Board of Stars: Whittier Students and Staff

I had the opportunity to attend Whittier's wonderful Winter Performance on February 15. The students performed several skits, songs, odes, and poems. It was a great evening filled with a lot of talent! Thank you to the students and staff of Whittier – YOU ARE ALL STARS.

Board of Stars: Whittier EAC

As the Board looks for ways to more actively engage our EACs moving forward, the Whittier EAC has recently given an example of what a strong system of support looks like. On February 15, they put on a Mentorship Fair for the students of Whittier Community School. With representation from many facets of industry, the fair was said to be jam-packed and very exciting as students explored post-secondary careers and pathways.

I would like to thank the following EAC members for their commitment to our Whittier students:

Ross Carlson

Bibo Chung

Education Related Bills To Keep An Eye On

HB 21: School/University Employee Health Insurance - Allows school employers to elect to participate in an insurance policy selected by the commissioner of the Dept. of Administration.

SB 11: Teachers and Public Employee Retirement Plans - Relates to restoration of tenure for certain disabled individuals and allows members Permanent Fund PERS and TRS to choose between a defined benefit and a defined contribution retirement plan.

HB 71: School District Online Checkbook - Requires school districts to make their financial records available online to the public at no cost. Separate information for each school must be provided.

HB 65: Increase Base Student Allocation – Would increase the BSA by \$1,250 from \$5,960 to \$7,21

II. CIP Update

While things are not moving as quickly as we would like, they are moving and being done right. BDS has just completed 35% design documents. It is expected that our design team will have bid documents to DEED by 4-28-23 and we will then expedite the process and try to get a contractor picked ASAP so some work can be completed this summer. Another design team trip to sites is planned for late March.

MEMORANDUM # 23-14

TITLE: Chugach School Board Scholarship Program

REASON: The board has made it clear that they value and support CSD students and their quest for post-secondary education.

DATE: March 2023

BACKGROUND: At the conclusion of CSD's partnership with ARSD, the funding for the Board's student scholarship went away, the need however, didn't. The Board has made adjustments to its meeting schedule in order to save enough money to continue this program. In the future, CSD entities will be able to fundraise and contribute to the scholarship in order to serve more students.

CHIEF SCHOOL ADMINISTRATOR RECOMMENDATION: I can't think of a single reason to do this. If the Board and our stakeholders commit to making donations to this fund, it should be sustainable.

SUGGESTED MOTION: A motion to approve memo 23-14, approving the creation of the CSD "Excellence in Education" Scholarship Fund.

BOARD MEMORANDUM #23-13

TITLE: 23/24 Fuel Bid/Purchase

REASON: Each Spring Chugach puts our fuel purchase and delivery out for bid. Board policy requires Board approval for any expenditure in excess of \$60,000.

DATE: March 2023

BACKGROUND: Our maintenance director, Ryan Schmidt releases an RFP each spring asking for fuel purchase and delivery bids for Tatitlek and Chenega. Historically, there is just one company equipped to deliver fuel to our villages. The Dojer Services bid is attached.

CHIEF SCHOOL ADMINISTRATOR RECOMMENDATION: It is anyone's guess if fuel will go up or down so this bid, considering the current price, seems fair. In addition, the Chenega teacher housing tanks are getting extremely low and we need fuel oil sooner rather than later.

The CSA recommends the Board approve the Dojer Services bid for the 2023/2024 school year.

SUGGESTED MOTION:

A motion to approve memo 23-13, approving the purchase and delivery of fuel from Dojer Services for the 2023/2024 school year.
