RE: Chief School Administrator's Report – December, 2023

2023-24 FALL SEMESTER IN REVIEW

Charlene Arneson Retires:

After 23 years of public service to the children of Chugach School District, Charlene retired from the CSD Board. A heartfelt thank you to Charlene for her years of service.

New Board Member:

Chugach School District welcomes Carter Briggs (Whittier), our newest member of the School Board. We are excited for Carter's perspective, input, and leadership!

Homegrown Leadership:

Deserae Stellwag was nominated as CSD's new Board Chair during the November meeting. A Chugach and UAA grad, Deserae promises to be an amazing leader and we look forward to where her leadership takes us!

Carl Rose Boardmanship Award:

Gail Evanoff was nominated by the Board for AASB's Carl Rose Leadership Award. Gail was recognized, along with several other outstanding Board members from across the state, for her nomination. Great job, Gail!

New CFO Hired:

CSD welcomes Grant Yutzenka as our new Chief Financial Officer. Grant comes to Chugach with a wealth of financial work experience to help support and grow our business processes.

CIPs awarded for both Tatitlek and Chenega:

After over a year of design and preparation, the RFP was released this Fall and a contract was awarded to UIC Nappairit (a subsidiary of Ukpeagvik Iñupiat Corporation). UICN is a full-service General Contractor that specializes in constructing projects in remote locations involving dynamic challenges of extreme climates, complicated logistics, and minimal resources. We are excited for the construction season ahead!

First-Round Draft Picks:

We were extremely fortunate to have made some outstanding hires this past year which have graced our Chugach team with much talent! We are glad to have:

Megan Maloney – Whittier middle/secondary generalist

Camille Parry – Chenega Generalist

Sue Parker – Chenega Preschool / Generalist

Josh Duffus – Whittier Maintenance Lead

Aurora Institute:

Through the use of grant funds and combining three inservices into one, CSD certified staff were able to all attend the Aurora Institute this Fall. Dubbed the Nation's largest competency-based conference, Aurora had something for everyone. Staff took advantage of amazing professional development along with time to meet as a group and reflect on the work we do. An amazing experience to say the least...

Corporation Contributions:

Chenega and Tatitlek Corporations again both stepped up in support of their students/schools with donation of \$100,000 each under Alaska's Education Tax Credit Program. The contribution was welcome income to help CSD continue the innovative education happening at our smallest school sites. A huge thanks to all those who helped make this possible.

Chenega Heritage Week:

The school year started off with Chenega hosting their first annual Heritage Week. Students and adults came from Tatitlek to join in the cultural activities, classes, and a successful seal hunt! Thanks to the Elders, community, teachers, Chenega IRA, Chenega Corp, AFK Hatchery, and the Center for Alaska Coastal Studies for all their work with staff and students to support this wonderful learning experience.

Graduates:

With performance and not seat time as the variable, CSD saw two students graduate this Fall. Our congratulations go out to Wyatt Cummings and Benjamin Stringfellow!

Enrollment:

Overall CSD enrollment has remained fairly steady. We dropped several students in Focus but overall, we are happy with our numbers.

Whittier: 49 (+9 from last year)

Tatitlek: 11 (same as last year)

Chenega: 11 (-1 from last year)

Voyage Offerings:

With the pandemic behind us, Stephanie and her Voyage team devised a comprehensive schedule of opportunities for our region's students. Offered this semester:

- Culinary Arts
- Advanced Culinary Arts
- Sports Medicine
- Driver's Education
- Explorer Phase
- First Trek Phase
- STEM
- Social Studies

Snow!:

Record snowfall in November affected many with travel, commuting, child-care, and simply getting out of their driveways. CSD continues to play the hand that Mother Nature deals us and we keep the education going.

Multi-Purpose Bid:

With start-up grants secured, we put the CSD Early Childhood Multipurpose Learning Center out for bid. The project was awarded to Wolverine Construction and we hope to break ground this Spring.

To close, it has been a strong semester and many seeds have been planted that promise much improvement and growth for Chugach School District. Excellent students, staff, and stakeholders are a key ingredient in the very best school districts, and CSD has all three! I look forward to continuing to grow together as we enter the spring semester!

BP 6173 ADVENTURE BASED LEARNING

The Board understands that ABL provides valuable student learning which cannot be accessed any other way.

1. Real life experience learning: This type of travel-based learning provides hands-on real- life experiences our students simply do not have access to from books, the internet, in their classrooms or in our communities.
2. Community Engagement: Planning for ABL trips involves long-range planning which students often do not have opportunities to do. The planning of ABL trips will usually involve our communities and partners. At times, community members actually participate in the ABL trip. The CSD Board knows that when community members actively participate in ABL activities, it sends a message to students that these learning experiences are very important.
3. Fund Raising leads to Ownership: When students raise funds to participate in ABL trips, they become heavily invested in making sure it is a success. Student ownership of learning and success is the center of CSD Shared Purpose, and ABL activities are a highly successful strategy to achieve this ownership.
4. Motivational: Students who are involved in planning ABL trips, become highly motivated to learn all required standards.
5. Thematic / Integrated Learning Units: A key learning strategy which has proven very successful is planning and facilitating educational units which include learning in multiple content areas. From Reading, Writing, and Math, to Social Studies, Technology, and Cultural standards, ABL allows students to learn many content areas simultaneously. The CSD Board understands that real-world learning usually doesn't happen in isolation. Real world learning occurs when students use all content such as Math, Writing and Science to solve government, business, and ecological problems.

The Board understands that while ABL is a key strategy that has proven very successful and valuable, it comes with some inherent exposure to liability. Travel simply involves more risk than sitting at a desk. Therefore the CSD Board has provided policy and directed the Superintendent to provide training which limits that liability exposure and ensures, to the extent possible, that all students and staff are safe during ABL activities.

1. ABL travel requests must be pre-approved by district administration. Approval will not be granted until all student travel paperwork is completed and submitted.
2. Any out-of-state ABL travel must receive CSD School Board Approval.
3. In cases where changes in the travel plans occur after travel has been approved, any changes to the original plan must be approved prior to travel occurring. This includes Board approval of changes for any travel that requires board approval.
4. Parent signatures must be obtained for all student participants on both the Field Trip Permission form and the Release of Liability form.
5. Chaperones:
 - a. All student travel, including ABL travel, must include qualified chaperones that have been approved.

- b. For student travel, including ABL travel that does not require overnight lodging (day trips), either gender chaperone is approved.
- c. For student travel, including ABL travel which involves overnight stay
 - i. When one gender of student is traveling, the same gender of chaperone is required.
 - ii. When both genders (male and female) of student are traveling, both genders of chaperone are required.
 - iii. In rare situations where i and ii above are not possible, and parents of all traveling students have approved the chaperone arrangements, the School Board may waive requirements i and ii above.

6. All ABL travel requests must include the following if they are to be considered for approval:

- a. Travel itinerary
- b. List of students traveling
- c. List of qualified chaperones
- d. List of any proposed guests
- e. Fundraising plan (when applicable)
- f. Budget
- g. Modes of travel (aircraft, charters, watercraft, trains, vehicles, etc.)
- h. All activities (swimming, hiking, climbing, etc.)
- i. All places being visited
- j. All sleeping accommodation arrangements
- k. All standards being addressed / learned during the trip
- l. How students will share their learning after the trip

Chugach School District

TITLE: Appointment of Board Member

BACKGROUND:

A vacancy has been declared for Whittier Seat A of the CSD School Board. As per BB 9223, the Board has publicly advertised their intent to appoint someone to the seat and has asked for letters of interest to be considered.

CHIEF SCHOOL ADMINISTRATOR RECOMMENDATION:

The CSA supports board discussion and the appointment of a qualified individual to Whittier Seat A.

SUGGESTED MOTION:

Motion to appoint _____ to the Chugach School District School Board, Whittier, Seat A. This individual will hold this appointment until Fall 2024 elections.

Dear Chugach School Board Members,

I am writing to express my interest in the vacant Whittier seat on the Chugach School Board. As a parent of a middle school student at Whittier Community School and an active member of the local Education Advisory Committee, I am eager to contribute my skills and commitment to the betterment of our next generation's education.

During my time working with the Education Advisory Committee, I played a key role in organizing a Mentorship Fair. Collaborating with local companies, we successfully connected students with professionals to broaden their understanding of career possibilities. This experience has strengthened my dedication to fostering connections within the community, supporting our students, and expanding their horizons.

If appointed as a board member, I commit to a thorough engagement with the board's work. I will review all provided materials, actively participate in discussions, and contribute constructively to finding solutions for the challenges we face. Having familiarized myself with the Chugach School District strategic plan and portions of its policies, I am prepared to align my efforts with the board's overarching goals.

As an alumna of Alaskan Pacific University, I deeply appreciate the value of education. The district's Quality Schools Model, emphasizing a dynamic approach to learning, resonates with my personal philosophy. Having moved to Whittier and enrolled my child here specifically for the progressive educational environment, I am committed to ensuring that every student benefits from an enriching and flexible learning experience.

I am committed to enhancing parent involvement at the school by fostering a collaborative partnership between the board, school staff, and the broader community. Recognizing the pivotal role that community engagement plays in shaping educational programs and fostering a quality learning environment, I will actively work to develop and support initiatives that encourage meaningful parent participation. This involves creating avenues for open communication, soliciting parent input on educational policies, and organizing events that facilitate constructive dialogue between parents and school stakeholders (as allowable by law and policy). I believe that a robust school/community relationship is not simply about reporting and interpreting information but is, in essence, a collaboration focused on the outcomes of our students and children. Through my role on the board, I aspire to strengthen this partnership, ensuring that the collective efforts of community members, educators, and school personnel align seamlessly with the best interests of our schools and, most importantly, our students.

I am confident that my diverse experiences, combined with my passion for a thriving community, make me an ideal candidate for the Whittier seat on the Chugach School Board. I look forward to the opportunity to contribute to the continued success of our school district and the growth of our students.

Thank you for considering my application.

Sincerely,

Shelby Carlson
