Talking Points-Please contact me at Darleen.vanriper@firstgroup.com with any comments or questions.

1. 'Tis the Season

We have experienced our first freezing temperatures, and luckily, they did not affect transportation. When the weather forecast threatens with low temperatures and moisture, First Student's local team will be ready to head out as early as 3:00AM to check out the areas of Lincoln County that are known to be mostly affected by the cold. Snow Routes were updated and published to the districts' website.

2. FS Safety Update: Safety Stand Down

Primary purpose was to bring together leadership to reinforce the organization's dedication to safety. Additionally, the stand down created awareness of risk factors to improve organizational results. The Safety Stand Down is a best practice across several industries and have enhanced safety cultures and improved safety performance for companies globally. The FS Safety Stand Down engaged all employees and included the following steps:

- Leadership Commitment: Leadership demonstrated commitment during the Stand Down, not as passive listeners but as vocal advocates for safety. Active engagement sent a clear message that safety is a top organizational priority.
- Address Recent Incidents: The calls acknowledged recent safety incidents. We emphasized the organization's responsibility to learn from these events and ensure they don't happen again.
- Safety Vision: Discussed safety as our foundational value as an organization.
- Personal Commitment: Leaders shared personal action plans that demonstrated their commitment to safety.
- Highlight Safety Initiatives: Highlighted ongoing and upcoming safety initiatives- such as STF prevention, Driver Score and Coaching, and daily safety messages.
- Safety Metrics: Provided insight into safety performance metrics and KPIs. This transparency reinforced the organization's commitment to data-driven decision-making and accountability.

3. First Student Global Employee Engagement Survey

First Student will launch the Employee Engagement Survey beginning Monday, November 13 – Friday, December 1. As we continue to live out our First Student values, we want to hear from our employees, as it is essential for us as a company to get feedback from all employees to see where improvements can be made to continue to Set the Highest Standards. This year's Employee Engagement Survey is vital to successfully collecting valuable feedback from our employees. After hearing from our employees, we can then make more informed decisions about creating the most positive employee experiences leading to higher retention, productivity and overall morale.

Working with the ADs is a variable in the equation of making it work. We are lucky to have ADs who are willing and able to work with us to make transporting their athletes possible. We recently added one casual driver, two new riders and one CDL candidate who is riding while in training. We currently have 4 candidates in class and 3 in Behind-the-Wheel training.

5. Halloween 2023

 - (a) Result in substantial cost savings to the contracting agency or to the public; or

 - (2) That the goods or services required for the exchange of software or data with other public or private agencies are available from only one source;
 - (3) That the goods or services are for use in a pilot or an experimental project;
 - (4) There is an emergency condition which makes solicitation of or procurement from additional sources impractical;
 - (5) There is only one source that meets the quality or specifications required of the goods or services;
 - (6) Sole source procurement will result in substantial cost savings to the district; or
 - (7) Other findings that support the conclusion that the goods or services are available from only one source.

6. Emergency Contracts

Notification shall include advertisement in a trade journal of statewide distribution when possible. The Board or the public contracting officer may authorize public notice of bids or proposals to be published electronically instead of in a newspaper of general circulation if the Board or the public contracting officer determines that electronically providing public notice of bids or proposals is likely to be cost-effective.
 - (2) Applications for prequalification of similar products are permitted up to 15 days prior to advertisement for bids on the product.
 - (3) The merits of an application for inclusion shall be determined through tests and/or examinations. The Board or the public contracting officer may make the test or examination results public in such a manner that protects the identity of the potential contractor, seller or supplier that offered the goods for testing or examination, including by using only numerical designations, and may keep confidential trade secrets, test data and similar information provided by a potential contractor, seller or supplier if so requested in writing by the potential contractor, seller or supplier.

b. Deposits in lieu of retainage fees on public contracts shall be allowed as follows:

- (1) If a contractor elects to deposit securities with a bank or trust company in lieu of retainage on public contracts, the securities shall be held by the custodian in fully transferable form and under the control of the public contracting officer.
- (2) Nonnegotiable securities so deposited shall have proper instruments attached to enable the public contracting officer to effect transfer of title should the contractor be unable to fulfill the contract obligations.
- (3) The custodian bank or trust company shall issue a safekeeping receipt for the securities to the public contracting officer. The receipt shall describe the securities, the par value, the name of the contractor and project number or other proper identification.
- (4) Unless otherwise mutually agreed, the value placed upon said securities shall be market value.
- (5) Securities deposited in the manner described above shall be released by the bank or trust company only upon the written instructions and authorization of the public contracting officer.
- (6) in lieu of the above, an escrow agreement mutually acceptable to the contractor and the public contracting officer and the bank or trust company may be used.

14. Award of Contracts

The Board or public contracting officer shall award contracts to the lowest bidder except in any of the following circumstances:

- a. The bidder has failed to substantially comply with either the specifications or any statutory requirements relating to the public contracting.
- b. The bidder is disqualified by the Board or public contracting officer pursuant to item 12. of this board policy.
- c. All Bids are rejected to further the public interest.

15. Protests and Review

- a. An affected person may protest the approval of a special procurement. Before seeking judicial review of the approval of a special procurement, an affected person must file a written protest with the Board and exhaust all administrative remedies.
 - (1) The protest must be delivered to the Board within seven days after the first date of public notice of the approval of a special procurement, unless a different protest period is provided in the public notice of the approval of a special procurement.
 - (2) The written protest must include:
 - (a) A detailed statement of the legal and factual grounds for the protest;
 - (b) A description of the resulting harm to the affected person, and
 - (c) The relief requested.
 - (3) The Contract Review Authority shall not consider an affected person's protest of the approval of a special procurement submitted after the timeline established for submitting such protests under this rule. The Contract Review Authority shall issue a written disposition of the protest in a timely manner. If the Contract Review Authority upholds the protest, in whole or in part, it may in its sole discretion implement the sustained protest in the approval of the special procurement, or revoke the approval of the special procurement.
- b. Protests of determinations by the Board that goods and services or classes of goods and services are sole-source procurements under item 5.e. of these rules shall be made to the Board within 30 days of the date of the board's determination. The protest must be in writing and must include a detailed statement of the factual and legal grounds of the protest, a description of the resulting harm to the petitioner, and a statement of relief requested. The Board shall issue a written disposition of the protest in a timely manner and make all appropriate dispositions as necessary.
- c. Protests of multi-Tiered and multistep solicitations (as defined in the Oregon Public Contracting Code) shall be made in the following manner:
 - (1) An affected offeror may protest exclusion from the competitive range or from subsequent tiers or steps of a solicitation in accordance with this rule, except where modified by the applicable solicitation document. An affected offeror must file a written

protest with the Board and exhaust all administrative remedies before seeking judicial review.

- (2) An affected offeror may protest the offeror's exclusion from a tier or step of competition only if:
 - (a) The offeror is responsible and submitted a responsive offer; and
 - (b) But for a mistake by the district in evaluating the offeror's or other offerors' offers, the protesting offeror would have been eligible to participate in the next tier or step of competition. (For example, the protesting offeror must claim it is eligible for inclusion in the competitive range if all ineligible higher-scoring offerors are removed from consideration, and that those ineligible offerors are ineligible for inclusion in the competitive range because: their proposals were not responsive, or the district committed a substantial violation of a provision in the solicitation document or of an applicable procurement statute or administrative rule, and the protesting offeror was unfairly evaluated and would have, but for such substantial violation, been included in the competitive range.)
 - (3) Unless otherwise specified in the solicitation document, an affected offeror must deliver a written protest to the Board within seven days after issuance of the notice of the competitive range or notice of subsequent tiers or steps.
 - (4) The affected offeror's protest shall be in writing and must specify the grounds upon which the protest is based.
 - (5) The Contract Review Authority shall not consider an affected offeror's multi-tiered or multistep solicitation protest submitted after the timeline established for submitting such protest under this rule, or such different time period as may be provided in the solicitation document.
 - (6) The Contract Review Authority shall issue a written disposition of the protest in a timely manner. If the Contract Review Authority upholds the protest, in whole or in part, the Contract Review Authority may in its sole discretion either issue an addendum reflecting its disposition or cancel the procurement or solicitation.
- d. A prospective offeror may protest the procurement process or the solicitation document for a contract solicited under ORS 279B.055, 279B.060 and 279B.085 as set forth in ORS 279B.405(2). Unless otherwise specified in the solicitation document, a prospective offeror must deliver a written protest to the Board not less than 10 days prior to closing.
- (1) In addition to the information required by ORS 279B.405(4), a prospective offeror's written protest shall include a statement of the desired changes to the procurement process or the solicitation documents that the prospective offeror believes will remedy the conditions upon which the protesting person offered the protest.
 - (2) No protest shall be considered unless it has been timely filed and meets the conditions set forth in ORS 279B.405(4). The Contract Review Authority shall issue a written disposition of the protest in accordance with the timeline set forth in ORS 279B.405(6). If the Contract Review Authority upholds the protest, in whole or in part, the Contract Review Authority may in its sole discretion either issue an addendum reflecting its disposition or cancel the procurement or solicitation.

- (3) If the Board receives a protest from a prospective offeror in accordance with this rule the Contract Review Authority may extend the date of closing if the Board or designee determines an extension is necessary to consider and respond to the protest.
 - (4) Prior to the deadline for submitting a protest a prospective offeror may request that the Board clarify any provision of the solicitation document. Any clarification issued by the Contract Review Authority to an offeror, whether orally or in writing, does not change the solicitation document and is not binding on the district unless the district amends the solicitation document by addendum. Unless otherwise provided in the solicitation documents the submission of a request for clarification shall not affect the deadline for submitting a protest under this rule.
- e. Protests pursuant to ORS 279B.410 shall be in writing and must be filed with the Board within seven days after the award of a contract, or issuance of the notice of intent to award the contract, whichever occurs first.
 - (1) The written protest shall specify the grounds of the protest to be considered by the Board.
 - (2) The Contract Review Authority shall issue a written disposition of the protest in a timely manner. If the Contract Review Board upholds the protest, in whole or in part, the Contract Review Authority may in its sole discretion either award the contract to the successful protestor or cancel the procurement or solicitation.
- f. An affected person may protest a decision to exclude a product from a qualified products list in accordance with the procedure provided in item 9. An affected person must file a written protest and exhaust all administrative remedies before seeking judicial review of the qualified products list decision.
- g. An affected person may protest a solicitation for a public improvement contract by filing a written protest with the Board not less than 10 days prior to closing.
 - (1) The written protest must be marked "Contract Provision Protest" and must reference the solicitation document number or other identification as specified in the solicitation document.
 - (2) The written protest shall include a detailed statement of the legal and factual grounds for the protest; a description of the resulting prejudice to the protesting person; and a statement of the desired changes to the contract terms and conditions, including any specifications.
 - (3) The Contract Review Authority shall provide notice to the applicable person if it entirely rejects a protest. If the Contract Review Authority agrees with the person's request or protest, in whole or in part, the Contract Review Authority shall either issue an addendum reflecting the determination or cancel the solicitation.
- h. An adversely affected person may protest an award by the district of a Public Improvement Contract. The protest must be made within seven days of the date that the district sends by first class mail or otherwise issues a written Notice of Intent to Award to the adversely affected person, or within such other protest period as is provided under the solicitation document. If no other protest period is provided under the solicitation document and Notice of Intent to Award is issued to the adversely affected person the protest must be made within 14 days of the date of the contract award. An adversely affected person must exhaust all avenues of

administrative review and relief before seeking judicial review of the district's contractor selection or contract award decision.

- (1) A person is adversely affected under this section only if the person is eligible for award of the contract as the responsible bidder submitting the lowest responsive Bid or the Responsible Proposer submitting the best Responsive Proposal and is next in line for award, i.e., the protesting person must claim that all lower bidders or higher-scored proposers are ineligible for award because:
 - (a) Their offers were nonresponsive; or
 - (b) The district committed a substantial violation of a provision in the solicitation document or of an applicable procurement statute or administrative rule, and the protesting person was unfairly evaluated and would have, but for such substantial violation, been the responsible bidder offering the lowest bid or the responsible proposer offering the highest-ranked proposal.
 - (2) A protest must be in writing and must specify the grounds upon which the protest is based.
 - (3) The Contract Review Authority shall issue a written disposition of the protest in a timely manner.
- i. An adversely affected person may submit to the district a written protest of the district's decision to exclude the person from the competitive range pursuant to ORS 279C.410. Such protest must be made within seven days after issuance of the notice of the competitive range, unless a different protest period is provided under the solicitation document. An adversely affected person must exhaust all avenues of administrative review and relief before seeking judicial review of the decision to exclude the person from the competitive range.
- (1) A person is adversely affected under this section only if the person is responsible and submitted a Responsive Proposal and is eligible for inclusion in the competitive range, i.e., the protesting proposer must claim it is eligible for inclusion in the competitive range if all ineligible higher-scoring proposers are removed from consideration, and that those ineligible proposers are ineligible for inclusion in the competitive range because:
 - (a) Their proposals were not responsive; or
 - (b) The district committed a substantial violation of a provision in the RFP or of an applicable procurement statute or administrative rule, and the protesting proposer was unfairly evaluated and would have, but for such substantial violation, been included in the competitive range.
 - (2) The protest must be in writing and must specify the grounds upon which the protest is based.
 - (3) The Contract Review Authority shall issue a written disposition of the protest in a timely manner.

16. Analysis in Procurements

For procurements estimated to cost in excess of \$250,000 that are not for public improvements, the district shall, when required, comply with ORS 279B.030 to ORS 279B.036.

Findings of Fact for Adopting of Board Policy DJA

The Board of the district, acting as the Local Contract Review Board pursuant to 279A.050 and ORSA 279A.060, makes the following findings of fact in support of the class special procurements adopted in Sections f., g., i., l. and m. of item 4. of Board policy DJA - District Procurement regarding public contracting.

Generally, ORS 279B.085 empowers the Board acting as the Local Contract Review Board, to adopt rules exempting certain classes of contracts and class special procurements from competitive procurement upon approval of the following findings:

- a. It is unlikely that such exemption will encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts; and
- b. The awarding of public contracts pursuant to the exemption is reasonably expected to result in substantial cost savings to the district or otherwise substantially promotes the public interest in a manner that could not practicably be realized by complying with requirements that are applicable under ORS 279B.055 (Competitive sealed bidding), 279B.060 (Competitive sealed proposals), 279B.065 (Small procurements) or 279B.070 (Intermediate procurements) or under any rules adopted thereunder.

Heading numbers found in this exhibit refer to the section number of item 4. of district Policy DJA Specific Findings – Class Special Procurements.

Item 4. a. – Copyrighted Material

Copyrighted materials are, by definition, ultimately available from only one source. The district typically purchases the bulk of its textbooks and other copyrighted material through various collective purchasing achieving substantial savings in both purchase and freight costs.

Accordingly the district finds that this exemption is unlikely to encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts and the awarding of public contracts pursuant to this exemption is expected to result in substantial cost savings to the district.

Item 4. f. – Advertising

Advertising media are generally, by their nature, unique and each variety of media and particular medium for advertising reaches a specific audience. There is limited competition for the sale of advertising space in daily newspapers of general, trade or business circulation in the vicinity of the district. Where the sources are unique, cost savings or differences are difficult and potentially expensive to quantify. Depending on the nature of the advertisement to be placed, different media

will be appropriate in different circumstances. Often advertising will need to be purchased on a time frame that would not allow competitive bidding.

The sale of advertising is not a procedure that lends itself to competitive bidding for the districts purposes. Such sales are generally accomplished for student activities and solicited by students – for example the sale of advertising in school newspapers and yearbooks. These publications have extremely limited circulation and many of the business participants do so in the spirit of good will. The district would not experience any enhanced revenue by seeking competitive bids or proposals for such advertising and, in fact, would probably incur additional administrative costs associated with the competitive process at the same time as depriving students of the education experience of engaging with local businesses in soliciting advertisements. This reasoning holds true for other student activities, such as athletics, drama or music events, and the like.

Accordingly, the district finds that this exemption is unlikely to encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts and the awarding of public contracts pursuant to this exemption is reasonably expected to lead to substantial cost savings to the district as well as otherwise substantially promotes the public interest in a manner that could not practicably be realized by complying with requirements that are applicable under ORS 279B.055 (Competitive sealed bidding), 279B.060 (Competitive sealed proposals), 279B.065 (Small procurements) or 279B.070 (Intermediate procurements) or under any rules adopted thereunder.

Item 4. i. – Purchases under Existing Requirements Contract

Requirements contracts are initially awarded on a competitive basis. They are entered into precisely because they allow a competitive process to establish the cost for a longer term series of purchases, thus relieving the district of the expense of engaging in the process each time it makes a purchase. Because these contracts are initially awarded competitively, they are unlikely to encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts and the awarding of public contracts pursuant to the exemption is reasonably expected to lead to substantial cost savings to the district.

Item 4. l. – Services, Equipment, or Supplies for the Maintenance, Repair, or Conversion of Existing Equipment

Services, equipment and supplies for maintenance, repair or conversion of existing equipment are frequently specific to the particular brand or type of equipment involved. Often the need for these goods or services cannot be reasonably anticipated. The number of vendors or suppliers in the area able to supply these things is limited. Delay is frequently costly. Sophisticated equipment may require particular parts or supplies available from only one source. Often, a piece of equipment will have a warranty in place which covers some, but not necessarily all of the necessary parts or supplies – however such warranties frequently restrict the sources from which the necessary items may be acquired.

Accordingly, the district finds that contracts entered into under this exemption are unlikely to encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts and the awarding of public contracts pursuant to the exemption is reasonably expected to lead to substantial cost savings to the district.

Item 4. m. – Equipment Repair or Overhaul

The need for equipment repair or overhaul cannot be anticipated by district staff. If a piece of equipment is not working properly, the district incurs the costs of downtime, potential rental fees for replacement equipment, as well as staff time and other inconveniences or liabilities to its programs. The number of vendors in the area who are able to perform repair or overhaul on a particular piece of equipment is limited due to the specialized knowledge generally involved. Sophisticated equipment may require specially trained personnel available from only one source. Often, a piece of equipment will have a warranty in place which covers a part, but not all of the repairs – however such warranties frequently restrict the parties that may perform the work.

Accordingly, the district finds that contracts entered into under this exemption are unlikely to encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts and the awarding of public contracts pursuant to the exemption is reasonably expected to lead to substantial cost savings to the district.

OSBA Model Sample Policy

Code: BD/BDA

Board Meetings

{Optional policy. School boards must follow public meeting law regardless of whether the board adopts this policy. This policy reflects public meeting law as amended by House Bill 2805 (2023).}

The Board has the authority to act only when a quorum is present at a duly called regular, special or emergency meeting. “Meeting” means the convening¹ of a quorum of the Board as the district’s governing body to make a decision² or to deliberate³ toward a decision on any matter. This includes meeting for the purpose of gathering information to serve as the basis for a subsequent decision or recommendation by the Board ~~governing body~~, i.e. a work session. “Meeting” does not include any on-site inspection of any project or program the attendance of members of the Board at any national, regional or state association to which the Board or its members belong.

The affirmative vote of the majority of members of the Board is required to transact any business.

All regular, special and emergency meetings of the Board will be open to the public except as provided by law. Access to and the ability to attend all meetings (excluding executive sessions) by telephone, video or other electronic or virtual means will be made available when reasonably possible. All meetings will be conducted in compliance with state and federal statutes. [For information how to give or submit public comment [it is outlined in Board policy BDDH - Public Comment at Board Meetings⁴] [and/or] [posted on the district’s website].]

All Board meetings, including Board retreats and work sessions, will be held within district boundaries, except as allowed by law⁵. The Board may attend training sessions outside the district boundaries but cannot deliberate or discuss district business. No meeting will be held at any place where discrimination

¹ “Convening” means: (a) Gathering in a physical location; (b) Using electronic, video or telephonic technology to be able to communicate contemporaneously among participants; (c) Using serial electronic written communications among participants; or (d) Using an intermediary to communicate among participants.

² “Decision” means any determination, action, vote or final disposition upon a motion, proposal, resolution, order, ordinance or measure on which a vote of a governing body is required, at any meeting at which a quorum is present.

³ “Deliberation” means discussion or communication that is part of a decision-making process.

⁴ When telephone or other electronic means of communication is used during a meeting open to the public, the Board shall make at least one place available to the public where, or at least one electronic means by which, the public can listen during the meeting. At all meetings of the Board open to the public, the public will be provided an opportunity, to the extent reasonably possible, to access and attend the meeting by telephone, video or other electronic or virtual means. If in-person oral testimony (or public comment) is allowed, the public will be provided, to the extent reasonably possible, an opportunity to submit oral testimony during the meeting[, at the designated portion of the agenda,] by telephone, video or other electronic or other means. If in-person written testimony is allowed, the public will be provided, to the extent reasonably possible, an opportunity to submit written testimony including by email or other electronic means, so that the Board is able to consider the submitted testimony in a timely manner.]

⁵ ORS 192.630(4). Meetings of the governing body of a public body shall be held within the geographic boundaries over which the public body has jurisdiction, or at the administrative headquarters of the public body or at the other nearest practical location. Adopted:

Local Wellness

{Required. Title 7 C.F.R. 210.31(a) requires local education agencies to “establish a local school wellness policy for all schools participating in the National School Lunch Program and/or School Breakfast Program...”. The law describes the policy as “a written plan that includes” various components intended to improve student wellness. This policy is designed to meet the requirements for a wellness policy and provide the framework for the district’s plan. Previously these requirements were split between the policy and an administrative regulation (AR). All required and/or related content is now included in the model policy, therefore OSBA recommends deleting the AR if the district previously included it in the board’s policy manual. Districts should consult with stakeholders in the process of adoption and incorporate language that meets the unique needs of the district.}

The district is committed to the optimal development of every student and believes that a positive, safe and health-promoting learning environment is necessary for students to have the opportunity to achieve personal, academic, developmental and social success.

Family Medical Leave *

When applicable, the district will comply with the provisions of the Family and Medical Leave Act (FMLA) of 1993, the Oregon Family Leave Act (OFLA) of 1995, the Military Family Leave Act as part of the National Defense Authorization Acts of 2008 and for Fiscal Year 2010 (which expanded certain leave to military families and veterans for specific circumstances), the Oregon Military Family Leave Act (OMFLA) of 2009 and other applicable provisions of Board policies and collective bargaining agreements regarding family medical leave.

FMLA applies to districts with 50 or more employees within 75 miles of the employee's worksite, based on employment during each working day during any of the 20 or more work weeks in the calendar year in which the leave is to be taken, or in the calendar year preceding the year in which the leave is to be taken. The 50 employee test does not apply to educational institutions for determining employee eligibility.

OFLA and OMFLA apply to districts that employ 25 or more part-time or full-time employees in Oregon, based on employment during each working day during any of the 20 or more work weeks in the calendar year in which the leave is to be taken, or in the calendar year immediately preceding the year in which the leave is to be taken.

In order for an employee to be eligible for the benefits under FMLA, the employee must have been employed by the district for at least 12 months and have worked at least 1,250 hours during the past 12-month period.

In order for an employee to be eligible for the benefits under OFLA, the employee must work an average of 25 hours per week and have been employed at least 180 calendar days prior to the first day of the family medical leave of absence. For parental leave purposes, an employee becomes eligible upon completing at least 180 calendar days immediately preceding the date on which the parental leave begins. There is no minimum average number of hours worked per week when determining employee eligibility for parental leave.

OMFLA applies to employees who work an average of at least 20 hours per week; there is no minimum number of days worked when determining an employee's eligibility for OMFLA.

Federal and state leave entitlements generally run concurrently.

The superintendent [or designee] will develop administrative regulations as necessary for the implementation of the provisions of both federal and state law.

Family Medical Leave * (Version 1)

{Highly recommended policy. The law does not require districts to have a board-adopted policy, but the district is required to follow the law. Having policy and an administrative regulation in place can assist with compliance. Policy is intended for districts with 50 or more employees as counted in accordance with ORS 659A.153. If the district has between 25 and 50 employees, the district should use version 2 of GCBDA/GDBDA – Family Medical Leave *. If the district does not have 25 employees, the district should not adopt this policy.}

When applicable, the district will comply with the provisions of the Family and Medical Leave Act (FMLA){¹}, the Oregon Family Leave Act (OFLA){²}, the Oregon Military Family Leave Act (OMFLA), Paid Family Medical Leave Insurance (PFMLI) and other applicable provisions of state and federal law, Board policies and collective bargaining agreements regarding family medical leave.

In order for an employee to be eligible for the benefits under FMLA, the employee must have been employed by the district for at least 12 months, have worked at least 1,250 hours during the past 12-month period and worked at a worksite that employs 50 district employees within 75 miles of the worksite.

Generally, in order for an employee to be eligible for the benefits under OFLA, the employee must work an average of 25 hours or more per week during the 180 calendar days immediately prior to the first day of the start of the requested leave. For parental leave purposes, an employee becomes eligible upon completing at least 180 calendar days immediately preceding the date on which the parental leave begins: there is no minimum average number of hours worked per week. Special requirements apply during public health emergencies.

OMFLA applies to employees who work an average of at least 20 hours per week; there is no minimum number of days worked when determining an employee's eligibility for OMFLA.

PMFLI is generally available to district employees who have earned \$1,000 in subject wages or taxable income during the alternate or base years³, contributed to the PMFLI fund in the alternate or base years and are otherwise eligible.⁴

Federal and state leave entitlements generally run concurrently.

{¹ Generally, FMLA applies only to entities with 50 or more employees, however, FMLA applies to all public elementary and secondary educational institutions. See 29 CFR 825.600(b). The rule regarding individual employee eligibility does apply: an employee is only eligible if the employee "is employed at a worksite where 50 or more employees are employed by the employer within 75 miles of that worksite." See 29 CFR 825.110(a)(3). Consequently, FMLA applies to districts with fewer than 50 employees, but individual employees will not be eligible to receive benefits.}

{² OFLA applies to employers with 25 or more employees in Oregon (ORS 659A.153) and OMFLA applies to all public-sector employers in Oregon. (ORS 659A.090(2)) (Oregon BOLI Leave Laws – 2023 Edition)}

³ The wages are not required to have been earned for work in the district.

⁴ See OAR 471-070-1010 for additional information.

The superintendent [or designee] will develop administrative regulations as necessary for the implementation of the provisions of both federal and state law.

Family Leave *

Coverage

The federal Family and Medical Leave Act (FMLA) applies to districts with 50 or more employees within 75 miles of the employee's work site, based on employment during each working day during any of the 20 or more workweeks in the calendar year in which the leave is to be taken, or in the calendar year preceding the year in which the leave is to be taken. The 50 employee test does not apply to educational institutions for determining employee eligibility.

The Oregon Family Leave Act (OFLA) and the Oregon Military Family Leave Act (OMFLA) applies to districts that employ 25 or more part-time or full-time employees in Oregon, based on employment during each working day during any of the 20 or more workweeks in the calendar year in which the leave is to be taken, or in the calendar year immediately preceding the year in which the leave is to be taken.

Employee Eligibility

FMLA applies to employees who have worked for the district for at least 12 months (not necessarily consecutive) and worked for at least 1,250 hours during the 12-month period immediately preceding the start of the leave.

An employee who has previously qualified for and has taken some portion of FMLA leave may request additional FMLA leave within the same leave year. In such instances, the employee need not requalify as an eligible employee, if the additional leave applied for is in the same leave year and for the same condition.

OFLA applies to employees who work an average of 25 hours or more per week during the 180 calendar days or more immediately prior to the first day of the start of the requested leave.¹ For parental leave purposes, an employee becomes eligible upon completing at least 180 days immediately preceding the date on which the parental leave begins. There is no minimum average number of hours worked per week when determining employee eligibility for parental leave.

An employee of a covered employer is eligible to take leave for purposes of OFLA during a period of time covered by a public health emergency except:

1. An employee who worked for the covered employer for fewer than 30 days immediately before the date on which the family leave would commence; or

¹ The requirements of OFLA do not apply to any employer offering eligible employees a nondiscriminatory cafeteria plan, as defined by section 125 of the Internal Revenue Code of 1986, which provides as one of its options employee leave at least as generous as the leave required by OFLA.

2. An employee who worked for the covered employer for an average of fewer than 25 hours per week in the 30 days immediately before the date on which the family leave would commence.

An employee of a covered employer is eligible to take leave for purposes of OFLA if the employee:

1. Separates from employment with the covered employer, irrespective of any reason:
 - a. Is eligible to take leave OFLA at the time the employee separates; and
 - b. Is reemployed by the covered employer within 180 days of separation from employment; or
2. Is eligible to take OFLA leave:
 - a. At the beginning of a temporary cessation of scheduled hours of 180 days or less; and
 - b. Returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

Any OFLA leave taken by the employee within any one-year period continues to count against the length of time of OFLA leave the employee is entitled. The amount of time that an employee is deemed to have worked for a covered employer prior to a break in service due to a separation from employment or a temporary cessation of scheduled hours shall be restored to the employee when the employee is reemployed by the employer within 180 days of separation from employment or when the employee returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

An employee who has previously qualified for and has taken some portion of OFLA leave, may request additional OFLA leave within the same leave year. In such instances, the employee must requalify as an eligible employee for each additional leave requested unless one of the following exceptions apply:

1. A female employee who has taken 12 weeks of pregnancy disability leave need not requalify leave in the same leave year for any other purpose;
2. An employee who has taken 12 weeks of parental leave need not requalify to take an additional 12 weeks in the same leave year for sick child leave; and
3. An employee granted leave for a serious health condition for the employee or a family member need not requalify if additional leave is taken in this leave year for the same reason.

OMFLA applies to employees who work an average of at least 20 hours per week. There is no minimum number of days worked when determining employee eligibility for OMFLA.

In determining if an employee has been employed for the preceding 180 calendar days, when applicable, the employer must consider days, e.g., paid or unpaid, an employee is maintained on payroll for any part of a work week. Full-time public school teachers who have been maintained on payroll by a district for 180 consecutive calendar days are thereafter deemed to have been employed for an average of at least 25 hours per week during the 180 days immediately preceding the start date of the OFLA leave. This provision is eligible for rebuttal if for example, the employee was on a nonpaid sabbatical.

In determining average workweek, the employer must count the actual hours worked using the Fair Labor Standards Act (FLSA) guidelines.

Qualifying Reason

Eligible employees may access FMLA leave for the following reasons:

1. Serious health condition of the employee or the employee's covered family member:
 - a. Inpatient care;
 - b. Continuing treatment;
 - c. Chronic conditions;
 - d. Permanent, long-term or terminal conditions;
 - e. Multiple treatments;
 - f. Pregnancy and prenatal care.
2. Parental leave² (separate from eligible leave as a result of a child's serious health condition):
 - a. Bonding with and the care for the employee's newborn (within 12 months following birth);
 - b. Bonding with and the care for a newly adopted or newly placed foster child under the age of 18 (within 12 months of placement);
 - c. Care for a newly adopted or newly placed foster child over 18 years of age who is incapable of self-care because of a physical or mental impairment (within 12 months of placement);
 - d. Time to effectuate the legal process required for placement of a foster child or the adoption of a child.
3. Military Caregiver Leave: leave for the care for spouse, son, daughter or next-of-kin who is a covered servicemember/veteran with a serious injury or illness;
4. Qualifying Exigency Leave: leave arising out of the foreign deployment of the employee's spouse, son, daughter or parent.

 - c. Care for a newly adopted or newly placed foster child over 18 years of age who is incapable of self-care because of a physical or mental impairment (within 12 months of placement);
 - d. Time to effectuate the legal process required for placement of a foster child or the adoption of a child.

² Parental leave must be taken in one continuous block of time within 12 months of the triggering event.

3. Sick Child Leave: leave for non-serious health conditions of the employee's child. For OFLA, sick child leave includes absence to care for an employee's child whose school or child care provider has been closed³ in conjunction with a statewide public health emergency declared by a public health official.⁴
4. Bereavement Leave: leave related to the death of a covered family member.⁵
5. Eligible employees may access OMFLA for the purpose of spending time with a spouse or same-gender domestic partner who is in the military and has been notified of an impending call or order to active duty, or who has been deployed during a period of military conflict.
6. The eligibility of an employee who takes multiple leaves for different qualified reasons during the same district designated leave period may be reconfirmed at the start of each qualified leave requested.

- a. A public health emergency declared under ORS 433.441.
- b. An emergency declared under ORS 401.165 if related to a public health emergency as defined in ORS 433.442.

Leave Period

For the purposes of calculating an employee’s leave period, the district will use [the calendar year] [any fixed 12-month “leave year”] [the 12-month period measured forward from the date the employee’s leave begins] [a “rolling” 12-month period measured backward from the date the employee uses any family and medical leave]. The same method for calculating the 12-month period for FMLA and OFLA leave entitlement shall be used for all employees. However, in all instances, the leave period for the purposes of OMFLA and Military Caregiver Leave under FMLA shall be dependent on the start of any such leave regardless of the district’s designated 12-month leave period described above.

Leave Duration

For the purposes of FMLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district’s designated leave period⁷. Spouses who work for the district may be limited to a combined 12 weeks of FMLA leave during the district’s designated leave period when the purpose of the leave is for the birth of a child or to care for a child after birth, placement of an adopted or foster child or the care for an adopted or foster child after placement, or to care for the employee’s parent’s serious medical condition. Except in specific and unique instances, all qualified leave under FMLA counts toward an employee’s leave entitlement within the district’s designated leave period.

For the purposes of OFLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district’s designated leave period. However, an eligible employee is entitled to an additional, full 12 weeks of parental leave during the district’s designated leave period following the birth of a child regardless of how much OFLA qualified leave the employee has taken prior to the birth of such child during the district’s designated leave period. Likewise, an employee who uses the full 12 weeks of parental leave during the district designated leave period, will be entitled to an additional 12 weeks of sick

⁷ An eligible employee taking Military Caregiver Leave under FMLA is entitled to up to 26 weeks of leave in the 12-month period beginning with the first day of such leave and regardless of any FMLA leave taken previously during the district’s leave period. However, once the 12-month period begins for the purposes of Military Caregiver Leave under FMLA, any subsequent FMLA qualified leave, regardless of reason for such leave, will count toward the employee’s 26-week entitlement under Military Caregiver Leave under FMLA.

child leave under OFLA during the district's designated leave period for the purpose of caring for a child(ren) with a non-serious health condition requiring home care.⁸ Unlike FMLA, OFLA does not combine the leave entitlement for spouses working for the district. However, under OFLA, family members who work for the district may be restricted from taking concurrent OFLA qualified leave.⁹

For the purposes of OMFLA, an eligible employee is entitled to 14 days of leave per call or order to active duty or notification of a leave from deployment. When an employee also meets the eligibility requirements of OFLA, the duration of the OMFLA leave counts toward that employee's leave entitlement during the district's designated leave period.

Except as otherwise noted above, qualified leave under FMLA and OFLA for an eligible employee will run concurrently during the district's designated leave period.

For the purpose of tracking the number of leave hours an eligible employee is entitled and/or has used during each week of the employee's leave, leave entitlement is calculated by multiplying the number of hours the eligible employee normally works per week by 12¹⁰. If an employee's schedule varies from week-to-week, a weekly average of the hours worked over the 12 weeks worked prior to the beginning of the leave period shall be used for calculating the employee's normal workweek¹¹. If an employee takes intermittent or reduced work schedule leave, only the actual number of hours of leave taken may be counted toward the 12 weeks of leave to which the employee is entitled.

Intermittent Leave

With the exception of parental leave which must be taken in one continuous block of time, an eligible employee is permitted under FMLA and OFLA to take intermittent leave for any qualifying reason.

Intermittent leave is taken in multiple blocks of time (i.e., hours, days, weeks, etc.) rather than in one continuous block of time and/or requires a modified or reduced work schedule. For OFLA this includes but not limited to sick child leave taken requiring an altered or reduced work schedule because the intermittent or recurring closure of a child's school or child care provider due to a statewide public health emergency declared by a public health official.

When an employee is eligible for OFLA leave, but not FMLA leave, the employer:

⁸ Sick child leave under OFLA need not be provided if another family member, including a noncustodial biological parent, is willing and able to care for the child.

⁹ Exceptions to the ability to require family members from taking OFLA qualified leave at different times are when 1) employee is caring for the other employee who has a serious medical condition; 2) one employee is caring for a child with a serious medical condition when the other employee is suffering a serious medical condition; 3) each family member is suffering a serious medical condition; 4) each family member wants to take Bereavement Leave under OFLA; and 5) the employer allows the family members to take concurrent leave.

¹⁰ For example, an employee normally employed to work 30 hours per week is entitled to 12 times 30 hours, or a total of 360 hours of leave.

¹¹ For example, an employee working an average of 25 hours per week is entitled to 12 times 25 hours, or a total of 300 hours of leave.

1. May allow an exempt employee, as defined by state and federal law, with accrued paid time off to take OFLA leave in blocks of less than a full day; but
2. May not reduce the salary of an employee who is taking intermittent leave when they do not have accrued paid leave available. To do so would result in the loss of exemption under state law.

An employee's FMLA and/or OFLA intermittent leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

Holidays or days in which the district is not in operation, are not counted against the eligible employee's intermittent OFLA leave period unless the employee was scheduled and expected to work on any such day.

Alternate Work Assignment

The district may transfer an employee recovering from a serious health condition to an alternate position which accommodates the serious health condition provided:

1. The employee accepts the position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreement;
4. The transfer is compliant with state and federal law, including but not limited to the protections provided for in FMLA and/or OFLA; and
5. The transfer is not used to discourage the employee from taking FMLA and/or OFLA leave for a serious health condition or to create a hardship for the employee.

The district may transfer an eligible employee who is on a foreseeable intermittent FMLA and/or OFLA leave to another position with the same or different duties to accommodate the leave, provided:

1. The employee accepts the transfer position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreements;
4. The transfer is compliant with state and federal law, including but not limited to the protections provided for in FMLA and/or OFLA;
5. The transfer to an alternate position is used only when there is no other reasonable option available that would allow the employee to use intermittent leave or reduced work schedule; and
6. The transfer is not used to discourage the employee from taking intermittent or reduced work schedule leave, or to create a hardship for the employee.

If an eligible employee is transferred to an alternative position, and as a result the employee works fewer hours than the employee was working in the original position, the employee's FMLA and/or OFLA leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

When an employee is transferred to alternate position as described above but such transfer does not result in a reduced schedule, time worked in any such alternate position shall not be considered for the purpose of FMLA and/or OFLA leave. An employee working in an alternate position retains the right to return to the employee's original position unless all FMLA and/or OFLA leave taken in that leave year plus the period of time worked in the alternate position exceeds 12 weeks.

Special Rules for School Employees

For the purposes of FMLA, "instructional employee" means those whose principal function is to teach and instruct students in a class, a small group or an individual setting. Athletic coaches, driving instructors and special education assistants, such as interpreters for the hearing impaired, are included in this definition. This definition does not apply to teacher assistants or aides who do not have as their principal job actual teaching or instructing, counselors, psychologist, curriculum specialists, cafeteria workers, maintenance workers or bus drivers.

For the purposes of OFLA, "school employee" means employees employed principally as instructors in public kindergartens, elementary schools, secondary schools or education service districts.

FMLA and/or OFLA leave that is taken for a period that ends with the school year and begins with the next semester is considered consecutive rather than intermittent. In any such situation, the eligible school employee will receive any benefits during the break period that employees would normally receive if they had been working at the end of the school year.

1. Foreseeable Intermittent Leave Exceeding 20 Percent of Working Days

When the qualified leave is foreseeable, will encompass more than 20 percent of the eligible school employee's regular work schedule during the leave period, and the purpose of such leave is to care for a family member with a serious medical condition, for a servicemember with a serious medical condition or because of the employee's own serious medical condition, the district may require the eligible school employee to:

- a. Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b. Temporarily transfer the eligible school employee to an alternate position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than the employee's original position.

2. Limitation on Leave Near the End of the School Year

When an eligible school employee requests leave near the end of the school year, the district may require the following:

- a. When the qualified leave begins more than five weeks before the end of the school year:

- (1) For the purposes of FMLA leave, the eligible school employee may be required to continue taking leave until the end of the school year provided:

D

- (a) The leave will last at least three weeks; and
- (b) The employee would return to work during the three-week period before the end of the term.

- (2) For the purposes of OFLA leave, if the reason for the leave is because of the eligible school employee's own serious health condition, the eligible school employee may be required to remain in leave until the end of the school year, provided:

- (a) The leave will last at least three weeks; and
- (b) The employee's return to work would occur within three weeks of the end of the school year.

- b. For the purposes of FMLA and/or OFLA leave, when the qualified leave begins within five weeks of the end of the school year and the purpose of such leave is parental leave, for the serious health condition of a family member or for the serious health condition of a servicemember, the eligible school employee may be required to remain on leave until the end of the school year provided:

- (1) The leave will last more than two weeks; and
- (2) The employee would return to work during the two-week period before the end of the school year.

- c. For the purposes of FMLA and/or OFLA leave, when the qualified leave begins within three weeks of the end of the school year and the purpose of such leave is parental leave, for the serious health condition of a family member or for the serious health condition of a servicemember, the eligible school employee may be required to remain on leave until the end of the school year provided the length of the leave will last more than five working days.

If the district requires an eligible school employee to remain on leave until the end of the school year as described above, additional leave required by the employer until the end of the school year shall not count against the eligible school employee's leave entitlement.

Paid/Unpaid Leave

FMLA and OFLA do not require the district to pay an eligible employee who is on a qualified leave. Subject to any related provisions in any applicable collective bargaining agreement, {¹²} [an employee may elect to use any available accrued paid leave including personal and sick leave, or available accrued vacation leave during the leave period.] [the district requires the eligible employee to use any available accrued sick leave, vacation or personal leave days (or other available paid time established by Board policy(ies) and/or collective bargaining agreement) in the order specified by the district and before taking FMLA and/or OFLA leave without pay during the leave period.] [the district requires the eligible employee to use any available accrued paid leave, including personal and sick leave or available accrued

¹² {The district must choose one of the following from the three available bracketed options to complete this paragraph, and delete the other two.}

vacation leave before taking FMLA and/or OFLA leave without pay during the leave period. The employee may select the order in which the available paid leave is used.]

The district will notify the eligible employee that the requested leave has been designated as FMLA and/or OFLA leave and, if required by the district, that available accrued paid leave shall be used during the leave period. In the event the district is aware of an OFLA or FMLA qualifying exigency, the district shall notify the eligible employee of its intent to designate the leave as such regardless of whether a request has been made by the eligible employee. Such notification will be given to the eligible employee prior to the commencement of the leave or within two working days of the employee's notice of an unanticipated or emergency leave, whichever is sooner.

When the district does not have sufficient information to make a determination of whether the leave qualifies as FMLA or OFLA leave, the district will provide the required notice promptly when the information is available but no later than two working days after the district has received the information. Oral notices will be confirmed in writing no later than the following payday. If the payday is less than one week after the oral notice is given, written notice will be provided no later than the subsequent payday.

Eligible employees who request OMFLA leave shall not be required to use any available accrued paid time off during the OMFLA leave period.

Benefits and Insurance

When an eligible employee returns to work following a FMLA or OFLA qualified leave, the employee must be reinstated to the same position the employee held when the leave commenced, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

During an OFLA qualified leave an eligible employee does not accrue seniority or other benefits that would have accrued while the employee was working, unless the terms of a collective bargaining agreement, other agreement or other employer's policy provide otherwise.¹³ The eligible employee is also subject to layoff to the same extent similarly situated employees not taking OFLA leave are subject unless the terms of an applicable collective bargaining agreement, other agreement or the district's policies provide otherwise.

For the purposes of FMLA and OFLA, the district will continue to pay the employer portion of the eligible employee's group health insurance contribution (if applicable) during the qualified leave period. The eligible employee is required to pay the employee portion of any such group health insurance contribution as a condition of continued coverage.

For the purposes of FMLA qualified leave, the district's obligation to maintain the employee's group health insurance coverage will cease if the employee's contribution is remitted more than 30 calendar days late. The district will provide written notice that the premium payment is more than 30 calendar days late. Such notice will be provided within 15 calendar days before coverage is to cease.

For the purposes of OMFLA, the eligible employee is entitled to a continuation of benefits.

¹³ See also ORS 342.934(4)(d) in reduction force situations.

Fitness-for-Duty Certification

Prior to the reinstatement of an employee following a leave which was the result of the employee's own serious health condition, the district may require the employee to obtain and present a Fitness-for-Duty Certification. The certification will specifically address the employee's ability to perform the essential functions of the employee's job as they relate to the health condition that was the reason for the leave. If the district is going to require a fitness-for-duty certification upon return to work, the district must notify the employee of such requirement when the leave is designated as FMLA and/or OFLA leave. Failure to provide the certification may result in a delay or denial of reinstatement.

For the purposes of FMLA qualified leave, any costs associated with obtaining the fitness-for-duty certification shall be borne by the employee.

For the purposes of OFLA qualified leave, any out-of-pocket costs associated with obtaining the fitness-for-duty certification shall be borne by the district.

If the leave is qualified under both FMLA and OFLA, any out-of-pocket costs associated with obtaining the fitness-for-duty certification shall be borne by the district.

Application

Under federal and state law, an eligible employee requesting FMLA and/or OFLA leave shall provide at least 30 days' notice prior to the leave date if the leave is foreseeable. The notice shall be written and include the anticipated start date, duration and reasons for the requested leave. When appropriate, the eligible employee must make a reasonable effort to schedule treatment, including intermittent leave and reduced leave, so as not to unduly disrupt the operation of the district.

The district may request additional information to determine that the requested leave qualifies as FMLA and/or OFLA leave. The district may designate the employee as provisionally on FMLA and/or OFLA leave until sufficient information is received to properly make a determination. An eligible employee able to give advance notice of the need to take FMLA and/or OFLA leave must follow the employer's known, reasonable and customary procedures for requesting any kind of leave.

For the purposes of FMLA, if advance notice is not possible, an employee eligible for FMLA leave must provide notice as soon as practicable. "As soon as practicable," for the purpose of FMLA leave, means the employee must comply with the employer's normal call-in procedures except in limited and under unique circumstances. Failure of an employee to provide the required notice for FMLA leave may result in the district delaying the employee's leave up to 30 days after the notice is ultimately given.

For the purposes of OFLA, an eligible employee is required to provide oral or written notice within 24 hours of commencement of the leave in unanticipated or emergency leave situations. The employee may designate a family member or friend to notify the district during that period of time. Failure of an employee to provide the required notice for leave covered by OFLA may result in the district deducting up to three weeks from the employee's unused OFLA leave in that one-year leave period. The employee may be subject to disciplinary action for not following the district's notice procedures.

When an employee fails to give advance notice for both the FMLA and OFLA above, the district must choose the remedy that is most advantageous to the employee.

In all cases, proper documentation must be submitted no later than three working days following the employee's return to work.

Medical Certification

The district [may] [shall] require an eligible employee to provide medical documentation, when appropriate, to support the stated reason for such leave, other than to care for a child who requires home care due to the closure of the child's school or child care provider as a result of a public health emergency. The district will provide written notification to an employee of this requirement within five working days of the employee's request for leave. If the employee provides less than 30 days' notice, the employee is required to submit such medical certification no later than 15 calendar days after receipt of the district's notification that medical certification is required.

The district may request re-certification of a condition when the minimum duration of a certification expires if continued leave is requested. If the certification does not indicate a duration or indicates that it is ongoing, the district may request re-certification at least every six months in connection with an absence.

Under federal law, a second medical opinion may be required whenever the district has reason to doubt the validity of the initial medical opinion. The health care provider may be selected by the district. The provider shall not be employed by the district on a regular basis. Should the first and second medical certifications differ, a third opinion may be required. The district and the employee will mutually agree on the selection of the health care provider for a third medical certification. The third opinion will be final. Second and third opinions and the actual travel expenses for an employee to obtain such opinions will be paid for by the district.

Second and Third Opinions

1. For the purposes of FMLA, the district may designate a second health care provider, but that person cannot be utilized by the district on a regular basis except in rural areas where health care is extremely limited. If the opinions of the employee's and the district's designated health care provider(s) differ, the district may require a third opinion at the district's expense. The third health care provider must be designated or approved jointly by the employee and the district. This third opinion shall be final and binding.
2. For the purposes of OFLA, and except for leave related to sick child leave under OFLA, the district may require the employee to obtain a second opinion from a health care provider designated by the district. If the first and second verifications conflict, the employer may require the two health care providers to jointly designate a third health care provider for the purpose of providing a verification. This third verification shall be final and binding.

Notification

Any notice required by federal and state laws explaining employee rights and responsibilities will be posted in all staff rooms and the district office. Additional information may be obtained by contacting the [superintendent] [personnel director].

Record Keeping/Posted Notice

The district will maintain all records as required by federal and state laws including dates leave is taken by employees, identified separately from other leave; hours/days of leave; copies of general and specific notices to employees, including Board policy(ies) and regulations; premium payments of employee health benefits while on leave and records of any disputes with employees regarding granting of leave.

Medical documentation will be maintained separately from personnel files as confidential medical records.

The district will post notice of FMLA¹⁴ and OFLA¹⁵ leave requirements.

Federal vs. State Law

Both federal and state law contain provisions regarding leave for family illness. Federal regulations state an employer must comply with both laws; that the federal law does not supersede any provision of state law that provides greater family leave rights than those established pursuant to federal law; and that OFLA and FMLA leave entitlements run concurrently. State law requires that FMLA and OFLA leave entitlements run concurrently when possible.

For example, due to differences in regulations, an eligible employee who takes OFLA leave after 180 days of employment, but before they are eligible for FMLA leave, is still eligible to take a full 12 workweeks of FMLA leave after meeting FMLA's eligibility requirements. Thereafter, any eligible leave period will run concurrently, when appropriate.

Family Leave * (Version 1)

{Highly recommended administrative regulation (AR). The law does not require districts to have this information in an AR, but the district is required to follow the law. Having an AR in place can assist with compliance. This AR is intended for districts with 50 or more employees. If the district has between 25 and 50 employees, use version 2 of GCBDA/GDBDA-AR(1) - Family Leave *. If the district does not have 25 employees, the district should not use this AR.}

Employee Eligibility

FMLA benefits are available to employees who have been employed by the district for at least 12 months, have worked at least 1,250 hours during the past 12-month period and work at a worksite that employs 50 district employees within 75 miles of the worksite.

An employee who has previously qualified for and has taken some portion of FMLA leave may request additional FMLA leave within the same leave year. In such instances, the employee may not need to requalify as an eligible employee.

Generally, in order for an employee to be eligible for the benefits under OFLA, the employee must work an average of 25 hours or more per week during the 180 calendar days immediately prior to the first day of the start of the requested leave.¹ For parental leave purposes, an employee becomes eligible upon completing at least 180 days immediately preceding the date on which the parental leave begins: there is no minimum average number of hours worked per week.

An employee is eligible to take leave for purposes of OFLA during a period of time covered by a public health emergency except:

1. An employee who has worked for the district for fewer than 30 days immediately before the date on which the family leave would commence; or
2. An employee who has worked for the district for an average of fewer than 25 hours per week in the 30 days immediately before the date on which the family leave would commence.

An employee of the district is eligible to take leave for purposes of OFLA if the employee:

1. Separates from employment with the district, irrespective of any reason:
 - a. Is eligible to take leave OFLA at the time the employee separates; and
 - b. Is reemployed by the district within 180 days of separation from employment; or
2. Is eligible to take OFLA leave:

¹ The requirements of OFLA do not apply to any employer offering eligible employees a nondiscriminatory cafeteria plan, as defined by section 125 of the Internal Revenue Code of 1986, which provides as one of its options employee leave at least as generous as the leave required by OFLA.

- a. At the beginning of a temporary cessation of scheduled hours of 180 days or less; and
- b. Returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

Any OFLA leave taken by the employee within any one-year period continues to count against the length of time of OFLA leave the employee is entitled. The amount of time that an employee is deemed to have worked for the district prior to a break in service due to a separation from employment or a temporary cessation of scheduled hours shall be restored to the employee when the employee is reemployed by the district within 180 days of separation from employment or when the employee returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

An employee who has previously qualified for and has taken some portion of OFLA leave, may request additional OFLA leave within the same leave year. In such instances, the employee must requalify as an eligible employee for each additional leave requested unless one of the following exceptions apply:

1. An employee taking, in any order, some or all of 12 weeks of OFLA pregnancy disability leave and some or all of 12 weeks of OFLA leave for any other purpose, need not requalify leave in the same leave year;
2. An employee who has taken 12 weeks of parental leave need not requalify to take an additional 12 weeks in the same leave year for sick child leave;
3. An employee granted leave for a serious health condition for the employee or a family member need not requalify if additional leave is taken in this leave year for the same reason;
4. An employee unable to work because of a disabling compensable injury² need not requalify in order to use OFLA leave following a period the employee is off work due to the compensable injury; and
5. An employee who has taken serious health condition leave to care for a family member who dies during the employee's serious health condition need not requalify to take leave for the death of that family member.

OMFLA applies to employees who work an average of at least 20 hours per week. There is no minimum number of days worked when determining employee eligibility for OMFLA.

In determining if an employee has been employed for the preceding 180 calendar days, the district must consider days, paid or unpaid, an employee is maintained on payroll. Full-time public school teachers who have been maintained on payroll by the district for 180 consecutive calendar days are thereafter deemed to have been employed for an average of at least 25 hours per week during the 180 days immediately preceding the start date of the OFLA leave.

In determining average workweek, the employer must count the actual hours worked using the Fair Labor Standards Act (FLSA) guidelines.

Qualifying Reason

Eligible employees may access FMLA leave for the following reasons:

² As defined in ORS 656.005.

1. Serious health condition of the employee or the employee's covered family member. Serious health condition means an illness, injury, impairment or physical or mental condition that involves inpatient care³ or continuing treatment by a health care provider⁴.
2. Parental leave⁵ (separate from eligible leave as a result of a child's serious health condition):
 - a. Bonding with and the care for the employee's newborn (within 12 months following birth);
 - b. Bonding with and the care for a newly adopted child or newly placed child in foster care^{6} under the age of 18 (within 12 months of placement);
 - c. Care for a newly adopted child or newly placed child in foster care over 18 years of age who is incapable of self-care because of a physical or mental impairment (within 12 months of placement);
 - d. Time to effectuate the legal process required for placement of a child in foster care or the adoption of a child.
3. Military Caregiver Leave: leave for the care for spouse, child or next-of-kin who is a covered servicemember with a serious injury or illness;
4. Qualifying Exigency Leave: leave arising out of the foreign deployment of the employee's spouse, child or parent.

Eligible employees may access OFLA for the following reasons:

1. Serious health condition of the employee or the employee's covered family member. Serious health condition means:
 - a. An illness, injury, impairment or physical or mental condition that requires inpatient care in a hospital, hospice or residential medical care facility;
 - b. An illness, disease or condition that in the medical judgement of the treating health care provider poses an imminent danger of death, is terminal in prognosis with a reasonable possibility of death in the near future, or requires constant care;
 - c. Any period of disability due to pregnancy, or period of absence for prenatal care; or
 - d. Any period of absence for the donation of a body part, organ or tissue, including preoperative or diagnostic services, surgery, post-operative treatment and recovery.⁷
2. Parental leave (separate from eligible leave as a result of the child's serious health condition):

³ Inpatient care means an overnight stay in a hospital, hospice, or residential medical facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care. 29 CFR 825.114.

⁴ Continuing treatment includes incapacity and treatment, pregnancy or prenatal care, chronic conditions, permanent or long-term conditions, conditions requiring multiple treatments, and absences attributable to incapacity. See 29 CFR 815.115.

⁵ Parental leave must be taken in one continuous block of time within 12 months of the triggering event.

⁶ {ORS 659A.159 uses the term "foster child." Districts can choose to use either "foster child" or "child in foster care" throughout this AR.}

⁷ This definition is from ORS 659A.150(7). A more detailed definition is available in OAR 839-009-0210(22).

 - d. Time to effectuate the legal process required for placement of a child in foster care or the adoption of a child.
3. Sick Child Leave: leave for non-serious health conditions of the employee's child. For OFLA, sick child leave includes absence to care for an employee's child whose school or child care provider has been closed⁸ in conjunction with a statewide public health emergency declared by a public health official.⁹
4. Bereavement Leave: leave related to the death of a covered family member.¹⁰
5. Eligible employees may access OMFLA for the purpose of spending time with a spouse or domestic partner who is in the military and has been notified of an impending call or order to active duty, or who has been deployed during a period of military conflict.
6. The eligibility of an employee who takes multiple leaves for different qualified reasons during the same leave year may be reconfirmed at the start of each qualified leave requested.

- b. An emergency declared under ORS 401.165 if related to a public health emergency as defined in ORS 433.442.

Leave Period

For the purposes of calculating an employee’s leave period, the district will use [the calendar year] [any fixed 12-month “leave year”] [the 12-month period measured forward from the date the employee’s leave begins] [a “rolling” 12-month period measured backward from the date the employee uses any family and medical leave][a period of 52 consecutive weeks beginning on the Sunday immediately preceding the date on which family leave commences]{¹³}. The same method for calculating the one-year period for FMLA and OFLA leave entitlement shall be used for all employees. However, in all instances, the leave period for the purposes of OMFLA and Military Caregiver Leave under FMLA shall be dependent on the start of any such leave regardless of the district’s designated leave period described above.

{¹³ Beginning July 1, 2024, districts are required to use the final bracketed option for OFLA purposes. See SB 999 (2023). Prior to making a change to the leave period calculation, 60 days’ notice must be provided to employees. FMLA continues to measure the leave year as 12 months, which could result in slight differences for some employees.}

Leave Duration

For the purposes of FMLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district's designated leave period¹⁴. Spouses who work for the district may be limited to a combined 12 weeks of FMLA leave during the district's designated leave period when the purpose of the leave is for the birth of a child or to care for a child after birth, placement of an adopted child or child in foster care, the care for an adopted child or child in foster care after placement, or to care for the employee's parent's serious medical condition. Except in specific and unique instances, all qualified leave under FMLA counts toward an employee's leave entitlement within the designated leave period.

For the purposes of OFLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the designated leave period. However, an employee may be entitled to an additional, full 12 weeks of parental leave during the designated leave period following the birth of a child regardless of how much OFLA qualified leave the employee has taken prior to the birth of such child during the designated leave period. Likewise, an employee who uses the full 12 weeks of parental leave during the designated leave period, will be entitled to an additional 12 weeks of sick child leave under OFLA.¹⁵ Unlike FMLA, OFLA does not combine the leave entitlement for spouses working for the district. However, under OFLA, family members who work for the district may be restricted from taking concurrent OFLA qualified leave.¹⁶

For the purposes of OMFLA, an eligible employee is entitled to 14 days of leave per call or order to active duty or notification of a leave from deployment. When an employee also meets the eligibility requirements of OFLA, the duration of the OMFLA leave counts toward that employee's leave entitlement during the designated leave period.

Except as otherwise noted above, qualified leave under FMLA and OFLA for an eligible employee will run concurrently during the designated leave period.

For the purpose of tracking the number of leave hours an eligible employee is entitled and/or has used during each week of the employee's leave, leave entitlement is calculated by multiplying the number of hours the eligible employee normally works per week by 12¹⁷. If an employee's schedule varies from week-to-week, a weekly average of the hours worked over the 12 months worked prior to the beginning of

¹⁴ An eligible employee taking Military Caregiver Leave under FMLA is entitled to up to 26 weeks of leave in the 12-month period beginning with the first day of such leave and regardless of any FMLA leave taken previously during the district's leave period. However, once the 12-month period begins for the purposes of Military Caregiver Leave under FMLA, any subsequent FMLA qualified leave, regardless of reason for such leave, will count toward the employee's 26-week entitlement under Military Caregiver Leave under FMLA.

¹⁵ Sick child leave under OFLA need not be provided if another family member, including a noncustodial biological parent, is willing and able to care for the child.

¹⁶ Exceptions to the ability to require family members from taking OFLA qualified leave at different times are when 1) employee is caring for the other employee who has a serious medical condition; 2) one employee is caring for a child with a serious medical condition when the other employee is suffering a serious medical condition; 3) each family member is suffering a serious medical condition; 4) each family member wants to take Bereavement Leave under OFLA; and 5) the employer allows the family members to take concurrent leave.

¹⁷ For example, an employee normally employed to work 30 hours per week is entitled to 12 times 30 hours, or a total of 360 hours of leave.

the leave period shall be used for calculating the employee's normal workweek¹⁸. If an employee takes intermittent or reduced work schedule leave, only the actual number of hours of leave taken may be counted toward the 12 weeks of leave to which the employee is entitled.

Intermittent Leave

With the exception of parental leave which must be taken in one continuous block of time, an eligible employee is permitted under FMLA and OFLA to take intermittent leave for any qualifying reason.

Intermittent leave is taken in multiple blocks of time (i.e., hours, days, weeks, etc.) rather than in one continuous block of time and/or requiring an altered or reduced work schedule. For OFLA this includes but is not limited to sick child leave taken requiring an altered or reduced work schedule because the intermittent or recurring closure of a child's school or child care provider due to a statewide public health emergency declared by a public health official.

When an exempt employee is eligible for both OFLA and FMLA leave, and the employee takes intermittent leave in blocks of less than one day, if done in accordance with 29 CFR § 825.206, the district may reduce the employee's salary for the part-day absence without the loss of the employee's exempt status in accordance with OAR 839-020-0004(30)(a).

When an exempt employee is eligible for OFLA but not FMLA leave, and the employee takes intermittent leave in blocks of less than one day, the district will jeopardize the employee's exempt status if the district reduces the employee's salary for the party-day absence.

An employee's FMLA and/or OFLA intermittent leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

Holidays or days in which the district is not in operation, are not counted against the eligible employee's intermittent OFLA leave period unless the employee was scheduled and expected to work on any such day.

Alternate Work Assignment

The district may transfer an employee recovering from a serious health condition to an alternate position which accommodates the serious health condition provided:

1. The employee accepts the position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreement;

¹⁸ For example, an employee working an average of 25 hours per week is entitled to 12 times 25 hours, or a total of 300 hours of leave.

4. The transfer is compliant with state and federal law, including but not limited to the applicable protections provided for in FMLA and/or OFLA; and
5. The transfer is not used to discourage the employee from taking FMLA and/or OFLA leave for a serious health condition or to create a hardship for the employee.

The district may transfer an eligible employee who is on intermittent OFLA leave to another position with the same or different duties to accommodate the leave, provided:

1. The employee accepts the transfer position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary to accommodate the leave and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreements;
4. The transfer is compliant with state and federal law, including but not limited to the applicable protections provided for in FMLA and/or OFLA;
5. The transfer to an alternate position is used only when there is no other reasonable option available that would allow the employee to use intermittent leave or reduced work schedule; and
6. The transfer is not used to discourage the employee from taking intermittent or reduced work schedule leave, or to create a hardship for the employee.

If an eligible employee is transferred to an alternative position to accommodate the employee's serious health condition, and as a result the employee works fewer hours than the employee was working in the original position, the employee's OFLA leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period.

When an employee is transferred to alternate position as described above but such transfer does not result in a reduced schedule, time worked in any such alternate position shall not be considered for the purpose of OFLA leave. An employee working in an alternate position retains the right to return to the employee's original position unless all OFLA leave taken in that leave year plus the period of time worked in the alternate position exceeds 12 weeks.

Special Rules for School Employees

For the purposes of FMLA, "instructional employee" means those whose principal function is to teach and instruct students in a class, a small group or an individual setting. Athletic coaches, driving instructors and special education assistants, such as interpreters for the hearing impaired, are included in this definition. This definition does not apply to teacher assistants or aides who do not have as their principal job actual teaching or instructing, counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers or bus drivers.

For the purposes of OFLA, "school employee" means employees employed principally as instructors in public kindergartens, elementary schools, secondary schools or education service districts.

FMLA and/or OFLA leave that is taken for a period that ends with the school year and begins with the next semester is considered consecutive rather than intermittent. In any such situation, the eligible school employee will receive any benefits during the break period that employees would normally receive if they had been working at the end of the school year.

1. Foreseeable Intermittent Leave Exceeding 20 Percent of Working Days

When the qualified leave is foreseeable, will encompass more than 20 percent of the eligible school employee's regular work schedule during the leave period, and the purpose of such leave is to care for a family member with a serious medical condition, for a servicemember with a serious medical condition or because of the employee's own serious medical condition, the district may require the eligible school employee to:

- a. Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b. Temporarily transfer the eligible school employee to an alternate position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than the employee's original position.

2. Limitation on Leave Near the End of the School Year

When an eligible school employee requests leave near the end of the school year, the district may require the following:

- a. When the qualified leave begins more than five weeks before the end of the school year:
 - (1) For the purposes of FMLA leave, the eligible school employee may be required to continue taking leave until the end of the school year provided:
 - (a) The leave will last at least three weeks; and
 - (b) The employee would return to work during the three-week period before the end of the term.
 - (2) For the purposes of OFLA leave, if the reason for the leave is because of the eligible school employee's own serious health condition, the eligible school employee may be required to remain on leave until the end of the school year, provided:
 - (a) The leave will last at least three weeks; and
 - (b) The employee's return to work would occur within three weeks of the end of the school year.
- b. For the purposes of FMLA and/or OFLA leave, when the qualified leave begins within five weeks of the end of the school year and the purpose of such leave is parental leave, for the serious health condition of a family member or for the serious health condition of a servicemember, the eligible school employee may be required to remain on leave until the end of the school year provided:
 - (1) The leave will last more than two weeks; and
 - (2) The employee would return to work during the two-week period before the end of the school year.

- c. For the purposes of FMLA and/or OFLA leave, when the qualified leave begins within three weeks of the end of the school year and the purpose of such leave is parental leave, for the serious health condition of a family member or for the serious health condition of a servicemember, the eligible school employee may be required to remain on leave until the end of the school year provided the length of the leave will last more than five working days.

If the district requires an eligible school employee to remain on leave until the end of the school year as described above, additional leave required by the employer until the end of the school year shall not count against the eligible school employee's leave entitlement.

Paid/Unpaid Leave

FMLA and OFLA do not require the district to pay an eligible employee who is on a qualified leave. Paid Family Medical Leave Insurance (PMFLI) leave taken via Paid Leave Oregon or an equivalent plan will run concurrently with OFLA and FMLA when taken for the same purpose. Subject to any related provisions in any applicable collective bargaining agreement [an employee may elect to use any available accrued paid leave including personal and sick leave, or available accrued vacation leave during the leave period.]{¹⁹} This includes when an employee is being paid through PMFLI. The district will notify the eligible employee that the requested leave has been designated as FMLA and/or OFLA leave and ask the employee about the use of available accrued paid leave.

Eligible employees who request OMFLA leave shall not be required to use any available accrued paid time off during the OMFLA leave period.

Benefits and Insurance

When an eligible employee returns to work following a FMLA or OFLA qualified leave, the employee must be reinstated to the same position the employee held when the leave commenced, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

During an OFLA qualified leave an eligible employee does not accrue seniority or other benefits that would have accrued while the employee was working, unless the terms of a collective bargaining agreement, other agreement or other district policy provide otherwise.²⁰ The eligible employee is also subject to layoff to the same extent similarly situated employees not taking OFLA leave are subject unless the terms of an applicable collective bargaining agreement, other agreement or the district's policies provide otherwise.

For the purposes of FMLA and OFLA, the district will continue to pay the employer portion of the eligible employee's group health insurance contribution (if applicable) during the qualified leave period. The eligible employee is required to pay the employee portion of any such group health insurance contribution as a condition of continued coverage.

For the purposes of FMLA qualified leave, the district's obligation to maintain the employee's group health insurance coverage will cease if the employee's contribution is remitted more than 30 calendar days

¹⁹ {Coordinate with any language regarding use of accrued leave during PMFLI from GDBDF/GDBDF or any equivalent plan information.}

²⁰ See also ORS 342.934(4)(d) in reduction force situations.

late. The district will provide written notice that the premium payment is more than 30 calendar days late. Such notice will be provided within 15 calendar days before coverage is to cease.

For the purposes of OMFLA, the eligible employee is entitled to a continuation of benefits.

Fitness-for-Duty Certification

Prior to the reinstatement of an employee following a leave which was the result of the employee's own serious health condition, the district may require the employee to obtain and present a Fitness-for-Duty Certification. If the district is going to require a fitness-for-duty certification upon return to work, the district must notify the employee of such requirement when the leave is designated as FMLA and/or OFLA leave. Failure to provide the certification may result in a delay or denial of reinstatement.

For the purposes of FMLA qualified leave, any costs associated with obtaining the fitness-for-duty certification shall be borne by the employee.

For the purposes of OFLA qualified leave, any out-of-pocket costs associated with obtaining the fitness-for-duty certification shall be borne by the district.

If the leave is qualified under both FMLA and OFLA, any out-of-pocket costs associated with obtaining the fitness-for-duty certification shall be borne by the district.

Application

Under federal and state law, an eligible employee requesting FMLA and/or OFLA leave shall provide at least 30 days' notice prior to the leave date if the leave is foreseeable. The notice shall be written and include the anticipated start date, duration and reasons for the requested leave. When appropriate, the eligible employee must make a reasonable effort to schedule treatment, including intermittent leave and reduced leave, so as not to unduly disrupt the operation of the district.

The district may request additional information to determine that the requested leave qualifies as FMLA and/or OFLA leave. The district may designate the employee as provisionally on FMLA and/or OFLA leave until sufficient information is received to properly make a determination. An eligible employee able to give advance notice of the need to take FMLA and/or OFLA leave must follow the district's known, reasonable and customary procedures for requesting any kind of leave.

For the purposes of FMLA, if advance notice is not possible, an employee eligible for FMLA leave must provide notice as soon as practicable. "As soon as practicable," for the purpose of FMLA leave, means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case. In most situations, as soon as practicable will be within one business day of an employee becoming aware of the need. Failure of an employee to provide the required notice for FMLA leave may result in the district delaying the employee's leave up to 30 days after the notice is ultimately given.

For the purposes of OFLA, an eligible employee is required to provide oral or written notice within 24 hours of commencement of the leave in unanticipated or emergency leave situations. The employee may designate a family member or friend to notify the district during that period of time. Failure of an employee to provide the required notice for leave covered by OFLA may result in the district deducting up to three weeks from the employee's unused OFLA leave in that one-year leave period. The employee may be subject to disciplinary action for not following the district's notice procedures.

When an employee fails to give advance notice for both the FMLA and OFLA above, the district must choose the remedy that is most advantageous to the employee.²¹

In all cases, proper documentation must be submitted no later than three working days following the employee's return to work.

Medical Certification

The district may require an eligible employee to provide medical documentation, when appropriate²², to support the stated reason for such leave. The district will provide written notification to an employee of this requirement within five working days of the employee's request for leave. If the employee provides less than 30 days' notice, the employee is required to submit such medical certification no later than 15 calendar days after receipt of the district's notification that medical certification is required.

Any additional certifications, including second and third opinions, will be in accordance with applicable law.

Posted Notice

The district will post the Bureau of Labor and Industries Family Leave notice in each building or worksite that is accessible to and regularly frequented by employees.²³ The district will also post a notice explaining the provisions of FMLA and providing information concerning the procedures for filing complaints.²⁴

Record Keeping

The district will maintain all records as required by federal and state laws including dates leave is taken by employees, identified separately from other leave; hours/days of leave; copies of general and specific notices to employees, including Board policy(ies) and regulations; premium payments of employee health benefits while on leave and records of any disputes with employees regarding granting of leave.

Medical documentation will be maintained separately from personnel files as confidential medical records.

Federal vs. State Law

Both federal and state law contain provisions regarding leave for family illness. Federal regulations state an employer must comply with both laws; that the federal law does not supersede any provision of state law that provides greater family leave rights than those established pursuant to federal law; and that OFLA

Public Charter Schools**

Public charter schools may be established as a new public school or a virtual public school, from one or more existing public schools in the district or a portion of the school, or from an existing alternative education program. A public charter school may not convert an existing tuition-based private school into a charter school, affiliate itself with a nonpublic sectarian school or religious institution, or encompass all the schools in the district unless the district is composed of only one school.

Public charter schools shall demonstrate a commitment to the mission and diversity of public education while adhering to the following goals:

1. Increase student learning and achievement;
2. Increase choices of learning opportunities for students;
3. Better meet individual student academic needs and interests;
4. Build stronger working relationships among educators, parents and other community members;
5. Encourage the use of different and innovative learning methods;
6. Provide opportunities in small learning environments for flexibility and innovation;
7. Create new professional opportunities for teachers;
8. Establish additional forms of accountability for schools; and
9. Create innovative measurement tools.

An applicant must submit a complete public charter school proposal that meets the requirements of Oregon law, and includes other information required by the district in the application process. The public charter school will be located and operated within the sponsoring district except where authorized by law.

The public charter school employer will be determined with each proposal. If the district is the employer, the terms of the current collective bargaining agreement will be examined to determine which parts of the agreement apply. If the district is not the sponsor of the public charter school, the district shall not be the employer and will not collectively bargain with public charter school employees.

The district will determine if it has any vacant or unused buildings and make a list of such buildings; buildings may be made available for public charter school use, subject to Board approval and Board policy.

[Public charter school students may, upon request, be allowed to participate in district programs such as physical education, instrumental and vocal music offerings, or other selected options if space and materials

are available.¹ Students must adhere to state law, Board policies, regulations, and rules concerning student conduct and discipline.] [Public charter school students shall not be permitted to participate in district curricular programs.²]

Public charter school students in grades K-8 may participate in their resident district's activities that are offered before or after regular school hours. Public charter school students in grades 9-12 may participate in their resident district's available activities that are sanctioned by the Oregon School Activities Association (OSAA) when the requirements found in Oregon law are met.

The district [will] [will not] provide instructional materials, lesson plans, or curriculum guides for use in a public charter school.

The superintendent will develop administrative regulations to include, but not limited to, the proposal process, review, and appeal procedures, and program evaluation, renewal, and termination.

The district will ~~{¹}{annually, [by October 1]}~~ {semiannually, [by October 1 and April 1]} ~~{by [December 1]}~~, calculate the percentage of ~~the number of~~ students residing in the district, who are ~~enrolled in~~ attending a virtual public charter school not sponsored by the district. When the established percentage is more than three percent, the district will not approve additional students enrollment to such a virtual public charter school, ~~subject to the requirements in Oregon Administrative Rule (OAR) 581-026-0305(2).~~

~~The district may send a notice of approval or disapproval to a parent² of a student who has sent a notice to the district of intent to enroll the student in a virtual public charter school not sponsored by the district (See OAR 581-026-0305(3)). The district may respond with an approval or disapproval to a parent within [five] [eight] business days³ of receipt of the notice from the parent.~~

If the district is not approving the enrollment, the district must respond with a decision to not give approval within 10 calendar days of receipt of the notice of intent from the parent. Such decision must include:

1. The percentage of students in the district that attend virtual public charter schools that are not sponsored by the district, based on recent calculations;
2. The right to appeal the decision to the State Board of Education;

A parent may appeal a decision of a district to not approve a student enrollment to a virtual public charter school to the State Board of Education under OAR 581-026-0310.

If the student was enrolled in a virtual public charter school while living in another district and has maintained continuous enrollment in such school since moving into, and residing in this district, approval is not required.

Issue: Indexing of School Construction Tax Limits

Statute Reference: ORS 320.170

Last Updated: 7/5/2023

Background:

Passed in 2007, SB 1036 allowed school districts to impose a tax on new construction measured by the square footage of improvements (affordable housing, public buildings, agricultural buildings, hospitals, private schools, and religious facilities are exempt). SB 1036 defined and required revenues to be used for capital improvements. Construction taxes imposed by a school district must be collected by a local government, local service district, special government body, state agency or state official that issues a permit for structural improvements regulated by the state building code. An intergovernmental agreement with local governments collecting the tax is required and collection expenses are limited to 4% of tax revenue. DCBS is allowed to establish an administration fee of .25% of tax revenue. School districts with construction tax revenue are required to develop long-term facility plans. Construction taxes may be used for repayment of capital improvement debt.

Tax Limit Calculations:

SB 1036 set tax rate limits of \$1 per square foot for residential use and \$0.50 for nonresidential use, along with a \$25,000 tax limit on nonresidential properties. Beginning in 2009, tax rates were indexed to inflation using the Engineering News-Record Construction Cost Index. As prescribed in statute, DOR is responsible for updating tax rate limits and notifying affected districts. To notify affected districts DOR has partnered with Department of Education who receives updated limit calculations from DOR and notifies the affected districts.

Tax rate limits by fiscal year:

| Fiscal Year | 2021-22 | 2022-23 | 2023-24 | 2024-25 |

As you think about what guided your choices and prioritization efforts in this year of SIA implementation, what stands out? How will what you've learned this year impact future SIA implementation efforts?

- Intentional support of our students and families in historically underrepresented groups. (Indian Education, Multilingual learner, special education)
- District-level community outreach activities have been consolidated this year to draw more participation from the community and expand the range of programs and services offered as topics
- Providing healthy and equitable opportunities to engage in education: nursing staff, service coordinators, bilingual staff
- Supporting well rounded education for students: music, co-curricular opportunities,
- Continued PD and learning for Student Support Facilitators: MTSS, Functions of Behavior, Restorative Practices, PBIS, intervention implementation and data tracking

We believe what we have learned will serve as a foundation for future initiatives. The intentional support for these things will continue to be guiding principles in ensuring that every student receives the support and resources they need to thrive.

Lincoln County School District Equity Team Land Acknowledgement Statement

We ask that you take a moment to stop what you are doing, to listen to these words as we recognize the land that we currently inhabit. No matter where each of us is physically located in Lincoln County, we must understand that we are on traditional homelands and unceded territories of indigenous peoples. Where we live in Lincoln County, these are the ancestral homelands for the Confederated Tribes of Siletz Indians.

Lincoln County School District acknowledges the Confederated Tribes of Siletz Indians that consists of over 30 bands originating from Northern California to Southern Washington. The Confederated Tribes of Siletz Indians currently occupy and manage 9,310 acres located here in Lincoln County but is a mere fraction of their original 1855 1.1 million-acre Siletz coastal reservation. We must remember the people of the Confederated Tribes of Siletz Indians are and will forever be the first stewards of this land, water, and fish.

We acknowledge and recognize the continued sovereignty of the Confederated Tribes of Siletz Indians and honor their ancestral homelands. We are committed to bringing awareness to their history and the existence of the Confederated Tribes of Siletz Indians since time immemorial.
