Item: Consider Proposals for Copier Services

Discussion:

- Response to the District's request for proposals to supply Medina Valley ISD with Copiers and Copier Service beginning June 2018 for 36 months are as follows:

	<u>Per Copy</u>
CTWP	\$.0093
Dahill	\$.010
RICOH	Failed to Meet Bid Specs
UBEO	\$.0086 & \$.0142

- Price indicated is for the cost paid per copy. Price includes maintenance, all toner, developer, fuser oil, lubricants, staples, and any other required consumables except paper.
- CTWP listed Waco ISD, Edgewood ISD, Killeen ISD, LaVega ISD, and Lackland ISD as references.
- Dahill listed Northside ISD, South San ISD, Randolph Field ISD, Alamo Heights ISD, and Hays ISD as references.
- UBEO listed Region 12 ESC, Region 13 ESC, Haljohn-San Antonio, D.H. Investment Company, and Kerr County as references.
- This is a contracted service provided to the district. Under no condition will title to the equipment pass to or be transferred to the District at any time during the term of the contract or upon its completion.
- The district has utilized Dahill for the past 5 years to provide copiers and copy service to the district.
- The District may consider the following in choosing the proposal(s) that will provide the best advantage to the district
 1. The purchase price;
 2. The reputation of the vendor and of the vendor's goods or services;
 3. The quality of the vendor's goods or services;
 4. The extent to which the goods or services meet the district's needs;

5. The vendor's past relationship with the district;
 6. The impact on the ability of the district to comply with laws and rules relating to historically underutilized businesses;
 7. The total long-term cost to the district to acquire the vendor's goods or services;
 8. For a contract for goods and services, other than goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent company or majority owner:
 - (A) has its principal place of business in this state; or
 - (B) employs at least 500 persons in this state; and
 9. Any other relevant factor that a private business entity would consider in selecting a vendor.
- The proposal from CTWP has numerous technicians available to the district, a 3 hour response time to service calls, parts warehoused in San Antonio, and a San Antonio office. Their proposal meets the district's qualifications for service and offers the best financial cost to the district.

Recommendation:

- The administration recommends that the Board authorize the Superintendent to negotiate a copier service contract with CTWP to be effective for 36 month period beginning June 2018.
