Kelly Eppler - Assistant Principal

GMS All-Star Team will EXCEL

ENGAGE

Our All-Star Team works hard to engage both students and staff, creating a positive environment where everyone feels connected, supported, and motivated to succeed.

Something Good for November!

November is the month of thankfulness, and we have *so much* to be grateful for here at Granbury Middle School! Our teachers, staff, and support team work hard every single day to make our school a great place to learn and grow.

Now we'd love to hear from you — our students and families!

Take a moment to share something good:

- A teacher who made a difference
- A staff member who always smiles and helps
- A class activity that made learning fun
- A small act of kindness you noticed

Your words mean the world and help fill our staff's buckets with encouragement and joy.

Submit your "Something Good" note by clicking this link: https://forms.gle/8vrP3fiAgotk8yVE8

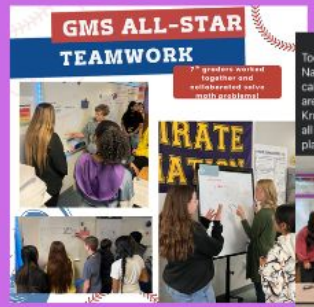

X-PLORE

GMS has a campus culture where students are encouraged to explore, lead, collaborate, and take ownership of their learning.

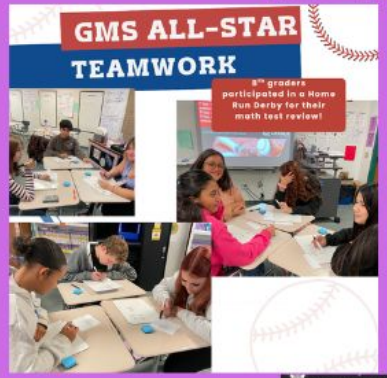

COMMUNICATE

Our All-Star staff works hard to implement consistent, clear, and purposeful communication with staff, students, and families.

Our ***CKH Focus Word this month is respect.*** **Plan to implement** a Respect Character Lesson during Advisory/WIN time on Friday. CKH provides one lesson for you to use each week. To get to them log into ckh.org - click the Jan heart - click the drop down arrow under Leadworth Character Lessons - click view Respect Character Lessons - scroll down past the videos and sort the lessons by grade level.

Below are direct links to the Week 2 lessons for each grade level (it will make you log in to get to them)

6th grade - The Good Within

7th grade - Showing Respect with our Words

8th grade - Positive School Culture

If you have trouble getting to them just log into https://www.capturingkidshearts.org/ and sea the lesson title.

EXCEL Model	Friday, December 5, 2025 Notes/Minutes
Engage: GOOD THINGS	Rohleder - Got to go to the BD dinner last night. Played Scooby Do this morning and found out who the present. Eppler- Sherley- Can make animal noises Biggs- Annoying Ben Frenchie- Getting a dose of BB awesomeness!! ...AND Going to the TEXAS TECH CHAMPIONSHIP on Saturday! Ghiglieri- Feeling Better! Dec. 8 ortho appt. @ 10:00
X-Plore: Upcoming Events	Admin Coverage Schedule December 5 - Annie Jr evening performance-Frenchie at Region 11(8 am-12 pm) December 8 - 6th & 7th Annie Jr performance December 11 - Girls' BB vs Acton - Eppler December 15 - Reading i-Ready MOY (shutdown) December 15 - Math i-Ready MOY (shutdown) December 15- Girls' BB @ Mineral Wells December 18 - Half-day - **need to check the schedule**

DIMENSION 3.3

DIMENSION 3.3 Classroom Culture: The teacher leads a mutually respectful and collaborative class of actively engaged learners.

3.3 EVIDENCE:

Students are completing a "Gratitude Journal". Opened with "Good Things" to build relationships. Used positive reinforcement and praise. Students were actively participating, showing comfort and confidence in sharing. Classroom tone was encouraging and inclusive. Great job redirecting the I kicked my dad's butt statement to having fun with your dad. Has social contracts posted - you guys have really put in great effort today. Mr. Adams provides positive feedback and encouraging words to his students as they work.

CKH Leadworthy Character Word - Teamwork, we are better together

Teamwork

Teamwork as a character trait is the ability to collaborate effectively with others to achieve a shared goal. It involves clear communication, mutual respect, accountability, and adaptability. Individuals who demonstrate strong teamwork skills are dedicated to the success of the group, show helpfulness and a positive attitude, and support and value the contributions of others.

Capturing Kids' Hearts - December Focus Word is Responsibility

Do your part and the rest will fall into place

Happy Saturday, GMS Allstar Families!

This week's SMORE covers both this week and next -- there is *so much* happening on campus, and we want to be sure you stay in the know!

Students are working hard to demonstrate responsibility by turning in assignments and making corrections as needed. We have just 8.5 days left in the 3rd six weeks, so please partner with us checking Skyward with your student and following up on any missing assignments. Your suppo makes a big difference!

We value your voice. Please take a moment to complete our GMS Middle-of-Year Campus Sur for Families. Your feedback helps guide our work and strengthens our school community.

Thank you for all you do to support GMS!

Mrs. Rohleder

GMS - Principal

EMPOWER

GMS empowers others through intentional opportunities for students and staff to lead, reflect, and serve.

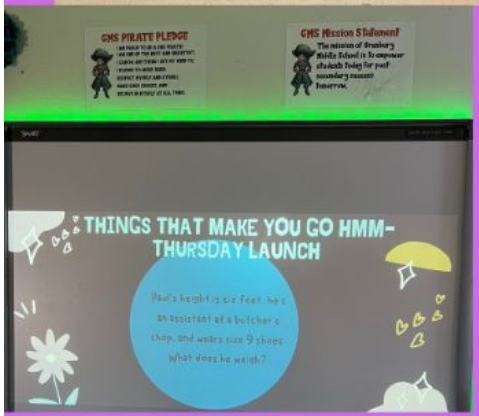

LAUNCH

TO: Granbury ISD Board of Trustees
FROM: Dr. Courtney Morawski, Superintendent
DATE: March 23, 2026
RE: Mentors Care

Background: After listening to feedback from my Community Advisory Group, a common theme that emerged was interest in structured opportunities for community members to mentor and support students. Conversations centered on creating a safe and organized mentoring system, particularly for students who may benefit from additional guidance, encouragement, and connection.

Mr. Rene Charhardy, along with Lissa Oliver, explored possible models and identified Mentors Care as a strong option to provide community-based mentoring support for at-risk students at Granbury High School.

Program Update: Granbury ISD is planning to partner with Mentors Care to provide a structured mentoring program for students at Granbury High School beginning in the 2026–2027 school year.

The program includes one employee to coordinate the mentoring efforts, including mentor recruitment, training, screening, and student support. There is a grant that will cover approximately half of the personnel cost for the first year, helping support the launch of the program.

Strategic Plan: This initiative aligns with the district's commitment to strengthening community partnerships and providing additional support systems to help students succeed.

Respectfully,

Courtney Morawski

Dr. Courtney Morawski
Superintendent of Schools
Granbury ISD

MENTORS CARE

MENTORED YOUTH

- 52 % less likely to skip school
- 46% less likely to use illegal drugs
- 54% less likely to be arrested
- Earn on average of $200,000 more in lifetime earnings than non-mentored peers
- 91% report feeling an increased sense of belonging at school
- Report a 20% reduction in depression

Source: Afterschool Alliance, 2025

MISSION

Connecting struggling high school students with mentors, tools, and resources to help lead them towards graduation and purposeful lives.

Mentors Care will work with school districts to enlist, train and equip adult volunteer mentors who care about and believe in the kids they serve.

ABOUT MENTORS CARE

Mentor’s Care is a 501 (c) (3) non-profit organization founded by Dena Petty in 2009. The goal of Mentors Care is to give students what they need, not only to graduate but to live their lives to their fullest potential.

FOUNDER

DENA PETTY

Mentors Care addresses a vital need in our schools and communities by providing an added layer of support to struggling students. We recruit, train, and connect caring mentors with these students, fostering relationships that transform lives.

WHO WE SERVE

In 24-25, Mentors Care served over 1,000 students and had more than 850 volunteer mentors!

Since 2009, 22 high schools have been added to the Mentors Care family. We now have 28 full-time employees serving high schools in Ellis, Dallas, Tarrant, Taylor, Johnson, and Hill counties.

HOW WE DO IT

1

IDENTIFY STUDENTS IN NEED

Collaborate with school staff to identify students who would benefit from extra support and mentorship.

2

RECRUIT AND TRAIN MENTORS

Select and prepare dedicated mentors from the community, providing them with the necessary training to effectively support students.

3

PAIR MENTORS WITH STUDENTS

Match trained mentors with identified students, fostering supportive and trusting relationships, utilizing the 24 Talking Points©.

4

ONGOING SUPPORT

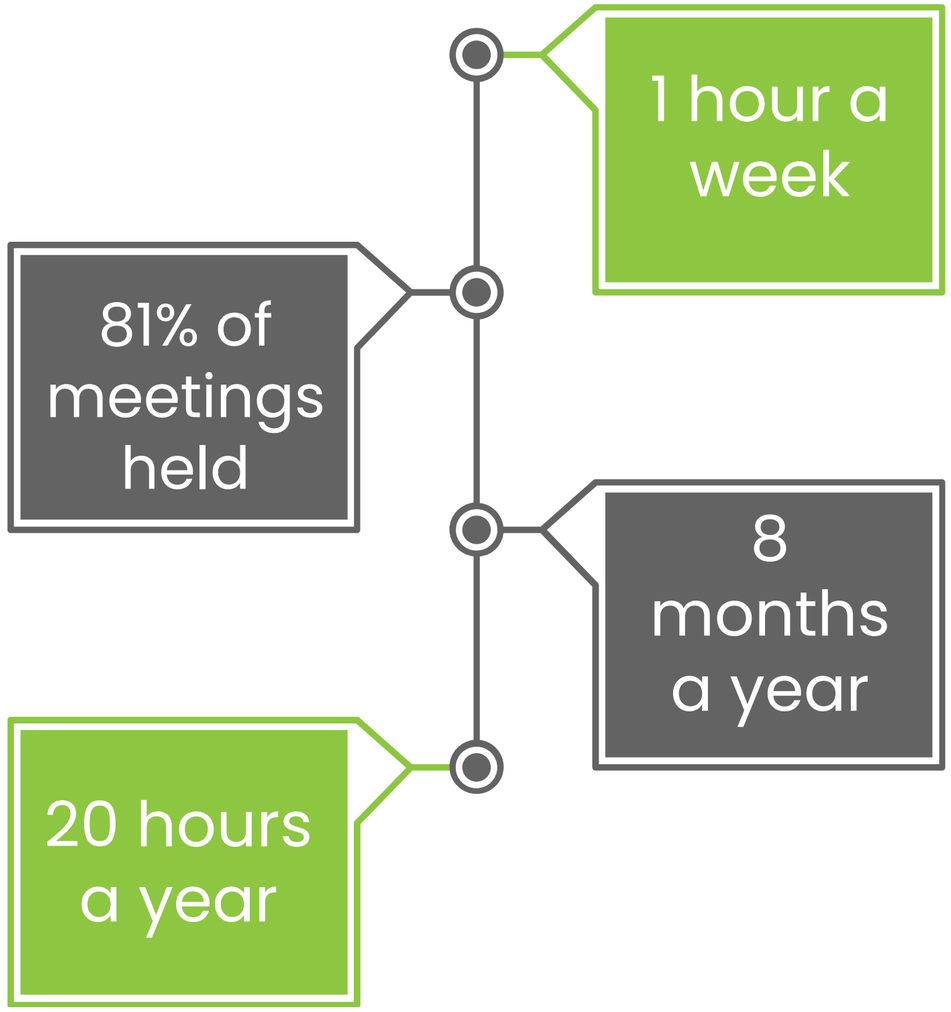

Continuously monitor the mentoring relationships, providing ongoing support, referring to community resources, and assessing progress to ensure positive outcomes for students

ON CAMPUS COORDINATOR

We provide a full time coordinator at every campus, whose role it is to pair students referred by school staff with a caring, committed adult mentor, and to serve as an extra support for our kids.

Our coordinators are:

- well-versed with referral services in the community
- liaison between school and student
- skilled in situational awareness and risk assessment
- proficient in recognizing trafficking, abuse, suicidal ideation, self harm and bullying.

92% earned the number of required credits

63% discipline referrals decreased

*based on students enrolled in the program for 2+ years

Increased community engagement in your school

WHAT OUR SCHOOLS SAY

”Every high school should have this program. Mentors Care builds bridges into our community, invites outsiders in, is another layer of support for our kids, grabs students that often fall thru the cracks, and provides impactful mentorship for our students. Mentors Care is truly an incredible program.”

- Reagan Berry, Principal, Wylie HS

“I remember looking back and thinking, are we going to be able to afford this? Now I look and I hear these testimonies of these students and it’s priceless. I am proud of the investment we make into helping and supporting what these students are going through. I now realize there is no way that we can’t afford this program. It’s really cool to see this program 5 years later.”

- Miller Loudermilk, Wylie ISD board member

16,332

hours of volunteer service in 24-25

WHAT OUR GRADUATES SAY

“Before Mentors Care, I felt invisible, angry, and hopeless, even attempting to end my life. Through my mentor, Stacy, I found someone who truly listened and believed in me —her support helped me graduate and gave me the confidence to build a future I never thought possible.”

- Sabin, Mentors Care graduate

“Getting into Mentors Care was the first step toward bettering my future. Once I took that step, with the help of my mentor and program, I graduated from high school and technical school.”

- Jesse, Mentors Care graduate

Date Submitted: March 6, 2026

Granbury ISD | March Budgeting Process Update for the 2026–27 Fiscal Year

Enrollment - Planning-level enrollment for 2026–2027 School Year is projected at 7,830 students. Campus enrollment reports were finalized on February 18, 2026. Grade levels have been rolled up at each campus, and appropriate adjustments have been made at the receiving secondary campuses. Pre-Kindergarten and Kindergarten enrollment levels remain unchanged.

Allotment & Allocation - The total campus allocation is $886,919. Each campus receives a per-student allocation to use at its discretion. The total department allocations are projected at $14,071,705. Central Office and department allocations will remain consistent with the prior year unless adjustments are required due to changes in state funding, special program allotments, or other identified needs. New legislation provides an allotment of $106 per student for basic operational costs, including utilities and fuel; this has been incorporated into department budgets. These amounts do not include campus salary expenditures.

Salaries - The current projected salary budget for 2026–27 School Year is $80,115,418. The project budget excludes tutor budgets which are included within campus allocations.

Recapture - With enrollment growth projected to remain steady, the district's recapture obligation is estimated to remain approximately $3,844,645.

Budget Process - Each budget manager has received his or her preliminary allotment and will meet with respective teams to assess needs and develop campus and department budgets. Completed budgets must be entered into the SKYWARD system by April 15, 2026, and a signed copy must be submitted to the Finance Department by the same date. The Finance Department will review all submissions to ensure allocations are not exceeded.

CAMPUS	**ENROLLMENT**	**ALLOTMENT**
Secondary		
Granbury High School	2,221	$134 per student
STARS Accelerated High School / BTC	40	$274 per student overall allocation of $10,275
Acton Middle School	932	$110 per student
Granbury Middle School	927	$110 per student
Elementary		
Acton Elementary School	839	$98 per student
Brawner Elementary School	698	$98 per student
Nettie Baccus Elementary School	555	$98 per student
Oak Woods School	490	$98 per student
STEAM Academy at Mambrino	798	$98 per student
Emma Roberson Early Learning Academy	330	$98 per student
Total	**7,830**	**$886,919** *(not including salaries)*

All figures are preliminary and subject to change.

INTEROFFICE MEMO

FINANCE AND BUSINESS AFFAIRS

To: Board of Trustees
Date: March 23 2026
For: Information

TO: Dr. Courtney Morawski, Superintendent

FROM:Houcine Chraibi
DATE :March 6, 2026
RE: Report of Categorical Purchases Between $50,000 and $100,000 as Per Board Policy CH (LOCAL)

SUMMARY:

The attached categorical purchases between $50,000 and $100,000 for the period of February 1, through February 28, 2026, are being reported as per the requirements of Board Policy CH (LOCAL), which states:

The Board delegates to the Superintendent or designee the authority to make budgeted purchases for goods or services. However, any single, budgeted purchase of goods or services that costs $50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place, except as otherwise provided in this policy.

The Superintendent is not required to obtain Board approval for the following types of budgeted purchases costing less than $100,000, but shall subsequently report them to the Board:

1. *A purchase made pursuant to a Board-approved interlocal contract, in accordance with law;*
2. *A purchase made through a cooperative purchasing program or state purchasing program that satisfies the District's obligation for competitive purchasing [see CH(LEGAL)]; or*
3. *A continuing or periodic purchase under a Board-approved bid or contract.*

BUDGET IMPACT: $ 71,423.00

Respectfully submitted,

Houcine Chraibi

Mike Moore:	Yea
Stuart Neal:	Yea
Barbara Townsend:	Yea

Voting Summary: Yea: 7, Nay: 0

13.d. Discuss and Take Action on the Board Election Terms Resolution
Action(s): Move to approve the proposal for board election terms as presented. This motion, made by Barbara Townsend and seconded by Stuart Neal, Passed. Voting Detail:

Nancy Alana:	Yea
Tim Bolton:	Nay
Courtney Gore:	Yea
Calvin Lawrence:	Yea

Mike Moore:	Yea
Stuart Neal:	Yea
Barbara Townsend:	Yea

Voting Summary: Yea: 6, Nay: 1
Discussion: Tim Bolton agrees with the 4 year terms agreeing with the continuity, prefers to hold elections more often to hold offices accountable. Odd year option gives people angst and anger as greater participation in even years represents more of the population. Agree with 4-year terms, disagree with odd year terms.

Courtney Gore: difficult to get information out to the masses about the local level elections on the even year elections with the noise and information focused on the national and state elections. We get people better informed about the local elections.

Nancy Alana: we have always had elections in odd years, but we haven't had state and national level come out, only the ones interested in our schools and the local elections. It is not a political vote. School board elections were never to be about politics, they were to be about education. We are trying to get the elections back to focus on the education and the students. They just have to get themselves to the polls if they are interested in the education elections. You have more uninformed voters for public school elections when people are coming out for national elections.

Barbara Townsend looked at the elections over the last 11 years. Odd number years the person varies. even number years overwhelmingly get the #1 place on the ballot. People are not looking at the ballot on even number years. This has been a trend. If you want to really have people, take the time to know what is going on in school board elections, it needs to be separate from the national and state elections.

Stuart Neal- in election code 52.091, party for the current governor gets listed first, set by law. In conversations with voters, there is confusion with school board races. Everyone is asking what party people are in, but the races are non-Partisan. It gets lost in the shuffle. If they choose not to vote in odd number years, that is on them. The focus in odd number years will be on who is best for GISD if you move it away from the noise of national and state elections.

Moore would like to get back to odd years to take the politics out of it.
Tim Bolton- people want to vote for republicans

DRAFT

Courtney Gore- it gets the politics out of our schools, intent in this is rooted in doing what is best for GISD. No one is preventing anyone from voting. This is about what is best for the kids in this district and keep the noise and division of politics out of our schools.

13.e. Discuss and Take Action on the SB11 Resolution

Action(s): Move to decline the SB 11 Resolution as written. This motion, made by Barbara Townsend and seconded by Calvin Lawrence, Passed. Voting Detail:

Nancy Alana:	Yea
Tim Bolton:	Yea
Courtney Gore:	Yea
Calvin Lawrence:	Yea
Mike Moore:	Yea
Stuart Neal:	Yea
Barbara Townsend:	Yea

Voting Summary: Yea: 7, Nay: 0

Discussion: Tim Bolton - In GISD includes daily moments of silence as well as freedom to read religious text as needed.

13.f. Discuss and Possible Action on a Prayer Resolution

Discussion: Brought up by Tim Bolton and Stuart Neal to discuss if we want to bring a new drafted resolution to reaffirm the things we already do in GISD and the draft points out the SB11 policy. Submitted for legal review.

Can discuss, or no further action is needed unless you would like to do it or choose not to put it on the agenda next time.

Tabled for today.

13.g. Discuss and Possible Action on Local Policies from Update 126.

- LEGAL) policies
- (LOCAL) policies (see attached list of codes)

Action(s): Move to update policy 126 as presented. This motion, made by Nancy Alana and seconded by Calvin Lawrence, Passed. Voting Detail:

Nancy Alana:	Yea
Tim Bolton:	Yea
Courtney Gore:	Yea
Calvin Lawrence:	Yea
Mike Moore:	Yea
Stuart Neal:	Yea
Barbara Townsend:	Yea

Voting Summary: Yea: 7, Nay: 0

13.h. Discuss and Possible Action on Local Policy FD

Action(s): Move board approve the revised FD (LOCAL) as presented. This motion, made by Mike Moore and seconded by Nancy Alana, Passed. Voting Detail:

Nancy Alana:	Yea
Tim Bolton:	Abstain (Without Conflict)
Courtney Gore:	Yea
Calvin Lawrence:	Yea
Mike Moore:	Yea
Stuart Neal:	Yea
Barbara Townsend:	Yea

Voting Summary: Yea: 6, Nay: 0, Abstain (Without Conflict): 1

Prepared by: Dr. Tim Rocka

Agenda item:

Approve Board Resolution related to administrator third-party employment and House Bill 3372 of the 89th Texas Legislature. (note, this could discuss this in closed session under 551.074)

Suggested motion:

Consent Agenda

Explanatory note/ funding sources/clarification:

During the 89th legislative session, HB3372 became law, restricting school district administrators (superintendents or assistant superintendents) from receiving compensation for personal services from vendors or companies that do business with their district, educational entities, or other districts. However, by board resolution, other administrators can be granted an exception to the law (see attached).

Board goal addressed:

Will there be Backup

X Yes _____ No _____

RESOLUTION OF THE GRANBURY INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES APPROVING AN EMPLOYEE PERSONAL SERVICES CONTRACT PURSUANT TO HOUSE BILL 3372, 89TH TEXAS LEGISLATURE

WHEREAS, House Bill 3372, enacted by the 89th Texas Legislature, created Section 11.006 of the Texas Education Code, authorizing the board of trustees of an independent school district to approve a contract for personal services entered into by a district administrator with (a) an education business that provides services regarding the curriculum or administration of any school district; or (b) another school district, an open-enrollment charter school, or a regional education service center, provided certain conditions are met; and

WHEREAS, Melissa Shipp, an administrator employed by the Granbury Independent School District, has requested approval from the Board of Trustees to enter into a personal services contract with Pecan Plantation Restaurant, which is an education business that provides services regarding the curriculum or administration of school districts / or another public-school entity as identified above; and

WHEREAS, Section 11.006 of the Texas Education Code requires that before granting approval, the Board of Trustees determines that:

1. The contract will not harm the district;
2. The arrangement does not present a conflict of interest; and
3. The services to be performed under the contract will be performed entirely on the administrator's personal time; and

WHEREAS, the Board of Trustees has reviewed the request and considered the statutory requirements and relevant information provided by Melissa Shipp and the District's administration.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE GRANBURY INDEPENDENT SCHOOL DISTRICT THAT:

1. The Board finds that approval of the personal services contract between Melissa Shipp and Pecan Plantation Restaurant will not harm the District.
2. The Board further finds that the arrangement does not present a conflict of interest under applicable law or District policy.

3. The Board further finds that the services to be provided under the contract will be performed entirely on the employee's personal time, outside of the employee's responsibilities to the District.
4. Accordingly, the Board hereby approves the contract for personal services as requested, pursuant to Section 11.006 of the Texas Education Code.

ADOPTED AND APPROVED this 23 day of March 2026, by the Board of Trustees of the Granbury Independent School District.

CERTIFICATE FOR RESOLUTION

I hereby certify that the foregoing resolution was presented to the Board of Trustees of the Granbury Independent School District during a lawfully called meeting on March 26, 2026. A quorum of the Board being then present, a motion was made to accept the resolution and seconded, such resolution was then adopted according to the following vote:

Re: Third Party Employment Form

I am writing this letter to let you know why I am needing to take a second job, as I am sure that is not normal to have a Principal needing that. I have twins in college and I am working hard to pay for their college as they worked so hard in school to make good grades. Adding in $3000 per month in loans to our monthly outflow has been a stretch, and therefore I am seeking opportunities for outside work.

I want to assure you that Granbury ISD is my priority, and this job will always take precedence. They have been made aware that even on days I might be scheduled to work at 5 pm, should something come up at school that takes priority. They are being extremely flexible in my schedule to accommodate any extra events for my campus so I am in attendance for all of them. If at any time this position causes conflict with after hours Granbury needs, I will resign my position with the second job.

I greatly appreciate your consideration and want you to know that I value my position with Granbury ISD. Should you have any questions I will be present at the meeting March 23rd.

Sincerely,

Melissa Shipp
Principal

RE: Correction to Prior Information Regarding IAG J-1 Teachers and TRS Costs

PURPOSE

The purpose of this memo is to correct and clarify information previously provided to the Board regarding the financial impact of hiring international teachers through the International Alliance Group (IAG) J-1 program.

BACKGROUND

In the June 23, 2025 memo presented by the Director of Human Resources, the district communicated that the $9,000 fee to IAG would be offset by projected savings from not paying FICA, health insurance, and TRS for IAG employees. That memo stated: "...after factoring in the savings from not having to pay FICA, health insurance, and TRS for IAG employees, we calculated savings of $10,000, which more than covers the fee."

We now recognize that this characterization was inaccurate with respect to TRS. TRS should not have been listed as cost savings.

CORRECTION

In practice, Granbury ISD is the employer of record for J-1 teachers placed through IAG and remains responsible for paying employer TRS contributions to the Teacher Retirement System of Texas, consistent with TRS rules and district practice. While IAG's invoicing includes a line-item credit labeled "TRS Amount District to Pay," which effectively reduces the amount owed to IAG, this vendor credit does not eliminate or waive the district's TRS obligation. The district has been—and continues to be—responsible for the actual TRS contributions.

ACCURATE COST STRUCTURE

Going forward, the financial impact of the IAG program will be represented to the Board as follows:

- The district pays IAG's administrative and recruiting fees as outlined in the Host School Agreement.
- The district pays the cost of health insurance when J-1 teachers elect IAG's insurance option, as required in the agreement.
- The district pays employer TRS contributions for J-1 teachers, consistent with TRS rules and district practice.
- The district realizes savings from not paying FICA (Social Security and Medicare) for J-1 visa holders, as these employees are exempt under federal tax law.

- Any credits or adjustments from IAG (such as the TRS-related credit shown on invoices) will be treated as reductions to the vendor's charges, not as an indication that TRS is waived or not owed by the district.

FISCAL IMPACT

A detailed fiscal summary of current J-1 placements—including total IAG fees, insurance costs, and TRS contributions—is available for Board review upon request.

RECOMMENDATION

The Board is asked to acknowledge the corrected cost-structure information for the IAG J-1 program and approve the continued payment of IAG invoices and associated TRS employer contributions for the 2025–2026 school year.

Respectfully submitted,

RE: Budget Amendments

SUMMARY:

Attached are the monthly general fund budget amendments for Board approval. The first page is the budget amendment for the current period and indicates any increases to revenue as well as increases/decreases to each function and the overall net effect of the amendment totals to the budget. The second page is a summary and indicates how the current amendment will impact the overall general fund budgets as well as how any previous amendments have impacted these budgets.

BUDGET IMPACT: As indicated on the attached.

RECOMMENDATION:

I recommend the Board approve the amendments as presented.

Respectfully submitted,

Emmett Whitefield

To: Board of Trustees
Date: March 23 2026
For: Approval

TO: Dr. Courtney Morawski
Superintendent

FROM: Houcine Chraibi
DATE: March 6 2026
RE: HVAC Test & Balance, Controls, and Mechanical Engineer

SUMMARY:

On January 9, 2026, Granbury ISD issued a bid for HVAC Test & Balance services for 18 existing units and 44 new units at Mambrino. The initial bid period closed with no responses, prompting an extension to February 27, 2026. At the conclusion of the extended deadline, one proposal was submitted. In coordination with the overall HVAC project, the district also solicited pricing for updates to the existing control system through TRANE, and a mechanical engineer through EMA Engineering & Consulting, Inc., to provide a comprehensive project management and engineering.

RECOMMENDATION:

Director of Maintenance recommended that the HVAC Test & Balance contract be awarded to Complete System Balance for $35,000.00, the controls installation project to TRANE for $224,330.00, and a Mechanical Engineer for $65,000 to EMA Engineering & Consulting, Inc. For a total of $324,330.00. This is included in the budget already allocated by the board during the October 20, 2025 board meeting.

Respectfully submitted,

TESTING AND BALANCING OF AIR AND HYDRONIC SYSTEMS

Proposal
February 26, 2026

Granbury ISD Purchasing

Attn: Bradee Drake

Scope: Test & Balance

Mambrino Elementary School

LOCATION: Granbury, TX

Specification: 23 05 93

We propose providing the necessary tools, instruments, and technicians to perform the test and balance on the above-referenced project, as outlined in the mechanical specifications and depicted in the contract drawings. All tests shall be conducted in accordance with the highest quality standards. The price below is acceptable for 90 days.

Exclusions: Sound Testing, Vibration Testing, Commissioning, Duct Leakage Testing, Performance Bonding

Inclusions: Testing, Adjusting, and Balancing all the equipment listed on the documents provided, Attendance in required meetings, Coordination with the general contractor and all subcontractors, sending out and updating deficiency items, Commissioning checklists, and final certified TAB Report. Payment Bonding

Equipment to be tested: 44 newly installed Roof-Top Units in the summer of 2026. 18 RTUs installed in the summer of 2025.

Base Bid: (44 New RTUs) Twenty Five Thousand Dollars-	**$25,000.00**
Additional 18 RTUs previously installed in the summer of 2025-	**$10,000.00**

Prepared For: Granbury ISD **Date: 12/5/2025**

Job Name: Granbury ISD 2026 Project – Trane Controls

Trane is pleased to provide the following proposal for your consideration.

Mambrino School

The existing Building Automation System at Mambrino consists of a Trane Tracer Front-End. In order to get the new RTU's properly integrated into the Trane Building Automation System, Trane will be required to fulfill the Scope of Work listed below.

ENERGY AUTOMATION SYSTEM TO INCLUDE:

- ***Centralized Workstation:***
  - Integrate into the existing BAS.
  - Modify Floorplan Graphics and Software.

AIR SIDE SYSTEM TO INCLUDE:

- ***Control of – (44) Constant Volume – Rooftop Units:***
  - Factory Mounted Controls to include:
    - Fan Start / Stop
    - Fan Status
    - Cooling Command – DX
    - Heating Command – Gas
    - Supply Air Temperature
    - Safeties:
      - MA Temperature Low Limit
  - Field Mounted Controls to include:
    - Pull new BACnet communication link from the Tracer SC+ to RTUs
    - Provide and install Zone Temperature Sensor
    - Safeties:
      - RA / SA Smoke Alarm – (Provided and Installed by Others, Interlock by Trane Controls)

Units must come with Factory Mounted BACnet Controls
Excludes field mounting controls & end devices

Acton Middle School

The existing Building Automation System at Acton Middle School consists of a Niagara Front End that is integrating Legacy Controllers. In order to get the new WSHP properly integrated into the Niagara Building Automation System, Trane proposes to fulfill the Scope of Work listed below.

ENERGY AUTOMATION SYSTEM TO INCLUDE:

- ***Centralized Workstation:***
  - Integrate into the existing BAS
  - Modify Floorplan Graphics and Software

AIR SIDE SYSTEM TO INCLUDE:

- ***Control of – (1) Water Source Heat Pump:***
  - Factory Mounted Controls to include:
    - Fan Start / Stop
    - Fan Status
    - Fan VFD Speed Command
    - Cooling Command – DX

- Return CW Temperature Sensor
- Reversing Valve Command
- Condensate Overflow Alarm
- Supply Air Temperature Sensor
- Damper Command

➢ Field Mounted Controls to include:
- Pull new BACnet communication link from the central controller to WSHP
- Temperature Sensor (Re-use existing wiring)
- Safeties:
  - RA / SA Smoke Alarm – (Provided and Installed by Others, Interlock by Trane Controls)

Units must come with Factory Mounted BACnet Controls
Excludes field mounting controls & end devices

BAS Services include:
- System Engineering
- Graphics & Programming
- Record Drawings
- Control Wiring Installation
- (1) Year Warranty

Clarifications:
- I.P. drops & Static IP Addresses shall be provided to Trane at no additional cost for network connection.
- Payment & Performance bond is included in this proposal
- Does not include anything not specifically detailed within this proposal
- Proposed pricing is based on work being performed during normal business hours.
- Control wiring will be run in plenum rated cable in concealed but accessible areas. EMT conduit will be used in exposed areas.
- Pricing based on existing HVAC equipment and existing controls being functional at time of work and does not include service or repair of existing equipment or controls not listed in this proposal.
- Controls proposal includes adding (1) Zone Temperature Sensor per unit; additional sensors will be addressed separately.
- Excludes field installing controllers
- ***Proposal does not include hours of day-to-day work with T&B or Third-Party Commissioning Agent***
- 120VAC will be provided by electrical contractor and is not provided as part of this proposal
- Integration to any existing system is not detailed within proposal is not included
- Fire / fire-smoke/ control dampers and smoke detectors, including associated wiring, are not included unless otherwise detailed within proposal
- Trenching, coring, patching, painting

Scope of Work Total Net Price *(Excluding All Taxes)* .....$ 224,330

Thank you for giving us this opportunity. If you have any questions or concerns, please call your Trane Account Manager at (817) 219-7643.

Sincerely,

Controls Account Manager – Cole Brunett

4200 N Sylvania Ave

TERMS AND CONDITIONS – COMMERCIAL TURNKEY INSTALLATION – Trane Equipment and Related Work

"Trane" or "Company" shall mean Trane U.S. Inc. for Work performed in the United States or Trane Canada ULC for Work performed in Canada.

1. Acceptance; Agreement. These terms and conditions are an integral part of Company's offer and form the basis of any agreement (the "Agreement") resulting from Company's proposal (the "Proposal") for the commercial goods and/or services described (the "Work"). COMPANY'S TERMS AND CONDITIONS AND EQUIPMENT PRICES ARE SUBJECT TO PERIODIC CHANGE OR AMENDMENT. The Proposal is subject to acceptance in writing by the party to whom this offer is made or an authorized agent ("Customer") delivered to Company within 30 days from the date of the Proposal. Prices in the Proposal are subject to change at any time upon notice to Customer. If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer's order shall be deemed acceptance of the Proposal subject to Company's terms and conditions, and the final Proposal price ("Proposal Price"). If Customer's order is expressly conditioned upon Company's acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company's terms and conditions attached or referenced serves as Company's notice of objection to Customer's terms and as Company's counteroffer to provide Work in accordance with the Proposal and the Company terms and conditions. If Customer does not reject or object in writing to Company within 10 days, Company's counteroffer will be deemed accepted. Notwithstanding anything to the contrary herein, Customer's acceptance of the Work by Company will in any event constitute an acceptance by Customer of Company's terms and conditions. This Agreement is subject to credit approval by Company. Upon disapproval of credit, Company may delay or suspend performance or, at its option, renegotiate prices and/or terms and conditions with Customer. If Company and Customer are unable to agree on such revisions, this Agreement shall be cancelled without any liability, other than Customer's obligation to pay for Work rendered by Company to the date of cancellation.

2. Connected Services. In addition to these terms and conditions, the Connected Services Terms of Service ("Connected Services Terms"), available at https://www.trane.com/TraneConnectedServicesTerms, as updated from time to time, are incorporated herein by reference and shall apply to the extent that Company provides Customer with Connected Services, as defined in the Connected Services Terms.

3. Title and Risk of Loss. All Equipment sales with destinations to Canada or the U.S. shall be made as follows: FOB Company's U.S. manufacturing facility or warehouse (full freight allowed). Title and risk of loss or damage to Equipment will pass to Customer upon tender of delivery of such to carrier at Company's U.S. manufacturing facility or warehouse.

4. Pricing and Taxes.

a. Unless otherwise noted, the price in the Proposal includes standard ground transportation and, if required by law, all sales, consumer, use and similar taxes legally enacted as of the date hereof for equipment and material installed by Company. Tax exemption is contingent upon Customer furnishing appropriate certificates evidencing Customer's tax-exempt status. Company shall charge Customer additional costs for bonds agreed to be provided. Equipment sold on an uninstalled basis and any taxable labor/labour do not include sales tax and taxes will be added. Within thirty (30) days following Customer acceptance of the Proposal without addition of any other terms and conditions of sale or any modification, Customer shall provide notification of release for immediate production at Company's factory. Prices for Work are subject to change at any time prior to shipment to reflect any cost increases related to the manufacture, supply, and shipping of goods. This includes, but is not limited to, cost increases in raw materials, supplier components, labor, utilities, freight, logistics, wages and benefits, regulatory compliance, or any other event beyond Company's control. If such release is not received within 6 months after date of order receipt, Company reserves the right to cancel any order. If shipment is delayed due to Customer's actions, Company may also charge Customer storage fees. Company shall be entitled to equitable adjustments in the contract price to reflect any cost increases as set forth above and will provide notice to Customer prior to the date for which the increased price is to be in effect for the applicable customer contract. In no event will prices be decreased.

b. **Allocation to Trane of Tax Deduction under Section 179D of the Internal Revenue Code**. For calendar tax year(s) in which (a) the provisions of Section 179D of the Internal Revenue Code are in effect and (b) the qualifying property installed as a part of the Services has been placed in service pursuant to Section 179D, Customer agrees to allocate the tax deduction available under Section 179D solely to Trane pursuant to Section 179D(d)(4) and, upon a written request from Trane, shall provide the written form of allocation to the Customer that is required by the Internal Revenue Service.

5. Exclusions from Work. Company's obligation is limited to the Work as written and defined under the scope of Work and does not include any modifications to the Work site under the Americans With Disabilities Act or any other law or building code(s). In no event shall Company be required to perform work Company reasonably believes is outside of the defined Work without a written change order signed by Customer and Company in accordance with the Change of Work process defined hereunder..

6. Performance. Company shall perform the Work in accordance with industry standards generally applicable in the area under similar circumstances as of the time Company performs the Work. Company may refuse to perform any Work where working conditions could endanger property or put at risk the safety of persons. Unless otherwise agreed to by Customer and Company, at Customer's expense and before the Work begins, Customer will provide any necessary access platforms, catwalks to safely perform the Work in compliance with OSHA or state industrial safety regulations.

7. Payment. For Work requiring a longer construction schedule and progress payments, Customer shall pay Company or cause Company to be paid for the Services as follows: (a) **Initial Payment:** For Upon execution hereof, [Initial Payment]% of the Contract Price (for engineering, drafting and other mobilization costs incurred prior to on-site installation) shall be due; and (b) **Progress and Final Payments:** Company will invoice in accordance with the Proposal for all materials and equipment delivered to the job site (or, as applicable, to an off-site storage facility) and for all installation, labor and services performed during the billing period; Customer shall pay all amounts due upon receipt of the invoice and any invoice not paid within ten (10) calendar days of its date shall be past due. All amounts outstanding ten (10) calendar days beyond the due date shall bear interest payable to Trane at the maximum allowable legal rate, retroactive to the due date. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due from Customer. For all other Work, Customer shall pay Company's invoices within net 30 days of invoice date. Company may invoice Customer for all equipment or material furnished, whether delivered to the installation site or to an off-site storage facility and for all Work performed on-site or off-site. No retention shall be withheld from any payments except as expressly agreed in writing by Company, in which case retention shall be reduced per the contract documents and released no later than the date of substantial completion. Under no circumstances shall any retention be withheld for the equipment portion of the order. If payment is not received as required, Company may suspend performance and the time for completion shall be extended for a reasonable period of time not less than the period of suspension. Customer shall be liable to Company for all reasonable shutdown, standby and start-up costs as a result of the suspension. Company reserves the right to add to any account outstanding for more than 30 days a service charge equal to 1.5% of the principal amount due at the end of each month. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due and otherwise enforcing these terms and conditions. If requested, Company will provide appropriate lien waivers upon receipt of payment. Customer agrees that, unless Customer makes payment in advance, Company will have a purchase money security interest in all equipment from Company to secure payment in full of all amounts due Company and its order for the equipment, together with these terms and conditions, form a security agreement. Customer shall keep the equipment free of all taxes and encumbrances, shall not remove the equipment from its original installation point and shall not assign or transfer any interest in the equipment until all payments due Company have been made.

8. Time for Completion. Except to the extent otherwise expressly agreed in writing signed by an authorized representative of Company, all dates provided by Company or its representatives for commencement, progress or completion are estimates only. While Company shall use commercially reasonable efforts to meet such estimated dates, Company shall not be responsible for any damages for its failure to do so. Delivery dates are approximate and not guaranteed. Company will use commercially reasonable efforts to deliver the Equipment on or before the estimated delivery date, will notify Customer if the estimated delivery dates cannot be honored, and will deliver the Equipment and services as soon as practicable thereafter. In no event will Company be liable for any damages or expenses caused by delays in delivery.

9. Equipment Location & Access. Customer shall provide, without charge, a mutually satisfactory location or locations for the installation and operation of the equipment and the performance of the installation work, including sufficient areas for staging, mobilization, and storage. Customer shall provide access to the Premises for Trane and its contractors or subcontractors during regular business hours, or such other hours as may be requested by Trane and acceptable to Customer, to install, adjust, inspect, and correct the installation work. Trane's access to correct any emergency condition shall not be restricted by Customer. Customer grants to Company the right to remotely connect (via phone modem, internet or other agreed upon means) to Customer's building automation system (BAS) and/or HVAC equipment to view, extract, or otherwise collect and retain data from the BAS, HVAC equipment, or other building systems, and to diagnose and remotely make repairs at Customer's request.

10. Completion. When Company informs Customer that the Work has been completed, Customer shall inspect the Work in the presence of Company's representative, and Customer shall either (a) accept the Work in its entirety in writing, or (b) accept the Work in part and specifically identify, in writing, any exception items. Customer agrees to re-inspect any and all excepted items as soon as Company informs Customer that all such excepted items have been completed. The initial acceptance inspection shall take place within ten (10) days from the date when Company informs Customer that the Work has been completed. Any subsequent re-inspection of excepted items shall take place within five (5) days from the date when Company informs Customer that the excepted items have been completed. Customer's failure to cooperate and complete any of said inspections within the required time limits shall constitute complete acceptance of the Work as of ten (10) days from date when Company informs Customer that the Work, or the excepted items, if applicable, has/have been completed.

a. Substantial Completion. When Trane considers that the Services, or a portion thereof, are substantially complete, Trane will submit to Customer a proposed "punch list" listing items of the Services to be completed prior to final completion. Customer and Trane shall inspect the Work (or portion thereof) to determine if the same is substantially complete. (Substantial Completion is defined as the stage in the progress of the Services (or designated portion thereof) when the Work is sufficiently complete so that Customer can occupy or utilize the Services for its intended use.) Customer and Trane shall add to the punch list any item of work that has not been completed. When the Services (or designated portion thereof) are substantially complete, Customer and Trane shall execute a Certificate of

Substantial Completion, setting forth the date of Substantial Completion and shall state the date by which Trane shall complete the items included on the punch list.

b. Final Completion. Upon Customer's receipt of written notice from Trane that the installation work included in the Work is ready for final inspection and acceptance, Customer and Trane shall inspect the installation services and determine whether the same has been performed in accordance with the Proposal. If Customer considers the installation work to have been performed in accordance with the Proposal, Customer shall issue a Certificate of Final Completion and Acceptance, to be executed by an authorized representative of Customer. In the event Trane presents a Certificate of Final Completion and Acceptance to Customer for execution and, within fourteen (14) calendar days from the date noted in the Certificate as the date of such presentation, Customer fails to deliver an executed original of the Certificate to Trane and does not provide to Trane written objections to issuance of the Certificate, providing specific facts as to why the Services have not been finally completed, the Date of Final Completion shall be the date noted in the Certificate as the date the Certificate was submitted to Customer.

11. Changes in Work

a. Customer, by written change order, may request that Trane perform services in addition to the Work ("Change Order"). Trane shall be obligated to perform such additional services only pursuant to a Change Order agreed to and executed by Customer and Trane. The Change Order shall reflect the parties' agreement with respect to the scope of the additional services, the amount of any adjustment in the Proposal Price, and the extent of any adjustment in the contract time.

b. If a Change Order provides for an adjustment to the Proposal Price, such adjustment shall be based on one of the following methods:

(1) A lump sum agreed to by Customer and Trane;
(2) Unit prices set forth in this Agreement or subsequently agreed to; or
(3) Cost of the work ordered plus a fee agreed to by the parties.

c. The following types of costs, which listing is not all-inclusive, shall be included in the determination of the cost of the additional work:

(1) costs of labor, including social security, old age and unemployment insurance, fringe benefits required by agreement or industry practice or custom, and workers' compensation insurance;
(2) costs of materials, supplies and equipment, including transportation thereof, whether the same is incorporated or consumed in the additional work;
(3) the costs of renting machinery and equipment, except hand tools;
(4) premium costs for all bonds and insurance, permit or other governmental approval or inspection fees, and sales, use or comparable taxes relating to the additional work; and
(5) additional costs of supervision and field office personnel directly attributable to the additional work.

12. Permits and Governmental Fees. Company shall secure (with Customer's assistance) and pay for building and other permits and governmental fees, licenses, and inspections necessary for proper performance and completion of the Work which are legally required when bids from Company's subcontractors are received, negotiations thereon concluded, or the effective date of a relevant Change Order, whichever is later. Customer is responsible for necessary approvals, easements, assessments and charges for construction, use or occupancy of permanent structures or for permanent changes to existing facilities. If the cost of such permits, fees, licenses and inspections are not included in the Proposal, Company will invoice Customer for such costs.

13. Utilities During Construction. Customer shall provide without charge to Company all water, heat, and utilities required for performance of the Work.

14. Concealed or Unknown Conditions. In the performance of the Work, if Company encounters conditions at the Work site that are (i) subsurface or otherwise concealed physical conditions that differ materially from those indicated on drawings expressly incorporated herein or (ii) unknown physical conditions of an unusual nature that differ materially from those conditions ordinarily found to exist and generally recognized as inherent in construction activities of the type and character as the Work, Company shall notify Customer of such conditions promptly, prior to significantly disturbing same. If such conditions differ materially and cause an increase in Company's cost of, or time required for, performance of any part of the Work, Company shall be entitled to, and Customer shall consent by Change Order to, an equitable adjustment in the Proposal Price, contract time, or both.

15. Pre-Existing Conditions. Company is not liable for any claims, damages, losses, or expenses, arising from or related to conditions that existed in, on, or upon the Work site before the Commencement Date of this Agreement ("Pre-Existing Conditions"), including, without limitation, damages, losses, or expenses involving Pre-Existing Conditions of building envelope issues, mechanical issues, plumbing issues, and/or indoor air quality issues involving mold/mould and/or fungi. Company also is not liable for any claims, damages, losses, or expenses, arising from or related to work done by or services provided by individuals or entities that are not employed by or hired by Company.

16. Asbestos and Hazardous Materials. Company's Work and other services in connection with this Agreement expressly excludes any identification, abatement, cleanup, control, disposal, removal or other work connected with asbestos, polychlorinated biphenyl ("PCB"), or other hazardous materials (hereinafter, collectively, "Hazardous Materials"). Customer warrants and represents that, except as set forth in a writing signed by Company, there are no Hazardous Materials on the Work site that will in any way affect Company's Work and Customer has disclosed to Company the existence and location of any Hazardous Materials in all areas within which Company will be performing the Work. Should Company become aware of or suspect the presence of Hazardous Materials, Company may immediately stop work in the affected area and shall notify Customer. Customer will be exclusively responsible for taking any and all action necessary to correct the condition in accordance with all applicable laws and regulations. Customer shall be exclusively responsible for and, to the fullest extent permitted by law, shall indemnify and hold harmless Company (including its employees, agents and subcontractors) from and against any loss, claim, liability, fees, penalties, injury (including death) or liability of any nature, and the payment thereof arising out of or relating to any Hazardous Materials on or about the Work site, not brought onto the Work site by Company. Company shall be required to resume performance of the Work in the affected area only in the absence of Hazardous Materials or when the affected area has been rendered harmless. In no event shall Company be obligated to transport or handle Hazardous Materials, provide any notices to any governmental agency, or examine the Work site for the presence of Hazardous Materials.

17. Force Majeure. Company's duty to perform under this Agreement is contingent upon the non-occurrence of an Event of Force Majeure. If Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or (ii) be terminated upon 10 days' notice to Customer, in which event Customer shall pay Company for all parts of the Work furnished to the date of termination. An "Event of Force Majeure" shall mean any cause or event beyond the control of Company. Without limiting the foregoing, "Event of Force Majeure" includes: acts of God; acts of terrorism, war or the public enemy; flood; earthquake; tornado; storm; fire; civil disobedience; pandemic insurrections; riots; labor/labour disputes; labor/labour or material shortages; sabotage; restraint by court order or public authority (whether valid or invalid), and action or non-action by or inability to obtain or keep in force the necessary governmental authorizations, permits, licenses, certificates or approvals if not caused by Company; and the requirements of any applicable government in any manner that diverts either the material or the finished product to the direct or indirect benefit of the government.

18. Customer's Breach. Each of the following events or conditions shall constitute a breach by Customer and shall give Company the right, without an election of remedies, to terminate this Agreement or suspend performance by delivery of written notice: (1) Any failure by Customer to pay amounts when due; or (2) any general assignment by Customer for the benefit of its creditors, or if Customer becomes bankrupt or insolvent or takes the benefit of any statute for bankrupt or insolvent debtors, or makes or proposes to make any proposal or arrangement with creditors, or if any steps are taken for the winding up or other termination of Customer or the liquidation of its assets, or if a trustee, receiver, or similar person is appointed over any of the assets or interests of Customer; (3) Any representation or warranty furnished by Customer in this Agreement is false or misleading in any material respect when made; or (4) Any failure by Customer to perform or comply with any material provision of this Agreement. Customer shall be liable to Company for all Work furnished to date and all damages sustained by Company (including lost profit and overhead)

19. Indemnity. To the fullest extent permitted by law, Company and Customer shall indemnify, defend and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or tangible personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the acts or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

20. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY SPECIAL, LIQUIDATED INCIDENTAL, INDIRECT CONSEQUENTIAL, OR PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING WITHOUT LIMITATION BUSINESS INTERRUPTION, LOST DATA, LOST REVENUE, LOST PROFITS, LOST DOLLAR SAVINGS, OR LOST ENERGY USE SAVINGS, INCLUDING CONTAMINANTS LIABILITIES, EVEN IF A PARTY HAS BEEN ADVISED OF SUCH POSSIBLE DAMAGES OR IF SAME WERE REASONABLY FORESEEABLE AND REGARDLESS OF WHETHER THE CAUSE OF ACTION IS FRAMED IN CONTRACT, NEGLIGENCE, ANY OTHER TORT, WARRANTY, STRICT LIABILITY, OR PRODUCT LIABILITY). In no event will Company's liability in connection with the provision of products or services or otherwise under this Agreement exceed the entire amount paid to Company by Customer under this Agreement.

21. CONTAMINANTS LIABILITY

The transmission of COVID-19 may occur in a variety of ways and circumstances, many of the aspects of which are currently not known. HVAC systems, products, services and other offerings have not been tested for their effectiveness in reducing the spread of COVID-19, including through the air in closed environments. **IN NO EVENT WILL COMPANY BE LIABLE UNDER THIS AGREEMENT OR OTHERWISE FOR ANY INDEMNIFICATION, ACTION OR CLAIM, WHETHER BASED ON WARRANTY, CONTRACT, TORT OR OTHERWISE, FOR ANY BODILY INJURY (INCLUDING DEATH), DAMAGE TO PROPERTY, OR ANY OTHER LIABILITIES,**

DAMAGES OR COSTS RELATED TO CONTAMINANTS (INCLUCING THE SPREAD, TRANSMISSION, MITIGATION, ELIMINATION, OR CONTAMINATION THEREOF) (COLLECTIVELY, "CONTAMINANT LIABILITIES") AND CUSTOMER HEREBY EXPRESSLY RELEASES COMPANY FROM ANY SUCH CONTAMINANTS LIABILITIES.

22. Patent Indemnity. Company shall protect and indemnify Customer from and against all claims, damages, judgments and loss arising from infringement or alleged infringement of any United States patent by any of the goods manufactured by Company and delivered hereunder, provided that in the event of suit or threat of suit for patent infringement, Company shall promptly be notified and given full opportunity to negotiate a settlement. Company does not warrant against infringement by reason of Customer's design of the articles or the use thereof in combination with other materials or in the operation of any process. In the event of litigation, Customer agrees to reasonably cooperate with Company. In connection with any proceeding under the provisions of this Section, all parties concerned shall be entitled to be represented by counsel at their own expense.

23. Limited Warranty. Company warrants for a period of 12 months from the date of substantial completion ("Warranty Period") commercial equipment manufactured and installed by Company against failure due to defects in material and manufacture and that the labor/labour furnished is warranted to have been properly performed (the "Limited Warranty"). Trane equipment sold on an uninstalled basis is warranted in accordance with Company's standard warranty for supplied equipment. **Product manufactured by Company that includes required startup and is sold in North America will not be warranted by Company unless Company performs the product start-up**. Substantial completion shall be the earlier of the date that the Work is sufficiently complete so that the Work can be utilized for its intended use or the date that Customer receives beneficial use of the Work. If such defect is discovered within the Warranty Period, Company will correct the defect or furnish replacement equipment (or, at its option, parts therefor) and, if said equipment was installed pursuant hereto, labor/labour associated with the replacement of parts or equipment not conforming to this Limited Warranty. Defects must be reported to Company within the Warranty Period. Exclusions from this Limited Warranty include damage or failure arising from: wear and tear; corrosion, erosion, deterioration; Customer's failure to follow the Company-provided maintenance plan; refrigerant not supplied by Company; and modifications made by others to Company's equipment. Company shall not be obligated to pay for the cost of lost refrigerant. Notwithstanding the foregoing, all warranties provided herein terminate upon termination or cancellation of this Agreement. No warranty liability whatsoever shall attach to Company until the Work has been paid for in full and then said liability shall be limited to the lesser of Company's cost to correct the defective Work and/or the purchase price of the equipment shown to be defective. Equipment, material and/or parts that are not manufactured by Company ("Third-Party Product(s)" are not warranted by Company and have such warranties as may be extended by the respective manufacturer. **CUSTOMER UNDERSTANDS THAT COMPANY IS NOT THE MANUFACTURER OF ANY THIRD-PARTY PRODUCT(S) AND ANY WARRANTIES, CLAIMS, STATEMENTS, REPRESENTATIONS, OR SPECIFICATIONS ARE THOSE OF THE THIRD-PARTY MANUFACTURER, NOT COMPANY AND CUSTOMER IS NOT RELYING ON ANY WARRANTIES, CLAIMS, STATEMENTS, REPRESENTATIONS, OR SPECIFICATIONS REGARDING THE THIRD-PARTY PRODUCT THAT MAY BE PROVIDED BY COMPANY OR ITS AFFILIATES, WHETHER ORAL OR WRITTEN. THE WARRANTY AND LIABILITY SET FORTH IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, WHETHER IN CONTRACT OR IN NEGLIGENCE, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND/OR OTHERS ARISING FROM COURSE OF DEALING OR TRADE. COMPANY MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, INCLUDING WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. ADDITIONALLY, COMPANY MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND REGARDING PREVENTING, ELIMINATING, REDUCING OR INHIBITING ANY MOLD, FUNGUS, BACTERIA, VIRUS, MICROBIAL GROWTH, OR ANY OTHER CONTAMINANTS (INCLUDING COVID-19 OR ANY SIMILAR VIRUS) (COLLECTIVELY, "CONTAMINANTS"), WHETHER INVOLVING OR IN CONNECTION WITH EQUIPMENT, ANY COMPONENT THEREOF, SERVICES OR OTHERWISE. IN NO EVENT SHALL COMPANY HAVE ANY LIABILITY FOR THE PREVENTION, ELIMINATION, REDUCTION OR INHIBITION OF THE GROWTH OR SPREAD OF SUCH CONTAMINANTS INVOLVING OR IN CONNECTION WITH ANY EQUIPMENT, THIRD-PARTY PRODUCT, OR ANY COMPONENT THEREOF, SERVICES OR OTHERWISE AND CUSTOMER HEREBY SPECIFICALLY ACKNOWLEDGES AND AGREES THERETO.**

24 Insurance.

a. Company agrees to maintain the following insurance while the Work is being performed with limits not less than shown below and will, upon request from Customer, provide a Certificate of evidencing the following coverage:

Commercial General Liability	$2,000,000 per occurrence
Automobile Liability	$2,000,000 CSL
Workers Compensation	Statutory Limits

If Customer has requested to be named as an additional insured under Company's insurance policy, Company will do so but only subject to Company's manuscript additional insured endorsement under its primary Commercial General Liability policies. In no event does Company waive its right of subrogation.

b. Customer's Liability and Property Insurance. (a) Customer shall be responsible for purchasing and maintaining Commercial General Liability Insurance of the type and amount Customer deems necessary and appropriate. (b) Customer shall purchase and maintain until Final Payment property insurance for the installation work in progress at least in an amount equal to the Proposal Price, as the same may be adjusted from time to time, for the installation work (including the equipment) on a replacement cost basis with a deductible of no more than $5,000 from an insurer reasonably acceptable to Trane. Such property insurance shall include the interests of Customer, Trane, and its subcontractors (at whatever tier) as additional insureds as their interests may appear. The property insurance purchased by Customer shall be on an all-risk policy form. The property insurance shall cover portions of the installation work stored off site after written approval of Customer at the value established in the approval. Customer, for itself and its insurance carriers, hereby waives all rights of subrogation against Trane and any of its subcontractors, agents, employees, and officers with respect to property insurance and any other insurance coverages maintained by Customer. (c) A loss insured under Customer's property insurance shall be adjusted by Customer's Insurer as a fiduciary and made payable to Customer as a fiduciary for the insureds, as their respective interests may appear, subject to requirements of any applicable mortgagee clause. Trane shall pay its subcontractors their just shares of insurance proceeds received by Customer and remitted to Trane, and, by appropriate agreements, written where legally required for validity, shall require said subcontractors to make payments to their subcontractors in a similar manner. In its fiduciary role, Customer shall have the power to negotiate and settle a loss with insurers; provided, however, that at least ten (10) days prior to agreeing to the proposed settlement, Customer shall advise the parties in interest in writing of the terms of the same and the parties in interest shall have seven (7) days thereafter to object in writing to the proposed adjustment or settlement; if such objection is made, Customer shall not enter into or agree to the proposed adjustment. (d) Certificates of insurance acceptable to the Customer and to Trane shall be provided by each party to the other prior to commencement of performance of any Services. Such certificates shall contain a provision that coverages afforded under the policies will not be canceled or allowed to expire until at least thirty (30) days prior written notice has been given to the other party. If any of the insurance coverages are required to remain in force after final payment and are reasonably available, an additional certificate evidencing continuation of such coverage shall be submitted with the final application for payment.

25. Commencement of Statutory Limitation Period. Except as to warranty claims, as may be applicable, any applicable statutes of limitation for acts or failures to act shall commence to run, and any alleged cause of action stemming therefrom shall be deemed to have accrued, in any and all events not later than the last date that Company or its subcontractors physically performed work on the project site.

26. General. Except as provided below, to the maximum extent provided by law, this Agreement is made and shall be interpreted and enforced in accordance with the laws of the state or province in which the Work is performed, without regard to choice of law principles which might otherwise call for the application of a different state's or province's law. Any dispute arising under or relating to this Agreement that is not disposed of by agreement shall be decided by litigation in a court of competent jurisdiction located in the state or province in which the Work is performed. To the extent the Work site is owned and/or operated by any agency of the Federal Government, determination of any substantive issue of law shall be according to the Federal common law of Government contracts as enunciated and applied by Federal judicial bodies and boards of contract appeals of the Federal Government. This Agreement contains all of the agreements, representations and understandings of the parties and supersedes all previous understandings, commitments or agreements, oral or written, related to the subject matter hereof. This Agreement may not be amended, modified or terminated except by a writing signed by the parties hereto. No documents shall be incorporated herein by reference except to the extent Company is a signatory thereon. If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto. Customer may not assign, transfer, or convey this Agreement, or any part hereof, or its right, title or interest herein, without the written consent of the Company. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of Customer's permitted successors and assigns. This Agreement may be executed in several counterparts, each of which when executed shall be deemed to be an original, but all together shall constitute but one and the same Agreement. A fully executed facsimile copy hereof or the several counterparts shall suffice as an original.

27. Federal Requirements. The Parties shall comply with all United States federal labor law obligations under 29 CFR part 471, appendix A to subpart A. THE FOLLOWING PROVISIONS ARE INCORPORATED HEREIN BY REFERENCE: Executive Order 11701 and 41 CFR §§ 60-250.5(a), 60-300.5; Executive Order 11758 and 41 CFR § 60-741.5(a); U.S. immigration laws, including the L-1 Visa Reform Act of 2004 and the H-1B Visa Reform Act of 2004; and Executive Order 13496. The Parties shall abide by the requirements of 41 CFR 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to protected veteran status or disability. The Parties certify that they do not operate any programs promoting DEI that violate any applicable United States anti-discrimination laws and acknowledge and agree that their compliance with all applicable federal anti-discrimination laws is material to the federal government's payment decisions. The Parties acknowledge and agree that their employment, procurement, and contracting practices shall not consider race, color, sex, sexual preference, religion, or national origin in ways that violate United States federal civil rights laws.

28. Export Laws. The obligation of Company to supply Equipment and/or Services under this Agreement is subject to the ability of Company to supply such items consistent with applicable laws and regulations of the United States and other governments. Company reserves the right to refuse to enter into or perform any order, and to cancel any order, under this Agreement if Company in its sole discretion determines that performance of the transaction to which such order relates would violate any such applicable law or regulation. Customer will pay all handling and other similar costs from Company's factories including the costs of freight, insurance, export clearances, import duties and taxes. Customer will be "exporter of record" with respect to any export from the United States of America and will perform all compliance and logistics functions in connection therewith and will also comply with all applicable laws, rules and regulations. Customer understands that Company and/or the Equipment and/or Services are subject to laws and regulations of the United States of America which may require licensing or authorization for and/or prohibit export, re-export or diversion of Company's Equipment and/or Services to certain countries, and agrees it will not knowingly assist or participate in any such diversion or other violation of applicable United States of America laws and regulations. Customer agrees to hold harmless and indemnify Company for any damages resulting to Customer or Company from a breach of this paragraph by Customer.

29. U.S. Government Work.

The following provision applies only to direct sales by Company to the US Government. The Parties acknowledge that all items or services ordered and delivered under this Agreement are Commercial Items as defined under Part 12 of the Federal Acquisition Regulation (FAR). In particular, Company agrees to be bound only by those Federal contracting clauses that apply to "commercial" suppliers and that are contained in FAR 52.212-5(e)(1). Company complies with 52.219-8 or 52.219-9 in its service and installation contracting business.

The following provision applies only to indirect sales by Company to the US Government. As a Commercial Item Subcontractor, Company accepts only the following mandatory flow down provisions in effect as of the date of this subcontract: 52.203-19; 52.204-21; 52.204-23; 52.219-8; 52.222-21; 52.222-26; 52.222-35; 52.222-36; 52.222-50; 52.225-26; 52.247-64. If the Work is in connection with a U.S. Government contract, Customer certifies that it has provided and will provide current, accurate, and complete information, representations and certifications to all government officials, including but not limited to the contracting officer and officials of the Small Business Administration, on all matters related to the prime contract, including but not limited to all aspects of its ownership, eligibility, and performance. Anything herein notwithstanding, Company will have no obligations to Customer unless and until Customer provides Company with a true, correct and complete executed copy of the prime contract. Upon request, Customer will provide copies to Company of all requested written communications with any government official related to the prime contract prior to or concurrent with the execution thereof, including but not limited to any communications related to Customer's ownership, eligibility or performance of the prime contract. Customer will obtain written authorization and approval from Company prior to providing any government official any information about Company's performance of the work that is the subject of the Proposal or this Agreement, other than the Proposal or this Agreement.

30. Limited Waiver of Sovereign Immunity. If Customer is an Indian tribe (in the U.S.) or a First Nation or Band Council (in Canada), Customer, whether acting in its capacity as a government, governmental entity, a duly organized corporate entity or otherwise, for itself and for its agents, successors, and assigns: (1) hereby provides this limited waiver of its sovereign immunity as to any damages, claims, lawsuit, or cause of action (herein "Action") brought against Customer by Company and arising or alleged to arise out of the furnishing by Company of any product or service under this Agreement, whether such Action is based in contract, tort, strict liability, civil liability or any other legal theory; (2) agrees that jurisdiction and venue for any such Action shall be proper and valid (a) if Customer is in the U.S., in any state or United States court located in the state in which Company is performing this Agreement or (b) if Customer is in Canada, in the superior court of the province or territory in which the work was performed; (3) expressly consents to such Action, and waives any objection to jurisdiction or venue; (4) waives any requirement of exhaustion of tribal court or administrative remedies for any Action arising out of or related to this Agreement; and (5) expressly acknowledges and agrees that Company is not subject to the jurisdiction of Customer's tribal court or any similar tribal forum, that Customer will not bring any action against Company in tribal court, and that Customer will not avail itself of any ruling or direction of the tribal court permitting or directing it to suspend its payment or other obligations under this Agreement. The individual signing on behalf of Customer warrants and represents that such individual is duly authorized to provide this waiver and enter into this Agreement and that this Agreement constitutes the valid and legally binding obligation of Customer, enforceable in accordance with its terms.

31. Building Automation Systems and Network Security. Customer and Trane acknowledge that Building Automation System (BAS) and connected networks security requires Customer and Trane to maintain certain cybersecurity obligations. Customer acknowledges that upon completion of installation and configuration of the BAS, the Customer maintains ownership of the BAS and the connected network equipment. Except for any applicable warranty obligations, Customer is solely responsible for the maintenance and security of the BAS and related networks and systems. In the event there is a service agreement between Trane and Customer, Trane will provide the services as set forth in the service agreement.

In order to maintain a minimum level of security for the BAS, associated networks, network equipment and systems, Customer's cybersecurity responsibilities include without limitation:

1. Ensure that the BAS, networks, and network equipment are physically secure and not accessible to unauthorized personnel.
2. Ensure the BAS remains behind a secure firewall and properly segmented from all other customer networks and systems, especially those with sensitive information.
3. Keep all Inbound ports closed to any IP Addresses in the BAS.
4. Remove all forwarded inbound ports and IP Addresses to the BAS.
5. Maintain user login credentials and unique passwords, including the use of strong passwords and the removal of access for users who no longer require access.
6. Where remote access is desired, utilize a secure method such as Trane Connect Secure Remote Access or your own VPN.
7. For any Trane services requiring remote data transfer and/or remote user access, configure the BAS and related firewall(s) per instructions provided by Trane. This typically includes configuring Port 443 and associated firewall(s) for Outbound only.
8. Perform regular system maintenance to ensure that your BAS is properly secured, including regular software updates to your BAS and related network equipment (i.e., firewalls).

Any and all claims, actions, losses, expenses, costs, damages, or liabilities of any nature due to Customer's failure to maintain BAS security responsibilities and/or industry standards for cybersecurity are the sole responsibility of the Customer.

1-26.251-10 (07072025)
Supersedes 1-26.251-10(0325)

SECURITY ADDENDUM

This Addendum shall be applicable to the sale, installation and use of Trane equipment and the sale and provision of Trane services. "Trane" shall mean Trane U.S. Inc. for sales and services in the United States, or Trane Canada ULC for sales and services in Canada.

1. **Definitions.** All terms used in this Addendum shall have the meaning specified in the Agreement unless otherwise defined herein. For the purposes of this Addendum, the following terms are defined as follows:
"Customer Data" means Customer account information as related to the Services only and does not include HVAC Machine Data or personal data. Trane does not require, nor shall Customer provide personal data to Trane under the Agreement. Such data is not required for Trane to provide its Equipment and/or Services to the Customer.
"Equipment" shall have the meaning set forth in the Agreement.
"HVAC Machine Data" means data generated and collected from the product or furnished service without manual entry. HVAC Machine Data is data relating to the physical measurements and operating conditions of a HVAC system, such as but not limited to, temperatures, humidity, pressure, HVAC equipment status. HVAC Machine Data does not include Personal Data and, for the purposes of this agreement, the names of users of Trane's controls products or hosted applications shall not be Personal Data, if any such user chooses to use his/her name(s) in the created accounts within the controls product (e.g., firstname.lastname@address.com). HVAC Machine Data may be used by Trane: (a) to provide better support services and/or products to users of its products and services; (b) to assess compliance with Trane terms and conditions; (c) for statistical or other analysis of the collective characteristics and behaviors of product and services users; (d) to backup user and other data or information and/or provide remote support and/or restoration; (e) to provide or undertake: engineering analysis; failure analysis; warranty analysis; energy analysis; predictive analysis; service analysis; product usage analysis; and/or other desirable analysis, including, but not limited to, histories or trends of any of the foregoing; and (f) to otherwise understand and respond to the needs of users of the product or furnished service. "Personal Data" means data and/or information that is owned or controlled by Customer, and that names or identifies, or is about a natural person, such as: (i) data that is explicitly defined as a regulated category of data under any data privacy laws applicable to Customer; (ii) non-public personal information ("NPI") or personal information ("PI"), such as national identification number, passport number, social security number, social insurance number, or driver's license number; (iii) health or medical information, such as insurance information, medical prognosis, diagnosis information, or genetic information; (iv) financial information, such as a policy number, credit card number, and/or bank account number; (v) personally identifying technical information (whether transmitted or stored in cookies, devices, or otherwise), such as IP address, MAC address, device identifier, International Mobile Equipment Identifier ("IMEI"), or advertising identifier; (vi) biometric information; and/or (vii) sensitive personal data, such as, race, religion, marital status, disability, gender, sexual orientation, geolocation, or mother's maiden name.
"Security Incident" shall refer to (i) a compromise of any network, system, application or data in which Customer Data has been accessed or acquired by an unauthorized third party; (ii) any situation where Trane reasonably suspects that such compromise may have occurred; or (iii) any actual or reasonably suspected unauthorized or illegal Processing, loss, use, disclosure or acquisition of or access to any Customer Data.
"Services" shall have the meaning set forth in the Agreement.

2. HVAC Machine Data; Access to Customer Extranet and Third Party Systems. If Customer grants Trane access to HVAC Machine Data via web portals or other non-public websites or extranet services on Customer's or a third party's website or system (each, an "Extranet"), Trane will comply with the following:
    a. Accounts. Trane will ensure that Trane's personnel use only the Extranet account(s) designated by Customer and will require Trane personnel to keep their access credentials confidential.
    b. Systems. Trane will access the Extranet only through computing or processing systems or applications running operating systems managed by Trane that include: (i) system network firewalls; (ii) centralized patch management; (iii) operating system appropriate anti-malware software; and (iv) for portable devices, full disk encryption.
    c. Restrictions. Unless otherwise approved by Customer in writing, Trane will not download, mirror or permanently store any HVAC Machine Data from any Extranet on any medium, including any machines, devices or servers.
    d. Account Termination. Trane will terminate the account of each of Trane's personnel in accordance with Trane's standard practices after any specific Trane personnel who has been authorized to access any Extranet (1) no longer needs access to HVAC Machine Data or (2) no longer qualifies as Trane personnel (e.g., the individual leaves Trane's employment).
    e. Third Party Systems. Trane will provide Customer prior notice before it uses any third party system that stores or may otherwise have access to HVAC Machine Data, unless (1) the data is encrypted and (2) the third party system will not have access to the decryption key or unencrypted "plain text" versions of the HVAC Machine Data.

3. Customer Data; Confidentiality. Trane shall keep confidential, and shall not access or use any Customer Data and information that is marked confidential or by its nature is considered confidential ("Customer Confidential Information") other than for the purpose of providing the Equipment and Services, and will disclose Customer Confidential Information only: (i) to Trane's employees and agents who have a need to know to perform the Services, (ii) as expressly permitted or instructed by Customer, or (iii) to the minimum extent required to comply with applicable law, provided that Trane (1) provides Customer with prompt written notice prior to any such disclosure, and (2) reasonably cooperate with Customer to limit or prevent such disclosure.

4. Customer Data; Compliance with Laws. Trane agrees to comply with laws, regulations governmental requirements and industry standards and practices relating to the Trane's processing of Customer Confidential Information (collectively, "***Laws***").

5. Customer Data; Information Security Management. Trane agrees to establish and maintain an information security and privacy program, consistent with applicable HVAC equipment industry practices that complies with this Addendum and applicable Laws ("***Information Security Program***"). The Information Security Program shall include appropriate physical, technical and administrative safeguards, including any safeguards and controls agreed by the Parties in writing, sufficient to protect Customer systems, and Customer's Confidential Information from unauthorized access, destruction, use, modification or disclosure. The Information Security Program shall include appropriate, ongoing training and awareness programs designed to ensure that Trane's employees and agents, and others acting on Trane's, behalf are aware of and comply with the Information Security Program's policies, procedures, and protocols.

6. Monitoring. Trane shall monitor and, at regular intervals consistent with HVAC equipment industry practices, test and evaluate the effectiveness of its Information Security Program. Trane shall evaluate and promptly adjust its Information Security Program in light of the results of the testing and monitoring, any material changes to its operations or business arrangements, or any other facts or circumstances that Trane knows or reasonably should know may have a material impact on the security of Customer Confidential Information, Customer systems and Customer property.

7. Audits. Customer acknowledges and agrees that the Trane SOC2 audit report will be used to satisfy any and all audit/inspection requests/requirements by or on behalf of Customer. Trane will make its SOC2 audit report available to Customer upon request and with a signed nondisclosure agreement.

8. Information Security Contact. Trane's information security contact is Local Sales Office.

9. Security Incident Management. Trane shall notify Customer after the confirmation of a Security Incident that affects Customer Confidential Information, Customer systems and Customer property. The written notice shall summarize the nature and scope of the Security Incident and the corrective action already taken or planned.

10. Threat and Vulnerability Management. Trane regularly performs vulnerability scans and addresses detected vulnerabilities on a risk basis. Periodically, Trane engages third-parties to perform network vulnerability assessments and penetration testing. Vulnerabilities will be reported in accordance with Trane's cybersecurity vulnerability reported process. Trane periodically provides security updates and software upgrades.

11. Security Training and Awareness. New employees are required to complete security training as part of the new hire process and receive annual and targeted training (as needed and appropriate to their role) thereafter to help maintain compliance with Security Policies, as well as other corporate policies, such as the Trane Code of Conduct. This includes requiring Trane employees to annually re-acknowledge the Code of Conduct and other Trane policies as appropriate. Trane conducts periodic security awareness campaigns to educate personnel about their responsibilities and provide guidance to create and maintain a secure workplace.

12. Secure Disposal Policies. Trane will maintain policies, processes, and procedures regarding the disposal of tangible and intangible property containing Customer Confidential Information so that wherever possible, Customer Confidential Information cannot be practicably read or reconstructed.
13. Logical Access Controls. Trane employs internal monitoring and logging technology to help detect and prevent unauthorized access attempts to Trane's corporate networks and production systems. Trane's monitoring includes a review of changes affecting systems' handling authentication, authorization, and auditing, and

privileged access to Trane production systems. Trane uses the principle of “least privilege” (meaning access denied unless specifically granted) for access to customer data.

14. Contingency Planning/Disaster Recovery. Trane will implement policies and procedures required to respond to an emergency or other occurrence (i.e. fire, vandalism, system failure, natural disaster) that could damage Customer Data or any system that contains Customer Data. Procedures include the following
    a. Data backups; and
    b. Formal disaster recovery plan. Such disaster recovery plan is tested at least annually.

15. Return of Customer Data. If Trane is responsible for storing or receiving Customer Data, Trane shall, at Customer’s sole discretion, deliver Customer Data to Customer in its preferred format within a commercially reasonable period of time following the expiration or earlier termination of the Agreement or, such earlier time as Customer requests, securely destroy or render unreadable or undecipherable each and every original and copy in every media of all Customer’s Data in Trane’s possession, custody or control no later than [90 days] after receipt of Customer’s written instructions directing Trane to delete the Customer Data.

16. Background Checks. Trane shall take reasonable steps to ensure the reliability of its employees or other personnel having access to the Customer Data, including the conducting of appropriate background and/or verification checks in accordance with Trane policies.

17. DISCLAIMER OF WARRANTIES. EXCEPT FOR ANY APPLICABLE WARRANTIES IN THE AGREEMENT, THE SERVICES ARE PROVIDED "AS IS", WITH ALL FAULTS, AND THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT AS TO SUCH SERVICES SHALL BE WITH CUSTOMER. TRANE DISCLAIMS ANY AND ALL OTHER EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE SERVICES AND THE SERVICES PROVIDED HEREUNDER, INCLUDING ANY EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR THAT THE SERVICES WILL OPERATE ERROR-FREE OR UNINTERRUPTED OR RETURN/RESPONSE TO INQUIRIES WITHIN ANY SPECIFIC PERIOD OF TIME.

Granbury, TX 76048

RE: Professional Services Agreement Between EMA Engineering & Consulting and Granbury Independent School District

EMA Engineering & Consulting, Inc. hereby submits the following proposal for professional services to Granbury Independent School District for the STEAM Academy at Mambrino & Acton Middle School HVAC Renovation project.

EMA's services for this project will include:

- Team approach and attitude (e.g., Owner, Engineers, Contractors).
- Initial meetings and reviews with Owner to obtain scope of work, define work packages, budgets, priorities, phasing, scheduling, problems, maintenance needs, facility needs, standardization, etc.
- Obtain any specific Owner requirements. Meet with Owner's maintenance and facility personnel.
- Evaluate scope of work with budgets, schedules, etc. and coordinate with Owner.
- Working with Owner to develop specific scope of work by phase, priority, and budget. Define work packages.
- Design plans, specifications, and construction documents. Conduct coordination/review meetings.
- Complete final plans and specifications for construction.
- Assist in the bidding and procurement process.
- Provide construction administration services.

Scope of work for this project includes:

STEAM Academy at Mambrino and Acton Middle School – HVAC Renovation

This project documents and coordinates the replacement of forty-four (44) rooftop units (RTUs) at STEAM Academy at Mambrino and one (1) water-source heat pump (WSHP) and one (1) RTU at Acton Middle School. The equipment is owner-furnished, but we maintain our standard scope of work and perform full due diligence for all MEP design and documentation.

Our fixed fee for this work is $65,000 based on a total coordinated construction value of approximately $965,000, including the mechanical and controls contracts. This fee includes professional liability insurance, travel expenses, site observations, submittal review, RFI consultation, Revit/CAD drafting, and digital submission of all construction documents. All services will be performed with a standard of care customary for our profession and region. Both parties agree to resolve any disputes through mediation before pursuing other legal remedies.

Note: This proposal also excludes structural engineering, permitting fees, hazardous materials consulting, and unrelated building renovations.

EMA Engineering & Consulting, Inc. will invoice on the following schedule:

75% Construction Documents	30% of Fee
100% Construction Documents	45% of Fee
Construction Administration	25% of Fee

EMA Engineering & Consulting, Inc. — 1.800.933.0538
EMAengineer.com

EMA
DESIGN SOLVE ENHANCE

If additional work or services are requested, our hourly rates are as follows:

Professional Engineer	$250/hour
Principal	$200/hour
Project Manager/Designer	$165/hour
Construction Admin/Commissioning	$145/hour
CADD Draftsmen	$100/hour
Administration	$80/hour

If the above is acceptable, please provide the appropriate signature to authorize us to begin work. We certainly appreciate the opportunity to provide this agreement. If you have any questions, please call me.

Sincerely,

Malek Bekka, P.E.
Principal

GRANBURY INDEPENDENT SCHOOL DISTRICT

GISD Board Agenda MEMO

Teaching and Learning Department

TO: Dr. Courtney Morawski, Superintendent
GISD Board of Trustees

FROM: Leah Dawson
DATE: March 23, 2026
RE: GISD Library Book Order

SUMMARY:

In accordance with District Procedures and Senate Bill 13 regarding Library materials selection, I am submitting the March 2026 library book order for review and approval by the Board of Trustees.

This order includes titles selected by campus librarians to support curriculum needs, promote student literacy, and ensure balanced, age-appropriate collections across all grade levels. All titles have been reviewed using the District's Library Materials Selection Criteria and Collection Development Guidelines and comply with state requirements under House Bill 900

Upon Board approval, these materials will be processed and distributed to campus libraries for student access.

RECOMMENDATION:

It is recommended that the Board of Trustees approve the March 2026 library book order as presented.

Respectfully submitted,

Leah Dawson
Student Services Coordinator

Granbury ISD Board Memo

To: Dr. Courtney Morawski, Superintendent & Board of Trustees

From: Karla Willmeth, Assistant Director of Teaching & Learning

Date: March 23, 2026

Re: Approval of the 2026–2027 Certification of Provision of Instructional Materials

---

Overview

In accordance with Texas Education Code §31.1011, all school districts are required to annually certify to the State Board of Education and the Commissioner of Education that, for each subject area in the required curriculum (excluding Physical Education), all students will have access to instructional materials that cover 100% of the Texas Essential Knowledge and Skills (TEKS) for the upcoming school year.

Additionally, per Texas Administrative Code 19 TAC §66.105, districts must certify compliance with requirements to protect students from accessing obscene or harmful online content. This includes adherence to the federal Children's Internet Protection Act (CIPA), 47 USC §254(h)(5)(B) and (C).

These certifications must be reviewed and ratified by the Board of Trustees in a public, noticed meeting. The Texas Education Agency (TEA) will not permit the district to order instructional materials through the EMAT system until all certifications have been received and approved.

District Review Process

Teaching & Learning staff have reviewed all primary and supplemental instructional materials used across GISD for the 2026–2027 school year and has confirmed:

- The resources listed cover all required TEKS for their subject areas.
- New materials for 2026–2027 have been included in the updated resource list.
- All technology systems continue to comply with CIPA filtering and protection requirements.

This review ensures that GISD remains in compliance with state requirements and is fully prepared for instructional planning and EMAT ordering for the next school year.

Recommendation: It is recommended that the Board approve the Certification of Provision of Instructional Materials Survey for 2026–2027.

Respectfully submitted,

Karla Willmeth

Assistant Director of Teaching & Learning

Certification of Provision of Instructional Materials Survey 2026–27

Survey Prework Form

2026–27 Certification of Provision of Instructional Materials

In accordance with Texas Education Code (TEC) §31.1011 local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section 28.0022; (iii) Section 43.22, Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prework Form:** The prework form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prework form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prework Form and upload the signature page.
    - The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

The 2026–27 Certification of Provision of Instructional Materials process requires:

- The completion of the Certification 2026–27 Prework Form,
- Ratification by the local school system's board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload the last page of the ratified Certification 2026–27 Prework Form.

TEA recommends that local school systems complete the prework form and survey by **May 1, 2026**. The prework form and survey can be found on the Certification of Provision of Instructional Materials web page.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification process **is required** to regain access to allotment funds when EMAT reopens.

Certification 2026–27 Survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prework Form**: Print the fillable Certification 2026–27 Prework Form on the Certification of Provision of Instructional Materials web page.
2. **Gather information**: The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prework Form**: Complete the prework form by hand or digitally.
4. **Schedule and obtain needed signatures**: Coordinate placement of the Certification 2026–27 Prework Form on the agenda of an open, publicly noticed board meeting and secure formal ratification by the local school system's board of trustees or governing body.
5. **Submit Certification 2026–27 Survey**: Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the last page of the signed and ratified Certification 2026–27 Prework Form from step 4.

The survey will be open for submissions beginning Tuesday, February 17, 2026, and will be located on the Certification of Provision of Instructional Materials web page.

Additional Supports

For the Certification of Provision of Instructional Materials process, local school systems are highly encouraged to:

- View detailed Instructional Materials Review and Approval (IMRA) reports for all instructional materials reviewed through the IMRA process at im.tea.texas.gov.
- Refer to the IMRA List of SBOE-Approved Instructional Materials and SBOE-Rejected Instructional Materials.
- Attend the TEA webinar about the Certification of Provision of Instructional Materials process for 2026–27 on **Tuesday, February 17th, at 11:00 a.m. CST**. Registration is required.
- Attend TEA office hours to get help and support with the Certification of Provision of Instructional Materials process; registration is required.
    - Monday, March 2nd, at 11:00 a.m. CST | Register on Zoom
    - Thursday, March 5th, at 11:00 a.m. CST. | Register on Zoom
- View the Certification of Provision of Instructional Materials Resource List | 2026–27
- Request a copy of the previous year's submission (if needed) by submitting a Help Desk Ticket.

For questions about the Certification of Provision 2026–27 Prework Form, survey, or process, please submit a Help Desk ticket.

Terminology

- **Scope and Sequence**: A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.

- **Full-subject materials** (often referred to as Tier one or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

- **Supplemental materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

- **SBOE-Approved Instructional Materials**: SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE Approved Instructional Materials Entitlement as outlined in Section 48.307.

- **State-Adopted Instructional Materials**: state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

Qualtrics Survey and Prework Form Guidance

Please note that the format of the Certification 2026–27 Prework Form **will not** match the appearance of the official Certification 2026–27 Qualtrics Survey. While the **questions are identical**, this form uses **open-ended text boxes** for responses. In the survey, the questions will be presented with **drop-down menus** containing predefined answer choices.

To help support completion of the Certification 2026–27 Prework Form accurately—and to ensure responses align with the options that will appear in the survey—an additional resource is provided. The Certification of Provision of Instructional Materials Resource List provides all the instructional materials that will appear in the survey's questions with drop-down menus.

Please ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, you will be asked to manually enter the publisher and product name(s).

It is highly recommended to refer to this resource while completing this prework form.

Instructional Materials Procurement Reminder

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

Certification 2026–27 Survey

Questions Background Information

QUESTION 1.0:
Name of person completing this form:
Karla Willmeth, Assistant Director of Teaching & Learning

QUESTION 1.1:
Your email address:
karla.willmeth@granburyisd.org

QUESTION 1.2:
Select the role that best describes your position at your district or charter: [Single Select]

☐ Instructional Materials Coordinator

X Curriculum Director

☐ Principal

☐ Administrative Assistant

☐ Superintendent

☐ Other

Local School System Information

Please note: The information provided will be publicly accessible. Only school-related details should be entered in the fields below (e.g., use work-related email addresses).

QUESTION 2.0:
Region # 11

QUESTION 2.1:
School system name and number
Granbury ISD 111-901

QUESTION 2.2:
Name of superintendent
Courtney Morawski

QUESTION 2.3:
Email address of the superintendent
217 N Jones Street, Granbury, TX 76048

QUESTION 2.4:
Name of the school board president or officer of the governing body
Courtney Gore - GISD Trustee, President (place 4)

QUESTION 2.5:
Email address of the school board president or officer of the governing body
place4@granburyisd.org

QUESTION 2.6:
Date of the local board of trustees or governing body meeting at which the certification prework form was presented and approved?

Reading Language Arts Certification Scope and Sequence: All Grade Levels RLA

QUESTION 3.0:
Are instructional materials for English RLA and phonics managed at the local school system level and generally consistent across classrooms within the same grade level?

x Yes
☐ No

English Reading Language Arts K–5 TEKS Coverage Certification

QUESTION 4.0:
For school year 2026–27, will your local school system provide materials to cover 100% of the **English RLA TEKS grades K–5?** (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials.) [Single Select]

x Yes
☐ No

English Reading Language Arts K–5 Instructional Materials

QUESTION 5.0:
Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your district will use regularly (once a week or more, on average) for **English RLA and/or Phonics grades K–5** instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

English RLA and/or Phonics grades K–5 full-subject and/or supplemental publisher(s)/ product(s) used:

K- 2 English RLA Full Subject

- Amplify Education Inc., Boost Reading Texas
- Benchmark Education; Benchmark Universe and Benchmark Phonics
- Heinemann: Fountas & Pinnell Classroom
- Heggerty Phonemic Awareness Curriculum
- Learning w/o Tears/Handwriting w/o Tears
- Curriculum Associates; Think Up! RLA
- Curriculum Associates; i-Ready Ready Texas Reading

    - Supplemental -
        - Capstone/Pebble Go
        - Discovery Education K-12 Curriculum Resources
        - Ellevation - Strategies (EB Supplementary Program Support)

QUESTION 5.1:
(If above answer includes SBOE-Approved Bluebonnet Learning instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning Reading Language Arts, Edition 1 (grades K–5) in their classroom on a regular basis? **N/A**

QUESTION 5.2:
(If above answer includes SBOE-Approved Bluebonnet Learning instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning Foundational Skills, Edition 1 (grades K–3) in their classroom on a regular basis? **N/A**

Spanish Reading Language Arts K–5 TEKS Coverage Certification

QUESTION 6.0:
For school year 2026–27, will your local school system provide materials to cover 100% of the **Spanish RLA TEKS grades K–5**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials) [Single select]

X Yes

☐ No

Spanish Reading Language Arts K–5 Instructional Materials

QUESTION 7.0:
Share the **full subject and/or supplemental** publisher(s)/product(s) that teachers in your district will use regularly (once a week or more, on average) for **Spanish RLA and/or Phonics grades K–5** instruction to ensure coverage of 100% of the TEKS. [Single select for each grade band]

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

Spanish RLA and/or Phonics grades K–5 full-subject and/or supplemental publisher(s)/product(s) used:

K- 2 Spanish Full-Subject

- Amplify Texas Boost Lectura
- Handwriting w/o Tears Spanish
- Benchmark Advance, Benchmark Universe and Benchmark Workshop
- iReady, Ready Texas Reading and Think Up!
- Heggerty Phonemic Awareness Curriculum

K- 2 Supplemental SRLA

- PebbleGo
- Discovery Education K-12 Curriculum Resources
- Ellevation - Strategies
- Flocabulary Language Arts and Vocabulary
- IXL Spanish
- Benchmark Soluciones (Supplemental Intervention K-2)

3-5 Spanish Full-Subject

- Amplify Texas Boost Lectura
- Benchmark Advance, Benchmark Universe and Benchmark Workshop
- Handwriting w/o Tears - Spanish

QUESTION 14.1:
(If above answers include Bluebonnet Learning instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning, Edition 1 (grades K–5) in their classroom on a regular basis?

3,459

Mathematics 6–8 TEKS Coverage Certification

QUESTION 15.0
For school year 2026–27, will your local school system provide materials to cover 100% of the **mathematics TEKS grades 6–8**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials). [Single Select]

x Yes
☐ No

Mathematics 6–8 Instructional Materials

QUESTION 16.0:
Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **mathematics grades 6–8** instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

Mathematics grades 6–8 full-subject and/or supplemental publisher(s)/product(s) used:

The Children's Internet Protection Act

The Children's internet protection Act (CIPA) was enacted by Congress in 2000 to address concerns about children's access to obscene or harmful content over the Internet. (You may find more information on the FCC website.)

In accordance with Texas Administrative Code 19 TAC §66.105, school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C, Section 28.0022, Section 43.22, Penal Code, and any other law or regulation that protects students from obscene or harmful content.

QUESTION 34.0:
Does your district or charter school protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C)., Section 28.0022, Penal Code, and any other law or regulation that protects students from obscene or harmful content?

x Yes

☐ No

Additional Informational Questions (Optional)*

QUESTION 35.0:
Has your local school system **used, or plan to use**, Instructional Materials Review and Approval (IMRA) reports to inform local adoption decisions for ELAR, SLAR, phonics, and mathematics instructional materials?

x Yes

☐ No

QUESTION 35.1:
If "Yes" is selected: In which subject area(s) have you used the IMRA reports to obtain information about the quality of products? *

X English reading language arts

X Spanish reading language arts

☐English phonics

☐ Spanish phonics

X Full-subject, Tier one mathematics

X Supplemental mathematics

QUESTION 35.2:
On a scale from 0 to 10, how likely are you to recommend the use of IMRA reports to support local adoption of HQIM? 0 (Not at all) to 10 (Extremely likely) *

0. ☐
1. ☐
2. ☐
3. ☐
4. ☐
5. ☐
6. ☐
7. ☐
8. ☐
9. ☐
10. X

QUESTION 36.0:

Assessment Platform: Select the assessment platform (if any) your local school system leverages for unit/module, diagnostic, or interim, and for which type of assessments.

Product	Interim Diagnostic	Unit/Module	Formatives
Eduphoria		**X**	**Unit/Module & Formative**
DMAC		**X**	**Unit/Module & Formative**
Texas Formative Assessment Resource	☐	☐	☐
STAAR Interim	☐	☐	☐
Other: **X iReady Diagnostic**			
Other: **IXL X Diagnostic**	Other: ☐	☐	☐

QUESTION 37.0:

What approach does your school system take to making full-subject instructional materials available to teachers and staff?

X Teachers access educational applications through a Single Sign On platform (e.g., Clever, ClassLink)

- Teachers access educational applications within a Learning Management System (e.g., Schoology, Google Classroom, Canvas, Moodle)
- Teachers log directly to publisher curriculum platforms (e.g., HMH Ed, Savvas Realize, Amplify, Great Minds)
- Teachers access copied files or links within a Learning Management System (e.g., Google Classroom, Canvas, Moodle)
- Teachers access copied files or links within a Student Information System (e.g., PowerSchool, Infinite Campus, Skyward)
- Teachers access copied files or links in a shared cloud drive (e.g., Google Drive, OneDrive, Dropbox)
- Teachers access copied files or links through a district resource portal (e.g., SharePoint, Google Site, intranet)
- Other (Please Explain):

Other Certified Subject Areas

QUESTION 38.0:
Please select each subject in the required curriculum below for which your district provides each student with instructional materials that cover all elements of the essential knowledge and skills, as referenced in Texas Education Code 28.002: [multiple select]

☒ **Languages other than English (LOTE)**

☒ **Health, with emphasis on the importance of proper nutrition and exercise**

X Physical education

X Fine arts

X Career and Technical Education (CTE)

X Technology applications

☐ Religious Literature, including the Hebrew Scriptures (Old Testament) and New Testament, and its impact on history and literature.

☒ **Personal financial literacy**

☐ None

Certification 2026–27 Survey Ratification

[Print, Sign, and Upload via Qualtrics]

In accordance with Texas Education Code §31.1011, school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code 19 TAC §66.105, school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C).

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA)

District County Number (6-digit ID): 111-901

District Name: Granbury ISD

Date of Ratification by Local School Board of Trustees or Governing Body: 03/23/26

Signature of the Board President and Secretary or Governing Board Officer

_____ _____

Board President Date

_____

Board Secretary

After ratification, please scan the last page of this form and submit it to TEA through the electronic Qualtrics Certification of Provision of Instructional Materials Survey. • The Certification 2026–27 Survey will be available on the Certification of Provision of Instructional Materials web page and open for submissions beginning **Tuesday, February 17, 2026.**

TO: Granbury ISD Board of Trustees
FROM: Dr. Courtney Morawski, Superintendent
DATE: March 23, 2026
RE: Update Policies BBB (Local) and BDAA (Local)

Background: At the February board meeting, the Board approved a resolution that included the following items; 1. Change trustee terms from three (3) years to four (4) years, and 2. Transition Granbury ISD trustee elections to odd-numbered years.

Proposal: Based on the approved resolution, BBB (Local) and BDAA (Local) were updated to reflect the changes approved by the Board last month.

Recommended Motion: Approve the updates to Board Policies BBB (Local) and BDAA (Local) as presented.

Respectfully,

Courtney Morawski

Dr. Courtney Morawski
Superintendent of Schools
Granbury ISD

PROPOSED REVISIONS

Membership	The Board shall consist of seven members.
Method of Election	Election of Board members shall be by place.
Election Date	General election of Board members shall be on the November uniform election date.
Terms and Election Schedule	Board members shall be elected for ~~three~~four-year terms, with elections conducted biennially ~~annually~~, as follows:
Places 1, ~~and~~ 2, 3, and 4	The election for places 1, ~~and~~ 2, 3, and 4 shall be held in ~~2020, 2023, 2026,~~2027, 2031, 2035, and in ~~three~~four-year intervals thereafter.
~~Places 3 and 4~~	~~The election for places 3 and 4 shall be held in 2018, 2021, 2024, and in three-year intervals thereafter.~~
Places 5, 6, and 7	The election for places 5, 6, and 7 shall be held in ~~2019, 2022, 2025,~~2029, 2033, 2037, and in ~~three~~four-year intervals thereafter.
Method of Voting	To be elected, a candidate must receive more votes than any other candidate for the place.
Plurality	

PROPOSED REVISIONS

Board Officers

The Board shall elect a President, a Vice President, and a Secretary who shall be members of the Board. Officers shall be elected by majority vote of the members present and voting. ~~In accordance with Board operating procedures, a censured Board member shall not be eligible to serve as a Board officer for the remainder of their current term in office.~~

Vacancy

A vacancy among officers of the Board, other than the President, shall be filled by majority action of the Board.

Term and Duties

Board officers shall serve for a term of ~~one~~two years or until a successor is elected. Officers may succeed themselves in office. ~~The President may not succeed himself or herself in office for more than two terms.~~ Each officer shall perform any legal duties of the office and other duties, as required by the Board.

President

In addition to the duties required by law, the President of the Board shall:

1. Preside at all Board meetings unless unable to attend.
2. Have the right to discuss, make motions, propose resolutions, and vote on all matters coming before the Board.

Vice President

The Vice President of the Board shall:

1. Act in the capacity and perform the duties of the President of the Board in the event of the absence or incapacity of the President.
2. Automatically become President of the Board if a vacancy in that office occurs and serve in this role until the Board reorganizes.

Secretary

The Secretary of the Board shall:

1. Ensure that an accurate record is kept of the proceedings of each Board meeting, including any questions that are asked and documentation of when they are answered.
2. Ensure that notices of Board meetings are posted and sent as required by law.
3. In the absence of the President and Vice President, call the meeting to order and act as presiding officer.
4. Sign or countersign documents as directed by action of the Board.

GRANBURY INDEPENDENT SCHOOL DISTRICT
INTEROFFICE MEMO
FINANCE AND BUSINESS AFFAIRS

To: Board of Trustees
Date: March 23, 2026
For: Approval

TO: Dr. Courtney Morawski
Superintendent

FROM: Houcine Chraibi
DATE: March 6
RE: SB 546 School Bus Seat Belts Requirements

The Board of Trustees is asked to make a determination, pursuant to Transportation Code §547.701(e)(1), as to whether the district's budget permits the purchase or contracting of buses equipped with three-point seat belts as required by Senate Bill 546.

Background: SB 546 requires all school buses to be equipped with three-point seat belts by September 1, 2029. The Board must determine whether this is financially feasible for the district. If the Board determines that the budget does not permit compliance, the district must report fleet and cost data to TEA by May 29, 2026. Fleet status and cost estimates are detailed in the accompanying presentation.

Dependent on Board determination. A budget limitation determination initiates a reporting obligation only. TEA has indicated grant funding may be available after the reporting period closes.

Respectfully submitted,

Houcine Chraibi

Houcine Chraibi, RTSBA

Staff Person Responsible: Brian Caruthers
Houcine Chraibi

SB546 BOARD ACTION

March 2026

SB 546 – Legal Requirements

Statutory Authority

Transportation Code §547.701(e)(1)
Board must determine whether the district's budget permits the purchase or contracting of buses with three-point seat belts.

Transportation Code §547.701(f)
If budget does not permit, district must present in a public meeting and report to TEA:

- Number of buses by seat belt type (none, two-point, three-point)
- Estimated cost to equip each bus with three-point seat belts

SB 546, Section 2
Full statewide compliance required by September 1, 2029.

Required Board Action

Tonight's action item:
The Board will vote to determine whether or not the district's budget permits full compliance with the three-point seat belt requirement.

Depending on the board's determination:

- Triggers mandatory reporting to TEA
- Must be made in a public meeting
- Requires submission by May 29, 2026

Required documentation:
Board agenda, minutes, and cost estimates will be submitted to TEA via Sentinel.

Fleet Status & Cost Estimates

Fleet Inventory (86 Buses)

Seat Belt Type	Count
Three-point seat belts (compliant)	27
No seat belts	44
Two-point lap belts	15
Total requiring installation	59

Cost Estimates

Retrofit Cost (All 59 Buses)

$1,933,387

Replacement Cost (Thomas Bus Quotes)

Type	Units	Per Unit	Total
Special Ed	14	$147,500	$2,065,000
Regular Ed	41	$159,000	$6,519,000
Activity Buses	4	$159,000	$636,000
Total	**59**		**$9,220,000**

** Some retrofits may void manufacturer warranties. Grant funding may be available after reporting closes.*
