RE: Robotic Mowers

ISSUE:

The Board of Education is asked to approve the state contract with SiteOne Landscape Supply for the purchase of five Husqvarna Robotic Mowers.

BACKGROUND:

As part of our ongoing efforts to enhance the landscaping of our properties, we have recognized the potential of utilizing robotic mowers. These robotic mowers will be strategically positioned in expansive open areas, including the GCHS practice fields and the Kenneth Henderson and Abe Hubert football fields. Additionally, they can be used in large playground spaces such as Edith Scheuerman, Gertrude Walker, and Bernadine Sitts. By implementing robotic mowers, we optimize our maintenance processes, freeing up staff to focus on more detailed tasks that contribute to the overall enhancement of our properties.

RE: Re: Horace Good Aux Gym Drop Down Volleyball Nets

ISSUE:

The Board of Education is asked to approve the contract with Athco Acquisition Corp to purchase drop down volleyball nets for Horace Good.

BACKGROUND:

As we were repainting and refinishing gym floors last year, we were asked to replace the in-floor volleyball nets in the auxiliary gym with drop-down nets. The new net systems change the volleyball court line placement, so these nets must be installed prior to repainting and refinishing the floors. The new nets system was budgeted for this fiscal year.
