- Review of ODE provided rubric
- Agreement of priority standards
- Review and rating of scores for individual curricula

What curricula to pilot? Wanted to pilot 3 for MS & HS

Using ODE Instructional Materials Evaluation Tool (IMET):

- Step 1 - Removed curricula not approved
- Step 2 - Reviewed priority criteria on IMET Tool
 - **2.1 Engagement and Motivation**
 - **2.2 Culturally Responsive Instructional Support**
 - **3.2 Supports for Students**
 - **3.3 Digital Learning Design Elements**
- Step 3 - Revisited any “1” scores on our lower priority IMET standards
 - **3.1 Supports for Teachers**
 - **4.2 Performance Assessments**
 - Resulted in keeping Stile and Twig in the mix (both received a “1” in one assessment standard)

Step 2 - Piloting & Data Collection

- December 2023 through February 2024
 - each curriculum piloted in classrooms
- Teacher & Student feedback collected

High School Student Feedback - McGraw Hill

Chemistry:

“Hard to understand what the questions are asking. I understand that they want a specific answer. The questions are worded so that lots of things would work but it is unclear what they are looking for.”

Biology

Positive: Format was easy to follow and visuals were helpful.

Negative: Instructions were overblown and difficult to figure out what was supposed to be present.

Teacher Perspective: in general, students find the Reading Essentials helpful but these are only available for Biology and not other subjects.

High School Student Feedback - SAVVAS

SAVVAS

Chemistry

Positive:

- Not too cluttered
- Good analogy that helps me understand concepts.
- Highlights important information well.
- Colors are easy on the eyes and not over/underwhelming lead me to the right information
- Motion lines which are actually really nice and make collision reactions make sense
- Walk through labs with pictures to show individual steps.
- Has a molecular view of some reactions as well.
- Table of contents shows specific parts of the chapter rather than just the broad subject.

Negative:

- Some Graphs don't have lines or unit values to help understand them better.(still get the point across)
- Flimsy pages (hard cover available)
- Lots of reused photos.

Biology

Positive: "I did what I thought it was asking." "I think I get it."

Negative: "I don't understand what this is saying" "Pictures would be helpful."

Teacher perspective: the assignment required students to apply their learning to a new situation and there were multiple ways to interpret the directions. Teacher prompting allowed students to interpret questions better.

High School Student Feedback - Accelerate Learning

Chemistry:

Positive:

"I think the multiple choice questions were good because it made it less complicated."

Negative:

"The questions were mediocre because they didn't explain them thoroughly enough, for example, they did not explain the meaning behind the words they were asking."

"The questions were okay. I would've liked the multiple choice to be more difficult."

Biology

Positive: "This is easy." "I know exactly what to do." "I've used things like this in middle school."

Negative: "Why is this talking about Shakespeare?" "I don't understand what Shakespeare has to do with Biology." "This is boring."

Teacher perspective: questions did not activate student higher level thinking, but the tie in to their English class was a great conversation starter. Students may have a bias from seeing similar materials in middle school and some reacted negatively due to the format.

High School Curriculum Request Upon Evaluation

- The process led the team to recommend **SAVVAS** for adoption
 - Most robust materials both online and in print including detailed Teacher's Edition
 - Differentiated materials including labs plus suggested activities for diverse learners
 - More opportunities for students to bring in individual experiences than other options
 - Workbook options could benefit all learners
 - More Spanish and other language options
 - Visually appealing for students
 - Lab kits for some subjects

LCSD Request to the Board

Core Materials Adoption Cost: \$157,000

Adoption of Savvas Includes

1. Student Digital Licenses - 6 years
2. Classroom sets of texts (including some Spanish Biology texts)
3. Two Teacher's Editions per building, per grade
4. One Digital Teacher License per building, per grade
5. Initial Lab Kits for Chemistry
6. Professional Development

Next Steps for Adoption

- Materials Preview Period (texts) for community feedback
- Science Cadre meet and align scope and sequence and resource integration
- Provide ongoing professional development for staff in use of materials and resources

2.c.Resolution 2023/24-8 - Revision of Resolution 2023/24-1 "Organizational Resolution"

RESOLUTION 2023/24 – 8

DESIGNATION OF DISTRICT OFFICERS, CLERKS, AGENTS, AND
DEPOSITORIES OF FUNDS

REVISION of Resolution 2023/24-1:

Per Resolution 2023/24-1, the current newspaper of record for Lincoln County School District is the Newport News Times. The Newport News Times has been purchased by County Media, Inc. who also owns the Lincoln City News Guard. The two publications have been combined and were recently renamed The Lincoln County Leader. It is the newspaper of record for Lincoln County.

NEWSPAPERS FOR LEGAL NOTICE

Be it resolved that the Lincoln County Leader be designated as the newspaper in which legal notices will be published for the remainder of the fiscal year 2023-24.

Duly amended this 23rd day of April 2024 at the regular meeting of the Board of Directors of Lincoln County School District.

_____ Board Chairperson

_____ Clerk of the Board

3. PLC Annual Review
4. Budget Committee Training
5. Adjournment

Board Strategic Goals 2020-2025

GOAL ONE: Demonstrate High Expectations For Student Achievement By Supporting an Equitable Education Framework. ALL LCSD students will demonstrate continuous academic and behavioral growth and achievement as demonstrated by the indicators. LCSD will strive to create equitable classrooms across the district within a framework of excellence in education.

GOAL TWO: LCSD is a Convener and Influencer of City, County and State Education and Economic Policies. LCSD will convene at least one countywide partnership gathering per year in order to connect Lincoln County elected people, organizations, and agencies in order to create partnerships that benefit our students and families throughout the community.

GOAL THREE: LCSD will provide for the Health and Welfare of our Facilities. LCSD will continue to assess, monitor, and enhance all of its facilities and grounds such that every school is warm, safe and welcoming to all students, families and communities and learning experiences are supported in the healthiest environments possible.

GOAL FOUR: LCSD will Identify the Need and Development of a LCSD Foundation (501 c 3). LCSD will investigate the development of a LCSD Foundation for the purposes of creating a funding source for valued activities we currently cannot pay for through the general fund such as art, music, theater, middle school athletics, some field trips, and other items desired by our teachers and staff. Feasibility, costs and sustainability will be investigated.

GOAL FIVE: Enhanced Communications and Community Engagement. LCSD will enhance the ways in which it communicates with community stakeholders and increase the engagement of various community groups by connecting schools, families, and partners countywide.

Lincoln County School District Equity Team Land Acknowledgement Statement

We ask that you take a moment to stop what you are doing, to listen to these words as we recognize the land that we currently inhabit. No matter where each of us is physically located in Lincoln County, we must understand that we are on traditional homelands and unceded territories of indigenous peoples. Where we live in Lincoln County, these are the ancestral homelands for the Confederated Tribes of Siletz Indians.

Lincoln County School District acknowledges the Confederated Tribes of Siletz Indians that consists of over 30 bands originating from Northern California to Southern Washington. The Confederated Tribes of Siletz Indians currently occupy and manage 9,310 acres located here in Lincoln County but is a mere fraction of their original 1855 1.1 million-acre Siletz coastal reservation. We must remember the people of the Confederated Tribes of Siletz Indians are and will forever be the first stewards of this land, water, and fish.

We acknowledge and recognize the continued sovereignty of the Confederated Tribes of Siletz Indians and honor their ancestral homelands. We are committed to bringing awareness to their history and the existence of the Confederated Tribes of Siletz Indians since time immemorial.
