Tracy McGlynn gave the Finance Officer's report. Food Service - Free and Reduced: We will continue to receive lunch applications until Oct 15, when they will automatically be switched to fully paid unless they submit another application due to the end of the 30-day carryover period. Applications were mailed to families, we made applications available at the parent sports night,

applications were also available during open house night and are also available electronically on our school website. Free & Reduced: Our initial numbers as of 9/3/24 of forms completed and directly certified were: Elementary 50.95%, Secondary 51.83%; Overall, 51.35%; Prior year 50.00% on 9/5 and ended the year at 51.38%. We are currently running the NSLP/SBP (National School Lunch/Breakfast Programs). Breakfast and Lunch are free for students. We are operating the Kindergarten Milk program and the Afterschool Snack program as additional options for our students. Enrollment - Our Day 1 K-12 enrollment was 441. Prior year ending was 425. We have a current budget number of 413 K-12. We will take a closer look in a couple months and project what our final ADM will be. This does not include any VPK or EC students. Voluntary Pre-K

Here is a recap of our VPK funding and how it works. Our district was originally approved in fiscal year 2017. Our school now has retained seats and is guaranteed continued funding in future years. Must be 4 as of 9/1/24, no student not 4 will not generate funding (including 5-year-olds), we will generate around .6 ADM per student, the maximum ADM's we will generate funding for is 15 (25 allocated). We cannot charge any students generating VPK funding.

Principal Casey Reierson's report was submitted in written form. I filed 3 out of field permissions for our staff to cover the new schedule. Mr. Langemo and I have been using a positive/negative referral system to highlight our students making a positive impact on others and to document negative behaviors and collect data. Our teacher's union leaders and I sat down to finalize our teacher evaluation process. Cell phone policy revisions. Our high school staff and I worked to adapt our current policy to reflect their classroom needs. We eliminated cell phone use for entertainment at the beginning and end of the class period but gave teachers discretion if devices can be used properly. Our newly formed student support team meets weekly on Friday mornings to discuss students and concerns we may have. We also create action plans on how we can be proactive for our students. I am still working to find a long-term solution for our vacant social studies long term position. (there will be an interested person coming in on Thursday for an interview for this position). I have created a curriculum review cycle for our staff to work together and make data informed decisions. The Read Act live session went well. It did feel overwhelming for some staff members, but thankfully we have a wonderful staff that are quick to support one another. Community Ed - Scheduled Gun Safety, Mr. Langemo helped order pickleball lines, and I will be reaching out to community ed committee members by the end of the week.
