while simultaneously developing English language skills. It features eight core components, including lesson preparation, building background knowledge, and comprehensible input.

The Eight Components of SIOP

- **Lesson Preparation:** Setting clear content and language objectives, choosing proper materials, and planning meaningful activities.
- **Building Background:** Connecting new concepts to students' prior knowledge and past personal or cultural experiences.
- **Comprehensible Input:** Using clear speech, body language, gestures, and visual aids to make difficult ideas easy to understand.
- **Strategies:** Teaching learning strategies, providing scaffolding, and encouraging high-level thinking skills.
- **Interaction:** Promoting active student-to-student and student-to-teacher communication and cooperative learning.
- **Practice and Application:** Providing hands-on tasks so students can use reading, writing, listening, and speaking skills in real ways.
- **Lesson Delivery:** Keeping students engaged, pacing the lesson properly, and staying true to the lesson goals.
- **Review and Assessment:** Checking how well students learned the key vocabulary and content, and giving helpful feedback.

Book Study Groups will be set up this year. Last year the entire staff read Personal + Authentic. This year we will have several groups with specially designed content. Every staff member will be part of one of the following groups.

Texts include:

The Explosive Child

Help for Billy

Building Thinking Classrooms in Mathematics

Dare to Lead

We are looking forward to a fully staffed, highly successful school year!

Aug 10, 2026

TO: Alsea School District Board of Directors
FROM: Stephanie Lewis, Alsea School District
RE: Financial Statements for fiscal year 2026-

27 Board Members,

There is no financial statement to provide at this time. I had hoped to have one for August. Moving to the cloud in our software has given us fits and I was unable to get the General Ledger rolled over to create a report off in time. However, the issue was resolved as of the morning I am creating this message (8/5/2026), but it will take a few days to get everything rolled, balanced, and created. I will email the financial reports in the coming week or so once I get them created. In the meantime, bank statements have been reconciled.

Fiscal Year 2026-27

State School Support – Final property taxes for July and August from both Benton and Lane County have yet to be received. Once these dollars are posted, an adjustment to the 25-26 financial statements is still required.

General Fund Expenditures - No major changes in the expense accounts. All payrolls have been processed and invoices paid for the 25-26 fiscal year, although not all of them have cleared the bank.

The interim audit of the financial statements has been completed, which reviews internal controls and tests transactions to ensure procedures are followed. This review also determines the scope of the audit.

Updates

We are still wrapping up FY 25-26 into 26-27. Everything is on target to transfer over into FY 26-27, now that we are fully in the cloud, and errors have been corrected.

As of July 31st, 2026, Alsea's investments total \$8,084,425.11 in the Local Government Investment Pool, earning an annualized interest rate of 4.00%, no change from last month.

Please don't hesitate to reach out with any questions or concerns about these statements.

d. Athletic Director Report

Athletic Department Report 8/10/2026

- The former weight room down in the “steel mill” by the track has been cleared out of all equipment that is going to be replaced.
- I have sent the surplus list to Stacy Knudson of the equipment that has been removed.
- Keenan Elbers will be utilizing most of the space for his maintenance equipment, while the other portion of the space will be used by myself and the athletics department for athletic gear and apparel in one consolidated area. No more going to three different places for Alsea sports equipment.
- Old Alsea sports jerseys will be available for purchase at our open house.
- Free sports physicals for our student athletes are going to be administered by SamHealth on August 14th, 5 to 7pm, here at the school in their SamHealth RV.
- Fall sports for high school students begins on August 17th.
- All athletic program schedules are fully booked and are in the process of being staffed with officials.
- We are currently looking into fundraising for the increase in cost of Hudl, a service we have used for years, which provides tools for coaches and athletes to review game footage and improve team play. Coaches will also be required to utilize this service to improve on areas where their players may need improvement.
- All coaches are required to submit practice plans to the athletic director to ensure that the athletes are getting proper training on fundamentals and mechanics that are crucial to skill development.
- Our first high school football game will be at home on Saturday, August 29th at 2pm against Powers and our first high school volleyball game will be at home on September 1st at 4:30pm.
