Funding Lag Discussion

- Financial Integrity Rating System of Texas
 - Requires a district to discuss property values & funding lag
 - State Funding Lag (Prior to HB 3) - Prior year property values were used in the formulas to calculate State revenues causing a one-year funding lag – if the local revenue decreased in the year of the property value decline, the State did not recognize that decline until the subsequent year.

Medina Valley ISD Safe Return Plan 2021-2022

Safety Introduction

MVISD remains committed to providing rigorous, TEKS-based instruction to all students for the 2021-2022 school year while ensuring that COVID mitigation strategies are in place. In order to help curb the spread of COVID-19, the following protocols are effective for the 2021-2022 school year, and were developed in accordance with Governor Abbott's executive orders and guidance from the Department of State Health Services, as well as the local health authority. This protocol may change during the school year, as guidance from the state and health authorities changes.

Student Self-Screening

Parents/guardians are expected to screen their students each day for symptoms of contagious illness, including COVID-19, prior to sending their students to school:

- A student is recommended to stay home or go home and/or seek medical care if he/she is experiencing any of the following symptoms:
 - Fever of 100.0 degrees Fahrenheit or greater
 - Cough
 - Shortness of breath
 - Headache
 - Sore throat
 - Shaking or exaggerated shivering
 - Diarrhea
 - Loss of taste or smell
 - Difficulty Breathing
 - Fatigue
 - Chills
 - Congestion or runny nose
 - Significant muscle pain or ache
 - Nausea or vomiting
- Like with any illness, students may not return to school if they have a fever of 100.0 or above. Students may return after being fever-free for 24 hours without the use of medication.

Staff Expectations

Employees are expected to self-screen each day for symptoms of contagious illness, including COVID-19, prior to reporting to work:

- A staff member is recommended to stay home or go home and/or seek medical care if he/she is experiencing any of the following symptoms:

- Fever of 100.0 degrees Fahrenheit or greater
 - Cough
 - Shortness of breath
 - Headache
 - Sore throat
 - Shaking or exaggerated shivering
 - Diarrhea
 - Loss of taste or smell
 - Difficulty Breathing
 - Fatigue
 - Chills
 - Congestion or runny nose
 - Significant muscle pain or ache
 - Nausea or vomiting
- Like with any illness, employees may not return to work if they have a fever of 100.0 or above. Employees may return after being fever-free for 24 hours without the use of medication.

Visitor Expectations

Before visitors are allowed on campuses, visitors will self-screen for symptoms of contagious illness including COVID-19 symptoms. If they are lab-confirmed with COVID-19, they must remain off campus until they meet the criteria for re-entry as noted below.

In the case of an individual who was diagnosed with COVID-19, the individual may return/enter school when all three of the following criteria are met:

- At least 24 hours have passed since recovery (resolution of fever without the use of fever-reducing medications.)
- The individual has improvement in symptoms, and
- At least 10 days have passed since symptoms first appeared. If the individual never experiences symptoms, at least 10 days have passed since the date of COVID-19 testing.

Masks will be available at all campuses and facilities.

Isolation Protocols

Students or Staff Displaying Symptoms of Contagious Illness

- A teacher or staff member must immediately notify the campus nurse of any student who shows COVID-19 symptoms while at school. The campus nurse will assess the student and determine if the student will need to be picked up by a parent or guardian. The campus nurse's assessment will include a temperature check to determine if the student is symptomatic for COVID-19.
- Students who report feeling sick and/or feverish should be given access to the campus nurse. The campus nurse will assess the student and determine if the student will need to be picked up by a parent or guardian. The campus nurse's assessment will include a temperature check to determine if the

student is symptomatic for COVID-19.

- Teachers and staff members who report feeling sick and/or feverish while at work should report to the campus nurse for an assessment. The campus nurse will assess the staff member and determine if the staff member shows COVID-19 symptoms. The campus nurse's assessment will include a temperature check to determine if the staff member is symptomatic for COVID-19.

Campus floor plans and maps will be used to determine isolation areas.

Return to Work/School Protocols

Individuals Confirmed with COVID-19

Any individual who themselves are lab-confirmed to have COVID-19 cannot return to campus until the following conditions for returning have been met:

- If a student or employee tests positive for COVID-19, he/she will isolate at home for 10 days from the date of the positive test.

Individuals Suspected with COVID-19

Any individual who has symptoms that could be COVID-19 and want to return to school/work must meet one of the following conditions:

- He/she will isolate at home 10 days from symptom onset, be fever free for 24 hours without the use of fever suppressing medications, and other symptoms have improved.
- Obtain a medical professional's note clearing the individual for return based on an alternative diagnosis. For health privacy reasons the note does not need to indicate what the alternative diagnosis is.
- Receive confirmation that they are free of COVID via an approved COVID-19 acute infection test.

Face Coverings

On May 18, 2021, Governor Greg Abbott issued an executive order which prohibits governmental entities in Texas – including counties, cities, school districts, public health authorities, or government officials – from requiring or mandating mask wearing. After June 4, 2021, no student, teacher, parent, or other staff member or visitor can be required to wear a mask while on a campus. Therefore, mask usage is not required at MVISD schools or facilities effective June 5, 2021.

However, masks are highly encouraged while indoors at all district facilities, schools, and school buses for all students, employees, and visitors. MVISD will ensure that students' or staff members' choice whether or not to wear a mask is honored, such that no one should be

bullied or harassed at school or school-sponsored events for their choice. Masks will be available at all campuses and facilities.

UIL/Extracurricular Activities

Please visit the University Interscholastic League (UIL) website for the most up to date guidelines regarding UIL/Extracurricular activities. [UIL Interscholastic League](#)

Transportation

Bus transportation will be provided to those students who qualify for transportation.

- Buses will be thoroughly cleaned and disinfected frequently, particularly high-touch surfaces such as bus seats, steering wheels, knobs, and door handles.
- The bus driver or bus aid must immediately notify the transportation secretary/staff member of any student who shows COVID-19 symptoms while entering or on the bus. The transportation secretary/staff member must then notify the campus nurse. The campus nurse or a campus staff member will meet the child when the bus arrives on campus and escort the student to the nurse's office. The campus nurse will assess the student and determine if the student will need to be picked up by a parent or guardian. The campus nurse's assessment will include a temperature check to determine if the student is symptomatic for COVID-19.

Daily Cleaning and Disinfecting Practices

- Classrooms and restrooms will be disinfected regularly.
- High-touch areas will be disinfected throughout the day.
- Emergency cleaning is performed on an emergency basis, in response to a particular, identified incidence.
- Campus floor plans and maps that will be used to determine areas for each cleaning practice.

Health and Hygiene Practice

Restrooms

Posters on how to wash hands properly will be posted in all student restrooms in English and in Spanish.

- Model, practice, and monitor handwashing, particularly for lower grade levels.
- Develop routines to ensure students wash their hands or use hand sanitizer upon arrival to campus; after using the restroom; after playing outside and returning to the classroom; before and after eating; and after coughing or sneezing.
- Have students wash hands at staggered intervals to minimize congregation around

handwashing and hand sanitizer stations.

Hand Sanitizer & Masks

Hand sanitizer and masks will be available at all campuses and facilities.

Coordination with State and Local Health Officials

MVISD has a valued partnership with both local, state and federal authorities. We will continue to implement directives from TEA and our local, state and federal authorities.

The District will report any individuals who have tested positive for COVID-19 and were present on a school campus or facility to the designated local and state authorities.

Diagnostic and Screening Testing

MVISD will provide resources to families or employees interested in testing.

Efforts to Provide Vaccinations to Educators, Staff & Students

The District will share information provided by local and state health authorities regarding vaccine clinics in our area.

* The Safety & Security Administration Team met on August 5, 2021 to review the ESSER III Safe Return to Schools Plan and Requirements. The committee reviewed the current MVISD COVID-19 protocols as well as the requirements released from TEA and recommendations from the CDC on August 5, 2021 and have created the 2021-2022 Safe Return Plan for MVISD. The Safe Return Plan will replace the MVISD COVID-19 Protocols effective August 6, 2021.*

WITNESSETH

WHEREAS the Participating Political Subdivisions are authorized by the Interlocal Cooperation Act, Texas Government Code §791 (the "Act"), to enter into cooperative agreements among themselves, and with and among other political subdivisions of the State of Texas, for the purpose of fulfilling and implementing their respective public and governmental purposes, needs, objectives, and program; and

WHEREAS the services made the subject of this Agreement are a governmental function and the Participating Political Subdivisions desire to contract in a manner to require each entity to, respectively, provide the services and to make the payments set forth in this Agreement; and

WHEREAS the participating Political Subdivisions have determined that this Agreement will result in improved services being provided more economically and efficiently and will increase public safety for the constituents of the Medina Valley ISD and the County;

NOW THEREFORE, the Participating Political Subdivision have agreed, and do hereby agree, as follows:

ARTICLE 1 **SERVICES TO BE PROVIDED BY THE COUNTY**

Section 1.01 Campus Security. The county agrees to assign peace officers to serve at any Medina Valley ISD campus determined by the Board of Trustees. Additional Officers maybe assigned and covered under this agreement as agreed to by the parties. Any such officer shall be assigned by mutual agreement between the Sheriff and the Superintendent or designee. The assigned officer shall provide services during regular school hours on each and every day classes are in session. The officer's duties shall include traffic control services, law enforcement, and assisting school administration with security during regular school hours.

The County and the Medina Valley ISD acknowledge the importance of having the same officer present at the district on a day to day basis in order to promote continuity and familiarity with the district and students. The county and the Medina Valley ISD agree that any substitutions of personnel by the County shall be discussed and mutually agreed upon prior to such substitution being made.

Any campus peace officer shall be physically present on campus during regular school hours or during such hours as are mutually agreed upon by the Sheriff and the campus Principal(s). The assigned officer shall coordinate and cooperate with the campus Principal(s), but shall be directly supervised by the Sheriff of the County. The duties, schedule and responsibilities of the assigned officer on days when classes are not in session shall be mutually agreed upon and determined by the Sheriff of the County and the Superintendent. The parties understand that the officer may be required to carry out certain school district duties and responsibilities, including for example, investigation of truancy complaints, etc.

At all times during the term of this Agreement, the law enforcement personnel provided by the County and assigned to the Medina Valley ISD shall be considered employees of the County and not employees of the

Medina Valley ISD. The County shall be responsible for maintaining accurate records of the dates of service, and any other information regarding the personnel assigned to the Medina Valley ISD that may be necessary in connection with the performance of this Agreement.

Unless agreed to in advance in particular situations, any officer assigned to serve at any Medina Valley ISD campus shall dress in a uniform identifying him/her as a member of the Sheriff's department of Medina County, and shall carry the usual equipment, such as sidearm, belt and holster, badge, and the like. Such monthly payment shall be made by Medina Valley ISD upon receipt of invoices from the County as set forth in Section 3.01.

In the event of any such review, or the renewal or extension of the term of this Agreement, the consideration to be given and paid by the Medina Valley ISD for the services to be provided by the County pursuant to this Agreement shall be recalculated and determined for such extended or renewal term based on a sum or amount that is not less than the County's actual costs for providing such services.

Medina Valley ISD
Procedures for Kindergarten Acceleration

Students are offered acceleration with credit by examination for students whose parents request acceleration from kindergarten to first grade.

State rules allow districts to set criteria for acceleration for these students. Criteria include that students must be 5 years old by September 1. [EHDC Local](#)

Students will not be accelerated prior to the beginning of the school year. Parents who believe their child may be a candidate for acceleration must enroll their child in kindergarten and complete the application for acceleration by week three of the school year. Parent nomination forms for acceleration may be obtained at the campus. The process for assessing students to determine need for acceleration will occur during the first four weeks of school. The kindergarten program in Medina Valley ISD is designed to accommodate student needs for acceleration within the kindergarten classroom. It is, therefore, the philosophy of Medina Valley ISD to accelerate only students who cannot be effectively served through district programs at their current grade level. At this early grade level, the district will require the student to demonstrate performance well above average for first grade, so that a student's success in that grade level can be assured.

The following steps will be followed to implement the acceleration procedures.

Step	Process	Timeline
1	Parent completes a parent nomination Form and returns to the campus administrator FORM	First 3 weeks of the school year
2	Identified students are assessed with the exams for acceleration from the University of Texas/ Texas Tech in language arts, math, science and social studies for Kindergarten. Testing is conducted at the student's campus.	Immediately following the recommendation prior to the end of the first 6 weeks of school.
3	GPC reviews the results from the acceleration tests. Students who score at or above 80% on all four exams meet the criteria and are eligible to be accelerated to grade one. Parents are notified of the student's placement.	Before the end of the first grading period or as soon as results are obtained.
