In a few words, please answer the following

Why do you want to serve on the School Board?

I want to advocate for quality education that ensures every child has access to to a high quality education, which lays the foundation for their future.

What qualifications make you a good fit for the School Board?

I have proven leadership experience. My service on Lincoln city's city council demonstrates my ability to lead, make policy decisions, and work collaboratively with others to address community needs. I have an understanding of governance and policy making. As a Housing Authority Commissioner, I have experience overseeing programs, setting policies, and ensuring accountability.

What skills will you bring to the School Board?

Leadership & decision making. Policy development & governance. Budgeting & financial oversight.
Community engagement & advocacy. Collaboration & teamwork.

Effective board members must engage in a variety of relationships, for example, with the superintendent, staff, other board members, parents, and the community. How do you perceive a board member's relationship with each of these?

- Superintendent - Collaborative partnership built on trust & mutual respect.
- Staff - Be supportive and respectful, while maintaining a governance role.
- Board members - Be a collaborative team member working towards shared goals
- Parents - Be an advocate & listener who bridges parent concerns with district priorities.

What do you think are two of the most difficult budget or policy issues facing the school district, and what would you do to address them?

1) Budget Constraints - limited funding & Rising costs.

- I would work with our state legislators to advocate for increased education funding & equitable allocation for rural districts. Conduct a review of the budget to identify inefficiencies, prioritize spending, and ensure resources align with district goals. Engage the community in budget discussions to build trust & support for bonds & levies.

2) Student Achievement Disparities - Achievement gaps among students from different socioeconomic, racial, or geographic backgrounds. Challenges exacerbated by poverty, housing instability, or limited access to resources.

- I would look to data-driven policies, use data to identify where disparities exist & develop targeted interventions. Ensure schools with higher needs receive additional funding & support, including access to technology & academic resources.

What is your definition of equity in the school district, and what would you do to improve equity in the district? Equity means ensuring every student has access to the resources, opportunities, and support they need to succeed, regardless of their background, socioeconomic status, race, ability, or geographic location.

I will look to identify & address disparities. Analyze data on academic achievement, discipline rates, graduation rates, and resource allocation to identify gaps affecting specific student populations. Advocate for policies that prioritize funding & resources for schools & students with higher needs. I will promote culturally responsive teaching practices & curricula that reflects the diversity of our student body.

Are you interested in the position only until the end of the interim term (June 30, 2025) or would you be interested in running for election for an additional four-year term?

I will be running for election for a four-year term

6.d. First Student Report (Written)

Talking Points-Please contact me at Darleen.vanriper@firstgroup.com with any comments or questions.

1. Goodbye 2024!

We ended the year with potlucks, surprise parties and raffle prizes. Our events had a great turn-out and folks appreciated the \$100.00 grocery shopping sprees. Winners were truly appreciative, as these groceries made their holidays.

2. First Student Staffing Changes

As you know, Kim Bolden in Lincoln City retired from her Assistant Manager position and is now a happy retiree who drives a route as needed. I was able to promote from within and promote our Location Safety Manager to the Assistant Location Manager. She will work out of the Lincoln City office. We opened a job requisition for the Location Safety Manager, and I already know of at least two current Lincoln County employees who are interested. A panel interview will determine the best fit for the position. We also hired one of our drivers as our third technician to replace Ted Lund.

3. Driver/Candidate Comparison Report (as of 01/10/2025)

| | 12/4/2024 | | 1/10/2025 | |
|---|-----------|-----------------|-----------|-----------------|
| Lincoln County Bus Routes | 74 | Driver Shortage | 74 | Driver Shortage |
| Drivers on hand (LOA excluded) | 60 | 14 | 61 | 13 |
| Out of Town Drivers | 3 | 11 | 0 | 13 |
| Routes not currently serviced (combos) | 14 | -3 | 13 | 13 |
| Other Considerations: | | | | |
| Cover Drivers positions not staffed | 5 | 19 | 6 | 19 |
| Route Monitor positions not staffed | 0 | | 0 | |
| Drivers on LOA/FMLA/WC (Regular & Casual) | 3 | | 4 | |
| Casual Drivers with limited availability | 5 | | 7 | |
| LCSD & FS Staff Able to Drive | 7 | | 5 | |

Data is subject to frequent changes.

Currently, our pipeline includes two candidates in Behind-the-Wheel training and one in testing. We have no one in classroom training in classroom training; however, there are five applicants who are currently working on getting their learner's permits. Since last month, we added two CDL drivers (2x east/west), and two van drivers. We are expecting to add three more CDL drivers in the upcoming weeks (2x north, 1x east/west). We did lose a few drivers over the break: two were already on LOA and one driver failed on their requirements.

4. First Connect-Upgraded Communications Platform

Over the winter break, First Student rolled out the new and expanded First Connect employee mobile app and employee portal. First Student employees can now access First Connect on a mobile device application or online using a web browser. The new version features a modern look, easier navigation, and two-way communication to Foster Teamwork and collaborate across our operations.

5. First Student & Food Share-The FS² Connection

In an effort to open up other avenues of recruiting, we are conducting food drives at our locations. When we drop off the donations with Food Share, we also drop off hiring flyers to be distributed with the food bags that go to the families in need.

6. Upcoming Events

- January 15-National Hat Day: Look for bus drivers wearing their awesome hats.
- January 20-Martin Luther King Jr Day: Remember to dream! Themed coloring/recruiting pages to be distributed.
- January 21-International Sweatpants Day: This is the day when we will stretch the dress code just a little.
- January 28-Food Drive Drop-off

DECEMBER 2024

MONTHLY SNAPSHOT

- **Billy Crespin hired as of 1.13.2025**
- **Filters changed at all schools**
- **SDX EE's received holiday bonus in leu of there being no party this year.**
- **Still increasing disinfection in K-8 schools through month of Jan. results in Feb. meeting**
- **Deep cleaned new office 201 at compass building for new LCSD EE.**
- **Promoted Justin Hallet to Lead at WHS.**
- **TLC conference rooms carpet extracted and shampooed.**
- **Retrain Inclement weather conditions SOP e.g.- when to put down ice melt etc.**
- **Records Department got much needed deep cleaning and carpet extractions**
- **Refinished floors that couldn't wait till project season: too many to list, noteworthy: Taft Ele classrooms, NMS downstairs hallway and new ECC room at O'lake.**
- **Implementing Safety bingo to incentivize safety.**
- **All PTO request in December were granted.**

TEAM MEMBER SPOTLIGHT: OCEANLAKE ELEMENTARY

- Maria Melendez is the 1st shift lead. She has been with Sodexo for 3 yrs. Loves the staff and spending time with family
- Sean Chambers is our 2nd shift part time employee. He has been with the company for 10 years. His favorite thing about O'lake is the staff. Love's time with family and fur babies.
- Mel McNew is our 2nd shift full time employee. Been with company for 7 years. Loves the school and his family and reading on his time away from work.

CHALLENGES

- **Cleaning around Clutter and food left out in classrooms:** The more clutter we have in classrooms makes it impossible to detail clean in those areas which pest love to nest in.
- **Staff adhering to the CLASS program:** when chairs are stacked, large items are up off the floor and desks are cleared off it allow us to do as much cleaning and detailed disinfection as possible with the time we have (avg. 11.5 mins/classroom) when CLASS is not adhered to, we must spend more time/room thus the last few classrooms of the night get considerably less or no time for cleaning. This is an equitable solution for our county.
- **3 part time openings:** being filled currently with overtime.

SAFETY

- Injuries/Incidents: 0 for December. YTD 1 (non-work relatable but recordable)*
- Loss Time: 0
- Safe Schools: 1 new employee to complete.
- 3 Checks for Safety: 1.)- Do I know how to perform the task? 2.) Do I have the correct tools/PPE? 3.) Is my environment safe? (answer No to any of these questions then stop and call a manager!)
- Monthly Safety training; ladder safety and mental health awareness

RESOLUTION NO. _____

**A RESOLUTION OF LINCOLN COUNTY SCHOOL DISTRICT CALLING
A MEASURE ELECTION FOR GENERAL OBLIGATION BONDS AND
RELATED MATTERS.**

WHEREAS, the Board of Directors (the “Board”) of Lincoln County School District located in Lincoln County, Oregon, (the “District”) has determined that a need exists for the District to finance capital costs, as described in the ballot title attached hereto as Exhibit A (collectively, the “Project”); and

WHEREAS, in connection with the Project, the District has evaluated the need for safety improvements, including the joint funding of safety improvements with other public and private entities and the funding of safety improvements in accordance with ORS 332.176; and

WHEREAS, the District has applied for the Oregon School Capital Improvement Match (the “Match Program”) and may receive up to a \$6,000,000 grant if voters approve general obligation bonds for the Project; and

WHEREAS, the District anticipates incurring expenditures (the “Expenditures”) to finance the costs of the Project and wishes to declare its official intent to reimburse itself for any Expenditures it may make on the Project from the proceeds of general obligation bonds which may be issued as tax-exempt obligations in multiple series; and

WHEREAS, ORS 328.205 subject to voter approval, authorizes the District issue general obligation bonds to finance the Project;

NOW, THEREFORE, the Board of Directors of Lincoln County School District, located in Lincoln County, Oregon, resolves as follows:

1. The measure election is hereby called for the purpose of submitting to the electors of the District the question of authorizing general obligation bonds in a principal amount not to exceed \$73,314,577 (the “Bonds”). Bond proceeds will be used to finance the Project.

2. The measure election hereby called shall be held in the District on the 20th day of May, 2025.

3. The District authorizes the Superintendent, Business Services Director, and Assistant to the Superintendent/Board (each an “Authorized Representative”) or designee of any of those officials to finalize the ballot title in substantially the form attached hereto as Exhibit A but with such changes as the Authorized Representative shall approve (the “Ballot Title”), to submit the Ballot Title and explanatory statement, if any, and to execute any documents and take any other action necessary or desirable to facilitate the measure election and to obtain funds through the Match Program.

4. The Authorized Representative shall cause Form SEL 805 to be delivered to the Election Officer of Lincoln County, Oregon (the “Election Officer”) not later than February 28, 2025 (eighty-one (81) days prior to the election date). The Authorized Representative shall also

cause Form SEL 803 to be delivered to the Election Officer not later than March 20, 2025 (sixty-one (61) days prior to the election date).

5. The District hereby declares its official intent pursuant to Treasury Regulation Section 1.150-2 to reimburse itself with the proceeds of the Bonds, which may be issued in one or more series, for any of the Expenditures incurred by it prior to the issuance of the Bonds.

6. The law firm of Hawkins Delafield & Wood LLP, is hereby appointed to serve as Bond Counsel with respect to the issuance of the Bonds. Piper Sandler & Co. is hereby appointed to serve as Underwriter or Placement Agent with respect to the issuance of the Bonds.

ADOPTED by the Board of Directors of Lincoln County School District, located in Lincoln County, Oregon this [] day of [], 2025.

Serving the Counties of Linn, Benton, Lincoln, and Beyond!

Linn Benton Lincoln Education Service District (LBL) serves educational agencies, districts, and schools across the state with high-quality services and programs that are practical, reliable, and economical. LBL has a distinguished reputation for supporting educational excellence and equity, working cooperatively with educators and educational agencies, and effecting productive solutions that help schools, teachers, students, and families meet Oregon's educational goals.

LBL is one of 19 Education Service Districts in Oregon that serve all 36 counties. The purpose of Oregon's Education Service Districts is defined in Oregon Revised Statute (ORS) 334.005. Education Service Districts assist school districts and the State of Oregon in achieving Oregon's education goals by providing equitable education opportunities for all of Oregon's public school students.

LBL comprises 12 component districts and 96 schools with approximately 34,512 students in Linn, Benton, and Lincoln counties. LBL also serves students and districts elsewhere in Oregon through grants and contracts. Its governance structure includes a seven-member Board.

Education Service Districts and Oregon Revised Statutes

Education Service Districts (ESDs) originated in Oregon's first laws establishing a general system of common schools. Through the history of Oregon's regional services system, local governances and state statues concerning the mission of ESDs has remained somewhat constant: "Education Service Districts assist school districts and the State of Oregon in achieving Oregon's education goals by providing excellent and equitable educational opportunities for all Oregon public school students."

ORS 334.005 defines the mission, purpose, and accountability of an ESD. The mission of education service districts is to assist school districts and the Department of Education in achieving Oregon's educational goals by providing equitable, high quality, cost-effective, and locally responsive educational services at a regional level.

An education service district plays a key role in:

- Ensuring an equitable and excellent education for all children in the state;
- Implementing the Oregon Educational Act for the 21st Century;
- Fostering the attainment of high standards of performance by all students in Oregon's public schools;
- Facilitating interorganizational coordination and cooperation among education, social service, health care, and employment training agencies.

Per ORS 334.175, Education Service Districts must provide regionalized core services in the following areas:

- Programs for children with special needs, including but not limited to special education services and services for at-risk students.
- Technology support for component school districts and the individual technology plans for those districts, including but not limited to technology infrastructure services, data services, instructional technology services, and distance learning.
- School improvement services for component school districts, including but not limited to:
 - 1.** Services designed to support component school districts in meeting the requirements of state and federal law;
 - 2.** Services designed to allow the education service district to participate in and facilitate a review of the state and federal standards related to the provision of a quality education by component school districts;
 - 3.** Services designed to support and facilitate continuous school improvement planning;
 - 4.** Services designed to address schoolwide behavior and climate issues;
 - 5.** Services designed to support career and technical education.
- Administrative and support services for component school districts, including but not limited to services designed to consolidate component school district business functions, liaison services between the Department of Education and component school districts, and registration of children being taught by private teachers, parents, or legal guardians pursuant to ORS 339.035.

An education service district may provide entrepreneurial services to public and private entities and to school districts that are not component school districts of the education service district with the approval of the constituent districts through their approval of the Local Service Plan.

Equity Lens

We believe that every student, staff and community partner should be treated equitably. Our focus is to eliminate disparities among all groups.

Equity:

Just and fair inclusion. An equitable society is one in which all can participate and prosper to allow all to reach their full potential.

Purpose:

Provide a common vocabulary and protocol to produce and evaluate policies, practices, processes, programs, services or decisions that result in more equitable outcomes.

Procedure:

Consider the following four questions for any policy, practice, process, program, service or decision::

1

Who Does It Impact?

Who are the groups affected?
What are the potential impacts on these groups?

2

Who Has the Opportunities and is Included and Who is Not?

Are existing disparities ignored or worsened?
Are there unintended consequences?

3

Whose Voices Are at the Table?

Have we intentionally involved our partners?

4

Can We Do About It?

How will we mitigate the negative impacts and address the barriers identified above?

Non-Discrimination: LBL ESD prohibits discrimination and harassment on any basis protected by law, including but not limited to an individual's perceived or actual race, color, religion, sex, sexual orientation, national or ethnic origin, marital status, disability, veterans status, or the protected status of any other person with whom the individual associates

LBL Planning Calendar for Developing & Approving Resolution Services

September/October

Visit and interview districts to discuss service level satisfaction, LBL performance measures, and emerging needs. Survey electronically as needed.

October/November

Present VCSA draft resolution Local Service Plan for the next biennium. Review/revise the Local Service Plan as described under ORS 334.175(1) with input from Superintendents.

November

VCSA Superintendents finalize the Local Service Plan services and agreements resulting in recommendation of the LBL Local Service Plan to the LBL Board of Directors and component school districts.

January

The recommended LBL Local Service Plan will be provided to the LBL Board of Directors for adoption for the biennium. By statute, the Local Service Plan must be approved by districts each year.

February

After being adopted by the LBL Board of Directors, the Local Service Plan is approved on or before March 1 by resolution of two-thirds of the component school districts representing more than 50% of the students in the LBL region. Adoption by component district boards shall occur before March 1.

March

Notify LBL staff of changes in service requirements as established in the Local Service Plan.

April/May

LBL acquires the necessary staffing, equipment, and technology and other resources to deliver the services required or services are brokered through other sources.

Resolution Services

Enrollment for Year 1 of the 2023-2025 Biennium

Tier 2 funds are allocated based on the average of the last 3 years of actual ADMw. ADMw from the previous three years will be used. This information is provided below.

3 Year Actual ADMw and Allocation of Tier 2 Funds for FY24/25

| District | 2020-2021 ADMw | 2021-2022 ADMw | 2022-2023 ADMw | 3 Year Average | % of Allocation |
|----------------|-------------------|-------------------|-------------------|-------------------|--------------------|
| Alsea | 960 | 1,120 | 613 | 898 | 2.1% |
| Central Linn | 765 | 724 | 715 | 734 | 1.7% |
| Corvallis | 7,482 | 7,439 | 7,407 | 7,443 | 17.1% |
| Greater Albany | 10,615 | 10,622 | 10,596 | 10,611 | 24.4% |
| Harrisburg | 925 | 942 | 972 | 946 | 2.2% |
| Lebanon | 4,420 | 4,657 | 4,707 | 4,595 | 10.6% |
| Lincoln County | 6,449 | 6,549 | 6,489 | 6,496 | 15.0% |
| Monroe | 507 | 513 | 539 | 520 | 1.2% |
| Philomath | 1,787 | 1,847 | 1,896 | 1,843 | 4.2% |
| Santiam Canyon | 5,607 | 3,831 | 3,344 | 4,261 | 9.8% |
| Scio | 3,053 | 2,313 | 2,025 | 2,464 | 5.7% |
| Sweet Home | 2,512 | 2,603 | 2,738 | 2,618 | 6.0% |
| Total | 45,082 | 43,161 | 42,043 | 43,429 | 100% |

The amount is rounded to the nearest tenth of a percentage, not less than 1%. This allows LBL and its component school districts to stay within the constraints of the agreement, yet provide flexibility in the use of funds.

Resolution Service Funding and Allocation

Funding for LBLESD is governed by ORS 344.177, which mandates that at least 90% of resolution funds be spent directly on services or programs for component school districts. The allocation of these funds follows a two-tier system:

Tier 1 Budget

The LBLESD superintendent proposes the annual budget to cover the Tier 1 Services listed in the Local Service Plan. The proposed budget is discussed with the VCSA superintendents, who may request changes to the proposed amounts with the understanding that certain funding decisions may impact service levels. VCSA superintendents ratify total Tier 1 budgetary expenditures with approval requiring a two-thirds vote from districts representing over 50% of the students final ADMr based on the most recently published fiscal year as provided by the Oregon Department of Education. In the absence of a ratified budget, the Tier 1 budget will roll forward from the prior school year, adjusted for inflation. Payroll, software, and travel (mileage) expenses will reflect direct inflationary factors, while all other budgeted expenditures will include a 4.00% inflation adjustment. Any unused Tier 1 funds roll over into Tier 2 for the next school year.

Tier 2 Distributions

Remaining funds are distributed to districts based on their proportionate share of a trailing 3-year ADMr, with a minimum distribution of 1%. This distribution includes unutilized Tier 1 funds from the prior school year. Districts can carry forward unused Tier 2 funds indefinitely.

Estimates of available resolution funding will be provided in April. All funding and distributions are approved and governed by the LBLESD Board of Directors and must be appropriated before spending.

Tier 1 Resolutions Services

Tier 1 includes services that are essential to all districts, ensure equitable access, and/or benefit from economies of scale. The ESD is responsible for managing the service distribution of each program to ensure all 12 districts receive equitable access. Approval to add or remove a Tier 1 service requires a two-thirds majority vote from the districts, representing over 50% of the students, based on the final ADMr from the most recent fiscal year as reported by the Oregon Department of Education.

Tier 1 services are intended as long-term commitments to students and staff in all Component Districts, providing the ESD stable funding and operational consistency, allowing for the most efficient and effective delivery of services. While services can be reviewed annually, they are generally approved on a biennial basis. If a service is canceled, any existing long-term contracts or commitments made by the ESD to support that service will be covered by the Tier 1 budget until the ESD can legally and ethically exit those agreements.

Additions to Tier 1 services may be subject to the approval of the LBLESD Board of Directors.

PROGRAM
INFORMATION

Mass hearing screenings are provided to all kindergarten, 1st, and 2nd grade students who attend public schools in the LBL ESD region through Tier 1 services. In addition, a school team may screen students at any point throughout their education, with input and discussion from both parents and the team.

If a student fails two hearing screenings, the school team may refer the student to an audiologist for further audiology testing. The testing may include otoscopy, acoustic immittance testing, standard air and bone conduction testing, speech audiometry, and otoacoustic emissions.

Audiology booth appointments are available in Albany or Newport for these evaluations.

Angie Greenwood

PROGRAM
INFORMATION

Students who demonstrate significant difficulty in communication and require a specialized system to support their education may be referred to the ESD's Augmentative and Alternative Communication (AAC) Specialists. The goal of these specialized Speech-Language Pathologists (SLPs) is to support school staff in creating communication opportunities for the student throughout the school day.

AAC Specialists are responsible for identifying and trialing various communication platforms from LBL ESD's lending library to help teams determine which system would be most appropriate for the student. Once the district procures the appropriate platform, the AAC specialist will continue to support school-based teams through monthly regional training and coaching.

Services provided by Tier 1 AAC Specialists to eligible students can be billed to Medicaid, provided that a cost-sharing agreement is in place between the district and the ESD.

Early Intervention/Early Childhood Special Education

CONTACT

Autumn Belloni, Tina Linn, Catie Dalton and Kimberly McMutcheon-Gross

PROGRAM
INFORMATION

Early Intervention-Early childhood Special Education (EI/ECSE) specialists provide evaluations for students from birth to age five who are suspected of having a developmental delay or disability, including challenges in how they see, hear, talk, think, or move.

Evaluators include developmental specialists, speech-language pathologists, autism specialists and other specialists from the Cascade Regional Inclusive Services program. Families, child care providers, preschool providers, physicians, and community agencies can all refer children to the program for evaluation.

Evaluations for children under the age of three must be completed within 45 calendar days from referral, whereas evaluations for children ages three to entrance to kindergarten must be completed within 60 school days.

Children who are found to be at risk for or have a developmental delay, or are experiencing a disability under a categorical eligibility are provided an Individualized Family Service Plan (IFSP). An IFSP is a plan of services individualized for each child and family and includes the child's abilities and needs, services for the child and family, family outcomes related to the child's needs, and goals and objectives reflecting both the child's developmental and special education needs. The services provided to children following eligibility are provided through federal and state grant funds.

PROGRAM
Cascade Regional Inclusive Services

CONTACT
Angie Greenwood

PROGRAM
INFORMATION

Occupational therapy services in the educational setting focus on adaptations and functional skills a child needs to safely access the educational environment and make progress in their areas of specially designed instruction.

Therapists provide evaluation in the area of occupational therapy and support students with mild or moderate OT needs by consulting and collaborating with the student's educational team.

Services provided by the school-based OT are driven by the student's Individual Family Service Plan (IFSP) or Individual Education Program (IEP) and can include a variety of activities and interventions, including direct consultation, coaching, modeling, making adaptations to the environment or tasks, and providing in-service training to staff. Consultation also occurs through attendance at IFSP or IEP team meetings, the implementation of accommodations and providing support for any specialized equipment that the student may need.

Services provided by Tier 1 Occupational Therapists to eligible students are able to be billed to Medicaid if a cost-sharing agreement is in place between the district and the ESD.

PROGRAM
INFORMATION

Physical therapy services in the education setting focus on ensuring safety and accessibility across school environments so students with gross motor challenges can thrive and learn while at school.

Therapists provide evaluation in the area of physical therapy and support students with mild or moderate PT needs by consulting and collaborating with the student's educational team, developing classroom protocols and promoting student self-care.

Services provided by the school-based PT are driven by the student's Individual Family Service Plan (IFSP) or Individual Education Program (IEP) and can include a variety of activities and interventions, including direct consultation, coaching, modeling, making adaptations to the environment or tasks, and providing in-service training to staff. Consultation also occurs through attendance at IFSP or IEP team meetings, the implementation of accommodations and providing support for any specialized equipment that the student may need. Equipment available for short-term loan includes positioning equipment, recreational equipment, and mobility aids.

Services provided by Tier 1 Physical Therapists to eligible students are able to be billed to Medicaid if a cost-sharing agreement is in place between the district and the ESD.

Severe Disability Services

PROGRAM

**Special Education and
Evaluation Services**

CONTACT

Sonya Hart

PROGRAM
INFORMATION

The Severe Disability program provides support to districts through financial compensation, staff development, consultation, and access to materials for students who are experiencing a significant impact from intellectual disabilities. Services are delivered by a program consultant and include several key resources.

These resources include the coordination of lending library purchases and the distribution of a list of available materials. The program also offers technical assistance and materials to support annual district goals for services to students with severe disabilities. Additionally, the consultant conducts monthly district visits to observe programs and provide consultation.

Severe Disabilities consultant staff serve as regional Qualified Trainers for Extended Assessment, offering training and assistance to district Extended Assessment evaluators. Consultants can also provide support on instructional programming for students with moderate to severe intellectual disabilities. This includes access to an extensive lending library that targets the educational needs of these students.

(Additional document linked here will provide further explanation of how LBL transits funds for this service.)

Special Education Services

The Special Education and Evaluation Services (SEES) program offers a broad range of support to students and districts. These services include system development for general education interventions in academics and behavior, evaluations for Special Education identification, Multi-Tiered Systems of Support (MTSS) consultation and training, and professional development on research-based initiatives. The program also provides guidance on special education law and current practices in evaluation.

In addition to these core services, districts receive support and technical assistance with programming for students with severe disabilities, as well as transition services.

The SEES team is composed of school psychologists, speech-language pathologists/assistants, educational consultants, and Spanish interpreters/translators, all working together to provide comprehensive support to districts and students.

Crisis Prevention Institute is one of the five ODE approved programs designed to support students with challenging behavior. CPI's evidence-based training incorporates person-centered and trauma-informed approaches, helping to create an effective impact across the school environment.

CPI includes multiple levels of prevention and intervention strategies for managing escalated behaviors. LBL ESD is providing a region-wide CPI training network, along with implementation coaching support from certified CPI trainers. This network includes training both in districts and at the ESD.

ESD staff manage all aspects of preparation and logistical support for this training network. Districts are responsible for covering the cost of training materials, while the scheduling, coordination, trainer certification, training delivery, and ongoing implementation support for this network are funded through the SEIA grant.

LBL provides comprehensive support for the Synergy Student Information System, offering services such as help desk assistance, training, hosting, and system maintenance. LBL handles system updates, troubleshooting, and customizations like creating new reports or modifying screens.

While LBL manages these higher-level functions, districts retain significant responsibilities for day-to-day operations. These include managing user accounts and permissions, deciding how to utilize software features, maintaining accurate and timely data entry, providing basic IT support to end users, and training staff on internal processes. This division of responsibilities ensures that districts have control over their data and operational decisions, while benefiting from LBL's technical expertise and system-wide support. The collaboration between LBLESD and districts aims to maximize the effectiveness of the Synergy system in meeting educational and administrative needs.

Tier 2 Resolutions Services

Tier 2 services are designed to meet the specific needs of individual districts. While they aim to achieve economies of scale where possible, these services may also be unique to a particular district. Tier 2 services are selected by district superintendents and approved by the ESD superintendent.

Service selections and quantities should be made by May 1 where possible. Once the ESD commits to a district's approved Tier 2 service, that service cannot be canceled prior to the end of the following school year unless the ESD can exit all associated cost obligations. If the total cost of a district's Tier 2 service selections exceeds their funding allocation, the ESD will bill the district for the excess.

Prices for Tier 2 services are standardized where possible, though specific pricing may be necessary based on the nature of the service.

Districts may choose to allocate up to 50% of their annual Tier 2 funds, including carryforward balances, for services not provided by the ESD. These transits are only allowed for services not currently offered by the ESD. The LBLESD Superintendent may grant limited exceptions to allow transits involving ESD services where the ESD encounters barriers to providing that service but cannot exceed the total limitation on transit amounts.

One of the key features of Oregon Routes is its unique driver-student pairing system. This approach matches drivers with students based on location or specific needs, ensuring that each trip is as efficient and convenient as possible. In some cases, drivers may already be on a route to a destination, making the process even more streamlined for everyone involved.

EI/ECSE Grant

PROGRAM

Early Intervention/Early Childhood Special Education

CONTACT

Autumn Belloni, Tina Linn, Catie Dalton and Kimberly McMutcheon-Gross

PROGRAM
INFORMATION

Early Intervention/Early Childhood Special Education (EI/ECSE) services are provided through a grant awarded by the Oregon Department of Education to support eligible children, birth to five years old. These services are delivered by a team of professionals, including developmental specialists, speech-language pathologists, inclusion specialists, instructional assistants, and regional staff.

EI/ECSE staff work closely with families and young children who have developmental delays or disabilities, offering consultation and instruction in a variety of settings through an Individualized Family Service Plan (IFSP). The primary focus of Oregon's EI program is to build the family's capacity to support the special needs of their young child.

EI services are available for children from birth to three years who have developmental delays in areas such as cognitive, physical, communication, self-help, or social skills. Services are also provided to children with medically diagnosed conditions that are likely to result in developmental delays later in life. Most EI interventions are offered within the child's natural environment—integrating into everyday routines, activities, and places.

For children aged three to kindergarten entry, ECSE services are available for those who qualify due to a developmental delay or categorical disability. Children in ECSE typically have disabilities that significantly affect their developmental progress and their ability to access education. These services are provided in community preschools, childcare facilities, and structured classrooms, and are tailored to each child's unique special education needs.

The focus of the ECSE program is to teach the child the necessary skills to address developmental delays, prepare them for school, and incorporate intervention strategies into their daily routines.

Regional Inclusive Services Grant

Cascade Regional Inclusive Services

CONTACT
Angie Greenwood

PROGRAM
INFORMATION

Regional Inclusive Services are funded through a grant awarded by the Oregon Department of Education. This grant enables LBL ESD to collaborate with local school districts, Early Intervention, Early Childhood Special Education (EI/ECSE) programs, families, and community agencies to provide specialized educational support for children with low-incidence disabilities.

These disabilities include autism, deaf/hard of hearing, deafness, blindness/visual impairment, orthopedic impairment, and traumatic brain injury. These conditions occur at such a low rate in the general population that it would be challenging for individual districts to provide the full range of services these students require.

While the primary responsibility for each child always remains with the local school district, Regional Inclusive Services offer a range of support for students who meet eligibility criteria. The specific services provided by Regional Inclusive Services staff vary depending on the disability category and are governed by the terms of the grant itself.

Services provided may include Specially Designed Instruction, Related Services, Supports to School Personnel, and/or Accommodations/Modifications. These services are implemented for each individual child or student in various settings through an Individualized Family Service Plan (IFSP) for children ages birth through 5, or an Individualized Education Program (IEP) for students in Kindergarten through age 21.

PROGRAM INFORMATION

The Long Term Care and Treatment (LTCT) contract from the Oregon Department of Education (ODE) funds educational services for children and youth in residential and day treatment facilities across several specialized schools. These programs serve students with significant emotional and behavioral needs in collaboration with mental health providers.

Farm Home School

Located at the Trillium Family Services Corvallis Campus, this school serves middle to high school students in both residential and day treatment, focusing on mental health services provided by Trillium Family Services.

Wake Robin School

This program operates on the same campus as the The Farm Home School, offering transitional educational services through ODE. It serves K-12 students, with Trillium providing mental health care and LBL ESD delivering educational support.

Old Mill Center Classroom

Based at the Old Mill Center for Children and Families in Corvallis, this day treatment program offers education primarily to younger students (K-2), with mental health services from Old Mill.

Each program aims to support students academically while addressing complex emotional and behavioral challenges through specialized education and treatment partnerships.

These support services are coordinated through the Strategic Partnerships for Student Success Program. Our team of implementation coaches focus on building capacity with districts for equitable systems to better meet the instructional and social, emotional and behavioral (SEB) health needs of their students, staff and families. We collaborate with educators to build their instructional and SEB practices and systems through the use of data and strategies integral to improvement science. We also coach educators to transform instructional and SEB knowledge into practices to implement with students, staff and families.

- Leveraging partnerships with local, regional, state and national organizations to communicate the latest information in regard to instructional and SEB curriculum, initiatives and grants, and professional development.
- Sharing critical information updates on the latest research and trends related to evidence-based or field-tested practices and programs for instructional and SEB systems including easy-to-implement strategies to share with school leaders and staff.
- Convening collaboration and learning opportunities for school and district staff to support the ongoing implementation of instructional and SEB systems.
- Training and coaching district and school leaders through professional learning opportunities with customized follow-up support to guide the implementation process of instructional and SEB systems.
- Providing implementation technical assistance for existing and/or new instructional and SEB systems in schools and districts as well as supporting adaptations to these systems to implement in a variety of learning environments.

Each biennium the SPSS Program and ESD leadership will collaborate with district Superintendents to complete a needs assessment process that is informed by regional district data related to their SIA/Integrated Program Plans. This process includes convening an advisory workgroup of Superintendents and SPSS coaching staff to review regional data, assess current needs, prioritize focus areas, and recommend an array of best-practice strategies that can be used to support the implementation of instructional or SEB systems and practices. This information will inform the ESD's Statewide Education Initiatives Account Grant (SEIA) application along with the sourcing of other regional or state opportunities to help fund and/or deliver these capacity building implementation support services. **Link to current SEIA Grant Plan.**

The Instructional Mentor Program Collaboration is funded through a combination of funds from the ESD's SEIA Grant and WREN (Western Regional Educators Network), and it is coordinated through the Strategic Partnerships for Student Success Program.

The goal of the Instructional Mentor Program is to provide the tools, resources, and training necessary to support mentors at the highest level, ensuring they are equipped to help their mentees successfully launch their careers. The collaborative nature of this program allows mentors to gain professional knowledge not only through training and resources but also through the expertise of other mentors in the region. A key focus of the program is supporting the social and emotional well-being of educators at its core.

In response to feedback from both mentors and new teachers, and with the goal of helping novice educators grow in their professional practices, this program also offers ongoing professional development. This includes training on behavior management, as well as strategies for creating a positive classroom climate, establishing routines, and implementing effective structures.

PROGRAM
INFORMATION

The Family Support Fund Grants are coordinated through the Strategic Partnerships for Student Success Program. Over the years, LBL ESD has partnered with local, regional, and state organizations to secure funding resources that meet the needs of the students and families they serve.

The urgent needs of these students and families require access to an agile and flexible funding source, providing ESD-based staff members with an efficient and effective way to address those needs in a timely manner. Each support person works diligently to explore other funding options before utilizing these ESD-specific resources.

These funding streams are not intended to replace or supplant funds traditionally provided through other sources. However, when needs are inadequately funded or when the timing is urgent, these funds may be used to address gaps in support.

Steve Martinelli

PROGRAM
INFORMATION

This grant flows through the IHN-CCO System of Care from the Oregon Health Authority. It is delivered through a partnership with LBL ESD and the regional System of Care Executive Council. These funds are designed to meet immediate and urgent needs of the students and family supported through our local system of care. Students and families actively engaged with ESD-delivered Family or Behavioral Supports in a school district can be eligible to receive these funds.

Steve Martinelli

PROGRAM
INFORMATION

The Integrated Community Partner grant funding is managed by Jackson Street Youth Services. This grant provides an annual discount on the cost of contracting Family Support Services through the ESD for school districts with an emphasis on small rural districts. Family support liaisons assist students who are experiencing challenges to their success at home, school and in the community. The family support liaisons work closely with the family, school, health care providers and social service agencies to locate and access resources, organize support, develop skills and remove barriers so that children can come to school ready to learn.

PROGRAM
INFORMATION

The Juvenile Crime Prevention (JCP) grant funding is managed by the Linn County Juvenile Department. This grant provides an annual discount on the cost of contracting Family Support Services through the ESD for Linn County school districts. Family support liaisons assist students who are experiencing challenges to their success at home, school and in the community. The family support liaisons work closely with the family, school, health care providers and social service agencies to locate and access resources, organize support, develop skills and remove barriers so that children can come to school ready to learn.

The MAC-Medicaid Support Services are coordinated through the Strategic Partnerships for Student Success Program. With support from the Oregon Health Authority (OHA), LBL provides training and support to districts to complete the Medicaid Administrative Claiming survey three times a year. LBL interfaces with OHA to generate cost pools, process match payments and resolve questions. LBL staff also participate in the Medicaid Administrative Claiming process. Funds generated are used to support the Medicaid-MAC Specialist that delivers this support service to districts.

Board Goals 2024-2029

GOAL ONE: Lincoln County School District will establish and meet high expectations for student achievement.

GOAL TWO: Lincoln County School District will create equitable, diverse, inclusive, and accessible learning environments across the district within a framework of excellence in education.

GOAL THREE: LCSD will provide for the long term health and welfare of our facilities and finances, focusing on accessibility, technological innovation, and purposeful utilization.

GOAL FOUR: Lincoln County School District will strengthen community relationships through communication and engagement with staff, students, families, and community partners.

Lincoln County School District Equity Team Land Acknowledgement Statement

We ask that you take a moment to stop what you are doing, to listen to these words as we recognize the land that we currently inhabit. No matter where each of us is physically located in Lincoln County, we must understand that we are on traditional homelands and unceded territories of indigenous peoples. Where we live in Lincoln County, these are the ancestral homelands for the Confederated Tribes of Siletz Indians.

Lincoln County School District acknowledges the Confederated Tribes of Siletz Indians that consists of over 30 bands originating from Northern California to Southern Washington. The Confederated Tribes of Siletz Indians currently occupy and manage 9,310 acres located here in Lincoln County but is a mere fraction of their original 1855 1.1 million-acre Siletz coastal reservation. We must remember the people of the Confederated Tribes of Siletz Indians are and will forever be the first stewards of this land, water, and fish.

We acknowledge and recognize the continued sovereignty of the Confederated Tribes of Siletz Indians and honor their ancestral homelands. We are committed to bringing awareness to their history and the existence of the Confederated Tribes of Siletz Indians since time immemorial.

NON-DISCRIMINATION: Lincoln County Schools do not discriminate nor tolerate discrimination on the basis of an individual's race, color, religion, sex, sexual orientation, national origin, disability, gender identity, marital status or age or because of the race, color, religion, sex, sexual orientation, national origin, disability, gender identity, marital status or age of any other persons with whom the individual associates.
