RE: STATE LEGISLATIVE TEXTBOOK ISSUES

This is the latest information on the Textbook funding issue and the new Social Studies Adoption as of 5-13-03. The proposed cost of textbooks for 03-04 is estimated at $365 million. The Senate has passed legislation approving the full amount for the Social Studies adoption and all textbook costs with the exception of Industrial Arts. The house wishes to spend $65 million this year and $65 million next year for consumables and extending contracts, with the remaining monies going towards Social Studies.

The House's Proposed Plan

- Adopt 6, 7, 8 grade Social Studies, US History & Economics for the 03-04 year.
- ESL, Elementary, Biology & possibly AP Biology & IB Biology will be adopted for the 04-05 year.
- 2005-06 all other Social Studies, Foreign Language, PE and Arts **provided the new legislative session approves.
- There is a possibility that the 110% allowance will be reduced to 103% across the board. This includes current titles. Please note we currently use that 10% overage for special Education, content mastery and campus growth.
- HB 1409, Article 9 proposes to close the State Textbook Depository. This would put the cost of shipping books back onto the local districts. There is a counter proposal to eliminate 4 jobs at the depository in an effort to keep it open. However, Robert Leos (Senior Director of TEA / Textbook Administration Division) has stated that eliminating these jobs will in fact close the depository.

TEA will open EMAT up for ordering as soon as the Legislation makes a decision. The earliest we could place our orders would be the first week or so of June with delivery expected in October or possibly November. In the meantime we can continue to use the current Social Studies books on hand. In case of excessive growth in the district before the books arrive, I have attached a copy of the copyright law for your review. We may copy textbooks as needed for "purpose such as…teaching (including multiple copies for classroom use), scholarship, or research, is not an infringement of copyright." [Copyright Law of the United States Section 107. Limitations on exclusive rights: Fair use]

I will update you, as new information is made available. Thank you.

comply with any manufacturing requirements;

(ii) lack of subject matter protection in the case of sound recordings fixed before February 15, 1972; or

(iii) lack of national eligibility;

(D) has at least one author or rightholder who was, at the time the work was created, a national or domiciliary of an eligible country, and if published, was first published in an eligible country and not published in the United States during the 30-day period following publication in such eligible country; and

(E) if the source country for the work is an eligible country solely by virtue of its adherence to the WIPO Performances and Phonograms Treaty, is a sound recording.[34]

(7) The term "rightholder" means the person—

(A) who, with respect to a sound recording, first fixes a sound recording with authorization, or

(B) who has acquired rights from the person described in subparagraph (A) by means of any conveyance or by operation of law.

(8) The "source country" of a restored work is—

(A) a nation other than the United States;

(B) in the case of an unpublished work—

(i) the eligible country in which the author or rightholder is a national or domiciliary, or, if a restored work has more than 1 author or rightholder, of which the majority of foreign authors or rightholders are nationals or domiciliaries; or

(ii) if the majority of authors or rightholders are not foreign, the nation other than the United States which has the most significant contacts with the work; and

(C) in the case of a published work—

(i) the eligible country in which the work is first published, or

(ii) if the restored work is published on the same day in 2 or more eligible countries, the eligible country which has the most significant contacts with the work.

§ 105. Subject matter of copyright: United States Government works[35]

Copyright protection under this title is not available for any work of the United States Government, but the United States Government is not precluded from receiving and holding copyrights transferred to it by assignment, bequest, or otherwise.

§ 106. Exclusive rights in copyrighted works[36]

Subject to sections 107 through 121, the owner of copyright under this title has the exclusive rights to do and to authorize any of the following:

(1) to reproduce the copyrighted work in copies or phonorecords;

(2) to prepare derivative works based upon the copyrighted work;

(3) to distribute copies or phonorecords of the copyrighted work to the public by sale or other transfer of ownership, or by rental, lease, or lending;

(4) in the case of literary, musical, dramatic, and choreographic works, pantomimes, and motion pictures and other audiovisual works, to perform the copyrighted work publicly;

(5) in the case of literary, musical, dramatic, and choreographic works, pantomimes, and pictorial, graphic, or sculptural works, including the individual images of a motion picture or other audiovisual work, to display the copyrighted work publicly; and

(6) in the case of sound recordings, to perform the copyrighted work publicly by means of a digital audio transmission.

§ 106A. Rights of certain authors to attribution and integrity[37]

(a) RIGHTS OF ATTRIBUTION AND INTEGRITY.— Subject to section 107 and independent of the exclusive rights provided in section 106, the author of a work of visual art—

(1) shall have the right—

(A) to claim authorship of that work, and

(B) to prevent the use of his or her name as the author of any work of visual art which he or she did not create;

(2) shall have the right to prevent the use of his or her name as the author of the work of visual art in the event of a distortion, mutilation, or other modification of the work which would be prejudicial to his or her honor or reputation; and

(3) subject to the limitations set forth in section 113(d), shall have the right—

(A) to prevent any intentional distortion, mutilation, or other modification of that work which would be prejudicial to his or her honor or reputation, and any intentional distortion, mutilation, or modification of that work is a violation of that right, and

(B) to prevent any destruction of a work of recognized stature, and any intentional or grossly negligent destruction of that work is a violation of that right.

(b) SCOPE AND EXERCISE OF RIGHTS.—Only the author of a work of visual art has the rights conferred by subsection (a) in that work, whether or not the author is the copyright owner. The authors of a joint work of visual art are coowners of the rights conferred by subsection (a) in that work.

(c) EXCEPTIONS.— (1) The modification of a work of visual art which is the result of the passage of time or the inherent nature of the materials is not a distortion, mutilation, or other modification described in subsection (a)(3)(A).

(2) The modification of a work of visual art which is the result of conservation, or of the public presentation, including lighting and placement, of the work is not a destruction, distortion, mutilation, or other modification described in subsection (a)(3) unless the modification is caused by gross negligence.

(3) The rights described in paragraphs (1) and (2) of subsection (a) shall not apply to any reproduction, depiction, portrayal, or other use of a work in, upon, or in any connection with any item described in subparagraph (A) or (B) of the definition of "work of visual art" in section 101, and any such reproduction, depiction, portrayal, or other use of a work is not a destruction, distortion, mutilation, or other modification described in paragraph (3) of subsection (a).

(d) DURATION OF RIGHTS.— (1) With respect to works of visual art created on or after the effective date set forth in section 610(a) of the Visual Artists Rights Act of 1990, the rights conferred by subsection (a) shall endure for a term consisting of the life of the author.

(2) With respect to works of visual art created before the effective date set forth in section 610(a) of the Visual Artists Rights Act of 1990, but title to which has not, as of such effective date, been transferred from the author, the rights conferred by subsection (a) shall be coextensive with, and shall expire at the same time as, the rights conferred by section 106.

(3) In the case of a joint work prepared by two or more authors, the rights conferred by subsection (a) shall endure for a term consisting of the life of the last surviving author.

(4) All terms of the rights conferred by subsection (a) run to the end of the calendar year in which they would otherwise expire.

(e) TRANSFER AND WAIVER.— (1) The rights conferred by subsection (a) may not be transferred, but those rights may be waived if the author expressly agrees to such waiver in a written instrument signed by the author. Such instrument shall specifically identify the work, and uses of that work, to which the waiver applies, and the waiver shall apply only to the work and uses so identified. In the case of a joint work prepared by two or more authors, a waiver of rights under this paragraph made by one such author waives such rights for all such authors.

(2) Ownership of the rights conferred by subsection (a) with respect to a work of visual art is distinct from ownership of any copy of that work, or of a copyright or any exclusive right under a copyright in that work. Transfer of ownership of any copy of a work of visual art, or of a copyright or any exclusive right under a copyright, shall not constitute a waiver of the rights conferred by subsection (a). Except as may otherwise be agreed by the author in a written instrument signed by the author, a waiver of the rights conferred by subsection (a) with respect to a work of visual art shall not constitute a transfer of ownership of any copy of that work, or of ownership of a copyright or of any exclusive right under a copyright in that work.

§ 107. Limitations on exclusive rights: Fair use[38]

Notwithstanding the provisions of sections 106 and 106A, the fair use of a copyrighted work, including such use by reproduction in copies or phonorecords or by any other means specified by that section, for purposes such as criticism, comment, news reporting, teaching (including multiple copies for classroom use), scholarship, or research, is not an infringement of copyright. In determining whether the use made of a work in any particular case is a fair use the factors to be considered shall include—

(1) the purpose and character of the use, including whether such use is of a commercial nature or is for nonprofit educational purposes;

(2) the nature of the copyrighted work;

(3) the amount and substantiality of the portion used in relation to the copyrighted work as a whole; and

(4) the effect of the use upon the potential market for or value of the copy-

righted work.

The fact that a work is unpublished shall not itself bar a finding of fair use if such finding is made upon consideration of all the above factors.

§ 108. Limitations on exclusive rights: Reproduction by libraries and archives[39]

(a) Except as otherwise provided in this title and notwithstanding the provisions of section 106, it is not an infringement of copyright for a library or archives, or any of its employees acting within the scope of their employment, to reproduce no more than one copy or phonorecord of a work, except as provided in subsections (b) and (c), or to distribute such copy or phonorecord, under the conditions specified by this section, if—

(1) the reproduction or distribution is made without any purpose of direct or indirect commercial advantage;

(2) the collections of the library or archives are (i) open to the public, or (ii) available not only to researchers affiliated with the library or archives or with the institution of which it is a part, but also to other persons doing research in a specialized field; and

(3) the reproduction or distribution of the work includes a notice of copyright that appears on the copy or phonorecord that is reproduced under the provisions of this section, or includes a legend stating that the work may be protected by copyright if no such notice can be found on the copy or phonorecord that is reproduced under the provisions of this section.

(b) The rights of reproduction and distribution under this section apply to three copies or phonorecords of an unpublished work duplicated solely for purposes of preservation and security or for deposit for research use in another library or archives of the type described by clause (2) of subsection (a), if—

(1) the copy or phonorecord reproduced is currently in the collections of the library or archives; and

(2) any such copy or phonorecord that is reproduced in digital format is not otherwise distributed in that format and is not made available to the public in that format outside the premises of the library or archives.

(c) The right of reproduction under this section applies to three copies or phonorecords of a published work duplicated solely for the purpose of replacement of a copy or phonorecord that is damaged, deteriorating, lost, or stolen, or if the existing format in which the work is stored has become obsolete, if—

(1) the library or archives has, after a reasonable effort, determined that an unused replacement cannot be obtained at a fair price; and

(2) any such copy or phonorecord that is reproduced in digital format is not made available to the public in that format outside the premises of the library or archives in lawful possession of such copy.

For purposes of this subsection, a format shall be considered obsolete if the machine or device necessary to render perceptible a work stored in that format is no longer manufactured or is no longer reasonably available in the commercial marketplace.

(d) The rights of reproduction and distribution under this section apply to a copy, made from the collection of a library or archives where the user makes his or her request

of the work, if the building in which the work is embodied is located in or ordinarily visible from a public place.

(b) ALTERATIONS TO AND DESTRUCTION OF BUILDINGS.—Notwithstanding the provisions of section 106(2), the owners of a building embodying an architectural work may, without the consent of the author or copyright owner of the architectural work, make or authorize the making of alterations to such building, and destroy or authorize the destruction of such building.

§ 121. Limitations on exclusive rights: reproduction for blind or other people with disabilities[67]

(a) Notwithstanding the provisions of section 106, it is not an infringement of copyright for an authorized entity to reproduce or to distribute copies or phonorecords of a previously published, nondramatic literary work if such copies or phonorecords are reproduced or distributed in specialized formats exclusively for use by blind or other persons with disabilities.

(b)(1) Copies or phonorecords to which this section applies shall—

(A) not be reproduced or distributed in a format other than a specialized format exclusively for use by blind or other persons with disabilities;

(B) bear a notice that any further reproduction or distribution in a format other than a specialized format is an infringement; and

(C) include a copyright notice identifying the copyright owner and the date of the original publication.

(2) The provisions of this subsection shall not apply to standardized, secure, or norm-referenced tests and related testing material, or to computer programs, except the portions thereof that are in conventional human language (including descriptions of pictorial works) and displayed to users in the ordinary course of using the computer programs.

(c) For purposes of this section, the term—

(1) "authorized entity" means a nonprofit organization or a governmental agency that has a primary mission to provide specialized services relating to training, education, or adaptive reading or information access needs of blind or other persons with disabilities;

(2) "blind or other persons with disabilities" means individuals who are eligible or who may qualify in accordance with the Act entitled "An Act to provide books for the adult blind", approved March 3, 1931 (2 U.S.C. 135a; 46 Stat. 1487) to receive books and other publications produced in specialized formats; and

(3) "specialized formats" means braille, audio, or digital text which is exclusively for use by blind or other persons with disabilities.

§ 122. Limitations on exclusive rights; secondary transmissions by satellite carriers within local markets.[68]

(a) SECONDARY TRANSMISSIONS OF TELEVISION BROADCAST STATIONS BY SATELLITE CARRIERS.—A secondary transmission of a performance or display of a work embodied in a primary transmission of a television broadcast station into the station's local market

Many of our key textbooks are out of date and do not reflect current academic standards. This is unacceptable. We must give our children the best materials. **Up-to-date, well-researched, standards-based instructional materials are an essential key to successful teaching and learning.**

Texas purchases textbooks and other instructional materials on a six-year cycle. **This means many of the textbooks used in schools today were published before new tougher academic standards were adopted by Texas.**

"Next to the teacher, what could be more important than the quality of materials that students use?"

- U.S. Secretary of Education Rod Paige, AAP Math Summit, October 2001

At a time when federal and state governments are demanding higher standards and greater accountability in our schools, Texas is considering cutting textbooks by 60%. **Students have no real opportunity to learn and to meet Texas academic standards when they lack access to quality, up-to-date instructional materials.**

To cut textbooks and then to hold students to new standards is unfair. Call your lawmakers and tell them not to cut textbook funding for Texas students.

Let's give Texas students the tools they need to achieve their goals.

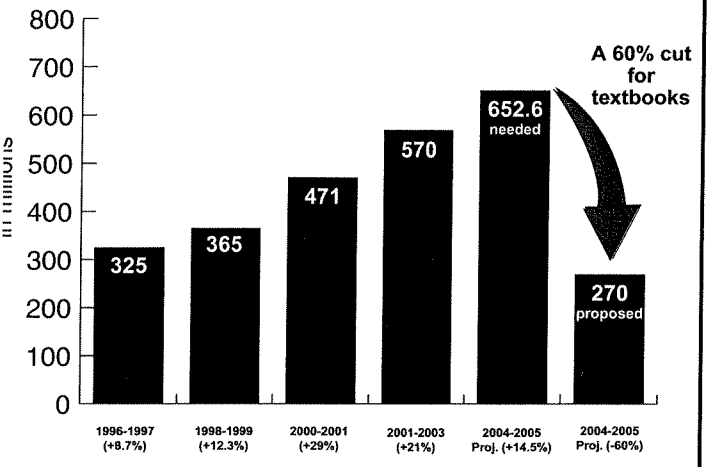

Call your Senator or Representative in your area and tell them to support up-to-date textbooks for Texas students.

Tobacco Compliance Grant Application
Questions 3-9

3. Granbury ISD has a zero-tolerance policy on all campuses and facilities for tobacco products. Communication and training with campus Principals and Assistant Principals is ongoing in regards to appropriateness of ticketing for tobacco on campus by the Hood County Sheriff's Department and Granbury Police Department.

4. Our current DARE officer will be receiving STEP training prior to the 2003-04 school year. She will continue to teach lessons in grades 3, 5, and 7 as well as other grade levels when available. Our School Officer will also be able to assist at the High School campus when appropriate or available.

5. Granbury ISD plans continued awareness and education of staff in tobacco compliance. The law(s) will be enforced on all campuses and facilities in regards to tobacco products. Our Health Advisory Council (HAC) will also be involved with Health and Safety Code Ch. 161 and making recommendations regarding compliance issues.

6. Information regarding minors in possession and other factors related to tobacco products will be disseminated to Principals at staff meetings. Counselors will receive additional information and resources to support compliance. Health Advisory Council (HAC) will be given Ch. 161 and discussion of tobacco grant expenditures vs. results will be a topic for discussion.

7. Hood County Sheriff's Office has contracted a full-time officer with Granbury ISD. He serves primarily at Granbury High School (1,219), but is also available to serve any of the other campuses in our district: Acton Elementary (635), Crossland Intermediate (342), Emma Roberson Elementary (475), Baccus Elementary (500), Oak Woods Intermediate (471), Mambrino Elementary (446), Brawner Intermediate (314), Granbury Middle School (850), Acton Middle School (702), Stars Academy (47), and BTC(39).

8. Hood County Sheriff's Office, Guy Reynolds contract attached.

9. This grant will be subject to school board approval at May 19th, 2003 meeting.

CONTRACT

This agreement is made by and between Hood County, Texas, (herein-called County), the Hood County Sheriff's Office and the Granbury Independent School District (herein called GISD), and sometimes collectively referred to as the Parties.

WHEREAS, the Parties desire to have a School Resource Officer within Hood County Schools to serve primarily at Granbury High School but at times may visit other GISD Campuses as time might permit; and

WHEREAS, the Sheriff's Office has indicated a willingness to place a Resource Officer in the GISD and to provide a vehicle and equipment; and

WHEREAS, GISD has agreed to pay the amount of $37,500.00 to the County to reimburse expenses incurred in providing said School Resource Officer; and

WHEREAS, the Parties desire that this agreement shall be contingent upon all Parties performing as agreed in the Introduction of the Program (herein attached) and further that the School Resource Officer be placed into service;

THEREFORE, the Parties agree as follows:

The School Resource Officer is responsible to:

1. Create a positive role model
2. Communicate with students and faculty
3. Interact with students and faculty
4. Counsel students
5. Provide campus security
6. Provide a safe learning environment for students and faculty
7. Investigate Crimes and perform law enforcement action
8. Gather intelligence for investigation
9. Prevent drug use, gang involvement
10. Intervention

The Parties agree that if the Resource Officer does not abide by the guidelines as set out in the Introduction of the Program (see Attached Exhibit "A"), then this contract shall become null, void and of no further force and effect.

AGREED and **EXECUTED** this 28 day of October, 2002.

SUMMARY OF
SCHOOL RESOURCE OFFICER PROGRAM

The Board of Education and Staff of the Granbury Independent School District are committed to providing a quality education of every child in the district. The Hood County Sheriff's Office is committed to assuring that each student and school district employee can carry out their assigned duties and tasks without the fear of being victimized by any form of criminal act.

The School Resource Officer is the most visible of all police officers to the young people of this community. It is the responsibility of the School Resource Officer to develop an atmosphere of respect and friendliness among the young people in their schools. These positive relationships will certainly enhance the rapport between students and the police department. The School Resource Officer has the concurrent responsibility of providing law enforcement protection in the schools, as well as building fond relationships with the community.

INTRODUCTION OF THE PROGRAM

PURPOSE

This report is developed to explain the purposes and guidelines of the School Resource Officer. This program currently assigns one officer to the Granbury Independent School District.

PROBLEM

With the significant increase in student population, it is reasonable to expect there may be increases in the abuse of illegal drugs on campus, truancy, vandalism, theft, and other crimes associated with juvenile delinquency.

Many of the young people in this city have a negative perception of law enforcement and law enforcement agencies. The placement of officers in the schools should help to change these perceptions. The School Resource Officer will conduct classroom presentations, promote a positive law enforcement image, and provide guidance to students and staff on matters involving the Criminal Justice System.

I. School Resource Officer

A. The School Resource Officer is responsible to the Hood County Sheriff in cooperation with the Principals of the schools to which the officer is assigned.

B. The primary function of this officer is to maintain a safe , orderly, and secure atmosphere at the school.

C. The major responsibilities of the School Resource Officer:
   1. Law Enforcement on campus
   2. Educational Programs
   3. Public Relations
   4. Guidance Services

II. A Description of the Major Responsibilities of the SRO

A. Law Enforcement on Campus
   1. The SRO monitors access to the school grounds and limits access to unauthorized persons.
   2. The SRO assists in the protection of school property, personnel, and students in accordance with the duties of a police officer.
   3. The SRO investigates criminal acts which occur on the school property.
   4. The SRO coordinates the school's Crime Stoppers Program.
   5. The SRO serves as the liaison between the school and the law enforcement agencies, juvenile officials, probation officials, courts, and other agencies of the juvenile and criminal justice systems.

B. Educational Program

1. The SRO participates as a resource person in the classroom, at assemblies, and with parent groups. He/she may teach a class, lead a discussion, or offer information on law enforcement topics, campus security, or other sheriff office programs, and counsel at risk students.
2. The SRO will assist staff and students in the interpretation of state and local statutes.
3. The SRO will attempt to detect and identify the early signs of deviant behavior in students. For example, he/she may offer information on gangs and ways to help kids avoid becoming involved in these destructive associations.

C. Public Relations

1. The SRO may provide assistance to neighborhood merchants and residents regarding school related problems.
2. The SRO will improve the image of the uniformed law enforcement officer in the eyes of the students and the community.
3. When requested, the SRO may provide presentations to a variety of group topics ranging from SRO programs to accurate information about gang activities and gang intervention strategies.
4. The SRO will interpret the function and purpose of the SRO Program for the community.
5. The SRO provides a high visibility crime deterrent on school properties, in buildings, on parking lots, and on athletic fields.

D. Guidance Services

1. The SRO shall provide guidance and direction to students, parents, and school staff.
2. The SRO will work with the student council to resolve school-police problems.
3. The SRO will work with parents of troubled students at school.
4. The SRO will make pertinent literature available to students.

III. Qualifications

A. The qualification of a SRO are as follows:

1. Those qualifications required by the Hood County Sheriff's Office for all officers;
2. The knowledge of juvenile laws and procedures;
3. The ability to communicate effectively;
4. The ability to develop a sincere relationship with young people.

B. The Sheriff and GISD will mutually make the final decision for selection of School Resource Officer(s). Following selection, continued assignment to the

program will require a satisfactory working relationship between the school principal and the officer.

IV. Area of Personnel Assignments

A. An officer has been selected to fill the position within this program as authorized by Hood County and the Granbury Independent School District.

B. This officer is a commissioned peace officer.

C. The officer is assigned to the Sheriff's Office and holds the rank of deputy.

D. One officer shall be assigned to the Granbury Independent School District.

E. The SRO will normally work 8 a.m. til 5 p.m., Monday through Friday, with Saturday and Sunday off. And during the summer months the SRO will continue his duties while summer school is in session.

F. The SRO will drive a marked sheriff office vehicle that has been designated as School Resource Unit.

G. Communication with the SRO officer will be handled via the following:
   1. Mail-incoming and outgoing through their designated in-house mail box.
   2. Contact by Sheriff's Office.
   3. By phone through the school office.
   4. School supplied campus radio.
   5. Sheriff Office issued pager.

H. Dress for the officer shall be the Sheriff Office uniform unless otherwise approved by the Sheriff.

V. Scope of Accountability

A. The School Resource Officer is employed by the Hood County Sheriff's Office and shall not, in any manner, be entitled to any rights or privileges of the GISD employees and shall not be considered in any manner be a GISD employee. The SRO will be accountable to the Hood County Sheriff.

B. The SRO's primary responsibilities are the enforcement of the law, the deterrence of criminal activity on school campuses, and to work with school personnel to help in securing a safe learning environment for all students.

C. There is a secondary accountability to the Principal, or his/her appointee, of the school in which the officer is working.
   1. The officer will function in a security role, as well as an education resource in cooperation with school personnel.

2. School personnel will continue to assume full responsibility for the enforcement of school discipline and school rules and regulations.

D. The Sheriff's Office shall provide the following equipment and training for the School Resource Officer, vehicle, hand held radio with law enforcement frequencies, uniforms, etc.... GISD shall provide any media required for instruction or counseling of students, and a hand held radio with appropriate school frequencies for on campus communication between the officer and school administration.

VI. Reporting Responsibilities of the School Resource Officer

A. The SRO will execute a proper report on each and every matter to which he renders service or makes an investigation.

B. The quarterly activity report of the the SRO will be recorded in memorandum form and statistical report form and submitted to the Sheriff. These reports will be made available to appropriate school officials upon request.

VII. Program Philosophy

A. The SRO shall work his assignments in the Sheriff Office's uniform.

1. One of the main reasons for having a uniformed officer on a school campus is to offer students the opportunity to become personally acquainted with the officer. The relationship fostered between the uniformed officer and secondary school students can generate respect, trust, and appreciation for all police officers. This also breaks down the negative stereotype many teenagers have of law enforcement. The uniformed officer who is trained, understanding, fair and sincere can build a good rapport between students and law enforcement.

B. The SRO is not located on school campuses to serve as a school official. School affairs are to be supervised by designated school personnel. The SRO assigned to the school should be available for advise, assistance and consultation. However, those matters which are the exclusive concern of the school administration should be referred rather than handled by the officer. Infractions of school rules, as opposed to violations of the law, will normally by handled by school officials, By maintaining clear distinction of jurisdiction, the rights, duties and privileges of the school authorities will not be undermined by the program. The School disciplinary process should be able to function without the deputies interference.

VIII. Personnel Guidelines

A. The SRO's primary responsibility is working with cases relating to the school and school students. He/she will work in cooperation with the school principals in carrying out their duties. His/her normal working hours will be 8 a.m. to 5 p.m., Monday through Friday. Additional hours of service will be compensated through on of the following:

1. Compensatory time
2. Adjustment of shift schedule
3. Security off-duty pay

B. The SRO will normally take vacation, holidays, and accumulated compensatory time during periods when school is not in session. When possible, in-service training for the SRO will also be scheduled on non-school days. The SRO and/or his/her supervisor will have the responsibility of notifying the school staff if the officer will not be able to work on a school day. All decisions regarding time off and in-service training will remain the prerogative of the Sheriff.

IX. Conclusion

The School Resource Officer Program is designed to instill student pride toward the school, assist the school administration in maintaining an atmosphere conducive to learning and provide a professional officer's service in an informative and educational manner to the district. It is important to realize that the officer has been placed in the school to help maintain a safe, orderly, and secure atmosphere for learning. But equally important, he is there to act as a resource person, to assist any student or educator with the resolution of problems coming within the purview of the officer. Whenever problems occur at school, the officer is immediately available to take the needed action.

RE: HVAC Supplies Bid No. 2002-09 - Renewal

SUMMARY:

The current bid for HVAC supplies will expire on July 31, 2003. The bid awarded July 2002 had a two-year renewal option for successive years if agreed to in writing by both parties, the District and the vendors. After discussions with Mr. Larry Gehrke, Maintenance Director, it was decided that it would be in the best interest of the District to renew the bid. All vendors were contacted and have responded in writing of their intent to renew the bid as awarded.

A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The following is the recommendation of Mr. Larry Gehrke, Maintenance Director.

RECOMMENDATION:

It is recommended that the Board renew the HVAC Supplies Bid No. 2002-09 as submitted for the period of August 1, 2003 to July 31, 2004.

Section I:	Filters	United Refrigeration
Section II:	Freon	United Refrigeration
Section III:	Miscellaneous Parts	United Refrigeration
Section IV:	Compressors	United Refrigeration

RE: Plumbing Supplies Bid No. 2002-11 - Renewal

SUMMARY:

Plumbing supplies for the district are purchased on an as needed basis. A bid was let to provide vendors for plumbing supplies for the 2002-2003 school year with the option to renew for two additional one-year terms if agreed to by both parties. The current bid will expire July 31, 2003. After discussions with Mr. Larry Gehrke, Maintenance Director, it was decided that it would be in the best interest of the District to renew the bid as awarded. All vendors have been contacted and have responded in writing their intent to renew as awarded.

A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The bids were evaluated primarily on the discount bid, days to receive the parts, and shipping costs to the District. Mr. Larry Gehrke, Maintenance Director, reviewed all bids submitted and made the following recommendation for award.

RECOMMENDATION:

I recommend the Board renew Weatherford Pipe & Supply and Ashley's Supply, Inc. dba Granbury Winnelson Co. for the purchase of plumbing supplies for the period of August 1, 2003 to July 31, 2004.

RE: Electrical Supplies Bid No. 2002-12 - Renewal

SUMMARY:

Electrical supplies for the district are purchased on an as needed basis. A bid was let to provide vendors for electrical supplies for the 2002-2003 school year with the option to renew for two additional one-year terms if agreed to by both parties. The current bid will expire July 31, 2003. After discussions with Mr. Larry Gehrke, it was decided that it would be in the best interest of the District to renew the bid. All vendors were contacted and have responded in writing of their intent to renew as awarded.

A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The bids were evaluated primarily on the discount bid, days to receive the parts, and shipping costs to the District. Due to the technical nature of this item, Mr. Larry Gehrke, Maintenance Director, reviewed all bids submitted and made the following recommendation for award.

RECOMMENDATION:

I recommend the Board renew Barrow Electric for the purchase of electrical supplies for the period of August 1, 2003 to July 31, 2004.

RE: General Maintenance & Glass Supplies Bid No. 2002-13 - Renewal

SUMMARY:

The current bid for general maintenance and glass supplies will expire on July 31, 2003. The bid awarded July 2002 had a two-year renewal option for successive years if agreed to in writing by both parties, the District and the vendors. After discussions with Mr. Larry Gehrke, Maintenance Director, it was decided that it would be in the best interest of the District to renew the bid. All vendors were contacted and have responded in writing their intent to renew the bid with no changes.

A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The following is the recommendation of Mr. Larry Gehrke, Maintenance Director.

RECOMMENDATION:

It is recommended that the Board renew the General Maintenance and Glass Supplies Bid No. 2002-13 as submitted for the period of August 1, 2003 to July 31, 2004.

Section I:	Nuts & Bolts	Hardt Sales
Section II:	Belts	Grainger Industrial Supply
Section III:	Replacement Glass	Granbury Glass & Mirro
Section IV:	Misc. General Supplies	Norman Lumber & Grainger Supply

Respectfully submitted,

Sharay S. Boynton
Executive Director of Finance

INTEROFFICE MEMO

FINANCE AND BUSINESS AFFAIRS

To: Board of Trustees
Date: May 19, 2003
For: Approval

TO: Mr. William Harris, Superintendent

FROM: Sharay Boynton, Finance Director
DATE: May 13, 2003
RE: Building Materials and Supplies
Bid No. 2002-14 - Renewal

SUMMARY:

Building materials and supplies for the district are purchased on an as needed basis. A bid was let to provide vendors for miscellaneous building materials and supplies for the 2002-2003 school year with the option to renew for two additional one-year terms if agreed to by both parties. After discussions with Mr. Larry Gehrke, Maintenance Director, it was decided it would be in the best interest of the District to renew. All vendors were contacted and have responded in writing their intent to renew as awarded.

A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The bids were evaluated primarily on the discount bid, days to receive the parts, and shipping costs to the District. Due to the technical nature of this item, Mr. Larry Gehrke, Maintenance Director, reviewed all bids submitted and made the following recommendation for award.

RECOMMENDATION:

I recommend the Board renew the following vendors for the purchase of building materials and supplies for the period of August 1, 2003 to July 31, 2004.

Category	Vendor
Section A: Tools	Home Depot
	Grainger Industrial Supply
Section B: Steel Pipe Supplies	No Award
Section C: Misc. Building Supplies	Norman Lumber
	Home Depot
Section D: Paint Related Items	Kelly Moore Paint
Section E: Lumber Products	Norman Lumber
	Home Depot
Section F: Specialty Hardware	Woodard Builders Supply

Respectfully submitted,

RE: Electrical Services Bid No. 2002 – 16 - Renewal

SUMMARY:

The current bid for electrical services will expire on July 31, 2002. A bid was let in May 2002 to provide electrical services on an "as needed" basis. Vendors were asked to quote an hourly service rate, service call charge, and maximum response time. The bid had the option to renew for two additional years at no more than a CPI increase in rates if agreed to in writing by both parties. After discussions with Mr. Larry Gehrke, Maintenance Director, it was decided it would be in the best interest of the District to renew the bid. The vendor was contacted and has responded in writing as to their intent to renew as awarded.

A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The following is the recommendation of Mr. Larry Gehrke, Maintenance Director.

RECOMMENDATION:

It is recommended that the Board renew Electrical Services Bid to G & G Electric for the period of August 1, 2003 to July 31, 2004.

Respectfully submitted,

Sharay S. Boynton
Executive Director of Finance

Staff Person Responsible: Debbie Johnson

RE: Athletic Supplies Bid No. 2003-13

SUMMARY:

A bid was let to provide athletic supplies for the 2003-2004 school year. Vendors were asked to quote firm pricing on line items that would remain the same through March 31, 2004. They were also asked to quote a percentage discount from their catalog/shelf prices for additional needs not identified in the bid. The football and volleyball sections were already awarded at the April 7, 2003 meeting. Attached are the Basketball, Tennis, Cross Country, Swimming, and Soccer sections with related recommendations.

A summation of the process and outcome as well as a copy of the tabulations are attached for your review.

The following is the recommendation of the coaches and Mr. Randy Leach, Athletic Director.

RECOMMENDATION:

That the Board award the line items as shaded on the attached tabulations for the period of award through March 31, 2004. Also award the catalog and list price discounts as detailed on related tabulation for the period of award through March 31, 2004.

BID FOR BOARD APPROVAL

Board Meeting Date: May 19, 2003 **Bid Number:** 2003-13 (Basketball)

1. **Item, material or service (specific or classification):** Basketball Supplies

2. **Brief description:** A bid was let to provide supplies for the secondary campuses. The football and volleyball sections of the bid were awarded at the April 7, 2003 Board meeting.

3. **Period of time bid covers:** From written award notification through 3/31/04

4. **Person and title responsible for the expenditure:**

   Leta Andrews – GHS Basketball Coach
   Patrick Gaines - GHS Basketball Coach
   James Pinnell – GMS All Sports Coordinator
   Bill Coward – AMS All Sports Coordinator
   Randy Leach – Athletic Director

5. **Number of bids sent to vendors:** 103 (included all sports)

6. **Number of bids received from vendors:** 20 (for the basketball portion)

7. **Listing of recommended vendors and total prices:** The recommendation for award is shaded in the column under the vendor name for a total expenditure of $10,827.06 based on the quantity indicated on the bid. It is also recommended all companies submitting a response to the catalog/list price discount portion of the bid be approved for additional purchases of basketball supplies.

8. **Explanation of other than low recommendations:**

   F3 The lowest bid, a Jerzees product is not a quality product. The material is thinner and the hem is not stitched as thick. Plano Sports, the next lowest bid, has delivered cross-country sweats (2001) and a softball (2000) uniform with Granbury misspelled as Gran**D**bury. The Adidas shirt from Carey's includes embroidery.

   F6 This item will not be awarded.

   F8 The Neci brand is made of thicker material and the hems are stitched heavier. The Neci brand is more durable for daily wash and wear. The Neci brand will match existing shorts currently in the boys program.

   F12 This item will not be awarded.

   F13 The Wilson Jet Evolution is a leather basketball. The Wilson B0720 from Caps N Jackets and the Wilson Comp from Carey's are not the same leather quality basketball.

   F15-16 The Champion brand is a thicker material, better sewn and more durable. The Champion product will hold up in daily use and washing. The Champion product will match existing gear currently in the basketball program. The Cobblestone brand is good for our middle school program and would not be durable enough for
   the Varsity/JV wash and wear. This was confirmed with Coach Andrews.

F18 The Russell hooded sweat top will match existing sweat tops currently in the girls program. The hooded top is needed for outside training. The Jerzees brand does not have as thick of material as compared to the Russell brand. Confirmed by Coach Andrews.

F19 This item will not be awarded.

F21 This item will not be awarded.

F22 This item will not be awarded.

F24 This item will not be awarded. We have two rims at GHS to use if needed.

9. Last bid date (bid of comparable nature within last 5 years): 06/20/03

10. Percentage increase or decrease from last bid: Due to the size of the bid and the changes to many of the items, a comparison was not made.

11. Budget information: Expenditures for basketball supplies will be from the following budget codes with the budget listed below:

181.36.6395.00.001.3 (or 4).91.0.03	$6,000
181.36.6395.00.001.3 (or 4).91.0.04	6,000
181.36.6395.00.041.3 (or 4).91.0.03	2,000
181.36.6395.00.041.3 (or 4).91.0.04	2,000
181.36.6395.00.042.3 (or 4).91.0.03	2,000
181.36.6395.00.042.3 (or 4).91.0.04	2,000

12. Other comments: The Athletic Booster Club and the Athletic Activity Club will make donations to cover the additional expense if the items purchased for the program exceed the allotted budget.

Board Meeting Date: May 19, 2003 **Bid Number:** 2003-13 (Tennis)

1. **Item, material or service (specific or classification):** Tennis Supplies

2. **Brief description:** A bid was let to provide supplies for the athletic programs at the secondary campuses. The football and volleyball portions of the bid were awarded at the April 7, 2003 Board meeting.

3. **Period of time bid covers:** From written notification of award through March 31, 2004

4. **Person and title responsible for the expenditure:**

   Jennifer Brockman – GHS Tennis Coach
   Randy Leach – Athletic Director

5. **Number of bids sent to vendors:** 103 (included all sports)

6. **Number of bids received from vendors:** 18 (for tennis portion)

7. **Listing of recommended vendors and total prices:** The recommendation for award of the line items is shaded in the column under the vendor name for a total expenditure of $6,802.31. It is also recommended that all companies submitting a response to the catalog/list price discount portion of the bid be approved for additional purchases of tennis supplies.

9. **Explanation of other than low recommendations:**

   C2,C3, C4, C5, C6 – The Adidas brand shorts, skirts and tops are made of thicker material, have thicker sewn seams and the microfiber material will absorb moisture better than the Reebok, Prince, and Soffee brands. Coach Brockman confirmed this with the vendors.
   C7 – The Nike brand meets the DriFit spec. The Reebok and Soffee brand does not have the DriFit material that absorbs moisture better.
   C8 – The ATS Sports Wilson Tour 3-6 pack and the Caps N Jackets Wilson A2000 does not have the “super 6-pack”. The “super 6-pack” has the sewn in straps to be used as a backpack. ATS Sports quote does not include the Pirate Logo. Coach Brockman confirmed with the vendors.

9. **Last bid date (bid of comparable nature within last 5 years):** 4/24/02

10. **Percentage increase or decrease from last bid:** Due to the size of the bid and a change in brands on most of the items, a comparison was not made.

11. **Budget information:** Expense for tennis supplies will come from account code 181.36.6395.00.001.3 (or 4).91.0.09 with a budget of $4,000.

12. **Other comments:** The Athletic Booster Club and the Athletic Activity Club will make donations to cover the additional expense if the items purchased for the program exceed the allotted budget.

It is also recommended that all companies submitting a response to the catalog/list price discount portion of the bid be approved for additional purchases of cross-country supplies.

8. **Explanation of other than low recommendations:**

   B1, B2 The Champion brand material is thicker, has better stitching and is more durable.
   B4 Requesting the Dodger brand from Greg Larson to match the girls shorts in B5.
   B6 The shade canopy from BSN does not have wall panels. We want to ensure the wall panels and canopy match.
   B10 Larry Black has discontinued his walkie-talkie radio stock.

9. **Last bid date (bid of comparable nature within last 5 years):** 4/24/02

BID FOR BOARD APPROVAL

Board Meeting Date: May 19, 2003 **Bid Number:** 2003-13 (Soccer)

1. **Item, material or service (specific or classification):** Soccer Supplies

2. **Brief description:** A bid was let to provide supplies for the athletic programs at the secondary campuses. The football and volleyball portions of the bid were awarded at the April 7, 2003 Board meeting.

3. **Period of time bid covers:** From written notification of award through March 31, 2004

4. **Person and title responsible for the expenditure:**

   Jeff Kear – GHS Girls' Soccer Coach
   Larry Mayo – GHS Boys' Soccer Coach
   Randy Leach – Athletic Director

5. **Number of bids sent to vendors:** 103 (included all vendors)

6. **Number of bids received from vendors:** 17 (for the soccer portion)

7. **Listing of recommended vendors and total prices:** The recommendation for award is shaded on the tabulation in the column under the vendor name for a total expenditure of $13,352.75. It is also recommended that all companies submitting a response to the catalog/list price discount portion of the bid be approved for additional purchases of soccer supplies.

8. **Explanation of other than low recommendations:**

   E1-E2 The Leslie G sock is a lesser quality sock than the Adidas sock and does not match existing supplies of socks.

   E6 The MacGregor glove does not have the rubberized finger tips which make it possible for field players to handle the ball properly during a throw-in especially in the cold weather, in wet conditions, these are a necessity.

   E11 This item will not be awarded.

   E13-14 The Adidas balls substituted by Plano and Team Express are lesser quality balls than the Select that we specified. The team has been playing with Select balls for two years now and the balls have demonstrated a longer life span than most balls and have held their shape well. The Adidas balls would get us through a season of play, but not through the off-season as well, the Select balls will.

   E-16 The Leslie G bag does not have all of the features of the Adidas bag we specified, most especially the shoe tunnel which separates wet and muddy shoes from the rest of the equipment in the bag, nor is the Leslie G as durable as the Adidas bag. We have Adidas bags still in the program that we ordered 5 years ago. We can only get 1-2 years from the substituted brand.

   E18-19 The item substituted by Caps N jackets, the Soffee brand, is a paper thin jersey not suitable for play in winter. It lacks the durability of the Adidas jersey and does not come close to meeting the needs of the players.

E20 The substitute offered by Caps N Jackets, Teamwork 100, will not match the shade of purple in the chosen jerseys. We have had some screening problems with Plano in the past for the cross-county and softball program.

E21 The items offered by Caps N Jackets and Careys do not meet the specs of the bid item. The Teamwork jersey is too thin for winter play and does not feature the padded elbows of the Adidas jersey. Careys has offered an Adidas jersey, the Entrata, which is a lower grade product from Adidas. Total Soccer has offered the Mundial in place of the Stream jersey. It is a substitute, but it is a better jersey than the Entrata in terms of the fabric, which is better suited to winter play and the padded elbows.

E22 The gloves offered as substitutes for the Adidas Fingersave are made for recreational play and not competitive play. They lack the durability to see a goalkeeper through an entire season. They do not have the Fingersave feature for player safety. The Adidas glove has a better grip in wet conditions.

E24 This item will not be awarded.

E25 The Purcells warmup offered by Caps N Jackets is a light weight warmup that would not be suitable for winter sports. These are intended for managers and trainers who will be inactive for most of the game and need heavier warm ups.

E26-27 The substituted items from Leslie G do not match existing supplies of socks.

E28 This item will not be awarded.

E29 This item will not be awarded.

E31 This item will not be awarded.

E32 The Insta Goal offered by Caps N Jackets is not a rebounder goal, the Kwik Goal is.

E33 Soccer Etc. was called for clarification regarding the item they bid and they did not return the call.

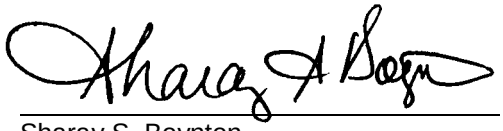

9. Last bid date (bid of comparable nature within last 5 years): 6/19/02

10. Percentage increase or decrease from last bid: Due to the size of the bid and a change to some of the items and brands, a comparison was not made.

11. Budget information: Expenditures for soccer supplies will come from the following codes:

181.36.6395.00.001.3(or 4).91.0.13 with a budget of $6,000
181.36.9395.00.001.3(or 4).91.0.11 with a budget of $6,000

12. Other comments: The Pirate Booster Club and the Athletic Activity Fund will make donations to cover the additional expense if the items purchased for the program exceed the budgeted amount.

RE: Audiovisual & Library Equipment and Supplies Bid No. 2003-14

SUMMARY:

The current bid will expire May 31, 2003. A bid was let to address the need for library supplies and audiovisual equipment for the District for the 2003-04 school year with the option to renew for two additional one-year terms. The bid was a catalog/shelf discount bid. A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The bids are evaluated primarily on the questions asked of the vendors. Due to the technical information called for in the bid related to library supplies and equipment, Mrs. Babers, Library Coordinator, was asked to review all bids submitted and make a recommendation for award.

The following is the recommendation of Mrs. Babers.

RECOMMENDATION:

It is recommended that the Board approve the following vendors for the purchase of audiovisual and library supplies and equipment for the period of July 1, 2003 to May 31, 2004.

Vendor
Longs Electronic
Audio Visual Aids
Highsmith
Spencer Audio Visual
Vernon Library Supplies
Troxell Communications
Brodart Company
Curtis Educational Equipment

Board Meeting Date: May 19, 2003 **Bid Number:** 2003-14

1. **Item, material or service (specific or classification):** Audiovisual and Library Equipment and Supplies

2. **Brief description:** This bid will cover the need for library supplies and audio visual equipment for the district for the 2003-2004 school year. This bid was a catalog/shelf discount bid. The vendors were asked to quote their current price on 15 items for a cost comparison. Other factors considered in the evaluation process were, number of items offered in the catalogs, percentage discount offered, number of days to ship, minimum order amount, free shipping and past experience with the district.

3. **Period of time bid covers:** From June 1, 2003 through May 31, 2004

4. **Person and title responsible for the expenditure:** Campus librarian or campus personnel with campus principal approval

5. **Number of bids sent to vendors:** 18

6. **Number of bids received from vendors:** 13

7. **Listing of recommended vendors and total prices:** It is recommended award be made to the following vendors. The approximate expenditure for audiovisual and library supplies and equipment will be $15,000 district wide.

   The following vendors are recommended for award:

Longs Electronics	Highsmith
Spencer Audio Visual	Vernon Library Supplies
Troxell Communications	Brodart Company
Audio Visual Aids	Curtis Educational Equipment

8. **Explanation of other than low recommendations:** N/A

9. **Last bid date (bid of comparable nature within last 5 years):** 4/25/00

10. **Percentage increase or decrease from last bid:** This bid was not a line item bid so a cost comparison was not done.

11. **Budget information:** Supplies will be purchased on an as needed basis from budgeted dollars for each campus.

RE: Nurse Supplies Bid No. 2003-15

SUMMARY:

The current bid will expire May 31, 2003. A bid was let to provide supplies and equipment for the nursing and health programs for the District. The bid is a catalog/shelf list discount bid where vendors are asked to quote a percentage discount from published catalogs or list prices that will be held firm for the duration of the contract. The request for catalog bids for nurse supplies was let in March 2003. Bids were received on April 8, 2003. A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The bids are evaluated primarily on the questions asked of the vendors in section C and the price comparison chart. The vendors are ranked according to their responses. Based on this ranking the following recommendation is made. Mrs. Cheryl Meger, Director of Special Ed, has reviewed the recommended vendors and concurs with the recommendation.

RECOMMENDATION:

I recommend the Board approve MacGill, School Health, Medco and Health Edco for the purchase of nurse supplies for the period of June 1, 2003 to May 31, 2004.

RE: Athletic Training Supplies
Bid No. 2003-16

SUMMARY:

A bid was let asking vendors to quote a fixed rate percentage discount off catalog prices and to quote pricing on a list of equipment that would be held firm through May 31, 2004 with the option to renew for two additional one-year terms. Supplies and equipment will be purchased on an as needed basis. The bids were received on April 9, 2003. A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The bid responses were reviewed by Ms. Connie Rhodes, GHS Athletic Trainer, Mr. Mark Gilbert, GHS Athletic Trainer, and Mr. Randy Leach, Athletic Director. The following is their recommendation.

RECOMMENDATION:

It is recommended that the Board approve Alert Services, Cornish Medical, and Medco Supply as the vendors for Athletic Training Supplies for the period of written award notification through May 31, 2004.

BID FOR BOARD APPROVAL

Board Meeting Date: May 19, 2003 **Bid Number:** 2003-16

1. **Item, material or service (specific or classification):** Athletic Training Supplies

2. **Brief description:** A bid was let asking vendors to quote a fixed rate percentage discount off catalog prices and to quote pricing on a list of equipment that would be held firm through May 31, 2004. All supplies and equipment will be purchased on an "as needed" basis.

3. **Period of time bid covers:** The bid covers the period from June 1, 2003 through May 31, 2004.

4. **Person and title responsible for the expenditure:**

   Connie Rhodes – GHS Athletic Trainer
   Mark Gilbert – GHS Athletic Trainer
   Randy Leach – Athletic Director

5. **Number of bids sent to vendors:** 11

6. **Number of bids received from vendors:** 4 (includes 1 no bids)

7. **Listing of recommended vendors and total prices:** It is recommended award be made to Alert Services, Cornish Medical and Medco Supply. Alert Services has better choices on varieties of tape and football related items. Cornish Medical carries rehab equipment and therapeutic modalities. Medco has the Aqua Lift Watering System that the district currently uses and a better selection of knee/thigh sleeves and braces. Since supplies and equipment will be purchased on an as needed basis, a total expenditure cannot be identified at this time.

8. **Explanation of other than low recommendations:** N/A

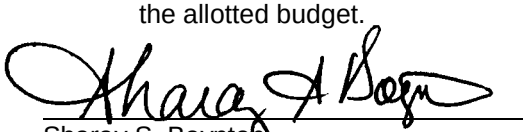

9. **Last bid date (bid of comparable nature within last 5 years):** 5/8/00

10. **Percentage increase or decrease from last bid:** Some of the bid items and brands have changed so a comparison was not made.

11. **Budget information:** All items will be purchased with budgeted dollars from the following code. The budget for this code is $17,000.

    181.36.6395.00.001.3.91.0.15

12. **Other comments:** The Athletic Booster Club and the Athletic Activity Club will make donations to cover the additional expense if the items purchased for the program exceed the allotted budget.

RE: Music, Band & Choir Supplies
Bid No. 2003-17

SUMMARY:

Music, Band and Choir Supplies for the district are purchased using catalogs and shelf items. The majority of supplies purchased are proprietary in nature. Thus line item bids are not effective.

The request for catalog bids for music, band and choir supplies was let in March 2003 for the period of June 1, 2003 to May 31, 2004 with two one-year extensions if agreed to in writing by all parties. Bids were received April 22, 2003. A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

The bids are evaluated primarily on the questions asked of the vendors in sections B and C. The vendors are ranked according to their responses. We normally award to the top 40-50% of the vendors responding to provide choice to the district employees. The outcome of this ranking was submitted to the appropriate personnel to ensure that the needs of their programs could be met with the vendors. Response from those district personnel is that the vendors will serve the needs of the programs effectively. Based on this ranking and the support of the appropriate district staff, the following recommendation is made.

RECOMMENDATION:

I recommend the Board approve the following vendors for the purchase of Music, Band, and Choir Supplies for the period of June 1, 2003 to May 31, 2004.

Vendor	% Disc
Brook Mays Music	0
Interstate Music Supply	0
Pender's Music	10
Southern Music Company	10
Johnny Paul's Music	30
Mister E's	10
Rhythm Band	5

RE: Computer and Copy Paper
Bid No. 2003-23

SUMMARY:

Computer and copy paper is bid twice a year due to the lack of storage space. Bids for computer and copy paper were let in April 2003. Bids were due May 6, 2003. Bids were sent to eleven vendors. Eight vendors responded with three of those responses being no bids. A summation of the process and outcome as well as a copy of the tabulation is attached for your review.

Mrs. Debbie Johnson, purchasing supervisor, reviewed the bids. The following is the recommendation of Mrs. Johnson and myself.

RECOMMENDATION:

I recommend the Board approve the items and the related vendors as evidenced by the highlighted area on the attached tabulation.

BID FOR BOARD APPROVAL

Board Meeting Date: May 19, 2003 **Bid Number:** 2003-23

1. **Item, material or service (specific or classification):** Computer and Copy Paper

2. **Brief description:** Computer and copy paper is bid twice a year due to a lack of storage space. All paper is delivered to each campus and department rather than to a central location, which results in a higher cost per case.

3. **Period of time bid covers:** Single purchase which will provide paper for approximately six months. Due to the constant fluctuation of the paper market, most vendors will not hold prices firm for any extended period of time.

4. **Person and title responsible for the expenditure:** Each campus principal and department director is responsible for their campus or department expense.

5. **Number of bids sent to vendors:** 11

6. **Number of bids received from vendors:** 8 (includes 3 no bids)

7. **Listing of recommended vendors and total prices:** The recommendation for award is shaded on the tabulation in the column under the vendor name for a total expenditure of $33,815.60.

8. **Explanation of other than low recommendations:**

   Item #2: The bid by Olmsted Kirk was an all or none bid and the bid by Clampitt Paper specified all items must be ordered with the 8.5 x11 white paper.

   Item #4: This item will not be awarded and will be purchased on the open market. The bid by Olmsted Kirk was an all or none bid and the bid by Clampitt Paper specified all items must be ordered with the 8.5 x11 white paper.

9. **Last bid date (bid of comparable nature within last 5 years):** 11/12/02

10. **Percentage increase or decrease from last bid**:

8.5 x 11 white	Decrease of 4.61%
8.5 x 11 colored	Decrease of 2.21%
8.5 x 14 white	Increase of 0.76%
14-7/8 x 11 green bar	Cost remained the same

11. **Budget information:** Funds for this expenditure are budgeted through object codes 6395 and 6396 for the various campuses and departments.

RE: 2003-2005 Depository Contract

SUMMARY:

On May 12, 2003, Granbury ISD received three bids for depository services for the period of September 1, 2003 to August 31, 2005. They were from First National Bank of Granbury, Heritage National Bank, and TexasBank. An analysis of the bids is attached for your reference.

Granbury ISD is currently contracted with TexasBank and has been since September 2001.

Based upon the financial analysis, any of the banks responding could serve as the depository of GISD. The deciding factors on which bank would better serve the needs of GISD will be the potential interest earnings, services and cost of those services offered by the various banks.

More time needs to be spent reviewing services and potential earnings offered by the banks. This review will be done over the next few days and a recommendation will be offered at the meeting.

RECOMMENDATION:

Recommendation will be made at the Board meeting.

ANALYSIS OF DEPOSITORY BIDS
NARRATIVE

Introduction

During the week of April 17, 2003 requests for proposals to serve as depository for Granbury Independent School District were sent to seven banks located in Granbury. The First National Bank of Granbury, Heritage National Bank, Community Bank, Liberty National, TexasBank, First Savings Bank, and First Convenience Bank. The request included notification of a proposers conference on May 1, 2003 at the Administration Annex. Mr. James Hodges of First National, Mr. Larry Brockman of TexasBank, Mr. Mike Lewis of Heritage National Bank, and Sharay Boynton and Emmett Whitefield representing the District attended the conference. The March 31, 2003 balance of every District account was given to the attendees. The high balances during the months of September 2001,January 2002, February 2002, September 2002 January 2003, and February 2003 for every District account was presented to the attendees as well as the average monthly balance of every District account. Transaction activity for every District account for the period of September 2001 to March 2003 was also presented to the attendees. The requirements for preparation of the reconciliation tape was presented and discussed.

Bids were received from The First National Bank of Granbury, TexasBank and Heritage National Bank. Sharay Boynton opened the bids at 11:00 am on May 12, 2003.

Financial Status

In the Bid Form, there were several pieces of data that were requested from banks submitting proposals. These documents were reviewed and it is felt that all entities are of sound financial status.

Collateral

The banks were asked to provide $5,000,000 collateral for deposits of the District. They were asked further to provide the maximum dollar amount of collateral that their institution would provide for deposits belonging to the District, should the District have deposits in excess of the $5,000,000. The following is what each bank stated.

First National Bank	$ 5,000,000
Heritage National Bank	$ 6,000,000 (up to without prior approval)
TexasBank	$ 5,000,000 (>$5,000,000 for more than two consecutive weeks should be requested in advance)

The District normally maintains a balance of anywhere between $1,000,000 and $3,000,000.

Compensating Balance

The banks were asked to present service charges based on a compensating balance and based on no compensating balance. One bank did not offer this option and the other two did. The following are the compensating balances required by each bank.

First National Bank	N/A
Heritage National Bank	$ 1,000,000
TexasBank	$ 2,000,000

Service Charges

Each bank identified the charges that they would charge the District for various services as outlined by the Bid Form. As stated above only one bank did not respond to the compensating balance option. All three responded to the no compensating balance. Attached to this analysis is a summary of the estimated costs associated with each bid for the two years of the contract.

If the required compensating balance is maintained by the District the cost of services for Texas Bank would be $0 and Heritage Bank would be $0. Without the compensating balance, the cost of services would be $6,080 for First National, $0 for Heritage National and $12,000 for TexasBank. The District has maintained a check inventory with the knowledge that the depository may change, therefore, the check cost is a constant factor in the decision.

After review of all charges that can be readily identified for each bank for the various services, TexasBank (with compensating balance) and Heritage National will cost less than the other bank.

Projected Interest Earnings

All of the banks responding responded with different interest payment programs. Each bank's program will be described below.

First National Bank has proposed two options. Whichever option is chosen will remain in effect the length of the contract.

Option I – First National will pay a fixed rate of .40% on all deposits.

Option II – First National will pay 65 bp below the 91 day T-Bill on all deposits.

Heritage National Bank has proposed two options. Whichever is chosen will remain in effect the length of the contract.

Option I – Heritage National Bank will pay a fixed rate of 2.25% on collected balances.

Option II – Heritage National Bank will pay 25 bp higher than the 91 day T-Bill on collected balances.

TexasBank will pay a rate equal to the 91 day T-Bill discount rate on all checking accounts.

Overdrafts

Even though overdrafts have never been a concern of the District, each bank was asked to describe their overdraft services proposed for the District.

First National will charge 10% for each day of occurrence after the 5th business day in which a net overdraft position occurs. Net overdraft means a net negative balance in all combined accounts.

Heritage National Bank will offer overdraft protection at no charge for an aggregate of $10,000 for three days. Amounts over the $10,000 or for more than three days shall bear interest at the "base lending rate" of HNB as such rate may change from time to time.

TexasBank will not charge fees or interest for five consecutive days if the aggregate overdrafts of all fund do not exceed the aggregate balances of all checking accounts. Overdrawn accounts that exceed the above stated balances or numbers of days will be charged TexasBank prime, plus $24 for each insufficient check. In addition, all overdrawn accounts must be cleared up within five business days, regardless of balances in other accounts. Daylight overdrafts are allowed at no charge up to $2,000,000.

Other Services

The Bid Form requested that the Banks furnish the District with any other services that they could offer the District. It was stated that the other services should pertain to the District itself, other services related to the District's employees would not be considered in the evaluation of the proposal.

First National Bank has a 24 hour banking by phone service and automatic transfer of funds as other services available to the District. Electronic Banking is available and may be utilized for management of District accounts.

Heritage National Bank has electronic banking that allows GISD to access all accounts via the internet. Delivery of statements via an encrypted, password secured email or a "burned" CD will be available within the next few months and will be available to the District.

TexasBank has an online Qup Banking Services system that will allow District personnel access to all accounts online. Security is such that certain employees can have certain capabilities only. Positive Pay is also offered by TexasBank. They can provide MC/Visa Merchant Services at a discount rate. There may be set up fees that will have to be paid by the District.

Investment Services

All of the Banks have stated that they would assist the District in the area of investments. They have all stated that safekeeping capabilities are available through their bank with the Federal Home Land Bank.

References

All banks have served GISD in the past as depositories. Experience with all banks has been positive.

Conflicts of Interest

The Bid Form requested that each Bank address any conflicts of interest that may be present. First National Bank stated that "Jerry Campbell, a Vice President at First National Bank currently serves as trustee of Granbury ISD. He should abstain from voting on any measure which would favor First National Bank's bid to become depository. It should further be noted that Mr. Campbell has no knowledge of this bid presented by First National and had no input in its presentation."
