### SUMMARY:

Texas Education Code 21.402 and 21.403 establish minimum salary schedules for teachers, librarians, and registered nurses. Board Policy DEA (LOCAL) establishes that, "The Superintendent shall recommend to the Board for approval pay structures and compensation plans for all District employees. Pay structures shall be designed and administered for the purpose of attracting and retaining qualified employees to achieve District goals." It further clarifies that, "Certified classroom teachers, librarians, counselors, and nurses shall be paid not less than the minimum monthly salary on the state salary schedules based on years of experience, as required by law. For other employees, the Superintendent shall assign positions to pay ranges that define the minimum and maximum base pay for the positions."

Originally, salary ranges were established using the TASB Model in accordance with this policy in 1996-97. The ranges are evaluated in accordance with guidelines established by TASB and a market study conducted annually.

Additionally, a Salary Committee was established from the District Advisory Committee (DAC) to evaluate the hiring schedules and pay ranges and to make recommendations to the DAC. The DAC then made recommendations to the Superintendent. The committee met and worked for seven weeks and the attached Hiring Schedule and Pay Ranges are the result of that work and the committee's recommendations to the DAC.

The salary committee was made up of Nancy Comeau, John Dafoe, Brenda Elliott, Steven Funk, Kerek Hogg, and Cynthia Langford.

One of the Objectives of Goal # 7 of the District Improvement Plan is to move all District hiring schedules and pay ranges toward the market average whenever it is feasible. This recommendation will partially fulfill this objective.

William Harris

**SUBJECT:** TEXTBOOK ADOPTION FOR BOARD APPROVAL

**CHOOSE ONE:** [X] ***ACTION REQUIRED*** [ ] ***FYI*** [ ] ***DISTRIBUTE***

Textbook Proclamation 2002 is currently up for our consideration and adoption this spring. The following items are being considered, however TEA will only fund a portion of them this spring and the remaining will be funded in the spring of 2005.

Biology & AP Biology (TEA funding this year)

ESL grades K-8 (TEA funding 3-5 this year and remainder 2005)

Technology Applications K-8 (TEA funding all in Spring 2005)

Career and Tech Applications (TEAS funding all in Spring of 2005)

TEA recommended that the district choose all adoptions this year in the event that funding becomes available for the items scheduled for spring 2005. The items that will be purchased this spring will be implemented in the fall of 2005. I have attached a list of the conforming materials as well as a list of the specific books that the committees recommended for adoption. I would recommend that the board adopt the conforming materials. If you have questions, please do not hesitate to contact me.

# BID FOR BOARD APPROVAL

**Board Meeting Date:** April 5, 2004 **Bid Number:** 2004-06

1. **Item, material or service (specific or classification):** Athletic Supplies

2. **Brief description:** A bid was let to provide vendors for catalog purchases of athletic supplies. Vendors were to quote a fixed rate percentage discount from catalog or list prices that would be held firm for the duration of the contract and any renewal periods. A separate line item bid was processed for special clothing or equipment items.

3. **Period of time bid covers:** From written notification of award through March 31, 2005 with the option to renew for two additional years in one-year increments

4. **Person and title responsible for the expenditure:** Randy Leach - Athletic Director

   The bid stated that when using the catalog discount method for purchasing, "it is the responsibility of the coach, along with the athletic director, to ensure that the district is receiving best value in accordance with the criteria in TEC Chapter 44, Subchapter B, §44.031 when making their individual campus/sport purchases." It is the recommendation of administration that they compare pricing among several catalogs before making their purchase.

5. **Number of bids sent to vendors:** 118

6. **Number of bids received from vendors:** 46 (includes 2 no bids and 6 incomplete bids)

7. **Listing of recommended vendors and total prices:** It is recommended that the vendors identified on the tabulation be approved for purchases from the catalogs or price lists submitted with the bid. This would provide vendors for all sports in the athletic program at GISD as some vendor catalogs only pertain to a certain sport. Should the bid be renewed for additional terms, all successive issues of the catalogs or price lists shall also be approved for purchases. A total expenditure cannot be identified at this time as the purchases will be on an as needed basis.

8. **Explanation of other than low recommendations:** N/A

9. **Last bid date (bid of comparable nature within last 5 years):** In the past a catalog discount was included with each line item bid for each sport. For ease of ordering, it was determined that a once a year catalog bid would be more beneficial to the program.

10. **Percentage increase or decrease from last bid**: N/A

11. **Budget information:** Purchases shall be made from funds budgeted for each sport at the secondary campus level.

12. **Other Comments:** A disclosure was made on the bid from Advanced Embroidery. The owner of Advanced Embroidery is married to a teacher/coach at Granbury High School. It is the recommendation of administration that the coach/spouse will not be able to purchase supplies from Advanced Embroidery using the catalog discount.

**RE**: ARAMARK Food Service Management Contract - Renewal

**SUMMARY:**
The contract that GISD has with ARAMARK for management of the District's food service program will expire at the end of this school year. In order to renew for the 5th year of the 5-year contract a new amendment will have to be executed.

The contract that the District has in place with ARAMARK Corporation in relation to management of the District's food service program includes a clause, **Paragraph 16 F, Renogotiation**, that states "ARAMARK's allowance for its General and Administrative Expense and Management Fee shall be increased on an annual basis by a percentage equivalent to the Yearly Percentage Change in the Consumer Price Index …". The CPI for this year is 2.66%. The methodology by which the increase is calculated is attached for your review. Based on this methodology, GISD is proposing that the attached letter containing the amended contract language be presented to Aramark for their acceptance.

The increase will be effective for the 2004-2005 school year. The projected annual Administrative Expense Fee shall be $.0496/meal compared to this year's fee of $.0483/meal and the Management Fee shall be $.0339/meal compared to this year's fee of $.0330/meal. A total projected cost of $92,852. The amendment also includes a change to Paragraph 20. TERM AND TEMINATION. All other respects of the Agreement shall remain in full force and effect.

**RECOMMENDATION:**

It is recommended that the Board accept the increase as presented by the attached GISD letter and contract with ARAMARK to manage the food service program for GISD for the 2004-2005 school year.

**RE**: External Auditor

**SUMMARY:**

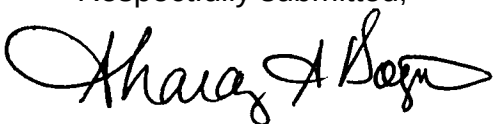

According to Board Policy CFC(LEGAL), "The Board shall have the District's fiscal accounts audited annually at District expense by a Texas certified or public accountant holding a permit from the State Board of Public Accountancy." We retained Snow, Garrett & Company in the Spring of 2000 as external auditor after a RFP process for a period of annual renewal for up to five years. Work has been good and reporting has been timely. I feel that it would be in the best interest to continue this relationship.

It is my recommendation that we engage Snow, Garrett & Company as the external auditors for the fiscal year ended August 31, 2004. A copy of the engagement letter is attached for your review.

**RECOMMENDATION**:

That the Board authorize Mr. Harris to execute the engagement letter as prepared by Snow, Garrett & Company for the fiscal year ended August 31, 2004.
