Lincoln County's Early Learning Journey

Dr. Katie Barrett, Kali Thorne Ladd, Erin Lolich

Children's Institute

Supporting educators in creating cohesive early learning experiences for children.

Children's Institute is working to make Oregon the best place to be a kid.

We leverage research, practice, policy, and advocacy to shift systems toward justice for families so that all of Oregon's children, prenatal to grade 5, have access to opportunity.

What is Early School Success?

Partnership between Beaverton SD, Forest Grove SD, Lincoln County SD, St. Helens SD, and CI.

Aligning:

- instruction
- environments
- family engagement
- district supports

Lincoln County is a statewide model for early learning

We need a statewide investment in early learning. We're grateful to Lincoln County for modeling what's possible and inspiring other communities to invest upstream.

Why it matters?

Strong alignment is essential within and across grade levels so that children and families experience coherence and consistency.

Our process honors the wisdom and experiences of educators, children, and families, and by doing so, increases teacher job satisfaction.

How is it different?

Team lead coaching

We identify a teacher leader in each school and support them to lead their ESS team

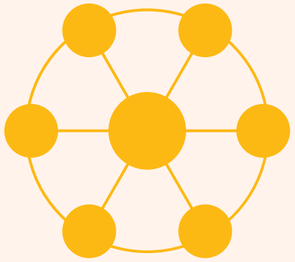

Effective Teams

We teach teams to use agreements, protocols, and structured agendas to promote psychological safety and equity.

Data collection

We help educators identify data collection methods. We train teams to analyze and act on the data.

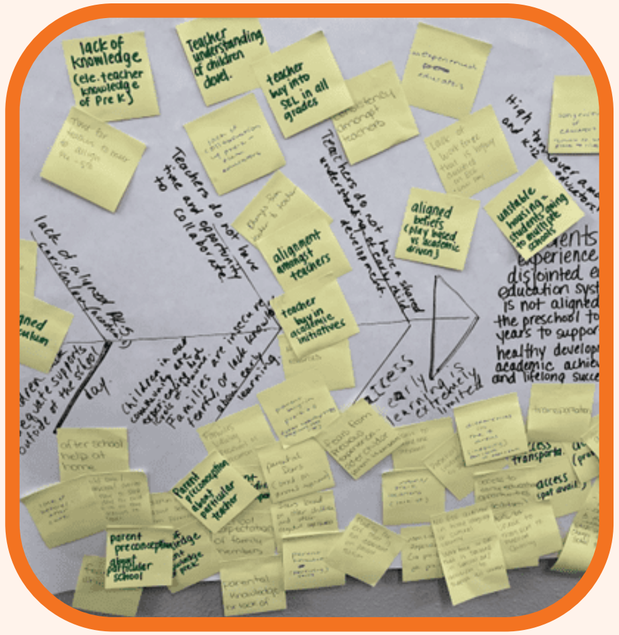

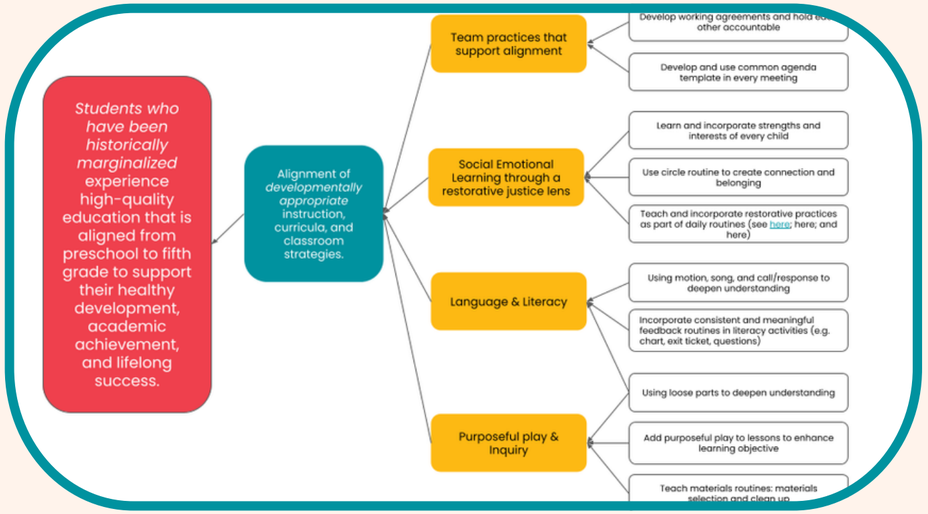

Systems approach

We meet with school teams, district teams, school boards, and across our 4-district network at regular intervals.

Opportunities & Considerations for LCSD Leaders

Are there additional partners who may want to build upon our work?

As a handful of key early learning leaders in LCSD have or will transition to new roles, how can we continue to raise the visibility and critical nature of early learning?

How can we keep building momentum for great work in future years?

Questions?

Thank you!

Land Acknowledgement Statement

We ask that you take a moment to stop what you are doing, to listen to these words as we recognize the land that we currently inhabit. No matter where each of us is physically located in Lincoln County, we must understand that we are on traditional homelands and unceded territories of indigenous peoples. Where we live in Lincoln County, these are the ancestral homelands for the Confederated Tribes of Siletz Indians.

Lincoln County School District acknowledges the Confederated Tribes of Siletz Indians that consists of over 30 bands originating from Northern California to Southern Washington. The Confederated Tribes of Siletz Indians currently occupy and manage 9,310 acres located here in Lincoln County but is a mere fraction of their original 1855 1.1 million-acre Siletz coastal reservation. We must remember the people of the Confederated Tribes of Siletz Indians are and will forever be the first stewards of this land, water, and fish.

We acknowledge and recognize the continued sovereignty of the Confederated Tribes of Siletz Indians and honor their ancestral homelands. We are committed to bringing awareness to their history and the existence of the Confederated Tribes of Siletz Indians since time immemorial.
