The Acton Municipal Utility District was a taxing entity that levied property taxes for the purpose of reducing entity debt service. Since they have retired their current debt service with 2003 tax collections, they passed a resolution electing not to levy property taxes for the 2004 tax year. Since the Acton Municipal Utiltiy District will not participate in levying a 2004 tax, they will not be requied to share in the allocation of the district's budget according to section 6.06(g) of the property tax code. The Acton Municipal Utility Distrcit (Defined Area) is a new taxing entity that will levy property taxes for the 2004 tax year and will participate in the budget allocation.

Granbury Independent School District Board of Trustees:

The Public Funds Investment Act (Texas Government Code Chapter 2256, Subchapter A) requires the investment officer of each local government to submit to its governing body a report, not less than quarterly, of investment transactions.

The **Portfolio Summary Report** identifies all areas that are required to be reported to the governing body. The report summarized the information for all six groups of funds that the District invests funds. The report shows that all six funds are being invested at a higher rate than the average benchmark yield. The benchmark used is the 90-day T-Bill.

The total book value of investments held by the District on June 30, 2004 was $25,640,224. The General Fund holds the majority of the investments.

The District invested in the pools and the interest bearing checking accounts during the last quarter. At this time, the pools and the interest bearing checking accounts are generating a larger yield than that of the Treasuries and Agencies. At such a time as the yield is higher for the Treasuries and Agencies, funds will be reallocated to take advantage of the higher yield. Throughout most of last quarter, TexasTerm Daily maintained a higher yield than TEXPOOL, Logic and TASB-Lone Star. The interest yield on the checking accounts was higher than TexasTerm Daily. However, due to collateral and diversity issues, funds are invested in both the pools and the bank.

Funds are invested to yield the highest return and security at the time of investment or withdrawal. Graphs showing the percentage breakdown of investments as well as transactions for all funds are attached for your review.

The information presented above and the attached are submitted to you as the quarterly report of investment transactions for Granbury Independent School District.

MEMORANDUM TO: All Independent School Districts in Hood County

SUBJECT: STATE BOARD OF EDUCATION RULING

The State Board of Education passed an amendment to 19 TAC §129.21 (k) (1). Requirements for Student Attendance Accounting for State Funding Purposes, allows public school students to be considered "in attendance" when participating in off-campus activities with an adjunct staff member of the school district.

(4-12) 1. The student is participating in an activity which is approved by the local board and is under direction of a professional staff member of the school district or an adjunct staff member. This adjunct staff member must have a bachelor's degree and be eligible for participation in the Teacher Retirement System of Texas.

(4-13) Students participating in any activity which is not approved by the local school board and/or without certified district personnel supervision are counted absent [see 94-12]. To qualify for funding purposed, the certified district staff member/adjunct staff member must be accompanying the students as an official of the school district for the specific purpose of supervising the students and must be approved by the school board to supervise the activity. For example, students participating in 4-H activities which are supervised solely by a County Extension Service Agent are reported present.

This amendment provides local school boards the opportunity to recognize county Extension agents as adjunct staff members and to count students participating in 4-H/Extension educational activities "in attendance for Foundation School Program purposes".

Hood County requests adjunct staff member status for the county Extension Faculty for the school year 2003 - 2004. The following faculty are eligible for participation in the Teacher Retirement System of Texas and has a minimum of a bachelor's degree

Name	Title	Degree	Date	Institution
Marty Vahlenkamp	County Extension Agent-Ag	B.S. M.S.	1997 1999	Texas A&M University West Texas A&M University
Beverly F. Greenhill	County Extension Agent-FCS	B.S	1984	Southwest Texas State University

Attached are pages from the 1994-1995 Student Attendance Accounting Handbook. Section (4-12) and (4-13) denote the changes in regards to adjunct staff members and youth participating in 4-H activities.

Also attached is a list of events that may require students to be absent from school.

I hope that your school district will accept this request. Following action by your Board, we will need written documentation for our file for the 2003 - 2004 academic years. Please let us know if you have any questions or need further information.

2004 Delegate Assembly

Dallas Convention Center / Saturday, September 18, 2004

TASB's Delegate Assembly, held in conjunction with the TASB/TASA Convention in Dallas, is a vital component of the Association's governance structure. During the half-day Assembly, local trustees from across Texas provide crucial direction to the TASB Board and staff in representing members' interests before state and national policy makers.

Delegates will convene in caucuses at 1:15 p.m.; the Assembly begins at 1:45 p.m. and will conclude at approximately 4 p.m. During that time delegates will

- elect TASB officers and members of the TASB Board (several changes were made to the Bylaws last year that affect the nominations process – these are summarized in the Nominations Committee Question and Answer document) ,
- hear reports from the TASB Board and its committees,
- consider various changes to the TASB Bylaws, and
- refine TASB's Advocacy Agenda.

Because of the complexity of various education issues, delegates and alternates should be the more experienced members of your local board. The success of TASB's advocacy efforts ultimately rests on the active involvement of board members from every district. Be thoughtful in your selection of a delegate and alternate to assure your district's meaningful participation in the Assembly, and in turn, TASB's effectiveness as the unified voice of Texas districts.

Date: August 9, 2004

TO: Mr. William Harris, Superintendent

FROM: Sharay Boynton, Finance Director
DATE: August 3, 2004
RE: Proposed Tax Rate & Budget Hearing

SUMMARY:

The District must publish a notice of public meeting to discuss budget and proposed tax rate at least 10 days prior to the hearing. The information presented in budget workshops have addressed administrations' recommended tax rate. The proposed tax rate does not have to be the adopted tax rate as long as the adopted tax rate is less than that published.

RECOMMENDATION:

That the Board propose a total tax rate of $1.70 broken down as follows:

M & O Rate	$1.455
Debt Rate	$0.245

That the Board hold the public meeting to discuss the budget and proposed tax rate on August 23, 2004.

OFFICE OF THE SUPERINTENDENT

FOR:	Board of Trustees
DATE:	August 9, 2004
ACTION:	Approval

SUMMARY:

Texas Education Code 21.402 and 21.403 establish minimum salary schedules for teachers, librarians, and registered nurses. Board Policy DEA (Local) establishes that, "The Superintendent shall recommend to the Board for approval pay structures and compensation plans for all District employees. Pay structures shall be designed and administered for the purpose of attracting and retaining qualified employees to achieve District goals." It further clarifies that, "Certified classroom teachers, librarians, counselors, and nurses shall be paid not less than the minimum monthly salary on the state salary schedules based on years of experience, as required by law. For other employees, the Superintendent shall assign positions to pay ranges that define the minimum and maximum base pay for the positions."

Originally, salary ranges were established using the TASB Model in accordance with this policy in 1996-97. The ranges are evaluated in accordance with guidelines established by TASB and a market study conducted annually.

This year, as you know, a Salary Committee was established from the District Advisory Committee (DAC) to evaluate the hiring schedules and pay ranges and to make recommendations to the DAC. The DAC then made recommendations to the Superintendent. The committee met and worked for several weeks and its recommendations were brought forward to you in April and you approved the salary schedules in May.

During those deliberations in April and May, the Superintendent made the commitment to the Board that he would bring the schedule back to the Board for reconsideration at the Budget workshop and at this time, if he felt it was feasible and advisable to do so. The attached hiring schedule represents an approximate 2% increase over the hiring schedule that you approved in May.

One of the Objectives of Goal # 6 of the District Improvement Plan is to move all District hiring schedules toward the market average whenever it is feasible. This recommendation will partially fulfill this objective.

RECOMMENDATION:

That the Board approve the Salary, Athletic Stipend and Extra Duty Pay Schedules presented.

Respectfully submitted,

William Harris
Superintendent
